List of genera

Admissaristercoricola

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *stercus*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Admissaristercoricola*: a microbe of the faeces of horses.

Admissaristercoradaptatus

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *stercus*, excrement; L. masc. n. *adaptatus*, something adapted; *Admissaristercoradaptatus*: a microbe of the faeces of horses.

Admissaristercoribacterium

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *stercus*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Admissaristercoribacterium*: a bacterium of the faeces of horses.

Admissaristercorihabitans

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *stercus*, excrement; L. masc. n. *habitans*, an inhabitant; *Admissaristercorihabitans*: a microbe of the faeces of horses.

Admissaristercorimicrobium

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *stercus*, excrement; N.L. neut. n. *microbium*, a microbe; *Admissaristercorimicrobium*: a microbe of the faeces of horses.

Admissaristercorimonas

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *stercus*, excrement; N.L. fem. n. *monas*, a monad; *Admissaristercorimonas*: a microbe of the faeces of horses.

Admissaristercorimorpha

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *stercus*, excrement; N.L. fem. n. *morpha*, a form; *Admissaristercorimorpha*: a microbe of the faeces of horses.

Admissaristercorousia

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *stercus*, excrement; N.L. fem. n. *ousia*, an essence; *Admissaristercorousia*: a microbe of the faeces of horses.

Admissaristercoriplasma

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *stercus*, excrement; N.L. neut. n. *plasma*, a form; *Admissaristercoriplasma*: a microbe of the faeces of horses.

Admissaristercorisoma

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *stercus*, excrement; N.L. neut. n. *soma*, a body; *Admissaristercorisoma*: a microbe of the faeces of horses.

Admissaristercorivivens

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *stercus*, excrement; L. masc./fem. n. *vivens*, a living thing; *Admissaristercorivivens*: a microbe of the faeces of horses.

Admissarexcrementicola

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *excrementum*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Admissarexcrementicola*: a microbe of the faeces of horses.

Admissarexcrementadaptatus

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *excrementum*, excrement; L. masc. n. *adaptatus*, something adapted; *Admissarexcrementadaptatus*: a microbe of the faeces of horses.

Admissarexcrementibacterium

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *excrementum*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Admissarexcrementibacterium*: a bacterium of the faeces of horses.

Admissarexcrementihabitans

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *excrementum*, excrement; L. masc. n. *habitans*, an inhabitant; *Admissarexcrementihabitans*: a microbe of the faeces of horses.

Admissarexcrementimicrobium

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *excrementum*, excrement; N.L. neut. n. *microbium*, a microbe; *Admissarexcrementimicrobium*: a microbe of the faeces of horses.

Admissarexcrementimonas

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *excrementum*, excrement; N.L. fem. n. *monas*, a monad; *Admissarexcrementimonas*: a microbe of the faeces of horses.

Admissarexcrementimorpha

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *excrementum*, excrement; N.L. fem. n. *morpha*, a form; *Admissarexcrementimorpha*: a microbe of the faeces of horses.

Admissarexcrementousia

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *excrementum*, excrement; N.L. fem. n. *ousia*, an essence; *Admissarexcrementousia*: a microbe of the faeces of horses.

Admissarexcrementiplasma

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *excrementum*, excrement; N.L. neut. n. *plasma*, a form; *Admissarexcrementiplasma*: a microbe of the faeces of horses.

Admissarexcrementisoma

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *excrementum*, excrement; N.L. neut. n. *soma*, a body; *Admissarexcrementisoma*: a microbe of the faeces of horses.

Admissarexcrementivivens

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *excrementum*, excrement; L. masc./fem. n. *vivens*, a living thing; *Admissarexcrementivivens*: a microbe of the faeces of horses.

Admissaricoprocola

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kopros*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Admissaricoprocola*: a microbe of the faeces of horses.

Admissaricopradaptatus

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kopros*, excrement; L. masc. n. *adaptatus*, something adapted; *Admissaricopradaptatus*: a microbe of the faeces of horses.

Admissaricoprobacterium

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Admissaricoprobacterium*: a bacterium of the faeces of horses.

Admissaricoprohabitans

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kopros*, excrement; L. masc. n. *habitans*, an inhabitant; *Admissaricoprohabitans*: a microbe of the faeces of horses.

Admissaricopromicrobium

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *microbium*, a microbe; *Admissaricopromicrobium*: a microbe of the faeces of horses.

Admissaricopromonas

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *monas*, a monad; *Admissaricopromonas*: a microbe of the faeces of horses.

Admissaricopromorpha

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *morpha*, a form; *Admissaricopromorpha*: a microbe of the faeces of horses.

Admissaricoprousia

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *ousia*, an essence; *Admissaricoprousia*: a microbe of the faeces of horses.

Admissaricoproplasma

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *plasma*, a form; *Admissaricoproplasma*: a microbe of the faeces of horses.

Admissaricoprosoma

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *soma*, a body; *Admissaricoprosoma*: a microbe of the faeces of horses.

Admissaricoprovivens

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kopros*, excrement; L. masc./fem. n. *vivens*, a living thing; *Admissaricoprovivens*: a microbe of the faeces of horses.

Admissarifaecicola

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *faex*, dregs; N.L. masc./fem. n. *cola*, an inhabitant; *Admissarifaecicola*: a microbe of the faeces of horses.

Admissarifaecadaptatus

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *faex*, dregs; L. masc. n. *adaptatus*, something adapted; *Admissarifaecadaptatus*: a microbe of the faeces of horses.

Admissarifaecibacterium

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *faex*, dregs; N.L. neut. n. *bacterium*, a bacterium; *Admissarifaecibacterium*: a bacterium of the faeces of horses.

Admissarifaecihabitans

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *faex*, dregs; L. masc. n. *habitans*, an inhabitant; *Admissarifaecihabitans*: a microbe of the faeces of horses.

Admissarifaecimicrobium

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *faex*, dregs; N.L. neut. n. *microbium*, a microbe; *Admissarifaecimicrobium*: a microbe of the faeces of horses.

Admissarifaecimonas

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *faex*, dregs; N.L. fem. n. *monas*, a monad; *Admissarifaecimonas*: a microbe of the faeces of horses.

Admissarifaecimorpha

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *faex*, dregs; N.L. fem. n. *morpha*, a form; *Admissarifaecimorpha*: a microbe of the faeces of horses.

Admissarifaecousia

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *faex*, dregs; N.L. fem. n. *ousia*, an essence; *Admissarifaecousia*: a microbe of the faeces of horses.

Admissarifaeci plasma

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *faex*, dregs; N.L. neut. n. *plasma*, a form; *Admissarifaeci plasma*: a microbe of the faeces of horses.

Admissarifaecisoma

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *faex*, dregs; N.L. neut. n. *soma*, a body; *Admissarifaecisoma*: a microbe of the faeces of horses.

Admissarifaecivivens

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *faex*, dregs; L. masc./fem. n. *vivens*, a living thing; *Admissarifaecivivens*: a microbe of the faeces of horses.

Admissarimerdicola

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *merda*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Admissarimerdicola*: a microbe of the faeces of horses.

Admissarimerdadaptatus

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *merda*, excrement; L. masc. n. *adaptatus*, something adapted; *Admissarimerdadaptatus*: a microbe of the faeces of horses.

Admissarimerdibacterium

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *merda*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Admissarimerdibacterium*: a bacterium of the faeces of horses.

Admissarimerdihabitans

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *merda*, excrement; L. masc. n. *habitans*, an inhabitant; *Admissarimerdihabitans*: a microbe of the faeces of horses.

Admissarimerdimicrobium

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *merda*, excrement; N.L. neut. n. *microbium*, a microbe; *Admissarimerdimicrobium*: a microbe of the faeces of horses.

Admissarimerdimonas

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *merda*, excrement; N.L. fem. n. *monas*, a monad; *Admissarimerdimonas*: a microbe of the faeces of horses.

Admissarimerdimorpha

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *merda*, excrement; N.L. fem. n. *morpha*, a form; *Admissarimerdimorpha*: a microbe of the faeces of horses.

Admissarimerdousia

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *merda*, excrement; N.L. fem. n. *ousia*, an essence; *Admissarimerdousia*: a microbe of the faeces of horses.

Admissarimerdiplasma

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *merda*, excrement; N.L. neut. n. *plasma*, a form; *Admissarimerdiplasma*: a microbe of the faeces of horses.

Admissarimerdisoma

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *merda*, excrement; N.L. neut. n. *soma*, a body; *Admissarimerdisoma*: a microbe of the faeces of horses.

Admissarimerdivivens

L. masc. n. *admissarius*, a stallion used for breeding; L. fem. n. *merda*, excrement; L. masc./fem. n. *vivens*, a living thing; *Admissarimerdivivens*: a microbe of the faeces of horses.

Admissaricaccocola

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kakke*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Admissaricaccocola*: a microbe of the faeces of horses.

Admissaricaccadaptatus

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kakke*, excrement; L. masc. n. *adaptatus*, something adapted; *Admissaricaccadaptatus*: a microbe of the faeces of horses.

Admissaricaccobacterium

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Admissaricaccobacterium*: a bacterium of the faeces of horses.

Admissaricacchohabitans

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kakke*, excrement; L. masc. n. *habitans*, an inhabitant; *Admissaricacchohabitans*: a microbe of the faeces of horses.

Admissaricaccomicrobium

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *microbium*, a microbe; *Admissaricaccomicrobium*: a microbe of the faeces of horses.

Admissaricaccomonas

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *monas*, a monad; *Admissaricaccomonas*: a microbe of the faeces of horses.

Admissaricaccomorpha

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *morpha*, a form; *Admissaricaccomorpha*: a microbe of the faeces of horses.

Admissaricaccousia

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *ousia*, an essence; *Admissaricaccousia*: a microbe of the faeces of horses.

Admissaricacoplasma

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *plasma*, a form; *Admissaricacoplasma*: a microbe of the faeces of horses.

Admissaricaccosoma

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *soma*, a body; *Admissaricaccosoma*: a microbe of the faeces of horses.

Admissaricaccovivens

L. masc. n. *admissarius*, a stallion used for breeding; Gr. fem. n. *kakke*, excrement; L. masc./fem. n. *vivens*, a living thing; *Admissaricaccovivens*: a microbe of the faeces of horses.

Admissarenterocola

L. masc. n. *admissarius*, a stallion used for breeding; Gr. neut. n. *enteron*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Admissarenterocola*: a microbe of the gut of horses.

Admissarenteradaptatus

L. masc. n. *admissarius*, a stallion used for breeding; Gr. neut. n. *enteron*, gut; L. masc. n. *adaptatus*, something adapted; *Admissarenteradaptatus*: a microbe of the gut of horses.

Admissarenterobacterium

L. masc. n. *admissarius*, a stallion used for breeding; Gr. neut. n. *enteron*, gut; N.L. neut. n. *bacterium*, a bacterium; *Admissarenterobacterium*: a bacterium of the gut of horses.

Admissarenterohabitans

L. masc. n. *admissarius*, a stallion used for breeding; Gr. neut. n. *enteron*, gut; L. masc. n. *habitans*, an inhabitant; *Admissarenterohabitans*: a microbe of the gut of horses.

Admissarenteromicrobium

L. masc. n. *admissarius*, a stallion used for breeding; Gr. neut. n. *enteron*, gut; N.L. neut. n. *microbium*, a microbe; *Admissarenteromicrobium*: a microbe of the gut of horses.

Admissarenteromonas

L. masc. n. *admissarius*, a stallion used for breeding; Gr. neut. n. *enteron*, gut; N.L. fem. n. *monas*, a monad; *Admissarenteromonas*: a microbe of the gut of horses.

Admissarenteromorpha

L. masc. n. *admissarius*, a stallion used for breeding; Gr. neut. n. *enteron*, gut; N.L. fem. n. *morpha*, a form; *Admissarenteromorpha*: a microbe of the gut of horses.

Admissarenterousia

L. masc. n. *admissarius*, a stallion used for breeding; Gr. neut. n. *enteron*, gut; N.L. fem. n. *ousia*, an essence; *Admissarenterousia*: a microbe of the gut of horses.

Admissarenteroplasma

L. masc. n. *admissarius*, a stallion used for breeding; Gr. neut. n. *enteron*, gut; N.L. neut. n. *plasma*, a form; *Admissarenteroplasma*: a microbe of the gut of horses.

Admissarenterosoma

L. masc. n. *admissarius*, a stallion used for breeding; Gr. neut. n. *enteron*, gut; N.L. neut. n. *soma*, a body; *Admissarenterosoma*: a microbe of the gut of horses.

Admissarenterovivens

L. masc. n. *admissarius*, a stallion used for breeding; Gr. neut. n. *enteron*, gut; L. masc./fem. n. *vivens*, a living thing; *Admissarenterovivens*: a microbe of the gut of horses.

Admissarintestinicola

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *intestinum*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Admissarintestinicola*: a microbe of the gut of horses.

Admissarintestinadaptatus

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *intestinum*, gut; L. masc. n. *adaptatus*, something adapted; *Admissarintestinadaptatus*: a microbe of the gut of horses.

Admissarintestinibacterium

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *intestinum*, gut; N.L. neut. n. *bacterium*, a bacterium; *Admissarintestinibacterium*: a bacterium of the gut of horses.

Admissarintestinihabitans

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *intestinum*, gut; L. masc. n. *habitans*, an inhabitant; *Admissarintestinihabitans*: a microbe of the gut of horses.

Admissarintestinimicrobium

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *intestinum*, gut; N.L. neut. n. *microbium*, a microbe; *Admissarintestinimicrobium*: a microbe of the gut of horses.

Admissarintestinimonas

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *intestinum*, gut; N.L. fem. n. *monas*, a monad; *Admissarintestinimonas*: a microbe of the gut of horses.

Admissarintestinimorpha

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *intestinum*, gut; N.L. fem. n. *morpha*, a form; *Admissarintestinimorpha*: a microbe of the gut of horses.

Admissarintestinousia

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *intestinum*, gut; N.L. fem. n. *ousia*, an essence; *Admissarintestinousia*: a microbe of the gut of horses.

Admissarintestiniplasma

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *intestinum*, gut; N.L. neut. n. *plasma*, a form; *Admissarintestiniplasma*: a microbe of the gut of horses.

Admissarintestinisoma

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *intestinum*, gut; N.L. neut. n. *soma*, a body; *Admissarintestinisoma*: a microbe of the gut of horses.

Admissarintestinivivens

L. masc. n. *admissarius*, a stallion used for breeding; L. neut. n. *intestinum*, gut; L. masc./fem. n. *vivens*, a living thing; *Admissarintestinivivens*: a microbe of the gut of horses.

Arionostercoricola

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *stercus*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Arionostercoricola*: a microbe of the faeces of horses.

Arionostercoradaptatus

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *stercus*, excrement; L. masc. n. *adaptatus*, something adapted; *Arionostercoradaptatus*: a microbe of the faeces of horses.

Arionostercoribacterium

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *stercus*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Arionostercoribacterium*: a bacterium of the faeces of horses.

Arionostercorihabitans

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *stercus*, excrement; L. masc. n. *habitans*, an inhabitant; *Arionostercorihabitans*: a microbe of the faeces of horses.

Arionostercorimicrobium

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *stercus*, excrement; N.L. neut. n. *microbium*, a microbe; *Arionostercorimicrobium*: a microbe of the faeces of horses.

Arionostercorimonas

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *stercus*, excrement; N.L. fem. n. *monas*, a monad; *Arionostercorimonas*: a microbe of the faeces of horses.

Arionostercorimorpha

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *stercus*, excrement; N.L. fem. n. *morpha*, a form; *Arionostercorimorpha*: a microbe of the faeces of horses.

Arionostercorousia

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *stercus*, excrement; N.L. fem. n. *ousia*, an essence; *Arionostercorousia*: a microbe of the faeces of horses.

Arionostercoriplasma

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *stercus*, excrement; N.L. neut. n. *plasma*, a form; *Arionostercoriplasma*: a microbe of the faeces of horses.

Arionostercorisoma

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *stercus*, excrement; N.L. neut. n. *soma*, a body; *Arionostercorisoma*: a microbe of the faeces of horses.

Arionostercorivivens

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *stercus*, excrement; L. masc./fem. n. *vivens*, a living thing; *Arionostercorivivens*: a microbe of the faeces of horses.

Arionexcrementicola

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *excrementum*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Arionexcrementicola*: a microbe of the faeces of horses.

Arionexcrementadaptatus

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *excrementum*, excrement; L. masc. n. *adaptatus*, something adapted; *Arionexcrementadaptatus*: a microbe of the faeces of horses.

Arionexcrementibacterium

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *excrementum*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Arionexcrementibacterium*: a bacterium of the faeces of horses.

Arionexcrementihabitans

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *excrementum*, excrement; L. masc. n. *habitans*, an inhabitant; *Arionexcrementihabitans*: a microbe of the faeces of horses.

Arionexcrementimicrobium

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *excrementum*, excrement; N.L. neut. n. *microbium*, a microbe; *Arionexcrementimicrobium*: a microbe of the faeces of horses.

Arionexcrementimonas

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *excrementum*, excrement; N.L. fem. n. *monas*, a monad; *Arionexcrementimonas*: a microbe of the faeces of horses.

Arionexcrementimorpha

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *excrementum*, excrement; N.L. fem. n. *morpha*, a form; *Arionexcrementimorpha*: a microbe of the faeces of horses.

Arionexcrementousia

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *excrementum*, excrement; N.L. fem. n. *ousia*, an essence; *Arionexcrementousia*: a microbe of the faeces of horses.

Arionexcrementiplasma

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *excrementum*, excrement; N.L. neut. n. *plasma*, a form; *Arionexcrementiplasma*: a microbe of the faeces of horses.

Arionexcrementisoma

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *excrementum*, excrement; N.L. neut. n. *soma*, a body; *Arionexcrementisoma*: a microbe of the faeces of horses.

Arionexcrementivivens

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *excrementum*, excrement; L. masc./fem. n. *vivens*, a living thing; *Arionexcrementivivens*: a microbe of the faeces of horses.

Arionocoprocola

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kopros*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Arionocoprocola*: a microbe of the faeces of horses.

Arionocopradaptatus

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kopros*, excrement; L. masc. n. *adaptatus*, something adapted; *Arionocopradaptatus*: a microbe of the faeces of horses.

Arionocoprobacterium

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Arionocoprobacterium*: a bacterium of the faeces of horses.

Arionocoprohabitans

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kopros*, excrement; L. masc. n. *habitans*, an inhabitant; *Arionocoprohabitans*: a microbe of the faeces of horses.

Arionocopromicrobium

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *microbium*, a microbe; *Arionocopromicrobium*: a microbe of the faeces of horses.

Arionocopromonas

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *monas*, a monad; *Arionocopromonas*: a microbe of the faeces of horses.

Arionocopromorpha

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *morpha*, a form; *Arionocopromorpha*: a microbe of the faeces of horses.

Arionocoprousia

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *ousia*, an essence; *Arionocoprousia*: a microbe of the faeces of horses.

Arionocoproplasma

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *plasma*, a form; *Arionocoproplasma*: a microbe of the faeces of horses.

Arionocoprosoma

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *soma*, a body; *Arionocoprosoma*: a microbe of the faeces of horses.

Arionocoprovivens

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kopros*, excrement; L. masc./fem. n. *vivens*, a living thing; *Arionocoprovivens*: a microbe of the faeces of horses.

Arionofaecicola

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *faex*, dregs; N.L. masc./fem. n. *cola*, an inhabitant; *Arionofaecicola*: a microbe of the faeces of horses.

Arionofaecadaptatus

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *faex*, dregs; L. masc. n. *adaptatus*, something adapted; *Arionofaecadaptatus*: a microbe of the faeces of horses.

Arionofaecibacterium

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *faex*, dregs; N.L. neut. n. *bacterium*, a bacterium; *Arionofaecibacterium*: a bacterium of the faeces of horses.

Arionofaecihabitans

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *faex*, dregs; L. masc. n. *habitans*, an inhabitant; *Arionofaecihabitans*: a microbe of the faeces of horses.

Arionofaecimicrobium

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *faex*, dregs; N.L. neut. n. *microbium*, a microbe; *Arionofaecimicrobium*: a microbe of the faeces of horses.

Arionofaecimonas

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *faex*, dregs; N.L. fem. n. *monas*, a monad; *Arionofaecimonas*: a microbe of the faeces of horses.

Arionofaecimorpha

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *faex*, dregs; N.L. fem. n. *morpha*, a form; *Arionofaecimorpha*: a microbe of the faeces of horses.

Arionofaecousia

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *faex*, dregs; N.L. fem. n. *ousia*, an essence; *Arionofaecousia*: a microbe of the faeces of horses.

Arionofaeciplasma

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *faex*, dregs; N.L. neut. n. *plasma*, a form; *Arionofaeciplasma*: a microbe of the faeces of horses.

Arionofaecisoma

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *faex*, dregs; N.L. neut. n. *soma*, a body; *Arionofaecisoma*: a microbe of the faeces of horses.

Arionofaecivivens

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *faex*, dregs; L. masc./fem. n. *vivens*, a living thing; *Arionofaecivivens*: a microbe of the faeces of horses.

Arionomerdicola

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *merda*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Arionomerdicola*: a microbe of the faeces of horses.

Arionomerdadaptatus

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *merda*, excrement; L. masc. n. *adaptatus*, something adapted; *Arionomerdadaptatus*: a microbe of the faeces of horses.

Arionomerdibacterium

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *merda*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Arionomerdibacterium*: a bacterium of the faeces of horses.

Arionomerdihabitans

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *merda*, excrement; L. masc. n. *habitans*, an inhabitant; *Arionomerdihabitans*: a microbe of the faeces of horses.

Arionerdimicrobium

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *merda*, excrement; N.L. neut. n. *microbium*, a microbe; *Arionerdimicrobium*: a microbe of the faeces of horses.

Arionerdimonas

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *merda*, excrement; N.L. fem. n. *monas*, a monad; *Arionerdimonas*: a microbe of the faeces of horses.

Arionerdimorpha

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *merda*, excrement; N.L. fem. n. *morpha*, a form; *Arionerdimorpha*: a microbe of the faeces of horses.

Arionerdotsia

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *merda*, excrement; N.L. fem. n. *ousia*, an essence; *Arionerdotsia*: a microbe of the faeces of horses.

Arionerdiplasma

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *merda*, excrement; N.L. neut. n. *plasma*, a form; *Arionerdiplasma*: a microbe of the faeces of horses.

Arionerdisoma

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *merda*, excrement; N.L. neut. n. *soma*, a body; *Arionerdisoma*: a microbe of the faeces of horses.

Arionerdivivens

Gr. masc. n. *Arion*, a mythical horse that could speak; L. fem. n. *merda*, excrement; L. masc./fem. n. *vivens*, a living thing; *Arionerdivivens*: a microbe of the faeces of horses.

Arionocaccocola

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kakke*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Arionocaccocola*: a microbe of the faeces of horses.

Arionocaccadaptatus

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kakke*, excrement; L. masc. n. *adaptatus*, something adapted; *Arionocaccadaptatus*: a microbe of the faeces of horses.

Arionocaccobacterium

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Arionocaccobacterium*: a bacterium of the faeces of horses.

Arionocacchohabitans

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kakke*, excrement; L. masc. n. *habitans*, an inhabitant; *Arionocacchohabitans*: a microbe of the faeces of horses.

Arionocaccomicrobium

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *microbium*, a microbe; *Arionocaccomicrobium*: a microbe of the faeces of horses.

Arionocaccomonas

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *monas*, a monad; *Arionocaccomonas*: a microbe of the faeces of horses.

Arionocaccomorpha

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *morpha*, a form; *Arionocaccomorpha*: a microbe of the faeces of horses.

Arionocaccousia

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *ousia*, an essence; *Arionocaccousia*: a microbe of the faeces of horses.

Arionocaccoplasma

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *plasma*, a form; *Arionocaccoplasma*: a microbe of the faeces of horses.

Arionocaccosoma

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *soma*, a body; *Arionocaccosoma*: a microbe of the faeces of horses.

Arionocaccovivens

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. fem. n. *kakke*, excrement; L. masc./fem. n. *vivens*, a living thing; *Arionocaccovivens*: a microbe of the faeces of horses.

Arionenterocola

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. neut. n. *enteron*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Arionenterocola*: a microbe of the gut of horses.

Arionenteradaptatus

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. neut. n. *enteron*, gut; L. masc. n. *adaptatus*, something adapted; *Arionenteradaptatus*: a microbe of the gut of horses.

Arionenterobacterium

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. neut. n. *enteron*, gut; N.L. neut. n. *bacterium*, a bacterium; *Arionenterobacterium*: a bacterium of the gut of horses.

Arionenterohabitans

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. neut. n. *enteron*, gut; L. masc. n. *habitans*, an inhabitant; *Arionenterohabitans*: a microbe of the gut of horses.

Arionenteromicrobium

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. neut. n. *enteron*, gut; N.L. neut. n. *microbium*, a microbe; *Arionenteromicrobium*: a microbe of the gut of horses.

Arionenteromonas

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. neut. n. *enteron*, gut; N.L. fem. n. *monas*, a monad; *Arionenteromonas*: a microbe of the gut of horses.

Arionenteromorpha

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. neut. n. *enteron*, gut; N.L. fem. n. *morpha*, a form; *Arionenteromorpha*: a microbe of the gut of horses.

Arionenterousia

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. neut. n. *enteron*, gut; N.L. fem. n. *ousia*, an essence; *Arionenterousia*: a microbe of the gut of horses.

Arionenteroplasma

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. neut. n. *enteron*, gut; N.L. neut. n. *plasma*, a form; *Arionenteroplasma*: a microbe of the gut of horses.

Arionenterosoma

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. neut. n. *enteron*, gut; N.L. neut. n. *soma*, a body; *Arionenterosoma*: a microbe of the gut of horses.

Arionenterovivens

Gr. masc. n. *Arion*, a mythical horse that could speak; Gr. neut. n. *enteron*, gut; L. masc./fem. n. *vivens*, a living thing; *Arionenterovivens*: a microbe of the gut of horses.

Arionintesticola

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *intestinum*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Arionintesticola*: a microbe of the gut of horses.

Arionintestinadaptatus

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *intestinum*, gut; L. masc. n. *adaptatus*, something adapted; *Arionintestinadaptatus*: a microbe of the gut of horses.

Arionintestinibacterium

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *intestinum*, gut; N.L. neut. n. *bacterium*, a bacterium; *Arionintestinibacterium*: a bacterium of the gut of horses.

Arionintestinihabitans

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *intestinum*, gut; L. masc. n. *habitans*, an inhabitant; *Arionintestinihabitans*: a microbe of the gut of horses.

Arionintestinimicrobium

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *intestinum*, gut; N.L. neut. n. *microbium*, a microbe; *Arionintestinimicrobium*: a microbe of the gut of horses.

Arionintestinimonas

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *intestinum*, gut; N.L. fem. n. *monas*, a monad; *Arionintestinimonas*: a microbe of the gut of horses.

Arionintestinimorpha

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *intestinum*, gut; N.L. fem. n. *morpha*, a form; *Arionintestinimorpha*: a microbe of the gut of horses.

Arionintestinousia

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *intestinum*, gut; N.L. fem. n. *ousia*, an essence; *Arionintestinousia*: a microbe of the gut of horses.

Arionintestiniplasma

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *intestinum*, gut; N.L. neut. n. *plasma*, a form; *Arionintestiniplasma*: a microbe of the gut of horses.

Arionintestinisoma

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *intestinum*, gut; N.L. neut. n. *soma*, a body; *Arionintestinisoma*: a microbe of the gut of horses.

Arionintestinivivens

Gr. masc. n. *Arion*, a mythical horse that could speak; L. neut. n. *intestinum*, gut; L. masc./fem. n. *vivens*, a living thing; *Arionintestinivivens*: a microbe of the gut of horses.

Baliostercoricola

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *stercus*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Baliostercoricola*: a microbe of the faeces of horses.

Baliostercoradaptatus

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *stercus*, excrement; L. masc. n. *adaptatus*, something adapted; *Baliostercoradaptatus*: a microbe of the faeces of horses.

Baliostercoribacterium

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Baliostercoribacterium*: a bacterium of the faeces of horses.

Baliostercorihabitans

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *stercus*, excrement; L. masc. n. *habitans*, an inhabitant; *Baliostercorihabitans*: a microbe of the faeces of horses.

Baliostercorimicrobium

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *microbium*, a microbe; *Baliostercorimicrobium*: a microbe of the faeces of horses.

Baliostercorimonas

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *monas*, a monad; *Baliostercorimonas*: a microbe of the faeces of horses.

Baliostercorimorpha

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *morpha*, a form; *Baliostercorimorpha*: a microbe of the faeces of horses.

Baliostercorousia

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *ousia*, an essence; *Baliostercorousia*: a microbe of the faeces of horses.

Baliostercoriplasma

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *plasma*, a form; *Baliostercoriplasma*: a microbe of the faeces of horses.

Baliostercorisoma

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *soma*, a body; *Baliostercorisoma*: a microbe of the faeces of horses.

Baliostercorivivens

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *stercus*, excrement; L. masc./fem. n. *vivens*, a living thing; *Baliostercorivivens*: a microbe of the faeces of horses.

Baliexcrementicola

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *excrementum*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Baliexcrementicola*: a microbe of the faeces of horses.

Baliexcrementadaptatus

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *excrementum*, excrement; L. masc. n. *adaptatus*, something adapted; *Baliexcrementadaptatus*: a microbe of the faeces of horses.

Baliexcrementibacterium

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Baliexcrementibacterium*: a bacterium of the faeces of horses.

Baliexcrementihabitans

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *excrementum*, excrement; L. masc. n. *habitans*, an inhabitant; *Baliexcrementihabitans*: a microbe of the faeces of horses.

Baliexcrementimicrobium

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *microbium*, a microbe; *Baliexcrementimicrobium*: a microbe of the faeces of horses.

Baliexcrementimonas

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *monas*, a monad; *Baliexcrementimonas*: a microbe of the faeces of horses.

Baliexcrementimorpha

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *morpha*, a form; *Baliexcrementimorpha*: a microbe of the faeces of horses.

Baliexcrementousia

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *ousia*, an essence; *Baliexcrementousia*: a microbe of the faeces of horses.

Baliexcrementiplasma

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *plasma*, a form; *Baliexcrementiplasma*: a microbe of the faeces of horses.

Baliexcrementisoma

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *soma*, a body; *Baliexcrementisoma*: a microbe of the faeces of horses.

Baliexcrementivivens

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *excrementum*, excrement; L. masc./fem. n. *vivens*, a living thing; *Baliexcrementivivens*: a microbe of the faeces of horses.

Baliocoprocola

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kopros*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Baliocoprocola*: a microbe of the faeces of horses.

Baliocopradaptatus

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *adaptatus*, something adapted; *Baliocopradaptatus*: a microbe of the faeces of horses.

Baliocoprobacterium

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Baliocoprobacterium*: a bacterium of the faeces of horses.

Baliocoprohabitans

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *habitans*, an inhabitant; *Baliocoprohabitans*: a microbe of the faeces of horses.

Baliocopromicrobium

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *microbium*, a microbe; *Baliocopromicrobium*: a microbe of the faeces of horses.

Baliocopromonas

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *monas*, a monad; *Baliocopromonas*: a microbe of the faeces of horses.

Baliocopromorpha

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *morpha*, a form; *Baliocopromorpha*: a microbe of the faeces of horses.

Baliocoprousia

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *ousia*, an essence; *Baliocoprousia*: a microbe of the faeces of horses.

Baliocoproplasma

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *plasma*, a form; *Baliocoproplasma*: a microbe of the faeces of horses.

Baliocoprosoma

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *soma*, a body; *Baliocoprosoma*: a microbe of the faeces of horses.

Baliocprovivens

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kopros*, excrement; L. masc./fem. n. *vivens*, a living thing; *Baliocprovivens*: a microbe of the faeces of horses.

Baliofaecicola

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *faex*, dregs; N.L. masc./fem. n. *cola*, an inhabitant; *Baliofaecicola*: a microbe of the faeces of horses.

Baliofaecadaptatus

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *faex*, dregs; L. masc. n. *adaptatus*, something adapted; *Baliofaecadaptatus*: a microbe of the faeces of horses.

Baliofaecibacterium

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *faex*, dregs; N.L. neut. n. *bacterium*, a bacterium; *Baliofaecibacterium*: a bacterium of the faeces of horses.

Baliofaecihabitans

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *faex*, dregs; L. masc. n. *habitans*, an inhabitant; *Baliofaecihabitans*: a microbe of the faeces of horses.

Baliofaecimicrobium

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *faex*, dregs; N.L. neut. n. *microbium*, a microbe; *Baliofaecimicrobium*: a microbe of the faeces of horses.

Baliofaecimonas

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *faex*, dregs; N.L. fem. n. *monas*, a monad; *Baliofaecimonas*: a microbe of the faeces of horses.

Baliofaecimorpha

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *faex*, dregs; N.L. fem. n. *morpha*, a form; *Baliofaecimorpha*: a microbe of the faeces of horses.

Baliofaecousia

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *faex*, dregs; N.L. fem. n. *ousia*, an essence; *Baliofaecousia*: a microbe of the faeces of horses.

Baliofaeci plasma

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *faex*, dregs; N.L. neut. n. *plasma*, a form; *Baliofaeci plasma*: a microbe of the faeces of horses.

Baliofaecisoma

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *faex*, dregs; N.L. neut. n. *soma*, a body; *Baliofaecisoma*: a microbe of the faeces of horses.

Baliofaecivivens

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *faex*, dregs; L. masc./fem. n. *vivens*, a living thing; *Baliofaecivivens*: a microbe of the faeces of horses.

Baliomerdicola

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *merda*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Baliomerdicola*: a microbe of the faeces of horses.

Baliomerdadaptatus

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *merda*, excrement; L. masc. n. *adaptatus*, something adapted; *Baliomerdadaptatus*: a microbe of the faeces of horses.

Baliomerdibacterium

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *merda*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Baliomerdibacterium*: a bacterium of the faeces of horses.

Baliomerdihabitans

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *merda*, excrement; L. masc. n. *habitans*, an inhabitant; *Baliomerdihabitans*: a microbe of the faeces of horses.

Baliomerdimicrobium

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *merda*, excrement; N.L. neut. n. *microbium*, a microbe; *Baliomerdimicrobium*: a microbe of the faeces of horses.

Baliomerdimonas

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *merda*, excrement; N.L. fem. n. *monas*, a monad; *Baliomerdimonas*: a microbe of the faeces of horses.

Baliomerdimorpha

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *merda*, excrement; N.L. fem. n. *morpha*, a form; *Baliomerdimorpha*: a microbe of the faeces of horses.

Baliomerdousia

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *merda*, excrement; N.L. fem. n. *ousia*, an essence; *Baliomerdousia*: a microbe of the faeces of horses.

Baliomerdiplasma

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *merda*, excrement; N.L. neut. n. *plasma*, a form; *Baliomerdiplasma*: a microbe of the faeces of horses.

Baliomerdisoma

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *merda*, excrement; N.L. neut. n. *soma*, a body; *Baliomerdisoma*: a microbe of the faeces of horses.

Baliomerdivivens

Gr. masc. n. *Balios*, a mythical horse; L. fem. n. *merda*, excrement; L. masc./fem. n. *vivens*, a living thing; *Baliomerdivivens*: a microbe of the faeces of horses.

Baliocaccocola

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kakke*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Baliocaccocola*: a microbe of the faeces of horses.

Baliocaccadaptatus

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *adaptatus*, something adapted; *Baliocaccadaptatus*: a microbe of the faeces of horses.

Baliocaccobacterium

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Baliocaccobacterium*: a bacterium of the faeces of horses.

Baliocaccohabitans

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *habitans*, an inhabitant; *Baliocaccohabitans*: a microbe of the faeces of horses.

Baliocaccomicrobium

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *microbium*, a microbe; *Baliocaccomicrobium*: a microbe of the faeces of horses.

Baliocaccomonas

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *monas*, a monad; *Baliocaccomonas*: a microbe of the faeces of horses.

Baliocaccomorpha

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *morpha*, a form; *Baliocaccomorpha*: a microbe of the faeces of horses.

Baliocaccousia

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *ousia*, an essence; *Baliocaccousia*: a microbe of the faeces of horses.

Baliocaccoplasma

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *plasma*, a form; *Baliocaccoplasma*: a microbe of the faeces of horses.

Baliocaccosoma

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *soma*, a body; *Baliocaccosoma*: a microbe of the faeces of horses.

Baliocaccovivens

Gr. masc. n. *Balios*, a mythical horse; Gr. fem. n. *kakke*, excrement; L. masc./fem. n. *vivens*, a living thing; *Baliocaccovivens*: a microbe of the faeces of horses.

Balienterocola

Gr. masc. n. *Balios*, a mythical horse; Gr. neut. n. *enteron*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Balienterocola*: a microbe of the gut of horses.

Balienteradaptatus

Gr. masc. n. *Balios*, a mythical horse; Gr. neut. n. *enteron*, gut; L. masc. n. *adaptatus*, something adapted; *Balienteradaptatus*: a microbe of the gut of horses.

Balienterobacterium

Gr. masc. n. *Balios*, a mythical horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *bacterium*, a bacterium; *Balienterobacterium*: a bacterium of the gut of horses.

Balienterohabitans

Gr. masc. n. *Balios*, a mythical horse; Gr. neut. n. *enteron*, gut; L. masc. n. *habitans*, an inhabitant; *Balienterohabitans*: a microbe of the gut of horses.

Balienteromicrobium

Gr. masc. n. *Balios*, a mythical horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *microbium*, a microbe; *Balienteromicrobium*: a microbe of the gut of horses.

Balienteromonas

Gr. masc. n. *Balios*, a mythical horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *monas*, a monad; *Balienteromonas*: a microbe of the gut of horses.

Balienteromorpha

Gr. masc. n. *Balios*, a mythical horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *morpha*, a form; *Balienteromorpha*: a microbe of the gut of horses.

Balienterousia

Gr. masc. n. *Balios*, a mythical horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *ousia*, an essence; *Balienterousia*: a microbe of the gut of horses.

Balienteroplasma

Gr. masc. n. *Balios*, a mythical horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *plasma*, a form; *Balienteroplasma*: a microbe of the gut of horses.

Balienterosoma

Gr. masc. n. *Balios*, a mythical horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *soma*, a body; *Balienterosoma*: a microbe of the gut of horses.

Balienterovivens

Gr. masc. n. *Balios*, a mythical horse; Gr. neut. n. *enteron*, gut; L. masc./fem. n. *vivens*, a living thing; *Balienterovivens*: a microbe of the gut of horses.

Baliintesticola

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *intestinum*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Baliintesticola*: a microbe of the gut of horses.

Baliintestinadaptatus

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *intestinum*, gut; L. masc. n. *adaptatus*, something adapted; *Baliintestinadaptatus*: a microbe of the gut of horses.

Baliintestinibacterium

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *bacterium*, a bacterium; *Baliintestinibacterium*: a bacterium of the gut of horses.

Baliintestinihabitans

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *intestinum*, gut; L. masc. n. *habitans*, an inhabitant; *Baliintestinihabitans*: a microbe of the gut of horses.

Baliintestinimicrobium

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *microbium*, a microbe; *Baliintestinimicrobium*: a microbe of the gut of horses.

Baliintestinimonas

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *monas*, a monad; *Baliintestinimonas*: a microbe of the gut of horses.

Baliintestinimorpha

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *morpha*, a form; *Baliintestinimorpha*: a microbe of the gut of horses.

Baliintestinousia

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *ousia*, an essence; *Baliintestinousia*: a microbe of the gut of horses.

Baliintestiniplasma

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *plasma*, a form; *Baliintestiniplasma*: a microbe of the gut of horses.

Baliintestinisoma

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *soma*, a body; *Baliintestinisoma*: a microbe of the gut of horses.

Baliintestinivivens

Gr. masc. n. *Balios*, a mythical horse; L. neut. n. *intestinum*, gut; L. masc./fem. n. *vivens*, a living thing; *Baliintestinivivens*: a microbe of the gut of horses.

Caballistercoricola

L. masc. n. *caballus*, a horse; L. neut. n. *stercus*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Caballistercoricola*: a microbe of the faeces of horses.

Caballistercoradaptatus

L. masc. n. *caballus*, a horse; L. neut. n. *stercus*, excrement; L. masc. n. *adaptatus*, something adapted; *Caballistercoradaptatus*: a microbe of the faeces of horses.

Caballistercoribacterium

L. masc. n. *caballus*, a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Caballistercoribacterium*: a bacterium of the faeces of horses.

Caballistercorihabitans

L. masc. n. *caballus*, a horse; L. neut. n. *stercus*, excrement; L. masc. n. *habitans*, an inhabitant; *Caballistercorihabitans*: a microbe of the faeces of horses.

Caballistercorimicrobium

L. masc. n. *caballus*, a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *microbium*, a microbe; *Caballistercorimicrobium*: a microbe of the faeces of horses.

Caballistercorimonas

L. masc. n. *caballus*, a horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *monas*, a monad; *Caballistercorimonas*: a microbe of the faeces of horses.

Caballistercorimorpha

L. masc. n. *caballus*, a horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *morpha*, a form; *Caballistercorimorpha*: a microbe of the faeces of horses.

Caballistercorousia

L. masc. n. *caballus*, a horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *ousia*, an essence; *Caballistercorousia*: a microbe of the faeces of horses.

Caballistercoriplasma

L. masc. n. *caballus*, a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *plasma*, a form; *Caballistercoriplasma*: a microbe of the faeces of horses.

Caballistercorisoma

L. masc. n. *caballus*, a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *soma*, a body; *Caballistercorisoma*: a microbe of the faeces of horses.

Caballistercorivivens

L. masc. n. *caballus*, a horse; L. neut. n. *stercus*, excrement; L. masc./fem. n. *vivens*, a living thing; *Caballistercorivivens*: a microbe of the faeces of horses.

Caballexcrementicola

L. masc. n. *caballus*, a horse; L. neut. n. *excrementum*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Caballexcrementicola*: a microbe of the faeces of horses.

Caballexcrementadaptatus

L. masc. n. *caballus*, a horse; L. neut. n. *excrementum*, excrement; L. masc. n. *adaptatus*, something adapted; *Caballexcrementadaptatus*: a microbe of the faeces of horses.

Caballexcrementibacterium

L. masc. n. *caballus*, a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Caballexcrementibacterium*: a bacterium of the faeces of horses.

Caballexcrementihabitans

L. masc. n. *caballus*, a horse; L. neut. n. *excrementum*, excrement; L. masc. n. *habitans*, an inhabitant; *Caballexcrementihabitans*: a microbe of the faeces of horses.

Caballexcrementimicrobium

L. masc. n. *caballus*, a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *microbium*, a microbe; *Caballexcrementimicrobium*: a microbe of the faeces of horses.

Caballexcrementimonas

L. masc. n. *caballus*, a horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *monas*, a monad; *Caballexcrementimonas*: a microbe of the faeces of horses.

Caballexcrementimorpha

L. masc. n. *caballus*, a horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *morpha*, a form; *Caballexcrementimorpha*: a microbe of the faeces of horses.

Caballexcrementousia

L. masc. n. *caballus*, a horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *ousia*, an essence; *Caballexcrementousia*: a microbe of the faeces of horses.

Caballexcrementiplasma

L. masc. n. *caballus*, a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *plasma*, a form; *Caballexcrementiplasma*: a microbe of the faeces of horses.

Caballexcrementisoma

L. masc. n. *caballus*, a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *soma*, a body; *Caballexcrementisoma*: a microbe of the faeces of horses.

Caballexcrementivivens

L. masc. n. *caballus*, a horse; L. neut. n. *excrementum*, excrement; L. masc./fem. n. *vivens*, a living thing; *Caballexcrementivivens*: a microbe of the faeces of horses.

Caballicoprocola

L. masc. n. *caballus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Caballicoprocola*: a microbe of the faeces of horses.

Caballicopradaptatus

L. masc. n. *caballus*, a horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *adaptatus*, something adapted; *Caballicopradaptatus*: a microbe of the faeces of horses.

Caballicoprobacterium

L. masc. n. *caballus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Caballicoprobacterium*: a bacterium of the faeces of horses.

Caballicoprohabitans

L. masc. n. *caballus*, a horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *habitans*, an inhabitant; *Caballicoprohabitans*: a microbe of the faeces of horses.

Caballicopromicrobium

L. masc. n. *caballus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *microbium*, a microbe; *Caballicopromicrobium*: a microbe of the faeces of horses.

Caballicopromonas

L. masc. n. *caballus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *monas*, a monad; *Caballicopromonas*: a microbe of the faeces of horses.

Caballicopromorpha

L. masc. n. *caballus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *morpha*, a form; *Caballicopromorpha*: a microbe of the faeces of horses.

Caballicoprousia

L. masc. n. *caballus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *ousia*, an essence; *Caballicoprousia*: a microbe of the faeces of horses.

Caballicoproplasma

L. masc. n. *caballus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *plasma*, a form; *Caballicoproplasma*: a microbe of the faeces of horses.

Caballicoprosoma

L. masc. n. *caballus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *soma*, a body; *Caballicoprosoma*: a microbe of the faeces of horses.

Caballicoprovivens

L. masc. n. *caballus*, a horse; Gr. fem. n. *kopros*, excrement; L. masc./fem. n. *vivens*, a living thing; *Caballicoprovivens*: a microbe of the faeces of horses.

Caballifaecicola

L. masc. n. *caballus*, a horse; L. fem. n. *faex*, dregs; N.L. masc./fem. n. *cola*, an inhabitant; *Caballifaecicola*: a microbe of the faeces of horses.

Caballifaecadaptatus

L. masc. n. *caballus*, a horse; L. fem. n. *faex*, dregs; L. masc. n. *adaptatus*, something adapted; *Caballifaecadaptatus*: a microbe of the faeces of horses.

Caballifaecibacterium

L. masc. n. *caballus*, a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *bacterium*, a bacterium; *Caballifaecibacterium*: a bacterium of the faeces of horses.

Caballifaecihabitans

L. masc. n. *caballus*, a horse; L. fem. n. *faex*, dregs; L. masc. n. *habitans*, an inhabitant; *Caballifaecihabitans*: a microbe of the faeces of horses.

Caballifaecimicrobium

L. masc. n. *caballus*, a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *microbium*, a microbe; *Caballifaecimicrobium*: a microbe of the faeces of horses.

Caballifaecimonas

L. masc. n. *caballus*, a horse; L. fem. n. *faex*, dregs; N.L. fem. n. *monas*, a monad; *Caballifaecimonas*: a microbe of the faeces of horses.

Caballifaecimorpha

L. masc. n. *caballus*, a horse; L. fem. n. *faex*, dregs; N.L. fem. n. *morpha*, a form; *Caballifaecimorpha*: a microbe of the faeces of horses.

Caballifaecousia

L. masc. n. *caballus*, a horse; L. fem. n. *faex*, dregs; N.L. fem. n. *ousia*, an essence; *Caballifaecousia*: a microbe of the faeces of horses.

Caballifaeci plasma

L. masc. n. *caballus*, a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *plasma*, a form; *Caballifaeci plasma*: a microbe of the faeces of horses.

Caballifaecisoma

L. masc. n. *caballus*, a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *soma*, a body; *Caballifaecisoma*: a microbe of the faeces of horses.

Caballifaecivivens

L. masc. n. *caballus*, a horse; L. fem. n. *faex*, dregs; L. masc./fem. n. *vivens*, a living thing; *Caballifaecivivens*: a microbe of the faeces of horses.

Caballimerdicola

L. masc. n. *caballus*, a horse; L. fem. n. *merda*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Caballimerdicola*: a microbe of the faeces of horses.

Caballimerdadaptatus

L. masc. n. *caballus*, a horse; L. fem. n. *merda*, excrement; L. masc. n. *adaptatus*, something adapted; *Caballimerdadaptatus*: a microbe of the faeces of horses.

Caballimerdibacterium

L. masc. n. *caballus*, a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Caballimerdibacterium*: a bacterium of the faeces of horses.

Caballimerdihabitans

L. masc. n. *caballus*, a horse; L. fem. n. *merda*, excrement; L. masc. n. *habitans*, an inhabitant; *Caballimerdihabitans*: a microbe of the faeces of horses.

Caballimerdimicrobium

L. masc. n. *caballus*, a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *microbium*, a microbe; *Caballimerdimicrobium*: a microbe of the faeces of horses.

Caballimerdimonas

L. masc. n. *caballus*, a horse; L. fem. n. *merda*, excrement; N.L. fem. n. *monas*, a monad; *Caballimerdimonas*: a microbe of the faeces of horses.

Caballimerdimorpha

L. masc. n. *caballus*, a horse; L. fem. n. *merda*, excrement; N.L. fem. n. *morpha*, a form; *Caballimerdimorpha*: a microbe of the faeces of horses.

Caballimerdousia

L. masc. n. *caballus*, a horse; L. fem. n. *merda*, excrement; N.L. fem. n. *ousia*, an essence; *Caballimerdousia*: a microbe of the faeces of horses.

Caballimerdiplasma

L. masc. n. *caballus*, a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *plasma*, a form; *Caballimerdiplasma*: a microbe of the faeces of horses.

Caballimerdisoma

L. masc. n. *caballus*, a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *soma*, a body; *Caballimerdisoma*: a microbe of the faeces of horses.

Caballimerdivivens

L. masc. n. *caballus*, a horse; L. fem. n. *merda*, excrement; L. masc./fem. n. *vivens*, a living thing; *Caballimerdivivens*: a microbe of the faeces of horses.

Caballiccocola

L. masc. n. *caballus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Caballiccocola*: a microbe of the faeces of horses.

Caballiccadaptatus

L. masc. n. *caballus*, a horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *adaptatus*, something adapted; *Caballiccadaptatus*: a microbe of the faeces of horses.

Caballiccobacterium

L. masc. n. *caballus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Caballiccobacterium*: a bacterium of the faeces of horses.

Caballiccobabitans

L. masc. n. *caballus*, a horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *habitans*, an inhabitant; *Caballiccobabitans*: a microbe of the faeces of horses.

Caballiccocomicrobium

L. masc. n. *caballus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *microbium*, a microbe; *Caballiccocomicrobium*: a microbe of the faeces of horses.

Caballiccocomonas

L. masc. n. *caballus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *monas*, a monad; *Caballiccocomonas*: a microbe of the faeces of horses.

Caballiccocomorpha

L. masc. n. *caballus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *morpha*, a form; *Caballiccocomorpha*: a microbe of the faeces of horses.

Caballiccousia

L. masc. n. *caballus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *ousia*, an essence; *Caballiccousia*: a microbe of the faeces of horses.

Caballiaccoplasma

L. masc. n. *caballus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *plasma*, a form; *Caballiaccoplasma*: a microbe of the faeces of horses.

Caballiaccosoma

L. masc. n. *caballus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *soma*, a body; *Caballiaccosoma*: a microbe of the faeces of horses.

Caballiaccovivens

L. masc. n. *caballus*, a horse; Gr. fem. n. *kakke*, excrement; L. masc./fem. n. *vivens*, a living thing; *Caballiaccovivens*: a microbe of the faeces of horses.

Caballenterocola

L. masc. n. *caballus*, a horse; Gr. neut. n. *enteron*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Caballenterocola*: a microbe of the gut of horses.

Caballenteradaptatus

L. masc. n. *caballus*, a horse; Gr. neut. n. *enteron*, gut; L. masc. n. *adaptatus*, something adapted; *Caballenteradaptatus*: a microbe of the gut of horses.

Caballenterobacterium

L. masc. n. *caballus*, a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *bacterium*, a bacterium; *Caballenterobacterium*: a bacterium of the gut of horses.

Caballenterohabitans

L. masc. n. *caballus*, a horse; Gr. neut. n. *enteron*, gut; L. masc. n. *habitans*, an inhabitant; *Caballenterohabitans*: a microbe of the gut of horses.

Caballenteromicrobium

L. masc. n. *caballus*, a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *microbium*, a microbe; *Caballenteromicrobium*: a microbe of the gut of horses.

Caballenteromonas

L. masc. n. *caballus*, a horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *monas*, a monad; *Caballenteromonas*: a microbe of the gut of horses.

Caballenteromorpha

L. masc. n. *caballus*, a horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *morpha*, a form; *Caballenteromorpha*: a microbe of the gut of horses.

Caballenterousia

L. masc. n. *caballus*, a horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *ousia*, an essence; *Caballenterousia*: a microbe of the gut of horses.

Caballenteroplasma

L. masc. n. *caballus*, a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *plasma*, a form; *Caballenteroplasma*: a microbe of the gut of horses.

Caballenterosoma

L. masc. n. *caballus*, a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *soma*, a body; *Caballenterosoma*: a microbe of the gut of horses.

Caballenterovivens

L. masc. n. *caballus*, a horse; Gr. neut. n. *enteron*, gut; L. masc./fem. n. *vivens*, a living thing; *Caballenterovivens*: a microbe of the gut of horses.

Caballintesticicola

L. masc. n. *caballus*, a horse; L. neut. n. *intestinum*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Caballintesticicola*: a microbe of the gut of horses.

Caballintestinadaptatus

L. masc. n. *caballus*, a horse; L. neut. n. *intestinum*, gut; L. masc. n. *adaptatus*, something adapted; *Caballintestinadaptatus*: a microbe of the gut of horses.

Caballintestinibacterium

L. masc. n. *caballus*, a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *bacterium*, a bacterium; *Caballintestinibacterium*: a bacterium of the gut of horses.

Caballintestinihabitans

L. masc. n. *caballus*, a horse; L. neut. n. *intestinum*, gut; L. masc. n. *habitans*, an inhabitant; *Caballintestinihabitans*: a microbe of the gut of horses.

Caballintestinimicrobium

L. masc. n. *caballus*, a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *microbium*, a microbe; *Caballintestinimicrobium*: a microbe of the gut of horses.

Caballintestinimonas

L. masc. n. *caballus*, a horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *monas*, a monad; *Caballintestinimonas*: a microbe of the gut of horses.

Caballintestinimorpha

L. masc. n. *caballus*, a horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *morpha*, a form; *Caballintestinimorpha*: a microbe of the gut of horses.

Caballintestinousia

L. masc. n. *caballus*, a horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *ousia*, an essence; *Caballintestinousia*: a microbe of the gut of horses.

Caballintestiniplasma

L. masc. n. *caballus*, a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *plasma*, a form; *Caballintestiniplasma*: a microbe of the gut of horses.

Caballintestinisoma

L. masc. n. *caballus*, a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *soma*, a body; *Caballintestinisoma*: a microbe of the gut of horses.

Caballintestinivivens

L. masc. n. *caballus*, a horse; L. neut. n. *intestinum*, gut; L. masc./fem. n. *vivens*, a living thing; *Caballintestinivivens*: a microbe of the gut of horses.

Canteristercoricola

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *stercus*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Canteristercoricola*: a microbe of the faeces of horses.

Canteristercoradaptatus

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *stercus*, excrement; L. masc. n. *adaptatus*, something adapted; *Canteristercoradaptatus*: a microbe of the faeces of horses.

Canteristercoribacterium

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Canteristercoribacterium*: a bacterium of the faeces of horses.

Canteristercorihabitans

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *stercus*, excrement; L. masc. n. *habitans*, an inhabitant; *Canteristercorihabitans*: a microbe of the faeces of horses.

Canteristercorimicrobium

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *microbium*, a microbe; *Canteristercorimicrobium*: a microbe of the faeces of horses.

Canteristercorimonas

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *monas*, a monad; *Canteristercorimonas*: a microbe of the faeces of horses.

Canteristercorimorpha

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *morpha*, a form; *Canteristercorimorpha*: a microbe of the faeces of horses.

Canteristercorousia

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *ousia*, an essence; *Canteristercorousia*: a microbe of the faeces of horses.

Canteristercoriplasma

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *plasma*, a form; *Canteristercoriplasma*: a microbe of the faeces of horses.

Canteristercorisoma

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *soma*, a body; *Canteristercorisoma*: a microbe of the faeces of horses.

Canteristercorivivens

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *stercus*, excrement; L. masc./fem. n. *vivens*, a living thing; *Canteristercorivivens*: a microbe of the faeces of horses.

Canterexcrementicola

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *excrementum*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Canterexcrementicola*: a microbe of the faeces of horses.

Canterexcrementadaptatus

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *excrementum*, excrement; L. masc. n. *adaptatus*, something adapted; *Canterexcrementadaptatus*: a microbe of the faeces of horses.

Canterexcrementibacterium

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Canterexcrementibacterium*: a bacterium of the faeces of horses.

Canterexcrementihabitans

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *excrementum*, excrement; L. masc. n. *habitans*, an inhabitant; *Canterexcrementihabitans*: a microbe of the faeces of horses.

Canterexcrementimicrobium

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *microbium*, a microbe; *Canterexcrementimicrobium*: a microbe of the faeces of horses.

Canterexcrementimonas

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *monas*, a monad; *Canterexcrementimonas*: a microbe of the faeces of horses.

Canterexcrementimorpha

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *morpha*, a form; *Canterexcrementimorpha*: a microbe of the faeces of horses.

Canterexcrementousia

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *ousia*, an essence; *Canterexcrementousia*: a microbe of the faeces of horses.

Canterexcrementiplasma

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *plasma*, a form; *Canterexcrementiplasma*: a microbe of the faeces of horses.

Canterexcrementisoma

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *soma*, a body; *Canterexcrementisoma*: a microbe of the faeces of horses.

Canterexcrementivivens

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *excrementum*, excrement; L. masc./fem. n. *vivens*, a living thing; *Canterexcrementivivens*: a microbe of the faeces of horses.

Cantericoprocola

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kopros*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Cantericoprocola*: a microbe of the faeces of horses.

Cantericopradaptatus

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *adaptatus*, something adapted; *Cantericopradaptatus*: a microbe of the faeces of horses.

Cantericoprobacterium

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Cantericoprobacterium*: a bacterium of the faeces of horses.

Cantericoprohabitans

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *habitans*, an inhabitant; *Cantericoprohabitans*: a microbe of the faeces of horses.

Cantericopromicrobium

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *microbium*, a microbe; *Cantericopromicrobium*: a microbe of the faeces of horses.

Cantericopromonas

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *monas*, a monad; *Cantericopromonas*: a microbe of the faeces of horses.

Cantericopromorpha

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *morpha*, a form; *Cantericopromorpha*: a microbe of the faeces of horses.

Cantericoprousia

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *ousia*, an essence; *Cantericoprousia*: a microbe of the faeces of horses.

Cantericoproplasma

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *plasma*, a form; *Cantericoproplasma*: a microbe of the faeces of horses.

Cantericoprosoma

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *soma*, a body; *Cantericoprosoma*: a microbe of the faeces of horses.

Cantericprovivens

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kopros*, excrement; L. masc./fem. n. *vivens*, a living thing; *Cantericprovivens*: a microbe of the faeces of horses.

Canterifaecicola

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *faex*, dregs; N.L. masc./fem. n. *cola*, an inhabitant; *Canterifaecicola*: a microbe of the faeces of horses.

Canterifaecadaptatus

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *faex*, dregs; L. masc. n. *adaptatus*, something adapted; *Canterifaecadaptatus*: a microbe of the faeces of horses.

Canterifaecibacterium

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *faex*, dregs; N.L. neut. n. *bacterium*, a bacterium; *Canterifaecibacterium*: a bacterium of the faeces of horses.

Canterifaecihabitans

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *faex*, dregs; L. masc. n. *habitans*, an inhabitant; *Canterifaecihabitans*: a microbe of the faeces of horses.

Canterifaecimicrobium

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *faex*, dregs; N.L. neut. n. *microbium*, a microbe; *Canterifaecimicrobium*: a microbe of the faeces of horses.

Canterifaecimonas

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *faex*, dregs; N.L. fem. n. *monas*, a monad; *Canterifaecimonas*: a microbe of the faeces of horses.

Canterifaecimorpha

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *faex*, dregs; N.L. fem. n. *morpha*, a form; *Canterifaecimorpha*: a microbe of the faeces of horses.

Canterifaecousia

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *faex*, dregs; N.L. fem. n. *ousia*, an essence; *Canterifaecousia*: a microbe of the faeces of horses.

Canterifaeci plasma

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *faex*, dregs; N.L. neut. n. *plasma*, a form; *Canterifaeci plasma*: a microbe of the faeces of horses.

Canterifaecisoma

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *faex*, dregs; N.L. neut. n. *soma*, a body; *Canterifaecisoma*: a microbe of the faeces of horses.

Canterifaecivivens

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *faex*, dregs; L. masc./fem. n. *vivens*, a living thing; *Canterifaecivivens*: a microbe of the faeces of horses.

Canterimerdicola

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *merda*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Canterimerdicola*: a microbe of the faeces of horses.

Canterimerdadaptatus

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *merda*, excrement; L. masc. n. *adaptatus*, something adapted; *Canterimerdadaptatus*: a microbe of the faeces of horses.

Canterimerdibacterium

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *merda*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Canterimerdibacterium*: a bacterium of the faeces of horses.

Canterimerdihabitans

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *merda*, excrement; L. masc. n. *habitans*, an inhabitant; *Canterimerdihabitans*: a microbe of the faeces of horses.

Canterimerdimicrobium

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *merda*, excrement; N.L. neut. n. *microbium*, a microbe; *Canterimerdimicrobium*: a microbe of the faeces of horses.

Canterimerdimonas

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *merda*, excrement; N.L. fem. n. *monas*, a monad; *Canterimerdimonas*: a microbe of the faeces of horses.

Canterimerdimorpha

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *merda*, excrement; N.L. fem. n. *morpha*, a form; *Canterimerdimorpha*: a microbe of the faeces of horses.

Canterimerdousia

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *merda*, excrement; N.L. fem. n. *ousia*, an essence; *Canterimerdousia*: a microbe of the faeces of horses.

Canterimerdiplasma

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *merda*, excrement; N.L. neut. n. *plasma*, a form; *Canterimerdiplasma*: a microbe of the faeces of horses.

Canterimerdisoma

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *merda*, excrement; N.L. neut. n. *soma*, a body; *Canterimerdisoma*: a microbe of the faeces of horses.

Canterimerdivivens

L. masc. n. *canterius*, a poor-quality horse; L. fem. n. *merda*, excrement; L. masc./fem. n. *vivens*, a living thing; *Canterimerdivivens*: a microbe of the faeces of horses.

Cantericaccocola

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kakke*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Cantericaccocola*: a microbe of the faeces of horses.

Cantericaccadaptatus

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *adaptatus*, something adapted; *Cantericaccadaptatus*: a microbe of the faeces of horses.

Cantericaccobacterium

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Cantericaccobacterium*: a bacterium of the faeces of horses.

Cantericaccohabitans

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *habitans*, an inhabitant; *Cantericaccohabitans*: a microbe of the faeces of horses.

Cantericaccomicrobium

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *microbium*, a microbe; *Cantericaccomicrobium*: a microbe of the faeces of horses.

Cantericaccomonas

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *monas*, a monad; *Cantericaccomonas*: a microbe of the faeces of horses.

Cantericaccomorpha

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *morpha*, a form; *Cantericaccomorpha*: a microbe of the faeces of horses.

Cantericaccousia

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *ousia*, an essence; *Cantericaccousia*: a microbe of the faeces of horses.

Cantericaccoplasma

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *plasma*, a form; *Cantericaccoplasma*: a microbe of the faeces of horses.

Cantericaccosoma

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *soma*, a body; *Cantericaccosoma*: a microbe of the faeces of horses.

Cantericaccovivens

L. masc. n. *canterius*, a poor-quality horse; Gr. fem. n. *kakke*, excrement; L. masc./fem. n. *vivens*, a living thing; *Cantericaccovivens*: a microbe of the faeces of horses.

Canterenterocola

L. masc. n. *canterius*, a poor-quality horse; Gr. neut. n. *enteron*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Canterenterocola*: a microbe of the gut of horses.

Canterenteradaptatus

L. masc. n. *canterius*, a poor-quality horse; Gr. neut. n. *enteron*, gut; L. masc. n. *adaptatus*, something adapted; *Canterenteradaptatus*: a microbe of the gut of horses.

Canterenterobacterium

L. masc. n. *canterius*, a poor-quality horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *bacterium*, a bacterium; *Canterenterobacterium*: a bacterium of the gut of horses.

Canterenterohabitans

L. masc. n. *canterius*, a poor-quality horse; Gr. neut. n. *enteron*, gut; L. masc. n. *habitans*, an inhabitant; *Canterenterohabitans*: a microbe of the gut of horses.

Canterenteromicrobium

L. masc. n. *canterius*, a poor-quality horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *microbium*, a microbe; *Canterenteromicrobium*: a microbe of the gut of horses.

Canterenteromonas

L. masc. n. *canterius*, a poor-quality horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *monas*, a monad; *Canterenteromonas*: a microbe of the gut of horses.

Canterenteromorpha

L. masc. n. *canterius*, a poor-quality horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *morpha*, a form; *Canterenteromorpha*: a microbe of the gut of horses.

Canterenterousia

L. masc. n. *canterius*, a poor-quality horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *ousia*, an essence; *Canterenterousia*: a microbe of the gut of horses.

Canterenteroplasma

L. masc. n. *canterius*, a poor-quality horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *plasma*, a form; *Canterenteroplasma*: a microbe of the gut of horses.

Canterenterosoma

L. masc. n. *canterius*, a poor-quality horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *soma*, a body; *Canterenterosoma*: a microbe of the gut of horses.

Canterenterovivens

L. masc. n. *canterius*, a poor-quality horse; Gr. neut. n. *enteron*, gut; L. masc./fem. n. *vivens*, a living thing; *Canterenterovivens*: a microbe of the gut of horses.

Canterintestinicola

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *intestinum*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Canterintestinicola*: a microbe of the gut of horses.

Canterintestinadaptatus

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *intestinum*, gut; L. masc. n. *adaptatus*, something adapted; *Canterintestinadaptatus*: a microbe of the gut of horses.

Canterintestinibacterium

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *bacterium*, a bacterium; *Canterintestinibacterium*: a bacterium of the gut of horses.

Canterintestinihabitans

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *intestinum*, gut; L. masc. n. *habitans*, an inhabitant; *Canterintestinihabitans*: a microbe of the gut of horses.

Canterintestinimicrobium

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *microbium*, a microbe; *Canterintestinimicrobium*: a microbe of the gut of horses.

Canterintestinimonas

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *monas*, a monad; *Canterintestinimonas*: a microbe of the gut of horses.

Canterintestinimorpha

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *morpha*, a form; *Canterintestinimorpha*: a microbe of the gut of horses.

Canterintestinousia

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *ousia*, an essence; *Canterintestinousia*: a microbe of the gut of horses.

Canterintestiniplasma

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *plasma*, a form; *Canterintestiniplasma*: a microbe of the gut of horses.

Canterintestinisoma

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *soma*, a body; *Canterintestinisoma*: a microbe of the gut of horses.

Canterintestinivivens

L. masc. n. *canterius*, a poor-quality horse; L. neut. n. *intestinum*, gut; L. masc./fem. n. *vivens*, a living thing; *Canterintestinivivens*: a microbe of the gut of horses.

Centaurostercoricola

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *stercus*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Centaurostercoricola*: a microbe of the faeces of horses.

Centaurostercoradaptatus

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *stercus*, excrement; L. masc. n. *adaptatus*, something adapted; *Centaurostercoradaptatus*: a microbe of the faeces of horses.

Centaurostercoribacterium

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Centaurostercoribacterium*: a bacterium of the faeces of horses.

Centaurostercorihabitans

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *stercus*, excrement; L. masc. n. *habitans*, an inhabitant; *Centaurostercorihabitans*: a microbe of the faeces of horses.

Centaurostercorimicrobium

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *microbium*, a microbe; *Centaurostercorimicrobium*: a microbe of the faeces of horses.

Centaurostercorimonas

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *monas*, a monad; *Centaurostercorimonas*: a microbe of the faeces of horses.

Centaurostercorimorpha

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *morpha*, a form; *Centaurostercorimorpha*: a microbe of the faeces of horses.

Centaurostercorousia

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *ousia*, an essence; *Centaurostercorousia*: a microbe of the faeces of horses.

Centaurostercoriplasma

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *plasma*, a form; *Centaurostercoriplasma*: a microbe of the faeces of horses.

Centaurostercorisoma

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *soma*, a body; *Centaurostercorisoma*: a microbe of the faeces of horses.

Centaurostercorivivens

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *stercus*, excrement; L. masc./fem. n. *vivens*, a living thing; *Centaurostercorivivens*: a microbe of the faeces of horses.

Centaurexcrementicola

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *excrementum*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Centaurexcrementicola*: a microbe of the faeces of horses.

Centaurexcrementadaptatus

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *excrementum*, excrement; L. masc. n. *adaptatus*, something adapted; *Centaurexcrementadaptatus*: a microbe of the faeces of horses.

Centaurexcrementibacterium

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Centaurexcrementibacterium*: a bacterium of the faeces of horses.

Centaurexcrementihabitans

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *excrementum*, excrement; L. masc. n. *habitans*, an inhabitant; *Centaurexcrementihabitans*: a microbe of the faeces of horses.

Centaurexcrementimicrobium

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *microbium*, a microbe; *Centaurexcrementimicrobium*: a microbe of the faeces of horses.

Centaurexcrementimonas

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *monas*, a monad; *Centaurexcrementimonas*: a microbe of the faeces of horses.

Centaurexcrementimorpha

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *morpha*, a form; *Centaurexcrementimorpha*: a microbe of the faeces of horses.

Centaurexcrementousia

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *ousia*, an essence; *Centaurexcrementousia*: a microbe of the faeces of horses.

Centaurexcrementiplasma

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *plasma*, a form; *Centaurexcrementiplasma*: a microbe of the faeces of horses.

Centaurexcrementisoma

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *soma*, a body; *Centaurexcrementisoma*: a microbe of the faeces of horses.

Centaurexcrementivivens

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *excrementum*, excrement; L. masc./fem. n. *vivens*, a living thing; *Centaurexcrementivivens*: a microbe of the faeces of horses.

Centaurocoprocola

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kopros*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Centaurocoprocola*: a microbe of the faeces of horses.

Centaurocopradaptatus

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *adaptatus*, something adapted; *Centaurocopradaptatus*: a microbe of the faeces of horses.

Centaurocoprobacterium

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Centaurocoprobacterium*: a bacterium of the faeces of horses.

Centaurocoprohabitans

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *habitans*, an inhabitant; *Centaurocoprohabitans*: a microbe of the faeces of horses.

Centaurocopromicrobium

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *microbium*, a microbe; *Centaurocopromicrobium*: a microbe of the faeces of horses.

Centaurocopromonas

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *monas*, a monad; *Centaurocopromonas*: a microbe of the faeces of horses.

Centaurocopromorpha

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *morpha*, a form; *Centaurocopromorpha*: a microbe of the faeces of horses.

Centaurocoprousia

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *ousia*, an essence; *Centaurocoprousia*: a microbe of the faeces of horses.

Centaurocoproplasma

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *plasma*, a form; *Centaurocoproplasma*: a microbe of the faeces of horses.

Centaurocoprosoma

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *soma*, a body; *Centaurocoprosoma*: a microbe of the faeces of horses.

Centaurocoprovivens

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kopros*, excrement; L. masc./fem. n. *vivens*, a living thing; *Centaurocoprovivens*: a microbe of the faeces of horses.

Centaurofaecicola

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *faex*, dregs; N.L. masc./fem. n. *cola*, an inhabitant; *Centaurofaecicola*: a microbe of the faeces of horses.

Centaurofaecadaptatus

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *faex*, dregs; L. masc. n. *adaptatus*, something adapted; *Centaurofaecadaptatus*: a microbe of the faeces of horses.

Centaurofaecibacterium

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *faex*, dregs; N.L. neut. n. *bacterium*, a bacterium; *Centaurofaecibacterium*: a bacterium of the faeces of horses.

Centaurofaecihabitans

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *faex*, dregs; L. masc. n. *habitans*, an inhabitant; *Centaurofaecihabitans*: a microbe of the faeces of horses.

Centaurofaecimicrobium

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *faex*, dregs; N.L. neut. n. *microbium*, a microbe; *Centaurofaecimicrobium*: a microbe of the faeces of horses.

Centaurofaecimonas

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *faex*, dregs; N.L. fem. n. *monas*, a monad; *Centaurofaecimonas*: a microbe of the faeces of horses.

Centaurofaecimorpha

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *faex*, dregs; N.L. fem. n. *morpha*, a form; *Centaurofaecimorpha*: a microbe of the faeces of horses.

Centaurofaecousia

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *faex*, dregs; N.L. fem. n. *ousia*, an essence; *Centaurofaecousia*: a microbe of the faeces of horses.

Centaurofaeci plasma

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *faex*, dregs; N.L. neut. n. *plasma*, a form; *Centaurofaeci plasma*: a microbe of the faeces of horses.

Centaurofaecisoma

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *faex*, dregs; N.L. neut. n. *soma*, a body; *Centaurofaecisoma*: a microbe of the faeces of horses.

Centaurofaecivivens

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *faex*, dregs; L. masc./fem. n. *vivens*, a living thing; *Centaurofaecivivens*: a microbe of the faeces of horses.

Centauromerdicola

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *merda*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Centauromerdicola*: a microbe of the faeces of horses.

Centauromerdadaptatus

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *merda*, excrement; L. masc. n. *adaptatus*, something adapted; *Centauromerdadaptatus*: a microbe of the faeces of horses.

Centauromerdibacterium

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *merda*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Centauromerdibacterium*: a bacterium of the faeces of horses.

Centauomerdihabitans

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *merda*, excrement; L. masc. n. *habitans*, an inhabitant; *Centauomerdihabitans*: a microbe of the faeces of horses.

Centauomerdimicrobium

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *merda*, excrement; N.L. neut. n. *microbium*, a microbe; *Centauomerdimicrobium*: a microbe of the faeces of horses.

Centauomerdimonas

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *merda*, excrement; N.L. fem. n. *monas*, a monad; *Centauomerdimonas*: a microbe of the faeces of horses.

Centauomerdimorpha

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *merda*, excrement; N.L. fem. n. *morpha*, a form; *Centauomerdimorpha*: a microbe of the faeces of horses.

Centauomerdousia

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *merda*, excrement; N.L. fem. n. *ousia*, an essence; *Centauomerdousia*: a microbe of the faeces of horses.

Centauomerdiplasma

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *merda*, excrement; N.L. neut. n. *plasma*, a form; *Centauomerdiplasma*: a microbe of the faeces of horses.

Centauomerdisoma

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *merda*, excrement; N.L. neut. n. *soma*, a body; *Centauomerdisoma*: a microbe of the faeces of horses.

Centauomerdivivens

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. fem. n. *merda*, excrement; L. masc./fem. n. *vivens*, a living thing; *Centauomerdivivens*: a microbe of the faeces of horses.

Centaurocaccocola

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kakke*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Centaurocaccocola*: a microbe of the faeces of horses.

Centaurocaccadaptatus

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *adaptatus*, something adapted; *Centaurocaccadaptatus*: a microbe of the faeces of horses.

Centaurocaccobacterium

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Centaurocaccobacterium*: a bacterium of the faeces of horses.

Centaurocaccohabitans

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *habitans*, an inhabitant; *Centaurocaccohabitans*: a microbe of the faeces of horses.

Centaurocaccomicrobium

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *microbium*, a microbe; *Centaurocaccomicrobium*: a microbe of the faeces of horses.

Centaurocaccomonas

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *monas*, a monad; *Centaurocaccomonas*: a microbe of the faeces of horses.

Centaurocaccomorpha

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *morpha*, a form; *Centaurocaccomorpha*: a microbe of the faeces of horses.

Centaurocaccousia

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *ousia*, an essence; *Centaurocaccousia*: a microbe of the faeces of horses.

Centaurocaccoplasma

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *plasma*, a form; *Centaurocaccoplasma*: a microbe of the faeces of horses.

Centaurocaccosoma

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *soma*, a body; *Centaurocaccosoma*: a microbe of the faeces of horses.

Centaurocaccovivens

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. fem. n. *kakke*, excrement; L. masc./fem. n. *vivens*, a living thing; *Centaurocaccovivens*: a microbe of the faeces of horses.

Centaurenterocola

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. neut. n. *enteron*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Centaurenterocola*: a microbe of the gut of horses.

Centaurenteradaptatus

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. neut. n. *enteron*, gut; L. masc. n. *adaptatus*, something adapted; *Centaurenteradaptatus*: a microbe of the gut of horses.

Centaurenterobacterium

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *bacterium*, a bacterium; *Centaurenterobacterium*: a bacterium of the gut of horses.

Centaurenterohabitans

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. neut. n. *enteron*, gut; L. masc. n. *habitans*, an inhabitant; *Centaurenterohabitans*: a microbe of the gut of horses.

Centaurenteromicrobium

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *microbium*, a microbe; *Centaurenteromicrobium*: a microbe of the gut of horses.

Centaurenteromonas

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *monas*, a monad; *Centaurenteromonas*: a microbe of the gut of horses.

Centaurenteromorpha

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *morpha*, a form; *Centaurenteromorpha*: a microbe of the gut of horses.

Centaurenterousia

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *ousia*, an essence; *Centaurenterousia*: a microbe of the gut of horses.

Centaurenteroplasma

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *plasma*, a form; *Centaurenteroplasma*: a microbe of the gut of horses.

Centaurenterosoma

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *soma*, a body; *Centaurenterosoma*: a microbe of the gut of horses.

Centaurenterovivens

L. masc. n. *centaurus*, a mythical beast half man, half horse; Gr. neut. n. *enteron*, gut; L. masc./fem. n. *vivens*, a living thing; *Centaurenterovivens*: a microbe of the gut of horses.

Centaurintesticola

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *intestinum*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Centaurintesticola*: a microbe of the gut of horses.

Centaurintestinadaptatus

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *intestinum*, gut; L. masc. n. *adaptatus*, something adapted; *Centaurintestinadaptatus*: a microbe of the gut of horses.

Centaurintestinibacterium

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *bacterium*, a bacterium; *Centaurintestinibacterium*: a bacterium of the gut of horses.

Centaurintestinihabitans

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *intestinum*, gut; L. masc. n. *habitans*, an inhabitant; *Centaurintestinihabitans*: a microbe of the gut of horses.

Centaurintestinimicrobium

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *microbium*, a microbe; *Centaurintestinimicrobium*: a microbe of the gut of horses.

Centaurintestinimonas

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *monas*, a monad; *Centaurintestinimonas*: a microbe of the gut of horses.

Centaurintestinimorpha

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *morpha*, a form; *Centaurintestinimorpha*: a microbe of the gut of horses.

Centaurintestinousia

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *ousia*, an essence; *Centaurintestinousia*: a microbe of the gut of horses.

Centaurintestiniplasma

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *plasma*, a form; *Centaurintestiniplasma*: a microbe of the gut of horses.

Centaurintestinisoma

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *soma*, a body; *Centaurintestinisoma*: a microbe of the gut of horses.

Centaurintestinivivens

L. masc. n. *centaurus*, a mythical beast half man, half horse; L. neut. n. *intestinum*, gut; L. masc./fem. n. *vivens*, a living thing; *Centaurintestinivivens*: a microbe of the gut of horses.

Equistercoricola

L. masc. n. *equus*, a horse; L. neut. n. *stercus*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Equistercoricola*: a microbe of the faeces of horses.

Equistercoradaptatus

L. masc. n. *equus*, a horse; L. neut. n. *stercus*, excrement; L. masc. n. *adaptatus*, something adapted; *Equistercoradaptatus*: a microbe of the faeces of horses.

Equistercoribacterium

L. masc. n. *equus*, a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Equistercoribacterium*: a bacterium of the faeces of horses.

Equistercorihabitans

L. masc. n. *equus*, a horse; L. neut. n. *stercus*, excrement; L. masc. n. *habitans*, an inhabitant; *Equistercorihabitans*: a microbe of the faeces of horses.

Equistercorimicrobium

L. masc. n. *equus*, a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *microbium*, a microbe; *Equistercorimicrobium*: a microbe of the faeces of horses.

Equistercorimonas

L. masc. n. *equus*, a horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *monas*, a monad; *Equistercorimonas*: a microbe of the faeces of horses.

Equistercorimorpha

L. masc. n. *equus*, a horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *morpha*, a form; *Equistercorimorpha*: a microbe of the faeces of horses.

Equistercorousia

L. masc. n. *equus*, a horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *ousia*, an essence; *Equistercorousia*: a microbe of the faeces of horses.

Equistercoriplasma

L. masc. n. *equus*, a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *plasma*, a form; *Equistercoriplasma*: a microbe of the faeces of horses.

Equistercorisoma

L. masc. n. *equus*, a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *soma*, a body; *Equistercorisoma*: a microbe of the faeces of horses.

Equistercorivivens

L. masc. n. *equus*, a horse; L. neut. n. *stercus*, excrement; L. masc./fem. n. *vivens*, a living thing; *Equistercorivivens*: a microbe of the faeces of horses.

Equexcrementicola

L. masc. n. *equus*, a horse; L. neut. n. *excrementum*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Equexcrementicola*: a microbe of the faeces of horses.

Equexcrementadaptatus

L. masc. n. *equus*, a horse; L. neut. n. *excrementum*, excrement; L. masc. n. *adaptatus*, something adapted; *Equexcrementadaptatus*: a microbe of the faeces of horses.

Equexcrementibacterium

L. masc. n. *equus*, a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Equexcrementibacterium*: a bacterium of the faeces of horses.

Equexcrementihabitans

L. masc. n. *equus*, a horse; L. neut. n. *excrementum*, excrement; L. masc. n. *habitans*, an inhabitant; *Equexcrementihabitans*: a microbe of the faeces of horses.

Equexcrementimicrobium

L. masc. n. *equus*, a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *microbium*, a microbe; *Equexcrementimicrobium*: a microbe of the faeces of horses.

Equexcrementimonas

L. masc. n. *equus*, a horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *monas*, a monad; *Equexcrementimonas*: a microbe of the faeces of horses.

Equexcrementimorpha

L. masc. n. *equus*, a horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *morpha*, a form; *Equexcrementimorpha*: a microbe of the faeces of horses.

Equexcrementousia

L. masc. n. *equus*, a horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *ousia*, an essence; *Equexcrementousia*: a microbe of the faeces of horses.

Equexcrementiplasma

L. masc. n. *equus*, a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *plasma*, a form; *Equexcrementiplasma*: a microbe of the faeces of horses.

Equexcrementisoma

L. masc. n. *equus*, a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *soma*, a body; *Equexcrementisoma*: a microbe of the faeces of horses.

Equexcrementivivens

L. masc. n. *equus*, a horse; L. neut. n. *excrementum*, excrement; L. masc./fem. n. *vivens*, a living thing; *Equexcrementivivens*: a microbe of the faeces of horses.

Equicoprocola

L. masc. n. *equus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Equicoprocola*: a microbe of the faeces of horses.

Equicopradaptatus

L. masc. n. *equus*, a horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *adaptatus*, something adapted; *Equicopradaptatus*: a microbe of the faeces of horses.

Equicoprobacterium

L. masc. n. *equus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Equicoprobacterium*: a bacterium of the faeces of horses.

Equicoprohabitans

L. masc. n. *equus*, a horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *habitans*, an inhabitant; *Equicoprohabitans*: a microbe of the faeces of horses.

Equicopromicrobium

L. masc. n. *equus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *microbium*, a microbe; *Equicopromicrobium*: a microbe of the faeces of horses.

Equicopromonas

L. masc. n. *equus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *monas*, a monad; *Equicopromonas*: a microbe of the faeces of horses.

Equicopromorpha

L. masc. n. *equus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *morpha*, a form; *Equicopromorpha*: a microbe of the faeces of horses.

Equicoprousia

L. masc. n. *equus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *ousia*, an essence; *Equicoprousia*: a microbe of the faeces of horses.

Equicoproplasma

L. masc. n. *equus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *plasma*, a form; *Equicoproplasma*: a microbe of the faeces of horses.

Equicoprosoma

L. masc. n. *equus*, a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *soma*, a body; *Equicoprosoma*: a microbe of the faeces of horses.

Equicoprovivens

L. masc. n. *equus*, a horse; Gr. fem. n. *kopros*, excrement; L. masc./fem. n. *vivens*, a living thing; *Equicoprovivens*: a microbe of the faeces of horses.

Equifaecicola

L. masc. n. *equus*, a horse; L. fem. n. *faex*, dregs; N.L. masc./fem. n. *cola*, an inhabitant; *Equifaecicola*: a microbe of the faeces of horses.

Equifaecadaptatus

L. masc. n. *equus*, a horse; L. fem. n. *faex*, dregs; L. masc. n. *adaptatus*, something adapted; *Equifaecadaptatus*: a microbe of the faeces of horses.

Equifaecibacterium

L. masc. n. *equus*, a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *bacterium*, a bacterium; *Equifaecibacterium*: a bacterium of the faeces of horses.

Equifaecihabitans

L. masc. n. *equus*, a horse; L. fem. n. *faex*, dregs; L. masc. n. *habitans*, an inhabitant; *Equifaecihabitans*: a microbe of the faeces of horses.

Equifaecimicrobium

L. masc. n. *equus*, a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *microbium*, a microbe; *Equifaecimicrobium*: a microbe of the faeces of horses.

Equifaecimonas

L. masc. n. *equus*, a horse; L. fem. n. *faex*, dregs; N.L. fem. n. *monas*, a monad; *Equifaecimonas*: a microbe of the faeces of horses.

Equifaecimorpha

L. masc. n. *equus*, a horse; L. fem. n. *faex*, dregs; N.L. fem. n. *morpha*, a form; *Equifaecimorpha*: a microbe of the faeces of horses.

Equifaecousia

L. masc. n. *equus*, a horse; L. fem. n. *faex*, dregs; N.L. fem. n. *ousia*, an essence; *Equifaecousia*: a microbe of the faeces of horses.

Equifaeci plasma

L. masc. n. *equus*, a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *plasma*, a form; *Equifaeci plasma*: a microbe of the faeces of horses.

Equifaecisoma

L. masc. n. *equus*, a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *soma*, a body; *Equifaecisoma*: a microbe of the faeces of horses.

Equifaecivivens

L. masc. n. *equus*, a horse; L. fem. n. *faex*, dregs; L. masc./fem. n. *vivens*, a living thing; *Equifaecivivens*: a microbe of the faeces of horses.

Equimerdicola

L. masc. n. *equus*, a horse; L. fem. n. *merda*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Equimerdicola*: a microbe of the faeces of horses.

Equimerdadaptatus

L. masc. n. *equus*, a horse; L. fem. n. *merda*, excrement; L. masc. n. *adaptatus*, something adapted; *Equimerdadaptatus*: a microbe of the faeces of horses.

Equimerdibacterium

L. masc. n. *equus*, a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Equimerdibacterium*: a bacterium of the faeces of horses.

Equimerdihabitans

L. masc. n. *equus*, a horse; L. fem. n. *merda*, excrement; L. masc. n. *habitans*, an inhabitant; *Equimerdihabitans*: a microbe of the faeces of horses.

Equimerdimicrobium

L. masc. n. *equus*, a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *microbium*, a microbe; *Equimerdimicrobium*: a microbe of the faeces of horses.

Equimerdimonas

L. masc. n. *equus*, a horse; L. fem. n. *merda*, excrement; N.L. fem. n. *monas*, a monad; *Equimerdimonas*: a microbe of the faeces of horses.

Equimerdimorpha

L. masc. n. *equus*, a horse; L. fem. n. *merda*, excrement; N.L. fem. n. *morpha*, a form; *Equimerdimorpha*: a microbe of the faeces of horses.

Equimerdousia

L. masc. n. *equus*, a horse; L. fem. n. *merda*, excrement; N.L. fem. n. *ousia*, an essence; *Equimerdousia*: a microbe of the faeces of horses.

Equimerdiplasma

L. masc. n. *equus*, a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *plasma*, a form; *Equimerdiplasma*: a microbe of the faeces of horses.

Equimerdisoma

L. masc. n. *equus*, a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *soma*, a body; *Equimerdisoma*: a microbe of the faeces of horses.

Equimerdivivens

L. masc. n. *equus*, a horse; L. fem. n. *merda*, excrement; L. masc./fem. n. *vivens*, a living thing; *Equimerdivivens*: a microbe of the faeces of horses.

Equicaccocola

L. masc. n. *equus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Equicaccocola*: a microbe of the faeces of horses.

Equicaccadaptatus

L. masc. n. *equus*, a horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *adaptatus*, something adapted; *Equicaccadaptatus*: a microbe of the faeces of horses.

Equicaccobacterium

L. masc. n. *equus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Equicaccobacterium*: a bacterium of the faeces of horses.

Equicacchohabitans

L. masc. n. *equus*, a horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *habitans*, an inhabitant; *Equicacchohabitans*: a microbe of the faeces of horses.

Equicaccocomicrobium

L. masc. n. *equus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *microbium*, a microbe; *Equicaccocomicrobium*: a microbe of the faeces of horses.

Equicaccomonas

L. masc. n. *equus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *monas*, a monad; *Equicaccomonas*: a microbe of the faeces of horses.

Equicaccomorpha

L. masc. n. *equus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *morpha*, a form; *Equicaccomorpha*: a microbe of the faeces of horses.

Equicaccousia

L. masc. n. *equus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *ousia*, an essence; *Equicaccousia*: a microbe of the faeces of horses.

Equicaccoplasma

L. masc. n. *equus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *plasma*, a form; *Equicaccoplasma*: a microbe of the faeces of horses.

Equicaccosoma

L. masc. n. *equus*, a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *soma*, a body; *Equicaccosoma*: a microbe of the faeces of horses.

Equicaccovivens

L. masc. n. *equus*, a horse; Gr. fem. n. *kakke*, excrement; L. masc./fem. n. *vivens*, a living thing; *Equicaccovivens*: a microbe of the faeces of horses.

Equenterocola

L. masc. n. *equus*, a horse; Gr. neut. n. *enteron*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Equenterocola*: a microbe of the gut of horses.

Equenteradaptatus

L. masc. n. *equus*, a horse; Gr. neut. n. *enteron*, gut; L. masc. n. *adaptatus*, something adapted; *Equenteradaptatus*: a microbe of the gut of horses.

Equenterobacterium

L. masc. n. *equus*, a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *bacterium*, a bacterium; *Equenterobacterium*: a bacterium of the gut of horses.

Equenterohabitans

L. masc. n. *equus*, a horse; Gr. neut. n. *enteron*, gut; L. masc. n. *habitans*, an inhabitant; *Equenterohabitans*: a microbe of the gut of horses.

Equenteromicrobium

L. masc. n. *equus*, a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *microbium*, a microbe; *Equenteromicrobium*: a microbe of the gut of horses.

Equenteromonas

L. masc. n. *equus*, a horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *monas*, a monad; *Equenteromonas*: a microbe of the gut of horses.

Equenteromorpha

L. masc. n. *equus*, a horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *morpha*, a form; *Equenteromorpha*: a microbe of the gut of horses.

Equenterousia

L. masc. n. *equus*, a horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *ousia*, an essence; *Equenterousia*: a microbe of the gut of horses.

Equenteroplasma

L. masc. n. *equus*, a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *plasma*, a form; *Equenteroplasma*: a microbe of the gut of horses.

Equenterosoma

L. masc. n. *equus*, a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *soma*, a body; *Equenterosoma*: a microbe of the gut of horses.

Equenterovivens

L. masc. n. *equus*, a horse; Gr. neut. n. *enteron*, gut; L. masc./fem. n. *vivens*, a living thing; *Equenterovivens*: a microbe of the gut of horses.

Equintesticicola

L. masc. n. *equus*, a horse; L. neut. n. *intestinum*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Equintesticicola*: a microbe of the gut of horses.

Equintestinadaptatus

L. masc. n. *equus*, a horse; L. neut. n. *intestinum*, gut; L. masc. n. *adaptatus*, something adapted; *Equintestinadaptatus*: a microbe of the gut of horses.

Equintestinibacterium

L. masc. n. *equus*, a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *bacterium*, a bacterium; *Equintestinibacterium*: a bacterium of the gut of horses.

Equintestinihabitans

L. masc. n. *equus*, a horse; L. neut. n. *intestinum*, gut; L. masc. n. *habitans*, an inhabitant; *Equintestinihabitans*: a microbe of the gut of horses.

Equintestinimicrobium

L. masc. n. *equus*, a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *microbium*, a microbe; *Equintestinimicrobium*: a microbe of the gut of horses.

Equintestinimonas

L. masc. n. *equus*, a horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *monas*, a monad; *Equintestinimonas*: a microbe of the gut of horses.

Equintestinimorpha

L. masc. n. *equus*, a horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *morpha*, a form; *Equintestinimorpha*: a microbe of the gut of horses.

Equintestinousia

L. masc. n. *equus*, a horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *ousia*, an essence; *Equintestinousia*: a microbe of the gut of horses.

Equintestiniplasma

L. masc. n. *equus*, a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *plasma*, a form; *Equintestiniplasma*: a microbe of the gut of horses.

Equintestinisoma

L. masc. n. *equus*, a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *soma*, a body; *Equintestinisoma*: a microbe of the gut of horses.

Equintestinivivens

L. masc. n. *equus*, a horse; L. neut. n. *intestinum*, gut; L. masc./fem. n. *vivens*, a living thing; *Equintestinivivens*: a microbe of the gut of horses.

Hippostercoricola

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *stercus*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Hippostercoricola*: a microbe of the faeces of horses.

Hippostercoradaptatus

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *stercus*, excrement; L. masc. n. *adaptatus*, something adapted; *Hippostercoradaptatus*: a microbe of the faeces of horses.

Hippostercoribacterium

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Hippostercoribacterium*: a bacterium of the faeces of horses.

Hippostercorihabitans

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *stercus*, excrement; L. masc. n. *habitans*, an inhabitant; *Hippostercorihabitans*: a microbe of the faeces of horses.

Hippostercorimicrobium

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *microbium*, a microbe; *Hippostercorimicrobium*: a microbe of the faeces of horses.

Hippostercorimonas

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *monas*, a monad; *Hippostercorimonas*: a microbe of the faeces of horses.

Hippostercorimorpha

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *morpha*, a form; *Hippostercorimorpha*: a microbe of the faeces of horses.

Hippostercorousia

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *ousia*, an essence; *Hippostercorousia*: a microbe of the faeces of horses.

Hippostercoriplasma

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *plasma*, a form; *Hippostercoriplasma*: a microbe of the faeces of horses.

Hippostercorisoma

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *soma*, a body; *Hippostercorisoma*: a microbe of the faeces of horses.

Hippostercorivivens

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *stercus*, excrement; L. masc./fem. n. *vivens*, a living thing; *Hippostercorivivens*: a microbe of the faeces of horses.

Hippexcrementicola

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *excrementum*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Hippexcrementicola*: a microbe of the faeces of horses.

Hippexcrementadaptatus

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *excrementum*, excrement; L. masc. n. *adaptatus*, something adapted; *Hippexcrementadaptatus*: a microbe of the faeces of horses.

Hippexcrementibacterium

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Hippexcrementibacterium*: a bacterium of the faeces of horses.

Hippexcrementihabitans

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *excrementum*, excrement; L. masc. n. *habitans*, an inhabitant; *Hippexcrementihabitans*: a microbe of the faeces of horses.

Hippexcrementimicrobium

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *microbium*, a microbe; *Hippexcrementimicrobium*: a microbe of the faeces of horses.

Hippexcrementimonas

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *monas*, a monad; *Hippexcrementimonas*: a microbe of the faeces of horses.

Hippexcrementimorpha

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *morpha*, a form; *Hippexcrementimorpha*: a microbe of the faeces of horses.

Hippexcrementousia

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *ousia*, an essence; *Hippexcrementousia*: a microbe of the faeces of horses.

Hippexcrementiplasma

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *plasma*, a form; *Hippexcrementiplasma*: a microbe of the faeces of horses.

Hippexcrementisoma

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *soma*, a body; *Hippexcrementisoma*: a microbe of the faeces of horses.

Hippexcrementivivens

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *excrementum*, excrement; L. masc./fem. n. *vivens*, a living thing; *Hippexcrementivivens*: a microbe of the faeces of horses.

Hippocoprocola

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kopros*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Hippocoprocola*: a microbe of the faeces of horses.

Hippocopradaptatus

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *adaptatus*, something adapted; *Hippocopradaptatus*: a microbe of the faeces of horses.

Hippocoprobacterium

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Hippocoprobacterium*: a bacterium of the faeces of horses.

Hippocoprohabitans

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *habitans*, an inhabitant; *Hippocoprohabitans*: a microbe of the faeces of horses.

Hippocopromicrobium

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *microbium*, a microbe; *Hippocopromicrobium*: a microbe of the faeces of horses.

Hippocopromonas

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *monas*, a monad; *Hippocopromonas*: a microbe of the faeces of horses.

Hippocopromorpha

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *morpha*, a form; *Hippocopromorpha*: a microbe of the faeces of horses.

Hippocoprousia

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *ousia*, an essence; *Hippocoprousia*: a microbe of the faeces of horses.

Hippocoproplasma

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *plasma*, a form; *Hippocoproplasma*: a microbe of the faeces of horses.

Hippocoprosoma

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *soma*, a body; *Hippocoprosoma*: a microbe of the faeces of horses.

Hippocoprovivens

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kopros*, excrement; L. masc./fem. n. *vivens*, a living thing; *Hippocoprovivens*: a microbe of the faeces of horses.

Hippofaecicola

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *faex*, dregs; N.L. masc./fem. n. *cola*, an inhabitant; *Hippofaecicola*: a microbe of the faeces of horses.

Hippofaecadaptatus

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *faex*, dregs; L. masc. n. *adaptatus*, something adapted; *Hippofaecadaptatus*: a microbe of the faeces of horses.

Hippofaecibacterium

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *bacterium*, a bacterium; *Hippofaecibacterium*: a bacterium of the faeces of horses.

Hippofaecihabitans

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *faex*, dregs; L. masc. n. *habitans*, an inhabitant; *Hippofaecihabitans*: a microbe of the faeces of horses.

Hippofaecimicrobium

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *microbium*, a microbe; *Hippofaecimicrobium*: a microbe of the faeces of horses.

Hippofaecimonas

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *faex*, dregs; N.L. fem. n. *monas*, a monad; *Hippofaecimonas*: a microbe of the faeces of horses.

Hippofaecimorpha

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *faex*, dregs; N.L. fem. n. *morpha*, a form; *Hippofaecimorpha*: a microbe of the faeces of horses.

Hippofaecousia

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *faex*, dregs; N.L. fem. n. *ousia*, an essence; *Hippofaecousia*: a microbe of the faeces of horses.

Hippofaeciplasma

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *plasma*, a form; *Hippofaeciplasma*: a microbe of the faeces of horses.

Hippofaecisoma

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *soma*, a body; *Hippofaecisoma*: a microbe of the faeces of horses.

Hippofaecivivens

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *faex*, dregs; L. masc./fem. n. *vivens*, a living thing; *Hippofaecivivens*: a microbe of the faeces of horses.

Hippomerdicola

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *merda*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Hippomerdicola*: a microbe of the faeces of horses.

Hippomerdadaptatus

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *merda*, excrement; L. masc. n. *adaptatus*, something adapted; *Hippomerdadaptatus*: a microbe of the faeces of horses.

Hippomerdibacterium

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Hippomerdibacterium*: a bacterium of the faeces of horses.

Hippomerdihabitans

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *merda*, excrement; L. masc. n. *habitans*, an inhabitant; *Hippomerdihabitans*: a microbe of the faeces of horses.

Hippomerdimicrobium

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *microbium*, a microbe; *Hippomerdimicrobium*: a microbe of the faeces of horses.

Hippomerdimonas

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *merda*, excrement; N.L. fem. n. *monas*, a monad; *Hippomerdimonas*: a microbe of the faeces of horses.

Hippomerdimorpha

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *merda*, excrement; N.L. fem. n. *morpha*, a form; *Hippomerdimorpha*: a microbe of the faeces of horses.

Hippomerdousia

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *merda*, excrement; N.L. fem. n. *ousia*, an essence; *Hippomerdousia*: a microbe of the faeces of horses.

Hippomerdiplasma

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *plasma*, a form; *Hippomerdiplasma*: a microbe of the faeces of horses.

Hippomerdisoma

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *soma*, a body; *Hippomerdisoma*: a microbe of the faeces of horses.

Hippomerdivivens

Gr. masc./fem. n. *hippos*, a horse; L. fem. n. *merda*, excrement; L. masc./fem. n. *vivens*, a living thing; *Hippomerdivivens*: a microbe of the faeces of horses.

Hippocaccocola

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kakke*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Hippocaccocola*: a microbe of the faeces of horses.

Hippocaccadaptatus

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *adaptatus*, something adapted; *Hippocaccadaptatus*: a microbe of the faeces of horses.

Hippocaccobacterium

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Hippocaccobacterium*: a bacterium of the faeces of horses.

Hippocaccohabitans

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *habitans*, an inhabitant; *Hippocaccohabitans*: a microbe of the faeces of horses.

Hippocaccomicrobium

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *microbium*, a microbe; *Hippocaccomicrobium*: a microbe of the faeces of horses.

Hippocaccomonas

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *monas*, a monad; *Hippocaccomonas*: a microbe of the faeces of horses.

Hippocaccomorpha

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *morpha*, a form; *Hippocaccomorpha*: a microbe of the faeces of horses.

Hippocaccousia

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *ousia*, an essence; *Hippocaccousia*: a microbe of the faeces of horses.

Hippocaccoplasma

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *plasma*, a form; *Hippocaccoplasma*: a microbe of the faeces of horses.

Hippocaccosoma

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *soma*, a body; *Hippocaccosoma*: a microbe of the faeces of horses.

Hippocaccovivens

Gr. masc./fem. n. *hippos*, a horse; Gr. fem. n. *kakke*, excrement; L. masc./fem. n. *vivens*, a living thing; *Hippocaccovivens*: a microbe of the faeces of horses.

Hippenterocola

Gr. masc./fem. n. *hippos*, a horse; Gr. neut. n. *enteron*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Hippenterocola*: a microbe of the gut of horses.

Hippenteradaptatus

Gr. masc./fem. n. *hippos*, a horse; Gr. neut. n. *enteron*, gut; L. masc. n. *adaptatus*, something adapted; *Hippenteradaptatus*: a microbe of the gut of horses.

Hippenterobacterium

Gr. masc./fem. n. *hippos*, a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *bacterium*, a bacterium; *Hippenterobacterium*: a bacterium of the gut of horses.

Hippenterohabitans

Gr. masc./fem. n. *hippos*, a horse; Gr. neut. n. *enteron*, gut; L. masc. n. *habitans*, an inhabitant; *Hippenterohabitans*: a microbe of the gut of horses.

Hippenteromicrobium

Gr. masc./fem. n. *hippos*, a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *microbium*, a microbe; *Hippenteromicrobium*: a microbe of the gut of horses.

Hippenteromonas

Gr. masc./fem. n. *hippos*, a horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *monas*, a monad; *Hippenteromonas*: a microbe of the gut of horses.

Hippenteromorpha

Gr. masc./fem. n. *hippos*, a horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *morpha*, a form; *Hippenteromorpha*: a microbe of the gut of horses.

Hippenterousia

Gr. masc./fem. n. *hippos*, a horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *ousia*, an essence; *Hippenterousia*: a microbe of the gut of horses.

Hippenteroplasma

Gr. masc./fem. n. *hippos*, a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *plasma*, a form; *Hippenteroplasma*: a microbe of the gut of horses.

Hippenterosoma

Gr. masc./fem. n. *hippos*, a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *soma*, a body; *Hippenterosoma*: a microbe of the gut of horses.

Hippenterovivens

Gr. masc./fem. n. *hippos*, a horse; Gr. neut. n. *enteron*, gut; L. masc./fem. n. *vivens*, a living thing; *Hippenterovivens*: a microbe of the gut of horses.

Hippintestinicola

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *intestinum*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Hippintestinicola*: a microbe of the gut of horses.

Hippintestinadaptatus

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *intestinum*, gut; L. masc. n. *adaptatus*, something adapted; *Hippintestinadaptatus*: a microbe of the gut of horses.

Hippintestinibacterium

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *bacterium*, a bacterium; *Hippintestinibacterium*: a bacterium of the gut of horses.

Hippintestinihabitans

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *intestinum*, gut; L. masc. n. *habitans*, an inhabitant; *Hippintestinihabitans*: a microbe of the gut of horses.

Hippintestinimicrobium

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *microbium*, a microbe; *Hippintestinimicrobium*: a microbe of the gut of horses.

Hippintestinimonas

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *monas*, a monad; *Hippintestinimonas*: a microbe of the gut of horses.

Hippintestinimorpha

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *morpha*, a form; *Hippintestinimorpha*: a microbe of the gut of horses.

Hippintestinousia

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *ousia*, an essence; *Hippintestinousia*: a microbe of the gut of horses.

Hippintestiniplasma

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *plasma*, a form; *Hippintestiniplasma*: a microbe of the gut of horses.

Hippintestinisoma

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *soma*, a body; *Hippintestinisoma*: a microbe of the gut of horses.

Hippintestinivivens

Gr. masc./fem. n. *hippos*, a horse; L. neut. n. *intestinum*, gut; L. masc./fem. n. *vivens*, a living thing; *Hippintestinivivens*: a microbe of the gut of horses.

Lampostercoricola

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *stercus*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Lampostercoricola*: a microbe of the faeces of horses.

Lampostercoradaptatus

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *stercus*, excrement; L. masc. n. *adaptatus*, something adapted; *Lampostercoradaptatus*: a microbe of the faeces of horses.

Lampostercoribacterium

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *stercus*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Lampostercoribacterium*: a bacterium of the faeces of horses.

Lampostercorihabitans

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *stercus*, excrement; L. masc. n. *habitans*, an inhabitant; *Lampostercorihabitans*: a microbe of the faeces of horses.

Lampostercorimicrobium

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *stercus*, excrement; N.L. neut. n. *microbium*, a microbe; *Lampostercorimicrobium*: a microbe of the faeces of horses.

Lampostercorimonas

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *stercus*, excrement; N.L. fem. n. *monas*, a monad; *Lampostercorimonas*: a microbe of the faeces of horses.

Lampostercorimorpha

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *stercus*, excrement; N.L. fem. n. *morpha*, a form; *Lampostercorimorpha*: a microbe of the faeces of horses.

Lampostercorousia

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *stercus*, excrement; N.L. fem. n. *ousia*, an essence; *Lampostercorousia*: a microbe of the faeces of horses.

Lampostercoriplasma

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *stercus*, excrement; N.L. neut. n. *plasma*, a form; *Lampostercoriplasma*: a microbe of the faeces of horses.

Lampostercorisoma

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *stercus*, excrement; N.L. neut. n. *soma*, a body; *Lampostercorisoma*: a microbe of the faeces of horses.

Lampostercorivivens

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *stercus*, excrement; L. masc./fem. n. *vivens*, a living thing; *Lampostercorivivens*: a microbe of the faeces of horses.

Lampexcrementicola

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *excrementum*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Lampexcrementicola*: a microbe of the faeces of horses.

Lampexcrementadaptatus

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *excrementum*, excrement; L. masc. n. *adaptatus*, something adapted; *Lampexcrementadaptatus*: a microbe of the faeces of horses.

Lampexcrementibacterium

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *excrementum*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Lampexcrementibacterium*: a bacterium of the faeces of horses.

Lampexcrementihabitans

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *excrementum*, excrement; L. masc. n. *habitans*, an inhabitant; *Lampexcrementihabitans*: a microbe of the faeces of horses.

Lampexcrementimicrobium

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *excrementum*, excrement; N.L. neut. n. *microbium*, a microbe; *Lampexcrementimicrobium*: a microbe of the faeces of horses.

Lampexcrementimonas

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *excrementum*, excrement; N.L. fem. n. *monas*, a monad; *Lampexcrementimonas*: a microbe of the faeces of horses.

Lampexcrementimorpha

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *excrementum*, excrement; N.L. fem. n. *morpha*, a form; *Lampexcrementimorpha*: a microbe of the faeces of horses.

Lampexcrementousia

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *excrementum*, excrement; N.L. fem. n. *ousia*, an essence; *Lampexcrementousia*: a microbe of the faeces of horses.

Lampexcrementiplasma

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *excrementum*, excrement; N.L. neut. n. *plasma*, a form; *Lampexcrementiplasma*: a microbe of the faeces of horses.

Lampexcrementisoma

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *excrementum*, excrement; N.L. neut. n. *soma*, a body; *Lampexcrementisoma*: a microbe of the faeces of horses.

Lampexcrementivivens

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *excrementum*, excrement; L. masc./fem. n. *vivens*, a living thing; *Lampexcrementivivens*: a microbe of the faeces of horses.

Lampocoprocola

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kopros*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Lampocoprocola*: a microbe of the faeces of horses.

Lampocopradaptatus

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kopros*, excrement; L. masc. n. *adaptatus*, something adapted; *Lampocopradaptatus*: a microbe of the faeces of horses.

Lampocoprobacterium

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Lampocoprobacterium*: a bacterium of the faeces of horses.

Lampocoprohabitans

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kopros*, excrement; L. masc. n. *habitans*, an inhabitant; *Lampocoprohabitans*: a microbe of the faeces of horses.

Lampocopromicrobium

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *microbium*, a microbe; *Lampocopromicrobium*: a microbe of the faeces of horses.

Lampocopromonas

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *monas*, a monad; *Lampocopromonas*: a microbe of the faeces of horses.

Lampocopromorpha

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *morpha*, a form; *Lampocopromorpha*: a microbe of the faeces of horses.

Lampocoprousia

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *ousia*, an essence; *Lampocoprousia*: a microbe of the faeces of horses.

Lampocoproplasma

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *plasma*, a form; *Lampocoproplasma*: a microbe of the faeces of horses.

Lampocoprosoma

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *soma*, a body; *Lampocoprosoma*: a microbe of the faeces of horses.

Lampocoprovivens

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kopros*, excrement; L. masc./fem. n. *vivens*, a living thing; *Lampocoprovivens*: a microbe of the faeces of horses.

Lampofaecicola

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *faex*, dregs; N.L. masc./fem. n. *cola*, an inhabitant; *Lampofaecicola*: a microbe of the faeces of horses.

Lampofaecadaptatus

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *faex*, dregs; L. masc. n. *adaptatus*, something adapted; *Lampofaecadaptatus*: a microbe of the faeces of horses.

Lampofaecibacterium

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *faex*, dregs; N.L. neut. n. *bacterium*, a bacterium; *Lampofaecibacterium*: a bacterium of the faeces of horses.

Lampofaecihabitans

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *faex*, dregs; L. masc. n. *habitans*, an inhabitant; *Lampofaecihabitans*: a microbe of the faeces of horses.

Lampofaecimicrobium

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *faex*, dregs; N.L. neut. n. *microbium*, a microbe; *Lampofaecimicrobium*: a microbe of the faeces of horses.

Lampofaecimonas

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *faex*, dregs; N.L. fem. n. *monas*, a monad; *Lampofaecimonas*: a microbe of the faeces of horses.

Lampofaecimorpha

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *faex*, dregs; N.L. fem. n. *morpha*, a form; *Lampofaecimorpha*: a microbe of the faeces of horses.

Lampofaecousia

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *faex*, dregs; N.L. fem. n. *ousia*, an essence; *Lampofaecousia*: a microbe of the faeces of horses.

Lampofaeciplasma

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *faex*, dregs; N.L. neut. n. *plasma*, a form; *Lampofaeciplasma*: a microbe of the faeces of horses.

Lampofaecisoma

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *faex*, dregs; N.L. neut. n. *soma*, a body; *Lampofaecisoma*: a microbe of the faeces of horses.

Lampofaecivivens

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *faex*, dregs; L. masc./fem. n. *vivens*, a living thing; *Lampofaecivivens*: a microbe of the faeces of horses.

Lampomerdicola

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *merda*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Lampomerdicola*: a microbe of the faeces of horses.

Lampomerdadaptatus

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *merda*, excrement; L. masc. n. *adaptatus*, something adapted; *Lampomerdadaptatus*: a microbe of the faeces of horses.

Lampomerdibacterium

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *merda*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Lampomerdibacterium*: a bacterium of the faeces of horses.

Lampomerdihabitans

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *merda*, excrement; L. masc. n. *habitans*, an inhabitant; *Lampomerdihabitans*: a microbe of the faeces of horses.

Lampomerdimicrobium

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *merda*, excrement; N.L. neut. n. *microbium*, a microbe; *Lampomerdimicrobium*: a microbe of the faeces of horses.

Lampomerdimonas

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *merda*, excrement; N.L. fem. n. *monas*, a monad; *Lampomerdimonas*: a microbe of the faeces of horses.

Lampomerdimorpha

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *merda*, excrement; N.L. fem. n. *morpha*, a form; *Lampomerdimorpha*: a microbe of the faeces of horses.

Lampomerdousia

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *merda*, excrement; N.L. fem. n. *ousia*, an essence; *Lampomerdousia*: a microbe of the faeces of horses.

Lampomerdiplasma

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *merda*, excrement; N.L. neut. n. *plasma*, a form; *Lampomerdiplasma*: a microbe of the faeces of horses.

Lampomerdisoma

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *merda*, excrement; N.L. neut. n. *soma*, a body; *Lampomerdisoma*: a microbe of the faeces of horses.

Lampomerdivivens

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. fem. n. *merda*, excrement; L. masc./fem. n. *vivens*, a living thing; *Lampomerdivivens*: a microbe of the faeces of horses.

Lampocaccocola

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kakke*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Lampocaccocola*: a microbe of the faeces of horses.

Lampocaccadaptatus

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kakke*, excrement; L. masc. n. *adaptatus*, something adapted; *Lampocaccadaptatus*: a microbe of the faeces of horses.

Lampocaccobacterium

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Lampocaccobacterium*: a bacterium of the faeces of horses.

Lampocacchohabitans

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kakke*, excrement; L. masc. n. *habitans*, an inhabitant; *Lampocacchohabitans*: a microbe of the faeces of horses.

Lampocaccommicrobium

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *microbium*, a microbe; *Lampocaccommicrobium*: a microbe of the faeces of horses.

Lampocaccomonas

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *monas*, a monad; *Lampocaccomonas*: a microbe of the faeces of horses.

Lampocaccomorpha

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *morpha*, a form; *Lampocaccomorpha*: a microbe of the faeces of horses.

Lampocaccousia

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *ousia*, an essence; *Lampocaccousia*: a microbe of the faeces of horses.

Lampocaccoplasma

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *plasma*, a form; *Lampocaccoplasma*: a microbe of the faeces of horses.

Lampocaccosoma

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *soma*, a body; *Lampocaccosoma*: a microbe of the faeces of horses.

Lampocaccovivens

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. fem. n. *kakke*, excrement; L. masc./fem. n. *vivens*, a living thing; *Lampocaccovivens*: a microbe of the faeces of horses.

Lampenterocola

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. neut. n. *enteron*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Lampenterocola*: a microbe of the gut of horses.

Lampenteradaptatus

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. neut. n. *enteron*, gut; L. masc. n. *adaptatus*, something adapted; *Lampenteradaptatus*: a microbe of the gut of horses.

Lampenterobacterium

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. neut. n. *enteron*, gut; N.L. neut. n. *bacterium*, a bacterium; *Lampenterobacterium*: a bacterium of the gut of horses.

Lampenterohabitans

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. neut. n. *enteron*, gut; L. masc. n. *habitans*, an inhabitant; *Lampenterohabitans*: a microbe of the gut of horses.

Lampenteromicrobium

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. neut. n. *enteron*, gut; N.L. neut. n. *microbium*, a microbe; *Lampenteromicrobium*: a microbe of the gut of horses.

Lampenteromonas

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. neut. n. *enteron*, gut; N.L. fem. n. *monas*, a monad; *Lampenteromonas*: a microbe of the gut of horses.

Lampenteromorpha

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. neut. n. *enteron*, gut; N.L. fem. n. *morpha*, a form; *Lampenteromorpha*: a microbe of the gut of horses.

Lampenterousia

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. neut. n. *enteron*, gut; N.L. fem. n. *ousia*, an essence; *Lampenterousia*: a microbe of the gut of horses.

Lampenteroplasma

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. neut. n. *enteron*, gut; N.L. neut. n. *plasma*, a form; *Lampenteroplasma*: a microbe of the gut of horses.

Lampenterosoma

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. neut. n. *enteron*, gut; N.L. neut. n. *soma*, a body; *Lampenterosoma*: a microbe of the gut of horses.

Lampenterovivens

Gr. masc. n. *Lampos*, a name given to several mythical horses; Gr. neut. n. *enteron*, gut; L. masc./fem. n. *vivens*, a living thing; *Lampenterovivens*: a microbe of the gut of horses.

Lampintesticola

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *intestinum*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Lampintesticola*: a microbe of the gut of horses.

Lampintestinadaptatus

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *intestinum*, gut; L. masc. n. *adaptatus*, something adapted; *Lampintestinadaptatus*: a microbe of the gut of horses.

Lampintestinibacterium

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *intestinum*, gut; N.L. neut. n. *bacterium*, a bacterium; *Lampintestinibacterium*: a bacterium of the gut of horses.

Lampintestinihabitans

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *intestinum*, gut; L. masc. n. *habitans*, an inhabitant; *Lampintestinihabitans*: a microbe of the gut of horses.

Lampintestinimicrobium

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *intestinum*, gut; N.L. neut. n. *microbium*, a microbe; *Lampintestinimicrobium*: a microbe of the gut of horses.

Lampintestinimonas

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *intestinum*, gut; N.L. fem. n. *monas*, a monad; *Lampintestinimonas*: a microbe of the gut of horses.

Lampintestinimorpha

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *intestinum*, gut; N.L. fem. n. *morpha*, a form; *Lampintestinimorpha*: a microbe of the gut of horses.

Lampintestinousia

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *intestinum*, gut; N.L. fem. n. *ousia*, an essence; *Lampintestinousia*: a microbe of the gut of horses.

Lampintestiniplasma

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *intestinum*, gut; N.L. neut. n. *plasma*, a form; *Lampintestiniplasma*: a microbe of the gut of horses.

Lampintestinisoma

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *intestinum*, gut; N.L. neut. n. *soma*, a body; *Lampintestinisoma*: a microbe of the gut of horses.

Lampintestinivivens

Gr. masc. n. *Lampos*, a name given to several mythical horses; L. neut. n. *intestinum*, gut; L. masc./fem. n. *vivens*, a living thing; *Lampintestinivivens*: a microbe of the gut of horses.

Pegasostercoricola

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *stercus*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Pegasostercoricola*: a microbe of the faeces of horses.

Pegasostercoradaptatus

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *stercus*, excrement; L. masc. n. *adaptatus*, something adapted; *Pegasostercoradaptatus*: a microbe of the faeces of horses.

Pegasostercoribacterium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Pegasostercoribacterium*: a bacterium of the faeces of horses.

Pegasostercorihabitans

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *stercus*, excrement; L. masc. n. *habitans*, an inhabitant; *Pegasostercorihabitans*: a microbe of the faeces of horses.

Pegasostercorimicrobium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *microbium*, a microbe; *Pegasostercorimicrobium*: a microbe of the faeces of horses.

Pegasostercorimonas

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *monas*, a monad; *Pegasostercorimonas*: a microbe of the faeces of horses.

Pegasostercorimorpha

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *morpha*, a form; *Pegasostercorimorpha*: a microbe of the faeces of horses.

Pegasostercorousia

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *ousia*, an essence; *Pegasostercorousia*: a microbe of the faeces of horses.

Pegasostercoriplasma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *plasma*, a form; *Pegasostercoriplasma*: a microbe of the faeces of horses.

Pegasostercorisoma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *soma*, a body; *Pegasostercorisoma*: a microbe of the faeces of horses.

Pegasostercorivivens

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *stercus*, excrement; L. masc./fem. n. *vivens*, a living thing; *Pegasostercorivivens*: a microbe of the faeces of horses.

Pegasexcrementicola

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *excrementum*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Pegasexcrementicola*: a microbe of the faeces of horses.

Pegasexcrementadaptatus

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *excrementum*, excrement; L. masc. n. *adaptatus*, something adapted; *Pegasexcrementadaptatus*: a microbe of the faeces of horses.

Pegasexcrementibacterium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Pegasexcrementibacterium*: a bacterium of the faeces of horses.

Pegasexcrementihabitans

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *excrementum*, excrement; L. masc. n. *habitans*, an inhabitant; *Pegasexcrementihabitans*: a microbe of the faeces of horses.

Pegasecrementimicrobium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *microbium*, a microbe; *Pegasecrementimicrobium*: a microbe of the faeces of horses.

Pegasecrementimonas

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *monas*, a monad; *Pegasecrementimonas*: a microbe of the faeces of horses.

Pegasecrementimorpha

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *morpha*, a form; *Pegasecrementimorpha*: a microbe of the faeces of horses.

Pegasecrementousia

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *ousia*, an essence; *Pegasecrementousia*: a microbe of the faeces of horses.

Pegasecrementiplasma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *plasma*, a form; *Pegasecrementiplasma*: a microbe of the faeces of horses.

Pegasecrementisoma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *soma*, a body; *Pegasecrementisoma*: a microbe of the faeces of horses.

Pegasecrementivivens

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *excrementum*, excrement; L. masc./fem. n. *vivens*, a living thing; *Pegasecrementivivens*: a microbe of the faeces of horses.

Pegasocoprocola

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kopros*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Pegasocoprocola*: a microbe of the faeces of horses.

Pegasocopradaptatus

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *adaptatus*, something adapted; *Pegasocopradaptatus*: a microbe of the faeces of horses.

Pegasocoprobacterium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Pegasocoprobacterium*: a bacterium of the faeces of horses.

Pegasocoprohabitans

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *habitans*, an inhabitant; *Pegasocoprohabitans*: a microbe of the faeces of horses.

Pegasocopromicrobium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *microbium*, a microbe; *Pegasocopromicrobium*: a microbe of the faeces of horses.

Pegasocopromonas

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *monas*, a monad; *Pegasocopromonas*: a microbe of the faeces of horses.

Pegasocopromorpha

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *morpha*, a form; *Pegasocopromorpha*: a microbe of the faeces of horses.

Pegasocoprousia

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *ousia*, an essence; *Pegasocoprousia*: a microbe of the faeces of horses.

Pegasocoproplasma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *plasma*, a form; *Pegasocoproplasma*: a microbe of the faeces of horses.

Pegasocoprosoma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *soma*, a body; *Pegasocoprosoma*: a microbe of the faeces of horses.

Pegasocoprovivens

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kopros*, excrement; L. masc./fem. n. *vivens*, a living thing; *Pegasocoprovivens*: a microbe of the faeces of horses.

Pegasofaecicola

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *faex*, dregs; N.L. masc./fem. n. *cola*, an inhabitant; *Pegasofaecicola*: a microbe of the faeces of horses.

Pegasofaecadaptatus

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *faex*, dregs; L. masc. n. *adaptatus*, something adapted; *Pegasofaecadaptatus*: a microbe of the faeces of horses.

Pegasofaecibacterium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *faex*, dregs; N.L. neut. n. *bacterium*, a bacterium; *Pegasofaecibacterium*: a bacterium of the faeces of horses.

Pegasofaecihabitans

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *faex*, dregs; L. masc. n. *habitans*, an inhabitant; *Pegasofaecihabitans*: a microbe of the faeces of horses.

Pegasofaecimicrobium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *faex*, dregs; N.L. neut. n. *microbium*, a microbe; *Pegasofaecimicrobium*: a microbe of the faeces of horses.

Pegasofaecimonas

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *faex*, dregs; N.L. fem. n. *monas*, a monad; *Pegasofaecimonas*: a microbe of the faeces of horses.

Pegasofaecimorpha

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *faex*, dregs; N.L. fem. n. *morpha*, a form; *Pegasofaecimorpha*: a microbe of the faeces of horses.

Pegasofaecousia

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *faex*, dregs; N.L. fem. n. *ousia*, an essence; *Pegasofaecousia*: a microbe of the faeces of horses.

Pegasofaeciplasma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *faex*, dregs; N.L. neut. n. *plasma*, a form; *Pegasofaeciplasma*: a microbe of the faeces of horses.

Pegasofaecisoma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *faex*, dregs; N.L. neut. n. *soma*, a body; *Pegasofaecisoma*: a microbe of the faeces of horses.

Pegasofaecivivens

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *faex*, dregs; L. masc./fem. n. *vivens*, a living thing; *Pegasofaecivivens*: a microbe of the faeces of horses.

Pegasomerdicola

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *merda*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Pegasomerdicola*: a microbe of the faeces of horses.

Pegasomerdadaptatus

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *merda*, excrement; L. masc. n. *adaptatus*, something adapted; *Pegasomerdadaptatus*: a microbe of the faeces of horses.

Pegasomerdibacterium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *merda*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Pegasomerdibacterium*: a bacterium of the faeces of horses.

Pegasomerdihabitans

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *merda*, excrement; L. masc. n. *habitans*, an inhabitant; *Pegasomerdihabitans*: a microbe of the faeces of horses.

Pegasomerdimicrobium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *merda*, excrement; N.L. neut. n. *microbium*, a microbe; *Pegasomerdimicrobium*: a microbe of the faeces of horses.

Pegasomerdimonas

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *merda*, excrement; N.L. fem. n. *monas*, a monad; *Pegasomerdimonas*: a microbe of the faeces of horses.

Pegasomerdimorpha

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *merda*, excrement; N.L. fem. n. *morpha*, a form; *Pegasomerdimorpha*: a microbe of the faeces of horses.

Pegasomerdousia

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *merda*, excrement; N.L. fem. n. *ousia*, an essence; *Pegasomerdousia*: a microbe of the faeces of horses.

Pegasomerdiplasma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *merda*, excrement; N.L. neut. n. *plasma*, a form; *Pegasomerdiplasma*: a microbe of the faeces of horses.

Pegasomerdisoma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *merda*, excrement; N.L. neut. n. *soma*, a body; *Pegasomerdisoma*: a microbe of the faeces of horses.

Pegasomerdivivens

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. fem. n. *merda*, excrement; L. masc./fem. n. *vivens*, a living thing; *Pegasomerdivivens*: a microbe of the faeces of horses.

Pegasocaccocola

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kakke*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Pegasocaccocola*: a microbe of the faeces of horses.

Pegasocaccadaptatus

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *adaptatus*, something adapted; *Pegasocaccadaptatus*: a microbe of the faeces of horses.

Pegasocaccobacterium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Pegasocaccobacterium*: a bacterium of the faeces of horses.

Pegasocacchohabitans

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *habitans*, an inhabitant; *Pegasocacchohabitans*: a microbe of the faeces of horses.

Pegasocaccommicrobium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *microbium*, a microbe; *Pegasocaccommicrobium*: a microbe of the faeces of horses.

Pegasocaccomonas

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *monas*, a monad; *Pegasocaccomonas*: a microbe of the faeces of horses.

Pegasocaccomorpha

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *morpha*, a form; *Pegasocaccomorpha*: a microbe of the faeces of horses.

Pegasocaccousia

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *ousia*, an essence; *Pegasocaccousia*: a microbe of the faeces of horses.

Pegasocaccoplasma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *plasma*, a form; *Pegasocaccoplasma*: a microbe of the faeces of horses.

Pegasocaccosoma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *soma*, a body; *Pegasocaccosoma*: a microbe of the faeces of horses.

Pegasocaccovivens

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. fem. n. *kakke*, excrement; L. masc./fem. n. *vivens*, a living thing; *Pegasocaccovivens*: a microbe of the faeces of horses.

Pegasenterocola

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. neut. n. *enteron*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Pegasenterocola*: a microbe of the gut of horses.

Pegasenteradaptatus

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. neut. n. *enteron*, gut; L. masc. n. *adaptatus*, something adapted; *Pegasenteradaptatus*: a microbe of the gut of horses.

Pegasenterobacterium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *bacterium*, a bacterium; *Pegasenterobacterium*: a bacterium of the gut of horses.

Pegasenterohabitans

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. neut. n. *enteron*, gut; L. masc. n. *habitans*, an inhabitant; *Pegasenterohabitans*: a microbe of the gut of horses.

Pegasenteromicrobium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *microbium*, a microbe; *Pegasenteromicrobium*: a microbe of the gut of horses.

Pegasenteromonas

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *monas*, a monad; *Pegasenteromonas*: a microbe of the gut of horses.

Pegasenteromorpha

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *morpha*, a form; *Pegasenteromorpha*: a microbe of the gut of horses.

Pegasenterousia

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *ousia*, an essence; *Pegasenterousia*: a microbe of the gut of horses.

Pegasenteroplasma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *plasma*, a form; *Pegasenteroplasma*: a microbe of the gut of horses.

Pegasenterosoma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *soma*, a body; *Pegasenterosoma*: a microbe of the gut of horses.

Pegasenterovivens

Gr. masc. n. *Pegasos*, a mythical divine winged horse; Gr. neut. n. *enteron*, gut; L. masc./fem. n. *vivens*, a living thing; *Pegasenterovivens*: a microbe of the gut of horses.

Pegasintesticola

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *intestinum*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Pegasintesticola*: a microbe of the gut of horses.

Pegasintestinadaptatus

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *intestinum*, gut; L. masc. n. *adaptatus*, something adapted; *Pegasintestinadaptatus*: a microbe of the gut of horses.

Pegasintestinibacterium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *bacterium*, a bacterium; *Pegasintestinibacterium*: a bacterium of the gut of horses.

Pegasintestinihabitans

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *intestinum*, gut; L. masc. n. *habitans*, an inhabitant; *Pegasintestinihabitans*: a microbe of the gut of horses.

Pegasintestinimicrobium

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *microbium*, a microbe; *Pegasintestinimicrobium*: a microbe of the gut of horses.

Pegasintestinimonas

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *monas*, a monad; *Pegasintestinimonas*: a microbe of the gut of horses.

Pegasintestinimorpha

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *morpha*, a form; *Pegasintestinimorpha*: a microbe of the gut of horses.

Pegasintestinousia

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *ousia*, an essence; *Pegasintestinousia*: a microbe of the gut of horses.

Pegasintestiniplasma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *plasma*, a form; *Pegasintestiniplasma*: a microbe of the gut of horses.

Pegasintestinisoma

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *soma*, a body; *Pegasintestinisoma*: a microbe of the gut of horses.

Pegasintestinivivens

Gr. masc. n. *Pegasos*, a mythical divine winged horse; L. neut. n. *intestinum*, gut; L. masc./fem. n. *vivens*, a living thing; *Pegasintestinivivens*: a microbe of the gut of horses.

Selenistercoricola

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *stercus*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Selenistercoricola*: a microbe of the faeces of horses.

Selenistercoradaptatus

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *stercus*, excrement; L. masc. n. *adaptatus*, something adapted; *Selenistercoradaptatus*: a microbe of the faeces of horses.

Selenistercoribacterium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Selenistercoribacterium*: a bacterium of the faeces of horses.

Selenistercorihabitans

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *stercus*, excrement; L. masc. n. *habitans*, an inhabitant; *Selenistercorihabitans*: a microbe of the faeces of horses.

Selenistercorimicrobium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *microbium*, a microbe; *Selenistercorimicrobium*: a microbe of the faeces of horses.

Selenistercorimonas

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *monas*, a monad; *Selenistercorimonas*: a microbe of the faeces of horses.

Selenistercorimorpha

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *morpha*, a form; *Selenistercorimorpha*: a microbe of the faeces of horses.

Selenistercorousia

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *stercus*, excrement; N.L. fem. n. *ousia*, an essence; *Selenistercorousia*: a microbe of the faeces of horses.

Selenistercoriplasma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *plasma*, a form; *Selenistercoriplasma*: a microbe of the faeces of horses.

Selenistercorisoma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *stercus*, excrement; N.L. neut. n. *soma*, a body; *Selenistercorisoma*: a microbe of the faeces of horses.

Selenistercorivivens

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *stercus*, excrement; L. masc./fem. n. *vivens*, a living thing; *Selenistercorivivens*: a microbe of the faeces of horses.

Selenexcrementicola

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *excrementum*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Selenexcrementicola*: a microbe of the faeces of horses.

Selenexcrementadaptatus

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *excrementum*, excrement; L. masc. n. *adaptatus*, something adapted; *Selenexcrementadaptatus*: a microbe of the faeces of horses.

Selenexcrementibacterium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Selenexcrementibacterium*: a bacterium of the faeces of horses.

Selenexcrementihabitans

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *excrementum*, excrement; L. masc. n. *habitans*, an inhabitant; *Selenexcrementihabitans*: a microbe of the faeces of horses.

Selenexcrementimicrobium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *microbium*, a microbe; *Selenexcrementimicrobium*: a microbe of the faeces of horses.

Selenexcrementimonas

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *monas*, a monad; *Selenexcrementimonas*: a microbe of the faeces of horses.

Selenexcrementimorpha

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *morpha*, a form; *Selenexcrementimorpha*: a microbe of the faeces of horses.

Selenexcrementousia

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *excrementum*, excrement; N.L. fem. n. *ousia*, an essence; *Selenexcrementousia*: a microbe of the faeces of horses.

Selenexcrementiplasma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *plasma*, a form; *Selenexcrementiplasma*: a microbe of the faeces of horses.

Selenexcrementisoma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *excrementum*, excrement; N.L. neut. n. *soma*, a body; *Selenexcrementisoma*: a microbe of the faeces of horses.

Selenexcrementivivens

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *excrementum*, excrement; L. masc./fem. n. *vivens*, a living thing; *Selenexcrementivivens*: a microbe of the faeces of horses.

Selenicoprocola

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kopros*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Selenicoprocola*: a microbe of the faeces of horses.

Selenicopradaptatus

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *adaptatus*, something adapted; *Selenicopradaptatus*: a microbe of the faeces of horses.

Selenicoprobacterium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Selenicoprobacterium*: a bacterium of the faeces of horses.

Selenicoprohabitans

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kopros*, excrement; L. masc. n. *habitans*, an inhabitant; *Selenicoprohabitans*: a microbe of the faeces of horses.

Selenicopromicrobium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *microbium*, a microbe; *Selenicopromicrobium*: a microbe of the faeces of horses.

Selenicopromonas

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *monas*, a monad; *Selenicopromonas*: a microbe of the faeces of horses.

Selenicopromorpha

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *morpha*, a form; *Selenicopromorpha*: a microbe of the faeces of horses.

Selenicoprousia

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kopros*, excrement; N.L. fem. n. *ousia*, an essence; *Selenicoprousia*: a microbe of the faeces of horses.

Selenicoproplasma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *plasma*, a form; *Selenicoproplasma*: a microbe of the faeces of horses.

Selenicoprosoma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kopros*, excrement; N.L. neut. n. *soma*, a body; *Selenicoprosoma*: a microbe of the faeces of horses.

Selenicprovivens

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kopros*, excrement; L. masc./fem. n. *vivens*, a living thing; *Selenicprovivens*: a microbe of the faeces of horses.

Selenifaecicola

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *faex*, dregs; N.L. masc./fem. n. *cola*, an inhabitant; *Selenifaecicola*: a microbe of the faeces of horses.

Selenifaecadaptatus

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *faex*, dregs; L. masc. n. *adaptatus*, something adapted; *Selenifaecadaptatus*: a microbe of the faeces of horses.

Selenifaecibacterium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *bacterium*, a bacterium; *Selenifaecibacterium*: a bacterium of the faeces of horses.

Selenifaecihabitans

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *faex*, dregs; L. masc. n. *habitans*, an inhabitant; *Selenifaecihabitans*: a microbe of the faeces of horses.

Selenifaecimicrobium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *microbium*, a microbe; *Selenifaecimicrobium*: a microbe of the faeces of horses.

Selenifaecimonas

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *faex*, dregs; N.L. fem. n. *monas*, a monad; *Selenifaecimonas*: a microbe of the faeces of horses.

Selenifaecimorpha

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *faex*, dregs; N.L. fem. n. *morpha*, a form; *Selenifaecimorpha*: a microbe of the faeces of horses.

Selenifaecousia

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *faex*, dregs; N.L. fem. n. *ousia*, an essence; *Selenifaecousia*: a microbe of the faeces of horses.

Selenifaeci plasma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *plasma*, a form; *Selenifaeci plasma*: a microbe of the faeces of horses.

Selenifaecisoma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *faex*, dregs; N.L. neut. n. *soma*, a body; *Selenifaecisoma*: a microbe of the faeces of horses.

Selenifaecivivens

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *faex*, dregs; L. masc./fem. n. *vivens*, a living thing; *Selenifaecivivens*: a microbe of the faeces of horses.

Selenimerdicola

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *merda*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Selenimerdicola*: a microbe of the faeces of horses.

Selenimerdadaptatus

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *merda*, excrement; L. masc. n. *adaptatus*, something adapted; *Selenimerdadaptatus*: a microbe of the faeces of horses.

Selenimerdibacterium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Selenimerdibacterium*: a bacterium of the faeces of horses.

Selenimerdihabitans

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *merda*, excrement; L. masc. n. *habitans*, an inhabitant; *Selenimerdihabitans*: a microbe of the faeces of horses.

Selenimerdimicrobium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *microbium*, a microbe; *Selenimerdimicrobium*: a microbe of the faeces of horses.

Selenimerdimonas

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *merda*, excrement; N.L. fem. n. *monas*, a monad; *Selenimerdimonas*: a microbe of the faeces of horses.

Selenimerdimorpha

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *merda*, excrement; N.L. fem. n. *morpha*, a form; *Selenimerdimorpha*: a microbe of the faeces of horses.

Selenimerdousia

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *merda*, excrement; N.L. fem. n. *ousia*, an essence; *Selenimerdousia*: a microbe of the faeces of horses.

Selenimerdiplasma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *plasma*, a form; *Selenimerdiplasma*: a microbe of the faeces of horses.

Selenimerdisoma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *merda*, excrement; N.L. neut. n. *soma*, a body; *Selenimerdisoma*: a microbe of the faeces of horses.

Selenimerdivivens

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. fem. n. *merda*, excrement; L. masc./fem. n. *vivens*, a living thing; *Selenimerdivivens*: a microbe of the faeces of horses.

Selenicaccocola

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kakke*, excrement; N.L. masc./fem. n. *cola*, an inhabitant; *Selenicaccocola*: a microbe of the faeces of horses.

Selenicaccadaptatus

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *adaptatus*, something adapted; *Selenicaccadaptatus*: a microbe of the faeces of horses.

Selenicaccobacterium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *bacterium*, a bacterium; *Selenicaccobacterium*: a bacterium of the faeces of horses.

Selenicaccohabitans

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kakke*, excrement; L. masc. n. *habitans*, an inhabitant; *Selenicaccohabitans*: a microbe of the faeces of horses.

Selenicaccomicrobium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *microbium*, a microbe; *Selenicaccomicrobium*: a microbe of the faeces of horses.

Selenicaccomonas

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *monas*, a monad; *Selenicaccomonas*: a microbe of the faeces of horses.

Selenicaccomorpha

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *morpha*, a form; *Selenicaccomorpha*: a microbe of the faeces of horses.

Selenicaccousia

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kakke*, excrement; N.L. fem. n. *ousia*, an essence; *Selenicaccousia*: a microbe of the faeces of horses.

Selenicaccoplasma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *plasma*, a form; *Selenicaccoplasma*: a microbe of the faeces of horses.

Selenicaccosoma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kakke*, excrement; N.L. neut. n. *soma*, a body; *Selenicaccosoma*: a microbe of the faeces of horses.

Selenicaccovivens

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. fem. n. *kakke*, excrement; L. masc./fem. n. *vivens*, a living thing; *Selenicaccovivens*: a microbe of the faeces of horses.

Selenenterocola

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. neut. n. *enteron*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Selenenterocola*: a microbe of the gut of horses.

Selenenteradaptatus

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. neut. n. *enteron*, gut; L. masc. n. *adaptatus*, something adapted; *Selenenteradaptatus*: a microbe of the gut of horses.

Selenenterobacterium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *bacterium*, a bacterium; *Selenenterobacterium*: a bacterium of the gut of horses.

Selenenterohabitans

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. neut. n. *enteron*, gut; L. masc. n. *habitans*, an inhabitant; *Selenenterohabitans*: a microbe of the gut of horses.

Selenenteromicrobium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *microbium*, a microbe; *Selenenteromicrobium*: a microbe of the gut of horses.

Selenenteromonas

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *monas*, a monad; *Selenenteromonas*: a microbe of the gut of horses.

Selenenteromorpha

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *morpha*, a form; *Selenenteromorpha*: a microbe of the gut of horses.

Selenenterousia

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. neut. n. *enteron*, gut; N.L. fem. n. *ousia*, an essence; *Selenenterousia*: a microbe of the gut of horses.

Selenenteroplasma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *plasma*, a form; *Selenenteroplasma*: a microbe of the gut of horses.

Selenenterosoma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. neut. n. *enteron*, gut; N.L. neut. n. *soma*, a body; *Selenenterosoma*: a microbe of the gut of horses.

Selenenterovivens

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; Gr. neut. n. *enteron*, gut; L. masc./fem. n. *vivens*, a living thing; *Selenenterovivens*: a microbe of the gut of horses.

Selenintesticola

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *intestinum*, gut; N.L. masc./fem. n. *cola*, an inhabitant; *Selenintesticola*: a microbe of the gut of horses.

Selenintestinadaptatus

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *intestinum*, gut; L. masc. n. *adaptatus*, something adapted; *Selenintestinadaptatus*: a microbe of the gut of horses.

Selenintestinibacterium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *bacterium*, a bacterium; *Selenintestinibacterium*: a bacterium of the gut of horses.

Selenintestinihabitans

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *intestinum*, gut; L. masc. n. *habitans*, an inhabitant; *Selenintestinihabitans*: a microbe of the gut of horses.

Selenintestinimicrobium

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *microbium*, a microbe; *Selenintestinimicrobium*: a microbe of the gut of horses.

Selenintestinimonas

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *monas*, a monad; *Selenintestinimonas*: a microbe of the gut of horses.

Selenintestinimorpha

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *morpha*, a form; *Selenintestinimorpha*: a microbe of the gut of horses.

Selenintestinousia

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *intestinum*, gut; N.L. fem. n. *ousia*, an essence; *Selenintestinousia*: a microbe of the gut of horses.

Selenintestiniplasma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *plasma*, a form; *Selenintestiniplasma*: a microbe of the gut of horses.

Selenintestinisoma

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *intestinum*, gut; N.L. neut. n. *soma*, a body; *Selenintestinisoma*: a microbe of the gut of horses.

Selenintestinivivens

L. masc. n. *Silenus*, a mythical man of the forest, with features of a horse; L. neut. n. *intestinum*, gut; L. masc./fem. n. *vivens*, a living thing; *Selenintestinivivens*: a microbe of the gut of horses.
