Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Ramlibacter*, An existing genus; *Nothoramlibacter*: A genus related to but distinct from the existing genus Ramlibacter of crossbred.

Nothoramsaria

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Ramsaria*, An existing genus; *Nothoramsaria*: A genus related to but distinct from the existing genus Ramsaria of crossbred.

Nothoraoultella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Raoultella*, An existing genus; *Nothoraoultella*: A genus related to but distinct from the existing genus Raoultella of crossbred.

Nothorariglobus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rariglobus*, An existing genus; *Nothorariglobus*: A genus related to but distinct from the existing genus Rariglobus of crossbred.

Nothorarimicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rarimicrobium*, An existing genus; *Nothorarimicrobium*: A genus related to but distinct from the existing genus Rarimicrobium of crossbred.

Nothorarobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rarobacter*, An existing genus; *Nothorarobacter*: A genus related to but distinct from the existing genus Rarobacter of crossbred.

Nothorathayibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rathayibacter*, An existing genus; *Nothorathayibacter*: A genus related to but distinct from the existing genus Rathayibacter of crossbred.

Nothoravibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Ravibacter*, An existing genus; *Nothoravibacter*: A genus related to but distinct from the existing genus Ravibacter of crossbred.

Nothorectinema

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rectinema*, An existing genus; *Nothorectinema*: A genus related to but distinct from the existing genus Rectinema of crossbred.

Nothorehaibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rehaibacterium*, An existing genus; *Nothorehaibacterium*: A genus related to but distinct from the existing genus Rehaibacterium of crossbred.

Nothoreichenbachia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Reichenbachia*, An existing genus; *Nothoreichenbachia*: A genus related to but distinct from the existing genus Reichenbachia of crossbred.

Nothoreichenbachiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Reichenbachiella*, An existing genus; *Nothoreichenbachiella*: A genus related to but distinct from the existing genus Reichenbachiella of crossbred.

Nothoreinekea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Reinekea*, An existing genus; *Nothoreinekea*: A genus related to but distinct from the existing genus Reinekea of crossbred.

Nothorenibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Renibacterium*, An existing genus; *Nothorenibacterium*: A genus related to but distinct from the existing genus Renibacterium of crossbred.

Nothoreyranella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Reyranella*, An existing genus; *Nothoreyranella*: A genus related to but distinct from the existing genus Reyranella of crossbred.

Nothorhabdaerophilum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rhabdaerophilum*, An existing genus; *Nothorhabdaerophilum*: A genus related to but distinct from the existing genus Rhabdaerophilum of crossbred.

Nothorhabdanaerobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rhabdanaerobium*, An existing genus; *Nothorhabdanaerobium*: A genus related to but distinct from the existing genus Rhabdanaerobium of crossbred.

Nothorhabdobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhabdobacter*, An existing genus; *Nothorhabdobacter*: A genus related to but distinct from the existing genus Rhabdobacter of crossbred.

Nothorhabdochromatium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rhabdochromatium*, An existing genus; *Nothorhabdochromatium*: A genus related to but distinct from the existing genus Rhabdochromatium of crossbred.

Nothorheinheimera

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rheinheimera*, An existing genus; *Nothorheinheimera*: A genus related to but distinct from the existing genus Rheinheimera of crossbred.

Nothorhizobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rhizobium*, An existing genus; *Nothorhizobium*: A genus related to but distinct from the existing genus Rhizobium of crossbred.

Nothorhizocola

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhizocola*, An existing genus; *Nothorhizocola*: A genus related to but distinct from the existing genus Rhizocola of crossbred.

Nothorhizomicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rhizomicrobium*, An existing genus; *Nothorhizomicrobium*: A genus related to but distinct from the existing genus Rhizomicrobium of crossbred.

Nothorhizomonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rhizomonas*, An existing genus; *Nothorhizomonas*: A genus related to but distinct from the existing genus Rhizomonas of crossbred.

Nothorhizorhabdus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rhizorhabdus*, An existing genus; *Nothorhizorhabdus*: A genus related to but distinct from the existing genus Rhizorhabdus of crossbred.

Nothorhizorhapis

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rhizorhapis*, An existing genus; *Nothorhizorhapis*: A genus related to but distinct from the existing genus Rhizorhapis of crossbred.

Nothorhodanobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodanobacter*, An existing genus; *Nothorhodanobacter*: A genus related to but distinct from the existing genus Rhodanobacter of crossbred.

Nothorhodobaca

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rhodobaca*, An existing genus; *Nothorhodobaca*: A genus related to but distinct from the existing genus Rhodobaca of crossbred.

Nothorhodobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodobacter*, An existing genus; *Nothorhodobacter*: A genus related to but distinct from the existing genus Rhodobacter of crossbred.

Nothorhodobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rhodobium*, An existing genus; *Nothorhodobium*: A genus related to but distinct from the existing genus Rhodobium of crossbred.

Nothorhodoblastus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodoblastus*, An existing genus; *Nothorhodoblastus*: A genus related to but distinct from the existing genus Rhodoblastus of crossbred.

Nothorhodocista

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rhodocista*, An existing genus; *Nothorhodocista*: A genus related to but distinct from the existing genus Rhodocista of crossbred.

Nothorhodococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodococcus*, An existing genus; *Nothorhodococcus*: A genus related to but distinct from the existing genus Rhodococcus of crossbred.

Nothorhodocyclus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodocyclus*, An existing genus; *Nothorhodocyclus*: A genus related to but distinct from the existing genus Rhodocyclus of crossbred.

Nothorhodocytophaga

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rhodocytophaga*, An existing genus; *Nothorhodocytophaga*: A genus related to but distinct from the existing genus Rhodocytophaga of crossbred.

Nothorhodoferax

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodoferax*, An existing genus; *Nothorhodoferax*: A genus related to but distinct from the existing genus Rhodoferax of crossbred.

Nothorhodoglobus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodoglobus*, An existing genus; *Nothorhodoglobus*: A genus related to but distinct from the existing genus Rhodoglobus of crossbred.

Nothorhodohalobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodohalobacter*, An existing genus; *Nothorhodohalobacter*: A genus related to but distinct from the existing genus Rhodohalobacter of crossbred.

Nothorhodoligotrophos

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodoligotrophos*, An existing genus; *Nothorhodoligotrophos*: A genus related to but distinct from the existing genus Rhodoligotrophos of crossbred.

Nothorhodoluna

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rhodoluna*, An existing genus; *Nothorhodoluna*: A genus related to but distinct from the existing genus Rhodoluna of crossbred.

Nothorhodomicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rhodomicrobium*, An existing genus; *Nothorhodomicrobium*: A genus related to but distinct from the existing genus Rhodomicrobium of crossbred.

Nothorhodonellum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. dim. n. *Rhodonellum*, An existing genus; *Nothorhodonellum*: A genus related to but distinct from the existing genus Rhodonellum of crossbred.

Nothorhodophyticola

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodophyticola*, An existing genus; *Nothorhodophyticola*: A genus related to but distinct from the existing genus Rhodophyticola of crossbred.

Nothorhodopila

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rhodopila*, An existing genus; *Nothorhodopila*: A genus related to but distinct from the existing genus Rhodopila of crossbred.

Nothorhodopirellula

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Rhodopirellula*, An existing genus; *Nothorhodopirellula*: A genus related to but distinct from the existing genus Rhodopirellula of crossbred.

Nothorhodoplanes

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodoplanes*, An existing genus; *Nothorhodoplanes*: A genus related to but distinct from the existing genus Rhodoplanes of crossbred.

Nothorhodopseudomonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rhodopseudomonas*, An existing genus; *Nothorhodopseudomonas*: A genus related to but distinct from the existing genus Rhodopseudomonas of crossbred.

Nothorhodosalinus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodosalinus*, An existing genus; *Nothorhodosalinus*: A genus related to but distinct from the existing genus Rhodosalinus of crossbred.

Nothorhodospira

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rhodospira*, An existing genus; *Nothorhodospira*: A genus related to but distinct from the existing genus Rhodospira of crossbred.

Nothorhodospirillum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. dim. n. *Rhodospirillum*, An existing genus; *Nothorhodospirillum*: A genus related to but distinct from the existing genus Rhodospirillum of crossbred.

Nothorhodothalassium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rhodothalassium*, An existing genus; *Nothorhodothalassium*: A genus related to but distinct from the existing genus Rhodothalassium of crossbred.

Nothorhodothermus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodothermus*, An existing genus; *Nothorhodothermus*: A genus related to but distinct from the existing genus Rhodothermus of crossbred.

Nothorhodovarius

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodovarius*, An existing genus; *Nothorhodovarius*: A genus related to but distinct from the existing genus Rhodovarius of crossbred.

Nothorhodovastum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rhodovastum*, An existing genus; *Nothorhodovastum*: A genus related to but distinct from the existing genus Rhodovastum of crossbred.

Nothorhodovibrio

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rhodovibrio*, An existing genus; *Nothorhodovibrio*: A genus related to but distinct from the existing genus Rhodovibrio of crossbred.

Nothorhodovulum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rhodovulum*, An existing genus; *Nothorhodovulum*: A genus related to but distinct from the existing genus Rhodovulum of crossbred.

Nothorickettsia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rickettsia*, An existing genus; *Nothorickettsia*: A genus related to but distinct from the existing genus Rickettsia of crossbred.

Nothorickettsiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Rickettsiella*, An existing genus; *Nothorickettsiella*: A genus related to but distinct from the existing genus Rickettsiella of crossbred.

Nothoriemerella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Riemerella*, An existing genus; *Nothoriemerella*: A genus related to but distinct from the existing genus Riemerella of crossbred.

Nothorikenella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Rikenella*, An existing genus; *Nothorikenella*: A genus related to but distinct from the existing genus Rikenella of crossbred.

Nothorippkaea

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rippkaea*, An existing genus; *Nothorippkaea*: A genus related to but distinct from the existing genus Rippkaea of crossbred.

Nothorisungbinella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Risungbinella*, An existing genus; *Nothorisungbinella*: A genus related to but distinct from the existing genus Risungbinella of crossbred.

Nothorivibacter

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rivibacter*, An existing genus; *Nothorivibacter*: A genus related to but distinct from the existing genus Rivibacter of crossbred.

Nothorivicola

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rivicola*, An existing genus; *Nothorivicola*: A genus related to but distinct from the existing genus Rivicola of crossbred.

Nothorivularia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rivularia*, An existing genus; *Nothorivularia*: A genus related to but distinct from the existing genus Rivularia of crossbred.

Nothorobbsia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Robbsia*, An existing genus; *Nothorobbsia*: A genus related to but distinct from the existing genus Robbsia of crossbred.

Nothorobertkochia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Robertkochia*, An existing genus; *Nothorobertkochia*: A genus related to but distinct from the existing genus Robertkochia of crossbred.

Nothorobiginitalea

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Robiginitalea*, An existing genus; *Nothorobiginitalea*: A genus related to but distinct from the existing genus Robiginitalea of crossbred.

Nothorobiginitomaculum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Robiginitomaculum*, An existing genus; *Nothorobiginitomaculum*: A genus related to but distinct from the existing genus Robiginitomaculum of crossbred.

Nothorobinsoniella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Robinsoniella*, An existing genus; *Nothorobinsoniella*: A genus related to but distinct from the existing genus Robinsoniella of crossbred.

Nothorochalimaea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rochalimaea*, An existing genus; *Nothorochalimaea*: A genus related to but distinct from the existing genus Rochalimaea of crossbred.

Nothorodentibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rodentibacter*, An existing genus; *Nothorodentibacter*: A genus related to but distinct from the existing genus Rodentibacter of crossbred.

Nothoroholtiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Roholtiella*, An existing genus; *Nothoroholtiella*: A genus related to but distinct from the existing genus Roholtiella of crossbred.

Nothoromboutsia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Romboutsia*, An existing genus; *Nothoromboutsia*: A genus related to but distinct from the existing genus Romboutsia of crossbred.

Nothoroseateles

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseateles*, An existing genus; *Nothoroseateles*: A genus related to but distinct from the existing genus Roseateles of crossbred.

Nothoroseburia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Roseburia*, An existing genus; *Nothoroseburia*: A genus related to but distinct from the existing genus Roseburia of crossbred.

Nothoroseiarcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseiarcus*, An existing genus; *Nothoroseiarcus*: A genus related to but distinct from the existing genus Roseiarcus of crossbred.

Nothoroseibaca

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Roseibaca*, An existing genus; *Nothoroseibaca*: A genus related to but distinct from the existing genus Roseibaca of crossbred.

Nothoroseibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseibacillus*, An existing genus; *Nothoroseibacillus*: A genus related to but distinct from the existing genus Roseibacillus of crossbred.

Nothoroseibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Roseibacterium*, An existing genus; *Nothoroseibacterium*: A genus related to but distinct from the existing genus Roseibacterium of crossbred.

Nothoroseibacula

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Roseibacula*, An existing genus; *Nothoroseibacula*: A genus related to but distinct from the existing genus Roseibacula of crossbred.

Nothoroseibium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Roseibium*, An existing genus; *Nothoroseibium*: A genus related to but distinct from the existing genus Roseibium of crossbred.

Nothoroseicella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Roseicella*, An existing genus; *Nothoroseicella*: A genus related to but distinct from the existing genus Roseicella of crossbred.

Nothoroseicitreum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Roseicitreum*, An existing genus; *Nothoroseicitreum*: A genus related to but distinct from the existing genus Roseicitreum of crossbred.

Nothoroseicyclus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseicyclus*, An existing genus; *Nothoroseicyclus*: A genus related to but distinct from the existing genus Roseicyclus of crossbred.

Nothoroseiflexus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseiflexus*, An existing genus; *Nothoroseiflexus*: A genus related to but distinct from the existing genus Roseiflexus of crossbred.

Nothoroseimarinus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseimarinus*, An existing genus; *Nothoroseimarinus*: A genus related to but distinct from the existing genus Roseimarinus of crossbred.

Nothoroseimaritima

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Roseimaritima*, An existing genus; *Nothoroseimaritima*: A genus related to but distinct from the existing genus Roseimaritima of crossbred.

Nothoroseimicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Roseimicrobium*, An existing genus; *Nothoroseimicrobium*: A genus related to but distinct from the existing genus Roseimicrobium of crossbred.

Nothoroseinatronobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseinatronobacter*, An existing genus; *Nothoroseinatronobacter*: A genus related to but distinct from the existing genus Roseinatronobacter of crossbred.

Nothoroseisalinus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseisalinus*, An existing genus; *Nothoroseisalinus*: A genus related to but distinct from the existing genus Roseisalinus of crossbred.

Nothoroseisolibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseisolibacter*, An existing genus; *Nothoroseisolibacter*: A genus related to but distinct from the existing genus Roseisolibacter of crossbred.

Nothoroseitalea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Roseitalea*, An existing genus; *Nothoroseitalea*: A genus related to but distinct from the existing genus Roseitalea of crossbred.

Nothoroseithermus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseithermus*, An existing genus; *Nothoroseithermus*: A genus related to but distinct from the existing genus Roseithermus of crossbred.

Nothoroseivirga

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Roseivirga*, An existing genus; *Nothoroseivirga*: A genus related to but distinct from the existing genus Roseivirga of crossbred.

Nothoroseivivax

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseivivax*, An existing genus; *Nothoroseivivax*: A genus related to but distinct from the existing genus Roseivivax of crossbred.

Nothorosenbergiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Rosenbergiella*, An existing genus; *Nothorosenbergiella*: A genus related to but distinct from the existing genus Rosenbergiella of crossbred.

Nothoroseobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseobacter*, An existing genus; *Nothoroseobacter*: A genus related to but distinct from the existing genus Roseobacter of crossbred.

Nothoroseococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseococcus*, An existing genus; *Nothoroseococcus*: A genus related to but distinct from the existing genus Roseococcus of crossbred.

Nothoroseofilum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Roseofilum*, An existing genus; *Nothoroseofilum*: A genus related to but distinct from the existing genus Roseofilum of crossbred.

Nothoroseomonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Roseomonas*, An existing genus; *Nothoroseomonas*: A genus related to but distinct from the existing genus Roseomonas of crossbred.

Nothoroseospira

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Roseospira*, An existing genus; *Nothoroseospira*: A genus related to but distinct from the existing genus Roseospira of crossbred.

Nothoroseospirillum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. dim. n. *Roseospirillum*, An existing genus; *Nothoroseospirillum*: A genus related to but distinct from the existing genus Roseospirillum of crossbred.

Nothoroseovarius

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Roseovarius*, An existing genus; *Nothoroseovarius*: A genus related to but distinct from the existing genus Roseovarius of crossbred.

Nothorosistilla

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rosistilla*, An existing genus; *Nothorosistilla*: A genus related to but distinct from the existing genus Rosistilla of crossbred.

Nothorothia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rothia*, An existing genus; *Nothorothia*: A genus related to but distinct from the existing genus Rothia of crossbred.

Nothorouxiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Rouxiella*, An existing genus; *Nothorouxiella*: A genus related to but distinct from the existing genus Rouxiella of crossbred.

Nothoruania

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Ruania*, An existing genus; *Nothoruania*: A genus related to but distinct from the existing genus Ruania of crossbred.

Nothorubellimicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rubellimicrobium*, An existing genus; *Nothorubellimicrobium*: A genus related to but distinct from the existing genus Rubellimicrobium of crossbred.

Nothorubeoparvulum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rubeoparvulum*, An existing genus; *Nothorubeoparvulum*: A genus related to but distinct from the existing genus Rubeoparvulum of crossbred.

Nothorubidibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rubidibacter*, An existing genus; *Nothorubidibacter*: A genus related to but distinct from the existing genus Rubidibacter of crossbred.

Nothorubidimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rubidimonas*, An existing genus; *Nothorubidimonas*: A genus related to but distinct from the existing genus Rubidimonas of crossbred.

Nothorubinisphaera

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rubinisphaera*, An existing genus; *Nothorubinisphaera*: A genus related to but distinct from the existing genus Rubinisphaera of crossbred.

Nothorubneribacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rubneribacter*, An existing genus; *Nothorubneribacter*: A genus related to but distinct from the existing genus Rubneribacter of crossbred.

Nothorubribacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rubribacterium*, An existing genus; *Nothorubribacterium*: A genus related to but distinct from the existing genus Rubribacterium of crossbred.

Nothorubricella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rubricella*, An existing genus; *Nothorubricella*: A genus related to but distinct from the existing genus Rubricella of crossbred.

Nothorubricoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rubricoccus*, An existing genus; *Nothorubricoccus*: A genus related to but distinct from the existing genus Rubricoccus of crossbred.

Nothorubrimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rubrimonas*, An existing genus; *Nothorubrimonas*: A genus related to but distinct from the existing genus Rubrimonas of crossbred.

Nothorubripirellula

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Rubripirellula*, An existing genus; *Nothorubripirellula*: A genus related to but distinct from the existing genus Rubripirellula of crossbred.

Nothorubritalea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rubritalea*, An existing genus; *Nothorubritalea*: A genus related to but distinct from the existing genus Rubritalea of crossbred.

Nothorubritepida

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rubritepida*, An existing genus; *Nothorubritepida*: A genus related to but distinct from the existing genus Rubritepida of crossbred.

Nothorubrivirga

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rubrivirga*, An existing genus; *Nothorubrivirga*: A genus related to but distinct from the existing genus Rubrivirga of crossbred.

Nothorubrivivax

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rubrivivax*, An existing genus; *Nothorubrivivax*: A genus related to but distinct from the existing genus Rubrivivax of crossbred.

Nothorubrobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rubrobacter*, An existing genus; *Nothorubrobacter*: A genus related to but distinct from the existing genus Rubrobacter of crossbred.

Nothorudaea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rudaea*, An existing genus; *Nothorudaea*: A genus related to but distinct from the existing genus Rudaea of crossbred.

Nothorudaeicoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rudaeicoccus*, An existing genus; *Nothorudaeicoccus*: A genus related to but distinct from the existing genus Rudaeicoccus of crossbred.

Nothorudaibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rudaibacter*, An existing genus; *Nothorudaibacter*: A genus related to but distinct from the existing genus Rudaibacter of crossbred.

Nothorudanella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Rudanella*, An existing genus; *Nothorudanella*: A genus related to but distinct from the existing genus Rudanella of crossbred.

Nothoruegeria

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Ruegeria*, An existing genus; *Nothoruegeria*: A genus related to but distinct from the existing genus Ruegeria of crossbred.

Nothorufibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rufibacter*, An existing genus; *Nothorufibacter*: A genus related to but distinct from the existing genus Rufibacter of crossbred.

Nothoruficoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Ruficoccus*, An existing genus; *Nothoruficoccus*: A genus related to but distinct from the existing genus Ruficoccus of crossbred.

Nothorugamonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rugamonas*, An existing genus; *Nothorugamonas*: A genus related to but distinct from the existing genus Rugamonas of crossbred.

Nothorugosibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rugosibacter*, An existing genus; *Nothorugosibacter*: A genus related to but distinct from the existing genus Rugosibacter of crossbred.

Nothorugosimonospora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Rugosimonospora*, An existing genus; *Nothorugosimonospora*: A genus related to but distinct from the existing genus Rugosimonospora of crossbred.

Nothoruminiclostridium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. dim. n. *Ruminiclostridium*, An existing genus; *Nothoruminiclostridium*: A genus related to but distinct from the existing genus Ruminiclostridium of crossbred.

Nothoruminobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Ruminobacter*, An existing genus; *Nothoruminobacter*: A genus related to but distinct from the existing genus Ruminobacter of crossbred.

Nothoruminococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Ruminococcus*, An existing genus; *Nothoruminococcus*: A genus related to but distinct from the existing genus Ruminococcus of crossbred.

Nothorummeliibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Rummeliibacillus*, An existing genus; *Nothorummeliibacillus*: A genus related to but distinct from the existing genus Rummeliibacillus of crossbred.

Nothorunella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Runella*, An existing genus; *Nothorunella*: A genus related to but distinct from the existing genus Runella of crossbred.

Nothorurimicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Rurimicrobium*, An existing genus; *Nothorurimicrobium*: A genus related to but distinct from the existing genus Rurimicrobium of crossbred.

Nothoruthenibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Ruthenibacterium*, An existing genus; *Nothoruthenibacterium*: A genus related to but distinct from the existing genus Ruthenibacterium of crossbred.

Nothosabulilitoribacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sabulilitoribacter*, An existing genus; *Nothosabulilitoribacter*: A genus related to but distinct from the existing genus Sabulilitoribacter of crossbred.

Nothosaccharedens

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Saccharedens*, An existing genus; *Nothosaccharedens*: A genus related to but distinct from the existing genus Saccharedens of crossbred.

Nothosaccharibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Saccharibacillus*, An existing genus; *Nothosaccharibacillus*: A genus related to but distinct from the existing genus Saccharibacillus of crossbred.

Nothosaccharibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Saccharibacter*, An existing genus; *Nothosaccharibacter*: A genus related to but distinct from the existing genus Saccharibacter of crossbred.

Nothosaccharococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Saccharococcus*, An existing genus; *Nothosaccharococcus*: A genus related to but distinct from the existing genus Saccharococcus of crossbred.

Nothosaccharofermentans

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Saccharofermentans*, An existing genus; *Nothosaccharofermentans*: A genus related to but distinct from the existing genus Saccharofermentans of crossbred.

Nothosaccharolobus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Saccharolobus*, An existing genus; *Nothosaccharolobus*: A genus related to but distinct from the existing genus Saccharolobus of crossbred.

Nothosaccharomonospora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Saccharomonospora*, An existing genus; *Nothosaccharomonospora*: A genus related to but distinct from the existing genus Saccharomonospora of crossbred.

Nothosaccharophagus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Saccharophagus*, An existing genus; *Nothosaccharophagus*: A genus related to but distinct from the existing genus Saccharophagus of crossbred.

Nothosaccharopolyspora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Saccharopolyspora*, An existing genus; *Nothosaccharopolyspora*: A genus related to but distinct from the existing genus Saccharopolyspora of crossbred.

Nothosaccharospirillum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. dim. n. *Saccharospirillum*, An existing genus; *Nothosaccharospirillum*: A genus related to but distinct from the existing genus Saccharospirillum of crossbred.

Nothosaezia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Saezia*, An existing genus; *Nothosaezia*: A genus related to but distinct from the existing genus Saezia of crossbred.

Nothosalana

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Salana*, An existing genus; *Nothosalana*: A genus related to but distinct from the existing genus Salana of crossbred.

Nothosalaquimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Salaquimonas*, An existing genus; *Nothosalaquimonas*: A genus related to but distinct from the existing genus Salaquimonas of crossbred.

Nothosalarchaeum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Salarchaeum*, An existing genus; *Nothosalarchaeum*: A genus related to but distinct from the existing genus Salarchaeum of crossbred.

Nothosalegentibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salegentibacter*, An existing genus; *Nothosalegentibacter*: A genus related to but distinct from the existing genus Salegentibacter of crossbred.

Nothosalibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salibacillus*, An existing genus; *Nothosalibacillus*: A genus related to but distinct from the existing genus Salibacillus of crossbred.

Nothosalibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salibacter*, An existing genus; *Nothosalibacter*: A genus related to but distinct from the existing genus Salibacter of crossbred.

Nothosalicibibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salicibibacter*, An existing genus; *Nothosalicibibacter*: A genus related to but distinct from the existing genus Salicibibacter of crossbred.

Nothosalicola

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salicola*, An existing genus; *Nothosalicola*: A genus related to but distinct from the existing genus Salicola of crossbred.

Nothosalilacibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salilacibacter*, An existing genus; *Nothosalilacibacter*: A genus related to but distinct from the existing genus Salilacibacter of crossbred.

Nothosalileptolyngbya

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Salileptolyngbya*, An existing genus; *Nothosalileptolyngbya*: A genus related to but distinct from the existing genus Salileptolyngbya of crossbred.

Nothosalimesophilobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salimesophilobacter*, An existing genus; *Nothosalimesophilobacter*: A genus related to but distinct from the existing genus Salimesophilobacter of crossbred.

Nothosalimicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Salimicrobium*, An existing genus; *Nothosalimicrobium*: A genus related to but distinct from the existing genus Salimicrobium of crossbred.

Nothosalinactinospora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Salinactinospora*, An existing genus; *Nothosalinactinospora*: A genus related to but distinct from the existing genus Salinactinospora of crossbred.

Nothosalinarchaeum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Salinarchaeum*, An existing genus; *Nothosalinarchaeum*: A genus related to but distinct from the existing genus Salinarchaeum of crossbred.

Nothosalinibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salinibacillus*, An existing genus; *Nothosalinibacillus*: A genus related to but distinct from the existing genus Salinibacillus of crossbred.

Nothosalinibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salinibacter*, An existing genus; *Nothosalinibacter*: A genus related to but distinct from the existing genus Salinibacter of crossbred.

Nothosalinibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Salinibacterium*, An existing genus; *Nothosalinibacterium*: A genus related to but distinct from the existing genus Salinibacterium of crossbred.

Nothosalinibaculum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Salinibaculum*, An existing genus; *Nothosalinibaculum*: A genus related to but distinct from the existing genus Salinibaculum of crossbred.

Nothosalinibius

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salinibius*, An existing genus; *Nothosalinibius*: A genus related to but distinct from the existing genus Salinibius of crossbred.

Nothosalinicoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salinicoccus*, An existing genus; *Nothosalinicoccus*: A genus related to but distinct from the existing genus Salinicoccus of crossbred.

Nothosalinicola

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salinicola*, An existing genus; *Nothosalinicola*: A genus related to but distinct from the existing genus Salinicola of crossbred.

Nothosalinifilum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Salinifilum*, An existing genus; *Nothosalinifilum*: A genus related to but distinct from the existing genus Salinifilum of crossbred.

Nothosalinigranum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Salinigranum*, An existing genus; *Nothosalinigranum*: A genus related to but distinct from the existing genus Salinigranum of crossbred.

Nothosalinihabitans

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salinihabitans*, An existing genus; *Nothosalinihabitans*: A genus related to but distinct from the existing genus Salinihabitans of crossbred.

Nothosalinimicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Salinimicrobium*, An existing genus; *Nothosalinimicrobium*: A genus related to but distinct from the existing genus Salinimicrobium of crossbred.

Nothosalinimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Salinimonas*, An existing genus; *Nothosalinimonas*: A genus related to but distinct from the existing genus Salinimonas of crossbred.

Nothosalininema

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Salininema*, An existing genus; *Nothosalininema*: A genus related to but distinct from the existing genus Salininema of crossbred.

Nothosaliniradius

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Saliniradius*, An existing genus; *Nothosaliniradius*: A genus related to but distinct from the existing genus Saliniradius of crossbred.

Nothosalinirepens

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salinirepens*, An existing genus; *Nothosalinirepens*: A genus related to but distinct from the existing genus Salinirepens of crossbred.

Nothosalinirubellus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salinirubellus*, An existing genus; *Nothosalinirubellus*: A genus related to but distinct from the existing genus Salinirubellus of crossbred.

Nothosalinirussus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salinirussus*, An existing genus; *Nothosalinirussus*: A genus related to but distinct from the existing genus Salinirussus of crossbred.

Nothosalinisphaera

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Salinisphaera*, An existing genus; *Nothosalinisphaera*: A genus related to but distinct from the existing genus Salinisphaera of crossbred.

Nothosalinispira

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Salinispira*, An existing genus; *Nothosalinispira*: A genus related to but distinct from the existing genus Salinispira of crossbred.

Nothosalinispirillum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. dim. n. *Salinispirillum*, An existing genus; *Nothosalinispirillum*: A genus related to but distinct from the existing genus Salinispirillum of crossbred.

Nothosalinispora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Salinispora*, An existing genus; *Nothosalinispora*: A genus related to but distinct from the existing genus Salinispora of crossbred.

Nothosalinithrix

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Salinithrix*, An existing genus; *Nothosalinithrix*: A genus related to but distinct from the existing genus Salinithrix of crossbred.

Nothosalinivenus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Salinivenus*, An existing genus; *Nothosalinivenus*: A genus related to but distinct from the existing genus Salinivenus of crossbred.

Nothosalinivibrio

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salinivibrio*, An existing genus; *Nothosalinivibrio*: A genus related to but distinct from the existing genus Salinivibrio of crossbred.

Nothosalinivirga

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Salinivirga*, An existing genus; *Nothosalinivirga*: A genus related to but distinct from the existing genus Salinivirga of crossbred.

Nothosalinovum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Salinovum*, An existing genus; *Nothosalinovum*: A genus related to but distinct from the existing genus Salinovum of crossbred.

Nothosaliphagus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Saliphagus*, An existing genus; *Nothosaliphagus*: A genus related to but distinct from the existing genus Saliphagus of crossbred.

Nothosalipiger

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salipiger*, An existing genus; *Nothosalipiger*: A genus related to but distinct from the existing genus Salipiger of crossbred.

Nothosalisaeta

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Salisaeta*, An existing genus; *Nothosalisaeta*: A genus related to but distinct from the existing genus Salisaeta of crossbred.

Nothosalisediminibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Salisediminibacterium*, An existing genus; *Nothosalisediminibacterium*: A genus related to but distinct from the existing genus Salisediminibacterium of crossbred.

Nothosaliterribacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Saliterribacillus*, An existing genus; *Nothosaliterribacillus*: A genus related to but distinct from the existing genus Saliterribacillus of crossbred.

Nothosalmonella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Salmonella*, An existing genus; *Nothosalmonella*: A genus related to but distinct from the existing genus Salmonella of crossbred.

Nothosalsuginibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Salsuginibacillus*, An existing genus; *Nothosalsuginibacillus*: A genus related to but distinct from the existing genus Salsuginibacillus of crossbred.

Nothosalsuginimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Salsuginimonas*, An existing genus; *Nothosalsuginimonas*: A genus related to but distinct from the existing genus Salsuginimonas of crossbred.

Nothosamsonia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Samsonia*, An existing genus; *Nothosamsonia*: A genus related to but distinct from the existing genus Samsonia of crossbred.

Nothosandaracinobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sandaracinobacter*, An existing genus; *Nothosandaracinobacter*: A genus related to but distinct from the existing genus Sandaracinobacter of crossbred.

Nothosandaracinomonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sandaracinomonas*, An existing genus; *Nothosandaracinomonas*: A genus related to but distinct from the existing genus Sandaracinomonas of crossbred.

Nothosandaracinus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sandaracinus*, An existing genus; *Nothosandaracinus*: A genus related to but distinct from the existing genus Sandaracinus of crossbred.

Nothosandarakinorhabdus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sandarakinorhabdus*, An existing genus; *Nothosandarakinorhabdus*: A genus related to but distinct from the existing genus Sandarakinorhabdus of crossbred.

Nothosandarakinotalea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sandarakinotalea*, An existing genus; *Nothosandarakinotalea*: A genus related to but distinct from the existing genus Sandarakinotalea of crossbred.

Nothosansalvadorimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sansalvadorimonas*, An existing genus; *Nothosansalvadorimonas*: A genus related to but distinct from the existing genus Sansalvadorimonas of crossbred.

Nothosaonia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Saonia*, An existing genus; *Nothosaonia*: A genus related to but distinct from the existing genus Saonia of crossbred.

Nothosaprospira

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Saprospira*, An existing genus; *Nothosaprospira*: A genus related to but distinct from the existing genus Saprospira of crossbred.

Nothosarcina

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sarcina*, An existing genus; *Nothosarcina*: A genus related to but distinct from the existing genus Sarcina of crossbred.

Nothosarcobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sarcobium*, An existing genus; *Nothosarcobium*: A genus related to but distinct from the existing genus Sarcobium of crossbred.

Nothosavagea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Savagea*, An existing genus; *Nothosavagea*: A genus related to but distinct from the existing genus Savagea of crossbred.

Nothosaxeibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Saxeibacter*, An existing genus; *Nothosaxeibacter*: A genus related to but distinct from the existing genus Saxeibacter of crossbred.

Nothoscandinavium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Scandinavium*, An existing genus; *Nothoscandinavium*: A genus related to but distinct from the existing genus Scandinavium of crossbred.

Nothoscardovia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Scardovia*, An existing genus; *Nothoscardovia*: A genus related to but distinct from the existing genus Scardovia of crossbred.

Nothoschaalia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Schaalia*, An existing genus; *Nothoschaalia*: A genus related to but distinct from the existing genus Schaalia of crossbred.

Nothoschaedlerella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Schaedlerella*, An existing genus; *Nothoschaedlerella*: A genus related to but distinct from the existing genus Schaedlerella of crossbred.

Nothoschineria

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Schineria*, An existing genus; *Nothoschineria*: A genus related to but distinct from the existing genus Schineria of crossbred.

Nothoschlegelella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Schlegelella*, An existing genus; *Nothoschlegelella*: A genus related to but distinct from the existing genus Schlegelella of crossbred.

Nothoschleiferella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Schleiferella*, An existing genus; *Nothoschleiferella*: A genus related to but distinct from the existing genus Schleiferella of crossbred.

Nothoschleiferia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Schleiferia*, An existing genus; *Nothoschleiferia*: A genus related to but distinct from the existing genus Schleiferia of crossbred.

Nothoschleiferilactobacillus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Schleiferilactobacillus*, An existing genus; *Nothoschleiferilactobacillus*: A genus related to but distinct from the existing genus Schleiferilactobacillus of crossbred.

Nothoschlesneria

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Schlesneria*, An existing genus; *Nothoschlesneria*: A genus related to but distinct from the existing genus Schlesneria of crossbred.

Nothoschnuerera

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Schnuerera*, An existing genus; *Nothoschnuerera*: A genus related to but distinct from the existing genus Schnuerera of crossbred.

Nothoschumannella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Schumannella*, An existing genus; *Nothoschumannella*: A genus related to but distinct from the existing genus Schumannella of crossbred.

Nothoschwartzia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Schwartzia*, An existing genus; *Nothoschwartzia*: A genus related to but distinct from the existing genus Schwartzia of crossbred.

Nothosciscionella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Sciscionella*, An existing genus; *Nothosciscionella*: A genus related to but distinct from the existing genus Sciscionella of crossbred.

Nothoscopulibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Scopulibacillus*, An existing genus; *Nothoscopulibacillus*: A genus related to but distinct from the existing genus Scopulibacillus of crossbred.

Nothoscytolyngbya

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Scytolyngbya*, An existing genus; *Nothoscytolyngbya*: A genus related to but distinct from the existing genus Scytolyngbya of crossbred.

Nothosebaldella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Sebaldella*, An existing genus; *Nothosebaldella*: A genus related to but distinct from the existing genus Sebaldella of crossbred.

Nothosecundilactobacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Secundilactobacillus*, An existing genus; *Nothosecundilactobacillus*: A genus related to but distinct from the existing genus Secundilactobacillus of crossbred.

Nothosedimentibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sedimentibacter*, An existing genus; *Nothosedimentibacter*: A genus related to but distinct from the existing genus Sedimentibacter of crossbred.

Nothosedimenticola

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sedimenticola*, An existing genus; *Nothosedimenticola*: A genus related to but distinct from the existing genus Sedimenticola of crossbred.

Nothosedimentisphaera

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sedimentisphaera*, An existing genus; *Nothosedimentisphaera*: A genus related to but distinct from the existing genus Sedimentisphaera of crossbred.

Nothosedimentitalea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sedimentitalea*, An existing genus; *Nothosedimentitalea*: A genus related to but distinct from the existing genus Sedimentitalea of crossbred.

Nothosediminibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sediminibacillus*, An existing genus; *Nothosediminibacillus*: A genus related to but distinct from the existing genus Sediminibacillus of crossbred.

Nothosediminibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sediminibacter*, An existing genus; *Nothosediminibacter*: A genus related to but distinct from the existing genus Sediminibacter of crossbred.

Nothosediminibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sediminibacterium*, An existing genus; *Nothosediminibacterium*: A genus related to but distinct from the existing genus Sediminibacterium of crossbred.

Nothosediminicoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sediminicoccus*, An existing genus; *Nothosediminicoccus*: A genus related to but distinct from the existing genus Sediminicoccus of crossbred.

Nothosediminicola

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sediminicola*, An existing genus; *Nothosediminicola*: A genus related to but distinct from the existing genus Sediminicola of crossbred.

Nothosediminihabitans

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sediminihabitans*, An existing genus; *Nothosediminihabitans*: A genus related to but distinct from the existing genus Sediminihabitans of crossbred.

Nothosediminimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sediminimonas*, An existing genus; *Nothosediminimonas*: A genus related to but distinct from the existing genus Sediminimonas of crossbred.

Nothosediminispirochaeta

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sediminispirochaeta*, An existing genus; *Nothosediminispirochaeta*: A genus related to but distinct from the existing genus Sediminispirochaeta of crossbred.

Nothosediminitomix

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sediminitomix*, An existing genus; *Nothosediminitomix*: A genus related to but distinct from the existing genus Sediminitomix of crossbred.

Nothosediminivirga

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sediminivirga*, An existing genus; *Nothosediminivirga*: A genus related to but distinct from the existing genus Sediminivirga of crossbred.

Nothosegeticoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Segeticoccus*, An existing genus; *Nothosegeticoccus*: A genus related to but distinct from the existing genus Segeticoccus of crossbred.

Nothosegniliparus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Segniliparus*, An existing genus; *Nothosegniliparus*: A genus related to but distinct from the existing genus Segniliparus of crossbred.

Nothosegnochrobactrum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Segnochrobactrum*, An existing genus; *Nothosegnochrobactrum*: A genus related to but distinct from the existing genus Segnochrobactrum of crossbred.

Nothoseinonella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Seinonella*, An existing genus; *Nothoseinonella*: A genus related to but distinct from the existing genus Seinonella of crossbred.

Nothosejongia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sejongia*, An existing genus; *Nothosejongia*: A genus related to but distinct from the existing genus Sejongia of crossbred.

Nothoselenihalanaerobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Selenihalanaerobacter*, An existing genus; *Nothoselenihalanaerobacter*: A genus related to but distinct from the existing genus Selenihalanaerobacter of crossbred.

Nothoseleniivibrio

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Seleniivibrio*, An existing genus; *Nothoseleniivibrio*: A genus related to but distinct from the existing genus Seleniivibrio of crossbred.

Nothoselenomonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Selenomonas*, An existing genus; *Nothoselenomonas*: A genus related to but distinct from the existing genus Selenomonas of crossbred.

Nothoseliberia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Seliberia*, An existing genus; *Nothoseliberia*: A genus related to but distinct from the existing genus Seliberia of crossbred.

Nothosellimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sellimonas*, An existing genus; *Nothosellimonas*: A genus related to but distinct from the existing genus Sellimonas of crossbred.

Nothosenegalimassilia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Senegalimassilia*, An existing genus; *Nothosenegalimassilia*: A genus related to but distinct from the existing genus Senegalimassilia of crossbred.

Nothoseohaeicola

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Seohaeicola*, An existing genus; *Nothoseohaeicola*: A genus related to but distinct from the existing genus Seohaeicola of crossbred.

Nothoseonamhaeicola

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Seonamhaeicola*, An existing genus; *Nothoseonamhaeicola*: A genus related to but distinct from the existing genus Seonamhaeicola of crossbred.

Nothoseongchinamella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Seongchinamella*, An existing genus; *Nothoseongchinamella*: A genus related to but distinct from the existing genus Seongchinamella of crossbred.

Nothoserinibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Serinibacter*, An existing genus; *Nothoserinibacter*: A genus related to but distinct from the existing genus Serinibacter of crossbred.

Nothoserinicoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Serinicoccus*, An existing genus; *Nothoserinicoccus*: A genus related to but distinct from the existing genus Serinicoccus of crossbred.

Nothoserpentinicella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Serpentinicella*, An existing genus; *Nothoserpentinicella*: A genus related to but distinct from the existing genus Serpentinicella of crossbred.

Nothoserpulina

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Serpulina*, An existing genus; *Nothoserpulina*: A genus related to but distinct from the existing genus Serpulina of crossbred.

Nothoserratia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Serratia*, An existing genus; *Nothoserratia*: A genus related to but distinct from the existing genus Serratia of crossbred.

Nothoshackletoniella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Shackletoniella*, An existing genus; *Nothoshackletoniella*: A genus related to but distinct from the existing genus Shackletoniella of crossbred.

Nothosharpea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sharpea*, An existing genus; *Nothosharpea*: A genus related to but distinct from the existing genus Sharpea of crossbred.

Nothoshewanella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Shewanella*, An existing genus; *Nothoshewanella*: A genus related to but distinct from the existing genus Shewanella of crossbred.

Nothoshigella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Shigella*, An existing genus; *Nothoshigella*: A genus related to but distinct from the existing genus Shigella of crossbred.

Nothoshimazuella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Shimazuella*, An existing genus; *Nothoshimazuella*: A genus related to but distinct from the existing genus Shimazuella of crossbred.

Nothoshimia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Shimia*, An existing genus; *Nothoshimia*: A genus related to but distinct from the existing genus Shimia of crossbred.

Nothoshimwellia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Shimwellia*, An existing genus; *Nothoshimwellia*: A genus related to but distinct from the existing genus Shimwellia of crossbred.

Nothoshinella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Shinella*, An existing genus; *Nothoshinella*: A genus related to but distinct from the existing genus Shinella of crossbred.

Nothoshivajiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Shivajiella*, An existing genus; *Nothoshivajiella*: A genus related to but distinct from the existing genus Shivajiella of crossbred.

Nothoshuttleworthia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Shuttleworthia*, An existing genus; *Nothoshuttleworthia*: A genus related to but distinct from the existing genus Shuttleworthia of crossbred.

Nothosiccirubricoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Siccirubricoccus*, An existing genus; *Nothosiccirubricoccus*: A genus related to but distinct from the existing genus Siccirubricoccus of crossbred.

Nothosilanimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Silanimonas*, An existing genus; *Nothosilanimonas*: A genus related to but distinct from the existing genus Silanimonas of crossbred.

Nothosilicibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Silicibacter*, An existing genus; *Nothosilicibacter*: A genus related to but distinct from the existing genus Silicibacter of crossbred.

Nothosilicimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Silicimonas*, An existing genus; *Nothosilicimonas*: A genus related to but distinct from the existing genus Silicimonas of crossbred.

Nothosilvanigrella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Silvanigrella*, An existing genus; *Nothosilvanigrella*: A genus related to but distinct from the existing genus Silvanigrella of crossbred.

Nothosilvibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Silvibacterium*, An existing genus; *Nothosilvibacterium*: A genus related to but distinct from the existing genus Silvibacterium of crossbred.

Nothosilvimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Silvimonas*, An existing genus; *Nothosilvimonas*: A genus related to but distinct from the existing genus Silvimonas of crossbred.

Nothosimiduia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Simiduia*, An existing genus; *Nothosimiduia*: A genus related to but distinct from the existing genus Simiduia of crossbred.

Nothosimkania

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Simkania*, An existing genus; *Nothosimkania*: A genus related to but distinct from the existing genus Simkania of crossbred.

Nothosimonsiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Simonsiella*, An existing genus; *Nothosimonsiella*: A genus related to but distinct from the existing genus Simonsiella of crossbred.

Nothosimplicispira

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Simplicispira*, An existing genus; *Nothosimplicispira*: A genus related to but distinct from the existing genus Simplicispira of crossbred.

Nothosimulacricoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Simulacricoccus*, An existing genus; *Nothosimulacricoccus*: A genus related to but distinct from the existing genus Simulacricoccus of crossbred.

Nothosingularimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Singularimonas*, An existing genus; *Nothosingularimonas*: A genus related to but distinct from the existing genus Singularimonas of crossbred.

Nothosingulisphaera

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Singulisphaera*, An existing genus; *Nothosingulisphaera*: A genus related to but distinct from the existing genus Singulisphaera of crossbred.

Nothosinibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sinibacillus*, An existing genus; *Nothosinibacillus*: A genus related to but distinct from the existing genus Sinibacillus of crossbred.

Nothosinimarinibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sinimarinibacterium*, An existing genus; *Nothosinimarinibacterium*: A genus related to but distinct from the existing genus Sinimarinibacterium of crossbred.

Nothosinobaca

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sinobaca*, An existing genus; *Nothosinobaca*: A genus related to but distinct from the existing genus Sinobaca of crossbred.

Nothosinobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sinobacter*, An existing genus; *Nothosinobacter*: A genus related to but distinct from the existing genus Sinobacter of crossbred.

Nothosinobacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sinobacterium*, An existing genus; *Nothosinobacterium*: A genus related to but distinct from the existing genus Sinobacterium of crossbred.

Nothosinococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sinococcus*, An existing genus; *Nothosinococcus*: A genus related to but distinct from the existing genus Sinococcus of crossbred.

Nothosinomicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sinomicrobium*, An existing genus; *Nothosinomicrobium*: A genus related to but distinct from the existing genus Sinomicrobium of crossbred.

Nothosinorhizobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sinorhizobium*, An existing genus; *Nothosinorhizobium*: A genus related to but distinct from the existing genus Sinorhizobium of crossbred.

Nothosinosporangium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sinosporangium*, An existing genus; *Nothosinosporangium*: A genus related to but distinct from the existing genus Sinosporangium of crossbred.

Nothosiphonobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Siphonobacter*, An existing genus; *Nothosiphonobacter*: A genus related to but distinct from the existing genus Siphonobacter of crossbred.

Nothoskermanella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Skermanella*, An existing genus; *Nothoskermanella*: A genus related to but distinct from the existing genus Skermanella of crossbred.

Nothoskermania

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Skermania*, An existing genus; *Nothoskermania*: A genus related to but distinct from the existing genus Skermania of crossbred.

Nothoslackia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Slackia*, An existing genus; *Nothoslackia*: A genus related to but distinct from the existing genus Slackia of crossbred.

Nothosmaragdicoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Smaragdicoccus*, An existing genus; *Nothosmaragdicoccus*: A genus related to but distinct from the existing genus Smaragdicoccus of crossbred.

Nothosmithella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Smithella*, An existing genus; *Nothosmithella*: A genus related to but distinct from the existing genus Smithella of crossbred.

Nothosneathia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sneathia*, An existing genus; *Nothosneathia*: A genus related to but distinct from the existing genus Sneathia of crossbred.

Nothosneathiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Sneathiella*, An existing genus; *Nothosneathiella*: A genus related to but distinct from the existing genus Sneathiella of crossbred.

Nothosnodgrassella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Snodgrassella*, An existing genus; *Nothosnodgrassella*: A genus related to but distinct from the existing genus Snodgrassella of crossbred.

Nothosnuella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Snuella*, An existing genus; *Nothosnuella*: A genus related to but distinct from the existing genus Snuella of crossbred.

Nothosodaleptolyngbya

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sodaleptolyngbya*, An existing genus; *Nothosodaleptolyngbya*: A genus related to but distinct from the existing genus Sodaleptolyngbya of crossbred.

Nothosodalinema

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sodalinema*, An existing genus; *Nothosodalinema*: A genus related to but distinct from the existing genus Sodalinema of crossbred.

Nothosoehngenia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Soehngenia*, An existing genus; *Nothosoehngenia*: A genus related to but distinct from the existing genus Soehngenia of crossbred.

Nothosolentia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Solentia*, An existing genus; *Nothosolentia*: A genus related to but distinct from the existing genus Solentia of crossbred.

Nothosolibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Solibacillus*, An existing genus; *Nothosolibacillus*: A genus related to but distinct from the existing genus Solibacillus of crossbred.

Nothosolimicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Solimicrobium*, An existing genus; *Nothosolimicrobium*: A genus related to but distinct from the existing genus Solimicrobium of crossbred.

Nothosolirhodobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Solirhodobacter*, An existing genus; *Nothosolirhodobacter*: A genus related to but distinct from the existing genus Solirhodobacter of crossbred.

Nothosolirubrobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Solirubrobacter*, An existing genus; *Nothosolirubrobacter*: A genus related to but distinct from the existing genus Solirubrobacter of crossbred.

Nothosolitalea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Solitalea*, An existing genus; *Nothosolitalea*: A genus related to but distinct from the existing genus Solitalea of crossbred.

Nothosolobacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Solobacterium*, An existing genus; *Nothosolobacterium*: A genus related to but distinct from the existing genus Solobacterium of crossbred.

Nothosoonwooa

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Soonwooa*, An existing genus; *Nothosoonwooa*: A genus related to but distinct from the existing genus Soonwooa of crossbred.

Nothosoortia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Soortia*, An existing genus; *Nothosoortia*: A genus related to but distinct from the existing genus Soortia of crossbred.

Nothosorangium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sorangium*, An existing genus; *Nothosorangium*: A genus related to but distinct from the existing genus Sorangium of crossbred.

Nothospecibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Specibacter*, An existing genus; *Nothospecibacter*: A genus related to but distinct from the existing genus Specibacter of crossbred.

Nothospelaeicoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Spelaeicoccus*, An existing genus; *Nothospelaeicoccus*: A genus related to but distinct from the existing genus Spelaeicoccus of crossbred.

Nothospelaeonaias

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Spelaeonaias*, An existing genus; *Nothospelaeonaias*: A genus related to but distinct from the existing genus Spelaeonaias of crossbred.

Nothosphaerimonospora

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sphaerimonospora*, An existing genus; *Nothosphaerimonospora*: A genus related to but distinct from the existing genus Sphaerimonospora of crossbred.

Nothosphaerisporangium

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sphaerisporangium*, An existing genus; *Nothosphaerisporangium*: A genus related to but distinct from the existing genus Sphaerisporangium of crossbred.

Nothosphaerobacter

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sphaerobacter*, An existing genus; *Nothosphaerobacter*: A genus related to but distinct from the existing genus Sphaerobacter of crossbred.

Nothosphaerocavum

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sphaerocavum*, An existing genus; *Nothosphaerocavum*: A genus related to but distinct from the existing genus Sphaerocavum of crossbred.

Nothosphaerochaeta

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sphaerochaeta*, An existing genus; *Nothosphaerochaeta*: A genus related to but distinct from the existing genus Sphaerochaeta of crossbred.

Nothosphaerotilus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sphaerotilus*, An existing genus; *Nothosphaerotilus*: A genus related to but distinct from the existing genus Sphaerotilus of crossbred.

Nothosphingoaurantiacus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sphingoaurantiacus*, An existing genus; *Nothosphingoaurantiacus*: A genus related to but distinct from the existing genus Sphingoaurantiacus of crossbred.

Nothosphingobacterium

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sphingobacterium*, An existing genus; *Nothosphingobacterium*: A genus related to but distinct from the existing genus Sphingobacterium of crossbred.

Nothosphingobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sphingobium*, An existing genus; *Nothosphingobium*: A genus related to but distinct from the existing genus Sphingobium of crossbred.

Nothosphingomicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sphingomicrobium*, An existing genus; *Nothosphingomicrobium*: A genus related to but distinct from the existing genus Sphingomicrobium of crossbred.

Nothosphingomonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sphingomonas*, An existing genus; *Nothosphingomonas*: A genus related to but distinct from the existing genus Sphingomonas of crossbred.

Nothosphingopyxis

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sphingopyxis*, An existing genus; *Nothosphingopyxis*: A genus related to but distinct from the existing genus Sphingopyxis of crossbred.

Nothosphingorhabdus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sphingorhabdus*, An existing genus; *Nothosphingorhabdus*: A genus related to but distinct from the existing genus Sphingorhabdus of crossbred.

Nothosphingosinicella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sphingosinicella*, An existing genus; *Nothosphingosinicella*: A genus related to but distinct from the existing genus Sphingosinicella of crossbred.

Nothosphingosinithalassobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sphingosinithalassobacter*, An existing genus; *Nothosphingosinithalassobacter*: A genus related to but distinct from the existing genus Sphingosinithalassobacter of crossbred.

Nothospinactinospora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Spinactinospora*, An existing genus; *Nothospinactinospora*: A genus related to but distinct from the existing genus Spinactinospora of crossbred.

Nothospirilliplanes

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Spirilliplanes*, An existing genus; *Nothospirilliplanes*: A genus related to but distinct from the existing genus Spirilliplanes of crossbred.

Nothospirillospora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Spirillospora*, An existing genus; *Nothospirillospora*: A genus related to but distinct from the existing genus Spirillospora of crossbred.

Nothospirochaeta

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Spirochaeta*, An existing genus; *Nothospirochaeta*: A genus related to but distinct from the existing genus Spirochaeta of crossbred.

Nothospiroplasma

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Spiroplasma*, An existing genus; *Nothospiroplasma*: A genus related to but distinct from the existing genus Spiroplasma of crossbred.

Nothospirosoma

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Spirosoma*, An existing genus; *Nothospirosoma*: A genus related to but distinct from the existing genus Spirosoma of crossbred.

Nothospodiobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Spodiobacter*, An existing genus; *Nothospodiobacter*: A genus related to but distinct from the existing genus Spodiobacter of crossbred.

Nothospongiactinospora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Spongiactinospora*, An existing genus; *Nothospongiactinospora*: A genus related to but distinct from the existing genus Spongiactinospora of crossbred.

Nothospongiibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Spongiibacter*, An existing genus; *Nothospongiibacter*: A genus related to but distinct from the existing genus Spongiibacter of crossbred.

Nothospongiibacterium

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Spongiibacterium*, An existing genus; *Nothospongiibacterium*: A genus related to but distinct from the existing genus Spongiibacterium of crossbred.

Nothospongiiferula

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Spongiiferula*, An existing genus; *Nothospongiiferula*: A genus related to but distinct from the existing genus Spongiiferula of crossbred.

Nothospongiimicrobium

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Spongiimicrobium*, An existing genus; *Nothospongiimicrobium*: A genus related to but distinct from the existing genus Spongiimicrobium of crossbred.

Nothospongiimonas

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Spongiimonas*, An existing genus; *Nothospongiimonas*: A genus related to but distinct from the existing genus Spongiimonas of crossbred.

Nothospongiispira

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Spongiispira*, An existing genus; *Nothospongiispira*: A genus related to but distinct from the existing genus Spongiispira of crossbred.

Nothospongiivirga

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Spongiivirga*, An existing genus; *Nothospongiivirga*: A genus related to but distinct from the existing genus Spongiivirga of crossbred.

Nothospongitalea

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Spongitalea*, An existing genus; *Nothospongitalea*: A genus related to but distinct from the existing genus Spongitalea of crossbred.

Nothosporacetigenium

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sporacetigenium*, An existing genus; *Nothosporacetigenium*: A genus related to but distinct from the existing genus Sporacetigenium of crossbred.

Nothosporanaerobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sporanaerobacter*, An existing genus; *Nothosporanaerobacter*: A genus related to but distinct from the existing genus Sporanaerobacter of crossbred.

Nothosporichthya

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sporichthya*, An existing genus; *Nothosporichthya*: A genus related to but distinct from the existing genus Sporichthya of crossbred.

Nothosporobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sporobacter*, An existing genus; *Nothosporobacter*: A genus related to but distinct from the existing genus Sporobacter of crossbred.

Nothosporobacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sporobacterium*, An existing genus; *Nothosporobacterium*: A genus related to but distinct from the existing genus Sporobacterium of crossbred.

Nothosporocytophaga

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sporocytophaga*, An existing genus; *Nothosporocytophaga*: A genus related to but distinct from the existing genus Sporocytophaga of crossbred.

Nothosporohalobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sporohalobacter*, An existing genus; *Nothosporohalobacter*: A genus related to but distinct from the existing genus Sporohalobacter of crossbred.

Nothosporolactobacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sporolactobacillus*, An existing genus; *Nothosporolactobacillus*: A genus related to but distinct from the existing genus Sporolactobacillus of crossbred.

Nothosporolituus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sporolituus*, An existing genus; *Nothosporolituus*: A genus related to but distinct from the existing genus Sporolituus of crossbred.

Nothosporosalibacterium

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sporosalibacterium*, An existing genus; *Nothosporosalibacterium*: A genus related to but distinct from the existing genus Sporosalibacterium of crossbred.

Nothosporosarcina

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sporosarcina*, An existing genus; *Nothosporosarcina*: A genus related to but distinct from the existing genus Sporosarcina of crossbred.

Nothosporotalea

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sporotalea*, An existing genus; *Nothosporotalea*: A genus related to but distinct from the existing genus Sporotalea of crossbred.

Nothosporotomaculum

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sporotomaculum*, An existing genus; *Nothosporotomaculum*: A genus related to but distinct from the existing genus Sporotomaculum of crossbred.

Nothostackebrandtia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Stackebrandtia*, An existing genus; *Nothostackebrandtia*: A genus related to but distinct from the existing genus Stackebrandtia of crossbred.

Nothostagnimonas

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Stagnimonas*, An existing genus; *Nothostagnimonas*: A genus related to but distinct from the existing genus Stagnimonas of crossbred.

Nothostakelama

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Stakelama*, An existing genus; *Nothostakelama*: A genus related to but distinct from the existing genus Stakelama of crossbred.

Nothostaleya

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Staleya*, An existing genus; *Nothostaleya*: A genus related to but distinct from the existing genus Staleya of crossbred.

Nothostanierella

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Stanierella*, An existing genus; *Nothostanierella*: A genus related to but distinct from the existing genus Stanierella of crossbred.

Nothostaphylococcus

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Staphylococcus*, An existing genus; *Nothostaphylococcus*: A genus related to but distinct from the existing genus Staphylococcus of crossbred.

Nothostaphylospora

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Staphylospora*, An existing genus; *Nothostaphylospora*: A genus related to but distinct from the existing genus Staphylospora of crossbred.

Nothostaphylothermus

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Staphylothermus*, An existing genus; *Nothostaphylothermus*: A genus related to but distinct from the existing genus Staphylothermus of crossbred.

Nothostappia

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Stappia*, An existing genus; *Nothostappia*: A genus related to but distinct from the existing genus Stappia of crossbred.

Nothostarkeya

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Starkeya*, An existing genus; *Nothostarkeya*: A genus related to but distinct from the existing genus Starkeya of crossbred.

Nothostarria

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Starria*, An existing genus; *Nothostarria*: A genus related to but distinct from the existing genus Starria of crossbred.

Nothostella

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Stella*, An existing genus; *Nothostella*: A genus related to but distinct from the existing genus Stella of crossbred.

Nothostenothermobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Stenothermobacter*, An existing genus; *Nothostenothermobacter*: A genus related to but distinct from the existing genus Stenothermobacter of crossbred.

Nothostenotrophobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Stenotrophobacter*, An existing genus; *Nothostenotrophobacter*: A genus related to but distinct from the existing genus Stenotrophobacter of crossbred.

Nothostenotrophobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Stenotrophobium*, An existing genus; *Nothostenotrophobium*: A genus related to but distinct from the existing genus Stenotrophobium of crossbred.

Nothostenotrophomonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Stenotrophomonas*, An existing genus; *Nothostenotrophomonas*: A genus related to but distinct from the existing genus Stenotrophomonas of crossbred.

Nothostenoxybacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Stenoxybacter*, An existing genus; *Nothostenoxybacter*: A genus related to but distinct from the existing genus Stenoxybacter of crossbred.

Nothosteroidobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Steroidobacter*, An existing genus; *Nothosteroidobacter*: A genus related to but distinct from the existing genus Steroidobacter of crossbred.

Nothosterolibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sterolibacterium*, An existing genus; *Nothosterolibacterium*: A genus related to but distinct from the existing genus Sterolibacterium of crossbred.

Nothostetteria

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Stetteria*, An existing genus; *Nothostetteria*: A genus related to but distinct from the existing genus Stetteria of crossbred.

Nothostigmatella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Stigmatella*, An existing genus; *Nothostigmatella*: A genus related to but distinct from the existing genus Stigmatella of crossbred.

Nothostigonema

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Stigonema*, An existing genus; *Nothostigonema*: A genus related to but distinct from the existing genus Stigonema of crossbred.

Nothostomatobaculum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Stomatobaculum*, An existing genus; *Nothostomatobaculum*: A genus related to but distinct from the existing genus Stomatobaculum of crossbred.

Nothostomatococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Stomatococcus*, An existing genus; *Nothostomatococcus*: A genus related to but distinct from the existing genus Stomatococcus of crossbred.

Nothostreptacidiphilus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Streptacidiphilus*, An existing genus; *Nothostreptacidiphilus*: A genus related to but distinct from the existing genus Streptacidiphilus of crossbred.

Nothostreptobacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Streptobacillus*, An existing genus; *Nothostreptobacillus*: A genus related to but distinct from the existing genus Streptobacillus of crossbred.

Nothostreptococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Streptococcus*, An existing genus; *Nothostreptococcus*: A genus related to but distinct from the existing genus Streptococcus of crossbred.

Nothostreptohalobacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Streptohalobacillus*, An existing genus; *Nothostreptohalobacillus*: A genus related to but distinct from the existing genus Streptohalobacillus of crossbred.

Nothostreptomonospora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Streptomonospora*, An existing genus; *Nothostreptomonospora*: A genus related to but distinct from the existing genus Streptomonospora of crossbred.

Nothostreptomyces

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Streptomyces*, An existing genus; *Nothostreptomyces*: A genus related to but distinct from the existing genus Streptomyces of crossbred.

Nothostreptosporangium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Streptosporangium*, An existing genus; *Nothostreptosporangium*: A genus related to but distinct from the existing genus Streptosporangium of crossbred.

Nothostreptoverticillium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Streptoverticillium*, An existing genus; *Nothostreptoverticillium*: A genus related to but distinct from the existing genus Streptoverticillium of crossbred.

Nothostygiolobus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Stygiolobus*, An existing genus; *Nothostygiolobus*: A genus related to but distinct from the existing genus Stygiolobus of crossbred.

Nothosubdoligranulum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Subdoligranulum*, An existing genus; *Nothosubdoligranulum*: A genus related to but distinct from the existing genus Subdoligranulum of crossbred.

Nothosubsaxibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Subsaxibacter*, An existing genus; *Nothosubsaxibacter*: A genus related to but distinct from the existing genus Subsaxibacter of crossbred.

Nothosubsaximicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Subsaximicrobium*, An existing genus; *Nothosubsaximicrobium*: A genus related to but distinct from the existing genus Subsaximicrobium of crossbred.

Nothosuccinatimonas

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Succinatimonas*, An existing genus; *Nothosuccinatimonas*: A genus related to but distinct from the existing genus Succinatimonas of crossbred.

Nothosucciniclasticum

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Succiniclasticum*, An existing genus; *Nothosucciniclasticum*: A genus related to but distinct from the existing genus Succiniclasticum of crossbred.

Nothosuccinispira

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Succinispira*, An existing genus; *Nothosuccinispira*: A genus related to but distinct from the existing genus Succinispira of crossbred.

Nothosuccinivibrio

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Succinivibrio*, An existing genus; *Nothosuccinivibrio*: A genus related to but distinct from the existing genus Succinivibrio of crossbred.

Nothosufflavibacter

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sufflavibacter*, An existing genus; *Nothosufflavibacter*: A genus related to but distinct from the existing genus Sufflavibacter of crossbred.

Nothosuicoccus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Suicoccus*, An existing genus; *Nothosuicoccus*: A genus related to but distinct from the existing genus Suicoccus of crossbred.

Nothosulfitobacter

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sulfitobacter*, An existing genus; *Nothosulfitobacter*: A genus related to but distinct from the existing genus Sulfitobacter of crossbred.

Nothosulfodiicoccus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sulfodiicoccus*, An existing genus; *Nothosulfodiicoccus*: A genus related to but distinct from the existing genus Sulfodiicoccus of crossbred.

Nothosulfolobus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sulfolobus*, An existing genus; *Nothosulfolobus*: A genus related to but distinct from the existing genus Sulfolobus of crossbred.

Nothosulfophobococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sulfophobococcus*, An existing genus; *Nothosulfophobococcus*: A genus related to but distinct from the existing genus Sulfophobococcus of crossbred.

Nothosulfuracidifex

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sulfuracidifex*, An existing genus; *Nothosulfuracidifex*: A genus related to but distinct from the existing genus Sulfuracidifex of crossbred.

Nothosulfuricella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sulfuricella*, An existing genus; *Nothosulfuricella*: A genus related to but distinct from the existing genus Sulfuricella of crossbred.

Nothosulfuricurvum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sulfuricurvum*, An existing genus; *Nothosulfuricurvum*: A genus related to but distinct from the existing genus Sulfuricurvum of crossbred.

Nothosulfuriferula

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sulfuriferula*, An existing genus; *Nothosulfuriferula*: A genus related to but distinct from the existing genus Sulfuriferula of crossbred.

Nothosulfuriflexus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sulfuriflexus*, An existing genus; *Nothosulfuriflexus*: A genus related to but distinct from the existing genus Sulfuriflexus of crossbred.

Nothosulfurihydrogenibium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sulfurihydrogenibium*, An existing genus; *Nothosulfurihydrogenibium*: A genus related to but distinct from the existing genus Sulfurihydrogenibium of crossbred.

Nothosulfurisphaera

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sulfurisphaera*, An existing genus; *Nothosulfurisphaera*: A genus related to but distinct from the existing genus Sulfurisphaera of crossbred.

Nothosulfuritortus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sulfuritortus*, An existing genus; *Nothosulfuritortus*: A genus related to but distinct from the existing genus Sulfuritortus of crossbred.

Nothosulfurococcus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Sulfurococcus*, An existing genus; *Nothosulfurococcus*: A genus related to but distinct from the existing genus Sulfurococcus of crossbred.

Nothosulfurospirillum

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. dim. n. *Sulfurospirillum*, An existing genus; *Nothosulfurospirillum*: A genus related to but distinct from the existing genus Sulfurospirillum of crossbred.

Nothosulfurovum

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Sulfurovum*, An existing genus; *Nothosulfurovum*: A genus related to but distinct from the existing genus Sulfurovum of crossbred.

Nothosungkyunkwania

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sungkyunkwania*, An existing genus; *Nothosungkyunkwania*: A genus related to but distinct from the existing genus Sungkyunkwania of crossbred.

Nothosunxiuqinia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Sunxiuqinia*, An existing genus; *Nothosunxiuqinia*: A genus related to but distinct from the existing genus Sunxiuqinia of crossbred.

Nothosuperficieibacter

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Superficieibacter*, An existing genus; *Nothosuperficieibacter*: A genus related to but distinct from the existing genus Superficieibacter of crossbred.

Nothosutterella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Sutterella*, An existing genus; *Nothosutterella*: A genus related to but distinct from the existing genus Sutterella of crossbred.

Nothosuttonella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Suttonella*, An existing genus; *Nothosuttonella*: A genus related to but distinct from the existing genus Suttonella of crossbred.

Nothoswaminathania

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Swaminathania*, An existing genus; *Nothoswaminathania*: A genus related to but distinct from the existing genus Swaminathania of crossbred.

Nothoswingsia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Swingsia*, An existing genus; *Nothoswingsia*: A genus related to but distinct from the existing genus Swingsia of crossbred.

Nothoswionibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Swionibacillus*, An existing genus; *Nothoswionibacillus*: A genus related to but distinct from the existing genus Swionibacillus of crossbred.

Nothosymbiobacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Symbiobacterium*, An existing genus; *Nothosymbiobacterium*: A genus related to but distinct from the existing genus Symbiobacterium of crossbred.

Nothosymbiotes

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Symbiotes*, An existing genus; *Nothosymbiotes*: A genus related to but distinct from the existing genus Symbiotes of crossbred.

Nothosynechocystis

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Synechocystis*, An existing genus; *Nothosynechocystis*: A genus related to but distinct from the existing genus Synechocystis of crossbred.

Nothosynergistes

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Synergistes*, An existing genus; *Nothosynergistes*: A genus related to but distinct from the existing genus Synergistes of crossbred.

Nothosyntrophaceticus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Syntrophaceticus*, An existing genus; *Nothosyntrophaceticus*: A genus related to but distinct from the existing genus Syntrophaceticus of crossbred.

Nothosyntrophobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Syntrophobacter*, An existing genus; *Nothosyntrophobacter*: A genus related to but distinct from the existing genus Syntrophobacter of crossbred.

Nothosyntrophobotulus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Syntrophobotulus*, An existing genus; *Nothosyntrophobotulus*: A genus related to but distinct from the existing genus Syntrophobotulus of crossbred.

Nothosyntrophococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Syntrophococcus*, An existing genus; *Nothosyntrophococcus*: A genus related to but distinct from the existing genus Syntrophococcus of crossbred.

Nothosyntrophomonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Syntrophomonas*, An existing genus; *Nothosyntrophomonas*: A genus related to but distinct from the existing genus Syntrophomonas of crossbred.

Nothosyntrophorhabdus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Syntrophorhabdus*, An existing genus; *Nothosyntrophorhabdus*: A genus related to but distinct from the existing genus Syntrophorhabdus of crossbred.

Nothosyntrophospora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Syntrophospora*, An existing genus; *Nothosyntrophospora*: A genus related to but distinct from the existing genus Syntrophospora of crossbred.

Nothosyntrophothermus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Syntrophothermus*, An existing genus; *Nothosyntrophothermus*: A genus related to but distinct from the existing genus Syntrophothermus of crossbred.

Nothosyntrophus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Syntrophus*, An existing genus; *Nothosyntrophus*: A genus related to but distinct from the existing genus Syntrophus of crossbred.

Nothotabrizicola

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tabrizicola*, An existing genus; *Nothotabrizicola*: A genus related to but distinct from the existing genus Tabrizicola of crossbred.

Nothotaeania

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Taeania*, An existing genus; *Nothotaeania*: A genus related to but distinct from the existing genus Taeania of crossbred.

Nothotaeseokella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Taeseokella*, An existing genus; *Nothotaeseokella*: A genus related to but distinct from the existing genus Taeseokella of crossbred.

Nothotagaea

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tagaea*, An existing genus; *Nothotagaea*: A genus related to but distinct from the existing genus Tagaea of crossbred.

Nothotahibacter

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tahibacter*, An existing genus; *Nothotahibacter*: A genus related to but distinct from the existing genus Tahibacter of crossbred.

Nothotaibaiella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Taibaiella*, An existing genus; *Nothotaibaiella*: A genus related to but distinct from the existing genus Taibaiella of crossbred.

Nothotamaricihabitans

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tamaricihabitans*, An existing genus; *Nothotamaricihabitans*: A genus related to but distinct from the existing genus Tamaricihabitans of crossbred.

Nothotamilnaduibacter

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tamilnaduibacter*, An existing genus; *Nothotamilnaduibacter*: A genus related to but distinct from the existing genus Tamilnaduibacter of crossbred.

Nothotamlana

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tamlana*, An existing genus; *Nothotamlana*: A genus related to but distinct from the existing genus Tamlana of crossbred.

Nothotamlicoccus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tamlicoccus*, An existing genus; *Nothotamlicoccus*: A genus related to but distinct from the existing genus Tamlicoccus of crossbred.

Nothotangfeifania

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tangfeifania*, An existing genus; *Nothotangfeifania*: A genus related to but distinct from the existing genus Tangfeifania of crossbred.

Nothotannerella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Tannerella*, An existing genus; *Nothotannerella*: A genus related to but distinct from the existing genus Tannerella of crossbred.

Nothotanticharoenia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tanticharoenia*, An existing genus; *Nothotanticharoenia*: A genus related to but distinct from the existing genus Tanticharoenia of crossbred.

Nothotaonella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Taonella*, An existing genus; *Nothotaonella*: A genus related to but distinct from the existing genus Taonella of crossbred.

Nothotapinothrix

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tapinothrix*, An existing genus; *Nothotapinothrix*: A genus related to but distinct from the existing genus Tapinothrix of crossbred.

Nothotardiphaga

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tardiphaga*, An existing genus; *Nothotardiphaga*: A genus related to but distinct from the existing genus Tardiphaga of crossbred.

Nothotateyamaria

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tateyamaria*, An existing genus; *Nothotateyamaria*: A genus related to but distinct from the existing genus Tateyamaria of crossbred.

Nothotatlockia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tatlockia*, An existing genus; *Nothotatlockia*: A genus related to but distinct from the existing genus Tatlockia of crossbred.

Nothotatumella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Tatumella*, An existing genus; *Nothotatumella*: A genus related to but distinct from the existing genus Tatumella of crossbred.

Nothotautonia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tautonia*, An existing genus; *Nothotautonia*: A genus related to but distinct from the existing genus Tautonia of crossbred.

Nothotaxeobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Taxeobacter*, An existing genus; *Nothotaxeobacter*: A genus related to but distinct from the existing genus Taxeobacter of crossbred.

Nothotaylorella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Taylorella*, An existing genus; *Nothotaylorella*: A genus related to but distinct from the existing genus Taylorella of crossbred.

Nothotectibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tectibacter*, An existing genus; *Nothotectibacter*: A genus related to but distinct from the existing genus Tectibacter of crossbred.

Nothoteichococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Teichococcus*, An existing genus; *Nothoteichococcus*: A genus related to but distinct from the existing genus Teichococcus of crossbred.

Nothotelluria

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Telluria*, An existing genus; *Nothotelluria*: A genus related to but distinct from the existing genus Telluria of crossbred.

Nothotellurimicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Tellurimicrobium*, An existing genus; *Nothotellurimicrobium*: A genus related to but distinct from the existing genus Tellurimicrobium of crossbred.

Nothotellurirhabdus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tellurirhabdus*, An existing genus; *Nothotellurirhabdus*: A genus related to but distinct from the existing genus Tellurirhabdus of crossbred.

Nothotelmatobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Telmatobacter*, An existing genus; *Nothotelmatobacter*: A genus related to but distinct from the existing genus Telmatobacter of crossbred.

Nothotelmatocola

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Telmatocola*, An existing genus; *Nothotelmatocola*: A genus related to but distinct from the existing genus Telmatocola of crossbred.

Nothotelmatospirillum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. dim. n. *Telmatospirillum*, An existing genus; *Nothotelmatospirillum*: A genus related to but distinct from the existing genus Telmatospirillum of crossbred.

Nothotemperatibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Temperatibacter*, An existing genus; *Nothotemperatibacter*: A genus related to but distinct from the existing genus Temperatibacter of crossbred.

Nothotenacibaculum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Tenacibaculum*, An existing genus; *Nothotenacibaculum*: A genus related to but distinct from the existing genus Tenacibaculum of crossbred.

Nothotenggerimyces

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tenggerimyces*, An existing genus; *Nothotenggerimyces*: A genus related to but distinct from the existing genus Tenggerimyces of crossbred.

Nothotengunoibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tengunoibacter*, An existing genus; *Nothotengunoibacter*: A genus related to but distinct from the existing genus Tengunoibacter of crossbred.

Nothotenuibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tenuibacillus*, An existing genus; *Nothotenuibacillus*: A genus related to but distinct from the existing genus Tenuibacillus of crossbred.

Nothotepidamorphus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tepidamorphus*, An existing genus; *Nothotepidamorphus*: A genus related to but distinct from the existing genus Tepidamorphus of crossbred.

Nothotepidanaerobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tepidanaerobacter*, An existing genus; *Nothotepidanaerobacter*: A genus related to but distinct from the existing genus Tepidanaerobacter of crossbred.

Nothotepidicaulis

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tepidicaulis*, An existing genus; *Nothotepidicaulis*: A genus related to but distinct from the existing genus Tepidicaulis of crossbred.

Nothotepidicella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tepidicella*, An existing genus; *Nothotepidicella*: A genus related to but distinct from the existing genus Tepidicella of crossbred.

Nothotepidiforma

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tepidiforma*, An existing genus; *Nothotepidiforma*: A genus related to but distinct from the existing genus Tepidiforma of crossbred.

Nothotepidimicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Tepidimicrobium*, An existing genus; *Nothotepidimicrobium*: A genus related to but distinct from the existing genus Tepidimicrobium of crossbred.

Nothotepidiphilus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tepidiphilus*, An existing genus; *Nothotepidiphilus*: A genus related to but distinct from the existing genus Tepidiphilus of crossbred.

Nothotepidisphaera

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tepidisphaera*, An existing genus; *Nothotepidisphaera*: A genus related to but distinct from the existing genus Tepidisphaera of crossbred.

Nothoterasakiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Terasakiella*, An existing genus; *Nothoterasakiella*: A genus related to but distinct from the existing genus Terasakiella of crossbred.

Nothoterasakiispira

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Terasakiispira*, An existing genus; *Nothoterasakiispira*: A genus related to but distinct from the existing genus Terasakiispira of crossbred.

Nothoteredinibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Teredinibacter*, An existing genus; *Nothoteredinibacter*: A genus related to but distinct from the existing genus Teredinibacter of crossbred.

Nothoterrabacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Terrabacter*, An existing genus; *Nothoterrabacter*: A genus related to but distinct from the existing genus Terrabacter of crossbred.

Nothoterracidiphilus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Terracidiphilus*, An existing genus; *Nothoterracidiphilus*: A genus related to but distinct from the existing genus Terracidiphilus of crossbred.

Nothoterracoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Terracoccus*, An existing genus; *Nothoterracoccus*: A genus related to but distinct from the existing genus Terracoccus of crossbred.

Nothoterribacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Terribacillus*, An existing genus; *Nothoterribacillus*: A genus related to but distinct from the existing genus Terribacillus of crossbred.

Nothoterriglobus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Terriglobus*, An existing genus; *Nothoterriglobus*: A genus related to but distinct from the existing genus Terriglobus of crossbred.

Nothoterrilactibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Terrilactibacillus*, An existing genus; *Nothoterrilactibacillus*: A genus related to but distinct from the existing genus Terrilactibacillus of crossbred.

Nothoterrimicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Terrimicrobium*, An existing genus; *Nothoterrimicrobium*: A genus related to but distinct from the existing genus Terrimicrobium of crossbred.

Nothoterrisporobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Terrisporobacter*, An existing genus; *Nothoterrisporobacter*: A genus related to but distinct from the existing genus Terrisporobacter of crossbred.

Nothotersicoccus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tersicoccus*, An existing genus; *Nothotersicoccus*: A genus related to but distinct from the existing genus Tersicoccus of crossbred.

Nothotessaracoccus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tessaracoccus*, An existing genus; *Nothotessaracoccus*: A genus related to but distinct from the existing genus Tessaracoccus of crossbred.

Nothotestudinibacter

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Testudinibacter*, An existing genus; *Nothotestudinibacter*: A genus related to but distinct from the existing genus Testudinibacter of crossbred.

Nothotetracoccus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tetracoccus*, An existing genus; *Nothotetracoccus*: A genus related to but distinct from the existing genus Tetracoccus of crossbred.

Nothotetragenococcus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tetragenococcus*, An existing genus; *Nothotetragenococcus*: A genus related to but distinct from the existing genus Tetragenococcus of crossbred.

Nothotetrasphaera

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tetrasphaera*, An existing genus; *Nothotetrasphaera*: A genus related to but distinct from the existing genus Tetrasphaera of crossbred.

Nothotetrathiobacter

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tetrathiobacter*, An existing genus; *Nothotetrathiobacter*: A genus related to but distinct from the existing genus Tetrathiobacter of crossbred.

Nothotexcoconibacillus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Texcoconibacillus*, An existing genus; *Nothotexcoconibacillus*: A genus related to but distinct from the existing genus Texcoconibacillus of crossbred.

Nothothalassobacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thalassobacillus*, An existing genus; *Nothothalassobacillus*: A genus related to but distinct from the existing genus Thalassobacillus of crossbred.

Nothothalassobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thalassobacter*, An existing genus; *Nothothalassobacter*: A genus related to but distinct from the existing genus Thalassobacter of crossbred.

Nothothalassobaculum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thalassobaculum*, An existing genus; *Nothothalassobaculum*: A genus related to but distinct from the existing genus Thalassobaculum of crossbred.

Nothothalassobius

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thalassobius*, An existing genus; *Nothothalassobius*: A genus related to but distinct from the existing genus Thalassobius of crossbred.

Nothothalassocella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thalassocella*, An existing genus; *Nothothalassocella*: A genus related to but distinct from the existing genus Thalassocella of crossbred.

Nothothalassococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thalassococcus*, An existing genus; *Nothothalassococcus*: A genus related to but distinct from the existing genus Thalassococcus of crossbred.

Nothothalassocola

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thalassocola*, An existing genus; *Nothothalassocola*: A genus related to but distinct from the existing genus Thalassocola of crossbred.

Nothothalassolituus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thalassolituus*, An existing genus; *Nothothalassolituus*: A genus related to but distinct from the existing genus Thalassolituus of crossbred.

Nothothalassomonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thalassomonas*, An existing genus; *Nothothalassomonas*: A genus related to but distinct from the existing genus Thalassomonas of crossbred.

Nothothalassorhabdomicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thalassorhabdomicrobium*, An existing genus; *Nothothalassorhabdomicrobium*: A genus related to but distinct from the existing genus Thalassorhabdomicrobium of crossbred.

Nothothalassorhabdus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thalassorhabdus*, An existing genus; *Nothothalassorhabdus*: A genus related to but distinct from the existing genus Thalassorhabdus of crossbred.

Nothothalassospira

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thalassospira*, An existing genus; *Nothothalassospira*: A genus related to but distinct from the existing genus Thalassospira of crossbred.

Nothothalassotalea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thalassotalea*, An existing genus; *Nothothalassotalea*: A genus related to but distinct from the existing genus Thalassotalea of crossbred.

Nothothauera

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thauera*, An existing genus; *Nothothauera*: A genus related to but distinct from the existing genus Thauera of crossbred.

Nothothaumasiovibrio

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thaumasiovibrio*, An existing genus; *Nothothaumasiovibrio*: A genus related to but distinct from the existing genus Thaumasiovibrio of crossbred.

Nothothermacetogenium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermacetogenium*, An existing genus; *Nothothermacetogenium*: A genus related to but distinct from the existing genus Thermacetogenium of crossbred.

Nothothermaerobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermaerobacter*, An existing genus; *Nothothermaerobacter*: A genus related to but distinct from the existing genus Thermaerobacter of crossbred.

Nothothermalkalibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermalkalibacillus*, An existing genus; *Nothothermalkalibacillus*: A genus related to but distinct from the existing genus Thermalkalibacillus of crossbred.

Nothothermanaeromonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermanaeromonas*, An existing genus; *Nothothermanaeromonas*: A genus related to but distinct from the existing genus Thermanaeromonas of crossbred.

Nothothermanaerothrix

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermanaerothrix*, An existing genus; *Nothothermanaerothrix*: A genus related to but distinct from the existing genus Thermanaerothrix of crossbred.

Nothothermanaerovibrio

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermanaerovibrio*, An existing genus; *Nothothermanaerovibrio*: A genus related to but distinct from the existing genus Thermanaerovibrio of crossbred.

Nothothermasporomyces

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermasporomyces*, An existing genus; *Nothothermasporomyces*: A genus related to but distinct from the existing genus Thermasporomyces of crossbred.

Nothothermaurantimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermaurantimonas*, An existing genus; *Nothothermaurantimonas*: A genus related to but distinct from the existing genus Thermaurantimonas of crossbred.

Nothothermithiobacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermithiobacillus*, An existing genus; *Nothothermithiobacillus*: A genus related to but distinct from the existing genus Thermithiobacillus of crossbred.

Nothothermoactinomyces

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermoactinomyces*, An existing genus; *Nothothermoactinomyces*: A genus related to but distinct from the existing genus Thermoactinomyces of crossbred.

Nothothermoactinospora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermoactinospora*, An existing genus; *Nothothermoactinospora*: A genus related to but distinct from the existing genus Thermoactinospora of crossbred.

Nothothermoanaerobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermoanaerobacter*, An existing genus; *Nothothermoanaerobacter*: A genus related to but distinct from the existing genus Thermoanaerobacter of crossbred.

Nothothermoanaerobacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermoanaerobacterium*, An existing genus; *Nothothermoanaerobacterium*: A genus related to but distinct from the existing genus Thermoanaerobacterium of crossbred.

Nothothermoanaerobaculum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermoanaerobaculum*, An existing genus; *Nothothermoanaerobaculum*: A genus related to but distinct from the existing genus Thermoanaerobaculum of crossbred.

Nothothermoanaerobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermoanaerobium*, An existing genus; *Nothothermoanaerobium*: A genus related to but distinct from the existing genus Thermoanaerobium of crossbred.

Nothothermobacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermobacillus*, An existing genus; *Nothothermobacillus*: A genus related to but distinct from the existing genus Thermobacillus of crossbred.

Nothothermobacteroides

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermobacteroides*, An existing genus; *Nothothermobacteroides*: A genus related to but distinct from the existing genus Thermobacteroides of crossbred.

Nothothermobifida

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermobifida*, An existing genus; *Nothothermobifida*: A genus related to but distinct from the existing genus Thermobifida of crossbred.

Nothothermobispora

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermobispora*, An existing genus; *Nothothermobispora*: A genus related to but distinct from the existing genus Thermobispora of crossbred.

Nothothermobrachium

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermobrachium*, An existing genus; *Nothothermobrachium*: A genus related to but distinct from the existing genus Thermobrachium of crossbred.

Nothothermocatellispora

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermocatellispora*, An existing genus; *Nothothermocatellispora*: A genus related to but distinct from the existing genus Thermocatellispora of crossbred.

Nothothermochromatium

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermochromatium*, An existing genus; *Nothothermochromatium*: A genus related to but distinct from the existing genus Thermochromatium of crossbred.

Nothothermocladium

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. neut. dim. n. *Thermocladium*, An existing genus; *Nothothermocladium*: A genus related to but distinct from the existing genus Thermocladium of crossbred.

Nothothermoclostridium

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. neut. dim. n. *Thermoclostridium*, An existing genus; *Nothothermoclostridium*: A genus related to but distinct from the existing genus Thermoclostridium of crossbred.

Nothothermococcoides

Gr. masc. adjective *Î¡ÏĂÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermococcoides*, An existing genus; *Nothothermococcoides*: A genus related to but distinct from the existing genus Thermococcoides of crossbred.

Nothothermococcus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermococcus*, An existing genus; *Nothothermococcus*: A genus related to but distinct from the existing genus Thermococcus of crossbred.

Nothothermocrinis

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermocrinis*, An existing genus; *Nothothermocrinis*: A genus related to but distinct from the existing genus Thermocrinis of crossbred.

Nothothermocrispum

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermocrispum*, An existing genus; *Nothothermocrispum*: A genus related to but distinct from the existing genus Thermocrispum of crossbred.

Nothothermodesulfatator

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermodesulfatator*, An existing genus; *Nothothermodesulfatator*: A genus related to but distinct from the existing genus Thermodesulfatator of crossbred.

Nothothermodesulfitimonas

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermodesulfitimonas*, An existing genus; *Nothothermodesulfitimonas*: A genus related to but distinct from the existing genus Thermodesulfitimonas of crossbred.

Nothothermodesulfobacterium

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermodesulfobacterium*, An existing genus; *Nothothermodesulfobacterium*: A genus related to but distinct from the existing genus Thermodesulfobacterium of crossbred.

Nothothermodesulfobium

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermodesulfobium*, An existing genus; *Nothothermodesulfobium*: A genus related to but distinct from the existing genus Thermodesulfobium of crossbred.

Nothothermodesulforhabdus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermodesulforhabdus*, An existing genus; *Nothothermodesulforhabdus*: A genus related to but distinct from the existing genus Thermodesulforhabdus of crossbred.

Nothothermodesulfovibrio

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermodesulfovibrio*, An existing genus; *Nothothermodesulfovibrio*: A genus related to but distinct from the existing genus Thermodesulfovibrio of crossbred.

Nothothermodiscus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermodiscus*, An existing genus; *Nothothermodiscus*: A genus related to but distinct from the existing genus Thermodiscus of crossbred.

Nothothermofilum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermofilum*, An existing genus; *Nothothermofilum*: A genus related to but distinct from the existing genus Thermofilum of crossbred.

Nothothermoflavifilum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermoflavifilum*, An existing genus; *Nothothermoflavifilum*: A genus related to but distinct from the existing genus Thermoflavifilum of crossbred.

Nothothermoflavimicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermoflavimicrobium*, An existing genus; *Nothothermoflavimicrobium*: A genus related to but distinct from the existing genus Thermoflavimicrobium of crossbred.

Nothothermoflexibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermoflexibacter*, An existing genus; *Nothothermoflexibacter*: A genus related to but distinct from the existing genus Thermoflexibacter of crossbred.

Nothothermoflexus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermoflexus*, An existing genus; *Nothothermoflexus*: A genus related to but distinct from the existing genus Thermoflexus of crossbred.

Nothothermogemmatispora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermogemmatispora*, An existing genus; *Nothothermogemmatispora*: A genus related to but distinct from the existing genus Thermogemmatispora of crossbred.

Nothothermogladius

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermogladius*, An existing genus; *Nothothermogladius*: A genus related to but distinct from the existing genus Thermogladius of crossbred.

Nothothermogutta

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermogutta*, An existing genus; *Nothothermogutta*: A genus related to but distinct from the existing genus Thermogutta of crossbred.

Nothothermogymnomonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermogymnomonas*, An existing genus; *Nothothermogymnomonas*: A genus related to but distinct from the existing genus Thermogymnomonas of crossbred.

Nothothermohalobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermohalobacter*, An existing genus; *Nothothermohalobacter*: A genus related to but distinct from the existing genus Thermohalobacter of crossbred.

Nothothermohydrogenium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermohydrogenium*, An existing genus; *Nothothermohydrogenium*: A genus related to but distinct from the existing genus Thermohydrogenium of crossbred.

Nothothermoleophilum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermoleophilum*, An existing genus; *Nothothermoleophilum*: A genus related to but distinct from the existing genus Thermoleophilum of crossbred.

Nothothermoleptolyngbya

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermoleptolyngbya*, An existing genus; *Nothothermoleptolyngbya*: A genus related to but distinct from the existing genus Thermoleptolyngbya of crossbred.

Nothothermolithobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermolithobacter*, An existing genus; *Nothothermolithobacter*: A genus related to but distinct from the existing genus Thermolithobacter of crossbred.

Nothothermolongibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermolongibacillus*, An existing genus; *Nothothermolongibacillus*: A genus related to but distinct from the existing genus Thermolongibacillus of crossbred.

Nothothermomarinilinea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermomarinilinea*, An existing genus; *Nothothermomarinilinea*: A genus related to but distinct from the existing genus Thermomarinilinea of crossbred.

Nothothermomicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermomicrobium*, An existing genus; *Nothothermomicrobium*: A genus related to but distinct from the existing genus Thermomicrobium of crossbred.

Nothothermomonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermomonas*, An existing genus; *Nothothermomonas*: A genus related to but distinct from the existing genus Thermomonas of crossbred.

Nothothermomonospora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermomonospora*, An existing genus; *Nothothermomonospora*: A genus related to but distinct from the existing genus Thermomonospora of crossbred.

Nothothermonema

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermonema*, An existing genus; *Nothothermonema*: A genus related to but distinct from the existing genus Thermonema of crossbred.

Nothothermophagus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermophagus*, An existing genus; *Nothothermophagus*: A genus related to but distinct from the existing genus Thermophagus of crossbred.

Nothothermoplasma

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermoplasma*, An existing genus; *Nothothermoplasma*: A genus related to but distinct from the existing genus Thermoplasma of crossbred.

Nothothermopolyspora

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermopolyspora*, An existing genus; *Nothothermopolyspora*: A genus related to but distinct from the existing genus Thermopolyspora of crossbred.

Nothothermoproteus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermoproteus*, An existing genus; *Nothothermoproteus*: A genus related to but distinct from the existing genus Thermoproteus of crossbred.

Nothothermorudis

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermorudis*, An existing genus; *Nothothermorudis*: A genus related to but distinct from the existing genus Thermorudis of crossbred.

Nothothermosediminibacter

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermosediminibacter*, An existing genus; *Nothothermosediminibacter*: A genus related to but distinct from the existing genus Thermosediminibacter of crossbred.

Nothothermosinus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermosinus*, An existing genus; *Nothothermosinus*: A genus related to but distinct from the existing genus Thermosinus of crossbred.

Nothothermosipho

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermosipho*, An existing genus; *Nothothermosipho*: A genus related to but distinct from the existing genus Thermosipho of crossbred.

Nothothermosphaera

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermosphaera*, An existing genus; *Nothothermosphaera*: A genus related to but distinct from the existing genus Thermosphaera of crossbred.

Nothothermosporothrix

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermosporothrix*, An existing genus; *Nothothermosporothrix*: A genus related to but distinct from the existing genus Thermosporothrix of crossbred.

Nothothermostaphylospora

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermostaphylospora*, An existing genus; *Nothothermostaphylospora*: A genus related to but distinct from the existing genus Thermostaphylospora of crossbred.

Nothothermostilla

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermostilla*, An existing genus; *Nothothermostilla*: A genus related to but distinct from the existing genus Thermostilla of crossbred.

Nothothermosulfidibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermosulfidibacter*, An existing genus; *Nothothermosulfidibacter*: A genus related to but distinct from the existing genus Thermosulfidibacter of crossbred.

Nothothermosulfurimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermosulfurimonas*, An existing genus; *Nothothermosulfurimonas*: A genus related to but distinct from the existing genus Thermosulfurimonas of crossbred.

Nothothermosulfuriphilus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermosulfuriphilus*, An existing genus; *Nothothermosulfuriphilus*: A genus related to but distinct from the existing genus Thermosulfuriphilus of crossbred.

Nothothermosyntropha

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermosyntropha*, An existing genus; *Nothothermosyntropha*: A genus related to but distinct from the existing genus Thermosyntropha of crossbred.

Nothothermotalea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermotalea*, An existing genus; *Nothothermotalea*: A genus related to but distinct from the existing genus Thermotalea of crossbred.

Nothothermoterrabacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermoterrabacterium*, An existing genus; *Nothothermoterrabacterium*: A genus related to but distinct from the existing genus Thermoterrabacterium of crossbred.

Nothothermotoga

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermotoga*, An existing genus; *Nothothermotoga*: A genus related to but distinct from the existing genus Thermotoga of crossbred.

Nothothermotomaculum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermotomaculum*, An existing genus; *Nothothermotomaculum*: A genus related to but distinct from the existing genus Thermotomaculum of crossbred.

Nothothermotunica

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermotunica*, An existing genus; *Nothothermotunica*: A genus related to but distinct from the existing genus Thermotunica of crossbred.

Nothothermovenabulum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermovenabulum*, An existing genus; *Nothothermovenabulum*: A genus related to but distinct from the existing genus Thermovenabulum of crossbred.

Nothothermovibrio

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermovibrio*, An existing genus; *Nothothermovibrio*: A genus related to but distinct from the existing genus Thermovibrio of crossbred.

Nothothermovirga

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thermovirga*, An existing genus; *Nothothermovirga*: A genus related to but distinct from the existing genus Thermovirga of crossbred.

Nothothermovorax

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermovorax*, An existing genus; *Nothothermovorax*: A genus related to but distinct from the existing genus Thermovorax of crossbred.

Nothothermovum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thermovum*, An existing genus; *Nothothermovum*: A genus related to but distinct from the existing genus Thermovum of crossbred.

Nothothermus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thermus*, An existing genus; *Nothothermus*: A genus related to but distinct from the existing genus Thermus of crossbred.

Nothothioalbus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thioalbus*, An existing genus; *Nothothioalbus*: A genus related to but distinct from the existing genus Thioalbus of crossbred.

Nothothioalkalibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thioalkalibacter*, An existing genus; *Nothothioalkalibacter*: A genus related to but distinct from the existing genus Thioalkalibacter of crossbred.

Nothothioalkalicoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thioalkalicoccus*, An existing genus; *Nothothioalkalicoccus*: A genus related to but distinct from the existing genus Thioalkalicoccus of crossbred.

Nothothioalkalimicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thioalkalimicrobium*, An existing genus; *Nothothioalkalimicrobium*: A genus related to but distinct from the existing genus Thioalkalimicrobium of crossbred.

Nothothioalkalispira

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thioalkalispira*, An existing genus; *Nothothioalkalispira*: A genus related to but distinct from the existing genus Thioalkalispira of crossbred.

Nothothioalkalivibrio

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thioalkalivibrio*, An existing genus; *Nothothioalkalivibrio*: A genus related to but distinct from the existing genus Thioalkalivibrio of crossbred.

Nothothiobaca

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiobaca*, An existing genus; *Nothothiobaca*: A genus related to but distinct from the existing genus Thiobaca of crossbred.

Nothothiobacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thiobacillus*, An existing genus; *Nothothiobacillus*: A genus related to but distinct from the existing genus Thiobacillus of crossbred.

Nothothiobacimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiobacimonas*, An existing genus; *Nothothiobacimonas*: A genus related to but distinct from the existing genus Thiobacimonas of crossbred.

Nothothiobacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thiobacterium*, An existing genus; *Nothothiobacterium*: A genus related to but distinct from the existing genus Thiobacterium of crossbred.

Nothothiocapsa

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiocapsa*, An existing genus; *Nothothiocapsa*: A genus related to but distinct from the existing genus Thiocapsa of crossbred.

Nothothioclava

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thioclava*, An existing genus; *Nothothioclava*: A genus related to but distinct from the existing genus Thioclava of crossbred.

Nothothiococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thiococcus*, An existing genus; *Nothothiococcus*: A genus related to but distinct from the existing genus Thiococcus of crossbred.

Nothothiocystis

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiocystis*, An existing genus; *Nothothiocystis*: A genus related to but distinct from the existing genus Thiocystis of crossbred.

Nothothiodictyon

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thiodictyon*, An existing genus; *Nothothiodictyon*: A genus related to but distinct from the existing genus Thiodictyon of crossbred.

Nothothiofaba

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiofaba*, An existing genus; *Nothothiofaba*: A genus related to but distinct from the existing genus Thiofaba of crossbred.

Nothothiofilum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thiofilum*, An existing genus; *Nothothiofilum*: A genus related to but distinct from the existing genus Thiofilum of crossbred.

Nothothioflavicoccus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thioflavicoccus*, An existing genus; *Nothothioflavicoccus*: A genus related to but distinct from the existing genus Thioflavicoccus of crossbred.

Nothothioflexithrix

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thioflexithrix*, An existing genus; *Nothothioflexithrix*: A genus related to but distinct from the existing genus Thioflexithrix of crossbred.

Nothothiofractor

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thiofractor*, An existing genus; *Nothothiofractor*: A genus related to but distinct from the existing genus Thiofractor of crossbred.

Nothothiohalobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thiohalobacter*, An existing genus; *Nothothiohalobacter*: A genus related to but distinct from the existing genus Thiohalobacter of crossbred.

Nothothiohalocapsa

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiohalocapsa*, An existing genus; *Nothothiohalocapsa*: A genus related to but distinct from the existing genus Thiohalocapsa of crossbred.

Nothothiohalomonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiohalomonas*, An existing genus; *Nothothiohalomonas*: A genus related to but distinct from the existing genus Thiohalomonas of crossbred.

Nothothiohalophilus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thiohalophilus*, An existing genus; *Nothothiohalophilus*: A genus related to but distinct from the existing genus Thiohalophilus of crossbred.

Nothothiohalorhabdus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiohalorhabdus*, An existing genus; *Nothothiohalorhabdus*: A genus related to but distinct from the existing genus Thiohalorhabdus of crossbred.

Nothothiohalospira

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiohalospira*, An existing genus; *Nothothiohalospira*: A genus related to but distinct from the existing genus Thiohalospira of crossbred.

Nothothiolamprovum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thiolamprovum*, An existing genus; *Nothothiolamprovum*: A genus related to but distinct from the existing genus Thiolamprovum of crossbred.

Nothothiolapillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thiolapillus*, An existing genus; *Nothothiolapillus*: A genus related to but distinct from the existing genus Thiolapillus of crossbred.

Nothothiolinea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiolinea*, An existing genus; *Nothothiolinea*: A genus related to but distinct from the existing genus Thiolinea of crossbred.

Nothothiomargarita

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiomargarita*, An existing genus; *Nothothiomargarita*: A genus related to but distinct from the existing genus Thiomargarita of crossbred.

Nothothiomicrorhabdus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiomicrorhabdus*, An existing genus; *Nothothiomicrorhabdus*: A genus related to but distinct from the existing genus Thiomicrorhabdus of crossbred.

Nothothiomicrospira

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiomicrospira*, An existing genus; *Nothothiomicrospira*: A genus related to but distinct from the existing genus Thiomicrospira of crossbred.

Nothothiomonas

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiomonas*, An existing genus; *Nothothiomonas*: A genus related to but distinct from the existing genus Thiomonas of crossbred.

Nothothiopedia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiopedia*, An existing genus; *Nothothiopedia*: A genus related to but distinct from the existing genus Thiopedia of crossbred.

Nothothiophaeococcus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thiophaeococcus*, An existing genus; *Nothothiophaeococcus*: A genus related to but distinct from the existing genus Thiophaeococcus of crossbred.

Nothothioploca

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thioploca*, An existing genus; *Nothothioploca*: A genus related to but distinct from the existing genus Thioploca of crossbred.

Nothothioprofundum

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thioprofundum*, An existing genus; *Nothothioprofundum*: A genus related to but distinct from the existing genus Thioprofundum of crossbred.

Nothothiopseudomonas

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiopseudomonas*, An existing genus; *Nothothiopseudomonas*: A genus related to but distinct from the existing genus Thiopseudomonas of crossbred.

Nothothioreductor

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thioreductor*, An existing genus; *Nothothioreductor*: A genus related to but distinct from the existing genus Thioreductor of crossbred.

Nothothiorhodococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thiorhodococcus*, An existing genus; *Nothothiorhodococcus*: A genus related to but distinct from the existing genus Thiorhodococcus of crossbred.

Nothothiorhodospira

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiorhodospira*, An existing genus; *Nothothiorhodospira*: A genus related to but distinct from the existing genus Thiorhodospira of crossbred.

Nothothiorhodovibrio

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thiorhodovibrio*, An existing genus; *Nothothiorhodovibrio*: A genus related to but distinct from the existing genus Thiorhodovibrio of crossbred.

Nothothiosocius

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Thiosocius*, An existing genus; *Nothothiosocius*: A genus related to but distinct from the existing genus Thiosocius of crossbred.

Nothothiosphaera

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiosphaera*, An existing genus; *Nothothiosphaera*: A genus related to but distinct from the existing genus Thiosphaera of crossbred.

Nothothiospira

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiospira*, An existing genus; *Nothothiospira*: A genus related to but distinct from the existing genus Thiospira of crossbred.

Nothothiospirillum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. dim. n. *Thiospirillum*, An existing genus; *Nothothiospirillum*: A genus related to but distinct from the existing genus Thiospirillum of crossbred.

Nothothiothrix

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thiothrix*, An existing genus; *Nothothiothrix*: A genus related to but distinct from the existing genus Thiothrix of crossbred.

Nothothiovulum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Thiovulum*, An existing genus; *Nothothiovulum*: A genus related to but distinct from the existing genus Thiovulum of crossbred.

Nothothorsellia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Thorsellia*, An existing genus; *Nothothorsellia*: A genus related to but distinct from the existing genus Thorsellia of crossbred.

Nothotianweitania

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tianweitania*, An existing genus; *Nothotianweitania*: A genus related to but distinct from the existing genus Tianweitania of crossbred.

Nothotibeticola

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tibeticola*, An existing genus; *Nothotibeticola*: A genus related to but distinct from the existing genus Tibeticola of crossbred.

Nothotildeniella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Tildeniella*, An existing genus; *Nothotildeniella*: A genus related to but distinct from the existing genus Tildeniella of crossbred.

Nothotimaviella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Timaviella*, An existing genus; *Nothotimaviella*: A genus related to but distinct from the existing genus Timaviella of crossbred.

Nothotimonella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Timonella*, An existing genus; *Nothotimonella*: A genus related to but distinct from the existing genus Timonella of crossbred.

Nothotindallia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tindallia*, An existing genus; *Nothotindallia*: A genus related to but distinct from the existing genus Tindallia of crossbred.

Nothotissierella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Tissierella*, An existing genus; *Nothotissierella*: A genus related to but distinct from the existing genus Tissierella of crossbred.

Nothotistlia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tistlia*, An existing genus; *Nothotistlia*: A genus related to but distinct from the existing genus Tistlia of crossbred.

Nothotistrella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Tistrella*, An existing genus; *Nothotistrella*: A genus related to but distinct from the existing genus Tistrella of crossbred.

Nothotitanospirillum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. dim. n. *Titanospirillum*, An existing genus; *Nothotitanospirillum*: A genus related to but distinct from the existing genus Titanospirillum of crossbred.

Nothotolumonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tolumonas*, An existing genus; *Nothotolumonas*: A genus related to but distinct from the existing genus Tolumonas of crossbred.

Nothotomitella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Tomitella*, An existing genus; *Nothotomitella*: A genus related to but distinct from the existing genus Tomitella of crossbred.

Nothotonsilliphilus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tonsilliphilus*, An existing genus; *Nothotonsilliphilus*: A genus related to but distinct from the existing genus Tonsilliphilus of crossbred.

Nothotoxifilum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Toxifilum*, An existing genus; *Nothotoxifilum*: A genus related to but distinct from the existing genus Toxifilum of crossbred.

Nothotoxopsis

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Toxopsis*, An existing genus; *Nothotoxopsis*: A genus related to but distinct from the existing genus Toxopsis of crossbred.

Nothotoxothrix

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Toxothrix*, An existing genus; *Nothotoxothrix*: A genus related to but distinct from the existing genus Toxothrix of crossbred.

Nothotrabulsiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Trabulsiella*, An existing genus; *Nothotrabulsiella*: A genus related to but distinct from the existing genus Trabulsiella of crossbred.

Nothotranquillimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tranquillimonas*, An existing genus; *Nothotranquillimonas*: A genus related to but distinct from the existing genus Tranquillimonas of crossbred.

Nothotraorella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Traorella*, An existing genus; *Nothotraorella*: A genus related to but distinct from the existing genus Traorella of crossbred.

Nothotreponema

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Treponema*, An existing genus; *Nothotreponema*: A genus related to but distinct from the existing genus Treponema of crossbred.

Nothotrichlorobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Trichlorobacter*, An existing genus; *Nothotrichlorobacter*: A genus related to but distinct from the existing genus Trichlorobacter of crossbred.

Nothotrichococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Trichococcus*, An existing genus; *Nothotrichococcus*: A genus related to but distinct from the existing genus Trichococcus of crossbred.

Nothotrinickia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Trinickia*, An existing genus; *Nothotrinickia*: A genus related to but distinct from the existing genus Trinickia of crossbred.

Nothotritonibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tritonibacter*, An existing genus; *Nothotritonibacter*: A genus related to but distinct from the existing genus Tritonibacter of crossbred.

Nothotropheryma

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Tropheryma*, An existing genus; *Nothotropheryma*: A genus related to but distinct from the existing genus Tropheryma of crossbred.

Nothotropicibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tropicibacter*, An existing genus; *Nothotropicibacter*: A genus related to but distinct from the existing genus Tropicibacter of crossbred.

Nothotropicihabitans

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tropicihabitans*, An existing genus; *Nothotropicihabitans*: A genus related to but distinct from the existing genus Tropicihabitans of crossbred.

Nothotropicimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tropicimonas*, An existing genus; *Nothotropicimonas*: A genus related to but distinct from the existing genus Tropicimonas of crossbred.

Nothotruepera

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Truepera*, An existing genus; *Nothotruepera*: A genus related to but distinct from the existing genus Truepera of crossbred.

Nothotrueperella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Trueperella*, An existing genus; *Nothotrueperella*: A genus related to but distinct from the existing genus Trueperella of crossbred.

Nothotsukamurella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Tsukamurella*, An existing genus; *Nothotsukamurella*: A genus related to but distinct from the existing genus Tsukamurella of crossbred.

Nothotuberibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tuberibacillus*, An existing genus; *Nothotuberibacillus*: A genus related to but distinct from the existing genus Tuberibacillus of crossbred.

Nothotullyiplasma

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Tullyiplasma*, An existing genus; *Nothotullyiplasma*: A genus related to but distinct from the existing genus Tullyiplasma of crossbred.

Nothotumebacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Tumebacillus*, An existing genus; *Nothotumebacillus*: A genus related to but distinct from the existing genus Tumebacillus of crossbred.

Nothotundrisphaera

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tundrisphaera*, An existing genus; *Nothotundrisphaera*: A genus related to but distinct from the existing genus Tundrisphaera of crossbred.

Nothotunicatimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Tunicatimonas*, An existing genus; *Nothotunicatimonas*: A genus related to but distinct from the existing genus Tunicatimonas of crossbred.

Nothoturicella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Turicella*, An existing genus; *Nothoturicella*: A genus related to but distinct from the existing genus Turicella of crossbred.

Nothoturicibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Turicibacter*, An existing genus; *Nothoturicibacter*: A genus related to but distinct from the existing genus Turicibacter of crossbred.

Nothoturicimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Turicimonas*, An existing genus; *Nothoturicimonas*: A genus related to but distinct from the existing genus Turicimonas of crossbred.

Nothoturneriella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Turneriella*, An existing genus; *Nothoturneriella*: A genus related to but distinct from the existing genus Turneriella of crossbred.

Nothotuwongella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Tuwongella*, An existing genus; *Nothotuwongella*: A genus related to but distinct from the existing genus Tuwongella of crossbred.

Nothouliginosibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Uliginosibacterium*, An existing genus; *Nothouliginosibacterium*: A genus related to but distinct from the existing genus Uliginosibacterium of crossbred.

Nothoulvibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Ulvibacter*, An existing genus; *Nothoulvibacter*: A genus related to but distinct from the existing genus Ulvibacter of crossbred.

Nothoulvibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Ulvibacterium*, An existing genus; *Nothoulvibacterium*: A genus related to but distinct from the existing genus Ulvibacterium of crossbred.

Nothoumboniibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Umboniibacter*, An existing genus; *Nothoumboniibacter*: A genus related to but distinct from the existing genus Umboniibacter of crossbred.

Nothoumezawaea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Umezawaea*, An existing genus; *Nothoumezawaea*: A genus related to but distinct from the existing genus Umezawaea of crossbred.

Nothoundibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Undibacterium*, An existing genus; *Nothoundibacterium*: A genus related to but distinct from the existing genus Undibacterium of crossbred.

Nothoureaplasma

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Ureaplasma*, An existing genus; *Nothoureaplasma*: A genus related to but distinct from the existing genus Ureaplasma of crossbred.

Nothourechidicola

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Urechidicola*, An existing genus; *Nothourechidicola*: A genus related to but distinct from the existing genus Urechidicola of crossbred.

Nothoureibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Ureibacillus*, An existing genus; *Nothoureibacillus*: A genus related to but distinct from the existing genus Ureibacillus of crossbred.

Nothourmitella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Urmitella*, An existing genus; *Nothourmitella*: A genus related to but distinct from the existing genus Urmitella of crossbred.

Nothoursidibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Ursidibacter*, An existing genus; *Nothoursidibacter*: A genus related to but distinct from the existing genus Ursidibacter of crossbred.

Nothouruburuella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Uruburuella*, An existing genus; *Nothouruburuella*: A genus related to but distinct from the existing genus Uruburuella of crossbred.

Nothovadicella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Vadicella*, An existing genus; *Nothovadicella*: A genus related to but distinct from the existing genus Vadicella of crossbred.

Nothovaginella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Vaginella*, An existing genus; *Nothovaginella*: A genus related to but distinct from the existing genus Vaginella of crossbred.

Nothovaginimicrobium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Vaginimicrobium*, An existing genus; *Nothovaginimicrobium*: A genus related to but distinct from the existing genus Vaginimicrobium of crossbred.

Nothovaginisenegalia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Vaginisenegalia*, An existing genus; *Nothovaginisenegalia*: A genus related to but distinct from the existing genus Vaginisenegalia of crossbred.

Nothovagococcus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Vagococcus*, An existing genus; *Nothovagococcus*: A genus related to but distinct from the existing genus Vagococcus of crossbred.

Nothovallitalea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Vallitalea*, An existing genus; *Nothovallitalea*: A genus related to but distinct from the existing genus Vallitalea of crossbred.

Nothovampirovibrio

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Vampirovibrio*, An existing genus; *Nothovampirovibrio*: A genus related to but distinct from the existing genus Vampirovibrio of crossbred.

Nothovaribaculum

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Varibaculum*, An existing genus; *Nothovaribaculum*: A genus related to but distinct from the existing genus Varibaculum of crossbred.

Nothovariovorax

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Variovorax*, An existing genus; *Nothovariovorax*: A genus related to but distinct from the existing genus Variovorax of crossbred.

Nothovarunaivibrio

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Varunaivibrio*, An existing genus; *Nothovarunaivibrio*: A genus related to but distinct from the existing genus Varunaivibrio of crossbred.

Nothovasilyevaea

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Vasilyevaea*, An existing genus; *Nothovasilyevaea*: A genus related to but distinct from the existing genus Vasilyevaea of crossbred.

Nothoveillonella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Veillonella*, An existing genus; *Nothoveillonella*: A genus related to but distinct from the existing genus Veillonella of crossbred.

Nothovenenivibrio

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Venenivibrio*, An existing genus; *Nothovenenivibrio*: A genus related to but distinct from the existing genus Venenivibrio of crossbred.

Nothoventosimonas

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Ventosimonas*, An existing genus; *Nothoventosimonas*: A genus related to but distinct from the existing genus Ventosimonas of crossbred.

Nothoverminephrobacter

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Verminephrobacter*, An existing genus; *Nothoverminephrobacter*: A genus related to but distinct from the existing genus Verminephrobacter of crossbred.

Nothoverrucomicrobium

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Verrucomicrobium*, An existing genus; *Nothoverrucomicrobium*: A genus related to but distinct from the existing genus Verrucomicrobium of crossbred.

Nothoverrucosispora

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Verrucosispora*, An existing genus; *Nothoverrucosispora*: A genus related to but distinct from the existing genus Verrucosispora of crossbred.

Nothoverticia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Verticia*, An existing genus; *Nothoverticia*: A genus related to but distinct from the existing genus Verticia of crossbred.

Nothoverticiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Verticiella*, An existing genus; *Nothoverticiella*: A genus related to but distinct from the existing genus Verticiella of crossbred.

Nothovespertiliibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Vespertiliibacter*, An existing genus; *Nothovespertiliibacter*: A genus related to but distinct from the existing genus Vespertiliibacter of crossbred.

Nothovibrio

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Vibrio*, An existing genus; *Nothovibrio*: A genus related to but distinct from the existing genus Vibrio of crossbred.

Nothovibrionimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Vibrionimonas*, An existing genus; *Nothovibrionimonas*: A genus related to but distinct from the existing genus Vibrionimonas of crossbred.

Nothovicinamibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Vicinamibacter*, An existing genus; *Nothovicinamibacter*: A genus related to but distinct from the existing genus Vicinamibacter of crossbred.

Nothovicingus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Vicingus*, An existing genus; *Nothovicingus*: A genus related to but distinct from the existing genus Vicingus of crossbred.

Nothovictivallis

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Victivallis*, An existing genus; *Nothovictivallis*: A genus related to but distinct from the existing genus Victivallis of crossbred.

Nothovirgibacillus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Virgibacillus*, An existing genus; *Nothovirgibacillus*: A genus related to but distinct from the existing genus Virgibacillus of crossbred.

Nothoviridibacillus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Viridibacillus*, An existing genus; *Nothoviridibacillus*: A genus related to but distinct from the existing genus Viridibacillus of crossbred.

Nothoviridibacterium

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Viridibacterium*, An existing genus; *Nothoviridibacterium*: A genus related to but distinct from the existing genus Viridibacterium of crossbred.

Nothovitellibacter

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Vitellibacter*, An existing genus; *Nothovitellibacter*: A genus related to but distinct from the existing genus Vitellibacter of crossbred.

Nothovitiosangium

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Vitiosangium*, An existing genus; *Nothovitiosangium*: A genus related to but distinct from the existing genus Vitiosangium of crossbred.

Nothovitreoscilla

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Vitreoscilla*, An existing genus; *Nothovitreoscilla*: A genus related to but distinct from the existing genus Vitreoscilla of crossbred.

Nothovogesella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Vogesella*, An existing genus; *Nothovogesella*: A genus related to but distinct from the existing genus Vogesella of crossbred.

Nothovolcaniella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Volcaniella*, An existing genus; *Nothovolcaniella*: A genus related to but distinct from the existing genus Volcaniella of crossbred.

Nothovolucribacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Volucribacter*, An existing genus; *Nothovolucribacter*: A genus related to but distinct from the existing genus Volucribacter of crossbred.

Nothovulcanibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Vulcanibacillus*, An existing genus; *Nothovulcanibacillus*: A genus related to but distinct from the existing genus Vulcanibacillus of crossbred.

Nothovulcaniibacterium

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Vulcaniibacterium*, An existing genus; *Nothovulcaniibacterium*: A genus related to but distinct from the existing genus Vulcaniibacterium of crossbred.

Nothovulcanithermus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Vulcanithermus*, An existing genus; *Nothovulcanithermus*: A genus related to but distinct from the existing genus Vulcanithermus of crossbred.

Nothovulgatibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Vulgatibacter*, An existing genus; *Nothovulgatibacter*: A genus related to but distinct from the existing genus Vulgatibacter of crossbred.

Nothowaddlia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Waddlia*, An existing genus; *Nothowaddlia*: A genus related to but distinct from the existing genus Waddlia of crossbred.

Nothowandonia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Wandonia*, An existing genus; *Nothowandonia*: A genus related to but distinct from the existing genus Wandonia of crossbred.

Nothowangella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Wangella*, An existing genus; *Nothowangella*: A genus related to but distinct from the existing genus Wangella of crossbred.

Nothowautersia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Wautersia*, An existing genus; *Nothowautersia*: A genus related to but distinct from the existing genus Wautersia of crossbred.

Nothowautersiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Wautersiella*, An existing genus; *Nothowautersiella*: A genus related to but distinct from the existing genus Wautersiella of crossbred.

Nothoweeksella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Weeksella*, An existing genus; *Nothoweeksella*: A genus related to but distinct from the existing genus Weeksella of crossbred.

Nothoweissella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Weissella*, An existing genus; *Nothoweissella*: A genus related to but distinct from the existing genus Weissella of crossbred.

Nothowenxinia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Wenxinia*, An existing genus; *Nothowenxinia*: A genus related to but distinct from the existing genus Wenxinia of crossbred.

Nothowenyingzhuangia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Wenyingzhuangia*, An existing genus; *Nothowenyingzhuangia*: A genus related to but distinct from the existing genus Wenyingzhuangia of crossbred.

Nothowenzhouxiangella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Wenzhouxiangella*, An existing genus; *Nothowenzhouxiangella*: A genus related to but distinct from the existing genus Wenzhouxiangella of crossbred.

Nothowestiellopsis

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Westiellopsis*, An existing genus; *Nothowestiellopsis*: A genus related to but distinct from the existing genus Westiellopsis of crossbred.

Nothowigglesworthia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Wigglesworthia*, An existing genus; *Nothowigglesworthia*: A genus related to but distinct from the existing genus Wigglesworthia of crossbred.

Nothowilliamsia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Williamsia*, An existing genus; *Nothowilliamsia*: A genus related to but distinct from the existing genus Williamsia of crossbred.

Nothowilliamsoniiplasma

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Williamsoniiplasma*, An existing genus; *Nothowilliamsoniiplasma*: A genus related to but distinct from the existing genus Williamsoniiplasma of crossbred.

Nothowilliamwhitmania

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Williamwhitmania*, An existing genus; *Nothowilliamwhitmania*: A genus related to but distinct from the existing genus Williamwhitmania of crossbred.

Nothowinkia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Winkia*, An existing genus; *Nothowinkia*: A genus related to but distinct from the existing genus Winkia of crossbred.

Nothowinogradskyella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Winogradskyella*, An existing genus; *Nothowinogradskyella*: A genus related to but distinct from the existing genus Winogradskyella of crossbred.

Nothowoeseia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Woeseia*, An existing genus; *Nothowoeseia*: A genus related to but distinct from the existing genus Woeseia of crossbred.

Nothowohlfahrtiimonas

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Wohlfahrtiimonas*, An existing genus; *Nothowohlfahrtiimonas*: A genus related to but distinct from the existing genus Wohlfahrtiimonas of crossbred.

Nothowolbachia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Wolbachia*, An existing genus; *Nothowolbachia*: A genus related to but distinct from the existing genus Wolbachia of crossbred.

Nothowolinella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Wolinella*, An existing genus; *Nothowolinella*: A genus related to but distinct from the existing genus Wolinella of crossbred.

Nothowolskyella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Wolskyella*, An existing genus; *Nothowolskyella*: A genus related to but distinct from the existing genus Wolskyella of crossbred.

Nothowoodsholea

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Woodsholea*, An existing genus; *Nothowoodsholea*: A genus related to but distinct from the existing genus Woodsholea of crossbred.

Nothowukongibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Wukongibacter*, An existing genus; *Nothowukongibacter*: A genus related to but distinct from the existing genus Wukongibacter of crossbred.

Nothoxanthobacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Xanthobacter*, An existing genus; *Nothoxanthobacter*: A genus related to but distinct from the existing genus Xanthobacter of crossbred.

Nothoxanthomarina

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Xanthomarina*, An existing genus; *Nothoxanthomarina*: A genus related to but distinct from the existing genus Xanthomarina of crossbred.

Nothoxanthomonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Xanthomonas*, An existing genus; *Nothoxanthomonas*: A genus related to but distinct from the existing genus Xanthomonas of crossbred.

Nothoxanthovirga

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Xanthovirga*, An existing genus; *Nothoxanthovirga*: A genus related to but distinct from the existing genus Xanthovirga of crossbred.

Nothoxenophilus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Xenophilus*, An existing genus; *Nothoxenophilus*: A genus related to but distinct from the existing genus Xenophilus of crossbred.

Nothoxenorhabdus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Xenorhabdus*, An existing genus; *Nothoxenorhabdus*: A genus related to but distinct from the existing genus Xenorhabdus of crossbred.

Nothoxiangella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Xiangella*, An existing genus; *Nothoxiangella*: A genus related to but distinct from the existing genus Xiangella of crossbred.

Nothoxinfangfangia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Xinfangfangia*, An existing genus; *Nothoxinfangfangia*: A genus related to but distinct from the existing genus Xinfangfangia of crossbred.

Nothoxuhuaishuia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Xuhuaishuia*, An existing genus; *Nothoxuhuaishuia*: A genus related to but distinct from the existing genus Xuhuaishuia of crossbred.

Nothoxylanibacillus

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Xylanibacillus*, An existing genus; *Nothoxylanibacillus*: A genus related to but distinct from the existing genus Xylanibacillus of crossbred.

Nothoxylanibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Xylanibacter*, An existing genus; *Nothoxylanibacter*: A genus related to but distinct from the existing genus Xylanibacter of crossbred.

Nothoxylanibacterium

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Xylanibacterium*, An existing genus; *Nothoxylanibacterium*: A genus related to but distinct from the existing genus Xylanibacterium of crossbred.

Nothoxylanimicrobium

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. neut. n. *Xylanimicrobium*, An existing genus; *Nothoxylanimicrobium*: A genus related to but distinct from the existing genus Xylanimicrobium of crossbred.

Nothoxylanimonas

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Xylanimonas*, An existing genus; *Nothoxylanimonas*: A genus related to but distinct from the existing genus Xylanimonas of crossbred.

Nothoxylanivirga

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Xylanivirga*, An existing genus; *Nothoxylanivirga*: A genus related to but distinct from the existing genus Xylanivirga of crossbred.

Nothoxylella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Xylella*, An existing genus; *Nothoxylella*: A genus related to but distinct from the existing genus Xylella of crossbred.

Nothoxylophilus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Xylophilus*, An existing genus; *Nothoxylophilus*: A genus related to but distinct from the existing genus Xylophilus of crossbred.

Nothoyangia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Yangia*, An existing genus; *Nothoyangia*: A genus related to but distinct from the existing genus Yangia of crossbred.

Nothoyania

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Yania*, An existing genus; *Nothoyania*: A genus related to but distinct from the existing genus Yania of crossbred.

Nothoyaniella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Yaniella*, An existing genus; *Nothoyaniella*: A genus related to but distinct from the existing genus Yaniella of crossbred.

Nothoyeosuana

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Yeosuana*, An existing genus; *Nothoyeosuana*: A genus related to but distinct from the existing genus Yeosuana of crossbred.

Nothoyersinia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Yersinia*, An existing genus; *Nothoyersinia*: A genus related to but distinct from the existing genus Yersinia of crossbred.

Nothoyimella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Yimella*, An existing genus; *Nothoyimella*: A genus related to but distinct from the existing genus Yimella of crossbred.

Nothoyinghuangia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Yinghuangia*, An existing genus; *Nothoyinghuangia*: A genus related to but distinct from the existing genus Yinghuangia of crossbred.

Nothoyokenella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Yokenella*, An existing genus; *Nothoyokenella*: A genus related to but distinct from the existing genus Yokenella of crossbred.

Nothoyonedaella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Yonedaella*, An existing genus; *Nothoyonedaella*: A genus related to but distinct from the existing genus Yonedaella of crossbred.

Nothoyonghaparkia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Yonghaparkia*, An existing genus; *Nothoyonghaparkia*: A genus related to but distinct from the existing genus Yonghaparkia of crossbred.

Nothoyoonia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Yoonia*, An existing genus; *Nothoyoonia*: A genus related to but distinct from the existing genus Yoonia of crossbred.

Nothoyouhaiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Youhaiella*, An existing genus; *Nothoyouhaiella*: A genus related to but distinct from the existing genus Youhaiella of crossbred.

Nothoyoungiibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Youngiibacter*, An existing genus; *Nothoyoungiibacter*: A genus related to but distinct from the existing genus Youngiibacter of crossbred.

Nothoyoungimonas

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Youngimonas*, An existing genus; *Nothoyoungimonas*: A genus related to but distinct from the existing genus Youngimonas of crossbred.

Nothoyuhushiella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Yuhushiella*, An existing genus; *Nothoyuhushiella*: A genus related to but distinct from the existing genus Yuhushiella of crossbred.

Nothozavarzinella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Zavarzinella*, An existing genus; *Nothozavarzinella*: A genus related to but distinct from the existing genus Zavarzinella of crossbred.

Nothozavarzinia

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Zavarzinia*, An existing genus; *Nothozavarzinia*: A genus related to but distinct from the existing genus Zavarzinia of crossbred.

Nothozeaxanthinibacter

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Zeaxanthinibacter*, An existing genus; *Nothozeaxanthinibacter*: A genus related to but distinct from the existing genus Zeaxanthinibacter of crossbred.

Nothozehria

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Zehria*, An existing genus; *Nothozehria*: A genus related to but distinct from the existing genus Zehria of crossbred.

Nothozestosphaera

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Zestosphaera*, An existing genus; *Nothozestosphaera*: A genus related to but distinct from the existing genus Zestosphaera of crossbred.

Nothozhangella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Zhangella*, An existing genus; *Nothozhangella*: A genus related to but distinct from the existing genus Zhangella of crossbred.

Nothozhaonella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Zhaonella*, An existing genus; *Nothozhaonella*: A genus related to but distinct from the existing genus Zhaonella of crossbred.

Nothozhengella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Zhengella*, An existing genus; *Nothozhengella*: A genus related to but distinct from the existing genus Zhengella of crossbred.

Nothozhihengliuella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Zhihengliuella*, An existing genus; *Nothozhihengliuella*: A genus related to but distinct from the existing genus Zhihengliuella of crossbred.

Nothozhizhongheella

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Zhizhongheella*, An existing genus; *Nothozhizhongheella*: A genus related to but distinct from the existing genus Zhizhongheella of crossbred.

Nothozhongshania

Gr. masc. adjective *Î¡ÏÑÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Zhongshania*, An existing genus; *Nothozhongshania*: A genus related to but distinct from the existing genus Zhongshania of crossbred.

Nothozhouia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Zhouia*, An existing genus; *Nothozhouia*: A genus related to but distinct from the existing genus Zhouia of crossbred.

Nothozimmermannella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Zimmermannella*, An existing genus; *Nothozimmermannella*: A genus related to but distinct from the existing genus Zimmermannella of crossbred.

Nothozobellella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Zobellella*, An existing genus; *Nothozobellella*: A genus related to but distinct from the existing genus Zobellella of crossbred.

Nothozobellia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Zobellia*, An existing genus; *Nothozobellia*: A genus related to but distinct from the existing genus Zobellia of crossbred.

Nothozoogloea

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Zoogloea*, An existing genus; *Nothozoogloea*: A genus related to but distinct from the existing genus Zoogloea of crossbred.

Nothozooshikella

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. dim. n. *Zooshikella*, An existing genus; *Nothozooshikella*: A genus related to but distinct from the existing genus Zooshikella of crossbred.

Nothozunongwangia

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Zunongwangia*, An existing genus; *Nothozunongwangia*: A genus related to but distinct from the existing genus Zunongwangia of crossbred.

Nothozymobacter

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Zymobacter*, An existing genus; *Nothozymobacter*: A genus related to but distinct from the existing genus Zymobacter of crossbred.

Nothozymomonas

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. fem. n. *Zymomonas*, An existing genus; *Nothozymomonas*: A genus related to but distinct from the existing genus Zymomonas of crossbred.

Nothozymophilus

Gr. masc. adjective *Î¡ÏŇÎÿÎ£ÏĆ*, crossbred; L. masc. n. *Zymophilus*, An existing genus; *Nothozymophilus*: A genus related to but distinct from the existing genus Zymophilus of crossbred.

Noviabditibacterium

L. masc. adjective *novus*, new; L. neut. n. *Abditibacterium*, An existing genus; *Noviabditibacterium*: A genus related to but distinct from the existing genus Abditibacterium of new.

Noviabiotrophia

L. masc. adjective *novus*, new; L. fem. n. *Abiotrophia*, An existing genus; *Noviabiotrophia*: A genus related to but distinct from the existing genus Abiotrophia of new.

Noviabsicoccus

L. masc. adjective *novus*, new; L. masc. n. *Absicoccus*, An existing genus; *Noviabsicoccus*: A genus related to but distinct from the existing genus Absicoccus of new.

Noviabsiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Absiella*, An existing genus; *Noviabsiella*: A genus related to but distinct from the existing genus Absiella of new.

Noviabyssibacter

L. masc. adjective *novus*, new; L. masc. n. *Abyssibacter*, An existing genus; *Noviabyssibacter*: A genus related to but distinct from the existing genus Abyssibacter of new.

Noviabyssicoccus

L. masc. adjective *novus*, new; L. masc. n. *Abyssicoccus*, An existing genus; *Noviabyssicoccus*: A genus related to but distinct from the existing genus Abyssicoccus of new.

Noviabyssisolibacter

L. masc. adjective *novus*, new; L. masc. n. *Abyssisolibacter*, An existing genus; *Noviabyssisolibacter*: A genus related to but distinct from the existing genus Abyssisolibacter of new.

Noviabyssivirga

L. masc. adjective *novus*, new; L. fem. n. *Abyssivirga*, An existing genus; *Noviabyssivirga*: A genus related to but distinct from the existing genus Abyssivirga of new.

Noviacanthopleuribacter

L. masc. adjective *novus*, new; L. masc. n. *Acanthopleuribacter*, An existing genus; *Noviacanthopleuribacter*: A genus related to but distinct from the existing genus Acanthopleuribacter of new.

Noviacaricomes

L. masc. adjective *novus*, new; L. masc. n. *Acaricomes*, An existing genus; *Noviacaricomes*: A genus related to but distinct from the existing genus Acaricomes of new.

Noviacaryochloris

L. masc. adjective *novus*, new; L. fem. n. *Acaryochloris*, An existing genus; *Noviacaryochloris*: A genus related to but distinct from the existing genus Acaryochloris of new.

Noviacetanaerobacterium

L. masc. adjective *novus*, new; L. neut. n. *Acetanaerobacterium*, An existing genus; *Noviacetanaerobacterium*: A genus related to but distinct from the existing genus Acetanaerobacterium of new.

Noviacetatifactor

L. masc. adjective *novus*, new; L. masc. n. *Acetatifactor*, An existing genus; *Noviacetatifactor*: A genus related to but distinct from the existing genus Acetatifactor of new.

Noviacetilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Acetilactobacillus*, An existing genus; *Noviacetilactobacillus*: A genus related to but distinct from the existing genus Acetilactobacillus of new.

Noviacetitomaculum

L. masc. adjective *novus*, new; L. neut. n. *Acetitomaculum*, An existing genus; *Noviacetitomaculum*: A genus related to but distinct from the existing genus Acetitomaculum of new.

Noviacetivibrio

L. masc. adjective *novus*, new; L. masc. n. *Acetivibrio*, An existing genus; *Noviacetivibrio*: A genus related to but distinct from the existing genus Acetivibrio of new.

Noviacetoanaerobium

L. masc. adjective *novus*, new; L. neut. n. *Acetoanaerobium*, An existing genus; *Noviacetoanaerobium*: A genus related to but distinct from the existing genus Acetoanaerobium of new.

Noviacetobacter

L. masc. adjective *novus*, new; L. masc. n. *Acetobacter*, An existing genus; *Noviacetobacter*: A genus related to but distinct from the existing genus Acetobacter of new.

Noviacetobacterium

L. masc. adjective *novus*, new; L. neut. n. *Acetobacterium*, An existing genus; *Noviacetobacterium*: A genus related to but distinct from the existing genus Acetobacterium of new.

Noviacetobacteroides

L. masc. adjective *novus*, new; L. masc. n. *Acetobacteroides*, An existing genus; *Noviacetobacteroides*: A genus related to but distinct from the existing genus Acetobacteroides of new.

Noviacetofilamentum

L. masc. adjective *novus*, new; L. neut. n. *Acetofilamentum*, An existing genus; *Noviacetofilamentum*: A genus related to but distinct from the existing genus Acetofilamentum of new.

Noviacetogenium

L. masc. adjective *novus*, new; L. neut. n. *Acetogenium*, An existing genus; *Noviacetogenium*: A genus related to but distinct from the existing genus Acetogenium of new.

Noviacetohalobium

L. masc. adjective *novus*, new; L. neut. n. *Acetohalobium*, An existing genus; *Noviacetohalobium*: A genus related to but distinct from the existing genus Acetohalobium of new.

Noviacetomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Acetomicrobium*, An existing genus; *Noviacetomicrobium*: A genus related to but distinct from the existing genus Acetomicrobium of new.

Noviacetonema

L. masc. adjective *novus*, new; L. neut. n. *Acetonema*, An existing genus; *Noviacetonema*: A genus related to but distinct from the existing genus Acetonema of new.

Noviacetothermus

L. masc. adjective *novus*, new; L. masc. n. *Acetothermus*, An existing genus; *Noviacetothermus*: A genus related to but distinct from the existing genus Acetothermus of new.

Noviacholeplasma

L. masc. adjective *novus*, new; L. neut. n. *Acholeplasma*, An existing genus; *Noviacholeplasma*: A genus related to but distinct from the existing genus Acholeplasma of new.

Noviachromatium

L. masc. adjective *novus*, new; L. neut. n. *Achromatium*, An existing genus; *Noviachromatium*: A genus related to but distinct from the existing genus Achromatium of new.

Noviachromobacter

L. masc. adjective *novus*, new; L. masc. n. *Achromobacter*, An existing genus; *Noviachromobacter*: A genus related to but distinct from the existing genus Achromobacter of new.

Noviacidaminobacter

L. masc. adjective *novus*, new; L. masc. n. *Acidaminobacter*, An existing genus; *Noviacidaminobacter*: A genus related to but distinct from the existing genus Acidaminobacter of new.

Noviacidaminococcus

L. masc. adjective *novus*, new; L. masc. n. *Acidaminococcus*, An existing genus; *Noviacidaminococcus*: A genus related to but distinct from the existing genus Acidaminococcus of new.

Noviacidianus

L. masc. adjective *novus*, new; L. masc. n. *Acidianus*, An existing genus; *Noviacidianus*: A genus related to but distinct from the existing genus Acidianus of new.

Noviacidibrevibacterium

L. masc. adjective *novus*, new; L. neut. n. *Acidibrevibacterium*, An existing genus; *Noviacidibrevibacterium*: A genus related to but distinct from the existing genus Acidibrevibacterium of new.

Noviacidicaldus

L. masc. adjective *novus*, new; L. masc. n. *Acidicaldus*, An existing genus; *Noviacidicaldus*: A genus related to but distinct from the existing genus Acidicaldus of new.

Noviacidicapsa

L. masc. adjective *novus*, new; L. fem. n. *Acidicapsa*, An existing genus; *Noviacidicapsa*: A genus related to but distinct from the existing genus Acidicapsa of new.

Noviacidiferrimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Acidiferrimicrobium*, An existing genus; *Noviacidiferrimicrobium*: A genus related to but distinct from the existing genus Acidiferrimicrobium of new.

Noviacidiferrobacter

L. masc. adjective *novus*, new; L. masc. n. *Acidiferrobacter*, An existing genus; *Noviacidiferrobacter*: A genus related to but distinct from the existing genus Acidiferrobacter of new.

Noviacidihalobacter

L. masc. adjective *novus*, new; L. masc. n. *Acidihalobacter*, An existing genus; *Noviacidihalobacter*: A genus related to but distinct from the existing genus Acidihalobacter of new.

Noviacidilobus

L. masc. adjective *novus*, new; L. masc. n. *Acidilobus*, An existing genus; *Noviacidilobus*: A genus related to but distinct from the existing genus Acidilobus of new.

Noviacidimangrovimonas

L. masc. adjective *novus*, new; L. fem. n. *Acidimangrovimonas*, An existing genus; *Noviacidimangrovimonas*: A genus related to but distinct from the existing genus Acidimangrovimonas of new.

Noviacidimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Acidimicrobium*, An existing genus; *Noviacidimicrobium*: A genus related to but distinct from the existing genus Acidimicrobium of new.

Noviacidiphilium

L. masc. adjective *novus*, new; L. neut. n. *Acidiphilium*, An existing genus; *Noviacidiphilium*: A genus related to but distinct from the existing genus Acidiphilium of new.

Noviacidiplasma

L. masc. adjective *novus*, new; L. neut. n. *Acidiplasma*, An existing genus; *Noviacidiplasma*: A genus related to but distinct from the existing genus Acidiplasma of new.

Noviacidipropionibacterium

L. masc. adjective *novus*, new; L. neut. n. *Acidipropionibacterium*, An existing genus; *Noviacidipropionibacterium*: A genus related to but distinct from the existing genus Acidipropionibacterium of new.

Noviacidisarcina

L. masc. adjective *novus*, new; L. fem. n. *Acidisarcina*, An existing genus; *Noviacidisarcina*: A genus related to but distinct from the existing genus Acidisarcina of new.

Noviacidisoma

L. masc. adjective *novus*, new; L. neut. n. *Acidisoma*, An existing genus; *Noviacidisoma*: A genus related to but distinct from the existing genus Acidisoma of new.

Noviacidisphaera

L. masc. adjective *novus*, new; L. fem. n. *Acidisphaera*, An existing genus; *Noviacidisphaera*: A genus related to but distinct from the existing genus Acidisphaera of new.

Noviacidithiobacillus

L. masc. adjective *novus*, new; L. masc. n. *Acidithiobacillus*, An existing genus; *Noviacidithiobacillus*: A genus related to but distinct from the existing genus Acidithiobacillus of new.

Noviacidithrix

L. masc. adjective *novus*, new; L. fem. n. *Acidithrix*, An existing genus; *Noviacidithrix*: A genus related to but distinct from the existing genus Acidithrix of new.

Noviacidocella

L. masc. adjective *novus*, new; L. fem. n. *Acidocella*, An existing genus; *Noviacidocella*: A genus related to but distinct from the existing genus Acidocella of new.

Noviacidovorax

L. masc. adjective *novus*, new; L. masc. n. *Acidovorax*, An existing genus; *Noviacidovorax*: A genus related to but distinct from the existing genus Acidovorax of new.

Noviacinetobacter

L. masc. adjective *novus*, new; L. masc. n. *Acinetobacter*, An existing genus; *Noviacinetobacter*: A genus related to but distinct from the existing genus Acinetobacter of new.

Noviacrocarpospora

L. masc. adjective *novus*, new; L. fem. n. *Acrocarpospora*, An existing genus; *Noviacrocarpospora*: A genus related to but distinct from the existing genus Acrocarpospora of new.

Noviactibacter

L. masc. adjective *novus*, new; L. masc. n. *Actibacter*, An existing genus; *Noviactibacter*: A genus related to but distinct from the existing genus Actibacter of new.

Noviactibacterium

L. masc. adjective *novus*, new; L. neut. n. *Actibacterium*, An existing genus; *Noviactibacterium*: A genus related to but distinct from the existing genus Actibacterium of new.

Noviactimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Actimicrobium*, An existing genus; *Noviactimicrobium*: A genus related to but distinct from the existing genus Actimicrobium of new.

Noviactinaurispora

L. masc. adjective *novus*, new; L. fem. n. *Actinaurispora*, An existing genus; *Noviactinaurispora*: A genus related to but distinct from the existing genus Actinaurispora of new.

Noviactinoallomurus

L. masc. adjective *novus*, new; L. masc. n. *Actinoallomurus*, An existing genus; *Noviactinoallomurus*: A genus related to but distinct from the existing genus Actinoallomurus of new.

Noviactinobispora

L. masc. adjective *novus*, new; L. fem. n. *Actinobispora*, An existing genus; *Noviactinobispora*: A genus related to but distinct from the existing genus Actinobispora of new.

Noviactinocatenispora

L. masc. adjective *novus*, new; L. fem. n. *Actinocatenispora*, An existing genus; *Noviactinocatenispora*: A genus related to but distinct from the existing genus Actinocatenispora of new.

Noviactinocorallia

L. masc. adjective *novus*, new; L. fem. n. *Actinocorallia*, An existing genus; *Noviactinocorallia*: A genus related to but distinct from the existing genus Actinocorallia of new.

Noviactinocrinis

L. masc. adjective *novus*, new; L. masc. n. *Actinocrinis*, An existing genus; *Noviactinocrinis*: A genus related to but distinct from the existing genus Actinocrinis of new.

Noviactinocrispum

L. masc. adjective *novus*, new; L. neut. n. *Actinocrispum*, An existing genus; *Noviactinocrispum*: A genus related to but distinct from the existing genus Actinocrispum of new.

Noviactinokineospora

L. masc. adjective *novus*, new; L. fem. n. *Actinokineospora*, An existing genus; *Noviactinokineospora*: A genus related to but distinct from the existing genus Actinokineospora of new.

Noviactinomadura

L. masc. adjective *novus*, new; L. fem. n. *Actinomadura*, An existing genus; *Noviactinomadura*: A genus related to but distinct from the existing genus Actinomadura of new.

Noviactinomarinicola

L. masc. adjective *novus*, new; L. fem. n. *Actinomarinicola*, An existing genus; *Noviactinomarinicola*: A genus related to but distinct from the existing genus Actinomarinicola of new.

Noviactinomyces

L. masc. adjective *novus*, new; L. masc. n. *Actinomyces*, An existing genus; *Noviactinomyces*: A genus related to but distinct from the existing genus Actinomyces of new.

Noviactinomycetospora

L. masc. adjective *novus*, new; L. fem. n. *Actinomycetospora*, An existing genus; *Noviactinomycetospora*: A genus related to but distinct from the existing genus Actinomycetospora of new.

Noviactinophytocola

L. masc. adjective *novus*, new; L. masc. n. *Actinophytocola*, An existing genus; *Noviactinophytocola*: A genus related to but distinct from the existing genus Actinophytocola of new.

Noviactinoplanes

L. masc. adjective *novus*, new; L. masc. n. *Actinoplanes*, An existing genus; *Noviactinoplanes*: A genus related to but distinct from the existing genus Actinoplanes of new.

Noviactinopolymorpha

L. masc. adjective *novus*, new; L. fem. n. *Actinopolymorpha*, An existing genus; *Noviactinopolymorpha*: A genus related to but distinct from the existing genus Actinopolymorpha of new.

Noviactinopolyspora

L. masc. adjective *novus*, new; L. fem. n. *Actinopolyspora*, An existing genus; *Noviactinopolyspora*: A genus related to but distinct from the existing genus Actinopolyspora of new.

Noviactinorectispora

L. masc. adjective *novus*, new; L. fem. n. *Actinorectispora*, An existing genus; *Noviactinorectispora*: A genus related to but distinct from the existing genus Actinorectispora of new.

Noviactinorhabdospora

L. masc. adjective *novus*, new; L. fem. n. *Actinorhabdospora*, An existing genus; *Noviactinorhabdospora*: A genus related to but distinct from the existing genus Actinorhabdospora of new.

Noviactinorugispora

L. masc. adjective *novus*, new; L. fem. n. *Actinorugispora*, An existing genus; *Noviactinorugispora*: A genus related to but distinct from the existing genus Actinorugispora of new.

Noviactinospica

L. masc. adjective *novus*, new; L. fem. n. *Actinospica*, An existing genus; *Noviactinospica*: A genus related to but distinct from the existing genus Actinospica of new.

Noviactinosporangium

L. masc. adjective *novus*, new; L. neut. n. *Actinosporangium*, An existing genus; *Noviactinosporangium*: A genus related to but distinct from the existing genus Actinosporangium of new.

Noviactinosynnema

L. masc. adjective *novus*, new; L. neut. n. *Actinosynnema*, An existing genus; *Noviactinosynnema*: A genus related to but distinct from the existing genus Actinosynnema of new.

Noviactinotalea

L. masc. adjective *novus*, new; L. fem. n. *Actinotalea*, An existing genus; *Noviactinotalea*: A genus related to but distinct from the existing genus Actinotalea of new.

Noviactinotignum

L. masc. adjective *novus*, new; L. neut. n. *Actinotignum*, An existing genus; *Noviactinotignum*: A genus related to but distinct from the existing genus Actinotignum of new.

Noviacutalibacter

L. masc. adjective *novus*, new; L. masc. n. *Acutalibacter*, An existing genus; *Noviacutalibacter*: A genus related to but distinct from the existing genus Acutalibacter of new.

Noviacuticoccus

L. masc. adjective *novus*, new; L. masc. n. *Acuticoccus*, An existing genus; *Noviacuticoccus*: A genus related to but distinct from the existing genus Acuticoccus of new.

Noviadhaeribacter

L. masc. adjective *novus*, new; L. masc. n. *Adhaeribacter*, An existing genus; *Noviadhaeribacter*: A genus related to but distinct from the existing genus Adhaeribacter of new.

Noviadlercreutzia

L. masc. adjective *novus*, new; L. fem. n. *Adlercreutzia*, An existing genus; *Noviadlercreutzia*: A genus related to but distinct from the existing genus Adlercreutzia of new.

Noviadvenella

L. masc. adjective *novus*, new; L. fem. dim. n. *Advenella*, An existing genus; *Noviadvenella*: A genus related to but distinct from the existing genus Advenella of new.

Noviaegyptianella

L. masc. adjective *novus*, new; L. fem. n. *Aegyptianella*, An existing genus; *Noviaegyptianella*: A genus related to but distinct from the existing genus Aegyptianella of new.

Noviaequoribacter

L. masc. adjective *novus*, new; L. masc. n. *Aequoribacter*, An existing genus; *Noviaequoribacter*: A genus related to but distinct from the existing genus Aequoribacter of new.

Noviaequorivita

L. masc. adjective *novus*, new; L. fem. n. *Aequorivita*, An existing genus; *Noviaequorivita*: A genus related to but distinct from the existing genus Aequorivita of new.

Noviaeribacillus

L. masc. adjective *novus*, new; L. masc. n. *Aeribacillus*, An existing genus; *Noviaeribacillus*: A genus related to but distinct from the existing genus Aeribacillus of new.

Noviaeriscardovia

L. masc. adjective *novus*, new; L. fem. n. *Aeriscardovia*, An existing genus; *Noviaeriscardovia*: A genus related to but distinct from the existing genus Aeriscardovia of new.

Noviaerococcus

L. masc. adjective *novus*, new; L. masc. n. *Aerococcus*, An existing genus; *Noviaerococcus*: A genus related to but distinct from the existing genus Aerococcus of new.

Noviaeromicrobium

L. masc. adjective *novus*, new; L. neut. n. *Aeromicrobium*, An existing genus; *Noviaeromicrobium*: A genus related to but distinct from the existing genus Aeromicrobium of new.

Noviaeropyrum

L. masc. adjective *novus*, new; L. neut. n. *Aeropyrum*, An existing genus; *Noviaeropyrum*: A genus related to but distinct from the existing genus Aeropyrum of new.

Noviaerosakkonema

L. masc. adjective *novus*, new; L. neut. n. *Aerosakkonema*, An existing genus; *Noviaerosakkonema*: A genus related to but distinct from the existing genus Aerosakkonema of new.

Noviaestuariibacter

L. masc. adjective *novus*, new; L. masc. n. *Aestuariibacter*, An existing genus; *Noviaestuariibacter*: A genus related to but distinct from the existing genus Aestuariibacter of new.

Noviaestuariibaculum

L. masc. adjective *novus*, new; L. neut. n. *Aestuariibaculum*, An existing genus; *Noviaestuariibaculum*: A genus related to but distinct from the existing genus Aestuariibaculum of new.

Noviaestuariibius

L. masc. adjective *novus*, new; L. masc. n. *Aestuariibius*, An existing genus; *Noviaestuariibius*: A genus related to but distinct from the existing genus Aestuariibius of new.

Noviaestuariicella

L. masc. adjective *novus*, new; L. fem. n. *Aestuariicella*, An existing genus; *Noviaestuariicella*: A genus related to but distinct from the existing genus Aestuariicella of new.

Noviaestuariicoccus

L. masc. adjective *novus*, new; L. masc. n. *Aestuariicoccus*, An existing genus; *Noviaestuariicoccus*: A genus related to but distinct from the existing genus Aestuariicoccus of new.

Noviaestuariicola

L. masc. adjective *novus*, new; L. masc. n. *Aestuariicola*, An existing genus; *Noviaestuariicola*: A genus related to but distinct from the existing genus Aestuariicola of new.

Noviaestuariihabitans

L. masc. adjective *novus*, new; L. masc. n. *Aestuariihabitans*, An existing genus; *Noviaestuariihabitans*: A genus related to but distinct from the existing genus Aestuariihabitans of new.

Noviaestuariimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Aestuariimicrobium*, An existing genus; *Noviaestuariimicrobium*: A genus related to but distinct from the existing genus Aestuariimicrobium of new.

Noviaestuariirhabdus

L. masc. adjective *novus*, new; L. fem. n. *Aestuariirhabdus*, An existing genus; *Noviaestuariirhabdus*: A genus related to but distinct from the existing genus Aestuariirhabdus of new.

Noviaestuariisphingobium

L. masc. adjective *novus*, new; L. neut. n. *Aestuariisphingobium*, An existing genus; *Noviaestuariisphingobium*: A genus related to but distinct from the existing genus Aestuariisphingobium of new.

Noviaestuariivirga

L. masc. adjective *novus*, new; L. fem. n. *Aestuariivirga*, An existing genus; *Noviaestuariivirga*: A genus related to but distinct from the existing genus Aestuariivirga of new.

Noviaestuariivita

L. masc. adjective *novus*, new; L. fem. n. *Aestuariivita*, An existing genus; *Noviaestuariivita*: A genus related to but distinct from the existing genus Aestuariivita of new.

Noviaestuarium

L. masc. adjective *novus*, new; L. neut. n. *Aestuarium*, An existing genus; *Noviaestuarium*: A genus related to but distinct from the existing genus Aestuarium of new.

Noviaetherobacter

L. masc. adjective *novus*, new; L. masc. n. *Aetherobacter*, An existing genus; *Noviaetherobacter*: A genus related to but distinct from the existing genus Aetherobacter of new.

Noviafifella

L. masc. adjective *novus*, new; L. fem. dim. n. *Afifella*, An existing genus; *Noviafifella*: A genus related to but distinct from the existing genus Afifella of new.

Noviafipia

L. masc. adjective *novus*, new; L. fem. n. *Afipia*, An existing genus; *Noviafipia*: A genus related to but distinct from the existing genus Afipia of new.

Noviagaribacter

L. masc. adjective *novus*, new; L. masc. n. *Agaribacter*, An existing genus; *Noviagaribacter*: A genus related to but distinct from the existing genus Agaribacter of new.

Noviagaribacterium

L. masc. adjective *novus*, new; L. neut. n. *Agaribacterium*, An existing genus; *Noviagaribacterium*: A genus related to but distinct from the existing genus Agaribacterium of new.

Noviagaricicola

L. masc. adjective *novus*, new; L. masc. n. *Agaricicola*, An existing genus; *Noviagaricicola*: A genus related to but distinct from the existing genus Agaricicola of new.

Noviagarilytica

L. masc. adjective *novus*, new; L. fem. n. *Agarilytica*, An existing genus; *Noviagarilytica*: A genus related to but distinct from the existing genus Agarilytica of new.

Noviagarivorans

L. masc. adjective *novus*, new; L. masc. n. *Agarivorans*, An existing genus; *Noviagarivorans*: A genus related to but distinct from the existing genus Agarivorans of new.

Noviagathobacter

L. masc. adjective *novus*, new; L. masc. n. *Agathobacter*, An existing genus; *Noviagathobacter*: A genus related to but distinct from the existing genus Agathobacter of new.

Noviagathobaculum

L. masc. adjective *novus*, new; L. neut. n. *Agathobaculum*, An existing genus; *Noviagathobaculum*: A genus related to but distinct from the existing genus Agathobaculum of new.

Noviaggregatibacter

L. masc. adjective *novus*, new; L. masc. n. *Aggregatibacter*, An existing genus; *Noviaggregatibacter*: A genus related to but distinct from the existing genus Aggregatibacter of new.

Noviaggregatilinea

L. masc. adjective *novus*, new; L. fem. n. *Aggregatilinea*, An existing genus; *Noviaggregatilinea*: A genus related to but distinct from the existing genus Aggregatilinea of new.

Noviaggregicoccus

L. masc. adjective *novus*, new; L. masc. n. *Aggregicoccus*, An existing genus; *Noviaggregicoccus*: A genus related to but distinct from the existing genus Aggregicoccus of new.

Noviagitococcus

L. masc. adjective *novus*, new; L. masc. n. *Agitococcus*, An existing genus; *Noviagitococcus*: A genus related to but distinct from the existing genus Agitococcus of new.

Noviagreia

L. masc. adjective *novus*, new; L. fem. n. *Agreia*, An existing genus; *Noviagreia*: A genus related to but distinct from the existing genus Agreia of new.

Noviagrilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Agrilactobacillus*, An existing genus; *Noviagrilactobacillus*: A genus related to but distinct from the existing genus Agrilactobacillus of new.

Noviagrobacterium

L. masc. adjective *novus*, new; L. neut. n. *Agrobacterium*, An existing genus; *Noviagrobacterium*: A genus related to but distinct from the existing genus Agrobacterium of new.

Noviagrococcus

L. masc. adjective *novus*, new; L. masc. n. *Agrococcus*, An existing genus; *Noviagrococcus*: A genus related to but distinct from the existing genus Agrococcus of new.

Noviagromonas

L. masc. adjective *novus*, new; L. fem. n. *Agromonas*, An existing genus; *Noviagromonas*: A genus related to but distinct from the existing genus Agromonas of new.

Noviagromyces

L. masc. adjective *novus*, new; L. masc. n. *Agromyces*, An existing genus; *Noviagromyces*: A genus related to but distinct from the existing genus Agromyces of new.

Noviahniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Ahniella*, An existing genus; *Noviahniella*: A genus related to but distinct from the existing genus Ahniella of new.

Noviahrensia

L. masc. adjective *novus*, new; L. fem. n. *Ahrensia*, An existing genus; *Noviahrensia*: A genus related to but distinct from the existing genus Ahrensia of new.

Noviaidingibacillus

L. masc. adjective *novus*, new; L. masc. n. *Aidingibacillus*, An existing genus; *Noviaidingibacillus*: A genus related to but distinct from the existing genus Aidingibacillus of new.

Noviaidingimonas

L. masc. adjective *novus*, new; L. fem. n. *Aidingimonas*, An existing genus; *Noviaidingimonas*: A genus related to but distinct from the existing genus Aidingimonas of new.

Noviakkermansia

L. masc. adjective *novus*, new; L. fem. n. *Akkermansia*, An existing genus; *Noviakkermansia*: A genus related to but distinct from the existing genus Akkermansia of new.

Novialbertania

L. masc. adjective *novus*, new; L. fem. n. *Albertania*, An existing genus; *Novialbertania*: A genus related to but distinct from the existing genus Albertania of new.

Novialbibacter

L. masc. adjective *novus*, new; L. masc. n. *Albibacter*, An existing genus; *Novialbibacter*: A genus related to but distinct from the existing genus Albibacter of new.

Novialbibacterium

L. masc. adjective *novus*, new; L. neut. n. *Albibacterium*, An existing genus; *Novialbibacterium*: A genus related to but distinct from the existing genus Albibacterium of new.

Novialbidiferax

L. masc. adjective *novus*, new; L. masc. n. *Albidiferax*, An existing genus; *Novialbidiferax*: A genus related to but distinct from the existing genus Albidiferax of new.

Novialbidovulum

L. masc. adjective *novus*, new; L. neut. n. *Albidovulum*, An existing genus; *Novialbidovulum*: A genus related to but distinct from the existing genus Albidovulum of new.

Novialbimonas

L. masc. adjective *novus*, new; L. fem. n. *Albimonas*, An existing genus; *Novialbimonas*: A genus related to but distinct from the existing genus Albimonas of new.

Novialbirhodobacter

L. masc. adjective *novus*, new; L. masc. n. *Albirhodobacter*, An existing genus; *Novialbirhodobacter*: A genus related to but distinct from the existing genus Albirhodobacter of new.

Novialbrightia

L. masc. adjective *novus*, new; L. fem. n. *Albrightia*, An existing genus; *Novialbrightia*: A genus related to but distinct from the existing genus Albrightia of new.

Novialcaligenes

L. masc. adjective *novus*, new; L. masc. n. *Alcaligenes*, An existing genus; *Novialcaligenes*: A genus related to but distinct from the existing genus Alcaligenes of new.

Novialcanivorax

L. masc. adjective *novus*, new; L. masc. n. *Alcanivorax*, An existing genus; *Novialcanivorax*: A genus related to but distinct from the existing genus Alcanivorax of new.

Novialdersonia

L. masc. adjective *novus*, new; L. fem. n. *Aldersonia*, An existing genus; *Novialdersonia*: A genus related to but distinct from the existing genus Aldersonia of new.

Novialgibacter

L. masc. adjective *novus*, new; L. masc. n. *Algibacter*, An existing genus; *Novialgibacter*: A genus related to but distinct from the existing genus Algibacter of new.

Novialgicoccus

L. masc. adjective *novus*, new; L. masc. n. *Algicoccus*, An existing genus; *Novialgicoccus*: A genus related to but distinct from the existing genus Algicoccus of new.

Novialgicola

L. masc. adjective *novus*, new; L. fem. n. *Algicola*, An existing genus; *Novialgicola*: A genus related to but distinct from the existing genus Algicola of new.

Novialgihabitans

L. masc. adjective *novus*, new; L. masc. n. *Algihabitans*, An existing genus; *Novialgihabitans*: A genus related to but distinct from the existing genus Algihabitans of new.

Novialgimonas

L. masc. adjective *novus*, new; L. fem. n. *Algimonas*, An existing genus; *Novialgimonas*: A genus related to but distinct from the existing genus Algimonas of new.

Novialginatibacterium

L. masc. adjective *novus*, new; L. neut. n. *Alginatibacterium*, An existing genus; *Novialginatibacterium*: A genus related to but distinct from the existing genus Alginatibacterium of new.

Novialgiphilus

L. masc. adjective *novus*, new; L. masc. n. *Algiphilus*, An existing genus; *Novialgiphilus*: A genus related to but distinct from the existing genus Algiphilus of new.

Novialgisphaera

L. masc. adjective *novus*, new; L. fem. n. *Algisphaera*, An existing genus; *Novialgisphaera*: A genus related to but distinct from the existing genus Algisphaera of new.

Novialgitalea

L. masc. adjective *novus*, new; L. fem. n. *Algitalea*, An existing genus; *Novialgitalea*: A genus related to but distinct from the existing genus Algitalea of new.

Novialgivirga

L. masc. adjective *novus*, new; L. fem. n. *Algivirga*, An existing genus; *Novialgivirga*: A genus related to but distinct from the existing genus Algivirga of new.

Novialgoriella

L. masc. adjective *novus*, new; L. fem. dim. n. *Algoriella*, An existing genus; *Novialgoriella*: A genus related to but distinct from the existing genus Algoriella of new.

Novialgorimarina

L. masc. adjective *novus*, new; L. fem. n. *Algorimarina*, An existing genus; *Novialgorimarina*: A genus related to but distinct from the existing genus Algorimarina of new.

Novialgoriphagus

L. masc. adjective *novus*, new; L. masc. n. *Algoriphagus*, An existing genus; *Novialgoriphagus*: A genus related to but distinct from the existing genus Algoriphagus of new.

Novialiagarivorans

L. masc. adjective *novus*, new; L. masc. n. *Aliagarivorans*, An existing genus; *Novialiagarivorans*: A genus related to but distinct from the existing genus Aliagarivorans of new.

Novialiarcobacter

L. masc. adjective *novus*, new; L. masc. n. *Aliarcobacter*, An existing genus; *Novialiarcobacter*: A genus related to but distinct from the existing genus Aliarcobacter of new.

Novialicycliphilus

L. masc. adjective *novus*, new; L. masc. n. *Alicycliphilus*, An existing genus; *Novialicycliphilus*: A genus related to but distinct from the existing genus Alicycliphilus of new.

Novialicyclobacillus

L. masc. adjective *novus*, new; L. masc. n. *Alicyclobacillus*, An existing genus; *Novialicyclobacillus*: A genus related to but distinct from the existing genus Alicyclobacillus of new.

Novialienimonas

L. masc. adjective *novus*, new; L. fem. n. *Alienimonas*, An existing genus; *Novialienimonas*: A genus related to but distinct from the existing genus Alienimonas of new.

Novialiibacillus

L. masc. adjective *novus*, new; L. masc. n. *Aliibacillus*, An existing genus; *Novialiibacillus*: A genus related to but distinct from the existing genus Aliibacillus of new.

Novialiicoccus

L. masc. adjective *novus*, new; L. masc. n. *Aliicoccus*, An existing genus; *Novialiicoccus*: A genus related to but distinct from the existing genus Aliicoccus of new.

Novialiidiomarina

L. masc. adjective *novus*, new; L. fem. n. *Aliidiomarina*, An existing genus; *Novialiidiomarina*: A genus related to but distinct from the existing genus Aliidiomarina of new.

Novialiidongia

L. masc. adjective *novus*, new; L. fem. n. *Aliidongia*, An existing genus; *Novialiidongia*: A genus related to but distinct from the existing genus Aliidongia of new.

Novialiifodinibius

L. masc. adjective *novus*, new; L. masc. n. *Aliifodinibius*, An existing genus; *Novialiifodinibius*: A genus related to but distinct from the existing genus Aliifodinibius of new.

Novialiiglaciecola

L. masc. adjective *novus*, new; L. fem. n. *Aliiglaciecola*, An existing genus; *Novialiiglaciecola*: A genus related to but distinct from the existing genus Aliiglaciecola of new.

Novialiihoeflea

L. masc. adjective *novus*, new; L. fem. n. *Aliihoeflea*, An existing genus; *Novialiihoeflea*: A genus related to but distinct from the existing genus Aliihoeflea of new.

Novialiikangiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Aliikangiella*, An existing genus; *Novialiikangiella*: A genus related to but distinct from the existing genus Aliikangiella of new.

Novialiinostoc

L. masc. adjective *novus*, new; L. neut. n. *Aliinostoc*, An existing genus; *Novialiinostoc*: A genus related to but distinct from the existing genus Aliinostoc of new.

Novialiiroseovarius

L. masc. adjective *novus*, new; L. masc. n. *Aliiroseovarius*, An existing genus; *Novialiiroseovarius*: A genus related to but distinct from the existing genus Aliiroseovarius of new.

Novialiisedimentitalea

L. masc. adjective *novus*, new; L. fem. n. *Aliisedimentitalea*, An existing genus; *Novialiisedimentitalea*: A genus related to but distinct from the existing genus Aliisedimentitalea of new.

Novialiishimia

L. masc. adjective *novus*, new; L. fem. n. *Aliishimia*, An existing genus; *Novialiishimia*: A genus related to but distinct from the existing genus Aliishimia of new.

Novialiivibrio

L. masc. adjective *novus*, new; L. masc. n. *Aliivibrio*, An existing genus; *Novialiivibrio*: A genus related to but distinct from the existing genus Aliivibrio of new.

Novialishewanella

L. masc. adjective *novus*, new; L. fem. dim. n. *Alishewanella*, An existing genus; *Novialishewanella*: A genus related to but distinct from the existing genus Alishewanella of new.

Novialistipes

L. masc. adjective *novus*, new; L. masc. n. *Alistipes*, An existing genus; *Novialistipes*: A genus related to but distinct from the existing genus Alistipes of new.

Novialiterella

L. masc. adjective *novus*, new; L. fem. dim. n. *Aliterella*, An existing genus; *Novialiterella*: A genus related to but distinct from the existing genus Aliterella of new.

Novialkalibacillus

L. masc. adjective *novus*, new; L. masc. n. *Alkalibacillus*, An existing genus; *Novialkalibacillus*: A genus related to but distinct from the existing genus Alkalibacillus of new.

Novialkalibacter

L. masc. adjective *novus*, new; L. masc. n. *Alkalibacter*, An existing genus; *Novialkalibacter*: A genus related to but distinct from the existing genus Alkalibacter of new.

Novialkalibacterium

L. masc. adjective *novus*, new; L. neut. n. *Alkalibacterium*, An existing genus; *Novialkalibacterium*: A genus related to but distinct from the existing genus Alkalibacterium of new.

Novialkalibaculum

L. masc. adjective *novus*, new; L. neut. n. *Alkalibaculum*, An existing genus; *Novialkalibaculum*: A genus related to but distinct from the existing genus Alkalibaculum of new.

Novialkalicoccus

L. masc. adjective *novus*, new; L. masc. n. *Alkalicoccus*, An existing genus; *Novialkalicoccus*: A genus related to but distinct from the existing genus Alkalicoccus of new.

Novialkaliflexus

L. masc. adjective *novus*, new; L. masc. n. *Alkaliflexus*, An existing genus; *Novialkaliflexus*: A genus related to but distinct from the existing genus Alkaliflexus of new.

Novialkalihalobacillus

L. masc. adjective *novus*, new; L. masc. n. *Alkalihalobacillus*, An existing genus; *Novialkalihalobacillus*: A genus related to but distinct from the existing genus Alkalihalobacillus of new.

Novialkalilactibacillus

L. masc. adjective *novus*, new; L. masc. n. *Alkalilactibacillus*, An existing genus; *Novialkalilactibacillus*: A genus related to but distinct from the existing genus Alkalilactibacillus of new.

Novialkalilacustris

L. masc. adjective *novus*, new; L. masc. n. *Alkalilacustris*, An existing genus; *Novialkalilacustris*: A genus related to but distinct from the existing genus Alkalilacustris of new.

Novialkalimarinus

L. masc. adjective *novus*, new; L. masc. n. *Alkalimarinus*, An existing genus; *Novialkalimarinus*: A genus related to but distinct from the existing genus Alkalimarinus of new.

Novialkalimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Alkalimicrobium*, An existing genus; *Novialkalimicrobium*: A genus related to but distinct from the existing genus Alkalimicrobium of new.

Novialkalimonas

L. masc. adjective *novus*, new; L. fem. n. *Alkalimonas*, An existing genus; *Novialkalimonas*: A genus related to but distinct from the existing genus Alkalimonas of new.

Novialkalinema

L. masc. adjective *novus*, new; L. neut. n. *Alkalinema*, An existing genus; *Novialkalinema*: A genus related to but distinct from the existing genus Alkalinema of new.

Novialkaliphilus

L. masc. adjective *novus*, new; L. masc. n. *Alkaliphilus*, An existing genus; *Novialkaliphilus*: A genus related to but distinct from the existing genus Alkaliphilus of new.

Novialkalispirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Alkalispirillum*, An existing genus; *Novialkalispirillum*: A genus related to but distinct from the existing genus Alkalispirillum of new.

Novialkalispirochaeta

L. masc. adjective *novus*, new; L. fem. n. *Alkalispirochaeta*, An existing genus; *Novialkalispirochaeta*: A genus related to but distinct from the existing genus Alkalispirochaeta of new.

Novialkalitalea

L. masc. adjective *novus*, new; L. fem. n. *Alkalitalea*, An existing genus; *Novialkalitalea*: A genus related to but distinct from the existing genus Alkalitalea of new.

Novialkanibacter

L. masc. adjective *novus*, new; L. masc. n. *Alkanibacter*, An existing genus; *Novialkanibacter*: A genus related to but distinct from the existing genus Alkanibacter of new.

Novialkanindiges

L. masc. adjective *novus*, new; L. masc. n. *Alkanindiges*, An existing genus; *Novialkanindiges*: A genus related to but distinct from the existing genus Alkanindiges of new.

Noviallisonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Allisonella*, An existing genus; *Noviallisonella*: A genus related to but distinct from the existing genus Allisonella of new.

Novialloactinosynnema

L. masc. adjective *novus*, new; L. neut. n. *Alloactinosynnema*, An existing genus; *Novialloactinosynnema*: A genus related to but distinct from the existing genus Alloactinosynnema of new.

Noviallobacillus

L. masc. adjective *novus*, new; L. masc. n. *Allobacillus*, An existing genus; *Noviallobacillus*: A genus related to but distinct from the existing genus Allobacillus of new.

Noviallobaculum

L. masc. adjective *novus*, new; L. neut. n. *Allobaculum*, An existing genus; *Noviallobaculum*: A genus related to but distinct from the existing genus Allobaculum of new.

Noviallobranchiibius

L. masc. adjective *novus*, new; L. masc. n. *Allobranchiibius*, An existing genus; *Noviallobranchiibius*: A genus related to but distinct from the existing genus Allobranchiibius of new.

Noviallocatelliglobosispora

L. masc. adjective *novus*, new; L. fem. n. *Allocatelliglobosispora*, An existing genus; *Noviallocatelliglobosispora*: A genus related to but distinct from the existing genus Allocatelliglobosispora of new.

Noviallochromatium

L. masc. adjective *novus*, new; L. neut. n. *Allochromatium*, An existing genus; *Noviallochromatium*: A genus related to but distinct from the existing genus Allochromatium of new.

Noviallofrancisella

L. masc. adjective *novus*, new; L. fem. dim. n. *Allofrancisella*, An existing genus; *Noviallofrancisella*: A genus related to but distinct from the existing genus Allofrancisella of new.

Noviallofustis

L. masc. adjective *novus*, new; L. masc. n. *Allofustis*, An existing genus; *Noviallofustis*: A genus related to but distinct from the existing genus Allofustis of new.

Noviallohahella

L. masc. adjective *novus*, new; L. fem. dim. n. *Allohahella*, An existing genus; *Noviallohahella*: A genus related to but distinct from the existing genus Allohahella of new.

Noviallohumibacter

L. masc. adjective *novus*, new; L. masc. n. *Allohumibacter*, An existing genus; *Noviallohumibacter*: A genus related to but distinct from the existing genus Allohumibacter of new.

Novialloiococcus

L. masc. adjective *novus*, new; L. masc. n. *Alloiococcus*, An existing genus; *Novialloiococcus*: A genus related to but distinct from the existing genus Alloiococcus of new.

Noviallokutzneria

L. masc. adjective *novus*, new; L. fem. n. *Allokutzneria*, An existing genus; *Noviallokutzneria*: A genus related to but distinct from the existing genus Allokutzneria of new.

Noviallomonas

L. masc. adjective *novus*, new; L. fem. n. *Allomonas*, An existing genus; *Noviallomonas*: A genus related to but distinct from the existing genus Allomonas of new.

Noviallonocardiopsis

L. masc. adjective *novus*, new; L. fem. n. *Allonocardiopsis*, An existing genus; *Noviallonocardiopsis*: A genus related to but distinct from the existing genus Allonocardiopsis of new.

Noviallopreveotella

L. masc. adjective *novus*, new; L. fem. dim. n. *Alloprevotella*, An existing genus; *Noviallopreveotella*: A genus related to but distinct from the existing genus Alloprevotella of new.

Noviallopseudarcicella

L. masc. adjective *novus*, new; L. fem. n. *Allopseudarcicella*, An existing genus; *Noviallopseudarcicella*: A genus related to but distinct from the existing genus Allopseudarcicella of new.

Noviallorhizobium

L. masc. adjective *novus*, new; L. neut. n. *Allorhizobium*, An existing genus; *Noviallorhizobium*: A genus related to but distinct from the existing genus Allorhizobium of new.

Noviallorhizocola

L. masc. adjective *novus*, new; L. masc. n. *Allorhizocola*, An existing genus; *Noviallorhizocola*: A genus related to but distinct from the existing genus Allorhizocola of new.

Noviallosalinactinospora

L. masc. adjective *novus*, new; L. fem. n. *Allosalinactinospora*, An existing genus; *Noviallosalinactinospora*: A genus related to but distinct from the existing genus Allosalinactinospora of new.

Novialloscardovia

L. masc. adjective *novus*, new; L. fem. n. *Alloscardovia*, An existing genus; *Novialloscardovia*: A genus related to but distinct from the existing genus Alloscardovia of new.

Noviallostreptomyces

L. masc. adjective *novus*, new; L. masc. n. *Allostreptomyces*, An existing genus; *Noviallostreptomyces*: A genus related to but distinct from the existing genus Allostreptomyces of new.

Novialpinimonas

L. masc. adjective *novus*, new; L. fem. n. *Alpinimonas*, An existing genus; *Novialpinimonas*: A genus related to but distinct from the existing genus Alpinimonas of new.

Novialsobacter

L. masc. adjective *novus*, new; L. masc. n. *Alsobacter*, An existing genus; *Novialsobacter*: A genus related to but distinct from the existing genus Alsobacter of new.

Novialtererythrobacter

L. masc. adjective *novus*, new; L. masc. n. *Altererythrobacter*, An existing genus; *Novialtererythrobacter*: A genus related to but distinct from the existing genus Altererythrobacter of new.

Novialteribacillus

L. masc. adjective *novus*, new; L. masc. n. *Alteribacillus*, An existing genus; *Novialteribacillus*: A genus related to but distinct from the existing genus Alteribacillus of new.

Novialterileibacterium

L. masc. adjective *novus*, new; L. neut. n. *Alterileibacterium*, An existing genus; *Novialterileibacterium*: A genus related to but distinct from the existing genus Alterileibacterium of new.

Novialterococcus

L. masc. adjective *novus*, new; L. masc. n. *Alterococcus*, An existing genus; *Novialterococcus*: A genus related to but distinct from the existing genus Alterococcus of new.

Novialteromonas

L. masc. adjective *novus*, new; L. fem. n. *Alteromonas*, An existing genus; *Novialteromonas*: A genus related to but distinct from the existing genus Alteromonas of new.

Novialtuibacter

L. masc. adjective *novus*, new; L. masc. n. *Altuibacter*, An existing genus; *Novialtuibacter*: A genus related to but distinct from the existing genus Altuibacter of new.

Novialysiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Alysiella*, An existing genus; *Novialysiella*: A genus related to but distinct from the existing genus Alysiella of new.

Noviamantichitinum

L. masc. adjective *novus*, new; L. neut. n. *Amantichitinum*, An existing genus; *Noviamantichitinum*: A genus related to but distinct from the existing genus Amantichitinum of new.

Noviamaricoccus

L. masc. adjective *novus*, new; L. masc. n. *Amaricoccus*, An existing genus; *Noviamaricoccus*: A genus related to but distinct from the existing genus Amaricoccus of new.

Noviamazoninema

L. masc. adjective *novus*, new; L. neut. n. *Amazoninema*, An existing genus; *Noviamazoninema*: A genus related to but distinct from the existing genus Amazoninema of new.

Noviamedibacillus

L. masc. adjective *novus*, new; L. masc. n. *Amedibacillus*, An existing genus; *Noviamedibacillus*: A genus related to but distinct from the existing genus Amedibacillus of new.

Noviamedibacterium

L. masc. adjective *novus*, new; L. neut. n. *Amedibacterium*, An existing genus; *Noviamedibacterium*: A genus related to but distinct from the existing genus Amedibacterium of new.

Noviameyamaea

L. masc. adjective *novus*, new; L. fem. n. *Ameyamaea*, An existing genus; *Noviameyamaea*: A genus related to but distinct from the existing genus Ameyamaea of new.

Noviaminiphilus

L. masc. adjective *novus*, new; L. masc. n. *Aminiphilus*, An existing genus; *Noviaminiphilus*: A genus related to but distinct from the existing genus Aminiphilus of new.

Noviaminipila

L. masc. adjective *novus*, new; L. fem. n. *Aminipila*, An existing genus; *Noviaminipila*: A genus related to but distinct from the existing genus Aminipila of new.

Noviaminivibrio

L. masc. adjective *novus*, new; L. masc. n. *Aminivibrio*, An existing genus; *Noviaminivibrio*: A genus related to but distinct from the existing genus Aminivibrio of new.

Noviaminobacter

L. masc. adjective *novus*, new; L. masc. n. *Aminobacter*, An existing genus; *Noviaminobacter*: A genus related to but distinct from the existing genus Aminobacter of new.

Noviaminobacterium

L. masc. adjective *novus*, new; L. neut. n. *Aminobacterium*, An existing genus; *Noviaminobacterium*: A genus related to but distinct from the existing genus Aminobacterium of new.

Noviaminomonas

L. masc. adjective *novus*, new; L. fem. n. *Aminomonas*, An existing genus; *Noviaminomonas*: A genus related to but distinct from the existing genus Aminomonas of new.

Noviammassolinea

L. masc. adjective *novus*, new; L. fem. n. *Ammassolinea*, An existing genus; *Noviammassolinea*: A genus related to but distinct from the existing genus Ammassolinea of new.

Noviammonifex

L. masc. adjective *novus*, new; L. masc. n. *Ammonifex*, An existing genus; *Noviammonifex*: A genus related to but distinct from the existing genus Ammonifex of new.

Noviammoniibacillus

L. masc. adjective *novus*, new; L. masc. n. *Ammoniibacillus*, An existing genus; *Noviammoniibacillus*: A genus related to but distinct from the existing genus Ammoniibacillus of new.

Noviammoniphilus

L. masc. adjective *novus*, new; L. masc. n. *Ammoniphilus*, An existing genus; *Noviammoniphilus*: A genus related to but distinct from the existing genus Ammoniphilus of new.

Noviamnibacterium

L. masc. adjective *novus*, new; L. neut. n. *Amnibacterium*, An existing genus; *Noviamnibacterium*: A genus related to but distinct from the existing genus Amnibacterium of new.

Noviamniculibacterium

L. masc. adjective *novus*, new; L. neut. n. *Amniculibacterium*, An existing genus; *Noviamniculibacterium*: A genus related to but distinct from the existing genus Amniculibacterium of new.

Noviamnimonas

L. masc. adjective *novus*, new; L. fem. n. *Amnimonas*, An existing genus; *Noviamnimonas*: A genus related to but distinct from the existing genus Amnimonas of new.

Noviamoebobacter

L. masc. adjective *novus*, new; L. masc. n. *Amoebobacter*, An existing genus; *Noviamoebobacter*: A genus related to but distinct from the existing genus Amoebobacter of new.

Noviamorphosporangium

L. masc. adjective *novus*, new; L. neut. n. *Amorphosporangium*, An existing genus; *Noviamorphosporangium*: A genus related to but distinct from the existing genus Amorphosporangium of new.

Noviamorphus

L. masc. adjective *novus*, new; L. masc. n. *Amorphus*, An existing genus; *Noviamorphus*: A genus related to but distinct from the existing genus Amorphus of new.

Noviamphibacillus

L. masc. adjective *novus*, new; L. masc. n. *Amphibacillus*, An existing genus; *Noviamphibacillus*: A genus related to but distinct from the existing genus Amphibacillus of new.

Noviamphiheterocytum

L. masc. adjective *novus*, new; L. neut. n. *Amphiheterocytum*, An existing genus; *Noviamphiheterocytum*: A genus related to but distinct from the existing genus Amphiheterocytum of new.

Noviamphiplicatus

L. masc. adjective *novus*, new; L. masc. n. *Amphiplicatus*, An existing genus; *Noviamphiplicatus*: A genus related to but distinct from the existing genus Amphiplicatus of new.

Noviampullariella

L. masc. adjective *novus*, new; L. fem. dim. n. *Ampullariella*, An existing genus; *Noviampullariella*: A genus related to but distinct from the existing genus Ampullariella of new.

Noviampullimonas

L. masc. adjective *novus*, new; L. fem. n. *Ampullimonas*, An existing genus; *Noviampullimonas*: A genus related to but distinct from the existing genus Ampullimonas of new.

Noviamycolata

L. masc. adjective *novus*, new; L. fem. n. *Amycolata*, An existing genus; *Noviamycolata*: A genus related to but distinct from the existing genus Amycolata of new.

Noviamycolatopsis

L. masc. adjective *novus*, new; L. fem. n. *Amycolatopsis*, An existing genus; *Noviamycolatopsis*: A genus related to but distinct from the existing genus Amycolatopsis of new.

Noviamycolicicoccus

L. masc. adjective *novus*, new; L. masc. n. *Amycolicicoccus*, An existing genus; *Noviamycolicicoccus*: A genus related to but distinct from the existing genus Amycolicicoccus of new.

Noviamylibacter

L. masc. adjective *novus*, new; L. masc. n. *Amylibacter*, An existing genus; *Noviamylibacter*: A genus related to but distinct from the existing genus Amylibacter of new.

Noviamylolactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Amylolactobacillus*, An existing genus; *Noviamylolactobacillus*: A genus related to but distinct from the existing genus Amylolactobacillus of new.

Novianaerobacillus

L. masc. adjective *novus*, new; L. masc. n. *Anaerobacillus*, An existing genus; *Novianaerobacillus*: A genus related to but distinct from the existing genus Anaerobacillus of new.

Novianaerobacterium

L. masc. adjective *novus*, new; L. neut. n. *Anaerobacterium*, An existing genus; *Novianaerobacterium*: A genus related to but distinct from the existing genus Anaerobacterium of new.

Novianaerobaculum

L. masc. adjective *novus*, new; L. neut. n. *Anaerobaculum*, An existing genus; *Novianaerobaculum*: A genus related to but distinct from the existing genus Anaerobaculum of new.

Novianaerobiospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Anaerobiospirillum*, An existing genus; *Novianaerobiospirillum*: A genus related to but distinct from the existing genus Anaerobiospirillum of new.

Novianaerobium

L. masc. adjective *novus*, new; L. neut. n. *Anaerobium*, An existing genus; *Novianaerobium*: A genus related to but distinct from the existing genus Anaerobium of new.

Novianaerobranca

L. masc. adjective *novus*, new; L. fem. n. *Anaerobranca*, An existing genus; *Novianaerobranca*: A genus related to but distinct from the existing genus Anaerobranca of new.

Novianaerobutyricum

L. masc. adjective *novus*, new; L. neut. n. *Anaerobutyricum*, An existing genus; *Novianaerobutyricum*: A genus related to but distinct from the existing genus Anaerobutyricum of new.

Novianaerocella

L. masc. adjective *novus*, new; L. fem. n. *Anaerocella*, An existing genus; *Novianaerocella*: A genus related to but distinct from the existing genus Anaerocella of new.

Novianaerococcus

L. masc. adjective *novus*, new; L. masc. n. *Anaerococcus*, An existing genus; *Novianaerococcus*: A genus related to but distinct from the existing genus Anaerococcus of new.

Novianaerofilum

L. masc. adjective *novus*, new; L. neut. n. *Anaerofilum*, An existing genus; *Novianaerofilum*: A genus related to but distinct from the existing genus Anaerofilum of new.

Novianaeroglobus

L. masc. adjective *novus*, new; L. masc. n. *Anaeroglobus*, An existing genus; *Novianaeroglobus*: A genus related to but distinct from the existing genus Anaeroglobus of new.

Novianaerohalosphaera

L. masc. adjective *novus*, new; L. fem. n. *Anaerohalosphaera*, An existing genus; *Novianaerohalosphaera*: A genus related to but distinct from the existing genus Anaerohalosphaera of new.

Novianaerolactibacter

L. masc. adjective *novus*, new; L. masc. n. *Anaerolactibacter*, An existing genus; *Novianaerolactibacter*: A genus related to but distinct from the existing genus Anaerolactibacter of new.

Novianaerolinea

L. masc. adjective *novus*, new; L. fem. n. *Anaerolinea*, An existing genus; *Novianaerolinea*: A genus related to but distinct from the existing genus Anaerolinea of new.

Novianaeromicrobium

L. masc. adjective *novus*, new; L. neut. n. *Anaeromicrobium*, An existing genus; *Novianaeromicrobium*: A genus related to but distinct from the existing genus Anaeromicrobium of new.

Novianaeromusa

L. masc. adjective *novus*, new; L. fem. n. *Anaeromusa*, An existing genus; *Novianaeromusa*: A genus related to but distinct from the existing genus Anaeromusa of new.

Novianaeromyxobacter

L. masc. adjective *novus*, new; L. masc. n. *Anaeromyxobacter*, An existing genus; *Novianaeromyxobacter*: A genus related to but distinct from the existing genus Anaeromyxobacter of new.

Novianaerophaga

L. masc. adjective *novus*, new; L. fem. n. *Anaerophaga*, An existing genus; *Novianaerophaga*: A genus related to but distinct from the existing genus Anaerophaga of new.

Novianaerophilus

L. masc. adjective *novus*, new; L. masc. n. *Anaerophilus*, An existing genus; *Novianaerophilus*: A genus related to but distinct from the existing genus Anaerophilus of new.

Novianaeroplasma

L. masc. adjective *novus*, new; L. neut. n. *Anaeroplasma*, An existing genus; *Novianaeroplasma*: A genus related to but distinct from the existing genus Anaeroplasma of new.

Novianaerorhabdus

L. masc. adjective *novus*, new; L. fem. n. *Anaerorhabdus*, An existing genus; *Novianaerorhabdus*: A genus related to but distinct from the existing genus Anaerorhabdus of new.

Novianaerosalibacter

L. masc. adjective *novus*, new; L. masc. n. *Anaerosalibacter*, An existing genus; *Novianaerosalibacter*: A genus related to but distinct from the existing genus Anaerosalibacter of new.

Novianaerosolibacter

L. masc. adjective *novus*, new; L. masc. n. *Anaerosolibacter*, An existing genus; *Novianaerosolibacter*: A genus related to but distinct from the existing genus Anaerosolibacter of new.

Novianaerosphaera

L. masc. adjective *novus*, new; L. fem. n. *Anaerosphaera*, An existing genus; *Novianaerosphaera*: A genus related to but distinct from the existing genus Anaerosphaera of new.

Novianaerospora

L. masc. adjective *novus*, new; L. fem. n. *Anaerospora*, An existing genus; *Novianaerospora*: A genus related to but distinct from the existing genus Anaerospora of new.

Novianaerosporobacter

L. masc. adjective *novus*, new; L. masc. n. *Anaerosporobacter*, An existing genus; *Novianaerosporobacter*: A genus related to but distinct from the existing genus Anaerosporobacter of new.

Novianaerosporomusa

L. masc. adjective *novus*, new; L. fem. n. *Anaerosporomusa*, An existing genus; *Novianaerosporomusa*: A genus related to but distinct from the existing genus Anaerosporomusa of new.

Novianaerotignum

L. masc. adjective *novus*, new; L. neut. n. *Anaerotignum*, An existing genus; *Novianaerotignum*: A genus related to but distinct from the existing genus Anaerotignum of new.

Novianaerotruncus

L. masc. adjective *novus*, new; L. masc. n. *Anaerotruncus*, An existing genus; *Novianaerotruncus*: A genus related to but distinct from the existing genus Anaerotruncus of new.

Novianaerovibrio

L. masc. adjective *novus*, new; L. masc. n. *Anaerovibrio*, An existing genus; *Novianaerovibrio*: A genus related to but distinct from the existing genus Anaerovibrio of new.

Novianaerovirgula

L. masc. adjective *novus*, new; L. fem. dim. n. *Anaerovirgula*, An existing genus; *Novianaerovirgula*: A genus related to but distinct from the existing genus Anaerovirgula of new.

Novianaerovorax

L. masc. adjective *novus*, new; L. masc. n. *Anaerovorax*, An existing genus; *Novianaerovorax*: A genus related to but distinct from the existing genus Anaerovorax of new.

Novianaplasma

L. masc. adjective *novus*, new; L. neut. n. *Anaplasma*, An existing genus; *Novianaplasma*: A genus related to but distinct from the existing genus Anaplasma of new.

Noviancalochloris

L. masc. adjective *novus*, new; L. fem. n. *Ancalochloris*, An existing genus; *Noviancalochloris*: A genus related to but distinct from the existing genus Ancalochloris of new.

Noviancalomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Ancalomicrobium*, An existing genus; *Noviancalomicrobium*: A genus related to but distinct from the existing genus Ancalomicrobium of new.

Noviancylobacter

L. masc. adjective *novus*, new; L. masc. n. *Ancylobacter*, An existing genus; *Noviancylobacter*: A genus related to but distinct from the existing genus Ancylobacter of new.

Noviancylomarina

L. masc. adjective *novus*, new; L. fem. n. *Ancylomarina*, An existing genus; *Noviancylomarina*: A genus related to but distinct from the existing genus Ancylomarina of new.

Noviancylothrix

L. masc. adjective *novus*, new; L. fem. n. *Ancylothrix*, An existing genus; *Noviancylothrix*: A genus related to but distinct from the existing genus Ancylothrix of new.

Noviandersenielle

L. masc. adjective *novus*, new; L. fem. dim. n. *Anderseniella*, An existing genus; *Noviandersenielle*: A genus related to but distinct from the existing genus Anderseniella of new.

Noviandreesenia

L. masc. adjective *novus*, new; L. fem. n. *Andreesenia*, An existing genus; *Noviandreesenia*: A genus related to but distinct from the existing genus Andreesenia of new.

Noviandreprevotia

L. masc. adjective *novus*, new; L. fem. n. *Andreprevotia*, An existing genus; *Noviandreprevotia*: A genus related to but distinct from the existing genus Andreprevotia of new.

Novianeurinibacillus

L. masc. adjective *novus*, new; L. masc. n. *Aneurinibacillus*, An existing genus; *Novianeurinibacillus*: A genus related to but distinct from the existing genus Aneurinibacillus of new.

Noviangelakisella

L. masc. adjective *novus*, new; L. fem. dim. n. *Angelakisella*, An existing genus; *Noviangelakisella*: A genus related to but distinct from the existing genus Angelakisella of new.

Noviangiococcus

L. masc. adjective *novus*, new; L. masc. n. *Angiococcus*, An existing genus; *Noviangiococcus*: A genus related to but distinct from the existing genus Angiococcus of new.

Noviangulomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Angulomicrobium*, An existing genus; *Noviangulomicrobium*: A genus related to but distinct from the existing genus Angulomicrobium of new.

Noviangustibacter

L. masc. adjective *novus*, new; L. masc. n. *Angustibacter*, An existing genus; *Noviangustibacter*: A genus related to but distinct from the existing genus Angustibacter of new.

Noviannwoodia

L. masc. adjective *novus*, new; L. fem. n. *Annwoodia*, An existing genus; *Noviannwoodia*: A genus related to but distinct from the existing genus Annwoodia of new.

Novianoxybacillus

L. masc. adjective *novus*, new; L. masc. n. *Anoxybacillus*, An existing genus; *Novianoxybacillus*: A genus related to but distinct from the existing genus Anoxybacillus of new.

Novianoxybacter

L. masc. adjective *novus*, new; L. masc. n. *Anoxybacter*, An existing genus; *Novianoxybacter*: A genus related to but distinct from the existing genus Anoxybacter of new.

Novianoxynatronum

L. masc. adjective *novus*, new; L. neut. n. *Anoxynatronum*, An existing genus; *Novianoxynatronum*: A genus related to but distinct from the existing genus Anoxynatronum of new.

Novianseongella

L. masc. adjective *novus*, new; L. fem. dim. n. *Anseongella*, An existing genus; *Novianseongella*: A genus related to but distinct from the existing genus Anseongella of new.

Noviantarcticibacterium

L. masc. adjective *novus*, new; L. neut. n. *Antarcticibacterium*, An existing genus; *Noviantarcticibacterium*: A genus related to but distinct from the existing genus Antarcticibacterium of new.

Noviantarcticimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Antarcticimicrobium*, An existing genus; *Noviantarcticimicrobium*: A genus related to but distinct from the existing genus Antarcticimicrobium of new.

Noviantarcticimonas

L. masc. adjective *novus*, new; L. fem. n. *Antarcticimonas*, An existing genus; *Noviantarcticimonas*: A genus related to but distinct from the existing genus Antarcticimonas of new.

Noviantarctobacter

L. masc. adjective *novus*, new; L. masc. n. *Antarctobacter*, An existing genus; *Noviantarctobacter*: A genus related to but distinct from the existing genus Antarctobacter of new.

Noviantribacter

L. masc. adjective *novus*, new; L. masc. n. *Antribacter*, An existing genus; *Noviantribacter*: A genus related to but distinct from the existing genus Antribacter of new.

Noviantricoccus

L. masc. adjective *novus*, new; L. masc. n. *Antricoccus*, An existing genus; *Noviantricoccus*: A genus related to but distinct from the existing genus Antricoccus of new.

Noviaphanizomenon

L. masc. adjective *novus*, new; L. neut. n. *Aphanizomenon*, An existing genus; *Noviaphanizomenon*: A genus related to but distinct from the existing genus Aphanizomenon of new.

Noviapibacter

L. masc. adjective *novus*, new; L. masc. n. *Apibacter*, An existing genus; *Noviapibacter*: A genus related to but distinct from the existing genus Apibacter of new.

Noviapilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Apilactobacillus*, An existing genus; *Noviapilactobacillus*: A genus related to but distinct from the existing genus Apilactobacillus of new.

Noviaplanobacter

L. masc. adjective *novus*, new; L. masc. n. *Aplanobacter*, An existing genus; *Noviaplanobacter*: A genus related to but distinct from the existing genus Aplanobacter of new.

Noviaquabacter

L. masc. adjective *novus*, new; L. masc. n. *Aquabacter*, An existing genus; *Noviaquabacter*: A genus related to but distinct from the existing genus Aquabacter of new.

Noviaquabacterium

L. masc. adjective *novus*, new; L. neut. n. *Aquabacterium*, An existing genus; *Noviaquabacterium*: A genus related to but distinct from the existing genus Aquabacterium of new.

Noviaquamicrobium

L. masc. adjective *novus*, new; L. neut. n. *Aquamicrobium*, An existing genus; *Noviaquamicrobium*: A genus related to but distinct from the existing genus Aquamicrobium of new.

Noviaquaspirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Aquaspirillum*, An existing genus; *Noviaquaspirillum*: A genus related to but distinct from the existing genus Aquaspirillum of new.

Noviaquaticitalea

L. masc. adjective *novus*, new; L. fem. n. *Aquaticitalea*, An existing genus; *Noviaquaticitalea*: A genus related to but distinct from the existing genus Aquaticitalea of new.

Noviaquella

L. masc. adjective *novus*, new; L. fem. dim. n. *Aquella*, An existing genus; *Noviaquella*: A genus related to but distinct from the existing genus Aquella of new.

Noviaquibacillus

L. masc. adjective *novus*, new; L. masc. n. *Aquibacillus*, An existing genus; *Noviaquibacillus*: A genus related to but distinct from the existing genus Aquibacillus of new.

Noviaquibacter

L. masc. adjective *novus*, new; L. masc. n. *Aquibacter*, An existing genus; *Noviaquibacter*: A genus related to but distinct from the existing genus Aquibacter of new.

Noviaquicella

L. masc. adjective *novus*, new; L. fem. n. *Aquicella*, An existing genus; *Noviaquicella*: A genus related to but distinct from the existing genus Aquicella of new.

Noviaquichromatium

L. masc. adjective *novus*, new; L. neut. n. *Aquichromatium*, An existing genus; *Noviaquichromatium*: A genus related to but distinct from the existing genus Aquichromatium of new.

Noviaquicoccus

L. masc. adjective *novus*, new; L. masc. n. *Aquicoccus*, An existing genus; *Noviaquicoccus*: A genus related to but distinct from the existing genus Aquicoccus of new.

Noviaquidulcibacter

L. masc. adjective *novus*, new; L. masc. n. *Aquidulcibacter*, An existing genus; *Noviaquidulcibacter*: A genus related to but distinct from the existing genus Aquidulcibacter of new.

Noviaquifex

L. masc. adjective *novus*, new; L. masc. n. *Aquifex*, An existing genus; *Noviaquifex*: A genus related to but distinct from the existing genus Aquifex of new.

Noviaquiflexum

L. masc. adjective *novus*, new; L. neut. n. *Aquiflexum*, An existing genus; *Noviaquiflexum*: A genus related to but distinct from the existing genus Aquiflexum of new.

Noviaquihabitans

L. masc. adjective *novus*, new; L. masc. n. *Aquihabitans*, An existing genus; *Noviaquihabitans*: A genus related to but distinct from the existing genus Aquihabitans of new.

Noviaquimarina

L. masc. adjective *novus*, new; L. fem. n. *Aquimarina*, An existing genus; *Noviaquimarina*: A genus related to but distinct from the existing genus Aquimarina of new.

Noviaquimixticola

L. masc. adjective *novus*, new; L. masc. n. *Aquimixticola*, An existing genus; *Noviaquimixticola*: A genus related to but distinct from the existing genus Aquimixticola of new.

Noviaquimonas

L. masc. adjective *novus*, new; L. fem. n. *Aquimonas*, An existing genus; *Noviaquimonas*: A genus related to but distinct from the existing genus Aquimonas of new.

Noviaquincola

L. masc. adjective *novus*, new; L. masc. n. *Aquincola*, An existing genus; *Noviaquincola*: A genus related to but distinct from the existing genus Aquincola of new.

Noviaquipuribacter

L. masc. adjective *novus*, new; L. masc. n. *Aquipuribacter*, An existing genus; *Noviaquipuribacter*: A genus related to but distinct from the existing genus Aquipuribacter of new.

Noviaquirufa

L. masc. adjective *novus*, new; L. fem. n. *Aquirufa*, An existing genus; *Noviaquirufa*: A genus related to but distinct from the existing genus Aquirufa of new.

Noviaquisalibacillus

L. masc. adjective *novus*, new; L. masc. n. *Aquisalibacillus*, An existing genus; *Noviaquisalibacillus*: A genus related to but distinct from the existing genus Aquisalibacillus of new.

Noviaquisalimonas

L. masc. adjective *novus*, new; L. fem. n. *Aquisalimonas*, An existing genus; *Noviaquisalimonas*: A genus related to but distinct from the existing genus Aquisalimonas of new.

Noviaquisalinus

L. masc. adjective *novus*, new; L. masc. n. *Aquisalinus*, An existing genus; *Noviaquisalinus*: A genus related to but distinct from the existing genus Aquisalinus of new.

Noviaquisediminimonas

L. masc. adjective *novus*, new; L. fem. n. *Aquisediminimonas*, An existing genus; *Noviaquisediminimonas*: A genus related to but distinct from the existing genus Aquisediminimonas of new.

Noviaquisphaera

L. masc. adjective *novus*, new; L. fem. n. *Aquisphaera*, An existing genus; *Noviaquisphaera*: A genus related to but distinct from the existing genus Aquisphaera of new.

Noviaquitalea

L. masc. adjective *novus*, new; L. fem. n. *Aquitalea*, An existing genus; *Noviaquitalea*: A genus related to but distinct from the existing genus Aquitalea of new.

Noviarachidicoccus

L. masc. adjective *novus*, new; L. masc. n. *Arachidicoccus*, An existing genus; *Noviarachidicoccus*: A genus related to but distinct from the existing genus Arachidicoccus of new.

Noviarachnia

L. masc. adjective *novus*, new; L. fem. n. *Arachnia*, An existing genus; *Noviarachnia*: A genus related to but distinct from the existing genus Arachnia of new.

Noviarcanobacterium

L. masc. adjective *novus*, new; L. neut. n. *Arcanobacterium*, An existing genus; *Noviarcanobacterium*: A genus related to but distinct from the existing genus Arcanobacterium of new.

Noviarchaeoglobus

L. masc. adjective *novus*, new; L. masc. n. *Archaeoglobus*, An existing genus; *Noviarchaeoglobus*: A genus related to but distinct from the existing genus Archaeoglobus of new.

Noviarchangium

L. masc. adjective *novus*, new; L. neut. n. *Archangium*, An existing genus; *Noviarchangium*: A genus related to but distinct from the existing genus Archangium of new.

Noviarcicella

L. masc. adjective *novus*, new; L. fem. n. *Arcicella*, An existing genus; *Noviarcicella*: A genus related to but distinct from the existing genus Arcicella of new.

Noviarcobacter

L. masc. adjective *novus*, new; L. masc. n. *Arcobacter*, An existing genus; *Noviarcobacter*: A genus related to but distinct from the existing genus Arcobacter of new.

Noviarcticibacter

L. masc. adjective *novus*, new; L. masc. n. *Arcticibacter*, An existing genus; *Noviarcticibacter*: A genus related to but distinct from the existing genus Arcticibacter of new.

Noviarcticibacterium

L. masc. adjective *novus*, new; L. neut. n. *Arcticibacterium*, An existing genus; *Noviarcticibacterium*: A genus related to but distinct from the existing genus Arcticibacterium of new.

Noviarcticiflavibacter

L. masc. adjective *novus*, new; L. masc. n. *Arcticiflavibacter*, An existing genus; *Noviarcticiflavibacter*: A genus related to but distinct from the existing genus Arcticiflavibacter of new.

Noviardenticatena

L. masc. adjective *novus*, new; L. fem. n. *Ardenticatena*, An existing genus; *Noviardenticatena*: A genus related to but distinct from the existing genus Ardenticatena of new.

Noviarenibacillus

L. masc. adjective *novus*, new; L. masc. n. *Arenibacillus*, An existing genus; *Noviarenibacillus*: A genus related to but distinct from the existing genus Arenibacillus of new.

Noviarenibacter

L. masc. adjective *novus*, new; L. masc. n. *Arenibacter*, An existing genus; *Noviarenibacter*: A genus related to but distinct from the existing genus Arenibacter of new.

Noviarenicella

L. masc. adjective *novus*, new; L. fem. n. *Arenicella*, An existing genus; *Noviarenicella*: A genus related to but distinct from the existing genus Arenicella of new.

Noviarenimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Arenimicrobium*, An existing genus; *Noviarenimicrobium*: A genus related to but distinct from the existing genus Arenimicrobium of new.

Noviarenimonas

L. masc. adjective *novus*, new; L. fem. n. *Arenimonas*, An existing genus; *Noviarenimonas*: A genus related to but distinct from the existing genus Arenimonas of new.

Noviarenitalea

L. masc. adjective *novus*, new; L. fem. n. *Arenitalea*, An existing genus; *Noviarenitalea*: A genus related to but distinct from the existing genus Arenitalea of new.

Noviarhodomonas

L. masc. adjective *novus*, new; L. fem. n. *Arhodomonas*, An existing genus; *Noviarhodomonas*: A genus related to but distinct from the existing genus Arhodomonas of new.

Noviaridibacter

L. masc. adjective *novus*, new; L. masc. n. *Aridibacter*, An existing genus; *Noviaridibacter*: A genus related to but distinct from the existing genus Aridibacter of new.

Noviarmatimonas

L. masc. adjective *novus*, new; L. fem. n. *Armatimonas*, An existing genus; *Noviarmatimonas*: A genus related to but distinct from the existing genus Armatimonas of new.

Noviarsenicibacter

L. masc. adjective *novus*, new; L. masc. n. *Arsenicibacter*, An existing genus; *Noviarsenicibacter*: A genus related to but distinct from the existing genus Arsenicibacter of new.

Noviarsenicicoccus

L. masc. adjective *novus*, new; L. masc. n. *Arsenicicoccus*, An existing genus; *Noviarsenicicoccus*: A genus related to but distinct from the existing genus Arsenicicoccus of new.

Noviarsenicitalea

L. masc. adjective *novus*, new; L. fem. n. *Arsenicitalea*, An existing genus; *Noviarsenicitalea*: A genus related to but distinct from the existing genus Arsenicitalea of new.

Noviarsenophonus

L. masc. adjective *novus*, new; L. masc. n. *Arsenophonus*, An existing genus; *Noviarsenophonus*: A genus related to but distinct from the existing genus Arsenophonus of new.

Noviarsukibacterium

L. masc. adjective *novus*, new; L. neut. n. *Arsukibacterium*, An existing genus; *Noviarsukibacterium*: A genus related to but distinct from the existing genus Arsukibacterium of new.

Noviarthrobacter

L. masc. adjective *novus*, new; L. masc. n. *Arthrobacter*, An existing genus; *Noviarthrobacter*: A genus related to but distinct from the existing genus Arthrobacter of new.

Noviarthrospira

L. masc. adjective *novus*, new; L. fem. n. *Arthrospira*, An existing genus; *Noviarthrospira*: A genus related to but distinct from the existing genus Arthrospira of new.

Noviarthrospiribacter

L. masc. adjective *novus*, new; L. masc. n. *Arthrospiribacter*, An existing genus; *Noviarthrospiribacter*: A genus related to but distinct from the existing genus Arthrospiribacter of new.

Noviarundinibacter

L. masc. adjective *novus*, new; L. masc. n. *Arundinibacter*, An existing genus; *Noviarundinibacter*: A genus related to but distinct from the existing genus Arundinibacter of new.

Noviarvibacter

L. masc. adjective *novus*, new; L. masc. n. *Arvibacter*, An existing genus; *Noviarvibacter*: A genus related to but distinct from the existing genus Arvibacter of new.

Noviasaccharobacter

L. masc. adjective *novus*, new; L. masc. n. *Asaccharobacter*, An existing genus; *Noviasaccharobacter*: A genus related to but distinct from the existing genus Asaccharobacter of new.

Noviasaccharospora

L. masc. adjective *novus*, new; L. fem. n. *Asaccharospora*, An existing genus; *Noviasaccharospora*: A genus related to but distinct from the existing genus Asaccharospora of new.

Noviasaia

L. masc. adjective *novus*, new; L. fem. n. *Asaia*, An existing genus; *Noviasaia*: A genus related to but distinct from the existing genus Asaia of new.

Noviasanoa

L. masc. adjective *novus*, new; L. fem. n. *Asanoa*, An existing genus; *Noviasanoa*: A genus related to but distinct from the existing genus Asanoa of new.

Noviascidiaceibacter

L. masc. adjective *novus*, new; L. masc. n. *Ascidiaceibacter*, An existing genus; *Noviascidiaceibacter*: A genus related to but distinct from the existing genus Ascidiaceibacter of new.

Noviascidiaceihabitans

L. masc. adjective *novus*, new; L. masc. n. *Ascidiaceihabitans*, An existing genus; *Noviascidiaceihabitans*: A genus related to but distinct from the existing genus Ascidiaceihabitans of new.

Noviascidiimonas

L. masc. adjective *novus*, new; L. fem. n. *Ascidiimonas*, An existing genus; *Noviascidiimonas*: A genus related to but distinct from the existing genus Ascidiimonas of new.

Noviasinibacterium

L. masc. adjective *novus*, new; L. neut. n. *Asinibacterium*, An existing genus; *Noviasinibacterium*: A genus related to but distinct from the existing genus Asinibacterium of new.

Noviasprobacter

L. masc. adjective *novus*, new; L. masc. n. *Asprobacter*, An existing genus; *Noviasprobacter*: A genus related to but distinct from the existing genus Asprobacter of new.

Noviaspromonas

L. masc. adjective *novus*, new; L. fem. n. *Aspromonas*, An existing genus; *Noviaspromonas*: A genus related to but distinct from the existing genus Aspromonas of new.

Noviasteroleplasma

L. masc. adjective *novus*, new; L. neut. n. *Asteroleplasma*, An existing genus; *Noviasteroleplasma*: A genus related to but distinct from the existing genus Asteroleplasma of new.

Noviasticcacaulis

L. masc. adjective *novus*, new; L. masc. n. *Asticcacaulis*, An existing genus; *Noviasticcacaulis*: A genus related to but distinct from the existing genus Asticcacaulis of new.

Noviathalassotoga

L. masc. adjective *novus*, new; L. fem. n. *Athalassotoga*, An existing genus; *Noviathalassotoga*: A genus related to but distinct from the existing genus Athalassotoga of new.

Noviatlantibacter

L. masc. adjective *novus*, new; L. masc. n. *Atlantibacter*, An existing genus; *Noviatlantibacter*: A genus related to but distinct from the existing genus Atlantibacter of new.

Noviatopobacter

L. masc. adjective *novus*, new; L. masc. n. *Atopobacter*, An existing genus; *Noviatopobacter*: A genus related to but distinct from the existing genus Atopobacter of new.

Noviatopobium

L. masc. adjective *novus*, new; L. neut. n. *Atopobium*, An existing genus; *Noviatopobium*: A genus related to but distinct from the existing genus Atopobium of new.

Noviatopococcus

L. masc. adjective *novus*, new; L. masc. n. *Atopococcus*, An existing genus; *Noviatopococcus*: A genus related to but distinct from the existing genus Atopococcus of new.

Noviatopostipes

L. masc. adjective *novus*, new; L. masc. n. *Atopostipes*, An existing genus; *Noviatopostipes*: A genus related to but distinct from the existing genus Atopostipes of new.

Noviaurantiacicella

L. masc. adjective *novus*, new; L. fem. n. *Aurantiacicella*, An existing genus; *Noviaurantiacicella*: A genus related to but distinct from the existing genus Aurantiacicella of new.

Noviaurantibacter

L. masc. adjective *novus*, new; L. masc. n. *Aurantibacter*, An existing genus; *Noviaurantibacter*: A genus related to but distinct from the existing genus Aurantibacter of new.

Noviaurantimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Aurantimicrobium*, An existing genus; *Noviaurantimicrobium*: A genus related to but distinct from the existing genus Aurantimicrobium of new.

Noviaurantimonas

L. masc. adjective *novus*, new; L. fem. n. *Aurantimonas*, An existing genus; *Noviaurantimonas*: A genus related to but distinct from the existing genus Aurantimonas of new.

Noviaurantisolimonas

L. masc. adjective *novus*, new; L. fem. n. *Aurantisolimonas*, An existing genus; *Noviaurantisolimonas*: A genus related to but distinct from the existing genus Aurantisolimonas of new.

Noviaurantivirga

L. masc. adjective *novus*, new; L. fem. n. *Aurantivirga*, An existing genus; *Noviaurantivirga*: A genus related to but distinct from the existing genus Aurantivirga of new.

Noviauraticoccus

L. masc. adjective *novus*, new; L. masc. n. *Auraticoccus*, An existing genus; *Noviauraticoccus*: A genus related to but distinct from the existing genus Auraticoccus of new.

Noviaureibacillus

L. masc. adjective *novus*, new; L. masc. n. *Aureibacillus*, An existing genus; *Noviaureibacillus*: A genus related to but distinct from the existing genus Aureibacillus of new.

Noviaureibacter

L. masc. adjective *novus*, new; L. masc. n. *Aureibacter*, An existing genus; *Noviaureibacter*: A genus related to but distinct from the existing genus Aureibacter of new.

Noviaureibaculum

L. masc. adjective *novus*, new; L. neut. n. *Aureibaculum*, An existing genus; *Noviaureibaculum*: A genus related to but distinct from the existing genus Aureibaculum of new.

Noviaureicoccus

L. masc. adjective *novus*, new; L. masc. n. *Aureicoccus*, An existing genus; *Noviaureicoccus*: A genus related to but distinct from the existing genus Aureicoccus of new.

Noviaureimonas

L. masc. adjective *novus*, new; L. fem. n. *Aureimonas*, An existing genus; *Noviaureimonas*: A genus related to but distinct from the existing genus Aureimonas of new.

Noviaureisphaera

L. masc. adjective *novus*, new; L. fem. n. *Aureisphaera*, An existing genus; *Noviaureisphaera*: A genus related to but distinct from the existing genus Aureisphaera of new.

Noviaureispira

L. masc. adjective *novus*, new; L. fem. n. *Aureispira*, An existing genus; *Noviaureispira*: A genus related to but distinct from the existing genus Aureispira of new.

Noviaureitalea

L. masc. adjective *novus*, new; L. fem. n. *Aureitalea*, An existing genus; *Noviaureitalea*: A genus related to but distinct from the existing genus Aureitalea of new.

Noviaureivirga

L. masc. adjective *novus*, new; L. fem. n. *Aureivirga*, An existing genus; *Noviaureivirga*: A genus related to but distinct from the existing genus Aureivirga of new.

Noviaureliella

L. masc. adjective *novus*, new; L. fem. dim. n. *Aureliella*, An existing genus; *Noviaureliella*: A genus related to but distinct from the existing genus Aureliella of new.

Noviaureobacterium

L. masc. adjective *novus*, new; L. neut. n. *Aureobacterium*, An existing genus; *Noviaureobacterium*: A genus related to but distinct from the existing genus Aureobacterium of new.

Noviauricoccus

L. masc. adjective *novus*, new; L. masc. n. *Auricoccus*, An existing genus; *Noviauricoccus*: A genus related to but distinct from the existing genus Auricoccus of new.

Noviauritidibacter

L. masc. adjective *novus*, new; L. masc. n. *Auritidibacter*, An existing genus; *Noviauritidibacter*: A genus related to but distinct from the existing genus Auritidibacter of new.

Noviaustwickia

L. masc. adjective *novus*, new; L. fem. n. *Austwickia*, An existing genus; *Noviaustwickia*: A genus related to but distinct from the existing genus Austwickia of new.

Noviavibacterium

L. masc. adjective *novus*, new; L. neut. n. *Avibacterium*, An existing genus; *Noviavibacterium*: A genus related to but distinct from the existing genus Avibacterium of new.

Noviazoarcus

L. masc. adjective *novus*, new; L. masc. n. *Azoarcus*, An existing genus; *Noviazoarcus*: A genus related to but distinct from the existing genus Azoarcus of new.

Noviazohydromonas

L. masc. adjective *novus*, new; L. fem. n. *Azohydromonas*, An existing genus; *Noviazohydromonas*: A genus related to but distinct from the existing genus Azohydromonas of new.

Noviazomonas

L. masc. adjective *novus*, new; L. fem. n. *Azomonas*, An existing genus; *Noviazomonas*: A genus related to but distinct from the existing genus Azomonas of new.

Noviazonexus

L. masc. adjective *novus*, new; L. masc. n. *Azonexus*, An existing genus; *Noviazonexus*: A genus related to but distinct from the existing genus Azonexus of new.

Noviazorhizobium

L. masc. adjective *novus*, new; L. neut. n. *Azorhizobium*, An existing genus; *Noviazorhizobium*: A genus related to but distinct from the existing genus Azorhizobium of new.

Noviazospira

L. masc. adjective *novus*, new; L. fem. n. *Azospira*, An existing genus; *Noviazospira*: A genus related to but distinct from the existing genus Azospira of new.

Noviazospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Azospirillum*, An existing genus; *Noviazospirillum*: A genus related to but distinct from the existing genus Azospirillum of new.

Noviazotobacter

L. masc. adjective *novus*, new; L. masc. n. *Azotobacter*, An existing genus; *Noviazotobacter*: A genus related to but distinct from the existing genus Azotobacter of new.

Noviazovibrio

L. masc. adjective *novus*, new; L. masc. n. *Azovibrio*, An existing genus; *Noviazovibrio*: A genus related to but distinct from the existing genus Azovibrio of new.

Novibacilliculturomica

L. masc. adjective *novus*, new; L. fem. n. *Bacilliculturomica*, An existing genus; *Novibacilliculturomica*: A genus related to but distinct from the existing genus Bacilliculturomica of new.

Novibacteriolyticum

L. masc. adjective *novus*, new; L. neut. n. *Bacteriolyticum*, An existing genus; *Novibacteriolyticum*: A genus related to but distinct from the existing genus Bacteriolyticum of new.

Novibacterionema

L. masc. adjective *novus*, new; L. neut. n. *Bacterionema*, An existing genus; *Novibacterionema*: A genus related to but distinct from the existing genus Bacterionema of new.

Novibacterioplanes

L. masc. adjective *novus*, new; L. masc. n. *Bacterioplanes*, An existing genus; *Novibacterioplanes*: A genus related to but distinct from the existing genus Bacterioplanes of new.

Novibacterioplanoides

L. masc. adjective *novus*, new; L. neut. n. *Bacterioplanoides*, An existing genus; *Novibacterioplanoides*: A genus related to but distinct from the existing genus Bacterioplanoides of new.

Novibacteriovorax

L. masc. adjective *novus*, new; L. masc. n. *Bacteriovorax*, An existing genus; *Novibacteriovorax*: A genus related to but distinct from the existing genus Bacteriovorax of new.

Novibacteroides

L. masc. adjective *novus*, new; L. masc. n. *Bacteroides*, An existing genus; *Novibacteroides*: A genus related to but distinct from the existing genus Bacteroides of new.

Novibaekduia

L. masc. adjective *novus*, new; L. fem. n. *Baekduia*, An existing genus; *Novibaekduia*: A genus related to but distinct from the existing genus Baekduia of new.

Novibaia

L. masc. adjective *novus*, new; L. fem. n. *Baia*, An existing genus; *Novibaia*: A genus related to but distinct from the existing genus Baia of new.

Novibailinhaonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Bailinhaonella*, An existing genus; *Novibailinhaonella*: A genus related to but distinct from the existing genus Bailinhaonella of new.

Novibalnearium

L. masc. adjective *novus*, new; L. neut. n. *Balnearium*, An existing genus; *Novibalnearium*: A genus related to but distinct from the existing genus Balnearium of new.

Novibalneicella

L. masc. adjective *novus*, new; L. fem. n. *Balneicella*, An existing genus; *Novibalneicella*: A genus related to but distinct from the existing genus Balneicella of new.

Novibalneimonas

L. masc. adjective *novus*, new; L. fem. n. *Balneimonas*, An existing genus; *Novibalneimonas*: A genus related to but distinct from the existing genus Balneimonas of new.

Novibarnesiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Barnesiella*, An existing genus; *Novibarnesiella*: A genus related to but distinct from the existing genus Barnesiella of new.

Novibarrientosiimonas

L. masc. adjective *novus*, new; L. fem. n. *Barrientosiimonas*, An existing genus; *Novibarrientosiimonas*: A genus related to but distinct from the existing genus Barrientosiimonas of new.

Novibartonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Bartonella*, An existing genus; *Novibartonella*: A genus related to but distinct from the existing genus Bartonella of new.

Novibasfia

L. masc. adjective *novus*, new; L. fem. n. *Basfia*, An existing genus; *Novibasfia*: A genus related to but distinct from the existing genus Basfia of new.

Novibasilea

L. masc. adjective *novus*, new; L. fem. n. *Basilea*, An existing genus; *Novibasilea*: A genus related to but distinct from the existing genus Basilea of new.

Novibauldia

L. masc. adjective *novus*, new; L. fem. n. *Bauldia*, An existing genus; *Novibauldia*: A genus related to but distinct from the existing genus Bauldia of new.

Novibavariicoccus

L. masc. adjective *novus*, new; L. masc. n. *Bavariicoccus*, An existing genus; *Novibavariicoccus*: A genus related to but distinct from the existing genus Bavariicoccus of new.

Novibdellovibrio

L. masc. adjective *novus*, new; L. masc. n. *Bdellovibrio*, An existing genus; *Novibdellovibrio*: A genus related to but distinct from the existing genus Bdellovibrio of new.

Novibeduinibacterium

L. masc. adjective *novus*, new; L. neut. n. *Beduinibacterium*, An existing genus; *Novibeduinibacterium*: A genus related to but distinct from the existing genus Beduinibacterium of new.

Novibeggiatoa

L. masc. adjective *novus*, new; L. fem. n. *Beggiatoa*, An existing genus; *Novibeggiatoa*: A genus related to but distinct from the existing genus Beggiatoa of new.

Novibeijerinckia

L. masc. adjective *novus*, new; L. fem. n. *Beijerinckia*, An existing genus; *Novibeijerinckia*: A genus related to but distinct from the existing genus Beijerinckia of new.

Novibelliella

L. masc. adjective *novus*, new; L. fem. dim. n. *Belliella*, An existing genus; *Novibelliella*: A genus related to but distinct from the existing genus Belliella of new.

Novibellilinea

L. masc. adjective *novus*, new; L. fem. n. *Bellilinea*, An existing genus; *Novibellilinea*: A genus related to but distinct from the existing genus Bellilinea of new.

Novibelnapia

L. masc. adjective *novus*, new; L. fem. n. *Belnapia*, An existing genus; *Novibelnapia*: A genus related to but distinct from the existing genus Belnapia of new.

Novibeneckea

L. masc. adjective *novus*, new; L. fem. n. *Beneckea*, An existing genus; *Novibeneckea*: A genus related to but distinct from the existing genus Beneckea of new.

Novibergeriella

L. masc. adjective *novus*, new; L. fem. dim. n. *Bergeriella*, An existing genus; *Novibergeriella*: A genus related to but distinct from the existing genus Bergeriella of new.

Novibergeyella

L. masc. adjective *novus*, new; L. fem. dim. n. *Bergeyella*, An existing genus; *Novibergeyella*: A genus related to but distinct from the existing genus Bergeyella of new.

Novibermanella

L. masc. adjective *novus*, new; L. fem. dim. n. *Bermanella*, An existing genus; *Novibermanella*: A genus related to but distinct from the existing genus Bermanella of new.

Novibernardetia

L. masc. adjective *novus*, new; L. fem. n. *Bernardetia*, An existing genus; *Novibernardetia*: A genus related to but distinct from the existing genus Bernardetia of new.

Novibeutenbergia

L. masc. adjective *novus*, new; L. fem. n. *Beutenbergia*, An existing genus; *Novibeutenbergia*: A genus related to but distinct from the existing genus Beutenbergia of new.

Novibhargavaea

L. masc. adjective *novus*, new; L. fem. n. *Bhargavaea*, An existing genus; *Novibhargavaea*: A genus related to but distinct from the existing genus Bhargavaea of new.

Novibibersteinia

L. masc. adjective *novus*, new; L. fem. n. *Bibersteinia*, An existing genus; *Novibibersteinia*: A genus related to but distinct from the existing genus Bibersteinia of new.

Novibifidobacterium

L. masc. adjective *novus*, new; L. neut. n. *Bifidobacterium*, An existing genus; *Novibifidobacterium*: A genus related to but distinct from the existing genus Bifidobacterium of new.

Novibilophila

L. masc. adjective *novus*, new; L. fem. n. *Bilophila*, An existing genus; *Novibilophila*: A genus related to but distinct from the existing genus Bilophila of new.

Novibiomaibacter

L. masc. adjective *novus*, new; L. masc. n. *Biomaibacter*, An existing genus; *Novibiomaibacter*: A genus related to but distinct from the existing genus Biomaibacter of new.

Novibiostraticola

L. masc. adjective *novus*, new; L. masc. n. *Biostraticola*, An existing genus; *Novibiostraticola*: A genus related to but distinct from the existing genus Biostraticola of new.

Novibisgaardia

L. masc. adjective *novus*, new; L. fem. n. *Bisgaardia*, An existing genus; *Novibisgaardia*: A genus related to but distinct from the existing genus Bisgaardia of new.

Novibizionia

L. masc. adjective *novus*, new; L. fem. n. *Bizionia*, An existing genus; *Novibizionia*: A genus related to but distinct from the existing genus Bizionia of new.

Noviblastochloris

L. masc. adjective *novus*, new; L. fem. n. *Blastochloris*, An existing genus; *Noviblastochloris*: A genus related to but distinct from the existing genus Blastochloris of new.

Noviblastococcus

L. masc. adjective *novus*, new; L. masc. n. *Blastococcus*, An existing genus; *Noviblastococcus*: A genus related to but distinct from the existing genus Blastococcus of new.

Noviblastopirellula

L. masc. adjective *novus*, new; L. fem. dim. n. *Blastopirellula*, An existing genus; *Noviblastopirellula*: A genus related to but distinct from the existing genus Blastopirellula of new.

Noviblattabacterium

L. masc. adjective *novus*, new; L. neut. n. *Blattabacterium*, An existing genus; *Noviblattabacterium*: A genus related to but distinct from the existing genus Blattabacterium of new.

Noviblautia

L. masc. adjective *novus*, new; L. fem. n. *Blautia*, An existing genus; *Noviblautia*: A genus related to but distinct from the existing genus Blautia of new.

Novibogoriella

L. masc. adjective *novus*, new; L. fem. dim. n. *Bogoriella*, An existing genus; *Novibogoriella*: A genus related to but distinct from the existing genus Bogoriella of new.

Novibombella

L. masc. adjective *novus*, new; L. fem. dim. n. *Bombella*, An existing genus; *Novibombella*: A genus related to but distinct from the existing genus Bombella of new.

Novibombilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Bombilactobacillus*, An existing genus; *Novibombilactobacillus*: A genus related to but distinct from the existing genus Bombilactobacillus of new.

Novibombiscardovia

L. masc. adjective *novus*, new; L. fem. n. *Bombiscardovia*, An existing genus; *Novibombiscardovia*: A genus related to but distinct from the existing genus Bombiscardovia of new.

Novibordetella

L. masc. adjective *novus*, new; L. fem. dim. n. *Bordetella*, An existing genus; *Novibordetella*: A genus related to but distinct from the existing genus Bordetella of new.

Noviborrelia

L. masc. adjective *novus*, new; L. fem. n. *Borrelia*, An existing genus; *Noviborrelia*: A genus related to but distinct from the existing genus Borrelia of new.

Noviborreliella

L. masc. adjective *novus*, new; L. fem. dim. n. *Borreliella*, An existing genus; *Noviborreliella*: A genus related to but distinct from the existing genus Borreliella of new.

Novibosea

L. masc. adjective *novus*, new; L. fem. n. *Bosea*, An existing genus; *Novibosea*: A genus related to but distinct from the existing genus Bosea of new.

Noviboseongicola

L. masc. adjective *novus*, new; L. masc. n. *Boseongicola*, An existing genus; *Noviboseongicola*: A genus related to but distinct from the existing genus Boseongicola of new.

Novibotryobacter

L. masc. adjective *novus*, new; L. masc. n. *Botryobacter*, An existing genus; *Novibotryobacter*: A genus related to but distinct from the existing genus Botryobacter of new.

Noviboudabousia

L. masc. adjective *novus*, new; L. fem. n. *Boudabousia*, An existing genus; *Noviboudabousia*: A genus related to but distinct from the existing genus Boudabousia of new.

Novibounagaea

L. masc. adjective *novus*, new; L. fem. n. *Bounagaea*, An existing genus; *Novibounagaea*: A genus related to but distinct from the existing genus Bounagaea of new.

Novibowmanella

L. masc. adjective *novus*, new; L. fem. dim. n. *Bowmanella*, An existing genus; *Novibowmanella*: A genus related to but distinct from the existing genus Bowmanella of new.

Novibrachyspira

L. masc. adjective *novus*, new; L. fem. n. *Brachyspira*, An existing genus; *Novibrachyspira*: A genus related to but distinct from the existing genus Brachyspira of new.

Novibradyrhizobium

L. masc. adjective *novus*, new; L. neut. n. *Bradyrhizobium*, An existing genus; *Novibradyrhizobium*: A genus related to but distinct from the existing genus Bradyrhizobium of new.

Novibranchiibius

L. masc. adjective *novus*, new; L. masc. n. *Branchiibius*, An existing genus; *Novibranchiibius*: A genus related to but distinct from the existing genus Branchiibius of new.

Novibranhamella

L. masc. adjective *novus*, new; L. fem. dim. n. *Branhamella*, An existing genus; *Novibranhamella*: A genus related to but distinct from the existing genus Branhamella of new.

Novibrassicibacter

L. masc. adjective *novus*, new; L. masc. n. *Brassicibacter*, An existing genus; *Novibrassicibacter*: A genus related to but distinct from the existing genus Brassicibacter of new.

Novibremerella

L. masc. adjective *novus*, new; L. fem. dim. n. *Bremerella*, An existing genus; *Novibremerella*: A genus related to but distinct from the existing genus Bremerella of new.

Novibrenneria

L. masc. adjective *novus*, new; L. fem. n. *Brenneria*, An existing genus; *Novibrenneria*: A genus related to but distinct from the existing genus Brenneria of new.

Novibreoghania

L. masc. adjective *novus*, new; L. fem. n. *Breoghania*, An existing genus; *Novibreoghania*: A genus related to but distinct from the existing genus Breoghania of new.

Novibrevifollis

L. masc. adjective *novus*, new; L. masc. n. *Brevifollis*, An existing genus; *Novibrevifollis*: A genus related to but distinct from the existing genus Brevifollis of new.

Novibrevilactibacter

L. masc. adjective *novus*, new; L. masc. n. *Brevilactibacter*, An existing genus; *Novibrevilactibacter*: A genus related to but distinct from the existing genus Brevilactibacter of new.

Novibrevinema

L. masc. adjective *novus*, new; L. neut. n. *Brevinema*, An existing genus; *Novibrevinema*: A genus related to but distinct from the existing genus Brevinema of new.

Novibrevirhabdus

L. masc. adjective *novus*, new; L. fem. n. *Brevirhabdus*, An existing genus; *Novibrevirhabdus*: A genus related to but distinct from the existing genus Brevirhabdus of new.

Novibrevundimonas

L. masc. adjective *novus*, new; L. fem. n. *Brevundimonas*, An existing genus; *Novibrevundimonas*: A genus related to but distinct from the existing genus Brevundimonas of new.

Novibreznakia

L. masc. adjective *novus*, new; L. fem. n. *Breznakia*, An existing genus; *Novibreznakia*: A genus related to but distinct from the existing genus Breznakia of new.

Novibreznakibacter

L. masc. adjective *novus*, new; L. masc. n. *Breznakibacter*, An existing genus; *Novibreznakibacter*: A genus related to but distinct from the existing genus Breznakibacter of new.

Novibrochothrix

L. masc. adjective *novus*, new; L. fem. n. *Brochothrix*, An existing genus; *Novibrochothrix*: A genus related to but distinct from the existing genus Brochothrix of new.

Novibrockia

L. masc. adjective *novus*, new; L. fem. n. *Brockia*, An existing genus; *Novibrockia*: A genus related to but distinct from the existing genus Brockia of new.

Novibrooklawnia

L. masc. adjective *novus*, new; L. fem. n. *Brooklawnia*, An existing genus; *Novibrooklawnia*: A genus related to but distinct from the existing genus Brooklawnia of new.

Novibrucella

L. masc. adjective *novus*, new; L. fem. dim. n. *Brucella*, An existing genus; *Novibrucella*: A genus related to but distinct from the existing genus Brucella of new.

Novibrumimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Brumimicrobium*, An existing genus; *Novibrumimicrobium*: A genus related to but distinct from the existing genus Brumimicrobium of new.

Novibryantella

L. masc. adjective *novus*, new; L. fem. dim. n. *Bryantella*, An existing genus; *Novibryantella*: A genus related to but distinct from the existing genus Bryantella of new.

Novibryobacter

L. masc. adjective *novus*, new; L. masc. n. *Bryobacter*, An existing genus; *Novibryobacter*: A genus related to but distinct from the existing genus Bryobacter of new.

Novibryocella

L. masc. adjective *novus*, new; L. fem. n. *Bryocella*, An existing genus; *Novibryocella*: A genus related to but distinct from the existing genus Bryocella of new.

Novibuchananella

L. masc. adjective *novus*, new; L. fem. dim. n. *Buchananella*, An existing genus; *Novibuchananella*: A genus related to but distinct from the existing genus Buchananella of new.

Novibuchnera

L. masc. adjective *novus*, new; L. fem. n. *Buchnera*, An existing genus; *Novibuchnera*: A genus related to but distinct from the existing genus Buchnera of new.

Novibudvicia

L. masc. adjective *novus*, new; L. fem. n. *Budvicia*, An existing genus; *Novibudvicia*: A genus related to but distinct from the existing genus Budvicia of new.

Novibulleidia

L. masc. adjective *novus*, new; L. fem. n. *Bulleidia*, An existing genus; *Novibulleidia*: A genus related to but distinct from the existing genus Bulleidia of new.

Noviburkholderia

L. masc. adjective *novus*, new; L. fem. n. *Burkholderia*, An existing genus; *Noviburkholderia*: A genus related to but distinct from the existing genus Burkholderia of new.

Novibuttiauxella

L. masc. adjective *novus*, new; L. fem. dim. n. *Buttiauxella*, An existing genus; *Novibuttiauxella*: A genus related to but distinct from the existing genus Buttiauxella of new.

Novibutyratibacter

L. masc. adjective *novus*, new; L. masc. n. *Butyratibacter*, An existing genus; *Novibutyratibacter*: A genus related to but distinct from the existing genus Butyratibacter of new.

Novibutyricicoccus

L. masc. adjective *novus*, new; L. masc. n. *Butyricicoccus*, An existing genus; *Novibutyricicoccus*: A genus related to but distinct from the existing genus Butyricicoccus of new.

Novibutyrivibrio

L. masc. adjective *novus*, new; L. masc. n. *Butyrivibrio*, An existing genus; *Novibutyrivibrio*: A genus related to but distinct from the existing genus Butyrivibrio of new.

Novibyssophaga

L. masc. adjective *novus*, new; L. fem. n. *Byssophaga*, An existing genus; *Novibyssophaga*: A genus related to but distinct from the existing genus Byssophaga of new.

Novibyssovorax

L. masc. adjective *novus*, new; L. fem. n. *Byssovorax*, An existing genus; *Novibyssovorax*: A genus related to but distinct from the existing genus Byssovorax of new.

Novibythopirellula

L. masc. adjective *novus*, new; L. fem. dim. n. *Bythopirellula*, An existing genus; *Novibythopirellula*: A genus related to but distinct from the existing genus Bythopirellula of new.

Novicaballeronia

L. masc. adjective *novus*, new; L. fem. n. *Caballeronia*, An existing genus; *Novicaballeronia*: A genus related to but distinct from the existing genus Caballeronia of new.

Novicaecibacterium

L. masc. adjective *novus*, new; L. neut. n. *Caecibacterium*, An existing genus; *Novicaecibacterium*: A genus related to but distinct from the existing genus Caecibacterium of new.

Novicaedibacter

L. masc. adjective *novus*, new; L. masc. n. *Caedibacter*, An existing genus; *Novicaedibacter*: A genus related to but distinct from the existing genus Caedibacter of new.

Novicaedimonas

L. masc. adjective *novus*, new; L. fem. n. *Caedimonas*, An existing genus; *Novicaedimonas*: A genus related to but distinct from the existing genus Caedimonas of new.

Novicaenibacillus

L. masc. adjective *novus*, new; L. masc. n. *Caenibacillus*, An existing genus; *Novicaenibacillus*: A genus related to but distinct from the existing genus Caenibacillus of new.

Novicaenibacterium

L. masc. adjective *novus*, new; L. neut. n. *Caenibacterium*, An existing genus; *Novicaenibacterium*: A genus related to but distinct from the existing genus Caenibacterium of new.

Novicaenimonas

L. masc. adjective *novus*, new; L. fem. n. *Caenimonas*, An existing genus; *Novicaenimonas*: A genus related to but distinct from the existing genus Caenimonas of new.

Novicaenispirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Caenispirillum*, An existing genus; *Novicaenispirillum*: A genus related to but distinct from the existing genus Caenispirillum of new.

Novicalculibacillus

L. masc. adjective *novus*, new; L. masc. n. *Calculibacillus*, An existing genus; *Novicalculibacillus*: A genus related to but distinct from the existing genus Calculibacillus of new.

Novicaldalkalibacillus

L. masc. adjective *novus*, new; L. masc. n. *Caldalkalibacillus*, An existing genus; *Novicaldalkalibacillus*: A genus related to but distinct from the existing genus Caldalkalibacillus of new.

Novicaldanaerobacter

L. masc. adjective *novus*, new; L. masc. n. *Caldanaerobacter*, An existing genus; *Novicaldanaerobacter*: A genus related to but distinct from the existing genus Caldanaerobacter of new.

Novicaldanaerobius

L. masc. adjective *novus*, new; L. masc. n. *Caldanaerobius*, An existing genus; *Novicaldanaerobius*: A genus related to but distinct from the existing genus Caldanaerobius of new.

Novicaldanaerovirga

L. masc. adjective *novus*, new; L. fem. n. *Caldanaerovirga*, An existing genus; *Novicaldanaerovirga*: A genus related to but distinct from the existing genus Caldanaerovirga of new.

Novicalderihabitans

L. masc. adjective *novus*, new; L. masc. n. *Calderihabitans*, An existing genus; *Novicalderihabitans*: A genus related to but distinct from the existing genus Calderihabitans of new.

Novicalderobacterium

L. masc. adjective *novus*, new; L. neut. n. *Calderobacterium*, An existing genus; *Novicalderobacterium*: A genus related to but distinct from the existing genus Calderobacterium of new.

Novicaldibacillus

L. masc. adjective *novus*, new; L. masc. n. *Caldibacillus*, An existing genus; *Novicaldibacillus*: A genus related to but distinct from the existing genus Caldibacillus of new.

Novicaldicellulosiruptor

L. masc. adjective *novus*, new; L. masc. n. *Caldicellulosiruptor*, An existing genus; *Novicaldicellulosiruptor*: A genus related to but distinct from the existing genus Caldicellulosiruptor of new.

Novicaldicoprobacter

L. masc. adjective *novus*, new; L. masc. n. *Caldicoprobacter*, An existing genus; *Novicaldicoprobacter*: A genus related to but distinct from the existing genus Caldicoprobacter of new.

Novicaldilinea

L. masc. adjective *novus*, new; L. fem. n. *Caldilinea*, An existing genus; *Novicaldilinea*: A genus related to but distinct from the existing genus Caldilinea of new.

Novicaldimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Caldimicrobium*, An existing genus; *Novicaldimicrobium*: A genus related to but distinct from the existing genus Caldimicrobium of new.

Novicaldimonas

L. masc. adjective *novus*, new; L. fem. n. *Caldimonas*, An existing genus; *Novicaldimonas*: A genus related to but distinct from the existing genus Caldimonas of new.

Novicaldinitratiruptor

L. masc. adjective *novus*, new; L. masc. n. *Caldinitratiruptor*, An existing genus; *Novicaldinitratiruptor*: A genus related to but distinct from the existing genus Caldinitratiruptor of new.

Novicaldisalinibacter

L. masc. adjective *novus*, new; L. masc. n. *Caldisalinibacter*, An existing genus; *Novicaldisalinibacter*: A genus related to but distinct from the existing genus Caldisalinibacter of new.

Novicaldisericum

L. masc. adjective *novus*, new; L. neut. n. *Caldisericum*, An existing genus; *Novicaldisericum*: A genus related to but distinct from the existing genus Caldisericum of new.

Novicaldisphaera

L. masc. adjective *novus*, new; L. fem. n. *Caldisphaera*, An existing genus; *Novicaldisphaera*: A genus related to but distinct from the existing genus Caldisphaera of new.

Novicalditerricola

L. masc. adjective *novus*, new; L. masc. n. *Calditerricola*, An existing genus; *Novicalditerricola*: A genus related to but distinct from the existing genus Calditerricola of new.

Novicalditerrivibrio

L. masc. adjective *novus*, new; L. masc. n. *Calditerrivibrio*, An existing genus; *Novicalditerrivibrio*: A genus related to but distinct from the existing genus Calditerrivibrio of new.

Novicaldithrix

L. masc. adjective *novus*, new; L. fem. n. *Caldithrix*, An existing genus; *Novicaldithrix*: A genus related to but distinct from the existing genus Caldithrix of new.

Novicaldovatus

L. masc. adjective *novus*, new; L. masc. n. *Caldovatus*, An existing genus; *Novicaldovatus*: A genus related to but distinct from the existing genus Caldovatus of new.

Novicalenema

L. masc. adjective *novus*, new; L. neut. n. *Calenema*, An existing genus; *Novicalenema*: A genus related to but distinct from the existing genus Calenema of new.

Novicalidifontibacter

L. masc. adjective *novus*, new; L. masc. n. *Calidifontibacter*, An existing genus; *Novicalidifontibacter*: A genus related to but distinct from the existing genus Calidifontibacter of new.

Novicalidifontimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Calidifontimicrobium*, An existing genus; *Novicalidifontimicrobium*: A genus related to but distinct from the existing genus Calidifontimicrobium of new.

Novicalidithermus

L. masc. adjective *novus*, new; L. masc. n. *Calidithermus*, An existing genus; *Novicalidithermus*: A genus related to but distinct from the existing genus Calidithermus of new.

Novicalochaete

L. masc. adjective *novus*, new; L. fem. n. *Calochaete*, An existing genus; *Novicalochaete*: A genus related to but distinct from the existing genus Calochaete of new.

Novicaloramator

L. masc. adjective *novus*, new; L. masc. n. *Caloramator*, An existing genus; *Novicaloramator*: A genus related to but distinct from the existing genus Caloramator of new.

Novicaloranaerobacter

L. masc. adjective *novus*, new; L. masc. n. *Caloranaerobacter*, An existing genus; *Novicaloranaerobacter*: A genus related to but distinct from the existing genus Caloranaerobacter of new.

Novicaloribacterium

L. masc. adjective *novus*, new; L. neut. n. *Caloribacterium*, An existing genus; *Novicaloribacterium*: A genus related to but distinct from the existing genus Caloribacterium of new.

Novicalorimonas

L. masc. adjective *novus*, new; L. fem. n. *Calorimonas*, An existing genus; *Novicalorimonas*: A genus related to but distinct from the existing genus Calorimonas of new.

Novicalorithrix

L. masc. adjective *novus*, new; L. fem. n. *Calorithrix*, An existing genus; *Novicalorithrix*: A genus related to but distinct from the existing genus Calorithrix of new.

Novicalothrix

L. masc. adjective *novus*, new; L. fem. n. *Calothrix*, An existing genus; *Novicalothrix*: A genus related to but distinct from the existing genus Calothrix of new.

Novicalymmatobacterium

L. masc. adjective *novus*, new; L. neut. n. *Calymmatobacterium*, An existing genus; *Novicalymmatobacterium*: A genus related to but distinct from the existing genus Calymmatobacterium of new.

Novicamelimonas

L. masc. adjective *novus*, new; L. fem. n. *Camelimonas*, An existing genus; *Novicamelimonas*: A genus related to but distinct from the existing genus Camelimonas of new.

Novicamelliibacillus

L. masc. adjective *novus*, new; L. masc. n. *Camelliibacillus*, An existing genus; *Novicamelliibacillus*: A genus related to but distinct from the existing genus Camelliibacillus of new.

Novicaminibacter

L. masc. adjective *novus*, new; L. masc. n. *Caminibacter*, An existing genus; *Novicaminibacter*: A genus related to but distinct from the existing genus Caminibacter of new.

Novicaminicella

L. masc. adjective *novus*, new; L. fem. n. *Caminicella*, An existing genus; *Novicaminicella*: A genus related to but distinct from the existing genus Caminicella of new.

Novicampylobacter

L. masc. adjective *novus*, new; L. masc. n. *Campylobacter*, An existing genus; *Novicampylobacter*: A genus related to but distinct from the existing genus Campylobacter of new.

Novicanaleparolina

L. masc. adjective *novus*, new; L. fem. n. *Canaleparolina*, An existing genus; *Novicanaleparolina*: A genus related to but distinct from the existing genus Canaleparolina of new.

Novicandidimonas

L. masc. adjective *novus*, new; L. fem. n. *Candidimonas*, An existing genus; *Novicandidimonas*: A genus related to but distinct from the existing genus Candidimonas of new.

Novicanibacter

L. masc. adjective *novus*, new; L. masc. n. *Canibacter*, An existing genus; *Novicanibacter*: A genus related to but distinct from the existing genus Canibacter of new.

Novicapillus

L. masc. adjective *novus*, new; L. masc. n. *Capillus*, An existing genus; *Novicapillus*: A genus related to but distinct from the existing genus Capillus of new.

Novicapnocytophaga

L. masc. adjective *novus*, new; L. fem. n. *Capnocytophaga*, An existing genus; *Novicapnocytophaga*: A genus related to but distinct from the existing genus Capnocytophaga of new.

Novicaproicibacter

L. masc. adjective *novus*, new; L. masc. n. *Caproicibacter*, An existing genus; *Novicaproicibacter*: A genus related to but distinct from the existing genus Caproicibacter of new.

Novicaproiciproducens

L. masc. adjective *novus*, new; L. masc. n. *Caproiciproducens*, An existing genus; *Novicaproiciproducens*: A genus related to but distinct from the existing genus Caproiciproducens of new.

Novicapsularis

L. masc. adjective *novus*, new; L. masc. n. *Capsularis*, An existing genus; *Novicapsularis*: A genus related to but distinct from the existing genus Capsularis of new.

Novicapsulimonas

L. masc. adjective *novus*, new; L. fem. n. *Capsulimonas*, An existing genus; *Novicapsulimonas*: A genus related to but distinct from the existing genus Capsulimonas of new.

Novicarbophilus

L. masc. adjective *novus*, new; L. masc. n. *Carbophilus*, An existing genus; *Novicarbophilus*: A genus related to but distinct from the existing genus Carbophilus of new.

Novicarboxydocella

L. masc. adjective *novus*, new; L. fem. n. *Carboxydocella*, An existing genus; *Novicarboxydocella*: A genus related to but distinct from the existing genus Carboxydocella of new.

Novicarboxydothermus

L. masc. adjective *novus*, new; L. masc. n. *Carboxydothermus*, An existing genus; *Novicarboxydothermus*: A genus related to but distinct from the existing genus Carboxydothermus of new.

Novicardiobacterium

L. masc. adjective *novus*, new; L. neut. n. *Cardiobacterium*, An existing genus; *Novicardiobacterium*: A genus related to but distinct from the existing genus Cardiobacterium of new.

Novicarideicomes

L. masc. adjective *novus*, new; L. masc. n. *Carideicomes*, An existing genus; *Novicarideicomes*: A genus related to but distinct from the existing genus Carideicomes of new.

Novicarnimonas

L. masc. adjective *novus*, new; L. fem. n. *Carnimonas*, An existing genus; *Novicarnimonas*: A genus related to but distinct from the existing genus Carnimonas of new.

Novicarnobacterium

L. masc. adjective *novus*, new; L. neut. n. *Carnobacterium*, An existing genus; *Novicarnobacterium*: A genus related to but distinct from the existing genus Carnobacterium of new.

Novicartusia

L. masc. adjective *novus*, new; L. fem. n. *Cartusia*, An existing genus; *Novicartusia*: A genus related to but distinct from the existing genus Cartusia of new.

Novicaryophanon

L. masc. adjective *novus*, new; L. neut. n. *Caryophanon*, An existing genus; *Novicaryophanon*: A genus related to but distinct from the existing genus Caryophanon of new.

Novicaseobacter

L. masc. adjective *novus*, new; L. masc. n. *Caseobacter*, An existing genus; *Novicaseobacter*: A genus related to but distinct from the existing genus Caseobacter of new.

Novicasimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Casimicrobium*, An existing genus; *Novicasimicrobium*: A genus related to but distinct from the existing genus Casimicrobium of new.

Novicastellaniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Castellaniella*, An existing genus; *Novicastellaniella*: A genus related to but distinct from the existing genus Castellaniella of new.

Novicatabacter

L. masc. adjective *novus*, new; L. masc. n. *Catabacter*, An existing genus; *Novicatabacter*: A genus related to but distinct from the existing genus Catabacter of new.

Novicatalinimonas

L. masc. adjective *novus*, new; L. fem. n. *Catalinimonas*, An existing genus; *Novicatalinimonas*: A genus related to but distinct from the existing genus Catalinimonas of new.

Novicatellatospora

L. masc. adjective *novus*, new; L. fem. n. *Catellatospora*, An existing genus; *Novicatellatospora*: A genus related to but distinct from the existing genus Catellatospora of new.

Novicatellibacterium

L. masc. adjective *novus*, new; L. neut. n. *Catellibacterium*, An existing genus; *Novicatellibacterium*: A genus related to but distinct from the existing genus Catellibacterium of new.

Novicatellicoccus

L. masc. adjective *novus*, new; L. masc. n. *Catellicoccus*, An existing genus; *Novicatellicoccus*: A genus related to but distinct from the existing genus Catellicoccus of new.

Novicatelliglobosispora

L. masc. adjective *novus*, new; L. fem. n. *Catelliglobosispora*, An existing genus; *Novicatelliglobosispora*: A genus related to but distinct from the existing genus Catelliglobosispora of new.

Novicatenibacillus

L. masc. adjective *novus*, new; L. masc. n. *Catenibacillus*, An existing genus; *Novicatenibacillus*: A genus related to but distinct from the existing genus Catenibacillus of new.

Novicatenibacterium

L. masc. adjective *novus*, new; L. neut. n. *Catenibacterium*, An existing genus; *Novicatenibacterium*: A genus related to but distinct from the existing genus Catenibacterium of new.

Novicatenisphaera

L. masc. adjective *novus*, new; L. fem. n. *Catenisphaera*, An existing genus; *Novicatenisphaera*: A genus related to but distinct from the existing genus Catenisphaera of new.

Novicatenococcus

L. masc. adjective *novus*, new; L. masc. n. *Catenococcus*, An existing genus; *Novicatenococcus*: A genus related to but distinct from the existing genus Catenococcus of new.

Novicatenovulum

L. masc. adjective *novus*, new; L. neut. n. *Catenovulum*, An existing genus; *Novicatenovulum*: A genus related to but distinct from the existing genus Catenovulum of new.

Novicatenulispora

L. masc. adjective *novus*, new; L. fem. n. *Catenulispora*, An existing genus; *Novicatenulispora*: A genus related to but distinct from the existing genus Catenulispora of new.

Novicatenuloplanes

L. masc. adjective *novus*, new; L. masc. n. *Catenuloplanes*, An existing genus; *Novicatenuloplanes*: A genus related to but distinct from the existing genus Catenuloplanes of new.

Novicatonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Catonella*, An existing genus; *Novicatonella*: A genus related to but distinct from the existing genus Catonella of new.

Novicaulifigura

L. masc. adjective *novus*, new; L. fem. n. *Caulifigura*, An existing genus; *Novicaulifigura*: A genus related to but distinct from the existing genus Caulifigura of new.

Novicaulobacter

L. masc. adjective *novus*, new; L. masc. n. *Caulobacter*, An existing genus; *Novicaulobacter*: A genus related to but distinct from the existing genus Caulobacter of new.

Novicavicella

L. masc. adjective *novus*, new; L. fem. n. *Cavicella*, An existing genus; *Novicavicella*: A genus related to but distinct from the existing genus Cavicella of new.

Novicaviibacter

L. masc. adjective *novus*, new; L. masc. n. *Caviibacter*, An existing genus; *Novicaviibacter*: A genus related to but distinct from the existing genus Caviibacter of new.

Novicaviibacterium

L. masc. adjective *novus*, new; L. neut. n. *Caviibacterium*, An existing genus; *Novicaviibacterium*: A genus related to but distinct from the existing genus Caviibacterium of new.

Novicecembia

L. masc. adjective *novus*, new; L. fem. n. *Cecembia*, An existing genus; *Novicecembia*: A genus related to but distinct from the existing genus Cecembia of new.

Novicedecea

L. masc. adjective *novus*, new; L. fem. n. *Cedecea*, An existing genus; *Novicedecea*: A genus related to but distinct from the existing genus Cedecea of new.

Novicelerinatantimonas

L. masc. adjective *novus*, new; L. fem. n. *Celerinatantimonas*, An existing genus; *Novicelerinatantimonas*: A genus related to but distinct from the existing genus Celerinatantimonas of new.

Novicellulomonas

L. masc. adjective *novus*, new; L. fem. n. *Cellulomonas*, An existing genus; *Novicellulomonas*: A genus related to but distinct from the existing genus Cellulomonas of new.

Novicellulophaga

L. masc. adjective *novus*, new; L. fem. n. *Cellulophaga*, An existing genus; *Novicellulophaga*: A genus related to but distinct from the existing genus Cellulophaga of new.

Novicellulosibacter

L. masc. adjective *novus*, new; L. masc. n. *Cellulosibacter*, An existing genus; *Novicellulosibacter*: A genus related to but distinct from the existing genus Cellulosibacter of new.

Novicellulosilyticum

L. masc. adjective *novus*, new; L. neut. n. *Cellulosilyticum*, An existing genus; *Novicellulosilyticum*: A genus related to but distinct from the existing genus Cellulosilyticum of new.

Novicellulosimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Cellulosimicrobium*, An existing genus; *Novicellulosimicrobium*: A genus related to but distinct from the existing genus Cellulosimicrobium of new.

Novicellvibrio

L. masc. adjective *novus*, new; L. masc. n. *Cellvibrio*, An existing genus; *Novicellvibrio*: A genus related to but distinct from the existing genus Cellvibrio of new.

Novicenarchaeum

L. masc. adjective *novus*, new; L. neut. n. *Cenarchaeum*, An existing genus; *Novicenarchaeum*: A genus related to but distinct from the existing genus Cenarchaeum of new.

Novicephalothrix

L. masc. adjective *novus*, new; L. fem. n. *Cephalothrix*, An existing genus; *Novicephalothrix*: A genus related to but distinct from the existing genus Cephalothrix of new.

Novicephaloticoccus

L. masc. adjective *novus*, new; L. masc. n. *Cephaloticoccus*, An existing genus; *Novicephaloticoccus*: A genus related to but distinct from the existing genus Cephaloticoccus of new.

Novicerasibacillus

L. masc. adjective *novus*, new; L. masc. n. *Cerasibacillus*, An existing genus; *Novicerasibacillus*: A genus related to but distinct from the existing genus Cerasibacillus of new.

Novicerasicoccus

L. masc. adjective *novus*, new; L. masc. n. *Cerasicoccus*, An existing genus; *Novicerasicoccus*: A genus related to but distinct from the existing genus Cerasicoccus of new.

Novicereibacter

L. masc. adjective *novus*, new; L. masc. n. *Cereibacter*, An existing genus; *Novicereibacter*: A genus related to but distinct from the existing genus Cereibacter of new.

Novicesiribacter

L. masc. adjective *novus*, new; L. masc. n. *Cesiribacter*, An existing genus; *Novicesiribacter*: A genus related to but distinct from the existing genus Cesiribacter of new.

Novicetobacterium

L. masc. adjective *novus*, new; L. neut. n. *Cetobacterium*, An existing genus; *Novicetobacterium*: A genus related to but distinct from the existing genus Cetobacterium of new.

Novichachezhania

L. masc. adjective *novus*, new; L. fem. n. *Chachezhania*, An existing genus; *Novichachezhania*: A genus related to but distinct from the existing genus Chachezhania of new.

Novichainia

L. masc. adjective *novus*, new; L. fem. n. *Chainia*, An existing genus; *Novichainia*: A genus related to but distinct from the existing genus Chainia of new.

Novichakia

L. masc. adjective *novus*, new; L. fem. n. *Chakia*, An existing genus; *Novichakia*: A genus related to but distinct from the existing genus Chakia of new.

Novichakrabartia

L. masc. adjective *novus*, new; L. fem. n. *Chakrabartia*, An existing genus; *Novichakrabartia*: A genus related to but distinct from the existing genus Chakrabartia of new.

Novichalicogloea

L. masc. adjective *novus*, new; L. fem. n. *Chalicogloea*, An existing genus; *Novichalicogloea*: A genus related to but distinct from the existing genus Chalicogloea of new.

Novichamaethrix

L. masc. adjective *novus*, new; L. fem. n. *Chamaethrix*, An existing genus; *Novichamaethrix*: A genus related to but distinct from the existing genus Chamaethrix of new.

Novichangchengzhania

L. masc. adjective *novus*, new; L. fem. n. *Changchengzhania*, An existing genus; *Novichangchengzhania*: A genus related to but distinct from the existing genus Changchengzhania of new.

Novichania

L. masc. adjective *novus*, new; L. fem. n. *Chania*, An existing genus; *Novichania*: A genus related to but distinct from the existing genus Chania of new.

Novicharonomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Charonomicrobium*, An existing genus; *Novicharonomicrobium*: A genus related to but distinct from the existing genus Charonomicrobium of new.

Novichelativorans

L. masc. adjective *novus*, new; L. masc. n. *Chelativorans*, An existing genus; *Novichelativorans*: A genus related to but distinct from the existing genus Chelativorans of new.

Novichelatobacter

L. masc. adjective *novus*, new; L. masc. n. *Chelatobacter*, An existing genus; *Novichelatobacter*: A genus related to but distinct from the existing genus Chelatobacter of new.

Novichelatococcus

L. masc. adjective *novus*, new; L. masc. n. *Chelatococcus*, An existing genus; *Novichelatococcus*: A genus related to but distinct from the existing genus Chelatococcus of new.

Novichelonobacter

L. masc. adjective *novus*, new; L. masc. n. *Chelonobacter*, An existing genus; *Novichelonobacter*: A genus related to but distinct from the existing genus Chelonobacter of new.

Novichenggangzhangella

L. masc. adjective *novus*, new; L. fem. dim. n. *Chenggangzhangella*, An existing genus; *Novichenggangzhangella*: A genus related to but distinct from the existing genus Chenggangzhangella of new.

Novichengkuizengella

L. masc. adjective *novus*, new; L. fem. dim. n. *Chengkuizengella*, An existing genus; *Novichengkuizengella*: A genus related to but distinct from the existing genus Chengkuizengella of new.

Novichiayiivirga

L. masc. adjective *novus*, new; L. fem. n. *Chiayiivirga*, An existing genus; *Novichiayiivirga*: A genus related to but distinct from the existing genus Chiayiivirga of new.

Novichimaereicella

L. masc. adjective *novus*, new; L. fem. n. *Chimaereicella*, An existing genus; *Novichimaereicella*: A genus related to but distinct from the existing genus Chimaereicella of new.

Novichimaeribacter

L. masc. adjective *novus*, new; L. masc. n. *Chimaeribacter*, An existing genus; *Novichimaeribacter*: A genus related to but distinct from the existing genus Chimaeribacter of new.

Novichishuiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Chishuiella*, An existing genus; *Novichishuiella*: A genus related to but distinct from the existing genus Chishuiella of new.

Novichitinasiproducens

L. masc. adjective *novus*, new; L. masc. n. *Chitinasiproducens*, An existing genus; *Novichitinasiproducens*: A genus related to but distinct from the existing genus Chitinasiproducens of new.

Novichitinibacter

L. masc. adjective *novus*, new; L. masc. n. *Chitinibacter*, An existing genus; *Novichitinibacter*: A genus related to but distinct from the existing genus Chitinibacter of new.

Novichitinilyticum

L. masc. adjective *novus*, new; L. neut. n. *Chitinilyticum*, An existing genus; *Novichitinilyticum*: A genus related to but distinct from the existing genus Chitinilyticum of new.

Novichitiniphilus

L. masc. adjective *novus*, new; L. masc. n. *Chitiniphilus*, An existing genus; *Novichitiniphilus*: A genus related to but distinct from the existing genus Chitiniphilus of new.

Novichitinispirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Chitinispirillum*, An existing genus; *Novichitinispirillum*: A genus related to but distinct from the existing genus Chitinispirillum of new.

Novichitinivibrio

L. masc. adjective *novus*, new; L. masc. n. *Chitinivibrio*, An existing genus; *Novichitinivibrio*: A genus related to but distinct from the existing genus Chitinivibrio of new.

Novichitinivorax

L. masc. adjective *novus*, new; L. masc. n. *Chitinivorax*, An existing genus; *Novichitinivorax*: A genus related to but distinct from the existing genus Chitinivorax of new.

Novichitinolyticbacter

L. masc. adjective *novus*, new; L. masc. n. *Chitinolyticbacter*, An existing genus; *Novichitinolyticbacter*: A genus related to but distinct from the existing genus Chitinolyticbacter of new.

Novichitinophaga

L. masc. adjective *novus*, new; L. fem. n. *Chitinophaga*, An existing genus; *Novichitinophaga*: A genus related to but distinct from the existing genus Chitinophaga of new.

Novichlamydia

L. masc. adjective *novus*, new; L. fem. n. *Chlamydia*, An existing genus; *Novichlamydia*: A genus related to but distinct from the existing genus Chlamydia of new.

Novichlamydophila

L. masc. adjective *novus*, new; L. fem. n. *Chlamydophila*, An existing genus; *Novichlamydophila*: A genus related to but distinct from the existing genus Chlamydophila of new.

Novichloracidobacterium

L. masc. adjective *novus*, new; L. neut. n. *Chloracidobacterium*, An existing genus; *Novichloracidobacterium*: A genus related to but distinct from the existing genus Chloracidobacterium of new.

Novichlorobaculum

L. masc. adjective *novus*, new; L. neut. n. *Chlorobaculum*, An existing genus; *Novichlorobaculum*: A genus related to but distinct from the existing genus Chlorobaculum of new.

Novichlorobium

L. masc. adjective *novus*, new; L. neut. n. *Chlorobium*, An existing genus; *Novichlorobium*: A genus related to but distinct from the existing genus Chlorobium of new.

Novichloroflexus

L. masc. adjective *novus*, new; L. masc. n. *Chloroflexus*, An existing genus; *Novichloroflexus*: A genus related to but distinct from the existing genus Chloroflexus of new.

Novichloroherpeton

L. masc. adjective *novus*, new; L. neut. n. *Chloroherpeton*, An existing genus; *Novichloroherpeton*: A genus related to but distinct from the existing genus Chloroherpeton of new.

Novichloronema

L. masc. adjective *novus*, new; L. neut. n. *Chloronema*, An existing genus; *Novichloronema*: A genus related to but distinct from the existing genus Chloronema of new.

Novichondromyces

L. masc. adjective *novus*, new; L. masc. n. *Chondromyces*, An existing genus; *Novichondromyces*: A genus related to but distinct from the existing genus Chondromyces of new.

Novichristensenella

L. masc. adjective *novus*, new; L. fem. dim. n. *Christensenella*, An existing genus; *Novichristensenella*: A genus related to but distinct from the existing genus Christensenella of new.

Novichroakolemma

L. masc. adjective *novus*, new; L. neut. n. *Chroakolemma*, An existing genus; *Novichroakolemma*: A genus related to but distinct from the existing genus Chroakolemma of new.

Novichromatium

L. masc. adjective *novus*, new; L. neut. n. *Chromatium*, An existing genus; *Novichromatium*: A genus related to but distinct from the existing genus Chromatium of new.

Novichromatocurvus

L. masc. adjective *novus*, new; L. masc. n. *Chromatocurvus*, An existing genus; *Novichromatocurvus*: A genus related to but distinct from the existing genus Chromatocurvus of new.

Novichromobacterium

L. masc. adjective *novus*, new; L. neut. n. *Chromobacterium*, An existing genus; *Novichromobacterium*: A genus related to but distinct from the existing genus Chromobacterium of new.

Novichromohalobacter

L. masc. adjective *novus*, new; L. masc. n. *Chromohalobacter*, An existing genus; *Novichromohalobacter*: A genus related to but distinct from the existing genus Chromohalobacter of new.

Novichroococcus

L. masc. adjective *novus*, new; L. masc. n. *Chroococcus*, An existing genus; *Novichroococcus*: A genus related to but distinct from the existing genus Chroococcus of new.

Novichryseobacterium

L. masc. adjective *novus*, new; L. neut. n. *Chryseobacterium*, An existing genus; *Novichryseobacterium*: A genus related to but distinct from the existing genus Chryseobacterium of new.

Novichryseoglobus

L. masc. adjective *novus*, new; L. masc. n. *Chryseoglobus*, An existing genus; *Novichryseoglobus*: A genus related to but distinct from the existing genus Chryseoglobus of new.

Novichryseolinea

L. masc. adjective *novus*, new; L. fem. n. *Chryseolinea*, An existing genus; *Novichryseolinea*: A genus related to but distinct from the existing genus Chryseolinea of new.

Novichryseomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Chryseomicrobium*, An existing genus; *Novichryseomicrobium*: A genus related to but distinct from the existing genus Chryseomicrobium of new.

Novichryseomonas

L. masc. adjective *novus*, new; L. fem. n. *Chryseomonas*, An existing genus; *Novichryseomonas*: A genus related to but distinct from the existing genus Chryseomonas of new.

Novichryseotalea

L. masc. adjective *novus*, new; L. fem. n. *Chryseotalea*, An existing genus; *Novichryseotalea*: A genus related to but distinct from the existing genus Chryseotalea of new.

Novichrysiogenes

L. masc. adjective *novus*, new; L. masc. n. *Chrysiogenes*, An existing genus; *Novichrysiogenes*: A genus related to but distinct from the existing genus Chrysiogenes of new.

Novichthoniobacter

L. masc. adjective *novus*, new; L. masc. n. *Chthoniobacter*, An existing genus; *Novichthoniobacter*: A genus related to but distinct from the existing genus Chthoniobacter of new.

Novichthonobacter

L. masc. adjective *novus*, new; L. masc. n. *Chthonobacter*, An existing genus; *Novichthonobacter*: A genus related to but distinct from the existing genus Chthonobacter of new.

Novichthonomonas

L. masc. adjective *novus*, new; L. fem. n. *Chthonomonas*, An existing genus; *Novichthonomonas*: A genus related to but distinct from the existing genus Chthonomonas of new.

Novichujaibacter

L. masc. adjective *novus*, new; L. masc. n. *Chujaibacter*, An existing genus; *Novichujaibacter*: A genus related to but distinct from the existing genus Chujaibacter of new.

Novichungangia

L. masc. adjective *novus*, new; L. fem. n. *Chungangia*, An existing genus; *Novichungangia*: A genus related to but distinct from the existing genus Chungangia of new.

Noviciceribacter

L. masc. adjective *novus*, new; L. masc. n. *Ciceribacter*, An existing genus; *Noviciceribacter*: A genus related to but distinct from the existing genus Ciceribacter of new.

Novicitreibacter

L. masc. adjective *novus*, new; L. masc. n. *Citreibacter*, An existing genus; *Novicitreibacter*: A genus related to but distinct from the existing genus Citreibacter of new.

Novicitreicella

L. masc. adjective *novus*, new; L. fem. n. *Citreicella*, An existing genus; *Novicitreicella*: A genus related to but distinct from the existing genus Citreicella of new.

Novicitreimonas

L. masc. adjective *novus*, new; L. fem. n. *Citreimonas*, An existing genus; *Novicitreimonas*: A genus related to but distinct from the existing genus Citreimonas of new.

Novicitreitalea

L. masc. adjective *novus*, new; L. fem. n. *Citreitalea*, An existing genus; *Novicitreitalea*: A genus related to but distinct from the existing genus Citreitalea of new.

Novicitricoccus

L. masc. adjective *novus*, new; L. masc. n. *Citricoccus*, An existing genus; *Novicitricoccus*: A genus related to but distinct from the existing genus Citricoccus of new.

Novicitrimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Citrimicrobium*, An existing genus; *Novicitrimicrobium*: A genus related to but distinct from the existing genus Citrimicrobium of new.

Novicitrobacter

L. masc. adjective *novus*, new; L. masc. n. *Citrobacter*, An existing genus; *Novicitrobacter*: A genus related to but distinct from the existing genus Citrobacter of new.

Novicitromicrobium

L. masc. adjective *novus*, new; L. neut. n. *Citromicrobium*, An existing genus; *Novicitromicrobium*: A genus related to but distinct from the existing genus Citromicrobium of new.

Novicitroniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Citroniella*, An existing genus; *Novicitroniella*: A genus related to but distinct from the existing genus Citroniella of new.

Noviclavibacter

L. masc. adjective *novus*, new; L. masc. n. *Clavibacter*, An existing genus; *Noviclavibacter*: A genus related to but distinct from the existing genus Clavibacter of new.

Noviclevelandina

L. masc. adjective *novus*, new; L. fem. n. *Clevelandina*, An existing genus; *Noviclevelandina*: A genus related to but distinct from the existing genus Clevelandina of new.

Novicloacibacillus

L. masc. adjective *novus*, new; L. masc. n. *Cloacibacillus*, An existing genus; *Novicloacibacillus*: A genus related to but distinct from the existing genus Cloacibacillus of new.

Novicloacibacterium

L. masc. adjective *novus*, new; L. neut. n. *Cloacibacterium*, An existing genus; *Novicloacibacterium*: A genus related to but distinct from the existing genus Cloacibacterium of new.

Noviclostridiisalibacter

L. masc. adjective *novus*, new; L. masc. n. *Clostridiisalibacter*, An existing genus; *Noviclostridiisalibacter*: A genus related to but distinct from the existing genus Clostridiisalibacter of new.

Noviclostridioides

L. masc. adjective *novus*, new; L. neut. n. *Clostridioides*, An existing genus; *Noviclostridioides*: A genus related to but distinct from the existing genus Clostridioides of new.

Noviclostridium

L. masc. adjective *novus*, new; L. neut. dim. n. *Clostridium*, An existing genus; *Noviclostridium*: A genus related to but distinct from the existing genus Clostridium of new.

Novicnuella

L. masc. adjective *novus*, new; L. fem. dim. n. *Cnuella*, An existing genus; *Novicnuella*: A genus related to but distinct from the existing genus Cnuella of new.

Novicnuibacter

L. masc. adjective *novus*, new; L. masc. n. *Cnuibacter*, An existing genus; *Novicnuibacter*: A genus related to but distinct from the existing genus Cnuibacter of new.

Novicobetia

L. masc. adjective *novus*, new; L. fem. n. *Cobetia*, An existing genus; *Novicobetia*: A genus related to but distinct from the existing genus Cobetia of new.

Novicochleicola

L. masc. adjective *novus*, new; L. masc. n. *Cochleicola*, An existing genus; *Novicochleicola*: A genus related to but distinct from the existing genus Cochleicola of new.

Novicocleimonas

L. masc. adjective *novus*, new; L. fem. n. *Cocleimonas*, An existing genus; *Novicocleimonas*: A genus related to but distinct from the existing genus Cocleimonas of new.

Novicoenonia

L. masc. adjective *novus*, new; L. fem. n. *Coenonia*, An existing genus; *Novicoenonia*: A genus related to but distinct from the existing genus Coenonia of new.

Novicoetzeea

L. masc. adjective *novus*, new; L. fem. n. *Coetzeea*, An existing genus; *Novicoetzeea*: A genus related to but distinct from the existing genus Coetzeea of new.

Novicognaticolwellia

L. masc. adjective *novus*, new; L. fem. n. *Cognaticolwellia*, An existing genus; *Novicognaticolwellia*: A genus related to but distinct from the existing genus Cognaticolwellia of new.

Novicognatishimia

L. masc. adjective *novus*, new; L. fem. n. *Cognatishimia*, An existing genus; *Novicognatishimia*: A genus related to but distinct from the existing genus Cognatishimia of new.

Novicognatiyoonia

L. masc. adjective *novus*, new; L. fem. n. *Cognatiyoonia*, An existing genus; *Novicognatiyoonia*: A genus related to but distinct from the existing genus Cognatiyoonia of new.

Novicohaesibacter

L. masc. adjective *novus*, new; L. masc. n. *Cohaesibacter*, An existing genus; *Novicohaesibacter*: A genus related to but distinct from the existing genus Cohaesibacter of new.

Novicohnella

L. masc. adjective *novus*, new; L. fem. dim. n. *Cohnella*, An existing genus; *Novicohnella*: A genus related to but distinct from the existing genus Cohnella of new.

Novicoleofasciculus

L. masc. adjective *novus*, new; L. masc. dim. n. *Coleofasciculus*, An existing genus; *Novicoleofasciculus*: A genus related to but distinct from the existing genus Coleofasciculus of new.

Novicollimonas

L. masc. adjective *novus*, new; L. fem. n. *Collimonas*, An existing genus; *Novicollimonas*: A genus related to but distinct from the existing genus Collimonas of new.

Novicollinsella

L. masc. adjective *novus*, new; L. fem. dim. n. *Collinsella*, An existing genus; *Novicollinsella*: A genus related to but distinct from the existing genus Collinsella of new.

Novicolteronema

L. masc. adjective *novus*, new; L. neut. n. *Colteronema*, An existing genus; *Novicolteronema*: A genus related to but distinct from the existing genus Colteronema of new.

Novicolwellia

L. masc. adjective *novus*, new; L. fem. n. *Colwellia*, An existing genus; *Novicolwellia*: A genus related to but distinct from the existing genus Colwellia of new.

Novicomamonas

L. masc. adjective *novus*, new; L. fem. n. *Comamonas*, An existing genus; *Novicomamonas*: A genus related to but distinct from the existing genus Comamonas of new.

Novicommensalibacter

L. masc. adjective *novus*, new; L. masc. n. *Commensalibacter*, An existing genus; *Novicommensalibacter*: A genus related to but distinct from the existing genus Commensalibacter of new.

Novicompactonostoc

L. masc. adjective *novus*, new; L. neut. n. *Compactonostoc*, An existing genus; *Novicompactonostoc*: A genus related to but distinct from the existing genus Compactonostoc of new.

Novicompanilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Companilactobacillus*, An existing genus; *Novicompanilactobacillus*: A genus related to but distinct from the existing genus Companilactobacillus of new.

Novicompostibacillus

L. masc. adjective *novus*, new; L. masc. n. *Compostibacillus*, An existing genus; *Novicompostibacillus*: A genus related to but distinct from the existing genus Compostibacillus of new.

Novicompostimonas

L. masc. adjective *novus*, new; L. fem. n. *Compostimonas*, An existing genus; *Novicompostimonas*: A genus related to but distinct from the existing genus Compostimonas of new.

Noviconchiformibius

L. masc. adjective *novus*, new; L. masc. n. *Conchiformibius*, An existing genus; *Noviconchiformibius*: A genus related to but distinct from the existing genus Conchiformibius of new.

Noviconexibacter

L. masc. adjective *novus*, new; L. masc. n. *Conexibacter*, An existing genus; *Noviconexibacter*: A genus related to but distinct from the existing genus Conexibacter of new.

Noviconfluentibacter

L. masc. adjective *novus*, new; L. masc. n. *Confluentibacter*, An existing genus; *Noviconfluentibacter*: A genus related to but distinct from the existing genus Confluentibacter of new.

Noviconfluentimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Confluentimicrobium*, An existing genus; *Noviconfluentimicrobium*: A genus related to but distinct from the existing genus Confluentimicrobium of new.

Noviconglomeromonas

L. masc. adjective *novus*, new; L. fem. n. *Conglomeromonas*, An existing genus; *Noviconglomeromonas*: A genus related to but distinct from the existing genus Conglomeromonas of new.

Novicongregibacter

L. masc. adjective *novus*, new; L. masc. n. *Congregibacter*, An existing genus; *Novicongregibacter*: A genus related to but distinct from the existing genus Congregibacter of new.

Noviconservatibacter

L. masc. adjective *novus*, new; L. masc. n. *Conservatibacter*, An existing genus; *Noviconservatibacter*: A genus related to but distinct from the existing genus Conservatibacter of new.

Noviconsotaella

L. masc. adjective *novus*, new; L. fem. dim. n. *Consotaella*, An existing genus; *Noviconsotaella*: A genus related to but distinct from the existing genus Consotaella of new.

Noviconstrictibacter

L. masc. adjective *novus*, new; L. masc. n. *Constrictibacter*, An existing genus; *Noviconstrictibacter*: A genus related to but distinct from the existing genus Constrictibacter of new.

Noviconvivina

L. masc. adjective *novus*, new; L. fem. n. *Convivina*, An existing genus; *Noviconvivina*: A genus related to but distinct from the existing genus Convivina of new.

Noviconyzicola

L. masc. adjective *novus*, new; L. fem. n. *Conyzicola*, An existing genus; *Noviconyzicola*: A genus related to but distinct from the existing genus Conyzicola of new.

Novicoprobacillus

L. masc. adjective *novus*, new; L. masc. n. *Coprobacillus*, An existing genus; *Novicoprobacillus*: A genus related to but distinct from the existing genus Coprobacillus of new.

Novicoprobacter

L. masc. adjective *novus*, new; L. masc. n. *Coprobacter*, An existing genus; *Novicoprobacter*: A genus related to but distinct from the existing genus Coprobacter of new.

Novicoprococcus

L. masc. adjective *novus*, new; L. masc. n. *Coprococcus*, An existing genus; *Novicoprococcus*: A genus related to but distinct from the existing genus Coprococcus of new.

Novicoprothermobacter

L. masc. adjective *novus*, new; L. masc. n. *Coprothermobacter*, An existing genus; *Novicoprothermobacter*: A genus related to but distinct from the existing genus Coprothermobacter of new.

Novicoraliitalea

L. masc. adjective *novus*, new; L. fem. n. *Coraliitalea*, An existing genus; *Novicoraliitalea*: A genus related to but distinct from the existing genus Coraliitalea of new.

Novicoraliomargarita

L. masc. adjective *novus*, new; L. fem. n. *Coraliomargarita*, An existing genus; *Novicoraliomargarita*: A genus related to but distinct from the existing genus Coraliomargarita of new.

Novicorallibacter

L. masc. adjective *novus*, new; L. masc. n. *Corallibacter*, An existing genus; *Novicorallibacter*: A genus related to but distinct from the existing genus Corallibacter of new.

Novicorallincola

L. masc. adjective *novus*, new; L. masc. n. *Corallincola*, An existing genus; *Novicorallincola*: A genus related to but distinct from the existing genus Corallincola of new.

Novicorallococcus

L. masc. adjective *novus*, new; L. masc. n. *Corallococcus*, An existing genus; *Novicorallococcus*: A genus related to but distinct from the existing genus Corallococcus of new.

Novicoralloluteibacterium

L. masc. adjective *novus*, new; L. neut. n. *Coralloluteibacterium*, An existing genus; *Novicoralloluteibacterium*: A genus related to but distinct from the existing genus Coralloluteibacterium of new.

Novicorallomonas

L. masc. adjective *novus*, new; L. fem. n. *Corallomonas*, An existing genus; *Novicorallomonas*: A genus related to but distinct from the existing genus Corallomonas of new.

Novicoralslurrinella

L. masc. adjective *novus*, new; L. fem. dim. n. *Coralslurrinella*, An existing genus; *Novicoralslurrinella*: A genus related to but distinct from the existing genus Coralslurrinella of new.

Novicorticicoccus

L. masc. adjective *novus*, new; L. masc. n. *Corticicoccus*, An existing genus; *Novicorticicoccus*: A genus related to but distinct from the existing genus Corticicoccus of new.

Novicorynebacterium

L. masc. adjective *novus*, new; L. neut. n. *Corynebacterium*, An existing genus; *Novicorynebacterium*: A genus related to but distinct from the existing genus Corynebacterium of new.

Novicosenzaea

L. masc. adjective *novus*, new; L. fem. n. *Cosenzaea*, An existing genus; *Novicosenzaea*: A genus related to but distinct from the existing genus Cosenzaea of new.

Novicostertonia

L. masc. adjective *novus*, new; L. fem. n. *Costertonia*, An existing genus; *Novicostertonia*: A genus related to but distinct from the existing genus Costertonia of new.

Novicouchioplanes

L. masc. adjective *novus*, new; L. masc. n. *Couchioplanes*, An existing genus; *Novicouchioplanes*: A genus related to but distinct from the existing genus Couchioplanes of new.

Novicowdria

L. masc. adjective *novus*, new; L. fem. n. *Cowdria*, An existing genus; *Novicowdria*: A genus related to but distinct from the existing genus Cowdria of new.

Novicoxiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Coxiella*, An existing genus; *Novicoxiella*: A genus related to but distinct from the existing genus Coxiella of new.

Novicrabtreella

L. masc. adjective *novus*, new; L. fem. dim. n. *Crabtreella*, An existing genus; *Novicrabtreella*: A genus related to but distinct from the existing genus Crabtreella of new.

Novicrassaminicella

L. masc. adjective *novus*, new; L. fem. n. *Crassaminicella*, An existing genus; *Novicrassaminicella*: A genus related to but distinct from the existing genus Crassaminicella of new.

Novicrateriforma

L. masc. adjective *novus*, new; L. fem. n. *Crateriforma*, An existing genus; *Novicrateriforma*: A genus related to but distinct from the existing genus Crateriforma of new.

Novicraterilacuibacter

L. masc. adjective *novus*, new; L. masc. n. *Craterilacuibacter*, An existing genus; *Novicraterilacuibacter*: A genus related to but distinct from the existing genus Craterilacuibacter of new.

Novicraurococcus

L. masc. adjective *novus*, new; L. masc. n. *Craurococcus*, An existing genus; *Novicraurococcus*: A genus related to but distinct from the existing genus Craurococcus of new.

Novicrenalkalicoccus

L. masc. adjective *novus*, new; L. masc. n. *Crenalkalicoccus*, An existing genus; *Novicrenalkalicoccus*: A genus related to but distinct from the existing genus Crenalkalicoccus of new.

Novicrenotalea

L. masc. adjective *novus*, new; L. fem. n. *Crenotalea*, An existing genus; *Novicrenotalea*: A genus related to but distinct from the existing genus Crenotalea of new.

Novicriblamydia

L. masc. adjective *novus*, new; L. fem. n. *Criblamydia*, An existing genus; *Novicriblamydia*: A genus related to but distinct from the existing genus Criblamydia of new.

Novicribrihabitans

L. masc. adjective *novus*, new; L. masc. n. *Cribrihabitans*, An existing genus; *Novicribrihabitans*: A genus related to but distinct from the existing genus Cribrihabitans of new.

Novicricetibacter

L. masc. adjective *novus*, new; L. masc. n. *Cricetibacter*, An existing genus; *Novicricetibacter*: A genus related to but distinct from the existing genus Cricetibacter of new.

Novicristispira

L. masc. adjective *novus*, new; L. fem. n. *Cristispira*, An existing genus; *Novicristispira*: A genus related to but distinct from the existing genus Cristispira of new.

Novicroceibacter

L. masc. adjective *novus*, new; L. masc. n. *Croceibacter*, An existing genus; *Novicroceibacter*: A genus related to but distinct from the existing genus Croceibacter of new.

Novicroceibacterium

L. masc. adjective *novus*, new; L. neut. n. *Croceibacterium*, An existing genus; *Novicroceibacterium*: A genus related to but distinct from the existing genus Croceibacterium of new.

Novicroceicoccus

L. masc. adjective *novus*, new; L. masc. n. *Croceicoccus*, An existing genus; *Novicroceicoccus*: A genus related to but distinct from the existing genus Croceicoccus of new.

Novicroceifilum

L. masc. adjective *novus*, new; L. neut. n. *Croceifilum*, An existing genus; *Novicroceifilum*: A genus related to but distinct from the existing genus Croceifilum of new.

Novicroceitalea

L. masc. adjective *novus*, new; L. fem. n. *Croceitalea*, An existing genus; *Novicroceitalea*: A genus related to but distinct from the existing genus Croceitalea of new.

Novicroceivirga

L. masc. adjective *novus*, new; L. fem. n. *Croceivirga*, An existing genus; *Novicroceivirga*: A genus related to but distinct from the existing genus Croceivirga of new.

Novicrocinitomix

L. masc. adjective *novus*, new; L. fem. n. *Crocinitomix*, An existing genus; *Novicrocinitomix*: A genus related to but distinct from the existing genus Crocinitomix of new.

Novicrocosphaera

L. masc. adjective *novus*, new; L. fem. n. *Crocosphaera*, An existing genus; *Novicrocosphaera*: A genus related to but distinct from the existing genus Crocosphaera of new.

Novicronobacter

L. masc. adjective *novus*, new; L. masc. n. *Cronobacter*, An existing genus; *Novicronobacter*: A genus related to but distinct from the existing genus Cronobacter of new.

Novicrossiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Crossiella*, An existing genus; *Novicrossiella*: A genus related to but distinct from the existing genus Crossiella of new.

Novicruoricaptor

L. masc. adjective *novus*, new; L. masc. n. *Cruoricaptor*, An existing genus; *Novicruoricaptor*: A genus related to but distinct from the existing genus Cruoricaptor of new.

Novicryobacterium

L. masc. adjective *novus*, new; L. neut. n. *Cryobacterium*, An existing genus; *Novicryobacterium*: A genus related to but distinct from the existing genus Cryobacterium of new.

Novicryomorpha

L. masc. adjective *novus*, new; L. fem. n. *Cryomorpha*, An existing genus; *Novicryomorpha*: A genus related to but distinct from the existing genus Cryomorpha of new.

Novicryptanaerobacter

L. masc. adjective *novus*, new; L. masc. n. *Cryptanaerobacter*, An existing genus; *Novicryptanaerobacter*: A genus related to but distinct from the existing genus Cryptanaerobacter of new.

Novicryptobacterium

L. masc. adjective *novus*, new; L. neut. n. *Cryptobacterium*, An existing genus; *Novicryptobacterium*: A genus related to but distinct from the existing genus Cryptobacterium of new.

Novicryptococcum

L. masc. adjective *novus*, new; L. neut. n. *Cryptococcum*, An existing genus; *Novicryptococcum*: A genus related to but distinct from the existing genus Cryptococcum of new.

Novicryptosporangium

L. masc. adjective *novus*, new; L. neut. n. *Cryptosporangium*, An existing genus; *Novicryptosporangium*: A genus related to but distinct from the existing genus Cryptosporangium of new.

Novicucumibacter

L. masc. adjective *novus*, new; L. masc. n. *Cucumibacter*, An existing genus; *Novicucumibacter*: A genus related to but distinct from the existing genus Cucumibacter of new.

Novicumulibacter

L. masc. adjective *novus*, new; L. masc. n. *Cumulibacter*, An existing genus; *Novicumulibacter*: A genus related to but distinct from the existing genus Cumulibacter of new.

Novicuneatibacter

L. masc. adjective *novus*, new; L. masc. n. *Cuneatibacter*, An existing genus; *Novicuneatibacter*: A genus related to but distinct from the existing genus Cuneatibacter of new.

Novicuniculiplasma

L. masc. adjective *novus*, new; L. neut. n. *Cuniculiplasma*, An existing genus; *Novicuniculiplasma*: A genus related to but distinct from the existing genus Cuniculiplasma of new.

Novicupriavidus

L. masc. adjective *novus*, new; L. masc. n. *Cupriavidus*, An existing genus; *Novicupriavidus*: A genus related to but distinct from the existing genus Cupriavidus of new.

Novicurtobacterium

L. masc. adjective *novus*, new; L. neut. n. *Curtobacterium*, An existing genus; *Novicurtobacterium*: A genus related to but distinct from the existing genus Curtobacterium of new.

Novicurvibacter

L. masc. adjective *novus*, new; L. masc. n. *Curvibacter*, An existing genus; *Novicurvibacter*: A genus related to but distinct from the existing genus Curvibacter of new.

Novicutibacterium

L. masc. adjective *novus*, new; L. neut. n. *Cutibacterium*, An existing genus; *Novicutibacterium*: A genus related to but distinct from the existing genus Cutibacterium of new.

Novicyanocohniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Cyanocohniella*, An existing genus; *Novicyanocohniella*: A genus related to but distinct from the existing genus Cyanocohniella of new.

Novicyanocomperia

L. masc. adjective *novus*, new; L. fem. n. *Cyanocomperia*, An existing genus; *Novicyanocomperia*: A genus related to but distinct from the existing genus Cyanocomperia of new.

Novicyanoderma

L. masc. adjective *novus*, new; L. neut. n. *Cyanoderma*, An existing genus; *Novicyanoderma*: A genus related to but distinct from the existing genus Cyanoderma of new.

Novicyanosaccus

L. masc. adjective *novus*, new; L. masc. n. *Cyanosaccus*, An existing genus; *Novicyanosaccus*: A genus related to but distinct from the existing genus Cyanosaccus of new.

Novicyclobacterium

L. masc. adjective *novus*, new; L. neut. n. *Cyclobacterium*, An existing genus; *Novicyclobacterium*: A genus related to but distinct from the existing genus Cyclobacterium of new.

Novicycloclasticus

L. masc. adjective *novus*, new; L. masc. n. *Cycloclasticus*, An existing genus; *Novicycloclasticus*: A genus related to but distinct from the existing genus Cycloclasticus of new.

Novicysteiniphilum

L. masc. adjective *novus*, new; L. neut. n. *Cysteiniphilum*, An existing genus; *Novicysteiniphilum*: A genus related to but distinct from the existing genus Cysteiniphilum of new.

Novicystobacter

L. masc. adjective *novus*, new; L. masc. n. *Cystobacter*, An existing genus; *Novicystobacter*: A genus related to but distinct from the existing genus Cystobacter of new.

Novicytobacillus

L. masc. adjective *novus*, new; L. masc. n. *Cytobacillus*, An existing genus; *Novicytobacillus*: A genus related to but distinct from the existing genus Cytobacillus of new.

Novicytophaga

L. masc. adjective *novus*, new; L. fem. n. *Cytophaga*, An existing genus; *Novicytophaga*: A genus related to but distinct from the existing genus Cytophaga of new.

Novidactylosporangium

L. masc. adjective *novus*, new; L. neut. n. *Dactylosporangium*, An existing genus; *Novidactylosporangium*: A genus related to but distinct from the existing genus Dactylosporangium of new.

Novidaeguia

L. masc. adjective *novus*, new; L. fem. n. *Daeguia*, An existing genus; *Novidaeguia*: A genus related to but distinct from the existing genus Daeguia of new.

Novidaejeonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Daejeonella*, An existing genus; *Novidaejeonella*: A genus related to but distinct from the existing genus Daejeonella of new.

Novidaejeonia

L. masc. adjective *novus*, new; L. fem. n. *Daejeonia*, An existing genus; *Novidaejeonia*: A genus related to but distinct from the existing genus Daejeonia of new.

Novidankookia

L. masc. adjective *novus*, new; L. fem. n. *Dankookia*, An existing genus; *Novidankookia*: A genus related to but distinct from the existing genus Dankookia of new.

Novidaptobacter

L. masc. adjective *novus*, new; L. masc. n. *Daptobacter*, An existing genus; *Novidaptobacter*: A genus related to but distinct from the existing genus Daptobacter of new.

Novidasania

L. masc. adjective *novus*, new; L. fem. n. *Dasania*, An existing genus; *Novidasania*: A genus related to but distinct from the existing genus Dasania of new.

Novidechlorobacter

L. masc. adjective *novus*, new; L. masc. n. *Dechlorobacter*, An existing genus; *Novidechlorobacter*: A genus related to but distinct from the existing genus Dechlorobacter of new.

Novidechloromonas

L. masc. adjective *novus*, new; L. fem. n. *Dechloromonas*, An existing genus; *Novidechloromonas*: A genus related to but distinct from the existing genus Dechloromonas of new.

Novidechlorosoma

L. masc. adjective *novus*, new; L. neut. n. *Dechlorosoma*, An existing genus; *Novidechlorosoma*: A genus related to but distinct from the existing genus Dechlorosoma of new.

Novideefgea

L. masc. adjective *novus*, new; L. fem. n. *Deefgea*, An existing genus; *Novideefgea*: A genus related to but distinct from the existing genus Deefgea of new.

Novideferribacter

L. masc. adjective *novus*, new; L. masc. n. *Deferribacter*, An existing genus; *Novideferribacter*: A genus related to but distinct from the existing genus Deferribacter of new.

Novideferrisoma

L. masc. adjective *novus*, new; L. neut. n. *Deferrisoma*, An existing genus; *Novideferrisoma*: A genus related to but distinct from the existing genus Deferrisoma of new.

Novidefluvibacter

L. masc. adjective *novus*, new; L. masc. n. *Defluvibacter*, An existing genus; *Novidefluvibacter*: A genus related to but distinct from the existing genus Defluvibacter of new.

Novidefluviicoccus

L. masc. adjective *novus*, new; L. masc. n. *Defluviicoccus*, An existing genus; *Novidefluviicoccus*: A genus related to but distinct from the existing genus Defluviicoccus of new.

Novidefluviimonas

L. masc. adjective *novus*, new; L. fem. n. *Defluviimonas*, An existing genus; *Novidefluviimonas*: A genus related to but distinct from the existing genus Defluviimonas of new.

Novidefluviitalea

L. masc. adjective *novus*, new; L. fem. n. *Defluviitalea*, An existing genus; *Novidefluviitalea*: A genus related to but distinct from the existing genus Defluviitalea of new.

Novidefluviitoga

L. masc. adjective *novus*, new; L. fem. n. *Defluviitoga*, An existing genus; *Novidefluviitoga*: A genus related to but distinct from the existing genus Defluviitoga of new.

Novidehalobacter

L. masc. adjective *novus*, new; L. masc. n. *Dehalobacter*, An existing genus; *Novidehalobacter*: A genus related to but distinct from the existing genus Dehalobacter of new.

Novidehalobacterium

L. masc. adjective *novus*, new; L. neut. n. *Dehalobacterium*, An existing genus; *Novidehalobacterium*: A genus related to but distinct from the existing genus Dehalobacterium of new.

Novidehalogenimonas

L. masc. adjective *novus*, new; L. fem. n. *Dehalogenimonas*, An existing genus; *Novidehalogenimonas*: A genus related to but distinct from the existing genus Dehalogenimonas of new.

Novideinobacter

L. masc. adjective *novus*, new; L. masc. n. *Deinobacter*, An existing genus; *Novideinobacter*: A genus related to but distinct from the existing genus Deinobacter of new.

Novideinobacterium

L. masc. adjective *novus*, new; L. neut. n. *Deinobacterium*, An existing genus; *Novideinobacterium*: A genus related to but distinct from the existing genus Deinobacterium of new.

Novideinococcus

L. masc. adjective *novus*, new; L. masc. n. *Deinococcus*, An existing genus; *Novideinococcus*: A genus related to but distinct from the existing genus Deinococcus of new.

Novideleya

L. masc. adjective *novus*, new; L. fem. n. *Deleya*, An existing genus; *Novideleya*: A genus related to but distinct from the existing genus Deleya of new.

Novidelftia

L. masc. adjective *novus*, new; L. fem. n. *Delftia*, An existing genus; *Novidelftia*: A genus related to but distinct from the existing genus Delftia of new.

Novidellaglioa

L. masc. adjective *novus*, new; L. fem. n. *Dellaglioa*, An existing genus; *Novidellaglioa*: A genus related to but distinct from the existing genus Dellaglioa of new.

Novidemequina

L. masc. adjective *novus*, new; L. fem. n. *Demequina*, An existing genus; *Novidemequina*: A genus related to but distinct from the existing genus Demequina of new.

Novidemetria

L. masc. adjective *novus*, new; L. fem. n. *Demetria*, An existing genus; *Novidemetria*: A genus related to but distinct from the existing genus Demetria of new.

Novideminuibacter

L. masc. adjective *novus*, new; L. masc. n. *Deminuibacter*, An existing genus; *Novideminuibacter*: A genus related to but distinct from the existing genus Deminuibacter of new.

Novidenitratimonas

L. masc. adjective *novus*, new; L. fem. n. *Denitratimonas*, An existing genus; *Novidenitratimonas*: A genus related to but distinct from the existing genus Denitratimonas of new.

Novidenitratisoma

L. masc. adjective *novus*, new; L. neut. n. *Denitratisoma*, An existing genus; *Novidenitratisoma*: A genus related to but distinct from the existing genus Denitratisoma of new.

Novidenitrobacterium

L. masc. adjective *novus*, new; L. neut. n. *Denitrobacterium*, An existing genus; *Novidenitrobacterium*: A genus related to but distinct from the existing genus Denitrobacterium of new.

Novidenitrobaculum

L. masc. adjective *novus*, new; L. neut. n. *Denitrobaculum*, An existing genus; *Novidenitrobaculum*: A genus related to but distinct from the existing genus Denitrobaculum of new.

Novidenitrovibrio

L. masc. adjective *novus*, new; L. masc. n. *Denitrovibrio*, An existing genus; *Novidenitrovibrio*: A genus related to but distinct from the existing genus Denitrovibrio of new.

Novidermacoccus

L. masc. adjective *novus*, new; L. masc. n. *Dermacoccus*, An existing genus; *Novidermacoccus*: A genus related to but distinct from the existing genus Dermacoccus of new.

Novidermatophilus

L. masc. adjective *novus*, new; L. masc. n. *Dermatophilus*, An existing genus; *Novidermatophilus*: A genus related to but distinct from the existing genus Dermatophilus of new.

Noviderxia

L. masc. adjective *novus*, new; L. fem. n. *Derxia*, An existing genus; *Noviderxia*: A genus related to but distinct from the existing genus Derxia of new.

Novidesemzia

L. masc. adjective *novus*, new; L. fem. n. *Desemzia*, An existing genus; *Novidesemzia*: A genus related to but distinct from the existing genus Desemzia of new.

Novidesertibacillus

L. masc. adjective *novus*, new; L. masc. n. *Desertibacillus*, An existing genus; *Novidesertibacillus*: A genus related to but distinct from the existing genus Desertibacillus of new.

Novidesertibacter

L. masc. adjective *novus*, new; L. masc. n. *Desertibacter*, An existing genus; *Novidesertibacter*: A genus related to but distinct from the existing genus Desertibacter of new.

Novidesertifilum

L. masc. adjective *novus*, new; L. neut. n. *Desertifilum*, An existing genus; *Novidesertifilum*: A genus related to but distinct from the existing genus Desertifilum of new.

Novidesertihabitans

L. masc. adjective *novus*, new; L. masc. n. *Desertihabitans*, An existing genus; *Novidesertihabitans*: A genus related to but distinct from the existing genus Desertihabitans of new.

Novidesertimonas

L. masc. adjective *novus*, new; L. fem. n. *Desertimonas*, An existing genus; *Novidesertimonas*: A genus related to but distinct from the existing genus Desertimonas of new.

Novidesikacharya

L. masc. adjective *novus*, new; L. fem. n. *Desikacharya*, An existing genus; *Novidesikacharya*: A genus related to but distinct from the existing genus Desikacharya of new.

Novidesmospora

L. masc. adjective *novus*, new; L. fem. n. *Desmospora*, An existing genus; *Novidesmospora*: A genus related to but distinct from the existing genus Desmospora of new.

Novidesnuesiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Desnuesiella*, An existing genus; *Novidesnuesiella*: A genus related to but distinct from the existing genus Desnuesiella of new.

Novidesulfacinum

L. masc. adjective *novus*, new; L. neut. n. *Desulfacinum*, An existing genus; *Novidesulfacinum*: A genus related to but distinct from the existing genus Desulfacinum of new.

Novidesulfallas

L. masc. adjective *novus*, new; L. masc. n. *Desulfallas*, An existing genus; *Novidesulfallas*: A genus related to but distinct from the existing genus Desulfallas of new.

Novidesulfarculus

L. masc. adjective *novus*, new; L. masc. n. *Desulfarculus*, An existing genus; *Novidesulfarculus*: A genus related to but distinct from the existing genus Desulfarculus of new.

Novidesulfatibacillum

L. masc. adjective *novus*, new; L. neut. n. *Desulfatibacillum*, An existing genus; *Novidesulfatibacillum*: A genus related to but distinct from the existing genus Desulfatibacillum of new.

Novidesulfatiferula

L. masc. adjective *novus*, new; L. fem. n. *Desulfatiferula*, An existing genus; *Novidesulfatiferula*: A genus related to but distinct from the existing genus Desulfatiferula of new.

Novidesulfatiglans

L. masc. adjective *novus*, new; L. fem. n. *Desulfatiglans*, An existing genus; *Novidesulfatiglans*: A genus related to but distinct from the existing genus Desulfatiglans of new.

Novidesulfatirhabdium

L. masc. adjective *novus*, new; L. neut. dim. n. *Desulfatirhabdium*, An existing genus; *Novidesulfatirhabdium*: A genus related to but distinct from the existing genus Desulfatirhabdium of new.

Novidesulfatitalea

L. masc. adjective *novus*, new; L. fem. n. *Desulfatitalea*, An existing genus; *Novidesulfatitalea*: A genus related to but distinct from the existing genus Desulfatitalea of new.

Novidesulfitibacter

L. masc. adjective *novus*, new; L. masc. n. *Desulfitibacter*, An existing genus; *Novidesulfitibacter*: A genus related to but distinct from the existing genus Desulfitibacter of new.

Novidesulfitispora

L. masc. adjective *novus*, new; L. fem. n. *Desulfitispora*, An existing genus; *Novidesulfitispora*: A genus related to but distinct from the existing genus Desulfitispora of new.

Novidesulfitobacterium

L. masc. adjective *novus*, new; L. neut. n. *Desulfitobacterium*, An existing genus; *Novidesulfitobacterium*: A genus related to but distinct from the existing genus Desulfitobacterium of new.

Novidesulfobacca

L. masc. adjective *novus*, new; L. fem. n. *Desulfobacca*, An existing genus; *Novidesulfobacca*: A genus related to but distinct from the existing genus Desulfobacca of new.

Novidesulfobacter

L. masc. adjective *novus*, new; L. masc. n. *Desulfobacter*, An existing genus; *Novidesulfobacter*: A genus related to but distinct from the existing genus Desulfobacter of new.

Novidesulfobacterium

L. masc. adjective *novus*, new; L. neut. n. *Desulfobacterium*, An existing genus; *Novidesulfobacterium*: A genus related to but distinct from the existing genus Desulfobacterium of new.

Novidesulfobacula

L. masc. adjective *novus*, new; L. fem. dim. n. *Desulfobacula*, An existing genus; *Novidesulfobacula*: A genus related to but distinct from the existing genus Desulfobacula of new.

Novidesulfobaculum

L. masc. adjective *novus*, new; L. neut. n. *Desulfobaculum*, An existing genus; *Novidesulfobaculum*: A genus related to but distinct from the existing genus Desulfobaculum of new.

Novidesulfobotulus

L. masc. adjective *novus*, new; L. masc. n. *Desulfobotulus*, An existing genus; *Novidesulfobotulus*: A genus related to but distinct from the existing genus Desulfobotulus of new.

Novidesulfobulbus

L. masc. adjective *novus*, new; L. masc. n. *Desulfobulbus*, An existing genus; *Novidesulfobulbus*: A genus related to but distinct from the existing genus Desulfobulbus of new.

Novidesulfocapsa

L. masc. adjective *novus*, new; L. fem. n. *Desulfocapsa*, An existing genus; *Novidesulfocapsa*: A genus related to but distinct from the existing genus Desulfocapsa of new.

Novidesulfocarbo

L. masc. adjective *novus*, new; L. masc. n. *Desulfocarbo*, An existing genus; *Novidesulfocarbo*: A genus related to but distinct from the existing genus Desulfocarbo of new.

Novidesulfocella

L. masc. adjective *novus*, new; L. fem. n. *Desulfocella*, An existing genus; *Novidesulfocella*: A genus related to but distinct from the existing genus Desulfocella of new.

Novidesulfococcus

L. masc. adjective *novus*, new; L. masc. n. *Desulfococcus*, An existing genus; *Novidesulfococcus*: A genus related to but distinct from the existing genus Desulfococcus of new.

Novidesulfocucumis

L. masc. adjective *novus*, new; L. masc. n. *Desulfocucumis*, An existing genus; *Novidesulfocucumis*: A genus related to but distinct from the existing genus Desulfocucumis of new.

Novidesulfocurvibacter

L. masc. adjective *novus*, new; L. masc. n. *Desulfocurvibacter*, An existing genus; *Novidesulfocurvibacter*: A genus related to but distinct from the existing genus Desulfocurvibacter of new.

Novidesulfocurvus

L. masc. adjective *novus*, new; L. masc. n. *Desulfocurvus*, An existing genus; *Novidesulfocurvus*: A genus related to but distinct from the existing genus Desulfocurvus of new.

Novidesulfofaba

L. masc. adjective *novus*, new; L. fem. n. *Desulfofaba*, An existing genus; *Novidesulfofaba*: A genus related to but distinct from the existing genus Desulfofaba of new.

Novidesulfofarcimen

L. masc. adjective *novus*, new; L. neut. n. *Desulfofarcimen*, An existing genus; *Novidesulfofarcimen*: A genus related to but distinct from the existing genus Desulfofarcimen of new.

Novidesulfofrigus

L. masc. adjective *novus*, new; L. neut. n. *Desulfofrigus*, An existing genus; *Novidesulfofrigus*: A genus related to but distinct from the existing genus Desulfofrigus of new.

Novidesulfofundulus

L. masc. adjective *novus*, new; L. masc. n. *Desulfofundulus*, An existing genus; *Novidesulfofundulus*: A genus related to but distinct from the existing genus Desulfofundulus of new.

Novidesulfofustis

L. masc. adjective *novus*, new; L. masc. n. *Desulfofustis*, An existing genus; *Novidesulfofustis*: A genus related to but distinct from the existing genus Desulfofustis of new.

Novidesulfoglaeba

L. masc. adjective *novus*, new; L. fem. n. *Desulfoglaeba*, An existing genus; *Novidesulfoglaeba*: A genus related to but distinct from the existing genus Desulfoglaeba of new.

Novidesulfohalobium

L. masc. adjective *novus*, new; L. neut. n. *Desulfohalobium*, An existing genus; *Novidesulfohalobium*: A genus related to but distinct from the existing genus Desulfohalobium of new.

Novidesulfohalophilus

L. masc. adjective *novus*, new; L. masc. n. *Desulfohalophilus*, An existing genus; *Novidesulfohalophilus*: A genus related to but distinct from the existing genus Desulfohalophilus of new.

Novidesulfohalotomaculum

L. masc. adjective *novus*, new; L. neut. n. *Desulfohalotomaculum*, An existing genus; *Novidesulfohalotomaculum*: A genus related to but distinct from the existing genus Desulfohalotomaculum of new.

Novidesulfohalovibrio

L. masc. adjective *novus*, new; L. masc. n. *Desulfohalovibrio*, An existing genus; *Novidesulfohalovibrio*: A genus related to but distinct from the existing genus Desulfohalovibrio of new.

Novidesulfoluna

L. masc. adjective *novus*, new; L. fem. n. *Desulfoluna*, An existing genus; *Novidesulfoluna*: A genus related to but distinct from the existing genus Desulfoluna of new.

Novidesulfomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Desulfomicrobium*, An existing genus; *Novidesulfomicrobium*: A genus related to but distinct from the existing genus Desulfomicrobium of new.

Novidesulfomonas

L. masc. adjective *novus*, new; L. fem. n. *Desulfomonas*, An existing genus; *Novidesulfomonas*: A genus related to but distinct from the existing genus Desulfomonas of new.

Novidesulfomonile

L. masc. adjective *novus*, new; L. neut. n. *Desulfomonile*, An existing genus; *Novidesulfomonile*: A genus related to but distinct from the existing genus Desulfomonile of new.

Novidesulfomusa

L. masc. adjective *novus*, new; L. fem. n. *Desulfomusa*, An existing genus; *Novidesulfomusa*: A genus related to but distinct from the existing genus Desulfomusa of new.

Novidesulfonatronobacter

L. masc. adjective *novus*, new; L. masc. n. *Desulfonatronobacter*, An existing genus; *Novidesulfonatronobacter*: A genus related to but distinct from the existing genus Desulfonatronobacter of new.

Novidesulfonatronospira

L. masc. adjective *novus*, new; L. fem. n. *Desulfonatronospira*, An existing genus; *Novidesulfonatronospira*: A genus related to but distinct from the existing genus Desulfonatronospira of new.

Novidesulfonatronovibrio

L. masc. adjective *novus*, new; L. masc. n. *Desulfonatronovibrio*, An existing genus; *Novidesulfonatronovibrio*: A genus related to but distinct from the existing genus Desulfonatronovibrio of new.

Novidesulfonatronum

L. masc. adjective *novus*, new; L. neut. n. *Desulfonatronum*, An existing genus; *Novidesulfonatronum*: A genus related to but distinct from the existing genus Desulfonatronum of new.

Novidesulfonauticus

L. masc. adjective *novus*, new; L. masc. n. *Desulfonauticus*, An existing genus; *Novidesulfonauticus*: A genus related to but distinct from the existing genus Desulfonauticus of new.

Novidesulfonema

L. masc. adjective *novus*, new; L. neut. n. *Desulfonema*, An existing genus; *Novidesulfonema*: A genus related to but distinct from the existing genus Desulfonema of new.

Novidesulfonispora

L. masc. adjective *novus*, new; L. fem. n. *Desulfonispora*, An existing genus; *Novidesulfonispora*: A genus related to but distinct from the existing genus Desulfonispora of new.

Novidesulfopila

L. masc. adjective *novus*, new; L. fem. n. *Desulfopila*, An existing genus; *Novidesulfopila*: A genus related to but distinct from the existing genus Desulfopila of new.

Novidesulfoplanes

L. masc. adjective *novus*, new; L. masc. n. *Desulfoplanes*, An existing genus; *Novidesulfoplanes*: A genus related to but distinct from the existing genus Desulfoplanes of new.

Novidesulfoprunum

L. masc. adjective *novus*, new; L. neut. n. *Desulfoprunum*, An existing genus; *Novidesulfoprunum*: A genus related to but distinct from the existing genus Desulfoprunum of new.

Novidesulforegula

L. masc. adjective *novus*, new; L. fem. n. *Desulforegula*, An existing genus; *Novidesulforegula*: A genus related to but distinct from the existing genus Desulforegula of new.

Novidesulforhabdus

L. masc. adjective *novus*, new; L. fem. n. *Desulforhabdus*, An existing genus; *Novidesulforhabdus*: A genus related to but distinct from the existing genus Desulforhabdus of new.

Novidesulforhopalus

L. masc. adjective *novus*, new; L. masc. n. *Desulforhopalus*, An existing genus; *Novidesulforhopalus*: A genus related to but distinct from the existing genus Desulforhopalus of new.

Novidesulfosalsimonas

L. masc. adjective *novus*, new; L. fem. n. *Desulfosalsimonas*, An existing genus; *Novidesulfosalsimonas*: A genus related to but distinct from the existing genus Desulfosalsimonas of new.

Novidesulfosarcina

L. masc. adjective *novus*, new; L. fem. n. *Desulfosarcina*, An existing genus; *Novidesulfosarcina*: A genus related to but distinct from the existing genus Desulfosarcina of new.

Novidesulfosoma

L. masc. adjective *novus*, new; L. neut. n. *Desulfosoma*, An existing genus; *Novidesulfosoma*: A genus related to but distinct from the existing genus Desulfosoma of new.

Novidesulfospira

L. masc. adjective *novus*, new; L. fem. n. *Desulfospira*, An existing genus; *Novidesulfospira*: A genus related to but distinct from the existing genus Desulfospira of new.

Novidesulfosporomusa

L. masc. adjective *novus*, new; L. fem. n. *Desulfosporomusa*, An existing genus; *Novidesulfosporomusa*: A genus related to but distinct from the existing genus Desulfosporomusa of new.

Novidesulfosporosinus

L. masc. adjective *novus*, new; L. masc. n. *Desulfosporosinus*, An existing genus; *Novidesulfosporosinus*: A genus related to but distinct from the existing genus Desulfosporosinus of new.

Novidesulfotalea

L. masc. adjective *novus*, new; L. fem. n. *Desulfotalea*, An existing genus; *Novidesulfotalea*: A genus related to but distinct from the existing genus Desulfotalea of new.

Novidesulfothermobacter

L. masc. adjective *novus*, new; L. masc. n. *Desulfothermobacter*, An existing genus; *Novidesulfothermobacter*: A genus related to but distinct from the existing genus Desulfothermobacter of new.

Novidesulfothermus

L. masc. adjective *novus*, new; L. masc. n. *Desulfothermus*, An existing genus; *Novidesulfothermus*: A genus related to but distinct from the existing genus Desulfothermus of new.

Novidesulfotignum

L. masc. adjective *novus*, new; L. neut. n. *Desulfotignum*, An existing genus; *Novidesulfotignum*: A genus related to but distinct from the existing genus Desulfotignum of new.

Novidesulfotomaculum

L. masc. adjective *novus*, new; L. neut. n. *Desulfotomaculum*, An existing genus; *Novidesulfotomaculum*: A genus related to but distinct from the existing genus Desulfotomaculum of new.

Novidesulfovermiculus

L. masc. adjective *novus*, new; L. masc. n. *Desulfovermiculus*, An existing genus; *Novidesulfovermiculus*: A genus related to but distinct from the existing genus Desulfovermiculus of new.

Novidesulfovibrio

L. masc. adjective *novus*, new; L. masc. n. *Desulfovibrio*, An existing genus; *Novidesulfovibrio*: A genus related to but distinct from the existing genus Desulfovibrio of new.

Novidesulfovirga

L. masc. adjective *novus*, new; L. fem. n. *Desulfovirga*, An existing genus; *Novidesulfovirga*: A genus related to but distinct from the existing genus Desulfovirga of new.

Novidesulfovirgula

L. masc. adjective *novus*, new; L. fem. dim. n. *Desulfovirgula*, An existing genus; *Novidesulfovirgula*: A genus related to but distinct from the existing genus Desulfovirgula of new.

Novidesulfurella

L. masc. adjective *novus*, new; L. fem. dim. n. *Desulfurella*, An existing genus; *Novidesulfurella*: A genus related to but distinct from the existing genus Desulfurella of new.

Novidesulfuribacillus

L. masc. adjective *novus*, new; L. masc. n. *Desulfuribacillus*, An existing genus; *Novidesulfuribacillus*: A genus related to but distinct from the existing genus Desulfuribacillus of new.

Novidesulfurispira

L. masc. adjective *novus*, new; L. fem. n. *Desulfurispira*, An existing genus; *Novidesulfurispira*: A genus related to but distinct from the existing genus Desulfurispira of new.

Novidesulfurispirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Desulfurispirillum*, An existing genus; *Novidesulfurispirillum*: A genus related to but distinct from the existing genus Desulfurispirillum of new.

Novidesulfurispora

L. masc. adjective *novus*, new; L. fem. n. *Desulfurispora*, An existing genus; *Novidesulfurispora*: A genus related to but distinct from the existing genus Desulfurispora of new.

Novidesulfurivibrio

L. masc. adjective *novus*, new; L. masc. n. *Desulfurivibrio*, An existing genus; *Novidesulfurivibrio*: A genus related to but distinct from the existing genus Desulfurivibrio of new.

Novidesulfurobacterium

L. masc. adjective *novus*, new; L. neut. n. *Desulfurobacterium*, An existing genus; *Novidesulfurobacterium*: A genus related to but distinct from the existing genus Desulfurobacterium of new.

Novidesulfurococcus

L. masc. adjective *novus*, new; L. masc. n. *Desulfurococcus*, An existing genus; *Novidesulfurococcus*: A genus related to but distinct from the existing genus Desulfurococcus of new.

Novidesulfuromonas

L. masc. adjective *novus*, new; L. fem. n. *Desulfuromonas*, An existing genus; *Novidesulfuromonas*: A genus related to but distinct from the existing genus Desulfuromonas of new.

Novidesulfuromusa

L. masc. adjective *novus*, new; L. fem. n. *Desulfuromusa*, An existing genus; *Novidesulfuromusa*: A genus related to but distinct from the existing genus Desulfuromusa of new.

Novidethiobacter

L. masc. adjective *novus*, new; L. masc. n. *Dethiobacter*, An existing genus; *Novidethiobacter*: A genus related to but distinct from the existing genus Dethiobacter of new.

Novidethiosulfatarculus

L. masc. adjective *novus*, new; L. masc. dim. n. *Dethiosulfatarculus*, An existing genus; *Novidethiosulfatarculus*: A genus related to but distinct from the existing genus Dethiosulfatarculus of new.

Novidethiosulfatibacter

L. masc. adjective *novus*, new; L. masc. n. *Dethiosulfatibacter*, An existing genus; *Novidethiosulfatibacter*: A genus related to but distinct from the existing genus Dethiosulfatibacter of new.

Novidethiosulfovibrio

L. masc. adjective *novus*, new; L. masc. n. *Dethiosulfovibrio*, An existing genus; *Novidethiosulfovibrio*: A genus related to but distinct from the existing genus Dethiosulfovibrio of new.

Novidevosia

L. masc. adjective *novus*, new; L. fem. n. *Devosia*, An existing genus; *Novidevosia*: A genus related to but distinct from the existing genus Devosia of new.

Novidevriesea

L. masc. adjective *novus*, new; L. fem. n. *Devriesea*, An existing genus; *Novidevriesea*: A genus related to but distinct from the existing genus Devriesea of new.

Novidiaminobutyricibacter

L. masc. adjective *novus*, new; L. masc. n. *Diaminobutyricibacter*, An existing genus; *Novidiaminobutyricibacter*: A genus related to but distinct from the existing genus Diaminobutyricibacter of new.

Novidiaminobutyricimonas

L. masc. adjective *novus*, new; L. fem. n. *Diaminobutyricimonas*, An existing genus; *Novidiaminobutyricimonas*: A genus related to but distinct from the existing genus Diaminobutyricimonas of new.

Novidiaphorobacter

L. masc. adjective *novus*, new; L. masc. n. *Diaphorobacter*, An existing genus; *Novidiaphorobacter*: A genus related to but distinct from the existing genus Diaphorobacter of new.

Novidichelobacter

L. masc. adjective *novus*, new; L. masc. n. *Dichelobacter*, An existing genus; *Novidichelobacter*: A genus related to but distinct from the existing genus Dichelobacter of new.

Novidichotomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Dichotomicrobium*, An existing genus; *Novidichotomicrobium*: A genus related to but distinct from the existing genus Dichotomicrobium of new.

Novidickeya

L. masc. adjective *novus*, new; L. fem. n. *Dickeya*, An existing genus; *Novidickeya*: A genus related to but distinct from the existing genus Dickeya of new.

Novidictyobacter

L. masc. adjective *novus*, new; L. masc. n. *Dictyobacter*, An existing genus; *Novidictyobacter*: A genus related to but distinct from the existing genus Dictyobacter of new.

Novidictyoglomus

L. masc. adjective *novus*, new; L. neut. n. *Dictyoglomus*, An existing genus; *Novidictyoglomus*: A genus related to but distinct from the existing genus Dictyoglomus of new.

Novidielma

L. masc. adjective *novus*, new; L. fem. n. *Dielma*, An existing genus; *Novidielma*: A genus related to but distinct from the existing genus Dielma of new.

Novidietzia

L. masc. adjective *novus*, new; L. fem. n. *Dietzia*, An existing genus; *Novidietzia*: A genus related to but distinct from the existing genus Dietzia of new.

Novidinghuibacter

L. masc. adjective *novus*, new; L. masc. n. *Dinghuibacter*, An existing genus; *Novidinghuibacter*: A genus related to but distinct from the existing genus Dinghuibacter of new.

Novidinoroseobacter

L. masc. adjective *novus*, new; L. masc. n. *Dinoroseobacter*, An existing genus; *Novidinoroseobacter*: A genus related to but distinct from the existing genus Dinoroseobacter of new.

Novidiplocalyx

L. masc. adjective *novus*, new; L. masc. n. *Diplocalyx*, An existing genus; *Novidiplocalyx*: A genus related to but distinct from the existing genus Diplocalyx of new.

Novidiplorickettsia

L. masc. adjective *novus*, new; L. fem. n. *Diplorickettsia*, An existing genus; *Novidiplorickettsia*: A genus related to but distinct from the existing genus Diplorickettsia of new.

Novidiplosphaera

L. masc. adjective *novus*, new; L. fem. n. *Diplosphaera*, An existing genus; *Novidiplosphaera*: A genus related to but distinct from the existing genus Diplosphaera of new.

Novidissulfuribacter

L. masc. adjective *novus*, new; L. masc. n. *Dissulfuribacter*, An existing genus; *Novidissulfuribacter*: A genus related to but distinct from the existing genus Dissulfuribacter of new.

Novidissulfurimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Dissulfurimicrobium*, An existing genus; *Novidissulfurimicrobium*: A genus related to but distinct from the existing genus Dissulfurimicrobium of new.

Novidissulfurirhabdus

L. masc. adjective *novus*, new; L. fem. n. *Dissulfurirhabdus*, An existing genus; *Novidissulfurirhabdus*: A genus related to but distinct from the existing genus Dissulfurirhabdus of new.

Novidokdonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Dokdonella*, An existing genus; *Novidokdonella*: A genus related to but distinct from the existing genus Dokdonella of new.

Novidokdonia

L. masc. adjective *novus*, new; L. fem. n. *Dokdonia*, An existing genus; *Novidokdonia*: A genus related to but distinct from the existing genus Dokdonia of new.

Novidolosicoccus

L. masc. adjective *novus*, new; L. masc. n. *Dolosicoccus*, An existing genus; *Novidolosicoccus*: A genus related to but distinct from the existing genus Dolosicoccus of new.

Novidolosigranulum

L. masc. adjective *novus*, new; L. neut. n. *Dolosigranulum*, An existing genus; *Novidolosigranulum*: A genus related to but distinct from the existing genus Dolosigranulum of new.

Novidomibacillus

L. masc. adjective *novus*, new; L. masc. n. *Domibacillus*, An existing genus; *Novidomibacillus*: A genus related to but distinct from the existing genus Domibacillus of new.

Novidonghaeana

L. masc. adjective *novus*, new; L. fem. n. *Donghaeana*, An existing genus; *Novidonghaeana*: A genus related to but distinct from the existing genus Donghaeana of new.

Novidonghicola

L. masc. adjective *novus*, new; L. masc. n. *Donghicola*, An existing genus; *Novidonghicola*: A genus related to but distinct from the existing genus Donghicola of new.

Novidongia

L. masc. adjective *novus*, new; L. fem. n. *Dongia*, An existing genus; *Novidongia*: A genus related to but distinct from the existing genus Dongia of new.

Novidongshaea

L. masc. adjective *novus*, new; L. fem. n. *Dongshaea*, An existing genus; *Novidongshaea*: A genus related to but distinct from the existing genus Dongshaea of new.

Novidorea

L. masc. adjective *novus*, new; L. fem. n. *Dorea*, An existing genus; *Novidorea*: A genus related to but distinct from the existing genus Dorea of new.

Novidraconibacterium

L. masc. adjective *novus*, new; L. neut. n. *Draconibacterium*, An existing genus; *Novidraconibacterium*: A genus related to but distinct from the existing genus Draconibacterium of new.

Novidrancourtella

L. masc. adjective *novus*, new; L. fem. dim. n. *Drancourtella*, An existing genus; *Novidrancourtella*: A genus related to but distinct from the existing genus Drancourtella of new.

Novidrouetiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Drouetiella*, An existing genus; *Novidrouetiella*: A genus related to but distinct from the existing genus Drouetiella of new.

Novidubosiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Dubosiella*, An existing genus; *Novidubosiella*: A genus related to but distinct from the existing genus Dubosiella of new.

Noviduganella

L. masc. adjective *novus*, new; L. fem. dim. n. *Duganella*, An existing genus; *Noviduganella*: A genus related to but distinct from the existing genus Duganella of new.

Novidulcicalothrix

L. masc. adjective *novus*, new; L. fem. n. *Dulcicalothrix*, An existing genus; *Novidulcicalothrix*: A genus related to but distinct from the existing genus Dulcicalothrix of new.

Noviduncaniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Duncaniella*, An existing genus; *Noviduncaniella*: A genus related to but distinct from the existing genus Duncaniella of new.

Novidyadobacter

L. masc. adjective *novus*, new; L. masc. n. *Dyadobacter*, An existing genus; *Novidyadobacter*: A genus related to but distinct from the existing genus Dyadobacter of new.

Novidyella

L. masc. adjective *novus*, new; L. fem. dim. n. *Dyella*, An existing genus; *Novidyella*: A genus related to but distinct from the existing genus Dyella of new.

Novidysgonomonas

L. masc. adjective *novus*, new; L. fem. n. *Dysgonomonas*, An existing genus; *Novidysgonomonas*: A genus related to but distinct from the existing genus Dysgonomonas of new.

Novidysosmobacter

L. masc. adjective *novus*, new; L. masc. n. *Dysosmobacter*, An existing genus; *Novidysosmobacter*: A genus related to but distinct from the existing genus Dysosmobacter of new.

Noviechinicola

L. masc. adjective *novus*, new; L. fem. n. *Echinicola*, An existing genus; *Noviechinicola*: A genus related to but distinct from the existing genus Echinicola of new.

Noviechinimonas

L. masc. adjective *novus*, new; L. fem. n. *Echinimonas*, An existing genus; *Noviechinimonas*: A genus related to but distinct from the existing genus Echinimonas of new.

Noviectothiorhodosinus

L. masc. adjective *novus*, new; L. masc. n. *Ectothiorhodosinus*, An existing genus; *Noviectothiorhodosinus*: A genus related to but distinct from the existing genus Ectothiorhodosinus of new.

Noviectothiorhodospira

L. masc. adjective *novus*, new; L. fem. n. *Ectothiorhodospira*, An existing genus; *Noviectothiorhodospira*: A genus related to but distinct from the existing genus Ectothiorhodospira of new.

Noviedaphobacillus

L. masc. adjective *novus*, new; L. masc. n. *Edaphobacillus*, An existing genus; *Noviedaphobacillus*: A genus related to but distinct from the existing genus Edaphobacillus of new.

Noviedaphobacter

L. masc. adjective *novus*, new; L. masc. n. *Edaphobacter*, An existing genus; *Noviedaphobacter*: A genus related to but distinct from the existing genus Edaphobacter of new.

Noviedaphocola

L. masc. adjective *novus*, new; L. masc. n. *Edaphocola*, An existing genus; *Noviedaphocola*: A genus related to but distinct from the existing genus Edaphocola of new.

Noviedwardiiplasma

L. masc. adjective *novus*, new; L. neut. n. *Edwardiiplasma*, An existing genus; *Noviedwardiiplasma*: A genus related to but distinct from the existing genus Edwardiiplasma of new.

Noviedwardsiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Edwardsiella*, An existing genus; *Noviedwardsiella*: A genus related to but distinct from the existing genus Edwardsiella of new.

Novieffluviibacter

L. masc. adjective *novus*, new; L. masc. n. *Effluviibacter*, An existing genus; *Novieffluviibacter*: A genus related to but distinct from the existing genus Effluviibacter of new.

Novieffusibacillus

L. masc. adjective *novus*, new; L. masc. n. *Effusibacillus*, An existing genus; *Novieffusibacillus*: A genus related to but distinct from the existing genus Effusibacillus of new.

Novieggerthella

L. masc. adjective *novus*, new; L. fem. dim. n. *Eggerthella*, An existing genus; *Novieggerthella*: A genus related to but distinct from the existing genus Eggerthella of new.

Novieggerthia

L. masc. adjective *novus*, new; L. fem. n. *Eggerthia*, An existing genus; *Novieggerthia*: A genus related to but distinct from the existing genus Eggerthia of new.

Noviegibacter

L. masc. adjective *novus*, new; L. masc. n. *Egibacter*, An existing genus; *Noviegibacter*: A genus related to but distinct from the existing genus Egibacter of new.

Noviegicoccus

L. masc. adjective *novus*, new; L. masc. n. *Egicoccus*, An existing genus; *Noviegicoccus*: A genus related to but distinct from the existing genus Egicoccus of new.

Noviehrlichia

L. masc. adjective *novus*, new; L. fem. n. *Ehrlichia*, An existing genus; *Noviehrlichia*: A genus related to but distinct from the existing genus Ehrlichia of new.

Novieikenella

L. masc. adjective *novus*, new; L. fem. dim. n. *Eikenella*, An existing genus; *Novieikenella*: A genus related to but distinct from the existing genus Eikenella of new.

Novieilatimonas

L. masc. adjective *novus*, new; L. fem. n. *Eilatimonas*, An existing genus; *Novieilatimonas*: A genus related to but distinct from the existing genus Eilatimonas of new.

Novieionea

L. masc. adjective *novus*, new; L. fem. n. *Eionea*, An existing genus; *Novieionea*: A genus related to but distinct from the existing genus Eionea of new.

Novieisenbergiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Eisenbergiella*, An existing genus; *Novieisenbergiella*: A genus related to but distinct from the existing genus Eisenbergiella of new.

Novieisenibacter

L. masc. adjective *novus*, new; L. masc. n. *Eisenibacter*, An existing genus; *Novieisenibacter*: A genus related to but distinct from the existing genus Eisenibacter of new.

Novielainella

L. masc. adjective *novus*, new; L. fem. dim. n. *Elainella*, An existing genus; *Novielainella*: A genus related to but distinct from the existing genus Elainella of new.

Novielioraea

L. masc. adjective *novus*, new; L. fem. n. *Elioraea*, An existing genus; *Novielioraea*: A genus related to but distinct from the existing genus Elioraea of new.

Novielizabethkingia

L. masc. adjective *novus*, new; L. fem. n. *Elizabethkingia*, An existing genus; *Novielizabethkingia*: A genus related to but distinct from the existing genus Elizabethkingia of new.

Noviellagibacter

L. masc. adjective *novus*, new; L. masc. n. *Ellagibacter*, An existing genus; *Noviellagibacter*: A genus related to but distinct from the existing genus Ellagibacter of new.

Novielstera

L. masc. adjective *novus*, new; L. fem. n. *Elstera*, An existing genus; *Novielstera*: A genus related to but distinct from the existing genus Elstera of new.

Novielusimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Elusimicrobium*, An existing genus; *Novielusimicrobium*: A genus related to but distinct from the existing genus Elusimicrobium of new.

Novielytrosporangium

L. masc. adjective *novus*, new; L. neut. n. *Elytrosporangium*, An existing genus; *Novielytrosporangium*: A genus related to but distinct from the existing genus Elytrosporangium of new.

Noviembleya

L. masc. adjective *novus*, new; L. fem. n. *Embleya*, An existing genus; *Noviembleya*: A genus related to but distinct from the existing genus Embleya of new.

Noviemcibacter

L. masc. adjective *novus*, new; L. masc. n. *Emcibacter*, An existing genus; *Noviemcibacter*: A genus related to but distinct from the existing genus Emcibacter of new.

Noviempedobacter

L. masc. adjective *novus*, new; L. masc. n. *Empedobacter*, An existing genus; *Noviempedobacter*: A genus related to but distinct from the existing genus Empedobacter of new.

Noviemticicia

L. masc. adjective *novus*, new; L. fem. n. *Emticicia*, An existing genus; *Noviemticicia*: A genus related to but distinct from the existing genus Emticicia of new.

Noviendobacter

L. masc. adjective *novus*, new; L. masc. n. *Endobacter*, An existing genus; *Noviendobacter*: A genus related to but distinct from the existing genus Endobacter of new.

Noviendobacterium

L. masc. adjective *novus*, new; L. neut. n. *Endobacterium*, An existing genus; *Noviendobacterium*: A genus related to but distinct from the existing genus Endobacterium of new.

Noviendomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Endomicrobium*, An existing genus; *Noviendomicrobium*: A genus related to but distinct from the existing genus Endomicrobium of new.

Noviendothiovibrio

L. masc. adjective *novus*, new; L. masc. n. *Endothiovibrio*, An existing genus; *Noviendothiovibrio*: A genus related to but distinct from the existing genus Endothiovibrio of new.

Noviendozoicomonas

L. masc. adjective *novus*, new; L. fem. n. *Endozoicomonas*, An existing genus; *Noviendozoicomonas*: A genus related to but distinct from the existing genus Endozoicomonas of new.

Novienhydrobacter

L. masc. adjective *novus*, new; L. masc. n. *Enhydrobacter*, An existing genus; *Novienhydrobacter*: A genus related to but distinct from the existing genus Enhydrobacter of new.

Novienhygromyxa

L. masc. adjective *novus*, new; L. fem. n. *Enhygromyxa*, An existing genus; *Novienhygromyxa*: A genus related to but distinct from the existing genus Enhygromyxa of new.

Novienorma

L. masc. adjective *novus*, new; L. fem. n. *Enorma*, An existing genus; *Novienorma*: A genus related to but distinct from the existing genus Enorma of new.

Noviensifer

L. masc. adjective *novus*, new; L. masc. n. *Ensifer*, An existing genus; *Noviensifer*: A genus related to but distinct from the existing genus Ensifer of new.

Novienteractinococcus

L. masc. adjective *novus*, new; L. masc. n. *Enteractinococcus*, An existing genus; *Novienteractinococcus*: A genus related to but distinct from the existing genus Enteractinococcus of new.

Novienterobacter

L. masc. adjective *novus*, new; L. masc. n. *Enterobacter*, An existing genus; *Novienterobacter*: A genus related to but distinct from the existing genus Enterobacter of new.

Novienterocloster

L. masc. adjective *novus*, new; L. masc. n. *Enterocloster*, An existing genus; *Novienterocloster*: A genus related to but distinct from the existing genus Enterocloster of new.

Novienterococcus

L. masc. adjective *novus*, new; L. masc. n. *Enterococcus*, An existing genus; *Novienterococcus*: A genus related to but distinct from the existing genus Enterococcus of new.

Novienterorhabdus

L. masc. adjective *novus*, new; L. fem. n. *Enterorhabdus*, An existing genus; *Novienterorhabdus*: A genus related to but distinct from the existing genus Enterorhabdus of new.

Novienteroscipio

L. masc. adjective *novus*, new; L. masc. n. *Enteroscipio*, An existing genus; *Novienteroscipio*: A genus related to but distinct from the existing genus Enteroscipio of new.

Novienterovibrio

L. masc. adjective *novus*, new; L. masc. n. *Enterovibrio*, An existing genus; *Novienterovibrio*: A genus related to but distinct from the existing genus Enterovibrio of new.

Novientomomonas

L. masc. adjective *novus*, new; L. fem. n. *Entomomonas*, An existing genus; *Novientomomonas*: A genus related to but distinct from the existing genus Entomomonas of new.

Novientomoplasma

L. masc. adjective *novus*, new; L. neut. n. *Entomoplasma*, An existing genus; *Novientomoplasma*: A genus related to but distinct from the existing genus Entomoplasma of new.

Novieperythrozoon

L. masc. adjective *novus*, new; L. neut. n. *Eperythrozoon*, An existing genus; *Novieperythrozoon*: A genus related to but distinct from the existing genus Eperythrozoon of new.

Noviephemeroptericola

L. masc. adjective *novus*, new; L. masc. n. *Ephemeroptericola*, An existing genus; *Noviephemeroptericola*: A genus related to but distinct from the existing genus Ephemeroptericola of new.

Noviepibacterium

L. masc. adjective *novus*, new; L. neut. n. *Epibacterium*, An existing genus; *Noviepibacterium*: A genus related to but distinct from the existing genus Epibacterium of new.

Noviepidermidibacterium

L. masc. adjective *novus*, new; L. neut. n. *Epidermidibacterium*, An existing genus; *Noviepidermidibacterium*: A genus related to but distinct from the existing genus Epidermidibacterium of new.

Noviepigloeosphaera

L. masc. adjective *novus*, new; L. fem. n. *Epigloeosphaera*, An existing genus; *Noviepigloeosphaera*: A genus related to but distinct from the existing genus Epigloeosphaera of new.

Noviepilithonimonas

L. masc. adjective *novus*, new; L. fem. n. *Epilithonimonas*, An existing genus; *Noviepilithonimonas*: A genus related to but distinct from the existing genus Epilithonimonas of new.

Noviercella

L. masc. adjective *novus*, new; L. fem. dim. n. *Ercella*, An existing genus; *Noviercella*: A genus related to but distinct from the existing genus Ercella of new.

Noviereboglobus

L. masc. adjective *novus*, new; L. masc. n. *Ereboglobus*, An existing genus; *Noviereboglobus*: A genus related to but distinct from the existing genus Ereboglobus of new.

Novieremococcus

L. masc. adjective *novus*, new; L. masc. n. *Eremococcus*, An existing genus; *Novieremococcus*: A genus related to but distinct from the existing genus Eremococcus of new.

Novierwinia

L. masc. adjective *novus*, new; L. fem. n. *Erwinia*, An existing genus; *Novierwinia*: A genus related to but distinct from the existing genus Erwinia of new.

Novierysipelothrix

L. masc. adjective *novus*, new; L. fem. n. *Erysipelothrix*, An existing genus; *Novierysipelothrix*: A genus related to but distinct from the existing genus Erysipelothrix of new.

Novierythrobacter

L. masc. adjective *novus*, new; L. masc. n. *Erythrobacter*, An existing genus; *Novierythrobacter*: A genus related to but distinct from the existing genus Erythrobacter of new.

Novierythromicrobium

L. masc. adjective *novus*, new; L. neut. n. *Erythromicrobium*, An existing genus; *Novierythromicrobium*: A genus related to but distinct from the existing genus Erythromicrobium of new.

Novierythromonas

L. masc. adjective *novus*, new; L. fem. n. *Erythromonas*, An existing genus; *Novierythromonas*: A genus related to but distinct from the existing genus Erythromonas of new.

Noviescherichia

L. masc. adjective *novus*, new; L. fem. n. *Escherichia*, An existing genus; *Noviescherichia*: A genus related to but distinct from the existing genus Escherichia of new.

Noviethanoligenens

L. masc. adjective *novus*, new; L. neut. n. *Ethanoligenens*, An existing genus; *Noviethanoligenens*: A genus related to but distinct from the existing genus Ethanoligenens of new.

Novieubacterium

L. masc. adjective *novus*, new; L. neut. n. *Eubacterium*, An existing genus; *Novieubacterium*: A genus related to but distinct from the existing genus Eubacterium of new.

Novieucapsis

L. masc. adjective *novus*, new; L. fem. n. *Eucapsis*, An existing genus; *Novieucapsis*: A genus related to but distinct from the existing genus Eucapsis of new.

Novieudoraea

L. masc. adjective *novus*, new; L. fem. n. *Eudoraea*, An existing genus; *Novieudoraea*: A genus related to but distinct from the existing genus Eudoraea of new.

Novieuryhalocaulis

L. masc. adjective *novus*, new; L. masc. n. *Euryhalocaulis*, An existing genus; *Novieuryhalocaulis*: A genus related to but distinct from the existing genus Euryhalocaulis of new.

Novieuzebya

L. masc. adjective *novus*, new; L. fem. n. *Euzebya*, An existing genus; *Novieuzebya*: A genus related to but distinct from the existing genus Euzebya of new.

Novieuzebyella

L. masc. adjective *novus*, new; L. fem. dim. n. *Euzebyella*, An existing genus; *Novieuzebyella*: A genus related to but distinct from the existing genus Euzebyella of new.

Noviewamiania

L. masc. adjective *novus*, new; L. fem. n. *Ewamiania*, An existing genus; *Noviewamiania*: A genus related to but distinct from the existing genus Ewamiania of new.

Noviewingella

L. masc. adjective *novus*, new; L. fem. dim. n. *Ewingella*, An existing genus; *Noviewingella*: A genus related to but distinct from the existing genus Ewingella of new.

Noviexcellospora

L. masc. adjective *novus*, new; L. fem. n. *Excellospora*, An existing genus; *Noviexcellospora*: A genus related to but distinct from the existing genus Excellospora of new.

Noviexilibacterium

L. masc. adjective *novus*, new; L. neut. n. *Exilibacterium*, An existing genus; *Noviexilibacterium*: A genus related to but distinct from the existing genus Exilibacterium of new.

Noviexilispira

L. masc. adjective *novus*, new; L. fem. n. *Exilispira*, An existing genus; *Noviexilispira*: A genus related to but distinct from the existing genus Exilispira of new.

Noviextensimonas

L. masc. adjective *novus*, new; L. fem. n. *Extensimonas*, An existing genus; *Noviextensimonas*: A genus related to but distinct from the existing genus Extensimonas of new.

Noviextibacter

L. masc. adjective *novus*, new; L. masc. n. *Extibacter*, An existing genus; *Noviextibacter*: A genus related to but distinct from the existing genus Extibacter of new.

Novifabibacter

L. masc. adjective *novus*, new; L. masc. n. *Fabibacter*, An existing genus; *Novifabibacter*: A genus related to but distinct from the existing genus Fabibacter of new.

Novifabivirga

L. masc. adjective *novus*, new; L. fem. n. *Fabivirga*, An existing genus; *Novifabivirga*: A genus related to but distinct from the existing genus Fabivirga of new.

Novifacilibium

L. masc. adjective *novus*, new; L. neut. n. *Facilibium*, An existing genus; *Novifacilibium*: A genus related to but distinct from the existing genus Facilibium of new.

Novifacklamia

L. masc. adjective *novus*, new; L. fem. n. *Facklamia*, An existing genus; *Novifacklamia*: A genus related to but distinct from the existing genus Facklamia of new.

Novifaecalibacillus

L. masc. adjective *novus*, new; L. masc. n. *Faecalibacillus*, An existing genus; *Novifaecalibacillus*: A genus related to but distinct from the existing genus Faecalibacillus of new.

Novifaecalibacter

L. masc. adjective *novus*, new; L. masc. n. *Faecalibacter*, An existing genus; *Novifaecalibacter*: A genus related to but distinct from the existing genus Faecalibacter of new.

Novifaecalibacterium

L. masc. adjective *novus*, new; L. neut. n. *Faecalibacterium*, An existing genus; *Novifaecalibacterium*: A genus related to but distinct from the existing genus Faecalibacterium of new.

Novifaecalibaculum

L. masc. adjective *novus*, new; L. neut. n. *Faecalibaculum*, An existing genus; *Novifaecalibaculum*: A genus related to but distinct from the existing genus Faecalibaculum of new.

Novifaecalicatena

L. masc. adjective *novus*, new; L. fem. n. *Faecalicatena*, An existing genus; *Novifaecalicatena*: A genus related to but distinct from the existing genus Faecalicatena of new.

Novifaecalicoccus

L. masc. adjective *novus*, new; L. masc. n. *Faecalicoccus*, An existing genus; *Novifaecalicoccus*: A genus related to but distinct from the existing genus Faecalicoccus of new.

Novifaecalimonas

L. masc. adjective *novus*, new; L. fem. n. *Faecalimonas*, An existing genus; *Novifaecalimonas*: A genus related to but distinct from the existing genus Faecalimonas of new.

Novifaecalitalea

L. masc. adjective *novus*, new; L. fem. n. *Faecalitalea*, An existing genus; *Novifaecalitalea*: A genus related to but distinct from the existing genus Faecalitalea of new.

Novifaenia

L. masc. adjective *novus*, new; L. fem. n. *Faenia*, An existing genus; *Novifaenia*: A genus related to but distinct from the existing genus Faenia of new.

Novifalcatimonas

L. masc. adjective *novus*, new; L. fem. n. *Falcatimonas*, An existing genus; *Novifalcatimonas*: A genus related to but distinct from the existing genus Falcatimonas of new.

Novifalsarthrobacter

L. masc. adjective *novus*, new; L. masc. n. *Falsarthrobacter*, An existing genus; *Novifalsarthrobacter*: A genus related to but distinct from the existing genus Falsarthrobacter of new.

Novifalsibacillus

L. masc. adjective *novus*, new; L. masc. n. *Falsibacillus*, An existing genus; *Novifalsibacillus*: A genus related to but distinct from the existing genus Falsibacillus of new.

Novifalsigemmobacter

L. masc. adjective *novus*, new; L. masc. n. *Falsigemmobacter*, An existing genus; *Novifalsigemmobacter*: A genus related to but distinct from the existing genus Falsigemmobacter of new.

Novifalsiporphyromonas

L. masc. adjective *novus*, new; L. fem. n. *Falsiporphyromonas*, An existing genus; *Novifalsiporphyromonas*: A genus related to but distinct from the existing genus Falsiporphyromonas of new.

Novifalsirhodobacter

L. masc. adjective *novus*, new; L. masc. n. *Falsirhodobacter*, An existing genus; *Novifalsirhodobacter*: A genus related to but distinct from the existing genus Falsirhodobacter of new.

Novifalsochrobactrum

L. masc. adjective *novus*, new; L. neut. n. *Falsochrobactrum*, An existing genus; *Novifalsochrobactrum*: A genus related to but distinct from the existing genus Falsochrobactrum of new.

Novifangia

L. masc. adjective *novus*, new; L. fem. n. *Fangia*, An existing genus; *Novifangia*: A genus related to but distinct from the existing genus Fangia of new.

Novifannyhessea

L. masc. adjective *novus*, new; L. fem. n. *Fannyhessea*, An existing genus; *Novifannyhessea*: A genus related to but distinct from the existing genus Fannyhessea of new.

Novifastidiosipila

L. masc. adjective *novus*, new; L. fem. n. *Fastidiosipila*, An existing genus; *Novifastidiosipila*: A genus related to but distinct from the existing genus Fastidiosipila of new.

Novifaucicola

L. masc. adjective *novus*, new; L. fem. n. *Faucicola*, An existing genus; *Novifaucicola*: A genus related to but distinct from the existing genus Faucicola of new.

Novifeifantangia

L. masc. adjective *novus*, new; L. fem. n. *Feifantangia*, An existing genus; *Novifeifantangia*: A genus related to but distinct from the existing genus Feifantangia of new.

Novifenollaria

L. masc. adjective *novus*, new; L. fem. n. *Fenollaria*, An existing genus; *Novifenollaria*: A genus related to but distinct from the existing genus Fenollaria of new.

Novifermentibacillus

L. masc. adjective *novus*, new; L. masc. n. *Fermentibacillus*, An existing genus; *Novifermentibacillus*: A genus related to but distinct from the existing genus Fermentibacillus of new.

Novifermentimonas

L. masc. adjective *novus*, new; L. fem. n. *Fermentimonas*, An existing genus; *Novifermentimonas*: A genus related to but distinct from the existing genus Fermentimonas of new.

Noviferribacterium

L. masc. adjective *novus*, new; L. neut. n. *Ferribacterium*, An existing genus; *Noviferribacterium*: A genus related to but distinct from the existing genus Ferribacterium of new.

Noviferrigenium

L. masc. adjective *novus*, new; L. neut. n. *Ferrigenium*, An existing genus; *Noviferrigenium*: A genus related to but distinct from the existing genus Ferrigenium of new.

Noviferrimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Ferrimicrobium*, An existing genus; *Noviferrimicrobium*: A genus related to but distinct from the existing genus Ferrimicrobium of new.

Noviferrimonas

L. masc. adjective *novus*, new; L. fem. n. *Ferrimonas*, An existing genus; *Noviferrimonas*: A genus related to but distinct from the existing genus Ferrimonas of new.

Noviferriphaselus

L. masc. adjective *novus*, new; L. masc. n. *Ferriphaselus*, An existing genus; *Noviferriphaselus*: A genus related to but distinct from the existing genus Ferriphaselus of new.

Noviferrithrix

L. masc. adjective *novus*, new; L. fem. n. *Ferrithrix*, An existing genus; *Noviferrithrix*: A genus related to but distinct from the existing genus Ferrithrix of new.

Noviferroglobus

L. masc. adjective *novus*, new; L. masc. n. *Ferroglobus*, An existing genus; *Noviferroglobus*: A genus related to but distinct from the existing genus Ferroglobus of new.

Noviferroplasma

L. masc. adjective *novus*, new; L. neut. n. *Ferroplasma*, An existing genus; *Noviferroplasma*: A genus related to but distinct from the existing genus Ferroplasma of new.

Noviferrovibrio

L. masc. adjective *novus*, new; L. masc. n. *Ferrovibrio*, An existing genus; *Noviferrovibrio*: A genus related to but distinct from the existing genus Ferrovibrio of new.

Noviferruginibacter

L. masc. adjective *novus*, new; L. masc. n. *Ferruginibacter*, An existing genus; *Noviferruginibacter*: A genus related to but distinct from the existing genus Ferruginibacter of new.

Noviferruginivarius

L. masc. adjective *novus*, new; L. masc. n. *Ferruginivarius*, An existing genus; *Noviferruginivarius*: A genus related to but distinct from the existing genus Ferruginivarius of new.

Novifervidicella

L. masc. adjective *novus*, new; L. fem. n. *Fervidicella*, An existing genus; *Novifervidicella*: A genus related to but distinct from the existing genus Fervidicella of new.

Novifervidicoccus

L. masc. adjective *novus*, new; L. masc. n. *Fervidicoccus*, An existing genus; *Novifervidicoccus*: A genus related to but distinct from the existing genus Fervidicoccus of new.

Novifervidicola

L. masc. adjective *novus*, new; L. masc. n. *Fervidicola*, An existing genus; *Novifervidicola*: A genus related to but distinct from the existing genus Fervidicola of new.

Novifervidobacterium

L. masc. adjective *novus*, new; L. neut. n. *Fervidobacterium*, An existing genus; *Novifervidobacterium*: A genus related to but distinct from the existing genus Fervidobacterium of new.

Novifibrella

L. masc. adjective *novus*, new; L. fem. dim. n. *Fibrella*, An existing genus; *Novifibrella*: A genus related to but distinct from the existing genus Fibrella of new.

Novifibrisoma

L. masc. adjective *novus*, new; L. neut. n. *Fibrisoma*, An existing genus; *Novifibrisoma*: A genus related to but distinct from the existing genus Fibrisoma of new.

Novifibrobacter

L. masc. adjective *novus*, new; L. masc. n. *Fibrobacter*, An existing genus; *Novifibrobacter*: A genus related to but distinct from the existing genus Fibrobacter of new.

Novifictibacillus

L. masc. adjective *novus*, new; L. masc. n. *Fictibacillus*, An existing genus; *Novifictibacillus*: A genus related to but distinct from the existing genus Fictibacillus of new.

Novifilibacter

L. masc. adjective *novus*, new; L. masc. n. *Filibacter*, An existing genus; *Novifilibacter*: A genus related to but distinct from the existing genus Filibacter of new.

Novifilifactor

L. masc. adjective *novus*, new; L. masc. n. *Filifactor*, An existing genus; *Novifilifactor*: A genus related to but distinct from the existing genus Filifactor of new.

Novifilimonas

L. masc. adjective *novus*, new; L. fem. n. *Filimonas*, An existing genus; *Novifilimonas*: A genus related to but distinct from the existing genus Filimonas of new.

Novifilobacillus

L. masc. adjective *novus*, new; L. masc. n. *Filobacillus*, An existing genus; *Novifilobacillus*: A genus related to but distinct from the existing genus Filobacillus of new.

Novifilobacterium

L. masc. adjective *novus*, new; L. neut. n. *Filobacterium*, An existing genus; *Novifilobacterium*: A genus related to but distinct from the existing genus Filobacterium of new.

Novifilomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Filomicrobium*, An existing genus; *Novifilomicrobium*: A genus related to but distinct from the existing genus Filomicrobium of new.

Novifimbriiglobus

L. masc. adjective *novus*, new; L. masc. n. *Fimbriiglobus*, An existing genus; *Novifimbriiglobus*: A genus related to but distinct from the existing genus Fimbriiglobus of new.

Novifimbriimonas

L. masc. adjective *novus*, new; L. fem. n. *Fimbriimonas*, An existing genus; *Novifimbriimonas*: A genus related to but distinct from the existing genus Fimbriimonas of new.

Novifinegoldia

L. masc. adjective *novus*, new; L. fem. n. *Finegoldia*, An existing genus; *Novifinegoldia*: A genus related to but distinct from the existing genus Finegoldia of new.

Noviflagellimonas

L. masc. adjective *novus*, new; L. fem. n. *Flagellimonas*, An existing genus; *Noviflagellimonas*: A genus related to but distinct from the existing genus Flagellimonas of new.

Noviflammeovirga

L. masc. adjective *novus*, new; L. fem. n. *Flammeovirga*, An existing genus; *Noviflammeovirga*: A genus related to but distinct from the existing genus Flammeovirga of new.

Noviflaviaesturariibacter

L. masc. adjective *novus*, new; L. masc. n. *Flaviaesturariibacter*, An existing genus; *Noviflaviaesturariibacter*: A genus related to but distinct from the existing genus Flaviaesturariibacter of new.

Noviflavicella

L. masc. adjective *novus*, new; L. fem. n. *Flavicella*, An existing genus; *Noviflavicella*: A genus related to but distinct from the existing genus Flavicella of new.

Noviflaviflagellibacter

L. masc. adjective *novus*, new; L. masc. n. *Flaviflagellibacter*, An existing genus; *Noviflaviflagellibacter*: A genus related to but distinct from the existing genus Flaviflagellibacter of new.

Noviflaviflexus

L. masc. adjective *novus*, new; L. masc. n. *Flaviflexus*, An existing genus; *Noviflaviflexus*: A genus related to but distinct from the existing genus Flaviflexus of new.

Noviflavihumibacter

L. masc. adjective *novus*, new; L. masc. n. *Flavihumibacter*, An existing genus; *Noviflavihumibacter*: A genus related to but distinct from the existing genus Flavihumibacter of new.

Noviflavilitoribacter

L. masc. adjective *novus*, new; L. masc. n. *Flavilitoribacter*, An existing genus; *Noviflavilitoribacter*: A genus related to but distinct from the existing genus Flavilitoribacter of new.

Noviflavimaricola

L. masc. adjective *novus*, new; L. masc. n. *Flavimaricola*, An existing genus; *Noviflavimaricola*: A genus related to but distinct from the existing genus Flavimaricola of new.

Noviflavimarina

L. masc. adjective *novus*, new; L. fem. n. *Flavimarina*, An existing genus; *Noviflavimarina*: A genus related to but distinct from the existing genus Flavimarina of new.

Noviflavimobilis

L. masc. adjective *novus*, new; L. masc. n. *Flavimobilis*, An existing genus; *Noviflavimobilis*: A genus related to but distinct from the existing genus Flavimobilis of new.

Noviflavimonas

L. masc. adjective *novus*, new; L. fem. n. *Flavimonas*, An existing genus; *Noviflavimonas*: A genus related to but distinct from the existing genus Flavimonas of new.

Noviflavipsychrobacter

L. masc. adjective *novus*, new; L. masc. n. *Flavipsychrobacter*, An existing genus; *Noviflavipsychrobacter*: A genus related to but distinct from the existing genus Flavipsychrobacter of new.

Noviflaviramulus

L. masc. adjective *novus*, new; L. masc. dim. n. *Flaviramulus*, An existing genus; *Noviflaviramulus*: A genus related to but distinct from the existing genus Flaviramulus of new.

Noviflavirhabdus

L. masc. adjective *novus*, new; L. fem. n. *Flavirhabdus*, An existing genus; *Noviflavirhabdus*: A genus related to but distinct from the existing genus Flavirhabdus of new.

Noviflavisolibacter

L. masc. adjective *novus*, new; L. masc. n. *Flavisolibacter*, An existing genus; *Noviflavisolibacter*: A genus related to but distinct from the existing genus Flavisolibacter of new.

Noviflavitalea

L. masc. adjective *novus*, new; L. fem. n. *Flavitalea*, An existing genus; *Noviflavitalea*: A genus related to but distinct from the existing genus Flavitalea of new.

Noviflavivirga

L. masc. adjective *novus*, new; L. fem. n. *Flavivirga*, An existing genus; *Noviflavivirga*: A genus related to but distinct from the existing genus Flavivirga of new.

Noviflavobacterium

L. masc. adjective *novus*, new; L. neut. n. *Flavobacterium*, An existing genus; *Noviflavobacterium*: A genus related to but distinct from the existing genus Flavobacterium of new.

Noviflavonifractor

L. masc. adjective *novus*, new; L. masc. n. *Flavonifractor*, An existing genus; *Noviflavonifractor*: A genus related to but distinct from the existing genus Flavonifractor of new.

Noviflectobacillus

L. masc. adjective *novus*, new; L. masc. n. *Flectobacillus*, An existing genus; *Noviflectobacillus*: A genus related to but distinct from the existing genus Flectobacillus of new.

Noviflexibacter

L. masc. adjective *novus*, new; L. masc. n. *Flexibacter*, An existing genus; *Noviflexibacter*: A genus related to but distinct from the existing genus Flexibacter of new.

Noviflexilinea

L. masc. adjective *novus*, new; L. fem. n. *Flexilinea*, An existing genus; *Noviflexilinea*: A genus related to but distinct from the existing genus Flexilinea of new.

Noviflexistipes

L. masc. adjective *novus*, new; L. masc. n. *Flexistipes*, An existing genus; *Noviflexistipes*: A genus related to but distinct from the existing genus Flexistipes of new.

Noviflexithrix

L. masc. adjective *novus*, new; L. fem. n. *Flexithrix*, An existing genus; *Noviflexithrix*: A genus related to but distinct from the existing genus Flexithrix of new.

Noviflexivirga

L. masc. adjective *novus*, new; L. fem. n. *Flexivirga*, An existing genus; *Noviflexivirga*: A genus related to but distinct from the existing genus Flexivirga of new.

Noviflindersiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Flindersiella*, An existing genus; *Noviflindersiella*: A genus related to but distinct from the existing genus Flindersiella of new.

Noviflintibacter

L. masc. adjective *novus*, new; L. masc. n. *Flintibacter*, An existing genus; *Noviflintibacter*: A genus related to but distinct from the existing genus Flintibacter of new.

Novifloricoccus

L. masc. adjective *novus*, new; L. masc. n. *Floricoccus*, An existing genus; *Novifloricoccus*: A genus related to but distinct from the existing genus Floricoccus of new.

Novifluoribacter

L. masc. adjective *novus*, new; L. masc. n. *Fluoribacter*, An existing genus; *Novifluoribacter*: A genus related to but distinct from the existing genus Fluoribacter of new.

Novifluviibacterium

L. masc. adjective *novus*, new; L. neut. n. *Fluviibacterium*, An existing genus; *Novifluviibacterium*: A genus related to but distinct from the existing genus Fluviibacterium of new.

Novifluviicoccus

L. masc. adjective *novus*, new; L. masc. n. *Fluviicoccus*, An existing genus; *Novifluviicoccus*: A genus related to but distinct from the existing genus Fluviicoccus of new.

Novifluviicola

L. masc. adjective *novus*, new; L. masc. n. *Fluviicola*, An existing genus; *Novifluviicola*: A genus related to but distinct from the existing genus Fluviicola of new.

Novifluviimonas

L. masc. adjective *novus*, new; L. fem. n. *Fluviimonas*, An existing genus; *Novifluviimonas*: A genus related to but distinct from the existing genus Fluviimonas of new.

Novifluviispira

L. masc. adjective *novus*, new; L. fem. n. *Fluviispira*, An existing genus; *Novifluviispira*: A genus related to but distinct from the existing genus Fluviispira of new.

Novifodinibacter

L. masc. adjective *novus*, new; L. masc. n. *Fodinibacter*, An existing genus; *Novifodinibacter*: A genus related to but distinct from the existing genus Fodinibacter of new.

Novifodinibius

L. masc. adjective *novus*, new; L. masc. n. *Fodinibius*, An existing genus; *Novifodinibius*: A genus related to but distinct from the existing genus Fodinibius of new.

Novifodinicola

L. masc. adjective *novus*, new; L. masc. n. *Fodinicola*, An existing genus; *Novifodinicola*: A genus related to but distinct from the existing genus Fodinicola of new.

Novifodinicurvata

L. masc. adjective *novus*, new; L. fem. n. *Fodinicurvata*, An existing genus; *Novifodinicurvata*: A genus related to but distinct from the existing genus Fodinicurvata of new.

Novifoliisarcina

L. masc. adjective *novus*, new; L. fem. n. *Foliisarcina*, An existing genus; *Novifoliisarcina*: A genus related to but distinct from the existing genus Foliisarcina of new.

Novifontibacillus

L. masc. adjective *novus*, new; L. masc. n. *Fontibacillus*, An existing genus; *Novifontibacillus*: A genus related to but distinct from the existing genus Fontibacillus of new.

Novifontibacter

L. masc. adjective *novus*, new; L. masc. n. *Fontibacter*, An existing genus; *Novifontibacter*: A genus related to but distinct from the existing genus Fontibacter of new.

Novifonticella

L. masc. adjective *novus*, new; L. fem. n. *Fonticella*, An existing genus; *Novifonticella*: A genus related to but distinct from the existing genus Fonticella of new.

Novifontimonas

L. masc. adjective *novus*, new; L. fem. n. *Fontimonas*, An existing genus; *Novifontimonas*: A genus related to but distinct from the existing genus Fontimonas of new.

Noviformivibrio

L. masc. adjective *novus*, new; L. masc. n. *Formivibrio*, An existing genus; *Noviformivibrio*: A genus related to but distinct from the existing genus Formivibrio of new.

Noviformosa

L. masc. adjective *novus*, new; L. fem. n. *Formosa*, An existing genus; *Noviformosa*: A genus related to but distinct from the existing genus Formosa of new.

Noviformosimonas

L. masc. adjective *novus*, new; L. fem. n. *Formosimonas*, An existing genus; *Noviformosimonas*: A genus related to but distinct from the existing genus Formosimonas of new.

Novifournierella

L. masc. adjective *novus*, new; L. fem. dim. n. *Fournierella*, An existing genus; *Novifournierella*: A genus related to but distinct from the existing genus Fournierella of new.

Novifrancisella

L. masc. adjective *novus*, new; L. fem. dim. n. *Francisella*, An existing genus; *Novifrancisella*: A genus related to but distinct from the existing genus Francisella of new.

Novifranconibacter

L. masc. adjective *novus*, new; L. masc. n. *Franconibacter*, An existing genus; *Novifranconibacter*: A genus related to but distinct from the existing genus Franconibacter of new.

Novifrankia

L. masc. adjective *novus*, new; L. fem. n. *Frankia*, An existing genus; *Novifrankia*: A genus related to but distinct from the existing genus Frankia of new.

Novifrateuria

L. masc. adjective *novus*, new; L. fem. n. *Frateuria*, An existing genus; *Novifrateuria*: A genus related to but distinct from the existing genus Frateuria of new.

Novifrederiksenia

L. masc. adjective *novus*, new; L. fem. n. *Frederiksenia*, An existing genus; *Novifrederiksenia*: A genus related to but distinct from the existing genus Frederiksenia of new.

Novifretibacter

L. masc. adjective *novus*, new; L. masc. n. *Fretibacter*, An existing genus; *Novifretibacter*: A genus related to but distinct from the existing genus Fretibacter of new.

Novifretibacterium

L. masc. adjective *novus*, new; L. neut. n. *Fretibacterium*, An existing genus; *Novifretibacterium*: A genus related to but distinct from the existing genus Fretibacterium of new.

Novifriedmanniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Friedmanniella*, An existing genus; *Novifriedmanniella*: A genus related to but distinct from the existing genus Friedmanniella of new.

Novifrigidibacter

L. masc. adjective *novus*, new; L. masc. n. *Frigidibacter*, An existing genus; *Novifrigidibacter*: A genus related to but distinct from the existing genus Frigidibacter of new.

Novifrigoribacterium

L. masc. adjective *novus*, new; L. neut. n. *Frigoribacterium*, An existing genus; *Novifrigoribacterium*: A genus related to but distinct from the existing genus Frigoribacterium of new.

Novifrischella

L. masc. adjective *novus*, new; L. fem. dim. n. *Frischella*, An existing genus; *Novifrischella*: A genus related to but distinct from the existing genus Frischella of new.

Novifrisingicoccus

L. masc. adjective *novus*, new; L. masc. n. *Frisingicoccus*, An existing genus; *Novifrisingicoccus*: A genus related to but distinct from the existing genus Frisingicoccus of new.

Novifrondibacter

L. masc. adjective *novus*, new; L. masc. n. *Frondibacter*, An existing genus; *Novifrondibacter*: A genus related to but distinct from the existing genus Frondibacter of new.

Novifrondicola

L. masc. adjective *novus*, new; L. masc. n. *Frondicola*, An existing genus; *Novifrondicola*: A genus related to but distinct from the existing genus Frondicola of new.

Novifrondihabitans

L. masc. adjective *novus*, new; L. masc. n. *Frondihabitans*, An existing genus; *Novifrondihabitans*: A genus related to but distinct from the existing genus Frondihabitans of new.

Novifructilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Fructilactobacillus*, An existing genus; *Novifructilactobacillus*: A genus related to but distinct from the existing genus Fructilactobacillus of new.

Novifructobacillus

L. masc. adjective *novus*, new; L. masc. n. *Fructobacillus*, An existing genus; *Novifructobacillus*: A genus related to but distinct from the existing genus Fructobacillus of new.

Novifuchsiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Fuchsiella*, An existing genus; *Novifuchsiella*: A genus related to but distinct from the existing genus Fuchsiella of new.

Novifudania

L. masc. adjective *novus*, new; L. fem. n. *Fudania*, An existing genus; *Novifudania*: A genus related to but distinct from the existing genus Fudania of new.

Novifuerstia

L. masc. adjective *novus*, new; L. fem. n. *Fuerstia*, An existing genus; *Novifuerstia*: A genus related to but distinct from the existing genus Fuerstia of new.

Novifulvibacter

L. masc. adjective *novus*, new; L. masc. n. *Fulvibacter*, An existing genus; *Novifulvibacter*: A genus related to but distinct from the existing genus Fulvibacter of new.

Novifulvimarina

L. masc. adjective *novus*, new; L. fem. n. *Fulvimarina*, An existing genus; *Novifulvimarina*: A genus related to but distinct from the existing genus Fulvimarina of new.

Novifulvimonas

L. masc. adjective *novus*, new; L. fem. n. *Fulvimonas*, An existing genus; *Novifulvimonas*: A genus related to but distinct from the existing genus Fulvimonas of new.

Novifulvitalea

L. masc. adjective *novus*, new; L. fem. n. *Fulvitalea*, An existing genus; *Novifulvitalea*: A genus related to but distinct from the existing genus Fulvitalea of new.

Novifulvivirga

L. masc. adjective *novus*, new; L. fem. n. *Fulvivirga*, An existing genus; *Novifulvivirga*: A genus related to but distinct from the existing genus Fulvivirga of new.

Novifundibacter

L. masc. adjective *novus*, new; L. masc. n. *Fundibacter*, An existing genus; *Novifundibacter*: A genus related to but distinct from the existing genus Fundibacter of new.

Novifundicoccus

L. masc. adjective *novus*, new; L. masc. n. *Fundicoccus*, An existing genus; *Novifundicoccus*: A genus related to but distinct from the existing genus Fundicoccus of new.

Novifurfurilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Furfurilactobacillus*, An existing genus; *Novifurfurilactobacillus*: A genus related to but distinct from the existing genus Furfurilactobacillus of new.

Novifuscovulum

L. masc. adjective *novus*, new; L. neut. n. *Fuscovulum*, An existing genus; *Novifuscovulum*: A genus related to but distinct from the existing genus Fuscovulum of new.

Novifusibacter

L. masc. adjective *novus*, new; L. masc. n. *Fusibacter*, An existing genus; *Novifusibacter*: A genus related to but distinct from the existing genus Fusibacter of new.

Novifusicatenibacter

L. masc. adjective *novus*, new; L. masc. n. *Fusicatenibacter*, An existing genus; *Novifusicatenibacter*: A genus related to but distinct from the existing genus Fusicatenibacter of new.

Novifusimonas

L. masc. adjective *novus*, new; L. fem. n. *Fusimonas*, An existing genus; *Novifusimonas*: A genus related to but distinct from the existing genus Fusimonas of new.

Novifusobacterium

L. masc. adjective *novus*, new; L. neut. n. *Fusobacterium*, An existing genus; *Novifusobacterium*: A genus related to but distinct from the existing genus Fusobacterium of new.

Novigabonia

L. masc. adjective *novus*, new; L. fem. n. *Gabonia*, An existing genus; *Novigabonia*: A genus related to but distinct from the existing genus Gabonia of new.

Novigabonibacter

L. masc. adjective *novus*, new; L. masc. n. *Gabonibacter*, An existing genus; *Novigabonibacter*: A genus related to but distinct from the existing genus Gabonibacter of new.

Novigaetbulibacter

L. masc. adjective *novus*, new; L. masc. n. *Gaetbulibacter*, An existing genus; *Novigaetbulibacter*: A genus related to but distinct from the existing genus Gaetbulibacter of new.

Novigaetbulicola

L. masc. adjective *novus*, new; L. masc. n. *Gaetbulicola*, An existing genus; *Novigaetbulicola*: A genus related to but distinct from the existing genus Gaetbulicola of new.

Novigaetbulimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Gaetbulimicrobium*, An existing genus; *Novigaetbulimicrobium*: A genus related to but distinct from the existing genus Gaetbulimicrobium of new.

Novigaiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Gaiella*, An existing genus; *Novigaiella*: A genus related to but distinct from the existing genus Gaiella of new.

Novigalbibacter

L. masc. adjective *novus*, new; L. masc. n. *Galbibacter*, An existing genus; *Novigalbibacter*: A genus related to but distinct from the existing genus Galbibacter of new.

Novigalbitalea

L. masc. adjective *novus*, new; L. fem. n. *Galbitalea*, An existing genus; *Novigalbitalea*: A genus related to but distinct from the existing genus Galbitalea of new.

Novigallaecimonas

L. masc. adjective *novus*, new; L. fem. n. *Gallaecimonas*, An existing genus; *Novigallaecimonas*: A genus related to but distinct from the existing genus Gallaecimonas of new.

Novigallibacterium

L. masc. adjective *novus*, new; L. neut. n. *Gallibacterium*, An existing genus; *Novigallibacterium*: A genus related to but distinct from the existing genus Gallibacterium of new.

Novigallicola

L. masc. adjective *novus*, new; L. masc. n. *Gallicola*, An existing genus; *Novigallicola*: A genus related to but distinct from the existing genus Gallicola of new.

Novigallionella

L. masc. adjective *novus*, new; L. fem. dim. n. *Gallionella*, An existing genus; *Novigallionella*: A genus related to but distinct from the existing genus Gallionella of new.

Novigalliscardovia

L. masc. adjective *novus*, new; L. fem. n. *Galliscardovia*, An existing genus; *Novigalliscardovia*: A genus related to but distinct from the existing genus Galliscardovia of new.

Novigandjariella

L. masc. adjective *novus*, new; L. fem. dim. n. *Gandjariella*, An existing genus; *Novigandjariella*: A genus related to but distinct from the existing genus Gandjariella of new.

Novigangjinia

L. masc. adjective *novus*, new; L. fem. n. *Gangjinia*, An existing genus; *Novigangjinia*: A genus related to but distinct from the existing genus Gangjinia of new.

Novigarciella

L. masc. adjective *novus*, new; L. fem. dim. n. *Garciella*, An existing genus; *Novigarciella*: A genus related to but distinct from the existing genus Garciella of new.

Novigardnerella

L. masc. adjective *novus*, new; L. fem. dim. n. *Gardnerella*, An existing genus; *Novigardnerella*: A genus related to but distinct from the existing genus Gardnerella of new.

Novigaricola

L. masc. adjective *novus*, new; L. masc. n. *Garicola*, An existing genus; *Novigaricola*: A genus related to but distinct from the existing genus Garicola of new.

Novigarritya

L. masc. adjective *novus*, new; L. fem. n. *Garritya*, An existing genus; *Novigarritya*: A genus related to but distinct from the existing genus Garritya of new.

Novigayadomonas

L. masc. adjective *novus*, new; L. fem. n. *Gayadomonas*, An existing genus; *Novigayadomonas*: A genus related to but distinct from the existing genus Gayadomonas of new.

Novigelatiniphilus

L. masc. adjective *novus*, new; L. masc. n. *Gelatiniphilus*, An existing genus; *Novigelatiniphilus*: A genus related to but distinct from the existing genus Gelatiniphilus of new.

Novigelidibacter

L. masc. adjective *novus*, new; L. masc. n. *Gelidibacter*, An existing genus; *Novigelidibacter*: A genus related to but distinct from the existing genus Gelidibacter of new.

Novigellertiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Gellertiella*, An existing genus; *Novigellertiella*: A genus related to but distinct from the existing genus Gellertiella of new.

Novigelria

L. masc. adjective *novus*, new; L. fem. n. *Gelria*, An existing genus; *Novigelria*: A genus related to but distinct from the existing genus Gelria of new.

Novigemella

L. masc. adjective *novus*, new; L. fem. dim. n. *Gemella*, An existing genus; *Novigemella*: A genus related to but distinct from the existing genus Gemella of new.

Novigeminicoccus

L. masc. adjective *novus*, new; L. masc. n. *Geminicoccus*, An existing genus; *Novigeminicoccus*: A genus related to but distinct from the existing genus Geminicoccus of new.

Novigeminisphaera

L. masc. adjective *novus*, new; L. fem. n. *Geminisphaera*, An existing genus; *Novigeminisphaera*: A genus related to but distinct from the existing genus Geminisphaera of new.

Novigeminobacterium

L. masc. adjective *novus*, new; L. neut. n. *Geminobacterium*, An existing genus; *Novigeminobacterium*: A genus related to but distinct from the existing genus Geminobacterium of new.

Novigemmata

L. masc. adjective *novus*, new; L. fem. n. *Gemmata*, An existing genus; *Novigemmata*: A genus related to but distinct from the existing genus Gemmata of new.

Novigemmatimonas

L. masc. adjective *novus*, new; L. fem. n. *Gemmatimonas*, An existing genus; *Novigemmatimonas*: A genus related to but distinct from the existing genus Gemmatimonas of new.

Novigemmatirosa

L. masc. adjective *novus*, new; L. fem. n. *Gemmatirosa*, An existing genus; *Novigemmatirosa*: A genus related to but distinct from the existing genus Gemmatirosa of new.

Novigemmiger

L. masc. adjective *novus*, new; L. masc. n. *Gemmiger*, An existing genus; *Novigemmiger*: A genus related to but distinct from the existing genus Gemmiger of new.

Novigeoalkalibacter

L. masc. adjective *novus*, new; L. masc. n. *Geoalkalibacter*, An existing genus; *Novigeoalkalibacter*: A genus related to but distinct from the existing genus Geoalkalibacter of new.

Novigeobacillus

L. masc. adjective *novus*, new; L. masc. n. *Geobacillus*, An existing genus; *Novigeobacillus*: A genus related to but distinct from the existing genus Geobacillus of new.

Novigeobacter

L. masc. adjective *novus*, new; L. masc. n. *Geobacter*, An existing genus; *Novigeobacter*: A genus related to but distinct from the existing genus Geobacter of new.

Novigeodermatophilus

L. masc. adjective *novus*, new; L. masc. n. *Geodermatophilus*, An existing genus; *Novigeodermatophilus*: A genus related to but distinct from the existing genus Geodermatophilus of new.

Novigeofilum

L. masc. adjective *novus*, new; L. neut. n. *Geofilum*, An existing genus; *Novigeofilum*: A genus related to but distinct from the existing genus Geofilum of new.

Novigeoglobus

L. masc. adjective *novus*, new; L. masc. n. *Geoglobus*, An existing genus; *Novigeoglobus*: A genus related to but distinct from the existing genus Geoglobus of new.

Novigeojedonia

L. masc. adjective *novus*, new; L. fem. n. *Geojedonia*, An existing genus; *Novigeojedonia*: A genus related to but distinct from the existing genus Geojedonia of new.

Novigeomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Geomicrobium*, An existing genus; *Novigeomicrobium*: A genus related to but distinct from the existing genus Geomicrobium of new.

Novigeomonas

L. masc. adjective *novus*, new; L. fem. n. *Geomonas*, An existing genus; *Novigeomonas*: A genus related to but distinct from the existing genus Geomonas of new.

Novigeopsychrobacter

L. masc. adjective *novus*, new; L. masc. n. *Geopsychrobacter*, An existing genus; *Novigeopsychrobacter*: A genus related to but distinct from the existing genus Geopsychrobacter of new.

Novigeorgenia

L. masc. adjective *novus*, new; L. fem. n. *Georgenia*, An existing genus; *Novigeorgenia*: A genus related to but distinct from the existing genus Georgenia of new.

Novigeorgfuchsia

L. masc. adjective *novus*, new; L. fem. n. *Georgfuchsia*, An existing genus; *Novigeorgfuchsia*: A genus related to but distinct from the existing genus Georgfuchsia of new.

Novigeorhizobium

L. masc. adjective *novus*, new; L. neut. n. *Georhizobium*, An existing genus; *Novigeorhizobium*: A genus related to but distinct from the existing genus Georhizobium of new.

Novigeosporobacter

L. masc. adjective *novus*, new; L. masc. n. *Geosporobacter*, An existing genus; *Novigeosporobacter*: A genus related to but distinct from the existing genus Geosporobacter of new.

Novigeothermobacter

L. masc. adjective *novus*, new; L. masc. n. *Geothermobacter*, An existing genus; *Novigeothermobacter*: A genus related to but distinct from the existing genus Geothermobacter of new.

Novigeothermobacterium

L. masc. adjective *novus*, new; L. neut. n. *Geothermobacterium*, An existing genus; *Novigeothermobacterium*: A genus related to but distinct from the existing genus Geothermobacterium of new.

Novigeothermomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Geothermomicrobium*, An existing genus; *Novigeothermomicrobium*: A genus related to but distinct from the existing genus Geothermomicrobium of new.

Novigeothrix

L. masc. adjective *novus*, new; L. fem. n. *Geothrix*, An existing genus; *Novigeothrix*: A genus related to but distinct from the existing genus Geothrix of new.

Novigeotoga

L. masc. adjective *novus*, new; L. fem. n. *Geotoga*, An existing genus; *Novigeotoga*: A genus related to but distinct from the existing genus Geotoga of new.

Novigeovibrio

L. masc. adjective *novus*, new; L. masc. n. *Geovibrio*, An existing genus; *Novigeovibrio*: A genus related to but distinct from the existing genus Geovibrio of new.

Novighiorsea

L. masc. adjective *novus*, new; L. fem. n. *Ghiorsea*, An existing genus; *Novighiorsea*: A genus related to but distinct from the existing genus Ghiorsea of new.

Novigibbsiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Gibbsiella*, An existing genus; *Novigibbsiella*: A genus related to but distinct from the existing genus Gibbsiella of new.

Novigiesbergeria

L. masc. adjective *novus*, new; L. fem. n. *Giesbergeria*, An existing genus; *Novigiesbergeria*: A genus related to but distinct from the existing genus Giesbergeria of new.

Novigilliamella

L. masc. adjective *novus*, new; L. fem. dim. n. *Gilliamella*, An existing genus; *Novigilliamella*: A genus related to but distinct from the existing genus Gilliamella of new.

Novigillisia

L. masc. adjective *novus*, new; L. fem. n. *Gillisia*, An existing genus; *Novigillisia*: A genus related to but distinct from the existing genus Gillisia of new.

Novigilvibacter

L. masc. adjective *novus*, new; L. masc. n. *Gilvibacter*, An existing genus; *Novigilvibacter*: A genus related to but distinct from the existing genus Gilvibacter of new.

Novigilvimarinus

L. masc. adjective *novus*, new; L. masc. n. *Gilvimarinus*, An existing genus; *Novigilvimarinus*: A genus related to but distinct from the existing genus Gilvimarinus of new.

Novigimesia

L. masc. adjective *novus*, new; L. fem. n. *Gimesia*, An existing genus; *Novigimesia*: A genus related to but distinct from the existing genus Gimesia of new.

Noviglaciecola

L. masc. adjective *novus*, new; L. fem. n. *Glaciecola*, An existing genus; *Noviglaciecola*: A genus related to but distinct from the existing genus Glaciecola of new.

Noviglaciibacter

L. masc. adjective *novus*, new; L. masc. n. *Glaciibacter*, An existing genus; *Noviglaciibacter*: A genus related to but distinct from the existing genus Glaciibacter of new.

Noviglaciihabitans

L. masc. adjective *novus*, new; L. masc. n. *Glaciihabitans*, An existing genus; *Noviglaciihabitans*: A genus related to but distinct from the existing genus Glaciihabitans of new.

Noviglaciimonas

L. masc. adjective *novus*, new; L. fem. n. *Glaciimonas*, An existing genus; *Noviglaciimonas*: A genus related to but distinct from the existing genus Glaciimonas of new.

Noviglaesserella

L. masc. adjective *novus*, new; L. fem. dim. n. *Glaesserella*, An existing genus; *Noviglaesserella*: A genus related to but distinct from the existing genus Glaesserella of new.

Novigleimia

L. masc. adjective *novus*, new; L. fem. n. *Gleimia*, An existing genus; *Novigleimia*: A genus related to but distinct from the existing genus Gleimia of new.

Noviglobicatella

L. masc. adjective *novus*, new; L. fem. dim. n. *Globicatella*, An existing genus; *Noviglobicatella*: A genus related to but distinct from the existing genus Globicatella of new.

Novigloeobacter

L. masc. adjective *novus*, new; L. masc. n. *Gloeobacter*, An existing genus; *Novigloeobacter*: A genus related to but distinct from the existing genus Gloeobacter of new.

Novigloeomargarita

L. masc. adjective *novus*, new; L. fem. n. *Gloeomargarita*, An existing genus; *Novigloeomargarita*: A genus related to but distinct from the existing genus Gloeomargarita of new.

Noviglucerabacter

L. masc. adjective *novus*, new; L. masc. n. *Glucerabacter*, An existing genus; *Noviglucerabacter*: A genus related to but distinct from the existing genus Glucerabacter of new.

Novigluconacetobacter

L. masc. adjective *novus*, new; L. masc. n. *Gluconacetobacter*, An existing genus; *Novigluconacetobacter*: A genus related to but distinct from the existing genus Gluconacetobacter of new.

Novigluconobacter

L. masc. adjective *novus*, new; L. masc. n. *Gluconobacter*, An existing genus; *Novigluconobacter*: A genus related to but distinct from the existing genus Gluconobacter of new.

Noviglutamicibacter

L. masc. adjective *novus*, new; L. masc. n. *Glutamicibacter*, An existing genus; *Noviglutamicibacter*: A genus related to but distinct from the existing genus Glutamicibacter of new.

Noviglycocaulis

L. masc. adjective *novus*, new; L. masc. n. *Glycocaulis*, An existing genus; *Noviglycocaulis*: A genus related to but distinct from the existing genus Glycocaulis of new.

Noviglycomyces

L. masc. adjective *novus*, new; L. masc. n. *Glycomyces*, An existing genus; *Noviglycomyces*: A genus related to but distinct from the existing genus Glycomyces of new.

Novigodleya

L. masc. adjective *novus*, new; L. fem. n. *Godleya*, An existing genus; *Novigodleya*: A genus related to but distinct from the existing genus Godleya of new.

Novigomontiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Gomontiella*, An existing genus; *Novigomontiella*: A genus related to but distinct from the existing genus Gomontiella of new.

Novigoodfellowia

L. masc. adjective *novus*, new; L. fem. n. *Goodfellowia*, An existing genus; *Novigoodfellowia*: A genus related to but distinct from the existing genus Goodfellowia of new.

Novigoodfellowiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Goodfellowiella*, An existing genus; *Novigoodfellowiella*: A genus related to but distinct from the existing genus Goodfellowiella of new.

Novigordona

L. masc. adjective *novus*, new; L. fem. n. *Gordona*, An existing genus; *Novigordona*: A genus related to but distinct from the existing genus Gordona of new.

Novigordonia

L. masc. adjective *novus*, new; L. fem. n. *Gordonia*, An existing genus; *Novigordonia*: A genus related to but distinct from the existing genus Gordonia of new.

Novigordonibacter

L. masc. adjective *novus*, new; L. masc. n. *Gordonibacter*, An existing genus; *Novigordonibacter*: A genus related to but distinct from the existing genus Gordonibacter of new.

Novigorillibacterium

L. masc. adjective *novus*, new; L. neut. n. *Gorillibacterium*, An existing genus; *Novigorillibacterium*: A genus related to but distinct from the existing genus Gorillibacterium of new.

Novigottschalkia

L. masc. adjective *novus*, new; L. fem. n. *Gottschalkia*, An existing genus; *Novigottschalkia*: A genus related to but distinct from the existing genus Gottschalkia of new.

Novigracilibacillus

L. masc. adjective *novus*, new; L. masc. n. *Gracilibacillus*, An existing genus; *Novigracilibacillus*: A genus related to but distinct from the existing genus Gracilibacillus of new.

Novigracilibacter

L. masc. adjective *novus*, new; L. masc. n. *Gracilibacter*, An existing genus; *Novigracilibacter*: A genus related to but distinct from the existing genus Gracilibacter of new.

Novigracilimonas

L. masc. adjective *novus*, new; L. fem. n. *Gracilimonas*, An existing genus; *Novigracilimonas*: A genus related to but distinct from the existing genus Gracilimonas of new.

Novigrahamella

L. masc. adjective *novus*, new; L. fem. dim. n. *Grahamella*, An existing genus; *Novigrahamella*: A genus related to but distinct from the existing genus Grahamella of new.

Novigramella

L. masc. adjective *novus*, new; L. fem. dim. n. *Gramella*, An existing genus; *Novigramella*: A genus related to but distinct from the existing genus Gramella of new.

Novigranulibacter

L. masc. adjective *novus*, new; L. masc. n. *Granulibacter*, An existing genus; *Novigranulibacter*: A genus related to but distinct from the existing genus Granulibacter of new.

Novigranulicella

L. masc. adjective *novus*, new; L. fem. n. *Granulicella*, An existing genus; *Novigranulicella*: A genus related to but distinct from the existing genus Granulicella of new.

Novigranulicoccus

L. masc. adjective *novus*, new; L. masc. n. *Granulicoccus*, An existing genus; *Novigranulicoccus*: A genus related to but distinct from the existing genus Granulicoccus of new.

Novigranulosicoccus

L. masc. adjective *novus*, new; L. masc. n. *Granulosicoccus*, An existing genus; *Novigranulosicoccus*: A genus related to but distinct from the existing genus Granulosicoccus of new.

Novigrimontia

L. masc. adjective *novus*, new; L. fem. n. *Grimontia*, An existing genus; *Novigrimontia*: A genus related to but distinct from the existing genus Grimontia of new.

Novigryllotalpicola

L. masc. adjective *novus*, new; L. masc. n. *Gryllotalpicola*, An existing genus; *Novigryllotalpicola*: A genus related to but distinct from the existing genus Gryllotalpicola of new.

Novigudongella

L. masc. adjective *novus*, new; L. fem. dim. n. *Gudongella*, An existing genus; *Novigudongella*: A genus related to but distinct from the existing genus Gudongella of new.

Noviguggenheimella

L. masc. adjective *novus*, new; L. fem. dim. n. *Guggenheimella*, An existing genus; *Noviguggenheimella*: A genus related to but distinct from the existing genus Guggenheimella of new.

Novigulbenkiania

L. masc. adjective *novus*, new; L. fem. n. *Gulbenkiania*, An existing genus; *Novigulbenkiania*: A genus related to but distinct from the existing genus Gulbenkiania of new.

Novigulosibacter

L. masc. adjective *novus*, new; L. masc. n. *Gulosibacter*, An existing genus; *Novigulosibacter*: A genus related to but distinct from the existing genus Gulosibacter of new.

Noviguyparkeria

L. masc. adjective *novus*, new; L. fem. n. *Guyparkeria*, An existing genus; *Noviguyparkeria*: A genus related to but distinct from the existing genus Guyparkeria of new.

Novigynuella

L. masc. adjective *novus*, new; L. fem. dim. n. *Gynuella*, An existing genus; *Novigynuella*: A genus related to but distinct from the existing genus Gynuella of new.

Novigynurincola

L. masc. adjective *novus*, new; L. masc. n. *Gynurincola*, An existing genus; *Novigynurincola*: A genus related to but distinct from the existing genus Gynurincola of new.

Novihaematomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Haematomicrobium*, An existing genus; *Novihaematomicrobium*: A genus related to but distinct from the existing genus Haematomicrobium of new.

Novihaemobartonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Haemobartonella*, An existing genus; *Novihaemobartonella*: A genus related to but distinct from the existing genus Haemobartonella of new.

Novihaemophilus

L. masc. adjective *novus*, new; L. masc. n. *Haemophilus*, An existing genus; *Novihaemophilus*: A genus related to but distinct from the existing genus Haemophilus of new.

Novihahella

L. masc. adjective *novus*, new; L. fem. dim. n. *Hahella*, An existing genus; *Novihahella*: A genus related to but distinct from the existing genus Hahella of new.

Novihahyoungchilella

L. masc. adjective *novus*, new; L. fem. dim. n. *Hahyoungchilella*, An existing genus; *Novihahyoungchilella*: A genus related to but distinct from the existing genus Hahyoungchilella of new.

Novihaladaptatus

L. masc. adjective *novus*, new; L. masc. n. *Haladaptatus*, An existing genus; *Novihaladaptatus*: A genus related to but distinct from the existing genus Haladaptatus of new.

Novihalalkaliarchaeum

L. masc. adjective *novus*, new; L. neut. n. *Halalkaliarchaeum*, An existing genus; *Novihalalkaliarchaeum*: A genus related to but distinct from the existing genus Halalkaliarchaeum of new.

Novihalalkalibacillus

L. masc. adjective *novus*, new; L. masc. n. *Halalkalibacillus*, An existing genus; *Novihalalkalibacillus*: A genus related to but distinct from the existing genus Halalkalibacillus of new.

Novihalalkalicoccus

L. masc. adjective *novus*, new; L. masc. n. *Halalkalicoccus*, An existing genus; *Novihalalkalicoccus*: A genus related to but distinct from the existing genus Halalkalicoccus of new.

Novihalanaeroarchaeum

L. masc. adjective *novus*, new; L. neut. n. *Halanaeroarchaeum*, An existing genus; *Novihalanaeroarchaeum*: A genus related to but distinct from the existing genus Halanaeroarchaeum of new.

Novihalanaerobacter

L. masc. adjective *novus*, new; L. masc. n. *Halanaerobacter*, An existing genus; *Novihalanaerobacter*: A genus related to but distinct from the existing genus Halanaerobacter of new.

Novihalanaerobium

L. masc. adjective *novus*, new; L. neut. n. *Halanaerobium*, An existing genus; *Novihalanaerobium*: A genus related to but distinct from the existing genus Halanaerobium of new.

Novihalanaerocella

L. masc. adjective *novus*, new; L. fem. n. *Halanaerocella*, An existing genus; *Novihalanaerocella*: A genus related to but distinct from the existing genus Halanaerocella of new.

Novihalapricum

L. masc. adjective *novus*, new; L. neut. n. *Halapricum*, An existing genus; *Novihalapricum*: A genus related to but distinct from the existing genus Halapricum of new.

Novihalarchaeum

L. masc. adjective *novus*, new; L. neut. n. *Halarchaeum*, An existing genus; *Novihalarchaeum*: A genus related to but distinct from the existing genus Halarchaeum of new.

Novihalarsenatibacter

L. masc. adjective *novus*, new; L. masc. n. *Halarsenatibacter*, An existing genus; *Novihalarsenatibacter*: A genus related to but distinct from the existing genus Halarsenatibacter of new.

Novihalegenticoccus

L. masc. adjective *novus*, new; L. masc. n. *Halegenticoccus*, An existing genus; *Novihalegenticoccus*: A genus related to but distinct from the existing genus Halegenticoccus of new.

Novihaliangium

L. masc. adjective *novus*, new; L. neut. n. *Haliangium*, An existing genus; *Novihaliangium*: A genus related to but distinct from the existing genus Haliangium of new.

Novihaliea

L. masc. adjective *novus*, new; L. fem. n. *Haliea*, An existing genus; *Novihaliea*: A genus related to but distinct from the existing genus Haliea of new.

Novihalioglobus

L. masc. adjective *novus*, new; L. masc. n. *Halioglobus*, An existing genus; *Novihalioglobus*: A genus related to but distinct from the existing genus Halioglobus of new.

Novihalioxenophilus

L. masc. adjective *novus*, new; L. masc. n. *Halioxenophilus*, An existing genus; *Novihalioxenophilus*: A genus related to but distinct from the existing genus Halioxenophilus of new.

Novihaliscomenobacter

L. masc. adjective *novus*, new; L. masc. n. *Haliscomenobacter*, An existing genus; *Novihaliscomenobacter*: A genus related to but distinct from the existing genus Haliscomenobacter of new.

Novihallella

L. masc. adjective *novus*, new; L. fem. dim. n. *Hallella*, An existing genus; *Novihallella*: A genus related to but distinct from the existing genus Hallella of new.

Novihaloactinobacterium

L. masc. adjective *novus*, new; L. neut. n. *Haloactinobacterium*, An existing genus; *Novihaloactinobacterium*: A genus related to but distinct from the existing genus Haloactinobacterium of new.

Novihaloactinomyces

L. masc. adjective *novus*, new; L. masc. n. *Haloactinomyces*, An existing genus; *Novihaloactinomyces*: A genus related to but distinct from the existing genus Haloactinomyces of new.

Novihaloactinopolyspora

L. masc. adjective *novus*, new; L. fem. n. *Haloactinopolyspora*, An existing genus; *Novihaloactinopolyspora*: A genus related to but distinct from the existing genus Haloactinopolyspora of new.

Novihaloactinospora

L. masc. adjective *novus*, new; L. fem. n. *Haloactinospora*, An existing genus; *Novihaloactinospora*: A genus related to but distinct from the existing genus Haloactinospora of new.

Novihaloarchaeobius

L. masc. adjective *novus*, new; L. masc. n. *Haloarchaeobius*, An existing genus; *Novihaloarchaeobius*: A genus related to but distinct from the existing genus Haloarchaeobius of new.

Novihaloarcula

L. masc. adjective *novus*, new; L. fem. dim. n. *Haloarcula*, An existing genus; *Novihaloarcula*: A genus related to but distinct from the existing genus Haloarcula of new.

Novihalobacteriovorax

L. masc. adjective *novus*, new; L. masc. n. *Halobacteriovorax*, An existing genus; *Novihalobacteriovorax*: A genus related to but distinct from the existing genus Halobacteriovorax of new.

Novihalobacterium

L. masc. adjective *novus*, new; L. neut. n. *Halobacterium*, An existing genus; *Novihalobacterium*: A genus related to but distinct from the existing genus Halobacterium of new.

Novihalobacteroides

L. masc. adjective *novus*, new; L. masc. n. *Halobacteroides*, An existing genus; *Novihalobacteroides*: A genus related to but distinct from the existing genus Halobacteroides of new.

Novihalobaculum

L. masc. adjective *novus*, new; L. neut. n. *Halobaculum*, An existing genus; *Novihalobaculum*: A genus related to but distinct from the existing genus Halobaculum of new.

Novihalobellus

L. masc. adjective *novus*, new; L. masc. n. *Halobellus*, An existing genus; *Novihalobellus*: A genus related to but distinct from the existing genus Halobellus of new.

Novihalobiforma

L. masc. adjective *novus*, new; L. fem. n. *Halobiforma*, An existing genus; *Novihalobiforma*: A genus related to but distinct from the existing genus Halobiforma of new.

Novihalobium

L. masc. adjective *novus*, new; L. neut. n. *Halobium*, An existing genus; *Novihalobium*: A genus related to but distinct from the existing genus Halobium of new.

Novihalocalculus

L. masc. adjective *novus*, new; L. masc. n. *Halocalculus*, An existing genus; *Novihalocalculus*: A genus related to but distinct from the existing genus Halocalculus of new.

Novihalocella

L. masc. adjective *novus*, new; L. fem. n. *Halocella*, An existing genus; *Novihalocella*: A genus related to but distinct from the existing genus Halocella of new.

Novihalochromatium

L. masc. adjective *novus*, new; L. neut. n. *Halochromatium*, An existing genus; *Novihalochromatium*: A genus related to but distinct from the existing genus Halochromatium of new.

Novihalococcoides

L. masc. adjective *novus*, new; L. neut. n. *Halococcoides*, An existing genus; *Novihalococcoides*: A genus related to but distinct from the existing genus Halococcoides of new.

Novihalococcus

L. masc. adjective *novus*, new; L. masc. n. *Halococcus*, An existing genus; *Novihalococcus*: A genus related to but distinct from the existing genus Halococcus of new.

Novihalocynthiibacter

L. masc. adjective *novus*, new; L. masc. n. *Halocynthiibacter*, An existing genus; *Novihalocynthiibacter*: A genus related to but distinct from the existing genus Halocynthiibacter of new.

Novihalodesulfovibrio

L. masc. adjective *novus*, new; L. masc. n. *Halodesulfovibrio*, An existing genus; *Novihalodesulfovibrio*: A genus related to but distinct from the existing genus Halodesulfovibrio of new.

Novihalodesulfurarchaeum

L. masc. adjective *novus*, new; L. neut. n. *Halodesulfurarchaeum*, An existing genus; *Novihalodesulfurarchaeum*: A genus related to but distinct from the existing genus Halodesulfurarchaeum of new.

Novihalodurantibacterium

L. masc. adjective *novus*, new; L. neut. n. *Halodurantibacterium*, An existing genus; *Novihalodurantibacterium*: A genus related to but distinct from the existing genus Halodurantibacterium of new.

Novihaloechinothrix

L. masc. adjective *novus*, new; L. fem. n. *Haloechinothrix*, An existing genus; *Novihaloechinothrix*: A genus related to but distinct from the existing genus Haloechinothrix of new.

Novihaloferax

L. masc. adjective *novus*, new; L. neut. n. *Haloferax*, An existing genus; *Novihaloferax*: A genus related to but distinct from the existing genus Haloferax of new.

Novihaloferula

L. masc. adjective *novus*, new; L. fem. n. *Haloferula*, An existing genus; *Novihaloferula*: A genus related to but distinct from the existing genus Haloferula of new.

Novihalofilum

L. masc. adjective *novus*, new; L. neut. n. *Halofilum*, An existing genus; *Novihalofilum*: A genus related to but distinct from the existing genus Halofilum of new.

Novihaloflavibacter

L. masc. adjective *novus*, new; L. masc. n. *Haloflavibacter*, An existing genus; *Novihaloflavibacter*: A genus related to but distinct from the existing genus Haloflavibacter of new.

Novihalogeometricum

L. masc. adjective *novus*, new; L. neut. n. *Halogeometricum*, An existing genus; *Novihalogeometricum*: A genus related to but distinct from the existing genus Halogeometricum of new.

Novihaloglycomyces

L. masc. adjective *novus*, new; L. masc. n. *Haloglycomyces*, An existing genus; *Novihaloglycomyces*: A genus related to but distinct from the existing genus Haloglycomyces of new.

Novihalogranum

L. masc. adjective *novus*, new; L. neut. n. *Halogranum*, An existing genus; *Novihalogranum*: A genus related to but distinct from the existing genus Halogranum of new.

Novihalohasta

L. masc. adjective *novus*, new; L. fem. n. *Halohasta*, An existing genus; *Novihalohasta*: A genus related to but distinct from the existing genus Halohasta of new.

Novihaloimpatiens

L. masc. adjective *novus*, new; L. masc. n. *Haloimpatiens*, An existing genus; *Novihaloimpatiens*: A genus related to but distinct from the existing genus Haloimpatiens of new.

Novihaloincola

L. masc. adjective *novus*, new; L. masc. n. *Haloincola*, An existing genus; *Novihaloincola*: A genus related to but distinct from the existing genus Haloincola of new.

Novihalolactibacillus

L. masc. adjective *novus*, new; L. masc. n. *Halolactibacillus*, An existing genus; *Novihalolactibacillus*: A genus related to but distinct from the existing genus Halolactibacillus of new.

Novihalolamina

L. masc. adjective *novus*, new; L. fem. n. *Halolamina*, An existing genus; *Novihalolamina*: A genus related to but distinct from the existing genus Halolamina of new.

Novihaloleptolyngbya

L. masc. adjective *novus*, new; L. fem. n. *Haloleptolyngbya*, An existing genus; *Novihaloleptolyngbya*: A genus related to but distinct from the existing genus Haloleptolyngbya of new.

Novihalomarina

L. masc. adjective *novus*, new; L. fem. n. *Halomarina*, An existing genus; *Novihalomarina*: A genus related to but distinct from the existing genus Halomarina of new.

Novihalomethanococcus

L. masc. adjective *novus*, new; L. masc. n. *Halomethanococcus*, An existing genus; *Novihalomethanococcus*: A genus related to but distinct from the existing genus Halomethanococcus of new.

Novihalomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Halomicrobium*, An existing genus; *Novihalomicrobium*: A genus related to but distinct from the existing genus Halomicrobium of new.

Novihalomicrococcus

L. masc. adjective *novus*, new; L. masc. n. *Halomicrococcus*, An existing genus; *Novihalomicrococcus*: A genus related to but distinct from the existing genus Halomicrococcus of new.

Novihalomicronema

L. masc. adjective *novus*, new; L. neut. n. *Halomicronema*, An existing genus; *Novihalomicronema*: A genus related to but distinct from the existing genus Halomicronema of new.

Novihalomonas

L. masc. adjective *novus*, new; L. fem. n. *Halomonas*, An existing genus; *Novihalomonas*: A genus related to but distinct from the existing genus Halomonas of new.

Novihalonatronum

L. masc. adjective *novus*, new; L. neut. n. *Halonatronum*, An existing genus; *Novihalonatronum*: A genus related to but distinct from the existing genus Halonatronum of new.

Novihalonotius

L. masc. adjective *novus*, new; L. masc. n. *Halonotius*, An existing genus; *Novihalonotius*: A genus related to but distinct from the existing genus Halonotius of new.

Novihaloparvum

L. masc. adjective *novus*, new; L. neut. n. *Haloparvum*, An existing genus; *Novihaloparvum*: A genus related to but distinct from the existing genus Haloparvum of new.

Novihalopelagius

L. masc. adjective *novus*, new; L. masc. n. *Halopelagius*, An existing genus; *Novihalopelagius*: A genus related to but distinct from the existing genus Halopelagius of new.

Novihalopenitus

L. masc. adjective *novus*, new; L. masc. n. *Halopenitus*, An existing genus; *Novihalopenitus*: A genus related to but distinct from the existing genus Halopenitus of new.

Novihalopeptonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Halopeptonella*, An existing genus; *Novihalopeptonella*: A genus related to but distinct from the existing genus Halopeptonella of new.

Novihalopiger

L. masc. adjective *novus*, new; L. masc. n. *Halopiger*, An existing genus; *Novihalopiger*: A genus related to but distinct from the existing genus Halopiger of new.

Novihaloplanus

L. masc. adjective *novus*, new; L. masc. n. *Haloplanus*, An existing genus; *Novihaloplanus*: A genus related to but distinct from the existing genus Haloplanus of new.

Novihaloplasma

L. masc. adjective *novus*, new; L. neut. n. *Haloplasma*, An existing genus; *Novihaloplasma*: A genus related to but distinct from the existing genus Haloplasma of new.

Novihalopolyspora

L. masc. adjective *novus*, new; L. fem. n. *Halopolyspora*, An existing genus; *Novihalopolyspora*: A genus related to but distinct from the existing genus Halopolyspora of new.

Novihaloprofundus

L. masc. adjective *novus*, new; L. masc. n. *Haloprofundus*, An existing genus; *Novihaloprofundus*: A genus related to but distinct from the existing genus Haloprofundus of new.

Novihaloquadratum

L. masc. adjective *novus*, new; L. neut. n. *Haloquadratum*, An existing genus; *Novihaloquadratum*: A genus related to but distinct from the existing genus Haloquadratum of new.

Novihalorhodospira

L. masc. adjective *novus*, new; L. fem. n. *Halorhodospira*, An existing genus; *Novihalorhodospira*: A genus related to but distinct from the existing genus Halorhodospira of new.

Novihalorientalis

L. masc. adjective *novus*, new; L. fem. n. *Halorientalis*, An existing genus; *Novihalorientalis*: A genus related to but distinct from the existing genus Halorientalis of new.

Novihalorubellus

L. masc. adjective *novus*, new; L. masc. n. *Halorubellus*, An existing genus; *Novihalorubellus*: A genus related to but distinct from the existing genus Halorubellus of new.

Novihalorubrobacterium

L. masc. adjective *novus*, new; L. neut. n. *Halorubrobacterium*, An existing genus; *Novihalorubrobacterium*: A genus related to but distinct from the existing genus Halorubrobacterium of new.

Novihalorubrum

L. masc. adjective *novus*, new; L. neut. n. *Halorubrum*, An existing genus; *Novihalorubrum*: A genus related to but distinct from the existing genus Halorubrum of new.

Novihalorussus

L. masc. adjective *novus*, new; L. masc. n. *Halorussus*, An existing genus; *Novihalorussus*: A genus related to but distinct from the existing genus Halorussus of new.

Novihalosarcina

L. masc. adjective *novus*, new; L. fem. n. *Halosarcina*, An existing genus; *Novihalosarcina*: A genus related to but distinct from the existing genus Halosarcina of new.

Novihalosiccatus

L. masc. adjective *novus*, new; L. masc. n. *Halosiccatus*, An existing genus; *Novihalosiccatus*: A genus related to but distinct from the existing genus Halosiccatus of new.

Novihalosimplex

L. masc. adjective *novus*, new; L. neut. n. *Halosimplex*, An existing genus; *Novihalosimplex*: A genus related to but distinct from the existing genus Halosimplex of new.

Novihalospina

L. masc. adjective *novus*, new; L. fem. n. *Halospina*, An existing genus; *Novihalospina*: A genus related to but distinct from the existing genus Halospina of new.

Novihalospirulina

L. masc. adjective *novus*, new; L. fem. n. *Halospirulina*, An existing genus; *Novihalospirulina*: A genus related to but distinct from the existing genus Halospirulina of new.

Novihalostagnicola

L. masc. adjective *novus*, new; L. fem. n. *Halostagnicola*, An existing genus; *Novihalostagnicola*: A genus related to but distinct from the existing genus Halostagnicola of new.

Novihalotalea

L. masc. adjective *novus*, new; L. fem. n. *Halotalea*, An existing genus; *Novihalotalea*: A genus related to but distinct from the existing genus Halotalea of new.

Novihaloterrigena

L. masc. adjective *novus*, new; L. fem. n. *Haloterrigena*, An existing genus; *Novihaloterrigena*: A genus related to but distinct from the existing genus Haloterrigena of new.

Novihalothermothrix

L. masc. adjective *novus*, new; L. fem. n. *Halothermothrix*, An existing genus; *Novihalothermothrix*: A genus related to but distinct from the existing genus Halothermothrix of new.

Novihalothiobacillus

L. masc. adjective *novus*, new; L. masc. n. *Halothiobacillus*, An existing genus; *Novihalothiobacillus*: A genus related to but distinct from the existing genus Halothiobacillus of new.

Novihalotia

L. masc. adjective *novus*, new; L. fem. n. *Halotia*, An existing genus; *Novihalotia*: A genus related to but distinct from the existing genus Halotia of new.

Novihalovarius

L. masc. adjective *novus*, new; L. masc. n. *Halovarius*, An existing genus; *Novihalovarius*: A genus related to but distinct from the existing genus Halovarius of new.

Novihalovenus

L. masc. adjective *novus*, new; L. fem. n. *Halovenus*, An existing genus; *Novihalovenus*: A genus related to but distinct from the existing genus Halovenus of new.

Novihalovibrio

L. masc. adjective *novus*, new; L. masc. n. *Halovibrio*, An existing genus; *Novihalovibrio*: A genus related to but distinct from the existing genus Halovibrio of new.

Novihalovivax

L. masc. adjective *novus*, new; L. masc. n. *Halovivax*, An existing genus; *Novihalovivax*: A genus related to but distinct from the existing genus Halovivax of new.

Novihalovulum

L. masc. adjective *novus*, new; L. neut. n. *Halovulum*, An existing genus; *Novihalovulum*: A genus related to but distinct from the existing genus Halovulum of new.

Novihalpernia

L. masc. adjective *novus*, new; L. fem. n. *Halpernia*, An existing genus; *Novihalpernia*: A genus related to but distinct from the existing genus Halpernia of new.

Novihamadaea

L. masc. adjective *novus*, new; L. fem. n. *Hamadaea*, An existing genus; *Novihamadaea*: A genus related to but distinct from the existing genus Hamadaea of new.

Novihankyongella

L. masc. adjective *novus*, new; L. fem. dim. n. *Hankyongella*, An existing genus; *Novihankyongella*: A genus related to but distinct from the existing genus Hankyongella of new.

Novihansschlegelia

L. masc. adjective *novus*, new; L. fem. n. *Hansschlegelia*, An existing genus; *Novihansschlegelia*: A genus related to but distinct from the existing genus Hansschlegelia of new.

Novihanstruepera

L. masc. adjective *novus*, new; L. fem. n. *Hanstruepera*, An existing genus; *Novihanstruepera*: A genus related to but distinct from the existing genus Hanstruepera of new.

Novihaoranjiania

L. masc. adjective *novus*, new; L. fem. n. *Haoranjiania*, An existing genus; *Novihaoranjiania*: A genus related to but distinct from the existing genus Haoranjiania of new.

Novihaploangium

L. masc. adjective *novus*, new; L. neut. n. *Haploangium*, An existing genus; *Novihaploangium*: A genus related to but distinct from the existing genus Haploangium of new.

Noviharryflintia

L. masc. adjective *novus*, new; L. fem. n. *Harryflintia*, An existing genus; *Noviharryflintia*: A genus related to but distinct from the existing genus Harryflintia of new.

Novihartmannibacter

L. masc. adjective *novus*, new; L. masc. n. *Hartmannibacter*, An existing genus; *Novihartmannibacter*: A genus related to but distinct from the existing genus Hartmannibacter of new.

Novihasllibacter

L. masc. adjective *novus*, new; L. masc. n. *Hasllibacter*, An existing genus; *Novihasllibacter*: A genus related to but distinct from the existing genus Hasllibacter of new.

Novihathewaya

L. masc. adjective *novus*, new; L. fem. n. *Hathewaya*, An existing genus; *Novihathewaya*: A genus related to but distinct from the existing genus Hathewaya of new.

Novihazenella

L. masc. adjective *novus*, new; L. fem. dim. n. *Hazenella*, An existing genus; *Novihazenella*: A genus related to but distinct from the existing genus Hazenella of new.

Novihelcococcus

L. masc. adjective *novus*, new; L. masc. n. *Helcococcus*, An existing genus; *Novihelcococcus*: A genus related to but distinct from the existing genus Helcococcus of new.

Novihelicobacter

L. masc. adjective *novus*, new; L. masc. n. *Helicobacter*, An existing genus; *Novihelicobacter*: A genus related to but distinct from the existing genus Helicobacter of new.

Noviheliimonas

L. masc. adjective *novus*, new; L. fem. n. *Heliimonas*, An existing genus; *Noviheliimonas*: A genus related to but distinct from the existing genus Heliimonas of new.

Noviheliobacterium

L. masc. adjective *novus*, new; L. neut. n. *Heliobacterium*, An existing genus; *Noviheliobacterium*: A genus related to but distinct from the existing genus Heliobacterium of new.

Noviheliophilum

L. masc. adjective *novus*, new; L. neut. n. *Heliophilum*, An existing genus; *Noviheliophilum*: A genus related to but distinct from the existing genus Heliophilum of new.

Noviheliorestis

L. masc. adjective *novus*, new; L. fem. n. *Heliorestis*, An existing genus; *Noviheliorestis*: A genus related to but distinct from the existing genus Heliorestis of new.

Novihellea

L. masc. adjective *novus*, new; L. fem. n. *Hellea*, An existing genus; *Novihellea*: A genus related to but distinct from the existing genus Hellea of new.

Novihenriciella

L. masc. adjective *novus*, new; L. fem. dim. n. *Henriciella*, An existing genus; *Novihenriciella*: A genus related to but distinct from the existing genus Henriciella of new.

Noviherbaspirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Herbaspirillum*, An existing genus; *Noviherbaspirillum*: A genus related to but distinct from the existing genus Herbaspirillum of new.

Noviherbiconiux

L. masc. adjective *novus*, new; L. fem. n. *Herbiconiux*, An existing genus; *Noviherbiconiux*: A genus related to but distinct from the existing genus Herbiconiux of new.

Noviherbidospora

L. masc. adjective *novus*, new; L. fem. n. *Herbidospora*, An existing genus; *Noviherbidospora*: A genus related to but distinct from the existing genus Herbidospora of new.

Noviherbihabitans

L. masc. adjective *novus*, new; L. masc. n. *Herbihabitans*, An existing genus; *Noviherbihabitans*: A genus related to but distinct from the existing genus Herbihabitans of new.

Noviherbinix

L. masc. adjective *novus*, new; L. fem. n. *Herbinix*, An existing genus; *Noviherbinix*: A genus related to but distinct from the existing genus Herbinix of new.

Noviherbivorax

L. masc. adjective *novus*, new; L. fem. n. *Herbivorax*, An existing genus; *Noviherbivorax*: A genus related to but distinct from the existing genus Herbivorax of new.

Noviherminiimonas

L. masc. adjective *novus*, new; L. fem. n. *Herminiimonas*, An existing genus; *Noviherminiimonas*: A genus related to but distinct from the existing genus Herminiimonas of new.

Noviherpetosiphon

L. masc. adjective *novus*, new; L. masc. n. *Herpetosiphon*, An existing genus; *Noviherpetosiphon*: A genus related to but distinct from the existing genus Herpetosiphon of new.

Novihespellia

L. masc. adjective *novus*, new; L. fem. n. *Hespellia*, An existing genus; *Novihespellia*: A genus related to but distinct from the existing genus Hespellia of new.

Noviheteroscytonema

L. masc. adjective *novus*, new; L. neut. n. *Heteroscytonema*, An existing genus; *Noviheteroscytonema*: A genus related to but distinct from the existing genus Heteroscytonema of new.

Novihippea

L. masc. adjective *novus*, new; L. fem. n. *Hippea*, An existing genus; *Novihippea*: A genus related to but distinct from the existing genus Hippea of new.

Novihirschia

L. masc. adjective *novus*, new; L. fem. n. *Hirschia*, An existing genus; *Novihirschia*: A genus related to but distinct from the existing genus Hirschia of new.

Novihistidinibacterium

L. masc. adjective *novus*, new; L. neut. n. *Histidinibacterium*, An existing genus; *Novihistidinibacterium*: A genus related to but distinct from the existing genus Histidinibacterium of new.

Novihistophilus

L. masc. adjective *novus*, new; L. masc. n. *Histophilus*, An existing genus; *Novihistophilus*: A genus related to but distinct from the existing genus Histophilus of new.

Noviholdemanella

L. masc. adjective *novus*, new; L. fem. dim. n. *Holdemanella*, An existing genus; *Noviholdemanella*: A genus related to but distinct from the existing genus Holdemanella of new.

Noviholdemania

L. masc. adjective *novus*, new; L. fem. n. *Holdemania*, An existing genus; *Noviholdemania*: A genus related to but distinct from the existing genus Holdemania of new.

Novihollandina

L. masc. adjective *novus*, new; L. fem. n. *Hollandina*, An existing genus; *Novihollandina*: A genus related to but distinct from the existing genus Hollandina of new.

Noviholophaga

L. masc. adjective *novus*, new; L. fem. n. *Holophaga*, An existing genus; *Noviholophaga*: A genus related to but distinct from the existing genus Holophaga of new.

Noviholospora

L. masc. adjective *novus*, new; L. fem. n. *Holospora*, An existing genus; *Noviholospora*: A genus related to but distinct from the existing genus Holospora of new.

Noviholzapfelia

L. masc. adjective *novus*, new; L. fem. n. *Holzapfelia*, An existing genus; *Noviholzapfelia*: A genus related to but distinct from the existing genus Holzapfelia of new.

Novihomoserinibacter

L. masc. adjective *novus*, new; L. masc. n. *Homoserinibacter*, An existing genus; *Novihomoserinibacter*: A genus related to but distinct from the existing genus Homoserinibacter of new.

Novihomoserinimonas

L. masc. adjective *novus*, new; L. fem. n. *Homoserinimonas*, An existing genus; *Novihomoserinimonas*: A genus related to but distinct from the existing genus Homoserinimonas of new.

Novihongia

L. masc. adjective *novus*, new; L. fem. n. *Hongia*, An existing genus; *Novihongia*: A genus related to but distinct from the existing genus Hongia of new.

Novihongiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Hongiella*, An existing genus; *Novihongiella*: A genus related to but distinct from the existing genus Hongiella of new.

Novihoppeia

L. masc. adjective *novus*, new; L. fem. n. *Hoppeia*, An existing genus; *Novihoppeia*: A genus related to but distinct from the existing genus Hoppeia of new.

Novihormathonema

L. masc. adjective *novus*, new; L. neut. n. *Hormathonema*, An existing genus; *Novihormathonema*: A genus related to but distinct from the existing genus Hormathonema of new.

Novihormoscilla

L. masc. adjective *novus*, new; L. fem. n. *Hormoscilla*, An existing genus; *Novihormoscilla*: A genus related to but distinct from the existing genus Hormoscilla of new.

Novihowardella

L. masc. adjective *novus*, new; L. fem. dim. n. *Howardella*, An existing genus; *Novihowardella*: A genus related to but distinct from the existing genus Howardella of new.

Novihoyosella

L. masc. adjective *novus*, new; L. fem. dim. n. *Hoyosella*, An existing genus; *Novihoyosella*: A genus related to but distinct from the existing genus Hoyosella of new.

Novihuaishuia

L. masc. adjective *novus*, new; L. fem. n. *Huaishuia*, An existing genus; *Novihuaishuia*: A genus related to but distinct from the existing genus Huaishuia of new.

Novihuakuichenia

L. masc. adjective *novus*, new; L. fem. n. *Huakuichenia*, An existing genus; *Novihuakuichenia*: A genus related to but distinct from the existing genus Huakuichenia of new.

Novihuanghella

L. masc. adjective *novus*, new; L. fem. dim. n. *Huanghella*, An existing genus; *Novihuanghella*: A genus related to but distinct from the existing genus Huanghella of new.

Novihugenholtzia

L. masc. adjective *novus*, new; L. fem. n. *Hugenholtzia*, An existing genus; *Novihugenholtzia*: A genus related to but distinct from the existing genus Hugenholtzia of new.

Novihugonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Hugonella*, An existing genus; *Novihugonella*: A genus related to but distinct from the existing genus Hugonella of new.

Novihumibacillus

L. masc. adjective *novus*, new; L. masc. n. *Humibacillus*, An existing genus; *Novihumibacillus*: A genus related to but distinct from the existing genus Humibacillus of new.

Novihumibacter

L. masc. adjective *novus*, new; L. masc. n. *Humibacter*, An existing genus; *Novihumibacter*: A genus related to but distinct from the existing genus Humibacter of new.

Novihumicoccus

L. masc. adjective *novus*, new; L. masc. n. *Humicoccus*, An existing genus; *Novihumicoccus*: A genus related to but distinct from the existing genus Humicoccus of new.

Novihungateiclostridium

L. masc. adjective *novus*, new; L. neut. dim. n. *Hungateiclostridium*, An existing genus; *Novihungateiclostridium*: A genus related to but distinct from the existing genus Hungateiclostridium of new.

Novihungatella

L. masc. adjective *novus*, new; L. fem. dim. n. *Hungatella*, An existing genus; *Novihungatella*: A genus related to but distinct from the existing genus Hungatella of new.

Novihwangdonia

L. masc. adjective *novus*, new; L. fem. n. *Hwangdonia*, An existing genus; *Novihwangdonia*: A genus related to but distinct from the existing genus Hwangdonia of new.

Novihwanghaeella

L. masc. adjective *novus*, new; L. fem. dim. n. *Hwanghaeella*, An existing genus; *Novihwanghaeella*: A genus related to but distinct from the existing genus Hwanghaeella of new.

Novihwanghaeicola

L. masc. adjective *novus*, new; L. masc. n. *Hwanghaeicola*, An existing genus; *Novihwanghaeicola*: A genus related to but distinct from the existing genus Hwanghaeicola of new.

Novihyalangium

L. masc. adjective *novus*, new; L. neut. n. *Hyalangium*, An existing genus; *Novihyalangium*: A genus related to but distinct from the existing genus Hyalangium of new.

Novihydrobacter

L. masc. adjective *novus*, new; L. masc. n. *Hydrobacter*, An existing genus; *Novihydrobacter*: A genus related to but distinct from the existing genus Hydrobacter of new.

Novihydrocarboniclastica

L. masc. adjective *novus*, new; L. fem. n. *Hydrocarboniclastica*, An existing genus; *Novihydrocarboniclastica*: A genus related to but distinct from the existing genus Hydrocarboniclastica of new.

Novihydrocarboniphaga

L. masc. adjective *novus*, new; L. fem. n. *Hydrocarboniphaga*, An existing genus; *Novihydrocarboniphaga*: A genus related to but distinct from the existing genus Hydrocarboniphaga of new.

Novihydrogenibacillus

L. masc. adjective *novus*, new; L. masc. n. *Hydrogenibacillus*, An existing genus; *Novihydrogenibacillus*: A genus related to but distinct from the existing genus Hydrogenibacillus of new.

Novihydrogeniiclostridium

L. masc. adjective *novus*, new; L. neut. dim. n. *Hydrogeniiclostridium*, An existing genus; *Novihydrogeniiclostridium*: A genus related to but distinct from the existing genus Hydrogeniiclostridium of new.

Novihydrogenimonas

L. masc. adjective *novus*, new; L. fem. n. *Hydrogenimonas*, An existing genus; *Novihydrogenimonas*: A genus related to but distinct from the existing genus Hydrogenimonas of new.

Novihydrogenispora

L. masc. adjective *novus*, new; L. fem. n. *Hydrogenispora*, An existing genus; *Novihydrogenispora*: A genus related to but distinct from the existing genus Hydrogenispora of new.

Novihydrogenivirga

L. masc. adjective *novus*, new; L. fem. n. *Hydrogenivirga*, An existing genus; *Novihydrogenivirga*: A genus related to but distinct from the existing genus Hydrogenivirga of new.

Novihydrogenoanaerobacterium

L. masc. adjective *novus*, new; L. neut. n. *Hydrogenoanaerobacterium*, An existing genus; *Novihydrogenoanaerobacterium*: A genus related to but distinct from the existing genus Hydrogenoanaerobacterium of new.

Novihydrogenobacter

L. masc. adjective *novus*, new; L. masc. n. *Hydrogenobacter*, An existing genus; *Novihydrogenobacter*: A genus related to but distinct from the existing genus Hydrogenobacter of new.

Novihydrogenophaga

L. masc. adjective *novus*, new; L. fem. n. *Hydrogenophaga*, An existing genus; *Novihydrogenophaga*: A genus related to but distinct from the existing genus Hydrogenophaga of new.

Novihydrogenophilus

L. masc. adjective *novus*, new; L. masc. n. *Hydrogenophilus*, An existing genus; *Novihydrogenophilus*: A genus related to but distinct from the existing genus Hydrogenophilus of new.

Novihydrogenovibrio

L. masc. adjective *novus*, new; L. masc. n. *Hydrogenovibrio*, An existing genus; *Novihydrogenovibrio*: A genus related to but distinct from the existing genus Hydrogenovibrio of new.

Novihydromonas

L. masc. adjective *novus*, new; L. fem. n. *Hydromonas*, An existing genus; *Novihydromonas*: A genus related to but distinct from the existing genus Hydromonas of new.

Novihydrotalea

L. masc. adjective *novus*, new; L. fem. n. *Hydrotalea*, An existing genus; *Novihydrotalea*: A genus related to but distinct from the existing genus Hydrotalea of new.

Novihylemonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Hylemonella*, An existing genus; *Novihylemonella*: A genus related to but distinct from the existing genus Hylemonella of new.

Novihymenobacter

L. masc. adjective *novus*, new; L. masc. n. *Hymenobacter*, An existing genus; *Novihymenobacter*: A genus related to but distinct from the existing genus Hymenobacter of new.

Novihypericibacter

L. masc. adjective *novus*, new; L. masc. n. *Hypericibacter*, An existing genus; *Novihypericibacter*: A genus related to but distinct from the existing genus Hypericibacter of new.

Novihyperthermus

L. masc. adjective *novus*, new; L. masc. n. *Hyperthermus*, An existing genus; *Novihyperthermus*: A genus related to but distinct from the existing genus Hyperthermus of new.

Novihyphobacterium

L. masc. adjective *novus*, new; L. neut. n. *Hyphobacterium*, An existing genus; *Novihyphobacterium*: A genus related to but distinct from the existing genus Hyphobacterium of new.

Novihyphococcus

L. masc. adjective *novus*, new; L. masc. n. *Hyphococcus*, An existing genus; *Novihyphococcus*: A genus related to but distinct from the existing genus Hyphococcus of new.

Novihyphomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Hyphomicrobium*, An existing genus; *Novihyphomicrobium*: A genus related to but distinct from the existing genus Hyphomicrobium of new.

Novihyphomonas

L. masc. adjective *novus*, new; L. fem. n. *Hyphomonas*, An existing genus; *Novihyphomonas*: A genus related to but distinct from the existing genus Hyphomonas of new.

Novihypnocyclicus

L. masc. adjective *novus*, new; L. masc. n. *Hypnocyclicus*, An existing genus; *Novihypnocyclicus*: A genus related to but distinct from the existing genus Hypnocyclicus of new.

Novihyunsoonleella

L. masc. adjective *novus*, new; L. fem. dim. n. *Hyunsoonleella*, An existing genus; *Novihyunsoonleella*: A genus related to but distinct from the existing genus Hyunsoonleella of new.

Noviiamia

L. masc. adjective *novus*, new; L. fem. n. *Iamia*, An existing genus; *Noviiamia*: A genus related to but distinct from the existing genus Iamia of new.

Noviichthyobacterium

L. masc. adjective *novus*, new; L. neut. n. *Ichthyobacterium*, An existing genus; *Noviichthyobacterium*: A genus related to but distinct from the existing genus Ichthyobacterium of new.

Noviideonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Ideonella*, An existing genus; *Noviideonella*: A genus related to but distinct from the existing genus Ideonella of new.

Noviidiomarina

L. masc. adjective *novus*, new; L. fem. n. *Idiomarina*, An existing genus; *Noviidiomarina*: A genus related to but distinct from the existing genus Idiomarina of new.

Noviignatzschineria

L. masc. adjective *novus*, new; L. fem. n. *Ignatzschineria*, An existing genus; *Noviignatzschineria*: A genus related to but distinct from the existing genus Ignatzschineria of new.

Noviignavigranum

L. masc. adjective *novus*, new; L. neut. n. *Ignavigranum*, An existing genus; *Noviignavigranum*: A genus related to but distinct from the existing genus Ignavigranum of new.

Noviignicoccus

L. masc. adjective *novus*, new; L. masc. n. *Ignicoccus*, An existing genus; *Noviignicoccus*: A genus related to but distinct from the existing genus Ignicoccus of new.

Noviignisphaera

L. masc. adjective *novus*, new; L. fem. n. *Ignisphaera*, An existing genus; *Noviignisphaera*: A genus related to but distinct from the existing genus Ignisphaera of new.

Noviileibacterium

L. masc. adjective *novus*, new; L. neut. n. *Ileibacterium*, An existing genus; *Noviileibacterium*: A genus related to but distinct from the existing genus Ileibacterium of new.

Noviilumatobacter

L. masc. adjective *novus*, new; L. masc. n. *Ilumatobacter*, An existing genus; *Noviilumatobacter*: A genus related to but distinct from the existing genus Ilumatobacter of new.

Noviimhoffiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Imhoffiella*, An existing genus; *Noviimhoffiella*: A genus related to but distinct from the existing genus Imhoffiella of new.

Noviimmundisolibacter

L. masc. adjective *novus*, new; L. masc. n. *Immundisolibacter*, An existing genus; *Noviimmundisolibacter*: A genus related to but distinct from the existing genus Immundisolibacter of new.

Noviimperialibacter

L. masc. adjective *novus*, new; L. masc. n. *Imperialibacter*, An existing genus; *Noviimperialibacter*: A genus related to but distinct from the existing genus Imperialibacter of new.

Noviimtechella

L. masc. adjective *novus*, new; L. fem. dim. n. *Imtechella*, An existing genus; *Noviimtechella*: A genus related to but distinct from the existing genus Imtechella of new.

Noviindibacter

L. masc. adjective *novus*, new; L. masc. n. *Indibacter*, An existing genus; *Noviindibacter*: A genus related to but distinct from the existing genus Indibacter of new.

Noviindiicoccus

L. masc. adjective *novus*, new; L. masc. n. *Indiicoccus*, An existing genus; *Noviindiicoccus*: A genus related to but distinct from the existing genus Indiicoccus of new.

Noviindioceanicola

L. masc. adjective *novus*, new; L. masc. n. *Indioceanicola*, An existing genus; *Noviindioceanicola*: A genus related to but distinct from the existing genus Indioceanicola of new.

Noviinediibacterium

L. masc. adjective *novus*, new; L. neut. n. *Inediibacterium*, An existing genus; *Noviinediibacterium*: A genus related to but distinct from the existing genus Inediibacterium of new.

Noviinhella

L. masc. adjective *novus*, new; L. fem. dim. n. *Inhella*, An existing genus; *Noviinhella*: A genus related to but distinct from the existing genus Inhella of new.

Noviiningainema

L. masc. adjective *novus*, new; L. neut. n. *Iningainema*, An existing genus; *Noviiningainema*: A genus related to but distinct from the existing genus Iningainema of new.

Noviinmirania

L. masc. adjective *novus*, new; L. fem. n. *Inmirania*, An existing genus; *Noviinmirania*: A genus related to but distinct from the existing genus Inmirania of new.

Noviinnacoccus

L. masc. adjective *novus*, new; L. masc. n. *Innacoccus*, An existing genus; *Noviinnacoccus*: A genus related to but distinct from the existing genus Innacoccus of new.

Noviinsolitispirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Insolitispirillum*, An existing genus; *Noviinsolitispirillum*: A genus related to but distinct from the existing genus Insolitispirillum of new.

Noviintestinibacter

L. masc. adjective *novus*, new; L. masc. n. *Intestinibacter*, An existing genus; *Noviintestinibacter*: A genus related to but distinct from the existing genus Intestinibacter of new.

Noviintestinibaculum

L. masc. adjective *novus*, new; L. neut. n. *Intestinibaculum*, An existing genus; *Noviintestinibaculum*: A genus related to but distinct from the existing genus Intestinibaculum of new.

Noviintestinimonas

L. masc. adjective *novus*, new; L. fem. n. *Intestinimonas*, An existing genus; *Noviintestinimonas*: A genus related to but distinct from the existing genus Intestinimonas of new.

Noviintestinirhabdus

L. masc. adjective *novus*, new; L. fem. n. *Intestinirhabdus*, An existing genus; *Noviintestinirhabdus*: A genus related to but distinct from the existing genus Intestinirhabdus of new.

Noviintrasporangium

L. masc. adjective *novus*, new; L. neut. n. *Intrasporangium*, An existing genus; *Noviintrasporangium*: A genus related to but distinct from the existing genus Intrasporangium of new.

Noviiodidimonas

L. masc. adjective *novus*, new; L. fem. n. *Iodidimonas*, An existing genus; *Noviiodidimonas*: A genus related to but distinct from the existing genus Iodidimonas of new.

Noviiodobacter

L. masc. adjective *novus*, new; L. masc. n. *Iodobacter*, An existing genus; *Noviiodobacter*: A genus related to but distinct from the existing genus Iodobacter of new.

Noviirregularibacter

L. masc. adjective *novus*, new; L. masc. n. *Irregularibacter*, An existing genus; *Noviirregularibacter*: A genus related to but distinct from the existing genus Irregularibacter of new.

Noviisachenkonia

L. masc. adjective *novus*, new; L. fem. n. *Isachenkonia*, An existing genus; *Noviisachenkonia*: A genus related to but distinct from the existing genus Isachenkonia of new.

Noviisobaculum

L. masc. adjective *novus*, new; L. neut. n. *Isobaculum*, An existing genus; *Noviisobaculum*: A genus related to but distinct from the existing genus Isobaculum of new.

Noviisochromatium

L. masc. adjective *novus*, new; L. neut. n. *Isochromatium*, An existing genus; *Noviisochromatium*: A genus related to but distinct from the existing genus Isochromatium of new.

Noviisoptericola

L. masc. adjective *novus*, new; L. masc. n. *Isoptericola*, An existing genus; *Noviisoptericola*: A genus related to but distinct from the existing genus Isoptericola of new.

Noviisosphaera

L. masc. adjective *novus*, new; L. fem. n. *Isosphaera*, An existing genus; *Noviisosphaera*: A genus related to but distinct from the existing genus Isosphaera of new.

Noviizhakiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Izhakiella*, An existing genus; *Noviizhakiella*: A genus related to but distinct from the existing genus Izhakiella of new.

Novijacksonvillea

L. masc. adjective *novus*, new; L. fem. n. *Jacksonvillea*, An existing genus; *Novijacksonvillea*: A genus related to but distinct from the existing genus Jacksonvillea of new.

Novijahnella

L. masc. adjective *novus*, new; L. fem. dim. n. *Jahnella*, An existing genus; *Novijahnella*: A genus related to but distinct from the existing genus Jahnella of new.

Novijanibacter

L. masc. adjective *novus*, new; L. masc. n. *Janibacter*, An existing genus; *Novijanibacter*: A genus related to but distinct from the existing genus Janibacter of new.

Novijanthinobacterium

L. masc. adjective *novus*, new; L. neut. n. *Janthinobacterium*, An existing genus; *Novijanthinobacterium*: A genus related to but distinct from the existing genus Janthinobacterium of new.

Novijatrophihabitans

L. masc. adjective *novus*, new; L. masc. n. *Jatrophihabitans*, An existing genus; *Novijatrophihabitans*: A genus related to but distinct from the existing genus Jatrophihabitans of new.

Novijejubacter

L. masc. adjective *novus*, new; L. masc. n. *Jejubacter*, An existing genus; *Novijejubacter*: A genus related to but distinct from the existing genus Jejubacter of new.

Novijejudonia

L. masc. adjective *novus*, new; L. fem. n. *Jejudonia*, An existing genus; *Novijejudonia*: A genus related to but distinct from the existing genus Jejudonia of new.

Novijejuia

L. masc. adjective *novus*, new; L. fem. n. *Jejuia*, An existing genus; *Novijejuia*: A genus related to but distinct from the existing genus Jejuia of new.

Novijeongeupia

L. masc. adjective *novus*, new; L. fem. n. *Jeongeupia*, An existing genus; *Novijeongeupia*: A genus related to but distinct from the existing genus Jeongeupia of new.

Novijeotgalibaca

L. masc. adjective *novus*, new; L. fem. n. *Jeotgalibaca*, An existing genus; *Novijeotgalibaca*: A genus related to but distinct from the existing genus Jeotgalibaca of new.

Novijeotgalibacillus

L. masc. adjective *novus*, new; L. masc. n. *Jeotgalibacillus*, An existing genus; *Novijeotgalibacillus*: A genus related to but distinct from the existing genus Jeotgalibacillus of new.

Novijeotgalicoccus

L. masc. adjective *novus*, new; L. masc. n. *Jeotgalicoccus*, An existing genus; *Novijeotgalicoccus*: A genus related to but distinct from the existing genus Jeotgalicoccus of new.

Novijhaorihella

L. masc. adjective *novus*, new; L. fem. dim. n. *Jhaorihella*, An existing genus; *Novijhaorihella*: A genus related to but distinct from the existing genus Jhaorihella of new.

Novijiangella

L. masc. adjective *novus*, new; L. fem. dim. n. *Jiangella*, An existing genus; *Novijiangella*: A genus related to but distinct from the existing genus Jiangella of new.

Novijiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Jiella*, An existing genus; *Novijiella*: A genus related to but distinct from the existing genus Jiella of new.

Novijilinibacillus

L. masc. adjective *novus*, new; L. masc. n. *Jilinibacillus*, An existing genus; *Novijilinibacillus*: A genus related to but distinct from the existing genus Jilinibacillus of new.

Novijindonia

L. masc. adjective *novus*, new; L. fem. n. *Jindonia*, An existing genus; *Novijindonia*: A genus related to but distinct from the existing genus Jindonia of new.

Novijishengella

L. masc. adjective *novus*, new; L. fem. dim. n. *Jishengella*, An existing genus; *Novijishengella*: A genus related to but distinct from the existing genus Jishengella of new.

Novijiulongibacter

L. masc. adjective *novus*, new; L. masc. n. *Jiulongibacter*, An existing genus; *Novijiulongibacter*: A genus related to but distinct from the existing genus Jiulongibacter of new.

Novijohnsonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Johnsonella*, An existing genus; *Novijohnsonella*: A genus related to but distinct from the existing genus Johnsonella of new.

Novijonesia

L. masc. adjective *novus*, new; L. fem. n. *Jonesia*, An existing genus; *Novijonesia*: A genus related to but distinct from the existing genus Jonesia of new.

Novijongsikchunia

L. masc. adjective *novus*, new; L. fem. n. *Jongsikchunia*, An existing genus; *Novijongsikchunia*: A genus related to but distinct from the existing genus Jongsikchunia of new.

Novijonquetella

L. masc. adjective *novus*, new; L. fem. dim. n. *Jonquetella*, An existing genus; *Novijonquetella*: A genus related to but distinct from the existing genus Jonquetella of new.

Novijoostella

L. masc. adjective *novus*, new; L. fem. dim. n. *Joostella*, An existing genus; *Novijoostella*: A genus related to but distinct from the existing genus Joostella of new.

Novikaiparowitsia

L. masc. adjective *novus*, new; L. fem. n. *Kaiparowitsia*, An existing genus; *Novikaiparowitsia*: A genus related to but distinct from the existing genus Kaiparowitsia of new.

Novikaistella

L. masc. adjective *novus*, new; L. fem. dim. n. *Kaistella*, An existing genus; *Novikaistella*: A genus related to but distinct from the existing genus Kaistella of new.

Novikaistia

L. masc. adjective *novus*, new; L. fem. n. *Kaistia*, An existing genus; *Novikaistia*: A genus related to but distinct from the existing genus Kaistia of new.

Novikalamiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Kalamiella*, An existing genus; *Novikalamiella*: A genus related to but distinct from the existing genus Kalamiella of new.

Novikallipyga

L. masc. adjective *novus*, new; L. fem. n. *Kallipyga*, An existing genus; *Novikallipyga*: A genus related to but distinct from the existing genus Kallipyga of new.

Novikallotenue

L. masc. adjective *novus*, new; L. neut. n. *Kallotenue*, An existing genus; *Novikallotenue*: A genus related to but distinct from the existing genus Kallotenue of new.

Novikandeliimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Kandeliimicrobium*, An existing genus; *Novikandeliimicrobium*: A genus related to but distinct from the existing genus Kandeliimicrobium of new.

Novikandleria

L. masc. adjective *novus*, new; L. fem. n. *Kandleria*, An existing genus; *Novikandleria*: A genus related to but distinct from the existing genus Kandleria of new.

Novikangiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Kangiella*, An existing genus; *Novikangiella*: A genus related to but distinct from the existing genus Kangiella of new.

Novikastovskya

L. masc. adjective *novus*, new; L. fem. n. *Kastovskya*, An existing genus; *Novikastovskya*: A genus related to but distinct from the existing genus Kastovskya of new.

Novikeratinibaculum

L. masc. adjective *novus*, new; L. neut. n. *Keratinibaculum*, An existing genus; *Novikeratinibaculum*: A genus related to but distinct from the existing genus Keratinibaculum of new.

Novikerstersia

L. masc. adjective *novus*, new; L. fem. n. *Kerstersia*, An existing genus; *Novikerstersia*: A genus related to but distinct from the existing genus Kerstersia of new.

Noviketobacter

L. masc. adjective *novus*, new; L. masc. n. *Ketobacter*, An existing genus; *Noviketobacter*: A genus related to but distinct from the existing genus Ketobacter of new.

Noviketogulonicigenium

L. masc. adjective *novus*, new; L. neut. n. *Ketogulonicigenium*, An existing genus; *Noviketogulonicigenium*: A genus related to but distinct from the existing genus Ketogulonicigenium of new.

Novikibdelosporangium

L. masc. adjective *novus*, new; L. neut. n. *Kibdelosporangium*, An existing genus; *Novikibdelosporangium*: A genus related to but distinct from the existing genus Kibdelosporangium of new.

Novikiloniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Kiloniella*, An existing genus; *Novikiloniella*: A genus related to but distinct from the existing genus Kiloniella of new.

Novikineobactrum

L. masc. adjective *novus*, new; L. neut. n. *Kineobactrum*, An existing genus; *Novikineobactrum*: A genus related to but distinct from the existing genus Kineobactrum of new.

Novikineococcus

L. masc. adjective *novus*, new; L. masc. n. *Kineococcus*, An existing genus; *Novikineococcus*: A genus related to but distinct from the existing genus Kineococcus of new.

Novikineosphaera

L. masc. adjective *novus*, new; L. fem. n. *Kineosphaera*, An existing genus; *Novikineosphaera*: A genus related to but distinct from the existing genus Kineosphaera of new.

Novikineosporia

L. masc. adjective *novus*, new; L. fem. n. *Kineosporia*, An existing genus; *Novikineosporia*: A genus related to but distinct from the existing genus Kineosporia of new.

Novikineothrix

L. masc. adjective *novus*, new; L. fem. n. *Kineothrix*, An existing genus; *Novikineothrix*: A genus related to but distinct from the existing genus Kineothrix of new.

Novikingella

L. masc. adjective *novus*, new; L. fem. dim. n. *Kingella*, An existing genus; *Novikingella*: A genus related to but distinct from the existing genus Kingella of new.

Novikinneretia

L. masc. adjective *novus*, new; L. fem. n. *Kinneretia*, An existing genus; *Novikinneretia*: A genus related to but distinct from the existing genus Kinneretia of new.

Novikiritimatiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Kiritimatiella*, An existing genus; *Novikiritimatiella*: A genus related to but distinct from the existing genus Kiritimatiella of new.

Novikistimonas

L. masc. adjective *novus*, new; L. fem. n. *Kistimonas*, An existing genus; *Novikistimonas*: A genus related to but distinct from the existing genus Kistimonas of new.

Novikitasatoa

L. masc. adjective *novus*, new; L. fem. n. *Kitasatoa*, An existing genus; *Novikitasatoa*: A genus related to but distinct from the existing genus Kitasatoa of new.

Novikitasatospora

L. masc. adjective *novus*, new; L. fem. n. *Kitasatospora*, An existing genus; *Novikitasatospora*: A genus related to but distinct from the existing genus Kitasatospora of new.

Noviklebsiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Klebsiella*, An existing genus; *Noviklebsiella*: A genus related to but distinct from the existing genus Klebsiella of new.

Noviklenkia

L. masc. adjective *novus*, new; L. fem. n. *Klenkia*, An existing genus; *Noviklenkia*: A genus related to but distinct from the existing genus Klenkia of new.

Noviklisinema

L. masc. adjective *novus*, new; L. neut. n. *Klisinema*, An existing genus; *Noviklisinema*: A genus related to but distinct from the existing genus Klisinema of new.

Noviklugiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Klugiella*, An existing genus; *Noviklugiella*: A genus related to but distinct from the existing genus Klugiella of new.

Novikluyvera

L. masc. adjective *novus*, new; L. fem. n. *Kluyvera*, An existing genus; *Novikluyvera*: A genus related to but distinct from the existing genus Kluyvera of new.

Novikocuria

L. masc. adjective *novus*, new; L. fem. n. *Kocuria*, An existing genus; *Novikocuria*: A genus related to but distinct from the existing genus Kocuria of new.

Novikofleria

L. masc. adjective *novus*, new; L. fem. n. *Kofleria*, An existing genus; *Novikofleria*: A genus related to but distinct from the existing genus Kofleria of new.

Novikoinonema

L. masc. adjective *novus*, new; L. neut. n. *Koinonema*, An existing genus; *Novikoinonema*: A genus related to but distinct from the existing genus Koinonema of new.

Novikomagatabacter

L. masc. adjective *novus*, new; L. masc. n. *Komagatabacter*, An existing genus; *Novikomagatabacter*: A genus related to but distinct from the existing genus Komagatabacter of new.

Novikomagataeibacter

L. masc. adjective *novus*, new; L. masc. n. *Komagataeibacter*, An existing genus; *Novikomagataeibacter*: A genus related to but distinct from the existing genus Komagataeibacter of new.

Novikomarekiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Komarekiella*, An existing genus; *Novikomarekiella*: A genus related to but distinct from the existing genus Komarekiella of new.

Novikomarkovaea

L. masc. adjective *novus*, new; L. fem. n. *Komarkovaea*, An existing genus; *Novikomarkovaea*: A genus related to but distinct from the existing genus Komarkovaea of new.

Novikordia

L. masc. adjective *novus*, new; L. fem. n. *Kordia*, An existing genus; *Novikordia*: A genus related to but distinct from the existing genus Kordia of new.

Novikordiimonas

L. masc. adjective *novus*, new; L. fem. n. *Kordiimonas*, An existing genus; *Novikordiimonas*: A genus related to but distinct from the existing genus Kordiimonas of new.

Novikoreibacter

L. masc. adjective *novus*, new; L. masc. n. *Koreibacter*, An existing genus; *Novikoreibacter*: A genus related to but distinct from the existing genus Koreibacter of new.

Novikosakonia

L. masc. adjective *novus*, new; L. fem. n. *Kosakonia*, An existing genus; *Novikosakonia*: A genus related to but distinct from the existing genus Kosakonia of new.

Novikoserella

L. masc. adjective *novus*, new; L. fem. dim. n. *Koserella*, An existing genus; *Novikoserella*: A genus related to but distinct from the existing genus Koserella of new.

Novikosmotoga

L. masc. adjective *novus*, new; L. fem. n. *Kosmotoga*, An existing genus; *Novikosmotoga*: A genus related to but distinct from the existing genus Kosmotoga of new.

Novikovacikia

L. masc. adjective *novus*, new; L. fem. n. *Kovacikia*, An existing genus; *Novikovacikia*: A genus related to but distinct from the existing genus Kovacikia of new.

Novikozakia

L. masc. adjective *novus*, new; L. fem. n. *Kozakia*, An existing genus; *Novikozakia*: A genus related to but distinct from the existing genus Kozakia of new.

Novikrasilnikovia

L. masc. adjective *novus*, new; L. fem. n. *Krasilnikovia*, An existing genus; *Novikrasilnikovia*: A genus related to but distinct from the existing genus Krasilnikovia of new.

Novikrasilnikoviella

L. masc. adjective *novus*, new; L. fem. dim. n. *Krasilnikoviella*, An existing genus; *Novikrasilnikoviella*: A genus related to but distinct from the existing genus Krasilnikoviella of new.

Novikribbella

L. masc. adjective *novus*, new; L. fem. dim. n. *Kribbella*, An existing genus; *Novikribbella*: A genus related to but distinct from the existing genus Kribbella of new.

Novikribbia

L. masc. adjective *novus*, new; L. fem. n. *Kribbia*, An existing genus; *Novikribbia*: A genus related to but distinct from the existing genus Kribbia of new.

Novikriegella

L. masc. adjective *novus*, new; L. fem. dim. n. *Kriegella*, An existing genus; *Novikriegella*: A genus related to but distinct from the existing genus Kriegella of new.

Novikrokinobacter

L. masc. adjective *novus*, new; L. masc. n. *Krokinobacter*, An existing genus; *Novikrokinobacter*: A genus related to but distinct from the existing genus Krokinobacter of new.

Novikroppenstedtia

L. masc. adjective *novus*, new; L. fem. n. *Kroppenstedtia*, An existing genus; *Novikroppenstedtia*: A genus related to but distinct from the existing genus Kroppenstedtia of new.

Novikryptousia

L. masc. adjective *novus*, new; L. fem. n. *Kryptousia*, An existing genus; *Novikryptousia*: A genus related to but distinct from the existing genus Kryptousia of new.

Noviktedonobacter

L. masc. adjective *novus*, new; L. masc. n. *Ktedonobacter*, An existing genus; *Noviktedonobacter*: A genus related to but distinct from the existing genus Ktedonobacter of new.

Noviktedonosporobacter

L. masc. adjective *novus*, new; L. masc. n. *Ktedonosporobacter*, An existing genus; *Noviktedonosporobacter*: A genus related to but distinct from the existing genus Ktedonosporobacter of new.

Novikurthia

L. masc. adjective *novus*, new; L. fem. n. *Kurthia*, An existing genus; *Novikurthia*: A genus related to but distinct from the existing genus Kurthia of new.

Novikushneria

L. masc. adjective *novus*, new; L. fem. n. *Kushneria*, An existing genus; *Novikushneria*: A genus related to but distinct from the existing genus Kushneria of new.

Novikutzneria

L. masc. adjective *novus*, new; L. fem. n. *Kutzneria*, An existing genus; *Novikutzneria*: A genus related to but distinct from the existing genus Kutzneria of new.

Novikyrpidia

L. masc. adjective *novus*, new; L. fem. n. *Kyrpidia*, An existing genus; *Novikyrpidia*: A genus related to but distinct from the existing genus Kyrpidia of new.

Novikyrtuthrix

L. masc. adjective *novus*, new; L. fem. n. *Kyrtuthrix*, An existing genus; *Novikyrtuthrix*: A genus related to but distinct from the existing genus Kyrtuthrix of new.

Novikytococcus

L. masc. adjective *novus*, new; L. masc. n. *Kytococcus*, An existing genus; *Novikytococcus*: A genus related to but distinct from the existing genus Kytococcus of new.

Novilabedaea

L. masc. adjective *novus*, new; L. fem. n. *Labedaea*, An existing genus; *Novilabedaea*: A genus related to but distinct from the existing genus Labedaea of new.

Novilabedella

L. masc. adjective *novus*, new; L. fem. dim. n. *Labedella*, An existing genus; *Novilabedella*: A genus related to but distinct from the existing genus Labedella of new.

Novilabilibaculum

L. masc. adjective *novus*, new; L. neut. n. *Labilibaculum*, An existing genus; *Novilabilibaculum*: A genus related to but distinct from the existing genus Labilibaculum of new.

Novilabilithrix

L. masc. adjective *novus*, new; L. fem. n. *Labilithrix*, An existing genus; *Novilabilithrix*: A genus related to but distinct from the existing genus Labilithrix of new.

Novilabrenzia

L. masc. adjective *novus*, new; L. fem. n. *Labrenzia*, An existing genus; *Novilabrenzia*: A genus related to but distinct from the existing genus Labrenzia of new.

Novilabrys

L. masc. adjective *novus*, new; L. masc. n. *Labrys*, An existing genus; *Novilabrys*: A genus related to but distinct from the existing genus Labrys of new.

Novilaceyella

L. masc. adjective *novus*, new; L. fem. dim. n. *Laceyella*, An existing genus; *Novilaceyella*: A genus related to but distinct from the existing genus Laceyella of new.

Novilachnoanaerobaculum

L. masc. adjective *novus*, new; L. neut. n. *Lachnoanaerobaculum*, An existing genus; *Novilachnoanaerobaculum*: A genus related to but distinct from the existing genus Lachnoanaerobaculum of new.

Novilachnobacterium

L. masc. adjective *novus*, new; L. neut. n. *Lachnobacterium*, An existing genus; *Novilachnobacterium*: A genus related to but distinct from the existing genus Lachnobacterium of new.

Novilachnoclostridium

L. masc. adjective *novus*, new; L. neut. n. *Lachnoclostridium*, An existing genus; *Novilachnoclostridium*: A genus related to but distinct from the existing genus Lachnoclostridium of new.

Novilachnospira

L. masc. adjective *novus*, new; L. fem. n. *Lachnospira*, An existing genus; *Novilachnospira*: A genus related to but distinct from the existing genus Lachnospira of new.

Novilachnotalea

L. masc. adjective *novus*, new; L. fem. n. *Lachnotalea*, An existing genus; *Novilachnotalea*: A genus related to but distinct from the existing genus Lachnotalea of new.

Novilacibacter

L. masc. adjective *novus*, new; L. masc. n. *Lacibacter*, An existing genus; *Novilacibacter*: A genus related to but distinct from the existing genus Lacibacter of new.

Novilacibacterium

L. masc. adjective *novus*, new; L. neut. n. *Lacibacterium*, An existing genus; *Novilacibacterium*: A genus related to but distinct from the existing genus Lacibacterium of new.

Novilacihabitans

L. masc. adjective *novus*, new; L. masc. n. *Lacihabitans*, An existing genus; *Novilacihabitans*: A genus related to but distinct from the existing genus Lacihabitans of new.

Novilacimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Lacimicrobium*, An existing genus; *Novilacimicrobium*: A genus related to but distinct from the existing genus Lacimicrobium of new.

Novilacimonas

L. masc. adjective *novus*, new; L. fem. n. *Lacimonas*, An existing genus; *Novilacimonas*: A genus related to but distinct from the existing genus Lacimonas of new.

Novilacinutrix

L. masc. adjective *novus*, new; L. fem. n. *Lacinutrix*, An existing genus; *Novilacinutrix*: A genus related to but distinct from the existing genus Lacinutrix of new.

Novilacipirellula

L. masc. adjective *novus*, new; L. fem. dim. n. *Lacipirellula*, An existing genus; *Novilacipirellula*: A genus related to but distinct from the existing genus Lacipirellula of new.

Novilacisediminihabitans

L. masc. adjective *novus*, new; L. fem. n. *Lacisediminihabitans*, An existing genus; *Novilacisediminihabitans*: A genus related to but distinct from the existing genus Lacisediminihabitans of new.

Novilacisediminimonas

L. masc. adjective *novus*, new; L. fem. n. *Lacisediminimonas*, An existing genus; *Novilacisediminimonas*: A genus related to but distinct from the existing genus Lacisediminimonas of new.

Novilacrimispora

L. masc. adjective *novus*, new; L. fem. n. *Lacrimispora*, An existing genus; *Novilacrimispora*: A genus related to but distinct from the existing genus Lacrimispora of new.

Novilacticaseibacillus

L. masc. adjective *novus*, new; L. masc. n. *Lacticaseibacillus*, An existing genus; *Novilacticaseibacillus*: A genus related to but distinct from the existing genus Lacticaseibacillus of new.

Novilacticigenium

L. masc. adjective *novus*, new; L. neut. n. *Lacticigenium*, An existing genus; *Novilacticigenium*: A genus related to but distinct from the existing genus Lacticigenium of new.

Novilactimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Lactimicrobium*, An existing genus; *Novilactimicrobium*: A genus related to but distinct from the existing genus Lactimicrobium of new.

Novilactiplantibacillus

L. masc. adjective *novus*, new; L. masc. n. *Lactiplantibacillus*, An existing genus; *Novilactiplantibacillus*: A genus related to but distinct from the existing genus Lactiplantibacillus of new.

Novilactivibrio

L. masc. adjective *novus*, new; L. masc. n. *Lactivibrio*, An existing genus; *Novilactivibrio*: A genus related to but distinct from the existing genus Lactivibrio of new.

Novilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Lactobacillus*, An existing genus; *Novilactobacillus*: A genus related to but distinct from the existing genus Lactobacillus of new.

Novilactococcus

L. masc. adjective *novus*, new; L. masc. n. *Lactococcus*, An existing genus; *Novilactococcus*: A genus related to but distinct from the existing genus Lactococcus of new.

Novilactonifactor

L. masc. adjective *novus*, new; L. masc. n. *Lactonifactor*, An existing genus; *Novilactonifactor*: A genus related to but distinct from the existing genus Lactonifactor of new.

Novilactosphaera

L. masc. adjective *novus*, new; L. fem. n. *Lactosphaera*, An existing genus; *Novilactosphaera*: A genus related to but distinct from the existing genus Lactosphaera of new.

Novilactovum

L. masc. adjective *novus*, new; L. neut. n. *Lactovum*, An existing genus; *Novilactovum*: A genus related to but distinct from the existing genus Lactovum of new.

Novilacunisphaera

L. masc. adjective *novus*, new; L. fem. n. *Lacunisphaera*, An existing genus; *Novilacunisphaera*: A genus related to but distinct from the existing genus Lacunisphaera of new.

Novilamprocystis

L. masc. adjective *novus*, new; L. fem. n. *Lamprocystis*, An existing genus; *Novilamprocystis*: A genus related to but distinct from the existing genus Lamprocystis of new.

Novilampropedia

L. masc. adjective *novus*, new; L. fem. n. *Lampropedia*, An existing genus; *Novilampropedia*: A genus related to but distinct from the existing genus Lampropedia of new.

Novilancefieldella

L. masc. adjective *novus*, new; L. fem. dim. n. *Lancefieldella*, An existing genus; *Novilancefieldella*: A genus related to but distinct from the existing genus Lancefieldella of new.

Novilapidilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Lapidilactobacillus*, An existing genus; *Novilapidilactobacillus*: A genus related to but distinct from the existing genus Lapidilactobacillus of new.

Novilapillicoccus

L. masc. adjective *novus*, new; L. masc. n. *Lapillicoccus*, An existing genus; *Novilapillicoccus*: A genus related to but distinct from the existing genus Lapillicoccus of new.

Novilaribacter

L. masc. adjective *novus*, new; L. masc. n. *Laribacter*, An existing genus; *Novilaribacter*: A genus related to but distinct from the existing genus Laribacter of new.

Novilarkinella

L. masc. adjective *novus*, new; L. fem. dim. n. *Larkinella*, An existing genus; *Novilarkinella*: A genus related to but distinct from the existing genus Larkinella of new.

Novilarsenia

L. masc. adjective *novus*, new; L. fem. n. *Larsenia*, An existing genus; *Novilarsenia*: A genus related to but distinct from the existing genus Larsenia of new.

Novilarsenimonas

L. masc. adjective *novus*, new; L. fem. n. *Larsenimonas*, An existing genus; *Novilarsenimonas*: A genus related to but distinct from the existing genus Larsenimonas of new.

Novilaspinema

L. masc. adjective *novus*, new; L. neut. n. *Laspinema*, An existing genus; *Novilaspinema*: A genus related to but distinct from the existing genus Laspinema of new.

Novilatilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Latilactobacillus*, An existing genus; *Novilatilactobacillus*: A genus related to but distinct from the existing genus Latilactobacillus of new.

Novilautropia

L. masc. adjective *novus*, new; L. fem. n. *Lautropia*, An existing genus; *Novilautropia*: A genus related to but distinct from the existing genus Lautropia of new.

Novilawsonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Lawsonella*, An existing genus; *Novilawsonella*: A genus related to but distinct from the existing genus Lawsonella of new.

Novilawsonia

L. masc. adjective *novus*, new; L. fem. n. *Lawsonia*, An existing genus; *Novilawsonia*: A genus related to but distinct from the existing genus Lawsonia of new.

Novilawsonibacter

L. masc. adjective *novus*, new; L. masc. n. *Lawsonibacter*, An existing genus; *Novilawsonibacter*: A genus related to but distinct from the existing genus Lawsonibacter of new.

Novileadbetterella

L. masc. adjective *novus*, new; L. fem. dim. n. *Leadbetterella*, An existing genus; *Novileadbetterella*: A genus related to but distinct from the existing genus Leadbetterella of new.

Novilebetimonas

L. masc. adjective *novus*, new; L. fem. n. *Lebetimonas*, An existing genus; *Novilebetimonas*: A genus related to but distinct from the existing genus Lebetimonas of new.

Novilechevalieria

L. masc. adjective *novus*, new; L. fem. n. *Lechevalieria*, An existing genus; *Novilechevalieria*: A genus related to but distinct from the existing genus Lechevalieria of new.

Novileclercia

L. masc. adjective *novus*, new; L. fem. n. *Leclercia*, An existing genus; *Novileclercia*: A genus related to but distinct from the existing genus Leclercia of new.

Novileeia

L. masc. adjective *novus*, new; L. fem. n. *Leeia*, An existing genus; *Novileeia*: A genus related to but distinct from the existing genus Leeia of new.

Novileekyejoonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Leekyejoonella*, An existing genus; *Novileekyejoonella*: A genus related to but distinct from the existing genus Leekyejoonella of new.

Novileeuwenhoekiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Leeuwenhoekiella*, An existing genus; *Novileeuwenhoekiella*: A genus related to but distinct from the existing genus Leeuwenhoekiella of new.

Novilegionella

L. masc. adjective *novus*, new; L. fem. dim. n. *Legionella*, An existing genus; *Novilegionella*: A genus related to but distinct from the existing genus Legionella of new.

Novileifsonia

L. masc. adjective *novus*, new; L. fem. n. *Leifsonia*, An existing genus; *Novileifsonia*: A genus related to but distinct from the existing genus Leifsonia of new.

Novileisingera

L. masc. adjective *novus*, new; L. fem. n. *Leisingera*, An existing genus; *Novileisingera*: A genus related to but distinct from the existing genus Leisingera of new.

Novilelliottia

L. masc. adjective *novus*, new; L. fem. n. *Lelliottia*, An existing genus; *Novilelliottia*: A genus related to but distinct from the existing genus Lelliottia of new.

Novileminorella

L. masc. adjective *novus*, new; L. fem. n. *Leminorella*, An existing genus; *Novileminorella*: A genus related to but distinct from the existing genus Leminorella of new.

Novilemmermanniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Lemmermanniella*, An existing genus; *Novilemmermanniella*: A genus related to but distinct from the existing genus Lemmermanniella of new.

Novilentibacillus

L. masc. adjective *novus*, new; L. masc. n. *Lentibacillus*, An existing genus; *Novilentibacillus*: A genus related to but distinct from the existing genus Lentibacillus of new.

Novilentibacter

L. masc. adjective *novus*, new; L. masc. n. *Lentibacter*, An existing genus; *Novilentibacter*: A genus related to but distinct from the existing genus Lentibacter of new.

Novilentilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Lentilactobacillus*, An existing genus; *Novilentilactobacillus*: A genus related to but distinct from the existing genus Lentilactobacillus of new.

Novilentilitoribacter

L. masc. adjective *novus*, new; L. masc. n. *Lentilitoribacter*, An existing genus; *Novilentilitoribacter*: A genus related to but distinct from the existing genus Lentilitoribacter of new.

Novilentimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Lentimicrobium*, An existing genus; *Novilentimicrobium*: A genus related to but distinct from the existing genus Lentimicrobium of new.

Novilentisphaera

L. masc. adjective *novus*, new; L. fem. n. *Lentisphaera*, An existing genus; *Novilentisphaera*: A genus related to but distinct from the existing genus Lentisphaera of new.

Novilentzea

L. masc. adjective *novus*, new; L. fem. n. *Lentzea*, An existing genus; *Novilentzea*: A genus related to but distinct from the existing genus Lentzea of new.

Novileptobacterium

L. masc. adjective *novus*, new; L. neut. n. *Leptobacterium*, An existing genus; *Novileptobacterium*: A genus related to but distinct from the existing genus Leptobacterium of new.

Novileptolinea

L. masc. adjective *novus*, new; L. fem. n. *Leptolinea*, An existing genus; *Novileptolinea*: A genus related to but distinct from the existing genus Leptolinea of new.

Novileptonema

L. masc. adjective *novus*, new; L. neut. n. *Leptonema*, An existing genus; *Novileptonema*: A genus related to but distinct from the existing genus Leptonema of new.

Novileptospira

L. masc. adjective *novus*, new; L. fem. n. *Leptospira*, An existing genus; *Novileptospira*: A genus related to but distinct from the existing genus Leptospira of new.

Novileptospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Leptospirillum*, An existing genus; *Novileptospirillum*: A genus related to but distinct from the existing genus Leptospirillum of new.

Novileptothoe

L. masc. adjective *novus*, new; L. fem. n. *Leptothoe*, An existing genus; *Novileptothoe*: A genus related to but distinct from the existing genus Leptothoe of new.

Novileptothrix

L. masc. adjective *novus*, new; L. fem. n. *Leptothrix*, An existing genus; *Novileptothrix*: A genus related to but distinct from the existing genus Leptothrix of new.

Novileptotrichia

L. masc. adjective *novus*, new; L. fem. n. *Leptotrichia*, An existing genus; *Novileptotrichia*: A genus related to but distinct from the existing genus Leptotrichia of new.

Novileucobacter

L. masc. adjective *novus*, new; L. masc. n. *Leucobacter*, An existing genus; *Novileucobacter*: A genus related to but distinct from the existing genus Leucobacter of new.

Novileuconostoc

L. masc. adjective *novus*, new; L. neut. n. *Leuconostoc*, An existing genus; *Novileuconostoc*: A genus related to but distinct from the existing genus Leuconostoc of new.

Novileucothrix

L. masc. adjective *novus*, new; L. fem. n. *Leucothrix*, An existing genus; *Novileucothrix*: A genus related to but distinct from the existing genus Leucothrix of new.

Novilevilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Levilactobacillus*, An existing genus; *Novilevilactobacillus*: A genus related to but distinct from the existing genus Levilactobacillus of new.

Novilevilinea

L. masc. adjective *novus*, new; L. fem. n. *Levilinea*, An existing genus; *Novilevilinea*: A genus related to but distinct from the existing genus Levilinea of new.

Novilevinea

L. masc. adjective *novus*, new; L. fem. n. *Levinea*, An existing genus; *Novilevinea*: A genus related to but distinct from the existing genus Levinea of new.

Novilevispirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Levispirillum*, An existing genus; *Novilevispirillum*: A genus related to but distinct from the existing genus Levispirillum of new.

Novilewinella

L. masc. adjective *novus*, new; L. fem. dim. n. *Lewinella*, An existing genus; *Novilewinella*: A genus related to but distinct from the existing genus Lewinella of new.

Novilibanicoccus

L. masc. adjective *novus*, new; L. masc. n. *Libanicoccus*, An existing genus; *Novilibanicoccus*: A genus related to but distinct from the existing genus Libanicoccus of new.

Noviliberibacter

L. masc. adjective *novus*, new; L. masc. n. *Liberibacter*, An existing genus; *Noviliberibacter*: A genus related to but distinct from the existing genus Liberibacter of new.

Novilichenibacterium

L. masc. adjective *novus*, new; L. neut. n. *Lichenibacterium*, An existing genus; *Novilichenibacterium*: A genus related to but distinct from the existing genus Lichenibacterium of new.

Novilichenicoccus

L. masc. adjective *novus*, new; L. masc. n. *Lichenicoccus*, An existing genus; *Novilichenicoccus*: A genus related to but distinct from the existing genus Lichenicoccus of new.

Novilichenihabitans

L. masc. adjective *novus*, new; L. masc. n. *Lichenihabitans*, An existing genus; *Novilichenihabitans*: A genus related to but distinct from the existing genus Lichenihabitans of new.

Novilightfootiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Lightfootiella*, An existing genus; *Novilightfootiella*: A genus related to but distinct from the existing genus Lightfootiella of new.

Noviligilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Ligilactobacillus*, An existing genus; *Noviligilactobacillus*: A genus related to but distinct from the existing genus Ligilactobacillus of new.

Novilignipirellula

L. masc. adjective *novus*, new; L. fem. dim. n. *Lignipirellula*, An existing genus; *Novilignipirellula*: A genus related to but distinct from the existing genus Lignipirellula of new.

Novilihuaxuella

L. masc. adjective *novus*, new; L. fem. dim. n. *Lihuaxuella*, An existing genus; *Novilihuaxuella*: A genus related to but distinct from the existing genus Lihuaxuella of new.

Novilimibacillus

L. masc. adjective *novus*, new; L. masc. n. *Limibacillus*, An existing genus; *Novilimibacillus*: A genus related to but distinct from the existing genus Limibacillus of new.

Novilimibacter

L. masc. adjective *novus*, new; L. masc. n. *Limibacter*, An existing genus; *Novilimibacter*: A genus related to but distinct from the existing genus Limibacter of new.

Novilimibaculum

L. masc. adjective *novus*, new; L. neut. n. *Limibaculum*, An existing genus; *Novilimibaculum*: A genus related to but distinct from the existing genus Limibaculum of new.

Novilimihaloglobus

L. masc. adjective *novus*, new; L. masc. n. *Limihaloglobus*, An existing genus; *Novilimihaloglobus*: A genus related to but distinct from the existing genus Limihaloglobus of new.

Novilimimaricola

L. masc. adjective *novus*, new; L. masc. n. *Limimaricola*, An existing genus; *Novilimimaricola*: A genus related to but distinct from the existing genus Limimaricola of new.

Novilimimonas

L. masc. adjective *novus*, new; L. fem. n. *Limimonas*, An existing genus; *Novilimimonas*: A genus related to but distinct from the existing genus Limimonas of new.

Novilimisphaera

L. masc. adjective *novus*, new; L. fem. n. *Limisphaera*, An existing genus; *Novilimisphaera*: A genus related to but distinct from the existing genus Limisphaera of new.

Novilimnobacter

L. masc. adjective *novus*, new; L. masc. n. *Limnobacter*, An existing genus; *Novilimnobacter*: A genus related to but distinct from the existing genus Limnobacter of new.

Novilimnobaculum

L. masc. adjective *novus*, new; L. neut. n. *Limnobaculum*, An existing genus; *Novilimnobaculum*: A genus related to but distinct from the existing genus Limnobaculum of new.

Novilimnochorda

L. masc. adjective *novus*, new; L. fem. n. *Limnochorda*, An existing genus; *Novilimnochorda*: A genus related to but distinct from the existing genus Limnochorda of new.

Novilimnoglobus

L. masc. adjective *novus*, new; L. masc. n. *Limnoglobus*, An existing genus; *Novilimnoglobus*: A genus related to but distinct from the existing genus Limnoglobus of new.

Novilimnohabitans

L. masc. adjective *novus*, new; L. masc. n. *Limnohabitans*, An existing genus; *Novilimnohabitans*: A genus related to but distinct from the existing genus Limnohabitans of new.

Novilimnolyngbya

L. masc. adjective *novus*, new; L. fem. n. *Limnolyngbya*, An existing genus; *Novilimnolyngbya*: A genus related to but distinct from the existing genus Limnolyngbya of new.

Novilimnospira

L. masc. adjective *novus*, new; L. fem. n. *Limnospira*, An existing genus; *Novilimnospira*: A genus related to but distinct from the existing genus Limnospira of new.

Novilimoniibacter

L. masc. adjective *novus*, new; L. masc. n. *Limoniibacter*, An existing genus; *Novilimoniibacter*: A genus related to but distinct from the existing genus Limoniibacter of new.

Novilimosilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Limosilactobacillus*, An existing genus; *Novilimosilactobacillus*: A genus related to but distinct from the existing genus Limosilactobacillus of new.

Novilipingzhangella

L. masc. adjective *novus*, new; L. fem. dim. n. *Lipingzhangella*, An existing genus; *Novilipingzhangella*: A genus related to but distinct from the existing genus Lipingzhangella of new.

Noviliquorilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Liquorilactobacillus*, An existing genus; *Noviliquorilactobacillus*: A genus related to but distinct from the existing genus Liquorilactobacillus of new.

Novilishizhenia

L. masc. adjective *novus*, new; L. fem. n. *Lishizhenia*, An existing genus; *Novilishizhenia*: A genus related to but distinct from the existing genus Lishizhenia of new.

Novilisteria

L. masc. adjective *novus*, new; L. fem. n. *Listeria*, An existing genus; *Novilisteria*: A genus related to but distinct from the existing genus Listeria of new.

Novilistonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Listonella*, An existing genus; *Novilistonella*: A genus related to but distinct from the existing genus Listonella of new.

Novilitoreibacter

L. masc. adjective *novus*, new; L. masc. n. *Litoreibacter*, An existing genus; *Novilitoreibacter*: A genus related to but distinct from the existing genus Litoreibacter of new.

Novilitoribacillus

L. masc. adjective *novus*, new; L. masc. n. *Litoribacillus*, An existing genus; *Novilitoribacillus*: A genus related to but distinct from the existing genus Litoribacillus of new.

Novilitoribacter

L. masc. adjective *novus*, new; L. masc. n. *Litoribacter*, An existing genus; *Novilitoribacter*: A genus related to but distinct from the existing genus Litoribacter of new.

Novilitoribaculum

L. masc. adjective *novus*, new; L. neut. n. *Litoribaculum*, An existing genus; *Novilitoribaculum*: A genus related to but distinct from the existing genus Litoribaculum of new.

Novilitoribrevibacter

L. masc. adjective *novus*, new; L. masc. n. *Litoribrevibacter*, An existing genus; *Novilitoribrevibacter*: A genus related to but distinct from the existing genus Litoribrevibacter of new.

Novilitoricola

L. masc. adjective *novus*, new; L. fem. n. *Litoricola*, An existing genus; *Novilitoricola*: A genus related to but distinct from the existing genus Litoricola of new.

Novilitorihabitans

L. masc. adjective *novus*, new; L. masc. n. *Litorihabitans*, An existing genus; *Novilitorihabitans*: A genus related to but distinct from the existing genus Litorihabitans of new.

Novilitorilinea

L. masc. adjective *novus*, new; L. fem. n. *Litorilinea*, An existing genus; *Novilitorilinea*: A genus related to but distinct from the existing genus Litorilinea of new.

Novilitorilituus

L. masc. adjective *novus*, new; L. masc. n. *Litorilituus*, An existing genus; *Novilitorilituus*: A genus related to but distinct from the existing genus Litorilituus of new.

Novilitorimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Litorimicrobium*, An existing genus; *Novilitorimicrobium*: A genus related to but distinct from the existing genus Litorimicrobium of new.

Novilitorimonas

L. masc. adjective *novus*, new; L. fem. n. *Litorimonas*, An existing genus; *Novilitorimonas*: A genus related to but distinct from the existing genus Litorimonas of new.

Novilitorisediminicola

L. masc. adjective *novus*, new; L. masc. n. *Litorisediminicola*, An existing genus; *Novilitorisediminicola*: A genus related to but distinct from the existing genus Litorisediminicola of new.

Novilitorisediminivivens

L. masc. adjective *novus*, new; L. masc. n. *Litorisediminivivens*, An existing genus; *Novilitorisediminivivens*: A genus related to but distinct from the existing genus Litorisediminivivens of new.

Novilitorivita

L. masc. adjective *novus*, new; L. fem. n. *Litorivita*, An existing genus; *Novilitorivita*: A genus related to but distinct from the existing genus Litorivita of new.

Novilitorivivens

L. masc. adjective *novus*, new; L. fem. n. *Litorivivens*, An existing genus; *Novilitorivivens*: A genus related to but distinct from the existing genus Litorivivens of new.

Noviloigolactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Loigolactobacillus*, An existing genus; *Noviloigolactobacillus*: A genus related to but distinct from the existing genus Loigolactobacillus of new.

Novilokiarchaeum

L. masc. adjective *novus*, new; L. neut. n. *Lokiarchaeum*, An existing genus; *Novilokiarchaeum*: A genus related to but distinct from the existing genus Lokiarchaeum of new.

Noviloktanella

L. masc. adjective *novus*, new; L. fem. dim. n. *Loktanella*, An existing genus; *Noviloktanella*: A genus related to but distinct from the existing genus Loktanella of new.

Novilonepinella

L. masc. adjective *novus*, new; L. fem. dim. n. *Lonepinella*, An existing genus; *Novilonepinella*: A genus related to but distinct from the existing genus Lonepinella of new.

Novilongibaculum

L. masc. adjective *novus*, new; L. neut. n. *Longibaculum*, An existing genus; *Novilongibaculum*: A genus related to but distinct from the existing genus Longibaculum of new.

Novilongicatena

L. masc. adjective *novus*, new; L. fem. n. *Longicatena*, An existing genus; *Novilongicatena*: A genus related to but distinct from the existing genus Longicatena of new.

Novilongilinea

L. masc. adjective *novus*, new; L. fem. n. *Longilinea*, An existing genus; *Novilongilinea*: A genus related to but distinct from the existing genus Longilinea of new.

Novilongimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Longimicrobium*, An existing genus; *Novilongimicrobium*: A genus related to but distinct from the existing genus Longimicrobium of new.

Novilongimycelium

L. masc. adjective *novus*, new; L. neut. n. *Longimycelium*, An existing genus; *Novilongimycelium*: A genus related to but distinct from the existing genus Longimycelium of new.

Novilongirhabdus

L. masc. adjective *novus*, new; L. fem. n. *Longirhabdus*, An existing genus; *Novilongirhabdus*: A genus related to but distinct from the existing genus Longirhabdus of new.

Novilongispora

L. masc. adjective *novus*, new; L. fem. n. *Longispora*, An existing genus; *Novilongispora*: A genus related to but distinct from the existing genus Longispora of new.

Novilongivirga

L. masc. adjective *novus*, new; L. fem. n. *Longivirga*, An existing genus; *Novilongivirga*: A genus related to but distinct from the existing genus Longivirga of new.

Novilonsdalea

L. masc. adjective *novus*, new; L. fem. n. *Lonsdalea*, An existing genus; *Novilonsdalea*: A genus related to but distinct from the existing genus Lonsdalea of new.

Noviloriella

L. masc. adjective *novus*, new; L. fem. dim. n. *Loriella*, An existing genus; *Noviloriella*: A genus related to but distinct from the existing genus Loriella of new.

Noviloriellopsis

L. masc. adjective *novus*, new; L. fem. n. *Loriellopsis*, An existing genus; *Noviloriellopsis*: A genus related to but distinct from the existing genus Loriellopsis of new.

Novilottiidibacillus

L. masc. adjective *novus*, new; L. masc. n. *Lottiidibacillus*, An existing genus; *Novilottiidibacillus*: A genus related to but distinct from the existing genus Lottiidibacillus of new.

Novilucibacterium

L. masc. adjective *novus*, new; L. neut. n. *Lucibacterium*, An existing genus; *Novilucibacterium*: A genus related to but distinct from the existing genus Lucibacterium of new.

Noviluedemannella

L. masc. adjective *novus*, new; L. fem. dim. n. *Luedemannella*, An existing genus; *Noviluedemannella*: A genus related to but distinct from the existing genus Luedemannella of new.

Noviluethyella

L. masc. adjective *novus*, new; L. fem. dim. n. *Luethyella*, An existing genus; *Noviluethyella*: A genus related to but distinct from the existing genus Luethyella of new.

Novilujinxingia

L. masc. adjective *novus*, new; L. fem. n. *Lujinxingia*, An existing genus; *Novilujinxingia*: A genus related to but distinct from the existing genus Lujinxingia of new.

Noviluminiphilus

L. masc. adjective *novus*, new; L. masc. n. *Luminiphilus*, An existing genus; *Noviluminiphilus*: A genus related to but distinct from the existing genus Luminiphilus of new.

Novilunatimonas

L. masc. adjective *novus*, new; L. fem. n. *Lunatimonas*, An existing genus; *Novilunatimonas*: A genus related to but distinct from the existing genus Lunatimonas of new.

Novilusitaniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Lusitaniella*, An existing genus; *Novilusitaniella*: A genus related to but distinct from the existing genus Lusitaniella of new.

Novilutaonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Lutaonella*, An existing genus; *Novilutaonella*: A genus related to but distinct from the existing genus Lutaonella of new.

Noviluteibacter

L. masc. adjective *novus*, new; L. masc. n. *Luteibacter*, An existing genus; *Noviluteibacter*: A genus related to but distinct from the existing genus Luteibacter of new.

Noviluteibaculum

L. masc. adjective *novus*, new; L. neut. n. *Luteibaculum*, An existing genus; *Noviluteibaculum*: A genus related to but distinct from the existing genus Luteibaculum of new.

Noviluteimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Luteimicrobium*, An existing genus; *Noviluteimicrobium*: A genus related to but distinct from the existing genus Luteimicrobium of new.

Noviluteimonas

L. masc. adjective *novus*, new; L. fem. n. *Luteimonas*, An existing genus; *Noviluteimonas*: A genus related to but distinct from the existing genus Luteimonas of new.

Noviluteipulveratus

L. masc. adjective *novus*, new; L. masc. n. *Luteipulveratus*, An existing genus; *Noviluteipulveratus*: A genus related to but distinct from the existing genus Luteipulveratus of new.

Noviluteitalea

L. masc. adjective *novus*, new; L. fem. n. *Luteitalea*, An existing genus; *Noviluteitalea*: A genus related to but distinct from the existing genus Luteitalea of new.

Noviluteithermobacter

L. masc. adjective *novus*, new; L. masc. n. *Luteithermobacter*, An existing genus; *Noviluteithermobacter*: A genus related to but distinct from the existing genus Luteithermobacter of new.

Noviluteivirga

L. masc. adjective *novus*, new; L. fem. n. *Luteivirga*, An existing genus; *Noviluteivirga*: A genus related to but distinct from the existing genus Luteivirga of new.

Noviluteococcus

L. masc. adjective *novus*, new; L. masc. n. *Luteococcus*, An existing genus; *Noviluteococcus*: A genus related to but distinct from the existing genus Luteococcus of new.

Noviluteolibacter

L. masc. adjective *novus*, new; L. masc. n. *Luteolibacter*, An existing genus; *Noviluteolibacter*: A genus related to but distinct from the existing genus Luteolibacter of new.

Noviluteovulum

L. masc. adjective *novus*, new; L. neut. n. *Luteovulum*, An existing genus; *Noviluteovulum*: A genus related to but distinct from the existing genus Luteovulum of new.

Novilutibacterium

L. masc. adjective *novus*, new; L. neut. n. *Lutibacterium*, An existing genus; *Novilutibacterium*: A genus related to but distinct from the existing genus Lutibacterium of new.

Novilutimaribacter

L. masc. adjective *novus*, new; L. masc. n. *Lutimaribacter*, An existing genus; *Novilutimaribacter*: A genus related to but distinct from the existing genus Lutimaribacter of new.

Novilutimonas

L. masc. adjective *novus*, new; L. fem. n. *Lutimonas*, An existing genus; *Novilutimonas*: A genus related to but distinct from the existing genus Lutimonas of new.

Novilutispora

L. masc. adjective *novus*, new; L. fem. n. *Lutispora*, An existing genus; *Novilutispora*: A genus related to but distinct from the existing genus Lutispora of new.

Novilysinibacillus

L. masc. adjective *novus*, new; L. masc. n. *Lysinibacillus*, An existing genus; *Novilysinibacillus*: A genus related to but distinct from the existing genus Lysinibacillus of new.

Novilysinibacter

L. masc. adjective *novus*, new; L. masc. n. *Lysinibacter*, An existing genus; *Novilysinibacter*: A genus related to but distinct from the existing genus Lysinibacter of new.

Novilysinimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Lysinimicrobium*, An existing genus; *Novilysinimicrobium*: A genus related to but distinct from the existing genus Lysinimicrobium of new.

Novilysinimonas

L. masc. adjective *novus*, new; L. fem. n. *Lysinimonas*, An existing genus; *Novilysinimonas*: A genus related to but distinct from the existing genus Lysinimonas of new.

Novilysobacter

L. masc. adjective *novus*, new; L. masc. n. *Lysobacter*, An existing genus; *Novilysobacter*: A genus related to but distinct from the existing genus Lysobacter of new.

Novilyticum

L. masc. adjective *novus*, new; L. neut. n. *Lyticum*, An existing genus; *Novilyticum*: A genus related to but distinct from the existing genus Lyticum of new.

Novimabikibacter

L. masc. adjective *novus*, new; L. masc. n. *Mabikibacter*, An existing genus; *Novimabikibacter*: A genus related to but distinct from the existing genus Mabikibacter of new.

Novimacellibacteroides

L. masc. adjective *novus*, new; L. masc. n. *Macellibacteroides*, An existing genus; *Novimacellibacteroides*: A genus related to but distinct from the existing genus Macellibacteroides of new.

Novimacrochaete

L. masc. adjective *novus*, new; L. fem. n. *Macrochaete*, An existing genus; *Novimacrochaete*: A genus related to but distinct from the existing genus Macrochaete of new.

Novimacrococcus

L. masc. adjective *novus*, new; L. masc. n. *Macrococcus*, An existing genus; *Novimacrococcus*: A genus related to but distinct from the existing genus Macrococcus of new.

Novimageeibacillus

L. masc. adjective *novus*, new; L. masc. n. *Mageeibacillus*, An existing genus; *Novimageeibacillus*: A genus related to but distinct from the existing genus Mageeibacillus of new.

Novimagnetococcus

L. masc. adjective *novus*, new; L. masc. n. *Magnetococcus*, An existing genus; *Novimagnetococcus*: A genus related to but distinct from the existing genus Magnetococcus of new.

Novimagnetospira

L. masc. adjective *novus*, new; L. fem. n. *Magnetospira*, An existing genus; *Novimagnetospira*: A genus related to but distinct from the existing genus Magnetospira of new.

Novimagnetospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Magnetospirillum*, An existing genus; *Novimagnetospirillum*: A genus related to but distinct from the existing genus Magnetospirillum of new.

Novimagnetovibrio

L. masc. adjective *novus*, new; L. masc. n. *Magnetovibrio*, An existing genus; *Novimagnetovibrio*: A genus related to but distinct from the existing genus Magnetovibrio of new.

Novimahella

L. masc. adjective *novus*, new; L. fem. dim. n. *Mahella*, An existing genus; *Novimahella*: A genus related to but distinct from the existing genus Mahella of new.

Novimalacoplasma

L. masc. adjective *novus*, new; L. neut. n. *Malacoplasma*, An existing genus; *Novimalacoplasma*: A genus related to but distinct from the existing genus Malacoplasma of new.

Novimaledivibacter

L. masc. adjective *novus*, new; L. masc. n. *Maledivibacter*, An existing genus; *Novimaledivibacter*: A genus related to but distinct from the existing genus Maledivibacter of new.

Novimalikia

L. masc. adjective *novus*, new; L. fem. n. *Malikia*, An existing genus; *Novimalikia*: A genus related to but distinct from the existing genus Malikia of new.

Novimaliponia

L. masc. adjective *novus*, new; L. fem. n. *Maliponia*, An existing genus; *Novimaliponia*: A genus related to but distinct from the existing genus Maliponia of new.

Novimameliella

L. masc. adjective *novus*, new; L. fem. dim. n. *Mameliella*, An existing genus; *Novimameliella*: A genus related to but distinct from the existing genus Mameliella of new.

Novimangrovibacter

L. masc. adjective *novus*, new; L. masc. n. *Mangrovibacter*, An existing genus; *Novimangrovibacter*: A genus related to but distinct from the existing genus Mangrovibacter of new.

Novimangrovibacterium

L. masc. adjective *novus*, new; L. neut. n. *Mangrovibacterium*, An existing genus; *Novimangrovibacterium*: A genus related to but distinct from the existing genus Mangrovibacterium of new.

Novimangrovicella

L. masc. adjective *novus*, new; L. fem. n. *Mangrovicella*, An existing genus; *Novimangrovicella*: A genus related to but distinct from the existing genus Mangrovicella of new.

Novimangrovicoccus

L. masc. adjective *novus*, new; L. masc. n. *Mangrovicoccus*, An existing genus; *Novimangrovicoccus*: A genus related to but distinct from the existing genus Mangrovicoccus of new.

Novimangroviflexus

L. masc. adjective *novus*, new; L. masc. n. *Mangroviflexus*, An existing genus; *Novimangroviflexus*: A genus related to but distinct from the existing genus Mangroviflexus of new.

Novimangrovihabitans

L. masc. adjective *novus*, new; L. masc. n. *Mangrovihabitans*, An existing genus; *Novimangrovihabitans*: A genus related to but distinct from the existing genus Mangrovihabitans of new.

Novimangrovimonas

L. masc. adjective *novus*, new; L. fem. n. *Mangrovimonas*, An existing genus; *Novimangrovimonas*: A genus related to but distinct from the existing genus Mangrovimonas of new.

Novimangrovitalea

L. masc. adjective *novus*, new; L. fem. n. *Mangrovitalea*, An existing genus; *Novimangrovitalea*: A genus related to but distinct from the existing genus Mangrovitalea of new.

Novimannheimia

L. masc. adjective *novus*, new; L. fem. n. *Mannheimia*, An existing genus; *Novimannheimia*: A genus related to but distinct from the existing genus Mannheimia of new.

Novimarasmitruncus

L. masc. adjective *novus*, new; L. masc. n. *Marasmitruncus*, An existing genus; *Novimarasmitruncus*: A genus related to but distinct from the existing genus Marasmitruncus of new.

Novimaribacillus

L. masc. adjective *novus*, new; L. masc. n. *Maribacillus*, An existing genus; *Novimaribacillus*: A genus related to but distinct from the existing genus Maribacillus of new.

Novimaribacter

L. masc. adjective *novus*, new; L. masc. n. *Maribacter*, An existing genus; *Novimaribacter*: A genus related to but distinct from the existing genus Maribacter of new.

Novimaribaculum

L. masc. adjective *novus*, new; L. neut. n. *Maribaculum*, An existing genus; *Novimaribaculum*: A genus related to but distinct from the existing genus Maribaculum of new.

Novimaribellus

L. masc. adjective *novus*, new; L. masc. n. *Maribellus*, An existing genus; *Novimaribellus*: A genus related to but distinct from the existing genus Maribellus of new.

Novimaribius

L. masc. adjective *novus*, new; L. masc. n. *Maribius*, An existing genus; *Novimaribius*: A genus related to but distinct from the existing genus Maribius of new.

Novimaricaulis

L. masc. adjective *novus*, new; L. masc. n. *Maricaulis*, An existing genus; *Novimaricaulis*: A genus related to but distinct from the existing genus Maricaulis of new.

Novimarichromatium

L. masc. adjective *novus*, new; L. neut. n. *Marichromatium*, An existing genus; *Novimarichromatium*: A genus related to but distinct from the existing genus Marichromatium of new.

Novimaricurvus

L. masc. adjective *novus*, new; L. masc. n. *Maricurvus*, An existing genus; *Novimaricurvus*: A genus related to but distinct from the existing genus Maricurvus of new.

Novimarihabitans

L. masc. adjective *novus*, new; L. neut. n. *Marihabitans*, An existing genus; *Novimarihabitans*: A genus related to but distinct from the existing genus Marihabitans of new.

Novimarileptolyngbya

L. masc. adjective *novus*, new; L. fem. n. *Marileptolyngbya*, An existing genus; *Novimarileptolyngbya*: A genus related to but distinct from the existing genus Marileptolyngbya of new.

Novimarimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Marimicrobium*, An existing genus; *Novimarimicrobium*: A genus related to but distinct from the existing genus Marimicrobium of new.

Novimarimonas

L. masc. adjective *novus*, new; L. fem. n. *Marimonas*, An existing genus; *Novimarimonas*: A genus related to but distinct from the existing genus Marimonas of new.

Novimarinactinospora

L. masc. adjective *novus*, new; L. fem. n. *Marinactinospora*, An existing genus; *Novimarinactinospora*: A genus related to but distinct from the existing genus Marinactinospora of new.

Novimarinagarivorans

L. masc. adjective *novus*, new; L. masc. n. *Marinagarivorans*, An existing genus; *Novimarinagarivorans*: A genus related to but distinct from the existing genus Marinagarivorans of new.

Novimarinibacillus

L. masc. adjective *novus*, new; L. masc. n. *Marinibacillus*, An existing genus; *Novimarinibacillus*: A genus related to but distinct from the existing genus Marinibacillus of new.

Novimarinibacterium

L. masc. adjective *novus*, new; L. neut. n. *Marinibacterium*, An existing genus; *Novimarinibacterium*: A genus related to but distinct from the existing genus Marinibacterium of new.

Novimarinibactrum

L. masc. adjective *novus*, new; L. neut. n. *Marinibactrum*, An existing genus; *Novimarinibactrum*: A genus related to but distinct from the existing genus Marinibactrum of new.

Novimarinibaculum

L. masc. adjective *novus*, new; L. neut. n. *Marinibaculum*, An existing genus; *Novimarinibaculum*: A genus related to but distinct from the existing genus Marinibaculum of new.

Novimariniblastus

L. masc. adjective *novus*, new; L. masc. n. *Mariniblastus*, An existing genus; *Novimariniblastus*: A genus related to but distinct from the existing genus Mariniblastus of new.

Novimarinicauda

L. masc. adjective *novus*, new; L. fem. n. *Marinicauda*, An existing genus; *Novimarinicauda*: A genus related to but distinct from the existing genus Marinicauda of new.

Novimarinicaulis

L. masc. adjective *novus*, new; L. masc. n. *Marinicaulis*, An existing genus; *Novimarinicaulis*: A genus related to but distinct from the existing genus Marinicaulis of new.

Novimarinicella

L. masc. adjective *novus*, new; L. fem. n. *Marinicella*, An existing genus; *Novimarinicella*: A genus related to but distinct from the existing genus Marinicella of new.

Novimarinicola

L. masc. adjective *novus*, new; L. masc. n. *Marinicola*, An existing genus; *Novimarinicola*: A genus related to but distinct from the existing genus Marinicola of new.

Novimarinicrinis

L. masc. adjective *novus*, new; L. masc. n. *Marinicrinis*, An existing genus; *Novimarinicrinis*: A genus related to but distinct from the existing genus Marinicrinis of new.

Novimarinifilum

L. masc. adjective *novus*, new; L. neut. n. *Marinifilum*, An existing genus; *Novimarinifilum*: A genus related to but distinct from the existing genus Marinifilum of new.

Novimariniflexile

L. masc. adjective *novus*, new; L. neut. n. *Mariniflexile*, An existing genus; *Novimariniflexile*: A genus related to but distinct from the existing genus Mariniflexile of new.

Novimarinilabilia

L. masc. adjective *novus*, new; L. fem. n. *Marinilabilia*, An existing genus; *Novimarinilabilia*: A genus related to but distinct from the existing genus Marinilabilia of new.

Novimarinilactibacillus

L. masc. adjective *novus*, new; L. masc. n. *Marinilactibacillus*, An existing genus; *Novimarinilactibacillus*: A genus related to but distinct from the existing genus Marinilactibacillus of new.

Novimariniluteicoccus

L. masc. adjective *novus*, new; L. masc. n. *Mariniluteicoccus*, An existing genus; *Novimariniluteicoccus*: A genus related to but distinct from the existing genus Mariniluteicoccus of new.

Novimarinimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Marinimicrobium*, An existing genus; *Novimarinimicrobium*: A genus related to but distinct from the existing genus Marinimicrobium of new.

Novimarininema

L. masc. adjective *novus*, new; L. neut. n. *Marininema*, An existing genus; *Novimarininema*: A genus related to but distinct from the existing genus Marininema of new.

Novimariniphaga

L. masc. adjective *novus*, new; L. fem. n. *Mariniphaga*, An existing genus; *Novimariniphaga*: A genus related to but distinct from the existing genus Mariniphaga of new.

Novimariniradius

L. masc. adjective *novus*, new; L. masc. n. *Mariniradius*, An existing genus; *Novimariniradius*: A genus related to but distinct from the existing genus Mariniradius of new.

Novimarinirhabdus

L. masc. adjective *novus*, new; L. fem. n. *Marinirhabdus*, An existing genus; *Novimarinirhabdus*: A genus related to but distinct from the existing genus Marinirhabdus of new.

Novimarinisporobacter

L. masc. adjective *novus*, new; L. masc. n. *Marinisporobacter*, An existing genus; *Novimarinisporobacter*: A genus related to but distinct from the existing genus Marinisporobacter of new.

Novimarinitalea

L. masc. adjective *novus*, new; L. fem. n. *Marinitalea*, An existing genus; *Novimarinitalea*: A genus related to but distinct from the existing genus Marinitalea of new.

Novimariniteneri spora

L. masc. adjective *novus*, new; L. fem. n. *Marinitenerispora*, An existing genus; *Novimarinitenerispora*: A genus related to but distinct from the existing genus Marinitenerispora of new.

Novimarinithermofilum

L. masc. adjective *novus*, new; L. neut. n. *Marinithermofilum*, An existing genus; *Novimarinithermofilum*: A genus related to but distinct from the existing genus Marinithermofilum of new.

Novimarinithermus

L. masc. adjective *novus*, new; L. masc. n. *Marinithermus*, An existing genus; *Novimarinithermus*: A genus related to but distinct from the existing genus Marinithermus of new.

Novimarinitoga

L. masc. adjective *novus*, new; L. fem. n. *Marinitoga*, An existing genus; *Novimarinitoga*: A genus related to but distinct from the existing genus Marinitoga of new.

Novimarinivirga

L. masc. adjective *novus*, new; L. fem. n. *Marinivirga*, An existing genus; *Novimarinivirga*: A genus related to but distinct from the existing genus Marinivirga of new.

Novimarinobacter

L. masc. adjective *novus*, new; L. masc. n. *Marinobacter*, An existing genus; *Novimarinobacter*: A genus related to but distinct from the existing genus Marinobacter of new.

Novimarinobacterium

L. masc. adjective *novus*, new; L. neut. n. *Marinobacterium*, An existing genus; *Novimarinobacterium*: A genus related to but distinct from the existing genus Marinobacterium of new.

Novimarinococcus

L. masc. adjective *novus*, new; L. masc. n. *Marinococcus*, An existing genus; *Novimarinococcus*: A genus related to but distinct from the existing genus Marinococcus of new.

Novimarinomonas

L. masc. adjective *novus*, new; L. fem. n. *Marinomonas*, An existing genus; *Novimarinomonas*: A genus related to but distinct from the existing genus Marinomonas of new.

Novimarinoscillum

L. masc. adjective *novus*, new; L. neut. n. *Marinoscillum*, An existing genus; *Novimarinoscillum*: A genus related to but distinct from the existing genus Marinoscillum of new.

Novimarinospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Marinospirillum*, An existing genus; *Novimarinospirillum*: A genus related to but distinct from the existing genus Marinospirillum of new.

Novimarinosulfonomonas

L. masc. adjective *novus*, new; L. fem. n. *Marinosulfonomonas*, An existing genus; *Novimarinosulfonomonas*: A genus related to but distinct from the existing genus Marinosulfonomonas of new.

Novimarinovum

L. masc. adjective *novus*, new; L. neut. n. *Marinovum*, An existing genus; *Novimarinovum*: A genus related to but distinct from the existing genus Marinovum of new.

Novimariprofundus

L. masc. adjective *novus*, new; L. masc. n. *Mariprofundus*, An existing genus; *Novimariprofundus*: A genus related to but distinct from the existing genus Mariprofundus of new.

Novimaripseudobacter

L. masc. adjective *novus*, new; L. masc. n. *Maripseudobacter*, An existing genus; *Novimaripseudobacter*: A genus related to but distinct from the existing genus Maripseudobacter of new.

Novimarisediminicola

L. masc. adjective *novus*, new; L. fem. n. *Marisediminicola*, An existing genus; *Novimarisediminicola*: A genus related to but distinct from the existing genus Marisediminicola of new.

Novimarisediminitalea

L. masc. adjective *novus*, new; L. fem. n. *Marisediminitalea*, An existing genus; *Novimarisediminitalea*: A genus related to but distinct from the existing genus Marisediminitalea of new.

Novimarispirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Marispirillum*, An existing genus; *Novimarispirillum*: A genus related to but distinct from the existing genus Marispirillum of new.

Novimarispirochaeta

L. masc. adjective *novus*, new; L. fem. n. *Marispirochaeta*, An existing genus; *Novimarispirochaeta*: A genus related to but distinct from the existing genus Marispirochaeta of new.

Novimaritalea

L. masc. adjective *novus*, new; L. fem. n. *Maritalea*, An existing genus; *Novimaritalea*: A genus related to but distinct from the existing genus Maritalea of new.

Novimaritimibacter

L. masc. adjective *novus*, new; L. masc. n. *Maritimibacter*, An existing genus; *Novimaritimibacter*: A genus related to but distinct from the existing genus Maritimibacter of new.

Novimaritimimonas

L. masc. adjective *novus*, new; L. fem. n. *Maritimimonas*, An existing genus; *Novimaritimimonas*: A genus related to but distinct from the existing genus Maritimimonas of new.

Novimarivibrio

L. masc. adjective *novus*, new; L. masc. n. *Marivibrio*, An existing genus; *Novimarivibrio*: A genus related to but distinct from the existing genus Marivibrio of new.

Novimarivirga

L. masc. adjective *novus*, new; L. fem. n. *Marivirga*, An existing genus; *Novimarivirga*: A genus related to but distinct from the existing genus Marivirga of new.

Novimarivita

L. masc. adjective *novus*, new; L. fem. n. *Marivita*, An existing genus; *Novimarivita*: A genus related to but distinct from the existing genus Marivita of new.

Novimarixanthomonas

L. masc. adjective *novus*, new; L. fem. n. *Marixanthomonas*, An existing genus; *Novimarixanthomonas*: A genus related to but distinct from the existing genus Marixanthomonas of new.

Novimarmoricola

L. masc. adjective *novus*, new; L. masc. n. *Marmoricola*, An existing genus; *Novimarmoricola*: A genus related to but distinct from the existing genus Marmoricola of new.

Novimarortus

L. masc. adjective *novus*, new; L. masc. n. *Marortus*, An existing genus; *Novimarortus*: A genus related to but distinct from the existing genus Marortus of new.

Novimartelella

L. masc. adjective *novus*, new; L. fem. dim. n. *Martelella*, An existing genus; *Novimartelella*: A genus related to but distinct from the existing genus Martelella of new.

Novimarvinbryantia

L. masc. adjective *novus*, new; L. fem. n. *Marvinbryantia*, An existing genus; *Novimarvinbryantia*: A genus related to but distinct from the existing genus Marvinbryantia of new.

Novimassilibacterium

L. masc. adjective *novus*, new; L. neut. n. *Massilibacterium*, An existing genus; *Novimassilibacterium*: A genus related to but distinct from the existing genus Massilibacterium of new.

Novimassiliimalia

L. masc. adjective *novus*, new; L. fem. n. *Massiliimalia*, An existing genus; *Novimassiliimalia*: A genus related to but distinct from the existing genus Massiliimalia of new.

Novimechercharimyces

L. masc. adjective *novus*, new; L. masc. n. *Mechercharimyces*, An existing genus; *Novimechercharimyces*: A genus related to but distinct from the existing genus Mechercharimyces of new.

Novimediterraneibacter

L. masc. adjective *novus*, new; L. masc. n. *Mediterraneibacter*, An existing genus; *Novimediterraneibacter*: A genus related to but distinct from the existing genus Mediterraneibacter of new.

Novimegamonas

L. masc. adjective *novus*, new; L. fem. n. *Megamonas*, An existing genus; *Novimegamonas*: A genus related to but distinct from the existing genus Megamonas of new.

Novimeganema

L. masc. adjective *novus*, new; L. neut. n. *Meganema*, An existing genus; *Novimeganema*: A genus related to but distinct from the existing genus Meganema of new.

Novimegasphaera

L. masc. adjective *novus*, new; L. fem. n. *Megasphaera*, An existing genus; *Novimegasphaera*: A genus related to but distinct from the existing genus Megasphaera of new.

Novimeiothermus

L. masc. adjective *novus*, new; L. masc. n. *Meiothermus*, An existing genus; *Novimeiothermus*: A genus related to but distinct from the existing genus Meiothermus of new.

Novimelaminivora

L. masc. adjective *novus*, new; L. fem. n. *Melaminivora*, An existing genus; *Novimelaminivora*: A genus related to but distinct from the existing genus Melaminivora of new.

Novimelghiribacillus

L. masc. adjective *novus*, new; L. masc. n. *Melghiribacillus*, An existing genus; *Novimelghiribacillus*: A genus related to but distinct from the existing genus Melghiribacillus of new.

Novimelghirimyces

L. masc. adjective *novus*, new; L. masc. n. *Melghirimyces*, An existing genus; *Novimelghirimyces*: A genus related to but distinct from the existing genus Melghirimyces of new.

Novimelioribacter

L. masc. adjective *novus*, new; L. masc. n. *Melioribacter*, An existing genus; *Novimelioribacter*: A genus related to but distinct from the existing genus Melioribacter of new.

Novimelissococcus

L. masc. adjective *novus*, new; L. masc. n. *Melissococcus*, An existing genus; *Novimelissococcus*: A genus related to but distinct from the existing genus Melissococcus of new.

Novimelitea

L. masc. adjective *novus*, new; L. fem. n. *Melitea*, An existing genus; *Novimelitea*: A genus related to but distinct from the existing genus Melitea of new.

Novimelittangium

L. masc. adjective *novus*, new; L. neut. n. *Melittangium*, An existing genus; *Novimelittangium*: A genus related to but distinct from the existing genus Melittangium of new.

Novimembranicola

L. masc. adjective *novus*, new; L. masc. n. *Membranicola*, An existing genus; *Novimembranicola*: A genus related to but distinct from the existing genus Membranicola of new.

Novimeniscus

L. masc. adjective *novus*, new; L. masc. n. *Meniscus*, An existing genus; *Novimeniscus*: A genus related to but distinct from the existing genus Meniscus of new.

Novimerdibacter

L. masc. adjective *novus*, new; L. masc. n. *Merdibacter*, An existing genus; *Novimerdibacter*: A genus related to but distinct from the existing genus Merdibacter of new.

Novimerdimonas

L. masc. adjective *novus*, new; L. fem. n. *Merdimonas*, An existing genus; *Novimerdimonas*: A genus related to but distinct from the existing genus Merdimonas of new.

Novimeridianimaribacter

L. masc. adjective *novus*, new; L. masc. n. *Meridianimaribacter*, An existing genus; *Novimeridianimaribacter*: A genus related to but distinct from the existing genus Meridianimaribacter of new.

Novimeridianimarinicoccus

L. masc. adjective *novus*, new; L. masc. n. *Meridianimarinicoccus*, An existing genus; *Novimeridianimarinicoccus*: A genus related to but distinct from the existing genus Meridianimarinicoccus of new.

Novimesoaciditoga

L. masc. adjective *novus*, new; L. fem. n. *Mesoaciditoga*, An existing genus; *Novimesoaciditoga*: A genus related to but distinct from the existing genus Mesoaciditoga of new.

Novimesobacillus

L. masc. adjective *novus*, new; L. masc. n. *Mesobacillus*, An existing genus; *Novimesobacillus*: A genus related to but distinct from the existing genus Mesobacillus of new.

Novimesocricetibacter

L. masc. adjective *novus*, new; L. masc. n. *Mesocricetibacter*, An existing genus; *Novimesocricetibacter*: A genus related to but distinct from the existing genus Mesocricetibacter of new.

Novimesoflavibacter

L. masc. adjective *novus*, new; L. masc. n. *Mesoflavibacter*, An existing genus; *Novimesoflavibacter*: A genus related to but distinct from the existing genus Mesoflavibacter of new.

Novimesohalobacter

L. masc. adjective *novus*, new; L. masc. n. *Mesohalobacter*, An existing genus; *Novimesohalobacter*: A genus related to but distinct from the existing genus Mesohalobacter of new.

Novimesomycoplasma

L. masc. adjective *novus*, new; L. neut. n. *Mesomycoplasma*, An existing genus; *Novimesomycoplasma*: A genus related to but distinct from the existing genus Mesomycoplasma of new.

Novimesonia

L. masc. adjective *novus*, new; L. fem. n. *Mesonia*, An existing genus; *Novimesonia*: A genus related to but distinct from the existing genus Mesonia of new.

Novimesophilobacter

L. masc. adjective *novus*, new; L. masc. n. *Mesophilobacter*, An existing genus; *Novimesophilobacter*: A genus related to but distinct from the existing genus Mesophilobacter of new.

Novimesoplasma

L. masc. adjective *novus*, new; L. neut. n. *Mesoplasma*, An existing genus; *Novimesoplasma*: A genus related to but distinct from the existing genus Mesoplasma of new.

Novimesorhizobium

L. masc. adjective *novus*, new; L. neut. n. *Mesorhizobium*, An existing genus; *Novimesorhizobium*: A genus related to but distinct from the existing genus Mesorhizobium of new.

Novimesosutterella

L. masc. adjective *novus*, new; L. fem. dim. n. *Mesosutterella*, An existing genus; *Novimesosutterella*: A genus related to but distinct from the existing genus Mesosutterella of new.

Novimesotoga

L. masc. adjective *novus*, new; L. fem. n. *Mesotoga*, An existing genus; *Novimesotoga*: A genus related to but distinct from the existing genus Mesotoga of new.

Novimetabacillus

L. masc. adjective *novus*, new; L. masc. n. *Metabacillus*, An existing genus; *Novimetabacillus*: A genus related to but distinct from the existing genus Metabacillus of new.

Novimetakosakonia

L. masc. adjective *novus*, new; L. fem. n. *Metakosakonia*, An existing genus; *Novimetakosakonia*: A genus related to but distinct from the existing genus Metakosakonia of new.

Novimetallibacterium

L. masc. adjective *novus*, new; L. neut. n. *Metallibacterium*, An existing genus; *Novimetallibacterium*: A genus related to but distinct from the existing genus Metallibacterium of new.

Novimetalliresistens

L. masc. adjective *novus*, new; L. masc. n. *Metalliresistens*, An existing genus; *Novimetalliresistens*: A genus related to but distinct from the existing genus Metalliresistens of new.

Novimetallosphaera

L. masc. adjective *novus*, new; L. fem. n. *Metallosphaera*, An existing genus; *Novimetallosphaera*: A genus related to but distinct from the existing genus Metallosphaera of new.

Novimetalysinibacillus

L. masc. adjective *novus*, new; L. masc. n. *Metalysinibacillus*, An existing genus; *Novimetalysinibacillus*: A genus related to but distinct from the existing genus Metalysinibacillus of new.

Novimetamycoplasma

L. masc. adjective *novus*, new; L. neut. n. *Metamycoplasma*, An existing genus; *Novimetamycoplasma*: A genus related to but distinct from the existing genus Metamycoplasma of new.

Novimetaplanococcus

L. masc. adjective *novus*, new; L. masc. n. *Metaplanococcus*, An existing genus; *Novimetaplanococcus*: A genus related to but distinct from the existing genus Metaplanococcus of new.

Novimetascardovia

L. masc. adjective *novus*, new; L. fem. n. *Metascardovia*, An existing genus; *Novimetascardovia*: A genus related to but distinct from the existing genus Metascardovia of new.

Novimetasolibacillus

L. masc. adjective *novus*, new; L. masc. n. *Metasolibacillus*, An existing genus; *Novimetasolibacillus*: A genus related to but distinct from the existing genus Metasolibacillus of new.

Novimethanobacterium

L. masc. adjective *novus*, new; L. neut. n. *Methanobacterium*, An existing genus; *Novimethanobacterium*: A genus related to but distinct from the existing genus Methanobacterium of new.

Novimethanobrevibacter

L. masc. adjective *novus*, new; L. masc. n. *Methanobrevibacter*, An existing genus; *Novimethanobrevibacter*: A genus related to but distinct from the existing genus Methanobrevibacter of new.

Novimethanocalculus

L. masc. adjective *novus*, new; L. masc. n. *Methanocalculus*, An existing genus; *Novimethanocalculus*: A genus related to but distinct from the existing genus Methanocalculus of new.

Novimethanocaldococcus

L. masc. adjective *novus*, new; L. masc. n. *Methanocaldococcus*, An existing genus; *Novimethanocaldococcus*: A genus related to but distinct from the existing genus Methanocaldococcus of new.

Novimethanocella

L. masc. adjective *novus*, new; L. fem. n. *Methanocella*, An existing genus; *Novimethanocella*: A genus related to but distinct from the existing genus Methanocella of new.

Novimethanococcoides

L. masc. adjective *novus*, new; L. neut. n. *Methanococcoides*, An existing genus; *Novimethanococcoides*: A genus related to but distinct from the existing genus Methanococcoides of new.

Novimethanococcus

L. masc. adjective *novus*, new; L. masc. n. *Methanococcus*, An existing genus; *Novimethanococcus*: A genus related to but distinct from the existing genus Methanococcus of new.

Novimethanocorpusculum

L. masc. adjective *novus*, new; L. neut. n. *Methanocorpusculum*, An existing genus; *Novimethanocorpusculum*: A genus related to but distinct from the existing genus Methanocorpusculum of new.

Novimethanoculleus

L. masc. adjective *novus*, new; L. masc. n. *Methanoculleus*, An existing genus; *Novimethanoculleus*: A genus related to but distinct from the existing genus Methanoculleus of new.

Novimethanofervidicoccus

L. masc. adjective *novus*, new; L. masc. n. *Methanofervidicoccus*, An existing genus; *Novimethanofervidicoccus*: A genus related to but distinct from the existing genus Methanofervidicoccus of new.

Novimethanofollis

L. masc. adjective *novus*, new; L. masc. n. *Methanofollis*, An existing genus; *Novimethanofollis*: A genus related to but distinct from the existing genus Methanofollis of new.

Novimethanogenium

L. masc. adjective *novus*, new; L. neut. n. *Methanogenium*, An existing genus; *Novimethanogenium*: A genus related to but distinct from the existing genus Methanogenium of new.

Novimethanohalobium

L. masc. adjective *novus*, new; L. neut. n. *Methanohalobium*, An existing genus; *Novimethanohalobium*: A genus related to but distinct from the existing genus Methanohalobium of new.

Novimethanohalophilus

L. masc. adjective *novus*, new; L. masc. n. *Methanohalophilus*, An existing genus; *Novimethanohalophilus*: A genus related to but distinct from the existing genus Methanohalophilus of new.

Novimethanolacinia

L. masc. adjective *novus*, new; L. fem. n. *Methanolacinia*, An existing genus; *Novimethanolacinia*: A genus related to but distinct from the existing genus Methanolacinia of new.

Novimethanolinea

L. masc. adjective *novus*, new; L. fem. n. *Methanolinea*, An existing genus; *Novimethanolinea*: A genus related to but distinct from the existing genus Methanolinea of new.

Novimethanomassiliicoccus

L. masc. adjective *novus*, new; L. masc. n. *Methanomassiliicoccus*, An existing genus; *Novimethanomassiliicoccus*: A genus related to but distinct from the existing genus Methanomassiliicoccus of new.

Novimethanomethylovorans

L. masc. adjective *novus*, new; L. fem. n. *Methanomethylovorans*, An existing genus; *Novimethanomethylovorans*: A genus related to but distinct from the existing genus Methanomethylovorans of new.

Novimethanomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Methanomicrobium*, An existing genus; *Novimethanomicrobium*: A genus related to but distinct from the existing genus Methanomicrobium of new.

Novimethanonatronarchaeum

L. masc. adjective *novus*, new; L. neut. n. *Methanonatronarchaeum*, An existing genus; *Novimethanonatronarchaeum*: A genus related to but distinct from the existing genus Methanonatronarchaeum of new.

Novimethanoplanus

L. masc. adjective *novus*, new; L. masc. n. *Methanoplanus*, An existing genus; *Novimethanoplanus*: A genus related to but distinct from the existing genus Methanoplanus of new.

Novimethanopyrus

L. masc. adjective *novus*, new; L. masc. n. *Methanopyrus*, An existing genus; *Novimethanopyrus*: A genus related to but distinct from the existing genus Methanopyrus of new.

Novimethanoregula

L. masc. adjective *novus*, new; L. fem. n. *Methanoregula*, An existing genus; *Novimethanoregula*: A genus related to but distinct from the existing genus Methanoregula of new.

Novimethanosaeta

L. masc. adjective *novus*, new; L. fem. n. *Methanosaeta*, An existing genus; *Novimethanosaeta*: A genus related to but distinct from the existing genus Methanosaeta of new.

Novimethanosalsum

L. masc. adjective *novus*, new; L. neut. n. *Methanosalsum*, An existing genus; *Novimethanosalsum*: A genus related to but distinct from the existing genus Methanosalsum of new.

Novimethanosarcina

L. masc. adjective *novus*, new; L. fem. n. *Methanosarcina*, An existing genus; *Novimethanosarcina*: A genus related to but distinct from the existing genus Methanosarcina of new.

Novimethanosphaera

L. masc. adjective *novus*, new; L. fem. n. *Methanosphaera*, An existing genus; *Novimethanosphaera*: A genus related to but distinct from the existing genus Methanosphaera of new.

Novimethanosphaerula

L. masc. adjective *novus*, new; L. fem. dim. n. *Methanosphaerula*, An existing genus; *Novimethanosphaerula*: A genus related to but distinct from the existing genus Methanosphaerula of new.

Novimethanospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Methanospirillum*, An existing genus; *Novimethanospirillum*: A genus related to but distinct from the existing genus Methanospirillum of new.

Novimethanothermobacter

L. masc. adjective *novus*, new; L. masc. n. *Methanothermobacter*, An existing genus; *Novimethanothermobacter*: A genus related to but distinct from the existing genus Methanothermobacter of new.

Novimethanothermococcus

L. masc. adjective *novus*, new; L. masc. n. *Methanothermococcus*, An existing genus; *Novimethanothermococcus*: A genus related to but distinct from the existing genus Methanothermococcus of new.

Novimethanothermus

L. masc. adjective *novus*, new; L. masc. n. *Methanothermus*, An existing genus; *Novimethanothermus*: A genus related to but distinct from the existing genus Methanothermus of new.

Novimethanothrix

L. masc. adjective *novus*, new; L. fem. n. *Methanothrix*, An existing genus; *Novimethanothrix*: A genus related to but distinct from the existing genus Methanothrix of new.

Novimethanotorris

L. masc. adjective *novus*, new; L. masc. n. *Methanotorris*, An existing genus; *Novimethanotorris*: A genus related to but distinct from the existing genus Methanotorris of new.

Novimethermicoccus

L. masc. adjective *novus*, new; L. masc. n. *Methermicoccus*, An existing genus; *Novimethermicoccus*: A genus related to but distinct from the existing genus Methermicoccus of new.

Novimethylacidimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Methylacidimicrobium*, An existing genus; *Novimethylacidimicrobium*: A genus related to but distinct from the existing genus Methylacidimicrobium of new.

Novimethylarcula

L. masc. adjective *novus*, new; L. fem. dim. n. *Methylarcula*, An existing genus; *Novimethylarcula*: A genus related to but distinct from the existing genus Methylarcula of new.

Novimethylibium

L. masc. adjective *novus*, new; L. neut. n. *Methylibium*, An existing genus; *Novimethylibium*: A genus related to but distinct from the existing genus Methylibium of new.

Novimethylicorpusculum

L. masc. adjective *novus*, new; L. neut. n. *Methylicorpusculum*, An existing genus; *Novimethylicorpusculum*: A genus related to but distinct from the existing genus Methylicorpusculum of new.

Novimethylobacillus

L. masc. adjective *novus*, new; L. masc. n. *Methylobacillus*, An existing genus; *Novimethylobacillus*: A genus related to but distinct from the existing genus Methylobacillus of new.

Novimethylobacter

L. masc. adjective *novus*, new; L. masc. n. *Methylobacter*, An existing genus; *Novimethylobacter*: A genus related to but distinct from the existing genus Methylobacter of new.

Novimethylobacterium

L. masc. adjective *novus*, new; L. neut. n. *Methylobacterium*, An existing genus; *Novimethylobacterium*: A genus related to but distinct from the existing genus Methylobacterium of new.

Novimethylobrevis

L. masc. adjective *novus*, new; L. masc. n. *Methylobrevis*, An existing genus; *Novimethylobrevis*: A genus related to but distinct from the existing genus Methylobrevis of new.

Novimethylocaldum

L. masc. adjective *novus*, new; L. neut. n. *Methylocaldum*, An existing genus; *Novimethylocaldum*: A genus related to but distinct from the existing genus Methylocaldum of new.

Novimethylocapsa

L. masc. adjective *novus*, new; L. fem. n. *Methylocapsa*, An existing genus; *Novimethylocapsa*: A genus related to but distinct from the existing genus Methylocapsa of new.

Novimethyloceanibacter

L. masc. adjective *novus*, new; L. masc. n. *Methyloceanibacter*, An existing genus; *Novimethyloceanibacter*: A genus related to but distinct from the existing genus Methyloceanibacter of new.

Novimethylocella

L. masc. adjective *novus*, new; L. fem. n. *Methylocella*, An existing genus; *Novimethylocella*: A genus related to but distinct from the existing genus Methylocella of new.

Novimethylococcus

L. masc. adjective *novus*, new; L. masc. n. *Methylococcus*, An existing genus; *Novimethylococcus*: A genus related to but distinct from the existing genus Methylococcus of new.

Novimethylocucumis

L. masc. adjective *novus*, new; L. masc. n. *Methylocucumis*, An existing genus; *Novimethylocucumis*: A genus related to but distinct from the existing genus Methylocucumis of new.

Novimethylocystis

L. masc. adjective *novus*, new; L. fem. n. *Methylocystis*, An existing genus; *Novimethylocystis*: A genus related to but distinct from the existing genus Methylocystis of new.

Novimethyloferula

L. masc. adjective *novus*, new; L. fem. n. *Methyloferula*, An existing genus; *Novimethyloferula*: A genus related to but distinct from the existing genus Methyloferula of new.

Novimethylogaea

L. masc. adjective *novus*, new; L. fem. n. *Methylogaea*, An existing genus; *Novimethylogaea*: A genus related to but distinct from the existing genus Methylogaea of new.

Novimethyloglobulus

L. masc. adjective *novus*, new; L. masc. dim. n. *Methyloglobulus*, An existing genus; *Novimethyloglobulus*: A genus related to but distinct from the existing genus Methyloglobulus of new.

Novimethylohalobius

L. masc. adjective *novus*, new; L. masc. n. *Methylohalobius*, An existing genus; *Novimethylohalobius*: A genus related to but distinct from the existing genus Methylohalobius of new.

Novimethylohalomonas

L. masc. adjective *novus*, new; L. fem. n. *Methylohalomonas*, An existing genus; *Novimethylohalomonas*: A genus related to but distinct from the existing genus Methylohalomonas of new.

Novimethyloligella

L. masc. adjective *novus*, new; L. fem. dim. n. *Methyloligella*, An existing genus; *Novimethyloligella*: A genus related to but distinct from the existing genus Methyloligella of new.

Novimethylolobus

L. masc. adjective *novus*, new; L. masc. n. *Methylolobus*, An existing genus; *Novimethylolobus*: A genus related to but distinct from the existing genus Methylolobus of new.

Novimethylomagnum

L. masc. adjective *novus*, new; L. neut. n. *Methylomagnum*, An existing genus; *Novimethylomagnum*: A genus related to but distinct from the existing genus Methylomagnum of new.

Novimethylomarinovum

L. masc. adjective *novus*, new; L. neut. n. *Methylomarinovum*, An existing genus; *Novimethylomarinovum*: A genus related to but distinct from the existing genus Methylomarinovum of new.

Novimethylomarinum

L. masc. adjective *novus*, new; L. neut. n. *Methylomarinum*, An existing genus; *Novimethylomarinum*: A genus related to but distinct from the existing genus Methylomarinum of new.

Novimethylomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Methylomicrobium*, An existing genus; *Novimethylomicrobium*: A genus related to but distinct from the existing genus Methylomicrobium of new.

Novimethylomonas

L. masc. adjective *novus*, new; L. fem. n. *Methylomonas*, An existing genus; *Novimethylomonas*: A genus related to but distinct from the existing genus Methylomonas of new.

Novimethylomusa

L. masc. adjective *novus*, new; L. fem. n. *Methylomusa*, An existing genus; *Novimethylomusa*: A genus related to but distinct from the existing genus Methylomusa of new.

Novimethylonatrum

L. masc. adjective *novus*, new; L. neut. n. *Methylonatrum*, An existing genus; *Novimethylonatrum*: A genus related to but distinct from the existing genus Methylonatrum of new.

Novimethyloparacoccus

L. masc. adjective *novus*, new; L. masc. n. *Methyloparacoccus*, An existing genus; *Novimethyloparacoccus*: A genus related to but distinct from the existing genus Methyloparacoccus of new.

Novimethylophaga

L. masc. adjective *novus*, new; L. fem. n. *Methylophaga*, An existing genus; *Novimethylophaga*: A genus related to but distinct from the existing genus Methylophaga of new.

Novimethylophilus

L. masc. adjective *novus*, new; L. masc. n. *Methylophilus*, An existing genus; *Novimethylophilus*: A genus related to but distinct from the existing genus Methylophilus of new.

Novimethylopila

L. masc. adjective *novus*, new; L. fem. n. *Methylopila*, An existing genus; *Novimethylopila*: A genus related to but distinct from the existing genus Methylopila of new.

Novimethyloprofundus

L. masc. adjective *novus*, new; L. masc. n. *Methyloprofundus*, An existing genus; *Novimethyloprofundus*: A genus related to but distinct from the existing genus Methyloprofundus of new.

Novimethylorhabdus

L. masc. adjective *novus*, new; L. fem. n. *Methylorhabdus*, An existing genus; *Novimethylorhabdus*: A genus related to but distinct from the existing genus Methylorhabdus of new.

Novimethylorosula

L. masc. adjective *novus*, new; L. fem. dim. n. *Methylorosula*, An existing genus; *Novimethylorosula*: A genus related to but distinct from the existing genus Methylorosula of new.

Novimethylorubrum

L. masc. adjective *novus*, new; L. neut. n. *Methylorubrum*, An existing genus; *Novimethylorubrum*: A genus related to but distinct from the existing genus Methylorubrum of new.

Novimethylosarcina

L. masc. adjective *novus*, new; L. fem. n. *Methylosarcina*, An existing genus; *Novimethylosarcina*: A genus related to but distinct from the existing genus Methylosarcina of new.

Novimethylosinus

L. masc. adjective *novus*, new; L. masc. n. *Methylosinus*, An existing genus; *Novimethylosinus*: A genus related to but distinct from the existing genus Methylosinus of new.

Novimethylosoma

L. masc. adjective *novus*, new; L. neut. n. *Methylosoma*, An existing genus; *Novimethylosoma*: A genus related to but distinct from the existing genus Methylosoma of new.

Novimethylosphaera

L. masc. adjective *novus*, new; L. fem. n. *Methylosphaera*, An existing genus; *Novimethylosphaera*: A genus related to but distinct from the existing genus Methylosphaera of new.

Novimethylosulfonomonas

L. masc. adjective *novus*, new; L. fem. n. *Methylosulfonomonas*, An existing genus; *Novimethylosulfonomonas*: A genus related to but distinct from the existing genus Methylosulfonomonas of new.

Novimethylotenera

L. masc. adjective *novus*, new; L. fem. n. *Methylotenera*, An existing genus; *Novimethylotenera*: A genus related to but distinct from the existing genus Methylotenera of new.

Novimethyloterricola

L. masc. adjective *novus*, new; L. fem. n. *Methyloterricola*, An existing genus; *Novimethyloterricola*: A genus related to but distinct from the existing genus Methyloterricola of new.

Novimethyloterrigena

L. masc. adjective *novus*, new; L. fem. n. *Methyloterrigena*, An existing genus; *Novimethyloterrigena*: A genus related to but distinct from the existing genus Methyloterrigena of new.

Novimethylothermus

L. masc. adjective *novus*, new; L. masc. n. *Methylothermus*, An existing genus; *Novimethylothermus*: A genus related to but distinct from the existing genus Methylothermus of new.

Novimethylotuvimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Methylotuvimicrobium*, An existing genus; *Novimethylotuvimicrobium*: A genus related to but distinct from the existing genus Methylotuvimicrobium of new.

Novimethyloversatilis

L. masc. adjective *novus*, new; L. fem. n. *Methyloversatilis*, An existing genus; *Novimethyloversatilis*: A genus related to but distinct from the existing genus Methyloversatilis of new.

Novimethylovirgula

L. masc. adjective *novus*, new; L. fem. dim. n. *Methylovirgula*, An existing genus; *Novimethylovirgula*: A genus related to but distinct from the existing genus Methylovirgula of new.

Novimethylovorus

L. masc. adjective *novus*, new; L. masc. n. *Methylovorus*, An existing genus; *Novimethylovorus*: A genus related to but distinct from the existing genus Methylovorus of new.

Novimethylovulum

L. masc. adjective *novus*, new; L. neut. n. *Methylovulum*, An existing genus; *Novimethylovulum*: A genus related to but distinct from the existing genus Methylovulum of new.

Novimicavibrio

L. masc. adjective *novus*, new; L. masc. n. *Micavibrio*, An existing genus; *Novimicavibrio*: A genus related to but distinct from the existing genus Micavibrio of new.

Novimicroaerobacter

L. masc. adjective *novus*, new; L. masc. n. *Microaerobacter*, An existing genus; *Novimicroaerobacter*: A genus related to but distinct from the existing genus Microaerobacter of new.

Novimicrobacterium

L. masc. adjective *novus*, new; L. neut. n. *Microbacterium*, An existing genus; *Novimicrobacterium*: A genus related to but distinct from the existing genus Microbacterium of new.

Novimicrobispora

L. masc. adjective *novus*, new; L. fem. n. *Microbispora*, An existing genus; *Novimicrobispora*: A genus related to but distinct from the existing genus Microbispora of new.

Novimicrobulbifer

L. masc. adjective *novus*, new; L. masc. n. *Microbulbifer*, An existing genus; *Novimicrobulbifer*: A genus related to but distinct from the existing genus Microbulbifer of new.

Novimicrocella

L. masc. adjective *novus*, new; L. fem. n. *Microcella*, An existing genus; *Novimicrocella*: A genus related to but distinct from the existing genus Microcella of new.

Novimicrococcoides

L. masc. adjective *novus*, new; L. neut. n. *Micrococcoides*, An existing genus; *Novimicrococcoides*: A genus related to but distinct from the existing genus Micrococcoides of new.

Novimicrococcus

L. masc. adjective *novus*, new; L. masc. n. *Micrococcus*, An existing genus; *Novimicrococcus*: A genus related to but distinct from the existing genus Micrococcus of new.

Novimicrocyclus

L. masc. adjective *novus*, new; L. masc. n. *Microcyclus*, An existing genus; *Novimicrocyclus*: A genus related to but distinct from the existing genus Microcyclus of new.

Novimicrocystis

L. masc. adjective *novus*, new; L. fem. n. *Microcystis*, An existing genus; *Novimicrocystis*: A genus related to but distinct from the existing genus Microcystis of new.

Novimicroellobosporia

L. masc. adjective *novus*, new; L. fem. n. *Microellobosporia*, An existing genus; *Novimicroellobosporia*: A genus related to but distinct from the existing genus Microellobosporia of new.

Novimicrolunatus

L. masc. adjective *novus*, new; L. masc. n. *Microlunatus*, An existing genus; *Novimicrolunatus*: A genus related to but distinct from the existing genus Microlunatus of new.

Novimicromonas

L. masc. adjective *novus*, new; L. fem. n. *Micromonas*, An existing genus; *Novimicromonas*: A genus related to but distinct from the existing genus Micromonas of new.

Novimicromonospora

L. masc. adjective *novus*, new; L. fem. n. *Micromonospora*, An existing genus; *Novimicromonospora*: A genus related to but distinct from the existing genus Micromonospora of new.

Novimicropepsis

L. masc. adjective *novus*, new; L. fem. n. *Micropepsis*, An existing genus; *Novimicropepsis*: A genus related to but distinct from the existing genus Micropepsis of new.

Novimicropolyspora

L. masc. adjective *novus*, new; L. fem. n. *Micropolyspora*, An existing genus; *Novimicropolyspora*: A genus related to but distinct from the existing genus Micropolyspora of new.

Novimicropruina

L. masc. adjective *novus*, new; L. fem. n. *Micropruina*, An existing genus; *Novimicropruina*: A genus related to but distinct from the existing genus Micropruina of new.

Novimicroscilla

L. masc. adjective *novus*, new; L. fem. n. *Microscilla*, An existing genus; *Novimicroscilla*: A genus related to but distinct from the existing genus Microscilla of new.

Novimicrosphaera

L. masc. adjective *novus*, new; L. fem. n. *Microsphaera*, An existing genus; *Novimicrosphaera*: A genus related to but distinct from the existing genus Microsphaera of new.

Novimicroterricola

L. masc. adjective *novus*, new; L. fem. n. *Microterricola*, An existing genus; *Novimicroterricola*: A genus related to but distinct from the existing genus Microterricola of new.

Novimicrotetraspora

L. masc. adjective *novus*, new; L. fem. n. *Microtetraspora*, An existing genus; *Novimicrotetraspora*: A genus related to but distinct from the existing genus Microtetraspora of new.

Novimicrovirgula

L. masc. adjective *novus*, new; L. fem. dim. n. *Microvirgula*, An existing genus; *Novimicrovirgula*: A genus related to but distinct from the existing genus Microvirgula of new.

Novimillisia

L. masc. adjective *novus*, new; L. fem. n. *Millisia*, An existing genus; *Novimillisia*: A genus related to but distinct from the existing genus Millisia of new.

Noviminicystis

L. masc. adjective *novus*, new; L. fem. n. *Minicystis*, An existing genus; *Noviminicystis*: A genus related to but distinct from the existing genus Minicystis of new.

Noviminiimonas

L. masc. adjective *novus*, new; L. fem. n. *Miniimonas*, An existing genus; *Noviminiimonas*: A genus related to but distinct from the existing genus Miniimonas of new.

Noviminiphocibacter

L. masc. adjective *novus*, new; L. masc. n. *Miniphocibacter*, An existing genus; *Noviminiphocibacter*: A genus related to but distinct from the existing genus Miniphocibacter of new.

Noviminunostoc

L. masc. adjective *novus*, new; L. neut. n. *Minunostoc*, An existing genus; *Noviminunostoc*: A genus related to but distinct from the existing genus Minunostoc of new.

Noviminwuia

L. masc. adjective *novus*, new; L. fem. n. *Minwuia*, An existing genus; *Noviminwuia*: A genus related to but distinct from the existing genus Minwuia of new.

Novimitsuaria

L. masc. adjective *novus*, new; L. fem. n. *Mitsuaria*, An existing genus; *Novimitsuaria*: A genus related to but distinct from the existing genus Mitsuaria of new.

Novimitsuokella

L. masc. adjective *novus*, new; L. fem. dim. n. *Mitsuokella*, An existing genus; *Novimitsuokella*: A genus related to but distinct from the existing genus Mitsuokella of new.

Novimixta

L. masc. adjective *novus*, new; L. fem. n. *Mixta*, An existing genus; *Novimixta*: A genus related to but distinct from the existing genus Mixta of new.

Novimizugakiibacter

L. masc. adjective *novus*, new; L. masc. n. *Mizugakiibacter*, An existing genus; *Novimizugakiibacter*: A genus related to but distinct from the existing genus Mizugakiibacter of new.

Novimobilicoccus

L. masc. adjective *novus*, new; L. masc. n. *Mobilicoccus*, An existing genus; *Novimobilicoccus*: A genus related to but distinct from the existing genus Mobilicoccus of new.

Novimobilifilum

L. masc. adjective *novus*, new; L. neut. n. *Mobilifilum*, An existing genus; *Novimobilifilum*: A genus related to but distinct from the existing genus Mobilifilum of new.

Novimobilisporobacter

L. masc. adjective *novus*, new; L. masc. n. *Mobilisporobacter*, An existing genus; *Novimobilisporobacter*: A genus related to but distinct from the existing genus Mobilisporobacter of new.

Novimobilitalea

L. masc. adjective *novus*, new; L. fem. n. *Mobilitalea*, An existing genus; *Novimobilitalea*: A genus related to but distinct from the existing genus Mobilitalea of new.

Novimobiluncus

L. masc. adjective *novus*, new; L. masc. n. *Mobiluncus*, An existing genus; *Novimobiluncus*: A genus related to but distinct from the existing genus Mobiluncus of new.

Novimodestobacter

L. masc. adjective *novus*, new; L. masc. n. *Modestobacter*, An existing genus; *Novimodestobacter*: A genus related to but distinct from the existing genus Modestobacter of new.

Novimodicisalibacter

L. masc. adjective *novus*, new; L. masc. n. *Modicisalibacter*, An existing genus; *Novimodicisalibacter*: A genus related to but distinct from the existing genus Modicisalibacter of new.

Novimoellerella

L. masc. adjective *novus*, new; L. fem. dim. n. *Moellerella*, An existing genus; *Novimoellerella*: A genus related to but distinct from the existing genus Moellerella of new.

Novimogibacterium

L. masc. adjective *novus*, new; L. neut. n. *Mogibacterium*, An existing genus; *Novimogibacterium*: A genus related to but distinct from the existing genus Mogibacterium of new.

Novimoheibacter

L. masc. adjective *novus*, new; L. masc. n. *Moheibacter*, An existing genus; *Novimoheibacter*: A genus related to but distinct from the existing genus Moheibacter of new.

Novimonaibacterium

L. masc. adjective *novus*, new; L. neut. n. *Monaibacterium*, An existing genus; *Novimonaibacterium*: A genus related to but distinct from the existing genus Monaibacterium of new.

Novimonashia

L. masc. adjective *novus*, new; L. fem. n. *Monashia*, An existing genus; *Novimonashia*: A genus related to but distinct from the existing genus Monashia of new.

Novimongoliibacter

L. masc. adjective *novus*, new; L. masc. n. *Mongoliibacter*, An existing genus; *Novimongoliibacter*: A genus related to but distinct from the existing genus Mongoliibacter of new.

Novimongoliicoccus

L. masc. adjective *novus*, new; L. masc. n. *Mongoliicoccus*, An existing genus; *Novimongoliicoccus*: A genus related to but distinct from the existing genus Mongoliicoccus of new.

Novimongoliimonas

L. masc. adjective *novus*, new; L. fem. n. *Mongoliimonas*, An existing genus; *Novimongoliimonas*: A genus related to but distinct from the existing genus Mongoliimonas of new.

Novimongoliitalea

L. masc. adjective *novus*, new; L. fem. n. *Mongoliitalea*, An existing genus; *Novimongoliitalea*: A genus related to but distinct from the existing genus Mongoliitalea of new.

Novimonoglobus

L. masc. adjective *novus*, new; L. masc. n. *Monoglobus*, An existing genus; *Novimonoglobus*: A genus related to but distinct from the existing genus Monoglobus of new.

Novimoorea

L. masc. adjective *novus*, new; L. fem. n. *Moorea*, An existing genus; *Novimoorea*: A genus related to but distinct from the existing genus Moorea of new.

Novimooreia

L. masc. adjective *novus*, new; L. fem. n. *Mooreia*, An existing genus; *Novimooreia*: A genus related to but distinct from the existing genus Mooreia of new.

Novimoorella

L. masc. adjective *novus*, new; L. fem. dim. n. *Moorella*, An existing genus; *Novimoorella*: A genus related to but distinct from the existing genus Moorella of new.

Novimoraxella

L. masc. adjective *novus*, new; L. fem. dim. n. *Moraxella*, An existing genus; *Novimoraxella*: A genus related to but distinct from the existing genus Moraxella of new.

Novimorganella

L. masc. adjective *novus*, new; L. fem. dim. n. *Morganella*, An existing genus; *Novimorganella*: A genus related to but distinct from the existing genus Morganella of new.

Novimoritella

L. masc. adjective *novus*, new; L. fem. dim. n. *Moritella*, An existing genus; *Novimoritella*: A genus related to but distinct from the existing genus Moritella of new.

Novimorococcus

L. masc. adjective *novus*, new; L. masc. n. *Morococcus*, An existing genus; *Novimorococcus*: A genus related to but distinct from the existing genus Morococcus of new.

Novimoryella

L. masc. adjective *novus*, new; L. fem. dim. n. *Moryella*, An existing genus; *Novimoryella*: A genus related to but distinct from the existing genus Moryella of new.

Novimotilibacter

L. masc. adjective *novus*, new; L. masc. n. *Motilibacter*, An existing genus; *Novimotilibacter*: A genus related to but distinct from the existing genus Motilibacter of new.

Novimotilimonas

L. masc. adjective *novus*, new; L. fem. n. *Motilimonas*, An existing genus; *Novimotilimonas*: A genus related to but distinct from the existing genus Motilimonas of new.

Novimotiliproteus

L. masc. adjective *novus*, new; L. masc. n. *Motiliproteus*, An existing genus; *Novimotiliproteus*: A genus related to but distinct from the existing genus Motiliproteus of new.

Novimucinivorans

L. masc. adjective *novus*, new; L. masc. n. *Mucinivorans*, An existing genus; *Novimucinivorans*: A genus related to but distinct from the existing genus Mucinivorans of new.

Novimucispirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Mucispirillum*, An existing genus; *Novimucispirillum*: A genus related to but distinct from the existing genus Mucispirillum of new.

Novimumia

L. masc. adjective *novus*, new; L. fem. n. *Mumia*, An existing genus; *Novimumia*: A genus related to but distinct from the existing genus Mumia of new.

Novimurdochiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Murdochiella*, An existing genus; *Novimurdochiella*: A genus related to but distinct from the existing genus Murdochiella of new.

Novimuribacter

L. masc. adjective *novus*, new; L. masc. n. *Muribacter*, An existing genus; *Novimuribacter*: A genus related to but distinct from the existing genus Muribacter of new.

Novimuribaculum

L. masc. adjective *novus*, new; L. neut. n. *Muribaculum*, An existing genus; *Novimuribaculum*: A genus related to but distinct from the existing genus Muribaculum of new.

Novimuricauda

L. masc. adjective *novus*, new; L. fem. n. *Muricauda*, An existing genus; *Novimuricauda*: A genus related to but distinct from the existing genus Muricauda of new.

Novimuricoccus

L. masc. adjective *novus*, new; L. masc. n. *Muricoccus*, An existing genus; *Novimuricoccus*: A genus related to but distinct from the existing genus Muricoccus of new.

Novimuricomes

L. masc. adjective *novus*, new; L. masc. n. *Muricomes*, An existing genus; *Novimuricomes*: A genus related to but distinct from the existing genus Muricomes of new.

Novimuriicola

L. masc. adjective *novus*, new; L. masc. n. *Muriicola*, An existing genus; *Novimuriicola*: A genus related to but distinct from the existing genus Muriicola of new.

Novimurimonas

L. masc. adjective *novus*, new; L. fem. n. *Murimonas*, An existing genus; *Novimurimonas*: A genus related to but distinct from the existing genus Murimonas of new.

Novimurinocardiopsis

L. masc. adjective *novus*, new; L. fem. n. *Murinocardiopsis*, An existing genus; *Novimurinocardiopsis*: A genus related to but distinct from the existing genus Murinocardiopsis of new.

Novimyceligenerans

L. masc. adjective *novus*, new; L. neut. n. *Myceligenerans*, An existing genus; *Novimyceligenerans*: A genus related to but distinct from the existing genus Myceligenerans of new.

Novimycetocola

L. masc. adjective *novus*, new; L. masc. n. *Mycetocola*, An existing genus; *Novimycetocola*: A genus related to but distinct from the existing genus Mycetocola of new.

Novimycoavidus

L. masc. adjective *novus*, new; L. masc. n. *Mycoavidus*, An existing genus; *Novimycoavidus*: A genus related to but distinct from the existing genus Mycoavidus of new.

Novimycobacterium

L. masc. adjective *novus*, new; L. neut. n. *Mycobacterium*, An existing genus; *Novimycobacterium*: A genus related to but distinct from the existing genus Mycobacterium of new.

Novimycobacteroides

L. masc. adjective *novus*, new; L. neut. n. *Mycobacteroides*, An existing genus; *Novimycobacteroides*: A genus related to but distinct from the existing genus Mycobacteroides of new.

Novimycolicibacillus

L. masc. adjective *novus*, new; L. masc. n. *Mycolicibacillus*, An existing genus; *Novimycolicibacillus*: A genus related to but distinct from the existing genus Mycolicibacillus of new.

Novimycolicibacter

L. masc. adjective *novus*, new; L. masc. n. *Mycolicibacter*, An existing genus; *Novimycolicibacter*: A genus related to but distinct from the existing genus Mycolicibacter of new.

Novimycolicibacterium

L. masc. adjective *novus*, new; L. neut. n. *Mycolicibacterium*, An existing genus; *Novimycolicibacterium*: A genus related to but distinct from the existing genus Mycolicibacterium of new.

Novimycoplana

L. masc. adjective *novus*, new; L. fem. n. *Mycoplana*, An existing genus; *Novimycoplana*: A genus related to but distinct from the existing genus Mycoplana of new.

Novimycoplasma

L. masc. adjective *novus*, new; L. neut. n. *Mycoplasma*, An existing genus; *Novimycoplasma*: A genus related to but distinct from the existing genus Mycoplasma of new.

Novimycoplasmoides

L. masc. adjective *novus*, new; L. neut. n. *Mycoplasmoides*, An existing genus; *Novimycoplasmoides*: A genus related to but distinct from the existing genus Mycoplasmoides of new.

Novimycoplasmopsis

L. masc. adjective *novus*, new; L. fem. n. *Mycoplasmopsis*, An existing genus; *Novimycoplasmopsis*: A genus related to but distinct from the existing genus Mycoplasmopsis of new.

Novimyroides

L. masc. adjective *novus*, new; L. masc. n. *Myroides*, An existing genus; *Novimyroides*: A genus related to but distinct from the existing genus Myroides of new.

Novimyxacorys

L. masc. adjective *novus*, new; L. fem. n. *Myxacorys*, An existing genus; *Novimyxacorys*: A genus related to but distinct from the existing genus Myxacorys of new.

Novimyxococcus

L. masc. adjective *novus*, new; L. masc. n. *Myxococcus*, An existing genus; *Novimyxococcus*: A genus related to but distinct from the existing genus Myxococcus of new.

Novimzabimyces

L. masc. adjective *novus*, new; L. masc. n. *Mzabimyces*, An existing genus; *Novimzabimyces*: A genus related to but distinct from the existing genus Mzabimyces of new.

Novinaasia

L. masc. adjective *novus*, new; L. fem. n. *Naasia*, An existing genus; *Novinaasia*: A genus related to but distinct from the existing genus Naasia of new.

Novinafulsella

L. masc. adjective *novus*, new; L. fem. dim. n. *Nafulsella*, An existing genus; *Novinafulsella*: A genus related to but distinct from the existing genus Nafulsella of new.

Novinakamurella

L. masc. adjective *novus*, new; L. fem. dim. n. *Nakamurella*, An existing genus; *Novinakamurella*: A genus related to but distinct from the existing genus Nakamurella of new.

Novinamhaeicola

L. masc. adjective *novus*, new; L. masc. n. *Namhaeicola*, An existing genus; *Novinamhaeicola*: A genus related to but distinct from the existing genus Namhaeicola of new.

Novinannocystis

L. masc. adjective *novus*, new; L. fem. n. *Nannocystis*, An existing genus; *Novinannocystis*: A genus related to but distinct from the existing genus Nannocystis of new.

Novinatranaerobaculum

L. masc. adjective *novus*, new; L. neut. n. *Natranaerobaculum*, An existing genus; *Novinatranaerobaculum*: A genus related to but distinct from the existing genus Natranaerobaculum of new.

Novinatranaerobius

L. masc. adjective *novus*, new; L. masc. n. *Natranaerobius*, An existing genus; *Novinatranaerobius*: A genus related to but distinct from the existing genus Natranaerobius of new.

Novinatranaerovirga

L. masc. adjective *novus*, new; L. fem. n. *Natranaerovirga*, An existing genus; *Novinatranaerovirga*: A genus related to but distinct from the existing genus Natranaerovirga of new.

Novinatrarchaeobaculum

L. masc. adjective *novus*, new; L. neut. n. *Natrarchaeobaculum*, An existing genus; *Novinatrarchaeobaculum*: A genus related to but distinct from the existing genus Natrarchaeobaculum of new.

Novinatrarchaeobius

L. masc. adjective *novus*, new; L. masc. n. *Natrarchaeobius*, An existing genus; *Novinatrarchaeobius*: A genus related to but distinct from the existing genus Natrarchaeobius of new.

Novinatrialba

L. masc. adjective *novus*, new; L. fem. n. *Natrialba*, An existing genus; *Novinatrialba*: A genus related to but distinct from the existing genus Natrialba of new.

Novinatribacillus

L. masc. adjective *novus*, new; L. masc. n. *Natribacillus*, An existing genus; *Novinatribacillus*: A genus related to but distinct from the existing genus Natribacillus of new.

Novinatribaculum

L. masc. adjective *novus*, new; L. neut. n. *Natribaculum*, An existing genus; *Novinatribaculum*: A genus related to but distinct from the existing genus Natribaculum of new.

Novinatrinema

L. masc. adjective *novus*, new; L. neut. n. *Natrinema*, An existing genus; *Novinatrinema*: A genus related to but distinct from the existing genus Natrinema of new.

Novinatroniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Natroniella*, An existing genus; *Novinatroniella*: A genus related to but distinct from the existing genus Natroniella of new.

Novinatronoarchaeum

L. masc. adjective *novus*, new; L. neut. n. *Natronoarchaeum*, An existing genus; *Novinatronoarchaeum*: A genus related to but distinct from the existing genus Natronoarchaeum of new.

Novinatronobacillus

L. masc. adjective *novus*, new; L. masc. n. *Natronobacillus*, An existing genus; *Novinatronobacillus*: A genus related to but distinct from the existing genus Natronobacillus of new.

Novinatronobacterium

L. masc. adjective *novus*, new; L. neut. n. *Natronobacterium*, An existing genus; *Novinatronobacterium*: A genus related to but distinct from the existing genus Natronobacterium of new.

Novinatronobiforma

L. masc. adjective *novus*, new; L. fem. n. *Natronobiforma*, An existing genus; *Novinatronobiforma*: A genus related to but distinct from the existing genus Natronobiforma of new.

Novinatronocella

L. masc. adjective *novus*, new; L. fem. n. *Natronocella*, An existing genus; *Novinatronocella*: A genus related to but distinct from the existing genus Natronocella of new.

Novinatronococcus

L. masc. adjective *novus*, new; L. masc. n. *Natronococcus*, An existing genus; *Novinatronococcus*: A genus related to but distinct from the existing genus Natronococcus of new.

Novinatronoflexus

L. masc. adjective *novus*, new; L. masc. n. *Natronoflexus*, An existing genus; *Novinatronoflexus*: A genus related to but distinct from the existing genus Natronoflexus of new.

Novinatronolimnobius

L. masc. adjective *novus*, new; L. masc. n. *Natronolimnobius*, An existing genus; *Novinatronolimnobius*: A genus related to but distinct from the existing genus Natronolimnobius of new.

Novinatronolimnohabitans

L. masc. adjective *novus*, new; L. masc. n. *Natronolimnohabitans*, An existing genus; *Novinatronolimnohabitans*: A genus related to but distinct from the existing genus Natronolimnohabitans of new.

Novinatronomonas

L. masc. adjective *novus*, new; L. fem. n. *Natronomonas*, An existing genus; *Novinatronomonas*: A genus related to but distinct from the existing genus Natronomonas of new.

Novinatronorubrum

L. masc. adjective *novus*, new; L. neut. n. *Natronorubrum*, An existing genus; *Novinatronorubrum*: A genus related to but distinct from the existing genus Natronorubrum of new.

Novinatronospira

L. masc. adjective *novus*, new; L. fem. n. *Natronospira*, An existing genus; *Novinatronospira*: A genus related to but distinct from the existing genus Natronospira of new.

Novinatronospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Natronospirillum*, An existing genus; *Novinatronospirillum*: A genus related to but distinct from the existing genus Natronospirillum of new.

Novinatronovirga

L. masc. adjective *novus*, new; L. fem. n. *Natronovirga*, An existing genus; *Novinatronovirga*: A genus related to but distinct from the existing genus Natronovirga of new.

Novinaumannella

L. masc. adjective *novus*, new; L. fem. dim. n. *Naumannella*, An existing genus; *Novinaumannella*: A genus related to but distinct from the existing genus Naumannella of new.

Novinautella

L. masc. adjective *novus*, new; L. fem. dim. n. *Nautella*, An existing genus; *Novinautella*: A genus related to but distinct from the existing genus Nautella of new.

Novinautilia

L. masc. adjective *novus*, new; L. fem. n. *Nautilia*, An existing genus; *Novinautilia*: A genus related to but distinct from the existing genus Nautilia of new.

Novinaxibacter

L. masc. adjective *novus*, new; L. masc. n. *Naxibacter*, An existing genus; *Novinaxibacter*: A genus related to but distinct from the existing genus Naxibacter of new.

Novinecropsobacter

L. masc. adjective *novus*, new; L. masc. n. *Necropsobacter*, An existing genus; *Novinecropsobacter*: A genus related to but distinct from the existing genus Necropsobacter of new.

Novinegadavirga

L. masc. adjective *novus*, new; L. fem. n. *Negadavirga*, An existing genus; *Novinegadavirga*: A genus related to but distinct from the existing genus Negadavirga of new.

Novinegativicoccus

L. masc. adjective *novus*, new; L. masc. n. *Negativicoccus*, An existing genus; *Novinegativicoccus*: A genus related to but distinct from the existing genus Negativicoccus of new.

Novineiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Neiella*, An existing genus; *Novineiella*: A genus related to but distinct from the existing genus Neiella of new.

Novineisseria

L. masc. adjective *novus*, new; L. fem. n. *Neisseria*, An existing genus; *Novineisseria*: A genus related to but distinct from the existing genus Neisseria of new.

Novinemorella

L. masc. adjective *novus*, new; L. fem. dim. n. *Nemorella*, An existing genus; *Novinemorella*: A genus related to but distinct from the existing genus Nemorella of new.

Novinemorincola

L. masc. adjective *novus*, new; L. fem. n. *Nemorincola*, An existing genus; *Novinemorincola*: A genus related to but distinct from the existing genus Nemorincola of new.

Novineoasaia

L. masc. adjective *novus*, new; L. fem. n. *Neoasaia*, An existing genus; *Novineoasaia*: A genus related to but distinct from the existing genus Neoasaia of new.

Novineobacillus

L. masc. adjective *novus*, new; L. masc. n. *Neobacillus*, An existing genus; *Novineobacillus*: A genus related to but distinct from the existing genus Neobacillus of new.

Novineochlamydia

L. masc. adjective *novus*, new; L. fem. n. *Neochlamydia*, An existing genus; *Novineochlamydia*: A genus related to but distinct from the existing genus Neochlamydia of new.

Novineokomagataea

L. masc. adjective *novus*, new; L. fem. n. *Neokomagataea*, An existing genus; *Novineokomagataea*: A genus related to but distinct from the existing genus Neokomagataea of new.

Novineolyngbya

L. masc. adjective *novus*, new; L. fem. n. *Neolyngbya*, An existing genus; *Novineolyngbya*: A genus related to but distinct from the existing genus Neolyngbya of new.

Novineomegalonema

L. masc. adjective *novus*, new; L. neut. n. *Neomegalonema*, An existing genus; *Novineomegalonema*: A genus related to but distinct from the existing genus Neomegalonema of new.

Novineomicrococcus

L. masc. adjective *novus*, new; L. masc. n. *Neomicrococcus*, An existing genus; *Novineomicrococcus*: A genus related to but distinct from the existing genus Neomicrococcus of new.

Novineorhizobium

L. masc. adjective *novus*, new; L. neut. n. *Neorhizobium*, An existing genus; *Novineorhizobium*: A genus related to but distinct from the existing genus Neorhizobium of new.

Novineorickettsia

L. masc. adjective *novus*, new; L. fem. n. *Neorickettsia*, An existing genus; *Novineorickettsia*: A genus related to but distinct from the existing genus Neorickettsia of new.

Novineoscardovia

L. masc. adjective *novus*, new; L. fem. n. *Neoscardovia*, An existing genus; *Novineoscardovia*: A genus related to but distinct from the existing genus Neoscardovia of new.

Novineowestiellopsis

L. masc. adjective *novus*, new; L. fem. n. *Neowestiellopsis*, An existing genus; *Novineowestiellopsis*: A genus related to but distinct from the existing genus Neowestiellopsis of new.

Novineptunicella

L. masc. adjective *novus*, new; L. fem. n. *Neptunicella*, An existing genus; *Novineptunicella*: A genus related to but distinct from the existing genus Neptunicella of new.

Novineptunicoccus

L. masc. adjective *novus*, new; L. masc. n. *Neptunicoccus*, An existing genus; *Novineptunicoccus*: A genus related to but distinct from the existing genus Neptunicoccus of new.

Novineptuniibacter

L. masc. adjective *novus*, new; L. masc. n. *Neptuniibacter*, An existing genus; *Novineptuniibacter*: A genus related to but distinct from the existing genus Neptuniibacter of new.

Novineptunitalea

L. masc. adjective *novus*, new; L. fem. n. *Neptunitalea*, An existing genus; *Novineptunitalea*: A genus related to but distinct from the existing genus Neptunitalea of new.

Novineptunomonas

L. masc. adjective *novus*, new; L. fem. n. *Neptunomonas*, An existing genus; *Novineptunomonas*: A genus related to but distinct from the existing genus Neptunomonas of new.

Novinereida

L. masc. adjective *novus*, new; L. fem. n. *Nereida*, An existing genus; *Novinereida*: A genus related to but distinct from the existing genus Nereida of new.

Novinesiotobacter

L. masc. adjective *novus*, new; L. masc. n. *Nesiotobacter*, An existing genus; *Novinesiotobacter*: A genus related to but distinct from the existing genus Nesiotobacter of new.

Novinesterenkonia

L. masc. adjective *novus*, new; L. fem. n. *Nesterenkonia*, An existing genus; *Novinesterenkonia*: A genus related to but distinct from the existing genus Nesterenkonia of new.

Novinevskia

L. masc. adjective *novus*, new; L. fem. n. *Nevskia*, An existing genus; *Novinevskia*: A genus related to but distinct from the existing genus Nevskia of new.

Novinguyenibacter

L. masc. adjective *novus*, new; L. masc. n. *Nguyenibacter*, An existing genus; *Novinguyenibacter*: A genus related to but distinct from the existing genus Nguyenibacter of new.

Noviniabella

L. masc. adjective *novus*, new; L. fem. dim. n. *Niabella*, An existing genus; *Noviniabella*: A genus related to but distinct from the existing genus Niabella of new.

Noviniastella

L. masc. adjective *novus*, new; L. fem. dim. n. *Niastella*, An existing genus; *Noviniastella*: A genus related to but distinct from the existing genus Niastella of new.

Novinibrella

L. masc. adjective *novus*, new; L. fem. dim. n. *Nibrella*, An existing genus; *Novinibrella*: A genus related to but distinct from the existing genus Nibrella of new.

Novinibribacter

L. masc. adjective *novus*, new; L. masc. n. *Nibribacter*, An existing genus; *Novinibribacter*: A genus related to but distinct from the existing genus Nibribacter of new.

Novinibricoccus

L. masc. adjective *novus*, new; L. masc. n. *Nibricoccus*, An existing genus; *Novinibricoccus*: A genus related to but distinct from the existing genus Nibricoccus of new.

Novinicoletella

L. masc. adjective *novus*, new; L. fem. dim. n. *Nicoletella*, An existing genus; *Novinicoletella*: A genus related to but distinct from the existing genus Nicoletella of new.

Noviningiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Ningiella*, An existing genus; *Noviningiella*: A genus related to but distinct from the existing genus Ningiella of new.

Novinioella

L. masc. adjective *novus*, new; L. fem. dim. n. *Nioella*, An existing genus; *Novinioella*: A genus related to but distinct from the existing genus Nioella of new.

Novinitratifractor

L. masc. adjective *novus*, new; L. masc. n. *Nitratifractor*, An existing genus; *Novinitratifractor*: A genus related to but distinct from the existing genus Nitratifractor of new.

Novinitratireductor

L. masc. adjective *novus*, new; L. masc. n. *Nitratireductor*, An existing genus; *Novinitratireductor*: A genus related to but distinct from the existing genus Nitratireductor of new.

Novinitratiruptor

L. masc. adjective *novus*, new; L. masc. n. *Nitratiruptor*, An existing genus; *Novinitratiruptor*: A genus related to but distinct from the existing genus Nitratiruptor of new.

Novinitriliruptor

L. masc. adjective *novus*, new; L. masc. n. *Nitriliruptor*, An existing genus; *Novinitriliruptor*: A genus related to but distinct from the existing genus Nitriliruptor of new.

Novinitrincola

L. masc. adjective *novus*, new; L. masc. n. *Nitrincola*, An existing genus; *Novinitrincola*: A genus related to but distinct from the existing genus Nitrincola of new.

Novinitritalea

L. masc. adjective *novus*, new; L. fem. n. *Nitritalea*, An existing genus; *Novinitritalea*: A genus related to but distinct from the existing genus Nitritalea of new.

Novinitrobacter

L. masc. adjective *novus*, new; L. masc. n. *Nitrobacter*, An existing genus; *Novinitrobacter*: A genus related to but distinct from the existing genus Nitrobacter of new.

Novinitrococcus

L. masc. adjective *novus*, new; L. masc. n. *Nitrococcus*, An existing genus; *Novinitrococcus*: A genus related to but distinct from the existing genus Nitrococcus of new.

Novinitrolancea

L. masc. adjective *novus*, new; L. fem. n. *Nitrolancea*, An existing genus; *Novinitrolancea*: A genus related to but distinct from the existing genus Nitrolancea of new.

Novinitrosarchaeum

L. masc. adjective *novus*, new; L. neut. n. *Nitrosarchaeum*, An existing genus; *Novinitrosarchaeum*: A genus related to but distinct from the existing genus Nitrosarchaeum of new.

Novinitrosococcus

L. masc. adjective *novus*, new; L. masc. n. *Nitrosococcus*, An existing genus; *Novinitrosococcus*: A genus related to but distinct from the existing genus Nitrosococcus of new.

Novinitrosolobus

L. masc. adjective *novus*, new; L. masc. n. *Nitrosolobus*, An existing genus; *Novinitrosolobus*: A genus related to but distinct from the existing genus Nitrosolobus of new.

Novinitrosomonas

L. masc. adjective *novus*, new; L. fem. n. *Nitrosomonas*, An existing genus; *Novinitrosomonas*: A genus related to but distinct from the existing genus Nitrosomonas of new.

Novinitrosopumilus

L. masc. adjective *novus*, new; L. masc. n. *Nitrosopumilus*, An existing genus; *Novinitrosopumilus*: A genus related to but distinct from the existing genus Nitrosopumilus of new.

Novinitrososphaera

L. masc. adjective *novus*, new; L. fem. n. *Nitrososphaera*, An existing genus; *Novinitrososphaera*: A genus related to but distinct from the existing genus Nitrososphaera of new.

Novinitrosospira

L. masc. adjective *novus*, new; L. fem. n. *Nitrosospira*, An existing genus; *Novinitrosospira*: A genus related to but distinct from the existing genus Nitrosospira of new.

Novinitrospina

L. masc. adjective *novus*, new; L. fem. n. *Nitrospina*, An existing genus; *Novinitrospina*: A genus related to but distinct from the existing genus Nitrospina of new.

Novinitrospira

L. masc. adjective *novus*, new; L. fem. n. *Nitrospira*, An existing genus; *Novinitrospira*: A genus related to but distinct from the existing genus Nitrospira of new.

Noviniveibacterium

L. masc. adjective *novus*, new; L. neut. n. *Niveibacterium*, An existing genus; *Noviniveibacterium*: A genus related to but distinct from the existing genus Niveibacterium of new.

Noviniveispirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Niveispirillum*, An existing genus; *Noviniveispirillum*: A genus related to but distinct from the existing genus Niveispirillum of new.

Noviniveitalea

L. masc. adjective *novus*, new; L. fem. n. *Niveitalea*, An existing genus; *Noviniveitalea*: A genus related to but distinct from the existing genus Niveitalea of new.

Novinocardia

L. masc. adjective *novus*, new; L. fem. n. *Nocardia*, An existing genus; *Novinocardia*: A genus related to but distinct from the existing genus Nocardia of new.

Novinocardioides

L. masc. adjective *novus*, new; L. masc. n. *Nocardioides*, An existing genus; *Novinocardioides*: A genus related to but distinct from the existing genus Nocardioides of new.

Novinocardiopsis

L. masc. adjective *novus*, new; L. fem. n. *Nocardiopsis*, An existing genus; *Novinocardiopsis*: A genus related to but distinct from the existing genus Nocardiopsis of new.

Novinodosilinea

L. masc. adjective *novus*, new; L. fem. n. *Nodosilinea*, An existing genus; *Novinodosilinea*: A genus related to but distinct from the existing genus Nodosilinea of new.

Novinonhongiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Nonhongiella*, An existing genus; *Novinonhongiella*: A genus related to but distinct from the existing genus Nonhongiella of new.

Novinonomuraea

L. masc. adjective *novus*, new; L. fem. n. *Nonomuraea*, An existing genus; *Novinonomuraea*: A genus related to but distinct from the existing genus Nonomuraea of new.

Novinosocomiicoccus

L. masc. adjective *novus*, new; L. masc. n. *Nosocomiicoccus*, An existing genus; *Novinosocomiicoccus*: A genus related to but distinct from the existing genus Nosocomiicoccus of new.

Novinostoc

L. masc. adjective *novus*, new; L. neut. n. *Nostoc*, An existing genus; *Novinostoc*: A genus related to but distinct from the existing genus Nostoc of new.

Novinotoacmeibacter

L. masc. adjective *novus*, new; L. masc. n. *Notoacmeibacter*, An existing genus; *Novinotoacmeibacter*: A genus related to but distinct from the existing genus Notoacmeibacter of new.

Novinovibacillus

L. masc. adjective *novus*, new; L. masc. n. *Novibacillus*, An existing genus; *Novinovibacillus*: A genus related to but distinct from the existing genus Novibacillus of new.

Novinoviherbaspirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Noviherbaspirillum*, An existing genus; *Novinoviherbaspirillum*: A genus related to but distinct from the existing genus Noviherbaspirillum of new.

Novinovimethylophilus

L. masc. adjective *novus*, new; L. masc. n. *Novimethylophilus*, An existing genus; *Novinovimethylophilus*: A genus related to but distinct from the existing genus Novimethylophilus of new.

Novinovipirellula

L. masc. adjective *novus*, new; L. fem. dim. n. *Novipirellula*, An existing genus; *Novinovipirellula*: A genus related to but distinct from the existing genus Novipirellula of new.

Novinovispirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Novispirillum*, An existing genus; *Novinovispirillum*: A genus related to but distinct from the existing genus Novispirillum of new.

Novinovosphingobium

L. masc. adjective *novus*, new; L. neut. n. *Novosphingobium*, An existing genus; *Novinovosphingobium*: A genus related to but distinct from the existing genus Novosphingobium of new.

Novinovosphingopyxis

L. masc. adjective *novus*, new; L. fem. n. *Novosphingopyxis*, An existing genus; *Novinovosphingopyxis*: A genus related to but distinct from the existing genus Novosphingopyxis of new.

Novinubsella

L. masc. adjective *novus*, new; L. fem. dim. n. *Nubsella*, An existing genus; *Novinubsella*: A genus related to but distinct from the existing genus Nubsella of new.

Novinumidum

L. masc. adjective *novus*, new; L. neut. n. *Numidum*, An existing genus; *Novinumidum*: A genus related to but distinct from the existing genus Numidum of new.

Noviobesumbacterium

L. masc. adjective *novus*, new; L. neut. n. *Obesumbacterium*, An existing genus; *Noviobesumbacterium*: A genus related to but distinct from the existing genus Obesumbacterium of new.

Novioblitimonas

L. masc. adjective *novus*, new; L. fem. n. *Oblitimonas*, An existing genus; *Novioblitimonas*: A genus related to but distinct from the existing genus Oblitimonas of new.

Novioccallatibacter

L. masc. adjective *novus*, new; L. masc. n. *Occallatibacter*, An existing genus; *Novioccallatibacter*: A genus related to but distinct from the existing genus Occallatibacter of new.

Novioccidentia

L. masc. adjective *novus*, new; L. fem. n. *Occidentia*, An existing genus; *Novioccidentia*: A genus related to but distinct from the existing genus Occidentia of new.

Novioceanibacterium

L. masc. adjective *novus*, new; L. neut. n. *Oceanibacterium*, An existing genus; *Novioceanibacterium*: A genus related to but distinct from the existing genus Oceanibacterium of new.

Novioceanibaculum

L. masc. adjective *novus*, new; L. neut. n. *Oceanibaculum*, An existing genus; *Novioceanibaculum*: A genus related to but distinct from the existing genus Oceanibaculum of new.

Novioceanibium

L. masc. adjective *novus*, new; L. neut. n. *Oceanibium*, An existing genus; *Novioceanibium*: A genus related to but distinct from the existing genus Oceanibium of new.

Novioceanicella

L. masc. adjective *novus*, new; L. fem. n. *Oceanicella*, An existing genus; *Novioceanicella*: A genus related to but distinct from the existing genus Oceanicella of new.

Novioceanicoccus

L. masc. adjective *novus*, new; L. masc. n. *Oceanicoccus*, An existing genus; *Novioceanicoccus*: A genus related to but distinct from the existing genus Oceanicoccus of new.

Novioceanicola

L. masc. adjective *novus*, new; L. masc. n. *Oceanicola*, An existing genus; *Novioceanicola*: A genus related to but distinct from the existing genus Oceanicola of new.

Novioceaniglobus

L. masc. adjective *novus*, new; L. masc. n. *Oceaniglobus*, An existing genus; *Novioceaniglobus*: A genus related to but distinct from the existing genus Oceaniglobus of new.

Novioceanimonas

L. masc. adjective *novus*, new; L. fem. n. *Oceanimonas*, An existing genus; *Novioceanimonas*: A genus related to but distinct from the existing genus Oceanimonas of new.

Novioceaniradius

L. masc. adjective *novus*, new; L. masc. n. *Oceaniradius*, An existing genus; *Novioceaniradius*: A genus related to but distinct from the existing genus Oceaniradius of new.

Novioceanirhabdus

L. masc. adjective *novus*, new; L. fem. n. *Oceanirhabdus*, An existing genus; *Novioceanirhabdus*: A genus related to but distinct from the existing genus Oceanirhabdus of new.

Novioceanisphaera

L. masc. adjective *novus*, new; L. fem. n. *Oceanisphaera*, An existing genus; *Novioceanisphaera*: A genus related to but distinct from the existing genus Oceanisphaera of new.

Novioceanispirochaeta

L. masc. adjective *novus*, new; L. fem. n. *Oceanispirochaeta*, An existing genus; *Novioceanispirochaeta*: A genus related to but distinct from the existing genus Oceanispirochaeta of new.

Novioceanitalea

L. masc. adjective *novus*, new; L. fem. n. *Oceanitalea*, An existing genus; *Novioceanitalea*: A genus related to but distinct from the existing genus Oceanitalea of new.

Novioceanithermus

L. masc. adjective *novus*, new; L. masc. n. *Oceanithermus*, An existing genus; *Novioceanithermus*: A genus related to but distinct from the existing genus Oceanithermus of new.

Novioceanivirga

L. masc. adjective *novus*, new; L. fem. n. *Oceanivirga*, An existing genus; *Novioceanivirga*: A genus related to but distinct from the existing genus Oceanivirga of new.

Novioceanobacillus

L. masc. adjective *novus*, new; L. masc. n. *Oceanobacillus*, An existing genus; *Novioceanobacillus*: A genus related to but distinct from the existing genus Oceanobacillus of new.

Novioceanobacter

L. masc. adjective *novus*, new; L. masc. n. *Oceanobacter*, An existing genus; *Novioceanobacter*: A genus related to but distinct from the existing genus Oceanobacter of new.

Novioceanococcus

L. masc. adjective *novus*, new; L. masc. n. *Oceanococcus*, An existing genus; *Novioceanococcus*: A genus related to but distinct from the existing genus Oceanococcus of new.

Novioceanospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Oceanospirillum*, An existing genus; *Novioceanospirillum*: A genus related to but distinct from the existing genus Oceanospirillum of new.

Novioceanotoga

L. masc. adjective *novus*, new; L. fem. n. *Oceanotoga*, An existing genus; *Novioceanotoga*: A genus related to but distinct from the existing genus Oceanotoga of new.

Noviochrobactrum

L. masc. adjective *novus*, new; L. neut. n. *Ochrobactrum*, An existing genus; *Noviochrobactrum*: A genus related to but distinct from the existing genus Ochrobactrum of new.

Noviochrovirga

L. masc. adjective *novus*, new; L. fem. n. *Ochrovirga*, An existing genus; *Noviochrovirga*: A genus related to but distinct from the existing genus Ochrovirga of new.

Novioctadecabacter

L. masc. adjective *novus*, new; L. masc. n. *Octadecabacter*, An existing genus; *Novioctadecabacter*: A genus related to but distinct from the existing genus Octadecabacter of new.

Novioculatella

L. masc. adjective *novus*, new; L. fem. n. *Oculatella*, An existing genus; *Novioculatella*: A genus related to but distinct from the existing genus Oculatella of new.

Noviodorella

L. masc. adjective *novus*, new; L. fem. dim. n. *Odorella*, An existing genus; *Noviodorella*: A genus related to but distinct from the existing genus Odorella of new.

Noviodoribacter

L. masc. adjective *novus*, new; L. masc. n. *Odoribacter*, An existing genus; *Noviodoribacter*: A genus related to but distinct from the existing genus Odoribacter of new.

Novioenococcus

L. masc. adjective *novus*, new; L. masc. n. *Oenococcus*, An existing genus; *Novioenococcus*: A genus related to but distinct from the existing genus Oenococcus of new.

Novioerskovia

L. masc. adjective *novus*, new; L. fem. n. *Oerskovia*, An existing genus; *Novioerskovia*: A genus related to but distinct from the existing genus Oerskovia of new.

Novioharaeibacter

L. masc. adjective *novus*, new; L. masc. n. *Oharaeibacter*, An existing genus; *Novioharaeibacter*: A genus related to but distinct from the existing genus Oharaeibacter of new.

Noviohtaekwangia

L. masc. adjective *novus*, new; L. fem. n. *Ohtaekwangia*, An existing genus; *Noviohtaekwangia*: A genus related to but distinct from the existing genus Ohtaekwangia of new.

Noviokeania

L. masc. adjective *novus*, new; L. fem. n. *Okeania*, An existing genus; *Noviokeania*: A genus related to but distinct from the existing genus Okeania of new.

Noviokibacterium

L. masc. adjective *novus*, new; L. neut. n. *Okibacterium*, An existing genus; *Noviokibacterium*: A genus related to but distinct from the existing genus Okibacterium of new.

Noviolegusella

L. masc. adjective *novus*, new; L. fem. dim. n. *Olegusella*, An existing genus; *Noviolegusella*: A genus related to but distinct from the existing genus Olegusella of new.

Novioleiagrimonas

L. masc. adjective *novus*, new; L. fem. n. *Oleiagrimonas*, An existing genus; *Novioleiagrimonas*: A genus related to but distinct from the existing genus Oleiagrimonas of new.

Novioleibacter

L. masc. adjective *novus*, new; L. masc. n. *Oleibacter*, An existing genus; *Novioleibacter*: A genus related to but distinct from the existing genus Oleibacter of new.

Novioleiharenicola

L. masc. adjective *novus*, new; L. masc. n. *Oleiharenicola*, An existing genus; *Novioleiharenicola*: A genus related to but distinct from the existing genus Oleiharenicola of new.

Novioleiliquidispirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Oleiliquidispirillum*, An existing genus; *Novioleiliquidispirillum*: A genus related to but distinct from the existing genus Oleiliquidispirillum of new.

Novioleisolibacter

L. masc. adjective *novus*, new; L. masc. n. *Oleisolibacter*, An existing genus; *Novioleisolibacter*: A genus related to but distinct from the existing genus Oleisolibacter of new.

Novioleispira

L. masc. adjective *novus*, new; L. fem. n. *Oleispira*, An existing genus; *Novioleispira*: A genus related to but distinct from the existing genus Oleispira of new.

Novioligella

L. masc. adjective *novus*, new; L. fem. dim. n. *Oligella*, An existing genus; *Novioligella*: A genus related to but distinct from the existing genus Oligella of new.

Novioligoflexus

L. masc. adjective *novus*, new; L. masc. n. *Oligoflexus*, An existing genus; *Novioligoflexus*: A genus related to but distinct from the existing genus Oligoflexus of new.

Novioligosphaera

L. masc. adjective *novus*, new; L. fem. n. *Oligosphaera*, An existing genus; *Novioligosphaera*: A genus related to but distinct from the existing genus Oligosphaera of new.

Novioligotropha

L. masc. adjective *novus*, new; L. fem. n. *Oligotropha*, An existing genus; *Novioligotropha*: A genus related to but distinct from the existing genus Oligotropha of new.

Noviolivibacter

L. masc. adjective *novus*, new; L. masc. n. *Olivibacter*, An existing genus; *Noviolivibacter*: A genus related to but distinct from the existing genus Olivibacter of new.

Noviolleya

L. masc. adjective *novus*, new; L. fem. n. *Olleya*, An existing genus; *Noviolleya*: A genus related to but distinct from the existing genus Olleya of new.

Noviolsenella

L. masc. adjective *novus*, new; L. fem. dim. n. *Olsenella*, An existing genus; *Noviolsenella*: A genus related to but distinct from the existing genus Olsenella of new.

Novionodrimia

L. masc. adjective *novus*, new; L. fem. n. *Onodrimia*, An existing genus; *Novionodrimia*: A genus related to but distinct from the existing genus Onodrimia of new.

Noviopitutus

L. masc. adjective *novus*, new; L. masc. n. *Opitutus*, An existing genus; *Noviopitutus*: A genus related to but distinct from the existing genus Opitutus of new.

Noviorenia

L. masc. adjective *novus*, new; L. fem. n. *Orenia*, An existing genus; *Noviorenia*: A genus related to but distinct from the existing genus Orenia of new.

Novioribacterium

L. masc. adjective *novus*, new; L. neut. n. *Oribacterium*, An existing genus; *Novioribacterium*: A genus related to but distinct from the existing genus Oribacterium of new.

Novioribaculum

L. masc. adjective *novus*, new; L. neut. n. *Oribaculum*, An existing genus; *Novioribaculum*: A genus related to but distinct from the existing genus Oribaculum of new.

Novioricola

L. masc. adjective *novus*, new; L. fem. n. *Oricola*, An existing genus; *Novioricola*: A genus related to but distinct from the existing genus Oricola of new.

Noviornatilinea

L. masc. adjective *novus*, new; L. fem. n. *Ornatilinea*, An existing genus; *Noviornatilinea*: A genus related to but distinct from the existing genus Ornatilinea of new.

Noviornithinibacillus

L. masc. adjective *novus*, new; L. masc. n. *Ornithinibacillus*, An existing genus; *Noviornithinibacillus*: A genus related to but distinct from the existing genus Ornithinibacillus of new.

Noviornithinibacter

L. masc. adjective *novus*, new; L. masc. n. *Ornithinibacter*, An existing genus; *Noviornithinibacter*: A genus related to but distinct from the existing genus Ornithinibacter of new.

Noviornithinicoccus

L. masc. adjective *novus*, new; L. masc. n. *Ornithinicoccus*, An existing genus; *Noviornithinicoccus*: A genus related to but distinct from the existing genus Ornithinicoccus of new.

Noviornithinimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Ornithinimicrobium*, An existing genus; *Noviornithinimicrobium*: A genus related to but distinct from the existing genus Ornithinimicrobium of new.

Noviornithobacterium

L. masc. adjective *novus*, new; L. neut. n. *Ornithobacterium*, An existing genus; *Noviornithobacterium*: A genus related to but distinct from the existing genus Ornithobacterium of new.

Noviorrella

L. masc. adjective *novus*, new; L. fem. dim. n. *Orrella*, An existing genus; *Noviorrella*: A genus related to but distinct from the existing genus Orrella of new.

Novioryzihumus

L. masc. adjective *novus*, new; L. fem. n. *Oryzihumus*, An existing genus; *Novioryzihumus*: A genus related to but distinct from the existing genus Oryzihumus of new.

Novioryzisolibacter

L. masc. adjective *novus*, new; L. masc. n. *Oryzisolibacter*, An existing genus; *Novioryzisolibacter*: A genus related to but distinct from the existing genus Oryzisolibacter of new.

Novioryzobacter

L. masc. adjective *novus*, new; L. masc. n. *Oryzobacter*, An existing genus; *Novioryzobacter*: A genus related to but distinct from the existing genus Oryzobacter of new.

Novioryzomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Oryzomicrobium*, An existing genus; *Novioryzomicrobium*: A genus related to but distinct from the existing genus Oryzomicrobium of new.

Novioryzomonas

L. masc. adjective *novus*, new; L. fem. n. *Oryzomonas*, An existing genus; *Novioryzomonas*: A genus related to but distinct from the existing genus Oryzomonas of new.

Novioscillatoria

L. masc. adjective *novus*, new; L. fem. n. *Oscillatoria*, An existing genus; *Novioscillatoria*: A genus related to but distinct from the existing genus Oscillatoria of new.

Novioscillibacter

L. masc. adjective *novus*, new; L. masc. n. *Oscillibacter*, An existing genus; *Novioscillibacter*: A genus related to but distinct from the existing genus Oscillibacter of new.

Novioscillochloris

L. masc. adjective *novus*, new; L. fem. n. *Oscillochloris*, An existing genus; *Novioscillochloris*: A genus related to but distinct from the existing genus Oscillochloris of new.

Novioscillospira

L. masc. adjective *novus*, new; L. fem. n. *Oscillospira*, An existing genus; *Novioscillospira*: A genus related to but distinct from the existing genus Oscillospira of new.

Noviotariodibacter

L. masc. adjective *novus*, new; L. masc. n. *Otariodibacter*, An existing genus; *Noviotariodibacter*: A genus related to but distinct from the existing genus Otariodibacter of new.

Noviottowia

L. masc. adjective *novus*, new; L. fem. n. *Ottowia*, An existing genus; *Noviottowia*: A genus related to but distinct from the existing genus Ottowia of new.

Noviowenweeksia

L. masc. adjective *novus*, new; L. fem. n. *Owenweeksia*, An existing genus; *Noviowenweeksia*: A genus related to but distinct from the existing genus Owenweeksia of new.

Novioxalobacter

L. masc. adjective *novus*, new; L. masc. n. *Oxalobacter*, An existing genus; *Novioxalobacter*: A genus related to but distinct from the existing genus Oxalobacter of new.

Novioxalophagus

L. masc. adjective *novus*, new; L. masc. n. *Oxalophagus*, An existing genus; *Novioxalophagus*: A genus related to but distinct from the existing genus Oxalophagus of new.

Novioxobacter

L. masc. adjective *novus*, new; L. masc. n. *Oxobacter*, An existing genus; *Novioxobacter*: A genus related to but distinct from the existing genus Oxobacter of new.

Novioxynema

L. masc. adjective *novus*, new; L. neut. n. *Oxynema*, An existing genus; *Novioxynema*: A genus related to but distinct from the existing genus Oxynema of new.

Novipacificibacter

L. masc. adjective *novus*, new; L. masc. n. *Pacificibacter*, An existing genus; *Novipacificibacter*: A genus related to but distinct from the existing genus Pacificibacter of new.

Novipaenactinomyces

L. masc. adjective *novus*, new; L. masc. n. *Paenactinomyces*, An existing genus; *Novipaenactinomyces*: A genus related to but distinct from the existing genus Paenactinomyces of new.

Novipaenalcaligenes

L. masc. adjective *novus*, new; L. masc. n. *Paenalcaligenes*, An existing genus; *Novipaenalcaligenes*: A genus related to but distinct from the existing genus Paenalcaligenes of new.

Novipaenarthrobacter

L. masc. adjective *novus*, new; L. masc. n. *Paenarthrobacter*, An existing genus; *Novipaenarthrobacter*: A genus related to but distinct from the existing genus Paenarthrobacter of new.

Novipaenibacillus

L. masc. adjective *novus*, new; L. masc. n. *Paenibacillus*, An existing genus; *Novipaenibacillus*: A genus related to but distinct from the existing genus Paenibacillus of new.

Novipaeniclostridium

L. masc. adjective *novus*, new; L. neut. dim. n. *Paeniclostridium*, An existing genus; *Novipaeniclostridium*: A genus related to but distinct from the existing genus Paeniclostridium of new.

Novipaeniglutamicibacter

L. masc. adjective *novus*, new; L. masc. n. *Paeniglutamicibacter*, An existing genus; *Novipaeniglutamicibacter*: A genus related to but distinct from the existing genus Paeniglutamicibacter of new.

Novipaenimaribius

L. masc. adjective *novus*, new; L. masc. n. *Paenimaribius*, An existing genus; *Novipaenimaribius*: A genus related to but distinct from the existing genus Paenimaribius of new.

Novipaenirhodobacter

L. masc. adjective *novus*, new; L. masc. n. *Paenirhodobacter*, An existing genus; *Novipaenirhodobacter*: A genus related to but distinct from the existing genus Paenirhodobacter of new.

Novipaenisporosarcina

L. masc. adjective *novus*, new; L. fem. n. *Paenisporosarcina*, An existing genus; *Novipaenisporosarcina*: A genus related to but distinct from the existing genus Paenisporosarcina of new.

Novipaenochrobactrum

L. masc. adjective *novus*, new; L. neut. n. *Paenochrobactrum*, An existing genus; *Novipaenochrobactrum*: A genus related to but distinct from the existing genus Paenochrobactrum of new.

Novipalaeococcus

L. masc. adjective *novus*, new; L. masc. n. *Palaeococcus*, An existing genus; *Novipalaeococcus*: A genus related to but distinct from the existing genus Palaeococcus of new.

Novipalleronia

L. masc. adjective *novus*, new; L. fem. n. *Palleronia*, An existing genus; *Novipalleronia*: A genus related to but distinct from the existing genus Palleronia of new.

Novipaludibacterium

L. masc. adjective *novus*, new; L. neut. n. *Paludibacterium*, An existing genus; *Novipaludibacterium*: A genus related to but distinct from the existing genus Paludibacterium of new.

Novipaludibaculum

L. masc. adjective *novus*, new; L. neut. n. *Paludibaculum*, An existing genus; *Novipaludibaculum*: A genus related to but distinct from the existing genus Paludibaculum of new.

Novipaludicola

L. masc. adjective *novus*, new; L. masc. n. *Paludicola*, An existing genus; *Novipaludicola*: A genus related to but distinct from the existing genus Paludicola of new.

Novipaludifilum

L. masc. adjective *novus*, new; L. neut. n. *Paludifilum*, An existing genus; *Novipaludifilum*: A genus related to but distinct from the existing genus Paludifilum of new.

Novipaludisphaera

L. masc. adjective *novus*, new; L. fem. n. *Paludisphaera*, An existing genus; *Novipaludisphaera*: A genus related to but distinct from the existing genus Paludisphaera of new.

Novipanacagrimonas

L. masc. adjective *novus*, new; L. fem. n. *Panacagrimonas*, An existing genus; *Novipanacagrimonas*: A genus related to but distinct from the existing genus Panacagrimonas of new.

Novipanacibacter

L. masc. adjective *novus*, new; L. masc. n. *Panacibacter*, An existing genus; *Novipanacibacter*: A genus related to but distinct from the existing genus Panacibacter of new.

Novipandoraea

L. masc. adjective *novus*, new; L. fem. n. *Pandoraea*, An existing genus; *Novipandoraea*: A genus related to but distinct from the existing genus Pandoraea of new.

Novipannonibacter

L. masc. adjective *novus*, new; L. masc. n. *Pannonibacter*, An existing genus; *Novipannonibacter*: A genus related to but distinct from the existing genus Pannonibacter of new.

Novipannus

L. masc. adjective *novus*, new; L. masc. n. *Pannus*, An existing genus; *Novipannus*: A genus related to but distinct from the existing genus Pannus of new.

Novipantanalinema

L. masc. adjective *novus*, new; L. neut. n. *Pantanalinema*, An existing genus; *Novipantanalinema*: A genus related to but distinct from the existing genus Pantanalinema of new.

Novipantoea

L. masc. adjective *novus*, new; L. fem. n. *Pantoea*, An existing genus; *Novipantoea*: A genus related to but distinct from the existing genus Pantoea of new.

Novipapillibacter

L. masc. adjective *novus*, new; L. masc. n. *Papillibacter*, An existing genus; *Novipapillibacter*: A genus related to but distinct from the existing genus Papillibacter of new.

Noviparabacteroides

L. masc. adjective *novus*, new; L. masc. n. *Parabacteroides*, An existing genus; *Noviparabacteroides*: A genus related to but distinct from the existing genus Parabacteroides of new.

Noviparablastomonas

L. masc. adjective *novus*, new; L. fem. n. *Parablastomonas*, An existing genus; *Noviparablastomonas*: A genus related to but distinct from the existing genus Parablastomonas of new.

Noviparaburkholderia

L. masc. adjective *novus*, new; L. fem. n. *Paraburkholderia*, An existing genus; *Noviparaburkholderia*: A genus related to but distinct from the existing genus Paraburkholderia of new.

Noviparacandidimonas

L. masc. adjective *novus*, new; L. fem. n. *Paracandidimonas*, An existing genus; *Noviparacandidimonas*: A genus related to but distinct from the existing genus Paracandidimonas of new.

Noviparachlamydia

L. masc. adjective *novus*, new; L. fem. n. *Parachlamydia*, An existing genus; *Noviparachlamydia*: A genus related to but distinct from the existing genus Parachlamydia of new.

Noviparaclostridium

L. masc. adjective *novus*, new; L. neut. dim. n. *Paraclostridium*, An existing genus; *Noviparaclostridium*: A genus related to but distinct from the existing genus Paraclostridium of new.

Noviparacnuella

L. masc. adjective *novus*, new; L. fem. dim. n. *Paracnuella*, An existing genus; *Noviparacnuella*: A genus related to but distinct from the existing genus Paracnuella of new.

Noviparacoccus

L. masc. adjective *novus*, new; L. masc. n. *Paracoccus*, An existing genus; *Noviparacoccus*: A genus related to but distinct from the existing genus Paracoccus of new.

Noviparaconexibacter

L. masc. adjective *novus*, new; L. masc. n. *Paraconexibacter*, An existing genus; *Noviparaconexibacter*: A genus related to but distinct from the existing genus Paraconexibacter of new.

Noviparacraurococcus

L. masc. adjective *novus*, new; L. masc. n. *Paracraurococcus*, An existing genus; *Noviparacraurococcus*: A genus related to but distinct from the existing genus Paracraurococcus of new.

Noviparadesulfovibrio

L. masc. adjective *novus*, new; L. masc. n. *Paradesulfovibrio*, An existing genus; *Noviparadesulfovibrio*: A genus related to but distinct from the existing genus Paradesulfovibrio of new.

Noviparadevosia

L. masc. adjective *novus*, new; L. fem. n. *Paradevosia*, An existing genus; *Noviparadevosia*: A genus related to but distinct from the existing genus Paradevosia of new.

Noviparadonghicola

L. masc. adjective *novus*, new; L. masc. n. *Paradonghicola*, An existing genus; *Noviparadonghicola*: A genus related to but distinct from the existing genus Paradonghicola of new.

Noviparaeggerthella

L. masc. adjective *novus*, new; L. fem. dim. n. *Paraeggerthella*, An existing genus; *Noviparaeggerthella*: A genus related to but distinct from the existing genus Paraeggerthella of new.

Noviparaferrimonas

L. masc. adjective *novus*, new; L. fem. n. *Paraferrimonas*, An existing genus; *Noviparaferrimonas*: A genus related to but distinct from the existing genus Paraferrimonas of new.

Noviparafilimonas

L. masc. adjective *novus*, new; L. fem. n. *Parafilimonas*, An existing genus; *Noviparafilimonas*: A genus related to but distinct from the existing genus Parafilimonas of new.

Noviparaflavitalea

L. masc. adjective *novus*, new; L. fem. n. *Paraflavitalea*, An existing genus; *Noviparaflavitalea*: A genus related to but distinct from the existing genus Paraflavitalea of new.

Noviparafrigoribacterium

L. masc. adjective *novus*, new; L. neut. n. *Parafrigoribacterium*, An existing genus; *Noviparafrigoribacterium*: A genus related to but distinct from the existing genus Parafrigoribacterium of new.

Noviparageobacillus

L. masc. adjective *novus*, new; L. masc. n. *Parageobacillus*, An existing genus; *Noviparageobacillus*: A genus related to but distinct from the existing genus Parageobacillus of new.

Noviparaglaciecola

L. masc. adjective *novus*, new; L. fem. n. *Paraglaciecola*, An existing genus; *Noviparaglaciecola*: A genus related to but distinct from the existing genus Paraglaciecola of new.

Noviparaglycomyces

L. masc. adjective *novus*, new; L. masc. n. *Paraglycomyces*, An existing genus; *Noviparaglycomyces*: A genus related to but distinct from the existing genus Paraglycomyces of new.

Noviparahaliea

L. masc. adjective *novus*, new; L. fem. n. *Parahaliea*, An existing genus; *Noviparahaliea*: A genus related to but distinct from the existing genus Parahaliea of new.

Noviparaherbaspirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Paraherbaspirillum*, An existing genus; *Noviparaherbaspirillum*: A genus related to but distinct from the existing genus Paraherbaspirillum of new.

Noviparalactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Paralactobacillus*, An existing genus; *Noviparalactobacillus*: A genus related to but distinct from the existing genus Paralactobacillus of new.

Noviparalcaligenes

L. masc. adjective *novus*, new; L. masc. n. *Paralcaligenes*, An existing genus; *Noviparalcaligenes*: A genus related to but distinct from the existing genus Paralcaligenes of new.

Noviparaliobacillus

L. masc. adjective *novus*, new; L. masc. n. *Paraliobacillus*, An existing genus; *Noviparaliobacillus*: A genus related to but distinct from the existing genus Paraliobacillus of new.

Noviparalkalibacillus

L. masc. adjective *novus*, new; L. masc. n. *Paralkalibacillus*, An existing genus; *Noviparalkalibacillus*: A genus related to but distinct from the existing genus Paralkalibacillus of new.

Noviparamaledivibacter

L. masc. adjective *novus*, new; L. masc. n. *Paramaledivibacter*, An existing genus; *Noviparamaledivibacter*: A genus related to but distinct from the existing genus Paramaledivibacter of new.

Noviparamesonia

L. masc. adjective *novus*, new; L. fem. n. *Paramesonia*, An existing genus; *Noviparamesonia*: A genus related to but distinct from the existing genus Paramesonia of new.

Noviparamoritella

L. masc. adjective *novus*, new; L. fem. dim. n. *Paramoritella*, An existing genus; *Noviparamoritella*: A genus related to but distinct from the existing genus Paramoritella of new.

Noviparamuribaculum

L. masc. adjective *novus*, new; L. neut. n. *Paramuribaculum*, An existing genus; *Noviparamuribaculum*: A genus related to but distinct from the existing genus Paramuribaculum of new.

Noviparaoerskovia

L. masc. adjective *novus*, new; L. fem. n. *Paraoerskovia*, An existing genus; *Noviparaoerskovia*: A genus related to but distinct from the existing genus Paraoerskovia of new.

Noviparapedobacter

L. masc. adjective *novus*, new; L. masc. n. *Parapedobacter*, An existing genus; *Noviparapedobacter*: A genus related to but distinct from the existing genus Parapedobacter of new.

Noviparaperlucidibaca

L. masc. adjective *novus*, new; L. fem. n. *Paraperlucidibaca*, An existing genus; *Noviparaperlucidibaca*: A genus related to but distinct from the existing genus Paraperlucidibaca of new.

Noviparaphaeobacter

L. masc. adjective *novus*, new; L. masc. n. *Paraphaeobacter*, An existing genus; *Noviparaphaeobacter*: A genus related to but distinct from the existing genus Paraphaeobacter of new.

Noviparaphotobacterium

L. masc. adjective *novus*, new; L. neut. n. *Paraphotobacterium*, An existing genus; *Noviparaphotobacterium*: A genus related to but distinct from the existing genus Paraphotobacterium of new.

Noviparaprevotella

L. masc. adjective *novus*, new; L. fem. dim. n. *Paraprevotella*, An existing genus; *Noviparaprevotella*: A genus related to but distinct from the existing genus Paraprevotella of new.

Noviparapseudoflavitalea

L. masc. adjective *novus*, new; L. fem. n. *Parapseudoflavitalea*, An existing genus; *Noviparapseudoflavitalea*: A genus related to but distinct from the existing genus Parapseudoflavitalea of new.

Noviparapusillimonas

L. masc. adjective *novus*, new; L. fem. n. *Parapusillimonas*, An existing genus; *Noviparapusillimonas*: A genus related to but distinct from the existing genus Parapusillimonas of new.

Novipararcticibacter

L. masc. adjective *novus*, new; L. masc. n. *Pararcticibacter*, An existing genus; *Novipararcticibacter*: A genus related to but distinct from the existing genus Pararcticibacter of new.

Novipararheinheimera

L. masc. adjective *novus*, new; L. fem. n. *Pararheinheimera*, An existing genus; *Novipararheinheimera*: A genus related to but distinct from the existing genus Pararheinheimera of new.

Novipararhizobium

L. masc. adjective *novus*, new; L. neut. n. *Pararhizobium*, An existing genus; *Novipararhizobium*: A genus related to but distinct from the existing genus Pararhizobium of new.

Novipararhodobacter

L. masc. adjective *novus*, new; L. masc. n. *Pararhodobacter*, An existing genus; *Novipararhodobacter*: A genus related to but distinct from the existing genus Pararhodobacter of new.

Novipararhodospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Pararhodospirillum*, An existing genus; *Novipararhodospirillum*: A genus related to but distinct from the existing genus Pararhodospirillum of new.

Novipararobbsia

L. masc. adjective *novus*, new; L. fem. n. *Pararobbsia*, An existing genus; *Novipararobbsia*: A genus related to but distinct from the existing genus Pararobbsia of new.

Noviparasaccharibacter

L. masc. adjective *novus*, new; L. masc. n. *Parasaccharibacter*, An existing genus; *Noviparasaccharibacter*: A genus related to but distinct from the existing genus Parasaccharibacter of new.

Noviparascardovia

L. masc. adjective *novus*, new; L. fem. n. *Parascardovia*, An existing genus; *Noviparascardovia*: A genus related to but distinct from the existing genus Parascardovia of new.

Noviparasedimentitalea

L. masc. adjective *novus*, new; L. fem. n. *Parasedimentitalea*, An existing genus; *Noviparasedimentitalea*: A genus related to but distinct from the existing genus Parasedimentitalea of new.

Noviparasediminibacterium

L. masc. adjective *novus*, new; L. neut. n. *Parasediminibacterium*, An existing genus; *Noviparasediminibacterium*: A genus related to but distinct from the existing genus Parasediminibacterium of new.

Noviparasegetibacter

L. masc. adjective *novus*, new; L. masc. n. *Parasegetibacter*, An existing genus; *Noviparasegetibacter*: A genus related to but distinct from the existing genus Parasegetibacter of new.

Noviparashewanella

L. masc. adjective *novus*, new; L. fem. dim. n. *Parashewanella*, An existing genus; *Noviparashewanella*: A genus related to but distinct from the existing genus Parashewanella of new.

Noviparasphaerochaeta

L. masc. adjective *novus*, new; L. fem. n. *Parasphaerochaeta*, An existing genus; *Noviparasphaerochaeta*: A genus related to but distinct from the existing genus Parasphaerochaeta of new.

Noviparasphingopyxis

L. masc. adjective *novus*, new; L. fem. n. *Parasphingopyxis*, An existing genus; *Noviparasphingopyxis*: A genus related to but distinct from the existing genus Parasphingopyxis of new.

Noviparasphingorhabdus

L. masc. adjective *novus*, new; L. fem. n. *Parasphingorhabdus*, An existing genus; *Noviparasphingorhabdus*: A genus related to but distinct from the existing genus Parasphingorhabdus of new.

Noviparasporobacterium

L. masc. adjective *novus*, new; L. neut. n. *Parasporobacterium*, An existing genus; *Noviparasporobacterium*: A genus related to but distinct from the existing genus Parasporobacterium of new.

Noviparasutterella

L. masc. adjective *novus*, new; L. fem. dim. n. *Parasutterella*, An existing genus; *Noviparasutterella*: A genus related to but distinct from the existing genus Parasutterella of new.

Noviparemcibacter

L. masc. adjective *novus*, new; L. masc. n. *Paremcibacter*, An existing genus; *Noviparemcibacter*: A genus related to but distinct from the existing genus Paremcibacter of new.

Noviparendozoicomonas

L. masc. adjective *novus*, new; L. fem. n. *Parendozoicomonas*, An existing genus; *Noviparendozoicomonas*: A genus related to but distinct from the existing genus Parendozoicomonas of new.

Noviparoceanicella

L. masc. adjective *novus*, new; L. fem. n. *Paroceanicella*, An existing genus; *Noviparoceanicella*: A genus related to but distinct from the existing genus Paroceanicella of new.

Noviparolsenella

L. masc. adjective *novus*, new; L. fem. dim. n. *Parolsenella*, An existing genus; *Noviparolsenella*: A genus related to but distinct from the existing genus Parolsenella of new.

Noviparvibium

L. masc. adjective *novus*, new; L. neut. n. *Parvibium*, An existing genus; *Noviparvibium*: A genus related to but distinct from the existing genus Parvibium of new.

Noviparvimonas

L. masc. adjective *novus*, new; L. fem. n. *Parvimonas*, An existing genus; *Noviparvimonas*: A genus related to but distinct from the existing genus Parvimonas of new.

Noviparviterribacter

L. masc. adjective *novus*, new; L. masc. n. *Parviterribacter*, An existing genus; *Noviparviterribacter*: A genus related to but distinct from the existing genus Parviterribacter of new.

Noviparvularcula

L. masc. adjective *novus*, new; L. fem. dim. n. *Parvularcula*, An existing genus; *Noviparvularcula*: A genus related to but distinct from the existing genus Parvularcula of new.

Novipasteurella

L. masc. adjective *novus*, new; L. fem. dim. n. *Pasteurella*, An existing genus; *Novipasteurella*: A genus related to but distinct from the existing genus Pasteurella of new.

Novipasteuria

L. masc. adjective *novus*, new; L. fem. n. *Pasteuria*, An existing genus; *Novipasteuria*: A genus related to but distinct from the existing genus Pasteuria of new.

Novipatiriisocius

L. masc. adjective *novus*, new; L. masc. n. *Patiriisocius*, An existing genus; *Novipatiriisocius*: A genus related to but distinct from the existing genus Patiriisocius of new.

Novipatulibacter

L. masc. adjective *novus*, new; L. masc. n. *Patulibacter*, An existing genus; *Novipatulibacter*: A genus related to but distinct from the existing genus Patulibacter of new.

Novipaucibacter

L. masc. adjective *novus*, new; L. masc. n. *Paucibacter*, An existing genus; *Novipaucibacter*: A genus related to but distinct from the existing genus Paucibacter of new.

Novipaucilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Paucilactobacillus*, An existing genus; *Novipaucilactobacillus*: A genus related to but distinct from the existing genus Paucilactobacillus of new.

Novipaucimonas

L. masc. adjective *novus*, new; L. fem. n. *Paucimonas*, An existing genus; *Novipaucimonas*: A genus related to but distinct from the existing genus Paucimonas of new.

Novipaucisalibacillus

L. masc. adjective *novus*, new; L. masc. n. *Paucisalibacillus*, An existing genus; *Novipaucisalibacillus*: A genus related to but distinct from the existing genus Paucisalibacillus of new.

Novipauljensenia

L. masc. adjective *novus*, new; L. fem. n. *Pauljensenia*, An existing genus; *Novipauljensenia*: A genus related to but distinct from the existing genus Pauljensenia of new.

Novipectinatus

L. masc. adjective *novus*, new; L. masc. n. *Pectinatus*, An existing genus; *Novipectinatus*: A genus related to but distinct from the existing genus Pectinatus of new.

Novipectobacterium

L. masc. adjective *novus*, new; L. neut. n. *Pectobacterium*, An existing genus; *Novipectobacterium*: A genus related to but distinct from the existing genus Pectobacterium of new.

Novipediococcus

L. masc. adjective *novus*, new; L. masc. n. *Pediococcus*, An existing genus; *Novipediococcus*: A genus related to but distinct from the existing genus Pediococcus of new.

Novipedobacter

L. masc. adjective *novus*, new; L. masc. n. *Pedobacter*, An existing genus; *Novipedobacter*: A genus related to but distinct from the existing genus Pedobacter of new.

Novipedococcus

L. masc. adjective *novus*, new; L. masc. n. *Pedococcus*, An existing genus; *Novipedococcus*: A genus related to but distinct from the existing genus Pedococcus of new.

Novipedomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Pedomicrobium*, An existing genus; *Novipedomicrobium*: A genus related to but distinct from the existing genus Pedomicrobium of new.

Novipegethrix

L. masc. adjective *novus*, new; L. fem. n. *Pegethrix*, An existing genus; *Novipegethrix*: A genus related to but distinct from the existing genus Pegethrix of new.

Novipelagibaca

L. masc. adjective *novus*, new; L. fem. n. *Pelagibaca*, An existing genus; *Novipelagibaca*: A genus related to but distinct from the existing genus Pelagibaca of new.

Novipelagibacillus

L. masc. adjective *novus*, new; L. masc. n. *Pelagibacillus*, An existing genus; *Novipelagibacillus*: A genus related to but distinct from the existing genus Pelagibacillus of new.

Novipelagibacterium

L. masc. adjective *novus*, new; L. neut. n. *Pelagibacterium*, An existing genus; *Novipelagibacterium*: A genus related to but distinct from the existing genus Pelagibacterium of new.

Novipelagibaculum

L. masc. adjective *novus*, new; L. neut. n. *Pelagibaculum*, An existing genus; *Novipelagibaculum*: A genus related to but distinct from the existing genus Pelagibaculum of new.

Novipelagibius

L. masc. adjective *novus*, new; L. masc. n. *Pelagibius*, An existing genus; *Novipelagibius*: A genus related to but distinct from the existing genus Pelagibius of new.

Novipelagicoccus

L. masc. adjective *novus*, new; L. masc. n. *Pelagicoccus*, An existing genus; *Novipelagicoccus*: A genus related to but distinct from the existing genus Pelagicoccus of new.

Novipelagicola

L. masc. adjective *novus*, new; L. masc. n. *Pelagicola*, An existing genus; *Novipelagicola*: A genus related to but distinct from the existing genus Pelagicola of new.

Novipelagihabitans

L. masc. adjective *novus*, new; L. masc. n. *Pelagihabitans*, An existing genus; *Novipelagihabitans*: A genus related to but distinct from the existing genus Pelagihabitans of new.

Novipelagimonas

L. masc. adjective *novus*, new; L. fem. n. *Pelagimonas*, An existing genus; *Novipelagimonas*: A genus related to but distinct from the existing genus Pelagimonas of new.

Novipelagirhabdus

L. masc. adjective *novus*, new; L. fem. n. *Pelagirhabdus*, An existing genus; *Novipelagirhabdus*: A genus related to but distinct from the existing genus Pelagirhabdus of new.

Novipelagitalea

L. masc. adjective *novus*, new; L. fem. n. *Pelagitalea*, An existing genus; *Novipelagitalea*: A genus related to but distinct from the existing genus Pelagitalea of new.

Novipelagivirga

L. masc. adjective *novus*, new; L. fem. n. *Pelagivirga*, An existing genus; *Novipelagivirga*: A genus related to but distinct from the existing genus Pelagivirga of new.

Novipelczaria

L. masc. adjective *novus*, new; L. fem. n. *Pelczaria*, An existing genus; *Novipelczaria*: A genus related to but distinct from the existing genus Pelczaria of new.

Novipelistega

L. masc. adjective *novus*, new; L. fem. n. *Pelistega*, An existing genus; *Novipelistega*: A genus related to but distinct from the existing genus Pelistega of new.

Novipelobium

L. masc. adjective *novus*, new; L. neut. n. *Pelobium*, An existing genus; *Novipelobium*: A genus related to but distinct from the existing genus Pelobium of new.

Novipelodictyon

L. masc. adjective *novus*, new; L. neut. n. *Pelodictyon*, An existing genus; *Novipelodictyon*: A genus related to but distinct from the existing genus Pelodictyon of new.

Novipelolinea

L. masc. adjective *novus*, new; L. fem. n. *Pelolinea*, An existing genus; *Novipelolinea*: A genus related to but distinct from the existing genus Pelolinea of new.

Novipelomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Pelomicrobium*, An existing genus; *Novipelomicrobium*: A genus related to but distinct from the existing genus Pelomicrobium of new.

Novipelomonas

L. masc. adjective *novus*, new; L. fem. n. *Pelomonas*, An existing genus; *Novipelomonas*: A genus related to but distinct from the existing genus Pelomonas of new.

Novipeloploca

L. masc. adjective *novus*, new; L. fem. n. *Peloploca*, An existing genus; *Novipeloploca*: A genus related to but distinct from the existing genus Peloploca of new.

Novipelosinus

L. masc. adjective *novus*, new; L. masc. n. *Pelosinus*, An existing genus; *Novipelosinus*: A genus related to but distinct from the existing genus Pelosinus of new.

Novipelospora

L. masc. adjective *novus*, new; L. fem. n. *Pelospora*, An existing genus; *Novipelospora*: A genus related to but distinct from the existing genus Pelospora of new.

Novipelotomaculum

L. masc. adjective *novus*, new; L. neut. n. *Pelotomaculum*, An existing genus; *Novipelotomaculum*: A genus related to but distinct from the existing genus Pelotomaculum of new.

Novipeptacetobacter

L. masc. adjective *novus*, new; L. masc. n. *Peptacetobacter*, An existing genus; *Novipeptacetobacter*: A genus related to but distinct from the existing genus Peptacetobacter of new.

Novipeptidiphaga

L. masc. adjective *novus*, new; L. fem. n. *Peptidiphaga*, An existing genus; *Novipeptidiphaga*: A genus related to but distinct from the existing genus Peptidiphaga of new.

Novipeptoanaerobacter

L. masc. adjective *novus*, new; L. masc. n. *Peptoanaerobacter*, An existing genus; *Novipeptoanaerobacter*: A genus related to but distinct from the existing genus Peptoanaerobacter of new.

Novipeptoclostridium

L. masc. adjective *novus*, new; L. neut. dim. n. *Peptoclostridium*, An existing genus; *Novipeptoclostridium*: A genus related to but distinct from the existing genus Peptoclostridium of new.

Novipeptococcus

L. masc. adjective *novus*, new; L. masc. n. *Peptococcus*, An existing genus; *Novipeptococcus*: A genus related to but distinct from the existing genus Peptococcus of new.

Novipeptoniphilus

L. masc. adjective *novus*, new; L. masc. n. *Peptoniphilus*, An existing genus; *Novipeptoniphilus*: A genus related to but distinct from the existing genus Peptoniphilus of new.

Novipeptostreptococcus

L. masc. adjective *novus*, new; L. masc. n. *Peptostreptococcus*, An existing genus; *Novipeptostreptococcus*: A genus related to but distinct from the existing genus Peptostreptococcus of new.

Noviperedibacter

L. masc. adjective *novus*, new; L. masc. n. *Peredibacter*, An existing genus; *Noviperedibacter*: A genus related to but distinct from the existing genus Peredibacter of new.

Noviperexilibacter

L. masc. adjective *novus*, new; L. masc. n. *Perexilibacter*, An existing genus; *Noviperexilibacter*: A genus related to but distinct from the existing genus Perexilibacter of new.

Noviperibacillus

L. masc. adjective *novus*, new; L. masc. n. *Peribacillus*, An existing genus; *Noviperibacillus*: A genus related to but distinct from the existing genus Peribacillus of new.

Noviperlucidibaca

L. masc. adjective *novus*, new; L. fem. n. *Perlucidibaca*, An existing genus; *Noviperlucidibaca*: A genus related to but distinct from the existing genus Perlucidibaca of new.

Novipermianibacter

L. masc. adjective *novus*, new; L. masc. n. *Permianibacter*, An existing genus; *Novipermianibacter*: A genus related to but distinct from the existing genus Permianibacter of new.

Novipersicimonas

L. masc. adjective *novus*, new; L. fem. n. *Persicimonas*, An existing genus; *Novipersicimonas*: A genus related to but distinct from the existing genus Persicimonas of new.

Novipersicirhabdus

L. masc. adjective *novus*, new; L. fem. n. *Persicirhabdus*, An existing genus; *Novipersicirhabdus*: A genus related to but distinct from the existing genus Persicirhabdus of new.

Novipersicitalea

L. masc. adjective *novus*, new; L. fem. n. *Persicitalea*, An existing genus; *Novipersicitalea*: A genus related to but distinct from the existing genus Persicitalea of new.

Novipersicivirga

L. masc. adjective *novus*, new; L. fem. n. *Persicivirga*, An existing genus; *Novipersicivirga*: A genus related to but distinct from the existing genus Persicivirga of new.

Novipersicobacter

L. masc. adjective *novus*, new; L. masc. n. *Persicobacter*, An existing genus; *Novipersicobacter*: A genus related to but distinct from the existing genus Persicobacter of new.

Novipersinema

L. masc. adjective *novus*, new; L. neut. n. *Persinema*, An existing genus; *Novipersinema*: A genus related to but distinct from the existing genus Persinema of new.

Noviperspicuibacter

L. masc. adjective *novus*, new; L. masc. n. *Perspicuibacter*, An existing genus; *Noviperspicuibacter*: A genus related to but distinct from the existing genus Perspicuibacter of new.

Novipetrimonas

L. masc. adjective *novus*, new; L. fem. n. *Petrimonas*, An existing genus; *Novipetrimonas*: A genus related to but distinct from the existing genus Petrimonas of new.

Novipetrobacter

L. masc. adjective *novus*, new; L. masc. n. *Petrobacter*, An existing genus; *Novipetrobacter*: A genus related to but distinct from the existing genus Petrobacter of new.

Novipetrocella

L. masc. adjective *novus*, new; L. fem. n. *Petrocella*, An existing genus; *Novipetrocella*: A genus related to but distinct from the existing genus Petrocella of new.

Novipetroclostridium

L. masc. adjective *novus*, new; L. neut. dim. n. *Petroclostridium*, An existing genus; *Novipetroclostridium*: A genus related to but distinct from the existing genus Petroclostridium of new.

Novipetrothermobacter

L. masc. adjective *novus*, new; L. masc. n. *Petrothermobacter*, An existing genus; *Novipetrothermobacter*: A genus related to but distinct from the existing genus Petrothermobacter of new.

Novipetrotoga

L. masc. adjective *novus*, new; L. fem. n. *Petrotoga*, An existing genus; *Novipetrotoga*: A genus related to but distinct from the existing genus Petrotoga of new.

Novipfennigia

L. masc. adjective *novus*, new; L. fem. n. *Pfennigia*, An existing genus; *Novipfennigia*: A genus related to but distinct from the existing genus Pfennigia of new.

Noviphaeobacterium

L. masc. adjective *novus*, new; L. neut. n. *Phaeobacterium*, An existing genus; *Noviphaeobacterium*: A genus related to but distinct from the existing genus Phaeobacterium of new.

Noviphaeochromatium

L. masc. adjective *novus*, new; L. neut. n. *Phaeochromatium*, An existing genus; *Noviphaeochromatium*: A genus related to but distinct from the existing genus Phaeochromatium of new.

Noviphaeocystidibacter

L. masc. adjective *novus*, new; L. masc. n. *Phaeocystidibacter*, An existing genus; *Noviphaeocystidibacter*: A genus related to but distinct from the existing genus Phaeocystidibacter of new.

Noviphaeodactylibacter

L. masc. adjective *novus*, new; L. masc. n. *Phaeodactylibacter*, An existing genus; *Noviphaeodactylibacter*: A genus related to but distinct from the existing genus Phaeodactylibacter of new.

Noviphaeospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Phaeospirillum*, An existing genus; *Noviphaeospirillum*: A genus related to but distinct from the existing genus Phaeospirillum of new.

Noviphaeovibrio

L. masc. adjective *novus*, new; L. masc. n. *Phaeovibrio*, An existing genus; *Noviphaeovibrio*: A genus related to but distinct from the existing genus Phaeovibrio of new.

Noviphaeovulum

L. masc. adjective *novus*, new; L. neut. n. *Phaeovulum*, An existing genus; *Noviphaeovulum*: A genus related to but distinct from the existing genus Phaeovulum of new.

Noviphascolarctobacterium

L. masc. adjective *novus*, new; L. neut. n. *Phascolarctobacterium*, An existing genus; *Noviphascolarctobacterium*: A genus related to but distinct from the existing genus Phascolarctobacterium of new.

Noviphaselicystis

L. masc. adjective *novus*, new; L. fem. n. *Phaselicystis*, An existing genus; *Noviphaselicystis*: A genus related to but distinct from the existing genus Phaselicystis of new.

Noviphaseolibacter

L. masc. adjective *novus*, new; L. masc. n. *Phaseolibacter*, An existing genus; *Noviphaseolibacter*: A genus related to but distinct from the existing genus Phaseolibacter of new.

Noviphenylobacterium

L. masc. adjective *novus*, new; L. neut. n. *Phenylobacterium*, An existing genus; *Noviphenylobacterium*: A genus related to but distinct from the existing genus Phenylobacterium of new.

Noviphocaeicola

L. masc. adjective *novus*, new; L. masc. n. *Phocaeicola*, An existing genus; *Noviphocaeicola*: A genus related to but distinct from the existing genus Phocaeicola of new.

Noviphocoenobacter

L. masc. adjective *novus*, new; L. masc. n. *Phocoenobacter*, An existing genus; *Noviphocoenobacter*: A genus related to but distinct from the existing genus Phocoenobacter of new.

Noviphorcysia

L. masc. adjective *novus*, new; L. fem. n. *Phorcysia*, An existing genus; *Noviphorcysia*: A genus related to but distinct from the existing genus Phorcysia of new.

Noviphotobacterium

L. masc. adjective *novus*, new; L. neut. n. *Photobacterium*, An existing genus; *Noviphotobacterium*: A genus related to but distinct from the existing genus Photobacterium of new.

Noviphotorhabdus

L. masc. adjective *novus*, new; L. fem. n. *Photorhabdus*, An existing genus; *Noviphotorhabdus*: A genus related to but distinct from the existing genus Photorhabdus of new.

Noviphragmitibacter

L. masc. adjective *novus*, new; L. masc. n. *Phragmitibacter*, An existing genus; *Noviphragmitibacter*: A genus related to but distinct from the existing genus Phragmitibacter of new.

Noviphreatobacter

L. masc. adjective *novus*, new; L. masc. n. *Phreatobacter*, An existing genus; *Noviphreatobacter*: A genus related to but distinct from the existing genus Phreatobacter of new.

Noviphycicoccus

L. masc. adjective *novus*, new; L. masc. n. *Phycicoccus*, An existing genus; *Noviphycicoccus*: A genus related to but distinct from the existing genus Phycicoccus of new.

Noviphycicola

L. masc. adjective *novus*, new; L. masc. n. *Phycicola*, An existing genus; *Noviphycicola*: A genus related to but distinct from the existing genus Phycicola of new.

Noviphycisphaera

L. masc. adjective *novus*, new; L. fem. n. *Phycisphaera*, An existing genus; *Noviphycisphaera*: A genus related to but distinct from the existing genus Phycisphaera of new.

Noviphycocomes

L. masc. adjective *novus*, new; L. masc. n. *Phycocomes*, An existing genus; *Noviphycocomes*: A genus related to but distinct from the existing genus Phycocomes of new.

Noviphyllonema

L. masc. adjective *novus*, new; L. neut. n. *Phyllonema*, An existing genus; *Noviphyllonema*: A genus related to but distinct from the existing genus Phyllonema of new.

Noviphytoactinopolyspora

L. masc. adjective *novus*, new; L. fem. n. *Phytoactinopolyspora*, An existing genus; *Noviphytoactinopolyspora*: A genus related to but distinct from the existing genus Phytoactinopolyspora of new.

Noviphytobacter

L. masc. adjective *novus*, new; L. masc. n. *Phytobacter*, An existing genus; *Noviphytobacter*: A genus related to but distinct from the existing genus Phytobacter of new.

Noviphytohabitans

L. masc. adjective *novus*, new; L. masc. n. *Phytohabitans*, An existing genus; *Noviphytohabitans*: A genus related to but distinct from the existing genus Phytohabitans of new.

Noviphytohalomonas

L. masc. adjective *novus*, new; L. fem. n. *Phytohalomonas*, An existing genus; *Noviphytohalomonas*: A genus related to but distinct from the existing genus Phytohalomonas of new.

Noviphytomonospora

L. masc. adjective *novus*, new; L. fem. n. *Phytomonospora*, An existing genus; *Noviphytomonospora*: A genus related to but distinct from the existing genus Phytomonospora of new.

Novipibocella

L. masc. adjective *novus*, new; L. fem. dim. n. *Pibocella*, An existing genus; *Novipibocella*: A genus related to but distinct from the existing genus Pibocella of new.

Novipicrophilus

L. masc. adjective *novus*, new; L. masc. n. *Picrophilus*, An existing genus; *Novipicrophilus*: A genus related to but distinct from the existing genus Picrophilus of new.

Novipiezobacter

L. masc. adjective *novus*, new; L. masc. n. *Piezobacter*, An existing genus; *Novipiezobacter*: A genus related to but distinct from the existing genus Piezobacter of new.

Novipigmentiphaga

L. masc. adjective *novus*, new; L. fem. n. *Pigmentiphaga*, An existing genus; *Novipigmentiphaga*: A genus related to but distinct from the existing genus Pigmentiphaga of new.

Novipilibacter

L. masc. adjective *novus*, new; L. masc. n. *Pilibacter*, An existing genus; *Novipilibacter*: A genus related to but distinct from the existing genus Pilibacter of new.

Novipilimelia

L. masc. adjective *novus*, new; L. fem. n. *Pilimelia*, An existing genus; *Novipilimelia*: A genus related to but distinct from the existing genus Pilimelia of new.

Novipillotina

L. masc. adjective *novus*, new; L. fem. n. *Pillotina*, An existing genus; *Novipillotina*: A genus related to but distinct from the existing genus Pillotina of new.

Novipimelobacter

L. masc. adjective *novus*, new; L. masc. n. *Pimelobacter*, An existing genus; *Novipimelobacter*: A genus related to but distinct from the existing genus Pimelobacter of new.

Novipinisolibacter

L. masc. adjective *novus*, new; L. masc. n. *Pinisolibacter*, An existing genus; *Novipinisolibacter*: A genus related to but distinct from the existing genus Pinisolibacter of new.

Novipinocchia

L. masc. adjective *novus*, new; L. fem. n. *Pinocchia*, An existing genus; *Novipinocchia*: A genus related to but distinct from the existing genus Pinocchia of new.

Novipirella

L. masc. adjective *novus*, new; L. fem. dim. n. *Pirella*, An existing genus; *Novipirella*: A genus related to but distinct from the existing genus Pirella of new.

Novipirellula

L. masc. adjective *novus*, new; L. fem. dim. n. *Pirellula*, An existing genus; *Novipirellula*: A genus related to but distinct from the existing genus Pirellula of new.

Novipiscicoccus

L. masc. adjective *novus*, new; L. masc. n. *Piscicoccus*, An existing genus; *Novipiscicoccus*: A genus related to but distinct from the existing genus Piscicoccus of new.

Novipisciglobus

L. masc. adjective *novus*, new; L. masc. n. *Pisciglobus*, An existing genus; *Novipisciglobus*: A genus related to but distinct from the existing genus Pisciglobus of new.

Novipiscinibacter

L. masc. adjective *novus*, new; L. masc. n. *Piscinibacter*, An existing genus; *Novipiscinibacter*: A genus related to but distinct from the existing genus Piscinibacter of new.

Novipiscirickettsia

L. masc. adjective *novus*, new; L. fem. n. *Piscirickettsia*, An existing genus; *Novipiscirickettsia*: A genus related to but distinct from the existing genus Piscirickettsia of new.

Novipistricoccus

L. masc. adjective *novus*, new; L. masc. n. *Pistricoccus*, An existing genus; *Novipistricoccus*: A genus related to but distinct from the existing genus Pistricoccus of new.

Noviplanctobacterium

L. masc. adjective *novus*, new; L. neut. n. *Planctobacterium*, An existing genus; *Noviplanctobacterium*: A genus related to but distinct from the existing genus Planctobacterium of new.

Noviplanctomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Planctomicrobium*, An existing genus; *Noviplanctomicrobium*: A genus related to but distinct from the existing genus Planctomicrobium of new.

Noviplanctomonas

L. masc. adjective *novus*, new; L. fem. n. *Planctomonas*, An existing genus; *Noviplanctomonas*: A genus related to but distinct from the existing genus Planctomonas of new.

Noviplanctomyces

L. masc. adjective *novus*, new; L. masc. n. *Planctomyces*, An existing genus; *Noviplanctomyces*: A genus related to but distinct from the existing genus Planctomyces of new.

Noviplanctopirus

L. masc. adjective *novus*, new; L. fem. n. *Planctopirus*, An existing genus; *Noviplanctopirus*: A genus related to but distinct from the existing genus Planctopirus of new.

Noviplanifilum

L. masc. adjective *novus*, new; L. neut. n. *Planifilum*, An existing genus; *Noviplanifilum*: A genus related to but distinct from the existing genus Planifilum of new.

Noviplanktomarina

L. masc. adjective *novus*, new; L. fem. n. *Planktomarina*, An existing genus; *Noviplanktomarina*: A genus related to but distinct from the existing genus Planktomarina of new.

Noviplanktosalinus

L. masc. adjective *novus*, new; L. masc. n. *Planktosalinus*, An existing genus; *Noviplanktosalinus*: A genus related to but distinct from the existing genus Planktosalinus of new.

Noviplanktotalea

L. masc. adjective *novus*, new; L. fem. n. *Planktotalea*, An existing genus; *Noviplanktotalea*: A genus related to but distinct from the existing genus Planktotalea of new.

Noviplanktothrix

L. masc. adjective *novus*, new; L. fem. n. *Planktothrix*, An existing genus; *Noviplanktothrix*: A genus related to but distinct from the existing genus Planktothrix of new.

Noviplanobacterium

L. masc. adjective *novus*, new; L. neut. n. *Planobacterium*, An existing genus; *Noviplanobacterium*: A genus related to but distinct from the existing genus Planobacterium of new.

Noviplanobispora

L. masc. adjective *novus*, new; L. fem. n. *Planobispora*, An existing genus; *Noviplanobispora*: A genus related to but distinct from the existing genus Planobispora of new.

Noviplanococcus

L. masc. adjective *novus*, new; L. masc. n. *Planococcus*, An existing genus; *Noviplanococcus*: A genus related to but distinct from the existing genus Planococcus of new.

Noviplanomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Planomicrobium*, An existing genus; *Noviplanomicrobium*: A genus related to but distinct from the existing genus Planomicrobium of new.

Noviplanomonospora

L. masc. adjective *novus*, new; L. fem. n. *Planomonospora*, An existing genus; *Noviplanomonospora*: A genus related to but distinct from the existing genus Planomonospora of new.

Noviplanopolyspora

L. masc. adjective *novus*, new; L. fem. n. *Planopolyspora*, An existing genus; *Noviplanopolyspora*: A genus related to but distinct from the existing genus Planopolyspora of new.

Noviplanosporangium

L. masc. adjective *novus*, new; L. neut. n. *Planosporangium*, An existing genus; *Noviplanosporangium*: A genus related to but distinct from the existing genus Planosporangium of new.

Noviplanotetraspora

L. masc. adjective *novus*, new; L. fem. n. *Planotetraspora*, An existing genus; *Noviplanotetraspora*: A genus related to but distinct from the existing genus Planotetraspora of new.

Noviplantactinospora

L. masc. adjective *novus*, new; L. fem. n. *Plantactinospora*, An existing genus; *Noviplantactinospora*: A genus related to but distinct from the existing genus Plantactinospora of new.

Noviplastorhodobacter

L. masc. adjective *novus*, new; L. masc. n. *Plastorhodobacter*, An existing genus; *Noviplastorhodobacter*: A genus related to but distinct from the existing genus Plastorhodobacter of new.

Novipleionea

L. masc. adjective *novus*, new; L. fem. n. *Pleionea*, An existing genus; *Novipleionea*: A genus related to but distinct from the existing genus Pleionea of new.

Novipleomorphobacterium

L. masc. adjective *novus*, new; L. neut. n. *Pleomorphobacterium*, An existing genus; *Novipleomorphobacterium*: A genus related to but distinct from the existing genus Pleomorphobacterium of new.

Novipleomorphochaeta

L. masc. adjective *novus*, new; L. fem. n. *Pleomorphochaeta*, An existing genus; *Novipleomorphochaeta*: A genus related to but distinct from the existing genus Pleomorphochaeta of new.

Novipleomorphomonas

L. masc. adjective *novus*, new; L. fem. n. *Pleomorphomonas*, An existing genus; *Novipleomorphomonas*: A genus related to but distinct from the existing genus Pleomorphomonas of new.

Novipleomorphovibrio

L. masc. adjective *novus*, new; L. masc. n. *Pleomorphovibrio*, An existing genus; *Novipleomorphovibrio*: A genus related to but distinct from the existing genus Pleomorphovibrio of new.

Noviplesiocystis

L. masc. adjective *novus*, new; L. fem. n. *Plesiocystis*, An existing genus; *Noviplesiocystis*: A genus related to but distinct from the existing genus Plesiocystis of new.

Noviplesiomonas

L. masc. adjective *novus*, new; L. fem. n. *Plesiomonas*, An existing genus; *Noviplesiomonas*: A genus related to but distinct from the existing genus Plesiomonas of new.

Novipleurocapsa

L. masc. adjective *novus*, new; L. fem. n. *Pleurocapsa*, An existing genus; *Novipleurocapsa*: A genus related to but distinct from the existing genus Pleurocapsa of new.

Novipluralibacter

L. masc. adjective *novus*, new; L. masc. n. *Pluralibacter*, An existing genus; *Novipluralibacter*: A genus related to but distinct from the existing genus Pluralibacter of new.

Novipokkaliibacter

L. masc. adjective *novus*, new; L. masc. n. *Pokkaliibacter*, An existing genus; *Novipokkaliibacter*: A genus related to but distinct from the existing genus Pokkaliibacter of new.

Novipolaribacter

L. masc. adjective *novus*, new; L. masc. n. *Polaribacter*, An existing genus; *Novipolaribacter*: A genus related to but distinct from the existing genus Polaribacter of new.

Novipolaromonas

L. masc. adjective *novus*, new; L. fem. n. *Polaromonas*, An existing genus; *Novipolaromonas*: A genus related to but distinct from the existing genus Polaromonas of new.

Novipolyangium

L. masc. adjective *novus*, new; L. neut. n. *Polyangium*, An existing genus; *Novipolyangium*: A genus related to but distinct from the existing genus Polyangium of new.

Novipolycladidibacter

L. masc. adjective *novus*, new; L. masc. n. *Polycladidibacter*, An existing genus; *Novipolycladidibacter*: A genus related to but distinct from the existing genus Polycladidibacter of new.

Novipolycladomyces

L. masc. adjective *novus*, new; L. masc. n. *Polycladomyces*, An existing genus; *Novipolycladomyces*: A genus related to but distinct from the existing genus Polycladomyces of new.

Novipolycyclovorans

L. masc. adjective *novus*, new; L. masc. n. *Polycyclovorans*, An existing genus; *Novipolycyclovorans*: A genus related to but distinct from the existing genus Polycyclovorans of new.

Novipolygonibacillus

L. masc. adjective *novus*, new; L. masc. n. *Polygonibacillus*, An existing genus; *Novipolygonibacillus*: A genus related to but distinct from the existing genus Polygonibacillus of new.

Novipolymorphospora

L. masc. adjective *novus*, new; L. fem. n. *Polymorphospora*, An existing genus; *Novipolymorphospora*: A genus related to but distinct from the existing genus Polymorphospora of new.

Novipolymorphum

L. masc. adjective *novus*, new; L. neut. n. *Polymorphum*, An existing genus; *Novipolymorphum*: A genus related to but distinct from the existing genus Polymorphum of new.

Novipolynucleobacter

L. masc. adjective *novus*, new; L. masc. n. *Polynucleobacter*, An existing genus; *Novipolynucleobacter*: A genus related to but distinct from the existing genus Polynucleobacter of new.

Novipolystyrenella

L. masc. adjective *novus*, new; L. fem. dim. n. *Polystyrenella*, An existing genus; *Novipolystyrenella*: A genus related to but distinct from the existing genus Polystyrenella of new.

Novipontibaca

L. masc. adjective *novus*, new; L. fem. n. *Pontibaca*, An existing genus; *Novipontibaca*: A genus related to but distinct from the existing genus Pontibaca of new.

Novipontibacillus

L. masc. adjective *novus*, new; L. masc. n. *Pontibacillus*, An existing genus; *Novipontibacillus*: A genus related to but distinct from the existing genus Pontibacillus of new.

Novipontibacter

L. masc. adjective *novus*, new; L. masc. n. *Pontibacter*, An existing genus; *Novipontibacter*: A genus related to but distinct from the existing genus Pontibacter of new.

Novipontibacterium

L. masc. adjective *novus*, new; L. neut. n. *Pontibacterium*, An existing genus; *Novipontibacterium*: A genus related to but distinct from the existing genus Pontibacterium of new.

Noviponticaulis

L. masc. adjective *novus*, new; L. masc. n. *Ponticaulis*, An existing genus; *Noviponticaulis*: A genus related to but distinct from the existing genus Ponticaulis of new.

Noviponticoccus

L. masc. adjective *novus*, new; L. masc. n. *Ponticoccus*, An existing genus; *Noviponticoccus*: A genus related to but distinct from the existing genus Ponticoccus of new.

Novipontimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Pontimicrobium*, An existing genus; *Novipontimicrobium*: A genus related to but distinct from the existing genus Pontimicrobium of new.

Novipontimonas

L. masc. adjective *novus*, new; L. fem. n. *Pontimonas*, An existing genus; *Novipontimonas*: A genus related to but distinct from the existing genus Pontimonas of new.

Novipontirhabdus

L. masc. adjective *novus*, new; L. fem. n. *Pontirhabdus*, An existing genus; *Novipontirhabdus*: A genus related to but distinct from the existing genus Pontirhabdus of new.

Novipopulibacter

L. masc. adjective *novus*, new; L. masc. n. *Populibacter*, An existing genus; *Novipopulibacter*: A genus related to but distinct from the existing genus Populibacter of new.

Novipopulibacterium

L. masc. adjective *novus*, new; L. neut. n. *Populibacterium*, An existing genus; *Novipopulibacterium*: A genus related to but distinct from the existing genus Populibacterium of new.

Noviporifericola

L. masc. adjective *novus*, new; L. masc. n. *Porifericola*, An existing genus; *Noviporifericola*: A genus related to but distinct from the existing genus Porifericola of new.

Noviporphyrobacter

L. masc. adjective *novus*, new; L. masc. n. *Porphyrobacter*, An existing genus; *Noviporphyrobacter*: A genus related to but distinct from the existing genus Porphyrobacter of new.

Noviporphyromonas

L. masc. adjective *novus*, new; L. fem. n. *Porphyromonas*, An existing genus; *Noviporphyromonas*: A genus related to but distinct from the existing genus Porphyromonas of new.

Noviportibacter

L. masc. adjective *novus*, new; L. masc. n. *Portibacter*, An existing genus; *Noviportibacter*: A genus related to but distinct from the existing genus Portibacter of new.

Noviporticoccus

L. masc. adjective *novus*, new; L. masc. n. *Porticoccus*, An existing genus; *Noviporticoccus*: A genus related to but distinct from the existing genus Porticoccus of new.

Noviposeidonibacter

L. masc. adjective *novus*, new; L. masc. n. *Poseidonibacter*, An existing genus; *Noviposeidonibacter*: A genus related to but distinct from the existing genus Poseidonibacter of new.

Noviposeidonocella

L. masc. adjective *novus*, new; L. fem. n. *Poseidonocella*, An existing genus; *Noviposeidonocella*: A genus related to but distinct from the existing genus Poseidonocella of new.

Novipostechiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Postechiella*, An existing genus; *Novipostechiella*: A genus related to but distinct from the existing genus Postechiella of new.

Novipotamolinea

L. masc. adjective *novus*, new; L. fem. n. *Potamolinea*, An existing genus; *Novipotamolinea*: A genus related to but distinct from the existing genus Potamolinea of new.

Novipotamosiphon

L. masc. adjective *novus*, new; L. masc. n. *Potamosiphon*, An existing genus; *Novipotamosiphon*: A genus related to but distinct from the existing genus Potamosiphon of new.

Novipovalibacter

L. masc. adjective *novus*, new; L. masc. n. *Povalibacter*, An existing genus; *Novipovalibacter*: A genus related to but distinct from the existing genus Povalibacter of new.

Novipradoshia

L. masc. adjective *novus*, new; L. fem. n. *Pradoshia*, An existing genus; *Novipradoshia*: A genus related to but distinct from the existing genus Pradoshia of new.

Novipragia

L. masc. adjective *novus*, new; L. fem. n. *Pragia*, An existing genus; *Novipragia*: A genus related to but distinct from the existing genus Pragia of new.

Noviprauserella

L. masc. adjective *novus*, new; L. fem. dim. n. *Prauserella*, An existing genus; *Noviprauserella*: A genus related to but distinct from the existing genus Prauserella of new.

Novipreeria

L. masc. adjective *novus*, new; L. fem. n. *Preeria*, An existing genus; *Novipreeria*: A genus related to but distinct from the existing genus Preeria of new.

Noviprescottella

L. masc. adjective *novus*, new; L. fem. dim. n. *Prescottella*, An existing genus; *Noviprescottella*: A genus related to but distinct from the existing genus Prescottella of new.

Noviprevotella

L. masc. adjective *novus*, new; L. fem. dim. n. *Prevotella*, An existing genus; *Noviprevotella*: A genus related to but distinct from the existing genus Prevotella of new.

Novipricia

L. masc. adjective *novus*, new; L. fem. n. *Pricia*, An existing genus; *Novipricia*: A genus related to but distinct from the existing genus Pricia of new.

Noviprimorskyibacter

L. masc. adjective *novus*, new; L. masc. n. *Primorskyibacter*, An existing genus; *Noviprimorskyibacter*: A genus related to but distinct from the existing genus Primorskyibacter of new.

Noviprochlorococcus

L. masc. adjective *novus*, new; L. masc. n. *Prochlorococcus*, An existing genus; *Noviprochlorococcus*: A genus related to but distinct from the existing genus Prochlorococcus of new.

Noviprochloron

L. masc. adjective *novus*, new; L. neut. n. *Prochloron*, An existing genus; *Noviprochloron*: A genus related to but distinct from the existing genus Prochloron of new.

Noviprochlorothrix

L. masc. adjective *novus*, new; L. fem. n. *Prochlorothrix*, An existing genus; *Noviprochlorothrix*: A genus related to but distinct from the existing genus Prochlorothrix of new.

Noviprofundibacter

L. masc. adjective *novus*, new; L. masc. n. *Profundibacter*, An existing genus; *Noviprofundibacter*: A genus related to but distinct from the existing genus Profundibacter of new.

Noviprofundibacterium

L. masc. adjective *novus*, new; L. neut. n. *Profundibacterium*, An existing genus; *Noviprofundibacterium*: A genus related to but distinct from the existing genus Profundibacterium of new.

Noviprofundimonas

L. masc. adjective *novus*, new; L. fem. n. *Profundimonas*, An existing genus; *Noviprofundimonas*: A genus related to but distinct from the existing genus Profundimonas of new.

Noviprolinoborus

L. masc. adjective *novus*, new; L. masc. n. *Prolinoborus*, An existing genus; *Noviprolinoborus*: A genus related to but distinct from the existing genus Prolinoborus of new.

Noviprolixibacter

L. masc. adjective *novus*, new; L. masc. n. *Prolixibacter*, An existing genus; *Noviprolixibacter*: A genus related to but distinct from the existing genus Prolixibacter of new.

Novipromicromonospora

L. masc. adjective *novus*, new; L. fem. n. *Promicromonospora*, An existing genus; *Novipromicromonospora*: A genus related to but distinct from the existing genus Promicromonospora of new.

Novipropionibacterium

L. masc. adjective *novus*, new; L. neut. n. *Propionibacterium*, An existing genus; *Novipropionibacterium*: A genus related to but distinct from the existing genus Propionibacterium of new.

Novipropionicicella

L. masc. adjective *novus*, new; L. fem. n. *Propionicicella*, An existing genus; *Novipropionicicella*: A genus related to but distinct from the existing genus Propionicicella of new.

Novipropioniferax

L. masc. adjective *novus*, new; L. fem. n. *Propioniferax*, An existing genus; *Novipropioniferax*: A genus related to but distinct from the existing genus Propioniferax of new.

Novipropionigenium

L. masc. adjective *novus*, new; L. neut. n. *Propionigenium*, An existing genus; *Novipropionigenium*: A genus related to but distinct from the existing genus Propionigenium of new.

Novipropionimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Propionimicrobium*, An existing genus; *Novipropionimicrobium*: A genus related to but distinct from the existing genus Propionimicrobium of new.

Novipropionispora

L. masc. adjective *novus*, new; L. fem. n. *Propionispora*, An existing genus; *Novipropionispora*: A genus related to but distinct from the existing genus Propionispora of new.

Novipropionivibrio

L. masc. adjective *novus*, new; L. masc. n. *Propionivibrio*, An existing genus; *Novipropionivibrio*: A genus related to but distinct from the existing genus Propionivibrio of new.

Noviprosthecobacter

L. masc. adjective *novus*, new; L. masc. n. *Prosthecobacter*, An existing genus; *Noviprosthecobacter*: A genus related to but distinct from the existing genus Prosthecobacter of new.

Noviprosthecochloris

L. masc. adjective *novus*, new; L. fem. n. *Prosthecochloris*, An existing genus; *Noviprosthecochloris*: A genus related to but distinct from the existing genus Prosthecochloris of new.

Noviprosthecomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Prosthecomicrobium*, An existing genus; *Noviprosthecomicrobium*: A genus related to but distinct from the existing genus Prosthecomicrobium of new.

Noviprotaetiibacter

L. masc. adjective *novus*, new; L. masc. n. *Protaetiibacter*, An existing genus; *Noviprotaetiibacter*: A genus related to but distinct from the existing genus Protaetiibacter of new.

Noviproteiniborus

L. masc. adjective *novus*, new; L. masc. n. *Proteiniborus*, An existing genus; *Noviproteiniborus*: A genus related to but distinct from the existing genus Proteiniborus of new.

Noviproteiniclasticum

L. masc. adjective *novus*, new; L. neut. n. *Proteiniclasticum*, An existing genus; *Noviproteiniclasticum*: A genus related to but distinct from the existing genus Proteiniclasticum of new.

Noviproteiniphilum

L. masc. adjective *novus*, new; L. neut. n. *Proteiniphilum*, An existing genus; *Noviproteiniphilum*: A genus related to but distinct from the existing genus Proteiniphilum of new.

Noviproteinivorax

L. masc. adjective *novus*, new; L. neut. n. *Proteinivorax*, An existing genus; *Noviproteinivorax*: A genus related to but distinct from the existing genus Proteinivorax of new.

Noviproteocatella

L. masc. adjective *novus*, new; L. fem. dim. n. *Proteocatella*, An existing genus; *Noviproteocatella*: A genus related to but distinct from the existing genus Proteocatella of new.

Noviprotomonas

L. masc. adjective *novus*, new; L. fem. n. *Protomonas*, An existing genus; *Noviprotomonas*: A genus related to but distinct from the existing genus Protomonas of new.

Noviprovencibacterium

L. masc. adjective *novus*, new; L. neut. n. *Provencibacterium*, An existing genus; *Noviprovencibacterium*: A genus related to but distinct from the existing genus Provencibacterium of new.

Noviprovidencia

L. masc. adjective *novus*, new; L. fem. n. *Providencia*, An existing genus; *Noviprovidencia*: A genus related to but distinct from the existing genus Providencia of new.

Novipseudacidovorax

L. masc. adjective *novus*, new; L. masc. n. *Pseudacidovorax*, An existing genus; *Novipseudacidovorax*: A genus related to but distinct from the existing genus Pseudacidovorax of new.

Novipseudactinotalea

L. masc. adjective *novus*, new; L. fem. n. *Pseudactinotalea*, An existing genus; *Novipseudactinotalea*: A genus related to but distinct from the existing genus Pseudactinotalea of new.

Novipseudaeromonas

L. masc. adjective *novus*, new; L. fem. n. *Pseudaeromonas*, An existing genus; *Novipseudaeromonas*: A genus related to but distinct from the existing genus Pseudaeromonas of new.

Novipseudaestuariivita

L. masc. adjective *novus*, new; L. fem. n. *Pseudaestuariivita*, An existing genus; *Novipseudaestuariivita*: A genus related to but distinct from the existing genus Pseudaestuariivita of new.

Novipseudahrensia

L. masc. adjective *novus*, new; L. fem. n. *Pseudahrensia*, An existing genus; *Novipseudahrensia*: A genus related to but distinct from the existing genus Pseudahrensia of new.

Novipseudaminobacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudaminobacter*, An existing genus; *Novipseudaminobacter*: A genus related to but distinct from the existing genus Pseudaminobacter of new.

Novipseudarcicella

L. masc. adjective *novus*, new; L. fem. n. *Pseudarcicella*, An existing genus; *Novipseudarcicella*: A genus related to but distinct from the existing genus Pseudarcicella of new.

Novipseudarthrobacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudarthrobacter*, An existing genus; *Novipseudarthrobacter*: A genus related to but distinct from the existing genus Pseudarthrobacter of new.

Novipseudenhygromyxa

L. masc. adjective *novus*, new; L. fem. n. *Pseudenhygromyxa*, An existing genus; *Novipseudenhygromyxa*: A genus related to but distinct from the existing genus Pseudenhygromyxa of new.

Novipseudescherichia

L. masc. adjective *novus*, new; L. fem. n. *Pseudescherichia*, An existing genus; *Novipseudescherichia*: A genus related to but distinct from the existing genus Pseudescherichia of new.

Novipseudidiomarina

L. masc. adjective *novus*, new; L. fem. n. *Pseudidiomarina*, An existing genus; *Novipseudidiomarina*: A genus related to but distinct from the existing genus Pseudidiomarina of new.

Novipseudoalteromonas

L. masc. adjective *novus*, new; L. fem. n. *Pseudoalteromonas*, An existing genus; *Novipseudoalteromonas*: A genus related to but distinct from the existing genus Pseudoalteromonas of new.

Novipseudoamycolata

L. masc. adjective *novus*, new; L. fem. n. *Pseudoamycolata*, An existing genus; *Novipseudoamycolata*: A genus related to but distinct from the existing genus Pseudoamycolata of new.

Novipseudobacillus

L. masc. adjective *novus*, new; L. masc. n. *Pseudobacillus*, An existing genus; *Novipseudobacillus*: A genus related to but distinct from the existing genus Pseudobacillus of new.

Novipseudobacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudobacter*, An existing genus; *Novipseudobacter*: A genus related to but distinct from the existing genus Pseudobacter of new.

Novipseudobacteriovorax

L. masc. adjective *novus*, new; L. masc. n. *Pseudobacteriovorax*, An existing genus; *Novipseudobacteriovorax*: A genus related to but distinct from the existing genus Pseudobacteriovorax of new.

Novipseudobacteroides

L. masc. adjective *novus*, new; L. masc. n. *Pseudobacteroides*, An existing genus; *Novipseudobacteroides*: A genus related to but distinct from the existing genus Pseudobacteroides of new.

Novipseudobizionia

L. masc. adjective *novus*, new; L. fem. n. *Pseudobizionia*, An existing genus; *Novipseudobizionia*: A genus related to but distinct from the existing genus Pseudobizionia of new.

Novipseudobowmanella

L. masc. adjective *novus*, new; L. fem. dim. n. *Pseudobowmanella*, An existing genus; *Novipseudobowmanella*: A genus related to but distinct from the existing genus Pseudobowmanella of new.

Novipseudobutyrivibrio

L. masc. adjective *novus*, new; L. masc. n. *Pseudobutyrivibrio*, An existing genus; *Novipseudobutyrivibrio*: A genus related to but distinct from the existing genus Pseudobutyrivibrio of new.

Novipseudocaedibacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudocaedibacter*, An existing genus; *Novipseudocaedibacter*: A genus related to but distinct from the existing genus Pseudocaedibacter of new.

Novipseudochelatococcus

L. masc. adjective *novus*, new; L. masc. n. *Pseudochelatococcus*, An existing genus; *Novipseudochelatococcus*: A genus related to but distinct from the existing genus Pseudochelatococcus of new.

Novipseudochrobactrum

L. masc. adjective *novus*, new; L. neut. n. *Pseudochrobactrum*, An existing genus; *Novipseudochrobactrum*: A genus related to but distinct from the existing genus Pseudochrobactrum of new.

Novipseudocitrobacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudocitrobacter*, An existing genus; *Novipseudocitrobacter*: A genus related to but distinct from the existing genus Pseudocitrobacter of new.

Novipseudoclavibacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudoclavibacter*, An existing genus; *Novipseudoclavibacter*: A genus related to but distinct from the existing genus Pseudoclavibacter of new.

Novipseudoclostridium

L. masc. adjective *novus*, new; L. neut. dim. n. *Pseudoclostridium*, An existing genus; *Novipseudoclostridium*: A genus related to but distinct from the existing genus Pseudoclostridium of new.

Novipseudocolwellia

L. masc. adjective *novus*, new; L. fem. n. *Pseudocolwellia*, An existing genus; *Novipseudocolwellia*: A genus related to but distinct from the existing genus Pseudocolwellia of new.

Novipseudodesulfovibrio

L. masc. adjective *novus*, new; L. masc. n. *Pseudodesulfovibrio*, An existing genus; *Novipseudodesulfovibrio*: A genus related to but distinct from the existing genus Pseudodesulfovibrio of new.

Novipseudodonghicola

L. masc. adjective *novus*, new; L. masc. n. *Pseudodonghicola*, An existing genus; *Novipseudodonghicola*: A genus related to but distinct from the existing genus Pseudodonghicola of new.

Novipseudoduganella

L. masc. adjective *novus*, new; L. fem. dim. n. *Pseudoduganella*, An existing genus; *Novipseudoduganella*: A genus related to but distinct from the existing genus Pseudoduganella of new.

Novipseudoflavitalea

L. masc. adjective *novus*, new; L. fem. n. *Pseudoflavitalea*, An existing genus; *Novipseudoflavitalea*: A genus related to but distinct from the existing genus Pseudoflavitalea of new.

Novipseudoflavonifractor

L. masc. adjective *novus*, new; L. masc. n. *Pseudoflavonifractor*, An existing genus; *Novipseudoflavonifractor*: A genus related to but distinct from the existing genus Pseudoflavonifractor of new.

Novipseudofrancisella

L. masc. adjective *novus*, new; L. fem. dim. n. *Pseudofrancisella*, An existing genus; *Novipseudofrancisella*: A genus related to but distinct from the existing genus Pseudofrancisella of new.

Novipseudofulvibacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudofulvibacter*, An existing genus; *Novipseudofulvibacter*: A genus related to but distinct from the existing genus Pseudofulvibacter of new.

Novipseudofulvimonas

L. masc. adjective *novus*, new; L. fem. n. *Pseudofulvimonas*, An existing genus; *Novipseudofulvimonas*: A genus related to but distinct from the existing genus Pseudofulvimonas of new.

Novipseudogemmobacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudogemmobacter*, An existing genus; *Novipseudogemmobacter*: A genus related to but distinct from the existing genus Pseudogemmobacter of new.

Novipseudoglutamicibacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudoglutamicibacter*, An existing genus; *Novipseudoglutamicibacter*: A genus related to but distinct from the existing genus Pseudoglutamicibacter of new.

Novipseudogracilibacillus

L. masc. adjective *novus*, new; L. masc. n. *Pseudogracilibacillus*, An existing genus; *Novipseudogracilibacillus*: A genus related to but distinct from the existing genus Pseudogracilibacillus of new.

Novipseudogulbenkiania

L. masc. adjective *novus*, new; L. fem. n. *Pseudogulbenkiania*, An existing genus; *Novipseudogulbenkiania*: A genus related to but distinct from the existing genus Pseudogulbenkiania of new.

Novipseudohaliea

L. masc. adjective *novus*, new; L. fem. n. *Pseudohaliea*, An existing genus; *Novipseudohaliea*: A genus related to but distinct from the existing genus Pseudohaliea of new.

Novipseudohalioglobus

L. masc. adjective *novus*, new; L. masc. n. *Pseudohalioglobus*, An existing genus; *Novipseudohalioglobus*: A genus related to but distinct from the existing genus Pseudohalioglobus of new.

Novipseudohalocynthiibacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudohalocynthiibacter*, An existing genus; *Novipseudohalocynthiibacter*: A genus related to but distinct from the existing genus Pseudohalocynthiibacter of new.

Novipseudohoeflea

L. masc. adjective *novus*, new; L. fem. n. *Pseudohoeflea*, An existing genus; *Novipseudohoeflea*: A genus related to but distinct from the existing genus Pseudohoeflea of new.

Novipseudohongiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Pseudohongiella*, An existing genus; *Novipseudohongiella*: A genus related to but distinct from the existing genus Pseudohongiella of new.

Novipseudokineococcus

L. masc. adjective *novus*, new; L. masc. n. *Pseudokineococcus*, An existing genus; *Novipseudokineococcus*: A genus related to but distinct from the existing genus Pseudokineococcus of new.

Novipseudolabrys

L. masc. adjective *novus*, new; L. masc. n. *Pseudolabrys*, An existing genus; *Novipseudolabrys*: A genus related to but distinct from the existing genus Pseudolabrys of new.

Novipseudoleptotrichia

L. masc. adjective *novus*, new; L. fem. n. *Pseudoleptotrichia*, An existing genus; *Novipseudoleptotrichia*: A genus related to but distinct from the existing genus Pseudoleptotrichia of new.

Novipseudolysinimonas

L. masc. adjective *novus*, new; L. fem. n. *Pseudolysinimonas*, An existing genus; *Novipseudolysinimonas*: A genus related to but distinct from the existing genus Pseudolysinimonas of new.

Novipseudolysobacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudolysobacter*, An existing genus; *Novipseudolysobacter*: A genus related to but distinct from the existing genus Pseudolysobacter of new.

Novipseudomaribius

L. masc. adjective *novus*, new; L. masc. n. *Pseudomaribius*, An existing genus; *Novipseudomaribius*: A genus related to but distinct from the existing genus Pseudomaribius of new.

Novipseudomaricurvus

L. masc. adjective *novus*, new; L. masc. n. *Pseudomaricurvus*, An existing genus; *Novipseudomaricurvus*: A genus related to but distinct from the existing genus Pseudomaricurvus of new.

Novipseudomethylobacillus

L. masc. adjective *novus*, new; L. masc. n. *Pseudomethylobacillus*, An existing genus; *Novipseudomethylobacillus*: A genus related to but distinct from the existing genus Pseudomethylobacillus of new.

Novipseudomonas

L. masc. adjective *novus*, new; L. fem. n. *Pseudomonas*, An existing genus; *Novipseudomonas*: A genus related to but distinct from the existing genus Pseudomonas of new.

Novipseudonocardia

L. masc. adjective *novus*, new; L. fem. n. *Pseudonocardia*, An existing genus; *Novipseudonocardia*: A genus related to but distinct from the existing genus Pseudonocardia of new.

Novipseudooceanicola

L. masc. adjective *novus*, new; L. masc. n. *Pseudooceanicola*, An existing genus; *Novipseudooceanicola*: A genus related to but distinct from the existing genus Pseudooceanicola of new.

Novipseudooctadecabacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudooctadecabacter*, An existing genus; *Novipseudooctadecabacter*: A genus related to but distinct from the existing genus Pseudooctadecabacter of new.

Novipseudopedobacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudopedobacter*, An existing genus; *Novipseudopedobacter*: A genus related to but distinct from the existing genus Pseudopedobacter of new.

Novipseudopelagicola

L. masc. adjective *novus*, new; L. masc. n. *Pseudopelagicola*, An existing genus; *Novipseudopelagicola*: A genus related to but distinct from the existing genus Pseudopelagicola of new.

Novipseudophaeobacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudophaeobacter*, An existing genus; *Novipseudophaeobacter*: A genus related to but distinct from the existing genus Pseudophaeobacter of new.

Novipseudopropionibacterium

L. masc. adjective *novus*, new; L. neut. n. *Pseudopropionibacterium*, An existing genus; *Novipseudopropionibacterium*: A genus related to but distinct from the existing genus Pseudopropionibacterium of new.

Novipseudopuniceibacterium

L. masc. adjective *novus*, new; L. neut. n. *Pseudopuniceibacterium*, An existing genus; *Novipseudopuniceibacterium*: A genus related to but distinct from the existing genus Pseudopuniceibacterium of new.

Novipseudoramibacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudoramibacter*, An existing genus; *Novipseudoramibacter*: A genus related to but distinct from the existing genus Pseudoramibacter of new.

Novipseudorhizobium

L. masc. adjective *novus*, new; L. neut. n. *Pseudorhizobium*, An existing genus; *Novipseudorhizobium*: A genus related to but distinct from the existing genus Pseudorhizobium of new.

Novipseudorhodobacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudorhodobacter*, An existing genus; *Novipseudorhodobacter*: A genus related to but distinct from the existing genus Pseudorhodobacter of new.

Novipseudorhodoferax

L. masc. adjective *novus*, new; L. masc. n. *Pseudorhodoferax*, An existing genus; *Novipseudorhodoferax*: A genus related to but distinct from the existing genus Pseudorhodoferax of new.

Novipseudorhodoplanes

L. masc. adjective *novus*, new; L. masc. n. *Pseudorhodoplanes*, An existing genus; *Novipseudorhodoplanes*: A genus related to but distinct from the existing genus Pseudorhodoplanes of new.

Novipseudorivibacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudorivibacter*, An existing genus; *Novipseudorivibacter*: A genus related to but distinct from the existing genus Pseudorivibacter of new.

Novipseudoroseicyclus

L. masc. adjective *novus*, new; L. masc. n. *Pseudoroseicyclus*, An existing genus; *Novipseudoroseicyclus*: A genus related to but distinct from the existing genus Pseudoroseicyclus of new.

Novipseudoroseovarius

L. masc. adjective *novus*, new; L. masc. n. *Pseudoroseovarius*, An existing genus; *Novipseudoroseovarius*: A genus related to but distinct from the existing genus Pseudoroseovarius of new.

Novipseudoruegeria

L. masc. adjective *novus*, new; L. fem. n. *Pseudoruegeria*, An existing genus; *Novipseudoruegeria*: A genus related to but distinct from the existing genus Pseudoruegeria of new.

Novipseudoruminococcus

L. masc. adjective *novus*, new; L. masc. n. *Pseudoruminococcus*, An existing genus; *Novipseudoruminococcus*: A genus related to but distinct from the existing genus Pseudoruminococcus of new.

Novipseudoscardovia

L. masc. adjective *novus*, new; L. fem. n. *Pseudoscardovia*, An existing genus; *Novipseudoscardovia*: A genus related to but distinct from the existing genus Pseudoscardovia of new.

Novipseudoseohaeicola

L. masc. adjective *novus*, new; L. masc. n. *Pseudoseohaeicola*, An existing genus; *Novipseudoseohaeicola*: A genus related to but distinct from the existing genus Pseudoseohaeicola of new.

Novipseudosphingobacterium

L. masc. adjective *novus*, new; L. neut. n. *Pseudosphingobacterium*, An existing genus; *Novipseudosphingobacterium*: A genus related to but distinct from the existing genus Pseudosphingobacterium of new.

Novipseudospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Pseudospirillum*, An existing genus; *Novipseudospirillum*: A genus related to but distinct from the existing genus Pseudospirillum of new.

Novipseudosporangium

L. masc. adjective *novus*, new; L. neut. n. *Pseudosporangium*, An existing genus; *Novipseudosporangium*: A genus related to but distinct from the existing genus Pseudosporangium of new.

Novipseudostreptobacillus

L. masc. adjective *novus*, new; L. masc. n. *Pseudostreptobacillus*, An existing genus; *Novipseudostreptobacillus*: A genus related to but distinct from the existing genus Pseudostreptobacillus of new.

Novipseudotenacibaculum

L. masc. adjective *novus*, new; L. neut. n. *Pseudotenacibaculum*, An existing genus; *Novipseudotenacibaculum*: A genus related to but distinct from the existing genus Pseudotenacibaculum of new.

Novipseudoteredinibacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudoteredinibacter*, An existing genus; *Novipseudoteredinibacter*: A genus related to but distinct from the existing genus Pseudoteredinibacter of new.

Novipseudothermotoga

L. masc. adjective *novus*, new; L. fem. n. *Pseudothermotoga*, An existing genus; *Novipseudothermotoga*: A genus related to but distinct from the existing genus Pseudothermotoga of new.

Novipseudothioclava

L. masc. adjective *novus*, new; L. fem. n. *Pseudothioclava*, An existing genus; *Novipseudothioclava*: A genus related to but distinct from the existing genus Pseudothioclava of new.

Novipseudovibrio

L. masc. adjective *novus*, new; L. masc. n. *Pseudovibrio*, An existing genus; *Novipseudovibrio*: A genus related to but distinct from the existing genus Pseudovibrio of new.

Novipseudoxanthobacter

L. masc. adjective *novus*, new; L. masc. n. *Pseudoxanthobacter*, An existing genus; *Novipseudoxanthobacter*: A genus related to but distinct from the existing genus Pseudoxanthobacter of new.

Novipseudoxanthomonas

L. masc. adjective *novus*, new; L. fem. n. *Pseudoxanthomonas*, An existing genus; *Novipseudoxanthomonas*: A genus related to but distinct from the existing genus Pseudoxanthomonas of new.

Novipseudozobellia

L. masc. adjective *novus*, new; L. fem. n. *Pseudozobellia*, An existing genus; *Novipseudozobellia*: A genus related to but distinct from the existing genus Pseudozobellia of new.

Novipsittacicella

L. masc. adjective *novus*, new; L. fem. n. *Psittacicella*, An existing genus; *Novipsittacicella*: A genus related to but distinct from the existing genus Psittacicella of new.

Novipsychrilyobacter

L. masc. adjective *novus*, new; L. masc. n. *Psychrilyobacter*, An existing genus; *Novipsychrilyobacter*: A genus related to but distinct from the existing genus Psychrilyobacter of new.

Novipsychrobacter

L. masc. adjective *novus*, new; L. masc. n. *Psychrobacter*, An existing genus; *Novipsychrobacter*: A genus related to but distinct from the existing genus Psychrobacter of new.

Novipsychrobium

L. masc. adjective *novus*, new; L. neut. n. *Psychrobium*, An existing genus; *Novipsychrobium*: A genus related to but distinct from the existing genus Psychrobium of new.

Novipsychroflexus

L. masc. adjective *novus*, new; L. masc. n. *Psychroflexus*, An existing genus; *Novipsychroflexus*: A genus related to but distinct from the existing genus Psychroflexus of new.

Novipsychroglaciecola

L. masc. adjective *novus*, new; L. fem. n. *Psychroglaciecola*, An existing genus; *Novipsychroglaciecola*: A genus related to but distinct from the existing genus Psychroglaciecola of new.

Novipsychromarinibacter

L. masc. adjective *novus*, new; L. masc. n. *Psychromarinibacter*, An existing genus; *Novipsychromarinibacter*: A genus related to but distinct from the existing genus Psychromarinibacter of new.

Novipsychromicrobium

L. masc. adjective *novus*, new; L. neut. n. *Psychromicrobium*, An existing genus; *Novipsychromicrobium*: A genus related to but distinct from the existing genus Psychromicrobium of new.

Novipsychroserpens

L. masc. adjective *novus*, new; L. masc. n. *Psychroserpens*, An existing genus; *Novipsychroserpens*: A genus related to but distinct from the existing genus Psychroserpens of new.

Novipsychrosinus

L. masc. adjective *novus*, new; L. masc. n. *Psychrosinus*, An existing genus; *Novipsychrosinus*: A genus related to but distinct from the existing genus Psychrosinus of new.

Novipsychrosphaera

L. masc. adjective *novus*, new; L. fem. n. *Psychrosphaera*, An existing genus; *Novipsychrosphaera*: A genus related to but distinct from the existing genus Psychrosphaera of new.

Novipueribacillus

L. masc. adjective *novus*, new; L. masc. n. *Pueribacillus*, An existing genus; *Novipueribacillus*: A genus related to but distinct from the existing genus Pueribacillus of new.

Novipuia

L. masc. adjective *novus*, new; L. fem. n. *Puia*, An existing genus; *Novipuia*: A genus related to but distinct from the existing genus Puia of new.

Novipukyongia

L. masc. adjective *novus*, new; L. fem. n. *Pukyongia*, An existing genus; *Novipukyongia*: A genus related to but distinct from the existing genus Pukyongia of new.

Novipukyongiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Pukyongiella*, An existing genus; *Novipukyongiella*: A genus related to but distinct from the existing genus Pukyongiella of new.

Novipuniceibacterium

L. masc. adjective *novus*, new; L. neut. n. *Puniceibacterium*, An existing genus; *Novipuniceibacterium*: A genus related to but distinct from the existing genus Puniceibacterium of new.

Novipuniceicoccus

L. masc. adjective *novus*, new; L. masc. n. *Puniceicoccus*, An existing genus; *Novipuniceicoccus*: A genus related to but distinct from the existing genus Puniceicoccus of new.

Novipusillimonas

L. masc. adjective *novus*, new; L. fem. n. *Pusillimonas*, An existing genus; *Novipusillimonas*: A genus related to but distinct from the existing genus Pusillimonas of new.

Novipustulibacterium

L. masc. adjective *novus*, new; L. neut. n. *Pustulibacterium*, An existing genus; *Novipustulibacterium*: A genus related to but distinct from the existing genus Pustulibacterium of new.

Noviputridiphycobacter

L. masc. adjective *novus*, new; L. masc. n. *Putridiphycobacter*, An existing genus; *Noviputridiphycobacter*: A genus related to but distinct from the existing genus Putridiphycobacter of new.

Novipuzihella

L. masc. adjective *novus*, new; L. fem. dim. n. *Puzihella*, An existing genus; *Novipuzihella*: A genus related to but distinct from the existing genus Puzihella of new.

Novipycnacronema

L. masc. adjective *novus*, new; L. neut. n. *Pycnacronema*, An existing genus; *Novipycnacronema*: A genus related to but distinct from the existing genus Pycnacronema of new.

Novipyramidobacter

L. masc. adjective *novus*, new; L. masc. n. *Pyramidobacter*, An existing genus; *Novipyramidobacter*: A genus related to but distinct from the existing genus Pyramidobacter of new.

Novipyrinomonas

L. masc. adjective *novus*, new; L. fem. n. *Pyrinomonas*, An existing genus; *Novipyrinomonas*: A genus related to but distinct from the existing genus Pyrinomonas of new.

Novipyrobaculum

L. masc. adjective *novus*, new; L. neut. n. *Pyrobaculum*, An existing genus; *Novipyrobaculum*: A genus related to but distinct from the existing genus Pyrobaculum of new.

Novipyrococcus

L. masc. adjective *novus*, new; L. masc. n. *Pyrococcus*, An existing genus; *Novipyrococcus*: A genus related to but distinct from the existing genus Pyrococcus of new.

Novipyrodictium

L. masc. adjective *novus*, new; L. neut. n. *Pyrodictium*, An existing genus; *Novipyrodictium*: A genus related to but distinct from the existing genus Pyrodictium of new.

Novipyruvatibacter

L. masc. adjective *novus*, new; L. masc. n. *Pyruvatibacter*, An existing genus; *Novipyruvatibacter*: A genus related to but distinct from the existing genus Pyruvatibacter of new.

Novipyxidicoccus

L. masc. adjective *novus*, new; L. masc. n. *Pyxidicoccus*, An existing genus; *Novipyxidicoccus*: A genus related to but distinct from the existing genus Pyxidicoccus of new.

Noviqingshengfania

L. masc. adjective *novus*, new; L. fem. n. *Qingshengfania*, An existing genus; *Noviqingshengfania*: A genus related to but distinct from the existing genus Qingshengfania of new.

Noviqipengyuania

L. masc. adjective *novus*, new; L. fem. n. *Qipengyuania*, An existing genus; *Noviqipengyuania*: A genus related to but distinct from the existing genus Qipengyuania of new.

Noviquadricoccus

L. masc. adjective *novus*, new; L. masc. n. *Quadricoccus*, An existing genus; *Noviquadricoccus*: A genus related to but distinct from the existing genus Quadricoccus of new.

Noviquadrisphaera

L. masc. adjective *novus*, new; L. fem. n. *Quadrisphaera*, An existing genus; *Noviquadrisphaera*: A genus related to but distinct from the existing genus Quadrisphaera of new.

Noviquasibacillus

L. masc. adjective *novus*, new; L. masc. n. *Quasibacillus*, An existing genus; *Noviquasibacillus*: A genus related to but distinct from the existing genus Quasibacillus of new.

Noviquatrionicoccus

L. masc. adjective *novus*, new; L. masc. n. *Quatrionicoccus*, An existing genus; *Noviquatrionicoccus*: A genus related to but distinct from the existing genus Quatrionicoccus of new.

Noviquinella

L. masc. adjective *novus*, new; L. fem. dim. n. *Quinella*, An existing genus; *Noviquinella*: A genus related to but distinct from the existing genus Quinella of new.

Noviracemicystis

L. masc. adjective *novus*, new; L. fem. n. *Racemicystis*, An existing genus; *Noviracemicystis*: A genus related to but distinct from the existing genus Racemicystis of new.

Novirahnella

L. masc. adjective *novus*, new; L. fem. dim. n. *Rahnella*, An existing genus; *Novirahnella*: A genus related to but distinct from the existing genus Rahnella of new.

Novirraineya

L. masc. adjective *novus*, new; L. fem. n. *Raineya*, An existing genus; *Novirraineya*: A genus related to but distinct from the existing genus Raineya of new.

Novirraineyella

L. masc. adjective *novus*, new; L. fem. dim. n. *Raineyella*, An existing genus; *Novirraineyella*: A genus related to but distinct from the existing genus Raineyella of new.

Noviralstonia

L. masc. adjective *novus*, new; L. fem. n. *Ralstonia*, An existing genus; *Noviralstonia*: A genus related to but distinct from the existing genus Ralstonia of new.

Noviramlibacter

L. masc. adjective *novus*, new; L. masc. n. *Ramlibacter*, An existing genus; *Noviramlibacter*: A genus related to but distinct from the existing genus Ramlibacter of new.

Noviramsaria

L. masc. adjective *novus*, new; L. fem. n. *Ramsaria*, An existing genus; *Noviramsaria*: A genus related to but distinct from the existing genus Ramsaria of new.

Noviraoultella

L. masc. adjective *novus*, new; L. fem. dim. n. *Raoultella*, An existing genus; *Noviraoultella*: A genus related to but distinct from the existing genus Raoultella of new.

Novirariglobus

L. masc. adjective *novus*, new; L. masc. n. *Rariglobus*, An existing genus; *Novirariglobus*: A genus related to but distinct from the existing genus Rariglobus of new.

Novirarimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Rarimicrobium*, An existing genus; *Novirarimicrobium*: A genus related to but distinct from the existing genus Rarimicrobium of new.

Novirarobacter

L. masc. adjective *novus*, new; L. masc. n. *Rarobacter*, An existing genus; *Novirarobacter*: A genus related to but distinct from the existing genus Rarobacter of new.

Novirathayibacter

L. masc. adjective *novus*, new; L. masc. n. *Rathayibacter*, An existing genus; *Novirathayibacter*: A genus related to but distinct from the existing genus Rathayibacter of new.

Noviravibacter

L. masc. adjective *novus*, new; L. masc. n. *Ravibacter*, An existing genus; *Noviravibacter*: A genus related to but distinct from the existing genus Ravibacter of new.

Novirectinema

L. masc. adjective *novus*, new; L. neut. n. *Rectinema*, An existing genus; *Novirectinema*: A genus related to but distinct from the existing genus Rectinema of new.

Novirehaibacterium

L. masc. adjective *novus*, new; L. neut. n. *Rehaibacterium*, An existing genus; *Novirehaibacterium*: A genus related to but distinct from the existing genus Rehaibacterium of new.

Novireichenbachia

L. masc. adjective *novus*, new; L. fem. n. *Reichenbachia*, An existing genus; *Novireichenbachia*: A genus related to but distinct from the existing genus Reichenbachia of new.

Novireichenbachiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Reichenbachiella*, An existing genus; *Novireichenbachiella*: A genus related to but distinct from the existing genus Reichenbachiella of new.

Novireinekea

L. masc. adjective *novus*, new; L. fem. n. *Reinekea*, An existing genus; *Novireinekea*: A genus related to but distinct from the existing genus Reinekea of new.

Novirenibacterium

L. masc. adjective *novus*, new; L. neut. n. *Renibacterium*, An existing genus; *Novirenibacterium*: A genus related to but distinct from the existing genus Renibacterium of new.

Novireyranella

L. masc. adjective *novus*, new; L. fem. dim. n. *Reyranella*, An existing genus; *Novireyranella*: A genus related to but distinct from the existing genus Reyranella of new.

Novirhabdaerophilum

L. masc. adjective *novus*, new; L. neut. n. *Rhabdaerophilum*, An existing genus; *Novirhabdaerophilum*: A genus related to but distinct from the existing genus Rhabdaerophilum of new.

Novirhabdanaerobium

L. masc. adjective *novus*, new; L. neut. n. *Rhabdanaerobium*, An existing genus; *Novirhabdanaerobium*: A genus related to but distinct from the existing genus Rhabdanaerobium of new.

Novirhabdobacter

L. masc. adjective *novus*, new; L. masc. n. *Rhabdobacter*, An existing genus; *Novirhabdobacter*: A genus related to but distinct from the existing genus Rhabdobacter of new.

Novirhabdochromatium

L. masc. adjective *novus*, new; L. neut. n. *Rhabdochromatium*, An existing genus; *Novirhabdochromatium*: A genus related to but distinct from the existing genus Rhabdochromatium of new.

Novirheinheimera

L. masc. adjective *novus*, new; L. fem. n. *Rheinheimera*, An existing genus; *Novirheinheimera*: A genus related to but distinct from the existing genus Rheinheimera of new.

Novirhizobium

L. masc. adjective *novus*, new; L. neut. n. *Rhizobium*, An existing genus; *Novirhizobium*: A genus related to but distinct from the existing genus Rhizobium of new.

Novirhizocola

L. masc. adjective *novus*, new; L. masc. n. *Rhizocola*, An existing genus; *Novirhizocola*: A genus related to but distinct from the existing genus Rhizocola of new.

Novirhizomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Rhizomicrobium*, An existing genus; *Novirhizomicrobium*: A genus related to but distinct from the existing genus Rhizomicrobium of new.

Novirhizomonas

L. masc. adjective *novus*, new; L. fem. n. *Rhizomonas*, An existing genus; *Novirhizomonas*: A genus related to but distinct from the existing genus Rhizomonas of new.

Novirhizorhabdus

L. masc. adjective *novus*, new; L. fem. n. *Rhizorhabdus*, An existing genus; *Novirhizorhabdus*: A genus related to but distinct from the existing genus Rhizorhabdus of new.

Novirhizorhapis

L. masc. adjective *novus*, new; L. fem. n. *Rhizorhapis*, An existing genus; *Novirhizorhapis*: A genus related to but distinct from the existing genus Rhizorhapis of new.

Novirhodanobacter

L. masc. adjective *novus*, new; L. masc. n. *Rhodanobacter*, An existing genus; *Novirhodanobacter*: A genus related to but distinct from the existing genus Rhodanobacter of new.

Novirhodobaca

L. masc. adjective *novus*, new; L. fem. n. *Rhodobaca*, An existing genus; *Novirhodobaca*: A genus related to but distinct from the existing genus Rhodobaca of new.

Novirhodobacter

L. masc. adjective *novus*, new; L. masc. n. *Rhodobacter*, An existing genus; *Novirhodobacter*: A genus related to but distinct from the existing genus Rhodobacter of new.

Novirhodobium

L. masc. adjective *novus*, new; L. neut. n. *Rhodobium*, An existing genus; *Novirhodobium*: A genus related to but distinct from the existing genus Rhodobium of new.

Novirhodoblastus

L. masc. adjective *novus*, new; L. masc. n. *Rhodoblastus*, An existing genus; *Novirhodoblastus*: A genus related to but distinct from the existing genus Rhodoblastus of new.

Novirhodocista

L. masc. adjective *novus*, new; L. fem. n. *Rhodocista*, An existing genus; *Novirhodocista*: A genus related to but distinct from the existing genus Rhodocista of new.

Novirhodococcus

L. masc. adjective *novus*, new; L. masc. n. *Rhodococcus*, An existing genus; *Novirhodococcus*: A genus related to but distinct from the existing genus Rhodococcus of new.

Novirhodocyclus

L. masc. adjective *novus*, new; L. masc. n. *Rhodocyclus*, An existing genus; *Novirhodocyclus*: A genus related to but distinct from the existing genus Rhodocyclus of new.

Novirhodocytophaga

L. masc. adjective *novus*, new; L. fem. n. *Rhodocytophaga*, An existing genus; *Novirhodocytophaga*: A genus related to but distinct from the existing genus Rhodocytophaga of new.

Novirhodoferax

L. masc. adjective *novus*, new; L. masc. n. *Rhodoferax*, An existing genus; *Novirhodoferax*: A genus related to but distinct from the existing genus Rhodoferax of new.

Novirhodoglobus

L. masc. adjective *novus*, new; L. masc. n. *Rhodoglobus*, An existing genus; *Novirhodoglobus*: A genus related to but distinct from the existing genus Rhodoglobus of new.

Novirhodohalobacter

L. masc. adjective *novus*, new; L. masc. n. *Rhodohalobacter*, An existing genus; *Novirhodohalobacter*: A genus related to but distinct from the existing genus Rhodohalobacter of new.

Novirhodoligotrophos

L. masc. adjective *novus*, new; L. masc. n. *Rhodoligotrophos*, An existing genus; *Novirhodoligotrophos*: A genus related to but distinct from the existing genus Rhodoligotrophos of new.

Novirhodoluna

L. masc. adjective *novus*, new; L. fem. n. *Rhodoluna*, An existing genus; *Novirhodoluna*: A genus related to but distinct from the existing genus Rhodoluna of new.

Novirhodomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Rhodomicrobium*, An existing genus; *Novirhodomicrobium*: A genus related to but distinct from the existing genus Rhodomicrobium of new.

Novirhodonellum

L. masc. adjective *novus*, new; L. neut. dim. n. *Rhodonellum*, An existing genus; *Novirhodonellum*: A genus related to but distinct from the existing genus Rhodonellum of new.

Novirhodophyticola

L. masc. adjective *novus*, new; L. masc. n. *Rhodophyticola*, An existing genus; *Novirhodophyticola*: A genus related to but distinct from the existing genus Rhodophyticola of new.

Novirhodopila

L. masc. adjective *novus*, new; L. fem. n. *Rhodopila*, An existing genus; *Novirhodopila*: A genus related to but distinct from the existing genus Rhodopila of new.

Novirhodopirellula

L. masc. adjective *novus*, new; L. fem. dim. n. *Rhodopirellula*, An existing genus; *Novirhodopirellula*: A genus related to but distinct from the existing genus Rhodopirellula of new.

Novirhodoplanes

L. masc. adjective *novus*, new; L. masc. n. *Rhodoplanes*, An existing genus; *Novirhodoplanes*: A genus related to but distinct from the existing genus Rhodoplanes of new.

Novirhodopseudomonas

L. masc. adjective *novus*, new; L. fem. n. *Rhodopseudomonas*, An existing genus; *Novirhodopseudomonas*: A genus related to but distinct from the existing genus Rhodopseudomonas of new.

Novirhodosalinus

L. masc. adjective *novus*, new; L. masc. n. *Rhodosalinus*, An existing genus; *Novirhodosalinus*: A genus related to but distinct from the existing genus Rhodosalinus of new.

Novirhodospira

L. masc. adjective *novus*, new; L. fem. n. *Rhodospira*, An existing genus; *Novirhodospira*: A genus related to but distinct from the existing genus Rhodospira of new.

Novirhodospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Rhodospirillum*, An existing genus; *Novirhodospirillum*: A genus related to but distinct from the existing genus Rhodospirillum of new.

Novirhodothalassium

L. masc. adjective *novus*, new; L. neut. n. *Rhodothalassium*, An existing genus; *Novirhodothalassium*: A genus related to but distinct from the existing genus Rhodothalassium of new.

Novirhodothermus

L. masc. adjective *novus*, new; L. masc. n. *Rhodothermus*, An existing genus; *Novirhodothermus*: A genus related to but distinct from the existing genus Rhodothermus of new.

Novirhodovarius

L. masc. adjective *novus*, new; L. masc. n. *Rhodovarius*, An existing genus; *Novirhodovarius*: A genus related to but distinct from the existing genus Rhodovarius of new.

Novirhodovastum

L. masc. adjective *novus*, new; L. neut. n. *Rhodovastum*, An existing genus; *Novirhodovastum*: A genus related to but distinct from the existing genus Rhodovastum of new.

Novirhodovibrio

L. masc. adjective *novus*, new; L. masc. n. *Rhodovibrio*, An existing genus; *Novirhodovibrio*: A genus related to but distinct from the existing genus Rhodovibrio of new.

Novirhodovulum

L. masc. adjective *novus*, new; L. neut. n. *Rhodovulum*, An existing genus; *Novirhodovulum*: A genus related to but distinct from the existing genus Rhodovulum of new.

Novirickettsia

L. masc. adjective *novus*, new; L. fem. n. *Rickettsia*, An existing genus; *Novirickettsia*: A genus related to but distinct from the existing genus Rickettsia of new.

Novirickettsiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Rickettsiella*, An existing genus; *Novirickettsiella*: A genus related to but distinct from the existing genus Rickettsiella of new.

Noviriemerella

L. masc. adjective *novus*, new; L. fem. dim. n. *Riemerella*, An existing genus; *Noviriemerella*: A genus related to but distinct from the existing genus Riemerella of new.

Novirikenella

L. masc. adjective *novus*, new; L. fem. dim. n. *Rikenella*, An existing genus; *Novirikenella*: A genus related to but distinct from the existing genus Rikenella of new.

Novirippkaea

L. masc. adjective *novus*, new; L. fem. n. *Rippkaea*, An existing genus; *Novirippkaea*: A genus related to but distinct from the existing genus Rippkaea of new.

Novirisungbinella

L. masc. adjective *novus*, new; L. fem. dim. n. *Risungbinella*, An existing genus; *Novirisungbinella*: A genus related to but distinct from the existing genus Risungbinella of new.

Novirivibacter

L. masc. adjective *novus*, new; L. masc. n. *Rivibacter*, An existing genus; *Novirivibacter*: A genus related to but distinct from the existing genus Rivibacter of new.

Novirivicola

L. masc. adjective *novus*, new; L. masc. n. *Rivicola*, An existing genus; *Novirivicola*: A genus related to but distinct from the existing genus Rivicola of new.

Novirivularia

L. masc. adjective *novus*, new; L. fem. n. *Rivularia*, An existing genus; *Novirivularia*: A genus related to but distinct from the existing genus Rivularia of new.

Novirobbsia

L. masc. adjective *novus*, new; L. fem. n. *Robbsia*, An existing genus; *Novirobbsia*: A genus related to but distinct from the existing genus Robbsia of new.

Novirobertkochia

L. masc. adjective *novus*, new; L. fem. n. *Robertkochia*, An existing genus; *Novirobertkochia*: A genus related to but distinct from the existing genus Robertkochia of new.

Novirobiginitalea

L. masc. adjective *novus*, new; L. fem. n. *Robiginitalea*, An existing genus; *Novirobiginitalea*: A genus related to but distinct from the existing genus Robiginitalea of new.

Novirobiginitomaculum

L. masc. adjective *novus*, new; L. neut. n. *Robiginitomaculum*, An existing genus; *Novirobiginitomaculum*: A genus related to but distinct from the existing genus Robiginitomaculum of new.

Novirobinsoniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Robinsoniella*, An existing genus; *Novirobinsoniella*: A genus related to but distinct from the existing genus Robinsoniella of new.

Novirochalimaea

L. masc. adjective *novus*, new; L. fem. n. *Rochalimaea*, An existing genus; *Novirochalimaea*: A genus related to but distinct from the existing genus Rochalimaea of new.

Novirodentibacter

L. masc. adjective *novus*, new; L. masc. n. *Rodentibacter*, An existing genus; *Novirodentibacter*: A genus related to but distinct from the existing genus Rodentibacter of new.

Noviroholtiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Roholtiella*, An existing genus; *Noviroholtiella*: A genus related to but distinct from the existing genus Roholtiella of new.

Novirom boutsia

L. masc. adjective *novus*, new; L. fem. n. *Romboutsia*, An existing genus; *Novirom boutsia*: A genus related to but distinct from the existing genus Romboutsia of new.

Noviroseateles

L. masc. adjective *novus*, new; L. masc. n. *Roseateles*, An existing genus; *Noviroseateles*: A genus related to but distinct from the existing genus Roseateles of new.

Noviroseburia

L. masc. adjective *novus*, new; L. fem. n. *Roseburia*, An existing genus; *Noviroseburia*: A genus related to but distinct from the existing genus Roseburia of new.

Noviroseiarcus

L. masc. adjective *novus*, new; L. masc. n. *Roseiarcus*, An existing genus; *Noviroseiarcus*: A genus related to but distinct from the existing genus Roseiarcus of new.

Noviroseibaca

L. masc. adjective *novus*, new; L. fem. n. *Roseibaca*, An existing genus; *Noviroseibaca*: A genus related to but distinct from the existing genus Roseibaca of new.

Noviroseibacillus

L. masc. adjective *novus*, new; L. masc. n. *Roseibacillus*, An existing genus; *Noviroseibacillus*: A genus related to but distinct from the existing genus Roseibacillus of new.

Noviroseibacterium

L. masc. adjective *novus*, new; L. neut. n. *Roseibacterium*, An existing genus; *Noviroseibacterium*: A genus related to but distinct from the existing genus Roseibacterium of new.

Noviroseibacula

L. masc. adjective *novus*, new; L. fem. dim. n. *Roseibacula*, An existing genus; *Noviroseibacula*: A genus related to but distinct from the existing genus Roseibacula of new.

Noviroseibium

L. masc. adjective *novus*, new; L. neut. n. *Roseibium*, An existing genus; *Noviroseibium*: A genus related to but distinct from the existing genus Roseibium of new.

Noviroseicella

L. masc. adjective *novus*, new; L. fem. n. *Roseicella*, An existing genus; *Noviroseicella*: A genus related to but distinct from the existing genus Roseicella of new.

Noviroseicitreum

L. masc. adjective *novus*, new; L. neut. n. *Roseicitreum*, An existing genus; *Noviroseicitreum*: A genus related to but distinct from the existing genus Roseicitreum of new.

Noviroseicyclus

L. masc. adjective *novus*, new; L. masc. n. *Roseicyclus*, An existing genus; *Noviroseicyclus*: A genus related to but distinct from the existing genus Roseicyclus of new.

Noviroseiflexus

L. masc. adjective *novus*, new; L. masc. n. *Roseiflexus*, An existing genus; *Noviroseiflexus*: A genus related to but distinct from the existing genus Roseiflexus of new.

Noviroseimarinus

L. masc. adjective *novus*, new; L. masc. n. *Roseimarinus*, An existing genus; *Noviroseimarinus*: A genus related to but distinct from the existing genus Roseimarinus of new.

Noviroseimaritima

L. masc. adjective *novus*, new; L. fem. n. *Roseimaritima*, An existing genus; *Noviroseimaritima*: A genus related to but distinct from the existing genus Roseimaritima of new.

Noviroseimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Roseimicrobium*, An existing genus; *Noviroseimicrobium*: A genus related to but distinct from the existing genus Roseimicrobium of new.

Noviroseinatronobacter

L. masc. adjective *novus*, new; L. masc. n. *Roseinatronobacter*, An existing genus; *Noviroseinatronobacter*: A genus related to but distinct from the existing genus Roseinatronobacter of new.

Noviroseisalinus

L. masc. adjective *novus*, new; L. masc. n. *Roseisalinus*, An existing genus; *Noviroseisalinus*: A genus related to but distinct from the existing genus Roseisalinus of new.

Noviroseisolibacter

L. masc. adjective *novus*, new; L. masc. n. *Roseisolibacter*, An existing genus; *Noviroseisolibacter*: A genus related to but distinct from the existing genus Roseisolibacter of new.

Noviroseitalea

L. masc. adjective *novus*, new; L. fem. n. *Roseitalea*, An existing genus; *Noviroseitalea*: A genus related to but distinct from the existing genus Roseitalea of new.

Noviroseithermus

L. masc. adjective *novus*, new; L. masc. n. *Roseithermus*, An existing genus; *Noviroseithermus*: A genus related to but distinct from the existing genus Roseithermus of new.

Noviroseivirga

L. masc. adjective *novus*, new; L. fem. n. *Roseivirga*, An existing genus; *Noviroseivirga*: A genus related to but distinct from the existing genus Roseivirga of new.

Noviroseivivax

L. masc. adjective *novus*, new; L. masc. n. *Roseivivax*, An existing genus; *Noviroseivivax*: A genus related to but distinct from the existing genus Roseivivax of new.

Novirosenbergiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Rosenbergiella*, An existing genus; *Novirosenbergiella*: A genus related to but distinct from the existing genus Rosenbergiella of new.

Noviroseobacter

L. masc. adjective *novus*, new; L. masc. n. *Roseobacter*, An existing genus; *Noviroseobacter*: A genus related to but distinct from the existing genus Roseobacter of new.

Noviroseococcus

L. masc. adjective *novus*, new; L. masc. n. *Roseococcus*, An existing genus; *Noviroseococcus*: A genus related to but distinct from the existing genus Roseococcus of new.

Noviroseofilum

L. masc. adjective *novus*, new; L. neut. n. *Roseofilum*, An existing genus; *Noviroseofilum*: A genus related to but distinct from the existing genus Roseofilum of new.

Noviroseomonas

L. masc. adjective *novus*, new; L. fem. n. *Roseomonas*, An existing genus; *Noviroseomonas*: A genus related to but distinct from the existing genus Roseomonas of new.

Noviroseospira

L. masc. adjective *novus*, new; L. fem. n. *Roseospira*, An existing genus; *Noviroseospira*: A genus related to but distinct from the existing genus Roseospira of new.

Noviroseospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Roseospirillum*, An existing genus; *Noviroseospirillum*: A genus related to but distinct from the existing genus Roseospirillum of new.

Noviroseovarius

L. masc. adjective *novus*, new; L. masc. n. *Roseovarius*, An existing genus; *Noviroseovarius*: A genus related to but distinct from the existing genus Roseovarius of new.

Novirosistilla

L. masc. adjective *novus*, new; L. fem. n. *Rosistilla*, An existing genus; *Novirosistilla*: A genus related to but distinct from the existing genus Rosistilla of new.

Novirothia

L. masc. adjective *novus*, new; L. fem. n. *Rothia*, An existing genus; *Novirothia*: A genus related to but distinct from the existing genus Rothia of new.

Novirouxiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Rouxiella*, An existing genus; *Novirouxiella*: A genus related to but distinct from the existing genus Rouxiella of new.

Noviruania

L. masc. adjective *novus*, new; L. fem. n. *Ruania*, An existing genus; *Noviruania*: A genus related to but distinct from the existing genus Ruania of new.

Novirubellimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Rubellimicrobium*, An existing genus; *Novirubellimicrobium*: A genus related to but distinct from the existing genus Rubellimicrobium of new.

Novirubeoparvulum

L. masc. adjective *novus*, new; L. neut. n. *Rubeoparvulum*, An existing genus; *Novirubeoparvulum*: A genus related to but distinct from the existing genus Rubeoparvulum of new.

Novirubidibacter

L. masc. adjective *novus*, new; L. masc. n. *Rubidibacter*, An existing genus; *Novirubidibacter*: A genus related to but distinct from the existing genus Rubidibacter of new.

Novirubidimonas

L. masc. adjective *novus*, new; L. fem. n. *Rubidimonas*, An existing genus; *Novirubidimonas*: A genus related to but distinct from the existing genus Rubidimonas of new.

Novirubinisphaera

L. masc. adjective *novus*, new; L. fem. n. *Rubinisphaera*, An existing genus; *Novirubinisphaera*: A genus related to but distinct from the existing genus Rubinisphaera of new.

Novirubneribacter

L. masc. adjective *novus*, new; L. masc. n. *Rubneribacter*, An existing genus; *Novirubneribacter*: A genus related to but distinct from the existing genus Rubneribacter of new.

Novirubribacterium

L. masc. adjective *novus*, new; L. neut. n. *Rubribacterium*, An existing genus; *Novirubribacterium*: A genus related to but distinct from the existing genus Rubribacterium of new.

Novirubricella

L. masc. adjective *novus*, new; L. fem. n. *Rubricella*, An existing genus; *Novirubricella*: A genus related to but distinct from the existing genus Rubricella of new.

Novirubricoccus

L. masc. adjective *novus*, new; L. masc. n. *Rubricoccus*, An existing genus; *Novirubricoccus*: A genus related to but distinct from the existing genus Rubricoccus of new.

Novirubrimonas

L. masc. adjective *novus*, new; L. fem. n. *Rubrimonas*, An existing genus; *Novirubrimonas*: A genus related to but distinct from the existing genus Rubrimonas of new.

Novirubripirellula

L. masc. adjective *novus*, new; L. fem. dim. n. *Rubripirellula*, An existing genus; *Novirubripirellula*: A genus related to but distinct from the existing genus Rubripirellula of new.

Novirubritalea

L. masc. adjective *novus*, new; L. fem. n. *Rubritalea*, An existing genus; *Novirubritalea*: A genus related to but distinct from the existing genus Rubritalea of new.

Novirubritepida

L. masc. adjective *novus*, new; L. fem. n. *Rubritepida*, An existing genus; *Novirubritepida*: A genus related to but distinct from the existing genus Rubritepida of new.

Novirubrivirga

L. masc. adjective *novus*, new; L. fem. n. *Rubrivirga*, An existing genus; *Novirubrivirga*: A genus related to but distinct from the existing genus Rubrivirga of new.

Novirubrivivax

L. masc. adjective *novus*, new; L. masc. n. *Rubrivivax*, An existing genus; *Novirubrivivax*: A genus related to but distinct from the existing genus Rubrivivax of new.

Novirubrobacter

L. masc. adjective *novus*, new; L. masc. n. *Rubrobacter*, An existing genus; *Novirubrobacter*: A genus related to but distinct from the existing genus Rubrobacter of new.

Novirudaea

L. masc. adjective *novus*, new; L. fem. n. *Rudaea*, An existing genus; *Novirudaea*: A genus related to but distinct from the existing genus Rudaea of new.

Novirudaeicoccus

L. masc. adjective *novus*, new; L. masc. n. *Rudaeicoccus*, An existing genus; *Novirudaeicoccus*: A genus related to but distinct from the existing genus Rudaeicoccus of new.

Novirudaibacter

L. masc. adjective *novus*, new; L. masc. n. *Rudaibacter*, An existing genus; *Novirudaibacter*: A genus related to but distinct from the existing genus Rudaibacter of new.

Novirudanella

L. masc. adjective *novus*, new; L. fem. dim. n. *Rudanella*, An existing genus; *Novirudanella*: A genus related to but distinct from the existing genus Rudanella of new.

Noviruegeria

L. masc. adjective *novus*, new; L. fem. n. *Ruegeria*, An existing genus; *Noviruegeria*: A genus related to but distinct from the existing genus Ruegeria of new.

Novirufibacter

L. masc. adjective *novus*, new; L. masc. n. *Rufibacter*, An existing genus; *Novirufibacter*: A genus related to but distinct from the existing genus Rufibacter of new.

Noviruficoccus

L. masc. adjective *novus*, new; L. masc. n. *Ruficoccus*, An existing genus; *Noviruficoccus*: A genus related to but distinct from the existing genus Ruficoccus of new.

Novirugamonas

L. masc. adjective *novus*, new; L. fem. n. *Rugamonas*, An existing genus; *Novirugamonas*: A genus related to but distinct from the existing genus Rugamonas of new.

Novirugosibacter

L. masc. adjective *novus*, new; L. masc. n. *Rugosibacter*, An existing genus; *Novirugosibacter*: A genus related to but distinct from the existing genus Rugosibacter of new.

Novirugosimonospora

L. masc. adjective *novus*, new; L. fem. n. *Rugosimonospora*, An existing genus; *Novirugosimonospora*: A genus related to but distinct from the existing genus Rugosimonospora of new.

Noviruminiclostridium

L. masc. adjective *novus*, new; L. neut. dim. n. *Ruminiclostridium*, An existing genus; *Noviruminiclostridium*: A genus related to but distinct from the existing genus Ruminiclostridium of new.

Noviruminobacter

L. masc. adjective *novus*, new; L. masc. n. *Ruminobacter*, An existing genus; *Noviruminobacter*: A genus related to but distinct from the existing genus Ruminobacter of new.

Noviruminococcus

L. masc. adjective *novus*, new; L. masc. n. *Ruminococcus*, An existing genus; *Noviruminococcus*: A genus related to but distinct from the existing genus Ruminococcus of new.

Novirummeliibacillus

L. masc. adjective *novus*, new; L. masc. n. *Rummeliibacillus*, An existing genus; *Novirummeliibacillus*: A genus related to but distinct from the existing genus Rummeliibacillus of new.

Novirunella

L. masc. adjective *novus*, new; L. fem. dim. n. *Runella*, An existing genus; *Novirunella*: A genus related to but distinct from the existing genus Runella of new.

Novirurimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Rurimicrobium*, An existing genus; *Novirurimicrobium*: A genus related to but distinct from the existing genus Rurimicrobium of new.

Noviruthenibacterium

L. masc. adjective *novus*, new; L. neut. n. *Ruthenibacterium*, An existing genus; *Noviruthenibacterium*: A genus related to but distinct from the existing genus Ruthenibacterium of new.

Novisabulilitoribacter

L. masc. adjective *novus*, new; L. masc. n. *Sabulilitoribacter*, An existing genus; *Novisabulilitoribacter*: A genus related to but distinct from the existing genus Sabulilitoribacter of new.

Novisaccharedens

L. masc. adjective *novus*, new; L. masc. n. *Saccharedens*, An existing genus; *Novisaccharedens*: A genus related to but distinct from the existing genus Saccharedens of new.

Novisaccharibacillus

L. masc. adjective *novus*, new; L. masc. n. *Saccharibacillus*, An existing genus; *Novisaccharibacillus*: A genus related to but distinct from the existing genus Saccharibacillus of new.

Novisaccharibacter

L. masc. adjective *novus*, new; L. masc. n. *Saccharibacter*, An existing genus; *Novisaccharibacter*: A genus related to but distinct from the existing genus Saccharibacter of new.

Novisaccharococcus

L. masc. adjective *novus*, new; L. masc. n. *Saccharococcus*, An existing genus; *Novisaccharococcus*: A genus related to but distinct from the existing genus Saccharococcus of new.

Novisaccharofermentans

L. masc. adjective *novus*, new; L. neut. n. *Saccharofermentans*, An existing genus; *Novisaccharofermentans*: A genus related to but distinct from the existing genus Saccharofermentans of new.

Novisaccharolobus

L. masc. adjective *novus*, new; L. masc. n. *Saccharolobus*, An existing genus; *Novisaccharolobus*: A genus related to but distinct from the existing genus Saccharolobus of new.

Novisaccharomonospora

L. masc. adjective *novus*, new; L. fem. n. *Saccharomonospora*, An existing genus; *Novisaccharomonospora*: A genus related to but distinct from the existing genus Saccharomonospora of new.

Novisaccharophagus

L. masc. adjective *novus*, new; L. masc. n. *Saccharophagus*, An existing genus; *Novisaccharophagus*: A genus related to but distinct from the existing genus Saccharophagus of new.

Novisaccharopolyspora

L. masc. adjective *novus*, new; L. fem. n. *Saccharopolyspora*, An existing genus; *Novisaccharopolyspora*: A genus related to but distinct from the existing genus Saccharopolyspora of new.

Novisaccharospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Saccharospirillum*, An existing genus; *Novisaccharospirillum*: A genus related to but distinct from the existing genus Saccharospirillum of new.

Novisaezia

L. masc. adjective *novus*, new; L. fem. n. *Saezia*, An existing genus; *Novisaezia*: A genus related to but distinct from the existing genus Saezia of new.

Novisalana

L. masc. adjective *novus*, new; L. fem. n. *Salana*, An existing genus; *Novisalana*: A genus related to but distinct from the existing genus Salana of new.

Novisalaquimonas

L. masc. adjective *novus*, new; L. fem. n. *Salaquimonas*, An existing genus; *Novisalaquimonas*: A genus related to but distinct from the existing genus Salaquimonas of new.

Novisalarchaeum

L. masc. adjective *novus*, new; L. neut. n. *Salarchaeum*, An existing genus; *Novisalarchaeum*: A genus related to but distinct from the existing genus Salarchaeum of new.

Novisalegentibacter

L. masc. adjective *novus*, new; L. masc. n. *Salegentibacter*, An existing genus; *Novisalegentibacter*: A genus related to but distinct from the existing genus Salegentibacter of new.

Novisalibacillus

L. masc. adjective *novus*, new; L. masc. n. *Salibacillus*, An existing genus; *Novisalibacillus*: A genus related to but distinct from the existing genus Salibacillus of new.

Novisalibacter

L. masc. adjective *novus*, new; L. masc. n. *Salibacter*, An existing genus; *Novisalibacter*: A genus related to but distinct from the existing genus Salibacter of new.

Novisalicibibacter

L. masc. adjective *novus*, new; L. masc. n. *Salicibibacter*, An existing genus; *Novisalicibibacter*: A genus related to but distinct from the existing genus Salicibibacter of new.

Novisalicola

L. masc. adjective *novus*, new; L. masc. n. *Salicola*, An existing genus; *Novisalicola*: A genus related to but distinct from the existing genus Salicola of new.

Novisalilacibacter

L. masc. adjective *novus*, new; L. masc. n. *Salilacibacter*, An existing genus; *Novisalilacibacter*: A genus related to but distinct from the existing genus Salilacibacter of new.

Novisalileptolyngbya

L. masc. adjective *novus*, new; L. fem. n. *Salileptolyngbya*, An existing genus; *Novisalileptolyngbya*: A genus related to but distinct from the existing genus Salileptolyngbya of new.

Novisalimesophilobacter

L. masc. adjective *novus*, new; L. masc. n. *Salimesophilobacter*, An existing genus; *Novisalimesophilobacter*: A genus related to but distinct from the existing genus Salimesophilobacter of new.

Novisalimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Salimicrobium*, An existing genus; *Novisalimicrobium*: A genus related to but distinct from the existing genus Salimicrobium of new.

Novisalinactinospora

L. masc. adjective *novus*, new; L. fem. n. *Salinactinospora*, An existing genus; *Novisalinactinospora*: A genus related to but distinct from the existing genus Salinactinospora of new.

Novisalinarchaeum

L. masc. adjective *novus*, new; L. neut. n. *Salinarchaeum*, An existing genus; *Novisalinarchaeum*: A genus related to but distinct from the existing genus Salinarchaeum of new.

Novisalinibacillus

L. masc. adjective *novus*, new; L. masc. n. *Salinibacillus*, An existing genus; *Novisalinibacillus*: A genus related to but distinct from the existing genus Salinibacillus of new.

Novisalinibacter

L. masc. adjective *novus*, new; L. masc. n. *Salinibacter*, An existing genus; *Novisalinibacter*: A genus related to but distinct from the existing genus Salinibacter of new.

Novisalinibacterium

L. masc. adjective *novus*, new; L. neut. n. *Salinibacterium*, An existing genus; *Novisalinibacterium*: A genus related to but distinct from the existing genus Salinibacterium of new.

Novisalinibaculum

L. masc. adjective *novus*, new; L. neut. n. *Salinibaculum*, An existing genus; *Novisalinibaculum*: A genus related to but distinct from the existing genus Salinibaculum of new.

Novisalinibius

L. masc. adjective *novus*, new; L. masc. n. *Salinibius*, An existing genus; *Novisalinibius*: A genus related to but distinct from the existing genus Salinibius of new.

Novisalinicoccus

L. masc. adjective *novus*, new; L. masc. n. *Salinicoccus*, An existing genus; *Novisalinicoccus*: A genus related to but distinct from the existing genus Salinicoccus of new.

Novisalinicola

L. masc. adjective *novus*, new; L. masc. n. *Salinicola*, An existing genus; *Novisalinicola*: A genus related to but distinct from the existing genus Salinicola of new.

Novisalinifilum

L. masc. adjective *novus*, new; L. neut. n. *Salinifilum*, An existing genus; *Novisalinifilum*: A genus related to but distinct from the existing genus Salinifilum of new.

Novisalinigranum

L. masc. adjective *novus*, new; L. neut. n. *Salinigranum*, An existing genus; *Novisalinigranum*: A genus related to but distinct from the existing genus Salinigranum of new.

Novisalinihabitans

L. masc. adjective *novus*, new; L. masc. n. *Salinihabitans*, An existing genus; *Novisalinihabitans*: A genus related to but distinct from the existing genus Salinihabitans of new.

Novisalinimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Salinimicrobium*, An existing genus; *Novisalinimicrobium*: A genus related to but distinct from the existing genus Salinimicrobium of new.

Novisalinimonas

L. masc. adjective *novus*, new; L. fem. n. *Salinimonas*, An existing genus; *Novisalinimonas*: A genus related to but distinct from the existing genus Salinimonas of new.

Novisalininema

L. masc. adjective *novus*, new; L. neut. n. *Salininema*, An existing genus; *Novisalininema*: A genus related to but distinct from the existing genus Salininema of new.

Novisaliniradius

L. masc. adjective *novus*, new; L. masc. n. *Saliniradius*, An existing genus; *Novisaliniradius*: A genus related to but distinct from the existing genus Saliniradius of new.

Novisalinirepens

L. masc. adjective *novus*, new; L. masc. n. *Salinirepens*, An existing genus; *Novisalinirepens*: A genus related to but distinct from the existing genus Salinirepens of new.

Novisalinirubellus

L. masc. adjective *novus*, new; L. masc. n. *Salinirubellus*, An existing genus; *Novisalinirubellus*: A genus related to but distinct from the existing genus Salinirubellus of new.

Novisalinirussus

L. masc. adjective *novus*, new; L. masc. n. *Salinirussus*, An existing genus; *Novisalinirussus*: A genus related to but distinct from the existing genus Salinirussus of new.

Novisalinisphaera

L. masc. adjective *novus*, new; L. fem. n. *Salinisphaera*, An existing genus; *Novisalinisphaera*: A genus related to but distinct from the existing genus Salinisphaera of new.

Novisalinispira

L. masc. adjective *novus*, new; L. fem. n. *Salinispira*, An existing genus; *Novisalinispira*: A genus related to but distinct from the existing genus Salinispira of new.

Novisalinispirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Salinispirillum*, An existing genus; *Novisalinispirillum*: A genus related to but distinct from the existing genus Salinispirillum of new.

Novisalinispora

L. masc. adjective *novus*, new; L. fem. n. *Salinispora*, An existing genus; *Novisalinispora*: A genus related to but distinct from the existing genus Salinispora of new.

Novisalinithrix

L. masc. adjective *novus*, new; L. fem. n. *Salinithrix*, An existing genus; *Novisalinithrix*: A genus related to but distinct from the existing genus Salinithrix of new.

Novisalinivenus

L. masc. adjective *novus*, new; L. fem. n. *Salinivenus*, An existing genus; *Novisalinivenus*: A genus related to but distinct from the existing genus Salinivenus of new.

Novisalinivibrio

L. masc. adjective *novus*, new; L. masc. n. *Salinivibrio*, An existing genus; *Novisalinivibrio*: A genus related to but distinct from the existing genus Salinivibrio of new.

Novisalinivirga

L. masc. adjective *novus*, new; L. fem. n. *Salinivirga*, An existing genus; *Novisalinivirga*: A genus related to but distinct from the existing genus Salinivirga of new.

Novisalinovum

L. masc. adjective *novus*, new; L. neut. n. *Salinovum*, An existing genus; *Novisalinovum*: A genus related to but distinct from the existing genus Salinovum of new.

Novisaliphagus

L. masc. adjective *novus*, new; L. masc. n. *Saliphagus*, An existing genus; *Novisaliphagus*: A genus related to but distinct from the existing genus Saliphagus of new.

Novisalipiger

L. masc. adjective *novus*, new; L. masc. n. *Salipiger*, An existing genus; *Novisalipiger*: A genus related to but distinct from the existing genus Salipiger of new.

Novisalisaeta

L. masc. adjective *novus*, new; L. fem. n. *Salisaeta*, An existing genus; *Novisalisaeta*: A genus related to but distinct from the existing genus Salisaeta of new.

Novisalisediminibacterium

L. masc. adjective *novus*, new; L. neut. n. *Salisediminibacterium*, An existing genus; *Novisalisediminibacterium*: A genus related to but distinct from the existing genus Salisediminibacterium of new.

Novisaliterribacillus

L. masc. adjective *novus*, new; L. masc. n. *Saliterribacillus*, An existing genus; *Novisaliterribacillus*: A genus related to but distinct from the existing genus Saliterribacillus of new.

Novisalmonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Salmonella*, An existing genus; *Novisalmonella*: A genus related to but distinct from the existing genus Salmonella of new.

Novisalsuginibacillus

L. masc. adjective *novus*, new; L. masc. n. *Salsuginibacillus*, An existing genus; *Novisalsuginibacillus*: A genus related to but distinct from the existing genus Salsuginibacillus of new.

Novisalsuginimonas

L. masc. adjective *novus*, new; L. fem. n. *Salsuginimonas*, An existing genus; *Novisalsuginimonas*: A genus related to but distinct from the existing genus Salsuginimonas of new.

Novisamsonia

L. masc. adjective *novus*, new; L. fem. n. *Samsonia*, An existing genus; *Novisamsonia*: A genus related to but distinct from the existing genus Samsonia of new.

Novisandaracinobacter

L. masc. adjective *novus*, new; L. masc. n. *Sandaracinobacter*, An existing genus; *Novisandaracinobacter*: A genus related to but distinct from the existing genus Sandaracinobacter of new.

Novisandaracinomonas

L. masc. adjective *novus*, new; L. fem. n. *Sandaracinomonas*, An existing genus; *Novisandaracinomonas*: A genus related to but distinct from the existing genus Sandaracinomonas of new.

Novisandaracinus

L. masc. adjective *novus*, new; L. masc. n. *Sandaracinus*, An existing genus; *Novisandaracinus*: A genus related to but distinct from the existing genus Sandaracinus of new.

Novisandarakinorhabdus

L. masc. adjective *novus*, new; L. fem. n. *Sandarakinorhabdus*, An existing genus; *Novisandarakinorhabdus*: A genus related to but distinct from the existing genus Sandarakinorhabdus of new.

Novisandarakinotalea

L. masc. adjective *novus*, new; L. fem. n. *Sandarakinotalea*, An existing genus; *Novisandarakinotalea*: A genus related to but distinct from the existing genus Sandarakinotalea of new.

Novisansalvadorimonas

L. masc. adjective *novus*, new; L. fem. n. *Sansalvadorimonas*, An existing genus; *Novisansalvadorimonas*: A genus related to but distinct from the existing genus Sansalvadorimonas of new.

Novisaonia

L. masc. adjective *novus*, new; L. fem. n. *Saonia*, An existing genus; *Novisaonia*: A genus related to but distinct from the existing genus Saonia of new.

Novisaprospira

L. masc. adjective *novus*, new; L. fem. n. *Saprospira*, An existing genus; *Novisaprospira*: A genus related to but distinct from the existing genus Saprospira of new.

Novisarcina

L. masc. adjective *novus*, new; L. fem. n. *Sarcina*, An existing genus; *Novisarcina*: A genus related to but distinct from the existing genus Sarcina of new.

Novisarcobium

L. masc. adjective *novus*, new; L. neut. n. *Sarcobium*, An existing genus; *Novisarcobium*: A genus related to but distinct from the existing genus Sarcobium of new.

Novisavagea

L. masc. adjective *novus*, new; L. fem. n. *Savagea*, An existing genus; *Novisavagea*: A genus related to but distinct from the existing genus Savagea of new.

Novisaxeibacter

L. masc. adjective *novus*, new; L. masc. n. *Saxeibacter*, An existing genus; *Novisaxeibacter*: A genus related to but distinct from the existing genus Saxeibacter of new.

Noviscandinavium

L. masc. adjective *novus*, new; L. neut. n. *Scandinavium*, An existing genus; *Noviscandinavium*: A genus related to but distinct from the existing genus Scandinavium of new.

Noviscardovia

L. masc. adjective *novus*, new; L. fem. n. *Scardovia*, An existing genus; *Noviscardovia*: A genus related to but distinct from the existing genus Scardovia of new.

Novischaalia

L. masc. adjective *novus*, new; L. fem. n. *Schaalia*, An existing genus; *Novischaalia*: A genus related to but distinct from the existing genus Schaalia of new.

Novischaedlerella

L. masc. adjective *novus*, new; L. fem. dim. n. *Schaedlerella*, An existing genus; *Novischaedlerella*: A genus related to but distinct from the existing genus Schaedlerella of new.

Novischineria

L. masc. adjective *novus*, new; L. fem. n. *Schineria*, An existing genus; *Novischineria*: A genus related to but distinct from the existing genus Schineria of new.

Novischlegelella

L. masc. adjective *novus*, new; L. fem. dim. n. *Schlegelella*, An existing genus; *Novischlegelella*: A genus related to but distinct from the existing genus Schlegelella of new.

Novischleiferella

L. masc. adjective *novus*, new; L. fem. dim. n. *Schleiferella*, An existing genus; *Novischleiferella*: A genus related to but distinct from the existing genus Schleiferella of new.

Novischleiferia

L. masc. adjective *novus*, new; L. fem. n. *Schleiferia*, An existing genus; *Novischleiferia*: A genus related to but distinct from the existing genus Schleiferia of new.

Novischleiferilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Schleiferilactobacillus*, An existing genus; *Novischleiferilactobacillus*: A genus related to but distinct from the existing genus Schleiferilactobacillus of new.

Novischlesneria

L. masc. adjective *novus*, new; L. fem. n. *Schlesneria*, An existing genus; *Novischlesneria*: A genus related to but distinct from the existing genus Schlesneria of new.

Novischnuerera

L. masc. adjective *novus*, new; L. fem. n. *Schnuerera*, An existing genus; *Novischnuerera*: A genus related to but distinct from the existing genus Schnuerera of new.

Novischumannella

L. masc. adjective *novus*, new; L. fem. dim. n. *Schumannella*, An existing genus; *Novischumannella*: A genus related to but distinct from the existing genus Schumannella of new.

Novischwartzia

L. masc. adjective *novus*, new; L. fem. n. *Schwartzia*, An existing genus; *Novischwartzia*: A genus related to but distinct from the existing genus Schwartzia of new.

Novisciscionella

L. masc. adjective *novus*, new; L. fem. dim. n. *Sciscionella*, An existing genus; *Novisciscionella*: A genus related to but distinct from the existing genus Sciscionella of new.

Noviscopulibacillus

L. masc. adjective *novus*, new; L. masc. n. *Scopulibacillus*, An existing genus; *Noviscopulibacillus*: A genus related to but distinct from the existing genus Scopulibacillus of new.

Noviscytolyngbya

L. masc. adjective *novus*, new; L. fem. n. *Scytolyngbya*, An existing genus; *Noviscytolyngbya*: A genus related to but distinct from the existing genus Scytolyngbya of new.

Novisebaldella

L. masc. adjective *novus*, new; L. fem. dim. n. *Sebaldella*, An existing genus; *Novisebaldella*: A genus related to but distinct from the existing genus Sebaldella of new.

Novisecundilactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Secundilactobacillus*, An existing genus; *Novisecundilactobacillus*: A genus related to but distinct from the existing genus Secundilactobacillus of new.

Novisedimentibacter

L. masc. adjective *novus*, new; L. masc. n. *Sedimentibacter*, An existing genus; *Novisedimentibacter*: A genus related to but distinct from the existing genus Sedimentibacter of new.

Novisedimenticola

L. masc. adjective *novus*, new; L. masc. n. *Sedimenticola*, An existing genus; *Novisedimenticola*: A genus related to but distinct from the existing genus Sedimenticola of new.

Novisedimentisphaera

L. masc. adjective *novus*, new; L. fem. n. *Sedimentisphaera*, An existing genus; *Novisedimentisphaera*: A genus related to but distinct from the existing genus Sedimentisphaera of new.

Novisedimentitalea

L. masc. adjective *novus*, new; L. fem. n. *Sedimentitalea*, An existing genus; *Novisedimentitalea*: A genus related to but distinct from the existing genus Sedimentitalea of new.

Novisediminibacillus

L. masc. adjective *novus*, new; L. masc. n. *Sediminibacillus*, An existing genus; *Novisediminibacillus*: A genus related to but distinct from the existing genus Sediminibacillus of new.

Novisediminibacter

L. masc. adjective *novus*, new; L. masc. n. *Sediminibacter*, An existing genus; *Novisediminibacter*: A genus related to but distinct from the existing genus Sediminibacter of new.

Novisediminibacterium

L. masc. adjective *novus*, new; L. neut. n. *Sediminibacterium*, An existing genus; *Novisediminibacterium*: A genus related to but distinct from the existing genus Sediminibacterium of new.

Novisediminicoccus

L. masc. adjective *novus*, new; L. masc. n. *Sediminicoccus*, An existing genus; *Novisediminicoccus*: A genus related to but distinct from the existing genus Sediminicoccus of new.

Novisediminicola

L. masc. adjective *novus*, new; L. masc. n. *Sediminicola*, An existing genus; *Novisediminicola*: A genus related to but distinct from the existing genus Sediminicola of new.

Novisediminihabitans

L. masc. adjective *novus*, new; L. masc. n. *Sediminihabitans*, An existing genus; *Novisediminihabitans*: A genus related to but distinct from the existing genus Sediminihabitans of new.

Novisediminimonas

L. masc. adjective *novus*, new; L. fem. n. *Sediminimonas*, An existing genus; *Novisediminimonas*: A genus related to but distinct from the existing genus Sediminimonas of new.

Novisediminispirochaeta

L. masc. adjective *novus*, new; L. fem. n. *Sediminispirochaeta*, An existing genus; *Novisediminispirochaeta*: A genus related to but distinct from the existing genus Sediminispirochaeta of new.

Novisediminitomix

L. masc. adjective *novus*, new; L. fem. n. *Sediminitomix*, An existing genus; *Novisediminitomix*: A genus related to but distinct from the existing genus Sediminitomix of new.

Novisediminivirga

L. masc. adjective *novus*, new; L. fem. n. *Sediminivirga*, An existing genus; *Novisediminivirga*: A genus related to but distinct from the existing genus Sediminivirga of new.

Novisegeticoccus

L. masc. adjective *novus*, new; L. masc. n. *Segeticoccus*, An existing genus; *Novisegeticoccus*: A genus related to but distinct from the existing genus Segeticoccus of new.

Novisegniliparus

L. masc. adjective *novus*, new; L. masc. n. *Segniliparus*, An existing genus; *Novisegniliparus*: A genus related to but distinct from the existing genus Segniliparus of new.

Novisegnochrobactrum

L. masc. adjective *novus*, new; L. neut. n. *Segnochrobactrum*, An existing genus; *Novisegnochrobactrum*: A genus related to but distinct from the existing genus Segnochrobactrum of new.

Noviseinonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Seinonella*, An existing genus; *Noviseinonella*: A genus related to but distinct from the existing genus Seinonella of new.

Novisejongia

L. masc. adjective *novus*, new; L. fem. n. *Sejongia*, An existing genus; *Novisejongia*: A genus related to but distinct from the existing genus Sejongia of new.

Noviselenihalanaerobacter

L. masc. adjective *novus*, new; L. masc. n. *Selenihalanaerobacter*, An existing genus; *Noviselenihalanaerobacter*: A genus related to but distinct from the existing genus Selenihalanaerobacter of new.

Noviseleniivibrio

L. masc. adjective *novus*, new; L. masc. n. *Seleniivibrio*, An existing genus; *Noviseleniivibrio*: A genus related to but distinct from the existing genus Seleniivibrio of new.

Noviselenomonas

L. masc. adjective *novus*, new; L. fem. n. *Selenomonas*, An existing genus; *Noviselenomonas*: A genus related to but distinct from the existing genus Selenomonas of new.

Noviseliberia

L. masc. adjective *novus*, new; L. fem. n. *Seliberia*, An existing genus; *Noviseliberia*: A genus related to but distinct from the existing genus Seliberia of new.

Novisellimonas

L. masc. adjective *novus*, new; L. fem. n. *Sellimonas*, An existing genus; *Novisellimonas*: A genus related to but distinct from the existing genus Sellimonas of new.

Novisenegalimassilia

L. masc. adjective *novus*, new; L. fem. n. *Senegalimassilia*, An existing genus; *Novisenegalimassilia*: A genus related to but distinct from the existing genus Senegalimassilia of new.

Noviseohaeicola

L. masc. adjective *novus*, new; L. masc. n. *Seohaeicola*, An existing genus; *Noviseohaeicola*: A genus related to but distinct from the existing genus Seohaeicola of new.

Noviseonamhaeicola

L. masc. adjective *novus*, new; L. masc. n. *Seonamhaeicola*, An existing genus; *Noviseonamhaeicola*: A genus related to but distinct from the existing genus Seonamhaeicola of new.

Noviseongchinamella

L. masc. adjective *novus*, new; L. fem. dim. n. *Seongchinamella*, An existing genus; *Noviseongchinamella*: A genus related to but distinct from the existing genus Seongchinamella of new.

Noviserinibacter

L. masc. adjective *novus*, new; L. masc. n. *Serinibacter*, An existing genus; *Noviserinibacter*: A genus related to but distinct from the existing genus Serinibacter of new.

Noviserinicoccus

L. masc. adjective *novus*, new; L. masc. n. *Serinicoccus*, An existing genus; *Noviserinicoccus*: A genus related to but distinct from the existing genus Serinicoccus of new.

Noviserpentinicella

L. masc. adjective *novus*, new; L. fem. n. *Serpentinicella*, An existing genus; *Noviserpentinicella*: A genus related to but distinct from the existing genus Serpentinicella of new.

Noviserpulina

L. masc. adjective *novus*, new; L. fem. n. *Serpulina*, An existing genus; *Noviserpulina*: A genus related to but distinct from the existing genus Serpulina of new.

Noviserratia

L. masc. adjective *novus*, new; L. fem. n. *Serratia*, An existing genus; *Noviserratia*: A genus related to but distinct from the existing genus Serratia of new.

Novishackletoniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Shackletoniella*, An existing genus; *Novishackletoniella*: A genus related to but distinct from the existing genus Shackletoniella of new.

Novisharpea

L. masc. adjective *novus*, new; L. fem. n. *Sharpea*, An existing genus; *Novisharpea*: A genus related to but distinct from the existing genus Sharpea of new.

Novishewanella

L. masc. adjective *novus*, new; L. fem. dim. n. *Shewanella*, An existing genus; *Novishewanella*: A genus related to but distinct from the existing genus Shewanella of new.

Novishigella

L. masc. adjective *novus*, new; L. fem. dim. n. *Shigella*, An existing genus; *Novishigella*: A genus related to but distinct from the existing genus Shigella of new.

Novishimazuella

L. masc. adjective *novus*, new; L. fem. dim. n. *Shimazuella*, An existing genus; *Novishimazuella*: A genus related to but distinct from the existing genus Shimazuella of new.

Novishimia

L. masc. adjective *novus*, new; L. fem. n. *Shimia*, An existing genus; *Novishimia*: A genus related to but distinct from the existing genus Shimia of new.

Novishimwellia

L. masc. adjective *novus*, new; L. fem. n. *Shimwellia*, An existing genus; *Novishimwellia*: A genus related to but distinct from the existing genus Shimwellia of new.

Novishinella

L. masc. adjective *novus*, new; L. fem. dim. n. *Shinella*, An existing genus; *Novishinella*: A genus related to but distinct from the existing genus Shinella of new.

Novishivajiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Shivajiella*, An existing genus; *Novishivajiella*: A genus related to but distinct from the existing genus Shivajiella of new.

Novishuttleworthia

L. masc. adjective *novus*, new; L. fem. n. *Shuttleworthia*, An existing genus; *Novishuttleworthia*: A genus related to but distinct from the existing genus Shuttleworthia of new.

Novisiccirubricoccus

L. masc. adjective *novus*, new; L. masc. n. *Siccirubricoccus*, An existing genus; *Novisiccirubricoccus*: A genus related to but distinct from the existing genus Siccirubricoccus of new.

Novisilanimonas

L. masc. adjective *novus*, new; L. fem. n. *Silanimonas*, An existing genus; *Novisilanimonas*: A genus related to but distinct from the existing genus Silanimonas of new.

Novisilicibacter

L. masc. adjective *novus*, new; L. masc. n. *Silicibacter*, An existing genus; *Novisilicibacter*: A genus related to but distinct from the existing genus Silicibacter of new.

Novisilicimonas

L. masc. adjective *novus*, new; L. fem. n. *Silicimonas*, An existing genus; *Novisilicimonas*: A genus related to but distinct from the existing genus Silicimonas of new.

Novisilvanigrella

L. masc. adjective *novus*, new; L. fem. dim. n. *Silvanigrella*, An existing genus; *Novisilvanigrella*: A genus related to but distinct from the existing genus Silvanigrella of new.

Novisilvibacterium

L. masc. adjective *novus*, new; L. neut. n. *Silvibacterium*, An existing genus; *Novisilvibacterium*: A genus related to but distinct from the existing genus Silvibacterium of new.

Novisilvimonas

L. masc. adjective *novus*, new; L. fem. n. *Silvimonas*, An existing genus; *Novisilvimonas*: A genus related to but distinct from the existing genus Silvimonas of new.

Novisimiduia

L. masc. adjective *novus*, new; L. fem. n. *Simiduia*, An existing genus; *Novisimiduia*: A genus related to but distinct from the existing genus Simiduia of new.

Novisimkania

L. masc. adjective *novus*, new; L. fem. n. *Simkania*, An existing genus; *Novisimkania*: A genus related to but distinct from the existing genus Simkania of new.

Novisimonsiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Simonsiella*, An existing genus; *Novisimonsiella*: A genus related to but distinct from the existing genus Simonsiella of new.

Novisimplicispira

L. masc. adjective *novus*, new; L. fem. n. *Simplicispira*, An existing genus; *Novisimplicispira*: A genus related to but distinct from the existing genus Simplicispira of new.

Novisimulacricoccus

L. masc. adjective *novus*, new; L. masc. n. *Simulacricoccus*, An existing genus; *Novisimulacricoccus*: A genus related to but distinct from the existing genus Simulacricoccus of new.

Novisingularimonas

L. masc. adjective *novus*, new; L. fem. n. *Singularimonas*, An existing genus; *Novisingularimonas*: A genus related to but distinct from the existing genus Singularimonas of new.

Novisingulisphaera

L. masc. adjective *novus*, new; L. fem. n. *Singulisphaera*, An existing genus; *Novisingulisphaera*: A genus related to but distinct from the existing genus Singulisphaera of new.

Novisinibacillus

L. masc. adjective *novus*, new; L. masc. n. *Sinibacillus*, An existing genus; *Novisinibacillus*: A genus related to but distinct from the existing genus Sinibacillus of new.

Novisinimarinibacterium

L. masc. adjective *novus*, new; L. neut. n. *Sinimarinibacterium*, An existing genus; *Novisinimarinibacterium*: A genus related to but distinct from the existing genus Sinimarinibacterium of new.

Novisinobaca

L. masc. adjective *novus*, new; L. fem. n. *Sinobaca*, An existing genus; *Novisinobaca*: A genus related to but distinct from the existing genus Sinobaca of new.

Novisinobacter

L. masc. adjective *novus*, new; L. masc. n. *Sinobacter*, An existing genus; *Novisinobacter*: A genus related to but distinct from the existing genus Sinobacter of new.

Novisinobacterium

L. masc. adjective *novus*, new; L. neut. n. *Sinobacterium*, An existing genus; *Novisinobacterium*: A genus related to but distinct from the existing genus Sinobacterium of new.

Novisinococcus

L. masc. adjective *novus*, new; L. masc. n. *Sinococcus*, An existing genus; *Novisinococcus*: A genus related to but distinct from the existing genus Sinococcus of new.

Novisinomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Sinomicrobium*, An existing genus; *Novisinomicrobium*: A genus related to but distinct from the existing genus Sinomicrobium of new.

Novisinorhizobium

L. masc. adjective *novus*, new; L. neut. n. *Sinorhizobium*, An existing genus; *Novisinorhizobium*: A genus related to but distinct from the existing genus Sinorhizobium of new.

Novisinosporangium

L. masc. adjective *novus*, new; L. neut. n. *Sinosporangium*, An existing genus; *Novisinosporangium*: A genus related to but distinct from the existing genus Sinosporangium of new.

Novisiphonobacter

L. masc. adjective *novus*, new; L. masc. n. *Siphonobacter*, An existing genus; *Novisiphonobacter*: A genus related to but distinct from the existing genus Siphonobacter of new.

Noviskermanella

L. masc. adjective *novus*, new; L. fem. dim. n. *Skermanella*, An existing genus; *Noviskermanella*: A genus related to but distinct from the existing genus Skermanella of new.

Noviskermania

L. masc. adjective *novus*, new; L. fem. n. *Skermania*, An existing genus; *Noviskermania*: A genus related to but distinct from the existing genus Skermania of new.

Novislackia

L. masc. adjective *novus*, new; L. fem. n. *Slackia*, An existing genus; *Novislackia*: A genus related to but distinct from the existing genus Slackia of new.

Novismaragdicoccus

L. masc. adjective *novus*, new; L. masc. n. *Smaragdicoccus*, An existing genus; *Novismaragdicoccus*: A genus related to but distinct from the existing genus Smaragdicoccus of new.

Novismithella

L. masc. adjective *novus*, new; L. fem. dim. n. *Smithella*, An existing genus; *Novismithella*: A genus related to but distinct from the existing genus Smithella of new.

Novisneathia

L. masc. adjective *novus*, new; L. fem. n. *Sneathia*, An existing genus; *Novisneathia*: A genus related to but distinct from the existing genus Sneathia of new.

Novisneathiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Sneathiella*, An existing genus; *Novisneathiella*: A genus related to but distinct from the existing genus Sneathiella of new.

Novisnodgrassella

L. masc. adjective *novus*, new; L. fem. dim. n. *Snodgrassella*, An existing genus; *Novisnodgrassella*: A genus related to but distinct from the existing genus Snodgrassella of new.

Novisnuella

L. masc. adjective *novus*, new; L. fem. dim. n. *Snuella*, An existing genus; *Novisnuella*: A genus related to but distinct from the existing genus Snuella of new.

Novisodaleptolyngbya

L. masc. adjective *novus*, new; L. fem. n. *Sodaleptolyngbya*, An existing genus; *Novisodaleptolyngbya*: A genus related to but distinct from the existing genus Sodaleptolyngbya of new.

Novisodalinema

L. masc. adjective *novus*, new; L. neut. n. *Sodalinema*, An existing genus; *Novisodalinema*: A genus related to but distinct from the existing genus Sodalinema of new.

Novisoehngenia

L. masc. adjective *novus*, new; L. fem. n. *Soehngenia*, An existing genus; *Novisoehngenia*: A genus related to but distinct from the existing genus Soehngenia of new.

Novisolentia

L. masc. adjective *novus*, new; L. fem. n. *Solentia*, An existing genus; *Novisolentia*: A genus related to but distinct from the existing genus Solentia of new.

Novisolibacillus

L. masc. adjective *novus*, new; L. masc. n. *Solibacillus*, An existing genus; *Novisolibacillus*: A genus related to but distinct from the existing genus Solibacillus of new.

Novisolimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Solimicrobium*, An existing genus; *Novisolimicrobium*: A genus related to but distinct from the existing genus Solimicrobium of new.

Novisolirhodobacter

L. masc. adjective *novus*, new; L. masc. n. *Solirhodobacter*, An existing genus; *Novisolirhodobacter*: A genus related to but distinct from the existing genus Solirhodobacter of new.

Novisolirubrobacter

L. masc. adjective *novus*, new; L. masc. n. *Solirubrobacter*, An existing genus; *Novisolirubrobacter*: A genus related to but distinct from the existing genus Solirubrobacter of new.

Novisolitalea

L. masc. adjective *novus*, new; L. fem. n. *Solitalea*, An existing genus; *Novisolitalea*: A genus related to but distinct from the existing genus Solitalea of new.

Novisolobacterium

L. masc. adjective *novus*, new; L. neut. n. *Solobacterium*, An existing genus; *Novisolobacterium*: A genus related to but distinct from the existing genus Solobacterium of new.

Novisoonwooa

L. masc. adjective *novus*, new; L. fem. n. *Soonwooa*, An existing genus; *Novisoonwooa*: A genus related to but distinct from the existing genus Soonwooa of new.

Novisoortia

L. masc. adjective *novus*, new; L. fem. n. *Soortia*, An existing genus; *Novisoortia*: A genus related to but distinct from the existing genus Soortia of new.

Novisorangium

L. masc. adjective *novus*, new; L. neut. n. *Sorangium*, An existing genus; *Novisorangium*: A genus related to but distinct from the existing genus Sorangium of new.

Novispecibacter

L. masc. adjective *novus*, new; L. masc. n. *Specibacter*, An existing genus; *Novispecibacter*: A genus related to but distinct from the existing genus Specibacter of new.

Novispelaeicoccus

L. masc. adjective *novus*, new; L. masc. n. *Spelaeicoccus*, An existing genus; *Novispelaeicoccus*: A genus related to but distinct from the existing genus Spelaeicoccus of new.

Novispelaeonaias

L. masc. adjective *novus*, new; L. fem. n. *Spelaeonaias*, An existing genus; *Novispelaeonaias*: A genus related to but distinct from the existing genus Spelaeonaias of new.

Novisphaerimonospora

L. masc. adjective *novus*, new; L. fem. n. *Sphaerimonospora*, An existing genus; *Novisphaerimonospora*: A genus related to but distinct from the existing genus Sphaerimonospora of new.

Novisphaerisporangium

L. masc. adjective *novus*, new; L. neut. n. *Sphaerisporangium*, An existing genus; *Novisphaerisporangium*: A genus related to but distinct from the existing genus Sphaerisporangium of new.

Novisphaerobacter

L. masc. adjective *novus*, new; L. masc. n. *Sphaerobacter*, An existing genus; *Novisphaerobacter*: A genus related to but distinct from the existing genus Sphaerobacter of new.

Novisphaerocavum

L. masc. adjective *novus*, new; L. neut. n. *Sphaerocavum*, An existing genus; *Novisphaerocavum*: A genus related to but distinct from the existing genus Sphaerocavum of new.

Novisphaerochaeta

L. masc. adjective *novus*, new; L. fem. n. *Sphaerochaeta*, An existing genus; *Novisphaerochaeta*: A genus related to but distinct from the existing genus Sphaerochaeta of new.

Novisphaerotilus

L. masc. adjective *novus*, new; L. masc. n. *Sphaerotilus*, An existing genus; *Novisphaerotilus*: A genus related to but distinct from the existing genus Sphaerotilus of new.

Novisphingoaurantiacus

L. masc. adjective *novus*, new; L. masc. n. *Sphingoaurantiacus*, An existing genus; *Novisphingoaurantiacus*: A genus related to but distinct from the existing genus Sphingoaurantiacus of new.

Novisphingobacterium

L. masc. adjective *novus*, new; L. neut. n. *Sphingobacterium*, An existing genus; *Novisphingobacterium*: A genus related to but distinct from the existing genus Sphingobacterium of new.

Novisphingobium

L. masc. adjective *novus*, new; L. neut. n. *Sphingobium*, An existing genus; *Novisphingobium*: A genus related to but distinct from the existing genus Sphingobium of new.

Novisphingomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Sphingomicrobium*, An existing genus; *Novisphingomicrobium*: A genus related to but distinct from the existing genus Sphingomicrobium of new.

Novisphingomonas

L. masc. adjective *novus*, new; L. fem. n. *Sphingomonas*, An existing genus; *Novisphingomonas*: A genus related to but distinct from the existing genus Sphingomonas of new.

Novisphingopyxis

L. masc. adjective *novus*, new; L. fem. n. *Sphingopyxis*, An existing genus; *Novisphingopyxis*: A genus related to but distinct from the existing genus Sphingopyxis of new.

Novisphingorhabdus

L. masc. adjective *novus*, new; L. fem. n. *Sphingorhabdus*, An existing genus; *Novisphingorhabdus*: A genus related to but distinct from the existing genus Sphingorhabdus of new.

Novisphingosinicella

L. masc. adjective *novus*, new; L. fem. n. *Sphingosinicella*, An existing genus; *Novisphingosinicella*: A genus related to but distinct from the existing genus Sphingosinicella of new.

Novisphingosinithalassobacter

L. masc. adjective *novus*, new; L. masc. n. *Sphingosinithalassobacter*, An existing genus; *Novisphingosinithalassobacter*: A genus related to but distinct from the existing genus Sphingosinithalassobacter of new.

Novispinactinospora

L. masc. adjective *novus*, new; L. fem. n. *Spinactinospora*, An existing genus; *Novispinactinospora*: A genus related to but distinct from the existing genus Spinactinospora of new.

Novispirilliplanes

L. masc. adjective *novus*, new; L. masc. n. *Spirilliplanes*, An existing genus; *Novispirilliplanes*: A genus related to but distinct from the existing genus Spirilliplanes of new.

Novispirillospora

L. masc. adjective *novus*, new; L. fem. n. *Spirillospora*, An existing genus; *Novispirillospora*: A genus related to but distinct from the existing genus Spirillospora of new.

Novispirochaeta

L. masc. adjective *novus*, new; L. fem. n. *Spirochaeta*, An existing genus; *Novispirochaeta*: A genus related to but distinct from the existing genus Spirochaeta of new.

Novispiroplasma

L. masc. adjective *novus*, new; L. neut. n. *Spiroplasma*, An existing genus; *Novispiroplasma*: A genus related to but distinct from the existing genus Spiroplasma of new.

Novispirosoma

L. masc. adjective *novus*, new; L. neut. n. *Spirosoma*, An existing genus; *Novispirosoma*: A genus related to but distinct from the existing genus Spirosoma of new.

Novispodiobacter

L. masc. adjective *novus*, new; L. masc. n. *Spodiobacter*, An existing genus; *Novispodiobacter*: A genus related to but distinct from the existing genus Spodiobacter of new.

Novispongiactinospora

L. masc. adjective *novus*, new; L. fem. n. *Spongiactinospora*, An existing genus; *Novispongiactinospora*: A genus related to but distinct from the existing genus Spongiactinospora of new.

Novispongiibacter

L. masc. adjective *novus*, new; L. masc. n. *Spongiibacter*, An existing genus; *Novispongiibacter*: A genus related to but distinct from the existing genus Spongiibacter of new.

Novispongiibacterium

L. masc. adjective *novus*, new; L. neut. n. *Spongiibacterium*, An existing genus; *Novispongiibacterium*: A genus related to but distinct from the existing genus Spongiibacterium of new.

Novispongiiferula

L. masc. adjective *novus*, new; L. fem. n. *Spongiiferula*, An existing genus; *Novispongiiferula*: A genus related to but distinct from the existing genus Spongiiferula of new.

Novispongiimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Spongiimicrobium*, An existing genus; *Novispongiimicrobium*: A genus related to but distinct from the existing genus Spongiimicrobium of new.

Novispongiimonas

L. masc. adjective *novus*, new; L. fem. n. *Spongiimonas*, An existing genus; *Novispongiimonas*: A genus related to but distinct from the existing genus Spongiimonas of new.

Novispongiispira

L. masc. adjective *novus*, new; L. fem. n. *Spongiispira*, An existing genus; *Novispongiispira*: A genus related to but distinct from the existing genus Spongiispira of new.

Novispongiivirga

L. masc. adjective *novus*, new; L. fem. n. *Spongiivirga*, An existing genus; *Novispongiivirga*: A genus related to but distinct from the existing genus Spongiivirga of new.

Novispongitalea

L. masc. adjective *novus*, new; L. fem. n. *Spongitalea*, An existing genus; *Novispongitalea*: A genus related to but distinct from the existing genus Spongitalea of new.

Novisporacetigenium

L. masc. adjective *novus*, new; L. neut. n. *Sporacetigenium*, An existing genus; *Novisporacetigenium*: A genus related to but distinct from the existing genus Sporacetigenium of new.

Novisporanaerobacter

L. masc. adjective *novus*, new; L. masc. n. *Sporanaerobacter*, An existing genus; *Novisporanaerobacter*: A genus related to but distinct from the existing genus Sporanaerobacter of new.

Novisporichthya

L. masc. adjective *novus*, new; L. fem. n. *Sporichthya*, An existing genus; *Novisporichthya*: A genus related to but distinct from the existing genus Sporichthya of new.

Novisporobacter

L. masc. adjective *novus*, new; L. masc. n. *Sporobacter*, An existing genus; *Novisporobacter*: A genus related to but distinct from the existing genus Sporobacter of new.

Novisporobacterium

L. masc. adjective *novus*, new; L. neut. n. *Sporobacterium*, An existing genus; *Novisporobacterium*: A genus related to but distinct from the existing genus Sporobacterium of new.

Novisporocytophaga

L. masc. adjective *novus*, new; L. fem. n. *Sporocytophaga*, An existing genus; *Novisporocytophaga*: A genus related to but distinct from the existing genus Sporocytophaga of new.

Novisporohalobacter

L. masc. adjective *novus*, new; L. masc. n. *Sporohalobacter*, An existing genus; *Novisporohalobacter*: A genus related to but distinct from the existing genus Sporohalobacter of new.

Novisporolactobacillus

L. masc. adjective *novus*, new; L. masc. n. *Sporolactobacillus*, An existing genus; *Novisporolactobacillus*: A genus related to but distinct from the existing genus Sporolactobacillus of new.

Novisporolituus

L. masc. adjective *novus*, new; L. masc. n. *Sporolituus*, An existing genus; *Novisporolituus*: A genus related to but distinct from the existing genus Sporolituus of new.

Novisporosalibacterium

L. masc. adjective *novus*, new; L. neut. n. *Sporosalibacterium*, An existing genus; *Novisporosalibacterium*: A genus related to but distinct from the existing genus Sporosalibacterium of new.

Novisporosarcina

L. masc. adjective *novus*, new; L. fem. n. *Sporosarcina*, An existing genus; *Novisporosarcina*: A genus related to but distinct from the existing genus Sporosarcina of new.

Novisporotalea

L. masc. adjective *novus*, new; L. fem. n. *Sporotalea*, An existing genus; *Novisporotalea*: A genus related to but distinct from the existing genus Sporotalea of new.

Novisporotomaculum

L. masc. adjective *novus*, new; L. neut. n. *Sporotomaculum*, An existing genus; *Novisporotomaculum*: A genus related to but distinct from the existing genus Sporotomaculum of new.

Novistackebrandtia

L. masc. adjective *novus*, new; L. fem. n. *Stackebrandtia*, An existing genus; *Novistackebrandtia*: A genus related to but distinct from the existing genus Stackebrandtia of new.

Novistagnimonas

L. masc. adjective *novus*, new; L. fem. n. *Stagnimonas*, An existing genus; *Novistagnimonas*: A genus related to but distinct from the existing genus Stagnimonas of new.

Novistakelama

L. masc. adjective *novus*, new; L. fem. n. *Stakelama*, An existing genus; *Novistakelama*: A genus related to but distinct from the existing genus Stakelama of new.

Novistaleya

L. masc. adjective *novus*, new; L. fem. n. *Staleya*, An existing genus; *Novistaleya*: A genus related to but distinct from the existing genus Staleya of new.

Novistanierella

L. masc. adjective *novus*, new; L. fem. dim. n. *Stanierella*, An existing genus; *Novistanierella*: A genus related to but distinct from the existing genus Stanierella of new.

Novistaphylococcus

L. masc. adjective *novus*, new; L. masc. n. *Staphylococcus*, An existing genus; *Novistaphylococcus*: A genus related to but distinct from the existing genus Staphylococcus of new.

Novistaphylospora

L. masc. adjective *novus*, new; L. fem. n. *Staphylospora*, An existing genus; *Novistaphylospora*: A genus related to but distinct from the existing genus Staphylospora of new.

Novistaphylothermus

L. masc. adjective *novus*, new; L. masc. n. *Staphylothermus*, An existing genus; *Novistaphylothermus*: A genus related to but distinct from the existing genus Staphylothermus of new.

Novistappia

L. masc. adjective *novus*, new; L. fem. n. *Stappia*, An existing genus; *Novistappia*: A genus related to but distinct from the existing genus Stappia of new.

Novistarkeya

L. masc. adjective *novus*, new; L. fem. n. *Starkeya*, An existing genus; *Novistarkeya*: A genus related to but distinct from the existing genus Starkeya of new.

Novistarria

L. masc. adjective *novus*, new; L. fem. n. *Starria*, An existing genus; *Novistarria*: A genus related to but distinct from the existing genus Starria of new.

Novistella

L. masc. adjective *novus*, new; L. fem. n. *Stella*, An existing genus; *Novistella*: A genus related to but distinct from the existing genus Stella of new.

Novistenothermobacter

L. masc. adjective *novus*, new; L. masc. n. *Stenothermobacter*, An existing genus; *Novistenothermobacter*: A genus related to but distinct from the existing genus Stenothermobacter of new.

Novistenotrophobacter

L. masc. adjective *novus*, new; L. masc. n. *Stenotrophobacter*, An existing genus; *Novistenotrophobacter*: A genus related to but distinct from the existing genus Stenotrophobacter of new.

Novistenotrophobium

L. masc. adjective *novus*, new; L. neut. n. *Stenotrophobium*, An existing genus; *Novistenotrophobium*: A genus related to but distinct from the existing genus Stenotrophobium of new.

Novistenotrophomonas

L. masc. adjective *novus*, new; L. fem. n. *Stenotrophomonas*, An existing genus; *Novistenotrophomonas*: A genus related to but distinct from the existing genus Stenotrophomonas of new.

Novistenoxybacter

L. masc. adjective *novus*, new; L. masc. n. *Stenoxybacter*, An existing genus; *Novistenoxybacter*: A genus related to but distinct from the existing genus Stenoxybacter of new.

Novisteroidobacter

L. masc. adjective *novus*, new; L. masc. n. *Steroidobacter*, An existing genus; *Novisteroidobacter*: A genus related to but distinct from the existing genus Steroidobacter of new.

Novisterolibacterium

L. masc. adjective *novus*, new; L. neut. n. *Sterolibacterium*, An existing genus; *Novisterolibacterium*: A genus related to but distinct from the existing genus Sterolibacterium of new.

Novistetteria

L. masc. adjective *novus*, new; L. fem. n. *Stetteria*, An existing genus; *Novistetteria*: A genus related to but distinct from the existing genus Stetteria of new.

Novistigmatella

L. masc. adjective *novus*, new; L. fem. dim. n. *Stigmatella*, An existing genus; *Novistigmatella*: A genus related to but distinct from the existing genus Stigmatella of new.

Novistigonema

L. masc. adjective *novus*, new; L. neut. n. *Stigonema*, An existing genus; *Novistigonema*: A genus related to but distinct from the existing genus Stigonema of new.

Novistomatobaculum

L. masc. adjective *novus*, new; L. neut. n. *Stomatobaculum*, An existing genus; *Novistomatobaculum*: A genus related to but distinct from the existing genus Stomatobaculum of new.

Novistomatococcus

L. masc. adjective *novus*, new; L. masc. n. *Stomatococcus*, An existing genus; *Novistomatococcus*: A genus related to but distinct from the existing genus Stomatococcus of new.

Novistreptacidiphilus

L. masc. adjective *novus*, new; L. masc. n. *Streptacidiphilus*, An existing genus; *Novistreptacidiphilus*: A genus related to but distinct from the existing genus Streptacidiphilus of new.

Novistreptobacillus

L. masc. adjective *novus*, new; L. masc. n. *Streptobacillus*, An existing genus; *Novistreptobacillus*: A genus related to but distinct from the existing genus Streptobacillus of new.

Novistreptococcus

L. masc. adjective *novus*, new; L. masc. n. *Streptococcus*, An existing genus; *Novistreptococcus*: A genus related to but distinct from the existing genus Streptococcus of new.

Novistreptohalobacillus

L. masc. adjective *novus*, new; L. masc. n. *Streptohalobacillus*, An existing genus; *Novistreptohalobacillus*: A genus related to but distinct from the existing genus Streptohalobacillus of new.

Novistreptomonospora

L. masc. adjective *novus*, new; L. fem. n. *Streptomonospora*, An existing genus; *Novistreptomonospora*: A genus related to but distinct from the existing genus Streptomonospora of new.

Novistreptomyces

L. masc. adjective *novus*, new; L. masc. n. *Streptomyces*, An existing genus; *Novistreptomyces*: A genus related to but distinct from the existing genus Streptomyces of new.

Novistreptosporangium

L. masc. adjective *novus*, new; L. neut. n. *Streptosporangium*, An existing genus; *Novistreptosporangium*: A genus related to but distinct from the existing genus Streptosporangium of new.

Novistreptoverticillium

L. masc. adjective *novus*, new; L. neut. n. *Streptoverticillium*, An existing genus; *Novistreptoverticillium*: A genus related to but distinct from the existing genus Streptoverticillium of new.

Novistygiolobus

L. masc. adjective *novus*, new; L. masc. n. *Stygiolobus*, An existing genus; *Novistygiolobus*: A genus related to but distinct from the existing genus Stygiolobus of new.

Novisubdoligranulum

L. masc. adjective *novus*, new; L. neut. n. *Subdoligranulum*, An existing genus; *Novisubdoligranulum*: A genus related to but distinct from the existing genus Subdoligranulum of new.

Novisubsaxibacter

L. masc. adjective *novus*, new; L. masc. n. *Subsaxibacter*, An existing genus; *Novisubsaxibacter*: A genus related to but distinct from the existing genus Subsaxibacter of new.

Novisubsaximicrobium

L. masc. adjective *novus*, new; L. neut. n. *Subsaximicrobium*, An existing genus; *Novisubsaximicrobium*: A genus related to but distinct from the existing genus Subsaximicrobium of new.

Novisuccinatimonas

L. masc. adjective *novus*, new; L. fem. n. *Succinatimonas*, An existing genus; *Novisuccinatimonas*: A genus related to but distinct from the existing genus Succinatimonas of new.

Novisucciniclasticum

L. masc. adjective *novus*, new; L. neut. n. *Succiniclasticum*, An existing genus; *Novisucciniclasticum*: A genus related to but distinct from the existing genus Succiniclasticum of new.

Novisuccinispira

L. masc. adjective *novus*, new; L. fem. n. *Succinispira*, An existing genus; *Novisuccinispira*: A genus related to but distinct from the existing genus Succinispira of new.

Novisuccinivibrio

L. masc. adjective *novus*, new; L. masc. n. *Succinivibrio*, An existing genus; *Novisuccinivibrio*: A genus related to but distinct from the existing genus Succinivibrio of new.

Novisufflavibacter

L. masc. adjective *novus*, new; L. masc. n. *Sufflavibacter*, An existing genus; *Novisufflavibacter*: A genus related to but distinct from the existing genus Sufflavibacter of new.

Novisuicoccus

L. masc. adjective *novus*, new; L. masc. n. *Suicoccus*, An existing genus; *Novisuicoccus*: A genus related to but distinct from the existing genus Suicoccus of new.

Novisulfitobacter

L. masc. adjective *novus*, new; L. masc. n. *Sulfitobacter*, An existing genus; *Novisulfitobacter*: A genus related to but distinct from the existing genus Sulfitobacter of new.

Novisulfodiicoccus

L. masc. adjective *novus*, new; L. masc. n. *Sulfodiicoccus*, An existing genus; *Novisulfodiicoccus*: A genus related to but distinct from the existing genus Sulfodiicoccus of new.

Novisulfolobus

L. masc. adjective *novus*, new; L. masc. n. *Sulfolobus*, An existing genus; *Novisulfolobus*: A genus related to but distinct from the existing genus Sulfolobus of new.

Novisulfophobococcus

L. masc. adjective *novus*, new; L. masc. n. *Sulfophobococcus*, An existing genus; *Novisulfophobococcus*: A genus related to but distinct from the existing genus Sulfophobococcus of new.

Novisulfuracidifex

L. masc. adjective *novus*, new; L. masc. n. *Sulfuracidifex*, An existing genus; *Novisulfuracidifex*: A genus related to but distinct from the existing genus Sulfuracidifex of new.

Novisulfuricella

L. masc. adjective *novus*, new; L. fem. n. *Sulfuricella*, An existing genus; *Novisulfuricella*: A genus related to but distinct from the existing genus Sulfuricella of new.

Novisulfuricurvum

L. masc. adjective *novus*, new; L. neut. n. *Sulfuricurvum*, An existing genus; *Novisulfuricurvum*: A genus related to but distinct from the existing genus Sulfuricurvum of new.

Novisulfuriferula

L. masc. adjective *novus*, new; L. fem. n. *Sulfuriferula*, An existing genus; *Novisulfuriferula*: A genus related to but distinct from the existing genus Sulfuriferula of new.

Novisulfuriflexus

L. masc. adjective *novus*, new; L. masc. n. *Sulfuriflexus*, An existing genus; *Novisulfuriflexus*: A genus related to but distinct from the existing genus Sulfuriflexus of new.

Novisulfurihydrogenibium

L. masc. adjective *novus*, new; L. neut. n. *Sulfurihydrogenibium*, An existing genus; *Novisulfurihydrogenibium*: A genus related to but distinct from the existing genus Sulfurihydrogenibium of new.

Novisulfurisphaera

L. masc. adjective *novus*, new; L. fem. n. *Sulfurisphaera*, An existing genus; *Novisulfurisphaera*: A genus related to but distinct from the existing genus Sulfurisphaera of new.

Novisulfuritortus

L. masc. adjective *novus*, new; L. masc. n. *Sulfuritortus*, An existing genus; *Novisulfuritortus*: A genus related to but distinct from the existing genus Sulfuritortus of new.

Novisulfurococcus

L. masc. adjective *novus*, new; L. masc. n. *Sulfurococcus*, An existing genus; *Novisulfurococcus*: A genus related to but distinct from the existing genus Sulfurococcus of new.

Novisulfurospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Sulfurospirillum*, An existing genus; *Novisulfurospirillum*: A genus related to but distinct from the existing genus Sulfurospirillum of new.

Novisulfurovum

L. masc. adjective *novus*, new; L. neut. n. *Sulfurovum*, An existing genus; *Novisulfurovum*: A genus related to but distinct from the existing genus Sulfurovum of new.

Novisungkyunkwania

L. masc. adjective *novus*, new; L. fem. n. *Sungkyunkwania*, An existing genus; *Novisungkyunkwania*: A genus related to but distinct from the existing genus Sungkyunkwania of new.

Novisunxiuqinia

L. masc. adjective *novus*, new; L. fem. n. *Sunxiuqinia*, An existing genus; *Novisunxiuqinia*: A genus related to but distinct from the existing genus Sunxiuqinia of new.

Novisuperficieibacter

L. masc. adjective *novus*, new; L. masc. n. *Superficieibacter*, An existing genus; *Novisuperficieibacter*: A genus related to but distinct from the existing genus Superficieibacter of new.

Novisutterella

L. masc. adjective *novus*, new; L. fem. dim. n. *Sutterella*, An existing genus; *Novisutterella*: A genus related to but distinct from the existing genus Sutterella of new.

Novisuttonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Suttonella*, An existing genus; *Novisuttonella*: A genus related to but distinct from the existing genus Suttonella of new.

Noviswaminathania

L. masc. adjective *novus*, new; L. fem. n. *Swaminathania*, An existing genus; *Noviswaminathania*: A genus related to but distinct from the existing genus Swaminathania of new.

Noviswingsia

L. masc. adjective *novus*, new; L. fem. n. *Swingsia*, An existing genus; *Noviswingsia*: A genus related to but distinct from the existing genus Swingsia of new.

Noviswionibacillus

L. masc. adjective *novus*, new; L. masc. n. *Swionibacillus*, An existing genus; *Noviswionibacillus*: A genus related to but distinct from the existing genus Swionibacillus of new.

Novisymbiobacterium

L. masc. adjective *novus*, new; L. neut. n. *Symbiobacterium*, An existing genus; *Novisymbiobacterium*: A genus related to but distinct from the existing genus Symbiobacterium of new.

Novisymbiotes

L. masc. adjective *novus*, new; L. masc. n. *Symbiotes*, An existing genus; *Novisymbiotes*: A genus related to but distinct from the existing genus Symbiotes of new.

Novisynechocystis

L. masc. adjective *novus*, new; L. fem. n. *Synechocystis*, An existing genus; *Novisynechocystis*: A genus related to but distinct from the existing genus Synechocystis of new.

Novisynergistes

L. masc. adjective *novus*, new; L. masc. n. *Synergistes*, An existing genus; *Novisynergistes*: A genus related to but distinct from the existing genus Synergistes of new.

Novisyntrophaceticus

L. masc. adjective *novus*, new; L. masc. n. *Syntrophaceticus*, An existing genus; *Novisyntrophaceticus*: A genus related to but distinct from the existing genus Syntrophaceticus of new.

Novisyntrophobacter

L. masc. adjective *novus*, new; L. masc. n. *Syntrophobacter*, An existing genus; *Novisyntrophobacter*: A genus related to but distinct from the existing genus Syntrophobacter of new.

Novisyntrophobotulus

L. masc. adjective *novus*, new; L. masc. n. *Syntrophobotulus*, An existing genus; *Novisyntrophobotulus*: A genus related to but distinct from the existing genus Syntrophobotulus of new.

Novisyntrophococcus

L. masc. adjective *novus*, new; L. masc. n. *Syntrophococcus*, An existing genus; *Novisyntrophococcus*: A genus related to but distinct from the existing genus Syntrophococcus of new.

Novisyntrophomonas

L. masc. adjective *novus*, new; L. fem. n. *Syntrophomonas*, An existing genus; *Novisyntrophomonas*: A genus related to but distinct from the existing genus Syntrophomonas of new.

Novisyntrophorhabdus

L. masc. adjective *novus*, new; L. fem. n. *Syntrophorhabdus*, An existing genus; *Novisyntrophorhabdus*: A genus related to but distinct from the existing genus Syntrophorhabdus of new.

Novisyntrophospora

L. masc. adjective *novus*, new; L. fem. n. *Syntrophospora*, An existing genus; *Novisyntrophospora*: A genus related to but distinct from the existing genus Syntrophospora of new.

Novisyntrophothermus

L. masc. adjective *novus*, new; L. masc. n. *Syntrophothermus*, An existing genus; *Novisyntrophothermus*: A genus related to but distinct from the existing genus Syntrophothermus of new.

Novisyntrophus

L. masc. adjective *novus*, new; L. masc. n. *Syntrophus*, An existing genus; *Novisyntrophus*: A genus related to but distinct from the existing genus Syntrophus of new.

Novitabrizicola

L. masc. adjective *novus*, new; L. fem. n. *Tabrizicola*, An existing genus; *Novitabrizicola*: A genus related to but distinct from the existing genus Tabrizicola of new.

Novitaeania

L. masc. adjective *novus*, new; L. fem. n. *Taeania*, An existing genus; *Novitaeania*: A genus related to but distinct from the existing genus Taeania of new.

Novitaeseokella

L. masc. adjective *novus*, new; L. fem. dim. n. *Taeseokella*, An existing genus; *Novitaeseokella*: A genus related to but distinct from the existing genus Taeseokella of new.

Novitagaea

L. masc. adjective *novus*, new; L. fem. n. *Tagaea*, An existing genus; *Novitagaea*: A genus related to but distinct from the existing genus Tagaea of new.

Novitahibacter

L. masc. adjective *novus*, new; L. masc. n. *Tahibacter*, An existing genus; *Novitahibacter*: A genus related to but distinct from the existing genus Tahibacter of new.

Novitaibaiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Taibaiella*, An existing genus; *Novitaibaiella*: A genus related to but distinct from the existing genus Taibaiella of new.

Novitamaricihabitans

L. masc. adjective *novus*, new; L. masc. n. *Tamaricihabitans*, An existing genus; *Novitamaricihabitans*: A genus related to but distinct from the existing genus Tamaricihabitans of new.

Novitamilnaduibacter

L. masc. adjective *novus*, new; L. masc. n. *Tamilnaduibacter*, An existing genus; *Novitamilnaduibacter*: A genus related to but distinct from the existing genus Tamilnaduibacter of new.

Novitamlana

L. masc. adjective *novus*, new; L. fem. n. *Tamlana*, An existing genus; *Novitamlana*: A genus related to but distinct from the existing genus Tamlana of new.

Novitamlicoccus

L. masc. adjective *novus*, new; L. masc. n. *Tamlicoccus*, An existing genus; *Novitamlicoccus*: A genus related to but distinct from the existing genus Tamlicoccus of new.

Novitangfeifania

L. masc. adjective *novus*, new; L. fem. n. *Tangfeifania*, An existing genus; *Novitangfeifania*: A genus related to but distinct from the existing genus Tangfeifania of new.

Novitannerella

L. masc. adjective *novus*, new; L. fem. dim. n. *Tannerella*, An existing genus; *Novitannerella*: A genus related to but distinct from the existing genus Tannerella of new.

Novitanticharoenia

L. masc. adjective *novus*, new; L. fem. n. *Tanticharoenia*, An existing genus; *Novitanticharoenia*: A genus related to but distinct from the existing genus Tanticharoenia of new.

Novitaonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Taonella*, An existing genus; *Novitaonella*: A genus related to but distinct from the existing genus Taonella of new.

Novitapinothrix

L. masc. adjective *novus*, new; L. fem. n. *Tapinothrix*, An existing genus; *Novitapinothrix*: A genus related to but distinct from the existing genus Tapinothrix of new.

Novitardiphaga

L. masc. adjective *novus*, new; L. fem. n. *Tardiphaga*, An existing genus; *Novitardiphaga*: A genus related to but distinct from the existing genus Tardiphaga of new.

Novitateyamaria

L. masc. adjective *novus*, new; L. fem. n. *Tateyamaria*, An existing genus; *Novitateyamaria*: A genus related to but distinct from the existing genus Tateyamaria of new.

Novitatlockia

L. masc. adjective *novus*, new; L. fem. n. *Tatlockia*, An existing genus; *Novitatlockia*: A genus related to but distinct from the existing genus Tatlockia of new.

Novitatumella

L. masc. adjective *novus*, new; L. fem. dim. n. *Tatumella*, An existing genus; *Novitatumella*: A genus related to but distinct from the existing genus Tatumella of new.

Novitautonia

L. masc. adjective *novus*, new; L. fem. n. *Tautonia*, An existing genus; *Novitautonia*: A genus related to but distinct from the existing genus Tautonia of new.

Novitaxeobacter

L. masc. adjective *novus*, new; L. masc. n. *Taxeobacter*, An existing genus; *Novitaxeobacter*: A genus related to but distinct from the existing genus Taxeobacter of new.

Novitaylorella

L. masc. adjective *novus*, new; L. fem. dim. n. *Taylorella*, An existing genus; *Novitaylorella*: A genus related to but distinct from the existing genus Taylorella of new.

Novitectibacter

L. masc. adjective *novus*, new; L. masc. n. *Tectibacter*, An existing genus; *Novitectibacter*: A genus related to but distinct from the existing genus Tectibacter of new.

Noviteichococcus

L. masc. adjective *novus*, new; L. masc. n. *Teichococcus*, An existing genus; *Noviteichococcus*: A genus related to but distinct from the existing genus Teichococcus of new.

Novitelluria

L. masc. adjective *novus*, new; L. fem. n. *Telluria*, An existing genus; *Novitelluria*: A genus related to but distinct from the existing genus Telluria of new.

Novitellurimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Tellurimicrobium*, An existing genus; *Novitellurimicrobium*: A genus related to but distinct from the existing genus Tellurimicrobium of new.

Novitellurirhabdus

L. masc. adjective *novus*, new; L. fem. n. *Tellurirhabdus*, An existing genus; *Novitellurirhabdus*: A genus related to but distinct from the existing genus Tellurirhabdus of new.

Novitelmatobacter

L. masc. adjective *novus*, new; L. masc. n. *Telmatobacter*, An existing genus; *Novitelmatobacter*: A genus related to but distinct from the existing genus Telmatobacter of new.

Novitelmatocola

L. masc. adjective *novus*, new; L. fem. n. *Telmatocola*, An existing genus; *Novitelmatocola*: A genus related to but distinct from the existing genus Telmatocola of new.

Novitelmatospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Telmatospirillum*, An existing genus; *Novitelmatospirillum*: A genus related to but distinct from the existing genus Telmatospirillum of new.

Novitemperatibacter

L. masc. adjective *novus*, new; L. masc. n. *Temperatibacter*, An existing genus; *Novitemperatibacter*: A genus related to but distinct from the existing genus Temperatibacter of new.

Novitenacibaculum

L. masc. adjective *novus*, new; L. neut. n. *Tenacibaculum*, An existing genus; *Novitenacibaculum*: A genus related to but distinct from the existing genus Tenacibaculum of new.

Novitenggerimyces

L. masc. adjective *novus*, new; L. masc. n. *Tenggerimyces*, An existing genus; *Novitenggerimyces*: A genus related to but distinct from the existing genus Tenggerimyces of new.

Novitengunoibacter

L. masc. adjective *novus*, new; L. masc. n. *Tengunoibacter*, An existing genus; *Novitengunoibacter*: A genus related to but distinct from the existing genus Tengunoibacter of new.

Novitenuibacillus

L. masc. adjective *novus*, new; L. masc. n. *Tenuibacillus*, An existing genus; *Novitenuibacillus*: A genus related to but distinct from the existing genus Tenuibacillus of new.

Novitepidamorphus

L. masc. adjective *novus*, new; L. masc. n. *Tepidamorphus*, An existing genus; *Novitepidamorphus*: A genus related to but distinct from the existing genus Tepidamorphus of new.

Novitepidanaerobacter

L. masc. adjective *novus*, new; L. masc. n. *Tepidanaerobacter*, An existing genus; *Novitepidanaerobacter*: A genus related to but distinct from the existing genus Tepidanaerobacter of new.

Novitepidicaulis

L. masc. adjective *novus*, new; L. masc. n. *Tepidicaulis*, An existing genus; *Novitepidicaulis*: A genus related to but distinct from the existing genus Tepidicaulis of new.

Novitepidicella

L. masc. adjective *novus*, new; L. fem. n. *Tepidicella*, An existing genus; *Novitepidicella*: A genus related to but distinct from the existing genus Tepidicella of new.

Novitepidiforma

L. masc. adjective *novus*, new; L. fem. n. *Tepidiforma*, An existing genus; *Novitepidiforma*: A genus related to but distinct from the existing genus Tepidiforma of new.

Novitepidimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Tepidimicrobium*, An existing genus; *Novitepidimicrobium*: A genus related to but distinct from the existing genus Tepidimicrobium of new.

Novitepidiphilus

L. masc. adjective *novus*, new; L. masc. n. *Tepidiphilus*, An existing genus; *Novitepidiphilus*: A genus related to but distinct from the existing genus Tepidiphilus of new.

Novitepidisphaera

L. masc. adjective *novus*, new; L. fem. n. *Tepidisphaera*, An existing genus; *Novitepidisphaera*: A genus related to but distinct from the existing genus Tepidisphaera of new.

Noviterasakiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Terasakiella*, An existing genus; *Noviterasakiella*: A genus related to but distinct from the existing genus Terasakiella of new.

Noviterasakiispira

L. masc. adjective *novus*, new; L. fem. n. *Terasakiispira*, An existing genus; *Noviterasakiispira*: A genus related to but distinct from the existing genus Terasakiispira of new.

Noviteredinibacter

L. masc. adjective *novus*, new; L. masc. n. *Teredinibacter*, An existing genus; *Noviteredinibacter*: A genus related to but distinct from the existing genus Teredinibacter of new.

Noviterrabacter

L. masc. adjective *novus*, new; L. masc. n. *Terrabacter*, An existing genus; *Noviterrabacter*: A genus related to but distinct from the existing genus Terrabacter of new.

Noviterracidiphilus

L. masc. adjective *novus*, new; L. masc. n. *Terracidiphilus*, An existing genus; *Noviterracidiphilus*: A genus related to but distinct from the existing genus Terracidiphilus of new.

Noviterracoccus

L. masc. adjective *novus*, new; L. masc. n. *Terracoccus*, An existing genus; *Noviterracoccus*: A genus related to but distinct from the existing genus Terracoccus of new.

Noviterribacillus

L. masc. adjective *novus*, new; L. masc. n. *Terribacillus*, An existing genus; *Noviterribacillus*: A genus related to but distinct from the existing genus Terribacillus of new.

Noviterriglobus

L. masc. adjective *novus*, new; L. masc. n. *Terriglobus*, An existing genus; *Noviterriglobus*: A genus related to but distinct from the existing genus Terriglobus of new.

Noviterrilactibacillus

L. masc. adjective *novus*, new; L. masc. n. *Terrilactibacillus*, An existing genus; *Noviterrilactibacillus*: A genus related to but distinct from the existing genus Terrilactibacillus of new.

Noviterrimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Terrimicrobium*, An existing genus; *Noviterrimicrobium*: A genus related to but distinct from the existing genus Terrimicrobium of new.

Noviterrisporobacter

L. masc. adjective *novus*, new; L. masc. n. *Terrisporobacter*, An existing genus; *Noviterrisporobacter*: A genus related to but distinct from the existing genus Terrisporobacter of new.

Novitersicoccus

L. masc. adjective *novus*, new; L. masc. n. *Tersicoccus*, An existing genus; *Novitersicoccus*: A genus related to but distinct from the existing genus Tersicoccus of new.

Novitessaracoccus

L. masc. adjective *novus*, new; L. masc. n. *Tessaracoccus*, An existing genus; *Novitessaracoccus*: A genus related to but distinct from the existing genus Tessaracoccus of new.

Novitestudinibacter

L. masc. adjective *novus*, new; L. masc. n. *Testudinibacter*, An existing genus; *Novitestudinibacter*: A genus related to but distinct from the existing genus Testudinibacter of new.

Novitetracoccus

L. masc. adjective *novus*, new; L. masc. n. *Tetracoccus*, An existing genus; *Novitetracoccus*: A genus related to but distinct from the existing genus Tetracoccus of new.

Novitetragenococcus

L. masc. adjective *novus*, new; L. masc. n. *Tetragenococcus*, An existing genus; *Novitetragenococcus*: A genus related to but distinct from the existing genus Tetragenococcus of new.

Novitetrasphaera

L. masc. adjective *novus*, new; L. fem. n. *Tetrasphaera*, An existing genus; *Novitetrasphaera*: A genus related to but distinct from the existing genus Tetrasphaera of new.

Novitetrathiobacter

L. masc. adjective *novus*, new; L. masc. n. *Tetrathiobacter*, An existing genus; *Novitetrathiobacter*: A genus related to but distinct from the existing genus Tetrathiobacter of new.

Novitexcoconibacillus

L. masc. adjective *novus*, new; L. masc. n. *Texcoconibacillus*, An existing genus; *Novitexcoconibacillus*: A genus related to but distinct from the existing genus Texcoconibacillus of new.

Novithalassobacillus

L. masc. adjective *novus*, new; L. masc. n. *Thalassobacillus*, An existing genus; *Novithalassobacillus*: A genus related to but distinct from the existing genus Thalassobacillus of new.

Novithalassobacter

L. masc. adjective *novus*, new; L. masc. n. *Thalassobacter*, An existing genus; *Novithalassobacter*: A genus related to but distinct from the existing genus Thalassobacter of new.

Novithalassobaculum

L. masc. adjective *novus*, new; L. neut. n. *Thalassobaculum*, An existing genus; *Novithalassobaculum*: A genus related to but distinct from the existing genus Thalassobaculum of new.

Novithalassobius

L. masc. adjective *novus*, new; L. masc. n. *Thalassobius*, An existing genus; *Novithalassobius*: A genus related to but distinct from the existing genus Thalassobius of new.

Novithalassocella

L. masc. adjective *novus*, new; L. fem. n. *Thalassocella*, An existing genus; *Novithalassocella*: A genus related to but distinct from the existing genus Thalassocella of new.

Novithalassococcus

L. masc. adjective *novus*, new; L. masc. n. *Thalassococcus*, An existing genus; *Novithalassococcus*: A genus related to but distinct from the existing genus Thalassococcus of new.

Novithalassocola

L. masc. adjective *novus*, new; L. fem. n. *Thalassocola*, An existing genus; *Novithalassocola*: A genus related to but distinct from the existing genus Thalassocola of new.

Novithalassolituus

L. masc. adjective *novus*, new; L. masc. n. *Thalassolituus*, An existing genus; *Novithalassolituus*: A genus related to but distinct from the existing genus Thalassolituus of new.

Novithalassomonas

L. masc. adjective *novus*, new; L. fem. n. *Thalassomonas*, An existing genus; *Novithalassomonas*: A genus related to but distinct from the existing genus Thalassomonas of new.

Novithalassorhabdomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Thalassorhabdomicrobium*, An existing genus; *Novithalassorhabdomicrobium*: A genus related to but distinct from the existing genus Thalassorhabdomicrobium of new.

Novithalassorhabdus

L. masc. adjective *novus*, new; L. fem. n. *Thalassorhabdus*, An existing genus; *Novithalassorhabdus*: A genus related to but distinct from the existing genus Thalassorhabdus of new.

Novithalassospira

L. masc. adjective *novus*, new; L. fem. n. *Thalassospira*, An existing genus; *Novithalassospira*: A genus related to but distinct from the existing genus Thalassospira of new.

Novithalassotalea

L. masc. adjective *novus*, new; L. fem. n. *Thalassotalea*, An existing genus; *Novithalassotalea*: A genus related to but distinct from the existing genus Thalassotalea of new.

Novithauera

L. masc. adjective *novus*, new; L. fem. n. *Thauera*, An existing genus; *Novithauera*: A genus related to but distinct from the existing genus Thauera of new.

Novithaumasiovibrio

L. masc. adjective *novus*, new; L. masc. n. *Thaumasiovibrio*, An existing genus; *Novithaumasiovibrio*: A genus related to but distinct from the existing genus Thaumasiovibrio of new.

Novithermacetogenium

L. masc. adjective *novus*, new; L. neut. n. *Thermacetogenium*, An existing genus; *Novithermacetogenium*: A genus related to but distinct from the existing genus Thermacetogenium of new.

Novithermaerobacter

L. masc. adjective *novus*, new; L. masc. n. *Thermaerobacter*, An existing genus; *Novithermaerobacter*: A genus related to but distinct from the existing genus Thermaerobacter of new.

Novithermalkalibacillus

L. masc. adjective *novus*, new; L. masc. n. *Thermalkalibacillus*, An existing genus; *Novithermalkalibacillus*: A genus related to but distinct from the existing genus Thermalkalibacillus of new.

Novithermanaeromonas

L. masc. adjective *novus*, new; L. fem. n. *Thermanaeromonas*, An existing genus; *Novithermanaeromonas*: A genus related to but distinct from the existing genus Thermanaeromonas of new.

Novithermanaerothrix

L. masc. adjective *novus*, new; L. fem. n. *Thermanaerothrix*, An existing genus; *Novithermanaerothrix*: A genus related to but distinct from the existing genus Thermanaerothrix of new.

Novithermanaerovibrio

L. masc. adjective *novus*, new; L. masc. n. *Thermanaerovibrio*, An existing genus; *Novithermanaerovibrio*: A genus related to but distinct from the existing genus Thermanaerovibrio of new.

Novithermasporomyces

L. masc. adjective *novus*, new; L. masc. n. *Thermasporomyces*, An existing genus; *Novithermasporomyces*: A genus related to but distinct from the existing genus Thermasporomyces of new.

Novithermaurantimonas

L. masc. adjective *novus*, new; L. fem. n. *Thermaurantimonas*, An existing genus; *Novithermaurantimonas*: A genus related to but distinct from the existing genus Thermaurantimonas of new.

Novithermithiobacillus

L. masc. adjective *novus*, new; L. masc. n. *Thermithiobacillus*, An existing genus; *Novithermithiobacillus*: A genus related to but distinct from the existing genus Thermithiobacillus of new.

Novithermoactinomyces

L. masc. adjective *novus*, new; L. masc. n. *Thermoactinomyces*, An existing genus; *Novithermoactinomyces*: A genus related to but distinct from the existing genus Thermoactinomyces of new.

Novithermoactinospora

L. masc. adjective *novus*, new; L. fem. n. *Thermoactinospora*, An existing genus; *Novithermoactinospora*: A genus related to but distinct from the existing genus Thermoactinospora of new.

Novithermoanaerobacter

L. masc. adjective *novus*, new; L. masc. n. *Thermoanaerobacter*, An existing genus; *Novithermoanaerobacter*: A genus related to but distinct from the existing genus Thermoanaerobacter of new.

Novithermoanaerobacterium

L. masc. adjective *novus*, new; L. neut. n. *Thermoanaerobacterium*, An existing genus; *Novithermoanaerobacterium*: A genus related to but distinct from the existing genus Thermoanaerobacterium of new.

Novithermoanaerobaculum

L. masc. adjective *novus*, new; L. neut. n. *Thermoanaerobaculum*, An existing genus; *Novithermoanaerobaculum*: A genus related to but distinct from the existing genus Thermoanaerobaculum of new.

Novithermoanaerobium

L. masc. adjective *novus*, new; L. neut. n. *Thermoanaerobium*, An existing genus; *Novithermoanaerobium*: A genus related to but distinct from the existing genus Thermoanaerobium of new.

Novithermobacillus

L. masc. adjective *novus*, new; L. masc. n. *Thermobacillus*, An existing genus; *Novithermobacillus*: A genus related to but distinct from the existing genus Thermobacillus of new.

Novithermobacteroides

L. masc. adjective *novus*, new; L. masc. n. *Thermobacteroides*, An existing genus; *Novithermobacteroides*: A genus related to but distinct from the existing genus Thermobacteroides of new.

Novithermobifida

L. masc. adjective *novus*, new; L. fem. n. *Thermobifida*, An existing genus; *Novithermobifida*: A genus related to but distinct from the existing genus Thermobifida of new.

Novithermobispora

L. masc. adjective *novus*, new; L. fem. n. *Thermobispora*, An existing genus; *Novithermobispora*: A genus related to but distinct from the existing genus Thermobispora of new.

Novithermobrachium

L. masc. adjective *novus*, new; L. neut. n. *Thermobrachium*, An existing genus; *Novithermobrachium*: A genus related to but distinct from the existing genus Thermobrachium of new.

Novithermocatellispora

L. masc. adjective *novus*, new; L. fem. n. *Thermocatellispora*, An existing genus; *Novithermocatellispora*: A genus related to but distinct from the existing genus Thermocatellispora of new.

Novithermochromatium

L. masc. adjective *novus*, new; L. neut. n. *Thermochromatium*, An existing genus; *Novithermochromatium*: A genus related to but distinct from the existing genus Thermochromatium of new.

Novithermocladium

L. masc. adjective *novus*, new; L. neut. dim. n. *Thermocladium*, An existing genus; *Novithermocladium*: A genus related to but distinct from the existing genus Thermocladium of new.

Novithermoclostridium

L. masc. adjective *novus*, new; L. neut. dim. n. *Thermoclostridium*, An existing genus; *Novithermoclostridium*: A genus related to but distinct from the existing genus Thermoclostridium of new.

Novithermococcoides

L. masc. adjective *novus*, new; L. masc. n. *Thermococcoides*, An existing genus; *Novithermococcoides*: A genus related to but distinct from the existing genus Thermococcoides of new.

Novithermococcus

L. masc. adjective *novus*, new; L. masc. n. *Thermococcus*, An existing genus; *Novithermococcus*: A genus related to but distinct from the existing genus Thermococcus of new.

Novithermocrinis

L. masc. adjective *novus*, new; L. masc. n. *Thermocrinis*, An existing genus; *Novithermocrinis*: A genus related to but distinct from the existing genus Thermocrinis of new.

Novithermocrispum

L. masc. adjective *novus*, new; L. neut. n. *Thermocrispum*, An existing genus; *Novithermocrispum*: A genus related to but distinct from the existing genus Thermocrispum of new.

Novithermodesulfatator

L. masc. adjective *novus*, new; L. masc. n. *Thermodesulfatator*, An existing genus; *Novithermodesulfatator*: A genus related to but distinct from the existing genus Thermodesulfatator of new.

Novithermodesulfitimonas

L. masc. adjective *novus*, new; L. fem. n. *Thermodesulfitimonas*, An existing genus; *Novithermodesulfitimonas*: A genus related to but distinct from the existing genus Thermodesulfitimonas of new.

Novithermodesulfobacterium

L. masc. adjective *novus*, new; L. neut. n. *Thermodesulfobacterium*, An existing genus; *Novithermodesulfobacterium*: A genus related to but distinct from the existing genus Thermodesulfobacterium of new.

Novithermodesulfobium

L. masc. adjective *novus*, new; L. neut. n. *Thermodesulfobium*, An existing genus; *Novithermodesulfobium*: A genus related to but distinct from the existing genus Thermodesulfobium of new.

Novithermodesulforhabdus

L. masc. adjective *novus*, new; L. fem. n. *Thermodesulforhabdus*, An existing genus; *Novithermodesulforhabdus*: A genus related to but distinct from the existing genus Thermodesulforhabdus of new.

Novithermodesulfovibrio

L. masc. adjective *novus*, new; L. masc. n. *Thermodesulfovibrio*, An existing genus; *Novithermodesulfovibrio*: A genus related to but distinct from the existing genus Thermodesulfovibrio of new.

Novithermodiscus

L. masc. adjective *novus*, new; L. masc. n. *Thermodiscus*, An existing genus; *Novithermodiscus*: A genus related to but distinct from the existing genus Thermodiscus of new.

Novithermofilum

L. masc. adjective *novus*, new; L. neut. n. *Thermofilum*, An existing genus; *Novithermofilum*: A genus related to but distinct from the existing genus Thermofilum of new.

Novithermoflavifilum

L. masc. adjective *novus*, new; L. neut. n. *Thermoflavifilum*, An existing genus; *Novithermoflavifilum*: A genus related to but distinct from the existing genus Thermoflavifilum of new.

Novithermoflavimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Thermoflavimicrobium*, An existing genus; *Novithermoflavimicrobium*: A genus related to but distinct from the existing genus Thermoflavimicrobium of new.

Novithermoflexibacter

L. masc. adjective *novus*, new; L. masc. n. *Thermoflexibacter*, An existing genus; *Novithermoflexibacter*: A genus related to but distinct from the existing genus Thermoflexibacter of new.

Novithermoflexus

L. masc. adjective *novus*, new; L. masc. n. *Thermoflexus*, An existing genus; *Novithermoflexus*: A genus related to but distinct from the existing genus Thermoflexus of new.

Novithermogemmatispora

L. masc. adjective *novus*, new; L. fem. n. *Thermogemmatispora*, An existing genus; *Novithermogemmatispora*: A genus related to but distinct from the existing genus Thermogemmatispora of new.

Novithermogladius

L. masc. adjective *novus*, new; L. masc. n. *Thermogladius*, An existing genus; *Novithermogladius*: A genus related to but distinct from the existing genus Thermogladius of new.

Novithermogutta

L. masc. adjective *novus*, new; L. fem. n. *Thermogutta*, An existing genus; *Novithermogutta*: A genus related to but distinct from the existing genus Thermogutta of new.

Novithermogymnomonas

L. masc. adjective *novus*, new; L. fem. n. *Thermogymnomonas*, An existing genus; *Novithermogymnomonas*: A genus related to but distinct from the existing genus Thermogymnomonas of new.

Novithermohalobacter

L. masc. adjective *novus*, new; L. masc. n. *Thermohalobacter*, An existing genus; *Novithermohalobacter*: A genus related to but distinct from the existing genus Thermohalobacter of new.

Novithermohydrogenium

L. masc. adjective *novus*, new; L. neut. n. *Thermohydrogenium*, An existing genus; *Novithermohydrogenium*: A genus related to but distinct from the existing genus Thermohydrogenium of new.

Novithermoleophilum

L. masc. adjective *novus*, new; L. neut. n. *Thermoleophilum*, An existing genus; *Novithermoleophilum*: A genus related to but distinct from the existing genus Thermoleophilum of new.

Novithermoleptolyngbya

L. masc. adjective *novus*, new; L. fem. n. *Thermoleptolyngbya*, An existing genus; *Novithermoleptolyngbya*: A genus related to but distinct from the existing genus Thermoleptolyngbya of new.

Novithermolithobacter

L. masc. adjective *novus*, new; L. masc. n. *Thermolithobacter*, An existing genus; *Novithermolithobacter*: A genus related to but distinct from the existing genus Thermolithobacter of new.

Novithermolongibacillus

L. masc. adjective *novus*, new; L. masc. n. *Thermolongibacillus*, An existing genus; *Novithermolongibacillus*: A genus related to but distinct from the existing genus Thermolongibacillus of new.

Novithermomarinilinea

L. masc. adjective *novus*, new; L. fem. n. *Thermomarinilinea*, An existing genus; *Novithermomarinilinea*: A genus related to but distinct from the existing genus Thermomarinilinea of new.

Novithermomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Thermomicrobium*, An existing genus; *Novithermomicrobium*: A genus related to but distinct from the existing genus Thermomicrobium of new.

Novithermomonas

L. masc. adjective *novus*, new; L. fem. n. *Thermomonas*, An existing genus; *Novithermomonas*: A genus related to but distinct from the existing genus Thermomonas of new.

Novithermomonospora

L. masc. adjective *novus*, new; L. fem. n. *Thermomonospora*, An existing genus; *Novithermomonospora*: A genus related to but distinct from the existing genus Thermomonospora of new.

Novithermonema

L. masc. adjective *novus*, new; L. neut. n. *Thermonema*, An existing genus; *Novithermonema*: A genus related to but distinct from the existing genus Thermonema of new.

Novithermophagus

L. masc. adjective *novus*, new; L. masc. n. *Thermophagus*, An existing genus; *Novithermophagus*: A genus related to but distinct from the existing genus Thermophagus of new.

Novithermoplasma

L. masc. adjective *novus*, new; L. neut. n. *Thermoplasma*, An existing genus; *Novithermoplasma*: A genus related to but distinct from the existing genus Thermoplasma of new.

Novithermopolyspora

L. masc. adjective *novus*, new; L. fem. n. *Thermopolyspora*, An existing genus; *Novithermopolyspora*: A genus related to but distinct from the existing genus Thermopolyspora of new.

Novithermoproteus

L. masc. adjective *novus*, new; L. masc. n. *Thermoproteus*, An existing genus; *Novithermoproteus*: A genus related to but distinct from the existing genus Thermoproteus of new.

Novithermorudis

L. masc. adjective *novus*, new; L. fem. n. *Thermorudis*, An existing genus; *Novithermorudis*: A genus related to but distinct from the existing genus Thermorudis of new.

Novithermosediminibacter

L. masc. adjective *novus*, new; L. masc. n. *Thermosediminibacter*, An existing genus; *Novithermosediminibacter*: A genus related to but distinct from the existing genus Thermosediminibacter of new.

Novithermosinus

L. masc. adjective *novus*, new; L. masc. n. *Thermosinus*, An existing genus; *Novithermosinus*: A genus related to but distinct from the existing genus Thermosinus of new.

Novithermosipho

L. masc. adjective *novus*, new; L. masc. n. *Thermosipho*, An existing genus; *Novithermosipho*: A genus related to but distinct from the existing genus Thermosipho of new.

Novithermosphaera

L. masc. adjective *novus*, new; L. fem. n. *Thermosphaera*, An existing genus; *Novithermosphaera*: A genus related to but distinct from the existing genus Thermosphaera of new.

Novithermosporothrix

L. masc. adjective *novus*, new; L. fem. n. *Thermosporothrix*, An existing genus; *Novithermosporothrix*: A genus related to but distinct from the existing genus Thermosporothrix of new.

Novithermostaphylospora

L. masc. adjective *novus*, new; L. fem. n. *Thermostaphylospora*, An existing genus; *Novithermostaphylospora*: A genus related to but distinct from the existing genus Thermostaphylospora of new.

Novithermostilla

L. masc. adjective *novus*, new; L. fem. n. *Thermostilla*, An existing genus; *Novithermostilla*: A genus related to but distinct from the existing genus Thermostilla of new.

Novithermosulfidibacter

L. masc. adjective *novus*, new; L. masc. n. *Thermosulfidibacter*, An existing genus; *Novithermosulfidibacter*: A genus related to but distinct from the existing genus Thermosulfidibacter of new.

Novithermosulfurimonas

L. masc. adjective *novus*, new; L. fem. n. *Thermosulfurimonas*, An existing genus; *Novithermosulfurimonas*: A genus related to but distinct from the existing genus Thermosulfurimonas of new.

Novithermosulfuriphilus

L. masc. adjective *novus*, new; L. masc. n. *Thermosulfuriphilus*, An existing genus; *Novithermosulfuriphilus*: A genus related to but distinct from the existing genus Thermosulfuriphilus of new.

Novithermosyntropha

L. masc. adjective *novus*, new; L. fem. n. *Thermosyntropha*, An existing genus; *Novithermosyntropha*: A genus related to but distinct from the existing genus Thermosyntropha of new.

Novithermotalea

L. masc. adjective *novus*, new; L. fem. n. *Thermotalea*, An existing genus; *Novithermotalea*: A genus related to but distinct from the existing genus Thermotalea of new.

Novithermoterrabacterium

L. masc. adjective *novus*, new; L. neut. n. *Thermoterrabacterium*, An existing genus; *Novithermoterrabacterium*: A genus related to but distinct from the existing genus Thermoterrabacterium of new.

Novithermotoga

L. masc. adjective *novus*, new; L. fem. n. *Thermotoga*, An existing genus; *Novithermotoga*: A genus related to but distinct from the existing genus Thermotoga of new.

Novithermotomaculum

L. masc. adjective *novus*, new; L. neut. n. *Thermotomaculum*, An existing genus; *Novithermotomaculum*: A genus related to but distinct from the existing genus Thermotomaculum of new.

Novithermotunica

L. masc. adjective *novus*, new; L. fem. n. *Thermotunica*, An existing genus; *Novithermotunica*: A genus related to but distinct from the existing genus Thermotunica of new.

Novithermovenabulum

L. masc. adjective *novus*, new; L. neut. n. *Thermovenabulum*, An existing genus; *Novithermovenabulum*: A genus related to but distinct from the existing genus Thermovenabulum of new.

Novithermovibrio

L. masc. adjective *novus*, new; L. masc. n. *Thermovibrio*, An existing genus; *Novithermovibrio*: A genus related to but distinct from the existing genus Thermovibrio of new.

Novithermovirga

L. masc. adjective *novus*, new; L. fem. n. *Thermovirga*, An existing genus; *Novithermovirga*: A genus related to but distinct from the existing genus Thermovirga of new.

Novithermovorax

L. masc. adjective *novus*, new; L. masc. n. *Thermovorax*, An existing genus; *Novithermovorax*: A genus related to but distinct from the existing genus Thermovorax of new.

Novithermovum

L. masc. adjective *novus*, new; L. neut. n. *Thermovum*, An existing genus; *Novithermovum*: A genus related to but distinct from the existing genus Thermovum of new.

Novithermus

L. masc. adjective *novus*, new; L. masc. n. *Thermus*, An existing genus; *Novithermus*: A genus related to but distinct from the existing genus Thermus of new.

Novithioalbus

L. masc. adjective *novus*, new; L. masc. n. *Thioalbus*, An existing genus; *Novithioalbus*: A genus related to but distinct from the existing genus Thioalbus of new.

Novithioalkalibacter

L. masc. adjective *novus*, new; L. masc. n. *Thioalkalibacter*, An existing genus; *Novithioalkalibacter*: A genus related to but distinct from the existing genus Thioalkalibacter of new.

Novithioalkalicoccus

L. masc. adjective *novus*, new; L. masc. n. *Thioalkalicoccus*, An existing genus; *Novithioalkalicoccus*: A genus related to but distinct from the existing genus Thioalkalicoccus of new.

Novithioalkalimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Thioalkalimicrobium*, An existing genus; *Novithioalkalimicrobium*: A genus related to but distinct from the existing genus Thioalkalimicrobium of new.

Novithioalkalispira

L. masc. adjective *novus*, new; L. fem. n. *Thioalkalispira*, An existing genus; *Novithioalkalispira*: A genus related to but distinct from the existing genus Thioalkalispira of new.

Novithioalkalivibrio

L. masc. adjective *novus*, new; L. masc. n. *Thioalkalivibrio*, An existing genus; *Novithioalkalivibrio*: A genus related to but distinct from the existing genus Thioalkalivibrio of new.

Novithiobaca

L. masc. adjective *novus*, new; L. fem. n. *Thiobaca*, An existing genus; *Novithiobaca*: A genus related to but distinct from the existing genus Thiobaca of new.

Novithiobacillus

L. masc. adjective *novus*, new; L. masc. n. *Thiobacillus*, An existing genus; *Novithiobacillus*: A genus related to but distinct from the existing genus Thiobacillus of new.

Novithiobacimonas

L. masc. adjective *novus*, new; L. fem. n. *Thiobacimonas*, An existing genus; *Novithiobacimonas*: A genus related to but distinct from the existing genus Thiobacimonas of new.

Novithiobacterium

L. masc. adjective *novus*, new; L. neut. n. *Thiobacterium*, An existing genus; *Novithiobacterium*: A genus related to but distinct from the existing genus Thiobacterium of new.

Novithiocapsa

L. masc. adjective *novus*, new; L. fem. n. *Thiocapsa*, An existing genus; *Novithiocapsa*: A genus related to but distinct from the existing genus Thiocapsa of new.

Novithioclava

L. masc. adjective *novus*, new; L. fem. n. *Thioclava*, An existing genus; *Novithioclava*: A genus related to but distinct from the existing genus Thioclava of new.

Novithiococcus

L. masc. adjective *novus*, new; L. masc. n. *Thiococcus*, An existing genus; *Novithiococcus*: A genus related to but distinct from the existing genus Thiococcus of new.

Novithiocystis

L. masc. adjective *novus*, new; L. fem. n. *Thiocystis*, An existing genus; *Novithiocystis*: A genus related to but distinct from the existing genus Thiocystis of new.

Novithiodictyon

L. masc. adjective *novus*, new; L. neut. n. *Thiodictyon*, An existing genus; *Novithiodictyon*: A genus related to but distinct from the existing genus Thiodictyon of new.

Novithiofaba

L. masc. adjective *novus*, new; L. fem. n. *Thiofaba*, An existing genus; *Novithiofaba*: A genus related to but distinct from the existing genus Thiofaba of new.

Novithiofilum

L. masc. adjective *novus*, new; L. neut. n. *Thiofilum*, An existing genus; *Novithiofilum*: A genus related to but distinct from the existing genus Thiofilum of new.

Novithioflavicoccus

L. masc. adjective *novus*, new; L. masc. n. *Thioflavicoccus*, An existing genus; *Novithioflavicoccus*: A genus related to but distinct from the existing genus Thioflavicoccus of new.

Novithioflexithrix

L. masc. adjective *novus*, new; L. fem. n. *Thioflexithrix*, An existing genus; *Novithioflexithrix*: A genus related to but distinct from the existing genus Thioflexithrix of new.

Novithiofractor

L. masc. adjective *novus*, new; L. masc. n. *Thiofractor*, An existing genus; *Novithiofractor*: A genus related to but distinct from the existing genus Thiofractor of new.

Novithiohalobacter

L. masc. adjective *novus*, new; L. masc. n. *Thiohalobacter*, An existing genus; *Novithiohalobacter*: A genus related to but distinct from the existing genus Thiohalobacter of new.

Novithiohalocapsa

L. masc. adjective *novus*, new; L. fem. n. *Thiohalocapsa*, An existing genus; *Novithiohalocapsa*: A genus related to but distinct from the existing genus Thiohalocapsa of new.

Novithiohalomonas

L. masc. adjective *novus*, new; L. fem. n. *Thiohalomonas*, An existing genus; *Novithiohalomonas*: A genus related to but distinct from the existing genus Thiohalomonas of new.

Novithiohalophilus

L. masc. adjective *novus*, new; L. masc. n. *Thiohalophilus*, An existing genus; *Novithiohalophilus*: A genus related to but distinct from the existing genus Thiohalophilus of new.

Novithiohalorhabdus

L. masc. adjective *novus*, new; L. fem. n. *Thiohalorhabdus*, An existing genus; *Novithiohalorhabdus*: A genus related to but distinct from the existing genus Thiohalorhabdus of new.

Novithiohalospira

L. masc. adjective *novus*, new; L. fem. n. *Thiohalospira*, An existing genus; *Novithiohalospira*: A genus related to but distinct from the existing genus Thiohalospira of new.

Novithiolamprovum

L. masc. adjective *novus*, new; L. neut. n. *Thiolamprovum*, An existing genus; *Novithiolamprovum*: A genus related to but distinct from the existing genus Thiolamprovum of new.

Novithiolapillus

L. masc. adjective *novus*, new; L. masc. n. *Thiolapillus*, An existing genus; *Novithiolapillus*: A genus related to but distinct from the existing genus Thiolapillus of new.

Novithiolinea

L. masc. adjective *novus*, new; L. fem. n. *Thiolinea*, An existing genus; *Novithiolinea*: A genus related to but distinct from the existing genus Thiolinea of new.

Novithiomargarita

L. masc. adjective *novus*, new; L. fem. n. *Thiomargarita*, An existing genus; *Novithiomargarita*: A genus related to but distinct from the existing genus Thiomargarita of new.

Novithiomicrorhabdus

L. masc. adjective *novus*, new; L. fem. n. *Thiomicrorhabdus*, An existing genus; *Novithiomicrorhabdus*: A genus related to but distinct from the existing genus Thiomicrorhabdus of new.

Novithiomicrospira

L. masc. adjective *novus*, new; L. fem. n. *Thiomicrospira*, An existing genus; *Novithiomicrospira*: A genus related to but distinct from the existing genus Thiomicrospira of new.

Novithiomonas

L. masc. adjective *novus*, new; L. fem. n. *Thiomonas*, An existing genus; *Novithiomonas*: A genus related to but distinct from the existing genus Thiomonas of new.

Novithiopedia

L. masc. adjective *novus*, new; L. fem. n. *Thiopedia*, An existing genus; *Novithiopedia*: A genus related to but distinct from the existing genus Thiopedia of new.

Novithiophaeococcus

L. masc. adjective *novus*, new; L. masc. n. *Thiophaeococcus*, An existing genus; *Novithiophaeococcus*: A genus related to but distinct from the existing genus Thiophaeococcus of new.

Novithioploca

L. masc. adjective *novus*, new; L. fem. n. *Thioploca*, An existing genus; *Novithioploca*: A genus related to but distinct from the existing genus Thioploca of new.

Novithioprofundum

L. masc. adjective *novus*, new; L. neut. n. *Thioprofundum*, An existing genus; *Novithioprofundum*: A genus related to but distinct from the existing genus Thioprofundum of new.

Novithiopseudomonas

L. masc. adjective *novus*, new; L. fem. n. *Thiopseudomonas*, An existing genus; *Novithiopseudomonas*: A genus related to but distinct from the existing genus Thiopseudomonas of new.

Novithioreductor

L. masc. adjective *novus*, new; L. masc. n. *Thioreductor*, An existing genus; *Novithioreductor*: A genus related to but distinct from the existing genus Thioreductor of new.

Novithiorhodococcus

L. masc. adjective *novus*, new; L. masc. n. *Thiorhodococcus*, An existing genus; *Novithiorhodococcus*: A genus related to but distinct from the existing genus Thiorhodococcus of new.

Novithiorhodospira

L. masc. adjective *novus*, new; L. fem. n. *Thiorhodospira*, An existing genus; *Novithiorhodospira*: A genus related to but distinct from the existing genus Thiorhodospira of new.

Novithiorhodovibrio

L. masc. adjective *novus*, new; L. masc. n. *Thiorhodovibrio*, An existing genus; *Novithiorhodovibrio*: A genus related to but distinct from the existing genus Thiorhodovibrio of new.

Novithiosocius

L. masc. adjective *novus*, new; L. masc. n. *Thiosocius*, An existing genus; *Novithiosocius*: A genus related to but distinct from the existing genus Thiosocius of new.

Novithiosphaera

L. masc. adjective *novus*, new; L. fem. n. *Thiosphaera*, An existing genus; *Novithiosphaera*: A genus related to but distinct from the existing genus Thiosphaera of new.

Novithiospira

L. masc. adjective *novus*, new; L. fem. n. *Thiospira*, An existing genus; *Novithiospira*: A genus related to but distinct from the existing genus Thiospira of new.

Novithiospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Thiospirillum*, An existing genus; *Novithiospirillum*: A genus related to but distinct from the existing genus Thiospirillum of new.

Novithiothrix

L. masc. adjective *novus*, new; L. fem. n. *Thiothrix*, An existing genus; *Novithiothrix*: A genus related to but distinct from the existing genus Thiothrix of new.

Novithiovulum

L. masc. adjective *novus*, new; L. neut. n. *Thiovulum*, An existing genus; *Novithiovulum*: A genus related to but distinct from the existing genus Thiovulum of new.

Novithorsellia

L. masc. adjective *novus*, new; L. fem. n. *Thorsellia*, An existing genus; *Novithorsellia*: A genus related to but distinct from the existing genus Thorsellia of new.

Novitianweitania

L. masc. adjective *novus*, new; L. fem. n. *Tianweitania*, An existing genus; *Novitianweitania*: A genus related to but distinct from the existing genus Tianweitania of new.

Novitibeticola

L. masc. adjective *novus*, new; L. masc. n. *Tibeticola*, An existing genus; *Novitibeticola*: A genus related to but distinct from the existing genus Tibeticola of new.

Novitildeniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Tildeniella*, An existing genus; *Novitildeniella*: A genus related to but distinct from the existing genus Tildeniella of new.

Novitimaviella

L. masc. adjective *novus*, new; L. fem. n. *Timaviella*, An existing genus; *Novitimaviella*: A genus related to but distinct from the existing genus Timaviella of new.

Novitimonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Timonella*, An existing genus; *Novitimonella*: A genus related to but distinct from the existing genus Timonella of new.

Novitindallia

L. masc. adjective *novus*, new; L. fem. n. *Tindallia*, An existing genus; *Novitindallia*: A genus related to but distinct from the existing genus Tindallia of new.

Novitissierella

L. masc. adjective *novus*, new; L. fem. dim. n. *Tissierella*, An existing genus; *Novitissierella*: A genus related to but distinct from the existing genus Tissierella of new.

Novitistlia

L. masc. adjective *novus*, new; L. fem. n. *Tistlia*, An existing genus; *Novitistlia*: A genus related to but distinct from the existing genus Tistlia of new.

Novitistrella

L. masc. adjective *novus*, new; L. fem. dim. n. *Tistrella*, An existing genus; *Novitistrella*: A genus related to but distinct from the existing genus Tistrella of new.

Novititanospirillum

L. masc. adjective *novus*, new; L. neut. dim. n. *Titanospirillum*, An existing genus; *Novititanospirillum*: A genus related to but distinct from the existing genus Titanospirillum of new.

Novitolumonas

L. masc. adjective *novus*, new; L. fem. n. *Tolumonas*, An existing genus; *Novitolumonas*: A genus related to but distinct from the existing genus Tolumonas of new.

Novitomitella

L. masc. adjective *novus*, new; L. fem. dim. n. *Tomitella*, An existing genus; *Novitomitella*: A genus related to but distinct from the existing genus Tomitella of new.

Novitonsilliphilus

L. masc. adjective *novus*, new; L. masc. n. *Tonsilliphilus*, An existing genus; *Novitonsilliphilus*: A genus related to but distinct from the existing genus Tonsilliphilus of new.

Novitoxifilum

L. masc. adjective *novus*, new; L. neut. n. *Toxifilum*, An existing genus; *Novitoxifilum*: A genus related to but distinct from the existing genus Toxifilum of new.

Novitoxopsis

L. masc. adjective *novus*, new; L. fem. n. *Toxopsis*, An existing genus; *Novitoxopsis*: A genus related to but distinct from the existing genus Toxopsis of new.

Novitoxothrix

L. masc. adjective *novus*, new; L. fem. n. *Toxothrix*, An existing genus; *Novitoxothrix*: A genus related to but distinct from the existing genus Toxothrix of new.

Novitrabulsiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Trabulsiella*, An existing genus; *Novitrabulsiella*: A genus related to but distinct from the existing genus Trabulsiella of new.

Novitranquillimonas

L. masc. adjective *novus*, new; L. fem. n. *Tranquillimonas*, An existing genus; *Novitranquillimonas*: A genus related to but distinct from the existing genus Tranquillimonas of new.

Novitraorella

L. masc. adjective *novus*, new; L. fem. dim. n. *Traorella*, An existing genus; *Novitraorella*: A genus related to but distinct from the existing genus Traorella of new.

Novitreponema

L. masc. adjective *novus*, new; L. neut. n. *Treponema*, An existing genus; *Novitreponema*: A genus related to but distinct from the existing genus Treponema of new.

Novitrichlorobacter

L. masc. adjective *novus*, new; L. masc. n. *Trichlorobacter*, An existing genus; *Novitrichlorobacter*: A genus related to but distinct from the existing genus Trichlorobacter of new.

Novitrichococcus

L. masc. adjective *novus*, new; L. masc. n. *Trichococcus*, An existing genus; *Novitrichococcus*: A genus related to but distinct from the existing genus Trichococcus of new.

Novitrinickia

L. masc. adjective *novus*, new; L. fem. n. *Trinickia*, An existing genus; *Novitrinickia*: A genus related to but distinct from the existing genus Trinickia of new.

Novitritonibacter

L. masc. adjective *novus*, new; L. masc. n. *Tritonibacter*, An existing genus; *Novitritonibacter*: A genus related to but distinct from the existing genus Tritonibacter of new.

Novitropheryma

L. masc. adjective *novus*, new; L. neut. n. *Tropheryma*, An existing genus; *Novitropheryma*: A genus related to but distinct from the existing genus Tropheryma of new.

Novitropicibacter

L. masc. adjective *novus*, new; L. masc. n. *Tropicibacter*, An existing genus; *Novitropicibacter*: A genus related to but distinct from the existing genus Tropicibacter of new.

Novitropicihabitans

L. masc. adjective *novus*, new; L. masc. n. *Tropicihabitans*, An existing genus; *Novitropicihabitans*: A genus related to but distinct from the existing genus Tropicihabitans of new.

Novitropicimonas

L. masc. adjective *novus*, new; L. fem. n. *Tropicimonas*, An existing genus; *Novitropicimonas*: A genus related to but distinct from the existing genus Tropicimonas of new.

Novitruepera

L. masc. adjective *novus*, new; L. fem. n. *Truepera*, An existing genus; *Novitruepera*: A genus related to but distinct from the existing genus Truepera of new.

Novitrueperella

L. masc. adjective *novus*, new; L. fem. dim. n. *Trueperella*, An existing genus; *Novitrueperella*: A genus related to but distinct from the existing genus Trueperella of new.

Novitsukamurella

L. masc. adjective *novus*, new; L. fem. dim. n. *Tsukamurella*, An existing genus; *Novitsukamurella*: A genus related to but distinct from the existing genus Tsukamurella of new.

Novituberibacillus

L. masc. adjective *novus*, new; L. masc. n. *Tuberibacillus*, An existing genus; *Novituberibacillus*: A genus related to but distinct from the existing genus Tuberibacillus of new.

Novitullyiplasma

L. masc. adjective *novus*, new; L. neut. n. *Tullyiplasma*, An existing genus; *Novitullyiplasma*: A genus related to but distinct from the existing genus Tullyiplasma of new.

Novitumebacillus

L. masc. adjective *novus*, new; L. masc. n. *Tumebacillus*, An existing genus; *Novitumebacillus*: A genus related to but distinct from the existing genus Tumebacillus of new.

Novitundrisphaera

L. masc. adjective *novus*, new; L. fem. n. *Tundrisphaera*, An existing genus; *Novitundrisphaera*: A genus related to but distinct from the existing genus Tundrisphaera of new.

Novitunicatimonas

L. masc. adjective *novus*, new; L. fem. n. *Tunicatimonas*, An existing genus; *Novitunicatimonas*: A genus related to but distinct from the existing genus Tunicatimonas of new.

Novituricella

L. masc. adjective *novus*, new; L. fem. dim. n. *Turicella*, An existing genus; *Novituricella*: A genus related to but distinct from the existing genus Turicella of new.

Novituricibacter

L. masc. adjective *novus*, new; L. masc. n. *Turicibacter*, An existing genus; *Novituricibacter*: A genus related to but distinct from the existing genus Turicibacter of new.

Novituricimonas

L. masc. adjective *novus*, new; L. fem. n. *Turicimonas*, An existing genus; *Novituricimonas*: A genus related to but distinct from the existing genus Turicimonas of new.

Noviturneriella

L. masc. adjective *novus*, new; L. fem. dim. n. *Turneriella*, An existing genus; *Noviturneriella*: A genus related to but distinct from the existing genus Turneriella of new.

Novituwongella

L. masc. adjective *novus*, new; L. fem. dim. n. *Tuwongella*, An existing genus; *Novituwongella*: A genus related to but distinct from the existing genus Tuwongella of new.

Noviuliginosibacterium

L. masc. adjective *novus*, new; L. neut. n. *Uliginosibacterium*, An existing genus; *Noviuliginosibacterium*: A genus related to but distinct from the existing genus Uliginosibacterium of new.

Noviulvibacter

L. masc. adjective *novus*, new; L. masc. n. *Ulvibacter*, An existing genus; *Noviulvibacter*: A genus related to but distinct from the existing genus Ulvibacter of new.

Noviulvibacterium

L. masc. adjective *novus*, new; L. neut. n. *Ulvibacterium*, An existing genus; *Noviulvibacterium*: A genus related to but distinct from the existing genus Ulvibacterium of new.

Noviumboniibacter

L. masc. adjective *novus*, new; L. masc. n. *Umboniibacter*, An existing genus; *Noviumboniibacter*: A genus related to but distinct from the existing genus Umboniibacter of new.

Noviumezawaea

L. masc. adjective *novus*, new; L. fem. n. *Umezawaea*, An existing genus; *Noviumezawaea*: A genus related to but distinct from the existing genus Umezawaea of new.

Noviundibacterium

L. masc. adjective *novus*, new; L. neut. n. *Undibacterium*, An existing genus; *Noviundibacterium*: A genus related to but distinct from the existing genus Undibacterium of new.

Noviureaplasma

L. masc. adjective *novus*, new; L. neut. n. *Ureaplasma*, An existing genus; *Noviureaplasma*: A genus related to but distinct from the existing genus Ureaplasma of new.

Noviurechidicola

L. masc. adjective *novus*, new; L. masc. n. *Urechidicola*, An existing genus; *Noviurechidicola*: A genus related to but distinct from the existing genus Urechidicola of new.

Noviureibacillus

L. masc. adjective *novus*, new; L. masc. n. *Ureibacillus*, An existing genus; *Noviureibacillus*: A genus related to but distinct from the existing genus Ureibacillus of new.

Noviurmitella

L. masc. adjective *novus*, new; L. fem. dim. n. *Urmitella*, An existing genus; *Noviurmitella*: A genus related to but distinct from the existing genus Urmitella of new.

Noviursidibacter

L. masc. adjective *novus*, new; L. masc. n. *Ursidibacter*, An existing genus; *Noviursidibacter*: A genus related to but distinct from the existing genus Ursidibacter of new.

Noviuruburuella

L. masc. adjective *novus*, new; L. fem. dim. n. *Uruburuella*, An existing genus; *Noviuruburuella*: A genus related to but distinct from the existing genus Uruburuella of new.

Novivadicella

L. masc. adjective *novus*, new; L. fem. n. *Vadicella*, An existing genus; *Novivadicella*: A genus related to but distinct from the existing genus Vadicella of new.

Novivaginella

L. masc. adjective *novus*, new; L. fem. dim. n. *Vaginella*, An existing genus; *Novivaginella*: A genus related to but distinct from the existing genus Vaginella of new.

Novivaginimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Vaginimicrobium*, An existing genus; *Novivaginimicrobium*: A genus related to but distinct from the existing genus Vaginimicrobium of new.

Novivaginisenegalia

L. masc. adjective *novus*, new; L. fem. n. *Vaginisenegalia*, An existing genus; *Novivaginisenegalia*: A genus related to but distinct from the existing genus Vaginisenegalia of new.

Novivagococcus

L. masc. adjective *novus*, new; L. masc. n. *Vagococcus*, An existing genus; *Novivagococcus*: A genus related to but distinct from the existing genus Vagococcus of new.

Novivallitalea

L. masc. adjective *novus*, new; L. fem. n. *Vallitalea*, An existing genus; *Novivallitalea*: A genus related to but distinct from the existing genus Vallitalea of new.

Novivampirovibrio

L. masc. adjective *novus*, new; L. masc. n. *Vampirovibrio*, An existing genus; *Novivampirovibrio*: A genus related to but distinct from the existing genus Vampirovibrio of new.

Novivaribaculum

L. masc. adjective *novus*, new; L. neut. n. *Varibaculum*, An existing genus; *Novivaribaculum*: A genus related to but distinct from the existing genus Varibaculum of new.

Novivariovorax

L. masc. adjective *novus*, new; L. masc. n. *Variovorax*, An existing genus; *Novivariovorax*: A genus related to but distinct from the existing genus Variovorax of new.

Novivarunaivibrio

L. masc. adjective *novus*, new; L. masc. n. *Varunaivibrio*, An existing genus; *Novivarunaivibrio*: A genus related to but distinct from the existing genus Varunaivibrio of new.

Novivasilyevaea

L. masc. adjective *novus*, new; L. fem. n. *Vasilyevaea*, An existing genus; *Novivasilyevaea*: A genus related to but distinct from the existing genus Vasilyevaea of new.

Noviveillonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Veillonella*, An existing genus; *Noviveillonella*: A genus related to but distinct from the existing genus Veillonella of new.

Noviveneni vibrio

L. masc. adjective *novus*, new; L. masc. n. *Venenivibrio*, An existing genus; *Noviveneni vibrio*: A genus related to but distinct from the existing genus Venenivibrio of new.

Noviventosimonas

L. masc. adjective *novus*, new; L. fem. n. *Ventosimonas*, An existing genus; *Noviventosimonas*: A genus related to but distinct from the existing genus Ventosimonas of new.

Noviverminephrobacter

L. masc. adjective *novus*, new; L. masc. n. *Verminephrobacter*, An existing genus; *Noviverminephrobacter*: A genus related to but distinct from the existing genus Verminephrobacter of new.

Noviverrucomicrobium

L. masc. adjective *novus*, new; L. neut. n. *Verrucomicrobium*, An existing genus; *Noviverrucomicrobium*: A genus related to but distinct from the existing genus Verrucomicrobium of new.

Noviverrucosispora

L. masc. adjective *novus*, new; L. fem. n. *Verrucosispora*, An existing genus; *Noviverrucosispora*: A genus related to but distinct from the existing genus Verrucosispora of new.

Noviverticia

L. masc. adjective *novus*, new; L. fem. n. *Verticia*, An existing genus; *Noviverticia*: A genus related to but distinct from the existing genus Verticia of new.

Noviverticiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Verticiella*, An existing genus; *Noviverticiella*: A genus related to but distinct from the existing genus Verticiella of new.

Novivespertiliibacter

L. masc. adjective *novus*, new; L. masc. n. *Vespertiliibacter*, An existing genus; *Novivespertiliibacter*: A genus related to but distinct from the existing genus Vespertiliibacter of new.

Novivibrio

L. masc. adjective *novus*, new; L. masc. n. *Vibrio*, An existing genus; *Novivibrio*: A genus related to but distinct from the existing genus Vibrio of new.

Novivibrionimonas

L. masc. adjective *novus*, new; L. fem. n. *Vibrionimonas*, An existing genus; *Novivibrionimonas*: A genus related to but distinct from the existing genus Vibrionimonas of new.

Novivicinamibacter

L. masc. adjective *novus*, new; L. masc. n. *Vicinamibacter*, An existing genus; *Novivicinamibacter*: A genus related to but distinct from the existing genus Vicinamibacter of new.

Novivicingus

L. masc. adjective *novus*, new; L. masc. n. *Vicingus*, An existing genus; *Novivicingus*: A genus related to but distinct from the existing genus Vicingus of new.

Novivictivallis

L. masc. adjective *novus*, new; L. fem. n. *Victivallis*, An existing genus; *Novivictivallis*: A genus related to but distinct from the existing genus Victivallis of new.

Novivirgibacillus

L. masc. adjective *novus*, new; L. masc. n. *Virgibacillus*, An existing genus; *Novivirgibacillus*: A genus related to but distinct from the existing genus Virgibacillus of new.

Noviviridibacillus

L. masc. adjective *novus*, new; L. masc. n. *Viridibacillus*, An existing genus; *Noviviridibacillus*: A genus related to but distinct from the existing genus Viridibacillus of new.

Noviviridibacterium

L. masc. adjective *novus*, new; L. neut. n. *Viridibacterium*, An existing genus; *Noviviridibacterium*: A genus related to but distinct from the existing genus Viridibacterium of new.

Novivitellibacter

L. masc. adjective *novus*, new; L. masc. n. *Vitellibacter*, An existing genus; *Novivitellibacter*: A genus related to but distinct from the existing genus Vitellibacter of new.

Novivitiosangium

L. masc. adjective *novus*, new; L. neut. n. *Vitiosangium*, An existing genus; *Novivitiosangium*: A genus related to but distinct from the existing genus Vitiosangium of new.

Novivitreoscilla

L. masc. adjective *novus*, new; L. fem. n. *Vitreoscilla*, An existing genus; *Novivitreoscilla*: A genus related to but distinct from the existing genus Vitreoscilla of new.

Novivogesella

L. masc. adjective *novus*, new; L. fem. dim. n. *Vogesella*, An existing genus; *Novivogesella*: A genus related to but distinct from the existing genus Vogesella of new.

Novivolcaniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Volcaniella*, An existing genus; *Novivolcaniella*: A genus related to but distinct from the existing genus Volcaniella of new.

Novivolucribacter

L. masc. adjective *novus*, new; L. masc. n. *Volucribacter*, An existing genus; *Novivolucribacter*: A genus related to but distinct from the existing genus Volucribacter of new.

Novivulcanibacillus

L. masc. adjective *novus*, new; L. masc. n. *Vulcanibacillus*, An existing genus; *Novivulcanibacillus*: A genus related to but distinct from the existing genus Vulcanibacillus of new.

Novivulcaniibacterium

L. masc. adjective *novus*, new; L. neut. n. *Vulcaniibacterium*, An existing genus; *Novivulcaniibacterium*: A genus related to but distinct from the existing genus Vulcaniibacterium of new.

Novivulcanithermus

L. masc. adjective *novus*, new; L. masc. n. *Vulcanithermus*, An existing genus; *Novivulcanithermus*: A genus related to but distinct from the existing genus Vulcanithermus of new.

Novivulgatibacter

L. masc. adjective *novus*, new; L. masc. n. *Vulgatibacter*, An existing genus; *Novivulgatibacter*: A genus related to but distinct from the existing genus Vulgatibacter of new.

Noviwaddlia

L. masc. adjective *novus*, new; L. fem. n. *Waddlia*, An existing genus; *Noviwaddlia*: A genus related to but distinct from the existing genus Waddlia of new.

Noviwandonia

L. masc. adjective *novus*, new; L. fem. n. *Wandonia*, An existing genus; *Noviwandonia*: A genus related to but distinct from the existing genus Wandonia of new.

Noviwangella

L. masc. adjective *novus*, new; L. fem. dim. n. *Wangella*, An existing genus; *Noviwangella*: A genus related to but distinct from the existing genus Wangella of new.

Noviwautersia

L. masc. adjective *novus*, new; L. fem. n. *Wautersia*, An existing genus; *Noviwautersia*: A genus related to but distinct from the existing genus Wautersia of new.

Noviwautersiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Wautersiella*, An existing genus; *Noviwautersiella*: A genus related to but distinct from the existing genus Wautersiella of new.

Noviweeksella

L. masc. adjective *novus*, new; L. fem. dim. n. *Weeksella*, An existing genus; *Noviweeksella*: A genus related to but distinct from the existing genus Weeksella of new.

Noviweissella

L. masc. adjective *novus*, new; L. fem. dim. n. *Weissella*, An existing genus; *Noviweissella*: A genus related to but distinct from the existing genus Weissella of new.

Noviwenxinia

L. masc. adjective *novus*, new; L. fem. n. *Wenxinia*, An existing genus; *Noviwenxinia*: A genus related to but distinct from the existing genus Wenxinia of new.

Noviwenyingzhuangia

L. masc. adjective *novus*, new; L. fem. n. *Wenyingzhuangia*, An existing genus; *Noviwenyingzhuangia*: A genus related to but distinct from the existing genus Wenyingzhuangia of new.

Noviwenzhouxiangella

L. masc. adjective *novus*, new; L. fem. dim. n. *Wenzhouxiangella*, An existing genus; *Noviwenzhouxiangella*: A genus related to but distinct from the existing genus Wenzhouxiangella of new.

Noviwestiellopsis

L. masc. adjective *novus*, new; L. fem. n. *Westiellopsis*, An existing genus; *Noviwestiellopsis*: A genus related to but distinct from the existing genus Westiellopsis of new.

Noviwigglesworthia

L. masc. adjective *novus*, new; L. fem. n. *Wigglesworthia*, An existing genus; *Noviwigglesworthia*: A genus related to but distinct from the existing genus Wigglesworthia of new.

Noviwilliamsia

L. masc. adjective *novus*, new; L. fem. n. *Williamsia*, An existing genus; *Noviwilliamsia*: A genus related to but distinct from the existing genus Williamsia of new.

Noviwilliamsoniiplasma

L. masc. adjective *novus*, new; L. neut. n. *Williamsoniiplasma*, An existing genus; *Noviwilliamsoniiplasma*: A genus related to but distinct from the existing genus Williamsoniiplasma of new.

Noviwilliamwhitmania

L. masc. adjective *novus*, new; L. fem. n. *Williamwhitmania*, An existing genus; *Noviwilliamwhitmania*: A genus related to but distinct from the existing genus Williamwhitmania of new.

Noviwinkia

L. masc. adjective *novus*, new; L. fem. n. *Winkia*, An existing genus; *Noviwinkia*: A genus related to but distinct from the existing genus Winkia of new.

Noviwinogradskyella

L. masc. adjective *novus*, new; L. fem. dim. n. *Winogradskyella*, An existing genus; *Noviwinogradskyella*: A genus related to but distinct from the existing genus Winogradskyella of new.

Noviwoeseia

L. masc. adjective *novus*, new; L. fem. n. *Woeseia*, An existing genus; *Noviwoeseia*: A genus related to but distinct from the existing genus Woeseia of new.

Noviwohlfahrtiimonas

L. masc. adjective *novus*, new; L. fem. n. *Wohlfahrtiimonas*, An existing genus; *Noviwohlfahrtiimonas*: A genus related to but distinct from the existing genus Wohlfahrtiimonas of new.

Noviwolbachia

L. masc. adjective *novus*, new; L. fem. n. *Wolbachia*, An existing genus; *Noviwolbachia*: A genus related to but distinct from the existing genus Wolbachia of new.

Noviwolinella

L. masc. adjective *novus*, new; L. fem. dim. n. *Wolinella*, An existing genus; *Noviwolinella*: A genus related to but distinct from the existing genus Wolinella of new.

Noviwolskyella

L. masc. adjective *novus*, new; L. fem. dim. n. *Wolskyella*, An existing genus; *Noviwolskyella*: A genus related to but distinct from the existing genus Wolskyella of new.

Noviwoodsholea

L. masc. adjective *novus*, new; L. fem. n. *Woodsholea*, An existing genus; *Noviwoodsholea*: A genus related to but distinct from the existing genus Woodsholea of new.

Noviwukongibacter

L. masc. adjective *novus*, new; L. masc. n. *Wukongibacter*, An existing genus; *Noviwukongibacter*: A genus related to but distinct from the existing genus Wukongibacter of new.

Novixanthobacter

L. masc. adjective *novus*, new; L. masc. n. *Xanthobacter*, An existing genus; *Novixanthobacter*: A genus related to but distinct from the existing genus Xanthobacter of new.

Novixanthomarina

L. masc. adjective *novus*, new; L. fem. n. *Xanthomarina*, An existing genus; *Novixanthomarina*: A genus related to but distinct from the existing genus Xanthomarina of new.

Novixanthomonas

L. masc. adjective *novus*, new; L. fem. n. *Xanthomonas*, An existing genus; *Novixanthomonas*: A genus related to but distinct from the existing genus Xanthomonas of new.

Novixanthovirga

L. masc. adjective *novus*, new; L. fem. n. *Xanthovirga*, An existing genus; *Novixanthovirga*: A genus related to but distinct from the existing genus Xanthovirga of new.

Novixenophilus

L. masc. adjective *novus*, new; L. masc. n. *Xenophilus*, An existing genus; *Novixenophilus*: A genus related to but distinct from the existing genus Xenophilus of new.

Novixenorhabdus

L. masc. adjective *novus*, new; L. fem. n. *Xenorhabdus*, An existing genus; *Novixenorhabdus*: A genus related to but distinct from the existing genus Xenorhabdus of new.

Novixiangella

L. masc. adjective *novus*, new; L. fem. dim. n. *Xiangella*, An existing genus; *Novixiangella*: A genus related to but distinct from the existing genus Xiangella of new.

Novixinfangfangia

L. masc. adjective *novus*, new; L. fem. n. *Xinfangfangia*, An existing genus; *Novixinfangfangia*: A genus related to but distinct from the existing genus Xinfangfangia of new.

Novixuhuaishuia

L. masc. adjective *novus*, new; L. fem. n. *Xuhuaishuia*, An existing genus; *Novixuhuaishuia*: A genus related to but distinct from the existing genus Xuhuaishuia of new.

Novixylanibacillus

L. masc. adjective *novus*, new; L. masc. n. *Xylanibacillus*, An existing genus; *Novixylanibacillus*: A genus related to but distinct from the existing genus Xylanibacillus of new.

Novixylanibacter

L. masc. adjective *novus*, new; L. masc. n. *Xylanibacter*, An existing genus; *Novixylanibacter*: A genus related to but distinct from the existing genus Xylanibacter of new.

Novixylanibacterium

L. masc. adjective *novus*, new; L. neut. n. *Xylanibacterium*, An existing genus; *Novixylanibacterium*: A genus related to but distinct from the existing genus Xylanibacterium of new.

Novixylanimicrobium

L. masc. adjective *novus*, new; L. neut. n. *Xylanimicrobium*, An existing genus; *Novixylanimicrobium*: A genus related to but distinct from the existing genus Xylanimicrobium of new.

Novixylanimonas

L. masc. adjective *novus*, new; L. fem. n. *Xylanimonas*, An existing genus; *Novixylanimonas*: A genus related to but distinct from the existing genus Xylanimonas of new.

Novixylanivirga

L. masc. adjective *novus*, new; L. fem. n. *Xylanivirga*, An existing genus; *Novixylanivirga*: A genus related to but distinct from the existing genus Xylanivirga of new.

Novixylella

L. masc. adjective *novus*, new; L. fem. dim. n. *Xylella*, An existing genus; *Novixylella*: A genus related to but distinct from the existing genus Xylella of new.

Novixylophilus

L. masc. adjective *novus*, new; L. masc. n. *Xylophilus*, An existing genus; *Novixylophilus*: A genus related to but distinct from the existing genus Xylophilus of new.

Noviyangia

L. masc. adjective *novus*, new; L. fem. n. *Yangia*, An existing genus; *Noviyangia*: A genus related to but distinct from the existing genus Yangia of new.

Noviyania

L. masc. adjective *novus*, new; L. fem. n. *Yania*, An existing genus; *Noviyania*: A genus related to but distinct from the existing genus Yania of new.

Noviyaniella

L. masc. adjective *novus*, new; L. fem. dim. n. *Yaniella*, An existing genus; *Noviyaniella*: A genus related to but distinct from the existing genus Yaniella of new.

Noviyeosuana

L. masc. adjective *novus*, new; L. fem. n. *Yeosuana*, An existing genus; *Noviyeosuana*: A genus related to but distinct from the existing genus Yeosuana of new.

Noviyersinia

L. masc. adjective *novus*, new; L. fem. n. *Yersinia*, An existing genus; *Noviyersinia*: A genus related to but distinct from the existing genus Yersinia of new.

Noviyimella

L. masc. adjective *novus*, new; L. fem. dim. n. *Yimella*, An existing genus; *Noviyimella*: A genus related to but distinct from the existing genus Yimella of new.

Noviyinghuangia

L. masc. adjective *novus*, new; L. fem. n. *Yinghuangia*, An existing genus; *Noviyinghuangia*: A genus related to but distinct from the existing genus Yinghuangia of new.

Noviyokenella

L. masc. adjective *novus*, new; L. fem. dim. n. *Yokenella*, An existing genus; *Noviyokenella*: A genus related to but distinct from the existing genus Yokenella of new.

Noviyonedaella

L. masc. adjective *novus*, new; L. fem. dim. n. *Yonedaella*, An existing genus; *Noviyonedaella*: A genus related to but distinct from the existing genus Yonedaella of new.

Noviyonghaparkia

L. masc. adjective *novus*, new; L. fem. n. *Yonghaparkia*, An existing genus; *Noviyonghaparkia*: A genus related to but distinct from the existing genus Yonghaparkia of new.

Noviyoonia

L. masc. adjective *novus*, new; L. fem. n. *Yoonia*, An existing genus; *Noviyoonia*: A genus related to but distinct from the existing genus Yoonia of new.

Noviyouhaiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Youhaiella*, An existing genus; *Noviyouhaiella*: A genus related to but distinct from the existing genus Youhaiella of new.

Noviyoungiibacter

L. masc. adjective *novus*, new; L. masc. n. *Youngiibacter*, An existing genus; *Noviyoungiibacter*: A genus related to but distinct from the existing genus Youngiibacter of new.

Noviyoungimonas

L. masc. adjective *novus*, new; L. fem. n. *Youngimonas*, An existing genus; *Noviyoungimonas*: A genus related to but distinct from the existing genus Youngimonas of new.

Noviyuhushiella

L. masc. adjective *novus*, new; L. fem. dim. n. *Yuhushiella*, An existing genus; *Noviyuhushiella*: A genus related to but distinct from the existing genus Yuhushiella of new.

Novizavarzinella

L. masc. adjective *novus*, new; L. fem. dim. n. *Zavarzinella*, An existing genus; *Novizavarzinella*: A genus related to but distinct from the existing genus Zavarzinella of new.

Novizavarzinia

L. masc. adjective *novus*, new; L. fem. n. *Zavarzinia*, An existing genus; *Novizavarzinia*: A genus related to but distinct from the existing genus Zavarzinia of new.

Novizeaxanthinibacter

L. masc. adjective *novus*, new; L. masc. n. *Zeaxanthinibacter*, An existing genus; *Novizeaxanthinibacter*: A genus related to but distinct from the existing genus Zeaxanthinibacter of new.

Novizehria

L. masc. adjective *novus*, new; L. fem. n. *Zehria*, An existing genus; *Novizehria*: A genus related to but distinct from the existing genus Zehria of new.

Novizestosphaera

L. masc. adjective *novus*, new; L. fem. n. *Zestosphaera*, An existing genus; *Novizestosphaera*: A genus related to but distinct from the existing genus Zestosphaera of new.

Novizhangella

L. masc. adjective *novus*, new; L. fem. dim. n. *Zhangella*, An existing genus; *Novizhangella*: A genus related to but distinct from the existing genus Zhangella of new.

Novizhaonella

L. masc. adjective *novus*, new; L. fem. dim. n. *Zhaonella*, An existing genus; *Novizhaonella*: A genus related to but distinct from the existing genus Zhaonella of new.

Novizhengella

L. masc. adjective *novus*, new; L. fem. dim. n. *Zhengella*, An existing genus; *Novizhengella*: A genus related to but distinct from the existing genus Zhengella of new.

Novizhihengliuella

L. masc. adjective *novus*, new; L. fem. dim. n. *Zhihengliuella*, An existing genus; *Novizhihengliuella*: A genus related to but distinct from the existing genus Zhihengliuella of new.

Novizhizhongheella

L. masc. adjective *novus*, new; L. fem. dim. n. *Zhizhongheella*, An existing genus; *Novizhizhongheella*: A genus related to but distinct from the existing genus Zhizhongheella of new.

Novizhongshania

L. masc. adjective *novus*, new; L. fem. n. *Zhongshania*, An existing genus; *Novizhongshania*: A genus related to but distinct from the existing genus Zhongshania of new.

Novizhouia

L. masc. adjective *novus*, new; L. fem. n. *Zhouia*, An existing genus; *Novizhouia*: A genus related to but distinct from the existing genus Zhouia of new.

Novizimmermannella

L. masc. adjective *novus*, new; L. fem. dim. n. *Zimmermannella*, An existing genus; *Novizimmermannella*: A genus related to but distinct from the existing genus Zimmermannella of new.

Novizobellella

L. masc. adjective *novus*, new; L. fem. dim. n. *Zobellella*, An existing genus; *Novizobellella*: A genus related to but distinct from the existing genus Zobellella of new.

Novizobellia

L. masc. adjective *novus*, new; L. fem. n. *Zobellia*, An existing genus; *Novizobellia*: A genus related to but distinct from the existing genus Zobellia of new.

Novizoogloea

L. masc. adjective *novus*, new; L. fem. n. *Zoogloea*, An existing genus; *Novizoogloea*: A genus related to but distinct from the existing genus Zoogloea of new.

Novizooshikella

L. masc. adjective *novus*, new; L. fem. dim. n. *Zooshikella*, An existing genus; *Novizooshikella*: A genus related to but distinct from the existing genus Zooshikella of new.

Novizunongwangia

L. masc. adjective *novus*, new; L. fem. n. *Zunongwangia*, An existing genus; *Novizunongwangia*: A genus related to but distinct from the existing genus Zunongwangia of new.

Novizymobacter

L. masc. adjective *novus*, new; L. masc. n. *Zymobacter*, An existing genus; *Novizymobacter*: A genus related to but distinct from the existing genus Zymobacter of new.

Novizymomonas

L. masc. adjective *novus*, new; L. fem. n. *Zymomonas*, An existing genus; *Novizymomonas*: A genus related to but distinct from the existing genus Zymomonas of new.

Novizymophilus

L. masc. adjective *novus*, new; L. masc. n. *Zymophilus*, An existing genus; *Novizymophilus*: A genus related to but distinct from the existing genus Zymophilus of new.

Paeniabditibacterium

L. nan adverb *paene*, almost; L. neut. n. *Abditibacterium*, An existing genus; *Paeniabditibacterium*: A genus related to but distinct from the existing genus Abditibacterium of almost.

Paeniabiotrophia

L. nan adverb *paene*, almost; L. fem. n. *Abiotrophia*, An existing genus; *Paeniabiotrophia*: A genus related to but distinct from the existing genus Abiotrophia of almost.

Paeniabsicoccus

L. nan adverb *paene*, almost; L. masc. n. *Absicoccus*, An existing genus; *Paeniabsicoccus*: A genus related to but distinct from the existing genus Absicoccus of almost.

Paeniabsiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Absiella*, An existing genus; *Paeniabsiella*: A genus related to but distinct from the existing genus Absiella of almost.

Paeniabyssibacter

L. nan adverb *paene*, almost; L. masc. n. *Abyssibacter*, An existing genus; *Paeniabyssibacter*: A genus related to but distinct from the existing genus Abyssibacter of almost.

Paeniabyssicoccus

L. nan adverb *paene*, almost; L. masc. n. *Abyssicoccus*, An existing genus; *Paeniabyssicoccus*: A genus related to but distinct from the existing genus Abyssicoccus of almost.

Paeniabyssisolibacter

L. nan adverb *paene*, almost; L. masc. n. *Abyssisolibacter*, An existing genus; *Paeniabyssisolibacter*: A genus related to but distinct from the existing genus Abyssisolibacter of almost.

Paeniabyssivirga

L. nan adverb *paene*, almost; L. fem. n. *Abyssivirga*, An existing genus; *Paeniabyssivirga*: A genus related to but distinct from the existing genus Abyssivirga of almost.

Paeniacanthopleuribacter

L. nan adverb *paene*, almost; L. masc. n. *Acanthopleuribacter*, An existing genus; *Paeniacanthopleuribacter*: A genus related to but distinct from the existing genus Acanthopleuribacter of almost.

Paeniacaricomes

L. nan adverb *paene*, almost; L. masc. n. *Acaricomes*, An existing genus; *Paeniacaricomes*: A genus related to but distinct from the existing genus Acaricomes of almost.

Paeniacaryochloris

L. nan adverb *paene*, almost; L. fem. n. *Acaryochloris*, An existing genus; *Paeniacaryochloris*: A genus related to but distinct from the existing genus Acaryochloris of almost.

Paeniacetanaerobacterium

L. nan adverb *paene*, almost; L. neut. n. *Acetanaerobacterium*, An existing genus; *Paeniacetanaerobacterium*: A genus related to but distinct from the existing genus Acetanaerobacterium of almost.

Paeniacetatifactor

L. nan adverb *paene*, almost; L. masc. n. *Acetatifactor*, An existing genus; *Paeniacetatifactor*: A genus related to but distinct from the existing genus Acetatifactor of almost.

Paeniacetilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Acetilactobacillus*, An existing genus; *Paeniacetilactobacillus*: A genus related to but distinct from the existing genus Acetilactobacillus of almost.

Paeniacetitomaculum

L. nan adverb *paene*, almost; L. neut. n. *Acetitomaculum*, An existing genus; *Paeniacetitomaculum*: A genus related to but distinct from the existing genus Acetitomaculum of almost.

Paeniacetivibrio

L. nan adverb *paene*, almost; L. masc. n. *Acetivibrio*, An existing genus; *Paeniacetivibrio*: A genus related to but distinct from the existing genus Acetivibrio of almost.

Paeniacetoanaerobium

L. nan adverb *paene*, almost; L. neut. n. *Acetoanaerobium*, An existing genus; *Paeniacetoanaerobium*: A genus related to but distinct from the existing genus Acetoanaerobium of almost.

Paeniacetobacter

L. nan adverb *paene*, almost; L. masc. n. *Acetobacter*, An existing genus; *Paeniacetobacter*: A genus related to but distinct from the existing genus Acetobacter of almost.

Paeniacetobacterium

L. nan adverb *paene*, almost; L. neut. n. *Acetobacterium*, An existing genus; *Paeniacetobacterium*: A genus related to but distinct from the existing genus Acetobacterium of almost.

Paeniacetobacteroides

L. nan adverb *paene*, almost; L. masc. n. *Acetobacteroides*, An existing genus; *Paeniacetobacteroides*: A genus related to but distinct from the existing genus Acetobacteroides of almost.

Paeniacetofilamentum

L. nan adverb *paene*, almost; L. neut. n. *Acetofilamentum*, An existing genus; *Paeniacetofilamentum*: A genus related to but distinct from the existing genus Acetofilamentum of almost.

Paeniacetogenium

L. nan adverb *paene*, almost; L. neut. n. *Acetogenium*, An existing genus; *Paeniacetogenium*: A genus related to but distinct from the existing genus Acetogenium of almost.

Paeniacetohalobium

L. nan adverb *paene*, almost; L. neut. n. *Acetohalobium*, An existing genus; *Paeniacetohalobium*: A genus related to but distinct from the existing genus Acetohalobium of almost.

Paeniacetomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Acetomicrobium*, An existing genus; *Paeniacetomicrobium*: A genus related to but distinct from the existing genus Acetomicrobium of almost.

Paeniacetonema

L. nan adverb *paene*, almost; L. neut. n. *Acetonema*, An existing genus; *Paeniacetonema*: A genus related to but distinct from the existing genus Acetonema of almost.

Paeniacetothermus

L. nan adverb *paene*, almost; L. masc. n. *Acetothermus*, An existing genus; *Paeniacetothermus*: A genus related to but distinct from the existing genus Acetothermus of almost.

Paeniacholeplasma

L. nan adverb *paene*, almost; L. neut. n. *Acholeplasma*, An existing genus; *Paeniacholeplasma*: A genus related to but distinct from the existing genus Acholeplasma of almost.

Paeniachromatium

L. nan adverb *paene*, almost; L. neut. n. *Achromatium*, An existing genus; *Paeniachromatium*: A genus related to but distinct from the existing genus Achromatium of almost.

Paeniachromobacter

L. nan adverb *paene*, almost; L. masc. n. *Achromobacter*, An existing genus; *Paeniachromobacter*: A genus related to but distinct from the existing genus Achromobacter of almost.

Paeniacidaminobacter

L. nan adverb *paene*, almost; L. masc. n. *Acidaminobacter*, An existing genus; *Paeniacidaminobacter*: A genus related to but distinct from the existing genus Acidaminobacter of almost.

Paeniacidaminococcus

L. nan adverb *paene*, almost; L. masc. n. *Acidaminococcus*, An existing genus; *Paeniacidaminococcus*: A genus related to but distinct from the existing genus Acidaminococcus of almost.

Paeniacidianus

L. nan adverb *paene*, almost; L. masc. n. *Acidianus*, An existing genus; *Paeniacidianus*: A genus related to but distinct from the existing genus Acidianus of almost.

Paeniacidibrevibacterium

L. nan adverb *paene*, almost; L. neut. n. *Acidibrevibacterium*, An existing genus; *Paeniacidibrevibacterium*: A genus related to but distinct from the existing genus Acidibrevibacterium of almost.

Paeniacidicaldus

L. nan adverb *paene*, almost; L. masc. n. *Acidicaldus*, An existing genus; *Paeniacidicaldus*: A genus related to but distinct from the existing genus Acidicaldus of almost.

Paeniacidicapsa

L. nan adverb *paene*, almost; L. fem. n. *Acidicapsa*, An existing genus; *Paeniacidicapsa*: A genus related to but distinct from the existing genus Acidicapsa of almost.

Paeniacidiferrimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Acidiferrimicrobium*, An existing genus; *Paeniacidiferrimicrobium*: A genus related to but distinct from the existing genus Acidiferrimicrobium of almost.

Paeniacidiferrobacter

L. nan adverb *paene*, almost; L. masc. n. *Acidiferrobacter*, An existing genus; *Paeniacidiferrobacter*: A genus related to but distinct from the existing genus Acidiferrobacter of almost.

Paeniacidihalobacter

L. nan adverb *paene*, almost; L. masc. n. *Acidihalobacter*, An existing genus; *Paeniacidihalobacter*: A genus related to but distinct from the existing genus Acidihalobacter of almost.

Paeniacidilobus

L. nan adverb *paene*, almost; L. masc. n. *Acidilobus*, An existing genus; *Paeniacidilobus*: A genus related to but distinct from the existing genus Acidilobus of almost.

Paeniacidimangrovimonas

L. nan adverb *paene*, almost; L. fem. n. *Acidimangrovimonas*, An existing genus; *Paeniacidimangrovimonas*: A genus related to but distinct from the existing genus Acidimangrovimonas of almost.

Paeniacidimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Acidimicrobium*, An existing genus; *Paeniacidimicrobium*: A genus related to but distinct from the existing genus Acidimicrobium of almost.

Paeniacidiphilium

L. nan adverb *paene*, almost; L. neut. n. *Acidiphilium*, An existing genus; *Paeniacidiphilium*: A genus related to but distinct from the existing genus Acidiphilium of almost.

Paeniacidiplasma

L. nan adverb *paene*, almost; L. neut. n. *Acidiplasma*, An existing genus; *Paeniacidiplasma*: A genus related to but distinct from the existing genus Acidiplasma of almost.

Paeniacidipropionibacterium

L. nan adverb *paene*, almost; L. neut. n. *Acidipropionibacterium*, An existing genus; *Paeniacidipropionibacterium*: A genus related to but distinct from the existing genus Acidipropionibacterium of almost.

Paeniacidisarcina

L. nan adverb *paene*, almost; L. fem. n. *Acidisarcina*, An existing genus; *Paeniacidisarcina*: A genus related to but distinct from the existing genus Acidisarcina of almost.

Paeniacidisoma

L. nan adverb *paene*, almost; L. neut. n. *Acidisoma*, An existing genus; *Paeniacidisoma*: A genus related to but distinct from the existing genus Acidisoma of almost.

Paeniacidisphaera

L. nan adverb *paene*, almost; L. fem. n. *Acidisphaera*, An existing genus; *Paeniacidisphaera*: A genus related to but distinct from the existing genus Acidisphaera of almost.

Paeniacidithiobacillus

L. nan adverb *paene*, almost; L. masc. n. *Acidithiobacillus*, An existing genus; *Paeniacidithiobacillus*: A genus related to but distinct from the existing genus Acidithiobacillus of almost.

Paeniacidithrix

L. nan adverb *paene*, almost; L. fem. n. *Acidithrix*, An existing genus; *Paeniacidithrix*: A genus related to but distinct from the existing genus Acidithrix of almost.

Paeniacidocella

L. nan adverb *paene*, almost; L. fem. n. *Acidocella*, An existing genus; *Paeniacidocella*: A genus related to but distinct from the existing genus Acidocella of almost.

Paeniacidovorax

L. nan adverb *paene*, almost; L. masc. n. *Acidovorax*, An existing genus; *Paeniacidovorax*: A genus related to but distinct from the existing genus Acidovorax of almost.

Paeniacinetobacter

L. nan adverb *paene*, almost; L. masc. n. *Acinetobacter*, An existing genus; *Paeniacinetobacter*: A genus related to but distinct from the existing genus Acinetobacter of almost.

Paeniacrocarpospora

L. nan adverb *paene*, almost; L. fem. n. *Acrocarpospora*, An existing genus; *Paeniacrocarpospora*: A genus related to but distinct from the existing genus Acrocarpospora of almost.

Paeniactibacter

L. nan adverb *paene*, almost; L. masc. n. *Actibacter*, An existing genus; *Paeniactibacter*: A genus related to but distinct from the existing genus Actibacter of almost.

Paeniactibacterium

L. nan adverb *paene*, almost; L. neut. n. *Actibacterium*, An existing genus; *Paeniactibacterium*: A genus related to but distinct from the existing genus Actibacterium of almost.

Paeniactimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Actimicrobium*, An existing genus; *Paeniactimicrobium*: A genus related to but distinct from the existing genus Actimicrobium of almost.

Paeniactinaurispora

L. nan adverb *paene*, almost; L. fem. n. *Actinaurispora*, An existing genus; *Paeniactinaurispora*: A genus related to but distinct from the existing genus Actinaurispora of almost.

Paeniactinoallomurus

L. nan adverb *paene*, almost; L. masc. n. *Actinoallomurus*, An existing genus; *Paeniactinoallomurus*: A genus related to but distinct from the existing genus Actinoallomurus of almost.

Paeniactinobispora

L. nan adverb *paene*, almost; L. fem. n. *Actinobispora*, An existing genus; *Paeniactinobispora*: A genus related to but distinct from the existing genus Actinobispora of almost.

Paeniactinocatenispora

L. nan adverb *paene*, almost; L. fem. n. *Actinocatenispora*, An existing genus; *Paeniactinocatenispora*: A genus related to but distinct from the existing genus Actinocatenispora of almost.

Paeniactinocorallia

L. nan adverb *paene*, almost; L. fem. n. *Actinocorallia*, An existing genus; *Paeniactinocorallia*: A genus related to but distinct from the existing genus Actinocorallia of almost.

Paeniactinocrinis

L. nan adverb *paene*, almost; L. masc. n. *Actinocrinis*, An existing genus; *Paeniactinocrinis*: A genus related to but distinct from the existing genus Actinocrinis of almost.

Paeniactinocrispum

L. nan adverb *paene*, almost; L. neut. n. *Actinocrispum*, An existing genus; *Paeniactinocrispum*: A genus related to but distinct from the existing genus Actinocrispum of almost.

Paeniactinokineospora

L. nan adverb *paene*, almost; L. fem. n. *Actinokineospora*, An existing genus; *Paeniactinokineospora*: A genus related to but distinct from the existing genus Actinokineospora of almost.

Paeniactinomadura

L. nan adverb *paene*, almost; L. fem. n. *Actinomadura*, An existing genus; *Paeniactinomadura*: A genus related to but distinct from the existing genus Actinomadura of almost.

Paeniactinomarinicola

L. nan adverb *paene*, almost; L. fem. n. *Actinomarinicola*, An existing genus; *Paeniactinomarinicola*: A genus related to but distinct from the existing genus Actinomarinicola of almost.

Paeniactinomyces

L. nan adverb *paene*, almost; L. masc. n. *Actinomyces*, An existing genus; *Paeniactinomyces*: A genus related to but distinct from the existing genus Actinomyces of almost.

Paeniactinomycetospora

L. nan adverb *paene*, almost; L. fem. n. *Actinomycetospora*, An existing genus; *Paeniactinomycetospora*: A genus related to but distinct from the existing genus Actinomycetospora of almost.

Paeniactinophytocola

L. nan adverb *paene*, almost; L. masc. n. *Actinophytocola*, An existing genus; *Paeniactinophytocola*: A genus related to but distinct from the existing genus Actinophytocola of almost.

Paeniactinoplanes

L. nan adverb *paene*, almost; L. masc. n. *Actinoplanes*, An existing genus; *Paeniactinoplanes*: A genus related to but distinct from the existing genus Actinoplanes of almost.

Paeniactinopolymorpha

L. nan adverb *paene*, almost; L. fem. n. *Actinopolymorpha*, An existing genus; *Paeniactinopolymorpha*: A genus related to but distinct from the existing genus Actinopolymorpha of almost.

Paeniactinopolyspora

L. nan adverb *paene*, almost; L. fem. n. *Actinopolyspora*, An existing genus; *Paeniactinopolyspora*: A genus related to but distinct from the existing genus Actinopolyspora of almost.

Paeniactinorectispora

L. nan adverb *paene*, almost; L. fem. n. *Actinorectispora*, An existing genus; *Paeniactinorectispora*: A genus related to but distinct from the existing genus Actinorectispora of almost.

Paeniactinorhabdospora

L. nan adverb *paene*, almost; L. fem. n. *Actinorhabdospora*, An existing genus; *Paeniactinorhabdospora*: A genus related to but distinct from the existing genus Actinorhabdospora of almost.

Paeniactinorugispora

L. nan adverb *paene*, almost; L. fem. n. *Actinorugispora*, An existing genus; *Paeniactinorugispora*: A genus related to but distinct from the existing genus Actinorugispora of almost.

Paeniactinospica

L. nan adverb *paene*, almost; L. fem. n. *Actinospica*, An existing genus; *Paeniactinospica*: A genus related to but distinct from the existing genus Actinospica of almost.

Paeniactinosporangium

L. nan adverb *paene*, almost; L. neut. n. *Actinosporangium*, An existing genus; *Paeniactinosporangium*: A genus related to but distinct from the existing genus Actinosporangium of almost.

Paeniactinosynnema

L. nan adverb *paene*, almost; L. neut. n. *Actinosynnema*, An existing genus; *Paeniactinosynnema*: A genus related to but distinct from the existing genus Actinosynnema of almost.

Paeniactinotalea

L. nan adverb *paene*, almost; L. fem. n. *Actinotalea*, An existing genus; *Paeniactinotalea*: A genus related to but distinct from the existing genus Actinotalea of almost.

Paeniactinotignum

L. nan adverb *paene*, almost; L. neut. n. *Actinotignum*, An existing genus; *Paeniactinotignum*: A genus related to but distinct from the existing genus Actinotignum of almost.

Paeniacutalibacter

L. nan adverb *paene*, almost; L. masc. n. *Acutalibacter*, An existing genus; *Paeniacutalibacter*: A genus related to but distinct from the existing genus Acutalibacter of almost.

Paeniacuticoccus

L. nan adverb *paene*, almost; L. masc. n. *Acuticoccus*, An existing genus; *Paeniacuticoccus*: A genus related to but distinct from the existing genus Acuticoccus of almost.

Paeniadhaeribacter

L. nan adverb *paene*, almost; L. masc. n. *Adhaeribacter*, An existing genus; *Paeniadhaeribacter*: A genus related to but distinct from the existing genus Adhaeribacter of almost.

Paeniadlercreutzia

L. nan adverb *paene*, almost; L. fem. n. *Adlercreutzia*, An existing genus; *Paeniadlercreutzia*: A genus related to but distinct from the existing genus Adlercreutzia of almost.

Paeniadvenella

L. nan adverb *paene*, almost; L. fem. dim. n. *Advenella*, An existing genus; *Paeniadvenella*: A genus related to but distinct from the existing genus Advenella of almost.

Paeniaegyptianella

L. nan adverb *paene*, almost; L. fem. n. *Aegyptianella*, An existing genus; *Paeniaegyptianella*: A genus related to but distinct from the existing genus Aegyptianella of almost.

Paeniaequoribacter

L. nan adverb *paene*, almost; L. masc. n. *Aequoribacter*, An existing genus; *Paeniaequoribacter*: A genus related to but distinct from the existing genus Aequoribacter of almost.

Paeniaequorivita

L. nan adverb *paene*, almost; L. fem. n. *Aequorivita*, An existing genus; *Paeniaequorivita*: A genus related to but distinct from the existing genus Aequorivita of almost.

Paeniaeribacillus

L. nan adverb *paene*, almost; L. masc. n. *Aeribacillus*, An existing genus; *Paeniaeribacillus*: A genus related to but distinct from the existing genus Aeribacillus of almost.

Paeniaeriscardovia

L. nan adverb *paene*, almost; L. fem. n. *Aeriscardovia*, An existing genus; *Paeniaeriscardovia*: A genus related to but distinct from the existing genus Aeriscardovia of almost.

Paeniaerococcus

L. nan adverb *paene*, almost; L. masc. n. *Aerococcus*, An existing genus; *Paeniaerococcus*: A genus related to but distinct from the existing genus Aerococcus of almost.

Paeniaeromicrobium

L. nan adverb *paene*, almost; L. neut. n. *Aeromicrobium*, An existing genus; *Paeniaeromicrobium*: A genus related to but distinct from the existing genus Aeromicrobium of almost.

Paeniaeropyrum

L. nan adverb *paene*, almost; L. neut. n. *Aeropyrum*, An existing genus; *Paeniaeropyrum*: A genus related to but distinct from the existing genus Aeropyrum of almost.

Paeniaerosakkonema

L. nan adverb *paene*, almost; L. neut. n. *Aerosakkonema*, An existing genus; *Paeniaerosakkonema*: A genus related to but distinct from the existing genus Aerosakkonema of almost.

Paeniaestuariibacter

L. nan adverb *paene*, almost; L. masc. n. *Aestuariibacter*, An existing genus; *Paeniaestuariibacter*: A genus related to but distinct from the existing genus Aestuariibacter of almost.

Paeniaestuariibaculum

L. nan adverb *paene*, almost; L. neut. n. *Aestuariibaculum*, An existing genus; *Paeniaestuariibaculum*: A genus related to but distinct from the existing genus Aestuariibaculum of almost.

Paeniaestuariibius

L. nan adverb *paene*, almost; L. masc. n. *Aestuariibius*, An existing genus; *Paeniaestuariibius*: A genus related to but distinct from the existing genus Aestuariibius of almost.

Paeniaestuariicella

L. nan adverb *paene*, almost; L. fem. n. *Aestuariicella*, An existing genus; *Paeniaestuariicella*: A genus related to but distinct from the existing genus Aestuariicella of almost.

Paeniaestuariicoccus

L. nan adverb *paene*, almost; L. masc. n. *Aestuariicoccus*, An existing genus; *Paeniaestuariicoccus*: A genus related to but distinct from the existing genus Aestuariicoccus of almost.

Paeniaestuariicola

L. nan adverb *paene*, almost; L. masc. n. *Aestuariicola*, An existing genus; *Paeniaestuariicola*: A genus related to but distinct from the existing genus Aestuariicola of almost.

Paeniaestuariihabitans

L. nan adverb *paene*, almost; L. masc. n. *Aestuariihabitans*, An existing genus; *Paeniaestuariihabitans*: A genus related to but distinct from the existing genus Aestuariihabitans of almost.

Paeniaestuariimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Aestuariimicrobium*, An existing genus; *Paeniaestuariimicrobium*: A genus related to but distinct from the existing genus Aestuariimicrobium of almost.

Paeniaestuariirhabdus

L. nan adverb *paene*, almost; L. fem. n. *Aestuariirhabdus*, An existing genus; *Paeniaestuariirhabdus*: A genus related to but distinct from the existing genus Aestuariirhabdus of almost.

Paeniaestuariisphingobium

L. nan adverb *paene*, almost; L. neut. n. *Aestuariisphingobium*, An existing genus; *Paeniaestuariisphingobium*: A genus related to but distinct from the existing genus Aestuariisphingobium of almost.

Paeniaestuariivirga

L. nan adverb *paene*, almost; L. fem. n. *Aestuariivirga*, An existing genus; *Paeniaestuariivirga*: A genus related to but distinct from the existing genus Aestuariivirga of almost.

Paeniaestuariivita

L. nan adverb *paene*, almost; L. fem. n. *Aestuariivita*, An existing genus; *Paeniaestuariivita*: A genus related to but distinct from the existing genus Aestuariivita of almost.

Paeniaestuarium

L. nan adverb *paene*, almost; L. neut. n. *Aestuarium*, An existing genus; *Paeniaestuarium*: A genus related to but distinct from the existing genus Aestuarium of almost.

Paeniaetherobacter

L. nan adverb *paene*, almost; L. masc. n. *Aetherobacter*, An existing genus; *Paeniaetherobacter*: A genus related to but distinct from the existing genus Aetherobacter of almost.

Paeniafifella

L. nan adverb *paene*, almost; L. fem. dim. n. *Afifella*, An existing genus; *Paeniafifella*: A genus related to but distinct from the existing genus Afifella of almost.

Paeniafipia

L. nan adverb *paene*, almost; L. fem. n. *Afipia*, An existing genus; *Paeniafipia*: A genus related to but distinct from the existing genus Afipia of almost.

Paeniagaribacter

L. nan adverb *paene*, almost; L. masc. n. *Agaribacter*, An existing genus; *Paeniagaribacter*: A genus related to but distinct from the existing genus Agaribacter of almost.

Paeniagaribacterium

L. nan adverb *paene*, almost; L. neut. n. *Agaribacterium*, An existing genus; *Paeniagaribacterium*: A genus related to but distinct from the existing genus Agaribacterium of almost.

Paeniagaricicola

L. nan adverb *paene*, almost; L. masc. n. *Agaricicola*, An existing genus; *Paeniagaricicola*: A genus related to but distinct from the existing genus Agaricicola of almost.

Paeniagarilytica

L. nan adverb *paene*, almost; L. fem. n. *Agarilytica*, An existing genus; *Paeniagarilytica*: A genus related to but distinct from the existing genus Agarilytica of almost.

Paeniagarivorans

L. nan adverb *paene*, almost; L. masc. n. *Agarivorans*, An existing genus; *Paeniagarivorans*: A genus related to but distinct from the existing genus Agarivorans of almost.

Paeniagathobacter

L. nan adverb *paene*, almost; L. masc. n. *Agathobacter*, An existing genus; *Paeniagathobacter*: A genus related to but distinct from the existing genus Agathobacter of almost.

Paeniagathobaculum

L. nan adverb *paene*, almost; L. neut. n. *Agathobaculum*, An existing genus; *Paeniagathobaculum*: A genus related to but distinct from the existing genus Agathobaculum of almost.

Paeniaggregatibacter

L. nan adverb *paene*, almost; L. masc. n. *Aggregatibacter*, An existing genus; *Paeniaggregatibacter*: A genus related to but distinct from the existing genus Aggregatibacter of almost.

Paeniaggregatilinea

L. nan adverb *paene*, almost; L. fem. n. *Aggregatilinea*, An existing genus; *Paeniaggregatilinea*: A genus related to but distinct from the existing genus Aggregatilinea of almost.

Paeniaggregicoccus

L. nan adverb *paene*, almost; L. masc. n. *Aggregicoccus*, An existing genus; *Paeniaggregicoccus*: A genus related to but distinct from the existing genus Aggregicoccus of almost.

Paeniagitococcus

L. nan adverb *paene*, almost; L. masc. n. *Agitococcus*, An existing genus; *Paeniagitococcus*: A genus related to but distinct from the existing genus Agitococcus of almost.

Paeniagreia

L. nan adverb *paene*, almost; L. fem. n. *Agreia*, An existing genus; *Paeniagreia*: A genus related to but distinct from the existing genus Agreia of almost.

Paeniagrilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Agrilactobacillus*, An existing genus; *Paeniagrilactobacillus*: A genus related to but distinct from the existing genus Agrilactobacillus of almost.

Paeniagrobacterium

L. nan adverb *paene*, almost; L. neut. n. *Agrobacterium*, An existing genus; *Paeniagrobacterium*: A genus related to but distinct from the existing genus Agrobacterium of almost.

Paeniagrococcus

L. nan adverb *paene*, almost; L. masc. n. *Agrococcus*, An existing genus; *Paeniagrococcus*: A genus related to but distinct from the existing genus Agrococcus of almost.

Paeniagromonas

L. nan adverb *paene*, almost; L. fem. n. *Agromonas*, An existing genus; *Paeniagromonas*: A genus related to but distinct from the existing genus Agromonas of almost.

Paeniagromyces

L. nan adverb *paene*, almost; L. masc. n. *Agromyces*, An existing genus; *Paeniagromyces*: A genus related to but distinct from the existing genus Agromyces of almost.

Paeniahniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Ahniella*, An existing genus; *Paeniahniella*: A genus related to but distinct from the existing genus Ahniella of almost.

Paeniahrensia

L. nan adverb *paene*, almost; L. fem. n. *Ahrensia*, An existing genus; *Paeniahrensia*: A genus related to but distinct from the existing genus Ahrensia of almost.

Paeniaidingibacillus

L. nan adverb *paene*, almost; L. masc. n. *Aidingibacillus*, An existing genus; *Paeniaidingibacillus*: A genus related to but distinct from the existing genus Aidingibacillus of almost.

Paeniaidingimonas

L. nan adverb *paene*, almost; L. fem. n. *Aidingimonas*, An existing genus; *Paeniaidingimonas*: A genus related to but distinct from the existing genus Aidingimonas of almost.

Paeniakkermansia

L. nan adverb *paene*, almost; L. fem. n. *Akkermansia*, An existing genus; *Paeniakkermansia*: A genus related to but distinct from the existing genus Akkermansia of almost.

Paenialbertania

L. nan adverb *paene*, almost; L. fem. n. *Albertania*, An existing genus; *Paenialbertania*: A genus related to but distinct from the existing genus Albertania of almost.

Paenialbibacter

L. nan adverb *paene*, almost; L. masc. n. *Albibacter*, An existing genus; *Paenialbibacter*: A genus related to but distinct from the existing genus Albibacter of almost.

Paenialbibacterium

L. nan adverb *paene*, almost; L. neut. n. *Albibacterium*, An existing genus; *Paenialbibacterium*: A genus related to but distinct from the existing genus Albibacterium of almost.

Paenialbidiferax

L. nan adverb *paene*, almost; L. masc. n. *Albidiferax*, An existing genus; *Paenialbidiferax*: A genus related to but distinct from the existing genus Albidiferax of almost.

Paenialbidovulum

L. nan adverb *paene*, almost; L. neut. n. *Albidovulum*, An existing genus; *Paenialbidovulum*: A genus related to but distinct from the existing genus Albidovulum of almost.

Paenialbimonas

L. nan adverb *paene*, almost; L. fem. n. *Albimonas*, An existing genus; *Paenialbimonas*: A genus related to but distinct from the existing genus Albimonas of almost.

Paenialbirhodobacter

L. nan adverb *paene*, almost; L. masc. n. *Albirhodobacter*, An existing genus; *Paenialbirhodobacter*: A genus related to but distinct from the existing genus Albirhodobacter of almost.

Paenialbrightia

L. nan adverb *paene*, almost; L. fem. n. *Albrightia*, An existing genus; *Paenialbrightia*: A genus related to but distinct from the existing genus Albrightia of almost.

Paenialcaligenes

L. nan adverb *paene*, almost; L. masc. n. *Alcaligenes*, An existing genus; *Paenialcaligenes*: A genus related to but distinct from the existing genus Alcaligenes of almost.

Paenialcanivorax

L. nan adverb *paene*, almost; L. masc. n. *Alcanivorax*, An existing genus; *Paenialcanivorax*: A genus related to but distinct from the existing genus Alcanivorax of almost.

Paenialdersonia

L. nan adverb *paene*, almost; L. fem. n. *Aldersonia*, An existing genus; *Paenialdersonia*: A genus related to but distinct from the existing genus Aldersonia of almost.

Paenialgibacter

L. nan adverb *paene*, almost; L. masc. n. *Algibacter*, An existing genus; *Paenialgibacter*: A genus related to but distinct from the existing genus Algibacter of almost.

Paenialgicoccus

L. nan adverb *paene*, almost; L. masc. n. *Algicoccus*, An existing genus; *Paenialgicoccus*: A genus related to but distinct from the existing genus Algicoccus of almost.

Paenialgicola

L. nan adverb *paene*, almost; L. fem. n. *Algicola*, An existing genus; *Paenialgicola*: A genus related to but distinct from the existing genus Algicola of almost.

Paenialgihabitans

L. nan adverb *paene*, almost; L. masc. n. *Algihabitans*, An existing genus; *Paenialgihabitans*: A genus related to but distinct from the existing genus Algihabitans of almost.

Paenialgimonas

L. nan adverb *paene*, almost; L. fem. n. *Algimonas*, An existing genus; *Paenialgimonas*: A genus related to but distinct from the existing genus Algimonas of almost.

Paenialginatibacterium

L. nan adverb *paene*, almost; L. neut. n. *Alginatibacterium*, An existing genus; *Paenialginatibacterium*: A genus related to but distinct from the existing genus Alginatibacterium of almost.

Paenialgiphilus

L. nan adverb *paene*, almost; L. masc. n. *Algiphilus*, An existing genus; *Paenialgiphilus*: A genus related to but distinct from the existing genus Algiphilus of almost.

Paenialgisphaera

L. nan adverb *paene*, almost; L. fem. n. *Algisphaera*, An existing genus; *Paenialgisphaera*: A genus related to but distinct from the existing genus Algisphaera of almost.

Paenialgitalea

L. nan adverb *paene*, almost; L. fem. n. *Algitalea*, An existing genus; *Paenialgitalea*: A genus related to but distinct from the existing genus Algitalea of almost.

Paenialgivirga

L. nan adverb *paene*, almost; L. fem. n. *Algivirga*, An existing genus; *Paenialgivirga*: A genus related to but distinct from the existing genus Algivirga of almost.

Paenialgoriella

L. nan adverb *paene*, almost; L. fem. dim. n. *Algoriella*, An existing genus; *Paenialgoriella*: A genus related to but distinct from the existing genus Algoriella of almost.

Paenialgorimarina

L. nan adverb *paene*, almost; L. fem. n. *Algorimarina*, An existing genus; *Paenialgorimarina*: A genus related to but distinct from the existing genus Algorimarina of almost.

Paenialgoriphagus

L. nan adverb *paene*, almost; L. masc. n. *Algoriphagus*, An existing genus; *Paenialgoriphagus*: A genus related to but distinct from the existing genus Algoriphagus of almost.

Paenialiagarivorans

L. nan adverb *paene*, almost; L. masc. n. *Aliagarivorans*, An existing genus; *Paenialiagarivorans*: A genus related to but distinct from the existing genus Aliagarivorans of almost.

Paenialiarcobacter

L. nan adverb *paene*, almost; L. masc. n. *Aliarcobacter*, An existing genus; *Paenialiarcobacter*: A genus related to but distinct from the existing genus Aliarcobacter of almost.

Paenialicycliphilus

L. nan adverb *paene*, almost; L. masc. n. *Alicycliphilus*, An existing genus; *Paenialicycliphilus*: A genus related to but distinct from the existing genus Alicycliphilus of almost.

Paenialicyclobacillus

L. nan adverb *paene*, almost; L. masc. n. *Alicyclobacillus*, An existing genus; *Paenialicyclobacillus*: A genus related to but distinct from the existing genus Alicyclobacillus of almost.

Paenialienimonas

L. nan adverb *paene*, almost; L. fem. n. *Alienimonas*, An existing genus; *Paenialienimonas*: A genus related to but distinct from the existing genus Alienimonas of almost.

Paenialiibacillus

L. nan adverb *paene*, almost; L. masc. n. *Aliibacillus*, An existing genus; *Paenialiibacillus*: A genus related to but distinct from the existing genus Aliibacillus of almost.

Paenialiicoccus

L. nan adverb *paene*, almost; L. masc. n. *Aliicoccus*, An existing genus; *Paenialiicoccus*: A genus related to but distinct from the existing genus Aliicoccus of almost.

Paenialiidiomarina

L. nan adverb *paene*, almost; L. fem. n. *Aliidiomarina*, An existing genus; *Paenialiidiomarina*: A genus related to but distinct from the existing genus Aliidiomarina of almost.

Paenialiidongia

L. nan adverb *paene*, almost; L. fem. n. *Aliidongia*, An existing genus; *Paenialiidongia*: A genus related to but distinct from the existing genus Aliidongia of almost.

Paenialiifodinibius

L. nan adverb *paene*, almost; L. masc. n. *Aliifodinibius*, An existing genus; *Paenialiifodinibius*: A genus related to but distinct from the existing genus Aliifodinibius of almost.

Paenialiiglaciecola

L. nan adverb *paene*, almost; L. fem. n. *Aliiglaciecola*, An existing genus; *Paenialiiglaciecola*: A genus related to but distinct from the existing genus Aliiglaciecola of almost.

Paenialiihoeflea

L. nan adverb *paene*, almost; L. fem. n. *Aliihoeflea*, An existing genus; *Paenialiihoeflea*: A genus related to but distinct from the existing genus Aliihoeflea of almost.

Paenialiikangiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Aliikangiella*, An existing genus; *Paenialiikangiella*: A genus related to but distinct from the existing genus Aliikangiella of almost.

Paenialiinostoc

L. nan adverb *paene*, almost; L. neut. n. *Aliinostoc*, An existing genus; *Paenialiinostoc*: A genus related to but distinct from the existing genus Aliinostoc of almost.

Paenialiiroseovarius

L. nan adverb *paene*, almost; L. masc. n. *Aliiroseovarius*, An existing genus; *Paenialiiroseovarius*: A genus related to but distinct from the existing genus Aliiroseovarius of almost.

Paenialiisedimentitalea

L. nan adverb *paene*, almost; L. fem. n. *Aliisedimentitalea*, An existing genus; *Paenialiisedimentitalea*: A genus related to but distinct from the existing genus Aliisedimentitalea of almost.

Paenialiishimia

L. nan adverb *paene*, almost; L. fem. n. *Aliishimia*, An existing genus; *Paenialiishimia*: A genus related to but distinct from the existing genus Aliishimia of almost.

Paenialiivibrio

L. nan adverb *paene*, almost; L. masc. n. *Aliivibrio*, An existing genus; *Paenialiivibrio*: A genus related to but distinct from the existing genus Aliivibrio of almost.

Paenialishewanella

L. nan adverb *paene*, almost; L. fem. dim. n. *Alishewanella*, An existing genus; *Paenialishewanella*: A genus related to but distinct from the existing genus Alishewanella of almost.

Paenialistipes

L. nan adverb *paene*, almost; L. masc. n. *Alistipes*, An existing genus; *Paenialistipes*: A genus related to but distinct from the existing genus Alistipes of almost.

Paenialiterella

L. nan adverb *paene*, almost; L. fem. dim. n. *Aliterella*, An existing genus; *Paenialiterella*: A genus related to but distinct from the existing genus Aliterella of almost.

Paenialkalibacillus

L. nan adverb *paene*, almost; L. masc. n. *Alkalibacillus*, An existing genus; *Paenialkalibacillus*: A genus related to but distinct from the existing genus Alkalibacillus of almost.

Paenialkalibacter

L. nan adverb *paene*, almost; L. masc. n. *Alkalibacter*, An existing genus; *Paenialkalibacter*: A genus related to but distinct from the existing genus Alkalibacter of almost.

Paenialkalibacterium

L. nan adverb *paene*, almost; L. neut. n. *Alkalibacterium*, An existing genus; *Paenialkalibacterium*: A genus related to but distinct from the existing genus Alkalibacterium of almost.

Paenialkalibaculum

L. nan adverb *paene*, almost; L. neut. n. *Alkalibaculum*, An existing genus; *Paenialkalibaculum*: A genus related to but distinct from the existing genus Alkalibaculum of almost.

Paenialkalicoccus

L. nan adverb *paene*, almost; L. masc. n. *Alkalicoccus*, An existing genus; *Paenialkalicoccus*: A genus related to but distinct from the existing genus Alkalicoccus of almost.

Paenialkaliflexus

L. nan adverb *paene*, almost; L. masc. n. *Alkaliflexus*, An existing genus; *Paenialkaliflexus*: A genus related to but distinct from the existing genus Alkaliflexus of almost.

Paenialkalihalobacillus

L. nan adverb *paene*, almost; L. masc. n. *Alkalihalobacillus*, An existing genus; *Paenialkalihalobacillus*: A genus related to but distinct from the existing genus Alkalihalobacillus of almost.

Paenialkalilactibacillus

L. nan adverb *paene*, almost; L. masc. n. *Alkalilactibacillus*, An existing genus; *Paenialkalilactibacillus*: A genus related to but distinct from the existing genus Alkalilactibacillus of almost.

Paenialkalilacustris

L. nan adverb *paene*, almost; L. masc. n. *Alkalilacustris*, An existing genus; *Paenialkalilacustris*: A genus related to but distinct from the existing genus Alkalilacustris of almost.

Paenialkalimarinus

L. nan adverb *paene*, almost; L. masc. n. *Alkalimarinus*, An existing genus; *Paenialkalimarinus*: A genus related to but distinct from the existing genus Alkalimarinus of almost.

Paenialkalimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Alkalimicrobium*, An existing genus; *Paenialkalimicrobium*: A genus related to but distinct from the existing genus Alkalimicrobium of almost.

Paenialkalimonas

L. nan adverb *paene*, almost; L. fem. n. *Alkalimonas*, An existing genus; *Paenialkalimonas*: A genus related to but distinct from the existing genus Alkalimonas of almost.

Paenialkalinema

L. nan adverb *paene*, almost; L. neut. n. *Alkalinema*, An existing genus; *Paenialkalinema*: A genus related to but distinct from the existing genus Alkalinema of almost.

Paenialkaliphilus

L. nan adverb *paene*, almost; L. masc. n. *Alkaliphilus*, An existing genus; *Paenialkaliphilus*: A genus related to but distinct from the existing genus Alkaliphilus of almost.

Paenialkalispirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Alkalispirillum*, An existing genus; *Paenialkalispirillum*: A genus related to but distinct from the existing genus Alkalispirillum of almost.

Paenialkalispirochaeta

L. nan adverb *paene*, almost; L. fem. n. *Alkalispirochaeta*, An existing genus; *Paenialkalispirochaeta*: A genus related to but distinct from the existing genus Alkalispirochaeta of almost.

Paenialkalitalea

L. nan adverb *paene*, almost; L. fem. n. *Alkalitalea*, An existing genus; *Paenialkalitalea*: A genus related to but distinct from the existing genus Alkalitalea of almost.

Paenialkanibacter

L. nan adverb *paene*, almost; L. masc. n. *Alkanibacter*, An existing genus; *Paenialkanibacter*: A genus related to but distinct from the existing genus Alkanibacter of almost.

Paenialkanindiges

L. nan adverb *paene*, almost; L. masc. n. *Alkanindiges*, An existing genus; *Paenialkanindiges*: A genus related to but distinct from the existing genus Alkanindiges of almost.

Paeniallisonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Allisonella*, An existing genus; *Paeniallisonella*: A genus related to but distinct from the existing genus Allisonella of almost.

Paenialloactinosynnema

L. nan adverb *paene*, almost; L. neut. n. *Alloactinosynnema*, An existing genus; *Paenialloactinosynnema*: A genus related to but distinct from the existing genus Alloactinosynnema of almost.

Paeniallobacillus

L. nan adverb *paene*, almost; L. masc. n. *Allobacillus*, An existing genus; *Paeniallobacillus*: A genus related to but distinct from the existing genus Allobacillus of almost.

Paeniallobaculum

L. nan adverb *paene*, almost; L. neut. n. *Allobaculum*, An existing genus; *Paeniallobaculum*: A genus related to but distinct from the existing genus Allobaculum of almost.

Paeniallobranchiibius

L. nan adverb *paene*, almost; L. masc. n. *Allobranchiibius*, An existing genus; *Paeniallobranchiibius*: A genus related to but distinct from the existing genus Allobranchiibius of almost.

Paeniallocatelliglobosispora

L. nan adverb *paene*, almost; L. fem. n. *Allocatelliglobosispora*, An existing genus; *Paeniallocatelliglobosispora*: A genus related to but distinct from the existing genus Allocatelliglobosispora of almost.

Paeniallochromatium

L. nan adverb *paene*, almost; L. neut. n. *Allochromatium*, An existing genus; *Paeniallochromatium*: A genus related to but distinct from the existing genus Allochromatium of almost.

Paeniallofrancisella

L. nan adverb *paene*, almost; L. fem. dim. n. *Allofrancisella*, An existing genus; *Paeniallofrancisella*: A genus related to but distinct from the existing genus Allofrancisella of almost.

Paeniallofustis

L. nan adverb *paene*, almost; L. masc. n. *Allofustis*, An existing genus; *Paeniallofustis*: A genus related to but distinct from the existing genus Allofustis of almost.

Paeniallohahella

L. nan adverb *paene*, almost; L. fem. dim. n. *Allohahella*, An existing genus; *Paeniallohahella*: A genus related to but distinct from the existing genus Allohahella of almost.

Paeniallohumibacter

L. nan adverb *paene*, almost; L. masc. n. *Allohumibacter*, An existing genus; *Paeniallohumibacter*: A genus related to but distinct from the existing genus Allohumibacter of almost.

Paenialloiococcus

L. nan adverb *paene*, almost; L. masc. n. *Alloiococcus*, An existing genus; *Paenialloiococcus*: A genus related to but distinct from the existing genus Alloiococcus of almost.

Paeniallokutzneria

L. nan adverb *paene*, almost; L. fem. n. *Allokutzneria*, An existing genus; *Paeniallokutzneria*: A genus related to but distinct from the existing genus Allokutzneria of almost.

Paeniallomonas

L. nan adverb *paene*, almost; L. fem. n. *Allomonas*, An existing genus; *Paeniallomonas*: A genus related to but distinct from the existing genus Allomonas of almost.

Paeniallonocardiopsis

L. nan adverb *paene*, almost; L. fem. n. *Allonocardiopsis*, An existing genus; *Paeniallonocardiopsis*: A genus related to but distinct from the existing genus Allonocardiopsis of almost.

Paeniallopreviotella

L. nan adverb *paene*, almost; L. fem. dim. n. *Alloprevotella*, An existing genus; *Paeniallopreviotella*: A genus related to but distinct from the existing genus Alloprevotella of almost.

Paeniallopseudarcicella

L. nan adverb *paene*, almost; L. fem. n. *Allopseudarcicella*, An existing genus; *Paeniallopseudarcicella*: A genus related to but distinct from the existing genus Allopseudarcicella of almost.

Paeniallorhizobium

L. nan adverb *paene*, almost; L. neut. n. *Allorhizobium*, An existing genus; *Paeniallorhizobium*: A genus related to but distinct from the existing genus Allorhizobium of almost.

Paeniallorhizocola

L. nan adverb *paene*, almost; L. masc. n. *Allorhizocola*, An existing genus; *Paeniallorhizocola*: A genus related to but distinct from the existing genus Allorhizocola of almost.

Paeniallosalinactinospora

L. nan adverb *paene*, almost; L. fem. n. *Allosalinactinospora*, An existing genus; *Paeniallosalinactinospora*: A genus related to but distinct from the existing genus Allosalinactinospora of almost.

Paenialloscardovia

L. nan adverb *paene*, almost; L. fem. n. *Alloscardovia*, An existing genus; *Paenialloscardovia*: A genus related to but distinct from the existing genus Alloscardovia of almost.

Paeniallostreptomyces

L. nan adverb *paene*, almost; L. masc. n. *Allostreptomyces*, An existing genus; *Paeniallostreptomyces*: A genus related to but distinct from the existing genus Allostreptomyces of almost.

Paenialpinimonas

L. nan adverb *paene*, almost; L. fem. n. *Alpinimonas*, An existing genus; *Paenialpinimonas*: A genus related to but distinct from the existing genus Alpinimonas of almost.

Paenialsobacter

L. nan adverb *paene*, almost; L. masc. n. *Alsobacter*, An existing genus; *Paenialsobacter*: A genus related to but distinct from the existing genus Alsobacter of almost.

Paenialtererythrobacter

L. nan adverb *paene*, almost; L. masc. n. *Altererythrobacter*, An existing genus; *Paenialtererythrobacter*: A genus related to but distinct from the existing genus Altererythrobacter of almost.

Paenialteribacillus

L. nan adverb *paene*, almost; L. masc. n. *Alteribacillus*, An existing genus; *Paenialteribacillus*: A genus related to but distinct from the existing genus Alteribacillus of almost.

Paenialterileibacterium

L. nan adverb *paene*, almost; L. neut. n. *Alterileibacterium*, An existing genus; *Paenialterileibacterium*: A genus related to but distinct from the existing genus Alterileibacterium of almost.

Paenialterococcus

L. nan adverb *paene*, almost; L. masc. n. *Alterococcus*, An existing genus; *Paenialterococcus*: A genus related to but distinct from the existing genus Alterococcus of almost.

Paenialteromonas

L. nan adverb *paene*, almost; L. fem. n. *Alteromonas*, An existing genus; *Paenialteromonas*: A genus related to but distinct from the existing genus Alteromonas of almost.

Paenialtuibacter

L. nan adverb *paene*, almost; L. masc. n. *Altuibacter*, An existing genus; *Paenialtuibacter*: A genus related to but distinct from the existing genus Altuibacter of almost.

Paenialysiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Alysiella*, An existing genus; *Paenialysiella*: A genus related to but distinct from the existing genus Alysiella of almost.

Paeniamantichitinum

L. nan adverb *paene*, almost; L. neut. n. *Amantichitinum*, An existing genus; *Paeniamantichitinum*: A genus related to but distinct from the existing genus Amantichitinum of almost.

Paeniamaricoccus

L. nan adverb *paene*, almost; L. masc. n. *Amaricoccus*, An existing genus; *Paeniamaricoccus*: A genus related to but distinct from the existing genus Amaricoccus of almost.

Paeniamazoninema

L. nan adverb *paene*, almost; L. neut. n. *Amazoninema*, An existing genus; *Paeniamazoninema*: A genus related to but distinct from the existing genus Amazoninema of almost.

Paeniamedibacillus

L. nan adverb *paene*, almost; L. masc. n. *Amedibacillus*, An existing genus; *Paeniamedibacillus*: A genus related to but distinct from the existing genus Amedibacillus of almost.

Paeniamedibacterium

L. nan adverb *paene*, almost; L. neut. n. *Amedibacterium*, An existing genus; *Paeniamedibacterium*: A genus related to but distinct from the existing genus Amedibacterium of almost.

Paeniameyamaea

L. nan adverb *paene*, almost; L. fem. n. *Ameyamaea*, An existing genus; *Paeniameyamaea*: A genus related to but distinct from the existing genus Ameyamaea of almost.

Paeniaminiphilus

L. nan adverb *paene*, almost; L. masc. n. *Aminiphilus*, An existing genus; *Paeniaminiphilus*: A genus related to but distinct from the existing genus Aminiphilus of almost.

Paeniaminipila

L. nan adverb *paene*, almost; L. fem. n. *Aminipila*, An existing genus; *Paeniaminipila*: A genus related to but distinct from the existing genus Aminipila of almost.

Paeniaminivibrio

L. nan adverb *paene*, almost; L. masc. n. *Aminivibrio*, An existing genus; *Paeniaminivibrio*: A genus related to but distinct from the existing genus Aminivibrio of almost.

Paeniaminobacter

L. nan adverb *paene*, almost; L. masc. n. *Aminobacter*, An existing genus; *Paeniaminobacter*: A genus related to but distinct from the existing genus Aminobacter of almost.

Paeniaminobacterium

L. nan adverb *paene*, almost; L. neut. n. *Aminobacterium*, An existing genus; *Paeniaminobacterium*: A genus related to but distinct from the existing genus Aminobacterium of almost.

Paeniaminomonas

L. nan adverb *paene*, almost; L. fem. n. *Aminomonas*, An existing genus; *Paeniaminomonas*: A genus related to but distinct from the existing genus Aminomonas of almost.

Paeniammassolinea

L. nan adverb *paene*, almost; L. fem. n. *Ammassolinea*, An existing genus; *Paeniammassolinea*: A genus related to but distinct from the existing genus Ammassolinea of almost.

Paeniammonifex

L. nan adverb *paene*, almost; L. masc. n. *Ammonifex*, An existing genus; *Paeniammonifex*: A genus related to but distinct from the existing genus Ammonifex of almost.

Paeniammoniibacillus

L. nan adverb *paene*, almost; L. masc. n. *Ammoniibacillus*, An existing genus; *Paeniammoniibacillus*: A genus related to but distinct from the existing genus Ammoniibacillus of almost.

Paeniammoniphilus

L. nan adverb *paene*, almost; L. masc. n. *Ammoniphilus*, An existing genus; *Paeniammoniphilus*: A genus related to but distinct from the existing genus Ammoniphilus of almost.

Paeniamnibacterium

L. nan adverb *paene*, almost; L. neut. n. *Amnibacterium*, An existing genus; *Paeniamnibacterium*: A genus related to but distinct from the existing genus Amnibacterium of almost.

Paeniamniculibacterium

L. nan adverb *paene*, almost; L. neut. n. *Amniculibacterium*, An existing genus; *Paeniamniculibacterium*: A genus related to but distinct from the existing genus Amniculibacterium of almost.

Paeniamnimonas

L. nan adverb *paene*, almost; L. fem. n. *Amnimonas*, An existing genus; *Paeniamnimonas*: A genus related to but distinct from the existing genus Amnimonas of almost.

Paeniamoebobacter

L. nan adverb *paene*, almost; L. masc. n. *Amoebobacter*, An existing genus; *Paeniamoebobacter*: A genus related to but distinct from the existing genus Amoebobacter of almost.

Paeniamorphosporangium

L. nan adverb *paene*, almost; L. neut. n. *Amorphosporangium*, An existing genus; *Paeniamorphosporangium*: A genus related to but distinct from the existing genus Amorphosporangium of almost.

Paeniamorphus

L. nan adverb *paene*, almost; L. masc. n. *Amorphus*, An existing genus; *Paeniamorphus*: A genus related to but distinct from the existing genus Amorphus of almost.

Paeniamphibacillus

L. nan adverb *paene*, almost; L. masc. n. *Amphibacillus*, An existing genus; *Paeniamphibacillus*: A genus related to but distinct from the existing genus Amphibacillus of almost.

Paeniamphiheterocytum

L. nan adverb *paene*, almost; L. neut. n. *Amphiheterocytum*, An existing genus; *Paeniamphiheterocytum*: A genus related to but distinct from the existing genus Amphiheterocytum of almost.

Paeniamphiplicatus

L. nan adverb *paene*, almost; L. masc. n. *Amphiplicatus*, An existing genus; *Paeniamphiplicatus*: A genus related to but distinct from the existing genus Amphiplicatus of almost.

Paeniampullariella

L. nan adverb *paene*, almost; L. fem. dim. n. *Ampullariella*, An existing genus; *Paeniampullariella*: A genus related to but distinct from the existing genus Ampullariella of almost.

Paeniampullimonas

L. nan adverb *paene*, almost; L. fem. n. *Ampullimonas*, An existing genus; *Paeniampullimonas*: A genus related to but distinct from the existing genus Ampullimonas of almost.

Paeniamycolata

L. nan adverb *paene*, almost; L. fem. n. *Amycolata*, An existing genus; *Paeniamycolata*: A genus related to but distinct from the existing genus Amycolata of almost.

Paeniamycolatopsis

L. nan adverb *paene*, almost; L. fem. n. *Amycolatopsis*, An existing genus; *Paeniamycolatopsis*: A genus related to but distinct from the existing genus Amycolatopsis of almost.

Paeniamycolicicoccus

L. nan adverb *paene*, almost; L. masc. n. *Amycolicicoccus*, An existing genus; *Paeniamycolicicoccus*: A genus related to but distinct from the existing genus Amycolicicoccus of almost.

Paeniamylibacter

L. nan adverb *paene*, almost; L. masc. n. *Amylibacter*, An existing genus; *Paeniamylibacter*: A genus related to but distinct from the existing genus Amylibacter of almost.

Paeniamylolactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Amylolactobacillus*, An existing genus; *Paeniamylolactobacillus*: A genus related to but distinct from the existing genus Amylolactobacillus of almost.

Paenianaerobacillus

L. nan adverb *paene*, almost; L. masc. n. *Anaerobacillus*, An existing genus; *Paenianaerobacillus*: A genus related to but distinct from the existing genus Anaerobacillus of almost.

Paenianaerobacterium

L. nan adverb *paene*, almost; L. neut. n. *Anaerobacterium*, An existing genus; *Paenianaerobacterium*: A genus related to but distinct from the existing genus Anaerobacterium of almost.

Paenianaerobaculum

L. nan adverb *paene*, almost; L. neut. n. *Anaerobaculum*, An existing genus; *Paenianaerobaculum*: A genus related to but distinct from the existing genus Anaerobaculum of almost.

Paenianaerobiospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Anaerobiospirillum*, An existing genus; *Paenianaerobiospirillum*: A genus related to but distinct from the existing genus Anaerobiospirillum of almost.

Paenianaerobium

L. nan adverb *paene*, almost; L. neut. n. *Anaerobium*, An existing genus; *Paenianaerobium*: A genus related to but distinct from the existing genus Anaerobium of almost.

Paenianaerobranca

L. nan adverb *paene*, almost; L. fem. n. *Anaerobranca*, An existing genus; *Paenianaerobranca*: A genus related to but distinct from the existing genus Anaerobranca of almost.

Paenianaerobutyricum

L. nan adverb *paene*, almost; L. neut. n. *Anaerobutyricum*, An existing genus; *Paenianaerobutyricum*: A genus related to but distinct from the existing genus Anaerobutyricum of almost.

Paenianaerocella

L. nan adverb *paene*, almost; L. fem. n. *Anaerocella*, An existing genus; *Paenianaerocella*: A genus related to but distinct from the existing genus Anaerocella of almost.

Paenianaerococcus

L. nan adverb *paene*, almost; L. masc. n. *Anaerococcus*, An existing genus; *Paenianaerococcus*: A genus related to but distinct from the existing genus Anaerococcus of almost.

Paenianaerofilum

L. nan adverb *paene*, almost; L. neut. n. *Anaerofilum*, An existing genus; *Paenianaerofilum*: A genus related to but distinct from the existing genus Anaerofilum of almost.

Paenianaeroglobus

L. nan adverb *paene*, almost; L. masc. n. *Anaeroglobus*, An existing genus; *Paenianaeroglobus*: A genus related to but distinct from the existing genus Anaeroglobus of almost.

Paenianaerohalosphaera

L. nan adverb *paene*, almost; L. fem. n. *Anaerohalosphaera*, An existing genus; *Paenianaerohalosphaera*: A genus related to but distinct from the existing genus Anaerohalosphaera of almost.

Paenianaerolactibacter

L. nan adverb *paene*, almost; L. masc. n. *Anaerolactibacter*, An existing genus; *Paenianaerolactibacter*: A genus related to but distinct from the existing genus Anaerolactibacter of almost.

Paenianaerolinea

L. nan adverb *paene*, almost; L. fem. n. *Anaerolinea*, An existing genus; *Paenianaerolinea*: A genus related to but distinct from the existing genus Anaerolinea of almost.

Paenianaeromicrobium

L. nan adverb *paene*, almost; L. neut. n. *Anaeromicrobium*, An existing genus; *Paenianaeromicrobium*: A genus related to but distinct from the existing genus Anaeromicrobium of almost.

Paenianaeromusa

L. nan adverb *paene*, almost; L. fem. n. *Anaeromusa*, An existing genus; *Paenianaeromusa*: A genus related to but distinct from the existing genus Anaeromusa of almost.

Paenianaeromyxobacter

L. nan adverb *paene*, almost; L. masc. n. *Anaeromyxobacter*, An existing genus; *Paenianaeromyxobacter*: A genus related to but distinct from the existing genus Anaeromyxobacter of almost.

Paenianaerophaga

L. nan adverb *paene*, almost; L. fem. n. *Anaerophaga*, An existing genus; *Paenianaerophaga*: A genus related to but distinct from the existing genus Anaerophaga of almost.

Paenianaerophilus

L. nan adverb *paene*, almost; L. masc. n. *Anaerophilus*, An existing genus; *Paenianaerophilus*: A genus related to but distinct from the existing genus Anaerophilus of almost.

Paenianaeroplasma

L. nan adverb *paene*, almost; L. neut. n. *Anaeroplasma*, An existing genus; *Paenianaeroplasma*: A genus related to but distinct from the existing genus Anaeroplasma of almost.

Paenianaerorhabdus

L. nan adverb *paene*, almost; L. fem. n. *Anaerorhabdus*, An existing genus; *Paenianaerorhabdus*: A genus related to but distinct from the existing genus Anaerorhabdus of almost.

Paenianaerosalibacter

L. nan adverb *paene*, almost; L. masc. n. *Anaerosalibacter*, An existing genus; *Paenianaerosalibacter*: A genus related to but distinct from the existing genus Anaerosalibacter of almost.

Paenianaerosolibacter

L. nan adverb *paene*, almost; L. masc. n. *Anaerosolibacter*, An existing genus; *Paenianaerosolibacter*: A genus related to but distinct from the existing genus Anaerosolibacter of almost.

Paenianaerosphaera

L. nan adverb *paene*, almost; L. fem. n. *Anaerosphaera*, An existing genus; *Paenianaerosphaera*: A genus related to but distinct from the existing genus Anaerosphaera of almost.

Paenianaerospora

L. nan adverb *paene*, almost; L. fem. n. *Anaerospora*, An existing genus; *Paenianaerospora*: A genus related to but distinct from the existing genus Anaerospora of almost.

Paenianaerosporobacter

L. nan adverb *paene*, almost; L. masc. n. *Anaerosporobacter*, An existing genus; *Paenianaerosporobacter*: A genus related to but distinct from the existing genus Anaerosporobacter of almost.

Paenianaerosporomusa

L. nan adverb *paene*, almost; L. fem. n. *Anaerosporomusa*, An existing genus; *Paenianaerosporomusa*: A genus related to but distinct from the existing genus Anaerosporomusa of almost.

Paenianaerotignum

L. nan adverb *paene*, almost; L. neut. n. *Anaerotignum*, An existing genus; *Paenianaerotignum*: A genus related to but distinct from the existing genus Anaerotignum of almost.

Paenianaerotruncus

L. nan adverb *paene*, almost; L. masc. n. *Anaerotruncus*, An existing genus; *Paenianaerotruncus*: A genus related to but distinct from the existing genus Anaerotruncus of almost.

Paenianaerovibrio

L. nan adverb *paene*, almost; L. masc. n. *Anaerovibrio*, An existing genus; *Paenianaerovibrio*: A genus related to but distinct from the existing genus Anaerovibrio of almost.

Paenianaerovirgula

L. nan adverb *paene*, almost; L. fem. dim. n. *Anaerovirgula*, An existing genus; *Paenianaerovirgula*: A genus related to but distinct from the existing genus Anaerovirgula of almost.

Paenianaerovorax

L. nan adverb *paene*, almost; L. masc. n. *Anaerovorax*, An existing genus; *Paenianaerovorax*: A genus related to but distinct from the existing genus Anaerovorax of almost.

Paenianaplasma

L. nan adverb *paene*, almost; L. neut. n. *Anaplasma*, An existing genus; *Paenianaplasma*: A genus related to but distinct from the existing genus Anaplasma of almost.

Paeniancalochloris

L. nan adverb *paene*, almost; L. fem. n. *Ancalochloris*, An existing genus; *Paeniancalochloris*: A genus related to but distinct from the existing genus Ancalochloris of almost.

Paeniancalomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Ancalomicrobium*, An existing genus; *Paeniancalomicrobium*: A genus related to but distinct from the existing genus Ancalomicrobium of almost.

Paeniancylobacter

L. nan adverb *paene*, almost; L. masc. n. *Ancylobacter*, An existing genus; *Paeniancylobacter*: A genus related to but distinct from the existing genus Ancylobacter of almost.

Paeniancylomarina

L. nan adverb *paene*, almost; L. fem. n. *Ancylomarina*, An existing genus; *Paeniancylomarina*: A genus related to but distinct from the existing genus Ancylomarina of almost.

Paeniancylothrix

L. nan adverb *paene*, almost; L. fem. n. *Ancylothrix*, An existing genus; *Paeniancylothrix*: A genus related to but distinct from the existing genus Ancylothrix of almost.

Paeniandersenielle

L. nan adverb *paene*, almost; L. fem. dim. n. *Anderseniella*, An existing genus; *Paeniandersenielle*: A genus related to but distinct from the existing genus Anderseniella of almost.

Paeniandreesenia

L. nan adverb *paene*, almost; L. fem. n. *Andreesenia*, An existing genus; *Paeniandreesenia*: A genus related to but distinct from the existing genus Andreesenia of almost.

Paeniandreprevotia

L. nan adverb *paene*, almost; L. fem. n. *Andreprevotia*, An existing genus; *Paeniandreprevotia*: A genus related to but distinct from the existing genus Andreprevotia of almost.

Paenianeurinibacillus

L. nan adverb *paene*, almost; L. masc. n. *Aneurinibacillus*, An existing genus; *Paenianeurinibacillus*: A genus related to but distinct from the existing genus Aneurinibacillus of almost.

Paeniangelakisella

L. nan adverb *paene*, almost; L. fem. dim. n. *Angelakisella*, An existing genus; *Paeniangelakisella*: A genus related to but distinct from the existing genus Angelakisella of almost.

Paeniangiococcus

L. nan adverb *paene*, almost; L. masc. n. *Angiococcus*, An existing genus; *Paeniangiococcus*: A genus related to but distinct from the existing genus Angiococcus of almost.

Paeniangulomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Angulomicrobium*, An existing genus; *Paeniangulomicrobium*: A genus related to but distinct from the existing genus Angulomicrobium of almost.

Paeniangustibacter

L. nan adverb *paene*, almost; L. masc. n. *Angustibacter*, An existing genus; *Paeniangustibacter*: A genus related to but distinct from the existing genus Angustibacter of almost.

Paeniannwoodia

L. nan adverb *paene*, almost; L. fem. n. *Annwoodia*, An existing genus; *Paeniannwoodia*: A genus related to but distinct from the existing genus Annwoodia of almost.

Paenianoxybacillus

L. nan adverb *paene*, almost; L. masc. n. *Anoxybacillus*, An existing genus; *Paenianoxybacillus*: A genus related to but distinct from the existing genus Anoxybacillus of almost.

Paenianoxybacter

L. nan adverb *paene*, almost; L. masc. n. *Anoxybacter*, An existing genus; *Paenianoxybacter*: A genus related to but distinct from the existing genus Anoxybacter of almost.

Paenianoxynatronum

L. nan adverb *paene*, almost; L. neut. n. *Anoxynatronum*, An existing genus; *Paenianoxynatronum*: A genus related to but distinct from the existing genus Anoxynatronum of almost.

Paenianseongella

L. nan adverb *paene*, almost; L. fem. dim. n. *Anseongella*, An existing genus; *Paenianseongella*: A genus related to but distinct from the existing genus Anseongella of almost.

Paeniantarcticibacterium

L. nan adverb *paene*, almost; L. neut. n. *Antarcticibacterium*, An existing genus; *Paeniantarcticibacterium*: A genus related to but distinct from the existing genus Antarcticibacterium of almost.

Paeniantarcticimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Antarcticimicrobium*, An existing genus; *Paeniantarcticimicrobium*: A genus related to but distinct from the existing genus Antarcticimicrobium of almost.

Paeniantarcticimonas

L. nan adverb *paene*, almost; L. fem. n. *Antarcticimonas*, An existing genus; *Paeniantarcticimonas*: A genus related to but distinct from the existing genus Antarcticimonas of almost.

Paeniantarctobacter

L. nan adverb *paene*, almost; L. masc. n. *Antarctobacter*, An existing genus; *Paeniantarctobacter*: A genus related to but distinct from the existing genus Antarctobacter of almost.

Paeniantribacter

L. nan adverb *paene*, almost; L. masc. n. *Antribacter*, An existing genus; *Paeniantribacter*: A genus related to but distinct from the existing genus Antribacter of almost.

Paeniantricoccus

L. nan adverb *paene*, almost; L. masc. n. *Antricoccus*, An existing genus; *Paeniantricoccus*: A genus related to but distinct from the existing genus Antricoccus of almost.

Paeniaphanizomenon

L. nan adverb *paene*, almost; L. neut. n. *Aphanizomenon*, An existing genus; *Paeniaphanizomenon*: A genus related to but distinct from the existing genus Aphanizomenon of almost.

Paeniapibacter

L. nan adverb *paene*, almost; L. masc. n. *Apibacter*, An existing genus; *Paeniapibacter*: A genus related to but distinct from the existing genus Apibacter of almost.

Paeniapilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Apilactobacillus*, An existing genus; *Paeniapilactobacillus*: A genus related to but distinct from the existing genus Apilactobacillus of almost.

Paeniaplanobacter

L. nan adverb *paene*, almost; L. masc. n. *Aplanobacter*, An existing genus; *Paeniaplanobacter*: A genus related to but distinct from the existing genus Aplanobacter of almost.

Paeniaquabacter

L. nan adverb *paene*, almost; L. masc. n. *Aquabacter*, An existing genus; *Paeniaquabacter*: A genus related to but distinct from the existing genus Aquabacter of almost.

Paeniaquabacterium

L. nan adverb *paene*, almost; L. neut. n. *Aquabacterium*, An existing genus; *Paeniaquabacterium*: A genus related to but distinct from the existing genus Aquabacterium of almost.

Paeniaquamicrobium

L. nan adverb *paene*, almost; L. neut. n. *Aquamicrobium*, An existing genus; *Paeniaquamicrobium*: A genus related to but distinct from the existing genus Aquamicrobium of almost.

Paeniaquaspirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Aquaspirillum*, An existing genus; *Paeniaquaspirillum*: A genus related to but distinct from the existing genus Aquaspirillum of almost.

Paeniaquaticitalea

L. nan adverb *paene*, almost; L. fem. n. *Aquaticitalea*, An existing genus; *Paeniaquaticitalea*: A genus related to but distinct from the existing genus Aquaticitalea of almost.

Paeniaquella

L. nan adverb *paene*, almost; L. fem. dim. n. *Aquella*, An existing genus; *Paeniaquella*: A genus related to but distinct from the existing genus Aquella of almost.

Paeniaquibacillus

L. nan adverb *paene*, almost; L. masc. n. *Aquibacillus*, An existing genus; *Paeniaquibacillus*: A genus related to but distinct from the existing genus Aquibacillus of almost.

Paeniaquibacter

L. nan adverb *paene*, almost; L. masc. n. *Aquibacter*, An existing genus; *Paeniaquibacter*: A genus related to but distinct from the existing genus Aquibacter of almost.

Paeniaquicella

L. nan adverb *paene*, almost; L. fem. n. *Aquicella*, An existing genus; *Paeniaquicella*: A genus related to but distinct from the existing genus Aquicella of almost.

Paeniaquichromatium

L. nan adverb *paene*, almost; L. neut. n. *Aquichromatium*, An existing genus; *Paeniaquichromatium*: A genus related to but distinct from the existing genus Aquichromatium of almost.

Paeniaquicoccus

L. nan adverb *paene*, almost; L. masc. n. *Aquicoccus*, An existing genus; *Paeniaquicoccus*: A genus related to but distinct from the existing genus Aquicoccus of almost.

Paeniaquidulcibacter

L. nan adverb *paene*, almost; L. masc. n. *Aquidulcibacter*, An existing genus; *Paeniaquidulcibacter*: A genus related to but distinct from the existing genus Aquidulcibacter of almost.

Paeniaquifex

L. nan adverb *paene*, almost; L. masc. n. *Aquifex*, An existing genus; *Paeniaquifex*: A genus related to but distinct from the existing genus Aquifex of almost.

Paeniaquiflexum

L. nan adverb *paene*, almost; L. neut. n. *Aquiflexum*, An existing genus; *Paeniaquiflexum*: A genus related to but distinct from the existing genus Aquiflexum of almost.

Paeniaquihabitans

L. nan adverb *paene*, almost; L. masc. n. *Aquihabitans*, An existing genus; *Paeniaquihabitans*: A genus related to but distinct from the existing genus Aquihabitans of almost.

Paeniaquimarina

L. nan adverb *paene*, almost; L. fem. n. *Aquimarina*, An existing genus; *Paeniaquimarina*: A genus related to but distinct from the existing genus Aquimarina of almost.

Paeniaquimixticola

L. nan adverb *paene*, almost; L. masc. n. *Aquimixticola*, An existing genus; *Paeniaquimixticola*: A genus related to but distinct from the existing genus Aquimixticola of almost.

Paeniaquimonas

L. nan adverb *paene*, almost; L. fem. n. *Aquimonas*, An existing genus; *Paeniaquimonas*: A genus related to but distinct from the existing genus Aquimonas of almost.

Paeniaquincola

L. nan adverb *paene*, almost; L. masc. n. *Aquincola*, An existing genus; *Paeniaquincola*: A genus related to but distinct from the existing genus Aquincola of almost.

Paeniaquipuribacter

L. nan adverb *paene*, almost; L. masc. n. *Aquipuribacter*, An existing genus; *Paeniaquipuribacter*: A genus related to but distinct from the existing genus Aquipuribacter of almost.

Paeniaquirufa

L. nan adverb *paene*, almost; L. fem. n. *Aquirufa*, An existing genus; *Paeniaquirufa*: A genus related to but distinct from the existing genus Aquirufa of almost.

Paeniaquisalibacillus

L. nan adverb *paene*, almost; L. masc. n. *Aquisalibacillus*, An existing genus; *Paeniaquisalibacillus*: A genus related to but distinct from the existing genus Aquisalibacillus of almost.

Paeniaquisalimonas

L. nan adverb *paene*, almost; L. fem. n. *Aquisalimonas*, An existing genus; *Paeniaquisalimonas*: A genus related to but distinct from the existing genus Aquisalimonas of almost.

Paeniaquisalinus

L. nan adverb *paene*, almost; L. masc. n. *Aquisalinus*, An existing genus; *Paeniaquisalinus*: A genus related to but distinct from the existing genus Aquisalinus of almost.

Paeniaquisediminimonas

L. nan adverb *paene*, almost; L. fem. n. *Aquisediminimonas*, An existing genus; *Paeniaquisediminimonas*: A genus related to but distinct from the existing genus Aquisediminimonas of almost.

Paeniaquisphaera

L. nan adverb *paene*, almost; L. fem. n. *Aquisphaera*, An existing genus; *Paeniaquisphaera*: A genus related to but distinct from the existing genus Aquisphaera of almost.

Paeniaquitalea

L. nan adverb *paene*, almost; L. fem. n. *Aquitalea*, An existing genus; *Paeniaquitalea*: A genus related to but distinct from the existing genus Aquitalea of almost.

Paeniarachidicoccus

L. nan adverb *paene*, almost; L. masc. n. *Arachidicoccus*, An existing genus; *Paeniarachidicoccus*: A genus related to but distinct from the existing genus Arachidicoccus of almost.

Paeniarachnia

L. nan adverb *paene*, almost; L. fem. n. *Arachnia*, An existing genus; *Paeniarachnia*: A genus related to but distinct from the existing genus Arachnia of almost.

Paeniarcanobacterium

L. nan adverb *paene*, almost; L. neut. n. *Arcanobacterium*, An existing genus; *Paeniarcanobacterium*: A genus related to but distinct from the existing genus Arcanobacterium of almost.

Paeniarchaeoglobus

L. nan adverb *paene*, almost; L. masc. n. *Archaeoglobus*, An existing genus; *Paeniarchaeoglobus*: A genus related to but distinct from the existing genus Archaeoglobus of almost.

Paeniarchangium

L. nan adverb *paene*, almost; L. neut. n. *Archangium*, An existing genus; *Paeniarchangium*: A genus related to but distinct from the existing genus Archangium of almost.

Paeniarcicella

L. nan adverb *paene*, almost; L. fem. n. *Arcicella*, An existing genus; *Paeniarcicella*: A genus related to but distinct from the existing genus Arcicella of almost.

Paeniarcobacter

L. nan adverb *paene*, almost; L. masc. n. *Arcobacter*, An existing genus; *Paeniarcobacter*: A genus related to but distinct from the existing genus Arcobacter of almost.

Paeniarcticibacter

L. nan adverb *paene*, almost; L. masc. n. *Arcticibacter*, An existing genus; *Paeniarcticibacter*: A genus related to but distinct from the existing genus Arcticibacter of almost.

Paeniarcticibacterium

L. nan adverb *paene*, almost; L. neut. n. *Arcticibacterium*, An existing genus; *Paeniarcticibacterium*: A genus related to but distinct from the existing genus Arcticibacterium of almost.

Paeniarcticiflavibacter

L. nan adverb *paene*, almost; L. masc. n. *Arcticiflavibacter*, An existing genus; *Paeniarcticiflavibacter*: A genus related to but distinct from the existing genus Arcticiflavibacter of almost.

Paeniardenticatena

L. nan adverb *paene*, almost; L. fem. n. *Ardenticatena*, An existing genus; *Paeniardenticatena*: A genus related to but distinct from the existing genus Ardenticatena of almost.

Paeniarenibacillus

L. nan adverb *paene*, almost; L. masc. n. *Arenibacillus*, An existing genus; *Paeniarenibacillus*: A genus related to but distinct from the existing genus Arenibacillus of almost.

Paeniarenibacter

L. nan adverb *paene*, almost; L. masc. n. *Arenibacter*, An existing genus; *Paeniarenibacter*: A genus related to but distinct from the existing genus Arenibacter of almost.

Paeniarenicella

L. nan adverb *paene*, almost; L. fem. n. *Arenicella*, An existing genus; *Paeniarenicella*: A genus related to but distinct from the existing genus Arenicella of almost.

Paeniarenimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Arenimicrobium*, An existing genus; *Paeniarenimicrobium*: A genus related to but distinct from the existing genus Arenimicrobium of almost.

Paeniarenimonas

L. nan adverb *paene*, almost; L. fem. n. *Arenimonas*, An existing genus; *Paeniarenimonas*: A genus related to but distinct from the existing genus Arenimonas of almost.

Paeniarenitalea

L. nan adverb *paene*, almost; L. fem. n. *Arenitalea*, An existing genus; *Paeniarenitalea*: A genus related to but distinct from the existing genus Arenitalea of almost.

Paeniarhodomonas

L. nan adverb *paene*, almost; L. fem. n. *Arhodomonas*, An existing genus; *Paeniarhodomonas*: A genus related to but distinct from the existing genus Arhodomonas of almost.

Paeniaridibacter

L. nan adverb *paene*, almost; L. masc. n. *Aridibacter*, An existing genus; *Paeniaridibacter*: A genus related to but distinct from the existing genus Aridibacter of almost.

Paeniarmatimonas

L. nan adverb *paene*, almost; L. fem. n. *Armatimonas*, An existing genus; *Paeniarmatimonas*: A genus related to but distinct from the existing genus Armatimonas of almost.

Paeniarsenicibacter

L. nan adverb *paene*, almost; L. masc. n. *Arsenicibacter*, An existing genus; *Paeniarsenicibacter*: A genus related to but distinct from the existing genus Arsenicibacter of almost.

Paeniarsenicicoccus

L. nan adverb *paene*, almost; L. masc. n. *Arsenicicoccus*, An existing genus; *Paeniarsenicicoccus*: A genus related to but distinct from the existing genus Arsenicicoccus of almost.

Paeniarsenicitalea

L. nan adverb *paene*, almost; L. fem. n. *Arsenicitalea*, An existing genus; *Paeniarsenicitalea*: A genus related to but distinct from the existing genus Arsenicitalea of almost.

Paeniarsenophonus

L. nan adverb *paene*, almost; L. masc. n. *Arsenophonus*, An existing genus; *Paeniarsenophonus*: A genus related to but distinct from the existing genus Arsenophonus of almost.

Paeniarsukibacterium

L. nan adverb *paene*, almost; L. neut. n. *Arsukibacterium*, An existing genus; *Paeniarsukibacterium*: A genus related to but distinct from the existing genus Arsukibacterium of almost.

Paeniarthrobacter

L. nan adverb *paene*, almost; L. masc. n. *Arthrobacter*, An existing genus; *Paeniarthrobacter*: A genus related to but distinct from the existing genus Arthrobacter of almost.

Paeniarthrospira

L. nan adverb *paene*, almost; L. fem. n. *Arthrospira*, An existing genus; *Paeniarthrospira*: A genus related to but distinct from the existing genus Arthrospira of almost.

Paeniarthrospiribacter

L. nan adverb *paene*, almost; L. masc. n. *Arthrospiribacter*, An existing genus; *Paeniarthrospiribacter*: A genus related to but distinct from the existing genus Arthrospiribacter of almost.

Paeniarundinibacter

L. nan adverb *paene*, almost; L. masc. n. *Arundinibacter*, An existing genus; *Paeniarundinibacter*: A genus related to but distinct from the existing genus Arundinibacter of almost.

Paeniarvibacter

L. nan adverb *paene*, almost; L. masc. n. *Arvibacter*, An existing genus; *Paeniarvibacter*: A genus related to but distinct from the existing genus Arvibacter of almost.

Paeniasaccharobacter

L. nan adverb *paene*, almost; L. masc. n. *Asaccharobacter*, An existing genus; *Paeniasaccharobacter*: A genus related to but distinct from the existing genus Asaccharobacter of almost.

Paeniasaccharospora

L. nan adverb *paene*, almost; L. fem. n. *Asaccharospora*, An existing genus; *Paeniasaccharospora*: A genus related to but distinct from the existing genus Asaccharospora of almost.

Paeniasaia

L. nan adverb *paene*, almost; L. fem. n. *Asaia*, An existing genus; *Paeniasaia*: A genus related to but distinct from the existing genus Asaia of almost.

Paeniasanoa

L. nan adverb *paene*, almost; L. fem. n. *Asanoa*, An existing genus; *Paeniasanoa*: A genus related to but distinct from the existing genus Asanoa of almost.

Paeniascidiaceibacter

L. nan adverb *paene*, almost; L. masc. n. *Ascidiaceibacter*, An existing genus; *Paeniascidiaceibacter*: A genus related to but distinct from the existing genus Ascidiaceibacter of almost.

Paeniascidiaceihabitans

L. nan adverb *paene*, almost; L. masc. n. *Ascidiaceihabitans*, An existing genus; *Paeniascidiaceihabitans*: A genus related to but distinct from the existing genus Ascidiaceihabitans of almost.

Paeniascidiimonas

L. nan adverb *paene*, almost; L. fem. n. *Ascidiimonas*, An existing genus; *Paeniascidiimonas*: A genus related to but distinct from the existing genus Ascidiimonas of almost.

Paeniasinibacterium

L. nan adverb *paene*, almost; L. neut. n. *Asinibacterium*, An existing genus; *Paeniasinibacterium*: A genus related to but distinct from the existing genus Asinibacterium of almost.

Paeniasprobacter

L. nan adverb *paene*, almost; L. masc. n. *Asprobacter*, An existing genus; *Paeniasprobacter*: A genus related to but distinct from the existing genus Asprobacter of almost.

Paeniaspromonas

L. nan adverb *paene*, almost; L. fem. n. *Aspromonas*, An existing genus; *Paeniaspromonas*: A genus related to but distinct from the existing genus Aspromonas of almost.

Paeniasteroleplasma

L. nan adverb *paene*, almost; L. neut. n. *Asteroleplasma*, An existing genus; *Paeniasteroleplasma*: A genus related to but distinct from the existing genus Asteroleplasma of almost.

Paeniasticcacaulis

L. nan adverb *paene*, almost; L. masc. n. *Asticcacaulis*, An existing genus; *Paeniasticcacaulis*: A genus related to but distinct from the existing genus Asticcacaulis of almost.

Paeniathalassotoga

L. nan adverb *paene*, almost; L. fem. n. *Athalassotoga*, An existing genus; *Paeniathalassotoga*: A genus related to but distinct from the existing genus Athalassotoga of almost.

Paeniatlantibacter

L. nan adverb *paene*, almost; L. masc. n. *Atlantibacter*, An existing genus; *Paeniatlantibacter*: A genus related to but distinct from the existing genus Atlantibacter of almost.

Paeniatopobacter

L. nan adverb *paene*, almost; L. masc. n. *Atopobacter*, An existing genus; *Paeniatopobacter*: A genus related to but distinct from the existing genus Atopobacter of almost.

Paeniatopobium

L. nan adverb *paene*, almost; L. neut. n. *Atopobium*, An existing genus; *Paeniatopobium*: A genus related to but distinct from the existing genus Atopobium of almost.

Paeniatopococcus

L. nan adverb *paene*, almost; L. masc. n. *Atopococcus*, An existing genus; *Paeniatopococcus*: A genus related to but distinct from the existing genus Atopococcus of almost.

Paeniatopostipes

L. nan adverb *paene*, almost; L. masc. n. *Atopostipes*, An existing genus; *Paeniatopostipes*: A genus related to but distinct from the existing genus Atopostipes of almost.

Paeniaurantiacicella

L. nan adverb *paene*, almost; L. fem. n. *Aurantiacicella*, An existing genus; *Paeniaurantiacicella*: A genus related to but distinct from the existing genus Aurantiacicella of almost.

Paeniaurantibacter

L. nan adverb *paene*, almost; L. masc. n. *Aurantibacter*, An existing genus; *Paeniaurantibacter*: A genus related to but distinct from the existing genus Aurantibacter of almost.

Paeniaurantimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Aurantimicrobium*, An existing genus; *Paeniaurantimicrobium*: A genus related to but distinct from the existing genus Aurantimicrobium of almost.

Paeniaurantimonas

L. nan adverb *paene*, almost; L. fem. n. *Aurantimonas*, An existing genus; *Paeniaurantimonas*: A genus related to but distinct from the existing genus Aurantimonas of almost.

Paeniaurantisolimonas

L. nan adverb *paene*, almost; L. fem. n. *Aurantisolimonas*, An existing genus; *Paeniaurantisolimonas*: A genus related to but distinct from the existing genus Aurantisolimonas of almost.

Paeniaurantivirga

L. nan adverb *paene*, almost; L. fem. n. *Aurantivirga*, An existing genus; *Paeniaurantivirga*: A genus related to but distinct from the existing genus Aurantivirga of almost.

Paeniauraticoccus

L. nan adverb *paene*, almost; L. masc. n. *Auraticoccus*, An existing genus; *Paeniauraticoccus*: A genus related to but distinct from the existing genus Auraticoccus of almost.

Paeniaureibacillus

L. nan adverb *paene*, almost; L. masc. n. *Aureibacillus*, An existing genus; *Paeniaureibacillus*: A genus related to but distinct from the existing genus Aureibacillus of almost.

Paeniaureibacter

L. nan adverb *paene*, almost; L. masc. n. *Aureibacter*, An existing genus; *Paeniaureibacter*: A genus related to but distinct from the existing genus Aureibacter of almost.

Paeniaureibaculum

L. nan adverb *paene*, almost; L. neut. n. *Aureibaculum*, An existing genus; *Paeniaureibaculum*: A genus related to but distinct from the existing genus Aureibaculum of almost.

Paeniaureicoccus

L. nan adverb *paene*, almost; L. masc. n. *Aureicoccus*, An existing genus; *Paeniaureicoccus*: A genus related to but distinct from the existing genus Aureicoccus of almost.

Paeniaureimonas

L. nan adverb *paene*, almost; L. fem. n. *Aureimonas*, An existing genus; *Paeniaureimonas*: A genus related to but distinct from the existing genus Aureimonas of almost.

Paeniaureisphaera

L. nan adverb *paene*, almost; L. fem. n. *Aureisphaera*, An existing genus; *Paeniaureisphaera*: A genus related to but distinct from the existing genus Aureisphaera of almost.

Paeniaureispira

L. nan adverb *paene*, almost; L. fem. n. *Aureispira*, An existing genus; *Paeniaureispira*: A genus related to but distinct from the existing genus Aureispira of almost.

Paeniaureitalea

L. nan adverb *paene*, almost; L. fem. n. *Aureitalea*, An existing genus; *Paeniaureitalea*: A genus related to but distinct from the existing genus Aureitalea of almost.

Paeniaureivirga

L. nan adverb *paene*, almost; L. fem. n. *Aureivirga*, An existing genus; *Paeniaureivirga*: A genus related to but distinct from the existing genus Aureivirga of almost.

Paeniaureliella

L. nan adverb *paene*, almost; L. fem. dim. n. *Aureliella*, An existing genus; *Paeniaureliella*: A genus related to but distinct from the existing genus Aureliella of almost.

Paeniaureobacterium

L. nan adverb *paene*, almost; L. neut. n. *Aureobacterium*, An existing genus; *Paeniaureobacterium*: A genus related to but distinct from the existing genus Aureobacterium of almost.

Paeniauricoccus

L. nan adverb *paene*, almost; L. masc. n. *Auricoccus*, An existing genus; *Paeniauricoccus*: A genus related to but distinct from the existing genus Auricoccus of almost.

Paeniauritidibacter

L. nan adverb *paene*, almost; L. masc. n. *Auritidibacter*, An existing genus; *Paeniauritidibacter*: A genus related to but distinct from the existing genus Auritidibacter of almost.

Paeniaustwickia

L. nan adverb *paene*, almost; L. fem. n. *Austwickia*, An existing genus; *Paeniaustwickia*: A genus related to but distinct from the existing genus Austwickia of almost.

Paeniavibacterium

L. nan adverb *paene*, almost; L. neut. n. *Avibacterium*, An existing genus; *Paeniavibacterium*: A genus related to but distinct from the existing genus Avibacterium of almost.

Paeniazoarcus

L. nan adverb *paene*, almost; L. masc. n. *Azoarcus*, An existing genus; *Paeniazoarcus*: A genus related to but distinct from the existing genus Azoarcus of almost.

Paeniazohydromonas

L. nan adverb *paene*, almost; L. fem. n. *Azohydromonas*, An existing genus; *Paeniazohydromonas*: A genus related to but distinct from the existing genus Azohydromonas of almost.

Paeniazomonas

L. nan adverb *paene*, almost; L. fem. n. *Azomonas*, An existing genus; *Paeniazomonas*: A genus related to but distinct from the existing genus Azomonas of almost.

Paeniazonexus

L. nan adverb *paene*, almost; L. masc. n. *Azonexus*, An existing genus; *Paeniazonexus*: A genus related to but distinct from the existing genus Azonexus of almost.

Paeniazorhizobium

L. nan adverb *paene*, almost; L. neut. n. *Azorhizobium*, An existing genus; *Paeniazorhizobium*: A genus related to but distinct from the existing genus Azorhizobium of almost.

Paeniazospira

L. nan adverb *paene*, almost; L. fem. n. *Azospira*, An existing genus; *Paeniazospira*: A genus related to but distinct from the existing genus Azospira of almost.

Paeniazospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Azospirillum*, An existing genus; *Paeniazospirillum*: A genus related to but distinct from the existing genus Azospirillum of almost.

Paeniazotobacter

L. nan adverb *paene*, almost; L. masc. n. *Azotobacter*, An existing genus; *Paeniazotobacter*: A genus related to but distinct from the existing genus Azotobacter of almost.

Paeniazovibrio

L. nan adverb *paene*, almost; L. masc. n. *Azovibrio*, An existing genus; *Paeniazovibrio*: A genus related to but distinct from the existing genus Azovibrio of almost.

Paenibacilliculturomica

L. nan adverb *paene*, almost; L. fem. n. *Bacilliculturomica*, An existing genus; *Paenibacilliculturomica*: A genus related to but distinct from the existing genus Bacilliculturomica of almost.

Paenibacteriolyticum

L. nan adverb *paene*, almost; L. neut. n. *Bacteriolyticum*, An existing genus; *Paenibacteriolyticum*: A genus related to but distinct from the existing genus Bacteriolyticum of almost.

Paenibacterionema

L. nan adverb *paene*, almost; L. neut. n. *Bacterionema*, An existing genus; *Paenibacterionema*: A genus related to but distinct from the existing genus Bacterionema of almost.

Paenibacterioplanes

L. nan adverb *paene*, almost; L. masc. n. *Bacterioplanes*, An existing genus; *Paenibacterioplanes*: A genus related to but distinct from the existing genus Bacterioplanes of almost.

Paenibacterioplanoides

L. nan adverb *paene*, almost; L. neut. n. *Bacterioplanoides*, An existing genus; *Paenibacterioplanoides*: A genus related to but distinct from the existing genus Bacterioplanoides of almost.

Paenibacteriovorax

L. nan adverb *paene*, almost; L. masc. n. *Bacteriovorax*, An existing genus; *Paenibacteriovorax*: A genus related to but distinct from the existing genus Bacteriovorax of almost.

Paenibacteroides

L. nan adverb *paene*, almost; L. masc. n. *Bacteroides*, An existing genus; *Paenibacteroides*: A genus related to but distinct from the existing genus Bacteroides of almost.

Paenibaekduia

L. nan adverb *paene*, almost; L. fem. n. *Baekduia*, An existing genus; *Paenibaekduia*: A genus related to but distinct from the existing genus Baekduia of almost.

Paenibaia

L. nan adverb *paene*, almost; L. fem. n. *Baia*, An existing genus; *Paenibaia*: A genus related to but distinct from the existing genus Baia of almost.

Paenibailinhaonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Bailinhaonella*, An existing genus; *Paenibailinhaonella*: A genus related to but distinct from the existing genus Bailinhaonella of almost.

Paenibalnearium

L. nan adverb *paene*, almost; L. neut. n. *Balnearium*, An existing genus; *Paenibalnearium*: A genus related to but distinct from the existing genus Balnearium of almost.

Paenibalneicella

L. nan adverb *paene*, almost; L. fem. n. *Balneicella*, An existing genus; *Paenibalneicella*: A genus related to but distinct from the existing genus Balneicella of almost.

Paenibalneimonas

L. nan adverb *paene*, almost; L. fem. n. *Balneimonas*, An existing genus; *Paenibalneimonas*: A genus related to but distinct from the existing genus Balneimonas of almost.

Paenibarnesiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Barnesiella*, An existing genus; *Paenibarnesiella*: A genus related to but distinct from the existing genus Barnesiella of almost.

Paenibarrientosiimonas

L. nan adverb *paene*, almost; L. fem. n. *Barrientosiimonas*, An existing genus; *Paenibarrientosiimonas*: A genus related to but distinct from the existing genus Barrientosiimonas of almost.

Paenibartonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Bartonella*, An existing genus; *Paenibartonella*: A genus related to but distinct from the existing genus Bartonella of almost.

Paenibasfia

L. nan adverb *paene*, almost; L. fem. n. *Basfia*, An existing genus; *Paenibasfia*: A genus related to but distinct from the existing genus Basfia of almost.

Paenibasilea

L. nan adverb *paene*, almost; L. fem. n. *Basilea*, An existing genus; *Paenibasilea*: A genus related to but distinct from the existing genus Basilea of almost.

Paenibauldia

L. nan adverb *paene*, almost; L. fem. n. *Bauldia*, An existing genus; *Paenibauldia*: A genus related to but distinct from the existing genus Bauldia of almost.

Paenibavariicoccus

L. nan adverb *paene*, almost; L. masc. n. *Bavariicoccus*, An existing genus; *Paenibavariicoccus*: A genus related to but distinct from the existing genus Bavariicoccus of almost.

Paenibdellovibrio

L. nan adverb *paene*, almost; L. masc. n. *Bdellovibrio*, An existing genus; *Paenibdellovibrio*: A genus related to but distinct from the existing genus Bdellovibrio of almost.

Paenibeduinibacterium

L. nan adverb *paene*, almost; L. neut. n. *Beduinibacterium*, An existing genus; *Paenibeduinibacterium*: A genus related to but distinct from the existing genus Beduinibacterium of almost.

Paenibeggiatoa

L. nan adverb *paene*, almost; L. fem. n. *Beggiatoa*, An existing genus; *Paenibeggiatoa*: A genus related to but distinct from the existing genus Beggiatoa of almost.

Paenibeijerinckia

L. nan adverb *paene*, almost; L. fem. n. *Beijerinckia*, An existing genus; *Paenibeijerinckia*: A genus related to but distinct from the existing genus Beijerinckia of almost.

Paenibelliella

L. nan adverb *paene*, almost; L. fem. dim. n. *Belliella*, An existing genus; *Paenibelliella*: A genus related to but distinct from the existing genus Belliella of almost.

Paenibellilinea

L. nan adverb *paene*, almost; L. fem. n. *Bellilinea*, An existing genus; *Paenibellilinea*: A genus related to but distinct from the existing genus Bellilinea of almost.

Paenibelnapia

L. nan adverb *paene*, almost; L. fem. n. *Belnapia*, An existing genus; *Paenibelnapia*: A genus related to but distinct from the existing genus Belnapia of almost.

Paenibeneckea

L. nan adverb *paene*, almost; L. fem. n. *Beneckea*, An existing genus; *Paenibeneckea*: A genus related to but distinct from the existing genus Beneckea of almost.

Paenibergeriella

L. nan adverb *paene*, almost; L. fem. dim. n. *Bergeriella*, An existing genus; *Paenibergeriella*: A genus related to but distinct from the existing genus Bergeriella of almost.

Paenibergeyella

L. nan adverb *paene*, almost; L. fem. dim. n. *Bergeyella*, An existing genus; *Paenibergeyella*: A genus related to but distinct from the existing genus Bergeyella of almost.

Paenibermanella

L. nan adverb *paene*, almost; L. fem. dim. n. *Bermanella*, An existing genus; *Paenibermanella*: A genus related to but distinct from the existing genus Bermanella of almost.

Paenibernardetia

L. nan adverb *paene*, almost; L. fem. n. *Bernardetia*, An existing genus; *Paenibernardetia*: A genus related to but distinct from the existing genus Bernardetia of almost.

Paenibeutenbergia

L. nan adverb *paene*, almost; L. fem. n. *Beutenbergia*, An existing genus; *Paenibeutenbergia*: A genus related to but distinct from the existing genus Beutenbergia of almost.

Paenibhargavaea

L. nan adverb *paene*, almost; L. fem. n. *Bhargavaea*, An existing genus; *Paenibhargavaea*: A genus related to but distinct from the existing genus Bhargavaea of almost.

Paenibibersteinia

L. nan adverb *paene*, almost; L. fem. n. *Bibersteinia*, An existing genus; *Paenibibersteinia*: A genus related to but distinct from the existing genus Bibersteinia of almost.

Paenibifidobacterium

L. nan adverb *paene*, almost; L. neut. n. *Bifidobacterium*, An existing genus; *Paenibifidobacterium*: A genus related to but distinct from the existing genus Bifidobacterium of almost.

Paenibilophila

L. nan adverb *paene*, almost; L. fem. n. *Bilophila*, An existing genus; *Paenibilophila*: A genus related to but distinct from the existing genus Bilophila of almost.

Paenibiomaibacter

L. nan adverb *paene*, almost; L. masc. n. *Biomaibacter*, An existing genus; *Paenibiomaibacter*: A genus related to but distinct from the existing genus Biomaibacter of almost.

Paenibiostraticola

L. nan adverb *paene*, almost; L. masc. n. *Biostraticola*, An existing genus; *Paenibiostraticola*: A genus related to but distinct from the existing genus Biostraticola of almost.

Paenibisgaardia

L. nan adverb *paene*, almost; L. fem. n. *Bisgaardia*, An existing genus; *Paenibisgaardia*: A genus related to but distinct from the existing genus Bisgaardia of almost.

Paenibizionia

L. nan adverb *paene*, almost; L. fem. n. *Bizionia*, An existing genus; *Paenibizionia*: A genus related to but distinct from the existing genus Bizionia of almost.

Paeniblastochloris

L. nan adverb *paene*, almost; L. fem. n. *Blastochloris*, An existing genus; *Paeniblastochloris*: A genus related to but distinct from the existing genus Blastochloris of almost.

Paeniblastococcus

L. nan adverb *paene*, almost; L. masc. n. *Blastococcus*, An existing genus; *Paeniblastococcus*: A genus related to but distinct from the existing genus Blastococcus of almost.

Paeniblastopirellula

L. nan adverb *paene*, almost; L. fem. dim. n. *Blastopirellula*, An existing genus; *Paeniblastopirellula*: A genus related to but distinct from the existing genus Blastopirellula of almost.

Paeniblattabacterium

L. nan adverb *paene*, almost; L. neut. n. *Blattabacterium*, An existing genus; *Paeniblattabacterium*: A genus related to but distinct from the existing genus Blattabacterium of almost.

Paeniblautia

L. nan adverb *paene*, almost; L. fem. n. *Blautia*, An existing genus; *Paeniblautia*: A genus related to but distinct from the existing genus Blautia of almost.

Paenibogoriella

L. nan adverb *paene*, almost; L. fem. dim. n. *Bogoriella*, An existing genus; *Paenibogoriella*: A genus related to but distinct from the existing genus Bogoriella of almost.

Paenibombella

L. nan adverb *paene*, almost; L. fem. dim. n. *Bombella*, An existing genus; *Paenibombella*: A genus related to but distinct from the existing genus Bombella of almost.

Paenibombilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Bombilactobacillus*, An existing genus; *Paenibombilactobacillus*: A genus related to but distinct from the existing genus Bombilactobacillus of almost.

Paenibombiscardovia

L. nan adverb *paene*, almost; L. fem. n. *Bombiscardovia*, An existing genus; *Paenibombiscardovia*: A genus related to but distinct from the existing genus Bombiscardovia of almost.

Paenibordetella

L. nan adverb *paene*, almost; L. fem. dim. n. *Bordetella*, An existing genus; *Paenibordetella*: A genus related to but distinct from the existing genus Bordetella of almost.

Paeniborrelia

L. nan adverb *paene*, almost; L. fem. n. *Borrelia*, An existing genus; *Paeniborrelia*: A genus related to but distinct from the existing genus Borrelia of almost.

Paeniborreliella

L. nan adverb *paene*, almost; L. fem. dim. n. *Borreliella*, An existing genus; *Paeniborreliella*: A genus related to but distinct from the existing genus Borreliella of almost.

Paenibosea

L. nan adverb *paene*, almost; L. fem. n. *Bosea*, An existing genus; *Paenibosea*: A genus related to but distinct from the existing genus Bosea of almost.

Paeniboseongicola

L. nan adverb *paene*, almost; L. masc. n. *Boseongicola*, An existing genus; *Paeniboseongicola*: A genus related to but distinct from the existing genus Boseongicola of almost.

Paenibotryobacter

L. nan adverb *paene*, almost; L. masc. n. *Botryobacter*, An existing genus; *Paenibotryobacter*: A genus related to but distinct from the existing genus Botryobacter of almost.

Paeniboudabousia

L. nan adverb *paene*, almost; L. fem. n. *Boudabousia*, An existing genus; *Paeniboudabousia*: A genus related to but distinct from the existing genus Boudabousia of almost.

Paenibounagaea

L. nan adverb *paene*, almost; L. fem. n. *Bounagaea*, An existing genus; *Paenibounagaea*: A genus related to but distinct from the existing genus Bounagaea of almost.

Paenibowmanella

L. nan adverb *paene*, almost; L. fem. dim. n. *Bowmanella*, An existing genus; *Paenibowmanella*: A genus related to but distinct from the existing genus Bowmanella of almost.

Paenibrachyspira

L. nan adverb *paene*, almost; L. fem. n. *Brachyspira*, An existing genus; *Paenibrachyspira*: A genus related to but distinct from the existing genus Brachyspira of almost.

Paenibradyrhizobium

L. nan adverb *paene*, almost; L. neut. n. *Bradyrhizobium*, An existing genus; *Paenibradyrhizobium*: A genus related to but distinct from the existing genus Bradyrhizobium of almost.

Paenibranchiibius

L. nan adverb *paene*, almost; L. masc. n. *Branchiibius*, An existing genus; *Paenibranchiibius*: A genus related to but distinct from the existing genus Branchiibius of almost.

Paenibranhamella

L. nan adverb *paene*, almost; L. fem. dim. n. *Branhamella*, An existing genus; *Paenibranhamella*: A genus related to but distinct from the existing genus Branhamella of almost.

Paenibrassicibacter

L. nan adverb *paene*, almost; L. masc. n. *Brassicibacter*, An existing genus; *Paenibrassicibacter*: A genus related to but distinct from the existing genus Brassicibacter of almost.

Paenibremerella

L. nan adverb *paene*, almost; L. fem. dim. n. *Bremerella*, An existing genus; *Paenibremerella*: A genus related to but distinct from the existing genus Bremerella of almost.

Paenibrenneria

L. nan adverb *paene*, almost; L. fem. n. *Brenneria*, An existing genus; *Paenibrenneria*: A genus related to but distinct from the existing genus Brenneria of almost.

Paenibreoghania

L. nan adverb *paene*, almost; L. fem. n. *Breoghania*, An existing genus; *Paenibreoghania*: A genus related to but distinct from the existing genus Breoghania of almost.

Paenibrevifollis

L. nan adverb *paene*, almost; L. masc. n. *Brevifollis*, An existing genus; *Paenibrevifollis*: A genus related to but distinct from the existing genus Brevifollis of almost.

Paenibrevilactibacter

L. nan adverb *paene*, almost; L. masc. n. *Brevilactibacter*, An existing genus; *Paenibrevilactibacter*: A genus related to but distinct from the existing genus Brevilactibacter of almost.

Paenibrevinema

L. nan adverb *paene*, almost; L. neut. n. *Brevinema*, An existing genus; *Paenibrevinema*: A genus related to but distinct from the existing genus Brevinema of almost.

Paenibrevirhabdus

L. nan adverb *paene*, almost; L. fem. n. *Brevirhabdus*, An existing genus; *Paenibrevirhabdus*: A genus related to but distinct from the existing genus Brevirhabdus of almost.

Paenibrevundimonas

L. nan adverb *paene*, almost; L. fem. n. *Brevundimonas*, An existing genus; *Paenibrevundimonas*: A genus related to but distinct from the existing genus Brevundimonas of almost.

Paenibreznakia

L. nan adverb *paene*, almost; L. fem. n. *Breznakia*, An existing genus; *Paenibreznakia*: A genus related to but distinct from the existing genus Breznakia of almost.

Paenibreznakibacter

L. nan adverb *paene*, almost; L. masc. n. *Breznakibacter*, An existing genus; *Paenibreznakibacter*: A genus related to but distinct from the existing genus Breznakibacter of almost.

Paenibrochothrix

L. nan adverb *paene*, almost; L. fem. n. *Brochothrix*, An existing genus; *Paenibrochothrix*: A genus related to but distinct from the existing genus Brochothrix of almost.

Paenibrockia

L. nan adverb *paene*, almost; L. fem. n. *Brockia*, An existing genus; *Paenibrockia*: A genus related to but distinct from the existing genus Brockia of almost.

Paenibrooklawnia

L. nan adverb *paene*, almost; L. fem. n. *Brooklawnia*, An existing genus; *Paenibrooklawnia*: A genus related to but distinct from the existing genus Brooklawnia of almost.

Paenibrucella

L. nan adverb *paene*, almost; L. fem. dim. n. *Brucella*, An existing genus; *Paenibrucella*: A genus related to but distinct from the existing genus Brucella of almost.

Paenibrumimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Brumimicrobium*, An existing genus; *Paenibrumimicrobium*: A genus related to but distinct from the existing genus Brumimicrobium of almost.

Paenibryantella

L. nan adverb *paene*, almost; L. fem. dim. n. *Bryantella*, An existing genus; *Paenibryantella*: A genus related to but distinct from the existing genus Bryantella of almost.

Paenibryobacter

L. nan adverb *paene*, almost; L. masc. n. *Bryobacter*, An existing genus; *Paenibryobacter*: A genus related to but distinct from the existing genus Bryobacter of almost.

Paenibryocella

L. nan adverb *paene*, almost; L. fem. n. *Bryocella*, An existing genus; *Paenibryocella*: A genus related to but distinct from the existing genus Bryocella of almost.

Paenibuchananella

L. nan adverb *paene*, almost; L. fem. dim. n. *Buchananella*, An existing genus; *Paenibuchananella*: A genus related to but distinct from the existing genus Buchananella of almost.

Paenibuchnera

L. nan adverb *paene*, almost; L. fem. n. *Buchnera*, An existing genus; *Paenibuchnera*: A genus related to but distinct from the existing genus Buchnera of almost.

Paenibudvicia

L. nan adverb *paene*, almost; L. fem. n. *Budvicia*, An existing genus; *Paenibudvicia*: A genus related to but distinct from the existing genus Budvicia of almost.

Paenibulleidia

L. nan adverb *paene*, almost; L. fem. n. *Bulleidia*, An existing genus; *Paenibulleidia*: A genus related to but distinct from the existing genus Bulleidia of almost.

Paeniburkholderia

L. nan adverb *paene*, almost; L. fem. n. *Burkholderia*, An existing genus; *Paeniburkholderia*: A genus related to but distinct from the existing genus Burkholderia of almost.

Paenibuttiauxella

L. nan adverb *paene*, almost; L. fem. dim. n. *Buttiauxella*, An existing genus; *Paenibuttiauxella*: A genus related to but distinct from the existing genus Buttiauxella of almost.

Paenibutyratibacter

L. nan adverb *paene*, almost; L. masc. n. *Butyratibacter*, An existing genus; *Paenibutyratibacter*: A genus related to but distinct from the existing genus Butyratibacter of almost.

Paenibutyricicoccus

L. nan adverb *paene*, almost; L. masc. n. *Butyricicoccus*, An existing genus; *Paenibutyricicoccus*: A genus related to but distinct from the existing genus Butyricicoccus of almost.

Paenibutyrivibrio

L. nan adverb *paene*, almost; L. masc. n. *Butyrivibrio*, An existing genus; *Paenibutyrivibrio*: A genus related to but distinct from the existing genus Butyrivibrio of almost.

Paenibyssophaga

L. nan adverb *paene*, almost; L. fem. n. *Byssophaga*, An existing genus; *Paenibyssophaga*: A genus related to but distinct from the existing genus Byssophaga of almost.

Paenibyssovorax

L. nan adverb *paene*, almost; L. fem. n. *Byssovorax*, An existing genus; *Paenibyssovorax*: A genus related to but distinct from the existing genus Byssovorax of almost.

Paenibythopirellula

L. nan adverb *paene*, almost; L. fem. dim. n. *Bythopirellula*, An existing genus; *Paenibythopirellula*: A genus related to but distinct from the existing genus Bythopirellula of almost.

Paenicaballeronia

L. nan adverb *paene*, almost; L. fem. n. *Caballeronia*, An existing genus; *Paenicaballeronia*: A genus related to but distinct from the existing genus Caballeronia of almost.

Paenicaecibacterium

L. nan adverb *paene*, almost; L. neut. n. *Caecibacterium*, An existing genus; *Paenicaecibacterium*: A genus related to but distinct from the existing genus Caecibacterium of almost.

Paenicaedibacter

L. nan adverb *paene*, almost; L. masc. n. *Caedibacter*, An existing genus; *Paenicaedibacter*: A genus related to but distinct from the existing genus Caedibacter of almost.

Paenicaedimonas

L. nan adverb *paene*, almost; L. fem. n. *Caedimonas*, An existing genus; *Paenicaedimonas*: A genus related to but distinct from the existing genus Caedimonas of almost.

Paenicaenibacillus

L. nan adverb *paene*, almost; L. masc. n. *Caenibacillus*, An existing genus; *Paenicaenibacillus*: A genus related to but distinct from the existing genus Caenibacillus of almost.

Paenicaenibacterium

L. nan adverb *paene*, almost; L. neut. n. *Caenibacterium*, An existing genus; *Paenicaenibacterium*: A genus related to but distinct from the existing genus Caenibacterium of almost.

Paenicaenimonas

L. nan adverb *paene*, almost; L. fem. n. *Caenimonas*, An existing genus; *Paenicaenimonas*: A genus related to but distinct from the existing genus Caenimonas of almost.

Paenicaenispirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Caenispirillum*, An existing genus; *Paenicaenispirillum*: A genus related to but distinct from the existing genus Caenispirillum of almost.

Paenicalculibacillus

L. nan adverb *paene*, almost; L. masc. n. *Calculibacillus*, An existing genus; *Paenicalculibacillus*: A genus related to but distinct from the existing genus Calculibacillus of almost.

Paenicaldalkalibacillus

L. nan adverb *paene*, almost; L. masc. n. *Caldalkalibacillus*, An existing genus; *Paenicaldalkalibacillus*: A genus related to but distinct from the existing genus Caldalkalibacillus of almost.

Paenicaldanaerobacter

L. nan adverb *paene*, almost; L. masc. n. *Caldanaerobacter*, An existing genus; *Paenicaldanaerobacter*: A genus related to but distinct from the existing genus Caldanaerobacter of almost.

Paenicaldanaerobius

L. nan adverb *paene*, almost; L. masc. n. *Caldanaerobius*, An existing genus; *Paenicaldanaerobius*: A genus related to but distinct from the existing genus Caldanaerobius of almost.

Paenicaldanaerovirga

L. nan adverb *paene*, almost; L. fem. n. *Caldanaerovirga*, An existing genus; *Paenicaldanaerovirga*: A genus related to but distinct from the existing genus Caldanaerovirga of almost.

Paenicalderihabitans

L. nan adverb *paene*, almost; L. masc. n. *Calderihabitans*, An existing genus; *Paenicalderihabitans*: A genus related to but distinct from the existing genus Calderihabitans of almost.

Paenicalderobacterium

L. nan adverb *paene*, almost; L. neut. n. *Calderobacterium*, An existing genus; *Paenicalderobacterium*: A genus related to but distinct from the existing genus Calderobacterium of almost.

Paenicaldibacillus

L. nan adverb *paene*, almost; L. masc. n. *Caldibacillus*, An existing genus; *Paenicaldibacillus*: A genus related to but distinct from the existing genus Caldibacillus of almost.

Paenicaldicellulosiruptor

L. nan adverb *paene*, almost; L. masc. n. *Caldicellulosiruptor*, An existing genus; *Paenicaldicellulosiruptor*: A genus related to but distinct from the existing genus Caldicellulosiruptor of almost.

Paenicaldicoprobacter

L. nan adverb *paene*, almost; L. masc. n. *Caldicoprobacter*, An existing genus; *Paenicaldicoprobacter*: A genus related to but distinct from the existing genus Caldicoprobacter of almost.

Paenicaldilinea

L. nan adverb *paene*, almost; L. fem. n. *Caldilinea*, An existing genus; *Paenicaldilinea*: A genus related to but distinct from the existing genus Caldilinea of almost.

Paenicaldimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Caldimicrobium*, An existing genus; *Paenicaldimicrobium*: A genus related to but distinct from the existing genus Caldimicrobium of almost.

Paenicaldimonas

L. nan adverb *paene*, almost; L. fem. n. *Caldimonas*, An existing genus; *Paenicaldimonas*: A genus related to but distinct from the existing genus Caldimonas of almost.

Paenicaldinitratiruptor

L. nan adverb *paene*, almost; L. masc. n. *Caldinitratiruptor*, An existing genus; *Paenicaldinitratiruptor*: A genus related to but distinct from the existing genus Caldinitratiruptor of almost.

Paenicaldisalinibacter

L. nan adverb *paene*, almost; L. masc. n. *Caldisalinibacter*, An existing genus; *Paenicaldisalinibacter*: A genus related to but distinct from the existing genus Caldisalinibacter of almost.

Paenicaldisericum

L. nan adverb *paene*, almost; L. neut. n. *Caldisericum*, An existing genus; *Paenicaldisericum*: A genus related to but distinct from the existing genus Caldisericum of almost.

Paenicaldisphaera

L. nan adverb *paene*, almost; L. fem. n. *Caldisphaera*, An existing genus; *Paenicaldisphaera*: A genus related to but distinct from the existing genus Caldisphaera of almost.

Paenicalditerricola

L. nan adverb *paene*, almost; L. masc. n. *Calditerricola*, An existing genus; *Paenicalditerricola*: A genus related to but distinct from the existing genus Calditerricola of almost.

Paenicalditerrivibrio

L. nan adverb *paene*, almost; L. masc. n. *Calditerrivibrio*, An existing genus; *Paenicalditerrivibrio*: A genus related to but distinct from the existing genus Calditerrivibrio of almost.

Paenicaldithrix

L. nan adverb *paene*, almost; L. fem. n. *Caldithrix*, An existing genus; *Paenicaldithrix*: A genus related to but distinct from the existing genus Caldithrix of almost.

Paenicaldovatus

L. nan adverb *paene*, almost; L. masc. n. *Caldovatus*, An existing genus; *Paenicaldovatus*: A genus related to but distinct from the existing genus Caldovatus of almost.

Paenicalenema

L. nan adverb *paene*, almost; L. neut. n. *Calenema*, An existing genus; *Paenicalenema*: A genus related to but distinct from the existing genus Calenema of almost.

Paenicalidifontibacter

L. nan adverb *paene*, almost; L. masc. n. *Calidifontibacter*, An existing genus; *Paenicalidifontibacter*: A genus related to but distinct from the existing genus Calidifontibacter of almost.

Paenicalidifontimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Calidifontimicrobium*, An existing genus; *Paenicalidifontimicrobium*: A genus related to but distinct from the existing genus Calidifontimicrobium of almost.

Paenicalidithermus

L. nan adverb *paene*, almost; L. masc. n. *Calidithermus*, An existing genus; *Paenicalidithermus*: A genus related to but distinct from the existing genus Calidithermus of almost.

Paenicalochaete

L. nan adverb *paene*, almost; L. fem. n. *Calochaete*, An existing genus; *Paenicalochaete*: A genus related to but distinct from the existing genus Calochaete of almost.

Paenicaloramator

L. nan adverb *paene*, almost; L. masc. n. *Caloramator*, An existing genus; *Paenicaloramator*: A genus related to but distinct from the existing genus Caloramator of almost.

Paenicaloranaerobacter

L. nan adverb *paene*, almost; L. masc. n. *Caloranaerobacter*, An existing genus; *Paenicaloranaerobacter*: A genus related to but distinct from the existing genus Caloranaerobacter of almost.

Paenicaloribacterium

L. nan adverb *paene*, almost; L. neut. n. *Caloribacterium*, An existing genus; *Paenicaloribacterium*: A genus related to but distinct from the existing genus Caloribacterium of almost.

Paenicalorimonas

L. nan adverb *paene*, almost; L. fem. n. *Calorimonas*, An existing genus; *Paenicalorimonas*: A genus related to but distinct from the existing genus Calorimonas of almost.

Paenicalorithrix

L. nan adverb *paene*, almost; L. fem. n. *Calorithrix*, An existing genus; *Paenicalorithrix*: A genus related to but distinct from the existing genus Calorithrix of almost.

Paenicalothrix

L. nan adverb *paene*, almost; L. fem. n. *Calothrix*, An existing genus; *Paenicalothrix*: A genus related to but distinct from the existing genus Calothrix of almost.

Paenicalymmatobacterium

L. nan adverb *paene*, almost; L. neut. n. *Calymmatobacterium*, An existing genus; *Paenicalymmatobacterium*: A genus related to but distinct from the existing genus Calymmatobacterium of almost.

Paenicamelimonas

L. nan adverb *paene*, almost; L. fem. n. *Camelimonas*, An existing genus; *Paenicamelimonas*: A genus related to but distinct from the existing genus Camelimonas of almost.

Paenicamelliibacillus

L. nan adverb *paene*, almost; L. masc. n. *Camelliibacillus*, An existing genus; *Paenicamelliibacillus*: A genus related to but distinct from the existing genus Camelliibacillus of almost.

Paenicaminibacter

L. nan adverb *paene*, almost; L. masc. n. *Caminibacter*, An existing genus; *Paenicaminibacter*: A genus related to but distinct from the existing genus Caminibacter of almost.

Paenicaminicella

L. nan adverb *paene*, almost; L. fem. n. *Caminicella*, An existing genus; *Paenicaminicella*: A genus related to but distinct from the existing genus Caminicella of almost.

Paenicampylobacter

L. nan adverb *paene*, almost; L. masc. n. *Campylobacter*, An existing genus; *Paenicampylobacter*: A genus related to but distinct from the existing genus Campylobacter of almost.

Paenicanaleparolina

L. nan adverb *paene*, almost; L. fem. n. *Canaleparolina*, An existing genus; *Paenicanaleparolina*: A genus related to but distinct from the existing genus Canaleparolina of almost.

Paenicandidimonas

L. nan adverb *paene*, almost; L. fem. n. *Candidimonas*, An existing genus; *Paenicandidimonas*: A genus related to but distinct from the existing genus Candidimonas of almost.

Paenicanibacter

L. nan adverb *paene*, almost; L. masc. n. *Canibacter*, An existing genus; *Paenicanibacter*: A genus related to but distinct from the existing genus Canibacter of almost.

Paenicapillus

L. nan adverb *paene*, almost; L. masc. n. *Capillus*, An existing genus; *Paenicapillus*: A genus related to but distinct from the existing genus Capillus of almost.

Paenicapnocytophaga

L. nan adverb *paene*, almost; L. fem. n. *Capnocytophaga*, An existing genus; *Paenicapnocytophaga*: A genus related to but distinct from the existing genus Capnocytophaga of almost.

Paenicaproicibacter

L. nan adverb *paene*, almost; L. masc. n. *Caproicibacter*, An existing genus; *Paenicaproicibacter*: A genus related to but distinct from the existing genus Caproicibacter of almost.

Paenicaproiciproducens

L. nan adverb *paene*, almost; L. masc. n. *Caproiciproducens*, An existing genus; *Paenicaproiciproducens*: A genus related to but distinct from the existing genus Caproiciproducens of almost.

Paenicapsularis

L. nan adverb *paene*, almost; L. masc. n. *Capsularis*, An existing genus; *Paenicapsularis*: A genus related to but distinct from the existing genus Capsularis of almost.

Paenicapsulimonas

L. nan adverb *paene*, almost; L. fem. n. *Capsulimonas*, An existing genus; *Paenicapsulimonas*: A genus related to but distinct from the existing genus Capsulimonas of almost.

Paenicarbophilus

L. nan adverb *paene*, almost; L. masc. n. *Carbophilus*, An existing genus; *Paenicarbophilus*: A genus related to but distinct from the existing genus Carbophilus of almost.

Paenicarboxydocella

L. nan adverb *paene*, almost; L. fem. n. *Carboxydocella*, An existing genus; *Paenicarboxydocella*: A genus related to but distinct from the existing genus Carboxydocella of almost.

Paenicarboxydothermus

L. nan adverb *paene*, almost; L. masc. n. *Carboxydothermus*, An existing genus; *Paenicarboxydothermus*: A genus related to but distinct from the existing genus Carboxydothermus of almost.

Paenicardiobacterium

L. nan adverb *paene*, almost; L. neut. n. *Cardiobacterium*, An existing genus; *Paenicardiobacterium*: A genus related to but distinct from the existing genus Cardiobacterium of almost.

Paenicarideicomes

L. nan adverb *paene*, almost; L. masc. n. *Carideicomes*, An existing genus; *Paenicarideicomes*: A genus related to but distinct from the existing genus Carideicomes of almost.

Paenicarnimonas

L. nan adverb *paene*, almost; L. fem. n. *Carnimonas*, An existing genus; *Paenicarnimonas*: A genus related to but distinct from the existing genus Carnimonas of almost.

Paenicarnobacterium

L. nan adverb *paene*, almost; L. neut. n. *Carnobacterium*, An existing genus; *Paenicarnobacterium*: A genus related to but distinct from the existing genus Carnobacterium of almost.

Paenicartusia

L. nan adverb *paene*, almost; L. fem. n. *Cartusia*, An existing genus; *Paenicartusia*: A genus related to but distinct from the existing genus Cartusia of almost.

Paenicaryophanon

L. nan adverb *paene*, almost; L. neut. n. *Caryophanon*, An existing genus; *Paenicaryophanon*: A genus related to but distinct from the existing genus Caryophanon of almost.

Paenicaseobacter

L. nan adverb *paene*, almost; L. masc. n. *Caseobacter*, An existing genus; *Paenicaseobacter*: A genus related to but distinct from the existing genus Caseobacter of almost.

Paenicasimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Casimicrobium*, An existing genus; *Paenicasimicrobium*: A genus related to but distinct from the existing genus Casimicrobium of almost.

Paenicastellaniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Castellaniella*, An existing genus; *Paenicastellaniella*: A genus related to but distinct from the existing genus Castellaniella of almost.

Paenicatabacter

L. nan adverb *paene*, almost; L. masc. n. *Catabacter*, An existing genus; *Paenicatabacter*: A genus related to but distinct from the existing genus Catabacter of almost.

Paenicatalinimonas

L. nan adverb *paene*, almost; L. fem. n. *Catalinimonas*, An existing genus; *Paenicatalinimonas*: A genus related to but distinct from the existing genus Catalinimonas of almost.

Paenicatellatospora

L. nan adverb *paene*, almost; L. fem. n. *Catellatospora*, An existing genus; *Paenicatellatospora*: A genus related to but distinct from the existing genus Catellatospora of almost.

Paenicatellibacterium

L. nan adverb *paene*, almost; L. neut. n. *Catellibacterium*, An existing genus; *Paenicatellibacterium*: A genus related to but distinct from the existing genus Catellibacterium of almost.

Paenicatellicoccus

L. nan adverb *paene*, almost; L. masc. n. *Catellicoccus*, An existing genus; *Paenicatellicoccus*: A genus related to but distinct from the existing genus Catellicoccus of almost.

Paenicatelliglobosispora

L. nan adverb *paene*, almost; L. fem. n. *Catelliglobosispora*, An existing genus; *Paenicatelliglobosispora*: A genus related to but distinct from the existing genus Catelliglobosispora of almost.

Paenicatenibacillus

L. nan adverb *paene*, almost; L. masc. n. *Catenibacillus*, An existing genus; *Paenicatenibacillus*: A genus related to but distinct from the existing genus Catenibacillus of almost.

Paenicatenibacterium

L. nan adverb *paene*, almost; L. neut. n. *Catenibacterium*, An existing genus; *Paenicatenibacterium*: A genus related to but distinct from the existing genus Catenibacterium of almost.

Paenicatenisphaera

L. nan adverb *paene*, almost; L. fem. n. *Catenisphaera*, An existing genus; *Paenicatenisphaera*: A genus related to but distinct from the existing genus Catenisphaera of almost.

Paenicatenococcus

L. nan adverb *paene*, almost; L. masc. n. *Catenococcus*, An existing genus; *Paenicatenococcus*: A genus related to but distinct from the existing genus Catenococcus of almost.

Paenicatenovulum

L. nan adverb *paene*, almost; L. neut. n. *Catenovulum*, An existing genus; *Paenicatenovulum*: A genus related to but distinct from the existing genus Catenovulum of almost.

Paenicatenulispora

L. nan adverb *paene*, almost; L. fem. n. *Catenulispora*, An existing genus; *Paenicatenulispora*: A genus related to but distinct from the existing genus Catenulispora of almost.

Paenicatenuloplanes

L. nan adverb *paene*, almost; L. masc. n. *Catenuloplanes*, An existing genus; *Paenicatenuloplanes*: A genus related to but distinct from the existing genus Catenuloplanes of almost.

Paenicatonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Catonella*, An existing genus; *Paenicatonella*: A genus related to but distinct from the existing genus Catonella of almost.

Paenicaulifigura

L. nan adverb *paene*, almost; L. fem. n. *Caulifigura*, An existing genus; *Paenicaulifigura*: A genus related to but distinct from the existing genus Caulifigura of almost.

Paenicaulobacter

L. nan adverb *paene*, almost; L. masc. n. *Caulobacter*, An existing genus; *Paenicaulobacter*: A genus related to but distinct from the existing genus Caulobacter of almost.

Paenicavicella

L. nan adverb *paene*, almost; L. fem. n. *Cavicella*, An existing genus; *Paenicavicella*: A genus related to but distinct from the existing genus Cavicella of almost.

Paenicaviibacter

L. nan adverb *paene*, almost; L. masc. n. *Caviibacter*, An existing genus; *Paenicaviibacter*: A genus related to but distinct from the existing genus Caviibacter of almost.

Paenicaviibacterium

L. nan adverb *paene*, almost; L. neut. n. *Caviibacterium*, An existing genus; *Paenicaviibacterium*: A genus related to but distinct from the existing genus Caviibacterium of almost.

Paenicecembia

L. nan adverb *paene*, almost; L. fem. n. *Cecembia*, An existing genus; *Paenicecembia*: A genus related to but distinct from the existing genus Cecembia of almost.

Paenicedecea

L. nan adverb *paene*, almost; L. fem. n. *Cedecea*, An existing genus; *Paenicedecea*: A genus related to but distinct from the existing genus Cedecea of almost.

Paenicelerinatantimonas

L. nan adverb *paene*, almost; L. fem. n. *Celerinatantimonas*, An existing genus; *Paenicelerinatantimonas*: A genus related to but distinct from the existing genus Celerinatantimonas of almost.

Paenicellulomonas

L. nan adverb *paene*, almost; L. fem. n. *Cellulomonas*, An existing genus; *Paenicellulomonas*: A genus related to but distinct from the existing genus Cellulomonas of almost.

Paenicellulophaga

L. nan adverb *paene*, almost; L. fem. n. *Cellulophaga*, An existing genus; *Paenicellulophaga*: A genus related to but distinct from the existing genus Cellulophaga of almost.

Paenicellulosibacter

L. nan adverb *paene*, almost; L. masc. n. *Cellulosibacter*, An existing genus; *Paenicellulosibacter*: A genus related to but distinct from the existing genus Cellulosibacter of almost.

Paenicellulosilyticum

L. nan adverb *paene*, almost; L. neut. n. *Cellulosilyticum*, An existing genus; *Paenicellulosilyticum*: A genus related to but distinct from the existing genus Cellulosilyticum of almost.

Paenicellulosimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Cellulosimicrobium*, An existing genus; *Paenicellulosimicrobium*: A genus related to but distinct from the existing genus Cellulosimicrobium of almost.

Paenicellvibrio

L. nan adverb *paene*, almost; L. masc. n. *Cellvibrio*, An existing genus; *Paenicellvibrio*: A genus related to but distinct from the existing genus Cellvibrio of almost.

Paenicenarchaeum

L. nan adverb *paene*, almost; L. neut. n. *Cenarchaeum*, An existing genus; *Paenicenarchaeum*: A genus related to but distinct from the existing genus Cenarchaeum of almost.

Paenicephalothrix

L. nan adverb *paene*, almost; L. fem. n. *Cephalothrix*, An existing genus; *Paenicephalothrix*: A genus related to but distinct from the existing genus Cephalothrix of almost.

Paenicephaloticoccus

L. nan adverb *paene*, almost; L. masc. n. *Cephaloticoccus*, An existing genus; *Paenicephaloticoccus*: A genus related to but distinct from the existing genus Cephaloticoccus of almost.

Paenicerasibacillus

L. nan adverb *paene*, almost; L. masc. n. *Cerasibacillus*, An existing genus; *Paenicerasibacillus*: A genus related to but distinct from the existing genus Cerasibacillus of almost.

Paenicerasicoccus

L. nan adverb *paene*, almost; L. masc. n. *Cerasicoccus*, An existing genus; *Paenicerasicoccus*: A genus related to but distinct from the existing genus Cerasicoccus of almost.

Paenicereibacter

L. nan adverb *paene*, almost; L. masc. n. *Cereibacter*, An existing genus; *Paenicereibacter*: A genus related to but distinct from the existing genus Cereibacter of almost.

Paenicesiribacter

L. nan adverb *paene*, almost; L. masc. n. *Cesiribacter*, An existing genus; *Paenicesiribacter*: A genus related to but distinct from the existing genus Cesiribacter of almost.

Paenicetobacterium

L. nan adverb *paene*, almost; L. neut. n. *Cetobacterium*, An existing genus; *Paenicetobacterium*: A genus related to but distinct from the existing genus Cetobacterium of almost.

Paenichachezhania

L. nan adverb *paene*, almost; L. fem. n. *Chachezhania*, An existing genus; *Paenichachezhania*: A genus related to but distinct from the existing genus Chachezhania of almost.

Paenichainia

L. nan adverb *paene*, almost; L. fem. n. *Chainia*, An existing genus; *Paenichainia*: A genus related to but distinct from the existing genus Chainia of almost.

Paenichakia

L. nan adverb *paene*, almost; L. fem. n. *Chakia*, An existing genus; *Paenichakia*: A genus related to but distinct from the existing genus Chakia of almost.

Paenichakrabartia

L. nan adverb *paene*, almost; L. fem. n. *Chakrabartia*, An existing genus; *Paenichakrabartia*: A genus related to but distinct from the existing genus Chakrabartia of almost.

Paenichalicogloea

L. nan adverb *paene*, almost; L. fem. n. *Chalicogloea*, An existing genus; *Paenichalicogloea*: A genus related to but distinct from the existing genus Chalicogloea of almost.

Paenichamaethrix

L. nan adverb *paene*, almost; L. fem. n. *Chamaethrix*, An existing genus; *Paenichamaethrix*: A genus related to but distinct from the existing genus Chamaethrix of almost.

Paenichangchengzhania

L. nan adverb *paene*, almost; L. fem. n. *Changchengzhania*, An existing genus; *Paenichangchengzhania*: A genus related to but distinct from the existing genus Changchengzhania of almost.

Paenichania

L. nan adverb *paene*, almost; L. fem. n. *Chania*, An existing genus; *Paenichania*: A genus related to but distinct from the existing genus Chania of almost.

Paenicharonomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Charonomicrobium*, An existing genus; *Paenicharonomicrobium*: A genus related to but distinct from the existing genus Charonomicrobium of almost.

Paenichelativorans

L. nan adverb *paene*, almost; L. masc. n. *Chelativorans*, An existing genus; *Paenichelativorans*: A genus related to but distinct from the existing genus Chelativorans of almost.

Paenichelatobacter

L. nan adverb *paene*, almost; L. masc. n. *Chelatobacter*, An existing genus; *Paenichelatobacter*: A genus related to but distinct from the existing genus Chelatobacter of almost.

Paenichelatococcus

L. nan adverb *paene*, almost; L. masc. n. *Chelatococcus*, An existing genus; *Paenichelatococcus*: A genus related to but distinct from the existing genus Chelatococcus of almost.

Paenichelonobacter

L. nan adverb *paene*, almost; L. masc. n. *Chelonobacter*, An existing genus; *Paenichelonobacter*: A genus related to but distinct from the existing genus Chelonobacter of almost.

Paenichenggangzhangella

L. nan adverb *paene*, almost; L. fem. dim. n. *Chenggangzhangella*, An existing genus; *Paenichenggangzhangella*: A genus related to but distinct from the existing genus Chenggangzhangella of almost.

Paenichengkuizengella

L. nan adverb *paene*, almost; L. fem. dim. n. *Chengkuizengella*, An existing genus; *Paenichengkuizengella*: A genus related to but distinct from the existing genus Chengkuizengella of almost.

Paenichiayiivirga

L. nan adverb *paene*, almost; L. fem. n. *Chiayiivirga*, An existing genus; *Paenichiayiivirga*: A genus related to but distinct from the existing genus Chiayiivirga of almost.

Paenichimaereicella

L. nan adverb *paene*, almost; L. fem. n. *Chimaereicella*, An existing genus; *Paenichimaereicella*: A genus related to but distinct from the existing genus Chimaereicella of almost.

Paenichimaeribacter

L. nan adverb *paene*, almost; L. masc. n. *Chimaeribacter*, An existing genus; *Paenichimaeribacter*: A genus related to but distinct from the existing genus Chimaeribacter of almost.

Paenichishuiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Chishuiella*, An existing genus; *Paenichishuiella*: A genus related to but distinct from the existing genus Chishuiella of almost.

Paenichitinasiproducens

L. nan adverb *paene*, almost; L. masc. n. *Chitinasiproducens*, An existing genus; *Paenichitinasiproducens*: A genus related to but distinct from the existing genus Chitinasiproducens of almost.

Paenichitinibacter

L. nan adverb *paene*, almost; L. masc. n. *Chitinibacter*, An existing genus; *Paenichitinibacter*: A genus related to but distinct from the existing genus Chitinibacter of almost.

Paenichitinilyticum

L. nan adverb *paene*, almost; L. neut. n. *Chitinilyticum*, An existing genus; *Paenichitinilyticum*: A genus related to but distinct from the existing genus Chitinilyticum of almost.

Paenichitiniphilus

L. nan adverb *paene*, almost; L. masc. n. *Chitiniphilus*, An existing genus; *Paenichitiniphilus*: A genus related to but distinct from the existing genus Chitiniphilus of almost.

Paenichitinispirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Chitinispirillum*, An existing genus; *Paenichitinispirillum*: A genus related to but distinct from the existing genus Chitinispirillum of almost.

Paenichitinivibrio

L. nan adverb *paene*, almost; L. masc. n. *Chitinivibrio*, An existing genus; *Paenichitinivibrio*: A genus related to but distinct from the existing genus Chitinivibrio of almost.

Paenichitinivorax

L. nan adverb *paene*, almost; L. masc. n. *Chitinivorax*, An existing genus; *Paenichitinivorax*: A genus related to but distinct from the existing genus Chitinivorax of almost.

Paenichitinolyticbacter

L. nan adverb *paene*, almost; L. masc. n. *Chitinolyticbacter*, An existing genus; *Paenichitinolyticbacter*: A genus related to but distinct from the existing genus Chitinolyticbacter of almost.

Paenichitinophaga

L. nan adverb *paene*, almost; L. fem. n. *Chitinophaga*, An existing genus; *Paenichitinophaga*: A genus related to but distinct from the existing genus Chitinophaga of almost.

Paenichlamydia

L. nan adverb *paene*, almost; L. fem. n. *Chlamydia*, An existing genus; *Paenichlamydia*: A genus related to but distinct from the existing genus Chlamydia of almost.

Paenichlamydophila

L. nan adverb *paene*, almost; L. fem. n. *Chlamydophila*, An existing genus; *Paenichlamydophila*: A genus related to but distinct from the existing genus Chlamydophila of almost.

Paenichloracidobacterium

L. nan adverb *paene*, almost; L. neut. n. *Chloracidobacterium*, An existing genus; *Paenichloracidobacterium*: A genus related to but distinct from the existing genus Chloracidobacterium of almost.

Paenichlorobaculum

L. nan adverb *paene*, almost; L. neut. n. *Chlorobaculum*, An existing genus; *Paenichlorobaculum*: A genus related to but distinct from the existing genus Chlorobaculum of almost.

Paenichlorobium

L. nan adverb *paene*, almost; L. neut. n. *Chlorobium*, An existing genus; *Paenichlorobium*: A genus related to but distinct from the existing genus Chlorobium of almost.

Paenichloroflexus

L. nan adverb *paene*, almost; L. masc. n. *Chloroflexus*, An existing genus; *Paenichloroflexus*: A genus related to but distinct from the existing genus Chloroflexus of almost.

Paenichloroherpeton

L. nan adverb *paene*, almost; L. neut. n. *Chloroherpeton*, An existing genus; *Paenichloroherpeton*: A genus related to but distinct from the existing genus Chloroherpeton of almost.

Paenichloronema

L. nan adverb *paene*, almost; L. neut. n. *Chloronema*, An existing genus; *Paenichloronema*: A genus related to but distinct from the existing genus Chloronema of almost.

Paenichondromyces

L. nan adverb *paene*, almost; L. masc. n. *Chondromyces*, An existing genus; *Paenichondromyces*: A genus related to but distinct from the existing genus Chondromyces of almost.

Paenichristensenella

L. nan adverb *paene*, almost; L. fem. dim. n. *Christensenella*, An existing genus; *Paenichristensenella*: A genus related to but distinct from the existing genus Christensenella of almost.

Paenichroakolemma

L. nan adverb *paene*, almost; L. neut. n. *Chroakolemma*, An existing genus; *Paenichroakolemma*: A genus related to but distinct from the existing genus Chroakolemma of almost.

Paenichromatium

L. nan adverb *paene*, almost; L. neut. n. *Chromatium*, An existing genus; *Paenichromatium*: A genus related to but distinct from the existing genus Chromatium of almost.

Paenichromatocurvus

L. nan adverb *paene*, almost; L. masc. n. *Chromatocurvus*, An existing genus; *Paenichromatocurvus*: A genus related to but distinct from the existing genus Chromatocurvus of almost.

Paenichromobacterium

L. nan adverb *paene*, almost; L. neut. n. *Chromobacterium*, An existing genus; *Paenichromobacterium*: A genus related to but distinct from the existing genus Chromobacterium of almost.

Paenichromohalobacter

L. nan adverb *paene*, almost; L. masc. n. *Chromohalobacter*, An existing genus; *Paenichromohalobacter*: A genus related to but distinct from the existing genus Chromohalobacter of almost.

Paenichroococcus

L. nan adverb *paene*, almost; L. masc. n. *Chroococcus*, An existing genus; *Paenichroococcus*: A genus related to but distinct from the existing genus Chroococcus of almost.

Paenichryseobacterium

L. nan adverb *paene*, almost; L. neut. n. *Chryseobacterium*, An existing genus; *Paenichryseobacterium*: A genus related to but distinct from the existing genus Chryseobacterium of almost.

Paenichryseoglobus

L. nan adverb *paene*, almost; L. masc. n. *Chryseoglobus*, An existing genus; *Paenichryseoglobus*: A genus related to but distinct from the existing genus Chryseoglobus of almost.

Paenichryseolinea

L. nan adverb *paene*, almost; L. fem. n. *Chryseolinea*, An existing genus; *Paenichryseolinea*: A genus related to but distinct from the existing genus Chryseolinea of almost.

Paenichryseomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Chryseomicrobium*, An existing genus; *Paenichryseomicrobium*: A genus related to but distinct from the existing genus Chryseomicrobium of almost.

Paenichryseomonas

L. nan adverb *paene*, almost; L. fem. n. *Chryseomonas*, An existing genus; *Paenichryseomonas*: A genus related to but distinct from the existing genus Chryseomonas of almost.

Paenichryseotalea

L. nan adverb *paene*, almost; L. fem. n. *Chryseotalea*, An existing genus; *Paenichryseotalea*: A genus related to but distinct from the existing genus Chryseotalea of almost.

Paenichrysiogenes

L. nan adverb *paene*, almost; L. masc. n. *Chrysiogenes*, An existing genus; *Paenichrysiogenes*: A genus related to but distinct from the existing genus Chrysiogenes of almost.

Paenichthoniobacter

L. nan adverb *paene*, almost; L. masc. n. *Chthoniobacter*, An existing genus; *Paenichthoniobacter*: A genus related to but distinct from the existing genus Chthoniobacter of almost.

Paenichthonobacter

L. nan adverb *paene*, almost; L. masc. n. *Chthonobacter*, An existing genus; *Paenichthonobacter*: A genus related to but distinct from the existing genus Chthonobacter of almost.

Paenichthonomonas

L. nan adverb *paene*, almost; L. fem. n. *Chthonomonas*, An existing genus; *Paenichthonomonas*: A genus related to but distinct from the existing genus Chthonomonas of almost.

Paenichujaibacter

L. nan adverb *paene*, almost; L. masc. n. *Chujaibacter*, An existing genus; *Paenichujaibacter*: A genus related to but distinct from the existing genus Chujaibacter of almost.

Paenichungangia

L. nan adverb *paene*, almost; L. fem. n. *Chungangia*, An existing genus; *Paenichungangia*: A genus related to but distinct from the existing genus Chungangia of almost.

Paeniciceribacter

L. nan adverb *paene*, almost; L. masc. n. *Ciceribacter*, An existing genus; *Paeniciceribacter*: A genus related to but distinct from the existing genus Ciceribacter of almost.

Paenicitreibacter

L. nan adverb *paene*, almost; L. masc. n. *Citreibacter*, An existing genus; *Paenicitreibacter*: A genus related to but distinct from the existing genus Citreibacter of almost.

Paenicitreicella

L. nan adverb *paene*, almost; L. fem. n. *Citreicella*, An existing genus; *Paenicitreicella*: A genus related to but distinct from the existing genus Citreicella of almost.

Paenicitreimonas

L. nan adverb *paene*, almost; L. fem. n. *Citreimonas*, An existing genus; *Paenicitreimonas*: A genus related to but distinct from the existing genus Citreimonas of almost.

Paenicitreitalea

L. nan adverb *paene*, almost; L. fem. n. *Citreitalea*, An existing genus; *Paenicitreitalea*: A genus related to but distinct from the existing genus Citreitalea of almost.

Paenicitricoccus

L. nan adverb *paene*, almost; L. masc. n. *Citricoccus*, An existing genus; *Paenicitricoccus*: A genus related to but distinct from the existing genus Citricoccus of almost.

Paenicitrimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Citrimicrobium*, An existing genus; *Paenicitrimicrobium*: A genus related to but distinct from the existing genus Citrimicrobium of almost.

Paenicitrobacter

L. nan adverb *paene*, almost; L. masc. n. *Citrobacter*, An existing genus; *Paenicitrobacter*: A genus related to but distinct from the existing genus Citrobacter of almost.

Paenicitromicrobium

L. nan adverb *paene*, almost; L. neut. n. *Citromicrobium*, An existing genus; *Paenicitromicrobium*: A genus related to but distinct from the existing genus Citromicrobium of almost.

Paenicitroniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Citroniella*, An existing genus; *Paenicitroniella*: A genus related to but distinct from the existing genus Citroniella of almost.

Paeniclavibacter

L. nan adverb *paene*, almost; L. masc. n. *Clavibacter*, An existing genus; *Paeniclavibacter*: A genus related to but distinct from the existing genus Clavibacter of almost.

Paeniclevelandina

L. nan adverb *paene*, almost; L. fem. n. *Clevelandina*, An existing genus; *Paeniclevelandina*: A genus related to but distinct from the existing genus Clevelandina of almost.

Paenicloacibacillus

L. nan adverb *paene*, almost; L. masc. n. *Cloacibacillus*, An existing genus; *Paenicloacibacillus*: A genus related to but distinct from the existing genus Cloacibacillus of almost.

Paenicloacibacterium

L. nan adverb *paene*, almost; L. neut. n. *Cloacibacterium*, An existing genus; *Paenicloacibacterium*: A genus related to but distinct from the existing genus Cloacibacterium of almost.

Paeniclostridiisalibacter

L. nan adverb *paene*, almost; L. masc. n. *Clostridiisalibacter*, An existing genus; *Paeniclostridiisalibacter*: A genus related to but distinct from the existing genus Clostridiisalibacter of almost.

Paeniclostridioides

L. nan adverb *paene*, almost; L. neut. n. *Clostridioides*, An existing genus; *Paeniclostridioides*: A genus related to but distinct from the existing genus Clostridioides of almost.

Paeniclostridium

L. nan adverb *paene*, almost; L. neut. dim. n. *Clostridium*, An existing genus; *Paeniclostridium*: A genus related to but distinct from the existing genus Clostridium of almost.

Paenicnuella

L. nan adverb *paene*, almost; L. fem. dim. n. *Cnuella*, An existing genus; *Paenicnuella*: A genus related to but distinct from the existing genus Cnuella of almost.

Paenicnuibacter

L. nan adverb *paene*, almost; L. masc. n. *Cnuibacter*, An existing genus; *Paenicnuibacter*: A genus related to but distinct from the existing genus Cnuibacter of almost.

Paenicobetia

L. nan adverb *paene*, almost; L. fem. n. *Cobetia*, An existing genus; *Paenicobetia*: A genus related to but distinct from the existing genus Cobetia of almost.

Paenicochleicola

L. nan adverb *paene*, almost; L. masc. n. *Cochleicola*, An existing genus; *Paenicochleicola*: A genus related to but distinct from the existing genus Cochleicola of almost.

Paenicocleimonas

L. nan adverb *paene*, almost; L. fem. n. *Cocleimonas*, An existing genus; *Paenicocleimonas*: A genus related to but distinct from the existing genus Cocleimonas of almost.

Paenicoenonia

L. nan adverb *paene*, almost; L. fem. n. *Coenonia*, An existing genus; *Paenicoenonia*: A genus related to but distinct from the existing genus Coenonia of almost.

Paenicoetzeea

L. nan adverb *paene*, almost; L. fem. n. *Coetzeea*, An existing genus; *Paenicoetzeea*: A genus related to but distinct from the existing genus Coetzeea of almost.

Paenicognaticolwellia

L. nan adverb *paene*, almost; L. fem. n. *Cognaticolwellia*, An existing genus; *Paenicognaticolwellia*: A genus related to but distinct from the existing genus Cognaticolwellia of almost.

Paenicognatishimia

L. nan adverb *paene*, almost; L. fem. n. *Cognatishimia*, An existing genus; *Paenicognatishimia*: A genus related to but distinct from the existing genus Cognatishimia of almost.

Paenicognatiyoonia

L. nan adverb *paene*, almost; L. fem. n. *Cognatiyoonia*, An existing genus; *Paenicognatiyoonia*: A genus related to but distinct from the existing genus Cognatiyoonia of almost.

Paenicohaesibacter

L. nan adverb *paene*, almost; L. masc. n. *Cohaesibacter*, An existing genus; *Paenicohaesibacter*: A genus related to but distinct from the existing genus Cohaesibacter of almost.

Paenicohnella

L. nan adverb *paene*, almost; L. fem. dim. n. *Cohnella*, An existing genus; *Paenicohnella*: A genus related to but distinct from the existing genus Cohnella of almost.

Paenicoleofasciculus

L. nan adverb *paene*, almost; L. masc. dim. n. *Coleofasciculus*, An existing genus; *Paenicoleofasciculus*: A genus related to but distinct from the existing genus Coleofasciculus of almost.

Paenicollimonas

L. nan adverb *paene*, almost; L. fem. n. *Collimonas*, An existing genus; *Paenicollimonas*: A genus related to but distinct from the existing genus Collimonas of almost.

Paenicollinsella

L. nan adverb *paene*, almost; L. fem. dim. n. *Collinsella*, An existing genus; *Paenicollinsella*: A genus related to but distinct from the existing genus Collinsella of almost.

Paenicolteronema

L. nan adverb *paene*, almost; L. neut. n. *Colteronema*, An existing genus; *Paenicolteronema*: A genus related to but distinct from the existing genus Colteronema of almost.

Paenicolwellia

L. nan adverb *paene*, almost; L. fem. n. *Colwellia*, An existing genus; *Paenicolwellia*: A genus related to but distinct from the existing genus Colwellia of almost.

Paenicomamonas

L. nan adverb *paene*, almost; L. fem. n. *Comamonas*, An existing genus; *Paenicomamonas*: A genus related to but distinct from the existing genus Comamonas of almost.

Paenicommensalibacter

L. nan adverb *paene*, almost; L. masc. n. *Commensalibacter*, An existing genus; *Paenicommensalibacter*: A genus related to but distinct from the existing genus Commensalibacter of almost.

Paenicompactonostoc

L. nan adverb *paene*, almost; L. neut. n. *Compactonostoc*, An existing genus; *Paenicompactonostoc*: A genus related to but distinct from the existing genus Compactonostoc of almost.

Paenicompanilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Companilactobacillus*, An existing genus; *Paenicompanilactobacillus*: A genus related to but distinct from the existing genus Companilactobacillus of almost.

Paenicompostibacillus

L. nan adverb *paene*, almost; L. masc. n. *Compostibacillus*, An existing genus; *Paenicompostibacillus*: A genus related to but distinct from the existing genus Compostibacillus of almost.

Paenicompostimonas

L. nan adverb *paene*, almost; L. fem. n. *Compostimonas*, An existing genus; *Paenicompostimonas*: A genus related to but distinct from the existing genus Compostimonas of almost.

Paeniconchiformibius

L. nan adverb *paene*, almost; L. masc. n. *Conchiformibius*, An existing genus; *Paeniconchiformibius*: A genus related to but distinct from the existing genus Conchiformibius of almost.

Paeniconexibacter

L. nan adverb *paene*, almost; L. masc. n. *Conexibacter*, An existing genus; *Paeniconexibacter*: A genus related to but distinct from the existing genus Conexibacter of almost.

Paeniconfluentibacter

L. nan adverb *paene*, almost; L. masc. n. *Confluentibacter*, An existing genus; *Paeniconfluentibacter*: A genus related to but distinct from the existing genus Confluentibacter of almost.

Paeniconfluentimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Confluentimicrobium*, An existing genus; *Paeniconfluentimicrobium*: A genus related to but distinct from the existing genus Confluentimicrobium of almost.

Paeniconglomeromonas

L. nan adverb *paene*, almost; L. fem. n. *Conglomeromonas*, An existing genus; *Paeniconglomeromonas*: A genus related to but distinct from the existing genus Conglomeromonas of almost.

Paenicongregibacter

L. nan adverb *paene*, almost; L. masc. n. *Congregibacter*, An existing genus; *Paenicongregibacter*: A genus related to but distinct from the existing genus Congregibacter of almost.

Paeniconservatibacter

L. nan adverb *paene*, almost; L. masc. n. *Conservatibacter*, An existing genus; *Paeniconservatibacter*: A genus related to but distinct from the existing genus Conservatibacter of almost.

Paeniconsotaella

L. nan adverb *paene*, almost; L. fem. dim. n. *Consotaella*, An existing genus; *Paeniconsotaella*: A genus related to but distinct from the existing genus Consotaella of almost.

Paeniconstrictibacter

L. nan adverb *paene*, almost; L. masc. n. *Constrictibacter*, An existing genus; *Paeniconstrictibacter*: A genus related to but distinct from the existing genus Constrictibacter of almost.

Paeniconvivina

L. nan adverb *paene*, almost; L. fem. n. *Convivina*, An existing genus; *Paeniconvivina*: A genus related to but distinct from the existing genus Convivina of almost.

Paeniconyzicola

L. nan adverb *paene*, almost; L. fem. n. *Conyzicola*, An existing genus; *Paeniconyzicola*: A genus related to but distinct from the existing genus Conyzicola of almost.

Paenicoprobacillus

L. nan adverb *paene*, almost; L. masc. n. *Coprobacillus*, An existing genus; *Paenicoprobacillus*: A genus related to but distinct from the existing genus Coprobacillus of almost.

Paenicoprobacter

L. nan adverb *paene*, almost; L. masc. n. *Coprobacter*, An existing genus; *Paenicoprobacter*: A genus related to but distinct from the existing genus Coprobacter of almost.

Paenicoprococcus

L. nan adverb *paene*, almost; L. masc. n. *Coprococcus*, An existing genus; *Paenicoprococcus*: A genus related to but distinct from the existing genus Coprococcus of almost.

Paenicoprothermobacter

L. nan adverb *paene*, almost; L. masc. n. *Coprothermobacter*, An existing genus; *Paenicoprothermobacter*: A genus related to but distinct from the existing genus Coprothermobacter of almost.

Paenicoraliitalea

L. nan adverb *paene*, almost; L. fem. n. *Coraliitalea*, An existing genus; *Paenicoraliitalea*: A genus related to but distinct from the existing genus Coraliitalea of almost.

Paenicoraliomargarita

L. nan adverb *paene*, almost; L. fem. n. *Coraliomargarita*, An existing genus; *Paenicoraliomargarita*: A genus related to but distinct from the existing genus Coraliomargarita of almost.

Paenicorallibacter

L. nan adverb *paene*, almost; L. masc. n. *Corallibacter*, An existing genus; *Paenicorallibacter*: A genus related to but distinct from the existing genus Corallibacter of almost.

Paenicorallincola

L. nan adverb *paene*, almost; L. masc. n. *Corallincola*, An existing genus; *Paenicorallincola*: A genus related to but distinct from the existing genus Corallincola of almost.

Paenicorallococcus

L. nan adverb *paene*, almost; L. masc. n. *Corallococcus*, An existing genus; *Paenicorallococcus*: A genus related to but distinct from the existing genus Corallococcus of almost.

Paenicoralloluteibacterium

L. nan adverb *paene*, almost; L. neut. n. *Coralloluteibacterium*, An existing genus; *Paenicoralloluteibacterium*: A genus related to but distinct from the existing genus Coralloluteibacterium of almost.

Paenicorallomonas

L. nan adverb *paene*, almost; L. fem. n. *Corallomonas*, An existing genus; *Paenicorallomonas*: A genus related to but distinct from the existing genus Corallomonas of almost.

Paenicoralslurrinella

L. nan adverb *paene*, almost; L. fem. dim. n. *Coralslurrinella*, An existing genus; *Paenicoralslurrinella*: A genus related to but distinct from the existing genus Coralslurrinella of almost.

Paenicorticicoccus

L. nan adverb *paene*, almost; L. masc. n. *Corticicoccus*, An existing genus; *Paenicorticicoccus*: A genus related to but distinct from the existing genus Corticicoccus of almost.

Paenicorynebacterium

L. nan adverb *paene*, almost; L. neut. n. *Corynebacterium*, An existing genus; *Paenicorynebacterium*: A genus related to but distinct from the existing genus Corynebacterium of almost.

Paenicosenzaea

L. nan adverb *paene*, almost; L. fem. n. *Cosenzaea*, An existing genus; *Paenicosenzaea*: A genus related to but distinct from the existing genus Cosenzaea of almost.

Paenicostertonia

L. nan adverb *paene*, almost; L. fem. n. *Costertonia*, An existing genus; *Paenicostertonia*: A genus related to but distinct from the existing genus Costertonia of almost.

Paenicouchioplanes

L. nan adverb *paene*, almost; L. masc. n. *Couchioplanes*, An existing genus; *Paenicouchioplanes*: A genus related to but distinct from the existing genus Couchioplanes of almost.

Paenicowdria

L. nan adverb *paene*, almost; L. fem. n. *Cowdria*, An existing genus; *Paenicowdria*: A genus related to but distinct from the existing genus Cowdria of almost.

Paenicoxiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Coxiella*, An existing genus; *Paenicoxiella*: A genus related to but distinct from the existing genus Coxiella of almost.

Paenicrabtreella

L. nan adverb *paene*, almost; L. fem. dim. n. *Crabtreella*, An existing genus; *Paenicrabtreella*: A genus related to but distinct from the existing genus Crabtreella of almost.

Paenicrassaminicella

L. nan adverb *paene*, almost; L. fem. n. *Crassaminicella*, An existing genus; *Paenicrassaminicella*: A genus related to but distinct from the existing genus Crassaminicella of almost.

Paenicrateriforma

L. nan adverb *paene*, almost; L. fem. n. *Crateriforma*, An existing genus; *Paenicrateriforma*: A genus related to but distinct from the existing genus Crateriforma of almost.

Paenicraterilacuibacter

L. nan adverb *paene*, almost; L. masc. n. *Craterilacuibacter*, An existing genus; *Paenicraterilacuibacter*: A genus related to but distinct from the existing genus Craterilacuibacter of almost.

Paenicraurococcus

L. nan adverb *paene*, almost; L. masc. n. *Craurococcus*, An existing genus; *Paenicraurococcus*: A genus related to but distinct from the existing genus Craurococcus of almost.

Paenicrenalkalicoccus

L. nan adverb *paene*, almost; L. masc. n. *Crenalkalicoccus*, An existing genus; *Paenicrenalkalicoccus*: A genus related to but distinct from the existing genus Crenalkalicoccus of almost.

Paenicrenotalea

L. nan adverb *paene*, almost; L. fem. n. *Crenotalea*, An existing genus; *Paenicrenotalea*: A genus related to but distinct from the existing genus Crenotalea of almost.

Paenicriblamydia

L. nan adverb *paene*, almost; L. fem. n. *Criblamydia*, An existing genus; *Paenicriblamydia*: A genus related to but distinct from the existing genus Criblamydia of almost.

Paenicribrihabitans

L. nan adverb *paene*, almost; L. masc. n. *Cribrihabitans*, An existing genus; *Paenicribrihabitans*: A genus related to but distinct from the existing genus Cribrihabitans of almost.

Paenicricetibacter

L. nan adverb *paene*, almost; L. masc. n. *Cricetibacter*, An existing genus; *Paenicricetibacter*: A genus related to but distinct from the existing genus Cricetibacter of almost.

Paenicristispira

L. nan adverb *paene*, almost; L. fem. n. *Cristispira*, An existing genus; *Paenicristispira*: A genus related to but distinct from the existing genus Cristispira of almost.

Paenicroceibacter

L. nan adverb *paene*, almost; L. masc. n. *Croceibacter*, An existing genus; *Paenicroceibacter*: A genus related to but distinct from the existing genus Croceibacter of almost.

Paenicroceibacterium

L. nan adverb *paene*, almost; L. neut. n. *Croceibacterium*, An existing genus; *Paenicroceibacterium*: A genus related to but distinct from the existing genus Croceibacterium of almost.

Paenicroceicoccus

L. nan adverb *paene*, almost; L. masc. n. *Croceicoccus*, An existing genus; *Paenicroceicoccus*: A genus related to but distinct from the existing genus Croceicoccus of almost.

Paenicroceifilum

L. nan adverb *paene*, almost; L. neut. n. *Croceifilum*, An existing genus; *Paenicroceifilum*: A genus related to but distinct from the existing genus Croceifilum of almost.

Paenicroceitalea

L. nan adverb *paene*, almost; L. fem. n. *Croceitalea*, An existing genus; *Paenicroceitalea*: A genus related to but distinct from the existing genus Croceitalea of almost.

Paenicroceivirga

L. nan adverb *paene*, almost; L. fem. n. *Croceivirga*, An existing genus; *Paenicroceivirga*: A genus related to but distinct from the existing genus Croceivirga of almost.

Paenicrocinitomix

L. nan adverb *paene*, almost; L. fem. n. *Crocinitomix*, An existing genus; *Paenicrocinitomix*: A genus related to but distinct from the existing genus Crocinitomix of almost.

Paenicrocosphaera

L. nan adverb *paene*, almost; L. fem. n. *Crocosphaera*, An existing genus; *Paenicrocosphaera*: A genus related to but distinct from the existing genus Crocosphaera of almost.

Paenicronobacter

L. nan adverb *paene*, almost; L. masc. n. *Cronobacter*, An existing genus; *Paenicronobacter*: A genus related to but distinct from the existing genus Cronobacter of almost.

Paenicrossiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Crossiella*, An existing genus; *Paenicrossiella*: A genus related to but distinct from the existing genus Crossiella of almost.

Paenicruoricaptor

L. nan adverb *paene*, almost; L. masc. n. *Cruoricaptor*, An existing genus; *Paenicruoricaptor*: A genus related to but distinct from the existing genus Cruoricaptor of almost.

Paenicryobacterium

L. nan adverb *paene*, almost; L. neut. n. *Cryobacterium*, An existing genus; *Paenicryobacterium*: A genus related to but distinct from the existing genus Cryobacterium of almost.

Paenicryomorpha

L. nan adverb *paene*, almost; L. fem. n. *Cryomorpha*, An existing genus; *Paenicryomorpha*: A genus related to but distinct from the existing genus Cryomorpha of almost.

Paenicryptanaerobacter

L. nan adverb *paene*, almost; L. masc. n. *Cryptanaerobacter*, An existing genus; *Paenicryptanaerobacter*: A genus related to but distinct from the existing genus Cryptanaerobacter of almost.

Paenicryptobacterium

L. nan adverb *paene*, almost; L. neut. n. *Cryptobacterium*, An existing genus; *Paenicryptobacterium*: A genus related to but distinct from the existing genus Cryptobacterium of almost.

Paenicryptococcum

L. nan adverb *paene*, almost; L. neut. n. *Cryptococcum*, An existing genus; *Paenicryptococcum*: A genus related to but distinct from the existing genus Cryptococcum of almost.

Paenicryptosporangium

L. nan adverb *paene*, almost; L. neut. n. *Cryptosporangium*, An existing genus; *Paenicryptosporangium*: A genus related to but distinct from the existing genus Cryptosporangium of almost.

Paenicucumibacter

L. nan adverb *paene*, almost; L. masc. n. *Cucumibacter*, An existing genus; *Paenicucumibacter*: A genus related to but distinct from the existing genus Cucumibacter of almost.

Paenicumulibacter

L. nan adverb *paene*, almost; L. masc. n. *Cumulibacter*, An existing genus; *Paenicumulibacter*: A genus related to but distinct from the existing genus Cumulibacter of almost.

Paenicuneatibacter

L. nan adverb *paene*, almost; L. masc. n. *Cuneatibacter*, An existing genus; *Paenicuneatibacter*: A genus related to but distinct from the existing genus Cuneatibacter of almost.

Paenicuniculiplasma

L. nan adverb *paene*, almost; L. neut. n. *Cuniculiplasma*, An existing genus; *Paenicuniculiplasma*: A genus related to but distinct from the existing genus Cuniculiplasma of almost.

Paenicupriavidus

L. nan adverb *paene*, almost; L. masc. n. *Cupriavidus*, An existing genus; *Paenicupriavidus*: A genus related to but distinct from the existing genus Cupriavidus of almost.

Paenicurtobacterium

L. nan adverb *paene*, almost; L. neut. n. *Curtobacterium*, An existing genus; *Paenicurtobacterium*: A genus related to but distinct from the existing genus Curtobacterium of almost.

Paenicurvibacter

L. nan adverb *paene*, almost; L. masc. n. *Curvibacter*, An existing genus; *Paenicurvibacter*: A genus related to but distinct from the existing genus Curvibacter of almost.

Paenicutibacterium

L. nan adverb *paene*, almost; L. neut. n. *Cutibacterium*, An existing genus; *Paenicutibacterium*: A genus related to but distinct from the existing genus Cutibacterium of almost.

Paenicyanocohniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Cyanocohniella*, An existing genus; *Paenicyanocohniella*: A genus related to but distinct from the existing genus Cyanocohniella of almost.

Paenicyanocomperia

L. nan adverb *paene*, almost; L. fem. n. *Cyanocomperia*, An existing genus; *Paenicyanocomperia*: A genus related to but distinct from the existing genus Cyanocomperia of almost.

Paenicyanoderma

L. nan adverb *paene*, almost; L. neut. n. *Cyanoderma*, An existing genus; *Paenicyanoderma*: A genus related to but distinct from the existing genus Cyanoderma of almost.

Paenicyanosaccus

L. nan adverb *paene*, almost; L. masc. n. *Cyanosaccus*, An existing genus; *Paenicyanosaccus*: A genus related to but distinct from the existing genus Cyanosaccus of almost.

Paenicyclobacterium

L. nan adverb *paene*, almost; L. neut. n. *Cyclobacterium*, An existing genus; *Paenicyclobacterium*: A genus related to but distinct from the existing genus Cyclobacterium of almost.

Paenicycloclasticus

L. nan adverb *paene*, almost; L. masc. n. *Cycloclasticus*, An existing genus; *Paenicycloclasticus*: A genus related to but distinct from the existing genus Cycloclasticus of almost.

Paenicysteiniphilum

L. nan adverb *paene*, almost; L. neut. n. *Cysteiniphilum*, An existing genus; *Paenicysteiniphilum*: A genus related to but distinct from the existing genus Cysteiniphilum of almost.

Paenicystobacter

L. nan adverb *paene*, almost; L. masc. n. *Cystobacter*, An existing genus; *Paenicystobacter*: A genus related to but distinct from the existing genus Cystobacter of almost.

Paenicytobacillus

L. nan adverb *paene*, almost; L. masc. n. *Cytobacillus*, An existing genus; *Paenicytobacillus*: A genus related to but distinct from the existing genus Cytobacillus of almost.

Paenicytophaga

L. nan adverb *paene*, almost; L. fem. n. *Cytophaga*, An existing genus; *Paenicytophaga*: A genus related to but distinct from the existing genus Cytophaga of almost.

Paenidactylosporangium

L. nan adverb *paene*, almost; L. neut. n. *Dactylosporangium*, An existing genus; *Paenidactylosporangium*: A genus related to but distinct from the existing genus Dactylosporangium of almost.

Paenidaeguia

L. nan adverb *paene*, almost; L. fem. n. *Daeguia*, An existing genus; *Paenidaeguia*: A genus related to but distinct from the existing genus Daeguia of almost.

Paenidaejeonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Daejeonella*, An existing genus; *Paenidaejeonella*: A genus related to but distinct from the existing genus Daejeonella of almost.

Paenidaejeonia

L. nan adverb *paene*, almost; L. fem. n. *Daejeonia*, An existing genus; *Paenidaejeonia*: A genus related to but distinct from the existing genus Daejeonia of almost.

Paenidankookia

L. nan adverb *paene*, almost; L. fem. n. *Dankookia*, An existing genus; *Paenidankookia*: A genus related to but distinct from the existing genus Dankookia of almost.

Paenidaptobacter

L. nan adverb *paene*, almost; L. masc. n. *Daptobacter*, An existing genus; *Paenidaptobacter*: A genus related to but distinct from the existing genus Daptobacter of almost.

Paenidasania

L. nan adverb *paene*, almost; L. fem. n. *Dasania*, An existing genus; *Paenidasania*: A genus related to but distinct from the existing genus Dasania of almost.

Paenidechlorobacter

L. nan adverb *paene*, almost; L. masc. n. *Dechlorobacter*, An existing genus; *Paenidechlorobacter*: A genus related to but distinct from the existing genus Dechlorobacter of almost.

Paenidechloromonas

L. nan adverb *paene*, almost; L. fem. n. *Dechloromonas*, An existing genus; *Paenidechloromonas*: A genus related to but distinct from the existing genus Dechloromonas of almost.

Paenidechlorosoma

L. nan adverb *paene*, almost; L. neut. n. *Dechlorosoma*, An existing genus; *Paenidechlorosoma*: A genus related to but distinct from the existing genus Dechlorosoma of almost.

Paenideefgea

L. nan adverb *paene*, almost; L. fem. n. *Deefgea*, An existing genus; *Paenideefgea*: A genus related to but distinct from the existing genus Deefgea of almost.

Paenideferribacter

L. nan adverb *paene*, almost; L. masc. n. *Deferribacter*, An existing genus; *Paenideferribacter*: A genus related to but distinct from the existing genus Deferribacter of almost.

Paenideferrisoma

L. nan adverb *paene*, almost; L. neut. n. *Deferrisoma*, An existing genus; *Paenideferrisoma*: A genus related to but distinct from the existing genus Deferrisoma of almost.

Paenidefluvibacter

L. nan adverb *paene*, almost; L. masc. n. *Defluvibacter*, An existing genus; *Paenidefluvibacter*: A genus related to but distinct from the existing genus Defluvibacter of almost.

Paenidefluviicoccus

L. nan adverb *paene*, almost; L. masc. n. *Defluviicoccus*, An existing genus; *Paenidefluviicoccus*: A genus related to but distinct from the existing genus Defluviicoccus of almost.

Paenidefluviimonas

L. nan adverb *paene*, almost; L. fem. n. *Defluviimonas*, An existing genus; *Paenidefluviimonas*: A genus related to but distinct from the existing genus Defluviimonas of almost.

Paenidefluviitalea

L. nan adverb *paene*, almost; L. fem. n. *Defluviitalea*, An existing genus; *Paenidefluviitalea*: A genus related to but distinct from the existing genus Defluviitalea of almost.

Paenidefluviitoga

L. nan adverb *paene*, almost; L. fem. n. *Defluviitoga*, An existing genus; *Paenidefluviitoga*: A genus related to but distinct from the existing genus Defluviitoga of almost.

Paenidehalobacter

L. nan adverb *paene*, almost; L. masc. n. *Dehalobacter*, An existing genus; *Paenidehalobacter*: A genus related to but distinct from the existing genus Dehalobacter of almost.

Paenidehalobacterium

L. nan adverb *paene*, almost; L. neut. n. *Dehalobacterium*, An existing genus; *Paenidehalobacterium*: A genus related to but distinct from the existing genus Dehalobacterium of almost.

Paenidehalogenimonas

L. nan adverb *paene*, almost; L. fem. n. *Dehalogenimonas*, An existing genus; *Paenidehalogenimonas*: A genus related to but distinct from the existing genus Dehalogenimonas of almost.

Paenideinobacter

L. nan adverb *paene*, almost; L. masc. n. *Deinobacter*, An existing genus; *Paenideinobacter*: A genus related to but distinct from the existing genus Deinobacter of almost.

Paenideinobacterium

L. nan adverb *paene*, almost; L. neut. n. *Deinobacterium*, An existing genus; *Paenideinobacterium*: A genus related to but distinct from the existing genus Deinobacterium of almost.

Paenideinococcus

L. nan adverb *paene*, almost; L. masc. n. *Deinococcus*, An existing genus; *Paenideinococcus*: A genus related to but distinct from the existing genus Deinococcus of almost.

Paenideleya

L. nan adverb *paene*, almost; L. fem. n. *Deleya*, An existing genus; *Paenideleya*: A genus related to but distinct from the existing genus Deleya of almost.

Paenidelftia

L. nan adverb *paene*, almost; L. fem. n. *Delftia*, An existing genus; *Paenidelftia*: A genus related to but distinct from the existing genus Delftia of almost.

Paenidellaglioa

L. nan adverb *paene*, almost; L. fem. n. *Dellaglioa*, An existing genus; *Paenidellaglioa*: A genus related to but distinct from the existing genus Dellaglioa of almost.

Paenidemequina

L. nan adverb *paene*, almost; L. fem. n. *Demequina*, An existing genus; *Paenidemequina*: A genus related to but distinct from the existing genus Demequina of almost.

Paenidemetria

L. nan adverb *paene*, almost; L. fem. n. *Demetria*, An existing genus; *Paenidemetria*: A genus related to but distinct from the existing genus Demetria of almost.

Paenideminuibacter

L. nan adverb *paene*, almost; L. masc. n. *Deminuibacter*, An existing genus; *Paenideminuibacter*: A genus related to but distinct from the existing genus Deminuibacter of almost.

Paenidenitratimonas

L. nan adverb *paene*, almost; L. fem. n. *Denitratimonas*, An existing genus; *Paenidenitratimonas*: A genus related to but distinct from the existing genus Denitratimonas of almost.

Paenidenitratisoma

L. nan adverb *paene*, almost; L. neut. n. *Denitratisoma*, An existing genus; *Paenidenitratisoma*: A genus related to but distinct from the existing genus Denitratisoma of almost.

Paenidenitrobacterium

L. nan adverb *paene*, almost; L. neut. n. *Denitrobacterium*, An existing genus; *Paenidenitrobacterium*: A genus related to but distinct from the existing genus Denitrobacterium of almost.

Paenidenitrobaculum

L. nan adverb *paene*, almost; L. neut. n. *Denitrobaculum*, An existing genus; *Paenidenitrobaculum*: A genus related to but distinct from the existing genus Denitrobaculum of almost.

Paenidenitrovibrio

L. nan adverb *paene*, almost; L. masc. n. *Denitrovibrio*, An existing genus; *Paenidenitrovibrio*: A genus related to but distinct from the existing genus Denitrovibrio of almost.

Paenidermacoccus

L. nan adverb *paene*, almost; L. masc. n. *Dermacoccus*, An existing genus; *Paenidermacoccus*: A genus related to but distinct from the existing genus Dermacoccus of almost.

Paenidermatophilus

L. nan adverb *paene*, almost; L. masc. n. *Dermatophilus*, An existing genus; *Paenidermatophilus*: A genus related to but distinct from the existing genus Dermatophilus of almost.

Paeniderxia

L. nan adverb *paene*, almost; L. fem. n. *Derxia*, An existing genus; *Paeniderxia*: A genus related to but distinct from the existing genus Derxia of almost.

Paenidesemzia

L. nan adverb *paene*, almost; L. fem. n. *Desemzia*, An existing genus; *Paenidesemzia*: A genus related to but distinct from the existing genus Desemzia of almost.

Paenidesertibacillus

L. nan adverb *paene*, almost; L. masc. n. *Desertibacillus*, An existing genus; *Paenidesertibacillus*: A genus related to but distinct from the existing genus Desertibacillus of almost.

Paenidesertibacter

L. nan adverb *paene*, almost; L. masc. n. *Desertibacter*, An existing genus; *Paenidesertibacter*: A genus related to but distinct from the existing genus Desertibacter of almost.

Paenidesertifilum

L. nan adverb *paene*, almost; L. neut. n. *Desertifilum*, An existing genus; *Paenidesertifilum*: A genus related to but distinct from the existing genus Desertifilum of almost.

Paenidesertihabitans

L. nan adverb *paene*, almost; L. masc. n. *Desertihabitans*, An existing genus; *Paenidesertihabitans*: A genus related to but distinct from the existing genus Desertihabitans of almost.

Paenidesertimonas

L. nan adverb *paene*, almost; L. fem. n. *Desertimonas*, An existing genus; *Paenidesertimonas*: A genus related to but distinct from the existing genus Desertimonas of almost.

Paenidesikacharya

L. nan adverb *paene*, almost; L. fem. n. *Desikacharya*, An existing genus; *Paenidesikacharya*: A genus related to but distinct from the existing genus Desikacharya of almost.

Paenidesmospora

L. nan adverb *paene*, almost; L. fem. n. *Desmospora*, An existing genus; *Paenidesmospora*: A genus related to but distinct from the existing genus Desmospora of almost.

Paenidesnuesiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Desnuesiella*, An existing genus; *Paenidesnuesiella*: A genus related to but distinct from the existing genus Desnuesiella of almost.

Paenidesulfacinum

L. nan adverb *paene*, almost; L. neut. n. *Desulfacinum*, An existing genus; *Paenidesulfacinum*: A genus related to but distinct from the existing genus Desulfacinum of almost.

Paenidesulfallas

L. nan adverb *paene*, almost; L. masc. n. *Desulfallas*, An existing genus; *Paenidesulfallas*: A genus related to but distinct from the existing genus Desulfallas of almost.

Paenidesulfarculus

L. nan adverb *paene*, almost; L. masc. n. *Desulfarculus*, An existing genus; *Paenidesulfarculus*: A genus related to but distinct from the existing genus Desulfarculus of almost.

Paenidesulfatibacillum

L. nan adverb *paene*, almost; L. neut. n. *Desulfatibacillum*, An existing genus; *Paenidesulfatibacillum*: A genus related to but distinct from the existing genus Desulfatibacillum of almost.

Paenidesulfatiferula

L. nan adverb *paene*, almost; L. fem. n. *Desulfatiferula*, An existing genus; *Paenidesulfatiferula*: A genus related to but distinct from the existing genus Desulfatiferula of almost.

Paenidesulfatiglans

L. nan adverb *paene*, almost; L. fem. n. *Desulfatiglans*, An existing genus; *Paenidesulfatiglans*: A genus related to but distinct from the existing genus Desulfatiglans of almost.

Paenidesulfatirhabdium

L. nan adverb *paene*, almost; L. neut. dim. n. *Desulfatirhabdium*, An existing genus; *Paenidesulfatirhabdium*: A genus related to but distinct from the existing genus Desulfatirhabdium of almost.

Paenidesulfatitalea

L. nan adverb *paene*, almost; L. fem. n. *Desulfatitalea*, An existing genus; *Paenidesulfatitalea*: A genus related to but distinct from the existing genus Desulfatitalea of almost.

Paenidesulfitibacter

L. nan adverb *paene*, almost; L. masc. n. *Desulfitibacter*, An existing genus; *Paenidesulfitibacter*: A genus related to but distinct from the existing genus Desulfitibacter of almost.

Paenidesulfitispora

L. nan adverb *paene*, almost; L. fem. n. *Desulfitispora*, An existing genus; *Paenidesulfitispora*: A genus related to but distinct from the existing genus Desulfitispora of almost.

Paenidesulfitobacterium

L. nan adverb *paene*, almost; L. neut. n. *Desulfitobacterium*, An existing genus; *Paenidesulfitobacterium*: A genus related to but distinct from the existing genus Desulfitobacterium of almost.

Paenidesulfobacca

L. nan adverb *paene*, almost; L. fem. n. *Desulfobacca*, An existing genus; *Paenidesulfobacca*: A genus related to but distinct from the existing genus Desulfobacca of almost.

Paenidesulfobacter

L. nan adverb *paene*, almost; L. masc. n. *Desulfobacter*, An existing genus; *Paenidesulfobacter*: A genus related to but distinct from the existing genus Desulfobacter of almost.

Paenidesulfobacterium

L. nan adverb *paene*, almost; L. neut. n. *Desulfobacterium*, An existing genus; *Paenidesulfobacterium*: A genus related to but distinct from the existing genus Desulfobacterium of almost.

Paenidesulfobacula

L. nan adverb *paene*, almost; L. fem. dim. n. *Desulfobacula*, An existing genus; *Paenidesulfobacula*: A genus related to but distinct from the existing genus Desulfobacula of almost.

Paenidesulfobaculum

L. nan adverb *paene*, almost; L. neut. n. *Desulfobaculum*, An existing genus; *Paenidesulfobaculum*: A genus related to but distinct from the existing genus Desulfobaculum of almost.

Paenidesulfobotulus

L. nan adverb *paene*, almost; L. masc. n. *Desulfobotulus*, An existing genus; *Paenidesulfobotulus*: A genus related to but distinct from the existing genus Desulfobotulus of almost.

Paenidesulfobulbus

L. nan adverb *paene*, almost; L. masc. n. *Desulfobulbus*, An existing genus; *Paenidesulfobulbus*: A genus related to but distinct from the existing genus Desulfobulbus of almost.

Paenidesulfocapsa

L. nan adverb *paene*, almost; L. fem. n. *Desulfocapsa*, An existing genus; *Paenidesulfocapsa*: A genus related to but distinct from the existing genus Desulfocapsa of almost.

Paenidesulfocarbo

L. nan adverb *paene*, almost; L. masc. n. *Desulfocarbo*, An existing genus; *Paenidesulfocarbo*: A genus related to but distinct from the existing genus Desulfocarbo of almost.

Paenidesulfocella

L. nan adverb *paene*, almost; L. fem. n. *Desulfocella*, An existing genus; *Paenidesulfocella*: A genus related to but distinct from the existing genus Desulfocella of almost.

Paenidesulfococcus

L. nan adverb *paene*, almost; L. masc. n. *Desulfococcus*, An existing genus; *Paenidesulfococcus*: A genus related to but distinct from the existing genus Desulfococcus of almost.

Paenidesulfocucumis

L. nan adverb *paene*, almost; L. masc. n. *Desulfocucumis*, An existing genus; *Paenidesulfocucumis*: A genus related to but distinct from the existing genus Desulfocucumis of almost.

Paenidesulfocurvibacter

L. nan adverb *paene*, almost; L. masc. n. *Desulfocurvibacter*, An existing genus; *Paenidesulfocurvibacter*: A genus related to but distinct from the existing genus Desulfocurvibacter of almost.

Paenidesulfocurvus

L. nan adverb *paene*, almost; L. masc. n. *Desulfocurvus*, An existing genus; *Paenidesulfocurvus*: A genus related to but distinct from the existing genus Desulfocurvus of almost.

Paenidesulfofaba

L. nan adverb *paene*, almost; L. fem. n. *Desulfofaba*, An existing genus; *Paenidesulfofaba*: A genus related to but distinct from the existing genus Desulfofaba of almost.

Paenidesulfofarcimen

L. nan adverb *paene*, almost; L. neut. n. *Desulfofarcimen*, An existing genus; *Paenidesulfofarcimen*: A genus related to but distinct from the existing genus Desulfofarcimen of almost.

Paenidesulfofrigus

L. nan adverb *paene*, almost; L. neut. n. *Desulfofrigus*, An existing genus; *Paenidesulfofrigus*: A genus related to but distinct from the existing genus Desulfofrigus of almost.

Paenidesulfofundulus

L. nan adverb *paene*, almost; L. masc. n. *Desulfofundulus*, An existing genus; *Paenidesulfofundulus*: A genus related to but distinct from the existing genus Desulfofundulus of almost.

Paenidesulfofustis

L. nan adverb *paene*, almost; L. masc. n. *Desulfofustis*, An existing genus; *Paenidesulfofustis*: A genus related to but distinct from the existing genus Desulfofustis of almost.

Paenidesulfoglaeba

L. nan adverb *paene*, almost; L. fem. n. *Desulfoglaeba*, An existing genus; *Paenidesulfoglaeba*: A genus related to but distinct from the existing genus Desulfoglaeba of almost.

Paenidesulfohalobium

L. nan adverb *paene*, almost; L. neut. n. *Desulfohalobium*, An existing genus; *Paenidesulfohalobium*: A genus related to but distinct from the existing genus Desulfohalobium of almost.

Paenidesulfohalophilus

L. nan adverb *paene*, almost; L. masc. n. *Desulfohalophilus*, An existing genus; *Paenidesulfohalophilus*: A genus related to but distinct from the existing genus Desulfohalophilus of almost.

Paenidesulfohalotomaculum

L. nan adverb *paene*, almost; L. neut. n. *Desulfohalotomaculum*, An existing genus; *Paenidesulfohalotomaculum*: A genus related to but distinct from the existing genus Desulfohalotomaculum of almost.

Paenidesulfohalovibrio

L. nan adverb *paene*, almost; L. masc. n. *Desulfohalovibrio*, An existing genus; *Paenidesulfohalovibrio*: A genus related to but distinct from the existing genus Desulfohalovibrio of almost.

Paenidesulfoluna

L. nan adverb *paene*, almost; L. fem. n. *Desulfoluna*, An existing genus; *Paenidesulfoluna*: A genus related to but distinct from the existing genus Desulfoluna of almost.

Paenidesulfomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Desulfomicrobium*, An existing genus; *Paenidesulfomicrobium*: A genus related to but distinct from the existing genus Desulfomicrobium of almost.

Paenidesulfomonas

L. nan adverb *paene*, almost; L. fem. n. *Desulfomonas*, An existing genus; *Paenidesulfomonas*: A genus related to but distinct from the existing genus Desulfomonas of almost.

Paenidesulfomonile

L. nan adverb *paene*, almost; L. neut. n. *Desulfomonile*, An existing genus; *Paenidesulfomonile*: A genus related to but distinct from the existing genus Desulfomonile of almost.

Paenidesulfomusa

L. nan adverb *paene*, almost; L. fem. n. *Desulfomusa*, An existing genus; *Paenidesulfomusa*: A genus related to but distinct from the existing genus Desulfomusa of almost.

Paenidesulfonatronobacter

L. nan adverb *paene*, almost; L. masc. n. *Desulfonatronobacter*, An existing genus; *Paenidesulfonatronobacter*: A genus related to but distinct from the existing genus Desulfonatronobacter of almost.

Paenidesulfonatronospira

L. nan adverb *paene*, almost; L. fem. n. *Desulfonatronospira*, An existing genus; *Paenidesulfonatronospira*: A genus related to but distinct from the existing genus Desulfonatronospira of almost.

Paenidesulfonatronovibrio

L. nan adverb *paene*, almost; L. masc. n. *Desulfonatronovibrio*, An existing genus; *Paenidesulfonatronovibrio*: A genus related to but distinct from the existing genus Desulfonatronovibrio of almost.

Paenidesulfonatronum

L. nan adverb *paene*, almost; L. neut. n. *Desulfonatronum*, An existing genus; *Paenidesulfonatronum*: A genus related to but distinct from the existing genus Desulfonatronum of almost.

Paenidesulfonauticus

L. nan adverb *paene*, almost; L. masc. n. *Desulfonauticus*, An existing genus; *Paenidesulfonauticus*: A genus related to but distinct from the existing genus Desulfonauticus of almost.

Paenidesulfonema

L. nan adverb *paene*, almost; L. neut. n. *Desulfonema*, An existing genus; *Paenidesulfonema*: A genus related to but distinct from the existing genus Desulfonema of almost.

Paenidesulfonispora

L. nan adverb *paene*, almost; L. fem. n. *Desulfonispora*, An existing genus; *Paenidesulfonispora*: A genus related to but distinct from the existing genus Desulfonispora of almost.

Paenidesulfopila

L. nan adverb *paene*, almost; L. fem. n. *Desulfopila*, An existing genus; *Paenidesulfopila*: A genus related to but distinct from the existing genus Desulfopila of almost.

Paenidesulfoplanes

L. nan adverb *paene*, almost; L. masc. n. *Desulfoplanes*, An existing genus; *Paenidesulfoplanes*: A genus related to but distinct from the existing genus Desulfoplanes of almost.

Paenidesulfoprunum

L. nan adverb *paene*, almost; L. neut. n. *Desulfoprunum*, An existing genus; *Paenidesulfoprunum*: A genus related to but distinct from the existing genus Desulfoprunum of almost.

Paenidesulforegula

L. nan adverb *paene*, almost; L. fem. n. *Desulforegula*, An existing genus; *Paenidesulforegula*: A genus related to but distinct from the existing genus Desulforegula of almost.

Paenidesulforhabdus

L. nan adverb *paene*, almost; L. fem. n. *Desulforhabdus*, An existing genus; *Paenidesulforhabdus*: A genus related to but distinct from the existing genus Desulforhabdus of almost.

Paenidesulforhopalus

L. nan adverb *paene*, almost; L. masc. n. *Desulforhopalus*, An existing genus; *Paenidesulforhopalus*: A genus related to but distinct from the existing genus Desulforhopalus of almost.

Paenidesulfosalsimonas

L. nan adverb *paene*, almost; L. fem. n. *Desulfosalsimonas*, An existing genus; *Paenidesulfosalsimonas*: A genus related to but distinct from the existing genus Desulfosalsimonas of almost.

Paenidesulfosarcina

L. nan adverb *paene*, almost; L. fem. n. *Desulfosarcina*, An existing genus; *Paenidesulfosarcina*: A genus related to but distinct from the existing genus Desulfosarcina of almost.

Paenidesulfosoma

L. nan adverb *paene*, almost; L. neut. n. *Desulfosoma*, An existing genus; *Paenidesulfosoma*: A genus related to but distinct from the existing genus Desulfosoma of almost.

Paenidesulfospira

L. nan adverb *paene*, almost; L. fem. n. *Desulfospira*, An existing genus; *Paenidesulfospira*: A genus related to but distinct from the existing genus Desulfospira of almost.

Paenidesulfosporomusa

L. nan adverb *paene*, almost; L. fem. n. *Desulfosporomusa*, An existing genus; *Paenidesulfosporomusa*: A genus related to but distinct from the existing genus Desulfosporomusa of almost.

Paenidesulfosporosinus

L. nan adverb *paene*, almost; L. masc. n. *Desulfosporosinus*, An existing genus; *Paenidesulfosporosinus*: A genus related to but distinct from the existing genus Desulfosporosinus of almost.

Paenidesulfotalea

L. nan adverb *paene*, almost; L. fem. n. *Desulfotalea*, An existing genus; *Paenidesulfotalea*: A genus related to but distinct from the existing genus Desulfotalea of almost.

Paenidesulfothermobacter

L. nan adverb *paene*, almost; L. masc. n. *Desulfothermobacter*, An existing genus; *Paenidesulfothermobacter*: A genus related to but distinct from the existing genus Desulfothermobacter of almost.

Paenidesulfothermus

L. nan adverb *paene*, almost; L. masc. n. *Desulfothermus*, An existing genus; *Paenidesulfothermus*: A genus related to but distinct from the existing genus Desulfothermus of almost.

Paenidesulfotignum

L. nan adverb *paene*, almost; L. neut. n. *Desulfotignum*, An existing genus; *Paenidesulfotignum*: A genus related to but distinct from the existing genus Desulfotignum of almost.

Paenidesulfotomaculum

L. nan adverb *paene*, almost; L. neut. n. *Desulfotomaculum*, An existing genus; *Paenidesulfotomaculum*: A genus related to but distinct from the existing genus Desulfotomaculum of almost.

Paenidesulfovermiculus

L. nan adverb *paene*, almost; L. masc. n. *Desulfovermiculus*, An existing genus; *Paenidesulfovermiculus*: A genus related to but distinct from the existing genus Desulfovermiculus of almost.

Paenidesulfovibrio

L. nan adverb *paene*, almost; L. masc. n. *Desulfovibrio*, An existing genus; *Paenidesulfovibrio*: A genus related to but distinct from the existing genus Desulfovibrio of almost.

Paenidesulfovirga

L. nan adverb *paene*, almost; L. fem. n. *Desulfovirga*, An existing genus; *Paenidesulfovirga*: A genus related to but distinct from the existing genus Desulfovirga of almost.

Paenidesulfovirgula

L. nan adverb *paene*, almost; L. fem. dim. n. *Desulfovirgula*, An existing genus; *Paenidesulfovirgula*: A genus related to but distinct from the existing genus Desulfovirgula of almost.

Paenidesulfurella

L. nan adverb *paene*, almost; L. fem. dim. n. *Desulfurella*, An existing genus; *Paenidesulfurella*: A genus related to but distinct from the existing genus Desulfurella of almost.

Paenidesulfuribacillus

L. nan adverb *paene*, almost; L. masc. n. *Desulfuribacillus*, An existing genus; *Paenidesulfuribacillus*: A genus related to but distinct from the existing genus Desulfuribacillus of almost.

Paenidesulfurispira

L. nan adverb *paene*, almost; L. fem. n. *Desulfurispira*, An existing genus; *Paenidesulfurispira*: A genus related to but distinct from the existing genus Desulfurispira of almost.

Paenidesulfurispirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Desulfurispirillum*, An existing genus; *Paenidesulfurispirillum*: A genus related to but distinct from the existing genus Desulfurispirillum of almost.

Paenidesulfurispora

L. nan adverb *paene*, almost; L. fem. n. *Desulfurispora*, An existing genus; *Paenidesulfurispora*: A genus related to but distinct from the existing genus Desulfurispora of almost.

Paenidesulfurivibrio

L. nan adverb *paene*, almost; L. masc. n. *Desulfurivibrio*, An existing genus; *Paenidesulfurivibrio*: A genus related to but distinct from the existing genus Desulfurivibrio of almost.

Paenidesulfurobacterium

L. nan adverb *paene*, almost; L. neut. n. *Desulfurobacterium*, An existing genus; *Paenidesulfurobacterium*: A genus related to but distinct from the existing genus Desulfurobacterium of almost.

Paenidesulfurococcus

L. nan adverb *paene*, almost; L. masc. n. *Desulfurococcus*, An existing genus; *Paenidesulfurococcus*: A genus related to but distinct from the existing genus Desulfurococcus of almost.

Paenidesulfuromonas

L. nan adverb *paene*, almost; L. fem. n. *Desulfuromonas*, An existing genus; *Paenidesulfuromonas*: A genus related to but distinct from the existing genus Desulfuromonas of almost.

Paenidesulfuromusa

L. nan adverb *paene*, almost; L. fem. n. *Desulfuromusa*, An existing genus; *Paenidesulfuromusa*: A genus related to but distinct from the existing genus Desulfuromusa of almost.

Paenidethiobacter

L. nan adverb *paene*, almost; L. masc. n. *Dethiobacter*, An existing genus; *Paenidethiobacter*: A genus related to but distinct from the existing genus Dethiobacter of almost.

Paenidethiosulfatarculus

L. nan adverb *paene*, almost; L. masc. dim. n. *Dethiosulfatarculus*, An existing genus; *Paenidethiosulfatarculus*: A genus related to but distinct from the existing genus Dethiosulfatarculus of almost.

Paenidethiosulfatibacter

L. nan adverb *paene*, almost; L. masc. n. *Dethiosulfatibacter*, An existing genus; *Paenidethiosulfatibacter*: A genus related to but distinct from the existing genus Dethiosulfatibacter of almost.

Paenidethiosulfovibrio

L. nan adverb *paene*, almost; L. masc. n. *Dethiosulfovibrio*, An existing genus; *Paenidethiosulfovibrio*: A genus related to but distinct from the existing genus Dethiosulfovibrio of almost.

Paenidevosia

L. nan adverb *paene*, almost; L. fem. n. *Devosia*, An existing genus; *Paenidevosia*: A genus related to but distinct from the existing genus Devosia of almost.

Paenidevriesea

L. nan adverb *paene*, almost; L. fem. n. *Devriesea*, An existing genus; *Paenidevriesea*: A genus related to but distinct from the existing genus Devriesea of almost.

Paenidiaminobutyricibacter

L. nan adverb *paene*, almost; L. masc. n. *Diaminobutyricibacter*, An existing genus; *Paenidiaminobutyricibacter*: A genus related to but distinct from the existing genus Diaminobutyricibacter of almost.

Paenidiaminobutyricimonas

L. nan adverb *paene*, almost; L. fem. n. *Diaminobutyricimonas*, An existing genus; *Paenidiaminobutyricimonas*: A genus related to but distinct from the existing genus Diaminobutyricimonas of almost.

Paenidiaphorobacter

L. nan adverb *paene*, almost; L. masc. n. *Diaphorobacter*, An existing genus; *Paenidiaphorobacter*: A genus related to but distinct from the existing genus Diaphorobacter of almost.

Paenidichelobacter

L. nan adverb *paene*, almost; L. masc. n. *Dichelobacter*, An existing genus; *Paenidichelobacter*: A genus related to but distinct from the existing genus Dichelobacter of almost.

Paenidichotomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Dichotomicrobium*, An existing genus; *Paenidichotomicrobium*: A genus related to but distinct from the existing genus Dichotomicrobium of almost.

Paenidickeya

L. nan adverb *paene*, almost; L. fem. n. *Dickeya*, An existing genus; *Paenidickeya*: A genus related to but distinct from the existing genus Dickeya of almost.

Paenidictyobacter

L. nan adverb *paene*, almost; L. masc. n. *Dictyobacter*, An existing genus; *Paenidictyobacter*: A genus related to but distinct from the existing genus Dictyobacter of almost.

Paenidictyoglomus

L. nan adverb *paene*, almost; L. neut. n. *Dictyoglomus*, An existing genus; *Paenidictyoglomus*: A genus related to but distinct from the existing genus Dictyoglomus of almost.

Paenidielma

L. nan adverb *paene*, almost; L. fem. n. *Dielma*, An existing genus; *Paenidielma*: A genus related to but distinct from the existing genus Dielma of almost.

Paenidietzia

L. nan adverb *paene*, almost; L. fem. n. *Dietzia*, An existing genus; *Paenidietzia*: A genus related to but distinct from the existing genus Dietzia of almost.

Paenidinghuibacter

L. nan adverb *paene*, almost; L. masc. n. *Dinghuibacter*, An existing genus; *Paenidinghuibacter*: A genus related to but distinct from the existing genus Dinghuibacter of almost.

Paenidinoroseobacter

L. nan adverb *paene*, almost; L. masc. n. *Dinoroseobacter*, An existing genus; *Paenidinoroseobacter*: A genus related to but distinct from the existing genus Dinoroseobacter of almost.

Paenidiplocalyx

L. nan adverb *paene*, almost; L. masc. n. *Diplocalyx*, An existing genus; *Paenidiplocalyx*: A genus related to but distinct from the existing genus Diplocalyx of almost.

Paenidiplorickettsia

L. nan adverb *paene*, almost; L. fem. n. *Diplorickettsia*, An existing genus; *Paenidiplorickettsia*: A genus related to but distinct from the existing genus Diplorickettsia of almost.

Paenidiplosphaera

L. nan adverb *paene*, almost; L. fem. n. *Diplosphaera*, An existing genus; *Paenidiplosphaera*: A genus related to but distinct from the existing genus Diplosphaera of almost.

Paenidissulfuribacter

L. nan adverb *paene*, almost; L. masc. n. *Dissulfuribacter*, An existing genus; *Paenidissulfuribacter*: A genus related to but distinct from the existing genus Dissulfuribacter of almost.

Paenidissulfurimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Dissulfurimicrobium*, An existing genus; *Paenidissulfurimicrobium*: A genus related to but distinct from the existing genus Dissulfurimicrobium of almost.

Paenidissulfurirhabdus

L. nan adverb *paene*, almost; L. fem. n. *Dissulfurirhabdus*, An existing genus; *Paenidissulfurirhabdus*: A genus related to but distinct from the existing genus Dissulfurirhabdus of almost.

Paenidokdonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Dokdonella*, An existing genus; *Paenidokdonella*: A genus related to but distinct from the existing genus Dokdonella of almost.

Paenidokdonia

L. nan adverb *paene*, almost; L. fem. n. *Dokdonia*, An existing genus; *Paenidokdonia*: A genus related to but distinct from the existing genus Dokdonia of almost.

Paenidolosicoccus

L. nan adverb *paene*, almost; L. masc. n. *Dolosicoccus*, An existing genus; *Paenidolosicoccus*: A genus related to but distinct from the existing genus Dolosicoccus of almost.

Paenidolosigranulum

L. nan adverb *paene*, almost; L. neut. n. *Dolosigranulum*, An existing genus; *Paenidolosigranulum*: A genus related to but distinct from the existing genus Dolosigranulum of almost.

Paenidomibacillus

L. nan adverb *paene*, almost; L. masc. n. *Domibacillus*, An existing genus; *Paenidomibacillus*: A genus related to but distinct from the existing genus Domibacillus of almost.

Paenidonghaeana

L. nan adverb *paene*, almost; L. fem. n. *Donghaeana*, An existing genus; *Paenidonghaeana*: A genus related to but distinct from the existing genus Donghaeana of almost.

Paenidonghicola

L. nan adverb *paene*, almost; L. masc. n. *Donghicola*, An existing genus; *Paenidonghicola*: A genus related to but distinct from the existing genus Donghicola of almost.

Paenidongia

L. nan adverb *paene*, almost; L. fem. n. *Dongia*, An existing genus; *Paenidongia*: A genus related to but distinct from the existing genus Dongia of almost.

Paenidongshaea

L. nan adverb *paene*, almost; L. fem. n. *Dongshaea*, An existing genus; *Paenidongshaea*: A genus related to but distinct from the existing genus Dongshaea of almost.

Paenidorea

L. nan adverb *paene*, almost; L. fem. n. *Dorea*, An existing genus; *Paenidorea*: A genus related to but distinct from the existing genus Dorea of almost.

Paenidraconibacterium

L. nan adverb *paene*, almost; L. neut. n. *Draconibacterium*, An existing genus; *Paenidraconibacterium*: A genus related to but distinct from the existing genus Draconibacterium of almost.

Paenidrancourtella

L. nan adverb *paene*, almost; L. fem. dim. n. *Drancourtella*, An existing genus; *Paenidrancourtella*: A genus related to but distinct from the existing genus Drancourtella of almost.

Paenidrouetiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Drouetiella*, An existing genus; *Paenidrouetiella*: A genus related to but distinct from the existing genus Drouetiella of almost.

Paenidubosiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Dubosiella*, An existing genus; *Paenidubosiella*: A genus related to but distinct from the existing genus Dubosiella of almost.

Paeniduganella

L. nan adverb *paene*, almost; L. fem. dim. n. *Duganella*, An existing genus; *Paeniduganella*: A genus related to but distinct from the existing genus Duganella of almost.

Paenidulcicalothrix

L. nan adverb *paene*, almost; L. fem. n. *Dulcicalothrix*, An existing genus; *Paenidulcicalothrix*: A genus related to but distinct from the existing genus Dulcicalothrix of almost.

Paeniduncaniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Duncaniella*, An existing genus; *Paeniduncaniella*: A genus related to but distinct from the existing genus Duncaniella of almost.

Paenidyadobacter

L. nan adverb *paene*, almost; L. masc. n. *Dyadobacter*, An existing genus; *Paenidyadobacter*: A genus related to but distinct from the existing genus Dyadobacter of almost.

Paenidyella

L. nan adverb *paene*, almost; L. fem. dim. n. *Dyella*, An existing genus; *Paenidyella*: A genus related to but distinct from the existing genus Dyella of almost.

Paenidysgonomonas

L. nan adverb *paene*, almost; L. fem. n. *Dysgonomonas*, An existing genus; *Paenidysgonomonas*: A genus related to but distinct from the existing genus Dysgonomonas of almost.

Paenidysosmobacter

L. nan adverb *paene*, almost; L. masc. n. *Dysosmobacter*, An existing genus; *Paenidysosmobacter*: A genus related to but distinct from the existing genus Dysosmobacter of almost.

Paeniechinicola

L. nan adverb *paene*, almost; L. fem. n. *Echinicola*, An existing genus; *Paeniechinicola*: A genus related to but distinct from the existing genus Echinicola of almost.

Paeniechinimonas

L. nan adverb *paene*, almost; L. fem. n. *Echinimonas*, An existing genus; *Paeniechinimonas*: A genus related to but distinct from the existing genus Echinimonas of almost.

Paeniectothiorhodosinus

L. nan adverb *paene*, almost; L. masc. n. *Ectothiorhodosinus*, An existing genus; *Paeniectothiorhodosinus*: A genus related to but distinct from the existing genus Ectothiorhodosinus of almost.

Paeniectothiorhodospira

L. nan adverb *paene*, almost; L. fem. n. *Ectothiorhodospira*, An existing genus; *Paeniectothiorhodospira*: A genus related to but distinct from the existing genus Ectothiorhodospira of almost.

Paeniedaphobacillus

L. nan adverb *paene*, almost; L. masc. n. *Edaphobacillus*, An existing genus; *Paeniedaphobacillus*: A genus related to but distinct from the existing genus Edaphobacillus of almost.

Paeniedaphobacter

L. nan adverb *paene*, almost; L. masc. n. *Edaphobacter*, An existing genus; *Paeniedaphobacter*: A genus related to but distinct from the existing genus Edaphobacter of almost.

Paeniedaphocola

L. nan adverb *paene*, almost; L. masc. n. *Edaphocola*, An existing genus; *Paeniedaphocola*: A genus related to but distinct from the existing genus Edaphocola of almost.

Paeniedwardiiplasma

L. nan adverb *paene*, almost; L. neut. n. *Edwardiiplasma*, An existing genus; *Paeniedwardiiplasma*: A genus related to but distinct from the existing genus Edwardiiplasma of almost.

Paeniedwardsiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Edwardsiella*, An existing genus; *Paeniedwardsiella*: A genus related to but distinct from the existing genus Edwardsiella of almost.

Paenieffluviibacter

L. nan adverb *paene*, almost; L. masc. n. *Effluviibacter*, An existing genus; *Paenieffluviibacter*: A genus related to but distinct from the existing genus Effluviibacter of almost.

Paenieffusibacillus

L. nan adverb *paene*, almost; L. masc. n. *Effusibacillus*, An existing genus; *Paenieffusibacillus*: A genus related to but distinct from the existing genus Effusibacillus of almost.

Paenieggerthella

L. nan adverb *paene*, almost; L. fem. dim. n. *Eggerthella*, An existing genus; *Paenieggerthella*: A genus related to but distinct from the existing genus Eggerthella of almost.

Paenieggerthia

L. nan adverb *paene*, almost; L. fem. n. *Eggerthia*, An existing genus; *Paenieggerthia*: A genus related to but distinct from the existing genus Eggerthia of almost.

Paeniegibacter

L. nan adverb *paene*, almost; L. masc. n. *Egibacter*, An existing genus; *Paeniegibacter*: A genus related to but distinct from the existing genus Egibacter of almost.

Paeniegicoccus

L. nan adverb *paene*, almost; L. masc. n. *Egicoccus*, An existing genus; *Paeniegicoccus*: A genus related to but distinct from the existing genus Egicoccus of almost.

Paeniehrlichia

L. nan adverb *paene*, almost; L. fem. n. *Ehrlichia*, An existing genus; *Paeniehrlichia*: A genus related to but distinct from the existing genus Ehrlichia of almost.

Paenieikenella

L. nan adverb *paene*, almost; L. fem. dim. n. *Eikenella*, An existing genus; *Paenieikenella*: A genus related to but distinct from the existing genus Eikenella of almost.

Paenieilatimonas

L. nan adverb *paene*, almost; L. fem. n. *Eilatimonas*, An existing genus; *Paenieilatimonas*: A genus related to but distinct from the existing genus Eilatimonas of almost.

Paenieionea

L. nan adverb *paene*, almost; L. fem. n. *Eionea*, An existing genus; *Paenieionea*: A genus related to but distinct from the existing genus Eionea of almost.

Paenieisenbergiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Eisenbergiella*, An existing genus; *Paenieisenbergiella*: A genus related to but distinct from the existing genus Eisenbergiella of almost.

Paenieisenibacter

L. nan adverb *paene*, almost; L. masc. n. *Eisenibacter*, An existing genus; *Paenieisenibacter*: A genus related to but distinct from the existing genus Eisenibacter of almost.

Paenielainella

L. nan adverb *paene*, almost; L. fem. dim. n. *Elainella*, An existing genus; *Paenielainella*: A genus related to but distinct from the existing genus Elainella of almost.

Paenielioraea

L. nan adverb *paene*, almost; L. fem. n. *Elioraea*, An existing genus; *Paenielioraea*: A genus related to but distinct from the existing genus Elioraea of almost.

Paenielizabethkingia

L. nan adverb *paene*, almost; L. fem. n. *Elizabethkingia*, An existing genus; *Paenielizabethkingia*: A genus related to but distinct from the existing genus Elizabethkingia of almost.

Paeniellagibacter

L. nan adverb *paene*, almost; L. masc. n. *Ellagibacter*, An existing genus; *Paeniellagibacter*: A genus related to but distinct from the existing genus Ellagibacter of almost.

Paenielstera

L. nan adverb *paene*, almost; L. fem. n. *Elstera*, An existing genus; *Paenielstera*: A genus related to but distinct from the existing genus Elstera of almost.

Paenielusimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Elusimicrobium*, An existing genus; *Paenielusimicrobium*: A genus related to but distinct from the existing genus Elusimicrobium of almost.

Paenielytrosporangium

L. nan adverb *paene*, almost; L. neut. n. *Elytrosporangium*, An existing genus; *Paenielytrosporangium*: A genus related to but distinct from the existing genus Elytrosporangium of almost.

Paeniembleya

L. nan adverb *paene*, almost; L. fem. n. *Embleya*, An existing genus; *Paeniembleya*: A genus related to but distinct from the existing genus Embleya of almost.

Paeniemcibacter

L. nan adverb *paene*, almost; L. masc. n. *Emcibacter*, An existing genus; *Paeniemcibacter*: A genus related to but distinct from the existing genus Emcibacter of almost.

Paeniempedobacter

L. nan adverb *paene*, almost; L. masc. n. *Empedobacter*, An existing genus; *Paeniempedobacter*: A genus related to but distinct from the existing genus Empedobacter of almost.

Paeniemticicia

L. nan adverb *paene*, almost; L. fem. n. *Emticicia*, An existing genus; *Paeniemticicia*: A genus related to but distinct from the existing genus Emticicia of almost.

Paeniendobacter

L. nan adverb *paene*, almost; L. masc. n. *Endobacter*, An existing genus; *Paeniendobacter*: A genus related to but distinct from the existing genus Endobacter of almost.

Paeniendobacterium

L. nan adverb *paene*, almost; L. neut. n. *Endobacterium*, An existing genus; *Paeniendobacterium*: A genus related to but distinct from the existing genus Endobacterium of almost.

Paeniendomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Endomicrobium*, An existing genus; *Paeniendomicrobium*: A genus related to but distinct from the existing genus Endomicrobium of almost.

Paeniendothiovibrio

L. nan adverb *paene*, almost; L. masc. n. *Endothiovibrio*, An existing genus; *Paeniendothiovibrio*: A genus related to but distinct from the existing genus Endothiovibrio of almost.

Paeniendozoicomonas

L. nan adverb *paene*, almost; L. fem. n. *Endozoicomonas*, An existing genus; *Paeniendozoicomonas*: A genus related to but distinct from the existing genus Endozoicomonas of almost.

Paenienhydrobacter

L. nan adverb *paene*, almost; L. masc. n. *Enhydrobacter*, An existing genus; *Paenienhydrobacter*: A genus related to but distinct from the existing genus Enhydrobacter of almost.

Paenienhygromyxa

L. nan adverb *paene*, almost; L. fem. n. *Enhygromyxa*, An existing genus; *Paenienhygromyxa*: A genus related to but distinct from the existing genus Enhygromyxa of almost.

Paenienorma

L. nan adverb *paene*, almost; L. fem. n. *Enorma*, An existing genus; *Paenienorma*: A genus related to but distinct from the existing genus Enorma of almost.

Paeniensifer

L. nan adverb *paene*, almost; L. masc. n. *Ensifer*, An existing genus; *Paeniensifer*: A genus related to but distinct from the existing genus Ensifer of almost.

Paenienteractinococcus

L. nan adverb *paene*, almost; L. masc. n. *Enteractinococcus*, An existing genus; *Paenienteractinococcus*: A genus related to but distinct from the existing genus Enteractinococcus of almost.

Paenienterobacter

L. nan adverb *paene*, almost; L. masc. n. *Enterobacter*, An existing genus; *Paenienterobacter*: A genus related to but distinct from the existing genus Enterobacter of almost.

Paenienterocloster

L. nan adverb *paene*, almost; L. masc. n. *Enterocloster*, An existing genus; *Paenienterocloster*: A genus related to but distinct from the existing genus Enterocloster of almost.

Paenienterococcus

L. nan adverb *paene*, almost; L. masc. n. *Enterococcus*, An existing genus; *Paenienterococcus*: A genus related to but distinct from the existing genus Enterococcus of almost.

Paenienterorhabdus

L. nan adverb *paene*, almost; L. fem. n. *Enterorhabdus*, An existing genus; *Paenienterorhabdus*: A genus related to but distinct from the existing genus Enterorhabdus of almost.

Paenienteroscipio

L. nan adverb *paene*, almost; L. masc. n. *Enteroscipio*, An existing genus; *Paenienteroscipio*: A genus related to but distinct from the existing genus Enteroscipio of almost.

Paenienterovibrio

L. nan adverb *paene*, almost; L. masc. n. *Enterovibrio*, An existing genus; *Paenienterovibrio*: A genus related to but distinct from the existing genus Enterovibrio of almost.

Paenientomomonas

L. nan adverb *paene*, almost; L. fem. n. *Entomomonas*, An existing genus; *Paenientomomonas*: A genus related to but distinct from the existing genus Entomomonas of almost.

Paenientomoplasma

L. nan adverb *paene*, almost; L. neut. n. *Entomoplasma*, An existing genus; *Paenientomoplasma*: A genus related to but distinct from the existing genus Entomoplasma of almost.

Paenieperythrozoon

L. nan adverb *paene*, almost; L. neut. n. *Eperythrozoon*, An existing genus; *Paenieperythrozoon*: A genus related to but distinct from the existing genus Eperythrozoon of almost.

Paeniephemeroptericola

L. nan adverb *paene*, almost; L. masc. n. *Ephemeroptericola*, An existing genus; *Paeniephemeroptericola*: A genus related to but distinct from the existing genus Ephemeroptericola of almost.

Paeniepibacterium

L. nan adverb *paene*, almost; L. neut. n. *Epibacterium*, An existing genus; *Paeniepibacterium*: A genus related to but distinct from the existing genus Epibacterium of almost.

Paeniepidermidibacterium

L. nan adverb *paene*, almost; L. neut. n. *Epidermidibacterium*, An existing genus; *Paeniepidermidibacterium*: A genus related to but distinct from the existing genus Epidermidibacterium of almost.

Paeniepigloeosphaera

L. nan adverb *paene*, almost; L. fem. n. *Epigloeosphaera*, An existing genus; *Paeniepigloeosphaera*: A genus related to but distinct from the existing genus Epigloeosphaera of almost.

Paeniepilithonimonas

L. nan adverb *paene*, almost; L. fem. n. *Epilithonimonas*, An existing genus; *Paeniepilithonimonas*: A genus related to but distinct from the existing genus Epilithonimonas of almost.

Paeniercella

L. nan adverb *paene*, almost; L. fem. dim. n. *Ercella*, An existing genus; *Paeniercella*: A genus related to but distinct from the existing genus Ercella of almost.

Paeniereboglobus

L. nan adverb *paene*, almost; L. masc. n. *Ereboglobus*, An existing genus; *Paeniereboglobus*: A genus related to but distinct from the existing genus Ereboglobus of almost.

Paenieremococcus

L. nan adverb *paene*, almost; L. masc. n. *Eremococcus*, An existing genus; *Paenieremococcus*: A genus related to but distinct from the existing genus Eremococcus of almost.

Paenierwinia

L. nan adverb *paene*, almost; L. fem. n. *Erwinia*, An existing genus; *Paenierwinia*: A genus related to but distinct from the existing genus Erwinia of almost.

Paenierysipelothrix

L. nan adverb *paene*, almost; L. fem. n. *Erysipelothrix*, An existing genus; *Paenierysipelothrix*: A genus related to but distinct from the existing genus Erysipelothrix of almost.

Paenierythrobacter

L. nan adverb *paene*, almost; L. masc. n. *Erythrobacter*, An existing genus; *Paenierythrobacter*: A genus related to but distinct from the existing genus Erythrobacter of almost.

Paenierythromicrobium

L. nan adverb *paene*, almost; L. neut. n. *Erythromicrobium*, An existing genus; *Paenierythromicrobium*: A genus related to but distinct from the existing genus Erythromicrobium of almost.

Paenierythromonas

L. nan adverb *paene*, almost; L. fem. n. *Erythromonas*, An existing genus; *Paenierythromonas*: A genus related to but distinct from the existing genus Erythromonas of almost.

Paeniescherichia

L. nan adverb *paene*, almost; L. fem. n. *Escherichia*, An existing genus; *Paeniescherichia*: A genus related to but distinct from the existing genus Escherichia of almost.

Paeniethanoligenens

L. nan adverb *paene*, almost; L. neut. n. *Ethanoligenens*, An existing genus; *Paeniethanoligenens*: A genus related to but distinct from the existing genus Ethanoligenens of almost.

Paenieubacterium

L. nan adverb *paene*, almost; L. neut. n. *Eubacterium*, An existing genus; *Paenieubacterium*: A genus related to but distinct from the existing genus Eubacterium of almost.

Paenieucapsis

L. nan adverb *paene*, almost; L. fem. n. *Eucapsis*, An existing genus; *Paenieucapsis*: A genus related to but distinct from the existing genus Eucapsis of almost.

Paenieudoraea

L. nan adverb *paene*, almost; L. fem. n. *Eudoraea*, An existing genus; *Paenieudoraea*: A genus related to but distinct from the existing genus Eudoraea of almost.

Paenieuryhalocaulis

L. nan adverb *paene*, almost; L. masc. n. *Euryhalocaulis*, An existing genus; *Paenieuryhalocaulis*: A genus related to but distinct from the existing genus Euryhalocaulis of almost.

Paenieuzebya

L. nan adverb *paene*, almost; L. fem. n. *Euzebya*, An existing genus; *Paenieuzebya*: A genus related to but distinct from the existing genus Euzebya of almost.

Paenieuzebyella

L. nan adverb *paene*, almost; L. fem. dim. n. *Euzebyella*, An existing genus; *Paenieuzebyella*: A genus related to but distinct from the existing genus Euzebyella of almost.

Paeniewamiania

L. nan adverb *paene*, almost; L. fem. n. *Ewamiania*, An existing genus; *Paeniewamiania*: A genus related to but distinct from the existing genus Ewamiania of almost.

Paeniewingella

L. nan adverb *paene*, almost; L. fem. dim. n. *Ewingella*, An existing genus; *Paeniewingella*: A genus related to but distinct from the existing genus Ewingella of almost.

Paeniexcellospora

L. nan adverb *paene*, almost; L. fem. n. *Excellospora*, An existing genus; *Paeniexcellospora*: A genus related to but distinct from the existing genus Excellospora of almost.

Paeniexilibacterium

L. nan adverb *paene*, almost; L. neut. n. *Exilibacterium*, An existing genus; *Paeniexilibacterium*: A genus related to but distinct from the existing genus Exilibacterium of almost.

Paeniexilispira

L. nan adverb *paene*, almost; L. fem. n. *Exilispira*, An existing genus; *Paeniexilispira*: A genus related to but distinct from the existing genus Exilispira of almost.

Paeniextensimonas

L. nan adverb *paene*, almost; L. fem. n. *Extensimonas*, An existing genus; *Paeniextensimonas*: A genus related to but distinct from the existing genus Extensimonas of almost.

Paeniextibacter

L. nan adverb *paene*, almost; L. masc. n. *Extibacter*, An existing genus; *Paeniextibacter*: A genus related to but distinct from the existing genus Extibacter of almost.

Paenifabibacter

L. nan adverb *paene*, almost; L. masc. n. *Fabibacter*, An existing genus; *Paenifabibacter*: A genus related to but distinct from the existing genus Fabibacter of almost.

Paenifabivirga

L. nan adverb *paene*, almost; L. fem. n. *Fabivirga*, An existing genus; *Paenifabivirga*: A genus related to but distinct from the existing genus Fabivirga of almost.

Paenifacilibium

L. nan adverb *paene*, almost; L. neut. n. *Facilibium*, An existing genus; *Paenifacilibium*: A genus related to but distinct from the existing genus Facilibium of almost.

Paenifacklamia

L. nan adverb *paene*, almost; L. fem. n. *Facklamia*, An existing genus; *Paenifacklamia*: A genus related to but distinct from the existing genus Facklamia of almost.

Paenifaecalibacillus

L. nan adverb *paene*, almost; L. masc. n. *Faecalibacillus*, An existing genus; *Paenifaecalibacillus*: A genus related to but distinct from the existing genus Faecalibacillus of almost.

Paenifaecalibacter

L. nan adverb *paene*, almost; L. masc. n. *Faecalibacter*, An existing genus; *Paenifaecalibacter*: A genus related to but distinct from the existing genus Faecalibacter of almost.

Paenifaecalibacterium

L. nan adverb *paene*, almost; L. neut. n. *Faecalibacterium*, An existing genus; *Paenifaecalibacterium*: A genus related to but distinct from the existing genus Faecalibacterium of almost.

Paenifaecalibaculum

L. nan adverb *paene*, almost; L. neut. n. *Faecalibaculum*, An existing genus; *Paenifaecalibaculum*: A genus related to but distinct from the existing genus Faecalibaculum of almost.

Paenifaecalicatena

L. nan adverb *paene*, almost; L. fem. n. *Faecalicatena*, An existing genus; *Paenifaecalicatena*: A genus related to but distinct from the existing genus Faecalicatena of almost.

Paenifaecalicoccus

L. nan adverb *paene*, almost; L. masc. n. *Faecalicoccus*, An existing genus; *Paenifaecalicoccus*: A genus related to but distinct from the existing genus Faecalicoccus of almost.

Paenifaecalimonas

L. nan adverb *paene*, almost; L. fem. n. *Faecalimonas*, An existing genus; *Paenifaecalimonas*: A genus related to but distinct from the existing genus Faecalimonas of almost.

Paenifaecalitalea

L. nan adverb *paene*, almost; L. fem. n. *Faecalitalea*, An existing genus; *Paenifaecalitalea*: A genus related to but distinct from the existing genus Faecalitalea of almost.

Paenifaenia

L. nan adverb *paene*, almost; L. fem. n. *Faenia*, An existing genus; *Paenifaenia*: A genus related to but distinct from the existing genus Faenia of almost.

Paenifalcatimonas

L. nan adverb *paene*, almost; L. fem. n. *Falcatimonas*, An existing genus; *Paenifalcatimonas*: A genus related to but distinct from the existing genus Falcatimonas of almost.

Paenifalsarthrobacter

L. nan adverb *paene*, almost; L. masc. n. *Falsarthrobacter*, An existing genus; *Paenifalsarthrobacter*: A genus related to but distinct from the existing genus Falsarthrobacter of almost.

Paenifalsibacillus

L. nan adverb *paene*, almost; L. masc. n. *Falsibacillus*, An existing genus; *Paenifalsibacillus*: A genus related to but distinct from the existing genus Falsibacillus of almost.

Paenifalsigemmobacter

L. nan adverb *paene*, almost; L. masc. n. *Falsigemmobacter*, An existing genus; *Paenifalsigemmobacter*: A genus related to but distinct from the existing genus Falsigemmobacter of almost.

Paenifalsiporphyromonas

L. nan adverb *paene*, almost; L. fem. n. *Falsiporphyromonas*, An existing genus; *Paenifalsiporphyromonas*: A genus related to but distinct from the existing genus Falsiporphyromonas of almost.

Paenifalsirhodobacter

L. nan adverb *paene*, almost; L. masc. n. *Falsirhodobacter*, An existing genus; *Paenifalsirhodobacter*: A genus related to but distinct from the existing genus Falsirhodobacter of almost.

Paenifalsochrobactrum

L. nan adverb *paene*, almost; L. neut. n. *Falsochrobactrum*, An existing genus; *Paenifalsochrobactrum*: A genus related to but distinct from the existing genus Falsochrobactrum of almost.

Paenifangia

L. nan adverb *paene*, almost; L. fem. n. *Fangia*, An existing genus; *Paenifangia*: A genus related to but distinct from the existing genus Fangia of almost.

Paenifannyhessea

L. nan adverb *paene*, almost; L. fem. n. *Fannyhessea*, An existing genus; *Paenifannyhessea*: A genus related to but distinct from the existing genus Fannyhessea of almost.

Paenifastidiosipila

L. nan adverb *paene*, almost; L. fem. n. *Fastidiosipila*, An existing genus; *Paenifastidiosipila*: A genus related to but distinct from the existing genus Fastidiosipila of almost.

Paenifaucicola

L. nan adverb *paene*, almost; L. fem. n. *Faucicola*, An existing genus; *Paenifaucicola*: A genus related to but distinct from the existing genus Faucicola of almost.

Paenifeifantangia

L. nan adverb *paene*, almost; L. fem. n. *Feifantangia*, An existing genus; *Paenifeifantangia*: A genus related to but distinct from the existing genus Feifantangia of almost.

Paenifenollaria

L. nan adverb *paene*, almost; L. fem. n. *Fenollaria*, An existing genus; *Paenifenollaria*: A genus related to but distinct from the existing genus Fenollaria of almost.

Paenifermentibacillus

L. nan adverb *paene*, almost; L. masc. n. *Fermentibacillus*, An existing genus; *Paenifermentibacillus*: A genus related to but distinct from the existing genus Fermentibacillus of almost.

Paenifermentimonas

L. nan adverb *paene*, almost; L. fem. n. *Fermentimonas*, An existing genus; *Paenifermentimonas*: A genus related to but distinct from the existing genus Fermentimonas of almost.

Paeniferribacterium

L. nan adverb *paene*, almost; L. neut. n. *Ferribacterium*, An existing genus; *Paeniferribacterium*: A genus related to but distinct from the existing genus Ferribacterium of almost.

Paeniferrigenium

L. nan adverb *paene*, almost; L. neut. n. *Ferrigenium*, An existing genus; *Paeniferrigenium*: A genus related to but distinct from the existing genus Ferrigenium of almost.

Paeniferrimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Ferrimicrobium*, An existing genus; *Paeniferrimicrobium*: A genus related to but distinct from the existing genus Ferrimicrobium of almost.

Paeniferrimonas

L. nan adverb *paene*, almost; L. fem. n. *Ferrimonas*, An existing genus; *Paeniferrimonas*: A genus related to but distinct from the existing genus Ferrimonas of almost.

Paeniferriphaselus

L. nan adverb *paene*, almost; L. masc. n. *Ferriphaselus*, An existing genus; *Paeniferriphaselus*: A genus related to but distinct from the existing genus Ferriphaselus of almost.

Paeniferrithrix

L. nan adverb *paene*, almost; L. fem. n. *Ferrithrix*, An existing genus; *Paeniferrithrix*: A genus related to but distinct from the existing genus Ferrithrix of almost.

Paeniferroglobus

L. nan adverb *paene*, almost; L. masc. n. *Ferroglobus*, An existing genus; *Paeniferroglobus*: A genus related to but distinct from the existing genus Ferroglobus of almost.

Paeniferroplasma

L. nan adverb *paene*, almost; L. neut. n. *Ferroplasma*, An existing genus; *Paeniferroplasma*: A genus related to but distinct from the existing genus Ferroplasma of almost.

Paeniferrovibrio

L. nan adverb *paene*, almost; L. masc. n. *Ferrovibrio*, An existing genus; *Paeniferrovibrio*: A genus related to but distinct from the existing genus Ferrovibrio of almost.

Paeniferruginibacter

L. nan adverb *paene*, almost; L. masc. n. *Ferruginibacter*, An existing genus; *Paeniferruginibacter*: A genus related to but distinct from the existing genus Ferruginibacter of almost.

Paeniferruginivarius

L. nan adverb *paene*, almost; L. masc. n. *Ferruginivarius*, An existing genus; *Paeniferruginivarius*: A genus related to but distinct from the existing genus Ferruginivarius of almost.

Paenifervidicella

L. nan adverb *paene*, almost; L. fem. n. *Fervidicella*, An existing genus; *Paenifervidicella*: A genus related to but distinct from the existing genus Fervidicella of almost.

Paenifervidicoccus

L. nan adverb *paene*, almost; L. masc. n. *Fervidicoccus*, An existing genus; *Paenifervidicoccus*: A genus related to but distinct from the existing genus Fervidicoccus of almost.

Paenifervidicola

L. nan adverb *paene*, almost; L. masc. n. *Fervidicola*, An existing genus; *Paenifervidicola*: A genus related to but distinct from the existing genus Fervidicola of almost.

Paenifervidobacterium

L. nan adverb *paene*, almost; L. neut. n. *Fervidobacterium*, An existing genus; *Paenifervidobacterium*: A genus related to but distinct from the existing genus Fervidobacterium of almost.

Paenifibrella

L. nan adverb *paene*, almost; L. fem. dim. n. *Fibrella*, An existing genus; *Paenifibrella*: A genus related to but distinct from the existing genus Fibrella of almost.

Paenifibrisoma

L. nan adverb *paene*, almost; L. neut. n. *Fibrisoma*, An existing genus; *Paenifibrisoma*: A genus related to but distinct from the existing genus Fibrisoma of almost.

Paenifibrobacter

L. nan adverb *paene*, almost; L. masc. n. *Fibrobacter*, An existing genus; *Paenifibrobacter*: A genus related to but distinct from the existing genus Fibrobacter of almost.

Paenifictibacillus

L. nan adverb *paene*, almost; L. masc. n. *Fictibacillus*, An existing genus; *Paenifictibacillus*: A genus related to but distinct from the existing genus Fictibacillus of almost.

Paenifilibacter

L. nan adverb *paene*, almost; L. masc. n. *Filibacter*, An existing genus; *Paenifilibacter*: A genus related to but distinct from the existing genus Filibacter of almost.

Paenifilifactor

L. nan adverb *paene*, almost; L. masc. n. *Filifactor*, An existing genus; *Paenifilifactor*: A genus related to but distinct from the existing genus Filifactor of almost.

Paenifilimonas

L. nan adverb *paene*, almost; L. fem. n. *Filimonas*, An existing genus; *Paenifilimonas*: A genus related to but distinct from the existing genus Filimonas of almost.

Paenifilobacillus

L. nan adverb *paene*, almost; L. masc. n. *Filobacillus*, An existing genus; *Paenifilobacillus*: A genus related to but distinct from the existing genus Filobacillus of almost.

Paenifilobacterium

L. nan adverb *paene*, almost; L. neut. n. *Filobacterium*, An existing genus; *Paenifilobacterium*: A genus related to but distinct from the existing genus Filobacterium of almost.

Paenifilomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Filomicrobium*, An existing genus; *Paenifilomicrobium*: A genus related to but distinct from the existing genus Filomicrobium of almost.

Paenifimbriiglobus

L. nan adverb *paene*, almost; L. masc. n. *Fimbriiglobus*, An existing genus; *Paenifimbriiglobus*: A genus related to but distinct from the existing genus Fimbriiglobus of almost.

Paenifimbriimonas

L. nan adverb *paene*, almost; L. fem. n. *Fimbriimonas*, An existing genus; *Paenifimbriimonas*: A genus related to but distinct from the existing genus Fimbriimonas of almost.

Paenifinegoldia

L. nan adverb *paene*, almost; L. fem. n. *Finegoldia*, An existing genus; *Paenifinegoldia*: A genus related to but distinct from the existing genus Finegoldia of almost.

Paeniflagellimonas

L. nan adverb *paene*, almost; L. fem. n. *Flagellimonas*, An existing genus; *Paeniflagellimonas*: A genus related to but distinct from the existing genus Flagellimonas of almost.

Paeniflammeovirga

L. nan adverb *paene*, almost; L. fem. n. *Flammeovirga*, An existing genus; *Paeniflammeovirga*: A genus related to but distinct from the existing genus Flammeovirga of almost.

Paeniflaviaesturariibacter

L. nan adverb *paene*, almost; L. masc. n. *Flaviaesturariibacter*, An existing genus; *Paeniflaviaesturariibacter*: A genus related to but distinct from the existing genus Flaviaesturariibacter of almost.

Paeniflavicella

L. nan adverb *paene*, almost; L. fem. n. *Flavicella*, An existing genus; *Paeniflavicella*: A genus related to but distinct from the existing genus Flavicella of almost.

Paeniflaviflagellibacter

L. nan adverb *paene*, almost; L. masc. n. *Flaviflagellibacter*, An existing genus; *Paeniflaviflagellibacter*: A genus related to but distinct from the existing genus Flaviflagellibacter of almost.

Paeniflaviflexus

L. nan adverb *paene*, almost; L. masc. n. *Flaviflexus*, An existing genus; *Paeniflaviflexus*: A genus related to but distinct from the existing genus Flaviflexus of almost.

Paeniflavihumibacter

L. nan adverb *paene*, almost; L. masc. n. *Flavihumibacter*, An existing genus; *Paeniflavihumibacter*: A genus related to but distinct from the existing genus Flavihumibacter of almost.

Paeniflavilitoribacter

L. nan adverb *paene*, almost; L. masc. n. *Flavilitoribacter*, An existing genus; *Paeniflavilitoribacter*: A genus related to but distinct from the existing genus Flavilitoribacter of almost.

Paeniflavimaricola

L. nan adverb *paene*, almost; L. masc. n. *Flavimaricola*, An existing genus; *Paeniflavimaricola*: A genus related to but distinct from the existing genus Flavimaricola of almost.

Paeniflavimarina

L. nan adverb *paene*, almost; L. fem. n. *Flavimarina*, An existing genus; *Paeniflavimarina*: A genus related to but distinct from the existing genus Flavimarina of almost.

Paeniflavimobilis

L. nan adverb *paene*, almost; L. masc. n. *Flavimobilis*, An existing genus; *Paeniflavimobilis*: A genus related to but distinct from the existing genus Flavimobilis of almost.

Paeniflavimonas

L. nan adverb *paene*, almost; L. fem. n. *Flavimonas*, An existing genus; *Paeniflavimonas*: A genus related to but distinct from the existing genus Flavimonas of almost.

Paeniflavipsychrobacter

L. nan adverb *paene*, almost; L. masc. n. *Flavipsychrobacter*, An existing genus; *Paeniflavipsychrobacter*: A genus related to but distinct from the existing genus Flavipsychrobacter of almost.

Paeniflaviramulus

L. nan adverb *paene*, almost; L. masc. dim. n. *Flaviramulus*, An existing genus; *Paeniflaviramulus*: A genus related to but distinct from the existing genus Flaviramulus of almost.

Paeniflavirhabdus

L. nan adverb *paene*, almost; L. fem. n. *Flavirhabdus*, An existing genus; *Paeniflavirhabdus*: A genus related to but distinct from the existing genus Flavirhabdus of almost.

Paeniflavisolibacter

L. nan adverb *paene*, almost; L. masc. n. *Flavisolibacter*, An existing genus; *Paeniflavisolibacter*: A genus related to but distinct from the existing genus Flavisolibacter of almost.

Paeniflavitalea

L. nan adverb *paene*, almost; L. fem. n. *Flavitalea*, An existing genus; *Paeniflavitalea*: A genus related to but distinct from the existing genus Flavitalea of almost.

Paeniflavivirga

L. nan adverb *paene*, almost; L. fem. n. *Flavivirga*, An existing genus; *Paeniflavivirga*: A genus related to but distinct from the existing genus Flavivirga of almost.

Paeniflavobacterium

L. nan adverb *paene*, almost; L. neut. n. *Flavobacterium*, An existing genus; *Paeniflavobacterium*: A genus related to but distinct from the existing genus Flavobacterium of almost.

Paeniflavonifractor

L. nan adverb *paene*, almost; L. masc. n. *Flavonifractor*, An existing genus; *Paeniflavonifractor*: A genus related to but distinct from the existing genus Flavonifractor of almost.

Paeniflectobacillus

L. nan adverb *paene*, almost; L. masc. n. *Flectobacillus*, An existing genus; *Paeniflectobacillus*: A genus related to but distinct from the existing genus Flectobacillus of almost.

Paeniflexibacter

L. nan adverb *paene*, almost; L. masc. n. *Flexibacter*, An existing genus; *Paeniflexibacter*: A genus related to but distinct from the existing genus Flexibacter of almost.

Paeniflexilinea

L. nan adverb *paene*, almost; L. fem. n. *Flexilinea*, An existing genus; *Paeniflexilinea*: A genus related to but distinct from the existing genus Flexilinea of almost.

Paeniflexistipes

L. nan adverb *paene*, almost; L. masc. n. *Flexistipes*, An existing genus; *Paeniflexistipes*: A genus related to but distinct from the existing genus Flexistipes of almost.

Paeniflexithrix

L. nan adverb *paene*, almost; L. fem. n. *Flexithrix*, An existing genus; *Paeniflexithrix*: A genus related to but distinct from the existing genus Flexithrix of almost.

Paeniflexivirga

L. nan adverb *paene*, almost; L. fem. n. *Flexivirga*, An existing genus; *Paeniflexivirga*: A genus related to but distinct from the existing genus Flexivirga of almost.

Paeniflindersiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Flindersiella*, An existing genus; *Paeniflindersiella*: A genus related to but distinct from the existing genus Flindersiella of almost.

Paeniflintibacter

L. nan adverb *paene*, almost; L. masc. n. *Flintibacter*, An existing genus; *Paeniflintibacter*: A genus related to but distinct from the existing genus Flintibacter of almost.

Paenifloricoccus

L. nan adverb *paene*, almost; L. masc. n. *Floricoccus*, An existing genus; *Paenifloricoccus*: A genus related to but distinct from the existing genus Floricoccus of almost.

Paenifluoribacter

L. nan adverb *paene*, almost; L. masc. n. *Fluoribacter*, An existing genus; *Paenifluoribacter*: A genus related to but distinct from the existing genus Fluoribacter of almost.

Paenifluviibacterium

L. nan adverb *paene*, almost; L. neut. n. *Fluviibacterium*, An existing genus; *Paenifluviibacterium*: A genus related to but distinct from the existing genus Fluviibacterium of almost.

Paenifluviicoccus

L. nan adverb *paene*, almost; L. masc. n. *Fluviicoccus*, An existing genus; *Paenifluviicoccus*: A genus related to but distinct from the existing genus Fluviicoccus of almost.

Paenifluviicola

L. nan adverb *paene*, almost; L. masc. n. *Fluviicola*, An existing genus; *Paenifluviicola*: A genus related to but distinct from the existing genus Fluviicola of almost.

Paenifluviimonas

L. nan adverb *paene*, almost; L. fem. n. *Fluviimonas*, An existing genus; *Paenifluviimonas*: A genus related to but distinct from the existing genus Fluviimonas of almost.

Paenifluviispira

L. nan adverb *paene*, almost; L. fem. n. *Fluviispira*, An existing genus; *Paenifluviispira*: A genus related to but distinct from the existing genus Fluviispira of almost.

Paenifodinibacter

L. nan adverb *paene*, almost; L. masc. n. *Fodinibacter*, An existing genus; *Paenifodinibacter*: A genus related to but distinct from the existing genus Fodinibacter of almost.

Paenifodinibius

L. nan adverb *paene*, almost; L. masc. n. *Fodinibius*, An existing genus; *Paenifodinibius*: A genus related to but distinct from the existing genus Fodinibius of almost.

Paenifodinicola

L. nan adverb *paene*, almost; L. masc. n. *Fodinicola*, An existing genus; *Paenifodinicola*: A genus related to but distinct from the existing genus Fodinicola of almost.

Paenifodinicurvata

L. nan adverb *paene*, almost; L. fem. n. *Fodinicurvata*, An existing genus; *Paenifodinicurvata*: A genus related to but distinct from the existing genus Fodinicurvata of almost.

Paenifoliisarcina

L. nan adverb *paene*, almost; L. fem. n. *Foliisarcina*, An existing genus; *Paenifoliisarcina*: A genus related to but distinct from the existing genus Foliisarcina of almost.

Paenifontibacillus

L. nan adverb *paene*, almost; L. masc. n. *Fontibacillus*, An existing genus; *Paenifontibacillus*: A genus related to but distinct from the existing genus Fontibacillus of almost.

Paenifontibacter

L. nan adverb *paene*, almost; L. masc. n. *Fontibacter*, An existing genus; *Paenifontibacter*: A genus related to but distinct from the existing genus Fontibacter of almost.

Paenifonticella

L. nan adverb *paene*, almost; L. fem. n. *Fonticella*, An existing genus; *Paenifonticella*: A genus related to but distinct from the existing genus Fonticella of almost.

Paenifontimonas

L. nan adverb *paene*, almost; L. fem. n. *Fontimonas*, An existing genus; *Paenifontimonas*: A genus related to but distinct from the existing genus Fontimonas of almost.

Paeniformivibrio

L. nan adverb *paene*, almost; L. masc. n. *Formivibrio*, An existing genus; *Paeniformivibrio*: A genus related to but distinct from the existing genus Formivibrio of almost.

Paeniformosa

L. nan adverb *paene*, almost; L. fem. n. *Formosa*, An existing genus; *Paeniformosa*: A genus related to but distinct from the existing genus Formosa of almost.

Paeniformosimonas

L. nan adverb *paene*, almost; L. fem. n. *Formosimonas*, An existing genus; *Paeniformosimonas*: A genus related to but distinct from the existing genus Formosimonas of almost.

Paenifournierella

L. nan adverb *paene*, almost; L. fem. dim. n. *Fournierella*, An existing genus; *Paenifournierella*: A genus related to but distinct from the existing genus Fournierella of almost.

Paenifrancisella

L. nan adverb *paene*, almost; L. fem. dim. n. *Francisella*, An existing genus; *Paenifrancisella*: A genus related to but distinct from the existing genus Francisella of almost.

Paenifranconibacter

L. nan adverb *paene*, almost; L. masc. n. *Franconibacter*, An existing genus; *Paenifranconibacter*: A genus related to but distinct from the existing genus Franconibacter of almost.

Paenifrankia

L. nan adverb *paene*, almost; L. fem. n. *Frankia*, An existing genus; *Paenifrankia*: A genus related to but distinct from the existing genus Frankia of almost.

Paenifrateuria

L. nan adverb *paene*, almost; L. fem. n. *Frateuria*, An existing genus; *Paenifrateuria*: A genus related to but distinct from the existing genus Frateuria of almost.

Paenifrederiksenia

L. nan adverb *paene*, almost; L. fem. n. *Frederiksenia*, An existing genus; *Paenifrederiksenia*: A genus related to but distinct from the existing genus Frederiksenia of almost.

Paenifretibacter

L. nan adverb *paene*, almost; L. masc. n. *Fretibacter*, An existing genus; *Paenifretibacter*: A genus related to but distinct from the existing genus Fretibacter of almost.

Paenifretibacterium

L. nan adverb *paene*, almost; L. neut. n. *Fretibacterium*, An existing genus; *Paenifretibacterium*: A genus related to but distinct from the existing genus Fretibacterium of almost.

Paenifriedmanniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Friedmanniella*, An existing genus; *Paenifriedmanniella*: A genus related to but distinct from the existing genus Friedmanniella of almost.

Paenifrigidibacter

L. nan adverb *paene*, almost; L. masc. n. *Frigidibacter*, An existing genus; *Paenifrigidibacter*: A genus related to but distinct from the existing genus Frigidibacter of almost.

Paenifrigoribacterium

L. nan adverb *paene*, almost; L. neut. n. *Frigoribacterium*, An existing genus; *Paenifrigoribacterium*: A genus related to but distinct from the existing genus Frigoribacterium of almost.

Paenifrischella

L. nan adverb *paene*, almost; L. fem. dim. n. *Frischella*, An existing genus; *Paenifrischella*: A genus related to but distinct from the existing genus Frischella of almost.

Paenifrisingicoccus

L. nan adverb *paene*, almost; L. masc. n. *Frisingicoccus*, An existing genus; *Paenifrisingicoccus*: A genus related to but distinct from the existing genus Frisingicoccus of almost.

Paenifrondibacter

L. nan adverb *paene*, almost; L. masc. n. *Frondibacter*, An existing genus; *Paenifrondibacter*: A genus related to but distinct from the existing genus Frondibacter of almost.

Paenifrondicola

L. nan adverb *paene*, almost; L. masc. n. *Frondicola*, An existing genus; *Paenifrondicola*: A genus related to but distinct from the existing genus Frondicola of almost.

Paenifrondihabitans

L. nan adverb *paene*, almost; L. masc. n. *Frondihabitans*, An existing genus; *Paenifrondihabitans*: A genus related to but distinct from the existing genus Frondihabitans of almost.

Paenifructilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Fructilactobacillus*, An existing genus; *Paenifructilactobacillus*: A genus related to but distinct from the existing genus Fructilactobacillus of almost.

Paenifructobacillus

L. nan adverb *paene*, almost; L. masc. n. *Fructobacillus*, An existing genus; *Paenifructobacillus*: A genus related to but distinct from the existing genus Fructobacillus of almost.

Paenifuchsiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Fuchsiella*, An existing genus; *Paenifuchsiella*: A genus related to but distinct from the existing genus Fuchsiella of almost.

Paenifudania

L. nan adverb *paene*, almost; L. fem. n. *Fudania*, An existing genus; *Paenifudania*: A genus related to but distinct from the existing genus Fudania of almost.

Paenifuerstia

L. nan adverb *paene*, almost; L. fem. n. *Fuerstia*, An existing genus; *Paenifuerstia*: A genus related to but distinct from the existing genus Fuerstia of almost.

Paenifulvibacter

L. nan adverb *paene*, almost; L. masc. n. *Fulvibacter*, An existing genus; *Paenifulvibacter*: A genus related to but distinct from the existing genus Fulvibacter of almost.

Paenifulvimarina

L. nan adverb *paene*, almost; L. fem. n. *Fulvimarina*, An existing genus; *Paenifulvimarina*: A genus related to but distinct from the existing genus Fulvimarina of almost.

Paenifulvimonas

L. nan adverb *paene*, almost; L. fem. n. *Fulvimonas*, An existing genus; *Paenifulvimonas*: A genus related to but distinct from the existing genus Fulvimonas of almost.

Paenifulvitalea

L. nan adverb *paene*, almost; L. fem. n. *Fulvitalea*, An existing genus; *Paenifulvitalea*: A genus related to but distinct from the existing genus Fulvitalea of almost.

Paenifulvivirga

L. nan adverb *paene*, almost; L. fem. n. *Fulvivirga*, An existing genus; *Paenifulvivirga*: A genus related to but distinct from the existing genus Fulvivirga of almost.

Paenifundibacter

L. nan adverb *paene*, almost; L. masc. n. *Fundibacter*, An existing genus; *Paenifundibacter*: A genus related to but distinct from the existing genus Fundibacter of almost.

Paenifundicoccus

L. nan adverb *paene*, almost; L. masc. n. *Fundicoccus*, An existing genus; *Paenifundicoccus*: A genus related to but distinct from the existing genus Fundicoccus of almost.

Paenifurfurilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Furfurilactobacillus*, An existing genus; *Paenifurfurilactobacillus*: A genus related to but distinct from the existing genus Furfurilactobacillus of almost.

Paenifuscovulum

L. nan adverb *paene*, almost; L. neut. n. *Fuscovulum*, An existing genus; *Paenifuscovulum*: A genus related to but distinct from the existing genus Fuscovulum of almost.

Paenifusibacter

L. nan adverb *paene*, almost; L. masc. n. *Fusibacter*, An existing genus; *Paenifusibacter*: A genus related to but distinct from the existing genus Fusibacter of almost.

Paenifusicatenibacter

L. nan adverb *paene*, almost; L. masc. n. *Fusicatenibacter*, An existing genus; *Paenifusicatenibacter*: A genus related to but distinct from the existing genus Fusicatenibacter of almost.

Paenifusimonas

L. nan adverb *paene*, almost; L. fem. n. *Fusimonas*, An existing genus; *Paenifusimonas*: A genus related to but distinct from the existing genus Fusimonas of almost.

Paenifusobacterium

L. nan adverb *paene*, almost; L. neut. n. *Fusobacterium*, An existing genus; *Paenifusobacterium*: A genus related to but distinct from the existing genus Fusobacterium of almost.

Paenigabonia

L. nan adverb *paene*, almost; L. fem. n. *Gabonia*, An existing genus; *Paenigabonia*: A genus related to but distinct from the existing genus Gabonia of almost.

Paenigabonibacter

L. nan adverb *paene*, almost; L. masc. n. *Gabonibacter*, An existing genus; *Paenigabonibacter*: A genus related to but distinct from the existing genus Gabonibacter of almost.

Paenigaetbulibacter

L. nan adverb *paene*, almost; L. masc. n. *Gaetbulibacter*, An existing genus; *Paenigaetbulibacter*: A genus related to but distinct from the existing genus Gaetbulibacter of almost.

Paenigaetbulicola

L. nan adverb *paene*, almost; L. masc. n. *Gaetbulicola*, An existing genus; *Paenigaetbulicola*: A genus related to but distinct from the existing genus Gaetbulicola of almost.

Paenigaetbulimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Gaetbulimicrobium*, An existing genus; *Paenigaetbulimicrobium*: A genus related to but distinct from the existing genus Gaetbulimicrobium of almost.

Paenigaiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Gaiella*, An existing genus; *Paenigaiella*: A genus related to but distinct from the existing genus Gaiella of almost.

Paenigalbibacter

L. nan adverb *paene*, almost; L. masc. n. *Galbibacter*, An existing genus; *Paenigalbibacter*: A genus related to but distinct from the existing genus Galbibacter of almost.

Paenigalbitalea

L. nan adverb *paene*, almost; L. fem. n. *Galbitalea*, An existing genus; *Paenigalbitalea*: A genus related to but distinct from the existing genus Galbitalea of almost.

Paenigallaecimonas

L. nan adverb *paene*, almost; L. fem. n. *Gallaecimonas*, An existing genus; *Paenigallaecimonas*: A genus related to but distinct from the existing genus Gallaecimonas of almost.

Paenigallibacterium

L. nan adverb *paene*, almost; L. neut. n. *Gallibacterium*, An existing genus; *Paenigallibacterium*: A genus related to but distinct from the existing genus Gallibacterium of almost.

Paenigallicola

L. nan adverb *paene*, almost; L. masc. n. *Gallicola*, An existing genus; *Paenigallicola*: A genus related to but distinct from the existing genus Gallicola of almost.

Paenigallionella

L. nan adverb *paene*, almost; L. fem. dim. n. *Gallionella*, An existing genus; *Paenigallionella*: A genus related to but distinct from the existing genus Gallionella of almost.

Paenigalliscardovia

L. nan adverb *paene*, almost; L. fem. n. *Galliscardovia*, An existing genus; *Paenigalliscardovia*: A genus related to but distinct from the existing genus Galliscardovia of almost.

Paenigandjariella

L. nan adverb *paene*, almost; L. fem. dim. n. *Gandjariella*, An existing genus; *Paenigandjariella*: A genus related to but distinct from the existing genus Gandjariella of almost.

Paenigangjinia

L. nan adverb *paene*, almost; L. fem. n. *Gangjinia*, An existing genus; *Paenigangjinia*: A genus related to but distinct from the existing genus Gangjinia of almost.

Paenigarciella

L. nan adverb *paene*, almost; L. fem. dim. n. *Garciella*, An existing genus; *Paenigarciella*: A genus related to but distinct from the existing genus Garciella of almost.

Paenigardnerella

L. nan adverb *paene*, almost; L. fem. dim. n. *Gardnerella*, An existing genus; *Paenigardnerella*: A genus related to but distinct from the existing genus Gardnerella of almost.

Paenigaricola

L. nan adverb *paene*, almost; L. masc. n. *Garicola*, An existing genus; *Paenigaricola*: A genus related to but distinct from the existing genus Garicola of almost.

Paenigarritya

L. nan adverb *paene*, almost; L. fem. n. *Garritya*, An existing genus; *Paenigarritya*: A genus related to but distinct from the existing genus Garritya of almost.

Paenigayadomonas

L. nan adverb *paene*, almost; L. fem. n. *Gayadomonas*, An existing genus; *Paenigayadomonas*: A genus related to but distinct from the existing genus Gayadomonas of almost.

Paenigelatiniphilus

L. nan adverb *paene*, almost; L. masc. n. *Gelatiniphilus*, An existing genus; *Paenigelatiniphilus*: A genus related to but distinct from the existing genus Gelatiniphilus of almost.

Paenigelidibacter

L. nan adverb *paene*, almost; L. masc. n. *Gelidibacter*, An existing genus; *Paenigelidibacter*: A genus related to but distinct from the existing genus Gelidibacter of almost.

Paenigellertiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Gellertiella*, An existing genus; *Paenigellertiella*: A genus related to but distinct from the existing genus Gellertiella of almost.

Paenigelria

L. nan adverb *paene*, almost; L. fem. n. *Gelria*, An existing genus; *Paenigelria*: A genus related to but distinct from the existing genus Gelria of almost.

Paenigemella

L. nan adverb *paene*, almost; L. fem. dim. n. *Gemella*, An existing genus; *Paenigemella*: A genus related to but distinct from the existing genus Gemella of almost.

Paenigeminicoccus

L. nan adverb *paene*, almost; L. masc. n. *Geminicoccus*, An existing genus; *Paenigeminicoccus*: A genus related to but distinct from the existing genus Geminicoccus of almost.

Paenigeminisphaera

L. nan adverb *paene*, almost; L. fem. n. *Geminisphaera*, An existing genus; *Paenigeminisphaera*: A genus related to but distinct from the existing genus Geminisphaera of almost.

Paenigeminobacterium

L. nan adverb *paene*, almost; L. neut. n. *Geminobacterium*, An existing genus; *Paenigeminobacterium*: A genus related to but distinct from the existing genus Geminobacterium of almost.

Paenigemmata

L. nan adverb *paene*, almost; L. fem. n. *Gemmata*, An existing genus; *Paenigemmata*: A genus related to but distinct from the existing genus Gemmata of almost.

Paenigemmatimonas

L. nan adverb *paene*, almost; L. fem. n. *Gemmatimonas*, An existing genus; *Paenigemmatimonas*: A genus related to but distinct from the existing genus Gemmatimonas of almost.

Paenigemmatirosa

L. nan adverb *paene*, almost; L. fem. n. *Gemmatirosa*, An existing genus; *Paenigemmatirosa*: A genus related to but distinct from the existing genus Gemmatirosa of almost.

Paenigemmiger

L. nan adverb *paene*, almost; L. masc. n. *Gemmiger*, An existing genus; *Paenigemmiger*: A genus related to but distinct from the existing genus Gemmiger of almost.

Paenigeoalkalibacter

L. nan adverb *paene*, almost; L. masc. n. *Geoalkalibacter*, An existing genus; *Paenigeoalkalibacter*: A genus related to but distinct from the existing genus Geoalkalibacter of almost.

Paenigeobacillus

L. nan adverb *paene*, almost; L. masc. n. *Geobacillus*, An existing genus; *Paenigeobacillus*: A genus related to but distinct from the existing genus Geobacillus of almost.

Paenigeobacter

L. nan adverb *paene*, almost; L. masc. n. *Geobacter*, An existing genus; *Paenigeobacter*: A genus related to but distinct from the existing genus Geobacter of almost.

Paenigeodermatophilus

L. nan adverb *paene*, almost; L. masc. n. *Geodermatophilus*, An existing genus; *Paenigeodermatophilus*: A genus related to but distinct from the existing genus Geodermatophilus of almost.

Paenigeofilum

L. nan adverb *paene*, almost; L. neut. n. *Geofilum*, An existing genus; *Paenigeofilum*: A genus related to but distinct from the existing genus Geofilum of almost.

Paenigeoglobus

L. nan adverb *paene*, almost; L. masc. n. *Geoglobus*, An existing genus; *Paenigeoglobus*: A genus related to but distinct from the existing genus Geoglobus of almost.

Paenigeojedonia

L. nan adverb *paene*, almost; L. fem. n. *Geojedonia*, An existing genus; *Paenigeojedonia*: A genus related to but distinct from the existing genus Geojedonia of almost.

Paenigeomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Geomicrobium*, An existing genus; *Paenigeomicrobium*: A genus related to but distinct from the existing genus Geomicrobium of almost.

Paenigeomonas

L. nan adverb *paene*, almost; L. fem. n. *Geomonas*, An existing genus; *Paenigeomonas*: A genus related to but distinct from the existing genus Geomonas of almost.

Paenigeopsychrobacter

L. nan adverb *paene*, almost; L. masc. n. *Geopsychrobacter*, An existing genus; *Paenigeopsychrobacter*: A genus related to but distinct from the existing genus Geopsychrobacter of almost.

Paenigeorgenia

L. nan adverb *paene*, almost; L. fem. n. *Georgenia*, An existing genus; *Paenigeorgenia*: A genus related to but distinct from the existing genus Georgenia of almost.

Paenigeorgfuchsia

L. nan adverb *paene*, almost; L. fem. n. *Georgfuchsia*, An existing genus; *Paenigeorgfuchsia*: A genus related to but distinct from the existing genus Georgfuchsia of almost.

Paenigeorhizobium

L. nan adverb *paene*, almost; L. neut. n. *Georhizobium*, An existing genus; *Paenigeorhizobium*: A genus related to but distinct from the existing genus Georhizobium of almost.

Paenigeosporobacter

L. nan adverb *paene*, almost; L. masc. n. *Geosporobacter*, An existing genus; *Paenigeosporobacter*: A genus related to but distinct from the existing genus Geosporobacter of almost.

Paenigeothermobacter

L. nan adverb *paene*, almost; L. masc. n. *Geothermobacter*, An existing genus; *Paenigeothermobacter*: A genus related to but distinct from the existing genus Geothermobacter of almost.

Paenigeothermobacterium

L. nan adverb *paene*, almost; L. neut. n. *Geothermobacterium*, An existing genus; *Paenigeothermobacterium*: A genus related to but distinct from the existing genus Geothermobacterium of almost.

Paenigeothermomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Geothermomicrobium*, An existing genus; *Paenigeothermomicrobium*: A genus related to but distinct from the existing genus Geothermomicrobium of almost.

Paenigeothrix

L. nan adverb *paene*, almost; L. fem. n. *Geothrix*, An existing genus; *Paenigeothrix*: A genus related to but distinct from the existing genus Geothrix of almost.

Paenigeotoga

L. nan adverb *paene*, almost; L. fem. n. *Geotoga*, An existing genus; *Paenigeotoga*: A genus related to but distinct from the existing genus Geotoga of almost.

Paenigeovibrio

L. nan adverb *paene*, almost; L. masc. n. *Geovibrio*, An existing genus; *Paenigeovibrio*: A genus related to but distinct from the existing genus Geovibrio of almost.

Paenighiorsea

L. nan adverb *paene*, almost; L. fem. n. *Ghiorsea*, An existing genus; *Paenighiorsea*: A genus related to but distinct from the existing genus Ghiorsea of almost.

Paenigibbsiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Gibbsiella*, An existing genus; *Paenigibbsiella*: A genus related to but distinct from the existing genus Gibbsiella of almost.

Paenigiesbergeria

L. nan adverb *paene*, almost; L. fem. n. *Giesbergeria*, An existing genus; *Paenigiesbergeria*: A genus related to but distinct from the existing genus Giesbergeria of almost.

Paenigilliamella

L. nan adverb *paene*, almost; L. fem. dim. n. *Gilliamella*, An existing genus; *Paenigilliamella*: A genus related to but distinct from the existing genus Gilliamella of almost.

Paenigillisia

L. nan adverb *paene*, almost; L. fem. n. *Gillisia*, An existing genus; *Paenigillisia*: A genus related to but distinct from the existing genus Gillisia of almost.

Paenigilvibacter

L. nan adverb *paene*, almost; L. masc. n. *Gilvibacter*, An existing genus; *Paenigilvibacter*: A genus related to but distinct from the existing genus Gilvibacter of almost.

Paenigilvimarinus

L. nan adverb *paene*, almost; L. masc. n. *Gilvimarinus*, An existing genus; *Paenigilvimarinus*: A genus related to but distinct from the existing genus Gilvimarinus of almost.

Paenigimesia

L. nan adverb *paene*, almost; L. fem. n. *Gimesia*, An existing genus; *Paenigimesia*: A genus related to but distinct from the existing genus Gimesia of almost.

Paeniglaciecola

L. nan adverb *paene*, almost; L. fem. n. *Glaciecola*, An existing genus; *Paeniglaciecola*: A genus related to but distinct from the existing genus Glaciecola of almost.

Paeniglaciibacter

L. nan adverb *paene*, almost; L. masc. n. *Glaciibacter*, An existing genus; *Paeniglaciibacter*: A genus related to but distinct from the existing genus Glaciibacter of almost.

Paeniglaciihabitans

L. nan adverb *paene*, almost; L. masc. n. *Glaciihabitans*, An existing genus; *Paeniglaciihabitans*: A genus related to but distinct from the existing genus Glaciihabitans of almost.

Paeniglaciimonas

L. nan adverb *paene*, almost; L. fem. n. *Glaciimonas*, An existing genus; *Paeniglaciimonas*: A genus related to but distinct from the existing genus Glaciimonas of almost.

Paeniglaesserella

L. nan adverb *paene*, almost; L. fem. dim. n. *Glaesserella*, An existing genus; *Paeniglaesserella*: A genus related to but distinct from the existing genus Glaesserella of almost.

Paenigleimia

L. nan adverb *paene*, almost; L. fem. n. *Gleimia*, An existing genus; *Paenigleimia*: A genus related to but distinct from the existing genus Gleimia of almost.

Paeniglobicatella

L. nan adverb *paene*, almost; L. fem. dim. n. *Globicatella*, An existing genus; *Paeniglobicatella*: A genus related to but distinct from the existing genus Globicatella of almost.

Paenigloeobacter

L. nan adverb *paene*, almost; L. masc. n. *Gloeobacter*, An existing genus; *Paenigloeobacter*: A genus related to but distinct from the existing genus Gloeobacter of almost.

Paenigloeomargarita

L. nan adverb *paene*, almost; L. fem. n. *Gloeomargarita*, An existing genus; *Paenigloeomargarita*: A genus related to but distinct from the existing genus Gloeomargarita of almost.

Paeniglucerabacter

L. nan adverb *paene*, almost; L. masc. n. *Glucerabacter*, An existing genus; *Paeniglucerabacter*: A genus related to but distinct from the existing genus Glucerabacter of almost.

Paenigluconacetobacter

L. nan adverb *paene*, almost; L. masc. n. *Gluconacetobacter*, An existing genus; *Paenigluconacetobacter*: A genus related to but distinct from the existing genus Gluconacetobacter of almost.

Paenigluconobacter

L. nan adverb *paene*, almost; L. masc. n. *Gluconobacter*, An existing genus; *Paenigluconobacter*: A genus related to but distinct from the existing genus Gluconobacter of almost.

Paeniglutamicibacter

L. nan adverb *paene*, almost; L. masc. n. *Glutamicibacter*, An existing genus; *Paeniglutamicibacter*: A genus related to but distinct from the existing genus Glutamicibacter of almost.

Paeniglycocaulis

L. nan adverb *paene*, almost; L. masc. n. *Glycocaulis*, An existing genus; *Paeniglycocaulis*: A genus related to but distinct from the existing genus Glycocaulis of almost.

Paeniglycomyces

L. nan adverb *paene*, almost; L. masc. n. *Glycomyces*, An existing genus; *Paeniglycomyces*: A genus related to but distinct from the existing genus Glycomyces of almost.

Paenigodleya

L. nan adverb *paene*, almost; L. fem. n. *Godleya*, An existing genus; *Paenigodleya*: A genus related to but distinct from the existing genus Godleya of almost.

Paenigomontiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Gomontiella*, An existing genus; *Paenigomontiella*: A genus related to but distinct from the existing genus Gomontiella of almost.

Paenigoodfellowia

L. nan adverb *paene*, almost; L. fem. n. *Goodfellowia*, An existing genus; *Paenigoodfellowia*: A genus related to but distinct from the existing genus Goodfellowia of almost.

Paenigoodfellowiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Goodfellowiella*, An existing genus; *Paenigoodfellowiella*: A genus related to but distinct from the existing genus Goodfellowiella of almost.

Paenigordona

L. nan adverb *paene*, almost; L. fem. n. *Gordona*, An existing genus; *Paenigordona*: A genus related to but distinct from the existing genus Gordona of almost.

Paenigordonia

L. nan adverb *paene*, almost; L. fem. n. *Gordonia*, An existing genus; *Paenigordonia*: A genus related to but distinct from the existing genus Gordonia of almost.

Paenigordonibacter

L. nan adverb *paene*, almost; L. masc. n. *Gordonibacter*, An existing genus; *Paenigordonibacter*: A genus related to but distinct from the existing genus Gordonibacter of almost.

Paenigorillibacterium

L. nan adverb *paene*, almost; L. neut. n. *Gorillibacterium*, An existing genus; *Paenigorillibacterium*: A genus related to but distinct from the existing genus Gorillibacterium of almost.

Paenigottschalkia

L. nan adverb *paene*, almost; L. fem. n. *Gottschalkia*, An existing genus; *Paenigottschalkia*: A genus related to but distinct from the existing genus Gottschalkia of almost.

Paenigracilibacillus

L. nan adverb *paene*, almost; L. masc. n. *Gracilibacillus*, An existing genus; *Paenigracilibacillus*: A genus related to but distinct from the existing genus Gracilibacillus of almost.

Paenigracilibacter

L. nan adverb *paene*, almost; L. masc. n. *Gracilibacter*, An existing genus; *Paenigracilibacter*: A genus related to but distinct from the existing genus Gracilibacter of almost.

Paenigracilimonas

L. nan adverb *paene*, almost; L. fem. n. *Gracilimonas*, An existing genus; *Paenigracilimonas*: A genus related to but distinct from the existing genus Gracilimonas of almost.

Paenigrahamella

L. nan adverb *paene*, almost; L. fem. dim. n. *Grahamella*, An existing genus; *Paenigrahamella*: A genus related to but distinct from the existing genus Grahamella of almost.

Paenigramella

L. nan adverb *paene*, almost; L. fem. dim. n. *Gramella*, An existing genus; *Paenigramella*: A genus related to but distinct from the existing genus Gramella of almost.

Paenigranulibacter

L. nan adverb *paene*, almost; L. masc. n. *Granulibacter*, An existing genus; *Paenigranulibacter*: A genus related to but distinct from the existing genus Granulibacter of almost.

Paenigranulicella

L. nan adverb *paene*, almost; L. fem. n. *Granulicella*, An existing genus; *Paenigranulicella*: A genus related to but distinct from the existing genus Granulicella of almost.

Paenigranulicoccus

L. nan adverb *paene*, almost; L. masc. n. *Granulicoccus*, An existing genus; *Paenigranulicoccus*: A genus related to but distinct from the existing genus Granulicoccus of almost.

Paenigranulosicoccus

L. nan adverb *paene*, almost; L. masc. n. *Granulosicoccus*, An existing genus; *Paenigranulosicoccus*: A genus related to but distinct from the existing genus Granulosicoccus of almost.

Paenigrimontia

L. nan adverb *paene*, almost; L. fem. n. *Grimontia*, An existing genus; *Paenigrimontia*: A genus related to but distinct from the existing genus Grimontia of almost.

Paenigryllotalpicola

L. nan adverb *paene*, almost; L. masc. n. *Gryllotalpicola*, An existing genus; *Paenigryllotalpicola*: A genus related to but distinct from the existing genus Gryllotalpicola of almost.

Paenigudongella

L. nan adverb *paene*, almost; L. fem. dim. n. *Gudongella*, An existing genus; *Paenigudongella*: A genus related to but distinct from the existing genus Gudongella of almost.

Paeniguggenheimella

L. nan adverb *paene*, almost; L. fem. dim. n. *Guggenheimella*, An existing genus; *Paeniguggenheimella*: A genus related to but distinct from the existing genus Guggenheimella of almost.

Paenigulbenkiania

L. nan adverb *paene*, almost; L. fem. n. *Gulbenkiania*, An existing genus; *Paenigulbenkiania*: A genus related to but distinct from the existing genus Gulbenkiania of almost.

Paenigulosibacter

L. nan adverb *paene*, almost; L. masc. n. *Gulosibacter*, An existing genus; *Paenigulosibacter*: A genus related to but distinct from the existing genus Gulosibacter of almost.

Paeniguyparkeria

L. nan adverb *paene*, almost; L. fem. n. *Guyparkeria*, An existing genus; *Paeniguyparkeria*: A genus related to but distinct from the existing genus Guyparkeria of almost.

Paenigynuella

L. nan adverb *paene*, almost; L. fem. dim. n. *Gynuella*, An existing genus; *Paenigynuella*: A genus related to but distinct from the existing genus Gynuella of almost.

Paenigynurincola

L. nan adverb *paene*, almost; L. masc. n. *Gynurincola*, An existing genus; *Paenigynurincola*: A genus related to but distinct from the existing genus Gynurincola of almost.

Paenihaematomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Haematomicrobium*, An existing genus; *Paenihaematomicrobium*: A genus related to but distinct from the existing genus Haematomicrobium of almost.

Paenihaemobartonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Haemobartonella*, An existing genus; *Paenihaemobartonella*: A genus related to but distinct from the existing genus Haemobartonella of almost.

Paenihaemophilus

L. nan adverb *paene*, almost; L. masc. n. *Haemophilus*, An existing genus; *Paenihaemophilus*: A genus related to but distinct from the existing genus Haemophilus of almost.

Paenihahella

L. nan adverb *paene*, almost; L. fem. dim. n. *Hahella*, An existing genus; *Paenihahella*: A genus related to but distinct from the existing genus Hahella of almost.

Paenihahyoungchilella

L. nan adverb *paene*, almost; L. fem. dim. n. *Hahyoungchilella*, An existing genus; *Paenihahyoungchilella*: A genus related to but distinct from the existing genus Hahyoungchilella of almost.

Paenihaladaptatus

L. nan adverb *paene*, almost; L. masc. n. *Haladaptatus*, An existing genus; *Paenihaladaptatus*: A genus related to but distinct from the existing genus Haladaptatus of almost.

Paenihalalkaliarchaeum

L. nan adverb *paene*, almost; L. neut. n. *Halalkaliarchaeum*, An existing genus; *Paenihalalkaliarchaeum*: A genus related to but distinct from the existing genus Halalkaliarchaeum of almost.

Paenihalalkalibacillus

L. nan adverb *paene*, almost; L. masc. n. *Halalkalibacillus*, An existing genus; *Paenihalalkalibacillus*: A genus related to but distinct from the existing genus Halalkalibacillus of almost.

Paenihalalkalicoccus

L. nan adverb *paene*, almost; L. masc. n. *Halalkalicoccus*, An existing genus; *Paenihalalkalicoccus*: A genus related to but distinct from the existing genus Halalkalicoccus of almost.

Paenihalanaeroarchaeum

L. nan adverb *paene*, almost; L. neut. n. *Halanaeroarchaeum*, An existing genus; *Paenihalanaeroarchaeum*: A genus related to but distinct from the existing genus Halanaeroarchaeum of almost.

Paenihalanaerobacter

L. nan adverb *paene*, almost; L. masc. n. *Halanaerobacter*, An existing genus; *Paenihalanaerobacter*: A genus related to but distinct from the existing genus Halanaerobacter of almost.

Paenihalanaerobium

L. nan adverb *paene*, almost; L. neut. n. *Halanaerobium*, An existing genus; *Paenihalanaerobium*: A genus related to but distinct from the existing genus Halanaerobium of almost.

Paenihalanaerocella

L. nan adverb *paene*, almost; L. fem. n. *Halanaerocella*, An existing genus; *Paenihalanaerocella*: A genus related to but distinct from the existing genus Halanaerocella of almost.

Paenihalapricum

L. nan adverb *paene*, almost; L. neut. n. *Halapricum*, An existing genus; *Paenihalapricum*: A genus related to but distinct from the existing genus Halapricum of almost.

Paenihalarchaeum

L. nan adverb *paene*, almost; L. neut. n. *Halarchaeum*, An existing genus; *Paenihalarchaeum*: A genus related to but distinct from the existing genus Halarchaeum of almost.

Paenihalarsenatibacter

L. nan adverb *paene*, almost; L. masc. n. *Halarsenatibacter*, An existing genus; *Paenihalarsenatibacter*: A genus related to but distinct from the existing genus Halarsenatibacter of almost.

Paenihalegenticoccus

L. nan adverb *paene*, almost; L. masc. n. *Halegenticoccus*, An existing genus; *Paenihalegenticoccus*: A genus related to but distinct from the existing genus Halegenticoccus of almost.

Paenihaliangium

L. nan adverb *paene*, almost; L. neut. n. *Haliangium*, An existing genus; *Paenihaliangium*: A genus related to but distinct from the existing genus Haliangium of almost.

Paenihaliea

L. nan adverb *paene*, almost; L. fem. n. *Haliea*, An existing genus; *Paenihaliea*: A genus related to but distinct from the existing genus Haliea of almost.

Paenihalioglobus

L. nan adverb *paene*, almost; L. masc. n. *Halioglobus*, An existing genus; *Paenihalioglobus*: A genus related to but distinct from the existing genus Halioglobus of almost.

Paenihalioxenophilus

L. nan adverb *paene*, almost; L. masc. n. *Halioxenophilus*, An existing genus; *Paenihalioxenophilus*: A genus related to but distinct from the existing genus Halioxenophilus of almost.

Paenihaliscomenobacter

L. nan adverb *paene*, almost; L. masc. n. *Haliscomenobacter*, An existing genus; *Paenihaliscomenobacter*: A genus related to but distinct from the existing genus Haliscomenobacter of almost.

Paenihallella

L. nan adverb *paene*, almost; L. fem. dim. n. *Hallella*, An existing genus; *Paenihallella*: A genus related to but distinct from the existing genus Hallella of almost.

Paenihaloactinobacterium

L. nan adverb *paene*, almost; L. neut. n. *Haloactinobacterium*, An existing genus; *Paenihaloactinobacterium*: A genus related to but distinct from the existing genus Haloactinobacterium of almost.

Paenihaloactinomyces

L. nan adverb *paene*, almost; L. masc. n. *Haloactinomyces*, An existing genus; *Paenihaloactinomyces*: A genus related to but distinct from the existing genus Haloactinomyces of almost.

Paenihaloactinopolyspora

L. nan adverb *paene*, almost; L. fem. n. *Haloactinopolyspora*, An existing genus; *Paenihaloactinopolyspora*: A genus related to but distinct from the existing genus Haloactinopolyspora of almost.

Paenihaloactinospora

L. nan adverb *paene*, almost; L. fem. n. *Haloactinospora*, An existing genus; *Paenihaloactinospora*: A genus related to but distinct from the existing genus Haloactinospora of almost.

Paenihaloarchaeobius

L. nan adverb *paene*, almost; L. masc. n. *Haloarchaeobius*, An existing genus; *Paenihaloarchaeobius*: A genus related to but distinct from the existing genus Haloarchaeobius of almost.

Paenihaloarcula

L. nan adverb *paene*, almost; L. fem. dim. n. *Haloarcula*, An existing genus; *Paenihaloarcula*: A genus related to but distinct from the existing genus Haloarcula of almost.

Paenihalobacteriovorax

L. nan adverb *paene*, almost; L. masc. n. *Halobacteriovorax*, An existing genus; *Paenihalobacteriovorax*: A genus related to but distinct from the existing genus Halobacteriovorax of almost.

Paenihalobacterium

L. nan adverb *paene*, almost; L. neut. n. *Halobacterium*, An existing genus; *Paenihalobacterium*: A genus related to but distinct from the existing genus Halobacterium of almost.

Paenihalobacteroides

L. nan adverb *paene*, almost; L. masc. n. *Halobacteroides*, An existing genus; *Paenihalobacteroides*: A genus related to but distinct from the existing genus Halobacteroides of almost.

Paenihalobaculum

L. nan adverb *paene*, almost; L. neut. n. *Halobaculum*, An existing genus; *Paenihalobaculum*: A genus related to but distinct from the existing genus Halobaculum of almost.

Paenihalobellus

L. nan adverb *paene*, almost; L. masc. n. *Halobellus*, An existing genus; *Paenihalobellus*: A genus related to but distinct from the existing genus Halobellus of almost.

Paenihalobiforma

L. nan adverb *paene*, almost; L. fem. n. *Halobiforma*, An existing genus; *Paenihalobiforma*: A genus related to but distinct from the existing genus Halobiforma of almost.

Paenihalobium

L. nan adverb *paene*, almost; L. neut. n. *Halobium*, An existing genus; *Paenihalobium*: A genus related to but distinct from the existing genus Halobium of almost.

Paenihalocalculus

L. nan adverb *paene*, almost; L. masc. n. *Halocalculus*, An existing genus; *Paenihalocalculus*: A genus related to but distinct from the existing genus Halocalculus of almost.

Paenihalocella

L. nan adverb *paene*, almost; L. fem. n. *Halocella*, An existing genus; *Paenihalocella*: A genus related to but distinct from the existing genus Halocella of almost.

Paenihalochromatium

L. nan adverb *paene*, almost; L. neut. n. *Halochromatium*, An existing genus; *Paenihalochromatium*: A genus related to but distinct from the existing genus Halochromatium of almost.

Paenihalococcoides

L. nan adverb *paene*, almost; L. neut. n. *Halococcoides*, An existing genus; *Paenihalococcoides*: A genus related to but distinct from the existing genus Halococcoides of almost.

Paenihalococcus

L. nan adverb *paene*, almost; L. masc. n. *Halococcus*, An existing genus; *Paenihalococcus*: A genus related to but distinct from the existing genus Halococcus of almost.

Paenihalocynthiibacter

L. nan adverb *paene*, almost; L. masc. n. *Halocynthiibacter*, An existing genus; *Paenihalocynthiibacter*: A genus related to but distinct from the existing genus Halocynthiibacter of almost.

Paenihalodesulfovibrio

L. nan adverb *paene*, almost; L. masc. n. *Halodesulfovibrio*, An existing genus; *Paenihalodesulfovibrio*: A genus related to but distinct from the existing genus Halodesulfovibrio of almost.

Paenihalodesulfurarchaeum

L. nan adverb *paene*, almost; L. neut. n. *Halodesulfurarchaeum*, An existing genus; *Paenihalodesulfurarchaeum*: A genus related to but distinct from the existing genus Halodesulfurarchaeum of almost.

Paenihalodurantibacterium

L. nan adverb *paene*, almost; L. neut. n. *Halodurantibacterium*, An existing genus; *Paenihalodurantibacterium*: A genus related to but distinct from the existing genus Halodurantibacterium of almost.

Paenihaloechinothrix

L. nan adverb *paene*, almost; L. fem. n. *Haloechinothrix*, An existing genus; *Paenihaloechinothrix*: A genus related to but distinct from the existing genus Haloechinothrix of almost.

Paenihaloferax

L. nan adverb *paene*, almost; L. neut. n. *Haloferax*, An existing genus; *Paenihaloferax*: A genus related to but distinct from the existing genus Haloferax of almost.

Paenihaloferula

L. nan adverb *paene*, almost; L. fem. n. *Haloferula*, An existing genus; *Paenihaloferula*: A genus related to but distinct from the existing genus Haloferula of almost.

Paenihalofilum

L. nan adverb *paene*, almost; L. neut. n. *Halofilum*, An existing genus; *Paenihalofilum*: A genus related to but distinct from the existing genus Halofilum of almost.

Paenihaloflavibacter

L. nan adverb *paene*, almost; L. masc. n. *Haloflavibacter*, An existing genus; *Paenihaloflavibacter*: A genus related to but distinct from the existing genus Haloflavibacter of almost.

Paenihalogeometricum

L. nan adverb *paene*, almost; L. neut. n. *Halogeometricum*, An existing genus; *Paenihalogeometricum*: A genus related to but distinct from the existing genus Halogeometricum of almost.

Paenihaloglycomyces

L. nan adverb *paene*, almost; L. masc. n. *Haloglycomyces*, An existing genus; *Paenihaloglycomyces*: A genus related to but distinct from the existing genus Haloglycomyces of almost.

Paenihalogranum

L. nan adverb *paene*, almost; L. neut. n. *Halogranum*, An existing genus; *Paenihalogranum*: A genus related to but distinct from the existing genus Halogranum of almost.

Paenihalohasta

L. nan adverb *paene*, almost; L. fem. n. *Halohasta*, An existing genus; *Paenihalohasta*: A genus related to but distinct from the existing genus Halohasta of almost.

Paenihaloimpatiens

L. nan adverb *paene*, almost; L. masc. n. *Haloimpatiens*, An existing genus; *Paenihaloimpatiens*: A genus related to but distinct from the existing genus Haloimpatiens of almost.

Paenihaloincola

L. nan adverb *paene*, almost; L. masc. n. *Haloincola*, An existing genus; *Paenihaloincola*: A genus related to but distinct from the existing genus Haloincola of almost.

Paenihalolactibacillus

L. nan adverb *paene*, almost; L. masc. n. *Halolactibacillus*, An existing genus; *Paenihalolactibacillus*: A genus related to but distinct from the existing genus Halolactibacillus of almost.

Paenihalolamina

L. nan adverb *paene*, almost; L. fem. n. *Halolamina*, An existing genus; *Paenihalolamina*: A genus related to but distinct from the existing genus Halolamina of almost.

Paenihaloleptolyngbya

L. nan adverb *paene*, almost; L. fem. n. *Haloleptolyngbya*, An existing genus; *Paenihaloleptolyngbya*: A genus related to but distinct from the existing genus Haloleptolyngbya of almost.

Paenihalomarina

L. nan adverb *paene*, almost; L. fem. n. *Halomarina*, An existing genus; *Paenihalomarina*: A genus related to but distinct from the existing genus Halomarina of almost.

Paenihalomethanococcus

L. nan adverb *paene*, almost; L. masc. n. *Halomethanococcus*, An existing genus; *Paenihalomethanococcus*: A genus related to but distinct from the existing genus Halomethanococcus of almost.

Paenihalomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Halomicrobium*, An existing genus; *Paenihalomicrobium*: A genus related to but distinct from the existing genus Halomicrobium of almost.

Paenihalomicrococcus

L. nan adverb *paene*, almost; L. masc. n. *Halomicrococcus*, An existing genus; *Paenihalomicrococcus*: A genus related to but distinct from the existing genus Halomicrococcus of almost.

Paenihalomicronema

L. nan adverb *paene*, almost; L. neut. n. *Halomicronema*, An existing genus; *Paenihalomicronema*: A genus related to but distinct from the existing genus Halomicronema of almost.

Paenihalomonas

L. nan adverb *paene*, almost; L. fem. n. *Halomonas*, An existing genus; *Paenihalomonas*: A genus related to but distinct from the existing genus Halomonas of almost.

Paenihalonatronum

L. nan adverb *paene*, almost; L. neut. n. *Halonatronum*, An existing genus; *Paenihalonatronum*: A genus related to but distinct from the existing genus Halonatronum of almost.

Paenihalonotius

L. nan adverb *paene*, almost; L. masc. n. *Halonotius*, An existing genus; *Paenihalonotius*: A genus related to but distinct from the existing genus Halonotius of almost.

Paenihaloparvum

L. nan adverb *paene*, almost; L. neut. n. *Haloparvum*, An existing genus; *Paenihaloparvum*: A genus related to but distinct from the existing genus Haloparvum of almost.

Paenihalopelagius

L. nan adverb *paene*, almost; L. masc. n. *Halopelagius*, An existing genus; *Paenihalopelagius*: A genus related to but distinct from the existing genus Halopelagius of almost.

Paenihalopenitus

L. nan adverb *paene*, almost; L. masc. n. *Halopenitus*, An existing genus; *Paenihalopenitus*: A genus related to but distinct from the existing genus Halopenitus of almost.

Paenihalopeptonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Halopeptonella*, An existing genus; *Paenihalopeptonella*: A genus related to but distinct from the existing genus Halopeptonella of almost.

Paenihalopiger

L. nan adverb *paene*, almost; L. masc. n. *Halopiger*, An existing genus; *Paenihalopiger*: A genus related to but distinct from the existing genus Halopiger of almost.

Paenihaloplanus

L. nan adverb *paene*, almost; L. masc. n. *Haloplanus*, An existing genus; *Paenihaloplanus*: A genus related to but distinct from the existing genus Haloplanus of almost.

Paenihaloplasma

L. nan adverb *paene*, almost; L. neut. n. *Haloplasma*, An existing genus; *Paenihaloplasma*: A genus related to but distinct from the existing genus Haloplasma of almost.

Paenihalopolyspora

L. nan adverb *paene*, almost; L. fem. n. *Halopolyspora*, An existing genus; *Paenihalopolyspora*: A genus related to but distinct from the existing genus Halopolyspora of almost.

Paenihaloprofundus

L. nan adverb *paene*, almost; L. masc. n. *Haloprofundus*, An existing genus; *Paenihaloprofundus*: A genus related to but distinct from the existing genus Haloprofundus of almost.

Paenihaloquadratum

L. nan adverb *paene*, almost; L. neut. n. *Haloquadratum*, An existing genus; *Paenihaloquadratum*: A genus related to but distinct from the existing genus Haloquadratum of almost.

Paenihalorhodospira

L. nan adverb *paene*, almost; L. fem. n. *Halorhodospira*, An existing genus; *Paenihalorhodospira*: A genus related to but distinct from the existing genus Halorhodospira of almost.

Paenihalorientalis

L. nan adverb *paene*, almost; L. fem. n. *Halorientalis*, An existing genus; *Paenihalorientalis*: A genus related to but distinct from the existing genus Halorientalis of almost.

Paenihalorubellus

L. nan adverb *paene*, almost; L. masc. n. *Halorubellus*, An existing genus; *Paenihalorubellus*: A genus related to but distinct from the existing genus Halorubellus of almost.

Paenihalorubrobacterium

L. nan adverb *paene*, almost; L. neut. n. *Halorubrobacterium*, An existing genus; *Paenihalorubrobacterium*: A genus related to but distinct from the existing genus Halorubrobacterium of almost.

Paenihalorubrum

L. nan adverb *paene*, almost; L. neut. n. *Halorubrum*, An existing genus; *Paenihalorubrum*: A genus related to but distinct from the existing genus Halorubrum of almost.

Paenihalorussus

L. nan adverb *paene*, almost; L. masc. n. *Halorussus*, An existing genus; *Paenihalorussus*: A genus related to but distinct from the existing genus Halorussus of almost.

Paenihalosarcina

L. nan adverb *paene*, almost; L. fem. n. *Halosarcina*, An existing genus; *Paenihalosarcina*: A genus related to but distinct from the existing genus Halosarcina of almost.

Paenihalosiccatus

L. nan adverb *paene*, almost; L. masc. n. *Halosiccatus*, An existing genus; *Paenihalosiccatus*: A genus related to but distinct from the existing genus Halosiccatus of almost.

Paenihalosimplex

L. nan adverb *paene*, almost; L. neut. n. *Halosimplex*, An existing genus; *Paenihalosimplex*: A genus related to but distinct from the existing genus Halosimplex of almost.

Paenihalospina

L. nan adverb *paene*, almost; L. fem. n. *Halospina*, An existing genus; *Paenihalospina*: A genus related to but distinct from the existing genus Halospina of almost.

Paenihalospirulina

L. nan adverb *paene*, almost; L. fem. n. *Halospirulina*, An existing genus; *Paenihalospirulina*: A genus related to but distinct from the existing genus Halospirulina of almost.

Paenihalostagnicola

L. nan adverb *paene*, almost; L. fem. n. *Halostagnicola*, An existing genus; *Paenihalostagnicola*: A genus related to but distinct from the existing genus Halostagnicola of almost.

Paenihalotalea

L. nan adverb *paene*, almost; L. fem. n. *Halotalea*, An existing genus; *Paenihalotalea*: A genus related to but distinct from the existing genus Halotalea of almost.

Paenihaloterrigena

L. nan adverb *paene*, almost; L. fem. n. *Haloterrigena*, An existing genus; *Paenihaloterrigena*: A genus related to but distinct from the existing genus Haloterrigena of almost.

Paenihalothermothrix

L. nan adverb *paene*, almost; L. fem. n. *Halothermothrix*, An existing genus; *Paenihalothermothrix*: A genus related to but distinct from the existing genus Halothermothrix of almost.

Paenihalothiobacillus

L. nan adverb *paene*, almost; L. masc. n. *Halothiobacillus*, An existing genus; *Paenihalothiobacillus*: A genus related to but distinct from the existing genus Halothiobacillus of almost.

Paenihalotia

L. nan adverb *paene*, almost; L. fem. n. *Halotia*, An existing genus; *Paenihalotia*: A genus related to but distinct from the existing genus Halotia of almost.

Paenihalovarius

L. nan adverb *paene*, almost; L. masc. n. *Halovarius*, An existing genus; *Paenihalovarius*: A genus related to but distinct from the existing genus Halovarius of almost.

Paenihalovenus

L. nan adverb *paene*, almost; L. fem. n. *Halovenus*, An existing genus; *Paenihalovenus*: A genus related to but distinct from the existing genus Halovenus of almost.

Paenihalovibrio

L. nan adverb *paene*, almost; L. masc. n. *Halovibrio*, An existing genus; *Paenihalovibrio*: A genus related to but distinct from the existing genus Halovibrio of almost.

Paenihalovivax

L. nan adverb *paene*, almost; L. masc. n. *Halovivax*, An existing genus; *Paenihalovivax*: A genus related to but distinct from the existing genus Halovivax of almost.

Paenihalovulum

L. nan adverb *paene*, almost; L. neut. n. *Halovulum*, An existing genus; *Paenihalovulum*: A genus related to but distinct from the existing genus Halovulum of almost.

Paenihalpernia

L. nan adverb *paene*, almost; L. fem. n. *Halpernia*, An existing genus; *Paenihalpernia*: A genus related to but distinct from the existing genus Halpernia of almost.

Paenihamadaea

L. nan adverb *paene*, almost; L. fem. n. *Hamadaea*, An existing genus; *Paenihamadaea*: A genus related to but distinct from the existing genus Hamadaea of almost.

Paenihankyongella

L. nan adverb *paene*, almost; L. fem. dim. n. *Hankyongella*, An existing genus; *Paenihankyongella*: A genus related to but distinct from the existing genus Hankyongella of almost.

Paenihansschlegelia

L. nan adverb *paene*, almost; L. fem. n. *Hansschlegelia*, An existing genus; *Paenihansschlegelia*: A genus related to but distinct from the existing genus Hansschlegelia of almost.

Paenihanstruepera

L. nan adverb *paene*, almost; L. fem. n. *Hanstruepera*, An existing genus; *Paenihanstruepera*: A genus related to but distinct from the existing genus Hanstruepera of almost.

Paenihaoranjiania

L. nan adverb *paene*, almost; L. fem. n. *Haoranjiania*, An existing genus; *Paenihaoranjiania*: A genus related to but distinct from the existing genus Haoranjiania of almost.

Paenihaploangium

L. nan adverb *paene*, almost; L. neut. n. *Haploangium*, An existing genus; *Paenihaploangium*: A genus related to but distinct from the existing genus Haploangium of almost.

Paeniharryflintia

L. nan adverb *paene*, almost; L. fem. n. *Harryflintia*, An existing genus; *Paeniharryflintia*: A genus related to but distinct from the existing genus Harryflintia of almost.

Paenihartmannibacter

L. nan adverb *paene*, almost; L. masc. n. *Hartmannibacter*, An existing genus; *Paenihartmannibacter*: A genus related to but distinct from the existing genus Hartmannibacter of almost.

Paenihasllibacter

L. nan adverb *paene*, almost; L. masc. n. *Hasllibacter*, An existing genus; *Paenihasllibacter*: A genus related to but distinct from the existing genus Hasllibacter of almost.

Paenihathewaya

L. nan adverb *paene*, almost; L. fem. n. *Hathewaya*, An existing genus; *Paenihathewaya*: A genus related to but distinct from the existing genus Hathewaya of almost.

Paenihazenella

L. nan adverb *paene*, almost; L. fem. dim. n. *Hazenella*, An existing genus; *Paenihazenella*: A genus related to but distinct from the existing genus Hazenella of almost.

Paenihelcococcus

L. nan adverb *paene*, almost; L. masc. n. *Helcococcus*, An existing genus; *Paenihelcococcus*: A genus related to but distinct from the existing genus Helcococcus of almost.

Paenihelicobacter

L. nan adverb *paene*, almost; L. masc. n. *Helicobacter*, An existing genus; *Paenihelicobacter*: A genus related to but distinct from the existing genus Helicobacter of almost.

Paeniheliimonas

L. nan adverb *paene*, almost; L. fem. n. *Heliimonas*, An existing genus; *Paeniheliimonas*: A genus related to but distinct from the existing genus Heliimonas of almost.

Paeniheliobacterium

L. nan adverb *paene*, almost; L. neut. n. *Heliobacterium*, An existing genus; *Paeniheliobacterium*: A genus related to but distinct from the existing genus Heliobacterium of almost.

Paeniheliophilum

L. nan adverb *paene*, almost; L. neut. n. *Heliophilum*, An existing genus; *Paeniheliophilum*: A genus related to but distinct from the existing genus Heliophilum of almost.

Paeniheliorestis

L. nan adverb *paene*, almost; L. fem. n. *Heliorestis*, An existing genus; *Paeniheliorestis*: A genus related to but distinct from the existing genus Heliorestis of almost.

Paenihellea

L. nan adverb *paene*, almost; L. fem. n. *Hellea*, An existing genus; *Paenihellea*: A genus related to but distinct from the existing genus Hellea of almost.

Paenihenriciella

L. nan adverb *paene*, almost; L. fem. dim. n. *Henriciella*, An existing genus; *Paenihenriciella*: A genus related to but distinct from the existing genus Henriciella of almost.

Paeniherbaspirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Herbaspirillum*, An existing genus; *Paeniherbaspirillum*: A genus related to but distinct from the existing genus Herbaspirillum of almost.

Paeniherbiconiux

L. nan adverb *paene*, almost; L. fem. n. *Herbiconiux*, An existing genus; *Paeniherbiconiux*: A genus related to but distinct from the existing genus Herbiconiux of almost.

Paeniherbidospora

L. nan adverb *paene*, almost; L. fem. n. *Herbidospora*, An existing genus; *Paeniherbidospora*: A genus related to but distinct from the existing genus Herbidospora of almost.

Paeniherbihabitans

L. nan adverb *paene*, almost; L. masc. n. *Herbihabitans*, An existing genus; *Paeniherbihabitans*: A genus related to but distinct from the existing genus Herbihabitans of almost.

Paeniherbinix

L. nan adverb *paene*, almost; L. fem. n. *Herbinix*, An existing genus; *Paeniherbinix*: A genus related to but distinct from the existing genus Herbinix of almost.

Paeniherbivorax

L. nan adverb *paene*, almost; L. fem. n. *Herbivorax*, An existing genus; *Paeniherbivorax*: A genus related to but distinct from the existing genus Herbivorax of almost.

Paeniherminiimonas

L. nan adverb *paene*, almost; L. fem. n. *Herminiimonas*, An existing genus; *Paeniherminiimonas*: A genus related to but distinct from the existing genus Herminiimonas of almost.

Paeniherpetosiphon

L. nan adverb *paene*, almost; L. masc. n. *Herpetosiphon*, An existing genus; *Paeniherpetosiphon*: A genus related to but distinct from the existing genus Herpetosiphon of almost.

Paenihespellia

L. nan adverb *paene*, almost; L. fem. n. *Hespellia*, An existing genus; *Paenihespellia*: A genus related to but distinct from the existing genus Hespellia of almost.

Paeniheteroscytonema

L. nan adverb *paene*, almost; L. neut. n. *Heteroscytonema*, An existing genus; *Paeniheteroscytonema*: A genus related to but distinct from the existing genus Heteroscytonema of almost.

Paenihippea

L. nan adverb *paene*, almost; L. fem. n. *Hippea*, An existing genus; *Paenihippea*: A genus related to but distinct from the existing genus Hippea of almost.

Paenihirschia

L. nan adverb *paene*, almost; L. fem. n. *Hirschia*, An existing genus; *Paenihirschia*: A genus related to but distinct from the existing genus Hirschia of almost.

Paenihistidinibacterium

L. nan adverb *paene*, almost; L. neut. n. *Histidinibacterium*, An existing genus; *Paenihistidinibacterium*: A genus related to but distinct from the existing genus Histidinibacterium of almost.

Paenihistophilus

L. nan adverb *paene*, almost; L. masc. n. *Histophilus*, An existing genus; *Paenihistophilus*: A genus related to but distinct from the existing genus Histophilus of almost.

Paeniholdemanella

L. nan adverb *paene*, almost; L. fem. dim. n. *Holdemanella*, An existing genus; *Paeniholdemanella*: A genus related to but distinct from the existing genus Holdemanella of almost.

Paeniholdemania

L. nan adverb *paene*, almost; L. fem. n. *Holdemania*, An existing genus; *Paeniholdemania*: A genus related to but distinct from the existing genus Holdemania of almost.

Paenihollandina

L. nan adverb *paene*, almost; L. fem. n. *Hollandina*, An existing genus; *Paenihollandina*: A genus related to but distinct from the existing genus Hollandina of almost.

Paeniholophaga

L. nan adverb *paene*, almost; L. fem. n. *Holophaga*, An existing genus; *Paeniholophaga*: A genus related to but distinct from the existing genus Holophaga of almost.

Paeniholospora

L. nan adverb *paene*, almost; L. fem. n. *Holospora*, An existing genus; *Paeniholospora*: A genus related to but distinct from the existing genus Holospora of almost.

Paeniholzapfelia

L. nan adverb *paene*, almost; L. fem. n. *Holzapfelia*, An existing genus; *Paeniholzapfelia*: A genus related to but distinct from the existing genus Holzapfelia of almost.

Paenihomoserinibacter

L. nan adverb *paene*, almost; L. masc. n. *Homoserinibacter*, An existing genus; *Paenihomoserinibacter*: A genus related to but distinct from the existing genus Homoserinibacter of almost.

Paenihomoserinimonas

L. nan adverb *paene*, almost; L. fem. n. *Homoserinimonas*, An existing genus; *Paenihomoserinimonas*: A genus related to but distinct from the existing genus Homoserinimonas of almost.

Paenihongia

L. nan adverb *paene*, almost; L. fem. n. *Hongia*, An existing genus; *Paenihongia*: A genus related to but distinct from the existing genus Hongia of almost.

Paenihongiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Hongiella*, An existing genus; *Paenihongiella*: A genus related to but distinct from the existing genus Hongiella of almost.

Paenihoppeia

L. nan adverb *paene*, almost; L. fem. n. *Hoppeia*, An existing genus; *Paenihoppeia*: A genus related to but distinct from the existing genus Hoppeia of almost.

Paenihormathonema

L. nan adverb *paene*, almost; L. neut. n. *Hormathonema*, An existing genus; *Paenihormathonema*: A genus related to but distinct from the existing genus Hormathonema of almost.

Paenihormoscilla

L. nan adverb *paene*, almost; L. fem. n. *Hormoscilla*, An existing genus; *Paenihormoscilla*: A genus related to but distinct from the existing genus Hormoscilla of almost.

Paenihowardella

L. nan adverb *paene*, almost; L. fem. dim. n. *Howardella*, An existing genus; *Paenihowardella*: A genus related to but distinct from the existing genus Howardella of almost.

Paenihoyosella

L. nan adverb *paene*, almost; L. fem. dim. n. *Hoyosella*, An existing genus; *Paenihoyosella*: A genus related to but distinct from the existing genus Hoyosella of almost.

Paenihuaishuia

L. nan adverb *paene*, almost; L. fem. n. *Huaishuia*, An existing genus; *Paenihuaishuia*: A genus related to but distinct from the existing genus Huaishuia of almost.

Paenihuakuichenia

L. nan adverb *paene*, almost; L. fem. n. *Huakuichenia*, An existing genus; *Paenihuakuichenia*: A genus related to but distinct from the existing genus Huakuichenia of almost.

Paenihuanghella

L. nan adverb *paene*, almost; L. fem. dim. n. *Huanghella*, An existing genus; *Paenihuanghella*: A genus related to but distinct from the existing genus Huanghella of almost.

Paenihugenholtzia

L. nan adverb *paene*, almost; L. fem. n. *Hugenholtzia*, An existing genus; *Paenihugenholtzia*: A genus related to but distinct from the existing genus Hugenholtzia of almost.

Paenihugonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Hugonella*, An existing genus; *Paenihugonella*: A genus related to but distinct from the existing genus Hugonella of almost.

Paenihumibacillus

L. nan adverb *paene*, almost; L. masc. n. *Humibacillus*, An existing genus; *Paenihumibacillus*: A genus related to but distinct from the existing genus Humibacillus of almost.

Paenihumibacter

L. nan adverb *paene*, almost; L. masc. n. *Humibacter*, An existing genus; *Paenihumibacter*: A genus related to but distinct from the existing genus Humibacter of almost.

Paenihumicoccus

L. nan adverb *paene*, almost; L. masc. n. *Humicoccus*, An existing genus; *Paenihumicoccus*: A genus related to but distinct from the existing genus Humicoccus of almost.

Paenihungateiclostridium

L. nan adverb *paene*, almost; L. neut. dim. n. *Hungateiclostridium*, An existing genus; *Paenihungateiclostridium*: A genus related to but distinct from the existing genus Hungateiclostridium of almost.

Paenihungatella

L. nan adverb *paene*, almost; L. fem. dim. n. *Hungatella*, An existing genus; *Paenihungatella*: A genus related to but distinct from the existing genus Hungatella of almost.

Paenihwangdonia

L. nan adverb *paene*, almost; L. fem. n. *Hwangdonia*, An existing genus; *Paenihwangdonia*: A genus related to but distinct from the existing genus Hwangdonia of almost.

Paenihwanghaeella

L. nan adverb *paene*, almost; L. fem. dim. n. *Hwanghaeella*, An existing genus; *Paenihwanghaeella*: A genus related to but distinct from the existing genus Hwanghaeella of almost.

Paenihwanghaeicola

L. nan adverb *paene*, almost; L. masc. n. *Hwanghaeicola*, An existing genus; *Paenihwanghaeicola*: A genus related to but distinct from the existing genus Hwanghaeicola of almost.

Paenihyalangium

L. nan adverb *paene*, almost; L. neut. n. *Hyalangium*, An existing genus; *Paenihyalangium*: A genus related to but distinct from the existing genus Hyalangium of almost.

Paenihydrobacter

L. nan adverb *paene*, almost; L. masc. n. *Hydrobacter*, An existing genus; *Paenihydrobacter*: A genus related to but distinct from the existing genus Hydrobacter of almost.

Paenihydrocarboniclastica

L. nan adverb *paene*, almost; L. fem. n. *Hydrocarboniclastica*, An existing genus; *Paenihydrocarboniclastica*: A genus related to but distinct from the existing genus Hydrocarboniclastica of almost.

Paenihydrocarboniphaga

L. nan adverb *paene*, almost; L. fem. n. *Hydrocarboniphaga*, An existing genus; *Paenihydrocarboniphaga*: A genus related to but distinct from the existing genus Hydrocarboniphaga of almost.

Paenihydrogenibacillus

L. nan adverb *paene*, almost; L. masc. n. *Hydrogenibacillus*, An existing genus; *Paenihydrogenibacillus*: A genus related to but distinct from the existing genus Hydrogenibacillus of almost.

Paenihydrogeniiclostridium

L. nan adverb *paene*, almost; L. neut. dim. n. *Hydrogeniiclostridium*, An existing genus; *Paenihydrogeniiclostridium*: A genus related to but distinct from the existing genus Hydrogeniiclostridium of almost.

Paenihydrogenimonas

L. nan adverb *paene*, almost; L. fem. n. *Hydrogenimonas*, An existing genus; *Paenihydrogenimonas*: A genus related to but distinct from the existing genus Hydrogenimonas of almost.

Paenihydrogenispora

L. nan adverb *paene*, almost; L. fem. n. *Hydrogenispora*, An existing genus; *Paenihydrogenispora*: A genus related to but distinct from the existing genus Hydrogenispora of almost.

Paenihydrogenivirga

L. nan adverb *paene*, almost; L. fem. n. *Hydrogenivirga*, An existing genus; *Paenihydrogenivirga*: A genus related to but distinct from the existing genus Hydrogenivirga of almost.

Paenihydrogenoanaerobacterium

L. nan adverb *paene*, almost; L. neut. n. *Hydrogenoanaerobacterium*, An existing genus; *Paenihydrogenoanaerobacterium*: A genus related to but distinct from the existing genus Hydrogenoanaerobacterium of almost.

Paenihydrogenobacter

L. nan adverb *paene*, almost; L. masc. n. *Hydrogenobacter*, An existing genus; *Paenihydrogenobacter*: A genus related to but distinct from the existing genus Hydrogenobacter of almost.

Paenihydrogenophaga

L. nan adverb *paene*, almost; L. fem. n. *Hydrogenophaga*, An existing genus; *Paenihydrogenophaga*: A genus related to but distinct from the existing genus Hydrogenophaga of almost.

Paenihydrogenophilus

L. nan adverb *paene*, almost; L. masc. n. *Hydrogenophilus*, An existing genus; *Paenihydrogenophilus*: A genus related to but distinct from the existing genus Hydrogenophilus of almost.

Paenihydrogenovibrio

L. nan adverb *paene*, almost; L. masc. n. *Hydrogenovibrio*, An existing genus; *Paenihydrogenovibrio*: A genus related to but distinct from the existing genus Hydrogenovibrio of almost.

Paenihydromonas

L. nan adverb *paene*, almost; L. fem. n. *Hydromonas*, An existing genus; *Paenihydromonas*: A genus related to but distinct from the existing genus Hydromonas of almost.

Paenihydrotalea

L. nan adverb *paene*, almost; L. fem. n. *Hydrotalea*, An existing genus; *Paenihydrotalea*: A genus related to but distinct from the existing genus Hydrotalea of almost.

Paenihylemonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Hylemonella*, An existing genus; *Paenihylemonella*: A genus related to but distinct from the existing genus Hylemonella of almost.

Paenihymenobacter

L. nan adverb *paene*, almost; L. masc. n. *Hymenobacter*, An existing genus; *Paenihymenobacter*: A genus related to but distinct from the existing genus Hymenobacter of almost.

Paenihypericibacter

L. nan adverb *paene*, almost; L. masc. n. *Hypericibacter*, An existing genus; *Paenihypericibacter*: A genus related to but distinct from the existing genus Hypericibacter of almost.

Paenihyperthermus

L. nan adverb *paene*, almost; L. masc. n. *Hyperthermus*, An existing genus; *Paenihyperthermus*: A genus related to but distinct from the existing genus Hyperthermus of almost.

Paenihyphobacterium

L. nan adverb *paene*, almost; L. neut. n. *Hyphobacterium*, An existing genus; *Paenihyphobacterium*: A genus related to but distinct from the existing genus Hyphobacterium of almost.

Paenihyphococcus

L. nan adverb *paene*, almost; L. masc. n. *Hyphococcus*, An existing genus; *Paenihyphococcus*: A genus related to but distinct from the existing genus Hyphococcus of almost.

Paenihyphomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Hyphomicrobium*, An existing genus; *Paenihyphomicrobium*: A genus related to but distinct from the existing genus Hyphomicrobium of almost.

Paenihyphomonas

L. nan adverb *paene*, almost; L. fem. n. *Hyphomonas*, An existing genus; *Paenihyphomonas*: A genus related to but distinct from the existing genus Hyphomonas of almost.

Paenihypnocyclicus

L. nan adverb *paene*, almost; L. masc. n. *Hypnocyclicus*, An existing genus; *Paenihypnocyclicus*: A genus related to but distinct from the existing genus Hypnocyclicus of almost.

Paenihyunsoonleella

L. nan adverb *paene*, almost; L. fem. dim. n. *Hyunsoonleella*, An existing genus; *Paenihyunsoonleella*: A genus related to but distinct from the existing genus Hyunsoonleella of almost.

Paeniiamia

L. nan adverb *paene*, almost; L. fem. n. *Iamia*, An existing genus; *Paeniiamia*: A genus related to but distinct from the existing genus Iamia of almost.

Paeniichthyobacterium

L. nan adverb *paene*, almost; L. neut. n. *Ichthyobacterium*, An existing genus; *Paeniichthyobacterium*: A genus related to but distinct from the existing genus Ichthyobacterium of almost.

Paeniideonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Ideonella*, An existing genus; *Paeniideonella*: A genus related to but distinct from the existing genus Ideonella of almost.

Paeniidiomarina

L. nan adverb *paene*, almost; L. fem. n. *Idiomarina*, An existing genus; *Paeniidiomarina*: A genus related to but distinct from the existing genus Idiomarina of almost.

Paeniignatzschineria

L. nan adverb *paene*, almost; L. fem. n. *Ignatzschineria*, An existing genus; *Paeniignatzschineria*: A genus related to but distinct from the existing genus Ignatzschineria of almost.

Paeniignavigranum

L. nan adverb *paene*, almost; L. neut. n. *Ignavigranum*, An existing genus; *Paeniignavigranum*: A genus related to but distinct from the existing genus Ignavigranum of almost.

Paeniignicoccus

L. nan adverb *paene*, almost; L. masc. n. *Ignicoccus*, An existing genus; *Paeniignicoccus*: A genus related to but distinct from the existing genus Ignicoccus of almost.

Paeniignisphaera

L. nan adverb *paene*, almost; L. fem. n. *Ignisphaera*, An existing genus; *Paeniignisphaera*: A genus related to but distinct from the existing genus Ignisphaera of almost.

Paeniileibacterium

L. nan adverb *paene*, almost; L. neut. n. *Ileibacterium*, An existing genus; *Paeniileibacterium*: A genus related to but distinct from the existing genus Ileibacterium of almost.

Paeniilumatobacter

L. nan adverb *paene*, almost; L. masc. n. *Ilumatobacter*, An existing genus; *Paeniilumatobacter*: A genus related to but distinct from the existing genus Ilumatobacter of almost.

Paeniimhoffiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Imhoffiella*, An existing genus; *Paeniimhoffiella*: A genus related to but distinct from the existing genus Imhoffiella of almost.

Paeniimmundisolibacter

L. nan adverb *paene*, almost; L. masc. n. *Immundisolibacter*, An existing genus; *Paeniimmundisolibacter*: A genus related to but distinct from the existing genus Immundisolibacter of almost.

Paeniimperialibacter

L. nan adverb *paene*, almost; L. masc. n. *Imperialibacter*, An existing genus; *Paeniimperialibacter*: A genus related to but distinct from the existing genus Imperialibacter of almost.

Paeniimtechella

L. nan adverb *paene*, almost; L. fem. dim. n. *Imtechella*, An existing genus; *Paeniimtechella*: A genus related to but distinct from the existing genus Imtechella of almost.

Paeniindibacter

L. nan adverb *paene*, almost; L. masc. n. *Indibacter*, An existing genus; *Paeniindibacter*: A genus related to but distinct from the existing genus Indibacter of almost.

Paeniindiicoccus

L. nan adverb *paene*, almost; L. masc. n. *Indiicoccus*, An existing genus; *Paeniindiicoccus*: A genus related to but distinct from the existing genus Indiicoccus of almost.

Paeniindioceanicola

L. nan adverb *paene*, almost; L. masc. n. *Indioceanicola*, An existing genus; *Paeniindioceanicola*: A genus related to but distinct from the existing genus Indioceanicola of almost.

Paeniinediibacterium

L. nan adverb *paene*, almost; L. neut. n. *Inediibacterium*, An existing genus; *Paeniinediibacterium*: A genus related to but distinct from the existing genus Inediibacterium of almost.

Paeniinhella

L. nan adverb *paene*, almost; L. fem. dim. n. *Inhella*, An existing genus; *Paeniinhella*: A genus related to but distinct from the existing genus Inhella of almost.

Paeniiningainema

L. nan adverb *paene*, almost; L. neut. n. *Iningainema*, An existing genus; *Paeniiningainema*: A genus related to but distinct from the existing genus Iningainema of almost.

Paeniinmirania

L. nan adverb *paene*, almost; L. fem. n. *Inmirania*, An existing genus; *Paeniinmirania*: A genus related to but distinct from the existing genus Inmirania of almost.

Paeniinnacoccus

L. nan adverb *paene*, almost; L. masc. n. *Innacoccus*, An existing genus; *Paeniinnacoccus*: A genus related to but distinct from the existing genus Innacoccus of almost.

Paeniinsolitispirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Insolitispirillum*, An existing genus; *Paeniinsolitispirillum*: A genus related to but distinct from the existing genus Insolitispirillum of almost.

Paeniintestinibacter

L. nan adverb *paene*, almost; L. masc. n. *Intestinibacter*, An existing genus; *Paeniintestinibacter*: A genus related to but distinct from the existing genus Intestinibacter of almost.

Paeniintestinibaculum

L. nan adverb *paene*, almost; L. neut. n. *Intestinibaculum*, An existing genus; *Paeniintestinibaculum*: A genus related to but distinct from the existing genus Intestinibaculum of almost.

Paeniintestinimonas

L. nan adverb *paene*, almost; L. fem. n. *Intestinimonas*, An existing genus; *Paeniintestinimonas*: A genus related to but distinct from the existing genus Intestinimonas of almost.

Paeniintestinirhabdus

L. nan adverb *paene*, almost; L. fem. n. *Intestinirhabdus*, An existing genus; *Paeniintestinirhabdus*: A genus related to but distinct from the existing genus Intestinirhabdus of almost.

Paeniintrasporangium

L. nan adverb *paene*, almost; L. neut. n. *Intrasporangium*, An existing genus; *Paeniintrasporangium*: A genus related to but distinct from the existing genus Intrasporangium of almost.

Paeniiodidimonas

L. nan adverb *paene*, almost; L. fem. n. *Iodidimonas*, An existing genus; *Paeniiodidimonas*: A genus related to but distinct from the existing genus Iodidimonas of almost.

Paeniiodobacter

L. nan adverb *paene*, almost; L. masc. n. *Iodobacter*, An existing genus; *Paeniiodobacter*: A genus related to but distinct from the existing genus Iodobacter of almost.

Paeniirregularibacter

L. nan adverb *paene*, almost; L. masc. n. *Irregularibacter*, An existing genus; *Paeniirregularibacter*: A genus related to but distinct from the existing genus Irregularibacter of almost.

Paeniisachenkonia

L. nan adverb *paene*, almost; L. fem. n. *Isachenkonia*, An existing genus; *Paeniisachenkonia*: A genus related to but distinct from the existing genus Isachenkonia of almost.

Paeniisobaculum

L. nan adverb *paene*, almost; L. neut. n. *Isobaculum*, An existing genus; *Paeniisobaculum*: A genus related to but distinct from the existing genus Isobaculum of almost.

Paeniisochromatium

L. nan adverb *paene*, almost; L. neut. n. *Isochromatium*, An existing genus; *Paeniisochromatium*: A genus related to but distinct from the existing genus Isochromatium of almost.

Paeniisoptericola

L. nan adverb *paene*, almost; L. masc. n. *Isoptericola*, An existing genus; *Paeniisoptericola*: A genus related to but distinct from the existing genus Isoptericola of almost.

Paeniisosphaera

L. nan adverb *paene*, almost; L. fem. n. *Isosphaera*, An existing genus; *Paeniisosphaera*: A genus related to but distinct from the existing genus Isosphaera of almost.

Paeniizhakiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Izhakiella*, An existing genus; *Paeniizhakiella*: A genus related to but distinct from the existing genus Izhakiella of almost.

Paenijacksonvillea

L. nan adverb *paene*, almost; L. fem. n. *Jacksonvillea*, An existing genus; *Paenijacksonvillea*: A genus related to but distinct from the existing genus Jacksonvillea of almost.

Paenijahnella

L. nan adverb *paene*, almost; L. fem. dim. n. *Jahnella*, An existing genus; *Paenijahnella*: A genus related to but distinct from the existing genus Jahnella of almost.

Paenijanibacter

L. nan adverb *paene*, almost; L. masc. n. *Janibacter*, An existing genus; *Paenijanibacter*: A genus related to but distinct from the existing genus Janibacter of almost.

Paenijanthinobacterium

L. nan adverb *paene*, almost; L. neut. n. *Janthinobacterium*, An existing genus; *Paenijanthinobacterium*: A genus related to but distinct from the existing genus Janthinobacterium of almost.

Paenijatrophihabitans

L. nan adverb *paene*, almost; L. masc. n. *Jatrophihabitans*, An existing genus; *Paenijatrophihabitans*: A genus related to but distinct from the existing genus Jatrophihabitans of almost.

Paenijejubacter

L. nan adverb *paene*, almost; L. masc. n. *Jejubacter*, An existing genus; *Paenijejubacter*: A genus related to but distinct from the existing genus Jejubacter of almost.

Paenijejudonia

L. nan adverb *paene*, almost; L. fem. n. *Jejudonia*, An existing genus; *Paenijejudonia*: A genus related to but distinct from the existing genus Jejudonia of almost.

Paenijejuia

L. nan adverb *paene*, almost; L. fem. n. *Jejuia*, An existing genus; *Paenijejuia*: A genus related to but distinct from the existing genus Jejuia of almost.

Paenijeongeupia

L. nan adverb *paene*, almost; L. fem. n. *Jeongeupia*, An existing genus; *Paenijeongeupia*: A genus related to but distinct from the existing genus Jeongeupia of almost.

Paenijeotgalibaca

L. nan adverb *paene*, almost; L. fem. n. *Jeotgalibaca*, An existing genus; *Paenijeotgalibaca*: A genus related to but distinct from the existing genus Jeotgalibaca of almost.

Paenijeotgalibacillus

L. nan adverb *paene*, almost; L. masc. n. *Jeotgalibacillus*, An existing genus; *Paenijeotgalibacillus*: A genus related to but distinct from the existing genus Jeotgalibacillus of almost.

Paenijeotgalicoccus

L. nan adverb *paene*, almost; L. masc. n. *Jeotgalicoccus*, An existing genus; *Paenijeotgalicoccus*: A genus related to but distinct from the existing genus Jeotgalicoccus of almost.

Paenijhaorihella

L. nan adverb *paene*, almost; L. fem. dim. n. *Jhaorihella*, An existing genus; *Paenijhaorihella*: A genus related to but distinct from the existing genus Jhaorihella of almost.

Paenijiangella

L. nan adverb *paene*, almost; L. fem. dim. n. *Jiangella*, An existing genus; *Paenijiangella*: A genus related to but distinct from the existing genus Jiangella of almost.

Paenijiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Jiella*, An existing genus; *Paenijiella*: A genus related to but distinct from the existing genus Jiella of almost.

Paenijilinibacillus

L. nan adverb *paene*, almost; L. masc. n. *Jilinibacillus*, An existing genus; *Paenijilinibacillus*: A genus related to but distinct from the existing genus Jilinibacillus of almost.

Paenijindonia

L. nan adverb *paene*, almost; L. fem. n. *Jindonia*, An existing genus; *Paenijindonia*: A genus related to but distinct from the existing genus Jindonia of almost.

Paenijishengella

L. nan adverb *paene*, almost; L. fem. dim. n. *Jishengella*, An existing genus; *Paenijishengella*: A genus related to but distinct from the existing genus Jishengella of almost.

Paenijiulongibacter

L. nan adverb *paene*, almost; L. masc. n. *Jiulongibacter*, An existing genus; *Paenijiulongibacter*: A genus related to but distinct from the existing genus Jiulongibacter of almost.

Paenijohnsonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Johnsonella*, An existing genus; *Paenijohnsonella*: A genus related to but distinct from the existing genus Johnsonella of almost.

Paenijonesia

L. nan adverb *paene*, almost; L. fem. n. *Jonesia*, An existing genus; *Paenijonesia*: A genus related to but distinct from the existing genus Jonesia of almost.

Paenijongsikchunia

L. nan adverb *paene*, almost; L. fem. n. *Jongsikchunia*, An existing genus; *Paenijongsikchunia*: A genus related to but distinct from the existing genus Jongsikchunia of almost.

Paenijonquetella

L. nan adverb *paene*, almost; L. fem. dim. n. *Jonquetella*, An existing genus; *Paenijonquetella*: A genus related to but distinct from the existing genus Jonquetella of almost.

Paenijoostella

L. nan adverb *paene*, almost; L. fem. dim. n. *Joostella*, An existing genus; *Paenijoostella*: A genus related to but distinct from the existing genus Joostella of almost.

Paenikaiparowitsia

L. nan adverb *paene*, almost; L. fem. n. *Kaiparowitsia*, An existing genus; *Paenikaiparowitsia*: A genus related to but distinct from the existing genus Kaiparowitsia of almost.

Paenikaistella

L. nan adverb *paene*, almost; L. fem. dim. n. *Kaistella*, An existing genus; *Paenikaistella*: A genus related to but distinct from the existing genus Kaistella of almost.

Paenikaistia

L. nan adverb *paene*, almost; L. fem. n. *Kaistia*, An existing genus; *Paenikaistia*: A genus related to but distinct from the existing genus Kaistia of almost.

Paenikalamiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Kalamiella*, An existing genus; *Paenikalamiella*: A genus related to but distinct from the existing genus Kalamiella of almost.

Paenikallipyga

L. nan adverb *paene*, almost; L. fem. n. *Kallipyga*, An existing genus; *Paenikallipyga*: A genus related to but distinct from the existing genus Kallipyga of almost.

Paenikallotenue

L. nan adverb *paene*, almost; L. neut. n. *Kallotenue*, An existing genus; *Paenikallotenue*: A genus related to but distinct from the existing genus Kallotenue of almost.

Paenikandeliimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Kandeliimicrobium*, An existing genus; *Paenikandeliimicrobium*: A genus related to but distinct from the existing genus Kandeliimicrobium of almost.

Paenikandleria

L. nan adverb *paene*, almost; L. fem. n. *Kandleria*, An existing genus; *Paenikandleria*: A genus related to but distinct from the existing genus Kandleria of almost.

Paenikangiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Kangiella*, An existing genus; *Paenikangiella*: A genus related to but distinct from the existing genus Kangiella of almost.

Paenikastovskya

L. nan adverb *paene*, almost; L. fem. n. *Kastovskya*, An existing genus; *Paenikastovskya*: A genus related to but distinct from the existing genus Kastovskya of almost.

Paenikeratinibaculum

L. nan adverb *paene*, almost; L. neut. n. *Keratinibaculum*, An existing genus; *Paenikeratinibaculum*: A genus related to but distinct from the existing genus Keratinibaculum of almost.

Paenikerstersia

L. nan adverb *paene*, almost; L. fem. n. *Kerstersia*, An existing genus; *Paenikerstersia*: A genus related to but distinct from the existing genus Kerstersia of almost.

Paeniketobacter

L. nan adverb *paene*, almost; L. masc. n. *Ketobacter*, An existing genus; *Paeniketobacter*: A genus related to but distinct from the existing genus Ketobacter of almost.

Paeniketogulonicigenium

L. nan adverb *paene*, almost; L. neut. n. *Ketogulonicigenium*, An existing genus; *Paeniketogulonicigenium*: A genus related to but distinct from the existing genus Ketogulonicigenium of almost.

Paenikibdelosporangium

L. nan adverb *paene*, almost; L. neut. n. *Kibdelosporangium*, An existing genus; *Paenikibdelosporangium*: A genus related to but distinct from the existing genus Kibdelosporangium of almost.

Paenikiloniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Kiloniella*, An existing genus; *Paenikiloniella*: A genus related to but distinct from the existing genus Kiloniella of almost.

Paenikineobactrum

L. nan adverb *paene*, almost; L. neut. n. *Kineobactrum*, An existing genus; *Paenikineobactrum*: A genus related to but distinct from the existing genus Kineobactrum of almost.

Paenikineococcus

L. nan adverb *paene*, almost; L. masc. n. *Kineococcus*, An existing genus; *Paenikineococcus*: A genus related to but distinct from the existing genus Kineococcus of almost.

Paenikineosphaera

L. nan adverb *paene*, almost; L. fem. n. *Kineosphaera*, An existing genus; *Paenikineosphaera*: A genus related to but distinct from the existing genus Kineosphaera of almost.

Paenikineosporia

L. nan adverb *paene*, almost; L. fem. n. *Kineosporia*, An existing genus; *Paenikineosporia*: A genus related to but distinct from the existing genus Kineosporia of almost.

Paenikineothrix

L. nan adverb *paene*, almost; L. fem. n. *Kineothrix*, An existing genus; *Paenikineothrix*: A genus related to but distinct from the existing genus Kineothrix of almost.

Paenikingella

L. nan adverb *paene*, almost; L. fem. dim. n. *Kingella*, An existing genus; *Paenikingella*: A genus related to but distinct from the existing genus Kingella of almost.

Paenikinneretia

L. nan adverb *paene*, almost; L. fem. n. *Kinneretia*, An existing genus; *Paenikinneretia*: A genus related to but distinct from the existing genus Kinneretia of almost.

Paenikiritimatiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Kiritimatiella*, An existing genus; *Paenikiritimatiella*: A genus related to but distinct from the existing genus Kiritimatiella of almost.

Paenikistimonas

L. nan adverb *paene*, almost; L. fem. n. *Kistimonas*, An existing genus; *Paenikistimonas*: A genus related to but distinct from the existing genus Kistimonas of almost.

Paenikitasatoa

L. nan adverb *paene*, almost; L. fem. n. *Kitasatoa*, An existing genus; *Paenikitasatoa*: A genus related to but distinct from the existing genus Kitasatoa of almost.

Paenikitasatospora

L. nan adverb *paene*, almost; L. fem. n. *Kitasatospora*, An existing genus; *Paenikitasatospora*: A genus related to but distinct from the existing genus Kitasatospora of almost.

Paeniklebsiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Klebsiella*, An existing genus; *Paeniklebsiella*: A genus related to but distinct from the existing genus Klebsiella of almost.

Paeniklenkia

L. nan adverb *paene*, almost; L. fem. n. *Klenkia*, An existing genus; *Paeniklenkia*: A genus related to but distinct from the existing genus Klenkia of almost.

Paeniklisinema

L. nan adverb *paene*, almost; L. neut. n. *Klisinema*, An existing genus; *Paeniklisinema*: A genus related to but distinct from the existing genus Klisinema of almost.

Paeniklugiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Klugiella*, An existing genus; *Paeniklugiella*: A genus related to but distinct from the existing genus Klugiella of almost.

Paenikluyvera

L. nan adverb *paene*, almost; L. fem. n. *Kluyvera*, An existing genus; *Paenikluyvera*: A genus related to but distinct from the existing genus Kluyvera of almost.

Paenikocuria

L. nan adverb *paene*, almost; L. fem. n. *Kocuria*, An existing genus; *Paenikocuria*: A genus related to but distinct from the existing genus Kocuria of almost.

Paenikofleria

L. nan adverb *paene*, almost; L. fem. n. *Kofleria*, An existing genus; *Paenikofleria*: A genus related to but distinct from the existing genus Kofleria of almost.

Paenikoinonema

L. nan adverb *paene*, almost; L. neut. n. *Koinonema*, An existing genus; *Paenikoinonema*: A genus related to but distinct from the existing genus Koinonema of almost.

Paenikomagatabacter

L. nan adverb *paene*, almost; L. masc. n. *Komagatabacter*, An existing genus; *Paenikomagatabacter*: A genus related to but distinct from the existing genus Komagatabacter of almost.

Paenikomagataeibacter

L. nan adverb *paene*, almost; L. masc. n. *Komagataeibacter*, An existing genus; *Paenikomagataeibacter*: A genus related to but distinct from the existing genus Komagataeibacter of almost.

Paenikomarekiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Komarekiella*, An existing genus; *Paenikomarekiella*: A genus related to but distinct from the existing genus Komarekiella of almost.

Paenikomarkovaea

L. nan adverb *paene*, almost; L. fem. n. *Komarkovaea*, An existing genus; *Paenikomarkovaea*: A genus related to but distinct from the existing genus Komarkovaea of almost.

Paenikordia

L. nan adverb *paene*, almost; L. fem. n. *Kordia*, An existing genus; *Paenikordia*: A genus related to but distinct from the existing genus Kordia of almost.

Paenikordiimonas

L. nan adverb *paene*, almost; L. fem. n. *Kordiimonas*, An existing genus; *Paenikordiimonas*: A genus related to but distinct from the existing genus Kordiimonas of almost.

Paenikoreibacter

L. nan adverb *paene*, almost; L. masc. n. *Koreibacter*, An existing genus; *Paenikoreibacter*: A genus related to but distinct from the existing genus Koreibacter of almost.

Paenikosakonia

L. nan adverb *paene*, almost; L. fem. n. *Kosakonia*, An existing genus; *Paenikosakonia*: A genus related to but distinct from the existing genus Kosakonia of almost.

Paenikoserella

L. nan adverb *paene*, almost; L. fem. dim. n. *Koserella*, An existing genus; *Paenikoserella*: A genus related to but distinct from the existing genus Koserella of almost.

Paenikosmotoga

L. nan adverb *paene*, almost; L. fem. n. *Kosmotoga*, An existing genus; *Paenikosmotoga*: A genus related to but distinct from the existing genus Kosmotoga of almost.

Paenikovacikia

L. nan adverb *paene*, almost; L. fem. n. *Kovacikia*, An existing genus; *Paenikovacikia*: A genus related to but distinct from the existing genus Kovacikia of almost.

Paenikozakia

L. nan adverb *paene*, almost; L. fem. n. *Kozakia*, An existing genus; *Paenikozakia*: A genus related to but distinct from the existing genus Kozakia of almost.

Paenikrasilnikovia

L. nan adverb *paene*, almost; L. fem. n. *Krasilnikovia*, An existing genus; *Paenikrasilnikovia*: A genus related to but distinct from the existing genus Krasilnikovia of almost.

Paenikrasilnikoviella

L. nan adverb *paene*, almost; L. fem. dim. n. *Krasilnikoviella*, An existing genus; *Paenikrasilnikoviella*: A genus related to but distinct from the existing genus Krasilnikoviella of almost.

Paenikribbella

L. nan adverb *paene*, almost; L. fem. dim. n. *Kribbella*, An existing genus; *Paenikribbella*: A genus related to but distinct from the existing genus Kribbella of almost.

Paenikribbia

L. nan adverb *paene*, almost; L. fem. n. *Kribbia*, An existing genus; *Paenikribbia*: A genus related to but distinct from the existing genus Kribbia of almost.

Paenikriegella

L. nan adverb *paene*, almost; L. fem. dim. n. *Kriegella*, An existing genus; *Paenikriegella*: A genus related to but distinct from the existing genus Kriegella of almost.

Paenikrokinobacter

L. nan adverb *paene*, almost; L. masc. n. *Krokinobacter*, An existing genus; *Paenikrokinobacter*: A genus related to but distinct from the existing genus Krokinobacter of almost.

Paenikroppenstedtia

L. nan adverb *paene*, almost; L. fem. n. *Kroppenstedtia*, An existing genus; *Paenikroppenstedtia*: A genus related to but distinct from the existing genus Kroppenstedtia of almost.

Paenikryptousia

L. nan adverb *paene*, almost; L. fem. n. *Kryptousia*, An existing genus; *Paenikryptousia*: A genus related to but distinct from the existing genus Kryptousia of almost.

Paeniktedonobacter

L. nan adverb *paene*, almost; L. masc. n. *Ktedonobacter*, An existing genus; *Paeniktedonobacter*: A genus related to but distinct from the existing genus Ktedonobacter of almost.

Paeniktedonosporobacter

L. nan adverb *paene*, almost; L. masc. n. *Ktedonosporobacter*, An existing genus; *Paeniktedonosporobacter*: A genus related to but distinct from the existing genus Ktedonosporobacter of almost.

Paenikurthia

L. nan adverb *paene*, almost; L. fem. n. *Kurthia*, An existing genus; *Paenikurthia*: A genus related to but distinct from the existing genus Kurthia of almost.

Paenikushneria

L. nan adverb *paene*, almost; L. fem. n. *Kushneria*, An existing genus; *Paenikushneria*: A genus related to but distinct from the existing genus Kushneria of almost.

Paenikutzneria

L. nan adverb *paene*, almost; L. fem. n. *Kutzneria*, An existing genus; *Paenikutzneria*: A genus related to but distinct from the existing genus Kutzneria of almost.

Paenikyrpidia

L. nan adverb *paene*, almost; L. fem. n. *Kyrpidia*, An existing genus; *Paenikyrpidia*: A genus related to but distinct from the existing genus Kyrpidia of almost.

Paenikyrtuthrix

L. nan adverb *paene*, almost; L. fem. n. *Kyrtuthrix*, An existing genus; *Paenikyrtuthrix*: A genus related to but distinct from the existing genus Kyrtuthrix of almost.

Paenikytococcus

L. nan adverb *paene*, almost; L. masc. n. *Kytococcus*, An existing genus; *Paenikytococcus*: A genus related to but distinct from the existing genus Kytococcus of almost.

Paenilabedaea

L. nan adverb *paene*, almost; L. fem. n. *Labedaea*, An existing genus; *Paenilabedaea*: A genus related to but distinct from the existing genus Labedaea of almost.

Paenilabedella

L. nan adverb *paene*, almost; L. fem. dim. n. *Labedella*, An existing genus; *Paenilabedella*: A genus related to but distinct from the existing genus Labedella of almost.

Paenilabilibaculum

L. nan adverb *paene*, almost; L. neut. n. *Labilibaculum*, An existing genus; *Paenilabilibaculum*: A genus related to but distinct from the existing genus Labilibaculum of almost.

Paenilabilithrix

L. nan adverb *paene*, almost; L. fem. n. *Labilithrix*, An existing genus; *Paenilabilithrix*: A genus related to but distinct from the existing genus Labilithrix of almost.

Paenilabrenzia

L. nan adverb *paene*, almost; L. fem. n. *Labrenzia*, An existing genus; *Paenilabrenzia*: A genus related to but distinct from the existing genus Labrenzia of almost.

Paenilabrys

L. nan adverb *paene*, almost; L. masc. n. *Labrys*, An existing genus; *Paenilabrys*: A genus related to but distinct from the existing genus Labrys of almost.

Paenilaceyella

L. nan adverb *paene*, almost; L. fem. dim. n. *Laceyella*, An existing genus; *Paenilaceyella*: A genus related to but distinct from the existing genus Laceyella of almost.

Paenilachnoanaerobaculum

L. nan adverb *paene*, almost; L. neut. n. *Lachnoanaerobaculum*, An existing genus; *Paenilachnoanaerobaculum*: A genus related to but distinct from the existing genus Lachnoanaerobaculum of almost.

Paenilachnobacterium

L. nan adverb *paene*, almost; L. neut. n. *Lachnobacterium*, An existing genus; *Paenilachnobacterium*: A genus related to but distinct from the existing genus Lachnobacterium of almost.

Paenilachnoclostridium

L. nan adverb *paene*, almost; L. neut. n. *Lachnoclostridium*, An existing genus; *Paenilachnoclostridium*: A genus related to but distinct from the existing genus Lachnoclostridium of almost.

Paenilachnospira

L. nan adverb *paene*, almost; L. fem. n. *Lachnospira*, An existing genus; *Paenilachnospira*: A genus related to but distinct from the existing genus Lachnospira of almost.

Paenilachnotalea

L. nan adverb *paene*, almost; L. fem. n. *Lachnotalea*, An existing genus; *Paenilachnotalea*: A genus related to but distinct from the existing genus Lachnotalea of almost.

Paenilacibacter

L. nan adverb *paene*, almost; L. masc. n. *Lacibacter*, An existing genus; *Paenilacibacter*: A genus related to but distinct from the existing genus Lacibacter of almost.

Paenilacibacterium

L. nan adverb *paene*, almost; L. neut. n. *Lacibacterium*, An existing genus; *Paenilacibacterium*: A genus related to but distinct from the existing genus Lacibacterium of almost.

Paenilacihabitans

L. nan adverb *paene*, almost; L. masc. n. *Lacihabitans*, An existing genus; *Paenilacihabitans*: A genus related to but distinct from the existing genus Lacihabitans of almost.

Paenilacimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Lacimicrobium*, An existing genus; *Paenilacimicrobium*: A genus related to but distinct from the existing genus Lacimicrobium of almost.

Paenilacimonas

L. nan adverb *paene*, almost; L. fem. n. *Lacimonas*, An existing genus; *Paenilacimonas*: A genus related to but distinct from the existing genus Lacimonas of almost.

Paenilacinutrix

L. nan adverb *paene*, almost; L. fem. n. *Lacinutrix*, An existing genus; *Paenilacinutrix*: A genus related to but distinct from the existing genus Lacinutrix of almost.

Paenilacipirellula

L. nan adverb *paene*, almost; L. fem. dim. n. *Lacipirellula*, An existing genus; *Paenilacipirellula*: A genus related to but distinct from the existing genus Lacipirellula of almost.

Paenilacisediminihabitans

L. nan adverb *paene*, almost; L. fem. n. *Lacisediminihabitans*, An existing genus; *Paenilacisediminihabitans*: A genus related to but distinct from the existing genus Lacisediminihabitans of almost.

Paenilacisediminimonas

L. nan adverb *paene*, almost; L. fem. n. *Lacisediminimonas*, An existing genus; *Paenilacisediminimonas*: A genus related to but distinct from the existing genus Lacisediminimonas of almost.

Paenilacrimispora

L. nan adverb *paene*, almost; L. fem. n. *Lacrimispora*, An existing genus; *Paenilacrimispora*: A genus related to but distinct from the existing genus Lacrimispora of almost.

Paenilacticaseibacillus

L. nan adverb *paene*, almost; L. masc. n. *Lacticaseibacillus*, An existing genus; *Paenilacticaseibacillus*: A genus related to but distinct from the existing genus Lacticaseibacillus of almost.

Paenilacticigenium

L. nan adverb *paene*, almost; L. neut. n. *Lacticigenium*, An existing genus; *Paenilacticigenium*: A genus related to but distinct from the existing genus Lacticigenium of almost.

Paenilactimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Lactimicrobium*, An existing genus; *Paenilactimicrobium*: A genus related to but distinct from the existing genus Lactimicrobium of almost.

Paenilactiplantibacillus

L. nan adverb *paene*, almost; L. masc. n. *Lactiplantibacillus*, An existing genus; *Paenilactiplantibacillus*: A genus related to but distinct from the existing genus Lactiplantibacillus of almost.

Paenilactivibrio

L. nan adverb *paene*, almost; L. masc. n. *Lactivibrio*, An existing genus; *Paenilactivibrio*: A genus related to but distinct from the existing genus Lactivibrio of almost.

Paenilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Lactobacillus*, An existing genus; *Paenilactobacillus*: A genus related to but distinct from the existing genus Lactobacillus of almost.

Paenilactococcus

L. nan adverb *paene*, almost; L. masc. n. *Lactococcus*, An existing genus; *Paenilactococcus*: A genus related to but distinct from the existing genus Lactococcus of almost.

Paenilactonifactor

L. nan adverb *paene*, almost; L. masc. n. *Lactonifactor*, An existing genus; *Paenilactonifactor*: A genus related to but distinct from the existing genus Lactonifactor of almost.

Paenilactosphaera

L. nan adverb *paene*, almost; L. fem. n. *Lactosphaera*, An existing genus; *Paenilactosphaera*: A genus related to but distinct from the existing genus Lactosphaera of almost.

Paenilactovum

L. nan adverb *paene*, almost; L. neut. n. *Lactovum*, An existing genus; *Paenilactovum*: A genus related to but distinct from the existing genus Lactovum of almost.

Paenilacunisphaera

L. nan adverb *paene*, almost; L. fem. n. *Lacunisphaera*, An existing genus; *Paenilacunisphaera*: A genus related to but distinct from the existing genus Lacunisphaera of almost.

Paenilamprocystis

L. nan adverb *paene*, almost; L. fem. n. *Lamprocystis*, An existing genus; *Paenilamprocystis*: A genus related to but distinct from the existing genus Lamprocystis of almost.

Paenilampropedia

L. nan adverb *paene*, almost; L. fem. n. *Lampropedia*, An existing genus; *Paenilampropedia*: A genus related to but distinct from the existing genus Lampropedia of almost.

Paenilancefieldella

L. nan adverb *paene*, almost; L. fem. dim. n. *Lancefieldella*, An existing genus; *Paenilancefieldella*: A genus related to but distinct from the existing genus Lancefieldella of almost.

Paenilapidilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Lapidilactobacillus*, An existing genus; *Paenilapidilactobacillus*: A genus related to but distinct from the existing genus Lapidilactobacillus of almost.

Paenilapillicoccus

L. nan adverb *paene*, almost; L. masc. n. *Lapillicoccus*, An existing genus; *Paenilapillicoccus*: A genus related to but distinct from the existing genus Lapillicoccus of almost.

Paenilaribacter

L. nan adverb *paene*, almost; L. masc. n. *Laribacter*, An existing genus; *Paenilaribacter*: A genus related to but distinct from the existing genus Laribacter of almost.

Paenilarkinella

L. nan adverb *paene*, almost; L. fem. dim. n. *Larkinella*, An existing genus; *Paenilarkinella*: A genus related to but distinct from the existing genus Larkinella of almost.

Paenilarsenia

L. nan adverb *paene*, almost; L. fem. n. *Larsenia*, An existing genus; *Paenilarsenia*: A genus related to but distinct from the existing genus Larsenia of almost.

Paenilarsenimonas

L. nan adverb *paene*, almost; L. fem. n. *Larsenimonas*, An existing genus; *Paenilarsenimonas*: A genus related to but distinct from the existing genus Larsenimonas of almost.

Paenilaspinema

L. nan adverb *paene*, almost; L. neut. n. *Laspinema*, An existing genus; *Paenilaspinema*: A genus related to but distinct from the existing genus Laspinema of almost.

Paenilatilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Latilactobacillus*, An existing genus; *Paenilatilactobacillus*: A genus related to but distinct from the existing genus Latilactobacillus of almost.

Paenilautropia

L. nan adverb *paene*, almost; L. fem. n. *Lautropia*, An existing genus; *Paenilautropia*: A genus related to but distinct from the existing genus Lautropia of almost.

Paenilawsonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Lawsonella*, An existing genus; *Paenilawsonella*: A genus related to but distinct from the existing genus Lawsonella of almost.

Paenilawsonia

L. nan adverb *paene*, almost; L. fem. n. *Lawsonia*, An existing genus; *Paenilawsonia*: A genus related to but distinct from the existing genus Lawsonia of almost.

Paenilawsonibacter

L. nan adverb *paene*, almost; L. masc. n. *Lawsonibacter*, An existing genus; *Paenilawsonibacter*: A genus related to but distinct from the existing genus Lawsonibacter of almost.

Paenileadbetterella

L. nan adverb *paene*, almost; L. fem. dim. n. *Leadbetterella*, An existing genus; *Paenileadbetterella*: A genus related to but distinct from the existing genus Leadbetterella of almost.

Paenilebetimonas

L. nan adverb *paene*, almost; L. fem. n. *Lebetimonas*, An existing genus; *Paenilebetimonas*: A genus related to but distinct from the existing genus Lebetimonas of almost.

Paenilechevalieria

L. nan adverb *paene*, almost; L. fem. n. *Lechevalieria*, An existing genus; *Paenilechevalieria*: A genus related to but distinct from the existing genus Lechevalieria of almost.

Paenileclercia

L. nan adverb *paene*, almost; L. fem. n. *Leclercia*, An existing genus; *Paenileclercia*: A genus related to but distinct from the existing genus Leclercia of almost.

Paenileeia

L. nan adverb *paene*, almost; L. fem. n. *Leeia*, An existing genus; *Paenileeia*: A genus related to but distinct from the existing genus Leeia of almost.

Paenileekyejoonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Leekyejoonella*, An existing genus; *Paenileekyejoonella*: A genus related to but distinct from the existing genus Leekyejoonella of almost.

Paenileeuwenhoekiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Leeuwenhoekiella*, An existing genus; *Paenileeuwenhoekiella*: A genus related to but distinct from the existing genus Leeuwenhoekiella of almost.

Paenilegionella

L. nan adverb *paene*, almost; L. fem. dim. n. *Legionella*, An existing genus; *Paenilegionella*: A genus related to but distinct from the existing genus Legionella of almost.

Paenileifsonia

L. nan adverb *paene*, almost; L. fem. n. *Leifsonia*, An existing genus; *Paenileifsonia*: A genus related to but distinct from the existing genus Leifsonia of almost.

Paenileisingera

L. nan adverb *paene*, almost; L. fem. n. *Leisingera*, An existing genus; *Paenileisingera*: A genus related to but distinct from the existing genus Leisingera of almost.

Paenilelliottia

L. nan adverb *paene*, almost; L. fem. n. *Lelliottia*, An existing genus; *Paenilelliottia*: A genus related to but distinct from the existing genus Lelliottia of almost.

Paenileminorella

L. nan adverb *paene*, almost; L. fem. n. *Leminorella*, An existing genus; *Paenileminorella*: A genus related to but distinct from the existing genus Leminorella of almost.

Paenilemmermanniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Lemmermanniella*, An existing genus; *Paenilemmermanniella*: A genus related to but distinct from the existing genus Lemmermanniella of almost.

Paenilentibacillus

L. nan adverb *paene*, almost; L. masc. n. *Lentibacillus*, An existing genus; *Paenilentibacillus*: A genus related to but distinct from the existing genus Lentibacillus of almost.

Paenilentibacter

L. nan adverb *paene*, almost; L. masc. n. *Lentibacter*, An existing genus; *Paenilentibacter*: A genus related to but distinct from the existing genus Lentibacter of almost.

Paenilentilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Lentilactobacillus*, An existing genus; *Paenilentilactobacillus*: A genus related to but distinct from the existing genus Lentilactobacillus of almost.

Paenilentilitoribacter

L. nan adverb *paene*, almost; L. masc. n. *Lentilitoribacter*, An existing genus; *Paenilentilitoribacter*: A genus related to but distinct from the existing genus Lentilitoribacter of almost.

Paenilentimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Lentimicrobium*, An existing genus; *Paenilentimicrobium*: A genus related to but distinct from the existing genus Lentimicrobium of almost.

Paenilentisphaera

L. nan adverb *paene*, almost; L. fem. n. *Lentisphaera*, An existing genus; *Paenilentisphaera*: A genus related to but distinct from the existing genus Lentisphaera of almost.

Paenilentzea

L. nan adverb *paene*, almost; L. fem. n. *Lentzea*, An existing genus; *Paenilentzea*: A genus related to but distinct from the existing genus Lentzea of almost.

Paenileptobacterium

L. nan adverb *paene*, almost; L. neut. n. *Leptobacterium*, An existing genus; *Paenileptobacterium*: A genus related to but distinct from the existing genus Leptobacterium of almost.

Paenileptolinea

L. nan adverb *paene*, almost; L. fem. n. *Leptolinea*, An existing genus; *Paenileptolinea*: A genus related to but distinct from the existing genus Leptolinea of almost.

Paenileptonema

L. nan adverb *paene*, almost; L. neut. n. *Leptonema*, An existing genus; *Paenileptonema*: A genus related to but distinct from the existing genus Leptonema of almost.

Paenileptospira

L. nan adverb *paene*, almost; L. fem. n. *Leptospira*, An existing genus; *Paenileptospira*: A genus related to but distinct from the existing genus Leptospira of almost.

Paenileptospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Leptospirillum*, An existing genus; *Paenileptospirillum*: A genus related to but distinct from the existing genus Leptospirillum of almost.

Paenileptothoe

L. nan adverb *paene*, almost; L. fem. n. *Leptothoe*, An existing genus; *Paenileptothoe*: A genus related to but distinct from the existing genus Leptothoe of almost.

Paenileptothrix

L. nan adverb *paene*, almost; L. fem. n. *Leptothrix*, An existing genus; *Paenileptothrix*: A genus related to but distinct from the existing genus Leptothrix of almost.

Paenileptotrichia

L. nan adverb *paene*, almost; L. fem. n. *Leptotrichia*, An existing genus; *Paenileptotrichia*: A genus related to but distinct from the existing genus Leptotrichia of almost.

Paenileucobacter

L. nan adverb *paene*, almost; L. masc. n. *Leucobacter*, An existing genus; *Paenileucobacter*: A genus related to but distinct from the existing genus Leucobacter of almost.

Paenileuconostoc

L. nan adverb *paene*, almost; L. neut. n. *Leuconostoc*, An existing genus; *Paenileuconostoc*: A genus related to but distinct from the existing genus Leuconostoc of almost.

Paenileucothrix

L. nan adverb *paene*, almost; L. fem. n. *Leucothrix*, An existing genus; *Paenileucothrix*: A genus related to but distinct from the existing genus Leucothrix of almost.

Paenilevilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Levilactobacillus*, An existing genus; *Paenilevilactobacillus*: A genus related to but distinct from the existing genus Levilactobacillus of almost.

Paenilevilinea

L. nan adverb *paene*, almost; L. fem. n. *Levilinea*, An existing genus; *Paenilevilinea*: A genus related to but distinct from the existing genus Levilinea of almost.

Paenilevinea

L. nan adverb *paene*, almost; L. fem. n. *Levinea*, An existing genus; *Paenilevinea*: A genus related to but distinct from the existing genus Levinea of almost.

Paenilevispirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Levispirillum*, An existing genus; *Paenilevispirillum*: A genus related to but distinct from the existing genus Levispirillum of almost.

Paenilewinella

L. nan adverb *paene*, almost; L. fem. dim. n. *Lewinella*, An existing genus; *Paenilewinella*: A genus related to but distinct from the existing genus Lewinella of almost.

Paenilibanicoccus

L. nan adverb *paene*, almost; L. masc. n. *Libanicoccus*, An existing genus; *Paenilibanicoccus*: A genus related to but distinct from the existing genus Libanicoccus of almost.

Paeniliberibacter

L. nan adverb *paene*, almost; L. masc. n. *Liberibacter*, An existing genus; *Paeniliberibacter*: A genus related to but distinct from the existing genus Liberibacter of almost.

Paenilichenibacterium

L. nan adverb *paene*, almost; L. neut. n. *Lichenibacterium*, An existing genus; *Paenilichenibacterium*: A genus related to but distinct from the existing genus Lichenibacterium of almost.

Paenilichenicoccus

L. nan adverb *paene*, almost; L. masc. n. *Lichenicoccus*, An existing genus; *Paenilichenicoccus*: A genus related to but distinct from the existing genus Lichenicoccus of almost.

Paenilichenihabitans

L. nan adverb *paene*, almost; L. masc. n. *Lichenihabitans*, An existing genus; *Paenilichenihabitans*: A genus related to but distinct from the existing genus Lichenihabitans of almost.

Paenilightfootiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Lightfootiella*, An existing genus; *Paenilightfootiella*: A genus related to but distinct from the existing genus Lightfootiella of almost.

Paeniligilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Ligilactobacillus*, An existing genus; *Paeniligilactobacillus*: A genus related to but distinct from the existing genus Ligilactobacillus of almost.

Paenilignipirellula

L. nan adverb *paene*, almost; L. fem. dim. n. *Lignipirellula*, An existing genus; *Paenilignipirellula*: A genus related to but distinct from the existing genus Lignipirellula of almost.

Paenilihuaxuella

L. nan adverb *paene*, almost; L. fem. dim. n. *Lihuaxuella*, An existing genus; *Paenilihuaxuella*: A genus related to but distinct from the existing genus Lihuaxuella of almost.

Paenilimibacillus

L. nan adverb *paene*, almost; L. masc. n. *Limibacillus*, An existing genus; *Paenilimibacillus*: A genus related to but distinct from the existing genus Limibacillus of almost.

Paenilimibacter

L. nan adverb *paene*, almost; L. masc. n. *Limibacter*, An existing genus; *Paenilimibacter*: A genus related to but distinct from the existing genus Limibacter of almost.

Paenilimibaculum

L. nan adverb *paene*, almost; L. neut. n. *Limibaculum*, An existing genus; *Paenilimibaculum*: A genus related to but distinct from the existing genus Limibaculum of almost.

Paenilimihaloglobus

L. nan adverb *paene*, almost; L. masc. n. *Limihaloglobus*, An existing genus; *Paenilimihaloglobus*: A genus related to but distinct from the existing genus Limihaloglobus of almost.

Paenilimimaricola

L. nan adverb *paene*, almost; L. masc. n. *Limimaricola*, An existing genus; *Paenilimimaricola*: A genus related to but distinct from the existing genus Limimaricola of almost.

Paenilimimonas

L. nan adverb *paene*, almost; L. fem. n. *Limimonas*, An existing genus; *Paenilimimonas*: A genus related to but distinct from the existing genus Limimonas of almost.

Paenilimisphaera

L. nan adverb *paene*, almost; L. fem. n. *Limisphaera*, An existing genus; *Paenilimisphaera*: A genus related to but distinct from the existing genus Limisphaera of almost.

Paenilimnobacter

L. nan adverb *paene*, almost; L. masc. n. *Limnobacter*, An existing genus; *Paenilimnobacter*: A genus related to but distinct from the existing genus Limnobacter of almost.

Paenilimnobaculum

L. nan adverb *paene*, almost; L. neut. n. *Limnobaculum*, An existing genus; *Paenilimnobaculum*: A genus related to but distinct from the existing genus Limnobaculum of almost.

Paenilimnochorda

L. nan adverb *paene*, almost; L. fem. n. *Limnochorda*, An existing genus; *Paenilimnochorda*: A genus related to but distinct from the existing genus Limnochorda of almost.

Paenilimnoglobus

L. nan adverb *paene*, almost; L. masc. n. *Limnoglobus*, An existing genus; *Paenilimnoglobus*: A genus related to but distinct from the existing genus Limnoglobus of almost.

Paenilimnohabitans

L. nan adverb *paene*, almost; L. masc. n. *Limnohabitans*, An existing genus; *Paenilimnohabitans*: A genus related to but distinct from the existing genus Limnohabitans of almost.

Paenilimnolyngbya

L. nan adverb *paene*, almost; L. fem. n. *Limnolyngbya*, An existing genus; *Paenilimnolyngbya*: A genus related to but distinct from the existing genus Limnolyngbya of almost.

Paenilimnospira

L. nan adverb *paene*, almost; L. fem. n. *Limnospira*, An existing genus; *Paenilimnospira*: A genus related to but distinct from the existing genus Limnospira of almost.

Paenilimoniibacter

L. nan adverb *paene*, almost; L. masc. n. *Limoniibacter*, An existing genus; *Paenilimoniibacter*: A genus related to but distinct from the existing genus Limoniibacter of almost.

Paenilimosilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Limosilactobacillus*, An existing genus; *Paenilimosilactobacillus*: A genus related to but distinct from the existing genus Limosilactobacillus of almost.

Paenilipingzhangella

L. nan adverb *paene*, almost; L. fem. dim. n. *Lipingzhangella*, An existing genus; *Paenilipingzhangella*: A genus related to but distinct from the existing genus Lipingzhangella of almost.

Paeniliquorilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Liquorilactobacillus*, An existing genus; *Paeniliquorilactobacillus*: A genus related to but distinct from the existing genus Liquorilactobacillus of almost.

Paenilishizhenia

L. nan adverb *paene*, almost; L. fem. n. *Lishizhenia*, An existing genus; *Paenilishizhenia*: A genus related to but distinct from the existing genus Lishizhenia of almost.

Paenilisteria

L. nan adverb *paene*, almost; L. fem. n. *Listeria*, An existing genus; *Paenilisteria*: A genus related to but distinct from the existing genus Listeria of almost.

Paenilistonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Listonella*, An existing genus; *Paenilistonella*: A genus related to but distinct from the existing genus Listonella of almost.

Paenilitoreibacter

L. nan adverb *paene*, almost; L. masc. n. *Litoreibacter*, An existing genus; *Paenilitoreibacter*: A genus related to but distinct from the existing genus Litoreibacter of almost.

Paenilitoribacillus

L. nan adverb *paene*, almost; L. masc. n. *Litoribacillus*, An existing genus; *Paenilitoribacillus*: A genus related to but distinct from the existing genus Litoribacillus of almost.

Paenilitoribacter

L. nan adverb *paene*, almost; L. masc. n. *Litoribacter*, An existing genus; *Paenilitoribacter*: A genus related to but distinct from the existing genus Litoribacter of almost.

Paenilitoribaculum

L. nan adverb *paene*, almost; L. neut. n. *Litoribaculum*, An existing genus; *Paenilitoribaculum*: A genus related to but distinct from the existing genus Litoribaculum of almost.

Paenilitoribrevibacter

L. nan adverb *paene*, almost; L. masc. n. *Litoribrevibacter*, An existing genus; *Paenilitoribrevibacter*: A genus related to but distinct from the existing genus Litoribrevibacter of almost.

Paenilitoricola

L. nan adverb *paene*, almost; L. fem. n. *Litoricola*, An existing genus; *Paenilitoricola*: A genus related to but distinct from the existing genus Litoricola of almost.

Paenilitorihabitans

L. nan adverb *paene*, almost; L. masc. n. *Litorihabitans*, An existing genus; *Paenilitorihabitans*: A genus related to but distinct from the existing genus Litorihabitans of almost.

Paenilitorilinea

L. nan adverb *paene*, almost; L. fem. n. *Litorilinea*, An existing genus; *Paenilitorilinea*: A genus related to but distinct from the existing genus Litorilinea of almost.

Paenilitorilituus

L. nan adverb *paene*, almost; L. masc. n. *Litorilituus*, An existing genus; *Paenilitorilituus*: A genus related to but distinct from the existing genus Litorilituus of almost.

Paenilitorimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Litorimicrobium*, An existing genus; *Paenilitorimicrobium*: A genus related to but distinct from the existing genus Litorimicrobium of almost.

Paenilitorimonas

L. nan adverb *paene*, almost; L. fem. n. *Litorimonas*, An existing genus; *Paenilitorimonas*: A genus related to but distinct from the existing genus Litorimonas of almost.

Paenilitorisediminicola

L. nan adverb *paene*, almost; L. masc. n. *Litorisediminicola*, An existing genus; *Paenilitorisediminicola*: A genus related to but distinct from the existing genus Litorisediminicola of almost.

Paenilitorisediminivivens

L. nan adverb *paene*, almost; L. masc. n. *Litorisediminivivens*, An existing genus; *Paenilitorisediminivivens*: A genus related to but distinct from the existing genus Litorisediminivivens of almost.

Paenilitorivita

L. nan adverb *paene*, almost; L. fem. n. *Litorivita*, An existing genus; *Paenilitorivita*: A genus related to but distinct from the existing genus Litorivita of almost.

Paenilitorivivens

L. nan adverb *paene*, almost; L. fem. n. *Litorivivens*, An existing genus; *Paenilitorivivens*: A genus related to but distinct from the existing genus Litorivivens of almost.

Paeniloigolactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Loigolactobacillus*, An existing genus; *Paeniloigolactobacillus*: A genus related to but distinct from the existing genus Loigolactobacillus of almost.

Paenilokiarchaeum

L. nan adverb *paene*, almost; L. neut. n. *Lokiarchaeum*, An existing genus; *Paenilokiarchaeum*: A genus related to but distinct from the existing genus Lokiarchaeum of almost.

Paeniloktanella

L. nan adverb *paene*, almost; L. fem. dim. n. *Loktanella*, An existing genus; *Paeniloktanella*: A genus related to but distinct from the existing genus Loktanella of almost.

Paenilonepinella

L. nan adverb *paene*, almost; L. fem. dim. n. *Lonepinella*, An existing genus; *Paenilonepinella*: A genus related to but distinct from the existing genus Lonepinella of almost.

Paenilongibaculum

L. nan adverb *paene*, almost; L. neut. n. *Longibaculum*, An existing genus; *Paenilongibaculum*: A genus related to but distinct from the existing genus Longibaculum of almost.

Paenilongicatena

L. nan adverb *paene*, almost; L. fem. n. *Longicatena*, An existing genus; *Paenilongicatena*: A genus related to but distinct from the existing genus Longicatena of almost.

Paenilongilinea

L. nan adverb *paene*, almost; L. fem. n. *Longilinea*, An existing genus; *Paenilongilinea*: A genus related to but distinct from the existing genus Longilinea of almost.

Paenilongimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Longimicrobium*, An existing genus; *Paenilongimicrobium*: A genus related to but distinct from the existing genus Longimicrobium of almost.

Paenilongimycelium

L. nan adverb *paene*, almost; L. neut. n. *Longimycelium*, An existing genus; *Paenilongimycelium*: A genus related to but distinct from the existing genus Longimycelium of almost.

Paenilongirhabdus

L. nan adverb *paene*, almost; L. fem. n. *Longirhabdus*, An existing genus; *Paenilongirhabdus*: A genus related to but distinct from the existing genus Longirhabdus of almost.

Paenilongispora

L. nan adverb *paene*, almost; L. fem. n. *Longispora*, An existing genus; *Paenilongispora*: A genus related to but distinct from the existing genus Longispora of almost.

Paenilongivirga

L. nan adverb *paene*, almost; L. fem. n. *Longivirga*, An existing genus; *Paenilongivirga*: A genus related to but distinct from the existing genus Longivirga of almost.

Paenilonsdalea

L. nan adverb *paene*, almost; L. fem. n. *Lonsdalea*, An existing genus; *Paenilonsdalea*: A genus related to but distinct from the existing genus Lonsdalea of almost.

Paeniloriella

L. nan adverb *paene*, almost; L. fem. dim. n. *Loriella*, An existing genus; *Paeniloriella*: A genus related to but distinct from the existing genus Loriella of almost.

Paeniloriellopsis

L. nan adverb *paene*, almost; L. fem. n. *Loriellopsis*, An existing genus; *Paeniloriellopsis*: A genus related to but distinct from the existing genus Loriellopsis of almost.

Paenilottiidibacillus

L. nan adverb *paene*, almost; L. masc. n. *Lottiidibacillus*, An existing genus; *Paenilottiidibacillus*: A genus related to but distinct from the existing genus Lottiidibacillus of almost.

Paenilucibacterium

L. nan adverb *paene*, almost; L. neut. n. *Lucibacterium*, An existing genus; *Paenilucibacterium*: A genus related to but distinct from the existing genus Lucibacterium of almost.

Paeniluedemannella

L. nan adverb *paene*, almost; L. fem. dim. n. *Luedemannella*, An existing genus; *Paeniluedemannella*: A genus related to but distinct from the existing genus Luedemannella of almost.

Paeniluethyella

L. nan adverb *paene*, almost; L. fem. dim. n. *Luethyella*, An existing genus; *Paeniluethyella*: A genus related to but distinct from the existing genus Luethyella of almost.

Paenilujinxingia

L. nan adverb *paene*, almost; L. fem. n. *Lujinxingia*, An existing genus; *Paenilujinxingia*: A genus related to but distinct from the existing genus Lujinxingia of almost.

Paeniluminiphilus

L. nan adverb *paene*, almost; L. masc. n. *Luminiphilus*, An existing genus; *Paeniluminiphilus*: A genus related to but distinct from the existing genus Luminiphilus of almost.

Paenilunatimonas

L. nan adverb *paene*, almost; L. fem. n. *Lunatimonas*, An existing genus; *Paenilunatimonas*: A genus related to but distinct from the existing genus Lunatimonas of almost.

Paenilusitaniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Lusitaniella*, An existing genus; *Paenilusitaniella*: A genus related to but distinct from the existing genus Lusitaniella of almost.

Paenilutaonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Lutaonella*, An existing genus; *Paenilutaonella*: A genus related to but distinct from the existing genus Lutaonella of almost.

Paeniluteibacter

L. nan adverb *paene*, almost; L. masc. n. *Luteibacter*, An existing genus; *Paeniluteibacter*: A genus related to but distinct from the existing genus Luteibacter of almost.

Paeniluteibaculum

L. nan adverb *paene*, almost; L. neut. n. *Luteibaculum*, An existing genus; *Paeniluteibaculum*: A genus related to but distinct from the existing genus Luteibaculum of almost.

Paeniluteimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Luteimicrobium*, An existing genus; *Paeniluteimicrobium*: A genus related to but distinct from the existing genus Luteimicrobium of almost.

Paeniluteimonas

L. nan adverb *paene*, almost; L. fem. n. *Luteimonas*, An existing genus; *Paeniluteimonas*: A genus related to but distinct from the existing genus Luteimonas of almost.

Paeniluteipulveratus

L. nan adverb *paene*, almost; L. masc. n. *Luteipulveratus*, An existing genus; *Paeniluteipulveratus*: A genus related to but distinct from the existing genus Luteipulveratus of almost.

Paeniluteitalea

L. nan adverb *paene*, almost; L. fem. n. *Luteitalea*, An existing genus; *Paeniluteitalea*: A genus related to but distinct from the existing genus Luteitalea of almost.

Paeniluteithermobacter

L. nan adverb *paene*, almost; L. masc. n. *Luteithermobacter*, An existing genus; *Paeniluteithermobacter*: A genus related to but distinct from the existing genus Luteithermobacter of almost.

Paeniluteivirga

L. nan adverb *paene*, almost; L. fem. n. *Luteivirga*, An existing genus; *Paeniluteivirga*: A genus related to but distinct from the existing genus Luteivirga of almost.

Paeniluteococcus

L. nan adverb *paene*, almost; L. masc. n. *Luteococcus*, An existing genus; *Paeniluteococcus*: A genus related to but distinct from the existing genus Luteococcus of almost.

Paeniluteolibacter

L. nan adverb *paene*, almost; L. masc. n. *Luteolibacter*, An existing genus; *Paeniluteolibacter*: A genus related to but distinct from the existing genus Luteolibacter of almost.

Paeniluteovulum

L. nan adverb *paene*, almost; L. neut. n. *Luteovulum*, An existing genus; *Paeniluteovulum*: A genus related to but distinct from the existing genus Luteovulum of almost.

Paenilutibacterium

L. nan adverb *paene*, almost; L. neut. n. *Lutibacterium*, An existing genus; *Paenilutibacterium*: A genus related to but distinct from the existing genus Lutibacterium of almost.

Paenilutimaribacter

L. nan adverb *paene*, almost; L. masc. n. *Lutimaribacter*, An existing genus; *Paenilutimaribacter*: A genus related to but distinct from the existing genus Lutimaribacter of almost.

Paenilutimonas

L. nan adverb *paene*, almost; L. fem. n. *Lutimonas*, An existing genus; *Paenilutimonas*: A genus related to but distinct from the existing genus Lutimonas of almost.

Paenilutispora

L. nan adverb *paene*, almost; L. fem. n. *Lutispora*, An existing genus; *Paenilutispora*: A genus related to but distinct from the existing genus Lutispora of almost.

Paenilysinibacillus

L. nan adverb *paene*, almost; L. masc. n. *Lysinibacillus*, An existing genus; *Paenilysinibacillus*: A genus related to but distinct from the existing genus Lysinibacillus of almost.

Paenilysinibacter

L. nan adverb *paene*, almost; L. masc. n. *Lysinibacter*, An existing genus; *Paenilysinibacter*: A genus related to but distinct from the existing genus Lysinibacter of almost.

Paenilysinimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Lysinimicrobium*, An existing genus; *Paenilysinimicrobium*: A genus related to but distinct from the existing genus Lysinimicrobium of almost.

Paenilysinimonas

L. nan adverb *paene*, almost; L. fem. n. *Lysinimonas*, An existing genus; *Paenilysinimonas*: A genus related to but distinct from the existing genus Lysinimonas of almost.

Paenilysobacter

L. nan adverb *paene*, almost; L. masc. n. *Lysobacter*, An existing genus; *Paenilysobacter*: A genus related to but distinct from the existing genus Lysobacter of almost.

Paenilyticum

L. nan adverb *paene*, almost; L. neut. n. *Lyticum*, An existing genus; *Paenilyticum*: A genus related to but distinct from the existing genus Lyticum of almost.

Paenimabikibacter

L. nan adverb *paene*, almost; L. masc. n. *Mabikibacter*, An existing genus; *Paenimabikibacter*: A genus related to but distinct from the existing genus Mabikibacter of almost.

Paenimacellibacteroides

L. nan adverb *paene*, almost; L. masc. n. *Macellibacteroides*, An existing genus; *Paenimacellibacteroides*: A genus related to but distinct from the existing genus Macellibacteroides of almost.

Paenimacrochaete

L. nan adverb *paene*, almost; L. fem. n. *Macrochaete*, An existing genus; *Paenimacrochaete*: A genus related to but distinct from the existing genus Macrochaete of almost.

Paenimacrococcus

L. nan adverb *paene*, almost; L. masc. n. *Macrococcus*, An existing genus; *Paenimacrococcus*: A genus related to but distinct from the existing genus Macrococcus of almost.

Paenimageeibacillus

L. nan adverb *paene*, almost; L. masc. n. *Mageeibacillus*, An existing genus; *Paenimageeibacillus*: A genus related to but distinct from the existing genus Mageeibacillus of almost.

Paenimagnetococcus

L. nan adverb *paene*, almost; L. masc. n. *Magnetococcus*, An existing genus; *Paenimagnetococcus*: A genus related to but distinct from the existing genus Magnetococcus of almost.

Paenimagnetospira

L. nan adverb *paene*, almost; L. fem. n. *Magnetospira*, An existing genus; *Paenimagnetospira*: A genus related to but distinct from the existing genus Magnetospira of almost.

Paenimagnetospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Magnetospirillum*, An existing genus; *Paenimagnetospirillum*: A genus related to but distinct from the existing genus Magnetospirillum of almost.

Paenimagnetovibrio

L. nan adverb *paene*, almost; L. masc. n. *Magnetovibrio*, An existing genus; *Paenimagnetovibrio*: A genus related to but distinct from the existing genus Magnetovibrio of almost.

Paenimahella

L. nan adverb *paene*, almost; L. fem. dim. n. *Mahella*, An existing genus; *Paenimahella*: A genus related to but distinct from the existing genus Mahella of almost.

Paenimalacoplasma

L. nan adverb *paene*, almost; L. neut. n. *Malacoplasma*, An existing genus; *Paenimalacoplasma*: A genus related to but distinct from the existing genus Malacoplasma of almost.

Paenimaledivibacter

L. nan adverb *paene*, almost; L. masc. n. *Maledivibacter*, An existing genus; *Paenimaledivibacter*: A genus related to but distinct from the existing genus Maledivibacter of almost.

Paenimalikia

L. nan adverb *paene*, almost; L. fem. n. *Malikia*, An existing genus; *Paenimalikia*: A genus related to but distinct from the existing genus Malikia of almost.

Paenimaliponia

L. nan adverb *paene*, almost; L. fem. n. *Maliponia*, An existing genus; *Paenimaliponia*: A genus related to but distinct from the existing genus Maliponia of almost.

Paenimameliella

L. nan adverb *paene*, almost; L. fem. dim. n. *Mameliella*, An existing genus; *Paenimameliella*: A genus related to but distinct from the existing genus Mameliella of almost.

Paenimangrovibacter

L. nan adverb *paene*, almost; L. masc. n. *Mangrovibacter*, An existing genus; *Paenimangrovibacter*: A genus related to but distinct from the existing genus Mangrovibacter of almost.

Paenimangrovibacterium

L. nan adverb *paene*, almost; L. neut. n. *Mangrovibacterium*, An existing genus; *Paenimangrovibacterium*: A genus related to but distinct from the existing genus Mangrovibacterium of almost.

Paenimangrovicella

L. nan adverb *paene*, almost; L. fem. n. *Mangrovicella*, An existing genus; *Paenimangrovicella*: A genus related to but distinct from the existing genus Mangrovicella of almost.

Paenimangrovicoccus

L. nan adverb *paene*, almost; L. masc. n. *Mangrovicoccus*, An existing genus; *Paenimangrovicoccus*: A genus related to but distinct from the existing genus Mangrovicoccus of almost.

Paenimangroviflexus

L. nan adverb *paene*, almost; L. masc. n. *Mangroviflexus*, An existing genus; *Paenimangroviflexus*: A genus related to but distinct from the existing genus Mangroviflexus of almost.

Paenimangrovihabitans

L. nan adverb *paene*, almost; L. masc. n. *Mangrovihabitans*, An existing genus; *Paenimangrovihabitans*: A genus related to but distinct from the existing genus Mangrovihabitans of almost.

Paenimangrovimonas

L. nan adverb *paene*, almost; L. fem. n. *Mangrovimonas*, An existing genus; *Paenimangrovimonas*: A genus related to but distinct from the existing genus Mangrovimonas of almost.

Paenimangrovitalea

L. nan adverb *paene*, almost; L. fem. n. *Mangrovitalea*, An existing genus; *Paenimangrovitalea*: A genus related to but distinct from the existing genus Mangrovitalea of almost.

Paenimannheimia

L. nan adverb *paene*, almost; L. fem. n. *Mannheimia*, An existing genus; *Paenimannheimia*: A genus related to but distinct from the existing genus Mannheimia of almost.

Paenimarasmitruncus

L. nan adverb *paene*, almost; L. masc. n. *Marasmitruncus*, An existing genus; *Paenimarasmitruncus*: A genus related to but distinct from the existing genus Marasmitruncus of almost.

Paenimaribacillus

L. nan adverb *paene*, almost; L. masc. n. *Maribacillus*, An existing genus; *Paenimaribacillus*: A genus related to but distinct from the existing genus Maribacillus of almost.

Paenimaribacter

L. nan adverb *paene*, almost; L. masc. n. *Maribacter*, An existing genus; *Paenimaribacter*: A genus related to but distinct from the existing genus Maribacter of almost.

Paenimaribaculum

L. nan adverb *paene*, almost; L. neut. n. *Maribaculum*, An existing genus; *Paenimaribaculum*: A genus related to but distinct from the existing genus Maribaculum of almost.

Paenimaribellus

L. nan adverb *paene*, almost; L. masc. n. *Maribellus*, An existing genus; *Paenimaribellus*: A genus related to but distinct from the existing genus Maribellus of almost.

Paenimaribius

L. nan adverb *paene*, almost; L. masc. n. *Maribius*, An existing genus; *Paenimaribius*: A genus related to but distinct from the existing genus Maribius of almost.

Paenimaricaulis

L. nan adverb *paene*, almost; L. masc. n. *Maricaulis*, An existing genus; *Paenimaricaulis*: A genus related to but distinct from the existing genus Maricaulis of almost.

Paenimarichromatium

L. nan adverb *paene*, almost; L. neut. n. *Marichromatium*, An existing genus; *Paenimarichromatium*: A genus related to but distinct from the existing genus Marichromatium of almost.

Paenimaricurvus

L. nan adverb *paene*, almost; L. masc. n. *Maricurvus*, An existing genus; *Paenimaricurvus*: A genus related to but distinct from the existing genus Maricurvus of almost.

Paenimarihabitans

L. nan adverb *paene*, almost; L. neut. n. *Marihabitans*, An existing genus; *Paenimarihabitans*: A genus related to but distinct from the existing genus Marihabitans of almost.

Paenimarileptolyngbya

L. nan adverb *paene*, almost; L. fem. n. *Marileptolyngbya*, An existing genus; *Paenimarileptolyngbya*: A genus related to but distinct from the existing genus Marileptolyngbya of almost.

Paenimarimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Marimicrobium*, An existing genus; *Paenimarimicrobium*: A genus related to but distinct from the existing genus Marimicrobium of almost.

Paenimarimonas

L. nan adverb *paene*, almost; L. fem. n. *Marimonas*, An existing genus; *Paenimarimonas*: A genus related to but distinct from the existing genus Marimonas of almost.

Paenimarinactinospora

L. nan adverb *paene*, almost; L. fem. n. *Marinactinospora*, An existing genus; *Paenimarinactinospora*: A genus related to but distinct from the existing genus Marinactinospora of almost.

Paenimarinagarivorans

L. nan adverb *paene*, almost; L. masc. n. *Marinagarivorans*, An existing genus; *Paenimarinagarivorans*: A genus related to but distinct from the existing genus Marinagarivorans of almost.

Paenimarinibacillus

L. nan adverb *paene*, almost; L. masc. n. *Marinibacillus*, An existing genus; *Paenimarinibacillus*: A genus related to but distinct from the existing genus Marinibacillus of almost.

Paenimarinibacterium

L. nan adverb *paene*, almost; L. neut. n. *Marinibacterium*, An existing genus; *Paenimarinibacterium*: A genus related to but distinct from the existing genus Marinibacterium of almost.

Paenimarinibactrum

L. nan adverb *paene*, almost; L. neut. n. *Marinibactrum*, An existing genus; *Paenimarinibactrum*: A genus related to but distinct from the existing genus Marinibactrum of almost.

Paenimarinibaculum

L. nan adverb *paene*, almost; L. neut. n. *Marinibaculum*, An existing genus; *Paenimarinibaculum*: A genus related to but distinct from the existing genus Marinibaculum of almost.

Paenimariniblastus

L. nan adverb *paene*, almost; L. masc. n. *Mariniblastus*, An existing genus; *Paenimariniblastus*: A genus related to but distinct from the existing genus Mariniblastus of almost.

Paenimarinicauda

L. nan adverb *paene*, almost; L. fem. n. *Marinicauda*, An existing genus; *Paenimarinicauda*: A genus related to but distinct from the existing genus Marinicauda of almost.

Paenimarinicaulis

L. nan adverb *paene*, almost; L. masc. n. *Marinicaulis*, An existing genus; *Paenimarinicaulis*: A genus related to but distinct from the existing genus Marinicaulis of almost.

Paenimarinicella

L. nan adverb *paene*, almost; L. fem. n. *Marinicella*, An existing genus; *Paenimarinicella*: A genus related to but distinct from the existing genus Marinicella of almost.

Paenimarinicola

L. nan adverb *paene*, almost; L. masc. n. *Marinicola*, An existing genus; *Paenimarinicola*: A genus related to but distinct from the existing genus Marinicola of almost.

Paenimarinicrinis

L. nan adverb *paene*, almost; L. masc. n. *Marinicrinis*, An existing genus; *Paenimarinicrinis*: A genus related to but distinct from the existing genus Marinicrinis of almost.

Paenimarinifilum

L. nan adverb *paene*, almost; L. neut. n. *Marinifilum*, An existing genus; *Paenimarinifilum*: A genus related to but distinct from the existing genus Marinifilum of almost.

Paenimariniflexile

L. nan adverb *paene*, almost; L. neut. n. *Mariniflexile*, An existing genus; *Paenimariniflexile*: A genus related to but distinct from the existing genus Mariniflexile of almost.

Paenimarinilabilia

L. nan adverb *paene*, almost; L. fem. n. *Marinilabilia*, An existing genus; *Paenimarinilabilia*: A genus related to but distinct from the existing genus Marinilabilia of almost.

Paenimarinilactibacillus

L. nan adverb *paene*, almost; L. masc. n. *Marinilactibacillus*, An existing genus; *Paenimarinilactibacillus*: A genus related to but distinct from the existing genus Marinilactibacillus of almost.

Paenimariniluteicoccus

L. nan adverb *paene*, almost; L. masc. n. *Mariniluteicoccus*, An existing genus; *Paenimariniluteicoccus*: A genus related to but distinct from the existing genus Mariniluteicoccus of almost.

Paenimarinimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Marinimicrobium*, An existing genus; *Paenimarinimicrobium*: A genus related to but distinct from the existing genus Marinimicrobium of almost.

Paenimarininema

L. nan adverb *paene*, almost; L. neut. n. *Marininema*, An existing genus; *Paenimarininema*: A genus related to but distinct from the existing genus Marininema of almost.

Paenimariniphaga

L. nan adverb *paene*, almost; L. fem. n. *Mariniphaga*, An existing genus; *Paenimariniphaga*: A genus related to but distinct from the existing genus Mariniphaga of almost.

Paenimariniradius

L. nan adverb *paene*, almost; L. masc. n. *Mariniradius*, An existing genus; *Paenimariniradius*: A genus related to but distinct from the existing genus Mariniradius of almost.

Paenimarinirhabdus

L. nan adverb *paene*, almost; L. fem. n. *Marinirhabdus*, An existing genus; *Paenimarinirhabdus*: A genus related to but distinct from the existing genus Marinirhabdus of almost.

Paenimarinisporobacter

L. nan adverb *paene*, almost; L. masc. n. *Marinisporobacter*, An existing genus; *Paenimarinisporobacter*: A genus related to but distinct from the existing genus Marinisporobacter of almost.

Paenimarinitalea

L. nan adverb *paene*, almost; L. fem. n. *Marinitalea*, An existing genus; *Paenimarinitalea*: A genus related to but distinct from the existing genus Marinitalea of almost.

Paenimarinitenerispora

L. nan adverb *paene*, almost; L. fem. n. *Marinitenerispora*, An existing genus; *Paenimarinitenerispora*: A genus related to but distinct from the existing genus Marinitenerispora of almost.

Paenimarinithermofilum

L. nan adverb *paene*, almost; L. neut. n. *Marinithermofilum*, An existing genus; *Paenimarinithermofilum*: A genus related to but distinct from the existing genus Marinithermofilum of almost.

Paenimarinithermus

L. nan adverb *paene*, almost; L. masc. n. *Marinithermus*, An existing genus; *Paenimarinithermus*: A genus related to but distinct from the existing genus Marinithermus of almost.

Paenimarinitoga

L. nan adverb *paene*, almost; L. fem. n. *Marinitoga*, An existing genus; *Paenimarinitoga*: A genus related to but distinct from the existing genus Marinitoga of almost.

Paenimarinivirga

L. nan adverb *paene*, almost; L. fem. n. *Marinivirga*, An existing genus; *Paenimarinivirga*: A genus related to but distinct from the existing genus Marinivirga of almost.

Paenimarinobacter

L. nan adverb *paene*, almost; L. masc. n. *Marinobacter*, An existing genus; *Paenimarinobacter*: A genus related to but distinct from the existing genus Marinobacter of almost.

Paenimarinobacterium

L. nan adverb *paene*, almost; L. neut. n. *Marinobacterium*, An existing genus; *Paenimarinobacterium*: A genus related to but distinct from the existing genus Marinobacterium of almost.

Paenimarinococcus

L. nan adverb *paene*, almost; L. masc. n. *Marinococcus*, An existing genus; *Paenimarinococcus*: A genus related to but distinct from the existing genus Marinococcus of almost.

Paenimarinomonas

L. nan adverb *paene*, almost; L. fem. n. *Marinomonas*, An existing genus; *Paenimarinomonas*: A genus related to but distinct from the existing genus Marinomonas of almost.

Paenimarinoscillum

L. nan adverb *paene*, almost; L. neut. n. *Marinoscillum*, An existing genus; *Paenimarinoscillum*: A genus related to but distinct from the existing genus Marinoscillum of almost.

Paenimarinospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Marinospirillum*, An existing genus; *Paenimarinospirillum*: A genus related to but distinct from the existing genus Marinospirillum of almost.

Paenimarinosulfonomonas

L. nan adverb *paene*, almost; L. fem. n. *Marinosulfonomonas*, An existing genus; *Paenimarinosulfonomonas*: A genus related to but distinct from the existing genus Marinosulfonomonas of almost.

Paenimarinovum

L. nan adverb *paene*, almost; L. neut. n. *Marinovum*, An existing genus; *Paenimarinovum*: A genus related to but distinct from the existing genus Marinovum of almost.

Paenimariprofundus

L. nan adverb *paene*, almost; L. masc. n. *Mariprofundus*, An existing genus; *Paenimariprofundus*: A genus related to but distinct from the existing genus Mariprofundus of almost.

Paenimaripseudobacter

L. nan adverb *paene*, almost; L. masc. n. *Maripseudobacter*, An existing genus; *Paenimaripseudobacter*: A genus related to but distinct from the existing genus Maripseudobacter of almost.

Paenimarisediminicola

L. nan adverb *paene*, almost; L. fem. n. *Marisediminicola*, An existing genus; *Paenimarisediminicola*: A genus related to but distinct from the existing genus Marisediminicola of almost.

Paenimarisediminitalea

L. nan adverb *paene*, almost; L. fem. n. *Marisediminitalea*, An existing genus; *Paenimarisediminitalea*: A genus related to but distinct from the existing genus Marisediminitalea of almost.

Paenimarispirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Marispirillum*, An existing genus; *Paenimarispirillum*: A genus related to but distinct from the existing genus Marispirillum of almost.

Paenimarispirochaeta

L. nan adverb *paene*, almost; L. fem. n. *Marispirochaeta*, An existing genus; *Paenimarispirochaeta*: A genus related to but distinct from the existing genus Marispirochaeta of almost.

Paenimaritalea

L. nan adverb *paene*, almost; L. fem. n. *Maritalea*, An existing genus; *Paenimaritalea*: A genus related to but distinct from the existing genus Maritalea of almost.

Paenimaritimibacter

L. nan adverb *paene*, almost; L. masc. n. *Maritimibacter*, An existing genus; *Paenimaritimibacter*: A genus related to but distinct from the existing genus Maritimibacter of almost.

Paenimaritimimonas

L. nan adverb *paene*, almost; L. fem. n. *Maritimimonas*, An existing genus; *Paenimaritimimonas*: A genus related to but distinct from the existing genus Maritimimonas of almost.

Paenimarivibrio

L. nan adverb *paene*, almost; L. masc. n. *Marivibrio*, An existing genus; *Paenimarivibrio*: A genus related to but distinct from the existing genus Marivibrio of almost.

Paenimarivirga

L. nan adverb *paene*, almost; L. fem. n. *Marivirga*, An existing genus; *Paenimarivirga*: A genus related to but distinct from the existing genus Marivirga of almost.

Paenimarivita

L. nan adverb *paene*, almost; L. fem. n. *Marivita*, An existing genus; *Paenimarivita*: A genus related to but distinct from the existing genus Marivita of almost.

Paenimarixanthomonas

L. nan adverb *paene*, almost; L. fem. n. *Marixanthomonas*, An existing genus; *Paenimarixanthomonas*: A genus related to but distinct from the existing genus Marixanthomonas of almost.

Paenimarmoricola

L. nan adverb *paene*, almost; L. masc. n. *Marmoricola*, An existing genus; *Paenimarmoricola*: A genus related to but distinct from the existing genus Marmoricola of almost.

Paenimarortus

L. nan adverb *paene*, almost; L. masc. n. *Marortus*, An existing genus; *Paenimarortus*: A genus related to but distinct from the existing genus Marortus of almost.

Paenimartelella

L. nan adverb *paene*, almost; L. fem. dim. n. *Martelella*, An existing genus; *Paenimartelella*: A genus related to but distinct from the existing genus Martelella of almost.

Paenimarvinbryantia

L. nan adverb *paene*, almost; L. fem. n. *Marvinbryantia*, An existing genus; *Paenimarvinbryantia*: A genus related to but distinct from the existing genus Marvinbryantia of almost.

Paenimassilibacterium

L. nan adverb *paene*, almost; L. neut. n. *Massilibacterium*, An existing genus; *Paenimassilibacterium*: A genus related to but distinct from the existing genus Massilibacterium of almost.

Paenimassiliimalia

L. nan adverb *paene*, almost; L. fem. n. *Massiliimalia*, An existing genus; *Paenimassiliimalia*: A genus related to but distinct from the existing genus Massiliimalia of almost.

Paenimechercharimyces

L. nan adverb *paene*, almost; L. masc. n. *Mechercharimyces*, An existing genus; *Paenimechercharimyces*: A genus related to but distinct from the existing genus Mechercharimyces of almost.

Paenimediterraneibacter

L. nan adverb *paene*, almost; L. masc. n. *Mediterraneibacter*, An existing genus; *Paenimediterraneibacter*: A genus related to but distinct from the existing genus Mediterraneibacter of almost.

Paenimegamonas

L. nan adverb *paene*, almost; L. fem. n. *Megamonas*, An existing genus; *Paenimegamonas*: A genus related to but distinct from the existing genus Megamonas of almost.

Paenimeganema

L. nan adverb *paene*, almost; L. neut. n. *Meganema*, An existing genus; *Paenimeganema*: A genus related to but distinct from the existing genus Meganema of almost.

Paenimegasphaera

L. nan adverb *paene*, almost; L. fem. n. *Megasphaera*, An existing genus; *Paenimegasphaera*: A genus related to but distinct from the existing genus Megasphaera of almost.

Paenimeiothermus

L. nan adverb *paene*, almost; L. masc. n. *Meiothermus*, An existing genus; *Paenimeiothermus*: A genus related to but distinct from the existing genus Meiothermus of almost.

Paenimelaminivora

L. nan adverb *paene*, almost; L. fem. n. *Melaminivora*, An existing genus; *Paenimelaminivora*: A genus related to but distinct from the existing genus Melaminivora of almost.

Paenimelghiribacillus

L. nan adverb *paene*, almost; L. masc. n. *Melghiribacillus*, An existing genus; *Paenimelghiribacillus*: A genus related to but distinct from the existing genus Melghiribacillus of almost.

Paenimelghirimyces

L. nan adverb *paene*, almost; L. masc. n. *Melghirimyces*, An existing genus; *Paenimelghirimyces*: A genus related to but distinct from the existing genus Melghirimyces of almost.

Paenimelioribacter

L. nan adverb *paene*, almost; L. masc. n. *Melioribacter*, An existing genus; *Paenimelioribacter*: A genus related to but distinct from the existing genus Melioribacter of almost.

Paenimelissococcus

L. nan adverb *paene*, almost; L. masc. n. *Melissococcus*, An existing genus; *Paenimelissococcus*: A genus related to but distinct from the existing genus Melissococcus of almost.

Paenimelitea

L. nan adverb *paene*, almost; L. fem. n. *Melitea*, An existing genus; *Paenimelitea*: A genus related to but distinct from the existing genus Melitea of almost.

Paenimelittangium

L. nan adverb *paene*, almost; L. neut. n. *Melittangium*, An existing genus; *Paenimelittangium*: A genus related to but distinct from the existing genus Melittangium of almost.

Paenimembranicola

L. nan adverb *paene*, almost; L. masc. n. *Membranicola*, An existing genus; *Paenimembranicola*: A genus related to but distinct from the existing genus Membranicola of almost.

Paenimeniscus

L. nan adverb *paene*, almost; L. masc. n. *Meniscus*, An existing genus; *Paenimeniscus*: A genus related to but distinct from the existing genus Meniscus of almost.

Paenimerdibacter

L. nan adverb *paene*, almost; L. masc. n. *Merdibacter*, An existing genus; *Paenimerdibacter*: A genus related to but distinct from the existing genus Merdibacter of almost.

Paenimerdimonas

L. nan adverb *paene*, almost; L. fem. n. *Merdimonas*, An existing genus; *Paenimerdimonas*: A genus related to but distinct from the existing genus Merdimonas of almost.

Paenimeridianimaribacter

L. nan adverb *paene*, almost; L. masc. n. *Meridianimaribacter*, An existing genus; *Paenimeridianimaribacter*: A genus related to but distinct from the existing genus Meridianimaribacter of almost.

Paenimeridianimarinicoccus

L. nan adverb *paene*, almost; L. masc. n. *Meridianimarinicoccus*, An existing genus; *Paenimeridianimarinicoccus*: A genus related to but distinct from the existing genus Meridianimarinicoccus of almost.

Paenimesoaciditoga

L. nan adverb *paene*, almost; L. fem. n. *Mesoaciditoga*, An existing genus; *Paenimesoaciditoga*: A genus related to but distinct from the existing genus Mesoaciditoga of almost.

Paenimesobacillus

L. nan adverb *paene*, almost; L. masc. n. *Mesobacillus*, An existing genus; *Paenimesobacillus*: A genus related to but distinct from the existing genus Mesobacillus of almost.

Paenimesocricetibacter

L. nan adverb *paene*, almost; L. masc. n. *Mesocricetibacter*, An existing genus; *Paenimesocricetibacter*: A genus related to but distinct from the existing genus Mesocricetibacter of almost.

Paenimesoflavibacter

L. nan adverb *paene*, almost; L. masc. n. *Mesoflavibacter*, An existing genus; *Paenimesoflavibacter*: A genus related to but distinct from the existing genus Mesoflavibacter of almost.

Paenimesohalobacter

L. nan adverb *paene*, almost; L. masc. n. *Mesohalobacter*, An existing genus; *Paenimesohalobacter*: A genus related to but distinct from the existing genus Mesohalobacter of almost.

Paenimesomycoplasma

L. nan adverb *paene*, almost; L. neut. n. *Mesomycoplasma*, An existing genus; *Paenimesomycoplasma*: A genus related to but distinct from the existing genus Mesomycoplasma of almost.

Paenimesonia

L. nan adverb *paene*, almost; L. fem. n. *Mesonia*, An existing genus; *Paenimesonia*: A genus related to but distinct from the existing genus Mesonia of almost.

Paenimesophilobacter

L. nan adverb *paene*, almost; L. masc. n. *Mesophilobacter*, An existing genus; *Paenimesophilobacter*: A genus related to but distinct from the existing genus Mesophilobacter of almost.

Paenimesoplasma

L. nan adverb *paene*, almost; L. neut. n. *Mesoplasma*, An existing genus; *Paenimesoplasma*: A genus related to but distinct from the existing genus Mesoplasma of almost.

Paenimesorhizobium

L. nan adverb *paene*, almost; L. neut. n. *Mesorhizobium*, An existing genus; *Paenimesorhizobium*: A genus related to but distinct from the existing genus Mesorhizobium of almost.

Paenimesosutterella

L. nan adverb *paene*, almost; L. fem. dim. n. *Mesosutterella*, An existing genus; *Paenimesosutterella*: A genus related to but distinct from the existing genus Mesosutterella of almost.

Paenimesotoga

L. nan adverb *paene*, almost; L. fem. n. *Mesotoga*, An existing genus; *Paenimesotoga*: A genus related to but distinct from the existing genus Mesotoga of almost.

Paenimetabacillus

L. nan adverb *paene*, almost; L. masc. n. *Metabacillus*, An existing genus; *Paenimetabacillus*: A genus related to but distinct from the existing genus Metabacillus of almost.

Paenimetakosakonia

L. nan adverb *paene*, almost; L. fem. n. *Metakosakonia*, An existing genus; *Paenimetakosakonia*: A genus related to but distinct from the existing genus Metakosakonia of almost.

Paenimetallibacterium

L. nan adverb *paene*, almost; L. neut. n. *Metallibacterium*, An existing genus; *Paenimetallibacterium*: A genus related to but distinct from the existing genus Metallibacterium of almost.

Paenimetalliresistens

L. nan adverb *paene*, almost; L. masc. n. *Metalliresistens*, An existing genus; *Paenimetalliresistens*: A genus related to but distinct from the existing genus Metalliresistens of almost.

Paenimetallosphaera

L. nan adverb *paene*, almost; L. fem. n. *Metallosphaera*, An existing genus; *Paenimetallosphaera*: A genus related to but distinct from the existing genus Metallosphaera of almost.

Paenimetalysinibacillus

L. nan adverb *paene*, almost; L. masc. n. *Metalysinibacillus*, An existing genus; *Paenimetalysinibacillus*: A genus related to but distinct from the existing genus Metalysinibacillus of almost.

Paenimetamycoplasma

L. nan adverb *paene*, almost; L. neut. n. *Metamycoplasma*, An existing genus; *Paenimetamycoplasma*: A genus related to but distinct from the existing genus Metamycoplasma of almost.

Paenimetaplanococcus

L. nan adverb *paene*, almost; L. masc. n. *Metaplanococcus*, An existing genus; *Paenimetaplanococcus*: A genus related to but distinct from the existing genus Metaplanococcus of almost.

Paenimetascardovia

L. nan adverb *paene*, almost; L. fem. n. *Metascardovia*, An existing genus; *Paenimetascardovia*: A genus related to but distinct from the existing genus Metascardovia of almost.

Paenimetasolibacillus

L. nan adverb *paene*, almost; L. masc. n. *Metasolibacillus*, An existing genus; *Paenimetasolibacillus*: A genus related to but distinct from the existing genus Metasolibacillus of almost.

Paenimethanobacterium

L. nan adverb *paene*, almost; L. neut. n. *Methanobacterium*, An existing genus; *Paenimethanobacterium*: A genus related to but distinct from the existing genus Methanobacterium of almost.

Paenimethanobrevibacter

L. nan adverb *paene*, almost; L. masc. n. *Methanobrevibacter*, An existing genus; *Paenimethanobrevibacter*: A genus related to but distinct from the existing genus Methanobrevibacter of almost.

Paenimethanocalculus

L. nan adverb *paene*, almost; L. masc. n. *Methanocalculus*, An existing genus; *Paenimethanocalculus*: A genus related to but distinct from the existing genus Methanocalculus of almost.

Paenimethanocaldococcus

L. nan adverb *paene*, almost; L. masc. n. *Methanocaldococcus*, An existing genus; *Paenimethanocaldococcus*: A genus related to but distinct from the existing genus Methanocaldococcus of almost.

Paenimethanocella

L. nan adverb *paene*, almost; L. fem. n. *Methanocella*, An existing genus; *Paenimethanocella*: A genus related to but distinct from the existing genus Methanocella of almost.

Paenimethanococcoides

L. nan adverb *paene*, almost; L. neut. n. *Methanococcoides*, An existing genus; *Paenimethanococcoides*: A genus related to but distinct from the existing genus Methanococcoides of almost.

Paenimethanococcus

L. nan adverb *paene*, almost; L. masc. n. *Methanococcus*, An existing genus; *Paenimethanococcus*: A genus related to but distinct from the existing genus Methanococcus of almost.

Paenimethanocorpusculum

L. nan adverb *paene*, almost; L. neut. n. *Methanocorpusculum*, An existing genus; *Paenimethanocorpusculum*: A genus related to but distinct from the existing genus Methanocorpusculum of almost.

Paenimethanoculleus

L. nan adverb *paene*, almost; L. masc. n. *Methanoculleus*, An existing genus; *Paenimethanoculleus*: A genus related to but distinct from the existing genus Methanoculleus of almost.

Paenimethanofervidicoccus

L. nan adverb *paene*, almost; L. masc. n. *Methanofervidicoccus*, An existing genus; *Paenimethanofervidicoccus*: A genus related to but distinct from the existing genus Methanofervidicoccus of almost.

Paenimethanofollis

L. nan adverb *paene*, almost; L. masc. n. *Methanofollis*, An existing genus; *Paenimethanofollis*: A genus related to but distinct from the existing genus Methanofollis of almost.

Paenimethanogenium

L. nan adverb *paene*, almost; L. neut. n. *Methanogenium*, An existing genus; *Paenimethanogenium*: A genus related to but distinct from the existing genus Methanogenium of almost.

Paenimethanohalobium

L. nan adverb *paene*, almost; L. neut. n. *Methanohalobium*, An existing genus; *Paenimethanohalobium*: A genus related to but distinct from the existing genus Methanohalobium of almost.

Paenimethanohalophilus

L. nan adverb *paene*, almost; L. masc. n. *Methanohalophilus*, An existing genus; *Paenimethanohalophilus*: A genus related to but distinct from the existing genus Methanohalophilus of almost.

Paenimethanolacinia

L. nan adverb *paene*, almost; L. fem. n. *Methanolacinia*, An existing genus; *Paenimethanolacinia*: A genus related to but distinct from the existing genus Methanolacinia of almost.

Paenimethanolinea

L. nan adverb *paene*, almost; L. fem. n. *Methanolinea*, An existing genus; *Paenimethanolinea*: A genus related to but distinct from the existing genus Methanolinea of almost.

Paenimethanomassiliicoccus

L. nan adverb *paene*, almost; L. masc. n. *Methanomassiliicoccus*, An existing genus; *Paenimethanomassiliicoccus*: A genus related to but distinct from the existing genus Methanomassiliicoccus of almost.

Paenimethanomethylovorans

L. nan adverb *paene*, almost; L. fem. n. *Methanomethylovorans*, An existing genus; *Paenimethanomethylovorans*: A genus related to but distinct from the existing genus Methanomethylovorans of almost.

Paenimethanomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Methanomicrobium*, An existing genus; *Paenimethanomicrobium*: A genus related to but distinct from the existing genus Methanomicrobium of almost.

Paenimethanonatronarchaeum

L. nan adverb *paene*, almost; L. neut. n. *Methanonatronarchaeum*, An existing genus; *Paenimethanonatronarchaeum*: A genus related to but distinct from the existing genus Methanonatronarchaeum of almost.

Paenimethanoplanus

L. nan adverb *paene*, almost; L. masc. n. *Methanoplanus*, An existing genus; *Paenimethanoplanus*: A genus related to but distinct from the existing genus Methanoplanus of almost.

Paenimethanopyrus

L. nan adverb *paene*, almost; L. masc. n. *Methanopyrus*, An existing genus; *Paenimethanopyrus*: A genus related to but distinct from the existing genus Methanopyrus of almost.

Paenimethanoregula

L. nan adverb *paene*, almost; L. fem. n. *Methanoregula*, An existing genus; *Paenimethanoregula*: A genus related to but distinct from the existing genus Methanoregula of almost.

Paenimethanosaeta

L. nan adverb *paene*, almost; L. fem. n. *Methanosaeta*, An existing genus; *Paenimethanosaeta*: A genus related to but distinct from the existing genus Methanosaeta of almost.

Paenimethanosalsum

L. nan adverb *paene*, almost; L. neut. n. *Methanosalsum*, An existing genus; *Paenimethanosalsum*: A genus related to but distinct from the existing genus Methanosalsum of almost.

Paenimethanosarcina

L. nan adverb *paene*, almost; L. fem. n. *Methanosarcina*, An existing genus; *Paenimethanosarcina*: A genus related to but distinct from the existing genus Methanosarcina of almost.

Paenimethanosphaera

L. nan adverb *paene*, almost; L. fem. n. *Methanosphaera*, An existing genus; *Paenimethanosphaera*: A genus related to but distinct from the existing genus Methanosphaera of almost.

Paenimethanosphaerula

L. nan adverb *paene*, almost; L. fem. dim. n. *Methanosphaerula*, An existing genus; *Paenimethanosphaerula*: A genus related to but distinct from the existing genus Methanosphaerula of almost.

Paenimethanospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Methanospirillum*, An existing genus; *Paenimethanospirillum*: A genus related to but distinct from the existing genus Methanospirillum of almost.

Paenimethanothermobacter

L. nan adverb *paene*, almost; L. masc. n. *Methanothermobacter*, An existing genus; *Paenimethanothermobacter*: A genus related to but distinct from the existing genus Methanothermobacter of almost.

Paenimethanothermococcus

L. nan adverb *paene*, almost; L. masc. n. *Methanothermococcus*, An existing genus; *Paenimethanothermococcus*: A genus related to but distinct from the existing genus Methanothermococcus of almost.

Paenimethanothermus

L. nan adverb *paene*, almost; L. masc. n. *Methanothermus*, An existing genus; *Paenimethanothermus*: A genus related to but distinct from the existing genus Methanothermus of almost.

Paenimethanothrix

L. nan adverb *paene*, almost; L. fem. n. *Methanothrix*, An existing genus; *Paenimethanothrix*: A genus related to but distinct from the existing genus Methanothrix of almost.

Paenimethanotorris

L. nan adverb *paene*, almost; L. masc. n. *Methanotorris*, An existing genus; *Paenimethanotorris*: A genus related to but distinct from the existing genus Methanotorris of almost.

Paenimethermicoccus

L. nan adverb *paene*, almost; L. masc. n. *Methermicoccus*, An existing genus; *Paenimethermicoccus*: A genus related to but distinct from the existing genus Methermicoccus of almost.

Paenimethylacidimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Methylacidimicrobium*, An existing genus; *Paenimethylacidimicrobium*: A genus related to but distinct from the existing genus Methylacidimicrobium of almost.

Paenimethylarcula

L. nan adverb *paene*, almost; L. fem. dim. n. *Methylarcula*, An existing genus; *Paenimethylarcula*: A genus related to but distinct from the existing genus Methylarcula of almost.

Paenimethylibium

L. nan adverb *paene*, almost; L. neut. n. *Methylibium*, An existing genus; *Paenimethylibium*: A genus related to but distinct from the existing genus Methylibium of almost.

Paenimethylicorpusculum

L. nan adverb *paene*, almost; L. neut. n. *Methylicorpusculum*, An existing genus; *Paenimethylicorpusculum*: A genus related to but distinct from the existing genus Methylicorpusculum of almost.

Paenimethylobacillus

L. nan adverb *paene*, almost; L. masc. n. *Methylobacillus*, An existing genus; *Paenimethylobacillus*: A genus related to but distinct from the existing genus Methylobacillus of almost.

Paenimethylobacter

L. nan adverb *paene*, almost; L. masc. n. *Methylobacter*, An existing genus; *Paenimethylobacter*: A genus related to but distinct from the existing genus Methylobacter of almost.

Paenimethylobacterium

L. nan adverb *paene*, almost; L. neut. n. *Methylobacterium*, An existing genus; *Paenimethylobacterium*: A genus related to but distinct from the existing genus Methylobacterium of almost.

Paenimethylobrevis

L. nan adverb *paene*, almost; L. masc. n. *Methylobrevis*, An existing genus; *Paenimethylobrevis*: A genus related to but distinct from the existing genus Methylobrevis of almost.

Paenimethylocaldum

L. nan adverb *paene*, almost; L. neut. n. *Methylocaldum*, An existing genus; *Paenimethylocaldum*: A genus related to but distinct from the existing genus Methylocaldum of almost.

Paenimethylocapsa

L. nan adverb *paene*, almost; L. fem. n. *Methylocapsa*, An existing genus; *Paenimethylocapsa*: A genus related to but distinct from the existing genus Methylocapsa of almost.

Paenimethyloceanibacter

L. nan adverb *paene*, almost; L. masc. n. *Methyloceanibacter*, An existing genus; *Paenimethyloceanibacter*: A genus related to but distinct from the existing genus Methyloceanibacter of almost.

Paenimethylocella

L. nan adverb *paene*, almost; L. fem. n. *Methylocella*, An existing genus; *Paenimethylocella*: A genus related to but distinct from the existing genus Methylocella of almost.

Paenimethylococcus

L. nan adverb *paene*, almost; L. masc. n. *Methylococcus*, An existing genus; *Paenimethylococcus*: A genus related to but distinct from the existing genus Methylococcus of almost.

Paenimethylocucumis

L. nan adverb *paene*, almost; L. masc. n. *Methylocucumis*, An existing genus; *Paenimethylocucumis*: A genus related to but distinct from the existing genus Methylocucumis of almost.

Paenimethylocystis

L. nan adverb *paene*, almost; L. fem. n. *Methylocystis*, An existing genus; *Paenimethylocystis*: A genus related to but distinct from the existing genus Methylocystis of almost.

Paenimethyloferula

L. nan adverb *paene*, almost; L. fem. n. *Methyloferula*, An existing genus; *Paenimethyloferula*: A genus related to but distinct from the existing genus Methyloferula of almost.

Paenimethylogaea

L. nan adverb *paene*, almost; L. fem. n. *Methylogaea*, An existing genus; *Paenimethylogaea*: A genus related to but distinct from the existing genus Methylogaea of almost.

Paenimethyloglobulus

L. nan adverb *paene*, almost; L. masc. dim. n. *Methyloglobulus*, An existing genus; *Paenimethyloglobulus*: A genus related to but distinct from the existing genus Methyloglobulus of almost.

Paenimethylohalobius

L. nan adverb *paene*, almost; L. masc. n. *Methylohalobius*, An existing genus; *Paenimethylohalobius*: A genus related to but distinct from the existing genus Methylohalobius of almost.

Paenimethylohalomonas

L. nan adverb *paene*, almost; L. fem. n. *Methylohalomonas*, An existing genus; *Paenimethylohalomonas*: A genus related to but distinct from the existing genus Methylohalomonas of almost.

Paenimethyloligella

L. nan adverb *paene*, almost; L. fem. dim. n. *Methyloligella*, An existing genus; *Paenimethyloligella*: A genus related to but distinct from the existing genus Methyloligella of almost.

Paenimethylolobus

L. nan adverb *paene*, almost; L. masc. n. *Methylolobus*, An existing genus; *Paenimethylolobus*: A genus related to but distinct from the existing genus Methylolobus of almost.

Paenimethylomagnum

L. nan adverb *paene*, almost; L. neut. n. *Methylomagnum*, An existing genus; *Paenimethylomagnum*: A genus related to but distinct from the existing genus Methylomagnum of almost.

Paenimethylomarinovum

L. nan adverb *paene*, almost; L. neut. n. *Methylomarinovum*, An existing genus; *Paenimethylomarinovum*: A genus related to but distinct from the existing genus Methylomarinovum of almost.

Paenimethylomarinum

L. nan adverb *paene*, almost; L. neut. n. *Methylomarinum*, An existing genus; *Paenimethylomarinum*: A genus related to but distinct from the existing genus Methylomarinum of almost.

Paenimethylomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Methylomicrobium*, An existing genus; *Paenimethylomicrobium*: A genus related to but distinct from the existing genus Methylomicrobium of almost.

Paenimethylomonas

L. nan adverb *paene*, almost; L. fem. n. *Methylomonas*, An existing genus; *Paenimethylomonas*: A genus related to but distinct from the existing genus Methylomonas of almost.

Paenimethylomusa

L. nan adverb *paene*, almost; L. fem. n. *Methylomusa*, An existing genus; *Paenimethylomusa*: A genus related to but distinct from the existing genus Methylomusa of almost.

Paenimethylonatrum

L. nan adverb *paene*, almost; L. neut. n. *Methylonatrum*, An existing genus; *Paenimethylonatrum*: A genus related to but distinct from the existing genus Methylonatrum of almost.

Paenimethyloparacoccus

L. nan adverb *paene*, almost; L. masc. n. *Methyloparacoccus*, An existing genus; *Paenimethyloparacoccus*: A genus related to but distinct from the existing genus Methyloparacoccus of almost.

Paenimethylophaga

L. nan adverb *paene*, almost; L. fem. n. *Methylophaga*, An existing genus; *Paenimethylophaga*: A genus related to but distinct from the existing genus Methylophaga of almost.

Paenimethylophilus

L. nan adverb *paene*, almost; L. masc. n. *Methylophilus*, An existing genus; *Paenimethylophilus*: A genus related to but distinct from the existing genus Methylophilus of almost.

Paenimethylopila

L. nan adverb *paene*, almost; L. fem. n. *Methylopila*, An existing genus; *Paenimethylopila*: A genus related to but distinct from the existing genus Methylopila of almost.

Paenimethyloprofundus

L. nan adverb *paene*, almost; L. masc. n. *Methyloprofundus*, An existing genus; *Paenimethyloprofundus*: A genus related to but distinct from the existing genus Methyloprofundus of almost.

Paenimethylorhabdus

L. nan adverb *paene*, almost; L. fem. n. *Methylorhabdus*, An existing genus; *Paenimethylorhabdus*: A genus related to but distinct from the existing genus Methylorhabdus of almost.

Paenimethylorosula

L. nan adverb *paene*, almost; L. fem. dim. n. *Methylorosula*, An existing genus; *Paenimethylorosula*: A genus related to but distinct from the existing genus Methylorosula of almost.

Paenimethylorubrum

L. nan adverb *paene*, almost; L. neut. n. *Methylorubrum*, An existing genus; *Paenimethylorubrum*: A genus related to but distinct from the existing genus Methylorubrum of almost.

Paenimethylosarcina

L. nan adverb *paene*, almost; L. fem. n. *Methylosarcina*, An existing genus; *Paenimethylosarcina*: A genus related to but distinct from the existing genus Methylosarcina of almost.

Paenimethylosinus

L. nan adverb *paene*, almost; L. masc. n. *Methylosinus*, An existing genus; *Paenimethylosinus*: A genus related to but distinct from the existing genus Methylosinus of almost.

Paenimethylosoma

L. nan adverb *paene*, almost; L. neut. n. *Methylosoma*, An existing genus; *Paenimethylosoma*: A genus related to but distinct from the existing genus Methylosoma of almost.

Paenimethylosphaera

L. nan adverb *paene*, almost; L. fem. n. *Methylosphaera*, An existing genus; *Paenimethylosphaera*: A genus related to but distinct from the existing genus Methylosphaera of almost.

Paenimethylosulfonomonas

L. nan adverb *paene*, almost; L. fem. n. *Methylosulfonomonas*, An existing genus; *Paenimethylosulfonomonas*: A genus related to but distinct from the existing genus Methylosulfonomonas of almost.

Paenimethylotenera

L. nan adverb *paene*, almost; L. fem. n. *Methylotenera*, An existing genus; *Paenimethylotenera*: A genus related to but distinct from the existing genus Methylotenera of almost.

Paenimethyloterricola

L. nan adverb *paene*, almost; L. fem. n. *Methyloterricola*, An existing genus; *Paenimethyloterricola*: A genus related to but distinct from the existing genus Methyloterricola of almost.

Paenimethyloterrigena

L. nan adverb *paene*, almost; L. fem. n. *Methyloterrigena*, An existing genus; *Paenimethyloterrigena*: A genus related to but distinct from the existing genus Methyloterrigena of almost.

Paenimethylothermus

L. nan adverb *paene*, almost; L. masc. n. *Methylothermus*, An existing genus; *Paenimethylothermus*: A genus related to but distinct from the existing genus Methylothermus of almost.

Paenimethylotuvimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Methylotuvimicrobium*, An existing genus; *Paenimethylotuvimicrobium*: A genus related to but distinct from the existing genus Methylotuvimicrobium of almost.

Paenimethyloversatilis

L. nan adverb *paene*, almost; L. fem. n. *Methyloversatilis*, An existing genus; *Paenimethyloversatilis*: A genus related to but distinct from the existing genus Methyloversatilis of almost.

Paenimethylovirgula

L. nan adverb *paene*, almost; L. fem. dim. n. *Methylovirgula*, An existing genus; *Paenimethylovirgula*: A genus related to but distinct from the existing genus Methylovirgula of almost.

Paenimethylovorus

L. nan adverb *paene*, almost; L. masc. n. *Methylovorus*, An existing genus; *Paenimethylovorus*: A genus related to but distinct from the existing genus Methylovorus of almost.

Paenimethylovulum

L. nan adverb *paene*, almost; L. neut. n. *Methylovulum*, An existing genus; *Paenimethylovulum*: A genus related to but distinct from the existing genus Methylovulum of almost.

Paenimicavibrio

L. nan adverb *paene*, almost; L. masc. n. *Micavibrio*, An existing genus; *Paenimicavibrio*: A genus related to but distinct from the existing genus Micavibrio of almost.

Paenimicroaerobacter

L. nan adverb *paene*, almost; L. masc. n. *Microaerobacter*, An existing genus; *Paenimicroaerobacter*: A genus related to but distinct from the existing genus Microaerobacter of almost.

Paenimicrobacterium

L. nan adverb *paene*, almost; L. neut. n. *Microbacterium*, An existing genus; *Paenimicrobacterium*: A genus related to but distinct from the existing genus Microbacterium of almost.

Paenimicrobispora

L. nan adverb *paene*, almost; L. fem. n. *Microbispora*, An existing genus; *Paenimicrobispora*: A genus related to but distinct from the existing genus Microbispora of almost.

Paenimicrobulbifer

L. nan adverb *paene*, almost; L. masc. n. *Microbulbifer*, An existing genus; *Paenimicrobulbifer*: A genus related to but distinct from the existing genus Microbulbifer of almost.

Paenimicrocella

L. nan adverb *paene*, almost; L. fem. n. *Microcella*, An existing genus; *Paenimicrocella*: A genus related to but distinct from the existing genus Microcella of almost.

Paenimicrococcoides

L. nan adverb *paene*, almost; L. neut. n. *Micrococcoides*, An existing genus; *Paenimicrococcoides*: A genus related to but distinct from the existing genus Micrococcoides of almost.

Paenimicrococcus

L. nan adverb *paene*, almost; L. masc. n. *Micrococcus*, An existing genus; *Paenimicrococcus*: A genus related to but distinct from the existing genus Micrococcus of almost.

Paenimicrocyclus

L. nan adverb *paene*, almost; L. masc. n. *Microcyclus*, An existing genus; *Paenimicrocyclus*: A genus related to but distinct from the existing genus Microcyclus of almost.

Paenimicrocystis

L. nan adverb *paene*, almost; L. fem. n. *Microcystis*, An existing genus; *Paenimicrocystis*: A genus related to but distinct from the existing genus Microcystis of almost.

Paenimicroellobosporia

L. nan adverb *paene*, almost; L. fem. n. *Microellobosporia*, An existing genus; *Paenimicroellobosporia*: A genus related to but distinct from the existing genus Microellobosporia of almost.

Paenimicrolunatus

L. nan adverb *paene*, almost; L. masc. n. *Microlunatus*, An existing genus; *Paenimicrolunatus*: A genus related to but distinct from the existing genus Microlunatus of almost.

Paenimicromonas

L. nan adverb *paene*, almost; L. fem. n. *Micromonas*, An existing genus; *Paenimicromonas*: A genus related to but distinct from the existing genus Micromonas of almost.

Paenimicromonospora

L. nan adverb *paene*, almost; L. fem. n. *Micromonospora*, An existing genus; *Paenimicromonospora*: A genus related to but distinct from the existing genus Micromonospora of almost.

Paenimicropepsis

L. nan adverb *paene*, almost; L. fem. n. *Micropepsis*, An existing genus; *Paenimicropepsis*: A genus related to but distinct from the existing genus Micropepsis of almost.

Paenimicropolyspora

L. nan adverb *paene*, almost; L. fem. n. *Micropolyspora*, An existing genus; *Paenimicropolyspora*: A genus related to but distinct from the existing genus Micropolyspora of almost.

Paenimicropruina

L. nan adverb *paene*, almost; L. fem. n. *Micropruina*, An existing genus; *Paenimicropruina*: A genus related to but distinct from the existing genus Micropruina of almost.

Paenimicroscilla

L. nan adverb *paene*, almost; L. fem. n. *Microscilla*, An existing genus; *Paenimicroscilla*: A genus related to but distinct from the existing genus Microscilla of almost.

Paenimicrosphaera

L. nan adverb *paene*, almost; L. fem. n. *Microsphaera*, An existing genus; *Paenimicrosphaera*: A genus related to but distinct from the existing genus Microsphaera of almost.

Paenimicroterricola

L. nan adverb *paene*, almost; L. fem. n. *Microterricola*, An existing genus; *Paenimicroterricola*: A genus related to but distinct from the existing genus Microterricola of almost.

Paenimicrotetraspora

L. nan adverb *paene*, almost; L. fem. n. *Microtetraspora*, An existing genus; *Paenimicrotetraspora*: A genus related to but distinct from the existing genus Microtetraspora of almost.

Paenimicrovirgula

L. nan adverb *paene*, almost; L. fem. dim. n. *Microvirgula*, An existing genus; *Paenimicrovirgula*: A genus related to but distinct from the existing genus Microvirgula of almost.

Paenimillisia

L. nan adverb *paene*, almost; L. fem. n. *Millisia*, An existing genus; *Paenimillisia*: A genus related to but distinct from the existing genus Millisia of almost.

Paeniminicystis

L. nan adverb *paene*, almost; L. fem. n. *Minicystis*, An existing genus; *Paeniminicystis*: A genus related to but distinct from the existing genus Minicystis of almost.

Paeniminiimonas

L. nan adverb *paene*, almost; L. fem. n. *Miniimonas*, An existing genus; *Paeniminiimonas*: A genus related to but distinct from the existing genus Miniimonas of almost.

Paeniminiphocibacter

L. nan adverb *paene*, almost; L. masc. n. *Miniphocibacter*, An existing genus; *Paeniminiphocibacter*: A genus related to but distinct from the existing genus Miniphocibacter of almost.

Paeniminunostoc

L. nan adverb *paene*, almost; L. neut. n. *Minunostoc*, An existing genus; *Paeniminunostoc*: A genus related to but distinct from the existing genus Minunostoc of almost.

Paeniminwuia

L. nan adverb *paene*, almost; L. fem. n. *Minwuia*, An existing genus; *Paeniminwuia*: A genus related to but distinct from the existing genus Minwuia of almost.

Paenimitsuaria

L. nan adverb *paene*, almost; L. fem. n. *Mitsuaria*, An existing genus; *Paenimitsuaria*: A genus related to but distinct from the existing genus Mitsuaria of almost.

Paenimitsuokella

L. nan adverb *paene*, almost; L. fem. dim. n. *Mitsuokella*, An existing genus; *Paenimitsuokella*: A genus related to but distinct from the existing genus Mitsuokella of almost.

Paenimixta

L. nan adverb *paene*, almost; L. fem. n. *Mixta*, An existing genus; *Paenimixta*: A genus related to but distinct from the existing genus Mixta of almost.

Paenimizugakiibacter

L. nan adverb *paene*, almost; L. masc. n. *Mizugakiibacter*, An existing genus; *Paenimizugakiibacter*: A genus related to but distinct from the existing genus Mizugakiibacter of almost.

Paenimobilicoccus

L. nan adverb *paene*, almost; L. masc. n. *Mobilicoccus*, An existing genus; *Paenimobilicoccus*: A genus related to but distinct from the existing genus Mobilicoccus of almost.

Paenimobilifilum

L. nan adverb *paene*, almost; L. neut. n. *Mobilifilum*, An existing genus; *Paenimobilifilum*: A genus related to but distinct from the existing genus Mobilifilum of almost.

Paenimobilisporobacter

L. nan adverb *paene*, almost; L. masc. n. *Mobilisporobacter*, An existing genus; *Paenimobilisporobacter*: A genus related to but distinct from the existing genus Mobilisporobacter of almost.

Paenimobilitalea

L. nan adverb *paene*, almost; L. fem. n. *Mobilitalea*, An existing genus; *Paenimobilitalea*: A genus related to but distinct from the existing genus Mobilitalea of almost.

Paenimobiluncus

L. nan adverb *paene*, almost; L. masc. n. *Mobiluncus*, An existing genus; *Paenimobiluncus*: A genus related to but distinct from the existing genus Mobiluncus of almost.

Paenimodestobacter

L. nan adverb *paene*, almost; L. masc. n. *Modestobacter*, An existing genus; *Paenimodestobacter*: A genus related to but distinct from the existing genus Modestobacter of almost.

Paenimodicisalibacter

L. nan adverb *paene*, almost; L. masc. n. *Modicisalibacter*, An existing genus; *Paenimodicisalibacter*: A genus related to but distinct from the existing genus Modicisalibacter of almost.

Paenimoellerella

L. nan adverb *paene*, almost; L. fem. dim. n. *Moellerella*, An existing genus; *Paenimoellerella*: A genus related to but distinct from the existing genus Moellerella of almost.

Paenimogibacterium

L. nan adverb *paene*, almost; L. neut. n. *Mogibacterium*, An existing genus; *Paenimogibacterium*: A genus related to but distinct from the existing genus Mogibacterium of almost.

Paenimoheibacter

L. nan adverb *paene*, almost; L. masc. n. *Moheibacter*, An existing genus; *Paenimoheibacter*: A genus related to but distinct from the existing genus Moheibacter of almost.

Paenimonaibacterium

L. nan adverb *paene*, almost; L. neut. n. *Monaibacterium*, An existing genus; *Paenimonaibacterium*: A genus related to but distinct from the existing genus Monaibacterium of almost.

Paenimonashia

L. nan adverb *paene*, almost; L. fem. n. *Monashia*, An existing genus; *Paenimonashia*: A genus related to but distinct from the existing genus Monashia of almost.

Paenimongoliibacter

L. nan adverb *paene*, almost; L. masc. n. *Mongoliibacter*, An existing genus; *Paenimongoliibacter*: A genus related to but distinct from the existing genus Mongoliibacter of almost.

Paenimongoliicoccus

L. nan adverb *paene*, almost; L. masc. n. *Mongoliicoccus*, An existing genus; *Paenimongoliicoccus*: A genus related to but distinct from the existing genus Mongoliicoccus of almost.

Paenimongoliimonas

L. nan adverb *paene*, almost; L. fem. n. *Mongoliimonas*, An existing genus; *Paenimongoliimonas*: A genus related to but distinct from the existing genus Mongoliimonas of almost.

Paenimongoliitalea

L. nan adverb *paene*, almost; L. fem. n. *Mongoliitalea*, An existing genus; *Paenimongoliitalea*: A genus related to but distinct from the existing genus Mongoliitalea of almost.

Paenimonoglobus

L. nan adverb *paene*, almost; L. masc. n. *Monoglobus*, An existing genus; *Paenimonoglobus*: A genus related to but distinct from the existing genus Monoglobus of almost.

Paenimoorea

L. nan adverb *paene*, almost; L. fem. n. *Moorea*, An existing genus; *Paenimoorea*: A genus related to but distinct from the existing genus Moorea of almost.

Paenimooreia

L. nan adverb *paene*, almost; L. fem. n. *Mooreia*, An existing genus; *Paenimooreia*: A genus related to but distinct from the existing genus Mooreia of almost.

Paenimoorella

L. nan adverb *paene*, almost; L. fem. dim. n. *Moorella*, An existing genus; *Paenimoorella*: A genus related to but distinct from the existing genus Moorella of almost.

Paenimoraxella

L. nan adverb *paene*, almost; L. fem. dim. n. *Moraxella*, An existing genus; *Paenimoraxella*: A genus related to but distinct from the existing genus Moraxella of almost.

Paenimorganella

L. nan adverb *paene*, almost; L. fem. dim. n. *Morganella*, An existing genus; *Paenimorganella*: A genus related to but distinct from the existing genus Morganella of almost.

Paenimoritella

L. nan adverb *paene*, almost; L. fem. dim. n. *Moritella*, An existing genus; *Paenimoritella*: A genus related to but distinct from the existing genus Moritella of almost.

Paenimorococcus

L. nan adverb *paene*, almost; L. masc. n. *Morococcus*, An existing genus; *Paenimorococcus*: A genus related to but distinct from the existing genus Morococcus of almost.

Paenimoryella

L. nan adverb *paene*, almost; L. fem. dim. n. *Moryella*, An existing genus; *Paenimoryella*: A genus related to but distinct from the existing genus Moryella of almost.

Paenimotilibacter

L. nan adverb *paene*, almost; L. masc. n. *Motilibacter*, An existing genus; *Paenimotilibacter*: A genus related to but distinct from the existing genus Motilibacter of almost.

Paenimotilimonas

L. nan adverb *paene*, almost; L. fem. n. *Motilimonas*, An existing genus; *Paenimotilimonas*: A genus related to but distinct from the existing genus Motilimonas of almost.

Paenimotiliproteus

L. nan adverb *paene*, almost; L. masc. n. *Motiliproteus*, An existing genus; *Paenimotiliproteus*: A genus related to but distinct from the existing genus Motiliproteus of almost.

Paenimucinivorans

L. nan adverb *paene*, almost; L. masc. n. *Mucinivorans*, An existing genus; *Paenimucinivorans*: A genus related to but distinct from the existing genus Mucinivorans of almost.

Paenimucispirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Mucispirillum*, An existing genus; *Paenimucispirillum*: A genus related to but distinct from the existing genus Mucispirillum of almost.

Paenimumia

L. nan adverb *paene*, almost; L. fem. n. *Mumia*, An existing genus; *Paenimumia*: A genus related to but distinct from the existing genus Mumia of almost.

Paenimurdochiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Murdochiella*, An existing genus; *Paenimurdochiella*: A genus related to but distinct from the existing genus Murdochiella of almost.

Paenimuribacter

L. nan adverb *paene*, almost; L. masc. n. *Muribacter*, An existing genus; *Paenimuribacter*: A genus related to but distinct from the existing genus Muribacter of almost.

Paenimuribaculum

L. nan adverb *paene*, almost; L. neut. n. *Muribaculum*, An existing genus; *Paenimuribaculum*: A genus related to but distinct from the existing genus Muribaculum of almost.

Paenimuricauda

L. nan adverb *paene*, almost; L. fem. n. *Muricauda*, An existing genus; *Paenimuricauda*: A genus related to but distinct from the existing genus Muricauda of almost.

Paenimuricoccus

L. nan adverb *paene*, almost; L. masc. n. *Muricoccus*, An existing genus; *Paenimuricoccus*: A genus related to but distinct from the existing genus Muricoccus of almost.

Paenimuricomes

L. nan adverb *paene*, almost; L. masc. n. *Muricomes*, An existing genus; *Paenimuricomes*: A genus related to but distinct from the existing genus Muricomes of almost.

Paenimuriicola

L. nan adverb *paene*, almost; L. masc. n. *Muriicola*, An existing genus; *Paenimuriicola*: A genus related to but distinct from the existing genus Muriicola of almost.

Paenimurimonas

L. nan adverb *paene*, almost; L. fem. n. *Murimonas*, An existing genus; *Paenimurimonas*: A genus related to but distinct from the existing genus Murimonas of almost.

Paenimurinocardiopsis

L. nan adverb *paene*, almost; L. fem. n. *Murinocardiopsis*, An existing genus; *Paenimurinocardiopsis*: A genus related to but distinct from the existing genus Murinocardiopsis of almost.

Paenimyceligenerans

L. nan adverb *paene*, almost; L. neut. n. *Myceligenerans*, An existing genus; *Paenimyceligenerans*: A genus related to but distinct from the existing genus Myceligenerans of almost.

Paenimycetocola

L. nan adverb *paene*, almost; L. masc. n. *Mycetocola*, An existing genus; *Paenimycetocola*: A genus related to but distinct from the existing genus Mycetocola of almost.

Paenimycoavidus

L. nan adverb *paene*, almost; L. masc. n. *Mycoavidus*, An existing genus; *Paenimycoavidus*: A genus related to but distinct from the existing genus Mycoavidus of almost.

Paenimycobacterium

L. nan adverb *paene*, almost; L. neut. n. *Mycobacterium*, An existing genus; *Paenimycobacterium*: A genus related to but distinct from the existing genus Mycobacterium of almost.

Paenimycobacteroides

L. nan adverb *paene*, almost; L. neut. n. *Mycobacteroides*, An existing genus; *Paenimycobacteroides*: A genus related to but distinct from the existing genus Mycobacteroides of almost.

Paenimycolicibacillus

L. nan adverb *paene*, almost; L. masc. n. *Mycolicibacillus*, An existing genus; *Paenimycolicibacillus*: A genus related to but distinct from the existing genus Mycolicibacillus of almost.

Paenimycolicibacter

L. nan adverb *paene*, almost; L. masc. n. *Mycolicibacter*, An existing genus; *Paenimycolicibacter*: A genus related to but distinct from the existing genus Mycolicibacter of almost.

Paenimycolicibacterium

L. nan adverb *paene*, almost; L. neut. n. *Mycolicibacterium*, An existing genus; *Paenimycolicibacterium*: A genus related to but distinct from the existing genus Mycolicibacterium of almost.

Paenimycoplana

L. nan adverb *paene*, almost; L. fem. n. *Mycoplana*, An existing genus; *Paenimycoplana*: A genus related to but distinct from the existing genus Mycoplana of almost.

Paenimycoplasma

L. nan adverb *paene*, almost; L. neut. n. *Mycoplasma*, An existing genus; *Paenimycoplasma*: A genus related to but distinct from the existing genus Mycoplasma of almost.

Paenimycoplasmoides

L. nan adverb *paene*, almost; L. neut. n. *Mycoplasmoides*, An existing genus; *Paenimycoplasmoides*: A genus related to but distinct from the existing genus Mycoplasmoides of almost.

Paenimycoplasmopsis

L. nan adverb *paene*, almost; L. fem. n. *Mycoplasmopsis*, An existing genus; *Paenimycoplasmopsis*: A genus related to but distinct from the existing genus Mycoplasmopsis of almost.

Paenimyroides

L. nan adverb *paene*, almost; L. masc. n. *Myroides*, An existing genus; *Paenimyroides*: A genus related to but distinct from the existing genus Myroides of almost.

Paenimyxacorys

L. nan adverb *paene*, almost; L. fem. n. *Myxacorys*, An existing genus; *Paenimyxacorys*: A genus related to but distinct from the existing genus Myxacorys of almost.

Paenimyxococcus

L. nan adverb *paene*, almost; L. masc. n. *Myxococcus*, An existing genus; *Paenimyxococcus*: A genus related to but distinct from the existing genus Myxococcus of almost.

Paenimzabimyces

L. nan adverb *paene*, almost; L. masc. n. *Mzabimyces*, An existing genus; *Paenimzabimyces*: A genus related to but distinct from the existing genus Mzabimyces of almost.

Paeninaasia

L. nan adverb *paene*, almost; L. fem. n. *Naasia*, An existing genus; *Paeninaasia*: A genus related to but distinct from the existing genus Naasia of almost.

Paeninafulsella

L. nan adverb *paene*, almost; L. fem. dim. n. *Nafulsella*, An existing genus; *Paeninafulsella*: A genus related to but distinct from the existing genus Nafulsella of almost.

Paeninakamurella

L. nan adverb *paene*, almost; L. fem. dim. n. *Nakamurella*, An existing genus; *Paeninakamurella*: A genus related to but distinct from the existing genus Nakamurella of almost.

Paeninamhaeicola

L. nan adverb *paene*, almost; L. masc. n. *Namhaeicola*, An existing genus; *Paeninamhaeicola*: A genus related to but distinct from the existing genus Namhaeicola of almost.

Paeninannocystis

L. nan adverb *paene*, almost; L. fem. n. *Nannocystis*, An existing genus; *Paeninannocystis*: A genus related to but distinct from the existing genus Nannocystis of almost.

Paeninatranaerobaculum

L. nan adverb *paene*, almost; L. neut. n. *Natranaerobaculum*, An existing genus; *Paeninatranaerobaculum*: A genus related to but distinct from the existing genus Natranaerobaculum of almost.

Paeninatranaerobius

L. nan adverb *paene*, almost; L. masc. n. *Natranaerobius*, An existing genus; *Paeninatranaerobius*: A genus related to but distinct from the existing genus Natranaerobius of almost.

Paeninatranaerovirga

L. nan adverb *paene*, almost; L. fem. n. *Natranaerovirga*, An existing genus; *Paeninatranaerovirga*: A genus related to but distinct from the existing genus Natranaerovirga of almost.

Paeninatrarchaeobaculum

L. nan adverb *paene*, almost; L. neut. n. *Natrarchaeobaculum*, An existing genus; *Paeninatrarchaeobaculum*: A genus related to but distinct from the existing genus Natrarchaeobaculum of almost.

Paeninatrarchaeobius

L. nan adverb *paene*, almost; L. masc. n. *Natrarchaeobius*, An existing genus; *Paeninatrarchaeobius*: A genus related to but distinct from the existing genus Natrarchaeobius of almost.

Paeninatrialba

L. nan adverb *paene*, almost; L. fem. n. *Natrialba*, An existing genus; *Paeninatrialba*: A genus related to but distinct from the existing genus Natrialba of almost.

Paeninatribacillus

L. nan adverb *paene*, almost; L. masc. n. *Natribacillus*, An existing genus; *Paeninatribacillus*: A genus related to but distinct from the existing genus Natribacillus of almost.

Paeninatribaculum

L. nan adverb *paene*, almost; L. neut. n. *Natribaculum*, An existing genus; *Paeninatribaculum*: A genus related to but distinct from the existing genus Natribaculum of almost.

Paeninatrinema

L. nan adverb *paene*, almost; L. neut. n. *Natrinema*, An existing genus; *Paeninatrinema*: A genus related to but distinct from the existing genus Natrinema of almost.

Paeninatroniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Natroniella*, An existing genus; *Paeninatroniella*: A genus related to but distinct from the existing genus Natroniella of almost.

Paeninatronoarchaeum

L. nan adverb *paene*, almost; L. neut. n. *Natronoarchaeum*, An existing genus; *Paeninatronoarchaeum*: A genus related to but distinct from the existing genus Natronoarchaeum of almost.

Paeninatronobacillus

L. nan adverb *paene*, almost; L. masc. n. *Natronobacillus*, An existing genus; *Paeninatronobacillus*: A genus related to but distinct from the existing genus Natronobacillus of almost.

Paeninatronobacterium

L. nan adverb *paene*, almost; L. neut. n. *Natronobacterium*, An existing genus; *Paeninatronobacterium*: A genus related to but distinct from the existing genus Natronobacterium of almost.

Paeninatronobiforma

L. nan adverb *paene*, almost; L. fem. n. *Natronobiforma*, An existing genus; *Paeninatronobiforma*: A genus related to but distinct from the existing genus Natronobiforma of almost.

Paeninatronocella

L. nan adverb *paene*, almost; L. fem. n. *Natronocella*, An existing genus; *Paeninatronocella*: A genus related to but distinct from the existing genus Natronocella of almost.

Paeninatronococcus

L. nan adverb *paene*, almost; L. masc. n. *Natronococcus*, An existing genus; *Paeninatronococcus*: A genus related to but distinct from the existing genus Natronococcus of almost.

Paeninatronoflexus

L. nan adverb *paene*, almost; L. masc. n. *Natronoflexus*, An existing genus; *Paeninatronoflexus*: A genus related to but distinct from the existing genus Natronoflexus of almost.

Paeninatronolimnobius

L. nan adverb *paene*, almost; L. masc. n. *Natronolimnobius*, An existing genus; *Paeninatronolimnobius*: A genus related to but distinct from the existing genus Natronolimnobius of almost.

Paeninatronolimnohabitans

L. nan adverb *paene*, almost; L. masc. n. *Natronolimnohabitans*, An existing genus; *Paeninatronolimnohabitans*: A genus related to but distinct from the existing genus Natronolimnohabitans of almost.

Paeninatronomonas

L. nan adverb *paene*, almost; L. fem. n. *Natronomonas*, An existing genus; *Paeninatronomonas*: A genus related to but distinct from the existing genus Natronomonas of almost.

Paeninatronorubrum

L. nan adverb *paene*, almost; L. neut. n. *Natronorubrum*, An existing genus; *Paeninatronorubrum*: A genus related to but distinct from the existing genus Natronorubrum of almost.

Paeninatronospira

L. nan adverb *paene*, almost; L. fem. n. *Natronospira*, An existing genus; *Paeninatronospira*: A genus related to but distinct from the existing genus Natronospira of almost.

Paeninatronospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Natronospirillum*, An existing genus; *Paeninatronospirillum*: A genus related to but distinct from the existing genus Natronospirillum of almost.

Paeninatronovirga

L. nan adverb *paene*, almost; L. fem. n. *Natronovirga*, An existing genus; *Paeninatronovirga*: A genus related to but distinct from the existing genus Natronovirga of almost.

Paeninaumannella

L. nan adverb *paene*, almost; L. fem. dim. n. *Naumannella*, An existing genus; *Paeninaumannella*: A genus related to but distinct from the existing genus Naumannella of almost.

Paeninautella

L. nan adverb *paene*, almost; L. fem. dim. n. *Nautella*, An existing genus; *Paeninautella*: A genus related to but distinct from the existing genus Nautella of almost.

Paeninautilia

L. nan adverb *paene*, almost; L. fem. n. *Nautilia*, An existing genus; *Paeninautilia*: A genus related to but distinct from the existing genus Nautilia of almost.

Paeninaxibacter

L. nan adverb *paene*, almost; L. masc. n. *Naxibacter*, An existing genus; *Paeninaxibacter*: A genus related to but distinct from the existing genus Naxibacter of almost.

Paeninecropsobacter

L. nan adverb *paene*, almost; L. masc. n. *Necropsobacter*, An existing genus; *Paeninecropsobacter*: A genus related to but distinct from the existing genus Necropsobacter of almost.

Paeninegadavirga

L. nan adverb *paene*, almost; L. fem. n. *Negadavirga*, An existing genus; *Paeninegadavirga*: A genus related to but distinct from the existing genus Negadavirga of almost.

Paeninegativicoccus

L. nan adverb *paene*, almost; L. masc. n. *Negativicoccus*, An existing genus; *Paeninegativicoccus*: A genus related to but distinct from the existing genus Negativicoccus of almost.

Paenineiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Neiella*, An existing genus; *Paenineiella*: A genus related to but distinct from the existing genus Neiella of almost.

Paenineisseria

L. nan adverb *paene*, almost; L. fem. n. *Neisseria*, An existing genus; *Paenineisseria*: A genus related to but distinct from the existing genus Neisseria of almost.

Paeninemorella

L. nan adverb *paene*, almost; L. fem. dim. n. *Nemorella*, An existing genus; *Paeninemorella*: A genus related to but distinct from the existing genus Nemorella of almost.

Paeninemorincola

L. nan adverb *paene*, almost; L. fem. n. *Nemorincola*, An existing genus; *Paeninemorincola*: A genus related to but distinct from the existing genus Nemorincola of almost.

Paenineoasaia

L. nan adverb *paene*, almost; L. fem. n. *Neoasaia*, An existing genus; *Paenineoasaia*: A genus related to but distinct from the existing genus Neoasaia of almost.

Paenineobacillus

L. nan adverb *paene*, almost; L. masc. n. *Neobacillus*, An existing genus; *Paenineobacillus*: A genus related to but distinct from the existing genus Neobacillus of almost.

Paenineochlamydia

L. nan adverb *paene*, almost; L. fem. n. *Neochlamydia*, An existing genus; *Paenineochlamydia*: A genus related to but distinct from the existing genus Neochlamydia of almost.

Paenineokomagataea

L. nan adverb *paene*, almost; L. fem. n. *Neokomagataea*, An existing genus; *Paenineokomagataea*: A genus related to but distinct from the existing genus Neokomagataea of almost.

Paenineolyngbya

L. nan adverb *paene*, almost; L. fem. n. *Neolyngbya*, An existing genus; *Paenineolyngbya*: A genus related to but distinct from the existing genus Neolyngbya of almost.

Paenineomegalonema

L. nan adverb *paene*, almost; L. neut. n. *Neomegalonema*, An existing genus; *Paenineomegalonema*: A genus related to but distinct from the existing genus Neomegalonema of almost.

Paenineomicrococcus

L. nan adverb *paene*, almost; L. masc. n. *Neomicrococcus*, An existing genus; *Paenineomicrococcus*: A genus related to but distinct from the existing genus Neomicrococcus of almost.

Paenineorhizobium

L. nan adverb *paene*, almost; L. neut. n. *Neorhizobium*, An existing genus; *Paenineorhizobium*: A genus related to but distinct from the existing genus Neorhizobium of almost.

Paenineorickettsia

L. nan adverb *paene*, almost; L. fem. n. *Neorickettsia*, An existing genus; *Paenineorickettsia*: A genus related to but distinct from the existing genus Neorickettsia of almost.

Paenineoscardovia

L. nan adverb *paene*, almost; L. fem. n. *Neoscardovia*, An existing genus; *Paenineoscardovia*: A genus related to but distinct from the existing genus Neoscardovia of almost.

Paenineowestiellopsis

L. nan adverb *paene*, almost; L. fem. n. *Neowestiellopsis*, An existing genus; *Paenineowestiellopsis*: A genus related to but distinct from the existing genus Neowestiellopsis of almost.

Paenineptunicella

L. nan adverb *paene*, almost; L. fem. n. *Neptunicella*, An existing genus; *Paenineptunicella*: A genus related to but distinct from the existing genus Neptunicella of almost.

Paenineptunicoccus

L. nan adverb *paene*, almost; L. masc. n. *Neptunicoccus*, An existing genus; *Paenineptunicoccus*: A genus related to but distinct from the existing genus Neptunicoccus of almost.

Paenineptuniibacter

L. nan adverb *paene*, almost; L. masc. n. *Neptuniibacter*, An existing genus; *Paenineptuniibacter*: A genus related to but distinct from the existing genus Neptuniibacter of almost.

Paenineptunitalea

L. nan adverb *paene*, almost; L. fem. n. *Neptunitalea*, An existing genus; *Paenineptunitalea*: A genus related to but distinct from the existing genus Neptunitalea of almost.

Paenineptunomonas

L. nan adverb *paene*, almost; L. fem. n. *Neptunomonas*, An existing genus; *Paenineptunomonas*: A genus related to but distinct from the existing genus Neptunomonas of almost.

Paeninereida

L. nan adverb *paene*, almost; L. fem. n. *Nereida*, An existing genus; *Paeninereida*: A genus related to but distinct from the existing genus Nereida of almost.

Paeninesiotobacter

L. nan adverb *paene*, almost; L. masc. n. *Nesiotobacter*, An existing genus; *Paeninesiotobacter*: A genus related to but distinct from the existing genus Nesiotobacter of almost.

Paeninesterenkonia

L. nan adverb *paene*, almost; L. fem. n. *Nesterenkonia*, An existing genus; *Paeninesterenkonia*: A genus related to but distinct from the existing genus Nesterenkonia of almost.

Paeninevskia

L. nan adverb *paene*, almost; L. fem. n. *Nevskia*, An existing genus; *Paeninevskia*: A genus related to but distinct from the existing genus Nevskia of almost.

Paeninguyenibacter

L. nan adverb *paene*, almost; L. masc. n. *Nguyenibacter*, An existing genus; *Paeninguyenibacter*: A genus related to but distinct from the existing genus Nguyenibacter of almost.

Paeniniabella

L. nan adverb *paene*, almost; L. fem. dim. n. *Niabella*, An existing genus; *Paeniniabella*: A genus related to but distinct from the existing genus Niabella of almost.

Paeniniastella

L. nan adverb *paene*, almost; L. fem. dim. n. *Niastella*, An existing genus; *Paeniniastella*: A genus related to but distinct from the existing genus Niastella of almost.

Paeninibrella

L. nan adverb *paene*, almost; L. fem. dim. n. *Nibrella*, An existing genus; *Paeninibrella*: A genus related to but distinct from the existing genus Nibrella of almost.

Paeninibribacter

L. nan adverb *paene*, almost; L. masc. n. *Nibribacter*, An existing genus; *Paeninibribacter*: A genus related to but distinct from the existing genus Nibribacter of almost.

Paeninibricoccus

L. nan adverb *paene*, almost; L. masc. n. *Nibricoccus*, An existing genus; *Paeninibricoccus*: A genus related to but distinct from the existing genus Nibricoccus of almost.

Paeninicoletella

L. nan adverb *paene*, almost; L. fem. dim. n. *Nicoletella*, An existing genus; *Paeninicoletella*: A genus related to but distinct from the existing genus Nicoletella of almost.

Paeniningiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Ningiella*, An existing genus; *Paeniningiella*: A genus related to but distinct from the existing genus Ningiella of almost.

Paeninioella

L. nan adverb *paene*, almost; L. fem. dim. n. *Nioella*, An existing genus; *Paeninioella*: A genus related to but distinct from the existing genus Nioella of almost.

Paeninitratifractor

L. nan adverb *paene*, almost; L. masc. n. *Nitratifractor*, An existing genus; *Paeninitratifractor*: A genus related to but distinct from the existing genus Nitratifractor of almost.

Paeninitratireductor

L. nan adverb *paene*, almost; L. masc. n. *Nitratireductor*, An existing genus; *Paeninitratireductor*: A genus related to but distinct from the existing genus Nitratireductor of almost.

Paeninitratiruptor

L. nan adverb *paene*, almost; L. masc. n. *Nitratiruptor*, An existing genus; *Paeninitratiruptor*: A genus related to but distinct from the existing genus Nitratiruptor of almost.

Paeninitriliruptor

L. nan adverb *paene*, almost; L. masc. n. *Nitriliruptor*, An existing genus; *Paeninitriliruptor*: A genus related to but distinct from the existing genus Nitriliruptor of almost.

Paeninitrincola

L. nan adverb *paene*, almost; L. masc. n. *Nitrincola*, An existing genus; *Paeninitrincola*: A genus related to but distinct from the existing genus Nitrincola of almost.

Paeninitritalea

L. nan adverb *paene*, almost; L. fem. n. *Nitritalea*, An existing genus; *Paeninitritalea*: A genus related to but distinct from the existing genus Nitritalea of almost.

Paeninitrobacter

L. nan adverb *paene*, almost; L. masc. n. *Nitrobacter*, An existing genus; *Paeninitrobacter*: A genus related to but distinct from the existing genus Nitrobacter of almost.

Paeninitrococcus

L. nan adverb *paene*, almost; L. masc. n. *Nitrococcus*, An existing genus; *Paeninitrococcus*: A genus related to but distinct from the existing genus Nitrococcus of almost.

Paeninitrolancea

L. nan adverb *paene*, almost; L. fem. n. *Nitrolancea*, An existing genus; *Paeninitrolancea*: A genus related to but distinct from the existing genus Nitrolancea of almost.

Paeninitrosarchaeum

L. nan adverb *paene*, almost; L. neut. n. *Nitrosarchaeum*, An existing genus; *Paeninitrosarchaeum*: A genus related to but distinct from the existing genus Nitrosarchaeum of almost.

Paeninitrosococcus

L. nan adverb *paene*, almost; L. masc. n. *Nitrosococcus*, An existing genus; *Paeninitrosococcus*: A genus related to but distinct from the existing genus Nitrosococcus of almost.

Paeninitrosolobus

L. nan adverb *paene*, almost; L. masc. n. *Nitrosolobus*, An existing genus; *Paeninitrosolobus*: A genus related to but distinct from the existing genus Nitrosolobus of almost.

Paeninitrosomonas

L. nan adverb *paene*, almost; L. fem. n. *Nitrosomonas*, An existing genus; *Paeninitrosomonas*: A genus related to but distinct from the existing genus Nitrosomonas of almost.

Paeninitrosopumilus

L. nan adverb *paene*, almost; L. masc. n. *Nitrosopumilus*, An existing genus; *Paeninitrosopumilus*: A genus related to but distinct from the existing genus Nitrosopumilus of almost.

Paeninitrososphaera

L. nan adverb *paene*, almost; L. fem. n. *Nitrososphaera*, An existing genus; *Paeninitrososphaera*: A genus related to but distinct from the existing genus Nitrososphaera of almost.

Paeninitrosospira

L. nan adverb *paene*, almost; L. fem. n. *Nitrosospira*, An existing genus; *Paeninitrosospira*: A genus related to but distinct from the existing genus Nitrosospira of almost.

Paeninitrospina

L. nan adverb *paene*, almost; L. fem. n. *Nitrospina*, An existing genus; *Paeninitrospina*: A genus related to but distinct from the existing genus Nitrospina of almost.

Paeninitrospira

L. nan adverb *paene*, almost; L. fem. n. *Nitrospira*, An existing genus; *Paeninitrospira*: A genus related to but distinct from the existing genus Nitrospira of almost.

Paeniniveibacterium

L. nan adverb *paene*, almost; L. neut. n. *Niveibacterium*, An existing genus; *Paeniniveibacterium*: A genus related to but distinct from the existing genus Niveibacterium of almost.

Paeniniveispirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Niveispirillum*, An existing genus; *Paeniniveispirillum*: A genus related to but distinct from the existing genus Niveispirillum of almost.

Paeniniveitalea

L. nan adverb *paene*, almost; L. fem. n. *Niveitalea*, An existing genus; *Paeniniveitalea*: A genus related to but distinct from the existing genus Niveitalea of almost.

Paeninocardia

L. nan adverb *paene*, almost; L. fem. n. *Nocardia*, An existing genus; *Paeninocardia*: A genus related to but distinct from the existing genus Nocardia of almost.

Paeninocardioides

L. nan adverb *paene*, almost; L. masc. n. *Nocardioides*, An existing genus; *Paeninocardioides*: A genus related to but distinct from the existing genus Nocardioides of almost.

Paeninocardiopsis

L. nan adverb *paene*, almost; L. fem. n. *Nocardiopsis*, An existing genus; *Paeninocardiopsis*: A genus related to but distinct from the existing genus Nocardiopsis of almost.

Paeninodosilinea

L. nan adverb *paene*, almost; L. fem. n. *Nodosilinea*, An existing genus; *Paeninodosilinea*: A genus related to but distinct from the existing genus Nodosilinea of almost.

Paeninonhongiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Nonhongiella*, An existing genus; *Paeninonhongiella*: A genus related to but distinct from the existing genus Nonhongiella of almost.

Paeninonomuraea

L. nan adverb *paene*, almost; L. fem. n. *Nonomuraea*, An existing genus; *Paeninonomuraea*: A genus related to but distinct from the existing genus Nonomuraea of almost.

Paeninosocomiicoccus

L. nan adverb *paene*, almost; L. masc. n. *Nosocomiicoccus*, An existing genus; *Paeninosocomiicoccus*: A genus related to but distinct from the existing genus Nosocomiicoccus of almost.

Paeninostoc

L. nan adverb *paene*, almost; L. neut. n. *Nostoc*, An existing genus; *Paeninostoc*: A genus related to but distinct from the existing genus Nostoc of almost.

Paeninotoacmeibacter

L. nan adverb *paene*, almost; L. masc. n. *Notoacmeibacter*, An existing genus; *Paeninotoacmeibacter*: A genus related to but distinct from the existing genus Notoacmeibacter of almost.

Paeninovibacillus

L. nan adverb *paene*, almost; L. masc. n. *Novibacillus*, An existing genus; *Paeninovibacillus*: A genus related to but distinct from the existing genus Novibacillus of almost.

Paeninoviherbaspirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Noviherbaspirillum*, An existing genus; *Paeninoviherbaspirillum*: A genus related to but distinct from the existing genus Noviherbaspirillum of almost.

Paeninovimethylophilus

L. nan adverb *paene*, almost; L. masc. n. *Novimethylophilus*, An existing genus; *Paeninovimethylophilus*: A genus related to but distinct from the existing genus Novimethylophilus of almost.

Paeninovipirellula

L. nan adverb *paene*, almost; L. fem. dim. n. *Novipirellula*, An existing genus; *Paeninovipirellula*: A genus related to but distinct from the existing genus Novipirellula of almost.

Paeninovispirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Novispirillum*, An existing genus; *Paeninovispirillum*: A genus related to but distinct from the existing genus Novispirillum of almost.

Paeninovosphingobium

L. nan adverb *paene*, almost; L. neut. n. *Novosphingobium*, An existing genus; *Paeninovosphingobium*: A genus related to but distinct from the existing genus Novosphingobium of almost.

Paeninovosphingopyxis

L. nan adverb *paene*, almost; L. fem. n. *Novosphingopyxis*, An existing genus; *Paeninovosphingopyxis*: A genus related to but distinct from the existing genus Novosphingopyxis of almost.

Paeninubsella

L. nan adverb *paene*, almost; L. fem. dim. n. *Nubsella*, An existing genus; *Paeninubsella*: A genus related to but distinct from the existing genus Nubsella of almost.

Paeninumidum

L. nan adverb *paene*, almost; L. neut. n. *Numidum*, An existing genus; *Paeninumidum*: A genus related to but distinct from the existing genus Numidum of almost.

Paeniobesumbacterium

L. nan adverb *paene*, almost; L. neut. n. *Obesumbacterium*, An existing genus; *Paeniobesumbacterium*: A genus related to but distinct from the existing genus Obesumbacterium of almost.

Paenioblitimonas

L. nan adverb *paene*, almost; L. fem. n. *Oblitimonas*, An existing genus; *Paenioblitimonas*: A genus related to but distinct from the existing genus Oblitimonas of almost.

Paenioccallatibacter

L. nan adverb *paene*, almost; L. masc. n. *Occallatibacter*, An existing genus; *Paenioccallatibacter*: A genus related to but distinct from the existing genus Occallatibacter of almost.

Paenioccidentia

L. nan adverb *paene*, almost; L. fem. n. *Occidentia*, An existing genus; *Paenioccidentia*: A genus related to but distinct from the existing genus Occidentia of almost.

Paenioceanibacterium

L. nan adverb *paene*, almost; L. neut. n. *Oceanibacterium*, An existing genus; *Paenioceanibacterium*: A genus related to but distinct from the existing genus Oceanibacterium of almost.

Paenioceanibaculum

L. nan adverb *paene*, almost; L. neut. n. *Oceanibaculum*, An existing genus; *Paenioceanibaculum*: A genus related to but distinct from the existing genus Oceanibaculum of almost.

Paenioceanibium

L. nan adverb *paene*, almost; L. neut. n. *Oceanibium*, An existing genus; *Paenioceanibium*: A genus related to but distinct from the existing genus Oceanibium of almost.

Paenioceanicella

L. nan adverb *paene*, almost; L. fem. n. *Oceanicella*, An existing genus; *Paenioceanicella*: A genus related to but distinct from the existing genus Oceanicella of almost.

Paenioceanicoccus

L. nan adverb *paene*, almost; L. masc. n. *Oceanicoccus*, An existing genus; *Paenioceanicoccus*: A genus related to but distinct from the existing genus Oceanicoccus of almost.

Paenioceanicola

L. nan adverb *paene*, almost; L. masc. n. *Oceanicola*, An existing genus; *Paenioceanicola*: A genus related to but distinct from the existing genus Oceanicola of almost.

Paenioceaniglobus

L. nan adverb *paene*, almost; L. masc. n. *Oceaniglobus*, An existing genus; *Paenioceaniglobus*: A genus related to but distinct from the existing genus Oceaniglobus of almost.

Paenioceanimonas

L. nan adverb *paene*, almost; L. fem. n. *Oceanimonas*, An existing genus; *Paenioceanimonas*: A genus related to but distinct from the existing genus Oceanimonas of almost.

Paenioceaniradius

L. nan adverb *paene*, almost; L. masc. n. *Oceaniradius*, An existing genus; *Paenioceaniradius*: A genus related to but distinct from the existing genus Oceaniradius of almost.

Paenioceanirhabdus

L. nan adverb *paene*, almost; L. fem. n. *Oceanirhabdus*, An existing genus; *Paenioceanirhabdus*: A genus related to but distinct from the existing genus Oceanirhabdus of almost.

Paenioceanisphaera

L. nan adverb *paene*, almost; L. fem. n. *Oceanisphaera*, An existing genus; *Paenioceanisphaera*: A genus related to but distinct from the existing genus Oceanisphaera of almost.

Paenioceanispirochaeta

L. nan adverb *paene*, almost; L. fem. n. *Oceanispirochaeta*, An existing genus; *Paenioceanispirochaeta*: A genus related to but distinct from the existing genus Oceanispirochaeta of almost.

Paenioceanitalea

L. nan adverb *paene*, almost; L. fem. n. *Oceanitalea*, An existing genus; *Paenioceanitalea*: A genus related to but distinct from the existing genus Oceanitalea of almost.

Paenioceanithermus

L. nan adverb *paene*, almost; L. masc. n. *Oceanithermus*, An existing genus; *Paenioceanithermus*: A genus related to but distinct from the existing genus Oceanithermus of almost.

Paenioceanivirga

L. nan adverb *paene*, almost; L. fem. n. *Oceanivirga*, An existing genus; *Paenioceanivirga*: A genus related to but distinct from the existing genus Oceanivirga of almost.

Paenioceanobacillus

L. nan adverb *paene*, almost; L. masc. n. *Oceanobacillus*, An existing genus; *Paenioceanobacillus*: A genus related to but distinct from the existing genus Oceanobacillus of almost.

Paenioceanobacter

L. nan adverb *paene*, almost; L. masc. n. *Oceanobacter*, An existing genus; *Paenioceanobacter*: A genus related to but distinct from the existing genus Oceanobacter of almost.

Paenioceanococcus

L. nan adverb *paene*, almost; L. masc. n. *Oceanococcus*, An existing genus; *Paenioceanococcus*: A genus related to but distinct from the existing genus Oceanococcus of almost.

Paenioceanospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Oceanospirillum*, An existing genus; *Paenioceanospirillum*: A genus related to but distinct from the existing genus Oceanospirillum of almost.

Paenioceanotoga

L. nan adverb *paene*, almost; L. fem. n. *Oceanotoga*, An existing genus; *Paenioceanotoga*: A genus related to but distinct from the existing genus Oceanotoga of almost.

Paeniochrobactrum

L. nan adverb *paene*, almost; L. neut. n. *Ochrobactrum*, An existing genus; *Paeniochrobactrum*: A genus related to but distinct from the existing genus Ochrobactrum of almost.

Paeniochrovirga

L. nan adverb *paene*, almost; L. fem. n. *Ochrovirga*, An existing genus; *Paeniochrovirga*: A genus related to but distinct from the existing genus Ochrovirga of almost.

Paenioctadecabacter

L. nan adverb *paene*, almost; L. masc. n. *Octadecabacter*, An existing genus; *Paenioctadecabacter*: A genus related to but distinct from the existing genus Octadecabacter of almost.

Paenioculatella

L. nan adverb *paene*, almost; L. fem. n. *Oculatella*, An existing genus; *Paenioculatella*: A genus related to but distinct from the existing genus Oculatella of almost.

Paeniodorella

L. nan adverb *paene*, almost; L. fem. dim. n. *Odorella*, An existing genus; *Paeniodorella*: A genus related to but distinct from the existing genus Odorella of almost.

Paeniodoribacter

L. nan adverb *paene*, almost; L. masc. n. *Odoribacter*, An existing genus; *Paeniodoribacter*: A genus related to but distinct from the existing genus Odoribacter of almost.

Paenioenococcus

L. nan adverb *paene*, almost; L. masc. n. *Oenococcus*, An existing genus; *Paenioenococcus*: A genus related to but distinct from the existing genus Oenococcus of almost.

Paenioerskovia

L. nan adverb *paene*, almost; L. fem. n. *Oerskovia*, An existing genus; *Paenioerskovia*: A genus related to but distinct from the existing genus Oerskovia of almost.

Paenioharaeibacter

L. nan adverb *paene*, almost; L. masc. n. *Oharaeibacter*, An existing genus; *Paenioharaeibacter*: A genus related to but distinct from the existing genus Oharaeibacter of almost.

Paeniohtaekwangia

L. nan adverb *paene*, almost; L. fem. n. *Ohtaekwangia*, An existing genus; *Paeniohtaekwangia*: A genus related to but distinct from the existing genus Ohtaekwangia of almost.

Paeniokeania

L. nan adverb *paene*, almost; L. fem. n. *Okeania*, An existing genus; *Paeniokeania*: A genus related to but distinct from the existing genus Okeania of almost.

Paeniokibacterium

L. nan adverb *paene*, almost; L. neut. n. *Okibacterium*, An existing genus; *Paeniokibacterium*: A genus related to but distinct from the existing genus Okibacterium of almost.

Paeniolegusella

L. nan adverb *paene*, almost; L. fem. dim. n. *Olegusella*, An existing genus; *Paeniolegusella*: A genus related to but distinct from the existing genus Olegusella of almost.

Paenioleiagrimonas

L. nan adverb *paene*, almost; L. fem. n. *Oleiagrimonas*, An existing genus; *Paenioleiagrimonas*: A genus related to but distinct from the existing genus Oleiagrimonas of almost.

Paenioleibacter

L. nan adverb *paene*, almost; L. masc. n. *Oleibacter*, An existing genus; *Paenioleibacter*: A genus related to but distinct from the existing genus Oleibacter of almost.

Paenioleiharenicola

L. nan adverb *paene*, almost; L. masc. n. *Oleiharenicola*, An existing genus; *Paenioleiharenicola*: A genus related to but distinct from the existing genus Oleiharenicola of almost.

Paenioleiliquidispirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Oleiliquidispirillum*, An existing genus; *Paenioleiliquidispirillum*: A genus related to but distinct from the existing genus Oleiliquidispirillum of almost.

Paenioleisolibacter

L. nan adverb *paene*, almost; L. masc. n. *Oleisolibacter*, An existing genus; *Paenioleisolibacter*: A genus related to but distinct from the existing genus Oleisolibacter of almost.

Paenioleispira

L. nan adverb *paene*, almost; L. fem. n. *Oleispira*, An existing genus; *Paenioleispira*: A genus related to but distinct from the existing genus Oleispira of almost.

Paenioligella

L. nan adverb *paene*, almost; L. fem. dim. n. *Oligella*, An existing genus; *Paenioligella*: A genus related to but distinct from the existing genus Oligella of almost.

Paenioligoflexus

L. nan adverb *paene*, almost; L. masc. n. *Oligoflexus*, An existing genus; *Paenioligoflexus*: A genus related to but distinct from the existing genus Oligoflexus of almost.

Paenioligosphaera

L. nan adverb *paene*, almost; L. fem. n. *Oligosphaera*, An existing genus; *Paenioligosphaera*: A genus related to but distinct from the existing genus Oligosphaera of almost.

Paenioligotropha

L. nan adverb *paene*, almost; L. fem. n. *Oligotropha*, An existing genus; *Paenioligotropha*: A genus related to but distinct from the existing genus Oligotropha of almost.

Paeniolivibacter

L. nan adverb *paene*, almost; L. masc. n. *Olivibacter*, An existing genus; *Paeniolivibacter*: A genus related to but distinct from the existing genus Olivibacter of almost.

Paeniolleya

L. nan adverb *paene*, almost; L. fem. n. *Olleya*, An existing genus; *Paeniolleya*: A genus related to but distinct from the existing genus Olleya of almost.

Paeniolsenella

L. nan adverb *paene*, almost; L. fem. dim. n. *Olsenella*, An existing genus; *Paeniolsenella*: A genus related to but distinct from the existing genus Olsenella of almost.

Paenionodrimia

L. nan adverb *paene*, almost; L. fem. n. *Onodrimia*, An existing genus; *Paenionodrimia*: A genus related to but distinct from the existing genus Onodrimia of almost.

Paeniopitutus

L. nan adverb *paene*, almost; L. masc. n. *Opitutus*, An existing genus; *Paeniopitutus*: A genus related to but distinct from the existing genus Opitutus of almost.

Paeniorenia

L. nan adverb *paene*, almost; L. fem. n. *Orenia*, An existing genus; *Paeniorenia*: A genus related to but distinct from the existing genus Orenia of almost.

Paenioribacterium

L. nan adverb *paene*, almost; L. neut. n. *Oribacterium*, An existing genus; *Paenioribacterium*: A genus related to but distinct from the existing genus Oribacterium of almost.

Paenioribaculum

L. nan adverb *paene*, almost; L. neut. n. *Oribaculum*, An existing genus; *Paenioribaculum*: A genus related to but distinct from the existing genus Oribaculum of almost.

Paenioricola

L. nan adverb *paene*, almost; L. fem. n. *Oricola*, An existing genus; *Paenioricola*: A genus related to but distinct from the existing genus Oricola of almost.

Paeniornatilinea

L. nan adverb *paene*, almost; L. fem. n. *Ornatilinea*, An existing genus; *Paeniornatilinea*: A genus related to but distinct from the existing genus Ornatilinea of almost.

Paeniornithinibacillus

L. nan adverb *paene*, almost; L. masc. n. *Ornithinibacillus*, An existing genus; *Paeniornithinibacillus*: A genus related to but distinct from the existing genus Ornithinibacillus of almost.

Paeniornithinibacter

L. nan adverb *paene*, almost; L. masc. n. *Ornithinibacter*, An existing genus; *Paeniornithinibacter*: A genus related to but distinct from the existing genus Ornithinibacter of almost.

Paeniornithinicoccus

L. nan adverb *paene*, almost; L. masc. n. *Ornithinicoccus*, An existing genus; *Paeniornithinicoccus*: A genus related to but distinct from the existing genus Ornithinicoccus of almost.

Paeniornithinimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Ornithinimicrobium*, An existing genus; *Paeniornithinimicrobium*: A genus related to but distinct from the existing genus Ornithinimicrobium of almost.

Paeniornithobacterium

L. nan adverb *paene*, almost; L. neut. n. *Ornithobacterium*, An existing genus; *Paeniornithobacterium*: A genus related to but distinct from the existing genus Ornithobacterium of almost.

Paeniorrella

L. nan adverb *paene*, almost; L. fem. dim. n. *Orrella*, An existing genus; *Paeniorrella*: A genus related to but distinct from the existing genus Orrella of almost.

Paenioryzihumus

L. nan adverb *paene*, almost; L. fem. n. *Oryzihumus*, An existing genus; *Paenioryzihumus*: A genus related to but distinct from the existing genus Oryzihumus of almost.

Paenioryzisolibacter

L. nan adverb *paene*, almost; L. masc. n. *Oryzisolibacter*, An existing genus; *Paenioryzisolibacter*: A genus related to but distinct from the existing genus Oryzisolibacter of almost.

Paenioryzobacter

L. nan adverb *paene*, almost; L. masc. n. *Oryzobacter*, An existing genus; *Paenioryzobacter*: A genus related to but distinct from the existing genus Oryzobacter of almost.

Paenioryzomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Oryzomicrobium*, An existing genus; *Paenioryzomicrobium*: A genus related to but distinct from the existing genus Oryzomicrobium of almost.

Paenioryzomonas

L. nan adverb *paene*, almost; L. fem. n. *Oryzomonas*, An existing genus; *Paenioryzomonas*: A genus related to but distinct from the existing genus Oryzomonas of almost.

Paenioscillatoria

L. nan adverb *paene*, almost; L. fem. n. *Oscillatoria*, An existing genus; *Paenioscillatoria*: A genus related to but distinct from the existing genus Oscillatoria of almost.

Paenioscillibacter

L. nan adverb *paene*, almost; L. masc. n. *Oscillibacter*, An existing genus; *Paenioscillibacter*: A genus related to but distinct from the existing genus Oscillibacter of almost.

Paenioscillochloris

L. nan adverb *paene*, almost; L. fem. n. *Oscillochloris*, An existing genus; *Paenioscillochloris*: A genus related to but distinct from the existing genus Oscillochloris of almost.

Paenioscillospira

L. nan adverb *paene*, almost; L. fem. n. *Oscillospira*, An existing genus; *Paenioscillospira*: A genus related to but distinct from the existing genus Oscillospira of almost.

Paeniotariodibacter

L. nan adverb *paene*, almost; L. masc. n. *Otariodibacter*, An existing genus; *Paeniotariodibacter*: A genus related to but distinct from the existing genus Otariodibacter of almost.

Paeniottowia

L. nan adverb *paene*, almost; L. fem. n. *Ottowia*, An existing genus; *Paeniottowia*: A genus related to but distinct from the existing genus Ottowia of almost.

Paeniowenweeksia

L. nan adverb *paene*, almost; L. fem. n. *Owenweeksia*, An existing genus; *Paeniowenweeksia*: A genus related to but distinct from the existing genus Owenweeksia of almost.

Paenioxalobacter

L. nan adverb *paene*, almost; L. masc. n. *Oxalobacter*, An existing genus; *Paenioxalobacter*: A genus related to but distinct from the existing genus Oxalobacter of almost.

Paenioxalophagus

L. nan adverb *paene*, almost; L. masc. n. *Oxalophagus*, An existing genus; *Paenioxalophagus*: A genus related to but distinct from the existing genus Oxalophagus of almost.

Paenioxobacter

L. nan adverb *paene*, almost; L. masc. n. *Oxobacter*, An existing genus; *Paenioxobacter*: A genus related to but distinct from the existing genus Oxobacter of almost.

Paenioxynema

L. nan adverb *paene*, almost; L. neut. n. *Oxynema*, An existing genus; *Paenioxynema*: A genus related to but distinct from the existing genus Oxynema of almost.

Paenipacificibacter

L. nan adverb *paene*, almost; L. masc. n. *Pacificibacter*, An existing genus; *Paenipacificibacter*: A genus related to but distinct from the existing genus Pacificibacter of almost.

Paenipaenactinomyces

L. nan adverb *paene*, almost; L. masc. n. *Paenactinomyces*, An existing genus; *Paenipaenactinomyces*: A genus related to but distinct from the existing genus Paenactinomyces of almost.

Paenipaenalcaligenes

L. nan adverb *paene*, almost; L. masc. n. *Paenalcaligenes*, An existing genus; *Paenipaenalcaligenes*: A genus related to but distinct from the existing genus Paenalcaligenes of almost.

Paenipaenarthrobacter

L. nan adverb *paene*, almost; L. masc. n. *Paenarthrobacter*, An existing genus; *Paenipaenarthrobacter*: A genus related to but distinct from the existing genus Paenarthrobacter of almost.

Paenipaenibacillus

L. nan adverb *paene*, almost; L. masc. n. *Paenibacillus*, An existing genus; *Paenipaenibacillus*: A genus related to but distinct from the existing genus Paenibacillus of almost.

Paenipaeniclostridium

L. nan adverb *paene*, almost; L. neut. dim. n. *Paeniclostridium*, An existing genus; *Paenipaeniclostridium*: A genus related to but distinct from the existing genus Paeniclostridium of almost.

Paenipaeniglutamicibacter

L. nan adverb *paene*, almost; L. masc. n. *Paeniglutamicibacter*, An existing genus; *Paenipaeniglutamicibacter*: A genus related to but distinct from the existing genus Paeniglutamicibacter of almost.

Paenipaenimaribius

L. nan adverb *paene*, almost; L. masc. n. *Paenimaribius*, An existing genus; *Paenipaenimaribius*: A genus related to but distinct from the existing genus Paenimaribius of almost.

Paenipaenirhodobacter

L. nan adverb *paene*, almost; L. masc. n. *Paenirhodobacter*, An existing genus; *Paenipaenirhodobacter*: A genus related to but distinct from the existing genus Paenirhodobacter of almost.

Paenipaenisporosarcina

L. nan adverb *paene*, almost; L. fem. n. *Paenisporosarcina*, An existing genus; *Paenipaenisporosarcina*: A genus related to but distinct from the existing genus Paenisporosarcina of almost.

Paenipaenochrobactrum

L. nan adverb *paene*, almost; L. neut. n. *Paenochrobactrum*, An existing genus; *Paenipaenochrobactrum*: A genus related to but distinct from the existing genus Paenochrobactrum of almost.

Paenipalaeococcus

L. nan adverb *paene*, almost; L. masc. n. *Palaeococcus*, An existing genus; *Paenipalaeococcus*: A genus related to but distinct from the existing genus Palaeococcus of almost.

Paenipalleronia

L. nan adverb *paene*, almost; L. fem. n. *Palleronia*, An existing genus; *Paenipalleronia*: A genus related to but distinct from the existing genus Palleronia of almost.

Paenipaludibacterium

L. nan adverb *paene*, almost; L. neut. n. *Paludibacterium*, An existing genus; *Paenipaludibacterium*: A genus related to but distinct from the existing genus Paludibacterium of almost.

Paenipaludibaculum

L. nan adverb *paene*, almost; L. neut. n. *Paludibaculum*, An existing genus; *Paenipaludibaculum*: A genus related to but distinct from the existing genus Paludibaculum of almost.

Paenipaludicola

L. nan adverb *paene*, almost; L. masc. n. *Paludicola*, An existing genus; *Paenipaludicola*: A genus related to but distinct from the existing genus Paludicola of almost.

Paenipaludifilum

L. nan adverb *paene*, almost; L. neut. n. *Paludifilum*, An existing genus; *Paenipaludifilum*: A genus related to but distinct from the existing genus Paludifilum of almost.

Paenipaludisphaera

L. nan adverb *paene*, almost; L. fem. n. *Paludisphaera*, An existing genus; *Paenipaludisphaera*: A genus related to but distinct from the existing genus Paludisphaera of almost.

Paenipanacagrimonas

L. nan adverb *paene*, almost; L. fem. n. *Panacagrimonas*, An existing genus; *Paenipanacagrimonas*: A genus related to but distinct from the existing genus Panacagrimonas of almost.

Paenipanacibacter

L. nan adverb *paene*, almost; L. masc. n. *Panacibacter*, An existing genus; *Paenipanacibacter*: A genus related to but distinct from the existing genus Panacibacter of almost.

Paenipandoraea

L. nan adverb *paene*, almost; L. fem. n. *Pandoraea*, An existing genus; *Paenipandoraea*: A genus related to but distinct from the existing genus Pandoraea of almost.

Paenipannonibacter

L. nan adverb *paene*, almost; L. masc. n. *Pannonibacter*, An existing genus; *Paenipannonibacter*: A genus related to but distinct from the existing genus Pannonibacter of almost.

Paenipannus

L. nan adverb *paene*, almost; L. masc. n. *Pannus*, An existing genus; *Paenipannus*: A genus related to but distinct from the existing genus Pannus of almost.

Paenipantanalinema

L. nan adverb *paene*, almost; L. neut. n. *Pantanalinema*, An existing genus; *Paenipantanalinema*: A genus related to but distinct from the existing genus Pantanalinema of almost.

Paenipantoea

L. nan adverb *paene*, almost; L. fem. n. *Pantoea*, An existing genus; *Paenipantoea*: A genus related to but distinct from the existing genus Pantoea of almost.

Paenipapillibacter

L. nan adverb *paene*, almost; L. masc. n. *Papillibacter*, An existing genus; *Paenipapillibacter*: A genus related to but distinct from the existing genus Papillibacter of almost.

Paeniparabacteroides

L. nan adverb *paene*, almost; L. masc. n. *Parabacteroides*, An existing genus; *Paeniparabacteroides*: A genus related to but distinct from the existing genus Parabacteroides of almost.

Paeniparablastomonas

L. nan adverb *paene*, almost; L. fem. n. *Parablastomonas*, An existing genus; *Paeniparablastomonas*: A genus related to but distinct from the existing genus Parablastomonas of almost.

Paeniparaburkholderia

L. nan adverb *paene*, almost; L. fem. n. *Paraburkholderia*, An existing genus; *Paeniparaburkholderia*: A genus related to but distinct from the existing genus Paraburkholderia of almost.

Paeniparacandidimonas

L. nan adverb *paene*, almost; L. fem. n. *Paracandidimonas*, An existing genus; *Paeniparacandidimonas*: A genus related to but distinct from the existing genus Paracandidimonas of almost.

Paeniparachlamydia

L. nan adverb *paene*, almost; L. fem. n. *Parachlamydia*, An existing genus; *Paeniparachlamydia*: A genus related to but distinct from the existing genus Parachlamydia of almost.

Paeniparaclostridium

L. nan adverb *paene*, almost; L. neut. dim. n. *Paraclostridium*, An existing genus; *Paeniparaclostridium*: A genus related to but distinct from the existing genus Paraclostridium of almost.

Paeniparacnuella

L. nan adverb *paene*, almost; L. fem. dim. n. *Paracnuella*, An existing genus; *Paeniparacnuella*: A genus related to but distinct from the existing genus Paracnuella of almost.

Paeniparacoccus

L. nan adverb *paene*, almost; L. masc. n. *Paracoccus*, An existing genus; *Paeniparacoccus*: A genus related to but distinct from the existing genus Paracoccus of almost.

Paeniparaconexibacter

L. nan adverb *paene*, almost; L. masc. n. *Paraconexibacter*, An existing genus; *Paeniparaconexibacter*: A genus related to but distinct from the existing genus Paraconexibacter of almost.

Paeniparacraurococcus

L. nan adverb *paene*, almost; L. masc. n. *Paracraurococcus*, An existing genus; *Paeniparacraurococcus*: A genus related to but distinct from the existing genus Paracraurococcus of almost.

Paeniparadesulfovibrio

L. nan adverb *paene*, almost; L. masc. n. *Paradesulfovibrio*, An existing genus; *Paeniparadesulfovibrio*: A genus related to but distinct from the existing genus Paradesulfovibrio of almost.

Paeniparadevosia

L. nan adverb *paene*, almost; L. fem. n. *Paradevosia*, An existing genus; *Paeniparadevosia*: A genus related to but distinct from the existing genus Paradevosia of almost.

Paeniparadonghicola

L. nan adverb *paene*, almost; L. masc. n. *Paradonghicola*, An existing genus; *Paeniparadonghicola*: A genus related to but distinct from the existing genus Paradonghicola of almost.

Paeniparaeggerthella

L. nan adverb *paene*, almost; L. fem. dim. n. *Paraeggerthella*, An existing genus; *Paeniparaeggerthella*: A genus related to but distinct from the existing genus Paraeggerthella of almost.

Paeniparaferrimonas

L. nan adverb *paene*, almost; L. fem. n. *Paraferrimonas*, An existing genus; *Paeniparaferrimonas*: A genus related to but distinct from the existing genus Paraferrimonas of almost.

Paeniparafilimonas

L. nan adverb *paene*, almost; L. fem. n. *Parafilimonas*, An existing genus; *Paeniparafilimonas*: A genus related to but distinct from the existing genus Parafilimonas of almost.

Paeniparaflavitalea

L. nan adverb *paene*, almost; L. fem. n. *Paraflavitalea*, An existing genus; *Paeniparaflavitalea*: A genus related to but distinct from the existing genus Paraflavitalea of almost.

Paeniparafrigoribacterium

L. nan adverb *paene*, almost; L. neut. n. *Parafrigoribacterium*, An existing genus; *Paeniparafrigoribacterium*: A genus related to but distinct from the existing genus Parafrigoribacterium of almost.

Paeniparageobacillus

L. nan adverb *paene*, almost; L. masc. n. *Parageobacillus*, An existing genus; *Paeniparageobacillus*: A genus related to but distinct from the existing genus Parageobacillus of almost.

Paeniparaglaciecola

L. nan adverb *paene*, almost; L. fem. n. *Paraglaciecola*, An existing genus; *Paeniparaglaciecola*: A genus related to but distinct from the existing genus Paraglaciecola of almost.

Paeniparaglycomyces

L. nan adverb *paene*, almost; L. masc. n. *Paraglycomyces*, An existing genus; *Paeniparaglycomyces*: A genus related to but distinct from the existing genus Paraglycomyces of almost.

Paeniparahaliea

L. nan adverb *paene*, almost; L. fem. n. *Parahaliea*, An existing genus; *Paeniparahaliea*: A genus related to but distinct from the existing genus Parahaliea of almost.

Paeniparaherbaspirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Paraherbaspirillum*, An existing genus; *Paeniparaherbaspirillum*: A genus related to but distinct from the existing genus Paraherbaspirillum of almost.

Paeniparalactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Paralactobacillus*, An existing genus; *Paeniparalactobacillus*: A genus related to but distinct from the existing genus Paralactobacillus of almost.

Paeniparalcaligenes

L. nan adverb *paene*, almost; L. masc. n. *Paralcaligenes*, An existing genus; *Paeniparalcaligenes*: A genus related to but distinct from the existing genus Paralcaligenes of almost.

Paeniparaliobacillus

L. nan adverb *paene*, almost; L. masc. n. *Paraliobacillus*, An existing genus; *Paeniparaliobacillus*: A genus related to but distinct from the existing genus Paraliobacillus of almost.

Paeniparalkalibacillus

L. nan adverb *paene*, almost; L. masc. n. *Paralkalibacillus*, An existing genus; *Paeniparalkalibacillus*: A genus related to but distinct from the existing genus Paralkalibacillus of almost.

Paeniparamaledivibacter

L. nan adverb *paene*, almost; L. masc. n. *Paramaledivibacter*, An existing genus; *Paeniparamaledivibacter*: A genus related to but distinct from the existing genus Paramaledivibacter of almost.

Paeniparamesonia

L. nan adverb *paene*, almost; L. fem. n. *Paramesonia*, An existing genus; *Paeniparamesonia*: A genus related to but distinct from the existing genus Paramesonia of almost.

Paeniparamoritella

L. nan adverb *paene*, almost; L. fem. dim. n. *Paramoritella*, An existing genus; *Paeniparamoritella*: A genus related to but distinct from the existing genus Paramoritella of almost.

Paeniparamuribaculum

L. nan adverb *paene*, almost; L. neut. n. *Paramuribaculum*, An existing genus; *Paeniparamuribaculum*: A genus related to but distinct from the existing genus Paramuribaculum of almost.

Paeniparaoerskovia

L. nan adverb *paene*, almost; L. fem. n. *Paraoerskovia*, An existing genus; *Paeniparaoerskovia*: A genus related to but distinct from the existing genus Paraoerskovia of almost.

Paeniparapedobacter

L. nan adverb *paene*, almost; L. masc. n. *Parapedobacter*, An existing genus; *Paeniparapedobacter*: A genus related to but distinct from the existing genus Parapedobacter of almost.

Paeniparaperlucidibaca

L. nan adverb *paene*, almost; L. fem. n. *Paraperlucidibaca*, An existing genus; *Paeniparaperlucidibaca*: A genus related to but distinct from the existing genus Paraperlucidibaca of almost.

Paeniparaphaeobacter

L. nan adverb *paene*, almost; L. masc. n. *Paraphaeobacter*, An existing genus; *Paeniparaphaeobacter*: A genus related to but distinct from the existing genus Paraphaeobacter of almost.

Paeniparaphotobacterium

L. nan adverb *paene*, almost; L. neut. n. *Paraphotobacterium*, An existing genus; *Paeniparaphotobacterium*: A genus related to but distinct from the existing genus Paraphotobacterium of almost.

Paeniparaprevotella

L. nan adverb *paene*, almost; L. fem. dim. n. *Paraprevotella*, An existing genus; *Paeniparaprevotella*: A genus related to but distinct from the existing genus Paraprevotella of almost.

Paeniparapseudoflavitalea

L. nan adverb *paene*, almost; L. fem. n. *Parapseudoflavitalea*, An existing genus; *Paeniparapseudoflavitalea*: A genus related to but distinct from the existing genus Parapseudoflavitalea of almost.

Paeniparapusillimonas

L. nan adverb *paene*, almost; L. fem. n. *Parapusillimonas*, An existing genus; *Paeniparapusillimonas*: A genus related to but distinct from the existing genus Parapusillimonas of almost.

Paenipararcticibacter

L. nan adverb *paene*, almost; L. masc. n. *Pararcticibacter*, An existing genus; *Paenipararcticibacter*: A genus related to but distinct from the existing genus Pararcticibacter of almost.

Paenipararheinheimera

L. nan adverb *paene*, almost; L. fem. n. *Pararheinheimera*, An existing genus; *Paenipararheinheimera*: A genus related to but distinct from the existing genus Pararheinheimera of almost.

Paenipararhizobium

L. nan adverb *paene*, almost; L. neut. n. *Pararhizobium*, An existing genus; *Paenipararhizobium*: A genus related to but distinct from the existing genus Pararhizobium of almost.

Paenipararhodobacter

L. nan adverb *paene*, almost; L. masc. n. *Pararhodobacter*, An existing genus; *Paenipararhodobacter*: A genus related to but distinct from the existing genus Pararhodobacter of almost.

Paenipararhodospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Pararhodospirillum*, An existing genus; *Paenipararhodospirillum*: A genus related to but distinct from the existing genus Pararhodospirillum of almost.

Paenipararobbsia

L. nan adverb *paene*, almost; L. fem. n. *Pararobbsia*, An existing genus; *Paenipararobbsia*: A genus related to but distinct from the existing genus Pararobbsia of almost.

Paeniparasaccharibacter

L. nan adverb *paene*, almost; L. masc. n. *Parasaccharibacter*, An existing genus; *Paeniparasaccharibacter*: A genus related to but distinct from the existing genus Parasaccharibacter of almost.

Paeniparascardovia

L. nan adverb *paene*, almost; L. fem. n. *Parascardovia*, An existing genus; *Paeniparascardovia*: A genus related to but distinct from the existing genus Parascardovia of almost.

Paeniparasedimentitalea

L. nan adverb *paene*, almost; L. fem. n. *Parasedimentitalea*, An existing genus; *Paeniparasedimentitalea*: A genus related to but distinct from the existing genus Parasedimentitalea of almost.

Paeniparasediminibacterium

L. nan adverb *paene*, almost; L. neut. n. *Parasediminibacterium*, An existing genus; *Paeniparasediminibacterium*: A genus related to but distinct from the existing genus Parasediminibacterium of almost.

Paeniparasegetibacter

L. nan adverb *paene*, almost; L. masc. n. *Parasegetibacter*, An existing genus; *Paeniparasegetibacter*: A genus related to but distinct from the existing genus Parasegetibacter of almost.

Paeniparashewanella

L. nan adverb *paene*, almost; L. fem. dim. n. *Parashewanella*, An existing genus; *Paeniparashewanella*: A genus related to but distinct from the existing genus Parashewanella of almost.

Paeniparasphaerochaeta

L. nan adverb *paene*, almost; L. fem. n. *Parasphaerochaeta*, An existing genus; *Paeniparasphaerochaeta*: A genus related to but distinct from the existing genus Parasphaerochaeta of almost.

Paeniparasphingopyxis

L. nan adverb *paene*, almost; L. fem. n. *Parasphingopyxis*, An existing genus; *Paeniparasphingopyxis*: A genus related to but distinct from the existing genus Parasphingopyxis of almost.

Paeniparasphingorhabdus

L. nan adverb *paene*, almost; L. fem. n. *Parasphingorhabdus*, An existing genus; *Paeniparasphingorhabdus*: A genus related to but distinct from the existing genus Parasphingorhabdus of almost.

Paeniparasporobacterium

L. nan adverb *paene*, almost; L. neut. n. *Parasporobacterium*, An existing genus; *Paeniparasporobacterium*: A genus related to but distinct from the existing genus Parasporobacterium of almost.

Paeniparasutterella

L. nan adverb *paene*, almost; L. fem. dim. n. *Parasutterella*, An existing genus; *Paeniparasutterella*: A genus related to but distinct from the existing genus Parasutterella of almost.

Paeniparemcibacter

L. nan adverb *paene*, almost; L. masc. n. *Paremcibacter*, An existing genus; *Paeniparemcibacter*: A genus related to but distinct from the existing genus Paremcibacter of almost.

Paeniparendozoicomonas

L. nan adverb *paene*, almost; L. fem. n. *Parendozoicomonas*, An existing genus; *Paeniparendozoicomonas*: A genus related to but distinct from the existing genus Parendozoicomonas of almost.

Paeniparoceanicella

L. nan adverb *paene*, almost; L. fem. n. *Paroceanicella*, An existing genus; *Paeniparoceanicella*: A genus related to but distinct from the existing genus Paroceanicella of almost.

Paeniparolsenella

L. nan adverb *paene*, almost; L. fem. dim. n. *Parolsenella*, An existing genus; *Paeniparolsenella*: A genus related to but distinct from the existing genus Parolsenella of almost.

Paeniparvibium

L. nan adverb *paene*, almost; L. neut. n. *Parvibium*, An existing genus; *Paeniparvibium*: A genus related to but distinct from the existing genus Parvibium of almost.

Paeniparvimonas

L. nan adverb *paene*, almost; L. fem. n. *Parvimonas*, An existing genus; *Paeniparvimonas*: A genus related to but distinct from the existing genus Parvimonas of almost.

Paeniparviterribacter

L. nan adverb *paene*, almost; L. masc. n. *Parviterribacter*, An existing genus; *Paeniparviterribacter*: A genus related to but distinct from the existing genus Parviterribacter of almost.

Paeniparvularcula

L. nan adverb *paene*, almost; L. fem. dim. n. *Parvularcula*, An existing genus; *Paeniparvularcula*: A genus related to but distinct from the existing genus Parvularcula of almost.

Paenipasteurella

L. nan adverb *paene*, almost; L. fem. dim. n. *Pasteurella*, An existing genus; *Paenipasteurella*: A genus related to but distinct from the existing genus Pasteurella of almost.

Paenipasteuria

L. nan adverb *paene*, almost; L. fem. n. *Pasteuria*, An existing genus; *Paenipasteuria*: A genus related to but distinct from the existing genus Pasteuria of almost.

Paenipatiriisocius

L. nan adverb *paene*, almost; L. masc. n. *Patiriisocius*, An existing genus; *Paenipatiriisocius*: A genus related to but distinct from the existing genus Patiriisocius of almost.

Paenipatulibacter

L. nan adverb *paene*, almost; L. masc. n. *Patulibacter*, An existing genus; *Paenipatulibacter*: A genus related to but distinct from the existing genus Patulibacter of almost.

Paenipaucibacter

L. nan adverb *paene*, almost; L. masc. n. *Paucibacter*, An existing genus; *Paenipaucibacter*: A genus related to but distinct from the existing genus Paucibacter of almost.

Paenipaucilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Paucilactobacillus*, An existing genus; *Paenipaucilactobacillus*: A genus related to but distinct from the existing genus Paucilactobacillus of almost.

Paenipaucimonas

L. nan adverb *paene*, almost; L. fem. n. *Paucimonas*, An existing genus; *Paenipaucimonas*: A genus related to but distinct from the existing genus Paucimonas of almost.

Paenipaucisalibacillus

L. nan adverb *paene*, almost; L. masc. n. *Paucisalibacillus*, An existing genus; *Paenipaucisalibacillus*: A genus related to but distinct from the existing genus Paucisalibacillus of almost.

Paenipauljensenia

L. nan adverb *paene*, almost; L. fem. n. *Pauljensenia*, An existing genus; *Paenipauljensenia*: A genus related to but distinct from the existing genus Pauljensenia of almost.

Paenipectinatus

L. nan adverb *paene*, almost; L. masc. n. *Pectinatus*, An existing genus; *Paenipectinatus*: A genus related to but distinct from the existing genus Pectinatus of almost.

Paenipectobacterium

L. nan adverb *paene*, almost; L. neut. n. *Pectobacterium*, An existing genus; *Paenipectobacterium*: A genus related to but distinct from the existing genus Pectobacterium of almost.

Paenipediococcus

L. nan adverb *paene*, almost; L. masc. n. *Pediococcus*, An existing genus; *Paenipediococcus*: A genus related to but distinct from the existing genus Pediococcus of almost.

Paenipedobacter

L. nan adverb *paene*, almost; L. masc. n. *Pedobacter*, An existing genus; *Paenipedobacter*: A genus related to but distinct from the existing genus Pedobacter of almost.

Paenipedococcus

L. nan adverb *paene*, almost; L. masc. n. *Pedococcus*, An existing genus; *Paenipedococcus*: A genus related to but distinct from the existing genus Pedococcus of almost.

Paenipedomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Pedomicrobium*, An existing genus; *Paenipedomicrobium*: A genus related to but distinct from the existing genus Pedomicrobium of almost.

Paenipegethrix

L. nan adverb *paene*, almost; L. fem. n. *Pegethrix*, An existing genus; *Paenipegethrix*: A genus related to but distinct from the existing genus Pegethrix of almost.

Paenipelagibaca

L. nan adverb *paene*, almost; L. fem. n. *Pelagibaca*, An existing genus; *Paenipelagibaca*: A genus related to but distinct from the existing genus Pelagibaca of almost.

Paenipelagibacillus

L. nan adverb *paene*, almost; L. masc. n. *Pelagibacillus*, An existing genus; *Paenipelagibacillus*: A genus related to but distinct from the existing genus Pelagibacillus of almost.

Paenipelagibacterium

L. nan adverb *paene*, almost; L. neut. n. *Pelagibacterium*, An existing genus; *Paenipelagibacterium*: A genus related to but distinct from the existing genus Pelagibacterium of almost.

Paenipelagibaculum

L. nan adverb *paene*, almost; L. neut. n. *Pelagibaculum*, An existing genus; *Paenipelagibaculum*: A genus related to but distinct from the existing genus Pelagibaculum of almost.

Paenipelagibius

L. nan adverb *paene*, almost; L. masc. n. *Pelagibius*, An existing genus; *Paenipelagibius*: A genus related to but distinct from the existing genus Pelagibius of almost.

Paenipelagicoccus

L. nan adverb *paene*, almost; L. masc. n. *Pelagicoccus*, An existing genus; *Paenipelagicoccus*: A genus related to but distinct from the existing genus Pelagicoccus of almost.

Paenipelagicola

L. nan adverb *paene*, almost; L. masc. n. *Pelagicola*, An existing genus; *Paenipelagicola*: A genus related to but distinct from the existing genus Pelagicola of almost.

Paenipelagihabitans

L. nan adverb *paene*, almost; L. masc. n. *Pelagihabitans*, An existing genus; *Paenipelagihabitans*: A genus related to but distinct from the existing genus Pelagihabitans of almost.

Paenipelagimonas

L. nan adverb *paene*, almost; L. fem. n. *Pelagimonas*, An existing genus; *Paenipelagimonas*: A genus related to but distinct from the existing genus Pelagimonas of almost.

Paenipelagirhabdus

L. nan adverb *paene*, almost; L. fem. n. *Pelagirhabdus*, An existing genus; *Paenipelagirhabdus*: A genus related to but distinct from the existing genus Pelagirhabdus of almost.

Paenipelagitalea

L. nan adverb *paene*, almost; L. fem. n. *Pelagitalea*, An existing genus; *Paenipelagitalea*: A genus related to but distinct from the existing genus Pelagitalea of almost.

Paenipelagivirga

L. nan adverb *paene*, almost; L. fem. n. *Pelagivirga*, An existing genus; *Paenipelagivirga*: A genus related to but distinct from the existing genus Pelagivirga of almost.

Paenipelczaria

L. nan adverb *paene*, almost; L. fem. n. *Pelczaria*, An existing genus; *Paenipelczaria*: A genus related to but distinct from the existing genus Pelczaria of almost.

Paenipelistega

L. nan adverb *paene*, almost; L. fem. n. *Pelistega*, An existing genus; *Paenipelistega*: A genus related to but distinct from the existing genus Pelistega of almost.

Paenipelobium

L. nan adverb *paene*, almost; L. neut. n. *Pelobium*, An existing genus; *Paenipelobium*: A genus related to but distinct from the existing genus Pelobium of almost.

Paenipelodictyon

L. nan adverb *paene*, almost; L. neut. n. *Pelodictyon*, An existing genus; *Paenipelodictyon*: A genus related to but distinct from the existing genus Pelodictyon of almost.

Paenipelolinea

L. nan adverb *paene*, almost; L. fem. n. *Pelolinea*, An existing genus; *Paenipelolinea*: A genus related to but distinct from the existing genus Pelolinea of almost.

Paenipelomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Pelomicrobium*, An existing genus; *Paenipelomicrobium*: A genus related to but distinct from the existing genus Pelomicrobium of almost.

Paenipelomonas

L. nan adverb *paene*, almost; L. fem. n. *Pelomonas*, An existing genus; *Paenipelomonas*: A genus related to but distinct from the existing genus Pelomonas of almost.

Paenipeloploca

L. nan adverb *paene*, almost; L. fem. n. *Peloploca*, An existing genus; *Paenipeloploca*: A genus related to but distinct from the existing genus Peloploca of almost.

Paenipelosinus

L. nan adverb *paene*, almost; L. masc. n. *Pelosinus*, An existing genus; *Paenipelosinus*: A genus related to but distinct from the existing genus Pelosinus of almost.

Paenipelospora

L. nan adverb *paene*, almost; L. fem. n. *Pelospora*, An existing genus; *Paenipelospora*: A genus related to but distinct from the existing genus Pelospora of almost.

Paenipelotomaculum

L. nan adverb *paene*, almost; L. neut. n. *Pelotomaculum*, An existing genus; *Paenipelotomaculum*: A genus related to but distinct from the existing genus Pelotomaculum of almost.

Paenipeptacetobacter

L. nan adverb *paene*, almost; L. masc. n. *Peptacetobacter*, An existing genus; *Paenipeptacetobacter*: A genus related to but distinct from the existing genus Peptacetobacter of almost.

Paenipeptidiphaga

L. nan adverb *paene*, almost; L. fem. n. *Peptidiphaga*, An existing genus; *Paenipeptidiphaga*: A genus related to but distinct from the existing genus Peptidiphaga of almost.

Paenipeptoanaerobacter

L. nan adverb *paene*, almost; L. masc. n. *Peptoanaerobacter*, An existing genus; *Paenipeptoanaerobacter*: A genus related to but distinct from the existing genus Peptoanaerobacter of almost.

Paenipeptoclostridium

L. nan adverb *paene*, almost; L. neut. dim. n. *Peptoclostridium*, An existing genus; *Paenipeptoclostridium*: A genus related to but distinct from the existing genus Peptoclostridium of almost.

Paenipeptococcus

L. nan adverb *paene*, almost; L. masc. n. *Peptococcus*, An existing genus; *Paenipeptococcus*: A genus related to but distinct from the existing genus Peptococcus of almost.

Paenipeptoniphilus

L. nan adverb *paene*, almost; L. masc. n. *Peptoniphilus*, An existing genus; *Paenipeptoniphilus*: A genus related to but distinct from the existing genus Peptoniphilus of almost.

Paenipeptostreptococcus

L. nan adverb *paene*, almost; L. masc. n. *Peptostreptococcus*, An existing genus; *Paenipeptostreptococcus*: A genus related to but distinct from the existing genus Peptostreptococcus of almost.

Paeniperedibacter

L. nan adverb *paene*, almost; L. masc. n. *Peredibacter*, An existing genus; *Paeniperedibacter*: A genus related to but distinct from the existing genus Peredibacter of almost.

Paeniperexilibacter

L. nan adverb *paene*, almost; L. masc. n. *Perexilibacter*, An existing genus; *Paeniperexilibacter*: A genus related to but distinct from the existing genus Perexilibacter of almost.

Paeniperibacillus

L. nan adverb *paene*, almost; L. masc. n. *Peribacillus*, An existing genus; *Paeniperibacillus*: A genus related to but distinct from the existing genus Peribacillus of almost.

Paeniperlucidibaca

L. nan adverb *paene*, almost; L. fem. n. *Perlucidibaca*, An existing genus; *Paeniperlucidibaca*: A genus related to but distinct from the existing genus Perlucidibaca of almost.

Paenipermianibacter

L. nan adverb *paene*, almost; L. masc. n. *Permianibacter*, An existing genus; *Paenipermianibacter*: A genus related to but distinct from the existing genus Permianibacter of almost.

Paenipersicimonas

L. nan adverb *paene*, almost; L. fem. n. *Persicimonas*, An existing genus; *Paenipersicimonas*: A genus related to but distinct from the existing genus Persicimonas of almost.

Paenipersicirhabdus

L. nan adverb *paene*, almost; L. fem. n. *Persicirhabdus*, An existing genus; *Paenipersicirhabdus*: A genus related to but distinct from the existing genus Persicirhabdus of almost.

Paenipersicitalea

L. nan adverb *paene*, almost; L. fem. n. *Persicitalea*, An existing genus; *Paenipersicitalea*: A genus related to but distinct from the existing genus Persicitalea of almost.

Paenipersicivirga

L. nan adverb *paene*, almost; L. fem. n. *Persicivirga*, An existing genus; *Paenipersicivirga*: A genus related to but distinct from the existing genus Persicivirga of almost.

Paenipersicobacter

L. nan adverb *paene*, almost; L. masc. n. *Persicobacter*, An existing genus; *Paenipersicobacter*: A genus related to but distinct from the existing genus Persicobacter of almost.

Paenipersinema

L. nan adverb *paene*, almost; L. neut. n. *Persinema*, An existing genus; *Paenipersinema*: A genus related to but distinct from the existing genus Persinema of almost.

Paeniperspicuibacter

L. nan adverb *paene*, almost; L. masc. n. *Perspicuibacter*, An existing genus; *Paeniperspicuibacter*: A genus related to but distinct from the existing genus Perspicuibacter of almost.

Paenipetrimonas

L. nan adverb *paene*, almost; L. fem. n. *Petrimonas*, An existing genus; *Paenipetrimonas*: A genus related to but distinct from the existing genus Petrimonas of almost.

Paenipetrobacter

L. nan adverb *paene*, almost; L. masc. n. *Petrobacter*, An existing genus; *Paenipetrobacter*: A genus related to but distinct from the existing genus Petrobacter of almost.

Paenipetrocella

L. nan adverb *paene*, almost; L. fem. n. *Petrocella*, An existing genus; *Paenipetrocella*: A genus related to but distinct from the existing genus Petrocella of almost.

Paenipetroclostridium

L. nan adverb *paene*, almost; L. neut. dim. n. *Petroclostridium*, An existing genus; *Paenipetroclostridium*: A genus related to but distinct from the existing genus Petroclostridium of almost.

Paenipetrothermobacter

L. nan adverb *paene*, almost; L. masc. n. *Petrothermobacter*, An existing genus; *Paenipetrothermobacter*: A genus related to but distinct from the existing genus Petrothermobacter of almost.

Paenipetrotoga

L. nan adverb *paene*, almost; L. fem. n. *Petrotoga*, An existing genus; *Paenipetrotoga*: A genus related to but distinct from the existing genus Petrotoga of almost.

Paenipfennigia

L. nan adverb *paene*, almost; L. fem. n. *Pfennigia*, An existing genus; *Paenipfennigia*: A genus related to but distinct from the existing genus Pfennigia of almost.

Paeniphaeobacterium

L. nan adverb *paene*, almost; L. neut. n. *Phaeobacterium*, An existing genus; *Paeniphaeobacterium*: A genus related to but distinct from the existing genus Phaeobacterium of almost.

Paeniphaeochromatium

L. nan adverb *paene*, almost; L. neut. n. *Phaeochromatium*, An existing genus; *Paeniphaeochromatium*: A genus related to but distinct from the existing genus Phaeochromatium of almost.

Paeniphaeocystidibacter

L. nan adverb *paene*, almost; L. masc. n. *Phaeocystidibacter*, An existing genus; *Paeniphaeocystidibacter*: A genus related to but distinct from the existing genus Phaeocystidibacter of almost.

Paeniphaeodactylibacter

L. nan adverb *paene*, almost; L. masc. n. *Phaeodactylibacter*, An existing genus; *Paeniphaeodactylibacter*: A genus related to but distinct from the existing genus Phaeodactylibacter of almost.

Paeniphaeospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Phaeospirillum*, An existing genus; *Paeniphaeospirillum*: A genus related to but distinct from the existing genus Phaeospirillum of almost.

Paeniphaeovibrio

L. nan adverb *paene*, almost; L. masc. n. *Phaeovibrio*, An existing genus; *Paeniphaeovibrio*: A genus related to but distinct from the existing genus Phaeovibrio of almost.

Paeniphaeovulum

L. nan adverb *paene*, almost; L. neut. n. *Phaeovulum*, An existing genus; *Paeniphaeovulum*: A genus related to but distinct from the existing genus Phaeovulum of almost.

Paeniphascolarctobacterium

L. nan adverb *paene*, almost; L. neut. n. *Phascolarctobacterium*, An existing genus; *Paeniphascolarctobacterium*: A genus related to but distinct from the existing genus Phascolarctobacterium of almost.

Paeniphaselicystis

L. nan adverb *paene*, almost; L. fem. n. *Phaselicystis*, An existing genus; *Paeniphaselicystis*: A genus related to but distinct from the existing genus Phaselicystis of almost.

Paeniphaseolibacter

L. nan adverb *paene*, almost; L. masc. n. *Phaseolibacter*, An existing genus; *Paeniphaseolibacter*: A genus related to but distinct from the existing genus Phaseolibacter of almost.

Paeniphenylobacterium

L. nan adverb *paene*, almost; L. neut. n. *Phenylobacterium*, An existing genus; *Paeniphenylobacterium*: A genus related to but distinct from the existing genus Phenylobacterium of almost.

Paeniphocaeicola

L. nan adverb *paene*, almost; L. masc. n. *Phocaeicola*, An existing genus; *Paeniphocaeicola*: A genus related to but distinct from the existing genus Phocaeicola of almost.

Paeniphocoenobacter

L. nan adverb *paene*, almost; L. masc. n. *Phocoenobacter*, An existing genus; *Paeniphocoenobacter*: A genus related to but distinct from the existing genus Phocoenobacter of almost.

Paeniphorcysia

L. nan adverb *paene*, almost; L. fem. n. *Phorcysia*, An existing genus; *Paeniphorcysia*: A genus related to but distinct from the existing genus Phorcysia of almost.

Paeniphotobacterium

L. nan adverb *paene*, almost; L. neut. n. *Photobacterium*, An existing genus; *Paeniphotobacterium*: A genus related to but distinct from the existing genus Photobacterium of almost.

Paeniphotorhabdus

L. nan adverb *paene*, almost; L. fem. n. *Photorhabdus*, An existing genus; *Paeniphotorhabdus*: A genus related to but distinct from the existing genus Photorhabdus of almost.

Paeniphragmitibacter

L. nan adverb *paene*, almost; L. masc. n. *Phragmitibacter*, An existing genus; *Paeniphragmitibacter*: A genus related to but distinct from the existing genus Phragmitibacter of almost.

Paeniphreatobacter

L. nan adverb *paene*, almost; L. masc. n. *Phreatobacter*, An existing genus; *Paeniphreatobacter*: A genus related to but distinct from the existing genus Phreatobacter of almost.

Paeniphycicoccus

L. nan adverb *paene*, almost; L. masc. n. *Phycicoccus*, An existing genus; *Paeniphycicoccus*: A genus related to but distinct from the existing genus Phycicoccus of almost.

Paeniphycicola

L. nan adverb *paene*, almost; L. masc. n. *Phycicola*, An existing genus; *Paeniphycicola*: A genus related to but distinct from the existing genus Phycicola of almost.

Paeniphycisphaera

L. nan adverb *paene*, almost; L. fem. n. *Phycisphaera*, An existing genus; *Paeniphycisphaera*: A genus related to but distinct from the existing genus Phycisphaera of almost.

Paeniphycocomes

L. nan adverb *paene*, almost; L. masc. n. *Phycocomes*, An existing genus; *Paeniphycocomes*: A genus related to but distinct from the existing genus Phycocomes of almost.

Paeniphyllonema

L. nan adverb *paene*, almost; L. neut. n. *Phyllonema*, An existing genus; *Paeniphyllonema*: A genus related to but distinct from the existing genus Phyllonema of almost.

Paeniphytoactinopolyspora

L. nan adverb *paene*, almost; L. fem. n. *Phytoactinopolyspora*, An existing genus; *Paeniphytoactinopolyspora*: A genus related to but distinct from the existing genus Phytoactinopolyspora of almost.

Paeniphytobacter

L. nan adverb *paene*, almost; L. masc. n. *Phytobacter*, An existing genus; *Paeniphytobacter*: A genus related to but distinct from the existing genus Phytobacter of almost.

Paeniphytohabitans

L. nan adverb *paene*, almost; L. masc. n. *Phytohabitans*, An existing genus; *Paeniphytohabitans*: A genus related to but distinct from the existing genus Phytohabitans of almost.

Paeniphytohalomonas

L. nan adverb *paene*, almost; L. fem. n. *Phytohalomonas*, An existing genus; *Paeniphytohalomonas*: A genus related to but distinct from the existing genus Phytohalomonas of almost.

Paeniphytomonospora

L. nan adverb *paene*, almost; L. fem. n. *Phytomonospora*, An existing genus; *Paeniphytomonospora*: A genus related to but distinct from the existing genus Phytomonospora of almost.

Paenipibocella

L. nan adverb *paene*, almost; L. fem. dim. n. *Pibocella*, An existing genus; *Paenipibocella*: A genus related to but distinct from the existing genus Pibocella of almost.

Paenipicrophilus

L. nan adverb *paene*, almost; L. masc. n. *Picrophilus*, An existing genus; *Paenipicrophilus*: A genus related to but distinct from the existing genus Picrophilus of almost.

Paenipiezobacter

L. nan adverb *paene*, almost; L. masc. n. *Piezobacter*, An existing genus; *Paenipiezobacter*: A genus related to but distinct from the existing genus Piezobacter of almost.

Paenipigmentiphaga

L. nan adverb *paene*, almost; L. fem. n. *Pigmentiphaga*, An existing genus; *Paenipigmentiphaga*: A genus related to but distinct from the existing genus Pigmentiphaga of almost.

Paenipilibacter

L. nan adverb *paene*, almost; L. masc. n. *Pilibacter*, An existing genus; *Paenipilibacter*: A genus related to but distinct from the existing genus Pilibacter of almost.

Paenipilimelia

L. nan adverb *paene*, almost; L. fem. n. *Pilimelia*, An existing genus; *Paenipilimelia*: A genus related to but distinct from the existing genus Pilimelia of almost.

Paenipillotina

L. nan adverb *paene*, almost; L. fem. n. *Pillotina*, An existing genus; *Paenipillotina*: A genus related to but distinct from the existing genus Pillotina of almost.

Paenipimelobacter

L. nan adverb *paene*, almost; L. masc. n. *Pimelobacter*, An existing genus; *Paenipimelobacter*: A genus related to but distinct from the existing genus Pimelobacter of almost.

Paenipinisolibacter

L. nan adverb *paene*, almost; L. masc. n. *Pinisolibacter*, An existing genus; *Paenipinisolibacter*: A genus related to but distinct from the existing genus Pinisolibacter of almost.

Paenipinocchia

L. nan adverb *paene*, almost; L. fem. n. *Pinocchia*, An existing genus; *Paenipinocchia*: A genus related to but distinct from the existing genus Pinocchia of almost.

Paenipirella

L. nan adverb *paene*, almost; L. fem. dim. n. *Pirella*, An existing genus; *Paenipirella*: A genus related to but distinct from the existing genus Pirella of almost.

Paenipirellula

L. nan adverb *paene*, almost; L. fem. dim. n. *Pirellula*, An existing genus; *Paenipirellula*: A genus related to but distinct from the existing genus Pirellula of almost.

Paenipiscicoccus

L. nan adverb *paene*, almost; L. masc. n. *Piscicoccus*, An existing genus; *Paenipiscicoccus*: A genus related to but distinct from the existing genus Piscicoccus of almost.

Paenipisciglobus

L. nan adverb *paene*, almost; L. masc. n. *Pisciglobus*, An existing genus; *Paenipisciglobus*: A genus related to but distinct from the existing genus Pisciglobus of almost.

Paenipiscinibacter

L. nan adverb *paene*, almost; L. masc. n. *Piscinibacter*, An existing genus; *Paenipiscinibacter*: A genus related to but distinct from the existing genus Piscinibacter of almost.

Paenipiscirickettsia

L. nan adverb *paene*, almost; L. fem. n. *Piscirickettsia*, An existing genus; *Paenipiscirickettsia*: A genus related to but distinct from the existing genus Piscirickettsia of almost.

Paenipistricoccus

L. nan adverb *paene*, almost; L. masc. n. *Pistricoccus*, An existing genus; *Paenipistricoccus*: A genus related to but distinct from the existing genus Pistricoccus of almost.

Paeniplanctobacterium

L. nan adverb *paene*, almost; L. neut. n. *Planctobacterium*, An existing genus; *Paeniplanctobacterium*: A genus related to but distinct from the existing genus Planctobacterium of almost.

Paeniplanctomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Planctomicrobium*, An existing genus; *Paeniplanctomicrobium*: A genus related to but distinct from the existing genus Planctomicrobium of almost.

Paeniplanctomonas

L. nan adverb *paene*, almost; L. fem. n. *Planctomonas*, An existing genus; *Paeniplanctomonas*: A genus related to but distinct from the existing genus Planctomonas of almost.

Paeniplanctomyces

L. nan adverb *paene*, almost; L. masc. n. *Planctomyces*, An existing genus; *Paeniplanctomyces*: A genus related to but distinct from the existing genus Planctomyces of almost.

Paeniplanctopirus

L. nan adverb *paene*, almost; L. fem. n. *Planctopirus*, An existing genus; *Paeniplanctopirus*: A genus related to but distinct from the existing genus Planctopirus of almost.

Paeniplanifilum

L. nan adverb *paene*, almost; L. neut. n. *Planifilum*, An existing genus; *Paeniplanifilum*: A genus related to but distinct from the existing genus Planifilum of almost.

Paeniplanktomarina

L. nan adverb *paene*, almost; L. fem. n. *Planktomarina*, An existing genus; *Paeniplanktomarina*: A genus related to but distinct from the existing genus Planktomarina of almost.

Paeniplanktosalinus

L. nan adverb *paene*, almost; L. masc. n. *Planktosalinus*, An existing genus; *Paeniplanktosalinus*: A genus related to but distinct from the existing genus Planktosalinus of almost.

Paeniplanktotalea

L. nan adverb *paene*, almost; L. fem. n. *Planktotalea*, An existing genus; *Paeniplanktotalea*: A genus related to but distinct from the existing genus Planktotalea of almost.

Paeniplanktothrix

L. nan adverb *paene*, almost; L. fem. n. *Planktothrix*, An existing genus; *Paeniplanktothrix*: A genus related to but distinct from the existing genus Planktothrix of almost.

Paeniplanobacterium

L. nan adverb *paene*, almost; L. neut. n. *Planobacterium*, An existing genus; *Paeniplanobacterium*: A genus related to but distinct from the existing genus Planobacterium of almost.

Paeniplanobispora

L. nan adverb *paene*, almost; L. fem. n. *Planobispora*, An existing genus; *Paeniplanobispora*: A genus related to but distinct from the existing genus Planobispora of almost.

Paeniplanococcus

L. nan adverb *paene*, almost; L. masc. n. *Planococcus*, An existing genus; *Paeniplanococcus*: A genus related to but distinct from the existing genus Planococcus of almost.

Paeniplanomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Planomicrobium*, An existing genus; *Paeniplanomicrobium*: A genus related to but distinct from the existing genus Planomicrobium of almost.

Paeniplanomonospora

L. nan adverb *paene*, almost; L. fem. n. *Planomonospora*, An existing genus; *Paeniplanomonospora*: A genus related to but distinct from the existing genus Planomonospora of almost.

Paeniplanopolyspora

L. nan adverb *paene*, almost; L. fem. n. *Planopolyspora*, An existing genus; *Paeniplanopolyspora*: A genus related to but distinct from the existing genus Planopolyspora of almost.

Paeniplanosporangium

L. nan adverb *paene*, almost; L. neut. n. *Planosporangium*, An existing genus; *Paeniplanosporangium*: A genus related to but distinct from the existing genus Planosporangium of almost.

Paeniplanotetraspora

L. nan adverb *paene*, almost; L. fem. n. *Planotetraspora*, An existing genus; *Paeniplanotetraspora*: A genus related to but distinct from the existing genus Planotetraspora of almost.

Paeniplantactinospora

L. nan adverb *paene*, almost; L. fem. n. *Plantactinospora*, An existing genus; *Paeniplantactinospora*: A genus related to but distinct from the existing genus Plantactinospora of almost.

Paeniplastorhodobacter

L. nan adverb *paene*, almost; L. masc. n. *Plastorhodobacter*, An existing genus; *Paeniplastorhodobacter*: A genus related to but distinct from the existing genus Plastorhodobacter of almost.

Paenipleionea

L. nan adverb *paene*, almost; L. fem. n. *Pleionea*, An existing genus; *Paenipleionea*: A genus related to but distinct from the existing genus Pleionea of almost.

Paenipleomorphobacterium

L. nan adverb *paene*, almost; L. neut. n. *Pleomorphobacterium*, An existing genus; *Paenipleomorphobacterium*: A genus related to but distinct from the existing genus Pleomorphobacterium of almost.

Paenipleomorphochaeta

L. nan adverb *paene*, almost; L. fem. n. *Pleomorphochaeta*, An existing genus; *Paenipleomorphochaeta*: A genus related to but distinct from the existing genus Pleomorphochaeta of almost.

Paenipleomorphomonas

L. nan adverb *paene*, almost; L. fem. n. *Pleomorphomonas*, An existing genus; *Paenipleomorphomonas*: A genus related to but distinct from the existing genus Pleomorphomonas of almost.

Paenipleomorphovibrio

L. nan adverb *paene*, almost; L. masc. n. *Pleomorphovibrio*, An existing genus; *Paenipleomorphovibrio*: A genus related to but distinct from the existing genus Pleomorphovibrio of almost.

Paeniplesiocystis

L. nan adverb *paene*, almost; L. fem. n. *Plesiocystis*, An existing genus; *Paeniplesiocystis*: A genus related to but distinct from the existing genus Plesiocystis of almost.

Paeniplesiomonas

L. nan adverb *paene*, almost; L. fem. n. *Plesiomonas*, An existing genus; *Paeniplesiomonas*: A genus related to but distinct from the existing genus Plesiomonas of almost.

Paenipleurocapsa

L. nan adverb *paene*, almost; L. fem. n. *Pleurocapsa*, An existing genus; *Paenipleurocapsa*: A genus related to but distinct from the existing genus Pleurocapsa of almost.

Paenipluralibacter

L. nan adverb *paene*, almost; L. masc. n. *Pluralibacter*, An existing genus; *Paenipluralibacter*: A genus related to but distinct from the existing genus Pluralibacter of almost.

Paenipokkaliibacter

L. nan adverb *paene*, almost; L. masc. n. *Pokkaliibacter*, An existing genus; *Paenipokkaliibacter*: A genus related to but distinct from the existing genus Pokkaliibacter of almost.

Paenipolaribacter

L. nan adverb *paene*, almost; L. masc. n. *Polaribacter*, An existing genus; *Paenipolaribacter*: A genus related to but distinct from the existing genus Polaribacter of almost.

Paenipolaromonas

L. nan adverb *paene*, almost; L. fem. n. *Polaromonas*, An existing genus; *Paenipolaromonas*: A genus related to but distinct from the existing genus Polaromonas of almost.

Paenipolyangium

L. nan adverb *paene*, almost; L. neut. n. *Polyangium*, An existing genus; *Paenipolyangium*: A genus related to but distinct from the existing genus Polyangium of almost.

Paenipolycladidibacter

L. nan adverb *paene*, almost; L. masc. n. *Polycladidibacter*, An existing genus; *Paenipolycladidibacter*: A genus related to but distinct from the existing genus Polycladidibacter of almost.

Paenipolycladomyces

L. nan adverb *paene*, almost; L. masc. n. *Polycladomyces*, An existing genus; *Paenipolycladomyces*: A genus related to but distinct from the existing genus Polycladomyces of almost.

Paenipolycyclovorans

L. nan adverb *paene*, almost; L. masc. n. *Polycyclovorans*, An existing genus; *Paenipolycyclovorans*: A genus related to but distinct from the existing genus Polycyclovorans of almost.

Paenipolygonibacillus

L. nan adverb *paene*, almost; L. masc. n. *Polygonibacillus*, An existing genus; *Paenipolygonibacillus*: A genus related to but distinct from the existing genus Polygonibacillus of almost.

Paenipolymorphospora

L. nan adverb *paene*, almost; L. fem. n. *Polymorphospora*, An existing genus; *Paenipolymorphospora*: A genus related to but distinct from the existing genus Polymorphospora of almost.

Paenipolymorphum

L. nan adverb *paene*, almost; L. neut. n. *Polymorphum*, An existing genus; *Paenipolymorphum*: A genus related to but distinct from the existing genus Polymorphum of almost.

Paenipolynucleobacter

L. nan adverb *paene*, almost; L. masc. n. *Polynucleobacter*, An existing genus; *Paenipolynucleobacter*: A genus related to but distinct from the existing genus Polynucleobacter of almost.

Paenipolystyrenella

L. nan adverb *paene*, almost; L. fem. dim. n. *Polystyrenella*, An existing genus; *Paenipolystyrenella*: A genus related to but distinct from the existing genus Polystyrenella of almost.

Paenipontibaca

L. nan adverb *paene*, almost; L. fem. n. *Pontibaca*, An existing genus; *Paenipontibaca*: A genus related to but distinct from the existing genus Pontibaca of almost.

Paenipontibacillus

L. nan adverb *paene*, almost; L. masc. n. *Pontibacillus*, An existing genus; *Paenipontibacillus*: A genus related to but distinct from the existing genus Pontibacillus of almost.

Paenipontibacter

L. nan adverb *paene*, almost; L. masc. n. *Pontibacter*, An existing genus; *Paenipontibacter*: A genus related to but distinct from the existing genus Pontibacter of almost.

Paenipontibacterium

L. nan adverb *paene*, almost; L. neut. n. *Pontibacterium*, An existing genus; *Paenipontibacterium*: A genus related to but distinct from the existing genus Pontibacterium of almost.

Paeniponticaulis

L. nan adverb *paene*, almost; L. masc. n. *Ponticaulis*, An existing genus; *Paeniponticaulis*: A genus related to but distinct from the existing genus Ponticaulis of almost.

Paeniponticoccus

L. nan adverb *paene*, almost; L. masc. n. *Ponticoccus*, An existing genus; *Paeniponticoccus*: A genus related to but distinct from the existing genus Ponticoccus of almost.

Paenipontimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Pontimicrobium*, An existing genus; *Paenipontimicrobium*: A genus related to but distinct from the existing genus Pontimicrobium of almost.

Paenipontimonas

L. nan adverb *paene*, almost; L. fem. n. *Pontimonas*, An existing genus; *Paenipontimonas*: A genus related to but distinct from the existing genus Pontimonas of almost.

Paenipontirhabdus

L. nan adverb *paene*, almost; L. fem. n. *Pontirhabdus*, An existing genus; *Paenipontirhabdus*: A genus related to but distinct from the existing genus Pontirhabdus of almost.

Paenipopulibacter

L. nan adverb *paene*, almost; L. masc. n. *Populibacter*, An existing genus; *Paenipopulibacter*: A genus related to but distinct from the existing genus Populibacter of almost.

Paenipopulibacterium

L. nan adverb *paene*, almost; L. neut. n. *Populibacterium*, An existing genus; *Paenipopulibacterium*: A genus related to but distinct from the existing genus Populibacterium of almost.

Paeniporifericola

L. nan adverb *paene*, almost; L. masc. n. *Porifericola*, An existing genus; *Paeniporifericola*: A genus related to but distinct from the existing genus Porifericola of almost.

Paeniporphyrobacter

L. nan adverb *paene*, almost; L. masc. n. *Porphyrobacter*, An existing genus; *Paeniporphyrobacter*: A genus related to but distinct from the existing genus Porphyrobacter of almost.

Paeniporphyromonas

L. nan adverb *paene*, almost; L. fem. n. *Porphyromonas*, An existing genus; *Paeniporphyromonas*: A genus related to but distinct from the existing genus Porphyromonas of almost.

Paeniportibacter

L. nan adverb *paene*, almost; L. masc. n. *Portibacter*, An existing genus; *Paeniportibacter*: A genus related to but distinct from the existing genus Portibacter of almost.

Paeniporticoccus

L. nan adverb *paene*, almost; L. masc. n. *Porticoccus*, An existing genus; *Paeniporticoccus*: A genus related to but distinct from the existing genus Porticoccus of almost.

Paeniposeidonibacter

L. nan adverb *paene*, almost; L. masc. n. *Poseidonibacter*, An existing genus; *Paeniposeidonibacter*: A genus related to but distinct from the existing genus Poseidonibacter of almost.

Paeniposeidonocella

L. nan adverb *paene*, almost; L. fem. n. *Poseidonocella*, An existing genus; *Paeniposeidonocella*: A genus related to but distinct from the existing genus Poseidonocella of almost.

Paenipostechiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Postechiella*, An existing genus; *Paenipostechiella*: A genus related to but distinct from the existing genus Postechiella of almost.

Paenipotamolinea

L. nan adverb *paene*, almost; L. fem. n. *Potamolinea*, An existing genus; *Paenipotamolinea*: A genus related to but distinct from the existing genus Potamolinea of almost.

Paenipotamosiphon

L. nan adverb *paene*, almost; L. masc. n. *Potamosiphon*, An existing genus; *Paenipotamosiphon*: A genus related to but distinct from the existing genus Potamosiphon of almost.

Paenipovalibacter

L. nan adverb *paene*, almost; L. masc. n. *Povalibacter*, An existing genus; *Paenipovalibacter*: A genus related to but distinct from the existing genus Povalibacter of almost.

Paenipradoshia

L. nan adverb *paene*, almost; L. fem. n. *Pradoshia*, An existing genus; *Paenipradoshia*: A genus related to but distinct from the existing genus Pradoshia of almost.

Paenipragia

L. nan adverb *paene*, almost; L. fem. n. *Pragia*, An existing genus; *Paenipragia*: A genus related to but distinct from the existing genus Pragia of almost.

Paeniprauserella

L. nan adverb *paene*, almost; L. fem. dim. n. *Prauserella*, An existing genus; *Paeniprauserella*: A genus related to but distinct from the existing genus Prauserella of almost.

Paenipreeria

L. nan adverb *paene*, almost; L. fem. n. *Preeria*, An existing genus; *Paenipreeria*: A genus related to but distinct from the existing genus Preeria of almost.

Paeniprescottella

L. nan adverb *paene*, almost; L. fem. dim. n. *Prescottella*, An existing genus; *Paeniprescottella*: A genus related to but distinct from the existing genus Prescottella of almost.

Paeniprevotella

L. nan adverb *paene*, almost; L. fem. dim. n. *Prevotella*, An existing genus; *Paeniprevotella*: A genus related to but distinct from the existing genus Prevotella of almost.

Paenipricia

L. nan adverb *paene*, almost; L. fem. n. *Pricia*, An existing genus; *Paenipricia*: A genus related to but distinct from the existing genus Pricia of almost.

Paeniprimorskyibacter

L. nan adverb *paene*, almost; L. masc. n. *Primorskyibacter*, An existing genus; *Paeniprimorskyibacter*: A genus related to but distinct from the existing genus Primorskyibacter of almost.

Paeniprochlorococcus

L. nan adverb *paene*, almost; L. masc. n. *Prochlorococcus*, An existing genus; *Paeniprochlorococcus*: A genus related to but distinct from the existing genus Prochlorococcus of almost.

Paeniprochloron

L. nan adverb *paene*, almost; L. neut. n. *Prochloron*, An existing genus; *Paeniprochloron*: A genus related to but distinct from the existing genus Prochloron of almost.

Paeniprochlorothrix

L. nan adverb *paene*, almost; L. fem. n. *Prochlorothrix*, An existing genus; *Paeniprochlorothrix*: A genus related to but distinct from the existing genus Prochlorothrix of almost.

Paeniprofundibacter

L. nan adverb *paene*, almost; L. masc. n. *Profundibacter*, An existing genus; *Paeniprofundibacter*: A genus related to but distinct from the existing genus Profundibacter of almost.

Paeniprofundibacterium

L. nan adverb *paene*, almost; L. neut. n. *Profundibacterium*, An existing genus; *Paeniprofundibacterium*: A genus related to but distinct from the existing genus Profundibacterium of almost.

Paeniprofundimonas

L. nan adverb *paene*, almost; L. fem. n. *Profundimonas*, An existing genus; *Paeniprofundimonas*: A genus related to but distinct from the existing genus Profundimonas of almost.

Paeniprolinoborus

L. nan adverb *paene*, almost; L. masc. n. *Prolinoborus*, An existing genus; *Paeniprolinoborus*: A genus related to but distinct from the existing genus Prolinoborus of almost.

Paeniprolixibacter

L. nan adverb *paene*, almost; L. masc. n. *Prolixibacter*, An existing genus; *Paeniprolixibacter*: A genus related to but distinct from the existing genus Prolixibacter of almost.

Paenipromicromonospora

L. nan adverb *paene*, almost; L. fem. n. *Promicromonospora*, An existing genus; *Paenipromicromonospora*: A genus related to but distinct from the existing genus Promicromonospora of almost.

Paenipropionibacterium

L. nan adverb *paene*, almost; L. neut. n. *Propionibacterium*, An existing genus; *Paenipropionibacterium*: A genus related to but distinct from the existing genus Propionibacterium of almost.

Paenipropionicicella

L. nan adverb *paene*, almost; L. fem. n. *Propionicicella*, An existing genus; *Paenipropionicicella*: A genus related to but distinct from the existing genus Propionicicella of almost.

Paenipropioniferax

L. nan adverb *paene*, almost; L. fem. n. *Propioniferax*, An existing genus; *Paenipropioniferax*: A genus related to but distinct from the existing genus Propioniferax of almost.

Paenipropionigenium

L. nan adverb *paene*, almost; L. neut. n. *Propionigenium*, An existing genus; *Paenipropionigenium*: A genus related to but distinct from the existing genus Propionigenium of almost.

Paenipropionimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Propionimicrobium*, An existing genus; *Paenipropionimicrobium*: A genus related to but distinct from the existing genus Propionimicrobium of almost.

Paenipropionispora

L. nan adverb *paene*, almost; L. fem. n. *Propionispora*, An existing genus; *Paenipropionispora*: A genus related to but distinct from the existing genus Propionispora of almost.

Paenipropionivibrio

L. nan adverb *paene*, almost; L. masc. n. *Propionivibrio*, An existing genus; *Paenipropionivibrio*: A genus related to but distinct from the existing genus Propionivibrio of almost.

Paeniprosthecobacter

L. nan adverb *paene*, almost; L. masc. n. *Prosthecobacter*, An existing genus; *Paeniprosthecobacter*: A genus related to but distinct from the existing genus Prosthecobacter of almost.

Paeniprosthecochloris

L. nan adverb *paene*, almost; L. fem. n. *Prosthecochloris*, An existing genus; *Paeniprosthecochloris*: A genus related to but distinct from the existing genus Prosthecochloris of almost.

Paeniprosthecomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Prosthecomicrobium*, An existing genus; *Paeniprosthecomicrobium*: A genus related to but distinct from the existing genus Prosthecomicrobium of almost.

Paeniprotaetiibacter

L. nan adverb *paene*, almost; L. masc. n. *Protaetiibacter*, An existing genus; *Paeniprotaetiibacter*: A genus related to but distinct from the existing genus Protaetiibacter of almost.

Paeniproteiniborus

L. nan adverb *paene*, almost; L. masc. n. *Proteiniborus*, An existing genus; *Paeniproteiniborus*: A genus related to but distinct from the existing genus Proteiniborus of almost.

Paeniproteiniclasticum

L. nan adverb *paene*, almost; L. neut. n. *Proteiniclasticum*, An existing genus; *Paeniproteiniclasticum*: A genus related to but distinct from the existing genus Proteiniclasticum of almost.

Paeniproteiniphilum

L. nan adverb *paene*, almost; L. neut. n. *Proteiniphilum*, An existing genus; *Paeniproteiniphilum*: A genus related to but distinct from the existing genus Proteiniphilum of almost.

Paeniproteinivorax

L. nan adverb *paene*, almost; L. neut. n. *Proteinivorax*, An existing genus; *Paeniproteinivorax*: A genus related to but distinct from the existing genus Proteinivorax of almost.

Paeniproteocatella

L. nan adverb *paene*, almost; L. fem. dim. n. *Proteocatella*, An existing genus; *Paeniproteocatella*: A genus related to but distinct from the existing genus Proteocatella of almost.

Paeniprotomonas

L. nan adverb *paene*, almost; L. fem. n. *Protomonas*, An existing genus; *Paeniprotomonas*: A genus related to but distinct from the existing genus Protomonas of almost.

Paeniprovencibacterium

L. nan adverb *paene*, almost; L. neut. n. *Provencibacterium*, An existing genus; *Paeniprovencibacterium*: A genus related to but distinct from the existing genus Provencibacterium of almost.

Paeniprovidencia

L. nan adverb *paene*, almost; L. fem. n. *Providencia*, An existing genus; *Paeniprovidencia*: A genus related to but distinct from the existing genus Providencia of almost.

Paenipseudacidovorax

L. nan adverb *paene*, almost; L. masc. n. *Pseudacidovorax*, An existing genus; *Paenipseudacidovorax*: A genus related to but distinct from the existing genus Pseudacidovorax of almost.

Paenipseudactinotalea

L. nan adverb *paene*, almost; L. fem. n. *Pseudactinotalea*, An existing genus; *Paenipseudactinotalea*: A genus related to but distinct from the existing genus Pseudactinotalea of almost.

Paenipseudaeromonas

L. nan adverb *paene*, almost; L. fem. n. *Pseudaeromonas*, An existing genus; *Paenipseudaeromonas*: A genus related to but distinct from the existing genus Pseudaeromonas of almost.

Paenipseudaestuariivita

L. nan adverb *paene*, almost; L. fem. n. *Pseudaestuariivita*, An existing genus; *Paenipseudaestuariivita*: A genus related to but distinct from the existing genus Pseudaestuariivita of almost.

Paenipseudahrensia

L. nan adverb *paene*, almost; L. fem. n. *Pseudahrensia*, An existing genus; *Paenipseudahrensia*: A genus related to but distinct from the existing genus Pseudahrensia of almost.

Paenipseudaminobacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudaminobacter*, An existing genus; *Paenipseudaminobacter*: A genus related to but distinct from the existing genus Pseudaminobacter of almost.

Paenipseudarcicella

L. nan adverb *paene*, almost; L. fem. n. *Pseudarcicella*, An existing genus; *Paenipseudarcicella*: A genus related to but distinct from the existing genus Pseudarcicella of almost.

Paenipseudarthrobacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudarthrobacter*, An existing genus; *Paenipseudarthrobacter*: A genus related to but distinct from the existing genus Pseudarthrobacter of almost.

Paenipseudenhygromyxa

L. nan adverb *paene*, almost; L. fem. n. *Pseudenhygromyxa*, An existing genus; *Paenipseudenhygromyxa*: A genus related to but distinct from the existing genus Pseudenhygromyxa of almost.

Paenipseudescherichia

L. nan adverb *paene*, almost; L. fem. n. *Pseudescherichia*, An existing genus; *Paenipseudescherichia*: A genus related to but distinct from the existing genus Pseudescherichia of almost.

Paenipseudidiomarina

L. nan adverb *paene*, almost; L. fem. n. *Pseudidiomarina*, An existing genus; *Paenipseudidiomarina*: A genus related to but distinct from the existing genus Pseudidiomarina of almost.

Paenipseudoalteromonas

L. nan adverb *paene*, almost; L. fem. n. *Pseudoalteromonas*, An existing genus; *Paenipseudoalteromonas*: A genus related to but distinct from the existing genus Pseudoalteromonas of almost.

Paenipseudoamycolata

L. nan adverb *paene*, almost; L. fem. n. *Pseudoamycolata*, An existing genus; *Paenipseudoamycolata*: A genus related to but distinct from the existing genus Pseudoamycolata of almost.

Paenipseudobacillus

L. nan adverb *paene*, almost; L. masc. n. *Pseudobacillus*, An existing genus; *Paenipseudobacillus*: A genus related to but distinct from the existing genus Pseudobacillus of almost.

Paenipseudobacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudobacter*, An existing genus; *Paenipseudobacter*: A genus related to but distinct from the existing genus Pseudobacter of almost.

Paenipseudobacteriovorax

L. nan adverb *paene*, almost; L. masc. n. *Pseudobacteriovorax*, An existing genus; *Paenipseudobacteriovorax*: A genus related to but distinct from the existing genus Pseudobacteriovorax of almost.

Paenipseudobacteroides

L. nan adverb *paene*, almost; L. masc. n. *Pseudobacteroides*, An existing genus; *Paenipseudobacteroides*: A genus related to but distinct from the existing genus Pseudobacteroides of almost.

Paenipseudobizionia

L. nan adverb *paene*, almost; L. fem. n. *Pseudobizionia*, An existing genus; *Paenipseudobizionia*: A genus related to but distinct from the existing genus Pseudobizionia of almost.

Paenipseudobowmanella

L. nan adverb *paene*, almost; L. fem. dim. n. *Pseudobowmanella*, An existing genus; *Paenipseudobowmanella*: A genus related to but distinct from the existing genus Pseudobowmanella of almost.

Paenipseudobutyrivibrio

L. nan adverb *paene*, almost; L. masc. n. *Pseudobutyrivibrio*, An existing genus; *Paenipseudobutyrivibrio*: A genus related to but distinct from the existing genus Pseudobutyrivibrio of almost.

Paenipseudocaedibacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudocaedibacter*, An existing genus; *Paenipseudocaedibacter*: A genus related to but distinct from the existing genus Pseudocaedibacter of almost.

Paenipseudochelatococcus

L. nan adverb *paene*, almost; L. masc. n. *Pseudochelatococcus*, An existing genus; *Paenipseudochelatococcus*: A genus related to but distinct from the existing genus Pseudochelatococcus of almost.

Paenipseudochrobactrum

L. nan adverb *paene*, almost; L. neut. n. *Pseudochrobactrum*, An existing genus; *Paenipseudochrobactrum*: A genus related to but distinct from the existing genus Pseudochrobactrum of almost.

Paenipseudocitrobacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudocitrobacter*, An existing genus; *Paenipseudocitrobacter*: A genus related to but distinct from the existing genus Pseudocitrobacter of almost.

Paenipseudoclavibacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudoclavibacter*, An existing genus; *Paenipseudoclavibacter*: A genus related to but distinct from the existing genus Pseudoclavibacter of almost.

Paenipseudoclostridium

L. nan adverb *paene*, almost; L. neut. dim. n. *Pseudoclostridium*, An existing genus; *Paenipseudoclostridium*: A genus related to but distinct from the existing genus Pseudoclostridium of almost.

Paenipseudocolwellia

L. nan adverb *paene*, almost; L. fem. n. *Pseudocolwellia*, An existing genus; *Paenipseudocolwellia*: A genus related to but distinct from the existing genus Pseudocolwellia of almost.

Paenipseudodesulfovibrio

L. nan adverb *paene*, almost; L. masc. n. *Pseudodesulfovibrio*, An existing genus; *Paenipseudodesulfovibrio*: A genus related to but distinct from the existing genus Pseudodesulfovibrio of almost.

Paenipseudodonghicola

L. nan adverb *paene*, almost; L. masc. n. *Pseudodonghicola*, An existing genus; *Paenipseudodonghicola*: A genus related to but distinct from the existing genus Pseudodonghicola of almost.

Paenipseudoduganella

L. nan adverb *paene*, almost; L. fem. dim. n. *Pseudoduganella*, An existing genus; *Paenipseudoduganella*: A genus related to but distinct from the existing genus Pseudoduganella of almost.

Paenipseudoflavitalea

L. nan adverb *paene*, almost; L. fem. n. *Pseudoflavitalea*, An existing genus; *Paenipseudoflavitalea*: A genus related to but distinct from the existing genus Pseudoflavitalea of almost.

Paenipseudoflavonifractor

L. nan adverb *paene*, almost; L. masc. n. *Pseudoflavonifractor*, An existing genus; *Paenipseudoflavonifractor*: A genus related to but distinct from the existing genus Pseudoflavonifractor of almost.

Paenipseudofrancisella

L. nan adverb *paene*, almost; L. fem. dim. n. *Pseudofrancisella*, An existing genus; *Paenipseudofrancisella*: A genus related to but distinct from the existing genus Pseudofrancisella of almost.

Paenipseudofulvibacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudofulvibacter*, An existing genus; *Paenipseudofulvibacter*: A genus related to but distinct from the existing genus Pseudofulvibacter of almost.

Paenipseudofulvimonas

L. nan adverb *paene*, almost; L. fem. n. *Pseudofulvimonas*, An existing genus; *Paenipseudofulvimonas*: A genus related to but distinct from the existing genus Pseudofulvimonas of almost.

Paenipseudogemmobacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudogemmobacter*, An existing genus; *Paenipseudogemmobacter*: A genus related to but distinct from the existing genus Pseudogemmobacter of almost.

Paenipseudoglutamicibacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudoglutamicibacter*, An existing genus; *Paenipseudoglutamicibacter*: A genus related to but distinct from the existing genus Pseudoglutamicibacter of almost.

Paenipseudogracilibacillus

L. nan adverb *paene*, almost; L. masc. n. *Pseudogracilibacillus*, An existing genus; *Paenipseudogracilibacillus*: A genus related to but distinct from the existing genus Pseudogracilibacillus of almost.

Paenipseudogulbenkiania

L. nan adverb *paene*, almost; L. fem. n. *Pseudogulbenkiania*, An existing genus; *Paenipseudogulbenkiania*: A genus related to but distinct from the existing genus Pseudogulbenkiania of almost.

Paenipseudohaliea

L. nan adverb *paene*, almost; L. fem. n. *Pseudohaliea*, An existing genus; *Paenipseudohaliea*: A genus related to but distinct from the existing genus Pseudohaliea of almost.

Paenipseudohalioglobus

L. nan adverb *paene*, almost; L. masc. n. *Pseudohalioglobus*, An existing genus; *Paenipseudohalioglobus*: A genus related to but distinct from the existing genus Pseudohalioglobus of almost.

Paenipseudohalocynthiibacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudohalocynthiibacter*, An existing genus; *Paenipseudohalocynthiibacter*: A genus related to but distinct from the existing genus Pseudohalocynthiibacter of almost.

Paenipseudohoeflea

L. nan adverb *paene*, almost; L. fem. n. *Pseudohoeflea*, An existing genus; *Paenipseudohoeflea*: A genus related to but distinct from the existing genus Pseudohoeflea of almost.

Paenipseudohongiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Pseudohongiella*, An existing genus; *Paenipseudohongiella*: A genus related to but distinct from the existing genus Pseudohongiella of almost.

Paenipseudokineococcus

L. nan adverb *paene*, almost; L. masc. n. *Pseudokineococcus*, An existing genus; *Paenipseudokineococcus*: A genus related to but distinct from the existing genus Pseudokineococcus of almost.

Paenipseudolabrys

L. nan adverb *paene*, almost; L. masc. n. *Pseudolabrys*, An existing genus; *Paenipseudolabrys*: A genus related to but distinct from the existing genus Pseudolabrys of almost.

Paenipseudoleptotrichia

L. nan adverb *paene*, almost; L. fem. n. *Pseudoleptotrichia*, An existing genus; *Paenipseudoleptotrichia*: A genus related to but distinct from the existing genus Pseudoleptotrichia of almost.

Paenipseudolysinimonas

L. nan adverb *paene*, almost; L. fem. n. *Pseudolysinimonas*, An existing genus; *Paenipseudolysinimonas*: A genus related to but distinct from the existing genus Pseudolysinimonas of almost.

Paenipseudolysobacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudolysobacter*, An existing genus; *Paenipseudolysobacter*: A genus related to but distinct from the existing genus Pseudolysobacter of almost.

Paenipseudomaribius

L. nan adverb *paene*, almost; L. masc. n. *Pseudomaribius*, An existing genus; *Paenipseudomaribius*: A genus related to but distinct from the existing genus Pseudomaribius of almost.

Paenipseudomaricurvus

L. nan adverb *paene*, almost; L. masc. n. *Pseudomaricurvus*, An existing genus; *Paenipseudomaricurvus*: A genus related to but distinct from the existing genus Pseudomaricurvus of almost.

Paenipseudomethylobacillus

L. nan adverb *paene*, almost; L. masc. n. *Pseudomethylobacillus*, An existing genus; *Paenipseudomethylobacillus*: A genus related to but distinct from the existing genus Pseudomethylobacillus of almost.

Paenipseudomonas

L. nan adverb *paene*, almost; L. fem. n. *Pseudomonas*, An existing genus; *Paenipseudomonas*: A genus related to but distinct from the existing genus Pseudomonas of almost.

Paenipseudonocardia

L. nan adverb *paene*, almost; L. fem. n. *Pseudonocardia*, An existing genus; *Paenipseudonocardia*: A genus related to but distinct from the existing genus Pseudonocardia of almost.

Paenipseudooceanicola

L. nan adverb *paene*, almost; L. masc. n. *Pseudooceanicola*, An existing genus; *Paenipseudooceanicola*: A genus related to but distinct from the existing genus Pseudooceanicola of almost.

Paenipseudooctadecabacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudooctadecabacter*, An existing genus; *Paenipseudooctadecabacter*: A genus related to but distinct from the existing genus Pseudooctadecabacter of almost.

Paenipseudopedobacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudopedobacter*, An existing genus; *Paenipseudopedobacter*: A genus related to but distinct from the existing genus Pseudopedobacter of almost.

Paenipseudopelagicola

L. nan adverb *paene*, almost; L. masc. n. *Pseudopelagicola*, An existing genus; *Paenipseudopelagicola*: A genus related to but distinct from the existing genus Pseudopelagicola of almost.

Paenipseudophaeobacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudophaeobacter*, An existing genus; *Paenipseudophaeobacter*: A genus related to but distinct from the existing genus Pseudophaeobacter of almost.

Paenipseudopropionibacterium

L. nan adverb *paene*, almost; L. neut. n. *Pseudopropionibacterium*, An existing genus; *Paenipseudopropionibacterium*: A genus related to but distinct from the existing genus Pseudopropionibacterium of almost.

Paenipseudopuniceibacterium

L. nan adverb *paene*, almost; L. neut. n. *Pseudopuniceibacterium*, An existing genus; *Paenipseudopuniceibacterium*: A genus related to but distinct from the existing genus Pseudopuniceibacterium of almost.

Paenipseudoramibacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudoramibacter*, An existing genus; *Paenipseudoramibacter*: A genus related to but distinct from the existing genus Pseudoramibacter of almost.

Paenipseudorhizobium

L. nan adverb *paene*, almost; L. neut. n. *Pseudorhizobium*, An existing genus; *Paenipseudorhizobium*: A genus related to but distinct from the existing genus Pseudorhizobium of almost.

Paenipseudorhodobacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudorhodobacter*, An existing genus; *Paenipseudorhodobacter*: A genus related to but distinct from the existing genus Pseudorhodobacter of almost.

Paenipseudorhodoferax

L. nan adverb *paene*, almost; L. masc. n. *Pseudorhodoferax*, An existing genus; *Paenipseudorhodoferax*: A genus related to but distinct from the existing genus Pseudorhodoferax of almost.

Paenipseudorhodoplanes

L. nan adverb *paene*, almost; L. masc. n. *Pseudorhodoplanes*, An existing genus; *Paenipseudorhodoplanes*: A genus related to but distinct from the existing genus Pseudorhodoplanes of almost.

Paenipseudorivibacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudorivibacter*, An existing genus; *Paenipseudorivibacter*: A genus related to but distinct from the existing genus Pseudorivibacter of almost.

Paenipseudoroseicyclus

L. nan adverb *paene*, almost; L. masc. n. *Pseudoroseicyclus*, An existing genus; *Paenipseudoroseicyclus*: A genus related to but distinct from the existing genus Pseudoroseicyclus of almost.

Paenipseudoroseovarius

L. nan adverb *paene*, almost; L. masc. n. *Pseudoroseovarius*, An existing genus; *Paenipseudoroseovarius*: A genus related to but distinct from the existing genus Pseudoroseovarius of almost.

Paenipseudoruegeria

L. nan adverb *paene*, almost; L. fem. n. *Pseudoruegeria*, An existing genus; *Paenipseudoruegeria*: A genus related to but distinct from the existing genus Pseudoruegeria of almost.

Paenipseudoruminococcus

L. nan adverb *paene*, almost; L. masc. n. *Pseudoruminococcus*, An existing genus; *Paenipseudoruminococcus*: A genus related to but distinct from the existing genus Pseudoruminococcus of almost.

Paenipseudoscardovia

L. nan adverb *paene*, almost; L. fem. n. *Pseudoscardovia*, An existing genus; *Paenipseudoscardovia*: A genus related to but distinct from the existing genus Pseudoscardovia of almost.

Paenipseudoseohaeicola

L. nan adverb *paene*, almost; L. masc. n. *Pseudoseohaeicola*, An existing genus; *Paenipseudoseohaeicola*: A genus related to but distinct from the existing genus Pseudoseohaeicola of almost.

Paenipseudosphingobacterium

L. nan adverb *paene*, almost; L. neut. n. *Pseudosphingobacterium*, An existing genus; *Paenipseudosphingobacterium*: A genus related to but distinct from the existing genus Pseudosphingobacterium of almost.

Paenipseudospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Pseudospirillum*, An existing genus; *Paenipseudospirillum*: A genus related to but distinct from the existing genus Pseudospirillum of almost.

Paenipseudosporangium

L. nan adverb *paene*, almost; L. neut. n. *Pseudosporangium*, An existing genus; *Paenipseudosporangium*: A genus related to but distinct from the existing genus Pseudosporangium of almost.

Paenipseudostreptobacillus

L. nan adverb *paene*, almost; L. masc. n. *Pseudostreptobacillus*, An existing genus; *Paenipseudostreptobacillus*: A genus related to but distinct from the existing genus Pseudostreptobacillus of almost.

Paenipseudotenacibaculum

L. nan adverb *paene*, almost; L. neut. n. *Pseudotenacibaculum*, An existing genus; *Paenipseudotenacibaculum*: A genus related to but distinct from the existing genus Pseudotenacibaculum of almost.

Paenipseudoteredinibacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudoteredinibacter*, An existing genus; *Paenipseudoteredinibacter*: A genus related to but distinct from the existing genus Pseudoteredinibacter of almost.

Paenipseudothermotoga

L. nan adverb *paene*, almost; L. fem. n. *Pseudothermotoga*, An existing genus; *Paenipseudothermotoga*: A genus related to but distinct from the existing genus Pseudothermotoga of almost.

Paenipseudothioclava

L. nan adverb *paene*, almost; L. fem. n. *Pseudothioclava*, An existing genus; *Paenipseudothioclava*: A genus related to but distinct from the existing genus Pseudothioclava of almost.

Paenipseudovibrio

L. nan adverb *paene*, almost; L. masc. n. *Pseudovibrio*, An existing genus; *Paenipseudovibrio*: A genus related to but distinct from the existing genus Pseudovibrio of almost.

Paenipseudoxanthobacter

L. nan adverb *paene*, almost; L. masc. n. *Pseudoxanthobacter*, An existing genus; *Paenipseudoxanthobacter*: A genus related to but distinct from the existing genus Pseudoxanthobacter of almost.

Paenipseudoxanthomonas

L. nan adverb *paene*, almost; L. fem. n. *Pseudoxanthomonas*, An existing genus; *Paenipseudoxanthomonas*: A genus related to but distinct from the existing genus Pseudoxanthomonas of almost.

Paenipseudozobellia

L. nan adverb *paene*, almost; L. fem. n. *Pseudozobellia*, An existing genus; *Paenipseudozobellia*: A genus related to but distinct from the existing genus Pseudozobellia of almost.

Paenipsittacicella

L. nan adverb *paene*, almost; L. fem. n. *Psittacicella*, An existing genus; *Paenipsittacicella*: A genus related to but distinct from the existing genus Psittacicella of almost.

Paenipsychrilyobacter

L. nan adverb *paene*, almost; L. masc. n. *Psychrilyobacter*, An existing genus; *Paenipsychrilyobacter*: A genus related to but distinct from the existing genus Psychrilyobacter of almost.

Paenipsychrobacter

L. nan adverb *paene*, almost; L. masc. n. *Psychrobacter*, An existing genus; *Paenipsychrobacter*: A genus related to but distinct from the existing genus Psychrobacter of almost.

Paenipsychrobium

L. nan adverb *paene*, almost; L. neut. n. *Psychrobium*, An existing genus; *Paenipsychrobium*: A genus related to but distinct from the existing genus Psychrobium of almost.

Paenipsychroflexus

L. nan adverb *paene*, almost; L. masc. n. *Psychroflexus*, An existing genus; *Paenipsychroflexus*: A genus related to but distinct from the existing genus Psychroflexus of almost.

Paenipsychroglaciecola

L. nan adverb *paene*, almost; L. fem. n. *Psychroglaciecola*, An existing genus; *Paenipsychroglaciecola*: A genus related to but distinct from the existing genus Psychroglaciecola of almost.

Paenipsychromarinibacter

L. nan adverb *paene*, almost; L. masc. n. *Psychromarinibacter*, An existing genus; *Paenipsychromarinibacter*: A genus related to but distinct from the existing genus Psychromarinibacter of almost.

Paenipsychromicrobium

L. nan adverb *paene*, almost; L. neut. n. *Psychromicrobium*, An existing genus; *Paenipsychromicrobium*: A genus related to but distinct from the existing genus Psychromicrobium of almost.

Paenipsychroserpens

L. nan adverb *paene*, almost; L. masc. n. *Psychroserpens*, An existing genus; *Paenipsychroserpens*: A genus related to but distinct from the existing genus Psychroserpens of almost.

Paenipsychrosinus

L. nan adverb *paene*, almost; L. masc. n. *Psychrosinus*, An existing genus; *Paenipsychrosinus*: A genus related to but distinct from the existing genus Psychrosinus of almost.

Paenipsychrosphaera

L. nan adverb *paene*, almost; L. fem. n. *Psychrosphaera*, An existing genus; *Paenipsychrosphaera*: A genus related to but distinct from the existing genus Psychrosphaera of almost.

Paenipueribacillus

L. nan adverb *paene*, almost; L. masc. n. *Pueribacillus*, An existing genus; *Paenipueribacillus*: A genus related to but distinct from the existing genus Pueribacillus of almost.

Paenipuia

L. nan adverb *paene*, almost; L. fem. n. *Puia*, An existing genus; *Paenipuia*: A genus related to but distinct from the existing genus Puia of almost.

Paenipukyongia

L. nan adverb *paene*, almost; L. fem. n. *Pukyongia*, An existing genus; *Paenipukyongia*: A genus related to but distinct from the existing genus Pukyongia of almost.

Paenipukyongiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Pukyongiella*, An existing genus; *Paenipukyongiella*: A genus related to but distinct from the existing genus Pukyongiella of almost.

Paenipuniceibacterium

L. nan adverb *paene*, almost; L. neut. n. *Puniceibacterium*, An existing genus; *Paenipuniceibacterium*: A genus related to but distinct from the existing genus Puniceibacterium of almost.

Paenipuniceicoccus

L. nan adverb *paene*, almost; L. masc. n. *Puniceicoccus*, An existing genus; *Paenipuniceicoccus*: A genus related to but distinct from the existing genus Puniceicoccus of almost.

Paenipusillimonas

L. nan adverb *paene*, almost; L. fem. n. *Pusillimonas*, An existing genus; *Paenipusillimonas*: A genus related to but distinct from the existing genus Pusillimonas of almost.

Paenipustulibacterium

L. nan adverb *paene*, almost; L. neut. n. *Pustulibacterium*, An existing genus; *Paenipustulibacterium*: A genus related to but distinct from the existing genus Pustulibacterium of almost.

Paeniputridiphycobacter

L. nan adverb *paene*, almost; L. masc. n. *Putridiphycobacter*, An existing genus; *Paeniputridiphycobacter*: A genus related to but distinct from the existing genus Putridiphycobacter of almost.

Paenipuzihella

L. nan adverb *paene*, almost; L. fem. dim. n. *Puzihella*, An existing genus; *Paenipuzihella*: A genus related to but distinct from the existing genus Puzihella of almost.

Paenipycnacronema

L. nan adverb *paene*, almost; L. neut. n. *Pycnacronema*, An existing genus; *Paenipycnacronema*: A genus related to but distinct from the existing genus Pycnacronema of almost.

Paenipyramidobacter

L. nan adverb *paene*, almost; L. masc. n. *Pyramidobacter*, An existing genus; *Paenipyramidobacter*: A genus related to but distinct from the existing genus Pyramidobacter of almost.

Paenipyrinomonas

L. nan adverb *paene*, almost; L. fem. n. *Pyrinomonas*, An existing genus; *Paenipyrinomonas*: A genus related to but distinct from the existing genus Pyrinomonas of almost.

Paenipyrobaculum

L. nan adverb *paene*, almost; L. neut. n. *Pyrobaculum*, An existing genus; *Paenipyrobaculum*: A genus related to but distinct from the existing genus Pyrobaculum of almost.

Paenipyrococcus

L. nan adverb *paene*, almost; L. masc. n. *Pyrococcus*, An existing genus; *Paenipyrococcus*: A genus related to but distinct from the existing genus Pyrococcus of almost.

Paenipyrodictium

L. nan adverb *paene*, almost; L. neut. n. *Pyrodictium*, An existing genus; *Paenipyrodictium*: A genus related to but distinct from the existing genus Pyrodictium of almost.

Paenipyruvatibacter

L. nan adverb *paene*, almost; L. masc. n. *Pyruvatibacter*, An existing genus; *Paenipyruvatibacter*: A genus related to but distinct from the existing genus Pyruvatibacter of almost.

Paenipyxidicoccus

L. nan adverb *paene*, almost; L. masc. n. *Pyxidicoccus*, An existing genus; *Paenipyxidicoccus*: A genus related to but distinct from the existing genus Pyxidicoccus of almost.

Paeniqingshengfania

L. nan adverb *paene*, almost; L. fem. n. *Qingshengfania*, An existing genus; *Paeniqingshengfania*: A genus related to but distinct from the existing genus Qingshengfania of almost.

Paeniqipengyuania

L. nan adverb *paene*, almost; L. fem. n. *Qipengyuania*, An existing genus; *Paeniqipengyuania*: A genus related to but distinct from the existing genus Qipengyuania of almost.

Paeniquadricoccus

L. nan adverb *paene*, almost; L. masc. n. *Quadricoccus*, An existing genus; *Paeniquadricoccus*: A genus related to but distinct from the existing genus Quadricoccus of almost.

Paeniquadrisphaera

L. nan adverb *paene*, almost; L. fem. n. *Quadrisphaera*, An existing genus; *Paeniquadrisphaera*: A genus related to but distinct from the existing genus Quadrisphaera of almost.

Paeniquasibacillus

L. nan adverb *paene*, almost; L. masc. n. *Quasibacillus*, An existing genus; *Paeniquasibacillus*: A genus related to but distinct from the existing genus Quasibacillus of almost.

Paeniquatrionicoccus

L. nan adverb *paene*, almost; L. masc. n. *Quatrionicoccus*, An existing genus; *Paeniquatrionicoccus*: A genus related to but distinct from the existing genus Quatrionicoccus of almost.

Paeniquinella

L. nan adverb *paene*, almost; L. fem. dim. n. *Quinella*, An existing genus; *Paeniquinella*: A genus related to but distinct from the existing genus Quinella of almost.

Paeniracemicystis

L. nan adverb *paene*, almost; L. fem. n. *Racemicystis*, An existing genus; *Paeniracemicystis*: A genus related to but distinct from the existing genus Racemicystis of almost.

Paenirahnella

L. nan adverb *paene*, almost; L. fem. dim. n. *Rahnella*, An existing genus; *Paenirahnella*: A genus related to but distinct from the existing genus Rahnella of almost.

Paenirainеya

L. nan adverb *paene*, almost; L. fem. n. *Raineya*, An existing genus; *Paenirainеya*: A genus related to but distinct from the existing genus Raineya of almost.

Paenirainеyella

L. nan adverb *paene*, almost; L. fem. dim. n. *Raineyella*, An existing genus; *Paenirainеyella*: A genus related to but distinct from the existing genus Raineyella of almost.

Paeniralstonia

L. nan adverb *paene*, almost; L. fem. n. *Ralstonia*, An existing genus; *Paeniralstonia*: A genus related to but distinct from the existing genus Ralstonia of almost.

Paeniramlibacter

L. nan adverb *paene*, almost; L. masc. n. *Ramlibacter*, An existing genus; *Paeniramlibacter*: A genus related to but distinct from the existing genus Ramlibacter of almost.

Paeniramsaria

L. nan adverb *paene*, almost; L. fem. n. *Ramsaria*, An existing genus; *Paeniramsaria*: A genus related to but distinct from the existing genus Ramsaria of almost.

Paeniraoultella

L. nan adverb *paene*, almost; L. fem. dim. n. *Raoultella*, An existing genus; *Paeniraoultella*: A genus related to but distinct from the existing genus Raoultella of almost.

Paenirariglobus

L. nan adverb *paene*, almost; L. masc. n. *Rariglobus*, An existing genus; *Paenirariglobus*: A genus related to but distinct from the existing genus Rariglobus of almost.

Paenirarimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Rarimicrobium*, An existing genus; *Paenirarimicrobium*: A genus related to but distinct from the existing genus Rarimicrobium of almost.

Paenirarobacter

L. nan adverb *paene*, almost; L. masc. n. *Rarobacter*, An existing genus; *Paenirarobacter*: A genus related to but distinct from the existing genus Rarobacter of almost.

Paenirathayibacter

L. nan adverb *paene*, almost; L. masc. n. *Rathayibacter*, An existing genus; *Paenirathayibacter*: A genus related to but distinct from the existing genus Rathayibacter of almost.

Paeniravibacter

L. nan adverb *paene*, almost; L. masc. n. *Ravibacter*, An existing genus; *Paeniravibacter*: A genus related to but distinct from the existing genus Ravibacter of almost.

Paenirectinema

L. nan adverb *paene*, almost; L. neut. n. *Rectinema*, An existing genus; *Paenirectinema*: A genus related to but distinct from the existing genus Rectinema of almost.

Paenirehaibacterium

L. nan adverb *paene*, almost; L. neut. n. *Rehaibacterium*, An existing genus; *Paenirehaibacterium*: A genus related to but distinct from the existing genus Rehaibacterium of almost.

Paenireichenbachia

L. nan adverb *paene*, almost; L. fem. n. *Reichenbachia*, An existing genus; *Paenireichenbachia*: A genus related to but distinct from the existing genus Reichenbachia of almost.

Paenireichenbachiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Reichenbachiella*, An existing genus; *Paenireichenbachiella*: A genus related to but distinct from the existing genus Reichenbachiella of almost.

Paenireinekea

L. nan adverb *paene*, almost; L. fem. n. *Reinekea*, An existing genus; *Paenireinekea*: A genus related to but distinct from the existing genus Reinekea of almost.

Paenirenibacterium

L. nan adverb *paene*, almost; L. neut. n. *Renibacterium*, An existing genus; *Paenirenibacterium*: A genus related to but distinct from the existing genus Renibacterium of almost.

Paenireyranella

L. nan adverb *paene*, almost; L. fem. dim. n. *Reyranella*, An existing genus; *Paenireyranella*: A genus related to but distinct from the existing genus Reyranella of almost.

Paenirhabdaerophilum

L. nan adverb *paene*, almost; L. neut. n. *Rhabdaerophilum*, An existing genus; *Paenirhabdaerophilum*: A genus related to but distinct from the existing genus Rhabdaerophilum of almost.

Paenirhabdanaerobium

L. nan adverb *paene*, almost; L. neut. n. *Rhabdanaerobium*, An existing genus; *Paenirhabdanaerobium*: A genus related to but distinct from the existing genus Rhabdanaerobium of almost.

Paenirhabdobacter

L. nan adverb *paene*, almost; L. masc. n. *Rhabdobacter*, An existing genus; *Paenirhabdobacter*: A genus related to but distinct from the existing genus Rhabdobacter of almost.

Paenirhabdochromatium

L. nan adverb *paene*, almost; L. neut. n. *Rhabdochromatium*, An existing genus; *Paenirhabdochromatium*: A genus related to but distinct from the existing genus Rhabdochromatium of almost.

Paenirheinheimera

L. nan adverb *paene*, almost; L. fem. n. *Rheinheimera*, An existing genus; *Paenirheinheimera*: A genus related to but distinct from the existing genus Rheinheimera of almost.

Paenirhizobium

L. nan adverb *paene*, almost; L. neut. n. *Rhizobium*, An existing genus; *Paenirhizobium*: A genus related to but distinct from the existing genus Rhizobium of almost.

Paenirhizocola

L. nan adverb *paene*, almost; L. masc. n. *Rhizocola*, An existing genus; *Paenirhizocola*: A genus related to but distinct from the existing genus Rhizocola of almost.

Paenirhizomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Rhizomicrobium*, An existing genus; *Paenirhizomicrobium*: A genus related to but distinct from the existing genus Rhizomicrobium of almost.

Paenirhizomonas

L. nan adverb *paene*, almost; L. fem. n. *Rhizomonas*, An existing genus; *Paenirhizomonas*: A genus related to but distinct from the existing genus Rhizomonas of almost.

Paenirhizorhabdus

L. nan adverb *paene*, almost; L. fem. n. *Rhizorhabdus*, An existing genus; *Paenirhizorhabdus*: A genus related to but distinct from the existing genus Rhizorhabdus of almost.

Paenirhizorhapis

L. nan adverb *paene*, almost; L. fem. n. *Rhizorhapis*, An existing genus; *Paenirhizorhapis*: A genus related to but distinct from the existing genus Rhizorhapis of almost.

Paenirhodanobacter

L. nan adverb *paene*, almost; L. masc. n. *Rhodanobacter*, An existing genus; *Paenirhodanobacter*: A genus related to but distinct from the existing genus Rhodanobacter of almost.

Paenirhodobaca

L. nan adverb *paene*, almost; L. fem. n. *Rhodobaca*, An existing genus; *Paenirhodobaca*: A genus related to but distinct from the existing genus Rhodobaca of almost.

Paenirhodobacter

L. nan adverb *paene*, almost; L. masc. n. *Rhodobacter*, An existing genus; *Paenirhodobacter*: A genus related to but distinct from the existing genus Rhodobacter of almost.

Paenirhodobium

L. nan adverb *paene*, almost; L. neut. n. *Rhodobium*, An existing genus; *Paenirhodobium*: A genus related to but distinct from the existing genus Rhodobium of almost.

Paenirhodoblastus

L. nan adverb *paene*, almost; L. masc. n. *Rhodoblastus*, An existing genus; *Paenirhodoblastus*: A genus related to but distinct from the existing genus Rhodoblastus of almost.

Paenirhodocista

L. nan adverb *paene*, almost; L. fem. n. *Rhodocista*, An existing genus; *Paenirhodocista*: A genus related to but distinct from the existing genus Rhodocista of almost.

Paenirhodococcus

L. nan adverb *paene*, almost; L. masc. n. *Rhodococcus*, An existing genus; *Paenirhodococcus*: A genus related to but distinct from the existing genus Rhodococcus of almost.

Paenirhodocyclus

L. nan adverb *paene*, almost; L. masc. n. *Rhodocyclus*, An existing genus; *Paenirhodocyclus*: A genus related to but distinct from the existing genus Rhodocyclus of almost.

Paenirhodocytophaga

L. nan adverb *paene*, almost; L. fem. n. *Rhodocytophaga*, An existing genus; *Paenirhodocytophaga*: A genus related to but distinct from the existing genus Rhodocytophaga of almost.

Paenirhodoferax

L. nan adverb *paene*, almost; L. masc. n. *Rhodoferax*, An existing genus; *Paenirhodoferax*: A genus related to but distinct from the existing genus Rhodoferax of almost.

Paenirhodoglobus

L. nan adverb *paene*, almost; L. masc. n. *Rhodoglobus*, An existing genus; *Paenirhodoglobus*: A genus related to but distinct from the existing genus Rhodoglobus of almost.

Paenirhodohalobacter

L. nan adverb *paene*, almost; L. masc. n. *Rhodohalobacter*, An existing genus; *Paenirhodohalobacter*: A genus related to but distinct from the existing genus Rhodohalobacter of almost.

Paenirhodoligotrophos

L. nan adverb *paene*, almost; L. masc. n. *Rhodoligotrophos*, An existing genus; *Paenirhodoligotrophos*: A genus related to but distinct from the existing genus Rhodoligotrophos of almost.

Paenirhodoluna

L. nan adverb *paene*, almost; L. fem. n. *Rhodoluna*, An existing genus; *Paenirhodoluna*: A genus related to but distinct from the existing genus Rhodoluna of almost.

Paenirhodomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Rhodomicrobium*, An existing genus; *Paenirhodomicrobium*: A genus related to but distinct from the existing genus Rhodomicrobium of almost.

Paenirhodonellum

L. nan adverb *paene*, almost; L. neut. dim. n. *Rhodonellum*, An existing genus; *Paenirhodonellum*: A genus related to but distinct from the existing genus Rhodonellum of almost.

Paenirhodophyticola

L. nan adverb *paene*, almost; L. masc. n. *Rhodophyticola*, An existing genus; *Paenirhodophyticola*: A genus related to but distinct from the existing genus Rhodophyticola of almost.

Paenirhodopila

L. nan adverb *paene*, almost; L. fem. n. *Rhodopila*, An existing genus; *Paenirhodopila*: A genus related to but distinct from the existing genus Rhodopila of almost.

Paenirhodopirellula

L. nan adverb *paene*, almost; L. fem. dim. n. *Rhodopirellula*, An existing genus; *Paenirhodopirellula*: A genus related to but distinct from the existing genus Rhodopirellula of almost.

Paenirhodoplanes

L. nan adverb *paene*, almost; L. masc. n. *Rhodoplanes*, An existing genus; *Paenirhodoplanes*: A genus related to but distinct from the existing genus Rhodoplanes of almost.

Paenirhodopseudomonas

L. nan adverb *paene*, almost; L. fem. n. *Rhodopseudomonas*, An existing genus; *Paenirhodopseudomonas*: A genus related to but distinct from the existing genus Rhodopseudomonas of almost.

Paenirhodosalinus

L. nan adverb *paene*, almost; L. masc. n. *Rhodosalinus*, An existing genus; *Paenirhodosalinus*: A genus related to but distinct from the existing genus Rhodosalinus of almost.

Paenirhodospira

L. nan adverb *paene*, almost; L. fem. n. *Rhodospira*, An existing genus; *Paenirhodospira*: A genus related to but distinct from the existing genus Rhodospira of almost.

Paenirhodospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Rhodospirillum*, An existing genus; *Paenirhodospirillum*: A genus related to but distinct from the existing genus Rhodospirillum of almost.

Paenirhodothalassium

L. nan adverb *paene*, almost; L. neut. n. *Rhodothalassium*, An existing genus; *Paenirhodothalassium*: A genus related to but distinct from the existing genus Rhodothalassium of almost.

Paenirhodothermus

L. nan adverb *paene*, almost; L. masc. n. *Rhodothermus*, An existing genus; *Paenirhodothermus*: A genus related to but distinct from the existing genus Rhodothermus of almost.

Paenirhodovarius

L. nan adverb *paene*, almost; L. masc. n. *Rhodovarius*, An existing genus; *Paenirhodovarius*: A genus related to but distinct from the existing genus Rhodovarius of almost.

Paenirhodovastum

L. nan adverb *paene*, almost; L. neut. n. *Rhodovastum*, An existing genus; *Paenirhodovastum*: A genus related to but distinct from the existing genus Rhodovastum of almost.

Paenirhodovibrio

L. nan adverb *paene*, almost; L. masc. n. *Rhodovibrio*, An existing genus; *Paenirhodovibrio*: A genus related to but distinct from the existing genus Rhodovibrio of almost.

Paenirhodovulum

L. nan adverb *paene*, almost; L. neut. n. *Rhodovulum*, An existing genus; *Paenirhodovulum*: A genus related to but distinct from the existing genus Rhodovulum of almost.

Paenirickettsia

L. nan adverb *paene*, almost; L. fem. n. *Rickettsia*, An existing genus; *Paenirickettsia*: A genus related to but distinct from the existing genus Rickettsia of almost.

Paenirickettsiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Rickettsiella*, An existing genus; *Paenirickettsiella*: A genus related to but distinct from the existing genus Rickettsiella of almost.

Paeniriemerella

L. nan adverb *paene*, almost; L. fem. dim. n. *Riemerella*, An existing genus; *Paeniriemerella*: A genus related to but distinct from the existing genus Riemerella of almost.

Paenirikenella

L. nan adverb *paene*, almost; L. fem. dim. n. *Rikenella*, An existing genus; *Paenirikenella*: A genus related to but distinct from the existing genus Rikenella of almost.

Paenirippkaea

L. nan adverb *paene*, almost; L. fem. n. *Rippkaea*, An existing genus; *Paenirippkaea*: A genus related to but distinct from the existing genus Rippkaea of almost.

Paenirisungbinella

L. nan adverb *paene*, almost; L. fem. dim. n. *Risungbinella*, An existing genus; *Paenirisungbinella*: A genus related to but distinct from the existing genus Risungbinella of almost.

Paenirivibacter

L. nan adverb *paene*, almost; L. masc. n. *Rivibacter*, An existing genus; *Paenirivibacter*: A genus related to but distinct from the existing genus Rivibacter of almost.

Paenirivicola

L. nan adverb *paene*, almost; L. masc. n. *Rivicola*, An existing genus; *Paenirivicola*: A genus related to but distinct from the existing genus Rivicola of almost.

Paenirivularia

L. nan adverb *paene*, almost; L. fem. n. *Rivularia*, An existing genus; *Paenirivularia*: A genus related to but distinct from the existing genus Rivularia of almost.

Paenirobbsia

L. nan adverb *paene*, almost; L. fem. n. *Robbsia*, An existing genus; *Paenirobbsia*: A genus related to but distinct from the existing genus Robbsia of almost.

Paenirobertkochia

L. nan adverb *paene*, almost; L. fem. n. *Robertkochia*, An existing genus; *Paenirobertkochia*: A genus related to but distinct from the existing genus Robertkochia of almost.

Paenirobiginitalea

L. nan adverb *paene*, almost; L. fem. n. *Robiginitalea*, An existing genus; *Paenirobiginitalea*: A genus related to but distinct from the existing genus Robiginitalea of almost.

Paenirobiginitomaculum

L. nan adverb *paene*, almost; L. neut. n. *Robiginitomaculum*, An existing genus; *Paenirobiginitomaculum*: A genus related to but distinct from the existing genus Robiginitomaculum of almost.

Paenirobinsoniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Robinsoniella*, An existing genus; *Paenirobinsoniella*: A genus related to but distinct from the existing genus Robinsoniella of almost.

Paenirochalimaea

L. nan adverb *paene*, almost; L. fem. n. *Rochalimaea*, An existing genus; *Paenirochalimaea*: A genus related to but distinct from the existing genus Rochalimaea of almost.

Paenirodentibacter

L. nan adverb *paene*, almost; L. masc. n. *Rodentibacter*, An existing genus; *Paenirodentibacter*: A genus related to but distinct from the existing genus Rodentibacter of almost.

Paeniroholtiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Roholtiella*, An existing genus; *Paeniroholtiella*: A genus related to but distinct from the existing genus Roholtiella of almost.

Paeniromboutsia

L. nan adverb *paene*, almost; L. fem. n. *Romboutsia*, An existing genus; *Paeniromboutsia*: A genus related to but distinct from the existing genus Romboutsia of almost.

Paeniroseateles

L. nan adverb *paene*, almost; L. masc. n. *Roseateles*, An existing genus; *Paeniroseateles*: A genus related to but distinct from the existing genus Roseateles of almost.

Paeniroseburia

L. nan adverb *paene*, almost; L. fem. n. *Roseburia*, An existing genus; *Paeniroseburia*: A genus related to but distinct from the existing genus Roseburia of almost.

Paeniroseiarcus

L. nan adverb *paene*, almost; L. masc. n. *Roseiarcus*, An existing genus; *Paeniroseiarcus*: A genus related to but distinct from the existing genus Roseiarcus of almost.

Paeniroseibaca

L. nan adverb *paene*, almost; L. fem. n. *Roseibaca*, An existing genus; *Paeniroseibaca*: A genus related to but distinct from the existing genus Roseibaca of almost.

Paeniroseibacillus

L. nan adverb *paene*, almost; L. masc. n. *Roseibacillus*, An existing genus; *Paeniroseibacillus*: A genus related to but distinct from the existing genus Roseibacillus of almost.

Paeniroseibacterium

L. nan adverb *paene*, almost; L. neut. n. *Roseibacterium*, An existing genus; *Paeniroseibacterium*: A genus related to but distinct from the existing genus Roseibacterium of almost.

Paeniroseibacula

L. nan adverb *paene*, almost; L. fem. dim. n. *Roseibacula*, An existing genus; *Paeniroseibacula*: A genus related to but distinct from the existing genus Roseibacula of almost.

Paeniroseibium

L. nan adverb *paene*, almost; L. neut. n. *Roseibium*, An existing genus; *Paeniroseibium*: A genus related to but distinct from the existing genus Roseibium of almost.

Paeniroseicella

L. nan adverb *paene*, almost; L. fem. n. *Roseicella*, An existing genus; *Paeniroseicella*: A genus related to but distinct from the existing genus Roseicella of almost.

Paeniroseicitreum

L. nan adverb *paene*, almost; L. neut. n. *Roseicitreum*, An existing genus; *Paeniroseicitreum*: A genus related to but distinct from the existing genus Roseicitreum of almost.

Paeniroseicyclus

L. nan adverb *paene*, almost; L. masc. n. *Roseicyclus*, An existing genus; *Paeniroseicyclus*: A genus related to but distinct from the existing genus Roseicyclus of almost.

Paeniroseiflexus

L. nan adverb *paene*, almost; L. masc. n. *Roseiflexus*, An existing genus; *Paeniroseiflexus*: A genus related to but distinct from the existing genus Roseiflexus of almost.

Paeniroseimarinus

L. nan adverb *paene*, almost; L. masc. n. *Roseimarinus*, An existing genus; *Paeniroseimarinus*: A genus related to but distinct from the existing genus Roseimarinus of almost.

Paeniroseimaritima

L. nan adverb *paene*, almost; L. fem. n. *Roseimaritima*, An existing genus; *Paeniroseimaritima*: A genus related to but distinct from the existing genus Roseimaritima of almost.

Paeniroseimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Roseimicrobium*, An existing genus; *Paeniroseimicrobium*: A genus related to but distinct from the existing genus Roseimicrobium of almost.

Paeniroseinatronobacter

L. nan adverb *paene*, almost; L. masc. n. *Roseinatronobacter*, An existing genus; *Paeniroseinatronobacter*: A genus related to but distinct from the existing genus Roseinatronobacter of almost.

Paeniroseisalinus

L. nan adverb *paene*, almost; L. masc. n. *Roseisalinus*, An existing genus; *Paeniroseisalinus*: A genus related to but distinct from the existing genus Roseisalinus of almost.

Paeniroseisolibacter

L. nan adverb *paene*, almost; L. masc. n. *Roseisolibacter*, An existing genus; *Paeniroseisolibacter*: A genus related to but distinct from the existing genus Roseisolibacter of almost.

Paeniroseitalea

L. nan adverb *paene*, almost; L. fem. n. *Roseitalea*, An existing genus; *Paeniroseitalea*: A genus related to but distinct from the existing genus Roseitalea of almost.

Paeniroseithermus

L. nan adverb *paene*, almost; L. masc. n. *Roseithermus*, An existing genus; *Paeniroseithermus*: A genus related to but distinct from the existing genus Roseithermus of almost.

Paeniroseivirga

L. nan adverb *paene*, almost; L. fem. n. *Roseivirga*, An existing genus; *Paeniroseivirga*: A genus related to but distinct from the existing genus Roseivirga of almost.

Paeniroseivivax

L. nan adverb *paene*, almost; L. masc. n. *Roseivivax*, An existing genus; *Paeniroseivivax*: A genus related to but distinct from the existing genus Roseivivax of almost.

Paenirosenbergiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Rosenbergiella*, An existing genus; *Paenirosenbergiella*: A genus related to but distinct from the existing genus Rosenbergiella of almost.

Paeniroseobacter

L. nan adverb *paene*, almost; L. masc. n. *Roseobacter*, An existing genus; *Paeniroseobacter*: A genus related to but distinct from the existing genus Roseobacter of almost.

Paeniroseococcus

L. nan adverb *paene*, almost; L. masc. n. *Roseococcus*, An existing genus; *Paeniroseococcus*: A genus related to but distinct from the existing genus Roseococcus of almost.

Paeniroseofilum

L. nan adverb *paene*, almost; L. neut. n. *Roseofilum*, An existing genus; *Paeniroseofilum*: A genus related to but distinct from the existing genus Roseofilum of almost.

Paeniroseomonas

L. nan adverb *paene*, almost; L. fem. n. *Roseomonas*, An existing genus; *Paeniroseomonas*: A genus related to but distinct from the existing genus Roseomonas of almost.

Paeniroseospira

L. nan adverb *paene*, almost; L. fem. n. *Roseospira*, An existing genus; *Paeniroseospira*: A genus related to but distinct from the existing genus Roseospira of almost.

Paeniroseospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Roseospirillum*, An existing genus; *Paeniroseospirillum*: A genus related to but distinct from the existing genus Roseospirillum of almost.

Paeniroseovarius

L. nan adverb *paene*, almost; L. masc. n. *Roseovarius*, An existing genus; *Paeniroseovarius*: A genus related to but distinct from the existing genus Roseovarius of almost.

Paenirosistilla

L. nan adverb *paene*, almost; L. fem. n. *Rosistilla*, An existing genus; *Paenirosistilla*: A genus related to but distinct from the existing genus Rosistilla of almost.

Paenirothia

L. nan adverb *paene*, almost; L. fem. n. *Rothia*, An existing genus; *Paenirothia*: A genus related to but distinct from the existing genus Rothia of almost.

Paenirouxiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Rouxiella*, An existing genus; *Paenirouxiella*: A genus related to but distinct from the existing genus Rouxiella of almost.

Paeniruania

L. nan adverb *paene*, almost; L. fem. n. *Ruania*, An existing genus; *Paeniruania*: A genus related to but distinct from the existing genus Ruania of almost.

Paenirubellimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Rubellimicrobium*, An existing genus; *Paenirubellimicrobium*: A genus related to but distinct from the existing genus Rubellimicrobium of almost.

Paenirubeoparvulum

L. nan adverb *paene*, almost; L. neut. n. *Rubeoparvulum*, An existing genus; *Paenirubeoparvulum*: A genus related to but distinct from the existing genus Rubeoparvulum of almost.

Paenirubidibacter

L. nan adverb *paene*, almost; L. masc. n. *Rubidibacter*, An existing genus; *Paenirubidibacter*: A genus related to but distinct from the existing genus Rubidibacter of almost.

Paenirubidimonas

L. nan adverb *paene*, almost; L. fem. n. *Rubidimonas*, An existing genus; *Paenirubidimonas*: A genus related to but distinct from the existing genus Rubidimonas of almost.

Paenirubinisphaera

L. nan adverb *paene*, almost; L. fem. n. *Rubinisphaera*, An existing genus; *Paenirubinisphaera*: A genus related to but distinct from the existing genus Rubinisphaera of almost.

Paenirubneribacter

L. nan adverb *paene*, almost; L. masc. n. *Rubneribacter*, An existing genus; *Paenirubneribacter*: A genus related to but distinct from the existing genus Rubneribacter of almost.

Paenirubribacterium

L. nan adverb *paene*, almost; L. neut. n. *Rubribacterium*, An existing genus; *Paenirubribacterium*: A genus related to but distinct from the existing genus Rubribacterium of almost.

Paenirubricella

L. nan adverb *paene*, almost; L. fem. n. *Rubricella*, An existing genus; *Paenirubricella*: A genus related to but distinct from the existing genus Rubricella of almost.

Paenirubricoccus

L. nan adverb *paene*, almost; L. masc. n. *Rubricoccus*, An existing genus; *Paenirubricoccus*: A genus related to but distinct from the existing genus Rubricoccus of almost.

Paenirubrimonas

L. nan adverb *paene*, almost; L. fem. n. *Rubrimonas*, An existing genus; *Paenirubrimonas*: A genus related to but distinct from the existing genus Rubrimonas of almost.

Paenirubripirellula

L. nan adverb *paene*, almost; L. fem. dim. n. *Rubripirellula*, An existing genus; *Paenirubripirellula*: A genus related to but distinct from the existing genus Rubripirellula of almost.

Paenirubritalea

L. nan adverb *paene*, almost; L. fem. n. *Rubritalea*, An existing genus; *Paenirubritalea*: A genus related to but distinct from the existing genus Rubritalea of almost.

Paenirubritepida

L. nan adverb *paene*, almost; L. fem. n. *Rubritepida*, An existing genus; *Paenirubritepida*: A genus related to but distinct from the existing genus Rubritepida of almost.

Paenirubrivirga

L. nan adverb *paene*, almost; L. fem. n. *Rubrivirga*, An existing genus; *Paenirubrivirga*: A genus related to but distinct from the existing genus Rubrivirga of almost.

Paenirubrivivax

L. nan adverb *paene*, almost; L. masc. n. *Rubrivivax*, An existing genus; *Paenirubrivivax*: A genus related to but distinct from the existing genus Rubrivivax of almost.

Paenirubrobacter

L. nan adverb *paene*, almost; L. masc. n. *Rubrobacter*, An existing genus; *Paenirubrobacter*: A genus related to but distinct from the existing genus Rubrobacter of almost.

Paenirudaea

L. nan adverb *paene*, almost; L. fem. n. *Rudaea*, An existing genus; *Paenirudaea*: A genus related to but distinct from the existing genus Rudaea of almost.

Paenirudaeicoccus

L. nan adverb *paene*, almost; L. masc. n. *Rudaeicoccus*, An existing genus; *Paenirudaeicoccus*: A genus related to but distinct from the existing genus Rudaeicoccus of almost.

Paenirudaibacter

L. nan adverb *paene*, almost; L. masc. n. *Rudaibacter*, An existing genus; *Paenirudaibacter*: A genus related to but distinct from the existing genus Rudaibacter of almost.

Paenirudanella

L. nan adverb *paene*, almost; L. fem. dim. n. *Rudanella*, An existing genus; *Paenirudanella*: A genus related to but distinct from the existing genus Rudanella of almost.

Paeniruegeria

L. nan adverb *paene*, almost; L. fem. n. *Ruegeria*, An existing genus; *Paeniruegeria*: A genus related to but distinct from the existing genus Ruegeria of almost.

Paenirufibacter

L. nan adverb *paene*, almost; L. masc. n. *Rufibacter*, An existing genus; *Paenirufibacter*: A genus related to but distinct from the existing genus Rufibacter of almost.

Paeniruficoccus

L. nan adverb *paene*, almost; L. masc. n. *Ruficoccus*, An existing genus; *Paeniruficoccus*: A genus related to but distinct from the existing genus Ruficoccus of almost.

Paenirugamonas

L. nan adverb *paene*, almost; L. fem. n. *Rugamonas*, An existing genus; *Paenirugamonas*: A genus related to but distinct from the existing genus Rugamonas of almost.

Paenirugosibacter

L. nan adverb *paene*, almost; L. masc. n. *Rugosibacter*, An existing genus; *Paenirugosibacter*: A genus related to but distinct from the existing genus Rugosibacter of almost.

Paenirugosimonospora

L. nan adverb *paene*, almost; L. fem. n. *Rugosimonospora*, An existing genus; *Paenirugosimonospora*: A genus related to but distinct from the existing genus Rugosimonospora of almost.

Paeniruminiclostridium

L. nan adverb *paene*, almost; L. neut. dim. n. *Ruminiclostridium*, An existing genus; *Paeniruminiclostridium*: A genus related to but distinct from the existing genus Ruminiclostridium of almost.

Paeniruminobacter

L. nan adverb *paene*, almost; L. masc. n. *Ruminobacter*, An existing genus; *Paeniruminobacter*: A genus related to but distinct from the existing genus Ruminobacter of almost.

Paeniruminococcus

L. nan adverb *paene*, almost; L. masc. n. *Ruminococcus*, An existing genus; *Paeniruminococcus*: A genus related to but distinct from the existing genus Ruminococcus of almost.

Paenirummeliibacillus

L. nan adverb *paene*, almost; L. masc. n. *Rummeliibacillus*, An existing genus; *Paenirummeliibacillus*: A genus related to but distinct from the existing genus Rummeliibacillus of almost.

Paenirunella

L. nan adverb *paene*, almost; L. fem. dim. n. *Runella*, An existing genus; *Paenirunella*: A genus related to but distinct from the existing genus Runella of almost.

Paenirurimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Rurimicrobium*, An existing genus; *Paenirurimicrobium*: A genus related to but distinct from the existing genus Rurimicrobium of almost.

Paeniruthenibacterium

L. nan adverb *paene*, almost; L. neut. n. *Ruthenibacterium*, An existing genus; *Paeniruthenibacterium*: A genus related to but distinct from the existing genus Ruthenibacterium of almost.

Paenisabulilitoribacter

L. nan adverb *paene*, almost; L. masc. n. *Sabulilitoribacter*, An existing genus; *Paenisabulilitoribacter*: A genus related to but distinct from the existing genus Sabulilitoribacter of almost.

Paenisaccharedens

L. nan adverb *paene*, almost; L. masc. n. *Saccharedens*, An existing genus; *Paenisaccharedens*: A genus related to but distinct from the existing genus Saccharedens of almost.

Paenisaccharibacillus

L. nan adverb *paene*, almost; L. masc. n. *Saccharibacillus*, An existing genus; *Paenisaccharibacillus*: A genus related to but distinct from the existing genus Saccharibacillus of almost.

Paenisaccharibacter

L. nan adverb *paene*, almost; L. masc. n. *Saccharibacter*, An existing genus; *Paenisaccharibacter*: A genus related to but distinct from the existing genus Saccharibacter of almost.

Paenisaccharococcus

L. nan adverb *paene*, almost; L. masc. n. *Saccharococcus*, An existing genus; *Paenisaccharococcus*: A genus related to but distinct from the existing genus Saccharococcus of almost.

Paenisaccharofermentans

L. nan adverb *paene*, almost; L. neut. n. *Saccharofermentans*, An existing genus; *Paenisaccharofermentans*: A genus related to but distinct from the existing genus Saccharofermentans of almost.

Paenisaccharolobus

L. nan adverb *paene*, almost; L. masc. n. *Saccharolobus*, An existing genus; *Paenisaccharolobus*: A genus related to but distinct from the existing genus Saccharolobus of almost.

Paenisaccharomonospora

L. nan adverb *paene*, almost; L. fem. n. *Saccharomonospora*, An existing genus; *Paenisaccharomonospora*: A genus related to but distinct from the existing genus Saccharomonospora of almost.

Paenisaccharophagus

L. nan adverb *paene*, almost; L. masc. n. *Saccharophagus*, An existing genus; *Paenisaccharophagus*: A genus related to but distinct from the existing genus Saccharophagus of almost.

Paenisaccharopolyspora

L. nan adverb *paene*, almost; L. fem. n. *Saccharopolyspora*, An existing genus; *Paenisaccharopolyspora*: A genus related to but distinct from the existing genus Saccharopolyspora of almost.

Paenisaccharospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Saccharospirillum*, An existing genus; *Paenisaccharospirillum*: A genus related to but distinct from the existing genus Saccharospirillum of almost.

Paenisaezia

L. nan adverb *paene*, almost; L. fem. n. *Saezia*, An existing genus; *Paenisaezia*: A genus related to but distinct from the existing genus Saezia of almost.

Paenisalana

L. nan adverb *paene*, almost; L. fem. n. *Salana*, An existing genus; *Paenisalana*: A genus related to but distinct from the existing genus Salana of almost.

Paenisalaquimonas

L. nan adverb *paene*, almost; L. fem. n. *Salaquimonas*, An existing genus; *Paenisalaquimonas*: A genus related to but distinct from the existing genus Salaquimonas of almost.

Paenisalarchaeum

L. nan adverb *paene*, almost; L. neut. n. *Salarchaeum*, An existing genus; *Paenisalarchaeum*: A genus related to but distinct from the existing genus Salarchaeum of almost.

Paenisalegentibacter

L. nan adverb *paene*, almost; L. masc. n. *Salegentibacter*, An existing genus; *Paenisalegentibacter*: A genus related to but distinct from the existing genus Salegentibacter of almost.

Paenisalibacillus

L. nan adverb *paene*, almost; L. masc. n. *Salibacillus*, An existing genus; *Paenisalibacillus*: A genus related to but distinct from the existing genus Salibacillus of almost.

Paenisalibacter

L. nan adverb *paene*, almost; L. masc. n. *Salibacter*, An existing genus; *Paenisalibacter*: A genus related to but distinct from the existing genus Salibacter of almost.

Paenisalicibibacter

L. nan adverb *paene*, almost; L. masc. n. *Salicibibacter*, An existing genus; *Paenisalicibibacter*: A genus related to but distinct from the existing genus Salicibibacter of almost.

Paenisalicola

L. nan adverb *paene*, almost; L. masc. n. *Salicola*, An existing genus; *Paenisalicola*: A genus related to but distinct from the existing genus Salicola of almost.

Paenisalilacibacter

L. nan adverb *paene*, almost; L. masc. n. *Salilacibacter*, An existing genus; *Paenisalilacibacter*: A genus related to but distinct from the existing genus Salilacibacter of almost.

Paenisalileptolyngbya

L. nan adverb *paene*, almost; L. fem. n. *Salileptolyngbya*, An existing genus; *Paenisalileptolyngbya*: A genus related to but distinct from the existing genus Salileptolyngbya of almost.

Paenisalimesophilobacter

L. nan adverb *paene*, almost; L. masc. n. *Salimesophilobacter*, An existing genus; *Paenisalimesophilobacter*: A genus related to but distinct from the existing genus Salimesophilobacter of almost.

Paenisalimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Salimicrobium*, An existing genus; *Paenisalimicrobium*: A genus related to but distinct from the existing genus Salimicrobium of almost.

Paenisalinactinospora

L. nan adverb *paene*, almost; L. fem. n. *Salinactinospora*, An existing genus; *Paenisalinactinospora*: A genus related to but distinct from the existing genus Salinactinospora of almost.

Paenisalinarchaeum

L. nan adverb *paene*, almost; L. neut. n. *Salinarchaeum*, An existing genus; *Paenisalinarchaeum*: A genus related to but distinct from the existing genus Salinarchaeum of almost.

Paenisalinibacillus

L. nan adverb *paene*, almost; L. masc. n. *Salinibacillus*, An existing genus; *Paenisalinibacillus*: A genus related to but distinct from the existing genus Salinibacillus of almost.

Paenisalinibacter

L. nan adverb *paene*, almost; L. masc. n. *Salinibacter*, An existing genus; *Paenisalinibacter*: A genus related to but distinct from the existing genus Salinibacter of almost.

Paenisalinibacterium

L. nan adverb *paene*, almost; L. neut. n. *Salinibacterium*, An existing genus; *Paenisalinibacterium*: A genus related to but distinct from the existing genus Salinibacterium of almost.

Paenisalinibaculum

L. nan adverb *paene*, almost; L. neut. n. *Salinibaculum*, An existing genus; *Paenisalinibaculum*: A genus related to but distinct from the existing genus Salinibaculum of almost.

Paenisalinibius

L. nan adverb *paene*, almost; L. masc. n. *Salinibius*, An existing genus; *Paenisalinibius*: A genus related to but distinct from the existing genus Salinibius of almost.

Paenisalinicoccus

L. nan adverb *paene*, almost; L. masc. n. *Salinicoccus*, An existing genus; *Paenisalinicoccus*: A genus related to but distinct from the existing genus Salinicoccus of almost.

Paenisalinicola

L. nan adverb *paene*, almost; L. masc. n. *Salinicola*, An existing genus; *Paenisalinicola*: A genus related to but distinct from the existing genus Salinicola of almost.

Paenisalinifilum

L. nan adverb *paene*, almost; L. neut. n. *Salinifilum*, An existing genus; *Paenisalinifilum*: A genus related to but distinct from the existing genus Salinifilum of almost.

Paenisalinigranum

L. nan adverb *paene*, almost; L. neut. n. *Salinigranum*, An existing genus; *Paenisalinigranum*: A genus related to but distinct from the existing genus Salinigranum of almost.

Paenisalinihabitans

L. nan adverb *paene*, almost; L. masc. n. *Salinihabitans*, An existing genus; *Paenisalinihabitans*: A genus related to but distinct from the existing genus Salinihabitans of almost.

Paenisalinimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Salinimicrobium*, An existing genus; *Paenisalinimicrobium*: A genus related to but distinct from the existing genus Salinimicrobium of almost.

Paenisalinimonas

L. nan adverb *paene*, almost; L. fem. n. *Salinimonas*, An existing genus; *Paenisalinimonas*: A genus related to but distinct from the existing genus Salinimonas of almost.

Paenisalininema

L. nan adverb *paene*, almost; L. neut. n. *Salininema*, An existing genus; *Paenisalininema*: A genus related to but distinct from the existing genus Salininema of almost.

Paenisaliniradius

L. nan adverb *paene*, almost; L. masc. n. *Saliniradius*, An existing genus; *Paenisaliniradius*: A genus related to but distinct from the existing genus Saliniradius of almost.

Paenisalinirepens

L. nan adverb *paene*, almost; L. masc. n. *Salinirepens*, An existing genus; *Paenisalinirepens*: A genus related to but distinct from the existing genus Salinirepens of almost.

Paenisalinirubellus

L. nan adverb *paene*, almost; L. masc. n. *Salinirubellus*, An existing genus; *Paenisalinirubellus*: A genus related to but distinct from the existing genus Salinirubellus of almost.

Paenisalinirussus

L. nan adverb *paene*, almost; L. masc. n. *Salinirussus*, An existing genus; *Paenisalinirussus*: A genus related to but distinct from the existing genus Salinirussus of almost.

Paenisalinisphaera

L. nan adverb *paene*, almost; L. fem. n. *Salinisphaera*, An existing genus; *Paenisalinisphaera*: A genus related to but distinct from the existing genus Salinisphaera of almost.

Paenisalinispira

L. nan adverb *paene*, almost; L. fem. n. *Salinispira*, An existing genus; *Paenisalinispira*: A genus related to but distinct from the existing genus Salinispira of almost.

Paenisalinispirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Salinispirillum*, An existing genus; *Paenisalinispirillum*: A genus related to but distinct from the existing genus Salinispirillum of almost.

Paenisalinispora

L. nan adverb *paene*, almost; L. fem. n. *Salinispora*, An existing genus; *Paenisalinispora*: A genus related to but distinct from the existing genus Salinispora of almost.

Paenisalinithrix

L. nan adverb *paene*, almost; L. fem. n. *Salinithrix*, An existing genus; *Paenisalinithrix*: A genus related to but distinct from the existing genus Salinithrix of almost.

Paenisalinivenus

L. nan adverb *paene*, almost; L. fem. n. *Salinivenus*, An existing genus; *Paenisalinivenus*: A genus related to but distinct from the existing genus Salinivenus of almost.

Paenisalinivibrio

L. nan adverb *paene*, almost; L. masc. n. *Salinivibrio*, An existing genus; *Paenisalinivibrio*: A genus related to but distinct from the existing genus Salinivibrio of almost.

Paenisalinivirga

L. nan adverb *paene*, almost; L. fem. n. *Salinivirga*, An existing genus; *Paenisalinivirga*: A genus related to but distinct from the existing genus Salinivirga of almost.

Paenisalinovum

L. nan adverb *paene*, almost; L. neut. n. *Salinovum*, An existing genus; *Paenisalinovum*: A genus related to but distinct from the existing genus Salinovum of almost.

Paenisaliphagus

L. nan adverb *paene*, almost; L. masc. n. *Saliphagus*, An existing genus; *Paenisaliphagus*: A genus related to but distinct from the existing genus Saliphagus of almost.

Paenisalipiger

L. nan adverb *paene*, almost; L. masc. n. *Salipiger*, An existing genus; *Paenisalipiger*: A genus related to but distinct from the existing genus Salipiger of almost.

Paenisalisaeta

L. nan adverb *paene*, almost; L. fem. n. *Salisaeta*, An existing genus; *Paenisalisaeta*: A genus related to but distinct from the existing genus Salisaeta of almost.

Paenisalisediminibacterium

L. nan adverb *paene*, almost; L. neut. n. *Salisediminibacterium*, An existing genus; *Paenisalisediminibacterium*: A genus related to but distinct from the existing genus Salisediminibacterium of almost.

Paenisaliterribacillus

L. nan adverb *paene*, almost; L. masc. n. *Saliterribacillus*, An existing genus; *Paenisaliterribacillus*: A genus related to but distinct from the existing genus Saliterribacillus of almost.

Paenisalmonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Salmonella*, An existing genus; *Paenisalmonella*: A genus related to but distinct from the existing genus Salmonella of almost.

Paenisalsuginibacillus

L. nan adverb *paene*, almost; L. masc. n. *Salsuginibacillus*, An existing genus; *Paenisalsuginibacillus*: A genus related to but distinct from the existing genus Salsuginibacillus of almost.

Paenisalsuginimonas

L. nan adverb *paene*, almost; L. fem. n. *Salsuginimonas*, An existing genus; *Paenisalsuginimonas*: A genus related to but distinct from the existing genus Salsuginimonas of almost.

Paenisamsonia

L. nan adverb *paene*, almost; L. fem. n. *Samsonia*, An existing genus; *Paenisamsonia*: A genus related to but distinct from the existing genus Samsonia of almost.

Paenisandaracinobacter

L. nan adverb *paene*, almost; L. masc. n. *Sandaracinobacter*, An existing genus; *Paenisandaracinobacter*: A genus related to but distinct from the existing genus Sandaracinobacter of almost.

Paenisandaracinomonas

L. nan adverb *paene*, almost; L. fem. n. *Sandaracinomonas*, An existing genus; *Paenisandaracinomonas*: A genus related to but distinct from the existing genus Sandaracinomonas of almost.

Paenisandaracinus

L. nan adverb *paene*, almost; L. masc. n. *Sandaracinus*, An existing genus; *Paenisandaracinus*: A genus related to but distinct from the existing genus Sandaracinus of almost.

Paenisandarakinorhabdus

L. nan adverb *paene*, almost; L. fem. n. *Sandarakinorhabdus*, An existing genus; *Paenisandarakinorhabdus*: A genus related to but distinct from the existing genus Sandarakinorhabdus of almost.

Paenisandarakinotalea

L. nan adverb *paene*, almost; L. fem. n. *Sandarakinotalea*, An existing genus; *Paenisandarakinotalea*: A genus related to but distinct from the existing genus Sandarakinotalea of almost.

Paenisansalvadorimonas

L. nan adverb *paene*, almost; L. fem. n. *Sansalvadorimonas*, An existing genus; *Paenisansalvadorimonas*: A genus related to but distinct from the existing genus Sansalvadorimonas of almost.

Paenisaonia

L. nan adverb *paene*, almost; L. fem. n. *Saonia*, An existing genus; *Paenisaonia*: A genus related to but distinct from the existing genus Saonia of almost.

Paenisaprospira

L. nan adverb *paene*, almost; L. fem. n. *Saprospira*, An existing genus; *Paenisaprospira*: A genus related to but distinct from the existing genus Saprospira of almost.

Paenisarcina

L. nan adverb *paene*, almost; L. fem. n. *Sarcina*, An existing genus; *Paenisarcina*: A genus related to but distinct from the existing genus Sarcina of almost.

Paenisarcobium

L. nan adverb *paene*, almost; L. neut. n. *Sarcobium*, An existing genus; *Paenisarcobium*: A genus related to but distinct from the existing genus Sarcobium of almost.

Paenisavagea

L. nan adverb *paene*, almost; L. fem. n. *Savagea*, An existing genus; *Paenisavagea*: A genus related to but distinct from the existing genus Savagea of almost.

Paenisaxeibacter

L. nan adverb *paene*, almost; L. masc. n. *Saxeibacter*, An existing genus; *Paenisaxeibacter*: A genus related to but distinct from the existing genus Saxeibacter of almost.

Paeniscandinavium

L. nan adverb *paene*, almost; L. neut. n. *Scandinavium*, An existing genus; *Paeniscandinavium*: A genus related to but distinct from the existing genus Scandinavium of almost.

Paeniscardovia

L. nan adverb *paene*, almost; L. fem. n. *Scardovia*, An existing genus; *Paeniscardovia*: A genus related to but distinct from the existing genus Scardovia of almost.

Paenischaalia

L. nan adverb *paene*, almost; L. fem. n. *Schaalia*, An existing genus; *Paenischaalia*: A genus related to but distinct from the existing genus Schaalia of almost.

Paenischaedlerella

L. nan adverb *paene*, almost; L. fem. dim. n. *Schaedlerella*, An existing genus; *Paenischaedlerella*: A genus related to but distinct from the existing genus Schaedlerella of almost.

Paenischineria

L. nan adverb *paene*, almost; L. fem. n. *Schineria*, An existing genus; *Paenischineria*: A genus related to but distinct from the existing genus Schineria of almost.

Paenischlegelella

L. nan adverb *paene*, almost; L. fem. dim. n. *Schlegelella*, An existing genus; *Paenischlegelella*: A genus related to but distinct from the existing genus Schlegelella of almost.

Paenischleiferella

L. nan adverb *paene*, almost; L. fem. dim. n. *Schleiferella*, An existing genus; *Paenischleiferella*: A genus related to but distinct from the existing genus Schleiferella of almost.

Paenischleiferia

L. nan adverb *paene*, almost; L. fem. n. *Schleiferia*, An existing genus; *Paenischleiferia*: A genus related to but distinct from the existing genus Schleiferia of almost.

Paenischleiferilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Schleiferilactobacillus*, An existing genus; *Paenischleiferilactobacillus*: A genus related to but distinct from the existing genus Schleiferilactobacillus of almost.

Paenischlesneria

L. nan adverb *paene*, almost; L. fem. n. *Schlesneria*, An existing genus; *Paenischlesneria*: A genus related to but distinct from the existing genus Schlesneria of almost.

Paenischnuerera

L. nan adverb *paene*, almost; L. fem. n. *Schnuerera*, An existing genus; *Paenischnuerera*: A genus related to but distinct from the existing genus Schnuerera of almost.

Paenischumannella

L. nan adverb *paene*, almost; L. fem. dim. n. *Schumannella*, An existing genus; *Paenischumannella*: A genus related to but distinct from the existing genus Schumannella of almost.

Paenischwartzia

L. nan adverb *paene*, almost; L. fem. n. *Schwartzia*, An existing genus; *Paenischwartzia*: A genus related to but distinct from the existing genus Schwartzia of almost.

Paeniscisciscionella

L. nan adverb *paene*, almost; L. fem. dim. n. *Sciscionella*, An existing genus; *Paeniscisciscionella*: A genus related to but distinct from the existing genus Sciscionella of almost.

Paeniscopulibacillus

L. nan adverb *paene*, almost; L. masc. n. *Scopulibacillus*, An existing genus; *Paeniscopulibacillus*: A genus related to but distinct from the existing genus Scopulibacillus of almost.

Paeniscytolyngbya

L. nan adverb *paene*, almost; L. fem. n. *Scytolyngbya*, An existing genus; *Paeniscytolyngbya*: A genus related to but distinct from the existing genus Scytolyngbya of almost.

Paenisebaldella

L. nan adverb *paene*, almost; L. fem. dim. n. *Sebaldella*, An existing genus; *Paenisebaldella*: A genus related to but distinct from the existing genus Sebaldella of almost.

Paenisecundilactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Secundilactobacillus*, An existing genus; *Paenisecundilactobacillus*: A genus related to but distinct from the existing genus Secundilactobacillus of almost.

Paenisedimentibacter

L. nan adverb *paene*, almost; L. masc. n. *Sedimentibacter*, An existing genus; *Paenisedimentibacter*: A genus related to but distinct from the existing genus Sedimentibacter of almost.

Paenisedimenticola

L. nan adverb *paene*, almost; L. masc. n. *Sedimenticola*, An existing genus; *Paenisedimenticola*: A genus related to but distinct from the existing genus Sedimenticola of almost.

Paenisedimentisphaera

L. nan adverb *paene*, almost; L. fem. n. *Sedimentisphaera*, An existing genus; *Paenisedimentisphaera*: A genus related to but distinct from the existing genus Sedimentisphaera of almost.

Paenisedimentitalea

L. nan adverb *paene*, almost; L. fem. n. *Sedimentitalea*, An existing genus; *Paenisedimentitalea*: A genus related to but distinct from the existing genus Sedimentitalea of almost.

Paenisediminibacillus

L. nan adverb *paene*, almost; L. masc. n. *Sediminibacillus*, An existing genus; *Paenisediminibacillus*: A genus related to but distinct from the existing genus Sediminibacillus of almost.

Paenisediminibacter

L. nan adverb *paene*, almost; L. masc. n. *Sediminibacter*, An existing genus; *Paenisediminibacter*: A genus related to but distinct from the existing genus Sediminibacter of almost.

Paenisediminibacterium

L. nan adverb *paene*, almost; L. neut. n. *Sediminibacterium*, An existing genus; *Paenisediminibacterium*: A genus related to but distinct from the existing genus Sediminibacterium of almost.

Paenisediminicoccus

L. nan adverb *paene*, almost; L. masc. n. *Sediminicoccus*, An existing genus; *Paenisediminicoccus*: A genus related to but distinct from the existing genus Sediminicoccus of almost.

Paenisediminicola

L. nan adverb *paene*, almost; L. masc. n. *Sediminicola*, An existing genus; *Paenisediminicola*: A genus related to but distinct from the existing genus Sediminicola of almost.

Paenisediminihabitans

L. nan adverb *paene*, almost; L. masc. n. *Sediminihabitans*, An existing genus; *Paenisediminihabitans*: A genus related to but distinct from the existing genus Sediminihabitans of almost.

Paenisediminimonas

L. nan adverb *paene*, almost; L. fem. n. *Sediminimonas*, An existing genus; *Paenisediminimonas*: A genus related to but distinct from the existing genus Sediminimonas of almost.

Paenisediminispirochaeta

L. nan adverb *paene*, almost; L. fem. n. *Sediminispirochaeta*, An existing genus; *Paenisediminispirochaeta*: A genus related to but distinct from the existing genus Sediminispirochaeta of almost.

Paenisediminitomix

L. nan adverb *paene*, almost; L. fem. n. *Sediminitomix*, An existing genus; *Paenisediminitomix*: A genus related to but distinct from the existing genus Sediminitomix of almost.

Paenisediminivirga

L. nan adverb *paene*, almost; L. fem. n. *Sediminivirga*, An existing genus; *Paenisediminivirga*: A genus related to but distinct from the existing genus Sediminivirga of almost.

Paenisegeticoccus

L. nan adverb *paene*, almost; L. masc. n. *Segeticoccus*, An existing genus; *Paenisegeticoccus*: A genus related to but distinct from the existing genus Segeticoccus of almost.

Paenisegniliparus

L. nan adverb *paene*, almost; L. masc. n. *Segniliparus*, An existing genus; *Paenisegniliparus*: A genus related to but distinct from the existing genus Segniliparus of almost.

Paenisegnochrobactrum

L. nan adverb *paene*, almost; L. neut. n. *Segnochrobactrum*, An existing genus; *Paenisegnochrobactrum*: A genus related to but distinct from the existing genus Segnochrobactrum of almost.

Paeniseinonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Seinonella*, An existing genus; *Paeniseinonella*: A genus related to but distinct from the existing genus Seinonella of almost.

Paenisejongia

L. nan adverb *paene*, almost; L. fem. n. *Sejongia*, An existing genus; *Paenisejongia*: A genus related to but distinct from the existing genus Sejongia of almost.

Paeniselenihalanaerobacter

L. nan adverb *paene*, almost; L. masc. n. *Selenihalanaerobacter*, An existing genus; *Paeniselenihalanaerobacter*: A genus related to but distinct from the existing genus Selenihalanaerobacter of almost.

Paeniseleniivibrio

L. nan adverb *paene*, almost; L. masc. n. *Seleniivibrio*, An existing genus; *Paeniseleniivibrio*: A genus related to but distinct from the existing genus Seleniivibrio of almost.

Paeniselenomonas

L. nan adverb *paene*, almost; L. fem. n. *Selenomonas*, An existing genus; *Paeniselenomonas*: A genus related to but distinct from the existing genus Selenomonas of almost.

Paeniseliberia

L. nan adverb *paene*, almost; L. fem. n. *Seliberia*, An existing genus; *Paeniseliberia*: A genus related to but distinct from the existing genus Seliberia of almost.

Paenisellimonas

L. nan adverb *paene*, almost; L. fem. n. *Sellimonas*, An existing genus; *Paenisellimonas*: A genus related to but distinct from the existing genus Sellimonas of almost.

Paenisenegalimassilia

L. nan adverb *paene*, almost; L. fem. n. *Senegalimassilia*, An existing genus; *Paenisenegalimassilia*: A genus related to but distinct from the existing genus Senegalimassilia of almost.

Paeniseohaeicola

L. nan adverb *paene*, almost; L. masc. n. *Seohaeicola*, An existing genus; *Paeniseohaeicola*: A genus related to but distinct from the existing genus Seohaeicola of almost.

Paeniseonamhaeicola

L. nan adverb *paene*, almost; L. masc. n. *Seonamhaeicola*, An existing genus; *Paeniseonamhaeicola*: A genus related to but distinct from the existing genus Seonamhaeicola of almost.

Paeniseongchinamella

L. nan adverb *paene*, almost; L. fem. dim. n. *Seongchinamella*, An existing genus; *Paeniseongchinamella*: A genus related to but distinct from the existing genus Seongchinamella of almost.

Paeniserinibacter

L. nan adverb *paene*, almost; L. masc. n. *Serinibacter*, An existing genus; *Paeniserinibacter*: A genus related to but distinct from the existing genus Serinibacter of almost.

Paeniserinicoccus

L. nan adverb *paene*, almost; L. masc. n. *Serinicoccus*, An existing genus; *Paeniserinicoccus*: A genus related to but distinct from the existing genus Serinicoccus of almost.

Paeniserpentinicella

L. nan adverb *paene*, almost; L. fem. n. *Serpentinicella*, An existing genus; *Paeniserpentinicella*: A genus related to but distinct from the existing genus Serpentinicella of almost.

Paeniserpulina

L. nan adverb *paene*, almost; L. fem. n. *Serpulina*, An existing genus; *Paeniserpulina*: A genus related to but distinct from the existing genus Serpulina of almost.

Paeniserratia

L. nan adverb *paene*, almost; L. fem. n. *Serratia*, An existing genus; *Paeniserratia*: A genus related to but distinct from the existing genus Serratia of almost.

Paenishackletoniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Shackletoniella*, An existing genus; *Paenishackletoniella*: A genus related to but distinct from the existing genus Shackletoniella of almost.

Paenisharpea

L. nan adverb *paene*, almost; L. fem. n. *Sharpea*, An existing genus; *Paenisharpea*: A genus related to but distinct from the existing genus Sharpea of almost.

Paenishewanella

L. nan adverb *paene*, almost; L. fem. dim. n. *Shewanella*, An existing genus; *Paenishewanella*: A genus related to but distinct from the existing genus Shewanella of almost.

Paenishigella

L. nan adverb *paene*, almost; L. fem. dim. n. *Shigella*, An existing genus; *Paenishigella*: A genus related to but distinct from the existing genus Shigella of almost.

Paenishimazuella

L. nan adverb *paene*, almost; L. fem. dim. n. *Shimazuella*, An existing genus; *Paenishimazuella*: A genus related to but distinct from the existing genus Shimazuella of almost.

Paenishimia

L. nan adverb *paene*, almost; L. fem. n. *Shimia*, An existing genus; *Paenishimia*: A genus related to but distinct from the existing genus Shimia of almost.

Paenishimwellia

L. nan adverb *paene*, almost; L. fem. n. *Shimwellia*, An existing genus; *Paenishimwellia*: A genus related to but distinct from the existing genus Shimwellia of almost.

Paenishinella

L. nan adverb *paene*, almost; L. fem. dim. n. *Shinella*, An existing genus; *Paenishinella*: A genus related to but distinct from the existing genus Shinella of almost.

Paenishivajiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Shivajiella*, An existing genus; *Paenishivajiella*: A genus related to but distinct from the existing genus Shivajiella of almost.

Paenishuttleworthia

L. nan adverb *paene*, almost; L. fem. n. *Shuttleworthia*, An existing genus; *Paenishuttleworthia*: A genus related to but distinct from the existing genus Shuttleworthia of almost.

Paenisiccirubricoccus

L. nan adverb *paene*, almost; L. masc. n. *Siccirubricoccus*, An existing genus; *Paenisiccirubricoccus*: A genus related to but distinct from the existing genus Siccirubricoccus of almost.

Paenisilanimonas

L. nan adverb *paene*, almost; L. fem. n. *Silanimonas*, An existing genus; *Paenisilanimonas*: A genus related to but distinct from the existing genus Silanimonas of almost.

Paenisilicibacter

L. nan adverb *paene*, almost; L. masc. n. *Silicibacter*, An existing genus; *Paenisilicibacter*: A genus related to but distinct from the existing genus Silicibacter of almost.

Paenisilicimonas

L. nan adverb *paene*, almost; L. fem. n. *Silicimonas*, An existing genus; *Paenisilicimonas*: A genus related to but distinct from the existing genus Silicimonas of almost.

Paenisilvanigrella

L. nan adverb *paene*, almost; L. fem. dim. n. *Silvanigrella*, An existing genus; *Paenisilvanigrella*: A genus related to but distinct from the existing genus Silvanigrella of almost.

Paenisilvibacterium

L. nan adverb *paene*, almost; L. neut. n. *Silvibacterium*, An existing genus; *Paenisilvibacterium*: A genus related to but distinct from the existing genus Silvibacterium of almost.

Paenisilvimonas

L. nan adverb *paene*, almost; L. fem. n. *Silvimonas*, An existing genus; *Paenisilvimonas*: A genus related to but distinct from the existing genus Silvimonas of almost.

Paenisimiduia

L. nan adverb *paene*, almost; L. fem. n. *Simiduia*, An existing genus; *Paenisimiduia*: A genus related to but distinct from the existing genus Simiduia of almost.

Paenisimkania

L. nan adverb *paene*, almost; L. fem. n. *Simkania*, An existing genus; *Paenisimkania*: A genus related to but distinct from the existing genus Simkania of almost.

Paenisimonsiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Simonsiella*, An existing genus; *Paenisimonsiella*: A genus related to but distinct from the existing genus Simonsiella of almost.

Paenisimplicispira

L. nan adverb *paene*, almost; L. fem. n. *Simplicispira*, An existing genus; *Paenisimplicispira*: A genus related to but distinct from the existing genus Simplicispira of almost.

Paenisimulacricoccus

L. nan adverb *paene*, almost; L. masc. n. *Simulacricoccus*, An existing genus; *Paenisimulacricoccus*: A genus related to but distinct from the existing genus Simulacricoccus of almost.

Paenisingularimonas

L. nan adverb *paene*, almost; L. fem. n. *Singularimonas*, An existing genus; *Paenisingularimonas*: A genus related to but distinct from the existing genus Singularimonas of almost.

Paenisingulisphaera

L. nan adverb *paene*, almost; L. fem. n. *Singulisphaera*, An existing genus; *Paenisingulisphaera*: A genus related to but distinct from the existing genus Singulisphaera of almost.

Paenisinibacillus

L. nan adverb *paene*, almost; L. masc. n. *Sinibacillus*, An existing genus; *Paenisinibacillus*: A genus related to but distinct from the existing genus Sinibacillus of almost.

Paenisinimarinibacterium

L. nan adverb *paene*, almost; L. neut. n. *Sinimarinibacterium*, An existing genus; *Paenisinimarinibacterium*: A genus related to but distinct from the existing genus Sinimarinibacterium of almost.

Paenisinobaca

L. nan adverb *paene*, almost; L. fem. n. *Sinobaca*, An existing genus; *Paenisinobaca*: A genus related to but distinct from the existing genus Sinobaca of almost.

Paenisinobacter

L. nan adverb *paene*, almost; L. masc. n. *Sinobacter*, An existing genus; *Paenisinobacter*: A genus related to but distinct from the existing genus Sinobacter of almost.

Paenisinobacterium

L. nan adverb *paene*, almost; L. neut. n. *Sinobacterium*, An existing genus; *Paenisinobacterium*: A genus related to but distinct from the existing genus Sinobacterium of almost.

Paenisinococcus

L. nan adverb *paene*, almost; L. masc. n. *Sinococcus*, An existing genus; *Paenisinococcus*: A genus related to but distinct from the existing genus Sinococcus of almost.

Paenisinomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Sinomicrobium*, An existing genus; *Paenisinomicrobium*: A genus related to but distinct from the existing genus Sinomicrobium of almost.

Paenisinorhizobium

L. nan adverb *paene*, almost; L. neut. n. *Sinorhizobium*, An existing genus; *Paenisinorhizobium*: A genus related to but distinct from the existing genus Sinorhizobium of almost.

Paenisinosporangium

L. nan adverb *paene*, almost; L. neut. n. *Sinosporangium*, An existing genus; *Paenisinosporangium*: A genus related to but distinct from the existing genus Sinosporangium of almost.

Paenisiphonobacter

L. nan adverb *paene*, almost; L. masc. n. *Siphonobacter*, An existing genus; *Paenisiphonobacter*: A genus related to but distinct from the existing genus Siphonobacter of almost.

Paeniskermanella

L. nan adverb *paene*, almost; L. fem. dim. n. *Skermanella*, An existing genus; *Paeniskermanella*: A genus related to but distinct from the existing genus Skermanella of almost.

Paeniskermania

L. nan adverb *paene*, almost; L. fem. n. *Skermania*, An existing genus; *Paeniskermania*: A genus related to but distinct from the existing genus Skermania of almost.

Paenislackia

L. nan adverb *paene*, almost; L. fem. n. *Slackia*, An existing genus; *Paenislackia*: A genus related to but distinct from the existing genus Slackia of almost.

Paenismaragdicoccus

L. nan adverb *paene*, almost; L. masc. n. *Smaragdicoccus*, An existing genus; *Paenismaragdicoccus*: A genus related to but distinct from the existing genus Smaragdicoccus of almost.

Paenismithella

L. nan adverb *paene*, almost; L. fem. dim. n. *Smithella*, An existing genus; *Paenismithella*: A genus related to but distinct from the existing genus Smithella of almost.

Paenisneathia

L. nan adverb *paene*, almost; L. fem. n. *Sneathia*, An existing genus; *Paenisneathia*: A genus related to but distinct from the existing genus Sneathia of almost.

Paenisneathiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Sneathiella*, An existing genus; *Paenisneathiella*: A genus related to but distinct from the existing genus Sneathiella of almost.

Paenisnodgrassella

L. nan adverb *paene*, almost; L. fem. dim. n. *Snodgrassella*, An existing genus; *Paenisnodgrassella*: A genus related to but distinct from the existing genus Snodgrassella of almost.

Paenisnuella

L. nan adverb *paene*, almost; L. fem. dim. n. *Snuella*, An existing genus; *Paenisnuella*: A genus related to but distinct from the existing genus Snuella of almost.

Paenisodaleptolyngbya

L. nan adverb *paene*, almost; L. fem. n. *Sodaleptolyngbya*, An existing genus; *Paenisodaleptolyngbya*: A genus related to but distinct from the existing genus Sodaleptolyngbya of almost.

Paenisodalinema

L. nan adverb *paene*, almost; L. neut. n. *Sodalinema*, An existing genus; *Paenisodalinema*: A genus related to but distinct from the existing genus Sodalinema of almost.

Paenisoehngenia

L. nan adverb *paene*, almost; L. fem. n. *Soehngenia*, An existing genus; *Paenisoehngenia*: A genus related to but distinct from the existing genus Soehngenia of almost.

Paenisolentia

L. nan adverb *paene*, almost; L. fem. n. *Solentia*, An existing genus; *Paenisolentia*: A genus related to but distinct from the existing genus Solentia of almost.

Paenisolibacillus

L. nan adverb *paene*, almost; L. masc. n. *Solibacillus*, An existing genus; *Paenisolibacillus*: A genus related to but distinct from the existing genus Solibacillus of almost.

Paenisolimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Solimicrobium*, An existing genus; *Paenisolimicrobium*: A genus related to but distinct from the existing genus Solimicrobium of almost.

Paenisolirhodobacter

L. nan adverb *paene*, almost; L. masc. n. *Solirhodobacter*, An existing genus; *Paenisolirhodobacter*: A genus related to but distinct from the existing genus Solirhodobacter of almost.

Paenisolirubrobacter

L. nan adverb *paene*, almost; L. masc. n. *Solirubrobacter*, An existing genus; *Paenisolirubrobacter*: A genus related to but distinct from the existing genus Solirubrobacter of almost.

Paenisolitalea

L. nan adverb *paene*, almost; L. fem. n. *Solitalea*, An existing genus; *Paenisolitalea*: A genus related to but distinct from the existing genus Solitalea of almost.

Paenisolobacterium

L. nan adverb *paene*, almost; L. neut. n. *Solobacterium*, An existing genus; *Paenisolobacterium*: A genus related to but distinct from the existing genus Solobacterium of almost.

Paenisoonwooa

L. nan adverb *paene*, almost; L. fem. n. *Soonwooa*, An existing genus; *Paenisoonwooa*: A genus related to but distinct from the existing genus Soonwooa of almost.

Paenisoortia

L. nan adverb *paene*, almost; L. fem. n. *Soortia*, An existing genus; *Paenisoortia*: A genus related to but distinct from the existing genus Soortia of almost.

Paenisorangium

L. nan adverb *paene*, almost; L. neut. n. *Sorangium*, An existing genus; *Paenisorangium*: A genus related to but distinct from the existing genus Sorangium of almost.

Paenispecibacter

L. nan adverb *paene*, almost; L. masc. n. *Specibacter*, An existing genus; *Paenispecibacter*: A genus related to but distinct from the existing genus Specibacter of almost.

Paenispelaeicoccus

L. nan adverb *paene*, almost; L. masc. n. *Spelaeicoccus*, An existing genus; *Paenispelaeicoccus*: A genus related to but distinct from the existing genus Spelaeicoccus of almost.

Paenispelaeonaias

L. nan adverb *paene*, almost; L. fem. n. *Spelaeonaias*, An existing genus; *Paenispelaeonaias*: A genus related to but distinct from the existing genus Spelaeonaias of almost.

Paenisphaerimonospora

L. nan adverb *paene*, almost; L. fem. n. *Sphaerimonospora*, An existing genus; *Paenisphaerimonospora*: A genus related to but distinct from the existing genus Sphaerimonospora of almost.

Paenisphaerisporangium

L. nan adverb *paene*, almost; L. neut. n. *Sphaerisporangium*, An existing genus; *Paenisphaerisporangium*: A genus related to but distinct from the existing genus Sphaerisporangium of almost.

Paenisphaerobacter

L. nan adverb *paene*, almost; L. masc. n. *Sphaerobacter*, An existing genus; *Paenisphaerobacter*: A genus related to but distinct from the existing genus Sphaerobacter of almost.

Paenisphaerocavum

L. nan adverb *paene*, almost; L. neut. n. *Sphaerocavum*, An existing genus; *Paenisphaerocavum*: A genus related to but distinct from the existing genus Sphaerocavum of almost.

Paenisphaerochaeta

L. nan adverb *paene*, almost; L. fem. n. *Sphaerochaeta*, An existing genus; *Paenisphaerochaeta*: A genus related to but distinct from the existing genus Sphaerochaeta of almost.

Paenisphaerotilus

L. nan adverb *paene*, almost; L. masc. n. *Sphaerotilus*, An existing genus; *Paenisphaerotilus*: A genus related to but distinct from the existing genus Sphaerotilus of almost.

Paenisphingoaurantiacus

L. nan adverb *paene*, almost; L. masc. n. *Sphingoaurantiacus*, An existing genus; *Paenisphingoaurantiacus*: A genus related to but distinct from the existing genus Sphingoaurantiacus of almost.

Paenisphingobacterium

L. nan adverb *paene*, almost; L. neut. n. *Sphingobacterium*, An existing genus; *Paenisphingobacterium*: A genus related to but distinct from the existing genus Sphingobacterium of almost.

Paenisphingobium

L. nan adverb *paene*, almost; L. neut. n. *Sphingobium*, An existing genus; *Paenisphingobium*: A genus related to but distinct from the existing genus Sphingobium of almost.

Paenisphingomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Sphingomicrobium*, An existing genus; *Paenisphingomicrobium*: A genus related to but distinct from the existing genus Sphingomicrobium of almost.

Paenisphingomonas

L. nan adverb *paene*, almost; L. fem. n. *Sphingomonas*, An existing genus; *Paenisphingomonas*: A genus related to but distinct from the existing genus Sphingomonas of almost.

Paenisphingopyxis

L. nan adverb *paene*, almost; L. fem. n. *Sphingopyxis*, An existing genus; *Paenisphingopyxis*: A genus related to but distinct from the existing genus Sphingopyxis of almost.

Paenisphingorhabdus

L. nan adverb *paene*, almost; L. fem. n. *Sphingorhabdus*, An existing genus; *Paenisphingorhabdus*: A genus related to but distinct from the existing genus Sphingorhabdus of almost.

Paenisphingosinicella

L. nan adverb *paene*, almost; L. fem. n. *Sphingosinicella*, An existing genus; *Paenisphingosinicella*: A genus related to but distinct from the existing genus Sphingosinicella of almost.

Paenisphingosinithalassobacter

L. nan adverb *paene*, almost; L. masc. n. *Sphingosinithalassobacter*, An existing genus; *Paenisphingosinithalassobacter*: A genus related to but distinct from the existing genus Sphingosinithalassobacter of almost.

Paenispinactinospora

L. nan adverb *paene*, almost; L. fem. n. *Spinactinospora*, An existing genus; *Paenispinactinospora*: A genus related to but distinct from the existing genus Spinactinospora of almost.

Paenispirilliplanes

L. nan adverb *paene*, almost; L. masc. n. *Spirilliplanes*, An existing genus; *Paenispirilliplanes*: A genus related to but distinct from the existing genus Spirilliplanes of almost.

Paenispirillospora

L. nan adverb *paene*, almost; L. fem. n. *Spirillospora*, An existing genus; *Paenispirillospora*: A genus related to but distinct from the existing genus Spirillospora of almost.

Paenispirochaeta

L. nan adverb *paene*, almost; L. fem. n. *Spirochaeta*, An existing genus; *Paenispirochaeta*: A genus related to but distinct from the existing genus Spirochaeta of almost.

Paenispiroplasma

L. nan adverb *paene*, almost; L. neut. n. *Spiroplasma*, An existing genus; *Paenispiroplasma*: A genus related to but distinct from the existing genus Spiroplasma of almost.

Paenispirosoma

L. nan adverb *paene*, almost; L. neut. n. *Spirosoma*, An existing genus; *Paenispirosoma*: A genus related to but distinct from the existing genus Spirosoma of almost.

Paenispodiobacter

L. nan adverb *paene*, almost; L. masc. n. *Spodiobacter*, An existing genus; *Paenispodiobacter*: A genus related to but distinct from the existing genus Spodiobacter of almost.

Paenispongiactinospora

L. nan adverb *paene*, almost; L. fem. n. *Spongiactinospora*, An existing genus; *Paenispongiactinospora*: A genus related to but distinct from the existing genus Spongiactinospora of almost.

Paenispongiibacter

L. nan adverb *paene*, almost; L. masc. n. *Spongiibacter*, An existing genus; *Paenispongiibacter*: A genus related to but distinct from the existing genus Spongiibacter of almost.

Paenispongiibacterium

L. nan adverb *paene*, almost; L. neut. n. *Spongiibacterium*, An existing genus; *Paenispongiibacterium*: A genus related to but distinct from the existing genus Spongiibacterium of almost.

Paenispongiiferula

L. nan adverb *paene*, almost; L. fem. n. *Spongiiferula*, An existing genus; *Paenispongiiferula*: A genus related to but distinct from the existing genus Spongiiferula of almost.

Paenispongiimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Spongiimicrobium*, An existing genus; *Paenispongiimicrobium*: A genus related to but distinct from the existing genus Spongiimicrobium of almost.

Paenispongiimonas

L. nan adverb *paene*, almost; L. fem. n. *Spongiimonas*, An existing genus; *Paenispongiimonas*: A genus related to but distinct from the existing genus Spongiimonas of almost.

Paenispongiispira

L. nan adverb *paene*, almost; L. fem. n. *Spongiispira*, An existing genus; *Paenispongiispira*: A genus related to but distinct from the existing genus Spongiispira of almost.

Paenispongiivirga

L. nan adverb *paene*, almost; L. fem. n. *Spongiivirga*, An existing genus; *Paenispongiivirga*: A genus related to but distinct from the existing genus Spongiivirga of almost.

Paenispongitalea

L. nan adverb *paene*, almost; L. fem. n. *Spongitalea*, An existing genus; *Paenispongitalea*: A genus related to but distinct from the existing genus Spongitalea of almost.

Paenisporacetigenium

L. nan adverb *paene*, almost; L. neut. n. *Sporacetigenium*, An existing genus; *Paenisporacetigenium*: A genus related to but distinct from the existing genus Sporacetigenium of almost.

Paenisporanaerobacter

L. nan adverb *paene*, almost; L. masc. n. *Sporanaerobacter*, An existing genus; *Paenisporanaerobacter*: A genus related to but distinct from the existing genus Sporanaerobacter of almost.

Paenisporichthya

L. nan adverb *paene*, almost; L. fem. n. *Sporichthya*, An existing genus; *Paenisporichthya*: A genus related to but distinct from the existing genus Sporichthya of almost.

Paenisporobacter

L. nan adverb *paene*, almost; L. masc. n. *Sporobacter*, An existing genus; *Paenisporobacter*: A genus related to but distinct from the existing genus Sporobacter of almost.

Paenisporobacterium

L. nan adverb *paene*, almost; L. neut. n. *Sporobacterium*, An existing genus; *Paenisporobacterium*: A genus related to but distinct from the existing genus Sporobacterium of almost.

Paenisporocytophaga

L. nan adverb *paene*, almost; L. fem. n. *Sporocytophaga*, An existing genus; *Paenisporocytophaga*: A genus related to but distinct from the existing genus Sporocytophaga of almost.

Paenisporohalobacter

L. nan adverb *paene*, almost; L. masc. n. *Sporohalobacter*, An existing genus; *Paenisporohalobacter*: A genus related to but distinct from the existing genus Sporohalobacter of almost.

Paenisporolactobacillus

L. nan adverb *paene*, almost; L. masc. n. *Sporolactobacillus*, An existing genus; *Paenisporolactobacillus*: A genus related to but distinct from the existing genus Sporolactobacillus of almost.

Paenisporolituus

L. nan adverb *paene*, almost; L. masc. n. *Sporolituus*, An existing genus; *Paenisporolituus*: A genus related to but distinct from the existing genus Sporolituus of almost.

Paenisporosalibacterium

L. nan adverb *paene*, almost; L. neut. n. *Sporosalibacterium*, An existing genus; *Paenisporosalibacterium*: A genus related to but distinct from the existing genus Sporosalibacterium of almost.

Paenisporosarcina

L. nan adverb *paene*, almost; L. fem. n. *Sporosarcina*, An existing genus; *Paenisporosarcina*: A genus related to but distinct from the existing genus Sporosarcina of almost.

Paenisporotalea

L. nan adverb *paene*, almost; L. fem. n. *Sporotalea*, An existing genus; *Paenisporotalea*: A genus related to but distinct from the existing genus Sporotalea of almost.

Paenisporotomaculum

L. nan adverb *paene*, almost; L. neut. n. *Sporotomaculum*, An existing genus; *Paenisporotomaculum*: A genus related to but distinct from the existing genus Sporotomaculum of almost.

Paenistackebrandtia

L. nan adverb *paene*, almost; L. fem. n. *Stackebrandtia*, An existing genus; *Paenistackebrandtia*: A genus related to but distinct from the existing genus Stackebrandtia of almost.

Paenistagnimonas

L. nan adverb *paene*, almost; L. fem. n. *Stagnimonas*, An existing genus; *Paenistagnimonas*: A genus related to but distinct from the existing genus Stagnimonas of almost.

Paenistakelama

L. nan adverb *paene*, almost; L. fem. n. *Stakelama*, An existing genus; *Paenistakelama*: A genus related to but distinct from the existing genus Stakelama of almost.

Paenistaleya

L. nan adverb *paene*, almost; L. fem. n. *Staleya*, An existing genus; *Paenistaleya*: A genus related to but distinct from the existing genus Staleya of almost.

Paenistanierella

L. nan adverb *paene*, almost; L. fem. dim. n. *Stanierella*, An existing genus; *Paenistanierella*: A genus related to but distinct from the existing genus Stanierella of almost.

Paenistaphylococcus

L. nan adverb *paene*, almost; L. masc. n. *Staphylococcus*, An existing genus; *Paenistaphylococcus*: A genus related to but distinct from the existing genus Staphylococcus of almost.

Paenistaphylospora

L. nan adverb *paene*, almost; L. fem. n. *Staphylospora*, An existing genus; *Paenistaphylospora*: A genus related to but distinct from the existing genus Staphylospora of almost.

Paenistaphylothermus

L. nan adverb *paene*, almost; L. masc. n. *Staphylothermus*, An existing genus; *Paenistaphylothermus*: A genus related to but distinct from the existing genus Staphylothermus of almost.

Paenistappia

L. nan adverb *paene*, almost; L. fem. n. *Stappia*, An existing genus; *Paenistappia*: A genus related to but distinct from the existing genus Stappia of almost.

Paenistarkeya

L. nan adverb *paene*, almost; L. fem. n. *Starkeya*, An existing genus; *Paenistarkeya*: A genus related to but distinct from the existing genus Starkeya of almost.

Paenistarria

L. nan adverb *paene*, almost; L. fem. n. *Starria*, An existing genus; *Paenistarria*: A genus related to but distinct from the existing genus Starria of almost.

Paenistella

L. nan adverb *paene*, almost; L. fem. n. *Stella*, An existing genus; *Paenistella*: A genus related to but distinct from the existing genus Stella of almost.

Paenistenothermobacter

L. nan adverb *paene*, almost; L. masc. n. *Stenothermobacter*, An existing genus; *Paenistenothermobacter*: A genus related to but distinct from the existing genus Stenothermobacter of almost.

Paenistenotrophobacter

L. nan adverb *paene*, almost; L. masc. n. *Stenotrophobacter*, An existing genus; *Paenistenotrophobacter*: A genus related to but distinct from the existing genus Stenotrophobacter of almost.

Paenistenotrophobium

L. nan adverb *paene*, almost; L. neut. n. *Stenotrophobium*, An existing genus; *Paenistenotrophobium*: A genus related to but distinct from the existing genus Stenotrophobium of almost.

Paenistenotrophomonas

L. nan adverb *paene*, almost; L. fem. n. *Stenotrophomonas*, An existing genus; *Paenistenotrophomonas*: A genus related to but distinct from the existing genus Stenotrophomonas of almost.

Paenistenoxybacter

L. nan adverb *paene*, almost; L. masc. n. *Stenoxybacter*, An existing genus; *Paenistenoxybacter*: A genus related to but distinct from the existing genus Stenoxybacter of almost.

Paenisteroidobacter

L. nan adverb *paene*, almost; L. masc. n. *Steroidobacter*, An existing genus; *Paenisteroidobacter*: A genus related to but distinct from the existing genus Steroidobacter of almost.

Paenisterolibacterium

L. nan adverb *paene*, almost; L. neut. n. *Sterolibacterium*, An existing genus; *Paenisterolibacterium*: A genus related to but distinct from the existing genus Sterolibacterium of almost.

Paenistetteria

L. nan adverb *paene*, almost; L. fem. n. *Stetteria*, An existing genus; *Paenistetteria*: A genus related to but distinct from the existing genus Stetteria of almost.

Paenistigmatella

L. nan adverb *paene*, almost; L. fem. dim. n. *Stigmatella*, An existing genus; *Paenistigmatella*: A genus related to but distinct from the existing genus Stigmatella of almost.

Paenistigonema

L. nan adverb *paene*, almost; L. neut. n. *Stigonema*, An existing genus; *Paenistigonema*: A genus related to but distinct from the existing genus Stigonema of almost.

Paenistomatobaculum

L. nan adverb *paene*, almost; L. neut. n. *Stomatobaculum*, An existing genus; *Paenistomatobaculum*: A genus related to but distinct from the existing genus Stomatobaculum of almost.

Paenistomatococcus

L. nan adverb *paene*, almost; L. masc. n. *Stomatococcus*, An existing genus; *Paenistomatococcus*: A genus related to but distinct from the existing genus Stomatococcus of almost.

Paenistreptacidiphilus

L. nan adverb *paene*, almost; L. masc. n. *Streptacidiphilus*, An existing genus; *Paenistreptacidiphilus*: A genus related to but distinct from the existing genus Streptacidiphilus of almost.

Paenistreptobacillus

L. nan adverb *paene*, almost; L. masc. n. *Streptobacillus*, An existing genus; *Paenistreptobacillus*: A genus related to but distinct from the existing genus Streptobacillus of almost.

Paenistreptococcus

L. nan adverb *paene*, almost; L. masc. n. *Streptococcus*, An existing genus; *Paenistreptococcus*: A genus related to but distinct from the existing genus Streptococcus of almost.

Paenistreptohalobacillus

L. nan adverb *paene*, almost; L. masc. n. *Streptohalobacillus*, An existing genus; *Paenistreptohalobacillus*: A genus related to but distinct from the existing genus Streptohalobacillus of almost.

Paenistreptomonospora

L. nan adverb *paene*, almost; L. fem. n. *Streptomonospora*, An existing genus; *Paenistreptomonospora*: A genus related to but distinct from the existing genus Streptomonospora of almost.

Paenistreptomyces

L. nan adverb *paene*, almost; L. masc. n. *Streptomyces*, An existing genus; *Paenistreptomyces*: A genus related to but distinct from the existing genus Streptomyces of almost.

Paenistreptosporangium

L. nan adverb *paene*, almost; L. neut. n. *Streptosporangium*, An existing genus; *Paenistreptosporangium*: A genus related to but distinct from the existing genus Streptosporangium of almost.

Paenistreptoverticillium

L. nan adverb *paene*, almost; L. neut. n. *Streptoverticillium*, An existing genus; *Paenistreptoverticillium*: A genus related to but distinct from the existing genus Streptoverticillium of almost.

Paenistygiolobus

L. nan adverb *paene*, almost; L. masc. n. *Stygiolobus*, An existing genus; *Paenistygiolobus*: A genus related to but distinct from the existing genus Stygiolobus of almost.

Paenisubdoligranulum

L. nan adverb *paene*, almost; L. neut. n. *Subdoligranulum*, An existing genus; *Paenisubdoligranulum*: A genus related to but distinct from the existing genus Subdoligranulum of almost.

Paenisubsaxibacter

L. nan adverb *paene*, almost; L. masc. n. *Subsaxibacter*, An existing genus; *Paenisubsaxibacter*: A genus related to but distinct from the existing genus Subsaxibacter of almost.

Paenisubsaximicrobium

L. nan adverb *paene*, almost; L. neut. n. *Subsaximicrobium*, An existing genus; *Paenisubsaximicrobium*: A genus related to but distinct from the existing genus Subsaximicrobium of almost.

Paenisuccinatimonas

L. nan adverb *paene*, almost; L. fem. n. *Succinatimonas*, An existing genus; *Paenisuccinatimonas*: A genus related to but distinct from the existing genus Succinatimonas of almost.

Paenisucciniclasticum

L. nan adverb *paene*, almost; L. neut. n. *Succiniclasticum*, An existing genus; *Paenisucciniclasticum*: A genus related to but distinct from the existing genus Succiniclasticum of almost.

Paenisuccinispira

L. nan adverb *paene*, almost; L. fem. n. *Succinispira*, An existing genus; *Paenisuccinispira*: A genus related to but distinct from the existing genus Succinispira of almost.

Paenisuccinivibrio

L. nan adverb *paene*, almost; L. masc. n. *Succinivibrio*, An existing genus; *Paenisuccinivibrio*: A genus related to but distinct from the existing genus Succinivibrio of almost.

Paenisufflavibacter

L. nan adverb *paene*, almost; L. masc. n. *Sufflavibacter*, An existing genus; *Paenisufflavibacter*: A genus related to but distinct from the existing genus Sufflavibacter of almost.

Paenisuicoccus

L. nan adverb *paene*, almost; L. masc. n. *Suicoccus*, An existing genus; *Paenisuicoccus*: A genus related to but distinct from the existing genus Suicoccus of almost.

Paenisulfitobacter

L. nan adverb *paene*, almost; L. masc. n. *Sulfitobacter*, An existing genus; *Paenisulfitobacter*: A genus related to but distinct from the existing genus Sulfitobacter of almost.

Paenisulfodiicoccus

L. nan adverb *paene*, almost; L. masc. n. *Sulfodiicoccus*, An existing genus; *Paenisulfodiicoccus*: A genus related to but distinct from the existing genus Sulfodiicoccus of almost.

Paenisulfolobus

L. nan adverb *paene*, almost; L. masc. n. *Sulfolobus*, An existing genus; *Paenisulfolobus*: A genus related to but distinct from the existing genus Sulfolobus of almost.

Paenisulfophobococcus

L. nan adverb *paene*, almost; L. masc. n. *Sulfophobococcus*, An existing genus; *Paenisulfophobococcus*: A genus related to but distinct from the existing genus Sulfophobococcus of almost.

Paenisulfuracidifex

L. nan adverb *paene*, almost; L. masc. n. *Sulfuracidifex*, An existing genus; *Paenisulfuracidifex*: A genus related to but distinct from the existing genus Sulfuracidifex of almost.

Paenisulfuricella

L. nan adverb *paene*, almost; L. fem. n. *Sulfuricella*, An existing genus; *Paenisulfuricella*: A genus related to but distinct from the existing genus Sulfuricella of almost.

Paenisulfuricurvum

L. nan adverb *paene*, almost; L. neut. n. *Sulfuricurvum*, An existing genus; *Paenisulfuricurvum*: A genus related to but distinct from the existing genus Sulfuricurvum of almost.

Paenisulfuriferula

L. nan adverb *paene*, almost; L. fem. n. *Sulfuriferula*, An existing genus; *Paenisulfuriferula*: A genus related to but distinct from the existing genus Sulfuriferula of almost.

Paenisulfuriflexus

L. nan adverb *paene*, almost; L. masc. n. *Sulfuriflexus*, An existing genus; *Paenisulfuriflexus*: A genus related to but distinct from the existing genus Sulfuriflexus of almost.

Paenisulfurihydrogenibium

L. nan adverb *paene*, almost; L. neut. n. *Sulfurihydrogenibium*, An existing genus; *Paenisulfurihydrogenibium*: A genus related to but distinct from the existing genus Sulfurihydrogenibium of almost.

Paenisulfurisphaera

L. nan adverb *paene*, almost; L. fem. n. *Sulfurisphaera*, An existing genus; *Paenisulfurisphaera*: A genus related to but distinct from the existing genus Sulfurisphaera of almost.

Paenisulfuritortus

L. nan adverb *paene*, almost; L. masc. n. *Sulfuritortus*, An existing genus; *Paenisulfuritortus*: A genus related to but distinct from the existing genus Sulfuritortus of almost.

Paenisulfurococcus

L. nan adverb *paene*, almost; L. masc. n. *Sulfurococcus*, An existing genus; *Paenisulfurococcus*: A genus related to but distinct from the existing genus Sulfurococcus of almost.

Paenisulfurospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Sulfurospirillum*, An existing genus; *Paenisulfurospirillum*: A genus related to but distinct from the existing genus Sulfurospirillum of almost.

Paenisulfurovum

L. nan adverb *paene*, almost; L. neut. n. *Sulfurovum*, An existing genus; *Paenisulfurovum*: A genus related to but distinct from the existing genus Sulfurovum of almost.

Paenisungkyunkwania

L. nan adverb *paene*, almost; L. fem. n. *Sungkyunkwania*, An existing genus; *Paenisungkyunkwania*: A genus related to but distinct from the existing genus Sungkyunkwania of almost.

Paenisunxiuqinia

L. nan adverb *paene*, almost; L. fem. n. *Sunxiuqinia*, An existing genus; *Paenisunxiuqinia*: A genus related to but distinct from the existing genus Sunxiuqinia of almost.

Paenisuperficieibacter

L. nan adverb *paene*, almost; L. masc. n. *Superficieibacter*, An existing genus; *Paenisuperficieibacter*: A genus related to but distinct from the existing genus Superficieibacter of almost.

Paenisutterella

L. nan adverb *paene*, almost; L. fem. dim. n. *Sutterella*, An existing genus; *Paenisutterella*: A genus related to but distinct from the existing genus Sutterella of almost.

Paenisuttonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Suttonella*, An existing genus; *Paenisuttonella*: A genus related to but distinct from the existing genus Suttonella of almost.

Paeniswaminathania

L. nan adverb *paene*, almost; L. fem. n. *Swaminathania*, An existing genus; *Paeniswaminathania*: A genus related to but distinct from the existing genus Swaminathania of almost.

Paeniswingsia

L. nan adverb *paene*, almost; L. fem. n. *Swingsia*, An existing genus; *Paeniswingsia*: A genus related to but distinct from the existing genus Swingsia of almost.

Paeniswionibacillus

L. nan adverb *paene*, almost; L. masc. n. *Swionibacillus*, An existing genus; *Paeniswionibacillus*: A genus related to but distinct from the existing genus Swionibacillus of almost.

Paenisymbiobacterium

L. nan adverb *paene*, almost; L. neut. n. *Symbiobacterium*, An existing genus; *Paenisymbiobacterium*: A genus related to but distinct from the existing genus Symbiobacterium of almost.

Paenisymbiotes

L. nan adverb *paene*, almost; L. masc. n. *Symbiotes*, An existing genus; *Paenisymbiotes*: A genus related to but distinct from the existing genus Symbiotes of almost.

Paenisynechocystis

L. nan adverb *paene*, almost; L. fem. n. *Synechocystis*, An existing genus; *Paenisynechocystis*: A genus related to but distinct from the existing genus Synechocystis of almost.

Paenisynergistes

L. nan adverb *paene*, almost; L. masc. n. *Synergistes*, An existing genus; *Paenisynergistes*: A genus related to but distinct from the existing genus Synergistes of almost.

Paenisyntrophaceticus

L. nan adverb *paene*, almost; L. masc. n. *Syntrophaceticus*, An existing genus; *Paenisyntrophaceticus*: A genus related to but distinct from the existing genus Syntrophaceticus of almost.

Paenisyntrophobacter

L. nan adverb *paene*, almost; L. masc. n. *Syntrophobacter*, An existing genus; *Paenisyntrophobacter*: A genus related to but distinct from the existing genus Syntrophobacter of almost.

Paenisyntrophobotulus

L. nan adverb *paene*, almost; L. masc. n. *Syntrophobotulus*, An existing genus; *Paenisyntrophobotulus*: A genus related to but distinct from the existing genus Syntrophobotulus of almost.

Paenisyntrophococcus

L. nan adverb *paene*, almost; L. masc. n. *Syntrophococcus*, An existing genus; *Paenisyntrophococcus*: A genus related to but distinct from the existing genus Syntrophococcus of almost.

Paenisyntrophomonas

L. nan adverb *paene*, almost; L. fem. n. *Syntrophomonas*, An existing genus; *Paenisyntrophomonas*: A genus related to but distinct from the existing genus Syntrophomonas of almost.

Paenisyntrophorhabdus

L. nan adverb *paene*, almost; L. fem. n. *Syntrophorhabdus*, An existing genus; *Paenisyntrophorhabdus*: A genus related to but distinct from the existing genus Syntrophorhabdus of almost.

Paenisyntrophospora

L. nan adverb *paene*, almost; L. fem. n. *Syntrophospora*, An existing genus; *Paenisyntrophospora*: A genus related to but distinct from the existing genus Syntrophospora of almost.

Paenisyntrophothermus

L. nan adverb *paene*, almost; L. masc. n. *Syntrophothermus*, An existing genus; *Paenisyntrophothermus*: A genus related to but distinct from the existing genus Syntrophothermus of almost.

Paenisyntrophus

L. nan adverb *paene*, almost; L. masc. n. *Syntrophus*, An existing genus; *Paenisyntrophus*: A genus related to but distinct from the existing genus Syntrophus of almost.

Paenitabrizicola

L. nan adverb *paene*, almost; L. fem. n. *Tabrizicola*, An existing genus; *Paenitabrizicola*: A genus related to but distinct from the existing genus Tabrizicola of almost.

Paenitaeania

L. nan adverb *paene*, almost; L. fem. n. *Taeania*, An existing genus; *Paenitaeania*: A genus related to but distinct from the existing genus Taeania of almost.

Paenitaeseokella

L. nan adverb *paene*, almost; L. fem. dim. n. *Taeseokella*, An existing genus; *Paenitaeseokella*: A genus related to but distinct from the existing genus Taeseokella of almost.

Paenitagaea

L. nan adverb *paene*, almost; L. fem. n. *Tagaea*, An existing genus; *Paenitagaea*: A genus related to but distinct from the existing genus Tagaea of almost.

Paenitahibacter

L. nan adverb *paene*, almost; L. masc. n. *Tahibacter*, An existing genus; *Paenitahibacter*: A genus related to but distinct from the existing genus Tahibacter of almost.

Paenitaibaiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Taibaiella*, An existing genus; *Paenitaibaiella*: A genus related to but distinct from the existing genus Taibaiella of almost.

Paenitamaricihabitans

L. nan adverb *paene*, almost; L. masc. n. *Tamaricihabitans*, An existing genus; *Paenitamaricihabitans*: A genus related to but distinct from the existing genus Tamaricihabitans of almost.

Paenitamilnaduibacter

L. nan adverb *paene*, almost; L. masc. n. *Tamilnaduibacter*, An existing genus; *Paenitamilnaduibacter*: A genus related to but distinct from the existing genus Tamilnaduibacter of almost.

Paenitamlana

L. nan adverb *paene*, almost; L. fem. n. *Tamlana*, An existing genus; *Paenitamlana*: A genus related to but distinct from the existing genus Tamlana of almost.

Paenitamlicoccus

L. nan adverb *paene*, almost; L. masc. n. *Tamlicoccus*, An existing genus; *Paenitamlicoccus*: A genus related to but distinct from the existing genus Tamlicoccus of almost.

Paenitangfeifania

L. nan adverb *paene*, almost; L. fem. n. *Tangfeifania*, An existing genus; *Paenitangfeifania*: A genus related to but distinct from the existing genus Tangfeifania of almost.

Paenitannerella

L. nan adverb *paene*, almost; L. fem. dim. n. *Tannerella*, An existing genus; *Paenitannerella*: A genus related to but distinct from the existing genus Tannerella of almost.

Paenitanticharoenia

L. nan adverb *paene*, almost; L. fem. n. *Tanticharoenia*, An existing genus; *Paenitanticharoenia*: A genus related to but distinct from the existing genus Tanticharoenia of almost.

Paenitaonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Taonella*, An existing genus; *Paenitaonella*: A genus related to but distinct from the existing genus Taonella of almost.

Paenitapinothrix

L. nan adverb *paene*, almost; L. fem. n. *Tapinothrix*, An existing genus; *Paenitapinothrix*: A genus related to but distinct from the existing genus Tapinothrix of almost.

Paenitardiphaga

L. nan adverb *paene*, almost; L. fem. n. *Tardiphaga*, An existing genus; *Paenitardiphaga*: A genus related to but distinct from the existing genus Tardiphaga of almost.

Paenitateyamaria

L. nan adverb *paene*, almost; L. fem. n. *Tateyamaria*, An existing genus; *Paenitateyamaria*: A genus related to but distinct from the existing genus Tateyamaria of almost.

Paenitatlockia

L. nan adverb *paene*, almost; L. fem. n. *Tatlockia*, An existing genus; *Paenitatlockia*: A genus related to but distinct from the existing genus Tatlockia of almost.

Paenitatumella

L. nan adverb *paene*, almost; L. fem. dim. n. *Tatumella*, An existing genus; *Paenitatumella*: A genus related to but distinct from the existing genus Tatumella of almost.

Paenitautonia

L. nan adverb *paene*, almost; L. fem. n. *Tautonia*, An existing genus; *Paenitautonia*: A genus related to but distinct from the existing genus Tautonia of almost.

Paenitaxeobacter

L. nan adverb *paene*, almost; L. masc. n. *Taxeobacter*, An existing genus; *Paenitaxeobacter*: A genus related to but distinct from the existing genus Taxeobacter of almost.

Paenitaylorella

L. nan adverb *paene*, almost; L. fem. dim. n. *Taylorella*, An existing genus; *Paenitaylorella*: A genus related to but distinct from the existing genus Taylorella of almost.

Paenitectibacter

L. nan adverb *paene*, almost; L. masc. n. *Tectibacter*, An existing genus; *Paenitectibacter*: A genus related to but distinct from the existing genus Tectibacter of almost.

Paeniteichococcus

L. nan adverb *paene*, almost; L. masc. n. *Teichococcus*, An existing genus; *Paeniteichococcus*: A genus related to but distinct from the existing genus Teichococcus of almost.

Paenitelluria

L. nan adverb *paene*, almost; L. fem. n. *Telluria*, An existing genus; *Paenitelluria*: A genus related to but distinct from the existing genus Telluria of almost.

Paenitellurimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Tellurimicrobium*, An existing genus; *Paenitellurimicrobium*: A genus related to but distinct from the existing genus Tellurimicrobium of almost.

Paenitellurirhabdus

L. nan adverb *paene*, almost; L. fem. n. *Tellurirhabdus*, An existing genus; *Paenitellurirhabdus*: A genus related to but distinct from the existing genus Tellurirhabdus of almost.

Paenitelmatobacter

L. nan adverb *paene*, almost; L. masc. n. *Telmatobacter*, An existing genus; *Paenitelmatobacter*: A genus related to but distinct from the existing genus Telmatobacter of almost.

Paenitelmatocola

L. nan adverb *paene*, almost; L. fem. n. *Telmatocola*, An existing genus; *Paenitelmatocola*: A genus related to but distinct from the existing genus Telmatocola of almost.

Paenitelmatospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Telmatospirillum*, An existing genus; *Paenitelmatospirillum*: A genus related to but distinct from the existing genus Telmatospirillum of almost.

Paenitemperatibacter

L. nan adverb *paene*, almost; L. masc. n. *Temperatibacter*, An existing genus; *Paenitemperatibacter*: A genus related to but distinct from the existing genus Temperatibacter of almost.

Paenitenacibaculum

L. nan adverb *paene*, almost; L. neut. n. *Tenacibaculum*, An existing genus; *Paenitenacibaculum*: A genus related to but distinct from the existing genus Tenacibaculum of almost.

Paenitenggerimyces

L. nan adverb *paene*, almost; L. masc. n. *Tenggerimyces*, An existing genus; *Paenitenggerimyces*: A genus related to but distinct from the existing genus Tenggerimyces of almost.

Paenitengunoibacter

L. nan adverb *paene*, almost; L. masc. n. *Tengunoibacter*, An existing genus; *Paenitengunoibacter*: A genus related to but distinct from the existing genus Tengunoibacter of almost.

Paenitenuibacillus

L. nan adverb *paene*, almost; L. masc. n. *Tenuibacillus*, An existing genus; *Paenitenuibacillus*: A genus related to but distinct from the existing genus Tenuibacillus of almost.

Paenitepidamorphus

L. nan adverb *paene*, almost; L. masc. n. *Tepidamorphus*, An existing genus; *Paenitepidamorphus*: A genus related to but distinct from the existing genus Tepidamorphus of almost.

Paenitepidanaerobacter

L. nan adverb *paene*, almost; L. masc. n. *Tepidanaerobacter*, An existing genus; *Paenitepidanaerobacter*: A genus related to but distinct from the existing genus Tepidanaerobacter of almost.

Paenitepidicaulis

L. nan adverb *paene*, almost; L. masc. n. *Tepidicaulis*, An existing genus; *Paenitepidicaulis*: A genus related to but distinct from the existing genus Tepidicaulis of almost.

Paenitepidicella

L. nan adverb *paene*, almost; L. fem. n. *Tepidicella*, An existing genus; *Paenitepidicella*: A genus related to but distinct from the existing genus Tepidicella of almost.

Paenitepidiforma

L. nan adverb *paene*, almost; L. fem. n. *Tepidiforma*, An existing genus; *Paenitepidiforma*: A genus related to but distinct from the existing genus Tepidiforma of almost.

Paenitepidimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Tepidimicrobium*, An existing genus; *Paenitepidimicrobium*: A genus related to but distinct from the existing genus Tepidimicrobium of almost.

Paenitepidiphilus

L. nan adverb *paene*, almost; L. masc. n. *Tepidiphilus*, An existing genus; *Paenitepidiphilus*: A genus related to but distinct from the existing genus Tepidiphilus of almost.

Paenitepidisphaera

L. nan adverb *paene*, almost; L. fem. n. *Tepidisphaera*, An existing genus; *Paenitepidisphaera*: A genus related to but distinct from the existing genus Tepidisphaera of almost.

Paeniterasakiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Terasakiella*, An existing genus; *Paeniterasakiella*: A genus related to but distinct from the existing genus Terasakiella of almost.

Paeniterasakiispira

L. nan adverb *paene*, almost; L. fem. n. *Terasakiispira*, An existing genus; *Paeniterasakiispira*: A genus related to but distinct from the existing genus Terasakiispira of almost.

Paeniteredinibacter

L. nan adverb *paene*, almost; L. masc. n. *Teredinibacter*, An existing genus; *Paeniteredinibacter*: A genus related to but distinct from the existing genus Teredinibacter of almost.

Paeniterrabacter

L. nan adverb *paene*, almost; L. masc. n. *Terrabacter*, An existing genus; *Paeniterrabacter*: A genus related to but distinct from the existing genus Terrabacter of almost.

Paeniterracidiphilus

L. nan adverb *paene*, almost; L. masc. n. *Terracidiphilus*, An existing genus; *Paeniterracidiphilus*: A genus related to but distinct from the existing genus Terracidiphilus of almost.

Paeniterracoccus

L. nan adverb *paene*, almost; L. masc. n. *Terracoccus*, An existing genus; *Paeniterracoccus*: A genus related to but distinct from the existing genus Terracoccus of almost.

Paeniterribacillus

L. nan adverb *paene*, almost; L. masc. n. *Terribacillus*, An existing genus; *Paeniterribacillus*: A genus related to but distinct from the existing genus Terribacillus of almost.

Paeniterriglobus

L. nan adverb *paene*, almost; L. masc. n. *Terriglobus*, An existing genus; *Paeniterriglobus*: A genus related to but distinct from the existing genus Terriglobus of almost.

Paeniterrilactibacillus

L. nan adverb *paene*, almost; L. masc. n. *Terrilactibacillus*, An existing genus; *Paeniterrilactibacillus*: A genus related to but distinct from the existing genus Terrilactibacillus of almost.

Paeniterrimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Terrimicrobium*, An existing genus; *Paeniterrimicrobium*: A genus related to but distinct from the existing genus Terrimicrobium of almost.

Paeniterrisporobacter

L. nan adverb *paene*, almost; L. masc. n. *Terrisporobacter*, An existing genus; *Paeniterrisporobacter*: A genus related to but distinct from the existing genus Terrisporobacter of almost.

Paenitersicoccus

L. nan adverb *paene*, almost; L. masc. n. *Tersicoccus*, An existing genus; *Paenitersicoccus*: A genus related to but distinct from the existing genus Tersicoccus of almost.

Paenitessaracoccus

L. nan adverb *paene*, almost; L. masc. n. *Tessaracoccus*, An existing genus; *Paenitessaracoccus*: A genus related to but distinct from the existing genus Tessaracoccus of almost.

Paenitestudinibacter

L. nan adverb *paene*, almost; L. masc. n. *Testudinibacter*, An existing genus; *Paenitestudinibacter*: A genus related to but distinct from the existing genus Testudinibacter of almost.

Paenitetracoccus

L. nan adverb *paene*, almost; L. masc. n. *Tetracoccus*, An existing genus; *Paenitetracoccus*: A genus related to but distinct from the existing genus Tetracoccus of almost.

Paenitetragenococcus

L. nan adverb *paene*, almost; L. masc. n. *Tetragenococcus*, An existing genus; *Paenitetragenococcus*: A genus related to but distinct from the existing genus Tetragenococcus of almost.

Paenitetrasphaera

L. nan adverb *paene*, almost; L. fem. n. *Tetrasphaera*, An existing genus; *Paenitetrasphaera*: A genus related to but distinct from the existing genus Tetrasphaera of almost.

Paenitetrathiobacter

L. nan adverb *paene*, almost; L. masc. n. *Tetrathiobacter*, An existing genus; *Paenitetrathiobacter*: A genus related to but distinct from the existing genus Tetrathiobacter of almost.

Paenitexcoconibacillus

L. nan adverb *paene*, almost; L. masc. n. *Texcoconibacillus*, An existing genus; *Paenitexcoconibacillus*: A genus related to but distinct from the existing genus Texcoconibacillus of almost.

Paenithalassobacillus

L. nan adverb *paene*, almost; L. masc. n. *Thalassobacillus*, An existing genus; *Paenithalassobacillus*: A genus related to but distinct from the existing genus Thalassobacillus of almost.

Paenithalassobacter

L. nan adverb *paene*, almost; L. masc. n. *Thalassobacter*, An existing genus; *Paenithalassobacter*: A genus related to but distinct from the existing genus Thalassobacter of almost.

Paenithalassobaculum

L. nan adverb *paene*, almost; L. neut. n. *Thalassobaculum*, An existing genus; *Paenithalassobaculum*: A genus related to but distinct from the existing genus Thalassobaculum of almost.

Paenithalassobius

L. nan adverb *paene*, almost; L. masc. n. *Thalassobius*, An existing genus; *Paenithalassobius*: A genus related to but distinct from the existing genus Thalassobius of almost.

Paenithalassocella

L. nan adverb *paene*, almost; L. fem. n. *Thalassocella*, An existing genus; *Paenithalassocella*: A genus related to but distinct from the existing genus Thalassocella of almost.

Paenithalassococcus

L. nan adverb *paene*, almost; L. masc. n. *Thalassococcus*, An existing genus; *Paenithalassococcus*: A genus related to but distinct from the existing genus Thalassococcus of almost.

Paenithalassocola

L. nan adverb *paene*, almost; L. fem. n. *Thalassocola*, An existing genus; *Paenithalassocola*: A genus related to but distinct from the existing genus Thalassocola of almost.

Paenithalassolituus

L. nan adverb *paene*, almost; L. masc. n. *Thalassolituus*, An existing genus; *Paenithalassolituus*: A genus related to but distinct from the existing genus Thalassolituus of almost.

Paenithalassomonas

L. nan adverb *paene*, almost; L. fem. n. *Thalassomonas*, An existing genus; *Paenithalassomonas*: A genus related to but distinct from the existing genus Thalassomonas of almost.

Paenithalassorhabdomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Thalassorhabdomicrobium*, An existing genus; *Paenithalassorhabdomicrobium*: A genus related to but distinct from the existing genus Thalassorhabdomicrobium of almost.

Paenithalassorhabdus

L. nan adverb *paene*, almost; L. fem. n. *Thalassorhabdus*, An existing genus; *Paenithalassorhabdus*: A genus related to but distinct from the existing genus Thalassorhabdus of almost.

Paenithalassospira

L. nan adverb *paene*, almost; L. fem. n. *Thalassospira*, An existing genus; *Paenithalassospira*: A genus related to but distinct from the existing genus Thalassospira of almost.

Paenithalassotalea

L. nan adverb *paene*, almost; L. fem. n. *Thalassotalea*, An existing genus; *Paenithalassotalea*: A genus related to but distinct from the existing genus Thalassotalea of almost.

Paenithauera

L. nan adverb *paene*, almost; L. fem. n. *Thauera*, An existing genus; *Paenithauera*: A genus related to but distinct from the existing genus Thauera of almost.

Paenithaumasiovibrio

L. nan adverb *paene*, almost; L. masc. n. *Thaumasiovibrio*, An existing genus; *Paenithaumasiovibrio*: A genus related to but distinct from the existing genus Thaumasiovibrio of almost.

Paenithermacetogenium

L. nan adverb *paene*, almost; L. neut. n. *Thermacetogenium*, An existing genus; *Paenithermacetogenium*: A genus related to but distinct from the existing genus Thermacetogenium of almost.

Paenithermaerobacter

L. nan adverb *paene*, almost; L. masc. n. *Thermaerobacter*, An existing genus; *Paenithermaerobacter*: A genus related to but distinct from the existing genus Thermaerobacter of almost.

Paenithermalkalibacillus

L. nan adverb *paene*, almost; L. masc. n. *Thermalkalibacillus*, An existing genus; *Paenithermalkalibacillus*: A genus related to but distinct from the existing genus Thermalkalibacillus of almost.

Paenithermanaeromonas

L. nan adverb *paene*, almost; L. fem. n. *Thermanaeromonas*, An existing genus; *Paenithermanaeromonas*: A genus related to but distinct from the existing genus Thermanaeromonas of almost.

Paenithermanaerothrix

L. nan adverb *paene*, almost; L. fem. n. *Thermanaerothrix*, An existing genus; *Paenithermanaerothrix*: A genus related to but distinct from the existing genus Thermanaerothrix of almost.

Paenithermanaerovibrio

L. nan adverb *paene*, almost; L. masc. n. *Thermanaerovibrio*, An existing genus; *Paenithermanaerovibrio*: A genus related to but distinct from the existing genus Thermanaerovibrio of almost.

Paenithermasporomyces

L. nan adverb *paene*, almost; L. masc. n. *Thermasporomyces*, An existing genus; *Paenithermasporomyces*: A genus related to but distinct from the existing genus Thermasporomyces of almost.

Paenithermaurantimonas

L. nan adverb *paene*, almost; L. fem. n. *Thermaurantimonas*, An existing genus; *Paenithermaurantimonas*: A genus related to but distinct from the existing genus Thermaurantimonas of almost.

Paenithermithiobacillus

L. nan adverb *paene*, almost; L. masc. n. *Thermithiobacillus*, An existing genus; *Paenithermithiobacillus*: A genus related to but distinct from the existing genus Thermithiobacillus of almost.

Paenithermoactinomyces

L. nan adverb *paene*, almost; L. masc. n. *Thermoactinomyces*, An existing genus; *Paenithermoactinomyces*: A genus related to but distinct from the existing genus Thermoactinomyces of almost.

Paenithermoactinospora

L. nan adverb *paene*, almost; L. fem. n. *Thermoactinospora*, An existing genus; *Paenithermoactinospora*: A genus related to but distinct from the existing genus Thermoactinospora of almost.

Paenithermoanaerobacter

L. nan adverb *paene*, almost; L. masc. n. *Thermoanaerobacter*, An existing genus; *Paenithermoanaerobacter*: A genus related to but distinct from the existing genus Thermoanaerobacter of almost.

Paenithermoanaerobacterium

L. nan adverb *paene*, almost; L. neut. n. *Thermoanaerobacterium*, An existing genus; *Paenithermoanaerobacterium*: A genus related to but distinct from the existing genus Thermoanaerobacterium of almost.

Paenithermoanaerobaculum

L. nan adverb *paene*, almost; L. neut. n. *Thermoanaerobaculum*, An existing genus; *Paenithermoanaerobaculum*: A genus related to but distinct from the existing genus Thermoanaerobaculum of almost.

Paenithermoanaerobium

L. nan adverb *paene*, almost; L. neut. n. *Thermoanaerobium*, An existing genus; *Paenithermoanaerobium*: A genus related to but distinct from the existing genus Thermoanaerobium of almost.

Paenithermobacillus

L. nan adverb *paene*, almost; L. masc. n. *Thermobacillus*, An existing genus; *Paenithermobacillus*: A genus related to but distinct from the existing genus Thermobacillus of almost.

Paenithermobacteroides

L. nan adverb *paene*, almost; L. masc. n. *Thermobacteroides*, An existing genus; *Paenithermobacteroides*: A genus related to but distinct from the existing genus Thermobacteroides of almost.

Paenithermobifida

L. nan adverb *paene*, almost; L. fem. n. *Thermobifida*, An existing genus; *Paenithermobifida*: A genus related to but distinct from the existing genus Thermobifida of almost.

Paenithermobispora

L. nan adverb *paene*, almost; L. fem. n. *Thermobispora*, An existing genus; *Paenithermobispora*: A genus related to but distinct from the existing genus Thermobispora of almost.

Paenithermobrachium

L. nan adverb *paene*, almost; L. neut. n. *Thermobrachium*, An existing genus; *Paenithermobrachium*: A genus related to but distinct from the existing genus Thermobrachium of almost.

Paenithermocatellispora

L. nan adverb *paene*, almost; L. fem. n. *Thermocatellispora*, An existing genus; *Paenithermocatellispora*: A genus related to but distinct from the existing genus Thermocatellispora of almost.

Paenithermochromatium

L. nan adverb *paene*, almost; L. neut. n. *Thermochromatium*, An existing genus; *Paenithermochromatium*: A genus related to but distinct from the existing genus Thermochromatium of almost.

Paenithermocladium

L. nan adverb *paene*, almost; L. neut. dim. n. *Thermocladium*, An existing genus; *Paenithermocladium*: A genus related to but distinct from the existing genus Thermocladium of almost.

Paenithermoclostridium

L. nan adverb *paene*, almost; L. neut. dim. n. *Thermoclostridium*, An existing genus; *Paenithermoclostridium*: A genus related to but distinct from the existing genus Thermoclostridium of almost.

Paenithermococcoides

L. nan adverb *paene*, almost; L. masc. n. *Thermococcoides*, An existing genus; *Paenithermococcoides*: A genus related to but distinct from the existing genus Thermococcoides of almost.

Paenithermococcus

L. nan adverb *paene*, almost; L. masc. n. *Thermococcus*, An existing genus; *Paenithermococcus*: A genus related to but distinct from the existing genus Thermococcus of almost.

Paenithermocrinis

L. nan adverb *paene*, almost; L. masc. n. *Thermocrinis*, An existing genus; *Paenithermocrinis*: A genus related to but distinct from the existing genus Thermocrinis of almost.

Paenithermocrispum

L. nan adverb *paene*, almost; L. neut. n. *Thermocrispum*, An existing genus; *Paenithermocrispum*: A genus related to but distinct from the existing genus Thermocrispum of almost.

Paenithermodesulfatator

L. nan adverb *paene*, almost; L. masc. n. *Thermodesulfatator*, An existing genus; *Paenithermodesulfatator*: A genus related to but distinct from the existing genus Thermodesulfatator of almost.

Paenithermodesulfitimonas

L. nan adverb *paene*, almost; L. fem. n. *Thermodesulfitimonas*, An existing genus; *Paenithermodesulfitimonas*: A genus related to but distinct from the existing genus Thermodesulfitimonas of almost.

Paenithermodesulfobacterium

L. nan adverb *paene*, almost; L. neut. n. *Thermodesulfobacterium*, An existing genus; *Paenithermodesulfobacterium*: A genus related to but distinct from the existing genus Thermodesulfobacterium of almost.

Paenithermodesulfobium

L. nan adverb *paene*, almost; L. neut. n. *Thermodesulfobium*, An existing genus; *Paenithermodesulfobium*: A genus related to but distinct from the existing genus Thermodesulfobium of almost.

Paenithermodesulforhabdus

L. nan adverb *paene*, almost; L. fem. n. *Thermodesulforhabdus*, An existing genus; *Paenithermodesulforhabdus*: A genus related to but distinct from the existing genus Thermodesulforhabdus of almost.

Paenithermodesulfovibrio

L. nan adverb *paene*, almost; L. masc. n. *Thermodesulfovibrio*, An existing genus; *Paenithermodesulfovibrio*: A genus related to but distinct from the existing genus Thermodesulfovibrio of almost.

Paenithermodiscus

L. nan adverb *paene*, almost; L. masc. n. *Thermodiscus*, An existing genus; *Paenithermodiscus*: A genus related to but distinct from the existing genus Thermodiscus of almost.

Paenithermofilum

L. nan adverb *paene*, almost; L. neut. n. *Thermofilum*, An existing genus; *Paenithermofilum*: A genus related to but distinct from the existing genus Thermofilum of almost.

Paenithermoflavifilum

L. nan adverb *paene*, almost; L. neut. n. *Thermoflavifilum*, An existing genus; *Paenithermoflavifilum*: A genus related to but distinct from the existing genus Thermoflavifilum of almost.

Paenithermoflavimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Thermoflavimicrobium*, An existing genus; *Paenithermoflavimicrobium*: A genus related to but distinct from the existing genus Thermoflavimicrobium of almost.

Paenithermoflexibacter

L. nan adverb *paene*, almost; L. masc. n. *Thermoflexibacter*, An existing genus; *Paenithermoflexibacter*: A genus related to but distinct from the existing genus Thermoflexibacter of almost.

Paenithermoflexus

L. nan adverb *paene*, almost; L. masc. n. *Thermoflexus*, An existing genus; *Paenithermoflexus*: A genus related to but distinct from the existing genus Thermoflexus of almost.

Paenithermogemmatispora

L. nan adverb *paene*, almost; L. fem. n. *Thermogemmatispora*, An existing genus; *Paenithermogemmatispora*: A genus related to but distinct from the existing genus Thermogemmatispora of almost.

Paenithermogladius

L. nan adverb *paene*, almost; L. masc. n. *Thermogladius*, An existing genus; *Paenithermogladius*: A genus related to but distinct from the existing genus Thermogladius of almost.

Paenithermogutta

L. nan adverb *paene*, almost; L. fem. n. *Thermogutta*, An existing genus; *Paenithermogutta*: A genus related to but distinct from the existing genus Thermogutta of almost.

Paenithermogymnomonas

L. nan adverb *paene*, almost; L. fem. n. *Thermogymnomonas*, An existing genus; *Paenithermogymnomonas*: A genus related to but distinct from the existing genus Thermogymnomonas of almost.

Paenithermohalobacter

L. nan adverb *paene*, almost; L. masc. n. *Thermohalobacter*, An existing genus; *Paenithermohalobacter*: A genus related to but distinct from the existing genus Thermohalobacter of almost.

Paenithermohydrogenium

L. nan adverb *paene*, almost; L. neut. n. *Thermohydrogenium*, An existing genus; *Paenithermohydrogenium*: A genus related to but distinct from the existing genus Thermohydrogenium of almost.

Paenithermoleophilum

L. nan adverb *paene*, almost; L. neut. n. *Thermoleophilum*, An existing genus; *Paenithermoleophilum*: A genus related to but distinct from the existing genus Thermoleophilum of almost.

Paenithermoleptolyngbya

L. nan adverb *paene*, almost; L. fem. n. *Thermoleptolyngbya*, An existing genus; *Paenithermoleptolyngbya*: A genus related to but distinct from the existing genus Thermoleptolyngbya of almost.

Paenithermolithobacter

L. nan adverb *paene*, almost; L. masc. n. *Thermolithobacter*, An existing genus; *Paenithermolithobacter*: A genus related to but distinct from the existing genus Thermolithobacter of almost.

Paenithermolongibacillus

L. nan adverb *paene*, almost; L. masc. n. *Thermolongibacillus*, An existing genus; *Paenithermolongibacillus*: A genus related to but distinct from the existing genus Thermolongibacillus of almost.

Paenithermomarinilinea

L. nan adverb *paene*, almost; L. fem. n. *Thermomarinilinea*, An existing genus; *Paenithermomarinilinea*: A genus related to but distinct from the existing genus Thermomarinilinea of almost.

Paenithermomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Thermomicrobium*, An existing genus; *Paenithermomicrobium*: A genus related to but distinct from the existing genus Thermomicrobium of almost.

Paenithermomonas

L. nan adverb *paene*, almost; L. fem. n. *Thermomonas*, An existing genus; *Paenithermomonas*: A genus related to but distinct from the existing genus Thermomonas of almost.

Paenithermomonospora

L. nan adverb *paene*, almost; L. fem. n. *Thermomonospora*, An existing genus; *Paenithermomonospora*: A genus related to but distinct from the existing genus Thermomonospora of almost.

Paenithermonema

L. nan adverb *paene*, almost; L. neut. n. *Thermonema*, An existing genus; *Paenithermonema*: A genus related to but distinct from the existing genus Thermonema of almost.

Paenithermophagus

L. nan adverb *paene*, almost; L. masc. n. *Thermophagus*, An existing genus; *Paenithermophagus*: A genus related to but distinct from the existing genus Thermophagus of almost.

Paenithermoplasma

L. nan adverb *paene*, almost; L. neut. n. *Thermoplasma*, An existing genus; *Paenithermoplasma*: A genus related to but distinct from the existing genus Thermoplasma of almost.

Paenithermopolyspora

L. nan adverb *paene*, almost; L. fem. n. *Thermopolyspora*, An existing genus; *Paenithermopolyspora*: A genus related to but distinct from the existing genus Thermopolyspora of almost.

Paenithermoproteus

L. nan adverb *paene*, almost; L. masc. n. *Thermoproteus*, An existing genus; *Paenithermoproteus*: A genus related to but distinct from the existing genus Thermoproteus of almost.

Paenithermorudis

L. nan adverb *paene*, almost; L. fem. n. *Thermorudis*, An existing genus; *Paenithermorudis*: A genus related to but distinct from the existing genus Thermorudis of almost.

Paenithermosediminibacter

L. nan adverb *paene*, almost; L. masc. n. *Thermosediminibacter*, An existing genus; *Paenithermosediminibacter*: A genus related to but distinct from the existing genus Thermosediminibacter of almost.

Paenithermosinus

L. nan adverb *paene*, almost; L. masc. n. *Thermosinus*, An existing genus; *Paenithermosinus*: A genus related to but distinct from the existing genus Thermosinus of almost.

Paenithermosipho

L. nan adverb *paene*, almost; L. masc. n. *Thermosipho*, An existing genus; *Paenithermosipho*: A genus related to but distinct from the existing genus Thermosipho of almost.

Paenithermosphaera

L. nan adverb *paene*, almost; L. fem. n. *Thermosphaera*, An existing genus; *Paenithermosphaera*: A genus related to but distinct from the existing genus Thermosphaera of almost.

Paenithermosporothrix

L. nan adverb *paene*, almost; L. fem. n. *Thermosporothrix*, An existing genus; *Paenithermosporothrix*: A genus related to but distinct from the existing genus Thermosporothrix of almost.

Paenithermostaphylospora

L. nan adverb *paene*, almost; L. fem. n. *Thermostaphylospora*, An existing genus; *Paenithermostaphylospora*: A genus related to but distinct from the existing genus Thermostaphylospora of almost.

Paenithermostilla

L. nan adverb *paene*, almost; L. fem. n. *Thermostilla*, An existing genus; *Paenithermostilla*: A genus related to but distinct from the existing genus Thermostilla of almost.

Paenithermosulfidibacter

L. nan adverb *paene*, almost; L. masc. n. *Thermosulfidibacter*, An existing genus; *Paenithermosulfidibacter*: A genus related to but distinct from the existing genus Thermosulfidibacter of almost.

Paenithermosulfurimonas

L. nan adverb *paene*, almost; L. fem. n. *Thermosulfurimonas*, An existing genus; *Paenithermosulfurimonas*: A genus related to but distinct from the existing genus Thermosulfurimonas of almost.

Paenithermosulfuriphilus

L. nan adverb *paene*, almost; L. masc. n. *Thermosulfuriphilus*, An existing genus; *Paenithermosulfuriphilus*: A genus related to but distinct from the existing genus Thermosulfuriphilus of almost.

Paenithermosyntropha

L. nan adverb *paene*, almost; L. fem. n. *Thermosyntropha*, An existing genus; *Paenithermosyntropha*: A genus related to but distinct from the existing genus Thermosyntropha of almost.

Paenithermotalea

L. nan adverb *paene*, almost; L. fem. n. *Thermotalea*, An existing genus; *Paenithermotalea*: A genus related to but distinct from the existing genus Thermotalea of almost.

Paenithermoterrabacterium

L. nan adverb *paene*, almost; L. neut. n. *Thermoterrabacterium*, An existing genus; *Paenithermoterrabacterium*: A genus related to but distinct from the existing genus Thermoterrabacterium of almost.

Paenithermotoga

L. nan adverb *paene*, almost; L. fem. n. *Thermotoga*, An existing genus; *Paenithermotoga*: A genus related to but distinct from the existing genus Thermotoga of almost.

Paenithermotomaculum

L. nan adverb *paene*, almost; L. neut. n. *Thermotomaculum*, An existing genus; *Paenithermotomaculum*: A genus related to but distinct from the existing genus Thermotomaculum of almost.

Paenithermotunica

L. nan adverb *paene*, almost; L. fem. n. *Thermotunica*, An existing genus; *Paenithermotunica*: A genus related to but distinct from the existing genus Thermotunica of almost.

Paenithermovenabulum

L. nan adverb *paene*, almost; L. neut. n. *Thermovenabulum*, An existing genus; *Paenithermovenabulum*: A genus related to but distinct from the existing genus Thermovenabulum of almost.

Paenithermovibrio

L. nan adverb *paene*, almost; L. masc. n. *Thermovibrio*, An existing genus; *Paenithermovibrio*: A genus related to but distinct from the existing genus Thermovibrio of almost.

Paenithermovirga

L. nan adverb *paene*, almost; L. fem. n. *Thermovirga*, An existing genus; *Paenithermovirga*: A genus related to but distinct from the existing genus Thermovirga of almost.

Paenithermovorax

L. nan adverb *paene*, almost; L. masc. n. *Thermovorax*, An existing genus; *Paenithermovorax*: A genus related to but distinct from the existing genus Thermovorax of almost.

Paenithermovum

L. nan adverb *paene*, almost; L. neut. n. *Thermovum*, An existing genus; *Paenithermovum*: A genus related to but distinct from the existing genus Thermovum of almost.

Paenithermus

L. nan adverb *paene*, almost; L. masc. n. *Thermus*, An existing genus; *Paenithermus*: A genus related to but distinct from the existing genus Thermus of almost.

Paenithioalbus

L. nan adverb *paene*, almost; L. masc. n. *Thioalbus*, An existing genus; *Paenithioalbus*: A genus related to but distinct from the existing genus Thioalbus of almost.

Paenithioalkalibacter

L. nan adverb *paene*, almost; L. masc. n. *Thioalkalibacter*, An existing genus; *Paenithioalkalibacter*: A genus related to but distinct from the existing genus Thioalkalibacter of almost.

Paenithioalkalicoccus

L. nan adverb *paene*, almost; L. masc. n. *Thioalkalicoccus*, An existing genus; *Paenithioalkalicoccus*: A genus related to but distinct from the existing genus Thioalkalicoccus of almost.

Paenithioalkalimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Thioalkalimicrobium*, An existing genus; *Paenithioalkalimicrobium*: A genus related to but distinct from the existing genus Thioalkalimicrobium of almost.

Paenithioalkalispira

L. nan adverb *paene*, almost; L. fem. n. *Thioalkalispira*, An existing genus; *Paenithioalkalispira*: A genus related to but distinct from the existing genus Thioalkalispira of almost.

Paenithioalkalivibrio

L. nan adverb *paene*, almost; L. masc. n. *Thioalkalivibrio*, An existing genus; *Paenithioalkalivibrio*: A genus related to but distinct from the existing genus Thioalkalivibrio of almost.

Paenithiobaca

L. nan adverb *paene*, almost; L. fem. n. *Thiobaca*, An existing genus; *Paenithiobaca*: A genus related to but distinct from the existing genus Thiobaca of almost.

Paenithiobacillus

L. nan adverb *paene*, almost; L. masc. n. *Thiobacillus*, An existing genus; *Paenithiobacillus*: A genus related to but distinct from the existing genus Thiobacillus of almost.

Paenithiobacimonas

L. nan adverb *paene*, almost; L. fem. n. *Thiobacimonas*, An existing genus; *Paenithiobacimonas*: A genus related to but distinct from the existing genus Thiobacimonas of almost.

Paenithiobacterium

L. nan adverb *paene*, almost; L. neut. n. *Thiobacterium*, An existing genus; *Paenithiobacterium*: A genus related to but distinct from the existing genus Thiobacterium of almost.

Paenithiocapsa

L. nan adverb *paene*, almost; L. fem. n. *Thiocapsa*, An existing genus; *Paenithiocapsa*: A genus related to but distinct from the existing genus Thiocapsa of almost.

Paenithioclava

L. nan adverb *paene*, almost; L. fem. n. *Thioclava*, An existing genus; *Paenithioclava*: A genus related to but distinct from the existing genus Thioclava of almost.

Paenithiococcus

L. nan adverb *paene*, almost; L. masc. n. *Thiococcus*, An existing genus; *Paenithiococcus*: A genus related to but distinct from the existing genus Thiococcus of almost.

Paenithiocystis

L. nan adverb *paene*, almost; L. fem. n. *Thiocystis*, An existing genus; *Paenithiocystis*: A genus related to but distinct from the existing genus Thiocystis of almost.

Paenithiodictyon

L. nan adverb *paene*, almost; L. neut. n. *Thiodictyon*, An existing genus; *Paenithiodictyon*: A genus related to but distinct from the existing genus Thiodictyon of almost.

Paenithiofaba

L. nan adverb *paene*, almost; L. fem. n. *Thiofaba*, An existing genus; *Paenithiofaba*: A genus related to but distinct from the existing genus Thiofaba of almost.

Paenithiofilum

L. nan adverb *paene*, almost; L. neut. n. *Thiofilum*, An existing genus; *Paenithiofilum*: A genus related to but distinct from the existing genus Thiofilum of almost.

Paenithioflavicoccus

L. nan adverb *paene*, almost; L. masc. n. *Thioflavicoccus*, An existing genus; *Paenithioflavicoccus*: A genus related to but distinct from the existing genus Thioflavicoccus of almost.

Paenithioflexithrix

L. nan adverb *paene*, almost; L. fem. n. *Thioflexithrix*, An existing genus; *Paenithioflexithrix*: A genus related to but distinct from the existing genus Thioflexithrix of almost.

Paenithiofractor

L. nan adverb *paene*, almost; L. masc. n. *Thiofractor*, An existing genus; *Paenithiofractor*: A genus related to but distinct from the existing genus Thiofractor of almost.

Paenithiohalobacter

L. nan adverb *paene*, almost; L. masc. n. *Thiohalobacter*, An existing genus; *Paenithiohalobacter*: A genus related to but distinct from the existing genus Thiohalobacter of almost.

Paenithiohalocapsa

L. nan adverb *paene*, almost; L. fem. n. *Thiohalocapsa*, An existing genus; *Paenithiohalocapsa*: A genus related to but distinct from the existing genus Thiohalocapsa of almost.

Paenithiohalomonas

L. nan adverb *paene*, almost; L. fem. n. *Thiohalomonas*, An existing genus; *Paenithiohalomonas*: A genus related to but distinct from the existing genus Thiohalomonas of almost.

Paenithiohalophilus

L. nan adverb *paene*, almost; L. masc. n. *Thiohalophilus*, An existing genus; *Paenithiohalophilus*: A genus related to but distinct from the existing genus Thiohalophilus of almost.

Paenithiohalorhabdus

L. nan adverb *paene*, almost; L. fem. n. *Thiohalorhabdus*, An existing genus; *Paenithiohalorhabdus*: A genus related to but distinct from the existing genus Thiohalorhabdus of almost.

Paenithiohalospira

L. nan adverb *paene*, almost; L. fem. n. *Thiohalospira*, An existing genus; *Paenithiohalospira*: A genus related to but distinct from the existing genus Thiohalospira of almost.

Paenithiolamprovum

L. nan adverb *paene*, almost; L. neut. n. *Thiolamprovum*, An existing genus; *Paenithiolamprovum*: A genus related to but distinct from the existing genus Thiolamprovum of almost.

Paenithiolapillus

L. nan adverb *paene*, almost; L. masc. n. *Thiolapillus*, An existing genus; *Paenithiolapillus*: A genus related to but distinct from the existing genus Thiolapillus of almost.

Paenithiolinea

L. nan adverb *paene*, almost; L. fem. n. *Thiolinea*, An existing genus; *Paenithiolinea*: A genus related to but distinct from the existing genus Thiolinea of almost.

Paenithiomargarita

L. nan adverb *paene*, almost; L. fem. n. *Thiomargarita*, An existing genus; *Paenithiomargarita*: A genus related to but distinct from the existing genus Thiomargarita of almost.

Paenithiomicrorhabdus

L. nan adverb *paene*, almost; L. fem. n. *Thiomicrorhabdus*, An existing genus; *Paenithiomicrorhabdus*: A genus related to but distinct from the existing genus Thiomicrorhabdus of almost.

Paenithiomicrospira

L. nan adverb *paene*, almost; L. fem. n. *Thiomicrospira*, An existing genus; *Paenithiomicrospira*: A genus related to but distinct from the existing genus Thiomicrospira of almost.

Paenithiomonas

L. nan adverb *paene*, almost; L. fem. n. *Thiomonas*, An existing genus; *Paenithiomonas*: A genus related to but distinct from the existing genus Thiomonas of almost.

Paenithiopedia

L. nan adverb *paene*, almost; L. fem. n. *Thiopedia*, An existing genus; *Paenithiopedia*: A genus related to but distinct from the existing genus Thiopedia of almost.

Paenithiophaeococcus

L. nan adverb *paene*, almost; L. masc. n. *Thiophaeococcus*, An existing genus; *Paenithiophaeococcus*: A genus related to but distinct from the existing genus Thiophaeococcus of almost.

Paenithioploca

L. nan adverb *paene*, almost; L. fem. n. *Thioploca*, An existing genus; *Paenithioploca*: A genus related to but distinct from the existing genus Thioploca of almost.

Paenithioprofundum

L. nan adverb *paene*, almost; L. neut. n. *Thioprofundum*, An existing genus; *Paenithioprofundum*: A genus related to but distinct from the existing genus Thioprofundum of almost.

Paenithiopseudomonas

L. nan adverb *paene*, almost; L. fem. n. *Thiopseudomonas*, An existing genus; *Paenithiopseudomonas*: A genus related to but distinct from the existing genus Thiopseudomonas of almost.

Paenithioreductor

L. nan adverb *paene*, almost; L. masc. n. *Thioreductor*, An existing genus; *Paenithioreductor*: A genus related to but distinct from the existing genus Thioreductor of almost.

Paenithiorhodococcus

L. nan adverb *paene*, almost; L. masc. n. *Thiorhodococcus*, An existing genus; *Paenithiorhodococcus*: A genus related to but distinct from the existing genus Thiorhodococcus of almost.

Paenithiorhodospira

L. nan adverb *paene*, almost; L. fem. n. *Thiorhodospira*, An existing genus; *Paenithiorhodospira*: A genus related to but distinct from the existing genus Thiorhodospira of almost.

Paenithiorhodovibrio

L. nan adverb *paene*, almost; L. masc. n. *Thiorhodovibrio*, An existing genus; *Paenithiorhodovibrio*: A genus related to but distinct from the existing genus Thiorhodovibrio of almost.

Paenithiosocius

L. nan adverb *paene*, almost; L. masc. n. *Thiosocius*, An existing genus; *Paenithiosocius*: A genus related to but distinct from the existing genus Thiosocius of almost.

Paenithiosphaera

L. nan adverb *paene*, almost; L. fem. n. *Thiosphaera*, An existing genus; *Paenithiosphaera*: A genus related to but distinct from the existing genus Thiosphaera of almost.

Paenithiospira

L. nan adverb *paene*, almost; L. fem. n. *Thiospira*, An existing genus; *Paenithiospira*: A genus related to but distinct from the existing genus Thiospira of almost.

Paenithiospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Thiospirillum*, An existing genus; *Paenithiospirillum*: A genus related to but distinct from the existing genus Thiospirillum of almost.

Paenithiothrix

L. nan adverb *paene*, almost; L. fem. n. *Thiothrix*, An existing genus; *Paenithiothrix*: A genus related to but distinct from the existing genus Thiothrix of almost.

Paenithiovulum

L. nan adverb *paene*, almost; L. neut. n. *Thiovulum*, An existing genus; *Paenithiovulum*: A genus related to but distinct from the existing genus Thiovulum of almost.

Paenithorsellia

L. nan adverb *paene*, almost; L. fem. n. *Thorsellia*, An existing genus; *Paenithorsellia*: A genus related to but distinct from the existing genus Thorsellia of almost.

Paenitianweitania

L. nan adverb *paene*, almost; L. fem. n. *Tianweitania*, An existing genus; *Paenitianweitania*: A genus related to but distinct from the existing genus Tianweitania of almost.

Paenitibeticola

L. nan adverb *paene*, almost; L. masc. n. *Tibeticola*, An existing genus; *Paenitibeticola*: A genus related to but distinct from the existing genus Tibeticola of almost.

Paenitildeniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Tildeniella*, An existing genus; *Paenitildeniella*: A genus related to but distinct from the existing genus Tildeniella of almost.

Paenitimaviella

L. nan adverb *paene*, almost; L. fem. n. *Timaviella*, An existing genus; *Paenitimaviella*: A genus related to but distinct from the existing genus Timaviella of almost.

Paenitimonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Timonella*, An existing genus; *Paenitimonella*: A genus related to but distinct from the existing genus Timonella of almost.

Paenitindallia

L. nan adverb *paene*, almost; L. fem. n. *Tindallia*, An existing genus; *Paenitindallia*: A genus related to but distinct from the existing genus Tindallia of almost.

Paenitissierella

L. nan adverb *paene*, almost; L. fem. dim. n. *Tissierella*, An existing genus; *Paenitissierella*: A genus related to but distinct from the existing genus Tissierella of almost.

Paenitistlia

L. nan adverb *paene*, almost; L. fem. n. *Tistlia*, An existing genus; *Paenitistlia*: A genus related to but distinct from the existing genus Tistlia of almost.

Paenitistrella

L. nan adverb *paene*, almost; L. fem. dim. n. *Tistrella*, An existing genus; *Paenitistrella*: A genus related to but distinct from the existing genus Tistrella of almost.

Paenititanospirillum

L. nan adverb *paene*, almost; L. neut. dim. n. *Titanospirillum*, An existing genus; *Paenititanospirillum*: A genus related to but distinct from the existing genus Titanospirillum of almost.

Paenitolumonas

L. nan adverb *paene*, almost; L. fem. n. *Tolumonas*, An existing genus; *Paenitolumonas*: A genus related to but distinct from the existing genus Tolumonas of almost.

Paenitomitella

L. nan adverb *paene*, almost; L. fem. dim. n. *Tomitella*, An existing genus; *Paenitomitella*: A genus related to but distinct from the existing genus Tomitella of almost.

Paenitonsilliphilus

L. nan adverb *paene*, almost; L. masc. n. *Tonsilliphilus*, An existing genus; *Paenitonsilliphilus*: A genus related to but distinct from the existing genus Tonsilliphilus of almost.

Paenitoxifilum

L. nan adverb *paene*, almost; L. neut. n. *Toxifilum*, An existing genus; *Paenitoxifilum*: A genus related to but distinct from the existing genus Toxifilum of almost.

Paenitoxopsis

L. nan adverb *paene*, almost; L. fem. n. *Toxopsis*, An existing genus; *Paenitoxopsis*: A genus related to but distinct from the existing genus Toxopsis of almost.

Paenitoxothrix

L. nan adverb *paene*, almost; L. fem. n. *Toxothrix*, An existing genus; *Paenitoxothrix*: A genus related to but distinct from the existing genus Toxothrix of almost.

Paenitrabulsiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Trabulsiella*, An existing genus; *Paenitrabulsiella*: A genus related to but distinct from the existing genus Trabulsiella of almost.

Paenitranquillimonas

L. nan adverb *paene*, almost; L. fem. n. *Tranquillimonas*, An existing genus; *Paenitranquillimonas*: A genus related to but distinct from the existing genus Tranquillimonas of almost.

Paenitraorella

L. nan adverb *paene*, almost; L. fem. dim. n. *Traorella*, An existing genus; *Paenitraorella*: A genus related to but distinct from the existing genus Traorella of almost.

Paenitreponema

L. nan adverb *paene*, almost; L. neut. n. *Treponema*, An existing genus; *Paenitreponema*: A genus related to but distinct from the existing genus Treponema of almost.

Paenitrichlorobacter

L. nan adverb *paene*, almost; L. masc. n. *Trichlorobacter*, An existing genus; *Paenitrichlorobacter*: A genus related to but distinct from the existing genus Trichlorobacter of almost.

Paenitrichococcus

L. nan adverb *paene*, almost; L. masc. n. *Trichococcus*, An existing genus; *Paenitrichococcus*: A genus related to but distinct from the existing genus Trichococcus of almost.

Paenitrinickia

L. nan adverb *paene*, almost; L. fem. n. *Trinickia*, An existing genus; *Paenitrinickia*: A genus related to but distinct from the existing genus Trinickia of almost.

Paenitritonibacter

L. nan adverb *paene*, almost; L. masc. n. *Tritonibacter*, An existing genus; *Paenitritonibacter*: A genus related to but distinct from the existing genus Tritonibacter of almost.

Paenitropheryma

L. nan adverb *paene*, almost; L. neut. n. *Tropheryma*, An existing genus; *Paenitropheryma*: A genus related to but distinct from the existing genus Tropheryma of almost.

Paenitropicibacter

L. nan adverb *paene*, almost; L. masc. n. *Tropicibacter*, An existing genus; *Paenitropicibacter*: A genus related to but distinct from the existing genus Tropicibacter of almost.

Paenitropicihabitans

L. nan adverb *paene*, almost; L. masc. n. *Tropicihabitans*, An existing genus; *Paenitropicihabitans*: A genus related to but distinct from the existing genus Tropicihabitans of almost.

Paenitropicimonas

L. nan adverb *paene*, almost; L. fem. n. *Tropicimonas*, An existing genus; *Paenitropicimonas*: A genus related to but distinct from the existing genus Tropicimonas of almost.

Paenitruepera

L. nan adverb *paene*, almost; L. fem. n. *Truepera*, An existing genus; *Paenitruepera*: A genus related to but distinct from the existing genus Truepera of almost.

Paenitrueperella

L. nan adverb *paene*, almost; L. fem. dim. n. *Trueperella*, An existing genus; *Paenitrueperella*: A genus related to but distinct from the existing genus Trueperella of almost.

Paenitsukamurella

L. nan adverb *paene*, almost; L. fem. dim. n. *Tsukamurella*, An existing genus; *Paenitsukamurella*: A genus related to but distinct from the existing genus Tsukamurella of almost.

Paenituberibacillus

L. nan adverb *paene*, almost; L. masc. n. *Tuberibacillus*, An existing genus; *Paenituberibacillus*: A genus related to but distinct from the existing genus Tuberibacillus of almost.

Paenitullyiplasma

L. nan adverb *paene*, almost; L. neut. n. *Tullyiplasma*, An existing genus; *Paenitullyiplasma*: A genus related to but distinct from the existing genus Tullyiplasma of almost.

Paenitumebacillus

L. nan adverb *paene*, almost; L. masc. n. *Tumebacillus*, An existing genus; *Paenitumebacillus*: A genus related to but distinct from the existing genus Tumebacillus of almost.

Paenitundrisphaera

L. nan adverb *paene*, almost; L. fem. n. *Tundrisphaera*, An existing genus; *Paenitundrisphaera*: A genus related to but distinct from the existing genus Tundrisphaera of almost.

Paenitunicatimonas

L. nan adverb *paene*, almost; L. fem. n. *Tunicatimonas*, An existing genus; *Paenitunicatimonas*: A genus related to but distinct from the existing genus Tunicatimonas of almost.

Paeniturícella

L. nan adverb *paene*, almost; L. fem. dim. n. *Turicella*, An existing genus; *Paeniturícella*: A genus related to but distinct from the existing genus Turicella of almost.

Paenituricibacter

L. nan adverb *paene*, almost; L. masc. n. *Turicibacter*, An existing genus; *Paenituricibacter*: A genus related to but distinct from the existing genus Turicibacter of almost.

Paenituricimonas

L. nan adverb *paene*, almost; L. fem. n. *Turicimonas*, An existing genus; *Paenituricimonas*: A genus related to but distinct from the existing genus Turicimonas of almost.

Paeniturneriella

L. nan adverb *paene*, almost; L. fem. dim. n. *Turneriella*, An existing genus; *Paeniturneriella*: A genus related to but distinct from the existing genus Turneriella of almost.

Paenituwongella

L. nan adverb *paene*, almost; L. fem. dim. n. *Tuwongella*, An existing genus; *Paenituwongella*: A genus related to but distinct from the existing genus Tuwongella of almost.

Paeniuliginosibacterium

L. nan adverb *paene*, almost; L. neut. n. *Uliginosibacterium*, An existing genus; *Paeniuliginosibacterium*: A genus related to but distinct from the existing genus Uliginosibacterium of almost.

Paeniulvibacter

L. nan adverb *paene*, almost; L. masc. n. *Ulvibacter*, An existing genus; *Paeniulvibacter*: A genus related to but distinct from the existing genus Ulvibacter of almost.

Paeniulvibacterium

L. nan adverb *paene*, almost; L. neut. n. *Ulvibacterium*, An existing genus; *Paeniulvibacterium*: A genus related to but distinct from the existing genus Ulvibacterium of almost.

Paeniumboniibacter

L. nan adverb *paene*, almost; L. masc. n. *Umboniibacter*, An existing genus; *Paeniumboniibacter*: A genus related to but distinct from the existing genus Umboniibacter of almost.

Paeniumezawaea

L. nan adverb *paene*, almost; L. fem. n. *Umezawaea*, An existing genus; *Paeniumezawaea*: A genus related to but distinct from the existing genus Umezawaea of almost.

Paeniundibacterium

L. nan adverb *paene*, almost; L. neut. n. *Undibacterium*, An existing genus; *Paeniundibacterium*: A genus related to but distinct from the existing genus Undibacterium of almost.

Paeniureaplasma

L. nan adverb *paene*, almost; L. neut. n. *Ureaplasma*, An existing genus; *Paeniureaplasma*: A genus related to but distinct from the existing genus Ureaplasma of almost.

Paeniurechidicola

L. nan adverb *paene*, almost; L. masc. n. *Urechidicola*, An existing genus; *Paeniurechidicola*: A genus related to but distinct from the existing genus Urechidicola of almost.

Paeniureibacillus

L. nan adverb *paene*, almost; L. masc. n. *Ureibacillus*, An existing genus; *Paeniureibacillus*: A genus related to but distinct from the existing genus Ureibacillus of almost.

Paeniurmitella

L. nan adverb *paene*, almost; L. fem. dim. n. *Urmitella*, An existing genus; *Paeniurmitella*: A genus related to but distinct from the existing genus Urmitella of almost.

Paeniursidibacter

L. nan adverb *paene*, almost; L. masc. n. *Ursidibacter*, An existing genus; *Paeniursidibacter*: A genus related to but distinct from the existing genus Ursidibacter of almost.

Paeniuruburuella

L. nan adverb *paene*, almost; L. fem. dim. n. *Uruburuella*, An existing genus; *Paeniuruburuella*: A genus related to but distinct from the existing genus Uruburuella of almost.

Paenivadicella

L. nan adverb *paene*, almost; L. fem. n. *Vadicella*, An existing genus; *Paenivadicella*: A genus related to but distinct from the existing genus Vadicella of almost.

Paenivaginella

L. nan adverb *paene*, almost; L. fem. dim. n. *Vaginella*, An existing genus; *Paenivaginella*: A genus related to but distinct from the existing genus Vaginella of almost.

Paenivaginimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Vaginimicrobium*, An existing genus; *Paenivaginimicrobium*: A genus related to but distinct from the existing genus Vaginimicrobium of almost.

Paenivaginisenegalia

L. nan adverb *paene*, almost; L. fem. n. *Vaginisenegalia*, An existing genus; *Paenivaginisenegalia*: A genus related to but distinct from the existing genus Vaginisenegalia of almost.

Paenivagococcus

L. nan adverb *paene*, almost; L. masc. n. *Vagococcus*, An existing genus; *Paenivagococcus*: A genus related to but distinct from the existing genus Vagococcus of almost.

Paenivallitalea

L. nan adverb *paene*, almost; L. fem. n. *Vallitalea*, An existing genus; *Paenivallitalea*: A genus related to but distinct from the existing genus Vallitalea of almost.

Paenivampirovibrio

L. nan adverb *paene*, almost; L. masc. n. *Vampirovibrio*, An existing genus; *Paenivampirovibrio*: A genus related to but distinct from the existing genus Vampirovibrio of almost.

Paenivaribaculum

L. nan adverb *paene*, almost; L. neut. n. *Varibaculum*, An existing genus; *Paenivaribaculum*: A genus related to but distinct from the existing genus Varibaculum of almost.

Paenivariovorax

L. nan adverb *paene*, almost; L. masc. n. *Variovorax*, An existing genus; *Paenivariovorax*: A genus related to but distinct from the existing genus Variovorax of almost.

Paenivarunaivibrio

L. nan adverb *paene*, almost; L. masc. n. *Varunaivibrio*, An existing genus; *Paenivarunaivibrio*: A genus related to but distinct from the existing genus Varunaivibrio of almost.

Paenivasilyevaea

L. nan adverb *paene*, almost; L. fem. n. *Vasilyevaea*, An existing genus; *Paenivasilyevaea*: A genus related to but distinct from the existing genus Vasilyevaea of almost.

Paeniveillonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Veillonella*, An existing genus; *Paeniveillonella*: A genus related to but distinct from the existing genus Veillonella of almost.

Paeniveneni vibrio

L. nan adverb *paene*, almost; L. masc. n. *Venenivibrio*, An existing genus; *Paeniveneni vibrio*: A genus related to but distinct from the existing genus Venenivibrio of almost.

Paeniventosimonas

L. nan adverb *paene*, almost; L. fem. n. *Ventosimonas*, An existing genus; *Paeniventosimonas*: A genus related to but distinct from the existing genus Ventosimonas of almost.

Paeniverminephrobacter

L. nan adverb *paene*, almost; L. masc. n. *Verminephrobacter*, An existing genus; *Paeniverminephrobacter*: A genus related to but distinct from the existing genus Verminephrobacter of almost.

Paeniverrucomicrobium

L. nan adverb *paene*, almost; L. neut. n. *Verrucomicrobium*, An existing genus; *Paeniverrucomicrobium*: A genus related to but distinct from the existing genus Verrucomicrobium of almost.

Paeniverrucosispora

L. nan adverb *paene*, almost; L. fem. n. *Verrucosispora*, An existing genus; *Paeniverrucosispora*: A genus related to but distinct from the existing genus Verrucosispora of almost.

Paeniverticia

L. nan adverb *paene*, almost; L. fem. n. *Verticia*, An existing genus; *Paeniverticia*: A genus related to but distinct from the existing genus Verticia of almost.

Paeniverticiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Verticiella*, An existing genus; *Paeniverticiella*: A genus related to but distinct from the existing genus Verticiella of almost.

Paenivespertiliibacter

L. nan adverb *paene*, almost; L. masc. n. *Vespertiliibacter*, An existing genus; *Paenivespertiliibacter*: A genus related to but distinct from the existing genus Vespertiliibacter of almost.

Paenivibrio

L. nan adverb *paene*, almost; L. masc. n. *Vibrio*, An existing genus; *Paenivibrio*: A genus related to but distinct from the existing genus Vibrio of almost.

Paenivibrionimonas

L. nan adverb *paene*, almost; L. fem. n. *Vibrionimonas*, An existing genus; *Paenivibrionimonas*: A genus related to but distinct from the existing genus Vibrionimonas of almost.

Paenivicinamibacter

L. nan adverb *paene*, almost; L. masc. n. *Vicinamibacter*, An existing genus; *Paenivicinamibacter*: A genus related to but distinct from the existing genus Vicinamibacter of almost.

Paenivicingus

L. nan adverb *paene*, almost; L. masc. n. *Vicingus*, An existing genus; *Paenivicingus*: A genus related to but distinct from the existing genus Vicingus of almost.

Paenivictivallis

L. nan adverb *paene*, almost; L. fem. n. *Victivallis*, An existing genus; *Paenivictivallis*: A genus related to but distinct from the existing genus Victivallis of almost.

Paenivirgibacillus

L. nan adverb *paene*, almost; L. masc. n. *Virgibacillus*, An existing genus; *Paenivirgibacillus*: A genus related to but distinct from the existing genus Virgibacillus of almost.

Paeniviridibacillus

L. nan adverb *paene*, almost; L. masc. n. *Viridibacillus*, An existing genus; *Paeniviridibacillus*: A genus related to but distinct from the existing genus Viridibacillus of almost.

Paeniviridibacterium

L. nan adverb *paene*, almost; L. neut. n. *Viridibacterium*, An existing genus; *Paeniviridibacterium*: A genus related to but distinct from the existing genus Viridibacterium of almost.

Paenivitellibacter

L. nan adverb *paene*, almost; L. masc. n. *Vitellibacter*, An existing genus; *Paenivitellibacter*: A genus related to but distinct from the existing genus Vitellibacter of almost.

Paenivitiosangium

L. nan adverb *paene*, almost; L. neut. n. *Vitiosangium*, An existing genus; *Paenivitiosangium*: A genus related to but distinct from the existing genus Vitiosangium of almost.

Paenivitreoscilla

L. nan adverb *paene*, almost; L. fem. n. *Vitreoscilla*, An existing genus; *Paenivitreoscilla*: A genus related to but distinct from the existing genus Vitreoscilla of almost.

Paenivogesella

L. nan adverb *paene*, almost; L. fem. dim. n. *Vogesella*, An existing genus; *Paenivogesella*: A genus related to but distinct from the existing genus Vogesella of almost.

Paenivolcaniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Volcaniella*, An existing genus; *Paenivolcaniella*: A genus related to but distinct from the existing genus Volcaniella of almost.

Paenivolucribacter

L. nan adverb *paene*, almost; L. masc. n. *Volucribacter*, An existing genus; *Paenivolucribacter*: A genus related to but distinct from the existing genus Volucribacter of almost.

Paenivulcanibacillus

L. nan adverb *paene*, almost; L. masc. n. *Vulcanibacillus*, An existing genus; *Paenivulcanibacillus*: A genus related to but distinct from the existing genus Vulcanibacillus of almost.

Paenivulcaniibacterium

L. nan adverb *paene*, almost; L. neut. n. *Vulcaniibacterium*, An existing genus; *Paenivulcaniibacterium*: A genus related to but distinct from the existing genus Vulcaniibacterium of almost.

Paenivulcanithermus

L. nan adverb *paene*, almost; L. masc. n. *Vulcanithermus*, An existing genus; *Paenivulcanithermus*: A genus related to but distinct from the existing genus Vulcanithermus of almost.

Paenivulgatibacter

L. nan adverb *paene*, almost; L. masc. n. *Vulgatibacter*, An existing genus; *Paenivulgatibacter*: A genus related to but distinct from the existing genus Vulgatibacter of almost.

Paeniwaddlia

L. nan adverb *paene*, almost; L. fem. n. *Waddlia*, An existing genus; *Paeniwaddlia*: A genus related to but distinct from the existing genus Waddlia of almost.

Paeniwandonia

L. nan adverb *paene*, almost; L. fem. n. *Wandonia*, An existing genus; *Paeniwandonia*: A genus related to but distinct from the existing genus Wandonia of almost.

Paeniwangella

L. nan adverb *paene*, almost; L. fem. dim. n. *Wangella*, An existing genus; *Paeniwangella*: A genus related to but distinct from the existing genus Wangella of almost.

Paeniwautersia

L. nan adverb *paene*, almost; L. fem. n. *Wautersia*, An existing genus; *Paeniwautersia*: A genus related to but distinct from the existing genus Wautersia of almost.

Paeniwautersiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Wautersiella*, An existing genus; *Paeniwautersiella*: A genus related to but distinct from the existing genus Wautersiella of almost.

Paeniweeksella

L. nan adverb *paene*, almost; L. fem. dim. n. *Weeksella*, An existing genus; *Paeniweeksella*: A genus related to but distinct from the existing genus Weeksella of almost.

Paeniweissella

L. nan adverb *paene*, almost; L. fem. dim. n. *Weissella*, An existing genus; *Paeniweissella*: A genus related to but distinct from the existing genus Weissella of almost.

Paeniwenxinia

L. nan adverb *paene*, almost; L. fem. n. *Wenxinia*, An existing genus; *Paeniwenxinia*: A genus related to but distinct from the existing genus Wenxinia of almost.

Paeniwenyingzhuangia

L. nan adverb *paene*, almost; L. fem. n. *Wenyingzhuangia*, An existing genus; *Paeniwenyingzhuangia*: A genus related to but distinct from the existing genus Wenyingzhuangia of almost.

Paeniwenzhouxiangella

L. nan adverb *paene*, almost; L. fem. dim. n. *Wenzhouxiangella*, An existing genus; *Paeniwenzhouxiangella*: A genus related to but distinct from the existing genus Wenzhouxiangella of almost.

Paeniwestiellopsis

L. nan adverb *paene*, almost; L. fem. n. *Westiellopsis*, An existing genus; *Paeniwestiellopsis*: A genus related to but distinct from the existing genus Westiellopsis of almost.

Paeniwigglesworthia

L. nan adverb *paene*, almost; L. fem. n. *Wigglesworthia*, An existing genus; *Paeniwigglesworthia*: A genus related to but distinct from the existing genus Wigglesworthia of almost.

Paeniwilliamsia

L. nan adverb *paene*, almost; L. fem. n. *Williamsia*, An existing genus; *Paeniwilliamsia*: A genus related to but distinct from the existing genus Williamsia of almost.

Paeniwilliamsoniiplasma

L. nan adverb *paene*, almost; L. neut. n. *Williamsoniiplasma*, An existing genus; *Paeniwilliamsoniiplasma*: A genus related to but distinct from the existing genus Williamsoniiplasma of almost.

Paeniwilliamwhitmania

L. nan adverb *paene*, almost; L. fem. n. *Williamwhitmania*, An existing genus; *Paeniwilliamwhitmania*: A genus related to but distinct from the existing genus Williamwhitmania of almost.

Paeniwinkia

L. nan adverb *paene*, almost; L. fem. n. *Winkia*, An existing genus; *Paeniwinkia*: A genus related to but distinct from the existing genus Winkia of almost.

Paeniwinogradskyella

L. nan adverb *paene*, almost; L. fem. dim. n. *Winogradskyella*, An existing genus; *Paeniwinogradskyella*: A genus related to but distinct from the existing genus Winogradskyella of almost.

Paeniwoeseia

L. nan adverb *paene*, almost; L. fem. n. *Woeseia*, An existing genus; *Paeniwoeseia*: A genus related to but distinct from the existing genus Woeseia of almost.

Paeniwohlfahrtiimonas

L. nan adverb *paene*, almost; L. fem. n. *Wohlfahrtiimonas*, An existing genus; *Paeniwohlfahrtiimonas*: A genus related to but distinct from the existing genus Wohlfahrtiimonas of almost.

Paeniwolbachia

L. nan adverb *paene*, almost; L. fem. n. *Wolbachia*, An existing genus; *Paeniwolbachia*: A genus related to but distinct from the existing genus Wolbachia of almost.

Paeniwolinella

L. nan adverb *paene*, almost; L. fem. dim. n. *Wolinella*, An existing genus; *Paeniwolinella*: A genus related to but distinct from the existing genus Wolinella of almost.

Paeniwolskyella

L. nan adverb *paene*, almost; L. fem. dim. n. *Wolskyella*, An existing genus; *Paeniwolskyella*: A genus related to but distinct from the existing genus Wolskyella of almost.

Paeniwoodsholea

L. nan adverb *paene*, almost; L. fem. n. *Woodsholea*, An existing genus; *Paeniwoodsholea*: A genus related to but distinct from the existing genus Woodsholea of almost.

Paeniwukongibacter

L. nan adverb *paene*, almost; L. masc. n. *Wukongibacter*, An existing genus; *Paeniwukongibacter*: A genus related to but distinct from the existing genus Wukongibacter of almost.

Paenixanthobacter

L. nan adverb *paene*, almost; L. masc. n. *Xanthobacter*, An existing genus; *Paenixanthobacter*: A genus related to but distinct from the existing genus Xanthobacter of almost.

Paenixanthomarina

L. nan adverb *paene*, almost; L. fem. n. *Xanthomarina*, An existing genus; *Paenixanthomarina*: A genus related to but distinct from the existing genus Xanthomarina of almost.

Paenixanthomonas

L. nan adverb *paene*, almost; L. fem. n. *Xanthomonas*, An existing genus; *Paenixanthomonas*: A genus related to but distinct from the existing genus Xanthomonas of almost.

Paenixanthovirga

L. nan adverb *paene*, almost; L. fem. n. *Xanthovirga*, An existing genus; *Paenixanthovirga*: A genus related to but distinct from the existing genus Xanthovirga of almost.

Paenixenophilus

L. nan adverb *paene*, almost; L. masc. n. *Xenophilus*, An existing genus; *Paenixenophilus*: A genus related to but distinct from the existing genus Xenophilus of almost.

Paenixenorhabdus

L. nan adverb *paene*, almost; L. fem. n. *Xenorhabdus*, An existing genus; *Paenixenorhabdus*: A genus related to but distinct from the existing genus Xenorhabdus of almost.

Paenixiangella

L. nan adverb *paene*, almost; L. fem. dim. n. *Xiangella*, An existing genus; *Paenixiangella*: A genus related to but distinct from the existing genus Xiangella of almost.

Paenixinfangfangia

L. nan adverb *paene*, almost; L. fem. n. *Xinfangfangia*, An existing genus; *Paenixinfangfangia*: A genus related to but distinct from the existing genus Xinfangfangia of almost.

Paenixuhuaishuia

L. nan adverb *paene*, almost; L. fem. n. *Xuhuaishuia*, An existing genus; *Paenixuhuaishuia*: A genus related to but distinct from the existing genus Xuhuaishuia of almost.

Paenixylanibacillus

L. nan adverb *paene*, almost; L. masc. n. *Xylanibacillus*, An existing genus; *Paenixylanibacillus*: A genus related to but distinct from the existing genus Xylanibacillus of almost.

Paenixylanibacter

L. nan adverb *paene*, almost; L. masc. n. *Xylanibacter*, An existing genus; *Paenixylanibacter*: A genus related to but distinct from the existing genus Xylanibacter of almost.

Paenixylanibacterium

L. nan adverb *paene*, almost; L. neut. n. *Xylanibacterium*, An existing genus; *Paenixylanibacterium*: A genus related to but distinct from the existing genus Xylanibacterium of almost.

Paenixylanimicrobium

L. nan adverb *paene*, almost; L. neut. n. *Xylanimicrobium*, An existing genus; *Paenixylanimicrobium*: A genus related to but distinct from the existing genus Xylanimicrobium of almost.

Paenixylanimonas

L. nan adverb *paene*, almost; L. fem. n. *Xylanimonas*, An existing genus; *Paenixylanimonas*: A genus related to but distinct from the existing genus Xylanimonas of almost.

Paenixylanivirga

L. nan adverb *paene*, almost; L. fem. n. *Xylanivirga*, An existing genus; *Paenixylanivirga*: A genus related to but distinct from the existing genus Xylanivirga of almost.

Paenixylella

L. nan adverb *paene*, almost; L. fem. dim. n. *Xylella*, An existing genus; *Paenixylella*: A genus related to but distinct from the existing genus Xylella of almost.

Paenixylophilus

L. nan adverb *paene*, almost; L. masc. n. *Xylophilus*, An existing genus; *Paenixylophilus*: A genus related to but distinct from the existing genus Xylophilus of almost.

Paeniyangia

L. nan adverb *paene*, almost; L. fem. n. *Yangia*, An existing genus; *Paeniyangia*: A genus related to but distinct from the existing genus Yangia of almost.

Paeniyania

L. nan adverb *paene*, almost; L. fem. n. *Yania*, An existing genus; *Paeniyania*: A genus related to but distinct from the existing genus Yania of almost.

Paeniyaniella

L. nan adverb *paene*, almost; L. fem. dim. n. *Yaniella*, An existing genus; *Paeniyaniella*: A genus related to but distinct from the existing genus Yaniella of almost.

Paeniyeosuana

L. nan adverb *paene*, almost; L. fem. n. *Yeosuana*, An existing genus; *Paeniyeosuana*: A genus related to but distinct from the existing genus Yeosuana of almost.

Paeniyersinia

L. nan adverb *paene*, almost; L. fem. n. *Yersinia*, An existing genus; *Paeniyersinia*: A genus related to but distinct from the existing genus Yersinia of almost.

Paeniyimella

L. nan adverb *paene*, almost; L. fem. dim. n. *Yimella*, An existing genus; *Paeniyimella*: A genus related to but distinct from the existing genus Yimella of almost.

Paeniyinghuangia

L. nan adverb *paene*, almost; L. fem. n. *Yinghuangia*, An existing genus; *Paeniyinghuangia*: A genus related to but distinct from the existing genus Yinghuangia of almost.

Paeniyokenella

L. nan adverb *paene*, almost; L. fem. dim. n. *Yokenella*, An existing genus; *Paeniyokenella*: A genus related to but distinct from the existing genus Yokenella of almost.

Paeniyonedaella

L. nan adverb *paene*, almost; L. fem. dim. n. *Yonedaella*, An existing genus; *Paeniyonedaella*: A genus related to but distinct from the existing genus Yonedaella of almost.

Paeniyonghaparkia

L. nan adverb *paene*, almost; L. fem. n. *Yonghaparkia*, An existing genus; *Paeniyonghaparkia*: A genus related to but distinct from the existing genus Yonghaparkia of almost.

Paeniyoonia

L. nan adverb *paene*, almost; L. fem. n. *Yoonia*, An existing genus; *Paeniyoonia*: A genus related to but distinct from the existing genus Yoonia of almost.

Paeniyouhaiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Youhaiella*, An existing genus; *Paeniyouhaiella*: A genus related to but distinct from the existing genus Youhaiella of almost.

Paeniyoungiibacter

L. nan adverb *paene*, almost; L. masc. n. *Youngiibacter*, An existing genus; *Paeniyoungiibacter*: A genus related to but distinct from the existing genus Youngiibacter of almost.

Paeniyoungimonas

L. nan adverb *paene*, almost; L. fem. n. *Youngimonas*, An existing genus; *Paeniyoungimonas*: A genus related to but distinct from the existing genus Youngimonas of almost.

Paeniyuhushiella

L. nan adverb *paene*, almost; L. fem. dim. n. *Yuhushiella*, An existing genus; *Paeniyuhushiella*: A genus related to but distinct from the existing genus Yuhushiella of almost.

Paenizavarzinella

L. nan adverb *paene*, almost; L. fem. dim. n. *Zavarzinella*, An existing genus; *Paenizavarzinella*: A genus related to but distinct from the existing genus Zavarzinella of almost.

Paenizavarzinia

L. nan adverb *paene*, almost; L. fem. n. *Zavarzinia*, An existing genus; *Paenizavarzinia*: A genus related to but distinct from the existing genus Zavarzinia of almost.

Paenizeaxanthinibacter

L. nan adverb *paene*, almost; L. masc. n. *Zeaxanthinibacter*, An existing genus; *Paenizeaxanthinibacter*: A genus related to but distinct from the existing genus Zeaxanthinibacter of almost.

Paenizehria

L. nan adverb *paene*, almost; L. fem. n. *Zehria*, An existing genus; *Paenizehria*: A genus related to but distinct from the existing genus Zehria of almost.

Paenizestosphaera

L. nan adverb *paene*, almost; L. fem. n. *Zestosphaera*, An existing genus; *Paenizestosphaera*: A genus related to but distinct from the existing genus Zestosphaera of almost.

Paenizhangella

L. nan adverb *paene*, almost; L. fem. dim. n. *Zhangella*, An existing genus; *Paenizhangella*: A genus related to but distinct from the existing genus Zhangella of almost.

Paenizhaonella

L. nan adverb *paene*, almost; L. fem. dim. n. *Zhaonella*, An existing genus; *Paenizhaonella*: A genus related to but distinct from the existing genus Zhaonella of almost.

Paenizhengella

L. nan adverb *paene*, almost; L. fem. dim. n. *Zhengella*, An existing genus; *Paenizhengella*: A genus related to but distinct from the existing genus Zhengella of almost.

Paenizhihengliuella

L. nan adverb *paene*, almost; L. fem. dim. n. *Zhihengliuella*, An existing genus; *Paenizhihengliuella*: A genus related to but distinct from the existing genus Zhihengliuella of almost.

Paenizhizhongheella

L. nan adverb *paene*, almost; L. fem. dim. n. *Zhizhongheella*, An existing genus; *Paenizhizhongheella*: A genus related to but distinct from the existing genus Zhizhongheella of almost.

Paenizhongshania

L. nan adverb *paene*, almost; L. fem. n. *Zhongshania*, An existing genus; *Paenizhongshania*: A genus related to but distinct from the existing genus Zhongshania of almost.

Paenizhouia

L. nan adverb *paene*, almost; L. fem. n. *Zhouia*, An existing genus; *Paenizhouia*: A genus related to but distinct from the existing genus Zhouia of almost.

Paenizimmermannella

L. nan adverb *paene*, almost; L. fem. dim. n. *Zimmermannella*, An existing genus; *Paenizimmermannella*: A genus related to but distinct from the existing genus Zimmermannella of almost.

Paenizobellella

L. nan adverb *paene*, almost; L. fem. dim. n. *Zobellella*, An existing genus; *Paenizobellella*: A genus related to but distinct from the existing genus Zobellella of almost.

Paenizobellia

L. nan adverb *paene*, almost; L. fem. n. *Zobellia*, An existing genus; *Paenizobellia*: A genus related to but distinct from the existing genus Zobellia of almost.

Paenizoogloea

L. nan adverb *paene*, almost; L. fem. n. *Zoogloea*, An existing genus; *Paenizoogloea*: A genus related to but distinct from the existing genus Zoogloea of almost.

Paenizooshikella

L. nan adverb *paene*, almost; L. fem. dim. n. *Zooshikella*, An existing genus; *Paenizooshikella*: A genus related to but distinct from the existing genus Zooshikella of almost.

Paenizunongwangia

L. nan adverb *paene*, almost; L. fem. n. *Zunongwangia*, An existing genus; *Paenizunongwangia*: A genus related to but distinct from the existing genus Zunongwangia of almost.

Paenizymobacter

L. nan adverb *paene*, almost; L. masc. n. *Zymobacter*, An existing genus; *Paenizymobacter*: A genus related to but distinct from the existing genus Zymobacter of almost.

Paenizymomonas

L. nan adverb *paene*, almost; L. fem. n. *Zymomonas*, An existing genus; *Paenizymomonas*: A genus related to but distinct from the existing genus Zymomonas of almost.

Paenizymophilus

L. nan adverb *paene*, almost; L. masc. n. *Zymophilus*, An existing genus; *Paenizymophilus*: A genus related to but distinct from the existing genus Zymophilus of almost.

Paraabditibacterium

Gr. nan preposition *ĬĂĬśĬĄĬň*, beside; L. neut. n. *Abditibacterium*, An existing genus; *Paraabditibacterium*: A genus related to but distinct from the existing genus Abditibacterium of beside.

Paraabiotrophia

Gr. nan preposition *ĬĂĬśĬĄĬň*, beside; L. fem. n. *Abiotrophia*, An existing genus; *Paraabiotrophia*: A genus related to but distinct from the existing genus Abiotrophia of beside.

Paraabsicoccus

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Absicoccus*, An existing genus; *Paraabsicoccus*: A genus related to but distinct from the existing genus Absicoccus of beside.

Paraabsiella

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. dim. n. *Absiella*, An existing genus; *Paraabsiella*: A genus related to but distinct from the existing genus Absiella of beside.

Paraabyssibacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Abyssibacter*, An existing genus; *Paraabyssibacter*: A genus related to but distinct from the existing genus Abyssibacter of beside.

Paraabyssicoccus

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Abyssicoccus*, An existing genus; *Paraabyssicoccus*: A genus related to but distinct from the existing genus Abyssicoccus of beside.

Paraabyssisolibacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Abyssisolibacter*, An existing genus; *Paraabyssisolibacter*: A genus related to but distinct from the existing genus Abyssisolibacter of beside.

Paraabyssivirga

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Abyssivirga*, An existing genus; *Paraabyssivirga*: A genus related to but distinct from the existing genus Abyssivirga of beside.

Paraacanthopleuribacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Acanthopleuribacter*, An existing genus; *Paraacanthopleuribacter*: A genus related to but distinct from the existing genus Acanthopleuribacter of beside.

Paraacaricomes

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Acaricomes*, An existing genus; *Paraacaricomes*: A genus related to but distinct from the existing genus Acaricomes of beside.

Paraacaryochloris

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Acaryochloris*, An existing genus; *Paraacaryochloris*: A genus related to but distinct from the existing genus Acaryochloris of beside.

Paraacetanaerobacterium

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. neut. n. *Acetanaerobacterium*, An existing genus; *Paraacetanaerobacterium*: A genus related to but distinct from the existing genus Acetanaerobacterium of beside.

Paraacetatifactor

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Acetatifactor*, An existing genus; *Paraacetatifactor*: A genus related to but distinct from the existing genus Acetatifactor of beside.

Paraacetilactobacillus

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Acetilactobacillus*, An existing genus; *Paraacetilactobacillus*: A genus related to but distinct from the existing genus Acetilactobacillus of beside.

Paraacetitomaculum

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. neut. n. *Acetitomaculum*, An existing genus; *Paraacetitomaculum*: A genus related to but distinct from the existing genus Acetitomaculum of beside.

Paraacetivibrio

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Acetivibrio*, An existing genus; *Paraacetivibrio*: A genus related to but distinct from the existing genus Acetivibrio of beside.

Paraacetoanaerobium

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. neut. n. *Acetoanaerobium*, An existing genus; *Paraacetoanaerobium*: A genus related to but distinct from the existing genus Acetoanaerobium of beside.

Paraacetobacter

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Acetobacter*, An existing genus; *Paraacetobacter*: A genus related to but distinct from the existing genus Acetobacter of beside.

Paraacetobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Acetobacterium*, An existing genus; *Paraacetobacterium*: A genus related to but distinct from the existing genus Acetobacterium of beside.

Paraacetobacteroides

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Acetobacteroides*, An existing genus; *Paraacetobacteroides*: A genus related to but distinct from the existing genus Acetobacteroides of beside.

Paraacetofilamentum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Acetofilamentum*, An existing genus; *Paraacetofilamentum*: A genus related to but distinct from the existing genus Acetofilamentum of beside.

Paraacetogenium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Acetogenium*, An existing genus; *Paraacetogenium*: A genus related to but distinct from the existing genus Acetogenium of beside.

Paraacetohalobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Acetohalobium*, An existing genus; *Paraacetohalobium*: A genus related to but distinct from the existing genus Acetohalobium of beside.

Paraacetomicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Acetomicrobium*, An existing genus; *Paraacetomicrobium*: A genus related to but distinct from the existing genus Acetomicrobium of beside.

Paraacetonema

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Acetonema*, An existing genus; *Paraacetonema*: A genus related to but distinct from the existing genus Acetonema of beside.

Paraacetothermus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Acetothermus*, An existing genus; *Paraacetothermus*: A genus related to but distinct from the existing genus Acetothermus of beside.

Paraacholeplasma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Acholeplasma*, An existing genus; *Paraacholeplasma*: A genus related to but distinct from the existing genus Acholeplasma of beside.

Paraachromatium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Achromatium*, An existing genus; *Paraachromatium*: A genus related to but distinct from the existing genus Achromatium of beside.

Paraachromobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Achromobacter*, An existing genus; *Paraachromobacter*: A genus related to but distinct from the existing genus Achromobacter of beside.

Paraacidaminobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Acidaminobacter*, An existing genus; *Paraacidaminobacter*: A genus related to but distinct from the existing genus Acidaminobacter of beside.

Paraacidaminococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Acidaminococcus*, An existing genus; *Paraacidaminococcus*: A genus related to but distinct from the existing genus Acidaminococcus of beside.

Paraacidianus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Acidianus*, An existing genus; *Paraacidianus*: A genus related to but distinct from the existing genus Acidianus of beside.

Paraacidibrevibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Acidibrevibacterium*, An existing genus; *Paraacidibrevibacterium*: A genus related to but distinct from the existing genus Acidibrevibacterium of beside.

Paraacidicaldus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Acidicaldus*, An existing genus; *Paraacidicaldus*: A genus related to but distinct from the existing genus Acidicaldus of beside.

Paraacidicapsa

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Acidicapsa*, An existing genus; *Paraacidicapsa*: A genus related to but distinct from the existing genus Acidicapsa of beside.

Paraacidiferrimicrobium

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. neut. n. *Acidiferrimicrobium*, An existing genus; *Paraacidiferrimicrobium*: A genus related to but distinct from the existing genus Acidiferrimicrobium of beside.

Paraacidiferrobacter

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. masc. n. *Acidiferrobacter*, An existing genus; *Paraacidiferrobacter*: A genus related to but distinct from the existing genus Acidiferrobacter of beside.

Paraacidihalobacter

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. masc. n. *Acidihalobacter*, An existing genus; *Paraacidihalobacter*: A genus related to but distinct from the existing genus Acidihalobacter of beside.

Paraacidilobus

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. masc. n. *Acidilobus*, An existing genus; *Paraacidilobus*: A genus related to but distinct from the existing genus Acidilobus of beside.

Paraacidimangrovimonas

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Acidimangrovimonas*, An existing genus; *Paraacidimangrovimonas*: A genus related to but distinct from the existing genus Acidimangrovimonas of beside.

Paraacidimicrobium

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. neut. n. *Acidimicrobium*, An existing genus; *Paraacidimicrobium*: A genus related to but distinct from the existing genus Acidimicrobium of beside.

Paraacidiphilium

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. neut. n. *Acidiphilium*, An existing genus; *Paraacidiphilium*: A genus related to but distinct from the existing genus Acidiphilium of beside.

Paraacidiplasma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Acidiplasma*, An existing genus; *Paraacidiplasma*: A genus related to but distinct from the existing genus Acidiplasma of beside.

Paraacidipropionibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Acidipropionibacterium*, An existing genus; *Paraacidipropionibacterium*: A genus related to but distinct from the existing genus Acidipropionibacterium of beside.

Paraacidisarcina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Acidisarcina*, An existing genus; *Paraacidisarcina*: A genus related to but distinct from the existing genus Acidisarcina of beside.

Paraacidisoma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Acidisoma*, An existing genus; *Paraacidisoma*: A genus related to but distinct from the existing genus Acidisoma of beside.

Paraacidisphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Acidisphaera*, An existing genus; *Paraacidisphaera*: A genus related to but distinct from the existing genus Acidisphaera of beside.

Paraacidithiobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Acidithiobacillus*, An existing genus; *Paraacidithiobacillus*: A genus related to but distinct from the existing genus Acidithiobacillus of beside.

Paraacidithrix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Acidithrix*, An existing genus; *Paraacidithrix*: A genus related to but distinct from the existing genus Acidithrix of beside.

Paraacidocella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Acidocella*, An existing genus; *Paraacidocella*: A genus related to but distinct from the existing genus Acidocella of beside.

Paraacidovorax

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Acidovorax*, An existing genus; *Paraacidovorax*: A genus related to but distinct from the existing genus Acidovorax of beside.

Paraacinetobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Acinetobacter*, An existing genus; *Paraacinetobacter*: A genus related to but distinct from the existing genus Acinetobacter of beside.

Paraacrocarpospora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Acrocarpospora*, An existing genus; *Paraacrocarpospora*: A genus related to but distinct from the existing genus Acrocarpospora of beside.

Paraactibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Actibacter*, An existing genus; *Paraactibacter*: A genus related to but distinct from the existing genus Actibacter of beside.

Paraactibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Actibacterium*, An existing genus; *Paraactibacterium*: A genus related to but distinct from the existing genus Actibacterium of beside.

Paraactimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Actimicrobium*, An existing genus; *Paraactimicrobium*: A genus related to but distinct from the existing genus Actimicrobium of beside.

Paraactinaurispora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Actinaurispora*, An existing genus; *Paraactinaurispora*: A genus related to but distinct from the existing genus Actinaurispora of beside.

Paraactinoallomurus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Actinoallomurus*, An existing genus; *Paraactinoallomurus*: A genus related to but distinct from the existing genus Actinoallomurus of beside.

Paraactinobispora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Actinobispora*, An existing genus; *Paraactinobispora*: A genus related to but distinct from the existing genus Actinobispora of beside.

Paraactinocatenispora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Actinocatenispora*, An existing genus; *Paraactinocatenispora*: A genus related to but distinct from the existing genus Actinocatenispora of beside.

Paraactinocorallia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Actinocorallia*, An existing genus; *Paraactinocorallia*: A genus related to but distinct from the existing genus Actinocorallia of beside.

Paraactinocrinis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Actinocrinis*, An existing genus; *Paraactinocrinis*: A genus related to but distinct from the existing genus Actinocrinis of beside.

Paraactinocrispum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Actinocrispum*, An existing genus; *Paraactinocrispum*: A genus related to but distinct from the existing genus Actinocrispum of beside.

Paraactinokineospora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Actinokineospora*, An existing genus; *Paraactinokineospora*: A genus related to but distinct from the existing genus Actinokineospora of beside.

Paraactinomadura

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Actinomadura*, An existing genus; *Paraactinomadura*: A genus related to but distinct from the existing genus Actinomadura of beside.

Paraactinomarinicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Actinomarinicola*, An existing genus; *Paraactinomarinicola*: A genus related to but distinct from the existing genus Actinomarinicola of beside.

Paraactinomyces

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Actinomyces*, An existing genus; *Paraactinomyces*: A genus related to but distinct from the existing genus Actinomyces of beside.

Paraactinomycetospora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Actinomycetospora*, An existing genus; *Paraactinomycetospora*: A genus related to but distinct from the existing genus Actinomycetospora of beside.

Paraactinophytocola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Actinophytocola*, An existing genus; *Paraactinophytocola*: A genus related to but distinct from the existing genus Actinophytocola of beside.

Paraactinoplanes

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Actinoplanes*, An existing genus; *Paraactinoplanes*: A genus related to but distinct from the existing genus Actinoplanes of beside.

Paraactinopolymorpha

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Actinopolymorpha*, An existing genus; *Paraactinopolymorpha*: A genus related to but distinct from the existing genus Actinopolymorpha of beside.

Paraactinopolyspora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Actinopolyspora*, An existing genus; *Paraactinopolyspora*: A genus related to but distinct from the existing genus Actinopolyspora of beside.

Paraactinorectispora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Actinorectispora*, An existing genus; *Paraactinorectispora*: A genus related to but distinct from the existing genus Actinorectispora of beside.

Paraactinorhabdospora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Actinorhabdospora*, An existing genus; *Paraactinorhabdospora*: A genus related to but distinct from the existing genus Actinorhabdospora of beside.

Paraactinorugispora

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. fem. n. *Actinorugispora*, An existing genus; *Paraactinorugispora*: A genus related to but distinct from the existing genus Actinorugispora of beside.

Paraactinospica

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. fem. n. *Actinospica*, An existing genus; *Paraactinospica*: A genus related to but distinct from the existing genus Actinospica of beside.

Paraactinosporangium

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. neut. n. *Actinosporangium*, An existing genus; *Paraactinosporangium*: A genus related to but distinct from the existing genus Actinosporangium of beside.

Paraactinosynnema

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. neut. n. *Actinosynnema*, An existing genus; *Paraactinosynnema*: A genus related to but distinct from the existing genus Actinosynnema of beside.

Paraactinotalea

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. fem. n. *Actinotalea*, An existing genus; *Paraactinotalea*: A genus related to but distinct from the existing genus Actinotalea of beside.

Paraactinotignum

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. neut. n. *Actinotignum*, An existing genus; *Paraactinotignum*: A genus related to but distinct from the existing genus Actinotignum of beside.

Paraacutalibacter

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. masc. n. *Acutalibacter*, An existing genus; *Paraacutalibacter*: A genus related to but distinct from the existing genus Acutalibacter of beside.

Paraacuticoccus

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. masc. n. *Acuticoccus*, An existing genus; *Paraacuticoccus*: A genus related to but distinct from the existing genus Acuticoccus of beside.

Paraadhaeribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Adhaeribacter*, An existing genus; *Paraadhaeribacter*: A genus related to but distinct from the existing genus Adhaeribacter of beside.

Paraadlercreutzia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Adlercreutzia*, An existing genus; *Paraadlercreutzia*: A genus related to but distinct from the existing genus Adlercreutzia of beside.

Paraadvenella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Advenella*, An existing genus; *Paraadvenella*: A genus related to but distinct from the existing genus Advenella of beside.

Paraaegyptianella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aegyptianella*, An existing genus; *Paraaegyptianella*: A genus related to but distinct from the existing genus Aegyptianella of beside.

Paraaequoribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aequoribacter*, An existing genus; *Paraaequoribacter*: A genus related to but distinct from the existing genus Aequoribacter of beside.

Paraaequorivita

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aequorivita*, An existing genus; *Paraaequorivita*: A genus related to but distinct from the existing genus Aequorivita of beside.

Paraaeribacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aeribacillus*, An existing genus; *Paraaeribacillus*: A genus related to but distinct from the existing genus Aeribacillus of beside.

Paraaeriscardovia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aeriscardovia*, An existing genus; *Paraaeriscardovia*: A genus related to but distinct from the existing genus Aeriscardovia of beside.

Paraaerococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aerococcus*, An existing genus; *Paraaerococcus*: A genus related to but distinct from the existing genus Aerococcus of beside.

Paraaeromicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aeromicrobium*, An existing genus; *Paraaeromicrobium*: A genus related to but distinct from the existing genus Aeromicrobium of beside.

Paraaeropyrum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aeropyrum*, An existing genus; *Paraaeropyrum*: A genus related to but distinct from the existing genus Aeropyrum of beside.

Paraaerosakkonema

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aerosakkonema*, An existing genus; *Paraaerosakkonema*: A genus related to but distinct from the existing genus Aerosakkonema of beside.

Paraaestuariibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aestuariibacter*, An existing genus; *Paraaestuariibacter*: A genus related to but distinct from the existing genus Aestuariibacter of beside.

Paraaestuariibaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aestuariibaculum*, An existing genus; *Paraaestuariibaculum*: A genus related to but distinct from the existing genus Aestuariibaculum of beside.

Paraaestuariibius

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aestuariibius*, An existing genus; *Paraaestuariibius*: A genus related to but distinct from the existing genus Aestuariibius of beside.

Paraaestuariicella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aestuariicella*, An existing genus; *Paraaestuariicella*: A genus related to but distinct from the existing genus Aestuariicella of beside.

Paraaestuariicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aestuariicoccus*, An existing genus; *Paraaestuariicoccus*: A genus related to but distinct from the existing genus Aestuariicoccus of beside.

Paraaestuariicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aestuariicola*, An existing genus; *Paraaestuariicola*: A genus related to but distinct from the existing genus Aestuariicola of beside.

Paraaestuariihabitans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aestuariihabitans*, An existing genus; *Paraaestuariihabitans*: A genus related to but distinct from the existing genus Aestuariihabitans of beside.

Paraaestuariimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aestuariimicrobium*, An existing genus; *Paraaestuariimicrobium*: A genus related to but distinct from the existing genus Aestuariimicrobium of beside.

Paraaestuariirhabdus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aestuariirhabdus*, An existing genus; *Paraaestuariirhabdus*: A genus related to but distinct from the existing genus Aestuariirhabdus of beside.

Paraaestuariisphingobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aestuariisphingobium*, An existing genus; *Paraaestuariisphingobium*: A genus related to but distinct from the existing genus Aestuariisphingobium of beside.

Paraaestuariivirga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aestuariivirga*, An existing genus; *Paraaestuariivirga*: A genus related to but distinct from the existing genus Aestuariivirga of beside.

Paraaestuariivita

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aestuariivita*, An existing genus; *Paraaestuariivita*: A genus related to but distinct from the existing genus Aestuariivita of beside.

Paraaestuarium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aestuarium*, An existing genus; *Paraaestuarium*: A genus related to but distinct from the existing genus Aestuarium of beside.

Paraaetherobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aetherobacter*, An existing genus; *Paraaetherobacter*: A genus related to but distinct from the existing genus Aetherobacter of beside.

Paraafifella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Afifella*, An existing genus; *Paraafifella*: A genus related to but distinct from the existing genus Afifella of beside.

Paraafipia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Afipia*, An existing genus; *Paraafipia*: A genus related to but distinct from the existing genus Afipia of beside.

Paraagaribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Agaribacter*, An existing genus; *Paraagaribacter*: A genus related to but distinct from the existing genus Agaribacter of beside.

Paraagaribacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Agaribacterium*, An existing genus; *Paraagaribacterium*: A genus related to but distinct from the existing genus Agaribacterium of beside.

Paraagaricicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Agaricicola*, An existing genus; *Paraagaricicola*: A genus related to but distinct from the existing genus Agaricicola of beside.

Paraagarilytica

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Agarilytica*, An existing genus; *Paraagarilytica*: A genus related to but distinct from the existing genus Agarilytica of beside.

Paraagarivorans

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Agarivorans*, An existing genus; *Paraagarivorans*: A genus related to but distinct from the existing genus Agarivorans of beside.

Paraagathobacter

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Agathobacter*, An existing genus; *Paraagathobacter*: A genus related to but distinct from the existing genus Agathobacter of beside.

Paraagathobaculum

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. neut. n. *Agathobaculum*, An existing genus; *Paraagathobaculum*: A genus related to but distinct from the existing genus Agathobaculum of beside.

Paraaggregatibacter

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Aggregatibacter*, An existing genus; *Paraaggregatibacter*: A genus related to but distinct from the existing genus Aggregatibacter of beside.

Paraaggregatilinea

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. fem. n. *Aggregatilinea*, An existing genus; *Paraaggregatilinea*: A genus related to but distinct from the existing genus Aggregatilinea of beside.

Paraaggregicoccus

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Aggregicoccus*, An existing genus; *Paraaggregicoccus*: A genus related to but distinct from the existing genus Aggregicoccus of beside.

Paraagitococcus

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Agitococcus*, An existing genus; *Paraagitococcus*: A genus related to but distinct from the existing genus Agitococcus of beside.

Paraagreia

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. fem. n. *Agreia*, An existing genus; *Paraagreia*: A genus related to but distinct from the existing genus Agreia of beside.

Paraagrilactobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Agrilactobacillus*, An existing genus; *Paraagrilactobacillus*: A genus related to but distinct from the existing genus Agrilactobacillus of beside.

Paraagrobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Agrobacterium*, An existing genus; *Paraagrobacterium*: A genus related to but distinct from the existing genus Agrobacterium of beside.

Paraagrococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Agrococcus*, An existing genus; *Paraagrococcus*: A genus related to but distinct from the existing genus Agrococcus of beside.

Paraagromonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Agromonas*, An existing genus; *Paraagromonas*: A genus related to but distinct from the existing genus Agromonas of beside.

Paraagromyces

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Agromyces*, An existing genus; *Paraagromyces*: A genus related to but distinct from the existing genus Agromyces of beside.

Paraahniella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Ahniella*, An existing genus; *Paraahniella*: A genus related to but distinct from the existing genus Ahniella of beside.

Paraahrensia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Ahrensia*, An existing genus; *Paraahrensia*: A genus related to but distinct from the existing genus Ahrensia of beside.

Paraaidingibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aidingibacillus*, An existing genus; *Paraaidingibacillus*: A genus related to but distinct from the existing genus Aidingibacillus of beside.

Paraaidingimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aidingimonas*, An existing genus; *Paraaidingimonas*: A genus related to but distinct from the existing genus Aidingimonas of beside.

Paraakkermansia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Akkermansia*, An existing genus; *Paraakkermansia*: A genus related to but distinct from the existing genus Akkermansia of beside.

Paraalbertania

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Albertania*, An existing genus; *Paraalbertania*: A genus related to but distinct from the existing genus Albertania of beside.

Paraalbibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Albibacter*, An existing genus; *Paraalbibacter*: A genus related to but distinct from the existing genus Albibacter of beside.

Paraalbibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Albibacterium*, An existing genus; *Paraalbibacterium*: A genus related to but distinct from the existing genus Albibacterium of beside.

Paraalbidiferax

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Albidiferax*, An existing genus; *Paraalbidiferax*: A genus related to but distinct from the existing genus Albidiferax of beside.

Paraalbidovulum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Albidovulum*, An existing genus; *Paraalbidovulum*: A genus related to but distinct from the existing genus Albidovulum of beside.

Paraalbimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Albimonas*, An existing genus; *Paraalbimonas*: A genus related to but distinct from the existing genus Albimonas of beside.

Paraalbirhodobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Albirhodobacter*, An existing genus; *Paraalbirhodobacter*: A genus related to but distinct from the existing genus Albirhodobacter of beside.

Paraalbrightia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Albrightia*, An existing genus; *Paraalbrightia*: A genus related to but distinct from the existing genus Albrightia of beside.

Paraalcaligenes

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alcaligenes*, An existing genus; *Paraalcaligenes*: A genus related to but distinct from the existing genus Alcaligenes of beside.

Paraalcanivorax

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alcanivorax*, An existing genus; *Paraalcanivorax*: A genus related to but distinct from the existing genus Alcanivorax of beside.

Paraaldersonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aldersonia*, An existing genus; *Paraaldersonia*: A genus related to but distinct from the existing genus Aldersonia of beside.

Paraalgibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Algibacter*, An existing genus; *Paraalgibacter*: A genus related to but distinct from the existing genus Algibacter of beside.

Paraalgicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Algicoccus*, An existing genus; *Paraalgicoccus*: A genus related to but distinct from the existing genus Algicoccus of beside.

Paraalgicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Algicola*, An existing genus; *Paraalgicola*: A genus related to but distinct from the existing genus Algicola of beside.

Paraalgihabitans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Algihabitans*, An existing genus; *Paraalgihabitans*: A genus related to but distinct from the existing genus Algihabitans of beside.

Paraalgimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Algimonas*, An existing genus; *Paraalgimonas*: A genus related to but distinct from the existing genus Algimonas of beside.

Paraalginatibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Alginatibacterium*, An existing genus; *Paraalginatibacterium*: A genus related to but distinct from the existing genus Alginatibacterium of beside.

Paraalgiphilus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Algiphilus*, An existing genus; *Paraalgiphilus*: A genus related to but distinct from the existing genus Algiphilus of beside.

Paraalgisphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Algisphaera*, An existing genus; *Paraalgisphaera*: A genus related to but distinct from the existing genus Algisphaera of beside.

Paraalgitalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Algitalea*, An existing genus; *Paraalgitalea*: A genus related to but distinct from the existing genus Algitalea of beside.

Paraalgivirga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Algivirga*, An existing genus; *Paraalgivirga*: A genus related to but distinct from the existing genus Algivirga of beside.

Paraalgoriella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Algoriella*, An existing genus; *Paraalgoriella*: A genus related to but distinct from the existing genus Algoriella of beside.

Paraalgorimarina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Algorimarina*, An existing genus; *Paraalgorimarina*: A genus related to but distinct from the existing genus Algorimarina of beside.

Paraalgoriphagus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Algoriphagus*, An existing genus; *Paraalgoriphagus*: A genus related to but distinct from the existing genus Algoriphagus of beside.

Paraaliagarivorans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aliagarivorans*, An existing genus; *Paraaliagarivorans*: A genus related to but distinct from the existing genus Aliagarivorans of beside.

Paraaliarcobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aliarcobacter*, An existing genus; *Paraaliarcobacter*: A genus related to but distinct from the existing genus Aliarcobacter of beside.

Paraalicycliphilus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alicycliphilus*, An existing genus; *Paraalicycliphilus*: A genus related to but distinct from the existing genus Alicycliphilus of beside.

Paraalicyclobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alicyclobacillus*, An existing genus; *Paraalicyclobacillus*: A genus related to but distinct from the existing genus Alicyclobacillus of beside.

Paraalienimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Alienimonas*, An existing genus; *Paraalienimonas*: A genus related to but distinct from the existing genus Alienimonas of beside.

Paraaliibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aliibacillus*, An existing genus; *Paraaliibacillus*: A genus related to but distinct from the existing genus Aliibacillus of beside.

Paraaliicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aliicoccus*, An existing genus; *Paraaliicoccus*: A genus related to but distinct from the existing genus Aliicoccus of beside.

Paraaliidiomarina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aliidiomarina*, An existing genus; *Paraaliidiomarina*: A genus related to but distinct from the existing genus Aliidiomarina of beside.

Paraaliidongia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aliidongia*, An existing genus; *Paraaliidongia*: A genus related to but distinct from the existing genus Aliidongia of beside.

Paraaliifodinibius

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aliifodinibius*, An existing genus; *Paraaliifodinibius*: A genus related to but distinct from the existing genus Aliifodinibius of beside.

Paraaliiglaciecola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aliiglaciecola*, An existing genus; *Paraaliiglaciecola*: A genus related to but distinct from the existing genus Aliiglaciecola of beside.

Paraaliihoeflea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aliihoeflea*, An existing genus; *Paraaliihoeflea*: A genus related to but distinct from the existing genus Aliihoeflea of beside.

Paraaliikangiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Aliikangiella*, An existing genus; *Paraaliikangiella*: A genus related to but distinct from the existing genus Aliikangiella of beside.

Paraaliinostoc

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aliinostoc*, An existing genus; *Paraaliinostoc*: A genus related to but distinct from the existing genus Aliinostoc of beside.

Paraaliiroseovarius

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aliiroseovarius*, An existing genus; *Paraaliiroseovarius*: A genus related to but distinct from the existing genus Aliiroseovarius of beside.

Paraaliisedimentitalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aliisedimentitalea*, An existing genus; *Paraaliisedimentitalea*: A genus related to but distinct from the existing genus Aliisedimentitalea of beside.

Paraaliishimia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aliishimia*, An existing genus; *Paraaliishimia*: A genus related to but distinct from the existing genus Aliishimia of beside.

Paraaliivibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aliivibrio*, An existing genus; *Paraaliivibrio*: A genus related to but distinct from the existing genus Aliivibrio of beside.

Paraalishewanella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Alishewanella*, An existing genus; *Paraalishewanella*: A genus related to but distinct from the existing genus Alishewanella of beside.

Paraalistipes

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alistipes*, An existing genus; *Paraalistipes*: A genus related to but distinct from the existing genus Alistipes of beside.

Paraaliterella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Aliterella*, An existing genus; *Paraaliterella*: A genus related to but distinct from the existing genus Aliterella of beside.

Paraalkalibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alkalibacillus*, An existing genus; *Paraalkalibacillus*: A genus related to but distinct from the existing genus Alkalibacillus of beside.

Paraalkalibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alkalibacter*, An existing genus; *Paraalkalibacter*: A genus related to but distinct from the existing genus Alkalibacter of beside.

Paraalkalibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Alkalibacterium*, An existing genus; *Paraalkalibacterium*: A genus related to but distinct from the existing genus Alkalibacterium of beside.

Paraalkalibaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Alkalibaculum*, An existing genus; *Paraalkalibaculum*: A genus related to but distinct from the existing genus Alkalibaculum of beside.

Paraalkalicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alkalicoccus*, An existing genus; *Paraalkalicoccus*: A genus related to but distinct from the existing genus Alkalicoccus of beside.

Paraalkaliflexus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alkaliflexus*, An existing genus; *Paraalkaliflexus*: A genus related to but distinct from the existing genus Alkaliflexus of beside.

Paraalkalihalobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alkalihalobacillus*, An existing genus; *Paraalkalihalobacillus*: A genus related to but distinct from the existing genus Alkalihalobacillus of beside.

Paraalkalilactibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alkalilactibacillus*, An existing genus; *Paraalkalilactibacillus*: A genus related to but distinct from the existing genus Alkalilactibacillus of beside.

Paraalkalilacustris

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alkalilacustris*, An existing genus; *Paraalkalilacustris*: A genus related to but distinct from the existing genus Alkalilacustris of beside.

Paraalkalimarinus

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. masc. n. *Alkalimarinus*, An existing genus; *Paraalkalimarinus*: A genus related to but distinct from the existing genus Alkalimarinus of beside.

Paraalkalimicrobium

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. neut. n. *Alkalimicrobium*, An existing genus; *Paraalkalimicrobium*: A genus related to but distinct from the existing genus Alkalimicrobium of beside.

Paraalkalimonas

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. fem. n. *Alkalimonas*, An existing genus; *Paraalkalimonas*: A genus related to but distinct from the existing genus Alkalimonas of beside.

Paraalkalinema

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. neut. n. *Alkalinema*, An existing genus; *Paraalkalinema*: A genus related to but distinct from the existing genus Alkalinema of beside.

Paraalkaliphilus

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. masc. n. *Alkaliphilus*, An existing genus; *Paraalkaliphilus*: A genus related to but distinct from the existing genus Alkaliphilus of beside.

Paraalkalispirillum

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. neut. dim. n. *Alkalispirillum*, An existing genus; *Paraalkalispirillum*: A genus related to but distinct from the existing genus Alkalispirillum of beside.

Paraalkalispirochaeta

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. fem. n. *Alkalispirochaeta*, An existing genus; *Paraalkalispirochaeta*: A genus related to but distinct from the existing genus Alkalispirochaeta of beside.

Paraalkalitalea

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. fem. n. *Alkalitalea*, An existing genus; *Paraalkalitalea*: A genus related to but distinct from the existing genus Alkalitalea of beside.

Paraalkanibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alkanibacter*, An existing genus; *Paraalkanibacter*: A genus related to but distinct from the existing genus Alkanibacter of beside.

Paraalkanindiges

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alkanindiges*, An existing genus; *Paraalkanindiges*: A genus related to but distinct from the existing genus Alkanindiges of beside.

Paraallisonella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Allisonella*, An existing genus; *Paraallisonella*: A genus related to but distinct from the existing genus Allisonella of beside.

Paraalloactinosynnema

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Alloactinosynnema*, An existing genus; *Paraalloactinosynnema*: A genus related to but distinct from the existing genus Alloactinosynnema of beside.

Paraallobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Allobacillus*, An existing genus; *Paraallobacillus*: A genus related to but distinct from the existing genus Allobacillus of beside.

Paraallobaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Allobaculum*, An existing genus; *Paraallobaculum*: A genus related to but distinct from the existing genus Allobaculum of beside.

Paraallobranchiibius

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Allobranchiibius*, An existing genus; *Paraallobranchiibius*: A genus related to but distinct from the existing genus Allobranchiibius of beside.

Paraallocatelliglobosispora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Allocatelliglobosispora*, An existing genus; *Paraallocatelliglobosispora*: A genus related to but distinct from the existing genus Allocatelliglobosispora of beside.

Paraallochromatium

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Allochromatium*, An existing genus; *Paraallochromatium*: A genus related to but distinct from the existing genus Allochromatium of beside.

Paraallofrancisella

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. dim. n. *Allofrancisella*, An existing genus; *Paraallofrancisella*: A genus related to but distinct from the existing genus Allofrancisella of beside.

Paraallofustis

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Allofustis*, An existing genus; *Paraallofustis*: A genus related to but distinct from the existing genus Allofustis of beside.

Paraallohahella

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. dim. n. *Allohahella*, An existing genus; *Paraallohahella*: A genus related to but distinct from the existing genus Allohahella of beside.

Paraallohumibacter

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Allohumibacter*, An existing genus; *Paraallohumibacter*: A genus related to but distinct from the existing genus Allohumibacter of beside.

Paraalloiococcus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Alloiococcus*, An existing genus; *Paraalloiococcus*: A genus related to but distinct from the existing genus Alloiococcus of beside.

Paraallokutzneria

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Allokutzneria*, An existing genus; *Paraallokutzneria*: A genus related to but distinct from the existing genus Allokutzneria of beside.

Paraallomonas

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Allomonas*, An existing genus; *Paraallomonas*: A genus related to but distinct from the existing genus Allomonas of beside.

Paraallonocardiopsis

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Allonocardiopsis*, An existing genus; *Paraallonocardiopsis*: A genus related to but distinct from the existing genus Allonocardiopsis of beside.

Paraalloprevotella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Alloprevotella*, An existing genus; *Paraalloprevotella*: A genus related to but distinct from the existing genus Alloprevotella of beside.

Paraallopseudarcicella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Allopseudarcicella*, An existing genus; *Paraallopseudarcicella*: A genus related to but distinct from the existing genus Allopseudarcicella of beside.

Paraallorhizobium

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Allorhizobium*, An existing genus; *Paraallorhizobium*: A genus related to but distinct from the existing genus Allorhizobium of beside.

Paraallorhizocola

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Allorhizocola*, An existing genus; *Paraallorhizocola*: A genus related to but distinct from the existing genus Allorhizocola of beside.

Paraallosalinactinospora

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Allosalinactinospora*, An existing genus; *Paraallosalinactinospora*: A genus related to but distinct from the existing genus Allosalinactinospora of beside.

Paraalloscardovia

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Alloscardovia*, An existing genus; *Paraalloscardovia*: A genus related to but distinct from the existing genus Alloscardovia of beside.

Paraallostreptomyces

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Allostreptomyces*, An existing genus; *Paraallostreptomyces*: A genus related to but distinct from the existing genus Allostreptomyces of beside.

Paraalpinimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Alpinimonas*, An existing genus; *Paraalpinimonas*: A genus related to but distinct from the existing genus Alpinimonas of beside.

Paraalsobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alsobacter*, An existing genus; *Paraalsobacter*: A genus related to but distinct from the existing genus Alsobacter of beside.

Paraaltererythrobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Altererythrobacter*, An existing genus; *Paraaltererythrobacter*: A genus related to but distinct from the existing genus Altererythrobacter of beside.

Paraalteribacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alteribacillus*, An existing genus; *Paraalteribacillus*: A genus related to but distinct from the existing genus Alteribacillus of beside.

Paraalterileibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Alterileibacterium*, An existing genus; *Paraalterileibacterium*: A genus related to but distinct from the existing genus Alterileibacterium of beside.

Paraalterococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Alterococcus*, An existing genus; *Paraalterococcus*: A genus related to but distinct from the existing genus Alterococcus of beside.

Paraalteromonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Alteromonas*, An existing genus; *Paraalteromonas*: A genus related to but distinct from the existing genus Alteromonas of beside.

Paraaltuibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Altuibacter*, An existing genus; *Paraaltuibacter*: A genus related to but distinct from the existing genus Altuibacter of beside.

Paraalysiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Alysiella*, An existing genus; *Paraalysiella*: A genus related to but distinct from the existing genus Alysiella of beside.

Paraamantichitinum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Amantichitinum*, An existing genus; *Paraamantichitinum*: A genus related to but distinct from the existing genus Amantichitinum of beside.

Paraamaricoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Amaricoccus*, An existing genus; *Paraamaricoccus*: A genus related to but distinct from the existing genus Amaricoccus of beside.

Paraamazoninema

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Amazoninema*, An existing genus; *Paraamazoninema*: A genus related to but distinct from the existing genus Amazoninema of beside.

Paraamedibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Amedibacillus*, An existing genus; *Paraamedibacillus*: A genus related to but distinct from the existing genus Amedibacillus of beside.

Paraamedibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Amedibacterium*, An existing genus; *Paraamedibacterium*: A genus related to but distinct from the existing genus Amedibacterium of beside.

Paraameyamaea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Ameyamaea*, An existing genus; *Paraameyamaea*: A genus related to but distinct from the existing genus Ameyamaea of beside.

Paraaminiphilus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aminiphilus*, An existing genus; *Paraaminiphilus*: A genus related to but distinct from the existing genus Aminiphilus of beside.

Paraaminipila

Gr. nan preposition *ïĂĪśïĄĪĭ*, beside; L. fem. n. *Aminipila*, An existing genus; *Paraaminipila*: A genus related to but distinct from the existing genus Aminipila of beside.

Paraaminivibrio

Gr. nan preposition *ïĂĪśïĄĪĭ*, beside; L. masc. n. *Aminivibrio*, An existing genus; *Paraaminivibrio*: A genus related to but distinct from the existing genus Aminivibrio of beside.

Paraaminobacter

Gr. nan preposition *ïĂĪśïĄĪĭ*, beside; L. masc. n. *Aminobacter*, An existing genus; *Paraaminobacter*: A genus related to but distinct from the existing genus Aminobacter of beside.

Paraaminobacterium

Gr. nan preposition *ïĂĪśïĄĪĭ*, beside; L. neut. n. *Aminobacterium*, An existing genus; *Paraaminobacterium*: A genus related to but distinct from the existing genus Aminobacterium of beside.

Paraaminomonas

Gr. nan preposition *ïĂĪśïĄĪĭ*, beside; L. fem. n. *Aminomonas*, An existing genus; *Paraaminomonas*: A genus related to but distinct from the existing genus Aminomonas of beside.

Paraammassolinea

Gr. nan preposition *ïĂĪśïĄĪĭ*, beside; L. fem. n. *Ammassolinea*, An existing genus; *Paraammassolinea*: A genus related to but distinct from the existing genus Ammassolinea of beside.

Paraammonifex

Gr. nan preposition *ïĂĪśïĄĪĭ*, beside; L. masc. n. *Ammonifex*, An existing genus; *Paraammonifex*: A genus related to but distinct from the existing genus Ammonifex of beside.

Paraammoniibacillus

Gr. nan preposition *ïĂĪśïĄĪĭ*, beside; L. masc. n. *Ammoniibacillus*, An existing genus; *Paraammoniibacillus*: A genus related to but distinct from the existing genus Ammoniibacillus of beside.

Paraammoniphilus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Ammoniphilus*, An existing genus; *Paraammoniphilus*: A genus related to but distinct from the existing genus Ammoniphilus of beside.

Paraamnibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Amnibacterium*, An existing genus; *Paraamnibacterium*: A genus related to but distinct from the existing genus Amnibacterium of beside.

Paraamniculibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Amniculibacterium*, An existing genus; *Paraamniculibacterium*: A genus related to but distinct from the existing genus Amniculibacterium of beside.

Paraamnimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Amnimonas*, An existing genus; *Paraamnimonas*: A genus related to but distinct from the existing genus Amnimonas of beside.

Paraamoebobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Amoebobacter*, An existing genus; *Paraamoebobacter*: A genus related to but distinct from the existing genus Amoebobacter of beside.

Paraamorphosporangium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Amorphosporangium*, An existing genus; *Paraamorphosporangium*: A genus related to but distinct from the existing genus Amorphosporangium of beside.

Paraamorphus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Amorphus*, An existing genus; *Paraamorphus*: A genus related to but distinct from the existing genus Amorphus of beside.

Paraamphibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Amphibacillus*, An existing genus; *Paraamphibacillus*: A genus related to but distinct from the existing genus Amphibacillus of beside.

Paraamphiheterocytum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Amphiheterocytum*, An existing genus; *Paraamphiheterocytum*: A genus related to but distinct from the existing genus Amphiheterocytum of beside.

Paraamphiplicatus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Amphiplicatus*, An existing genus; *Paraamphiplicatus*: A genus related to but distinct from the existing genus Amphiplicatus of beside.

Paraampullariella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Ampullariella*, An existing genus; *Paraampullariella*: A genus related to but distinct from the existing genus Ampullariella of beside.

Paraampullimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Ampullimonas*, An existing genus; *Paraampullimonas*: A genus related to but distinct from the existing genus Ampullimonas of beside.

Paraamycolata

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Amycolata*, An existing genus; *Paraamycolata*: A genus related to but distinct from the existing genus Amycolata of beside.

Paraamycolatopsis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Amycolatopsis*, An existing genus; *Paraamycolatopsis*: A genus related to but distinct from the existing genus Amycolatopsis of beside.

Paraamycolicicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Amycolicicoccus*, An existing genus; *Paraamycolicicoccus*: A genus related to but distinct from the existing genus Amycolicicoccus of beside.

Paraamylibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Amylibacter*, An existing genus; *Paraamylibacter*: A genus related to but distinct from the existing genus Amylibacter of beside.

Paraamylolactobacillus

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Amylolactobacillus*, An existing genus; *Paraamylolactobacillus*: A genus related to but distinct from the existing genus Amylolactobacillus of beside.

Paraanaerobacillus

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Anaerobacillus*, An existing genus; *Paraanaerobacillus*: A genus related to but distinct from the existing genus Anaerobacillus of beside.

Paraanaerobacterium

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. n. *Anaerobacterium*, An existing genus; *Paraanaerobacterium*: A genus related to but distinct from the existing genus Anaerobacterium of beside.

Paraanaerobaculum

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. n. *Anaerobaculum*, An existing genus; *Paraanaerobaculum*: A genus related to but distinct from the existing genus Anaerobaculum of beside.

Paraanaerobiospirillum

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. dim. n. *Anaerobiospirillum*, An existing genus; *Paraanaerobiospirillum*: A genus related to but distinct from the existing genus Anaerobiospirillum of beside.

Paraanaerobium

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. n. *Anaerobium*, An existing genus; *Paraanaerobium*: A genus related to but distinct from the existing genus Anaerobium of beside.

Paraanaerobranca

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Anaerobranca*, An existing genus; *Paraanaerobranca*: A genus related to but distinct from the existing genus Anaerobranca of beside.

Paraanaerobutyricum

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. n. *Anaerobutyricum*, An existing genus; *Paraanaerobutyricum*: A genus related to but distinct from the existing genus Anaerobutyricum of beside.

Paraanaerocella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Anaerocella*, An existing genus; *Paraanaerocella*: A genus related to but distinct from the existing genus Anaerocella of beside.

Paraanaerococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Anaerococcus*, An existing genus; *Paraanaerococcus*: A genus related to but distinct from the existing genus Anaerococcus of beside.

Paraanaerofilum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Anaerofilum*, An existing genus; *Paraanaerofilum*: A genus related to but distinct from the existing genus Anaerofilum of beside.

Paraanaeroglobus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Anaeroglobus*, An existing genus; *Paraanaeroglobus*: A genus related to but distinct from the existing genus Anaeroglobus of beside.

Paraanaerohalosphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Anaerohalosphaera*, An existing genus; *Paraanaerohalosphaera*: A genus related to but distinct from the existing genus Anaerohalosphaera of beside.

Paraanaerolactibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Anaerolactibacter*, An existing genus; *Paraanaerolactibacter*: A genus related to but distinct from the existing genus Anaerolactibacter of beside.

Paraanaerolinea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Anaerolinea*, An existing genus; *Paraanaerolinea*: A genus related to but distinct from the existing genus Anaerolinea of beside.

Paraanaeromicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Anaeromicrobium*, An existing genus; *Paraanaeromicrobium*: A genus related to but distinct from the existing genus Anaeromicrobium of beside.

Paraanaeromusa

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Anaeromusa*, An existing genus; *Paraanaeromusa*: A genus related to but distinct from the existing genus Anaeromusa of beside.

Paraanaeromyxobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Anaeromyxobacter*, An existing genus; *Paraanaeromyxobacter*: A genus related to but distinct from the existing genus Anaeromyxobacter of beside.

Paraanaerophaga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Anaerophaga*, An existing genus; *Paraanaerophaga*: A genus related to but distinct from the existing genus Anaerophaga of beside.

Paraanaerophilus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Anaerophilus*, An existing genus; *Paraanaerophilus*: A genus related to but distinct from the existing genus Anaerophilus of beside.

Paraanaeroplasma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Anaeroplasma*, An existing genus; *Paraanaeroplasma*: A genus related to but distinct from the existing genus Anaeroplasma of beside.

Paraanaerorhabdus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Anaerorhabdus*, An existing genus; *Paraanaerorhabdus*: A genus related to but distinct from the existing genus Anaerorhabdus of beside.

Paraanaerosalibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Anaerosalibacter*, An existing genus; *Paraanaerosalibacter*: A genus related to but distinct from the existing genus Anaerosalibacter of beside.

Paraanaerosolibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Anaerosolibacter*, An existing genus; *Paraanaerosolibacter*: A genus related to but distinct from the existing genus Anaerosolibacter of beside.

Paraanaerosphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Anaerosphaera*, An existing genus; *Paraanaerosphaera*: A genus related to but distinct from the existing genus Anaerosphaera of beside.

Paraanaerospora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Anaerospora*, An existing genus; *Paraanaerospora*: A genus related to but distinct from the existing genus Anaerospora of beside.

Paraanaerosporobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Anaerosporobacter*, An existing genus; *Paraanaerosporobacter*: A genus related to but distinct from the existing genus Anaerosporobacter of beside.

Paraanaerosporomusa

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Anaerosporomusa*, An existing genus; *Paraanaerosporomusa*: A genus related to but distinct from the existing genus Anaerosporomusa of beside.

Paraanaerotignum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Anaerotignum*, An existing genus; *Paraanaerotignum*: A genus related to but distinct from the existing genus Anaerotignum of beside.

Paraanaerotruncus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Anaerotruncus*, An existing genus; *Paraanaerotruncus*: A genus related to but distinct from the existing genus Anaerotruncus of beside.

Paraanaerovibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Anaerovibrio*, An existing genus; *Paraanaerovibrio*: A genus related to but distinct from the existing genus Anaerovibrio of beside.

Paraanaerovirgula

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Anaerovirgula*, An existing genus; *Paraanaerovirgula*: A genus related to but distinct from the existing genus Anaerovirgula of beside.

Paraanaerovorax

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Anaerovorax*, An existing genus; *Paraanaerovorax*: A genus related to but distinct from the existing genus Anaerovorax of beside.

Paraanaplasma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Anaplasma*, An existing genus; *Paraanaplasma*: A genus related to but distinct from the existing genus Anaplasma of beside.

Paraancalochloris

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Ancalochloris*, An existing genus; *Paraancalochloris*: A genus related to but distinct from the existing genus Ancalochloris of beside.

Paraancalomicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Ancalomicrobium*, An existing genus; *Paraancalomicrobium*: A genus related to but distinct from the existing genus Ancalomicrobium of beside.

Paraancylobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Ancylobacter*, An existing genus; *Paraancylobacter*: A genus related to but distinct from the existing genus Ancylobacter of beside.

Paraancylomarina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Ancylomarina*, An existing genus; *Paraancylomarina*: A genus related to but distinct from the existing genus Ancylomarina of beside.

Paraancylothrix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Ancylothrix*, An existing genus; *Paraancylothrix*: A genus related to but distinct from the existing genus Ancylothrix of beside.

Paraanderseniella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Anderseniella*, An existing genus; *Paraanderseniella*: A genus related to but distinct from the existing genus Anderseniella of beside.

Paraandreesenia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Andreesenia*, An existing genus; *Paraandreesenia*: A genus related to but distinct from the existing genus Andreesenia of beside.

Paraandreprevotia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Andreprevotia*, An existing genus; *Paraandreprevotia*: A genus related to but distinct from the existing genus Andreprevotia of beside.

Paraaneurinibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aneurinibacillus*, An existing genus; *Paraaneurinibacillus*: A genus related to but distinct from the existing genus Aneurinibacillus of beside.

Paraangelakisella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Angelakisella*, An existing genus; *Paraangelakisella*: A genus related to but distinct from the existing genus Angelakisella of beside.

Paraangiococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Angiococcus*, An existing genus; *Paraangiococcus*: A genus related to but distinct from the existing genus Angiococcus of beside.

Paraangulomicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Angulomicrobium*, An existing genus; *Paraangulomicrobium*: A genus related to but distinct from the existing genus Angulomicrobium of beside.

Paraangustibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Angustibacter*, An existing genus; *Paraangustibacter*: A genus related to but distinct from the existing genus Angustibacter of beside.

Paraannwoodia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Annwoodia*, An existing genus; *Paraannwoodia*: A genus related to but distinct from the existing genus Annwoodia of beside.

Paraanoxybacillus

Gr. nan preposition *ĭĂĬśĭĄĬn̆*, beside; L. masc. n. *Anoxybacillus*, An existing genus; *Paraanoxybacillus*: A genus related to but distinct from the existing genus Anoxybacillus of beside.

Paraanoxybacter

Gr. nan preposition *ĭĂĬśĭĄĬn̆*, beside; L. masc. n. *Anoxybacter*, An existing genus; *Paraanoxybacter*: A genus related to but distinct from the existing genus Anoxybacter of beside.

Paraanoxynatronum

Gr. nan preposition *ĭĂĬśĭĄĬn̆*, beside; L. neut. n. *Anoxynatronum*, An existing genus; *Paraanoxynatronum*: A genus related to but distinct from the existing genus Anoxynatronum of beside.

Paraanseongella

Gr. nan preposition *ĭĂĬśĭĄĬn̆*, beside; L. fem. dim. n. *Anseongella*, An existing genus; *Paraanseongella*: A genus related to but distinct from the existing genus Anseongella of beside.

Paraantarcticibacterium

Gr. nan preposition *ĭĂĬśĭĄĬn̆*, beside; L. neut. n. *Antarcticibacterium*, An existing genus; *Paraantarcticibacterium*: A genus related to but distinct from the existing genus Antarcticibacterium of beside.

Paraantarcticimicrobium

Gr. nan preposition *ĭĂĬśĭĄĬn̆*, beside; L. neut. n. *Antarcticimicrobium*, An existing genus; *Paraantarcticimicrobium*: A genus related to but distinct from the existing genus Antarcticimicrobium of beside.

Paraantarcticimonas

Gr. nan preposition *ĭĂĬśĭĄĬn̆*, beside; L. fem. n. *Antarcticimonas*, An existing genus; *Paraantarcticimonas*: A genus related to but distinct from the existing genus Antarcticimonas of beside.

Paraantarctobacter

Gr. nan preposition *ĭĂĬśĭĄĬn̆*, beside; L. masc. n. *Antarctobacter*, An existing genus; *Paraantarctobacter*: A genus related to but distinct from the existing genus Antarctobacter of beside.

Paraantribacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Antribacter*, An existing genus; *Paraantribacter*: A genus related to but distinct from the existing genus Antribacter of beside.

Paraantricoccus

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Antricoccus*, An existing genus; *Paraantricoccus*: A genus related to but distinct from the existing genus Antricoccus of beside.

Paraaphanizomenon

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. n. *Aphanizomenon*, An existing genus; *Paraaphanizomenon*: A genus related to but distinct from the existing genus Aphanizomenon of beside.

Paraapibacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Apibacter*, An existing genus; *Paraapibacter*: A genus related to but distinct from the existing genus Apibacter of beside.

Paraapilactobacillus

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Apilactobacillus*, An existing genus; *Paraapilactobacillus*: A genus related to but distinct from the existing genus Apilactobacillus of beside.

Paraaplanobacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Aplanobacter*, An existing genus; *Paraaplanobacter*: A genus related to but distinct from the existing genus Aplanobacter of beside.

Paraaquabacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Aquabacter*, An existing genus; *Paraaquabacter*: A genus related to but distinct from the existing genus Aquabacter of beside.

Paraaquabacterium

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. n. *Aquabacterium*, An existing genus; *Paraaquabacterium*: A genus related to but distinct from the existing genus Aquabacterium of beside.

Paraaquamicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aquamicrobium*, An existing genus; *Paraaquamicrobium*: A genus related to but distinct from the existing genus Aquamicrobium of beside.

Paraaquaspirillum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. dim. n. *Aquaspirillum*, An existing genus; *Paraaquaspirillum*: A genus related to but distinct from the existing genus Aquaspirillum of beside.

Paraaquaticitalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aquaticitalea*, An existing genus; *Paraaquaticitalea*: A genus related to but distinct from the existing genus Aquaticitalea of beside.

Paraaquella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Aquella*, An existing genus; *Paraaquella*: A genus related to but distinct from the existing genus Aquella of beside.

Paraaquibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aquibacillus*, An existing genus; *Paraaquibacillus*: A genus related to but distinct from the existing genus Aquibacillus of beside.

Paraaquibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aquibacter*, An existing genus; *Paraaquibacter*: A genus related to but distinct from the existing genus Aquibacter of beside.

Paraaquicella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aquicella*, An existing genus; *Paraaquicella*: A genus related to but distinct from the existing genus Aquicella of beside.

Paraaquichromatium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aquichromatium*, An existing genus; *Paraaquichromatium*: A genus related to but distinct from the existing genus Aquichromatium of beside.

Paraaquicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aquicoccus*, An existing genus; *Paraaquicoccus*: A genus related to but distinct from the existing genus Aquicoccus of beside.

Paraaquidulcibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aquidulcibacter*, An existing genus; *Paraaquidulcibacter*: A genus related to but distinct from the existing genus Aquidulcibacter of beside.

Paraaquifex

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aquifex*, An existing genus; *Paraaquifex*: A genus related to but distinct from the existing genus Aquifex of beside.

Paraaquiflexum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aquiflexum*, An existing genus; *Paraaquiflexum*: A genus related to but distinct from the existing genus Aquiflexum of beside.

Paraaquihabitans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aquihabitans*, An existing genus; *Paraaquihabitans*: A genus related to but distinct from the existing genus Aquihabitans of beside.

Paraaquimarina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aquimarina*, An existing genus; *Paraaquimarina*: A genus related to but distinct from the existing genus Aquimarina of beside.

Paraaquimixticola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aquimixticola*, An existing genus; *Paraaquimixticola*: A genus related to but distinct from the existing genus Aquimixticola of beside.

Paraaquimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aquimonas*, An existing genus; *Paraaquimonas*: A genus related to but distinct from the existing genus Aquimonas of beside.

Paraaquincola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aquincola*, An existing genus; *Paraaquincola*: A genus related to but distinct from the existing genus Aquincola of beside.

Paraaquipuribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aquipuribacter*, An existing genus; *Paraaquipuribacter*: A genus related to but distinct from the existing genus Aquipuribacter of beside.

Paraaquirufa

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aquirufa*, An existing genus; *Paraaquirufa*: A genus related to but distinct from the existing genus Aquirufa of beside.

Paraaquisalibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aquisalibacillus*, An existing genus; *Paraaquisalibacillus*: A genus related to but distinct from the existing genus Aquisalibacillus of beside.

Paraaquisalimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aquisalimonas*, An existing genus; *Paraaquisalimonas*: A genus related to but distinct from the existing genus Aquisalimonas of beside.

Paraaquisalinus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aquisalinus*, An existing genus; *Paraaquisalinus*: A genus related to but distinct from the existing genus Aquisalinus of beside.

Paraaquisediminimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aquisediminimonas*, An existing genus; *Paraaquisediminimonas*: A genus related to but distinct from the existing genus Aquisediminimonas of beside.

Paraaquisphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aquisphaera*, An existing genus; *Paraaquisphaera*: A genus related to but distinct from the existing genus Aquisphaera of beside.

Paraaquitalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aquitalea*, An existing genus; *Paraaquitalea*: A genus related to but distinct from the existing genus Aquitalea of beside.

Paraarachidicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Arachidicoccus*, An existing genus; *Paraarachidicoccus*: A genus related to but distinct from the existing genus Arachidicoccus of beside.

Paraarachnia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Arachnia*, An existing genus; *Paraarachnia*: A genus related to but distinct from the existing genus Arachnia of beside.

Paraarcanobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Arcanobacterium*, An existing genus; *Paraarcanobacterium*: A genus related to but distinct from the existing genus Arcanobacterium of beside.

Paraarchaeoglobus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Archaeoglobus*, An existing genus; *Paraarchaeoglobus*: A genus related to but distinct from the existing genus Archaeoglobus of beside.

Paraarchangium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Archangium*, An existing genus; *Paraarchangium*: A genus related to but distinct from the existing genus Archangium of beside.

Paraarcicella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Arcicella*, An existing genus; *Paraarcicella*: A genus related to but distinct from the existing genus Arcicella of beside.

Paraarcobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Arcobacter*, An existing genus; *Paraarcobacter*: A genus related to but distinct from the existing genus Arcobacter of beside.

Paraarcticibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Arcticibacter*, An existing genus; *Paraarcticibacter*: A genus related to but distinct from the existing genus Arcticibacter of beside.

Paraarcticibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Arcticibacterium*, An existing genus; *Paraarcticibacterium*: A genus related to but distinct from the existing genus Arcticibacterium of beside.

Paraarcticiflavibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Arcticiflavibacter*, An existing genus; *Paraarcticiflavibacter*: A genus related to but distinct from the existing genus Arcticiflavibacter of beside.

Paraardenticatena

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Ardenticatena*, An existing genus; *Paraardenticatena*: A genus related to but distinct from the existing genus Ardenticatena of beside.

Paraarenibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Arenibacillus*, An existing genus; *Paraarenibacillus*: A genus related to but distinct from the existing genus Arenibacillus of beside.

Paraarenibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Arenibacter*, An existing genus; *Paraarenibacter*: A genus related to but distinct from the existing genus Arenibacter of beside.

Paraarenicella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Arenicella*, An existing genus; *Paraarenicella*: A genus related to but distinct from the existing genus Arenicella of beside.

Paraarenimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Arenimicrobium*, An existing genus; *Paraarenimicrobium*: A genus related to but distinct from the existing genus Arenimicrobium of beside.

Paraarenimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Arenimonas*, An existing genus; *Paraarenimonas*: A genus related to but distinct from the existing genus Arenimonas of beside.

Paraarenitalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Arenitalea*, An existing genus; *Paraarenitalea*: A genus related to but distinct from the existing genus Arenitalea of beside.

Paraarhodomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Arhodomonas*, An existing genus; *Paraarhodomonas*: A genus related to but distinct from the existing genus Arhodomonas of beside.

Paraaridibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aridibacter*, An existing genus; *Paraaridibacter*: A genus related to but distinct from the existing genus Aridibacter of beside.

Paraarmatimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Armatimonas*, An existing genus; *Paraarmatimonas*: A genus related to but distinct from the existing genus Armatimonas of beside.

Paraarsenicibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Arsenicibacter*, An existing genus; *Paraarsenicibacter*: A genus related to but distinct from the existing genus Arsenicibacter of beside.

Paraarsenicicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Arsenicicoccus*, An existing genus; *Paraarsenicicoccus*: A genus related to but distinct from the existing genus Arsenicicoccus of beside.

Paraarsenicitalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Arsenicitalea*, An existing genus; *Paraarsenicitalea*: A genus related to but distinct from the existing genus Arsenicitalea of beside.

Paraarsenophonus

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Arsenophonus*, An existing genus; *Paraarsenophonus*: A genus related to but distinct from the existing genus Arsenophonus of beside.

Paraarsukibacterium

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. neut. n. *Arsukibacterium*, An existing genus; *Paraarsukibacterium*: A genus related to but distinct from the existing genus Arsukibacterium of beside.

Paraarthrobacter

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Arthrobacter*, An existing genus; *Paraarthrobacter*: A genus related to but distinct from the existing genus Arthrobacter of beside.

Paraarthrospira

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. fem. n. *Arthrospira*, An existing genus; *Paraarthrospira*: A genus related to but distinct from the existing genus Arthrospira of beside.

Paraarthrospiribacter

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Arthrospiribacter*, An existing genus; *Paraarthrospiribacter*: A genus related to but distinct from the existing genus Arthrospiribacter of beside.

Paraarundinibacter

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Arundinibacter*, An existing genus; *Paraarundinibacter*: A genus related to but distinct from the existing genus Arundinibacter of beside.

Paraarvibacter

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Arvibacter*, An existing genus; *Paraarvibacter*: A genus related to but distinct from the existing genus Arvibacter of beside.

Paraasaccharobacter

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Asaccharobacter*, An existing genus; *Paraasaccharobacter*: A genus related to but distinct from the existing genus Asaccharobacter of beside.

Paraasaccharospora

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. n. *Asaccharospora*, An existing genus; *Paraasaccharospora*: A genus related to but distinct from the existing genus Asaccharospora of beside.

Paraasaia

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. n. *Asaia*, An existing genus; *Paraasaia*: A genus related to but distinct from the existing genus Asaia of beside.

Paraasanoa

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. n. *Asanoa*, An existing genus; *Paraasanoa*: A genus related to but distinct from the existing genus Asanoa of beside.

Paraascidiaceibacter

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. masc. n. *Ascidiaceibacter*, An existing genus; *Paraascidiaceibacter*: A genus related to but distinct from the existing genus Ascidiaceibacter of beside.

Paraascidiaceihabitans

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. masc. n. *Ascidiaceihabitans*, An existing genus; *Paraascidiaceihabitans*: A genus related to but distinct from the existing genus Ascidiaceihabitans of beside.

Paraascidiimonas

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. n. *Ascidiimonas*, An existing genus; *Paraascidiimonas*: A genus related to but distinct from the existing genus Ascidiimonas of beside.

Paraasinibacterium

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. neut. n. *Asinibacterium*, An existing genus; *Paraasinibacterium*: A genus related to but distinct from the existing genus Asinibacterium of beside.

Paraasprobacter

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. masc. n. *Asprobacter*, An existing genus; *Paraasprobacter*: A genus related to but distinct from the existing genus Asprobacter of beside.

Paraaspromonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aspromonas*, An existing genus; *Paraaspromonas*: A genus related to but distinct from the existing genus Aspromonas of beside.

Paraasteroleplasma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Asteroleplasma*, An existing genus; *Paraasteroleplasma*: A genus related to but distinct from the existing genus Asteroleplasma of beside.

Paraasticcacaulis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Asticcacaulis*, An existing genus; *Paraasticcacaulis*: A genus related to but distinct from the existing genus Asticcacaulis of beside.

Paraathalassotoga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Athalassotoga*, An existing genus; *Paraathalassotoga*: A genus related to but distinct from the existing genus Athalassotoga of beside.

Paraatlantibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Atlantibacter*, An existing genus; *Paraatlantibacter*: A genus related to but distinct from the existing genus Atlantibacter of beside.

Paraatopobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Atopobacter*, An existing genus; *Paraatopobacter*: A genus related to but distinct from the existing genus Atopobacter of beside.

Paraatopobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Atopobium*, An existing genus; *Paraatopobium*: A genus related to but distinct from the existing genus Atopobium of beside.

Paraatopococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Atopococcus*, An existing genus; *Paraatopococcus*: A genus related to but distinct from the existing genus Atopococcus of beside.

Paraatopostipes

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Atopostipes*, An existing genus; *Paraatopostipes*: A genus related to but distinct from the existing genus Atopostipes of beside.

Paraaurantiacicella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aurantiacicella*, An existing genus; *Paraaurantiacicella*: A genus related to but distinct from the existing genus Aurantiacicella of beside.

Paraaurantibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aurantibacter*, An existing genus; *Paraaurantibacter*: A genus related to but distinct from the existing genus Aurantibacter of beside.

Paraaurantimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aurantimicrobium*, An existing genus; *Paraaurantimicrobium*: A genus related to but distinct from the existing genus Aurantimicrobium of beside.

Paraaurantimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aurantimonas*, An existing genus; *Paraaurantimonas*: A genus related to but distinct from the existing genus Aurantimonas of beside.

Paraaurantisolimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aurantisolimonas*, An existing genus; *Paraaurantisolimonas*: A genus related to but distinct from the existing genus Aurantisolimonas of beside.

Paraaurantivirga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aurantivirga*, An existing genus; *Paraaurantivirga*: A genus related to but distinct from the existing genus Aurantivirga of beside.

Paraauraticoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Auraticoccus*, An existing genus; *Paraauraticoccus*: A genus related to but distinct from the existing genus Auraticoccus of beside.

Paraaureibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aureibacillus*, An existing genus; *Paraaureibacillus*: A genus related to but distinct from the existing genus Aureibacillus of beside.

Paraaureibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aureibacter*, An existing genus; *Paraaureibacter*: A genus related to but distinct from the existing genus Aureibacter of beside.

Paraaureibaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aureibaculum*, An existing genus; *Paraaureibaculum*: A genus related to but distinct from the existing genus Aureibaculum of beside.

Paraaureicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Aureicoccus*, An existing genus; *Paraaureicoccus*: A genus related to but distinct from the existing genus Aureicoccus of beside.

Paraaureimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aureimonas*, An existing genus; *Paraaureimonas*: A genus related to but distinct from the existing genus Aureimonas of beside.

Paraaureisphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aureisphaera*, An existing genus; *Paraaureisphaera*: A genus related to but distinct from the existing genus Aureisphaera of beside.

Paraaureispira

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aureispira*, An existing genus; *Paraaureispira*: A genus related to but distinct from the existing genus Aureispira of beside.

Paraaureitalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aureitalea*, An existing genus; *Paraaureitalea*: A genus related to but distinct from the existing genus Aureitalea of beside.

Paraaureivirga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Aureivirga*, An existing genus; *Paraaureivirga*: A genus related to but distinct from the existing genus Aureivirga of beside.

Paraaureliella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Aureliella*, An existing genus; *Paraaureliella*: A genus related to but distinct from the existing genus Aureliella of beside.

Paraaureobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Aureobacterium*, An existing genus; *Paraaureobacterium*: A genus related to but distinct from the existing genus Aureobacterium of beside.

Paraauricoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Auricoccus*, An existing genus; *Paraauricoccus*: A genus related to but distinct from the existing genus Auricoccus of beside.

Paraauritidibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Auritidibacter*, An existing genus; *Paraauritidibacter*: A genus related to but distinct from the existing genus Auritidibacter of beside.

Paraaustwickia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Austwickia*, An existing genus; *Paraaustwickia*: A genus related to but distinct from the existing genus Austwickia of beside.

Paraavibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Avibacterium*, An existing genus; *Paraavibacterium*: A genus related to but distinct from the existing genus Avibacterium of beside.

Paraazoarcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Azoarcus*, An existing genus; *Paraazoarcus*: A genus related to but distinct from the existing genus Azoarcus of beside.

Paraazohydromonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Azohydromonas*, An existing genus; *Paraazohydromonas*: A genus related to but distinct from the existing genus Azohydromonas of beside.

Paraazomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Azomonas*, An existing genus; *Paraazomonas*: A genus related to but distinct from the existing genus Azomonas of beside.

Paraazonexus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Azonexus*, An existing genus; *Paraazonexus*: A genus related to but distinct from the existing genus Azonexus of beside.

Paraazorhizobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Azorhizobium*, An existing genus; *Paraazorhizobium*: A genus related to but distinct from the existing genus Azorhizobium of beside.

Paraazospira

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Azospira*, An existing genus; *Paraazospira*: A genus related to but distinct from the existing genus Azospira of beside.

Paraazospirillum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. dim. n. *Azospirillum*, An existing genus; *Paraazospirillum*: A genus related to but distinct from the existing genus Azospirillum of beside.

Paraazotobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Azotobacter*, An existing genus; *Paraazotobacter*: A genus related to but distinct from the existing genus Azotobacter of beside.

Paraazovibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Azovibrio*, An existing genus; *Paraazovibrio*: A genus related to but distinct from the existing genus Azovibrio of beside.

Parabacilliculturomica

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bacilliculturomica*, An existing genus; *Parabacilliculturomica*: A genus related to but distinct from the existing genus Bacilliculturomica of beside.

Parabacteriolyticum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Bacteriolyticum*, An existing genus; *Parabacteriolyticum*: A genus related to but distinct from the existing genus Bacteriolyticum of beside.

Parabacterionema

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Bacterionema*, An existing genus; *Parabacterionema*: A genus related to but distinct from the existing genus Bacterionema of beside.

Parabacterioplanes

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Bacterioplanes*, An existing genus; *Parabacterioplanes*: A genus related to but distinct from the existing genus Bacterioplanes of beside.

Parabacterioplanoides

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Bacterioplanoides*, An existing genus; *Parabacterioplanoides*: A genus related to but distinct from the existing genus Bacterioplanoides of beside.

Parabacteriovorax

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Bacteriovorax*, An existing genus; *Parabacteriovorax*: A genus related to but distinct from the existing genus Bacteriovorax of beside.

Parabacteroides

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Bacteroides*, An existing genus; *Parabacteroides*: A genus related to but distinct from the existing genus Bacteroides of beside.

Parabaekduia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Baekduia*, An existing genus; *Parabaekduia*: A genus related to but distinct from the existing genus Baekduia of beside.

Parabaia

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Baia*, An existing genus; *Parabaia*: A genus related to but distinct from the existing genus Baia of beside.

Parabailinhaonella

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. dim. n. *Bailinhaonella*, An existing genus; *Parabailinhaonella*: A genus related to but distinct from the existing genus Bailinhaonella of beside.

Parabalnearium

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. neut. n. *Balnearium*, An existing genus; *Parabalnearium*: A genus related to but distinct from the existing genus Balnearium of beside.

Parabalneicella

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Balneicella*, An existing genus; *Parabalneicella*: A genus related to but distinct from the existing genus Balneicella of beside.

Parabalneimonas

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Balneimonas*, An existing genus; *Parabalneimonas*: A genus related to but distinct from the existing genus Balneimonas of beside.

Parabarnesiella

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. dim. n. *Barnesiella*, An existing genus; *Parabarnesiella*: A genus related to but distinct from the existing genus Barnesiella of beside.

Parabarrientosiimonas

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Barrientosiimonas*, An existing genus; *Parabarrientosiimonas*: A genus related to but distinct from the existing genus Barrientosiimonas of beside.

Parabartonella

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. dim. n. *Bartonella*, An existing genus; *Parabartonella*: A genus related to but distinct from the existing genus Bartonella of beside.

Parabasfia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Basfia*, An existing genus; *Parabasfia*: A genus related to but distinct from the existing genus Basfia of beside.

Parabasilea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Basilea*, An existing genus; *Parabasilea*: A genus related to but distinct from the existing genus Basilea of beside.

Parabauldia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bauldia*, An existing genus; *Parabauldia*: A genus related to but distinct from the existing genus Bauldia of beside.

Parabavariicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Bavariicoccus*, An existing genus; *Parabavariicoccus*: A genus related to but distinct from the existing genus Bavariicoccus of beside.

Parabdellovibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Bdellovibrio*, An existing genus; *Parabdellovibrio*: A genus related to but distinct from the existing genus Bdellovibrio of beside.

Parabeduinibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Beduinibacterium*, An existing genus; *Parabeduinibacterium*: A genus related to but distinct from the existing genus Beduinibacterium of beside.

Parabeggiatoa

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Beggiatoa*, An existing genus; *Parabeggiatoa*: A genus related to but distinct from the existing genus Beggiatoa of beside.

Parabeijerinckia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Beijerinckia*, An existing genus; *Parabeijerinckia*: A genus related to but distinct from the existing genus Beijerinckia of beside.

Parabelliella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Belliella*, An existing genus; *Parabelliella*: A genus related to but distinct from the existing genus Belliella of beside.

Parabellilinea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bellilinea*, An existing genus; *Parabellilinea*: A genus related to but distinct from the existing genus Bellilinea of beside.

Parabelnapia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Belnapia*, An existing genus; *Parabelnapia*: A genus related to but distinct from the existing genus Belnapia of beside.

Parabeneckea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Beneckea*, An existing genus; *Parabeneckea*: A genus related to but distinct from the existing genus Beneckea of beside.

Parabergeriella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Bergeriella*, An existing genus; *Parabergeriella*: A genus related to but distinct from the existing genus Bergeriella of beside.

Parabergeyella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Bergeyella*, An existing genus; *Parabergeyella*: A genus related to but distinct from the existing genus Bergeyella of beside.

Parabermanella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Bermanella*, An existing genus; *Parabermanella*: A genus related to but distinct from the existing genus Bermanella of beside.

Parabernardetia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bernardetia*, An existing genus; *Parabernardetia*: A genus related to but distinct from the existing genus Bernardetia of beside.

Parabeutenbergia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Beutenbergia*, An existing genus; *Parabeutenbergia*: A genus related to but distinct from the existing genus Beutenbergia of beside.

Parabhargavaea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bhargavaea*, An existing genus; *Parabhargavaea*: A genus related to but distinct from the existing genus Bhargavaea of beside.

Parabibersteinia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bibersteinia*, An existing genus; *Parabibersteinia*: A genus related to but distinct from the existing genus Bibersteinia of beside.

Parabifidobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Bifidobacterium*, An existing genus; *Parabifidobacterium*: A genus related to but distinct from the existing genus Bifidobacterium of beside.

Parabilophila

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bilophila*, An existing genus; *Parabilophila*: A genus related to but distinct from the existing genus Bilophila of beside.

Parabiomaibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Biomaibacter*, An existing genus; *Parabiomaibacter*: A genus related to but distinct from the existing genus Biomaibacter of beside.

Parabiostraticola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Biostraticola*, An existing genus; *Parabiostraticola*: A genus related to but distinct from the existing genus Biostraticola of beside.

Parabisgaardia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bisgaardia*, An existing genus; *Parabisgaardia*: A genus related to but distinct from the existing genus Bisgaardia of beside.

Parabizionia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bizionia*, An existing genus; *Parabizionia*: A genus related to but distinct from the existing genus Bizionia of beside.

Parablastochloris

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Blastochloris*, An existing genus; *Parablastochloris*: A genus related to but distinct from the existing genus Blastochloris of beside.

Parablastococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Blastococcus*, An existing genus; *Parablastococcus*: A genus related to but distinct from the existing genus Blastococcus of beside.

Parablastopirellula

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Blastopirellula*, An existing genus; *Parablastopirellula*: A genus related to but distinct from the existing genus Blastopirellula of beside.

Parablattabacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Blattabacterium*, An existing genus; *Parablattabacterium*: A genus related to but distinct from the existing genus Blattabacterium of beside.

Parablautia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Blautia*, An existing genus; *Parablautia*: A genus related to but distinct from the existing genus Blautia of beside.

Parabogoriella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Bogoriella*, An existing genus; *Parabogoriella*: A genus related to but distinct from the existing genus Bogoriella of beside.

Parabombella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Bombella*, An existing genus; *Parabombella*: A genus related to but distinct from the existing genus Bombella of beside.

Parabombilactobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Bombilactobacillus*, An existing genus; *Parabombilactobacillus*: A genus related to but distinct from the existing genus Bombilactobacillus of beside.

Parabombiscardovia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bombiscardovia*, An existing genus; *Parabombiscardovia*: A genus related to but distinct from the existing genus Bombiscardovia of beside.

Parabordetella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Bordetella*, An existing genus; *Parabordetella*: A genus related to but distinct from the existing genus Bordetella of beside.

Paraborrelia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Borrelia*, An existing genus; *Paraborrelia*: A genus related to but distinct from the existing genus Borrelia of beside.

Paraborreliella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Borreliella*, An existing genus; *Paraborreliella*: A genus related to but distinct from the existing genus Borreliella of beside.

Parabosea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bosea*, An existing genus; *Parabosea*: A genus related to but distinct from the existing genus Bosea of beside.

Paraboseongicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Boseongicola*, An existing genus; *Paraboseongicola*: A genus related to but distinct from the existing genus Boseongicola of beside.

Parabotryobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Botryobacter*, An existing genus; *Parabotryobacter*: A genus related to but distinct from the existing genus Botryobacter of beside.

Paraboudabousia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Boudabousia*, An existing genus; *Paraboudabousia*: A genus related to but distinct from the existing genus Boudabousia of beside.

Parabounagaea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bounagaea*, An existing genus; *Parabounagaea*: A genus related to but distinct from the existing genus Bounagaea of beside.

Parabowmanella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Bowmanella*, An existing genus; *Parabowmanella*: A genus related to but distinct from the existing genus Bowmanella of beside.

Parabrachyspira

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Brachyspira*, An existing genus; *Parabrachyspira*: A genus related to but distinct from the existing genus Brachyspira of beside.

Parabradyrhizobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Bradyrhizobium*, An existing genus; *Parabradyrhizobium*: A genus related to but distinct from the existing genus Bradyrhizobium of beside.

Parabranchiibius

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Branchiibius*, An existing genus; *Parabranchiibius*: A genus related to but distinct from the existing genus Branchiibius of beside.

Parabranhamella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Branhamella*, An existing genus; *Parabranhamella*: A genus related to but distinct from the existing genus Branhamella of beside.

Parabrassicibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Brassicibacter*, An existing genus; *Parabrassicibacter*: A genus related to but distinct from the existing genus Brassicibacter of beside.

Parabremerella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Bremerella*, An existing genus; *Parabremerella*: A genus related to but distinct from the existing genus Bremerella of beside.

Parabrenneria

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Brenneria*, An existing genus; *Parabrenneria*: A genus related to but distinct from the existing genus Brenneria of beside.

Parabreoghania

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Breoghania*, An existing genus; *Parabreoghania*: A genus related to but distinct from the existing genus Breoghania of beside.

Parabrevifollis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Brevifollis*, An existing genus; *Parabrevifollis*: A genus related to but distinct from the existing genus Brevifollis of beside.

Parabrevilactibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Brevilactibacter*, An existing genus; *Parabrevilactibacter*: A genus related to but distinct from the existing genus Brevilactibacter of beside.

Parabrevinema

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Brevinema*, An existing genus; *Parabrevinema*: A genus related to but distinct from the existing genus Brevinema of beside.

Parabrevirhabdus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Brevirhabdus*, An existing genus; *Parabrevirhabdus*: A genus related to but distinct from the existing genus Brevirhabdus of beside.

Parabrevundimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Brevundimonas*, An existing genus; *Parabrevundimonas*: A genus related to but distinct from the existing genus Brevundimonas of beside.

Parabreznakia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Breznakia*, An existing genus; *Parabreznakia*: A genus related to but distinct from the existing genus Breznakia of beside.

Parabreznakibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Breznakibacter*, An existing genus; *Parabreznakibacter*: A genus related to but distinct from the existing genus Breznakibacter of beside.

Parabrochothrix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Brochothrix*, An existing genus; *Parabrochothrix*: A genus related to but distinct from the existing genus Brochothrix of beside.

Parabrockia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Brockia*, An existing genus; *Parabrockia*: A genus related to but distinct from the existing genus Brockia of beside.

Parabrooklawnia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Brooklawnia*, An existing genus; *Parabrooklawnia*: A genus related to but distinct from the existing genus Brooklawnia of beside.

Parabrucella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Brucella*, An existing genus; *Parabrucella*: A genus related to but distinct from the existing genus Brucella of beside.

Parabrumimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Brumimicrobium*, An existing genus; *Parabrumimicrobium*: A genus related to but distinct from the existing genus Brumimicrobium of beside.

Parabryantella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Bryantella*, An existing genus; *Parabryantella*: A genus related to but distinct from the existing genus Bryantella of beside.

Parabryobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Bryobacter*, An existing genus; *Parabryobacter*: A genus related to but distinct from the existing genus Bryobacter of beside.

Parabryocella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bryocella*, An existing genus; *Parabryocella*: A genus related to but distinct from the existing genus Bryocella of beside.

Parabuchananella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Buchananella*, An existing genus; *Parabuchananella*: A genus related to but distinct from the existing genus Buchananella of beside.

Parabuchnera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Buchnera*, An existing genus; *Parabuchnera*: A genus related to but distinct from the existing genus Buchnera of beside.

Parabudvicia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Budvicia*, An existing genus; *Parabudvicia*: A genus related to but distinct from the existing genus Budvicia of beside.

Parabulleidia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Bulleidia*, An existing genus; *Parabulleidia*: A genus related to but distinct from the existing genus Bulleidia of beside.

Paraburkholderia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Burkholderia*, An existing genus; *Paraburkholderia*: A genus related to but distinct from the existing genus Burkholderia of beside.

Parabuttiauxella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Buttiauxella*, An existing genus; *Parabuttiauxella*: A genus related to but distinct from the existing genus Buttiauxella of beside.

Parabutyratibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Butyratibacter*, An existing genus; *Parabutyratibacter*: A genus related to but distinct from the existing genus Butyratibacter of beside.

Parabutyricicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Butyricicoccus*, An existing genus; *Parabutyricicoccus*: A genus related to but distinct from the existing genus Butyricicoccus of beside.

Parabutyrivibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Butyrivibrio*, An existing genus; *Parabutyrivibrio*: A genus related to but distinct from the existing genus Butyrivibrio of beside.

Parabyssophaga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Byssophaga*, An existing genus; *Parabyssophaga*: A genus related to but distinct from the existing genus Byssophaga of beside.

Parabyssovorax

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Byssovorax*, An existing genus; *Parabyssovorax*: A genus related to but distinct from the existing genus Byssovorax of beside.

Parabythopirellula

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Bythopirellula*, An existing genus; *Parabythopirellula*: A genus related to but distinct from the existing genus Bythopirellula of beside.

Paracaballeronia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Caballeronia*, An existing genus; *Paracaballeronia*: A genus related to but distinct from the existing genus Caballeronia of beside.

Paracaecibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Caecibacterium*, An existing genus; *Paracaecibacterium*: A genus related to but distinct from the existing genus Caecibacterium of beside.

Paracaedibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Caedibacter*, An existing genus; *Paracaedibacter*: A genus related to but distinct from the existing genus Caedibacter of beside.

Paracaedimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Caedimonas*, An existing genus; *Paracaedimonas*: A genus related to but distinct from the existing genus Caedimonas of beside.

Paracaenibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Caenibacillus*, An existing genus; *Paracaenibacillus*: A genus related to but distinct from the existing genus Caenibacillus of beside.

Paracaenibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Caenibacterium*, An existing genus; *Paracaenibacterium*: A genus related to but distinct from the existing genus Caenibacterium of beside.

Paracaenimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Caenimonas*, An existing genus; *Paracaenimonas*: A genus related to but distinct from the existing genus Caenimonas of beside.

Paracaenispirillum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. dim. n. *Caenispirillum*, An existing genus; *Paracaenispirillum*: A genus related to but distinct from the existing genus Caenispirillum of beside.

Paracalculibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Calculibacillus*, An existing genus; *Paracalculibacillus*: A genus related to but distinct from the existing genus Calculibacillus of beside.

Paracaldalkalibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Caldalkalibacillus*, An existing genus; *Paracaldalkalibacillus*: A genus related to but distinct from the existing genus Caldalkalibacillus of beside.

Paracaldanaerobacter

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. masc. n. *Caldanaerobacter*, An existing genus; *Paracaldanaerobacter*: A genus related to but distinct from the existing genus Caldanaerobacter of beside.

Paracaldanaerobius

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. masc. n. *Caldanaerobius*, An existing genus; *Paracaldanaerobius*: A genus related to but distinct from the existing genus Caldanaerobius of beside.

Paracaldanaerovirga

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. fem. n. *Caldanaerovirga*, An existing genus; *Paracaldanaerovirga*: A genus related to but distinct from the existing genus Caldanaerovirga of beside.

Paracalderihabitans

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. masc. n. *Calderihabitans*, An existing genus; *Paracalderihabitans*: A genus related to but distinct from the existing genus Calderihabitans of beside.

Paracalderobacterium

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. neut. n. *Calderobacterium*, An existing genus; *Paracalderobacterium*: A genus related to but distinct from the existing genus Calderobacterium of beside.

Paracaldibacillus

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. masc. n. *Caldibacillus*, An existing genus; *Paracaldibacillus*: A genus related to but distinct from the existing genus Caldibacillus of beside.

Paracaldicellulosiruptor

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. masc. n. *Caldicellulosiruptor*, An existing genus; *Paracaldicellulosiruptor*: A genus related to but distinct from the existing genus Caldicellulosiruptor of beside.

Paracaldicoprobacter

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. masc. n. *Caldicoprobacter*, An existing genus; *Paracaldicoprobacter*: A genus related to but distinct from the existing genus Caldicoprobacter of beside.

Paracaldilinea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Caldilinea*, An existing genus; *Paracaldilinea*: A genus related to but distinct from the existing genus Caldilinea of beside.

Paracaldimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Caldimicrobium*, An existing genus; *Paracaldimicrobium*: A genus related to but distinct from the existing genus Caldimicrobium of beside.

Paracaldimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Caldimonas*, An existing genus; *Paracaldimonas*: A genus related to but distinct from the existing genus Caldimonas of beside.

Paracaldinitratiruptor

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Caldinitratiruptor*, An existing genus; *Paracaldinitratiruptor*: A genus related to but distinct from the existing genus Caldinitratiruptor of beside.

Paracaldisalinibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Caldisalinibacter*, An existing genus; *Paracaldisalinibacter*: A genus related to but distinct from the existing genus Caldisalinibacter of beside.

Paracaldisericum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Caldisericum*, An existing genus; *Paracaldisericum*: A genus related to but distinct from the existing genus Caldisericum of beside.

Paracaldisphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Caldisphaera*, An existing genus; *Paracaldisphaera*: A genus related to but distinct from the existing genus Caldisphaera of beside.

Paracalditerricola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Calditerricola*, An existing genus; *Paracalditerricola*: A genus related to but distinct from the existing genus Calditerricola of beside.

Paracalditerrivibrio

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Calditerrivibrio*, An existing genus; *Paracalditerrivibrio*: A genus related to but distinct from the existing genus Calditerrivibrio of beside.

Paracaldithrix

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. fem. n. *Caldithrix*, An existing genus; *Paracaldithrix*: A genus related to but distinct from the existing genus Caldithrix of beside.

Paracaldovatus

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Caldovatus*, An existing genus; *Paracaldovatus*: A genus related to but distinct from the existing genus Caldovatus of beside.

Paracalenema

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. neut. n. *Calenema*, An existing genus; *Paracalenema*: A genus related to but distinct from the existing genus Calenema of beside.

Paracalidifontibacter

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Calidifontibacter*, An existing genus; *Paracalidifontibacter*: A genus related to but distinct from the existing genus Calidifontibacter of beside.

Paracalidifontimicrobium

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. neut. n. *Calidifontimicrobium*, An existing genus; *Paracalidifontimicrobium*: A genus related to but distinct from the existing genus Calidifontimicrobium of beside.

Paracalidithermus

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Calidithermus*, An existing genus; *Paracalidithermus*: A genus related to but distinct from the existing genus Calidithermus of beside.

Paracalochaete

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. fem. n. *Calochaete*, An existing genus; *Paracalochaete*: A genus related to but distinct from the existing genus Calochaete of beside.

Paracaloramator

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. masc. n. *Caloramator*, An existing genus; *Paracaloramator*: A genus related to but distinct from the existing genus Caloramator of beside.

Paracaloranaerobacter

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. masc. n. *Caloranaerobacter*, An existing genus; *Paracaloranaerobacter*: A genus related to but distinct from the existing genus Caloranaerobacter of beside.

Paracaloribacterium

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. neut. n. *Caloribacterium*, An existing genus; *Paracaloribacterium*: A genus related to but distinct from the existing genus Caloribacterium of beside.

Paracalorimonas

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Calorimonas*, An existing genus; *Paracalorimonas*: A genus related to but distinct from the existing genus Calorimonas of beside.

Paracalorithrix

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Calorithrix*, An existing genus; *Paracalorithrix*: A genus related to but distinct from the existing genus Calorithrix of beside.

Paracalothrix

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Calothrix*, An existing genus; *Paracalothrix*: A genus related to but distinct from the existing genus Calothrix of beside.

Paracalymmatobacterium

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. neut. n. *Calymmatobacterium*, An existing genus; *Paracalymmatobacterium*: A genus related to but distinct from the existing genus Calymmatobacterium of beside.

Paracamelimonas

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Camelimonas*, An existing genus; *Paracamelimonas*: A genus related to but distinct from the existing genus Camelimonas of beside.

Paracamelliibacillus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Camelliibacillus*, An existing genus; *Paracamelliibacillus*: A genus related to but distinct from the existing genus Camelliibacillus of beside.

Paracaminibacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Caminibacter*, An existing genus; *Paracaminibacter*: A genus related to but distinct from the existing genus Caminibacter of beside.

Paracaminicella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Caminicella*, An existing genus; *Paracaminicella*: A genus related to but distinct from the existing genus Caminicella of beside.

Paracampylobacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Campylobacter*, An existing genus; *Paracampylobacter*: A genus related to but distinct from the existing genus Campylobacter of beside.

Paracanaleparolina

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Canaleparolina*, An existing genus; *Paracanaleparolina*: A genus related to but distinct from the existing genus Canaleparolina of beside.

Paracandidimonas

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Candidimonas*, An existing genus; *Paracandidimonas*: A genus related to but distinct from the existing genus Candidimonas of beside.

Paracanibacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Canibacter*, An existing genus; *Paracanibacter*: A genus related to but distinct from the existing genus Canibacter of beside.

Paracapillus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Capillus*, An existing genus; *Paracapillus*: A genus related to but distinct from the existing genus Capillus of beside.

Paracapnocytophaga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Capnocytophaga*, An existing genus; *Paracapnocytophaga*: A genus related to but distinct from the existing genus Capnocytophaga of beside.

Paracaproicibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Caproicibacter*, An existing genus; *Paracaproicibacter*: A genus related to but distinct from the existing genus Caproicibacter of beside.

Paracaproiciproducens

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Caproiciproducens*, An existing genus; *Paracaproiciproducens*: A genus related to but distinct from the existing genus Caproiciproducens of beside.

Paracapsularis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Capsularis*, An existing genus; *Paracapsularis*: A genus related to but distinct from the existing genus Capsularis of beside.

Paracapsulimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Capsulimonas*, An existing genus; *Paracapsulimonas*: A genus related to but distinct from the existing genus Capsulimonas of beside.

Paracarbophilus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Carbophilus*, An existing genus; *Paracarbophilus*: A genus related to but distinct from the existing genus Carbophilus of beside.

Paracarboxydocella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Carboxydocella*, An existing genus; *Paracarboxydocella*: A genus related to but distinct from the existing genus Carboxydocella of beside.

Paracarboxydothermus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Carboxydothermus*, An existing genus; *Paracarboxydothermus*: A genus related to but distinct from the existing genus Carboxydothermus of beside.

Paracardiobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Cardiobacterium*, An existing genus; *Paracardiobacterium*: A genus related to but distinct from the existing genus Cardiobacterium of beside.

Paracarideicomes

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Carideicomes*, An existing genus; *Paracarideicomes*: A genus related to but distinct from the existing genus Carideicomes of beside.

Paracarnimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Carnimonas*, An existing genus; *Paracarnimonas*: A genus related to but distinct from the existing genus Carnimonas of beside.

Paracarnobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Carnobacterium*, An existing genus; *Paracarnobacterium*: A genus related to but distinct from the existing genus Carnobacterium of beside.

Paracartusia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Cartusia*, An existing genus; *Paracartusia*: A genus related to but distinct from the existing genus Cartusia of beside.

Paracaryophanon

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Caryophanon*, An existing genus; *Paracaryophanon*: A genus related to but distinct from the existing genus Caryophanon of beside.

Paracaseobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Caseobacter*, An existing genus; *Paracaseobacter*: A genus related to but distinct from the existing genus Caseobacter of beside.

Paracasimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Casimicrobium*, An existing genus; *Paracasimicrobium*: A genus related to but distinct from the existing genus Casimicrobium of beside.

Paracastellaniella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Castellaniella*, An existing genus; *Paracastellaniella*: A genus related to but distinct from the existing genus Castellaniella of beside.

Paracatabacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Catabacter*, An existing genus; *Paracatabacter*: A genus related to but distinct from the existing genus Catabacter of beside.

Paracatalinimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Catalinimonas*, An existing genus; *Paracatalinimonas*: A genus related to but distinct from the existing genus Catalinimonas of beside.

Paracatellatospora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Catellatospora*, An existing genus; *Paracatellatospora*: A genus related to but distinct from the existing genus Catellatospora of beside.

Paracatellibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Catellibacterium*, An existing genus; *Paracatellibacterium*: A genus related to but distinct from the existing genus Catellibacterium of beside.

Paracatellicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Catellicoccus*, An existing genus; *Paracatellicoccus*: A genus related to but distinct from the existing genus Catellicoccus of beside.

Paracatelliglobosispora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Catelliglobosispora*, An existing genus; *Paracatelliglobosispora*: A genus related to but distinct from the existing genus Catelliglobosispora of beside.

Paracatenibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Catenibacillus*, An existing genus; *Paracatenibacillus*: A genus related to but distinct from the existing genus Catenibacillus of beside.

Paracatenibacterium

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Catenibacterium*, An existing genus; *Paracatenibacterium*: A genus related to but distinct from the existing genus Catenibacterium of beside.

Paracatenisphaera

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Catenisphaera*, An existing genus; *Paracatenisphaera*: A genus related to but distinct from the existing genus Catenisphaera of beside.

Paracatenococcus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Catenococcus*, An existing genus; *Paracatenococcus*: A genus related to but distinct from the existing genus Catenococcus of beside.

Paracatenovulum

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Catenovulum*, An existing genus; *Paracatenovulum*: A genus related to but distinct from the existing genus Catenovulum of beside.

Paracatenulispora

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Catenulispora*, An existing genus; *Paracatenulispora*: A genus related to but distinct from the existing genus Catenulispora of beside.

Paracatenuloplanes

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Catenuloplanes*, An existing genus; *Paracatenuloplanes*: A genus related to but distinct from the existing genus Catenuloplanes of beside.

Paracatonella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Catonella*, An existing genus; *Paracatonella*: A genus related to but distinct from the existing genus Catonella of beside.

Paracaulifigura

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Caulifigura*, An existing genus; *Paracaulifigura*: A genus related to but distinct from the existing genus Caulifigura of beside.

Paracaulobacter

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. masc. n. *Caulobacter*, An existing genus; *Paracaulobacter*: A genus related to but distinct from the existing genus Caulobacter of beside.

Paracavicella

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Cavicella*, An existing genus; *Paracavicella*: A genus related to but distinct from the existing genus Cavicella of beside.

Paracaviibacter

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. masc. n. *Caviibacter*, An existing genus; *Paracaviibacter*: A genus related to but distinct from the existing genus Caviibacter of beside.

Paracaviibacterium

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. neut. n. *Caviibacterium*, An existing genus; *Paracaviibacterium*: A genus related to but distinct from the existing genus Caviibacterium of beside.

Paracecembia

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Cecembia*, An existing genus; *Paracecembia*: A genus related to but distinct from the existing genus Cecembia of beside.

Paracedecea

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Cedecea*, An existing genus; *Paracedecea*: A genus related to but distinct from the existing genus Cedecea of beside.

Paracelerinatantimonas

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Celerinatantimonas*, An existing genus; *Paracelerinatantimonas*: A genus related to but distinct from the existing genus Celerinatantimonas of beside.

Paracellulomonas

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Cellulomonas*, An existing genus; *Paracellulomonas*: A genus related to but distinct from the existing genus Cellulomonas of beside.

Paracellulophaga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Cellulophaga*, An existing genus; *Paracellulophaga*: A genus related to but distinct from the existing genus Cellulophaga of beside.

Paracellulosibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Cellulosibacter*, An existing genus; *Paracellulosibacter*: A genus related to but distinct from the existing genus Cellulosibacter of beside.

Paracellulosilyticum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Cellulosilyticum*, An existing genus; *Paracellulosilyticum*: A genus related to but distinct from the existing genus Cellulosilyticum of beside.

Paracellulosimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Cellulosimicrobium*, An existing genus; *Paracellulosimicrobium*: A genus related to but distinct from the existing genus Cellulosimicrobium of beside.

Paracellvibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Cellvibrio*, An existing genus; *Paracellvibrio*: A genus related to but distinct from the existing genus Cellvibrio of beside.

Paracenarchaeum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Cenarchaeum*, An existing genus; *Paracenarchaeum*: A genus related to but distinct from the existing genus Cenarchaeum of beside.

Paracephalothrix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Cephalothrix*, An existing genus; *Paracephalothrix*: A genus related to but distinct from the existing genus Cephalothrix of beside.

Paracephaloticoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Cephaloticoccus*, An existing genus; *Paracephaloticoccus*: A genus related to but distinct from the existing genus Cephaloticoccus of beside.

Paracerasibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Cerasibacillus*, An existing genus; *Paracerasibacillus*: A genus related to but distinct from the existing genus Cerasibacillus of beside.

Paracerasicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Cerasicoccus*, An existing genus; *Paracerasicoccus*: A genus related to but distinct from the existing genus Cerasicoccus of beside.

Paracereibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Cereibacter*, An existing genus; *Paracereibacter*: A genus related to but distinct from the existing genus Cereibacter of beside.

Paracesiribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Cesiribacter*, An existing genus; *Paracesiribacter*: A genus related to but distinct from the existing genus Cesiribacter of beside.

Paracetobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Cetobacterium*, An existing genus; *Paracetobacterium*: A genus related to but distinct from the existing genus Cetobacterium of beside.

Parachachezhania

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Chachezhania*, An existing genus; *Parachachezhania*: A genus related to but distinct from the existing genus Chachezhania of beside.

Parachainia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Chainia*, An existing genus; *Parachainia*: A genus related to but distinct from the existing genus Chainia of beside.

Parachakia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Chakia*, An existing genus; *Parachakia*: A genus related to but distinct from the existing genus Chakia of beside.

Parachakrabartia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Chakrabartia*, An existing genus; *Parachakrabartia*: A genus related to but distinct from the existing genus Chakrabartia of beside.

Parachalicogloea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Chalicogloea*, An existing genus; *Parachalicogloea*: A genus related to but distinct from the existing genus Chalicogloea of beside.

Parachamaethrix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Chamaethrix*, An existing genus; *Parachamaethrix*: A genus related to but distinct from the existing genus Chamaethrix of beside.

Parachangchengzhania

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Changchengzhania*, An existing genus; *Parachangchengzhania*: A genus related to but distinct from the existing genus Changchengzhania of beside.

Parachania

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Chania*, An existing genus; *Parachania*: A genus related to but distinct from the existing genus Chania of beside.

Paracharonomicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Charonomicrobium*, An existing genus; *Paracharonomicrobium*: A genus related to but distinct from the existing genus Charonomicrobium of beside.

Parachelativorans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chelativorans*, An existing genus; *Parachelativorans*: A genus related to but distinct from the existing genus Chelativorans of beside.

Parachelatobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chelatobacter*, An existing genus; *Parachelatobacter*: A genus related to but distinct from the existing genus Chelatobacter of beside.

Parachelatococcus

Gr. nan preposition *ĬĂĨśĬĄĨň*, beside; L. masc. n. *Chelatococcus*, An existing genus; *Parachelatococcus*: A genus related to but distinct from the existing genus Chelatococcus of beside.

Parachelonobacter

Gr. nan preposition *ĬĂĨśĬĄĨň*, beside; L. masc. n. *Chelonobacter*, An existing genus; *Parachelonobacter*: A genus related to but distinct from the existing genus Chelonobacter of beside.

Parachenggangzhangella

Gr. nan preposition *ĬĂĨśĬĄĨň*, beside; L. fem. dim. n. *Chenggangzhangella*, An existing genus; *Parachenggangzhangella*: A genus related to but distinct from the existing genus Chenggangzhangella of beside.

Parachengkuizengella

Gr. nan preposition *ĬĂĨśĬĄĨň*, beside; L. fem. dim. n. *Chengkuizengella*, An existing genus; *Parachengkuizengella*: A genus related to but distinct from the existing genus Chengkuizengella of beside.

Parachiayiivirga

Gr. nan preposition *ĬĂĨśĬĄĨň*, beside; L. fem. n. *Chiayiivirga*, An existing genus; *Parachiayiivirga*: A genus related to but distinct from the existing genus Chiayiivirga of beside.

Parachimaereicella

Gr. nan preposition *ĬĂĨśĬĄĨň*, beside; L. fem. n. *Chimaereicella*, An existing genus; *Parachimaereicella*: A genus related to but distinct from the existing genus Chimaereicella of beside.

Parachimaeribacter

Gr. nan preposition *ĬĂĨśĬĄĨň*, beside; L. masc. n. *Chimaeribacter*, An existing genus; *Parachimaeribacter*: A genus related to but distinct from the existing genus Chimaeribacter of beside.

Parachishuiella

Gr. nan preposition *ĬĂĨśĬĄĨň*, beside; L. fem. dim. n. *Chishuiella*, An existing genus; *Parachishuiella*: A genus related to but distinct from the existing genus Chishuiella of beside.

Parachitinasiproducens

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chitinasiproducens*, An existing genus; *Parachitinasiproducens*: A genus related to but distinct from the existing genus Chitinasiproducens of beside.

Parachitinibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chitinibacter*, An existing genus; *Parachitinibacter*: A genus related to but distinct from the existing genus Chitinibacter of beside.

Parachitinilyticum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Chitinilyticum*, An existing genus; *Parachitinilyticum*: A genus related to but distinct from the existing genus Chitinilyticum of beside.

Parachitiniphilus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chitiniphilus*, An existing genus; *Parachitiniphilus*: A genus related to but distinct from the existing genus Chitiniphilus of beside.

Parachitinispirillum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. dim. n. *Chitinispirillum*, An existing genus; *Parachitinispirillum*: A genus related to but distinct from the existing genus Chitinispirillum of beside.

Parachitinivibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chitinivibrio*, An existing genus; *Parachitinivibrio*: A genus related to but distinct from the existing genus Chitinivibrio of beside.

Parachitinivorax

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chitinivorax*, An existing genus; *Parachitinivorax*: A genus related to but distinct from the existing genus Chitinivorax of beside.

Parachitinolyticbacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chitinolyticbacter*, An existing genus; *Parachitinolyticbacter*: A genus related to but distinct from the existing genus Chitinolyticbacter of beside.

Parachitinophaga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Chitinophaga*, An existing genus; *Parachitinophaga*: A genus related to but distinct from the existing genus Chitinophaga of beside.

Parachlamydia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Chlamydia*, An existing genus; *Parachlamydia*: A genus related to but distinct from the existing genus Chlamydia of beside.

Parachlamydophila

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Chlamydophila*, An existing genus; *Parachlamydophila*: A genus related to but distinct from the existing genus Chlamydophila of beside.

Parachloracidobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Chloracidobacterium*, An existing genus; *Parachloracidobacterium*: A genus related to but distinct from the existing genus Chloracidobacterium of beside.

Parachlorobaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Chlorobaculum*, An existing genus; *Parachlorobaculum*: A genus related to but distinct from the existing genus Chlorobaculum of beside.

Parachlorobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Chlorobium*, An existing genus; *Parachlorobium*: A genus related to but distinct from the existing genus Chlorobium of beside.

Parachloroflexus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chloroflexus*, An existing genus; *Parachloroflexus*: A genus related to but distinct from the existing genus Chloroflexus of beside.

Parachloroherpeton

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Chloroherpeton*, An existing genus; *Parachloroherpeton*: A genus related to but distinct from the existing genus Chloroherpeton of beside.

Parachloronema

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Chloronema*, An existing genus; *Parachloronema*: A genus related to but distinct from the existing genus Chloronema of beside.

Parachondromyces

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chondromyces*, An existing genus; *Parachondromyces*: A genus related to but distinct from the existing genus Chondromyces of beside.

Parachristensenella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Christensenella*, An existing genus; *Parachristensenella*: A genus related to but distinct from the existing genus Christensenella of beside.

Parachroakolemma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Chroakolemma*, An existing genus; *Parachroakolemma*: A genus related to but distinct from the existing genus Chroakolemma of beside.

Parachromatium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Chromatium*, An existing genus; *Parachromatium*: A genus related to but distinct from the existing genus Chromatium of beside.

Parachromatocurvus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chromatocurvus*, An existing genus; *Parachromatocurvus*: A genus related to but distinct from the existing genus Chromatocurvus of beside.

Parachromobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Chromobacterium*, An existing genus; *Parachromobacterium*: A genus related to but distinct from the existing genus Chromobacterium of beside.

Parachromohalobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chromohalobacter*, An existing genus; *Parachromohalobacter*: A genus related to but distinct from the existing genus Chromohalobacter of beside.

Parachroococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chroococcus*, An existing genus; *Parachroococcus*: A genus related to but distinct from the existing genus Chroococcus of beside.

Parachryseobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Chryseobacterium*, An existing genus; *Parachryseobacterium*: A genus related to but distinct from the existing genus Chryseobacterium of beside.

Parachryseoglobus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chryseoglobus*, An existing genus; *Parachryseoglobus*: A genus related to but distinct from the existing genus Chryseoglobus of beside.

Parachryseolinea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Chryseolinea*, An existing genus; *Parachryseolinea*: A genus related to but distinct from the existing genus Chryseolinea of beside.

Parachryseomicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Chryseomicrobium*, An existing genus; *Parachryseomicrobium*: A genus related to but distinct from the existing genus Chryseomicrobium of beside.

Parachryseomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Chryseomonas*, An existing genus; *Parachryseomonas*: A genus related to but distinct from the existing genus Chryseomonas of beside.

Parachryseotalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Chryseotalea*, An existing genus; *Parachryseotalea*: A genus related to but distinct from the existing genus Chryseotalea of beside.

Parachrysiogenes

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Chrysiogenes*, An existing genus; *Parachrysiogenes*: A genus related to but distinct from the existing genus Chrysiogenes of beside.

Parachthoniobacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Chthoniobacter*, An existing genus; *Parachthoniobacter*: A genus related to but distinct from the existing genus Chthoniobacter of beside.

Parachthonobacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Chthonobacter*, An existing genus; *Parachthonobacter*: A genus related to but distinct from the existing genus Chthonobacter of beside.

Parachthonomonas

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Chthonomonas*, An existing genus; *Parachthonomonas*: A genus related to but distinct from the existing genus Chthonomonas of beside.

Parachujaibacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Chujaibacter*, An existing genus; *Parachujaibacter*: A genus related to but distinct from the existing genus Chujaibacter of beside.

Parachungangia

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Chungangia*, An existing genus; *Parachungangia*: A genus related to but distinct from the existing genus Chungangia of beside.

Paraciceribacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Ciceribacter*, An existing genus; *Paraciceribacter*: A genus related to but distinct from the existing genus Ciceribacter of beside.

Paracitreibacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Citreibacter*, An existing genus; *Paracitreibacter*: A genus related to but distinct from the existing genus Citreibacter of beside.

Paracitreicella

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Citreicella*, An existing genus; *Paracitreicella*: A genus related to but distinct from the existing genus Citreicella of beside.

Paracitreimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Citreimonas*, An existing genus; *Paracitreimonas*: A genus related to but distinct from the existing genus Citreimonas of beside.

Paracitreitalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Citreitalea*, An existing genus; *Paracitreitalea*: A genus related to but distinct from the existing genus Citreitalea of beside.

Paracitricoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Citricoccus*, An existing genus; *Paracitricoccus*: A genus related to but distinct from the existing genus Citricoccus of beside.

Paracitrimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Citrimicrobium*, An existing genus; *Paracitrimicrobium*: A genus related to but distinct from the existing genus Citrimicrobium of beside.

Paracitrobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Citrobacter*, An existing genus; *Paracitrobacter*: A genus related to but distinct from the existing genus Citrobacter of beside.

Paracitromicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Citromicrobium*, An existing genus; *Paracitromicrobium*: A genus related to but distinct from the existing genus Citromicrobium of beside.

Paracitroniella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Citroniella*, An existing genus; *Paracitroniella*: A genus related to but distinct from the existing genus Citroniella of beside.

Paraclavibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Clavibacter*, An existing genus; *Paraclavibacter*: A genus related to but distinct from the existing genus Clavibacter of beside.

Paraclevelandina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Clevelandina*, An existing genus; *Paraclevelandina*: A genus related to but distinct from the existing genus Clevelandina of beside.

Paracloacibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Cloacibacillus*, An existing genus; *Paracloacibacillus*: A genus related to but distinct from the existing genus Cloacibacillus of beside.

Paracloacibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Cloacibacterium*, An existing genus; *Paracloacibacterium*: A genus related to but distinct from the existing genus Cloacibacterium of beside.

Paraclostridiisalibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Clostridiisalibacter*, An existing genus; *Paraclostridiisalibacter*: A genus related to but distinct from the existing genus Clostridiisalibacter of beside.

Paraclostridioides

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Clostridioides*, An existing genus; *Paraclostridioides*: A genus related to but distinct from the existing genus Clostridioides of beside.

Paraclostridium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. dim. n. *Clostridium*, An existing genus; *Paraclostridium*: A genus related to but distinct from the existing genus Clostridium of beside.

Paracnuella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Cnuella*, An existing genus; *Paracnuella*: A genus related to but distinct from the existing genus Cnuella of beside.

Paracnuibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Cnuibacter*, An existing genus; *Paracnuibacter*: A genus related to but distinct from the existing genus Cnuibacter of beside.

Paracobetia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Cobetia*, An existing genus; *Paracobetia*: A genus related to but distinct from the existing genus Cobetia of beside.

Paracochleicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Cochleicola*, An existing genus; *Paracochleicola*: A genus related to but distinct from the existing genus Cochleicola of beside.

Paracocleimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Cocleimonas*, An existing genus; *Paracocleimonas*: A genus related to but distinct from the existing genus Cocleimonas of beside.

Paracoenonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Coenonia*, An existing genus; *Paracoenonia*: A genus related to but distinct from the existing genus Coenonia of beside.

Paracoetzeea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Coetzeea*, An existing genus; *Paracoetzeea*: A genus related to but distinct from the existing genus Coetzeea of beside.

Paracognaticolwellia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Cognaticolwellia*, An existing genus; *Paracognaticolwellia*: A genus related to but distinct from the existing genus Cognaticolwellia of beside.

Paracognatishimia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Cognatishimia*, An existing genus; *Paracognatishimia*: A genus related to but distinct from the existing genus Cognatishimia of beside.

Paracognatiyoonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Cognatiyoonia*, An existing genus; *Paracognatiyoonia*: A genus related to but distinct from the existing genus Cognatiyoonia of beside.

Paracohaesibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Cohaesibacter*, An existing genus; *Paracohaesibacter*: A genus related to but distinct from the existing genus Cohaesibacter of beside.

Paracohnella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Cohnella*, An existing genus; *Paracohnella*: A genus related to but distinct from the existing genus Cohnella of beside.

Paracoleofasciculus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. dim. n. *Coleofasciculus*, An existing genus; *Paracoleofasciculus*: A genus related to but distinct from the existing genus Coleofasciculus of beside.

Paracollimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Collimonas*, An existing genus; *Paracollimonas*: A genus related to but distinct from the existing genus Collimonas of beside.

Paracollinsella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Collinsella*, An existing genus; *Paracollinsella*: A genus related to but distinct from the existing genus Collinsella of beside.

Paracolteronema

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Colteronema*, An existing genus; *Paracolteronema*: A genus related to but distinct from the existing genus Colteronema of beside.

Paracolwellia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Colwellia*, An existing genus; *Paracolwellia*: A genus related to but distinct from the existing genus Colwellia of beside.

Paracomamonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Comamonas*, An existing genus; *Paracomamonas*: A genus related to but distinct from the existing genus Comamonas of beside.

Paracommensalibacter

Gr. nan preposition *ïĂĪśĭĄĪĭ*, beside; L. masc. n. *Commensalibacter*, An existing genus; *Paracommensalibacter*: A genus related to but distinct from the existing genus Commensalibacter of beside.

Paracompactonostoc

Gr. nan preposition *ïĂĪśĭĄĪĭ*, beside; L. neut. n. *Compactonostoc*, An existing genus; *Paracompactonostoc*: A genus related to but distinct from the existing genus Compactonostoc of beside.

Paracompanilactobacillus

Gr. nan preposition *ïĂĪśĭĄĪĭ*, beside; L. masc. n. *Companilactobacillus*, An existing genus; *Paracompanilactobacillus*: A genus related to but distinct from the existing genus Companilactobacillus of beside.

Paracompostibacillus

Gr. nan preposition *ïĂĪśĭĄĪĭ*, beside; L. masc. n. *Compostibacillus*, An existing genus; *Paracompostibacillus*: A genus related to but distinct from the existing genus Compostibacillus of beside.

Paracompostimonas

Gr. nan preposition *ïĂĪśĭĄĪĭ*, beside; L. fem. n. *Compostimonas*, An existing genus; *Paracompostimonas*: A genus related to but distinct from the existing genus Compostimonas of beside.

Paraconchiformibius

Gr. nan preposition *ïĂĪśĭĄĪĭ*, beside; L. masc. n. *Conchiformibius*, An existing genus; *Paraconchiformibius*: A genus related to but distinct from the existing genus Conchiformibius of beside.

Paraconexibacter

Gr. nan preposition *ïĂĪśĭĄĪĭ*, beside; L. masc. n. *Conexibacter*, An existing genus; *Paraconexibacter*: A genus related to but distinct from the existing genus Conexibacter of beside.

Paraconfluentibacter

Gr. nan preposition *ïĂĪśĭĄĪĭ*, beside; L. masc. n. *Confluentibacter*, An existing genus; *Paraconfluentibacter*: A genus related to but distinct from the existing genus Confluentibacter of beside.

Paraconfluentimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Confluentimicrobium*, An existing genus; *Paraconfluentimicrobium*: A genus related to but distinct from the existing genus Confluentimicrobium of beside.

Paraconglomeromonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Conglomeromonas*, An existing genus; *Paraconglomeromonas*: A genus related to but distinct from the existing genus Conglomeromonas of beside.

Paracongregibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Congregibacter*, An existing genus; *Paracongregibacter*: A genus related to but distinct from the existing genus Congregibacter of beside.

Paraconservatibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Conservatibacter*, An existing genus; *Paraconservatibacter*: A genus related to but distinct from the existing genus Conservatibacter of beside.

Paraconsotaella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Consotaella*, An existing genus; *Paraconsotaella*: A genus related to but distinct from the existing genus Consotaella of beside.

Paraconstrictibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Constrictibacter*, An existing genus; *Paraconstrictibacter*: A genus related to but distinct from the existing genus Constrictibacter of beside.

Paraconvivina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Convivina*, An existing genus; *Paraconvivina*: A genus related to but distinct from the existing genus Convivina of beside.

Paraconyzicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Conyzicola*, An existing genus; *Paraconyzicola*: A genus related to but distinct from the existing genus Conyzicola of beside.

Paracoprobacillus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Coprobacillus*, An existing genus; *Paracoprobacillus*: A genus related to but distinct from the existing genus Coprobacillus of beside.

Paracoprobacter

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Coprobacter*, An existing genus; *Paracoprobacter*: A genus related to but distinct from the existing genus Coprobacter of beside.

Paracoprococcus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Coprococcus*, An existing genus; *Paracoprococcus*: A genus related to but distinct from the existing genus Coprococcus of beside.

Paracoprothermobacter

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Coprothermobacter*, An existing genus; *Paracoprothermobacter*: A genus related to but distinct from the existing genus Coprothermobacter of beside.

Paracoraliitalea

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Coraliitalea*, An existing genus; *Paracoraliitalea*: A genus related to but distinct from the existing genus Coraliitalea of beside.

Paracoraliomargarita

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Coraliomargarita*, An existing genus; *Paracoraliomargarita*: A genus related to but distinct from the existing genus Coraliomargarita of beside.

Paracorallibacter

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Corallibacter*, An existing genus; *Paracorallibacter*: A genus related to but distinct from the existing genus Corallibacter of beside.

Paracorallincola

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Corallincola*, An existing genus; *Paracorallincola*: A genus related to but distinct from the existing genus Corallincola of beside.

Paracorallococcus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Corallococcus*, An existing genus; *Paracorallococcus*: A genus related to but distinct from the existing genus Corallococcus of beside.

Paracoralloluteibacterium

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Coralloluteibacterium*, An existing genus; *Paracoralloluteibacterium*: A genus related to but distinct from the existing genus Coralloluteibacterium of beside.

Paracorallomonas

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Corallomonas*, An existing genus; *Paracorallomonas*: A genus related to but distinct from the existing genus Corallomonas of beside.

Paracoralslurrinella

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. dim. n. *Coralslurrinella*, An existing genus; *Paracoralslurrinella*: A genus related to but distinct from the existing genus Coralslurrinella of beside.

Paracorticicoccus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Corticicoccus*, An existing genus; *Paracorticicoccus*: A genus related to but distinct from the existing genus Corticicoccus of beside.

Paracorynebacterium

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Corynebacterium*, An existing genus; *Paracorynebacterium*: A genus related to but distinct from the existing genus Corynebacterium of beside.

Paracosenzaea

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Cosenzaea*, An existing genus; *Paracosenzaea*: A genus related to but distinct from the existing genus Cosenzaea of beside.

Paracostertonia

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Costertonia*, An existing genus; *Paracostertonia*: A genus related to but distinct from the existing genus Costertonia of beside.

Paracouchioplanes

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Couchioplanes*, An existing genus; *Paracouchioplanes*: A genus related to but distinct from the existing genus Couchioplanes of beside.

Paracowdria

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Cowdria*, An existing genus; *Paracowdria*: A genus related to but distinct from the existing genus Cowdria of beside.

Paracoxiella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Coxiella*, An existing genus; *Paracoxiella*: A genus related to but distinct from the existing genus Coxiella of beside.

Paracrabtreella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Crabtreella*, An existing genus; *Paracrabtreella*: A genus related to but distinct from the existing genus Crabtreella of beside.

Paracrassaminicella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Crassaminicella*, An existing genus; *Paracrassaminicella*: A genus related to but distinct from the existing genus Crassaminicella of beside.

Paracrateriforma

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Crateriforma*, An existing genus; *Paracrateriforma*: A genus related to but distinct from the existing genus Crateriforma of beside.

Paracraterilacuibacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Craterilacuibacter*, An existing genus; *Paracraterilacuibacter*: A genus related to but distinct from the existing genus Craterilacuibacter of beside.

Paracraurococcus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Craurococcus*, An existing genus; *Paracraurococcus*: A genus related to but distinct from the existing genus Craurococcus of beside.

Paracrenalkalicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Crenalkalicoccus*, An existing genus; *Paracrenalkalicoccus*: A genus related to but distinct from the existing genus Crenalkalicoccus of beside.

Paracrenotalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Crenotalea*, An existing genus; *Paracrenotalea*: A genus related to but distinct from the existing genus Crenotalea of beside.

Paracriblamydia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Criblamydia*, An existing genus; *Paracriblamydia*: A genus related to but distinct from the existing genus Criblamydia of beside.

Paracribrihabitans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Cribrihabitans*, An existing genus; *Paracribrihabitans*: A genus related to but distinct from the existing genus Cribrihabitans of beside.

Paracricetibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Cricetibacter*, An existing genus; *Paracricetibacter*: A genus related to but distinct from the existing genus Cricetibacter of beside.

Paracristispira

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Cristispira*, An existing genus; *Paracristispira*: A genus related to but distinct from the existing genus Cristispira of beside.

Paracroceibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Croceibacter*, An existing genus; *Paracroceibacter*: A genus related to but distinct from the existing genus Croceibacter of beside.

Paracroceibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Croceibacterium*, An existing genus; *Paracroceibacterium*: A genus related to but distinct from the existing genus Croceibacterium of beside.

Paracroceicoccus

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. masc. n. *Croceicoccus*, An existing genus; *Paracroceicoccus*: A genus related to but distinct from the existing genus Croceicoccus of beside.

Paracroceifilum

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. neut. n. *Croceifilum*, An existing genus; *Paracroceifilum*: A genus related to but distinct from the existing genus Croceifilum of beside.

Paracroceitalea

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. fem. n. *Croceitalea*, An existing genus; *Paracroceitalea*: A genus related to but distinct from the existing genus Croceitalea of beside.

Paracroceivirga

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. fem. n. *Croceivirga*, An existing genus; *Paracroceivirga*: A genus related to but distinct from the existing genus Croceivirga of beside.

Paracrocinitomix

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. fem. n. *Crocinitomix*, An existing genus; *Paracrocinitomix*: A genus related to but distinct from the existing genus Crocinitomix of beside.

Paracrocosphaera

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. fem. n. *Crocosphaera*, An existing genus; *Paracrocosphaera*: A genus related to but distinct from the existing genus Crocosphaera of beside.

Paracronobacter

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. masc. n. *Cronobacter*, An existing genus; *Paracronobacter*: A genus related to but distinct from the existing genus Cronobacter of beside.

Paracrossiella

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. fem. dim. n. *Crossiella*, An existing genus; *Paracrossiella*: A genus related to but distinct from the existing genus Crossiella of beside.

Paracruoricaptor

Gr. nan preposition *ĭĂĬśĭĄĬĭ̆*, beside; L. masc. n. *Cruoricaptor*, An existing genus; *Paracruoricaptor*: A genus related to but distinct from the existing genus Cruoricaptor of beside.

Paracryobacterium

Gr. nan preposition *ĭĂĬśĭĄĬĭ̆*, beside; L. neut. n. *Cryobacterium*, An existing genus; *Paracryobacterium*: A genus related to but distinct from the existing genus Cryobacterium of beside.

Paracryomorpha

Gr. nan preposition *ĭĂĬśĭĄĬĭ̆*, beside; L. fem. n. *Cryomorpha*, An existing genus; *Paracryomorpha*: A genus related to but distinct from the existing genus Cryomorpha of beside.

Paracryptanaerobacter

Gr. nan preposition *ĭĂĬśĭĄĬĭ̆*, beside; L. masc. n. *Cryptanaerobacter*, An existing genus; *Paracryptanaerobacter*: A genus related to but distinct from the existing genus Cryptanaerobacter of beside.

Paracryptobacterium

Gr. nan preposition *ĭĂĬśĭĄĬĭ̆*, beside; L. neut. n. *Cryptobacterium*, An existing genus; *Paracryptobacterium*: A genus related to but distinct from the existing genus Cryptobacterium of beside.

Paracryptococcum

Gr. nan preposition *ĭĂĬśĭĄĬĭ̆*, beside; L. neut. n. *Cryptococcum*, An existing genus; *Paracryptococcum*: A genus related to but distinct from the existing genus Cryptococcum of beside.

Paracryptosporangium

Gr. nan preposition *ĭĂĬśĭĄĬĭ̆*, beside; L. neut. n. *Cryptosporangium*, An existing genus; *Paracryptosporangium*: A genus related to but distinct from the existing genus Cryptosporangium of beside.

Paracucumibacter

Gr. nan preposition *ĭĂĬśĭĄĬĭ̆*, beside; L. masc. n. *Cucumibacter*, An existing genus; *Paracucumibacter*: A genus related to but distinct from the existing genus Cucumibacter of beside.

Paracumulibacter

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. masc. n. *Cumulibacter*, An existing genus; *Paracumulibacter*: A genus related to but distinct from the existing genus Cumulibacter of beside.

Paracuneatibacter

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. masc. n. *Cuneatibacter*, An existing genus; *Paracuneatibacter*: A genus related to but distinct from the existing genus Cuneatibacter of beside.

Paracuniculiplasma

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. neut. n. *Cuniculiplasma*, An existing genus; *Paracuniculiplasma*: A genus related to but distinct from the existing genus Cuniculiplasma of beside.

Paracupriavidus

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. masc. n. *Cupriavidus*, An existing genus; *Paracupriavidus*: A genus related to but distinct from the existing genus Cupriavidus of beside.

Paracurtobacterium

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. neut. n. *Curtobacterium*, An existing genus; *Paracurtobacterium*: A genus related to but distinct from the existing genus Curtobacterium of beside.

Paracurvibacter

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. masc. n. *Curvibacter*, An existing genus; *Paracurvibacter*: A genus related to but distinct from the existing genus Curvibacter of beside.

Paracutibacterium

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. neut. n. *Cutibacterium*, An existing genus; *Paracutibacterium*: A genus related to but distinct from the existing genus Cutibacterium of beside.

Paracyanocohniella

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. fem. dim. n. *Cyanocohniella*, An existing genus; *Paracyanocohniella*: A genus related to but distinct from the existing genus Cyanocohniella of beside.

Paracyanocomperia

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Cyanocomperia*, An existing genus; *Paracyanocomperia*: A genus related to but distinct from the existing genus Cyanocomperia of beside.

Paracyanoderma

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Cyanoderma*, An existing genus; *Paracyanoderma*: A genus related to but distinct from the existing genus Cyanoderma of beside.

Paracyanosaccus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Cyanosaccus*, An existing genus; *Paracyanosaccus*: A genus related to but distinct from the existing genus Cyanosaccus of beside.

Paracyclobacterium

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Cyclobacterium*, An existing genus; *Paracyclobacterium*: A genus related to but distinct from the existing genus Cyclobacterium of beside.

Paracycloclasticus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Cycloclasticus*, An existing genus; *Paracycloclasticus*: A genus related to but distinct from the existing genus Cycloclasticus of beside.

Paracysteiniphilum

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Cysteiniphilum*, An existing genus; *Paracysteiniphilum*: A genus related to but distinct from the existing genus Cysteiniphilum of beside.

Paracystobacter

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Cystobacter*, An existing genus; *Paracystobacter*: A genus related to but distinct from the existing genus Cystobacter of beside.

Paracytobacillus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Cytobacillus*, An existing genus; *Paracytobacillus*: A genus related to but distinct from the existing genus Cytobacillus of beside.

Paracytophaga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Cytophaga*, An existing genus; *Paracytophaga*: A genus related to but distinct from the existing genus Cytophaga of beside.

Paradactylosporangium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Dactylosporangium*, An existing genus; *Paradactylosporangium*: A genus related to but distinct from the existing genus Dactylosporangium of beside.

Paradaeguia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Daeguia*, An existing genus; *Paradaeguia*: A genus related to but distinct from the existing genus Daeguia of beside.

Paradaejeonella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Daejeonella*, An existing genus; *Paradaejeonella*: A genus related to but distinct from the existing genus Daejeonella of beside.

Paradaejeonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Daejeonia*, An existing genus; *Paradaejeonia*: A genus related to but distinct from the existing genus Daejeonia of beside.

Paradankookia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Dankookia*, An existing genus; *Paradankookia*: A genus related to but distinct from the existing genus Dankookia of beside.

Paradaptobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Daptobacter*, An existing genus; *Paradaptobacter*: A genus related to but distinct from the existing genus Daptobacter of beside.

Paradasania

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Dasania*, An existing genus; *Paradasania*: A genus related to but distinct from the existing genus Dasania of beside.

Paradechlorobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Dechlorobacter*, An existing genus; *Paradechlorobacter*: A genus related to but distinct from the existing genus Dechlorobacter of beside.

Paradechloromonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Dechloromonas*, An existing genus; *Paradechloromonas*: A genus related to but distinct from the existing genus Dechloromonas of beside.

Paradechlorosoma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Dechlorosoma*, An existing genus; *Paradechlorosoma*: A genus related to but distinct from the existing genus Dechlorosoma of beside.

Paradeefgea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Deefgea*, An existing genus; *Paradeefgea*: A genus related to but distinct from the existing genus Deefgea of beside.

Paradeferribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Deferribacter*, An existing genus; *Paradeferribacter*: A genus related to but distinct from the existing genus Deferribacter of beside.

Paradeferrisoma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Deferrisoma*, An existing genus; *Paradeferrisoma*: A genus related to but distinct from the existing genus Deferrisoma of beside.

Paradefluvibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Defluvibacter*, An existing genus; *Paradefluvibacter*: A genus related to but distinct from the existing genus Defluvibacter of beside.

Paradefluviicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Defluviicoccus*, An existing genus; *Paradefluviicoccus*: A genus related to but distinct from the existing genus Defluviicoccus of beside.

Paradefluviimonas

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Defluviimonas*, An existing genus; *Paradefluviimonas*: A genus related to but distinct from the existing genus Defluviimonas of beside.

Paradefluviitalea

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Defluviitalea*, An existing genus; *Paradefluviitalea*: A genus related to but distinct from the existing genus Defluviitalea of beside.

Paradefluviitoga

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Defluviitoga*, An existing genus; *Paradefluviitoga*: A genus related to but distinct from the existing genus Defluviitoga of beside.

Paradehalobacter

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Dehalobacter*, An existing genus; *Paradehalobacter*: A genus related to but distinct from the existing genus Dehalobacter of beside.

Paradehalobacterium

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Dehalobacterium*, An existing genus; *Paradehalobacterium*: A genus related to but distinct from the existing genus Dehalobacterium of beside.

Paradehalogenimonas

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Dehalogenimonas*, An existing genus; *Paradehalogenimonas*: A genus related to but distinct from the existing genus Dehalogenimonas of beside.

Paradeinobacter

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Deinobacter*, An existing genus; *Paradeinobacter*: A genus related to but distinct from the existing genus Deinobacter of beside.

Paradeinobacterium

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Deinobacterium*, An existing genus; *Paradeinobacterium*: A genus related to but distinct from the existing genus Deinobacterium of beside.

Paradeinococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Deinococcus*, An existing genus; *Paradeinococcus*: A genus related to but distinct from the existing genus Deinococcus of beside.

Paradeleya

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Deleya*, An existing genus; *Paradeleya*: A genus related to but distinct from the existing genus Deleya of beside.

Paradelftia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Delftia*, An existing genus; *Paradelftia*: A genus related to but distinct from the existing genus Delftia of beside.

Paradellaglioa

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Dellaglioa*, An existing genus; *Paradellaglioa*: A genus related to but distinct from the existing genus Dellaglioa of beside.

Parademequina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Demequina*, An existing genus; *Parademequina*: A genus related to but distinct from the existing genus Demequina of beside.

Parademetria

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Demetria*, An existing genus; *Parademetria*: A genus related to but distinct from the existing genus Demetria of beside.

Parademinuibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Deminuibacter*, An existing genus; *Parademinuibacter*: A genus related to but distinct from the existing genus Deminuibacter of beside.

Paradenitratimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Denitratimonas*, An existing genus; *Paradenitratimonas*: A genus related to but distinct from the existing genus Denitratimonas of beside.

Paradenitratisoma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Denitratisoma*, An existing genus; *Paradenitratisoma*: A genus related to but distinct from the existing genus Denitratisoma of beside.

Paradenitrobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Denitrobacterium*, An existing genus; *Paradenitrobacterium*: A genus related to but distinct from the existing genus Denitrobacterium of beside.

Paradenitrobaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Denitrobaculum*, An existing genus; *Paradenitrobaculum*: A genus related to but distinct from the existing genus Denitrobaculum of beside.

Paradenitrovibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Denitrovibrio*, An existing genus; *Paradenitrovibrio*: A genus related to but distinct from the existing genus Denitrovibrio of beside.

Paradermacoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Dermacoccus*, An existing genus; *Paradermacoccus*: A genus related to but distinct from the existing genus Dermacoccus of beside.

Paradermatophilus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Dermatophilus*, An existing genus; *Paradermatophilus*: A genus related to but distinct from the existing genus Dermatophilus of beside.

Paraderxia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Derxia*, An existing genus; *Paraderxia*: A genus related to but distinct from the existing genus Derxia of beside.

Paradesemzia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desemzia*, An existing genus; *Paradesemzia*: A genus related to but distinct from the existing genus Desemzia of beside.

Paradesertibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desertibacillus*, An existing genus; *Paradesertibacillus*: A genus related to but distinct from the existing genus Desertibacillus of beside.

Paradesertibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desertibacter*, An existing genus; *Paradesertibacter*: A genus related to but distinct from the existing genus Desertibacter of beside.

Paradesertifilum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desertifilum*, An existing genus; *Paradesertifilum*: A genus related to but distinct from the existing genus Desertifilum of beside.

Paradesertihabitans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desertihabitans*, An existing genus; *Paradesertihabitans*: A genus related to but distinct from the existing genus Desertihabitans of beside.

Paradesertimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desertimonas*, An existing genus; *Paradesertimonas*: A genus related to but distinct from the existing genus Desertimonas of beside.

Paradesikacharya

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desikacharya*, An existing genus; *Paradesikacharya*: A genus related to but distinct from the existing genus Desikacharya of beside.

Paradesmospora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desmospora*, An existing genus; *Paradesmospora*: A genus related to but distinct from the existing genus Desmospora of beside.

Paradesnuesiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Desnuesiella*, An existing genus; *Paradesnuesiella*: A genus related to but distinct from the existing genus Desnuesiella of beside.

Paradesulfacinum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfacinum*, An existing genus; *Paradesulfacinum*: A genus related to but distinct from the existing genus Desulfacinum of beside.

Paradesulfallas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfallas*, An existing genus; *Paradesulfallas*: A genus related to but distinct from the existing genus Desulfallas of beside.

Paradesulfarculus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfarculus*, An existing genus; *Paradesulfarculus*: A genus related to but distinct from the existing genus Desulfarculus of beside.

Paradesulfatibacillum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfatibacillum*, An existing genus; *Paradesulfatibacillum*: A genus related to but distinct from the existing genus Desulfatibacillum of beside.

Paradesulfatiferula

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfatiferula*, An existing genus; *Paradesulfatiferula*: A genus related to but distinct from the existing genus Desulfatiferula of beside.

Paradesulfatiglans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfatiglans*, An existing genus; *Paradesulfatiglans*: A genus related to but distinct from the existing genus Desulfatiglans of beside.

Paradesulfatirhabdium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. dim. n. *Desulfatirhabdium*, An existing genus; *Paradesulfatirhabdium*: A genus related to but distinct from the existing genus Desulfatirhabdium of beside.

Paradesulfatitalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfatitalea*, An existing genus; *Paradesulfatitalea*: A genus related to but distinct from the existing genus Desulfatitalea of beside.

Paradesulfitibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfitibacter*, An existing genus; *Paradesulfitibacter*: A genus related to but distinct from the existing genus Desulfitibacter of beside.

Paradesulfitispora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfitispora*, An existing genus; *Paradesulfitispora*: A genus related to but distinct from the existing genus Desulfitispora of beside.

Paradesulfitobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfitobacterium*, An existing genus; *Paradesulfitobacterium*: A genus related to but distinct from the existing genus Desulfitobacterium of beside.

Paradesulfobacca

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfobacca*, An existing genus; *Paradesulfobacca*: A genus related to but distinct from the existing genus Desulfobacca of beside.

Paradesulfobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfobacter*, An existing genus; *Paradesulfobacter*: A genus related to but distinct from the existing genus Desulfobacter of beside.

Paradesulfobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfobacterium*, An existing genus; *Paradesulfobacterium*: A genus related to but distinct from the existing genus Desulfobacterium of beside.

Paradesulfobacula

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Desulfobacula*, An existing genus; *Paradesulfobacula*: A genus related to but distinct from the existing genus Desulfobacula of beside.

Paradesulfobaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfobaculum*, An existing genus; *Paradesulfobaculum*: A genus related to but distinct from the existing genus Desulfobaculum of beside.

Paradesulfobotulus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfobotulus*, An existing genus; *Paradesulfobotulus*: A genus related to but distinct from the existing genus Desulfobotulus of beside.

Paradesulfobulbus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfobulbus*, An existing genus; *Paradesulfobulbus*: A genus related to but distinct from the existing genus Desulfobulbus of beside.

Paradesulfocapsa

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfocapsa*, An existing genus; *Paradesulfocapsa*: A genus related to but distinct from the existing genus Desulfocapsa of beside.

Paradesulfocarbo

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfocarbo*, An existing genus; *Paradesulfocarbo*: A genus related to but distinct from the existing genus Desulfocarbo of beside.

Paradesulfocella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfocella*, An existing genus; *Paradesulfocella*: A genus related to but distinct from the existing genus Desulfocella of beside.

Paradesulfococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfococcus*, An existing genus; *Paradesulfococcus*: A genus related to but distinct from the existing genus Desulfococcus of beside.

Paradesulfocucumis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfocucumis*, An existing genus; *Paradesulfocucumis*: A genus related to but distinct from the existing genus Desulfocucumis of beside.

Paradesulfocurvibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfocurvibacter*, An existing genus; *Paradesulfocurvibacter*: A genus related to but distinct from the existing genus Desulfocurvibacter of beside.

Paradesulfocurvus

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. masc. n. *Desulfocurvus*, An existing genus; *Paradesulfocurvus*: A genus related to but distinct from the existing genus Desulfocurvus of beside.

Paradesulfofaba

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. fem. n. *Desulfofaba*, An existing genus; *Paradesulfofaba*: A genus related to but distinct from the existing genus Desulfofaba of beside.

Paradesulfofarcimen

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. neut. n. *Desulfofarcimen*, An existing genus; *Paradesulfofarcimen*: A genus related to but distinct from the existing genus Desulfofarcimen of beside.

Paradesulfofrigus

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. neut. n. *Desulfofrigus*, An existing genus; *Paradesulfofrigus*: A genus related to but distinct from the existing genus Desulfofrigus of beside.

Paradesulfofundulus

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. masc. n. *Desulfofundulus*, An existing genus; *Paradesulfofundulus*: A genus related to but distinct from the existing genus Desulfofundulus of beside.

Paradesulfofustis

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. masc. n. *Desulfofustis*, An existing genus; *Paradesulfofustis*: A genus related to but distinct from the existing genus Desulfofustis of beside.

Paradesulfoglaeba

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. fem. n. *Desulfoglaeba*, An existing genus; *Paradesulfoglaeba*: A genus related to but distinct from the existing genus Desulfoglaeba of beside.

Paradesulfohalobium

Gr. nan preposition *ĬĂĪśĬĄĪň*, beside; L. neut. n. *Desulfohalobium*, An existing genus; *Paradesulfohalobium*: A genus related to but distinct from the existing genus Desulfohalobium of beside.

Paradesulfohalophilus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfohalophilus*, An existing genus; *Paradesulfohalophilus*: A genus related to but distinct from the existing genus Desulfohalophilus of beside.

Paradesulfohalotomaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfohalotomaculum*, An existing genus; *Paradesulfohalotomaculum*: A genus related to but distinct from the existing genus Desulfohalotomaculum of beside.

Paradesulfohalovibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfohalovibrio*, An existing genus; *Paradesulfohalovibrio*: A genus related to but distinct from the existing genus Desulfohalovibrio of beside.

Paradesulfoluna

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfoluna*, An existing genus; *Paradesulfoluna*: A genus related to but distinct from the existing genus Desulfoluna of beside.

Paradesulfomicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfomicrobium*, An existing genus; *Paradesulfomicrobium*: A genus related to but distinct from the existing genus Desulfomicrobium of beside.

Paradesulfomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfomonas*, An existing genus; *Paradesulfomonas*: A genus related to but distinct from the existing genus Desulfomonas of beside.

Paradesulfomonile

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfomonile*, An existing genus; *Paradesulfomonile*: A genus related to but distinct from the existing genus Desulfomonile of beside.

Paradesulfomusa

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfomusa*, An existing genus; *Paradesulfomusa*: A genus related to but distinct from the existing genus Desulfomusa of beside.

Paradesulfonatronobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfonatronobacter*, An existing genus; *Paradesulfonatronobacter*: A genus related to but distinct from the existing genus Desulfonatronobacter of beside.

Paradesulfonatronospira

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfonatronospira*, An existing genus; *Paradesulfonatronospira*: A genus related to but distinct from the existing genus Desulfonatronospira of beside.

Paradesulfonatronovibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfonatronovibrio*, An existing genus; *Paradesulfonatronovibrio*: A genus related to but distinct from the existing genus Desulfonatronovibrio of beside.

Paradesulfonatronum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfonatronum*, An existing genus; *Paradesulfonatronum*: A genus related to but distinct from the existing genus Desulfonatronum of beside.

Paradesulfonauticus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfonauticus*, An existing genus; *Paradesulfonauticus*: A genus related to but distinct from the existing genus Desulfonauticus of beside.

Paradesulfonema

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfonema*, An existing genus; *Paradesulfonema*: A genus related to but distinct from the existing genus Desulfonema of beside.

Paradesulfonispora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfonispora*, An existing genus; *Paradesulfonispora*: A genus related to but distinct from the existing genus Desulfonispora of beside.

Paradesulfopila

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfopila*, An existing genus; *Paradesulfopila*: A genus related to but distinct from the existing genus Desulfopila of beside.

Paradesulfoplanes

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfoplanes*, An existing genus; *Paradesulfoplanes*: A genus related to but distinct from the existing genus Desulfoplanes of beside.

Paradesulfoprunum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfoprunum*, An existing genus; *Paradesulfoprunum*: A genus related to but distinct from the existing genus Desulfoprunum of beside.

Paradesulforegula

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulforegula*, An existing genus; *Paradesulforegula*: A genus related to but distinct from the existing genus Desulforegula of beside.

Paradesulforhabdus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulforhabdus*, An existing genus; *Paradesulforhabdus*: A genus related to but distinct from the existing genus Desulforhabdus of beside.

Paradesulforhopalus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulforhopalus*, An existing genus; *Paradesulforhopalus*: A genus related to but distinct from the existing genus Desulforhopalus of beside.

Paradesulfosalsimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfosalsimonas*, An existing genus; *Paradesulfosalsimonas*: A genus related to but distinct from the existing genus Desulfosalsimonas of beside.

Paradesulfosarcina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfosarcina*, An existing genus; *Paradesulfosarcina*: A genus related to but distinct from the existing genus Desulfosarcina of beside.

Paradesulfosoma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfosoma*, An existing genus; *Paradesulfosoma*: A genus related to but distinct from the existing genus Desulfosoma of beside.

Paradesulfospira

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfospira*, An existing genus; *Paradesulfospira*: A genus related to but distinct from the existing genus Desulfospira of beside.

Paradesulfosporomusa

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfosporomusa*, An existing genus; *Paradesulfosporomusa*: A genus related to but distinct from the existing genus Desulfosporomusa of beside.

Paradesulfosporosinus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfosporosinus*, An existing genus; *Paradesulfosporosinus*: A genus related to but distinct from the existing genus Desulfosporosinus of beside.

Paradesulfotalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfotalea*, An existing genus; *Paradesulfotalea*: A genus related to but distinct from the existing genus Desulfotalea of beside.

Paradesulfothermobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfothermobacter*, An existing genus; *Paradesulfothermobacter*: A genus related to but distinct from the existing genus Desulfothermobacter of beside.

Paradesulfothermus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfothermus*, An existing genus; *Paradesulfothermus*: A genus related to but distinct from the existing genus Desulfothermus of beside.

Paradesulfotignum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfotignum*, An existing genus; *Paradesulfotignum*: A genus related to but distinct from the existing genus Desulfotignum of beside.

Paradesulfotomaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Desulfotomaculum*, An existing genus; *Paradesulfotomaculum*: A genus related to but distinct from the existing genus Desulfotomaculum of beside.

Paradesulfovermiculus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfovermiculus*, An existing genus; *Paradesulfovermiculus*: A genus related to but distinct from the existing genus Desulfovermiculus of beside.

Paradesulfovibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfovibrio*, An existing genus; *Paradesulfovibrio*: A genus related to but distinct from the existing genus Desulfovibrio of beside.

Paradesulfovirga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfovirga*, An existing genus; *Paradesulfovirga*: A genus related to but distinct from the existing genus Desulfovirga of beside.

Paradesulfovirgula

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Desulfovirgula*, An existing genus; *Paradesulfovirgula*: A genus related to but distinct from the existing genus Desulfovirgula of beside.

Paradesulfurella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Desulfurella*, An existing genus; *Paradesulfurella*: A genus related to but distinct from the existing genus Desulfurella of beside.

Paradesulfuribacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Desulfuribacillus*, An existing genus; *Paradesulfuribacillus*: A genus related to but distinct from the existing genus Desulfuribacillus of beside.

Paradesulfurispira

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Desulfurispira*, An existing genus; *Paradesulfurispira*: A genus related to but distinct from the existing genus Desulfurispira of beside.

Paradesulfurispirillum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. dim. n. *Desulfurispirillum*, An existing genus; *Paradesulfurispirillum*: A genus related to but distinct from the existing genus Desulfurispirillum of beside.

Paradesulfurispora

Gr. nan preposition *ĬĂĴśĬĄĴň*, beside; L. fem. n. *Desulfurispora*, An existing genus; *Paradesulfurispora*: A genus related to but distinct from the existing genus Desulfurispora of beside.

Paradesulfurivibrio

Gr. nan preposition *ĬĂĴśĬĄĴň*, beside; L. masc. n. *Desulfurivibrio*, An existing genus; *Paradesulfurivibrio*: A genus related to but distinct from the existing genus Desulfurivibrio of beside.

Paradesulfurobacterium

Gr. nan preposition *ĬĂĴśĬĄĴň*, beside; L. neut. n. *Desulfurobacterium*, An existing genus; *Paradesulfurobacterium*: A genus related to but distinct from the existing genus Desulfurobacterium of beside.

Paradesulfurococcus

Gr. nan preposition *ĬĂĴśĬĄĴň*, beside; L. masc. n. *Desulfurococcus*, An existing genus; *Paradesulfurococcus*: A genus related to but distinct from the existing genus Desulfurococcus of beside.

Paradesulfuromonas

Gr. nan preposition *ĬĂĴśĬĄĴň*, beside; L. fem. n. *Desulfuromonas*, An existing genus; *Paradesulfuromonas*: A genus related to but distinct from the existing genus Desulfuromonas of beside.

Paradesulfuromusa

Gr. nan preposition *ĬĂĴśĬĄĴň*, beside; L. fem. n. *Desulfuromusa*, An existing genus; *Paradesulfuromusa*: A genus related to but distinct from the existing genus Desulfuromusa of beside.

Paradethiobacter

Gr. nan preposition *ĬĂĴśĬĄĴň*, beside; L. masc. n. *Dethiobacter*, An existing genus; *Paradethiobacter*: A genus related to but distinct from the existing genus Dethiobacter of beside.

Paradethiosulfatarculus

Gr. nan preposition *ĬĂĴśĬĄĴň*, beside; L. masc. dim. n. *Dethiosulfatarculus*, An existing genus; *Paradethiosulfatarculus*: A genus related to but distinct from the existing genus Dethiosulfatarculus of beside.

Paradethiosulfatibacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Dethiosulfatibacter*, An existing genus; *Paradethiosulfatibacter*: A genus related to but distinct from the existing genus Dethiosulfatibacter of beside.

Paradethiosulfovibrio

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Dethiosulfovibrio*, An existing genus; *Paradethiosulfovibrio*: A genus related to but distinct from the existing genus Dethiosulfovibrio of beside.

Paradevosia

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Devosia*, An existing genus; *Paradevosia*: A genus related to but distinct from the existing genus Devosia of beside.

Paradevriesea

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Devriesea*, An existing genus; *Paradevriesea*: A genus related to but distinct from the existing genus Devriesea of beside.

Paradiaminobutyricibacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Diaminobutyricibacter*, An existing genus; *Paradiaminobutyricibacter*: A genus related to but distinct from the existing genus Diaminobutyricibacter of beside.

Paradiaminobutyricimonas

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Diaminobutyricimonas*, An existing genus; *Paradiaminobutyricimonas*: A genus related to but distinct from the existing genus Diaminobutyricimonas of beside.

Paradiaphorobacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Diaphorobacter*, An existing genus; *Paradiaphorobacter*: A genus related to but distinct from the existing genus Diaphorobacter of beside.

Paradichelobacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Dichelobacter*, An existing genus; *Paradichelobacter*: A genus related to but distinct from the existing genus Dichelobacter of beside.

Paradichotomicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Dichotomicrobium*, An existing genus; *Paradichotomicrobium*: A genus related to but distinct from the existing genus Dichotomicrobium of beside.

Paradickeya

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Dickeya*, An existing genus; *Paradickeya*: A genus related to but distinct from the existing genus Dickeya of beside.

Paradictyobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Dictyobacter*, An existing genus; *Paradictyobacter*: A genus related to but distinct from the existing genus Dictyobacter of beside.

Paradictyoglomus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Dictyoglomus*, An existing genus; *Paradictyoglomus*: A genus related to but distinct from the existing genus Dictyoglomus of beside.

Paradielma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Dielma*, An existing genus; *Paradielma*: A genus related to but distinct from the existing genus Dielma of beside.

Paradietzia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Dietzia*, An existing genus; *Paradietzia*: A genus related to but distinct from the existing genus Dietzia of beside.

Paradinghuibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Dinghuibacter*, An existing genus; *Paradinghuibacter*: A genus related to but distinct from the existing genus Dinghuibacter of beside.

Paradinoroseobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Dinoroseobacter*, An existing genus; *Paradinoroseobacter*: A genus related to but distinct from the existing genus Dinoroseobacter of beside.

Paradiplocalyx

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Diplocalyx*, An existing genus; *Paradiplocalyx*: A genus related to but distinct from the existing genus Diplocalyx of beside.

Paradiplorickettsia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Diplorickettsia*, An existing genus; *Paradiplorickettsia*: A genus related to but distinct from the existing genus Diplorickettsia of beside.

Paradiplosphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Diplosphaera*, An existing genus; *Paradiplosphaera*: A genus related to but distinct from the existing genus Diplosphaera of beside.

Paradissulfuribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Dissulfuribacter*, An existing genus; *Paradissulfuribacter*: A genus related to but distinct from the existing genus Dissulfuribacter of beside.

Paradissulfurimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Dissulfurimicrobium*, An existing genus; *Paradissulfurimicrobium*: A genus related to but distinct from the existing genus Dissulfurimicrobium of beside.

Paradissulfurirhabdus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Dissulfurirhabdus*, An existing genus; *Paradissulfurirhabdus*: A genus related to but distinct from the existing genus Dissulfurirhabdus of beside.

Paradokdonella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Dokdonella*, An existing genus; *Paradokdonella*: A genus related to but distinct from the existing genus Dokdonella of beside.

Paradokdonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Dokdonia*, An existing genus; *Paradokdonia*: A genus related to but distinct from the existing genus Dokdonia of beside.

Paradolosicoccus

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. masc. n. *Dolosicoccus*, An existing genus; *Paradolosicoccus*: A genus related to but distinct from the existing genus Dolosicoccus of beside.

Paradolosigranulum

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. neut. n. *Dolosigranulum*, An existing genus; *Paradolosigranulum*: A genus related to but distinct from the existing genus Dolosigranulum of beside.

Paradomibacillus

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. masc. n. *Domibacillus*, An existing genus; *Paradomibacillus*: A genus related to but distinct from the existing genus Domibacillus of beside.

Paradonghaeana

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. fem. n. *Donghaeana*, An existing genus; *Paradonghaeana*: A genus related to but distinct from the existing genus Donghaeana of beside.

Paradonghicola

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. masc. n. *Donghicola*, An existing genus; *Paradonghicola*: A genus related to but distinct from the existing genus Donghicola of beside.

Paradongia

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. fem. n. *Dongia*, An existing genus; *Paradongia*: A genus related to but distinct from the existing genus Dongia of beside.

Paradongshaea

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. fem. n. *Dongshaea*, An existing genus; *Paradongshaea*: A genus related to but distinct from the existing genus Dongshaea of beside.

Paradorea

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. fem. n. *Dorea*, An existing genus; *Paradorea*: A genus related to but distinct from the existing genus Dorea of beside.

Paradraconibacterium

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. neut. n. *Draconibacterium*, An existing genus; *Paradraconibacterium*: A genus related to but distinct from the existing genus Draconibacterium of beside.

Paradrancourtella

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. dim. n. *Drancourtella*, An existing genus; *Paradrancourtella*: A genus related to but distinct from the existing genus Drancourtella of beside.

Paradrouetiella

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. dim. n. *Drouetiella*, An existing genus; *Paradrouetiella*: A genus related to but distinct from the existing genus Drouetiella of beside.

Paradubosiella

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. dim. n. *Dubosiella*, An existing genus; *Paradubosiella*: A genus related to but distinct from the existing genus Dubosiella of beside.

Paraduganella

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. dim. n. *Duganella*, An existing genus; *Paraduganella*: A genus related to but distinct from the existing genus Duganella of beside.

Paradulcicalothrix

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Dulcicalothrix*, An existing genus; *Paradulcicalothrix*: A genus related to but distinct from the existing genus Dulcicalothrix of beside.

Paraduncaniella

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. dim. n. *Duncaniella*, An existing genus; *Paraduncaniella*: A genus related to but distinct from the existing genus Duncaniella of beside.

Paradyadobacter

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. masc. n. *Dyadobacter*, An existing genus; *Paradyadobacter*: A genus related to but distinct from the existing genus Dyadobacter of beside.

Paradyella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Dyella*, An existing genus; *Paradyella*: A genus related to but distinct from the existing genus Dyella of beside.

Paradysgonomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Dysgonomonas*, An existing genus; *Paradysgonomonas*: A genus related to but distinct from the existing genus Dysgonomonas of beside.

Paradysosmobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Dysosmobacter*, An existing genus; *Paradysosmobacter*: A genus related to but distinct from the existing genus Dysosmobacter of beside.

Paraechinicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Echinicola*, An existing genus; *Paraechinicola*: A genus related to but distinct from the existing genus Echinicola of beside.

Paraechinimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Echinimonas*, An existing genus; *Paraechinimonas*: A genus related to but distinct from the existing genus Echinimonas of beside.

Paraectothiorhodosinus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Ectothiorhodosinus*, An existing genus; *Paraectothiorhodosinus*: A genus related to but distinct from the existing genus Ectothiorhodosinus of beside.

Paraectothiorhodospira

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Ectothiorhodospira*, An existing genus; *Paraectothiorhodospira*: A genus related to but distinct from the existing genus Ectothiorhodospira of beside.

Paraedaphobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Edaphobacillus*, An existing genus; *Paraedaphobacillus*: A genus related to but distinct from the existing genus Edaphobacillus of beside.

Paraedaphobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Edaphobacter*, An existing genus; *Paraedaphobacter*: A genus related to but distinct from the existing genus Edaphobacter of beside.

Paraedaphocola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Edaphocola*, An existing genus; *Paraedaphocola*: A genus related to but distinct from the existing genus Edaphocola of beside.

Paraedwardiiplasma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Edwardiiplasma*, An existing genus; *Paraedwardiiplasma*: A genus related to but distinct from the existing genus Edwardiiplasma of beside.

Paraedwardsiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Edwardsiella*, An existing genus; *Paraedwardsiella*: A genus related to but distinct from the existing genus Edwardsiella of beside.

Paraeffluviibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Effluviibacter*, An existing genus; *Paraeffluviibacter*: A genus related to but distinct from the existing genus Effluviibacter of beside.

Paraeffusibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Effusibacillus*, An existing genus; *Paraeffusibacillus*: A genus related to but distinct from the existing genus Effusibacillus of beside.

Paraeggerthella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Eggerthella*, An existing genus; *Paraeggerthella*: A genus related to but distinct from the existing genus Eggerthella of beside.

Paraeggerthia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Eggerthia*, An existing genus; *Paraeggerthia*: A genus related to but distinct from the existing genus Eggerthia of beside.

Paraegibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Egibacter*, An existing genus; *Paraegibacter*: A genus related to but distinct from the existing genus Egibacter of beside.

Paraegicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Egicoccus*, An existing genus; *Paraegicoccus*: A genus related to but distinct from the existing genus Egicoccus of beside.

Paraehrlichia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Ehrlichia*, An existing genus; *Paraehrlichia*: A genus related to but distinct from the existing genus Ehrlichia of beside.

Paraeikenella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Eikenella*, An existing genus; *Paraeikenella*: A genus related to but distinct from the existing genus Eikenella of beside.

Paraeilatimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Eilatimonas*, An existing genus; *Paraeilatimonas*: A genus related to but distinct from the existing genus Eilatimonas of beside.

Paraeionea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Eionea*, An existing genus; *Paraeionea*: A genus related to but distinct from the existing genus Eionea of beside.

Paraeisenbergiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Eisenbergiella*, An existing genus; *Paraeisenbergiella*: A genus related to but distinct from the existing genus Eisenbergiella of beside.

Paraeisenibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Eisenibacter*, An existing genus; *Paraeisenibacter*: A genus related to but distinct from the existing genus Eisenibacter of beside.

Paraelainella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Elainella*, An existing genus; *Paraelainella*: A genus related to but distinct from the existing genus Elainella of beside.

Paraelioraea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Elioraea*, An existing genus; *Paraelioraea*: A genus related to but distinct from the existing genus Elioraea of beside.

Paraelizabethkingia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Elizabethkingia*, An existing genus; *Paraelizabethkingia*: A genus related to but distinct from the existing genus Elizabethkingia of beside.

Paraellagibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Ellagibacter*, An existing genus; *Paraellagibacter*: A genus related to but distinct from the existing genus Ellagibacter of beside.

Paraelstera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Elstera*, An existing genus; *Paraelstera*: A genus related to but distinct from the existing genus Elstera of beside.

Paraelusimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Elusimicrobium*, An existing genus; *Paraelusimicrobium*: A genus related to but distinct from the existing genus Elusimicrobium of beside.

Paraelytrosporangium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Elytrosporangium*, An existing genus; *Paraelytrosporangium*: A genus related to but distinct from the existing genus Elytrosporangium of beside.

Paraembleya

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Embleya*, An existing genus; *Paraembleya*: A genus related to but distinct from the existing genus Embleya of beside.

Paraemcibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Emcibacter*, An existing genus; *Paraemcibacter*: A genus related to but distinct from the existing genus Emcibacter of beside.

Paraempedobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Empedobacter*, An existing genus; *Paraempedobacter*: A genus related to but distinct from the existing genus Empedobacter of beside.

Paraemticicia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Emticicia*, An existing genus; *Paraemticicia*: A genus related to but distinct from the existing genus Emticicia of beside.

Paraendobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Endobacter*, An existing genus; *Paraendobacter*: A genus related to but distinct from the existing genus Endobacter of beside.

Paraendobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Endobacterium*, An existing genus; *Paraendobacterium*: A genus related to but distinct from the existing genus Endobacterium of beside.

Paraendomicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Endomicrobium*, An existing genus; *Paraendomicrobium*: A genus related to but distinct from the existing genus Endomicrobium of beside.

Paraendothiovibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Endothiovibrio*, An existing genus; *Paraendothiovibrio*: A genus related to but distinct from the existing genus Endothiovibrio of beside.

Paraendozoicomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Endozoicomonas*, An existing genus; *Paraendozoicomonas*: A genus related to but distinct from the existing genus Endozoicomonas of beside.

Paraenhydrobacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Enhydrobacter*, An existing genus; *Paraenhydrobacter*: A genus related to but distinct from the existing genus Enhydrobacter of beside.

Paraenhygromyxa

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Enhygromyxa*, An existing genus; *Paraenhygromyxa*: A genus related to but distinct from the existing genus Enhygromyxa of beside.

Paraenorma

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Enorma*, An existing genus; *Paraenorma*: A genus related to but distinct from the existing genus Enorma of beside.

Paraensifer

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Ensifer*, An existing genus; *Paraensifer*: A genus related to but distinct from the existing genus Ensifer of beside.

Paraenteractinococcus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Enteractinococcus*, An existing genus; *Paraenteractinococcus*: A genus related to but distinct from the existing genus Enteractinococcus of beside.

Paraenterobacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Enterobacter*, An existing genus; *Paraenterobacter*: A genus related to but distinct from the existing genus Enterobacter of beside.

Paraenterocloster

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Enterocloster*, An existing genus; *Paraenterocloster*: A genus related to but distinct from the existing genus Enterocloster of beside.

Paraenterococcus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Enterococcus*, An existing genus; *Paraenterococcus*: A genus related to but distinct from the existing genus Enterococcus of beside.

Paraenterorhabdus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Enterorhabdus*, An existing genus; *Paraenterorhabdus*: A genus related to but distinct from the existing genus Enterorhabdus of beside.

Paraenteroscipio

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Enteroscipio*, An existing genus; *Paraenteroscipio*: A genus related to but distinct from the existing genus Enteroscipio of beside.

Paraenterovibrio

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Enterovibrio*, An existing genus; *Paraenterovibrio*: A genus related to but distinct from the existing genus Enterovibrio of beside.

Paraentomomonas

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Entomomonas*, An existing genus; *Paraentomomonas*: A genus related to but distinct from the existing genus Entomomonas of beside.

Paraentomoplasma

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Entomoplasma*, An existing genus; *Paraentomoplasma*: A genus related to but distinct from the existing genus Entomoplasma of beside.

Paraeperythrozoon

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Eperythrozoon*, An existing genus; *Paraeperythrozoon*: A genus related to but distinct from the existing genus Eperythrozoon of beside.

Paraephemeroptericola

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Ephemeroptericola*, An existing genus; *Paraephemeroptericola*: A genus related to but distinct from the existing genus Ephemeroptericola of beside.

Paraepibacterium

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Epibacterium*, An existing genus; *Paraepibacterium*: A genus related to but distinct from the existing genus Epibacterium of beside.

Paraepidermidibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Epidermidibacterium*, An existing genus; *Paraepidermidibacterium*: A genus related to but distinct from the existing genus Epidermidibacterium of beside.

Paraepigloeosphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Epigloeosphaera*, An existing genus; *Paraepigloeosphaera*: A genus related to but distinct from the existing genus Epigloeosphaera of beside.

Paraepilithonimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Epilithonimonas*, An existing genus; *Paraepilithonimonas*: A genus related to but distinct from the existing genus Epilithonimonas of beside.

Paraercella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Ercella*, An existing genus; *Paraercella*: A genus related to but distinct from the existing genus Ercella of beside.

Paraereboglobus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Ereboglobus*, An existing genus; *Paraereboglobus*: A genus related to but distinct from the existing genus Ereboglobus of beside.

Paraeremococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Eremococcus*, An existing genus; *Paraeremococcus*: A genus related to but distinct from the existing genus Eremococcus of beside.

Paraerwinia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Erwinia*, An existing genus; *Paraerwinia*: A genus related to but distinct from the existing genus Erwinia of beside.

Paraerysipelothrix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Erysipelothrix*, An existing genus; *Paraerysipelothrix*: A genus related to but distinct from the existing genus Erysipelothrix of beside.

Paraerythrobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Erythrobacter*, An existing genus; *Paraerythrobacter*: A genus related to but distinct from the existing genus Erythrobacter of beside.

Paraerythromicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Erythromicrobium*, An existing genus; *Paraerythromicrobium*: A genus related to but distinct from the existing genus Erythromicrobium of beside.

Paraerythromonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Erythromonas*, An existing genus; *Paraerythromonas*: A genus related to but distinct from the existing genus Erythromonas of beside.

Paraescherichia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Escherichia*, An existing genus; *Paraescherichia*: A genus related to but distinct from the existing genus Escherichia of beside.

Paraethanoligenens

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Ethanoligenens*, An existing genus; *Paraethanoligenens*: A genus related to but distinct from the existing genus Ethanoligenens of beside.

Paraeubacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Eubacterium*, An existing genus; *Paraeubacterium*: A genus related to but distinct from the existing genus Eubacterium of beside.

Paraeucapsis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Eucapsis*, An existing genus; *Paraeucapsis*: A genus related to but distinct from the existing genus Eucapsis of beside.

Paraeudoraea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Eudoraea*, An existing genus; *Paraeudoraea*: A genus related to but distinct from the existing genus Eudoraea of beside.

Paraeuryhalocaulis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Euryhalocaulis*, An existing genus; *Paraeuryhalocaulis*: A genus related to but distinct from the existing genus Euryhalocaulis of beside.

Paraeuzebya

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Euzebya*, An existing genus; *Paraeuzebya*: A genus related to but distinct from the existing genus Euzebya of beside.

Paraeuzebyella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Euzebyella*, An existing genus; *Paraeuzebyella*: A genus related to but distinct from the existing genus Euzebyella of beside.

Paraewamiania

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Ewamiania*, An existing genus; *Paraewamiania*: A genus related to but distinct from the existing genus Ewamiania of beside.

Paraewingella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Ewingella*, An existing genus; *Paraewingella*: A genus related to but distinct from the existing genus Ewingella of beside.

Paraexcellospora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Excellospora*, An existing genus; *Paraexcellospora*: A genus related to but distinct from the existing genus Excellospora of beside.

Paraexilibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Exilibacterium*, An existing genus; *Paraexilibacterium*: A genus related to but distinct from the existing genus Exilibacterium of beside.

Paraexilispira

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Exilispira*, An existing genus; *Paraexilispira*: A genus related to but distinct from the existing genus Exilispira of beside.

Paraextensimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Extensimonas*, An existing genus; *Paraextensimonas*: A genus related to but distinct from the existing genus Extensimonas of beside.

Paraextibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Extibacter*, An existing genus; *Paraextibacter*: A genus related to but distinct from the existing genus Extibacter of beside.

Parafabibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Fabibacter*, An existing genus; *Parafabibacter*: A genus related to but distinct from the existing genus Fabibacter of beside.

Parafabivirga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Fabivirga*, An existing genus; *Parafabivirga*: A genus related to but distinct from the existing genus Fabivirga of beside.

Parafacilibium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Facilibium*, An existing genus; *Parafacilibium*: A genus related to but distinct from the existing genus Facilibium of beside.

Parafacklamia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Facklamia*, An existing genus; *Parafacklamia*: A genus related to but distinct from the existing genus Facklamia of beside.

Parafaecalibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Faecalibacillus*, An existing genus; *Parafaecalibacillus*: A genus related to but distinct from the existing genus Faecalibacillus of beside.

Parafaecalibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Faecalibacter*, An existing genus; *Parafaecalibacter*: A genus related to but distinct from the existing genus Faecalibacter of beside.

Parafaecalibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Faecalibacterium*, An existing genus; *Parafaecalibacterium*: A genus related to but distinct from the existing genus Faecalibacterium of beside.

Parafaecalibaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Faecalibaculum*, An existing genus; *Parafaecalibaculum*: A genus related to but distinct from the existing genus Faecalibaculum of beside.

Parafaecalicatena

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Faecalicatena*, An existing genus; *Parafaecalicatena*: A genus related to but distinct from the existing genus Faecalicatena of beside.

Parafaecalicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Faecalicoccus*, An existing genus; *Parafaecalicoccus*: A genus related to but distinct from the existing genus Faecalicoccus of beside.

Parafaecalimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Faecalimonas*, An existing genus; *Parafaecalimonas*: A genus related to but distinct from the existing genus Faecalimonas of beside.

Parafaecalitalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Faecalitalea*, An existing genus; *Parafaecalitalea*: A genus related to but distinct from the existing genus Faecalitalea of beside.

Parafaenia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Faenia*, An existing genus; *Parafaenia*: A genus related to but distinct from the existing genus Faenia of beside.

Parafalcatimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Falcatimonas*, An existing genus; *Parafalcatimonas*: A genus related to but distinct from the existing genus Falcatimonas of beside.

Parafalsarthrobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Falsarthrobacter*, An existing genus; *Parafalsarthrobacter*: A genus related to but distinct from the existing genus Falsarthrobacter of beside.

Parafalsibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Falsibacillus*, An existing genus; *Parafalsibacillus*: A genus related to but distinct from the existing genus Falsibacillus of beside.

Parafalsigemmobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Falsigemmobacter*, An existing genus; *Parafalsigemmobacter*: A genus related to but distinct from the existing genus Falsigemmobacter of beside.

Parafalsiporphyromonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Falsiporphyromonas*, An existing genus; *Parafalsiporphyromonas*: A genus related to but distinct from the existing genus Falsiporphyromonas of beside.

Parafalsirhodobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Falsirhodobacter*, An existing genus; *Parafalsirhodobacter*: A genus related to but distinct from the existing genus Falsirhodobacter of beside.

Parafalsochrobactrum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Falsochrobactrum*, An existing genus; *Parafalsochrobactrum*: A genus related to but distinct from the existing genus Falsochrobactrum of beside.

Parafangia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Fangia*, An existing genus; *Parafangia*: A genus related to but distinct from the existing genus Fangia of beside.

Parafannyhessea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Fannyhessea*, An existing genus; *Parafannyhessea*: A genus related to but distinct from the existing genus Fannyhessea of beside.

Parafastidiosipila

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Fastidiosipila*, An existing genus; *Parafastidiosipila*: A genus related to but distinct from the existing genus Fastidiosipila of beside.

Parafaucicola

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Faucicola*, An existing genus; *Parafaucicola*: A genus related to but distinct from the existing genus Faucicola of beside.

Parafeifantangia

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Feifantangia*, An existing genus; *Parafeifantangia*: A genus related to but distinct from the existing genus Feifantangia of beside.

Parafenollaria

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Fenollaria*, An existing genus; *Parafenollaria*: A genus related to but distinct from the existing genus Fenollaria of beside.

Parafermentibacillus

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Fermentibacillus*, An existing genus; *Parafermentibacillus*: A genus related to but distinct from the existing genus Fermentibacillus of beside.

Parafermentimonas

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Fermentimonas*, An existing genus; *Parafermentimonas*: A genus related to but distinct from the existing genus Fermentimonas of beside.

Paraferribacterium

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. n. *Ferribacterium*, An existing genus; *Paraferribacterium*: A genus related to but distinct from the existing genus Ferribacterium of beside.

Paraferrigenium

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. n. *Ferrigenium*, An existing genus; *Paraferrigenium*: A genus related to but distinct from the existing genus Ferrigenium of beside.

Paraferrimicrobium

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Ferrimicrobium*, An existing genus; *Paraferrimicrobium*: A genus related to but distinct from the existing genus Ferrimicrobium of beside.

Paraferrimonas

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Ferrimonas*, An existing genus; *Paraferrimonas*: A genus related to but distinct from the existing genus Ferrimonas of beside.

Paraferriphaselus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Ferriphaselus*, An existing genus; *Paraferriphaselus*: A genus related to but distinct from the existing genus Ferriphaselus of beside.

Paraferrithrix

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Ferrithrix*, An existing genus; *Paraferrithrix*: A genus related to but distinct from the existing genus Ferrithrix of beside.

Paraferroglobus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Ferroglobus*, An existing genus; *Paraferroglobus*: A genus related to but distinct from the existing genus Ferroglobus of beside.

Paraferroplasma

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Ferroplasma*, An existing genus; *Paraferroplasma*: A genus related to but distinct from the existing genus Ferroplasma of beside.

Paraferrovibrio

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Ferrovibrio*, An existing genus; *Paraferrovibrio*: A genus related to but distinct from the existing genus Ferrovibrio of beside.

Paraferruginibacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Ferruginibacter*, An existing genus; *Paraferruginibacter*: A genus related to but distinct from the existing genus Ferruginibacter of beside.

Paraferruginivarius

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Ferruginivarius*, An existing genus; *Paraferruginivarius*: A genus related to but distinct from the existing genus Ferruginivarius of beside.

Parafervidicella

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Fervidicella*, An existing genus; *Parafervidicella*: A genus related to but distinct from the existing genus Fervidicella of beside.

Parafervidicoccus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Fervidicoccus*, An existing genus; *Parafervidicoccus*: A genus related to but distinct from the existing genus Fervidicoccus of beside.

Parafervidicola

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Fervidicola*, An existing genus; *Parafervidicola*: A genus related to but distinct from the existing genus Fervidicola of beside.

Parafervidobacterium

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Fervidobacterium*, An existing genus; *Parafervidobacterium*: A genus related to but distinct from the existing genus Fervidobacterium of beside.

Parafibrella

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. dim. n. *Fibrella*, An existing genus; *Parafibrella*: A genus related to but distinct from the existing genus Fibrella of beside.

Parafibrisoma

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Fibrisoma*, An existing genus; *Parafibrisoma*: A genus related to but distinct from the existing genus Fibrisoma of beside.

Parafibrobacter

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Fibrobacter*, An existing genus; *Parafibrobacter*: A genus related to but distinct from the existing genus Fibrobacter of beside.

Parafictibacillus

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. masc. n. *Fictibacillus*, An existing genus; *Parafictibacillus*: A genus related to but distinct from the existing genus Fictibacillus of beside.

Parafilibacter

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. masc. n. *Filibacter*, An existing genus; *Parafilibacter*: A genus related to but distinct from the existing genus Filibacter of beside.

Parafilifactor

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. masc. n. *Filifactor*, An existing genus; *Parafilifactor*: A genus related to but distinct from the existing genus Filifactor of beside.

Parafilimonas

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. fem. n. *Filimonas*, An existing genus; *Parafilimonas*: A genus related to but distinct from the existing genus Filimonas of beside.

Parafilobacillus

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. masc. n. *Filobacillus*, An existing genus; *Parafilobacillus*: A genus related to but distinct from the existing genus Filobacillus of beside.

Parafilobacterium

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. neut. n. *Filobacterium*, An existing genus; *Parafilobacterium*: A genus related to but distinct from the existing genus Filobacterium of beside.

Parafilomicrobium

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. neut. n. *Filomicrobium*, An existing genus; *Parafilomicrobium*: A genus related to but distinct from the existing genus Filomicrobium of beside.

Parafimbriiglobus

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. masc. n. *Fimbriiglobus*, An existing genus; *Parafimbriiglobus*: A genus related to but distinct from the existing genus Fimbriiglobus of beside.

Parafimbriimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Fimbriimonas*, An existing genus; *Parafimbriimonas*: A genus related to but distinct from the existing genus Fimbriimonas of beside.

Parafinegoldia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Finegoldia*, An existing genus; *Parafinegoldia*: A genus related to but distinct from the existing genus Finegoldia of beside.

Paraflagellimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Flagellimonas*, An existing genus; *Paraflagellimonas*: A genus related to but distinct from the existing genus Flagellimonas of beside.

Paraflammeovirga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Flammeovirga*, An existing genus; *Paraflammeovirga*: A genus related to but distinct from the existing genus Flammeovirga of beside.

Paraflaviaesturariibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Flaviaesturariibacter*, An existing genus; *Paraflaviaesturariibacter*: A genus related to but distinct from the existing genus Flaviaesturariibacter of beside.

Paraflavicella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Flavicella*, An existing genus; *Paraflavicella*: A genus related to but distinct from the existing genus Flavicella of beside.

Paraflaviflagellibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Flaviflagellibacter*, An existing genus; *Paraflaviflagellibacter*: A genus related to but distinct from the existing genus Flaviflagellibacter of beside.

Paraflaviflexus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Flaviflexus*, An existing genus; *Paraflaviflexus*: A genus related to but distinct from the existing genus Flaviflexus of beside.

Paraflavihumibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Flavihumibacter*, An existing genus; *Paraflavihumibacter*: A genus related to but distinct from the existing genus Flavihumibacter of beside.

Paraflavilitoribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Flavilitoribacter*, An existing genus; *Paraflavilitoribacter*: A genus related to but distinct from the existing genus Flavilitoribacter of beside.

Paraflavimaricola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Flavimaricola*, An existing genus; *Paraflavimaricola*: A genus related to but distinct from the existing genus Flavimaricola of beside.

Paraflavimarina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Flavimarina*, An existing genus; *Paraflavimarina*: A genus related to but distinct from the existing genus Flavimarina of beside.

Paraflavimobilis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Flavimobilis*, An existing genus; *Paraflavimobilis*: A genus related to but distinct from the existing genus Flavimobilis of beside.

Paraflavimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Flavimonas*, An existing genus; *Paraflavimonas*: A genus related to but distinct from the existing genus Flavimonas of beside.

Paraflavipsychrobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Flavipsychrobacter*, An existing genus; *Paraflavipsychrobacter*: A genus related to but distinct from the existing genus Flavipsychrobacter of beside.

Paraflaviramulus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. dim. n. *Flaviramulus*, An existing genus; *Paraflaviramulus*: A genus related to but distinct from the existing genus Flaviramulus of beside.

Paraflavirhabdus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Flavirhabdus*, An existing genus; *Paraflavirhabdus*: A genus related to but distinct from the existing genus Flavirhabdus of beside.

Paraflavisolibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Flavisolibacter*, An existing genus; *Paraflavisolibacter*: A genus related to but distinct from the existing genus Flavisolibacter of beside.

Paraflavitalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Flavitalea*, An existing genus; *Paraflavitalea*: A genus related to but distinct from the existing genus Flavitalea of beside.

Paraflavivirga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Flavivirga*, An existing genus; *Paraflavivirga*: A genus related to but distinct from the existing genus Flavivirga of beside.

Paraflavobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Flavobacterium*, An existing genus; *Paraflavobacterium*: A genus related to but distinct from the existing genus Flavobacterium of beside.

Paraflavonifractor

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Flavonifractor*, An existing genus; *Paraflavonifractor*: A genus related to but distinct from the existing genus Flavonifractor of beside.

Paraflectobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Flectobacillus*, An existing genus; *Paraflectobacillus*: A genus related to but distinct from the existing genus Flectobacillus of beside.

Paraflexibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Flexibacter*, An existing genus; *Paraflexibacter*: A genus related to but distinct from the existing genus Flexibacter of beside.

Paraflexilinea

Gr. nan preposition *ïĂĨśïĄĨň*, beside; L. fem. n. *Flexilinea*, An existing genus; *Paraflexilinea*: A genus related to but distinct from the existing genus Flexilinea of beside.

Paraflexistipes

Gr. nan preposition *ïĂĨśïĄĨň*, beside; L. masc. n. *Flexistipes*, An existing genus; *Paraflexistipes*: A genus related to but distinct from the existing genus Flexistipes of beside.

Paraflexithrix

Gr. nan preposition *ïĂĨśïĄĨň*, beside; L. fem. n. *Flexithrix*, An existing genus; *Paraflexithrix*: A genus related to but distinct from the existing genus Flexithrix of beside.

Paraflexivirga

Gr. nan preposition *ïĂĨśïĄĨň*, beside; L. fem. n. *Flexivirga*, An existing genus; *Paraflexivirga*: A genus related to but distinct from the existing genus Flexivirga of beside.

Paraflindersiella

Gr. nan preposition *ïĂĨśïĄĨň*, beside; L. fem. dim. n. *Flindersiella*, An existing genus; *Paraflindersiella*: A genus related to but distinct from the existing genus Flindersiella of beside.

Paraflintibacter

Gr. nan preposition *ïĂĨśïĄĨň*, beside; L. masc. n. *Flintibacter*, An existing genus; *Paraflintibacter*: A genus related to but distinct from the existing genus Flintibacter of beside.

Parafloricoccus

Gr. nan preposition *ïĂĨśïĄĨň*, beside; L. masc. n. *Floricoccus*, An existing genus; *Parafloricoccus*: A genus related to but distinct from the existing genus Floricoccus of beside.

Parafluoribacter

Gr. nan preposition *ïĂĨśïĄĨň*, beside; L. masc. n. *Fluoribacter*, An existing genus; *Parafluoribacter*: A genus related to but distinct from the existing genus Fluoribacter of beside.

Parafluviibacterium

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. neut. n. *Fluviibacterium*, An existing genus; *Parafluviibacterium*: A genus related to but distinct from the existing genus Fluviibacterium of beside.

Parafluviicoccus

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. masc. n. *Fluviicoccus*, An existing genus; *Parafluviicoccus*: A genus related to but distinct from the existing genus Fluviicoccus of beside.

Parafluviicola

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. masc. n. *Fluviicola*, An existing genus; *Parafluviicola*: A genus related to but distinct from the existing genus Fluviicola of beside.

Parafluviimonas

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. fem. n. *Fluviimonas*, An existing genus; *Parafluviimonas*: A genus related to but distinct from the existing genus Fluviimonas of beside.

Parafluviispira

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. fem. n. *Fluviispira*, An existing genus; *Parafluviispira*: A genus related to but distinct from the existing genus Fluviispira of beside.

Parafodinibacter

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. masc. n. *Fodinibacter*, An existing genus; *Parafodinibacter*: A genus related to but distinct from the existing genus Fodinibacter of beside.

Parafodinibius

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. masc. n. *Fodinibius*, An existing genus; *Parafodinibius*: A genus related to but distinct from the existing genus Fodinibius of beside.

Parafodinicola

Gr. nan preposition *ïĂĨśĬĄĨň*, beside; L. masc. n. *Fodinicola*, An existing genus; *Parafodinicola*: A genus related to but distinct from the existing genus Fodinicola of beside.

Parafodinicurvata

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Fodinicurvata*, An existing genus; *Parafodinicurvata*: A genus related to but distinct from the existing genus Fodinicurvata of beside.

Parafoliisarcina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Foliisarcina*, An existing genus; *Parafoliisarcina*: A genus related to but distinct from the existing genus Foliisarcina of beside.

Parafontibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Fontibacillus*, An existing genus; *Parafontibacillus*: A genus related to but distinct from the existing genus Fontibacillus of beside.

Parafontibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Fontibacter*, An existing genus; *Parafontibacter*: A genus related to but distinct from the existing genus Fontibacter of beside.

Parafonticella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Fonticella*, An existing genus; *Parafonticella*: A genus related to but distinct from the existing genus Fonticella of beside.

Parafontimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Fontimonas*, An existing genus; *Parafontimonas*: A genus related to but distinct from the existing genus Fontimonas of beside.

Paraformivibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Formivibrio*, An existing genus; *Paraformivibrio*: A genus related to but distinct from the existing genus Formivibrio of beside.

Paraformosa

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Formosa*, An existing genus; *Paraformosa*: A genus related to but distinct from the existing genus Formosa of beside.

Paraformosimonas

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. fem. n. *Formosimonas*, An existing genus; *Paraformosimonas*: A genus related to but distinct from the existing genus Formosimonas of beside.

Parafournierella

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. fem. dim. n. *Fournierella*, An existing genus; *Parafournierella*: A genus related to but distinct from the existing genus Fournierella of beside.

Parafrancisella

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. fem. dim. n. *Francisella*, An existing genus; *Parafrancisella*: A genus related to but distinct from the existing genus Francisella of beside.

Parafranconibacter

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. masc. n. *Franconibacter*, An existing genus; *Parafranconibacter*: A genus related to but distinct from the existing genus Franconibacter of beside.

Parafrankia

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. fem. n. *Frankia*, An existing genus; *Parafrankia*: A genus related to but distinct from the existing genus Frankia of beside.

Parafrateuria

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. fem. n. *Frateuria*, An existing genus; *Parafrateuria*: A genus related to but distinct from the existing genus Frateuria of beside.

Parafrederiksenia

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. fem. n. *Frederiksenia*, An existing genus; *Parafrederiksenia*: A genus related to but distinct from the existing genus Frederiksenia of beside.

Parafretibacter

Gr. nan preposition *ΪĂÎśÏĄÎň*, beside; L. masc. n. *Fretibacter*, An existing genus; *Parafretibacter*: A genus related to but distinct from the existing genus Fretibacter of beside.

Parafretibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Fretibacterium*, An existing genus; *Parafretibacterium*: A genus related to but distinct from the existing genus Fretibacterium of beside.

Parafriedmanniella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Friedmanniella*, An existing genus; *Parafriedmanniella*: A genus related to but distinct from the existing genus Friedmanniella of beside.

Parafrigidibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Frigidibacter*, An existing genus; *Parafrigidibacter*: A genus related to but distinct from the existing genus Frigidibacter of beside.

Parafrigoribacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Frigoribacterium*, An existing genus; *Parafrigoribacterium*: A genus related to but distinct from the existing genus Frigoribacterium of beside.

Parafrischella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Frischella*, An existing genus; *Parafrischella*: A genus related to but distinct from the existing genus Frischella of beside.

Parafrisingicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Frisingicoccus*, An existing genus; *Parafrisingicoccus*: A genus related to but distinct from the existing genus Frisingicoccus of beside.

Parafrondibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Frondibacter*, An existing genus; *Parafrondibacter*: A genus related to but distinct from the existing genus Frondibacter of beside.

Parafrondicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Frondicola*, An existing genus; *Parafrondicola*: A genus related to but distinct from the existing genus Frondicola of beside.

Parafrondihabitans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Frondihabitans*, An existing genus; *Parafrondihabitans*: A genus related to but distinct from the existing genus Frondihabitans of beside.

Parafructilactobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Fructilactobacillus*, An existing genus; *Parafructilactobacillus*: A genus related to but distinct from the existing genus Fructilactobacillus of beside.

Parafructobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Fructobacillus*, An existing genus; *Parafructobacillus*: A genus related to but distinct from the existing genus Fructobacillus of beside.

Parafuchsiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Fuchsiella*, An existing genus; *Parafuchsiella*: A genus related to but distinct from the existing genus Fuchsiella of beside.

Parafudania

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Fudania*, An existing genus; *Parafudania*: A genus related to but distinct from the existing genus Fudania of beside.

Parafuerstia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Fuerstia*, An existing genus; *Parafuerstia*: A genus related to but distinct from the existing genus Fuerstia of beside.

Parafulvibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Fulvibacter*, An existing genus; *Parafulvibacter*: A genus related to but distinct from the existing genus Fulvibacter of beside.

Parafulvimarina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Fulvimarina*, An existing genus; *Parafulvimarina*: A genus related to but distinct from the existing genus Fulvimarina of beside.

Parafulvimonas

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Fulvimonas*, An existing genus; *Parafulvimonas*: A genus related to but distinct from the existing genus Fulvimonas of beside.

Parafulvitalea

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Fulvitalea*, An existing genus; *Parafulvitalea*: A genus related to but distinct from the existing genus Fulvitalea of beside.

Parafulvivirga

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Fulvivirga*, An existing genus; *Parafulvivirga*: A genus related to but distinct from the existing genus Fulvivirga of beside.

Parafundibacter

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Fundibacter*, An existing genus; *Parafundibacter*: A genus related to but distinct from the existing genus Fundibacter of beside.

Parafundicoccus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Fundicoccus*, An existing genus; *Parafundicoccus*: A genus related to but distinct from the existing genus Fundicoccus of beside.

Parafurfurilactobacillus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Furfurilactobacillus*, An existing genus; *Parafurfurilactobacillus*: A genus related to but distinct from the existing genus Furfurilactobacillus of beside.

Parafuscovulum

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Fuscovulum*, An existing genus; *Parafuscovulum*: A genus related to but distinct from the existing genus Fuscovulum of beside.

Parafusibacter

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Fusibacter*, An existing genus; *Parafusibacter*: A genus related to but distinct from the existing genus Fusibacter of beside.

Parafusicatenibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Fusicatenibacter*, An existing genus; *Parafusicatenibacter*: A genus related to but distinct from the existing genus Fusicatenibacter of beside.

Parafusimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Fusimonas*, An existing genus; *Parafusimonas*: A genus related to but distinct from the existing genus Fusimonas of beside.

Parafusobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Fusobacterium*, An existing genus; *Parafusobacterium*: A genus related to but distinct from the existing genus Fusobacterium of beside.

Paragabonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Gabonia*, An existing genus; *Paragabonia*: A genus related to but distinct from the existing genus Gabonia of beside.

Paragabonibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Gabonibacter*, An existing genus; *Paragabonibacter*: A genus related to but distinct from the existing genus Gabonibacter of beside.

Paragaetbulibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Gaetbulibacter*, An existing genus; *Paragaetbulibacter*: A genus related to but distinct from the existing genus Gaetbulibacter of beside.

Paragaetbulicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Gaetbulicola*, An existing genus; *Paragaetbulicola*: A genus related to but distinct from the existing genus Gaetbulicola of beside.

Paragaetbulimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Gaetbulimicrobium*, An existing genus; *Paragaetbulimicrobium*: A genus related to but distinct from the existing genus Gaetbulimicrobium of beside.

Paragaiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Gaiella*, An existing genus; *Paragaiella*: A genus related to but distinct from the existing genus Gaiella of beside.

Paragalbibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Galbibacter*, An existing genus; *Paragalbibacter*: A genus related to but distinct from the existing genus Galbibacter of beside.

Paragalbitalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Galbitalea*, An existing genus; *Paragalbitalea*: A genus related to but distinct from the existing genus Galbitalea of beside.

Paragallaecimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Gallaecimonas*, An existing genus; *Paragallaecimonas*: A genus related to but distinct from the existing genus Gallaecimonas of beside.

Paragallibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Gallibacterium*, An existing genus; *Paragallibacterium*: A genus related to but distinct from the existing genus Gallibacterium of beside.

Paragallicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Gallicola*, An existing genus; *Paragallicola*: A genus related to but distinct from the existing genus Gallicola of beside.

Paragallionella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Gallionella*, An existing genus; *Paragallionella*: A genus related to but distinct from the existing genus Gallionella of beside.

Paragalliscardovia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Galliscardovia*, An existing genus; *Paragalliscardovia*: A genus related to but distinct from the existing genus Galliscardovia of beside.

Paragandjariella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Gandjariella*, An existing genus; *Paragandjariella*: A genus related to but distinct from the existing genus Gandjariella of beside.

Paragangjinia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Gangjinia*, An existing genus; *Paragangjinia*: A genus related to but distinct from the existing genus Gangjinia of beside.

Paragarciella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Garciella*, An existing genus; *Paragarciella*: A genus related to but distinct from the existing genus Garciella of beside.

Paragardnerella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Gardnerella*, An existing genus; *Paragardnerella*: A genus related to but distinct from the existing genus Gardnerella of beside.

Paragaricola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Garicola*, An existing genus; *Paragaricola*: A genus related to but distinct from the existing genus Garicola of beside.

Paragarritya

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Garritya*, An existing genus; *Paragarritya*: A genus related to but distinct from the existing genus Garritya of beside.

Paragayadomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Gayadomonas*, An existing genus; *Paragayadomonas*: A genus related to but distinct from the existing genus Gayadomonas of beside.

Paragelatiniphilus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Gelatiniphilus*, An existing genus; *Paragelatiniphilus*: A genus related to but distinct from the existing genus Gelatiniphilus of beside.

Paragelidibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Gelidibacter*, An existing genus; *Paragelidibacter*: A genus related to but distinct from the existing genus Gelidibacter of beside.

Paragellertiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Gellertiella*, An existing genus; *Paragellertiella*: A genus related to but distinct from the existing genus Gellertiella of beside.

Paragelria

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Gelria*, An existing genus; *Paragelria*: A genus related to but distinct from the existing genus Gelria of beside.

Paragemella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Gemella*, An existing genus; *Paragemella*: A genus related to but distinct from the existing genus Gemella of beside.

Parageminicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Geminicoccus*, An existing genus; *Parageminicoccus*: A genus related to but distinct from the existing genus Geminicoccus of beside.

Parageminisphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Geminisphaera*, An existing genus; *Parageminisphaera*: A genus related to but distinct from the existing genus Geminisphaera of beside.

Parageminobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Geminobacterium*, An existing genus; *Parageminobacterium*: A genus related to but distinct from the existing genus Geminobacterium of beside.

Paragemmata

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Gemmata*, An existing genus; *Paragemmata*: A genus related to but distinct from the existing genus Gemmata of beside.

Paragemmatimonas

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. fem. n. *Gemmatimonas*, An existing genus; *Paragemmatimonas*: A genus related to but distinct from the existing genus Gemmatimonas of beside.

Paragemmatirosa

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. fem. n. *Gemmatirosa*, An existing genus; *Paragemmatirosa*: A genus related to but distinct from the existing genus Gemmatirosa of beside.

Paragemmiger

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Gemmiger*, An existing genus; *Paragemmiger*: A genus related to but distinct from the existing genus Gemmiger of beside.

Parageoalkalibacter

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Geoalkalibacter*, An existing genus; *Parageoalkalibacter*: A genus related to but distinct from the existing genus Geoalkalibacter of beside.

Parageobacillus

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Geobacillus*, An existing genus; *Parageobacillus*: A genus related to but distinct from the existing genus Geobacillus of beside.

Parageobacter

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Geobacter*, An existing genus; *Parageobacter*: A genus related to but distinct from the existing genus Geobacter of beside.

Parageodermatophilus

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. masc. n. *Geodermatophilus*, An existing genus; *Parageodermatophilus*: A genus related to but distinct from the existing genus Geodermatophilus of beside.

Parageofilum

Gr. nan preposition *ïĂĬśĭĄĬň*, beside; L. neut. n. *Geofilum*, An existing genus; *Parageofilum*: A genus related to but distinct from the existing genus Geofilum of beside.

Parageoglobus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Geoglobus*, An existing genus; *Parageoglobus*: A genus related to but distinct from the existing genus Geoglobus of beside.

Parageojedonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Geojedonia*, An existing genus; *Parageojedonia*: A genus related to but distinct from the existing genus Geojedonia of beside.

Parageomicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Geomicrobium*, An existing genus; *Parageomicrobium*: A genus related to but distinct from the existing genus Geomicrobium of beside.

Parageomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Geomonas*, An existing genus; *Parageomonas*: A genus related to but distinct from the existing genus Geomonas of beside.

Parageopsychrobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Geopsychrobacter*, An existing genus; *Parageopsychrobacter*: A genus related to but distinct from the existing genus Geopsychrobacter of beside.

Parageorgenia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Georgenia*, An existing genus; *Parageorgenia*: A genus related to but distinct from the existing genus Georgenia of beside.

Parageorgfuchsia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Georgfuchsia*, An existing genus; *Parageorgfuchsia*: A genus related to but distinct from the existing genus Georgfuchsia of beside.

Parageorhizobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Georhizobium*, An existing genus; *Parageorhizobium*: A genus related to but distinct from the existing genus Georhizobium of beside.

Parageosporobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Geosporobacter*, An existing genus; *Parageosporobacter*: A genus related to but distinct from the existing genus Geosporobacter of beside.

Parageothermobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Geothermobacter*, An existing genus; *Parageothermobacter*: A genus related to but distinct from the existing genus Geothermobacter of beside.

Parageothermobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Geothermobacterium*, An existing genus; *Parageothermobacterium*: A genus related to but distinct from the existing genus Geothermobacterium of beside.

Parageothermomicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Geothermomicrobium*, An existing genus; *Parageothermomicrobium*: A genus related to but distinct from the existing genus Geothermomicrobium of beside.

Parageothrix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Geothrix*, An existing genus; *Parageothrix*: A genus related to but distinct from the existing genus Geothrix of beside.

Parageotoga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Geotoga*, An existing genus; *Parageotoga*: A genus related to but distinct from the existing genus Geotoga of beside.

Parageovibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Geovibrio*, An existing genus; *Parageovibrio*: A genus related to but distinct from the existing genus Geovibrio of beside.

Paraghiorsea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Ghiorsea*, An existing genus; *Paraghiorsea*: A genus related to but distinct from the existing genus Ghiorsea of beside.

Paragibbsiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Gibbsiella*, An existing genus; *Paragibbsiella*: A genus related to but distinct from the existing genus Gibbsiella of beside.

Paragiesbergeria

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Giesbergeria*, An existing genus; *Paragiesbergeria*: A genus related to but distinct from the existing genus Giesbergeria of beside.

Paragilliamella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Gilliamella*, An existing genus; *Paragilliamella*: A genus related to but distinct from the existing genus Gilliamella of beside.

Paragillisia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Gillisia*, An existing genus; *Paragillisia*: A genus related to but distinct from the existing genus Gillisia of beside.

Paragilvibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Gilvibacter*, An existing genus; *Paragilvibacter*: A genus related to but distinct from the existing genus Gilvibacter of beside.

Paragilvimarinus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Gilvimarinus*, An existing genus; *Paragilvimarinus*: A genus related to but distinct from the existing genus Gilvimarinus of beside.

Paragimesia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Gimesia*, An existing genus; *Paragimesia*: A genus related to but distinct from the existing genus Gimesia of beside.

Paraglaciecola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Glaciecola*, An existing genus; *Paraglaciecola*: A genus related to but distinct from the existing genus Glaciecola of beside.

Paraglaciibacter

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. masc. n. *Glaciibacter*, An existing genus; *Paraglaciibacter*: A genus related to but distinct from the existing genus Glaciibacter of beside.

Paraglaciihabitans

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. masc. n. *Glaciihabitans*, An existing genus; *Paraglaciihabitans*: A genus related to but distinct from the existing genus Glaciihabitans of beside.

Paraglaciimonas

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Glaciimonas*, An existing genus; *Paraglaciimonas*: A genus related to but distinct from the existing genus Glaciimonas of beside.

Paraglaesserella

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. dim. n. *Glaesserella*, An existing genus; *Paraglaesserella*: A genus related to but distinct from the existing genus Glaesserella of beside.

Paragleimia

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Gleimia*, An existing genus; *Paragleimia*: A genus related to but distinct from the existing genus Gleimia of beside.

Paraglobicatella

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. dim. n. *Globicatella*, An existing genus; *Paraglobicatella*: A genus related to but distinct from the existing genus Globicatella of beside.

Paragloeobacter

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. masc. n. *Gloeobacter*, An existing genus; *Paragloeobacter*: A genus related to but distinct from the existing genus Gloeobacter of beside.

Paragloeomargarita

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Gloeomargarita*, An existing genus; *Paragloeomargarita*: A genus related to but distinct from the existing genus Gloeomargarita of beside.

Paraglucerabacter

Gr. nan preposition *ĬĂÎśĬĄÎň*, beside; L. masc. n. *Glucerabacter*, An existing genus; *Paraglucerabacter*: A genus related to but distinct from the existing genus Glucerabacter of beside.

Paragluconacetobacter

Gr. nan preposition *ĬĂÎśĬĄÎň*, beside; L. masc. n. *Gluconacetobacter*, An existing genus; *Paragluconacetobacter*: A genus related to but distinct from the existing genus Gluconacetobacter of beside.

Paragluconobacter

Gr. nan preposition *ĬĂÎśĬĄÎň*, beside; L. masc. n. *Gluconobacter*, An existing genus; *Paragluconobacter*: A genus related to but distinct from the existing genus Gluconobacter of beside.

Paraglutamicibacter

Gr. nan preposition *ĬĂÎśĬĄÎň*, beside; L. masc. n. *Glutamicibacter*, An existing genus; *Paraglutamicibacter*: A genus related to but distinct from the existing genus Glutamicibacter of beside.

Paraglycocaulis

Gr. nan preposition *ĬĂÎśĬĄÎň*, beside; L. masc. n. *Glycocaulis*, An existing genus; *Paraglycocaulis*: A genus related to but distinct from the existing genus Glycocaulis of beside.

Paraglycomyces

Gr. nan preposition *ĬĂÎśĬĄÎň*, beside; L. masc. n. *Glycomyces*, An existing genus; *Paraglycomyces*: A genus related to but distinct from the existing genus Glycomyces of beside.

Paragodleya

Gr. nan preposition *ĬĂÎśĬĄÎň*, beside; L. fem. n. *Godleya*, An existing genus; *Paragodleya*: A genus related to but distinct from the existing genus Godleya of beside.

Paragomontiella

Gr. nan preposition *ĬĂÎśĬĄÎň*, beside; L. fem. dim. n. *Gomontiella*, An existing genus; *Paragomontiella*: A genus related to but distinct from the existing genus Gomontiella of beside.

Paragoodfellowia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Goodfellowia*, An existing genus; *Paragoodfellowia*: A genus related to but distinct from the existing genus Goodfellowia of beside.

Paragoodfellowiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Goodfellowiella*, An existing genus; *Paragoodfellowiella*: A genus related to but distinct from the existing genus Goodfellowiella of beside.

Paragordona

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Gordona*, An existing genus; *Paragordona*: A genus related to but distinct from the existing genus Gordona of beside.

Paragordonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Gordonia*, An existing genus; *Paragordonia*: A genus related to but distinct from the existing genus Gordonia of beside.

Paragordonibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Gordonibacter*, An existing genus; *Paragordonibacter*: A genus related to but distinct from the existing genus Gordonibacter of beside.

Paragorillibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Gorillibacterium*, An existing genus; *Paragorillibacterium*: A genus related to but distinct from the existing genus Gorillibacterium of beside.

Paragottschalkia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Gottschalkia*, An existing genus; *Paragottschalkia*: A genus related to but distinct from the existing genus Gottschalkia of beside.

Paragracilibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Gracilibacillus*, An existing genus; *Paragracilibacillus*: A genus related to but distinct from the existing genus Gracilibacillus of beside.

Paragracilibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Gracilibacter*, An existing genus; *Paragracilibacter*: A genus related to but distinct from the existing genus Gracilibacter of beside.

Paragracilimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Gracilimonas*, An existing genus; *Paragracilimonas*: A genus related to but distinct from the existing genus Gracilimonas of beside.

Paragrahamella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Grahamella*, An existing genus; *Paragrahamella*: A genus related to but distinct from the existing genus Grahamella of beside.

Paragramella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Gramella*, An existing genus; *Paragramella*: A genus related to but distinct from the existing genus Gramella of beside.

Paragranulibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Granulibacter*, An existing genus; *Paragranulibacter*: A genus related to but distinct from the existing genus Granulibacter of beside.

Paragranulicella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Granulicella*, An existing genus; *Paragranulicella*: A genus related to but distinct from the existing genus Granulicella of beside.

Paragranulicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Granulicoccus*, An existing genus; *Paragranulicoccus*: A genus related to but distinct from the existing genus Granulicoccus of beside.

Paragranulosicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Granulosicoccus*, An existing genus; *Paragranulosicoccus*: A genus related to but distinct from the existing genus Granulosicoccus of beside.

Paragrimontia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Grimontia*, An existing genus; *Paragrimontia*: A genus related to but distinct from the existing genus Grimontia of beside.

Paragryllotalpicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Gryllotalpicola*, An existing genus; *Paragryllotalpicola*: A genus related to but distinct from the existing genus Gryllotalpicola of beside.

Paragudongella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Gudongella*, An existing genus; *Paragudongella*: A genus related to but distinct from the existing genus Gudongella of beside.

Paraguggenheimella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Guggenheimella*, An existing genus; *Paraguggenheimella*: A genus related to but distinct from the existing genus Guggenheimella of beside.

Paragulbenkiania

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Gulbenkiania*, An existing genus; *Paragulbenkiania*: A genus related to but distinct from the existing genus Gulbenkiania of beside.

Paragulosibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Gulosibacter*, An existing genus; *Paragulosibacter*: A genus related to but distinct from the existing genus Gulosibacter of beside.

Paraguyparkeria

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Guyparkeria*, An existing genus; *Paraguyparkeria*: A genus related to but distinct from the existing genus Guyparkeria of beside.

Paragynuella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Gynuella*, An existing genus; *Paragynuella*: A genus related to but distinct from the existing genus Gynuella of beside.

Paragynurincola

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. masc. n. *Gynurincola*, An existing genus; *Paragynurincola*: A genus related to but distinct from the existing genus Gynurincola of beside.

Parahaematomicrobium

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. neut. n. *Haematomicrobium*, An existing genus; *Parahaematomicrobium*: A genus related to but distinct from the existing genus Haematomicrobium of beside.

Parahaemobartonella

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. dim. n. *Haemobartonella*, An existing genus; *Parahaemobartonella*: A genus related to but distinct from the existing genus Haemobartonella of beside.

Parahaemophilus

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. masc. n. *Haemophilus*, An existing genus; *Parahaemophilus*: A genus related to but distinct from the existing genus Haemophilus of beside.

Parahahella

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. dim. n. *Hahella*, An existing genus; *Parahahella*: A genus related to but distinct from the existing genus Hahella of beside.

Parahahyoungchilella

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. dim. n. *Hahyoungchilella*, An existing genus; *Parahahyoungchilella*: A genus related to but distinct from the existing genus Hahyoungchilella of beside.

Parahaladaptatus

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. masc. n. *Haladaptatus*, An existing genus; *Parahaladaptatus*: A genus related to but distinct from the existing genus Haladaptatus of beside.

Parahalalkaliarchaeum

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. neut. n. *Halalkaliarchaeum*, An existing genus; *Parahalalkaliarchaeum*: A genus related to but distinct from the existing genus Halalkaliarchaeum of beside.

Parahalalkalibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halalkalibacillus*, An existing genus; *Parahalalkalibacillus*: A genus related to but distinct from the existing genus Halalkalibacillus of beside.

Parahalalkalicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halalkalicoccus*, An existing genus; *Parahalalkalicoccus*: A genus related to but distinct from the existing genus Halalkalicoccus of beside.

Parahalanaeroarchaeum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halanaeroarchaeum*, An existing genus; *Parahalanaeroarchaeum*: A genus related to but distinct from the existing genus Halanaeroarchaeum of beside.

Parahalanaerobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halanaerobacter*, An existing genus; *Parahalanaerobacter*: A genus related to but distinct from the existing genus Halanaerobacter of beside.

Parahalanaerobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halanaerobium*, An existing genus; *Parahalanaerobium*: A genus related to but distinct from the existing genus Halanaerobium of beside.

Parahalanaerocella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Halanaerocella*, An existing genus; *Parahalanaerocella*: A genus related to but distinct from the existing genus Halanaerocella of beside.

Parahalapricum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halapricum*, An existing genus; *Parahalapricum*: A genus related to but distinct from the existing genus Halapricum of beside.

Parahalarchaeum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halarchaeum*, An existing genus; *Parahalarchaeum*: A genus related to but distinct from the existing genus Halarchaeum of beside.

Parahalarsenatibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halarsenatibacter*, An existing genus; *Parahalarsenatibacter*: A genus related to but distinct from the existing genus Halarsenatibacter of beside.

Parahalegenticoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halegenticoccus*, An existing genus; *Parahalegenticoccus*: A genus related to but distinct from the existing genus Halegenticoccus of beside.

Parahaliangium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Haliangium*, An existing genus; *Parahaliangium*: A genus related to but distinct from the existing genus Haliangium of beside.

Parahaliea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Haliea*, An existing genus; *Parahaliea*: A genus related to but distinct from the existing genus Haliea of beside.

Parahalioglobus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halioglobus*, An existing genus; *Parahalioglobus*: A genus related to but distinct from the existing genus Halioglobus of beside.

Parahalioxenophilus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halioxenophilus*, An existing genus; *Parahalioxenophilus*: A genus related to but distinct from the existing genus Halioxenophilus of beside.

Parahaliscomenobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Haliscomenobacter*, An existing genus; *Parahaliscomenobacter*: A genus related to but distinct from the existing genus Haliscomenobacter of beside.

Parahallella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Hallella*, An existing genus; *Parahallella*: A genus related to but distinct from the existing genus Hallella of beside.

Parahaloactinobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Haloactinobacterium*, An existing genus; *Parahaloactinobacterium*: A genus related to but distinct from the existing genus Haloactinobacterium of beside.

Parahaloactinomyces

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Haloactinomyces*, An existing genus; *Parahaloactinomyces*: A genus related to but distinct from the existing genus Haloactinomyces of beside.

Parahaloactinopolyspora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Haloactinopolyspora*, An existing genus; *Parahaloactinopolyspora*: A genus related to but distinct from the existing genus Haloactinopolyspora of beside.

Parahaloactinospora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Haloactinospora*, An existing genus; *Parahaloactinospora*: A genus related to but distinct from the existing genus Haloactinospora of beside.

Parahaloarchaeobius

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Haloarchaeobius*, An existing genus; *Parahaloarchaeobius*: A genus related to but distinct from the existing genus Haloarchaeobius of beside.

Parahaloarcula

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Haloarcula*, An existing genus; *Parahaloarcula*: A genus related to but distinct from the existing genus Haloarcula of beside.

Parahalobacteriovorax

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halobacteriovorax*, An existing genus; *Parahalobacteriovorax*: A genus related to but distinct from the existing genus Halobacteriovorax of beside.

Parahalobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halobacterium*, An existing genus; *Parahalobacterium*: A genus related to but distinct from the existing genus Halobacterium of beside.

Parahalobacteroides

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halobacteroides*, An existing genus; *Parahalobacteroides*: A genus related to but distinct from the existing genus Halobacteroides of beside.

Parahalobaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halobaculum*, An existing genus; *Parahalobaculum*: A genus related to but distinct from the existing genus Halobaculum of beside.

Parahalobellus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halobellus*, An existing genus; *Parahalobellus*: A genus related to but distinct from the existing genus Halobellus of beside.

Parahalobiforma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Halobiforma*, An existing genus; *Parahalobiforma*: A genus related to but distinct from the existing genus Halobiforma of beside.

Parahalobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halobium*, An existing genus; *Parahalobium*: A genus related to but distinct from the existing genus Halobium of beside.

Parahalocalculus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halocalculus*, An existing genus; *Parahalocalculus*: A genus related to but distinct from the existing genus Halocalculus of beside.

Parahalocella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Halocella*, An existing genus; *Parahalocella*: A genus related to but distinct from the existing genus Halocella of beside.

Parahalochromatium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halochromatium*, An existing genus; *Parahalochromatium*: A genus related to but distinct from the existing genus Halochromatium of beside.

Parahalococcoides

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halococcoides*, An existing genus; *Parahalococcoides*: A genus related to but distinct from the existing genus Halococcoides of beside.

Parahalococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halococcus*, An existing genus; *Parahalococcus*: A genus related to but distinct from the existing genus Halococcus of beside.

Parahalocynthiibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halocynthiibacter*, An existing genus; *Parahalocynthiibacter*: A genus related to but distinct from the existing genus Halocynthiibacter of beside.

Parahalodesulfovibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halodesulfovibrio*, An existing genus; *Parahalodesulfovibrio*: A genus related to but distinct from the existing genus Halodesulfovibrio of beside.

Parahalodesulfurarchaeum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halodesulfurarchaeum*, An existing genus; *Parahalodesulfurarchaeum*: A genus related to but distinct from the existing genus Halodesulfurarchaeum of beside.

Parahalodurantibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halodurantibacterium*, An existing genus; *Parahalodurantibacterium*: A genus related to but distinct from the existing genus Halodurantibacterium of beside.

Parahaloechinothrix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Haloechinothrix*, An existing genus; *Parahaloechinothrix*: A genus related to but distinct from the existing genus Haloechinothrix of beside.

Parahaloferax

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Haloferax*, An existing genus; *Parahaloferax*: A genus related to but distinct from the existing genus Haloferax of beside.

Parahaloferula

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Haloferula*, An existing genus; *Parahaloferula*: A genus related to but distinct from the existing genus Haloferula of beside.

Parahalofilum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halofilum*, An existing genus; *Parahalofilum*: A genus related to but distinct from the existing genus Halofilum of beside.

Parahaloflavibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Haloflavibacter*, An existing genus; *Parahaloflavibacter*: A genus related to but distinct from the existing genus Haloflavibacter of beside.

Parahalogeometricum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halogeometricum*, An existing genus; *Parahalogeometricum*: A genus related to but distinct from the existing genus Halogeometricum of beside.

Parahaloglycomyces

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Haloglycomyces*, An existing genus; *Parahaloglycomyces*: A genus related to but distinct from the existing genus Haloglycomyces of beside.

Parahalogranum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halogranum*, An existing genus; *Parahalogranum*: A genus related to but distinct from the existing genus Halogranum of beside.

Parahalohasta

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Halohasta*, An existing genus; *Parahalohasta*: A genus related to but distinct from the existing genus Halohasta of beside.

Parahaloimpatiens

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Haloimpatiens*, An existing genus; *Parahaloimpatiens*: A genus related to but distinct from the existing genus Haloimpatiens of beside.

Parahaloincola

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Haloincola*, An existing genus; *Parahaloincola*: A genus related to but distinct from the existing genus Haloincola of beside.

Parahalolactibacillus

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Halolactibacillus*, An existing genus; *Parahalolactibacillus*: A genus related to but distinct from the existing genus Halolactibacillus of beside.

Parahalolamina

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Halolamina*, An existing genus; *Parahalolamina*: A genus related to but distinct from the existing genus Halolamina of beside.

Parahaloleptolyngbya

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Haloleptolyngbya*, An existing genus; *Parahaloleptolyngbya*: A genus related to but distinct from the existing genus Haloleptolyngbya of beside.

Parahalomarina

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Halomarina*, An existing genus; *Parahalomarina*: A genus related to but distinct from the existing genus Halomarina of beside.

Parahalomethanococcus

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Halomethanococcus*, An existing genus; *Parahalomethanococcus*: A genus related to but distinct from the existing genus Halomethanococcus of beside.

Parahalomicrobium

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. neut. n. *Halomicrobium*, An existing genus; *Parahalomicrobium*: A genus related to but distinct from the existing genus Halomicrobium of beside.

Parahalomicrococcus

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Halomicrococcus*, An existing genus; *Parahalomicrococcus*: A genus related to but distinct from the existing genus Halomicrococcus of beside.

Parahalomicronema

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Halomicronema*, An existing genus; *Parahalomicronema*: A genus related to but distinct from the existing genus Halomicronema of beside.

Parahalomonas

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Halomonas*, An existing genus; *Parahalomonas*: A genus related to but distinct from the existing genus Halomonas of beside.

Parahalonatronum

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Halonatronum*, An existing genus; *Parahalonatronum*: A genus related to but distinct from the existing genus Halonatronum of beside.

Parahalonotius

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Halonotius*, An existing genus; *Parahalonotius*: A genus related to but distinct from the existing genus Halonotius of beside.

Parahaloparvum

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Haloparvum*, An existing genus; *Parahaloparvum*: A genus related to but distinct from the existing genus Haloparvum of beside.

Parahalopelagius

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Halopelagius*, An existing genus; *Parahalopelagius*: A genus related to but distinct from the existing genus Halopelagius of beside.

Parahalopenitus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Halopenitus*, An existing genus; *Parahalopenitus*: A genus related to but distinct from the existing genus Halopenitus of beside.

Parahalopeptonella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Halopeptonella*, An existing genus; *Parahalopeptonella*: A genus related to but distinct from the existing genus Halopeptonella of beside.

Parahalopiger

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halopiger*, An existing genus; *Parahalopiger*: A genus related to but distinct from the existing genus Halopiger of beside.

Parahaloplanus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Haloplanus*, An existing genus; *Parahaloplanus*: A genus related to but distinct from the existing genus Haloplanus of beside.

Parahaloplasma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Haloplasma*, An existing genus; *Parahaloplasma*: A genus related to but distinct from the existing genus Haloplasma of beside.

Parahalopolyspora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Halopolyspora*, An existing genus; *Parahalopolyspora*: A genus related to but distinct from the existing genus Halopolyspora of beside.

Parahaloprofundus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Haloprofundus*, An existing genus; *Parahaloprofundus*: A genus related to but distinct from the existing genus Haloprofundus of beside.

Parahaloquadratum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Haloquadratum*, An existing genus; *Parahaloquadratum*: A genus related to but distinct from the existing genus Haloquadratum of beside.

Parahalorhodospira

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Halorhodospira*, An existing genus; *Parahalorhodospira*: A genus related to but distinct from the existing genus Halorhodospira of beside.

Parahalorientalis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Halorientalis*, An existing genus; *Parahalorientalis*: A genus related to but distinct from the existing genus Halorientalis of beside.

Parahalorubellus

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. masc. n. *Halorubellus*, An existing genus; *Parahalorubellus*: A genus related to but distinct from the existing genus Halorubellus of beside.

Parahalorubrobacterium

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. neut. n. *Halorubrobacterium*, An existing genus; *Parahalorubrobacterium*: A genus related to but distinct from the existing genus Halorubrobacterium of beside.

Parahalorubrum

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. neut. n. *Halorubrum*, An existing genus; *Parahalorubrum*: A genus related to but distinct from the existing genus Halorubrum of beside.

Parahalorussus

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. masc. n. *Halorussus*, An existing genus; *Parahalorussus*: A genus related to but distinct from the existing genus Halorussus of beside.

Parahalosarcina

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. fem. n. *Halosarcina*, An existing genus; *Parahalosarcina*: A genus related to but distinct from the existing genus Halosarcina of beside.

Parahalosiccatus

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. masc. n. *Halosiccatus*, An existing genus; *Parahalosiccatus*: A genus related to but distinct from the existing genus Halosiccatus of beside.

Parahalosimplex

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. neut. n. *Halosimplex*, An existing genus; *Parahalosimplex*: A genus related to but distinct from the existing genus Halosimplex of beside.

Parahalospina

Gr. nan preposition *ïĂĪśĪĄĪĭ*, beside; L. fem. n. *Halospina*, An existing genus; *Parahalospina*: A genus related to but distinct from the existing genus Halospina of beside.

Parahalospirulina

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Halospirulina*, An existing genus; *Parahalospirulina*: A genus related to but distinct from the existing genus Halospirulina of beside.

Parahalostagnicola

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Halostagnicola*, An existing genus; *Parahalostagnicola*: A genus related to but distinct from the existing genus Halostagnicola of beside.

Parahalotalea

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Halotalea*, An existing genus; *Parahalotalea*: A genus related to but distinct from the existing genus Halotalea of beside.

Parahaloterrigena

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Haloterrigena*, An existing genus; *Parahaloterrigena*: A genus related to but distinct from the existing genus Haloterrigena of beside.

Parahalothermothrix

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Halothermothrix*, An existing genus; *Parahalothermothrix*: A genus related to but distinct from the existing genus Halothermothrix of beside.

Parahalothiobacillus

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. masc. n. *Halothiobacillus*, An existing genus; *Parahalothiobacillus*: A genus related to but distinct from the existing genus Halothiobacillus of beside.

Parahalotia

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Halotia*, An existing genus; *Parahalotia*: A genus related to but distinct from the existing genus Halotia of beside.

Parahalovarius

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. masc. n. *Halovarius*, An existing genus; *Parahalovarius*: A genus related to but distinct from the existing genus Halovarius of beside.

Parahalovenus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Halovenus*, An existing genus; *Parahalovenus*: A genus related to but distinct from the existing genus Halovenus of beside.

Parahalovibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halovibrio*, An existing genus; *Parahalovibrio*: A genus related to but distinct from the existing genus Halovibrio of beside.

Parahalovivax

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Halovivax*, An existing genus; *Parahalovivax*: A genus related to but distinct from the existing genus Halovivax of beside.

Parahalovulum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Halovulum*, An existing genus; *Parahalovulum*: A genus related to but distinct from the existing genus Halovulum of beside.

Parahalpernia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Halpernia*, An existing genus; *Parahalpernia*: A genus related to but distinct from the existing genus Halpernia of beside.

Parahamadaea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Hamadaea*, An existing genus; *Parahamadaea*: A genus related to but distinct from the existing genus Hamadaea of beside.

Parahankyongella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Hankyongella*, An existing genus; *Parahankyongella*: A genus related to but distinct from the existing genus Hankyongella of beside.

Parahansschlegelia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Hansschlegelia*, An existing genus; *Parahansschlegelia*: A genus related to but distinct from the existing genus Hansschlegelia of beside.

Parahanstruepera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Hanstruepera*, An existing genus; *Parahanstruepera*: A genus related to but distinct from the existing genus Hanstruepera of beside.

Parahaoranjiania

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Haoranjiania*, An existing genus; *Parahaoranjiania*: A genus related to but distinct from the existing genus Haoranjiania of beside.

Parahaploangium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Haploangium*, An existing genus; *Parahaploangium*: A genus related to but distinct from the existing genus Haploangium of beside.

Paraharryflintia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Harryflintia*, An existing genus; *Paraharryflintia*: A genus related to but distinct from the existing genus Harryflintia of beside.

Parahartmannibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Hartmannibacter*, An existing genus; *Parahartmannibacter*: A genus related to but distinct from the existing genus Hartmannibacter of beside.

Parahasllibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Hasllibacter*, An existing genus; *Parahasllibacter*: A genus related to but distinct from the existing genus Hasllibacter of beside.

Parahathewaya

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Hathewaya*, An existing genus; *Parahathewaya*: A genus related to but distinct from the existing genus Hathewaya of beside.

Parahazenella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Hazenella*, An existing genus; *Parahazenella*: A genus related to but distinct from the existing genus Hazenella of beside.

Parahelcococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Helcococcus*, An existing genus; *Parahelcococcus*: A genus related to but distinct from the existing genus Helcococcus of beside.

Parahelicobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Helicobacter*, An existing genus; *Parahelicobacter*: A genus related to but distinct from the existing genus Helicobacter of beside.

Paraheliimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Heliimonas*, An existing genus; *Paraheliimonas*: A genus related to but distinct from the existing genus Heliimonas of beside.

Paraheliobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Heliobacterium*, An existing genus; *Paraheliobacterium*: A genus related to but distinct from the existing genus Heliobacterium of beside.

Paraheliophilum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Heliophilum*, An existing genus; *Paraheliophilum*: A genus related to but distinct from the existing genus Heliophilum of beside.

Paraheliorestis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Heliorestis*, An existing genus; *Paraheliorestis*: A genus related to but distinct from the existing genus Heliorestis of beside.

Parahellea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Hellea*, An existing genus; *Parahellea*: A genus related to but distinct from the existing genus Hellea of beside.

Parahenriciella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Henriciella*, An existing genus; *Parahenriciella*: A genus related to but distinct from the existing genus Henriciella of beside.

Paraherbaspirillum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. dim. n. *Herbaspirillum*, An existing genus; *Paraherbaspirillum*: A genus related to but distinct from the existing genus Herbaspirillum of beside.

Paraherbiconiux

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Herbiconiux*, An existing genus; *Paraherbiconiux*: A genus related to but distinct from the existing genus Herbiconiux of beside.

Paraherbidospora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Herbidospora*, An existing genus; *Paraherbidospora*: A genus related to but distinct from the existing genus Herbidospora of beside.

Paraherbihabitans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Herbihabitans*, An existing genus; *Paraherbihabitans*: A genus related to but distinct from the existing genus Herbihabitans of beside.

Paraherbinix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Herbinix*, An existing genus; *Paraherbinix*: A genus related to but distinct from the existing genus Herbinix of beside.

Paraherbivorax

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Herbivorax*, An existing genus; *Paraherbivorax*: A genus related to but distinct from the existing genus Herbivorax of beside.

Paraherminiimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Herminiimonas*, An existing genus; *Paraherminiimonas*: A genus related to but distinct from the existing genus Herminiimonas of beside.

Paraherpetosiphon

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Herpetosiphon*, An existing genus; *Paraherpetosiphon*: A genus related to but distinct from the existing genus Herpetosiphon of beside.

Parahespellia

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Hespellia*, An existing genus; *Parahespellia*: A genus related to but distinct from the existing genus Hespellia of beside.

Paraheteroscytonema

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Heteroscytonema*, An existing genus; *Paraheteroscytonema*: A genus related to but distinct from the existing genus Heteroscytonema of beside.

Parahippea

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Hippea*, An existing genus; *Parahippea*: A genus related to but distinct from the existing genus Hippea of beside.

Parahirschia

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Hirschia*, An existing genus; *Parahirschia*: A genus related to but distinct from the existing genus Hirschia of beside.

Parahistidinibacterium

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Histidinibacterium*, An existing genus; *Parahistidinibacterium*: A genus related to but distinct from the existing genus Histidinibacterium of beside.

Parahistophilus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Histophilus*, An existing genus; *Parahistophilus*: A genus related to but distinct from the existing genus Histophilus of beside.

Paraholdemanella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Holdemanella*, An existing genus; *Paraholdemanella*: A genus related to but distinct from the existing genus Holdemanella of beside.

Paraholdemania

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Holdemania*, An existing genus; *Paraholdemania*: A genus related to but distinct from the existing genus Holdemania of beside.

Parahollandina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Hollandina*, An existing genus; *Parahollandina*: A genus related to but distinct from the existing genus Hollandina of beside.

Paraholophaga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Holophaga*, An existing genus; *Paraholophaga*: A genus related to but distinct from the existing genus Holophaga of beside.

Paraholospora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Holospora*, An existing genus; *Paraholospora*: A genus related to but distinct from the existing genus Holospora of beside.

Paraholzapfelia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Holzapfelia*, An existing genus; *Paraholzapfelia*: A genus related to but distinct from the existing genus Holzapfelia of beside.

Parahomoserinibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Homoserinibacter*, An existing genus; *Parahomoserinibacter*: A genus related to but distinct from the existing genus Homoserinibacter of beside.

Parahomoserinimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Homoserinimonas*, An existing genus; *Parahomoserinimonas*: A genus related to but distinct from the existing genus Homoserinimonas of beside.

Parahongia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Hongia*, An existing genus; *Parahongia*: A genus related to but distinct from the existing genus Hongia of beside.

Parahongiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Hongiella*, An existing genus; *Parahongiella*: A genus related to but distinct from the existing genus Hongiella of beside.

Parahoppeia

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. n. *Hoppeia*, An existing genus; *Parahoppeia*: A genus related to but distinct from the existing genus Hoppeia of beside.

Parahormathonema

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. neut. n. *Hormathonema*, An existing genus; *Parahormathonema*: A genus related to but distinct from the existing genus Hormathonema of beside.

Parahormoscilla

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. n. *Hormoscilla*, An existing genus; *Parahormoscilla*: A genus related to but distinct from the existing genus Hormoscilla of beside.

Parahowardella

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. dim. n. *Howardella*, An existing genus; *Parahowardella*: A genus related to but distinct from the existing genus Howardella of beside.

Parahoyosella

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. dim. n. *Hoyosella*, An existing genus; *Parahoyosella*: A genus related to but distinct from the existing genus Hoyosella of beside.

Parahuaishuia

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. n. *Huaishuia*, An existing genus; *Parahuaishuia*: A genus related to but distinct from the existing genus Huaishuia of beside.

Parahuakuichenia

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. n. *Huakuichenia*, An existing genus; *Parahuakuichenia*: A genus related to but distinct from the existing genus Huakuichenia of beside.

Parahuanghella

Gr. nan preposition *ïĂĬśĬĄĬň*, beside; L. fem. dim. n. *Huanghella*, An existing genus; *Parahuanghella*: A genus related to but distinct from the existing genus Huanghella of beside.

Parahugenholtzia

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. fem. n. *Hugenholtzia*, An existing genus; *Parahugenholtzia*: A genus related to but distinct from the existing genus Hugenholtzia of beside.

Parahugonella

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. fem. dim. n. *Hugonella*, An existing genus; *Parahugonella*: A genus related to but distinct from the existing genus Hugonella of beside.

Parahumibacillus

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. masc. n. *Humibacillus*, An existing genus; *Parahumibacillus*: A genus related to but distinct from the existing genus Humibacillus of beside.

Parahumibacter

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. masc. n. *Humibacter*, An existing genus; *Parahumibacter*: A genus related to but distinct from the existing genus Humibacter of beside.

Parahumicoccus

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. masc. n. *Humicoccus*, An existing genus; *Parahumicoccus*: A genus related to but distinct from the existing genus Humicoccus of beside.

Parahungateiclostridium

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. neut. dim. n. *Hungateiclostridium*, An existing genus; *Parahungateiclostridium*: A genus related to but distinct from the existing genus Hungateiclostridium of beside.

Parahungatella

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. fem. dim. n. *Hungatella*, An existing genus; *Parahungatella*: A genus related to but distinct from the existing genus Hungatella of beside.

Parahwangdonia

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. fem. n. *Hwangdonia*, An existing genus; *Parahwangdonia*: A genus related to but distinct from the existing genus Hwangdonia of beside.

Parahwanghaeella

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. dim. n. *Hwanghaeella*, An existing genus; *Parahwanghaeella*: A genus related to but distinct from the existing genus Hwanghaeella of beside.

Parahwanghaeicola

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Hwanghaeicola*, An existing genus; *Parahwanghaeicola*: A genus related to but distinct from the existing genus Hwanghaeicola of beside.

Parahyalangium

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. n. *Hyalangium*, An existing genus; *Parahyalangium*: A genus related to but distinct from the existing genus Hyalangium of beside.

Parahydrobacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Hydrobacter*, An existing genus; *Parahydrobacter*: A genus related to but distinct from the existing genus Hydrobacter of beside.

Parahydrocarboniclastica

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Hydrocarboniclastica*, An existing genus; *Parahydrocarboniclastica*: A genus related to but distinct from the existing genus Hydrocarboniclastica of beside.

Parahydrocarboniphaga

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Hydrocarboniphaga*, An existing genus; *Parahydrocarboniphaga*: A genus related to but distinct from the existing genus Hydrocarboniphaga of beside.

Parahydrogenibacillus

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Hydrogenibacillus*, An existing genus; *Parahydrogenibacillus*: A genus related to but distinct from the existing genus Hydrogenibacillus of beside.

Parahydrogeniiclostridium

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. dim. n. *Hydrogeniiclostridium*, An existing genus; *Parahydrogeniiclostridium*: A genus related to but distinct from the existing genus Hydrogeniiclostridium of beside.

Parahydrogenimonas

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Hydrogenimonas*, An existing genus; *Parahydrogenimonas*: A genus related to but distinct from the existing genus Hydrogenimonas of beside.

Parahydrogenispora

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Hydrogenispora*, An existing genus; *Parahydrogenispora*: A genus related to but distinct from the existing genus Hydrogenispora of beside.

Parahydrogenivirga

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Hydrogenivirga*, An existing genus; *Parahydrogenivirga*: A genus related to but distinct from the existing genus Hydrogenivirga of beside.

Parahydrogenoanaerobacterium

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. n. *Hydrogenoanaerobacterium*, An existing genus; *Parahydrogenoanaerobacterium*: A genus related to but distinct from the existing genus Hydrogenoanaerobacterium of beside.

Parahydrogenobacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Hydrogenobacter*, An existing genus; *Parahydrogenobacter*: A genus related to but distinct from the existing genus Hydrogenobacter of beside.

Parahydrogenophaga

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Hydrogenophaga*, An existing genus; *Parahydrogenophaga*: A genus related to but distinct from the existing genus Hydrogenophaga of beside.

Parahydrogenophilus

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Hydrogenophilus*, An existing genus; *Parahydrogenophilus*: A genus related to but distinct from the existing genus Hydrogenophilus of beside.

Parahydrogenovibrio

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Hydrogenovibrio*, An existing genus; *Parahydrogenovibrio*: A genus related to but distinct from the existing genus Hydrogenovibrio of beside.

Parahydromonas

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Hydromonas*, An existing genus; *Parahydromonas*: A genus related to but distinct from the existing genus Hydromonas of beside.

Parahydrotalea

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Hydrotalea*, An existing genus; *Parahydrotalea*: A genus related to but distinct from the existing genus Hydrotalea of beside.

Parahylemonella

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. dim. n. *Hylemonella*, An existing genus; *Parahylemonella*: A genus related to but distinct from the existing genus Hylemonella of beside.

Parahymenobacter

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. masc. n. *Hymenobacter*, An existing genus; *Parahymenobacter*: A genus related to but distinct from the existing genus Hymenobacter of beside.

Parahypericibacter

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. masc. n. *Hypericibacter*, An existing genus; *Parahypericibacter*: A genus related to but distinct from the existing genus Hypericibacter of beside.

Parahyperthermus

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. masc. n. *Hyperthermus*, An existing genus; *Parahyperthermus*: A genus related to but distinct from the existing genus Hyperthermus of beside.

Parahyphobacterium

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. neut. n. *Hyphobacterium*, An existing genus; *Parahyphobacterium*: A genus related to but distinct from the existing genus Hyphobacterium of beside.

Parahyphococcus

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. masc. n. *Hyphococcus*, An existing genus; *Parahyphococcus*: A genus related to but distinct from the existing genus Hyphococcus of beside.

Parahyphomicrobium

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. neut. n. *Hyphomicrobium*, An existing genus; *Parahyphomicrobium*: A genus related to but distinct from the existing genus Hyphomicrobium of beside.

Parahyphomonas

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Hyphomonas*, An existing genus; *Parahyphomonas*: A genus related to but distinct from the existing genus Hyphomonas of beside.

Parahypnocyclicus

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Hypnocyclicus*, An existing genus; *Parahypnocyclicus*: A genus related to but distinct from the existing genus Hypnocyclicus of beside.

Parahyunsoonleella

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. dim. n. *Hyunsoonleella*, An existing genus; *Parahyunsoonleella*: A genus related to but distinct from the existing genus Hyunsoonleella of beside.

Paraiamia

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Iamia*, An existing genus; *Paraiamia*: A genus related to but distinct from the existing genus Iamia of beside.

Paraichthyobacterium

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. neut. n. *Ichthyobacterium*, An existing genus; *Paraichthyobacterium*: A genus related to but distinct from the existing genus Ichthyobacterium of beside.

Paraideonella

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. dim. n. *Ideonella*, An existing genus; *Paraideonella*: A genus related to but distinct from the existing genus Ideonella of beside.

Paraidiomarina

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Idiomarina*, An existing genus; *Paraidiomarina*: A genus related to but distinct from the existing genus Idiomarina of beside.

Paraignatzschineria

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Ignatzschineria*, An existing genus; *Paraignatzschineria*: A genus related to but distinct from the existing genus Ignatzschineria of beside.

Paraignavigranum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Ignavigranum*, An existing genus; *Paraignavigranum*: A genus related to but distinct from the existing genus Ignavigranum of beside.

Paraignicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Ignicoccus*, An existing genus; *Paraignicoccus*: A genus related to but distinct from the existing genus Ignicoccus of beside.

Paraignisphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Ignisphaera*, An existing genus; *Paraignisphaera*: A genus related to but distinct from the existing genus Ignisphaera of beside.

Paraileibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Ileibacterium*, An existing genus; *Paraileibacterium*: A genus related to but distinct from the existing genus Ileibacterium of beside.

Parailumatobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Ilumatobacter*, An existing genus; *Parailumatobacter*: A genus related to but distinct from the existing genus Ilumatobacter of beside.

Paraimhoffiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Imhoffiella*, An existing genus; *Paraimhoffiella*: A genus related to but distinct from the existing genus Imhoffiella of beside.

Paraimmundisolibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Immundisolibacter*, An existing genus; *Paraimmundisolibacter*: A genus related to but distinct from the existing genus Immundisolibacter of beside.

Paraimperialibacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Imperialibacter*, An existing genus; *Paraimperialibacter*: A genus related to but distinct from the existing genus Imperialibacter of beside.

Paraimtechella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Imtechella*, An existing genus; *Paraimtechella*: A genus related to but distinct from the existing genus Imtechella of beside.

Paraindibacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Indibacter*, An existing genus; *Paraindibacter*: A genus related to but distinct from the existing genus Indibacter of beside.

Paraindiicoccus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Indiicoccus*, An existing genus; *Paraindiicoccus*: A genus related to but distinct from the existing genus Indiicoccus of beside.

Paraindioceanicola

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Indioceanicola*, An existing genus; *Paraindioceanicola*: A genus related to but distinct from the existing genus Indioceanicola of beside.

Parainediibacterium

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Inediibacterium*, An existing genus; *Parainediibacterium*: A genus related to but distinct from the existing genus Inediibacterium of beside.

Parainhella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Inhella*, An existing genus; *Parainhella*: A genus related to but distinct from the existing genus Inhella of beside.

Parainingainema

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Iningainema*, An existing genus; *Parainingainema*: A genus related to but distinct from the existing genus Iningainema of beside.

Parainmirania

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Inmirania*, An existing genus; *Parainmirania*: A genus related to but distinct from the existing genus Inmirania of beside.

Parainnacoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Innacoccus*, An existing genus; *Parainnacoccus*: A genus related to but distinct from the existing genus Innacoccus of beside.

Parainsolitispirillum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. dim. n. *Insolitispirillum*, An existing genus; *Parainsolitispirillum*: A genus related to but distinct from the existing genus Insolitispirillum of beside.

Paraintestinibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Intestinibacter*, An existing genus; *Paraintestinibacter*: A genus related to but distinct from the existing genus Intestinibacter of beside.

Paraintestinibaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Intestinibaculum*, An existing genus; *Paraintestinibaculum*: A genus related to but distinct from the existing genus Intestinibaculum of beside.

Paraintestinimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Intestinimonas*, An existing genus; *Paraintestinimonas*: A genus related to but distinct from the existing genus Intestinimonas of beside.

Paraintestinirhabdus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Intestinirhabdus*, An existing genus; *Paraintestinirhabdus*: A genus related to but distinct from the existing genus Intestinirhabdus of beside.

Paraintrasporangium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Intrasporangium*, An existing genus; *Paraintrasporangium*: A genus related to but distinct from the existing genus Intrasporangium of beside.

Paraiodidimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Iodidimonas*, An existing genus; *Paraiodidimonas*: A genus related to but distinct from the existing genus Iodidimonas of beside.

Paraiodobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Iodobacter*, An existing genus; *Paraiodobacter*: A genus related to but distinct from the existing genus Iodobacter of beside.

Parairregularibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Irregularibacter*, An existing genus; *Parairregularibacter*: A genus related to but distinct from the existing genus Irregularibacter of beside.

Paraisachenkonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Isachenkonia*, An existing genus; *Paraisachenkonia*: A genus related to but distinct from the existing genus Isachenkonia of beside.

Paraisobaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Isobaculum*, An existing genus; *Paraisobaculum*: A genus related to but distinct from the existing genus Isobaculum of beside.

Paraisochromatium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Isochromatium*, An existing genus; *Paraisochromatium*: A genus related to but distinct from the existing genus Isochromatium of beside.

Paraisoptericola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Isoptericola*, An existing genus; *Paraisoptericola*: A genus related to but distinct from the existing genus Isoptericola of beside.

Paraisosphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Isosphaera*, An existing genus; *Paraisosphaera*: A genus related to but distinct from the existing genus Isosphaera of beside.

Paraizhakiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Izhakiella*, An existing genus; *Paraizhakiella*: A genus related to but distinct from the existing genus Izhakiella of beside.

Parajacksonvillea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Jacksonvillea*, An existing genus; *Parajacksonvillea*: A genus related to but distinct from the existing genus Jacksonvillea of beside.

Parajahnella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Jahnella*, An existing genus; *Parajahnella*: A genus related to but distinct from the existing genus Jahnella of beside.

Parajanibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Janibacter*, An existing genus; *Parajanibacter*: A genus related to but distinct from the existing genus Janibacter of beside.

Parajanthinobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Janthinobacterium*, An existing genus; *Parajanthinobacterium*: A genus related to but distinct from the existing genus Janthinobacterium of beside.

Parajatrophihabitans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Jatrophihabitans*, An existing genus; *Parajatrophihabitans*: A genus related to but distinct from the existing genus Jatrophihabitans of beside.

Parajejubacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Jejubacter*, An existing genus; *Parajejubacter*: A genus related to but distinct from the existing genus Jejubacter of beside.

Parajejudonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Jejudonia*, An existing genus; *Parajejudonia*: A genus related to but distinct from the existing genus Jejudonia of beside.

Parajejuia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Jejuia*, An existing genus; *Parajejuia*: A genus related to but distinct from the existing genus Jejuia of beside.

Parajeongeupia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Jeongeupia*, An existing genus; *Parajeongeupia*: A genus related to but distinct from the existing genus Jeongeupia of beside.

Parajeotgalibaca

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Jeotgalibaca*, An existing genus; *Parajeotgalibaca*: A genus related to but distinct from the existing genus Jeotgalibaca of beside.

Parajeotgalibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Jeotgalibacillus*, An existing genus; *Parajeotgalibacillus*: A genus related to but distinct from the existing genus Jeotgalibacillus of beside.

Parajeotgalicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Jeotgalicoccus*, An existing genus; *Parajeotgalicoccus*: A genus related to but distinct from the existing genus Jeotgalicoccus of beside.

Parajhaorihella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Jhaorihella*, An existing genus; *Parajhaorihella*: A genus related to but distinct from the existing genus Jhaorihella of beside.

Parajiangella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Jiangella*, An existing genus; *Parajiangella*: A genus related to but distinct from the existing genus Jiangella of beside.

Parajiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Jiella*, An existing genus; *Parajiella*: A genus related to but distinct from the existing genus Jiella of beside.

Parajilinibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Jilinibacillus*, An existing genus; *Parajilinibacillus*: A genus related to but distinct from the existing genus Jilinibacillus of beside.

Parajindonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Jindonia*, An existing genus; *Parajindonia*: A genus related to but distinct from the existing genus Jindonia of beside.

Parajishengella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Jishengella*, An existing genus; *Parajishengella*: A genus related to but distinct from the existing genus Jishengella of beside.

Parajiulongibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Jiulongibacter*, An existing genus; *Parajiulongibacter*: A genus related to but distinct from the existing genus Jiulongibacter of beside.

Parajohnsonella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Johnsonella*, An existing genus; *Parajohnsonella*: A genus related to but distinct from the existing genus Johnsonella of beside.

Parajonesia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Jonesia*, An existing genus; *Parajonesia*: A genus related to but distinct from the existing genus Jonesia of beside.

Parajongsikchunia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Jongsikchunia*, An existing genus; *Parajongsikchunia*: A genus related to but distinct from the existing genus Jongsikchunia of beside.

Parajonquetella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Jonquetella*, An existing genus; *Parajonquetella*: A genus related to but distinct from the existing genus Jonquetella of beside.

Parajoostella

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. dim. n. *Joostella*, An existing genus; *Parajoostella*: A genus related to but distinct from the existing genus Joostella of beside.

Parakaiparowitsia

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Kaiparowitsia*, An existing genus; *Parakaiparowitsia*: A genus related to but distinct from the existing genus Kaiparowitsia of beside.

Parakaistella

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. dim. n. *Kaistella*, An existing genus; *Parakaistella*: A genus related to but distinct from the existing genus Kaistella of beside.

Parakaistia

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Kaistia*, An existing genus; *Parakaistia*: A genus related to but distinct from the existing genus Kaistia of beside.

Parakalamiella

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. dim. n. *Kalamiella*, An existing genus; *Parakalamiella*: A genus related to but distinct from the existing genus Kalamiella of beside.

Parakallipyga

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Kallipyga*, An existing genus; *Parakallipyga*: A genus related to but distinct from the existing genus Kallipyga of beside.

Parakallotenue

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. neut. n. *Kallotenue*, An existing genus; *Parakallotenue*: A genus related to but distinct from the existing genus Kallotenue of beside.

Parakandeliimicrobium

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. neut. n. *Kandeliimicrobium*, An existing genus; *Parakandeliimicrobium*: A genus related to but distinct from the existing genus Kandeliimicrobium of beside.

Parakandleria

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Kandleria*, An existing genus; *Parakandleria*: A genus related to but distinct from the existing genus Kandleria of beside.

Parakangiella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Kangiella*, An existing genus; *Parakangiella*: A genus related to but distinct from the existing genus Kangiella of beside.

Parakastovskya

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Kastovskya*, An existing genus; *Parakastovskya*: A genus related to but distinct from the existing genus Kastovskya of beside.

Parakeratinibaculum

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Keratinibaculum*, An existing genus; *Parakeratinibaculum*: A genus related to but distinct from the existing genus Keratinibaculum of beside.

Parakerstersia

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Kerstersia*, An existing genus; *Parakerstersia*: A genus related to but distinct from the existing genus Kerstersia of beside.

Paraketobacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Ketobacter*, An existing genus; *Paraketobacter*: A genus related to but distinct from the existing genus Ketobacter of beside.

Paraketogulonicigenium

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Ketogulonicigenium*, An existing genus; *Paraketogulonicigenium*: A genus related to but distinct from the existing genus Ketogulonicigenium of beside.

Parakibdelosporangium

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Kibdelosporangium*, An existing genus; *Parakibdelosporangium*: A genus related to but distinct from the existing genus Kibdelosporangium of beside.

Parakiloniella

Gr. nan preposition *ïĂĪśÏĄĪň*, beside; L. fem. dim. n. *Kiloniella*, An existing genus; *Parakiloniella*: A genus related to but distinct from the existing genus Kiloniella of beside.

Parakineobactrum

Gr. nan preposition *ïĂĪśÏĄĪň*, beside; L. neut. n. *Kineobactrum*, An existing genus; *Parakineobactrum*: A genus related to but distinct from the existing genus Kineobactrum of beside.

Parakineococcus

Gr. nan preposition *ïĂĪśÏĄĪň*, beside; L. masc. n. *Kineococcus*, An existing genus; *Parakineococcus*: A genus related to but distinct from the existing genus Kineococcus of beside.

Parakineosphaera

Gr. nan preposition *ïĂĪśÏĄĪň*, beside; L. fem. n. *Kineosphaera*, An existing genus; *Parakineosphaera*: A genus related to but distinct from the existing genus Kineosphaera of beside.

Parakineosporia

Gr. nan preposition *ïĂĪśÏĄĪň*, beside; L. fem. n. *Kineosporia*, An existing genus; *Parakineosporia*: A genus related to but distinct from the existing genus Kineosporia of beside.

Parakineothrix

Gr. nan preposition *ïĂĪśÏĄĪň*, beside; L. fem. n. *Kineothrix*, An existing genus; *Parakineothrix*: A genus related to but distinct from the existing genus Kineothrix of beside.

Parakingella

Gr. nan preposition *ïĂĪśÏĄĪň*, beside; L. fem. dim. n. *Kingella*, An existing genus; *Parakingella*: A genus related to but distinct from the existing genus Kingella of beside.

Parakinneretia

Gr. nan preposition *ïĂĪśÏĄĪň*, beside; L. fem. n. *Kinneretia*, An existing genus; *Parakinneretia*: A genus related to but distinct from the existing genus Kinneretia of beside.

Parakiritimatiella

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. dim. n. *Kiritimatiella*, An existing genus; *Parakiritimatiella*: A genus related to but distinct from the existing genus Kiritimatiella of beside.

Parakistimonas

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Kistimonas*, An existing genus; *Parakistimonas*: A genus related to but distinct from the existing genus Kistimonas of beside.

Parakitasatoa

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Kitasatoa*, An existing genus; *Parakitasatoa*: A genus related to but distinct from the existing genus Kitasatoa of beside.

Parakitasatospora

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Kitasatospora*, An existing genus; *Parakitasatospora*: A genus related to but distinct from the existing genus Kitasatospora of beside.

Paraklebsiella

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. dim. n. *Klebsiella*, An existing genus; *Paraklebsiella*: A genus related to but distinct from the existing genus Klebsiella of beside.

Paraklenkia

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Klenkia*, An existing genus; *Paraklenkia*: A genus related to but distinct from the existing genus Klenkia of beside.

Paraklisinema

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Klisinema*, An existing genus; *Paraklisinema*: A genus related to but distinct from the existing genus Klisinema of beside.

Paraklugiella

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. dim. n. *Klugiella*, An existing genus; *Paraklugiella*: A genus related to but distinct from the existing genus Klugiella of beside.

Parakluyvera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kluyvera*, An existing genus; *Parakluyvera*: A genus related to but distinct from the existing genus Kluyvera of beside.

Parakocuria

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kocuria*, An existing genus; *Parakocuria*: A genus related to but distinct from the existing genus Kocuria of beside.

Parakofleria

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kofleria*, An existing genus; *Parakofleria*: A genus related to but distinct from the existing genus Kofleria of beside.

Parakoinonema

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Koinonema*, An existing genus; *Parakoinonema*: A genus related to but distinct from the existing genus Koinonema of beside.

Parakomagatabacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Komagatabacter*, An existing genus; *Parakomagatabacter*: A genus related to but distinct from the existing genus Komagatabacter of beside.

Parakomagataeibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Komagataeibacter*, An existing genus; *Parakomagataeibacter*: A genus related to but distinct from the existing genus Komagataeibacter of beside.

Parakomarekiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Komarekiella*, An existing genus; *Parakomarekiella*: A genus related to but distinct from the existing genus Komarekiella of beside.

Parakomarkovaea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Komarkovaea*, An existing genus; *Parakomarkovaea*: A genus related to but distinct from the existing genus Komarkovaea of beside.

Parakordia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kordia*, An existing genus; *Parakordia*: A genus related to but distinct from the existing genus Kordia of beside.

Parakordiimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kordiimonas*, An existing genus; *Parakordiimonas*: A genus related to but distinct from the existing genus Kordiimonas of beside.

Parakoreibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Koreibacter*, An existing genus; *Parakoreibacter*: A genus related to but distinct from the existing genus Koreibacter of beside.

Parakosakonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kosakonia*, An existing genus; *Parakosakonia*: A genus related to but distinct from the existing genus Kosakonia of beside.

Parakoserella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Koserella*, An existing genus; *Parakoserella*: A genus related to but distinct from the existing genus Koserella of beside.

Parakosmotoga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kosmotoga*, An existing genus; *Parakosmotoga*: A genus related to but distinct from the existing genus Kosmotoga of beside.

Parakovacikia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kovacikia*, An existing genus; *Parakovacikia*: A genus related to but distinct from the existing genus Kovacikia of beside.

Parakozakia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kozakia*, An existing genus; *Parakozakia*: A genus related to but distinct from the existing genus Kozakia of beside.

Parakrasilnikovia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Krasilnikovia*, An existing genus; *Parakrasilnikovia*: A genus related to but distinct from the existing genus Krasilnikovia of beside.

Parakrasilnikoviella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Krasilnikoviella*, An existing genus; *Parakrasilnikoviella*: A genus related to but distinct from the existing genus Krasilnikoviella of beside.

Parakribbella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Kribbella*, An existing genus; *Parakribbella*: A genus related to but distinct from the existing genus Kribbella of beside.

Parakribbia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kribbia*, An existing genus; *Parakribbia*: A genus related to but distinct from the existing genus Kribbia of beside.

Parakriegella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Kriegella*, An existing genus; *Parakriegella*: A genus related to but distinct from the existing genus Kriegella of beside.

Parakrokinobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Krokinobacter*, An existing genus; *Parakrokinobacter*: A genus related to but distinct from the existing genus Krokinobacter of beside.

Parakroppenstedtia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kroppenstedtia*, An existing genus; *Parakroppenstedtia*: A genus related to but distinct from the existing genus Kroppenstedtia of beside.

Parakryptousia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kryptousia*, An existing genus; *Parakryptousia*: A genus related to but distinct from the existing genus Kryptousia of beside.

Paraktedonobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Ktedonobacter*, An existing genus; *Paraktedonobacter*: A genus related to but distinct from the existing genus Ktedonobacter of beside.

Paraktedonosporobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Ktedonosporobacter*, An existing genus; *Paraktedonosporobacter*: A genus related to but distinct from the existing genus Ktedonosporobacter of beside.

Parakurthia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kurthia*, An existing genus; *Parakurthia*: A genus related to but distinct from the existing genus Kurthia of beside.

Parakushneria

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kushneria*, An existing genus; *Parakushneria*: A genus related to but distinct from the existing genus Kushneria of beside.

Parakutzneria

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kutzneria*, An existing genus; *Parakutzneria*: A genus related to but distinct from the existing genus Kutzneria of beside.

Parakyrpidia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kyrpidia*, An existing genus; *Parakyrpidia*: A genus related to but distinct from the existing genus Kyrpidia of beside.

Parakyrtuthrix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Kyrtuthrix*, An existing genus; *Parakyrtuthrix*: A genus related to but distinct from the existing genus Kyrtuthrix of beside.

Parakytococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Kytococcus*, An existing genus; *Parakytococcus*: A genus related to but distinct from the existing genus Kytococcus of beside.

Paralabedaea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Labedaea*, An existing genus; *Paralabedaea*: A genus related to but distinct from the existing genus Labedaea of beside.

Paralabedella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Labedella*, An existing genus; *Paralabedella*: A genus related to but distinct from the existing genus Labedella of beside.

Paralabilibaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Labilibaculum*, An existing genus; *Paralabilibaculum*: A genus related to but distinct from the existing genus Labilibaculum of beside.

Paralabilithrix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Labilithrix*, An existing genus; *Paralabilithrix*: A genus related to but distinct from the existing genus Labilithrix of beside.

Paralabrenzia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Labrenzia*, An existing genus; *Paralabrenzia*: A genus related to but distinct from the existing genus Labrenzia of beside.

Paralabrys

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Labrys*, An existing genus; *Paralabrys*: A genus related to but distinct from the existing genus Labrys of beside.

Paralaceyella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Laceyella*, An existing genus; *Paralaceyella*: A genus related to but distinct from the existing genus Laceyella of beside.

Paralachnoanaerobaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Lachnoanaerobaculum*, An existing genus; *Paralachnoanaerobaculum*: A genus related to but distinct from the existing genus Lachnoanaerobaculum of beside.

Paralachnobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Lachnobacterium*, An existing genus; *Paralachnobacterium*: A genus related to but distinct from the existing genus Lachnobacterium of beside.

Paralachnoclostridium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Lachnoclostridium*, An existing genus; *Paralachnoclostridium*: A genus related to but distinct from the existing genus Lachnoclostridium of beside.

Paralachnospira

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lachnospira*, An existing genus; *Paralachnospira*: A genus related to but distinct from the existing genus Lachnospira of beside.

Paralachnotalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lachnotalea*, An existing genus; *Paralachnotalea*: A genus related to but distinct from the existing genus Lachnotalea of beside.

Paralacibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lacibacter*, An existing genus; *Paralacibacter*: A genus related to but distinct from the existing genus Lacibacter of beside.

Paralacibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Lacibacterium*, An existing genus; *Paralacibacterium*: A genus related to but distinct from the existing genus Lacibacterium of beside.

Paralacihabitans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lacihabitans*, An existing genus; *Paralacihabitans*: A genus related to but distinct from the existing genus Lacihabitans of beside.

Paralacimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Lacimicrobium*, An existing genus; *Paralacimicrobium*: A genus related to but distinct from the existing genus Lacimicrobium of beside.

Paralacimonas

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Lacimonas*, An existing genus; *Paralacimonas*: A genus related to but distinct from the existing genus Lacimonas of beside.

Paralacinutrix

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Lacinutrix*, An existing genus; *Paralacinutrix*: A genus related to but distinct from the existing genus Lacinutrix of beside.

Paralacipirellula

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. dim. n. *Lacipirellula*, An existing genus; *Paralacipirellula*: A genus related to but distinct from the existing genus Lacipirellula of beside.

Paralacisediminihabitans

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Lacisediminihabitans*, An existing genus; *Paralacisediminihabitans*: A genus related to but distinct from the existing genus Lacisediminihabitans of beside.

Paralacisediminimonas

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Lacisediminimonas*, An existing genus; *Paralacisediminimonas*: A genus related to but distinct from the existing genus Lacisediminimonas of beside.

Paralacrimispora

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Lacrimispora*, An existing genus; *Paralacrimispora*: A genus related to but distinct from the existing genus Lacrimispora of beside.

Paralacticaseibacillus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Lacticaseibacillus*, An existing genus; *Paralacticaseibacillus*: A genus related to but distinct from the existing genus Lacticaseibacillus of beside.

Paralacticigenium

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Lacticigenium*, An existing genus; *Paralacticigenium*: A genus related to but distinct from the existing genus Lacticigenium of beside.

Paralactimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Lactimicrobium*, An existing genus; *Paralactimicrobium*: A genus related to but distinct from the existing genus Lactimicrobium of beside.

Paralactiplantibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lactiplantibacillus*, An existing genus; *Paralactiplantibacillus*: A genus related to but distinct from the existing genus Lactiplantibacillus of beside.

Paralactivibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lactivibrio*, An existing genus; *Paralactivibrio*: A genus related to but distinct from the existing genus Lactivibrio of beside.

Paralactobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lactobacillus*, An existing genus; *Paralactobacillus*: A genus related to but distinct from the existing genus Lactobacillus of beside.

Paralactococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lactococcus*, An existing genus; *Paralactococcus*: A genus related to but distinct from the existing genus Lactococcus of beside.

Paralactonifactor

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lactonifactor*, An existing genus; *Paralactonifactor*: A genus related to but distinct from the existing genus Lactonifactor of beside.

Paralactosphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lactosphaera*, An existing genus; *Paralactosphaera*: A genus related to but distinct from the existing genus Lactosphaera of beside.

Paralactovum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Lactovum*, An existing genus; *Paralactovum*: A genus related to but distinct from the existing genus Lactovum of beside.

Paralacunisphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lacunisphaera*, An existing genus; *Paralacunisphaera*: A genus related to but distinct from the existing genus Lacunisphaera of beside.

Paralamprocystis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lamprocystis*, An existing genus; *Paralamprocystis*: A genus related to but distinct from the existing genus Lamprocystis of beside.

Paralampropedia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lampropedia*, An existing genus; *Paralampropedia*: A genus related to but distinct from the existing genus Lampropedia of beside.

Paralancefieldella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Lancefieldella*, An existing genus; *Paralancefieldella*: A genus related to but distinct from the existing genus Lancefieldella of beside.

Paralapidilactobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lapidilactobacillus*, An existing genus; *Paralapidilactobacillus*: A genus related to but distinct from the existing genus Lapidilactobacillus of beside.

Paralapillicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lapillicoccus*, An existing genus; *Paralapillicoccus*: A genus related to but distinct from the existing genus Lapillicoccus of beside.

Paralaribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Laribacter*, An existing genus; *Paralaribacter*: A genus related to but distinct from the existing genus Laribacter of beside.

Paralarkinella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Larkinella*, An existing genus; *Paralarkinella*: A genus related to but distinct from the existing genus Larkinella of beside.

Paralarsenia

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Larsenia*, An existing genus; *Paralarsenia*: A genus related to but distinct from the existing genus Larsenia of beside.

Paralarsenimonas

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Larsenimonas*, An existing genus; *Paralarsenimonas*: A genus related to but distinct from the existing genus Larsenimonas of beside.

Paralaspinema

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Laspinema*, An existing genus; *Paralaspinema*: A genus related to but distinct from the existing genus Laspinema of beside.

Paralatilactobacillus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Latilactobacillus*, An existing genus; *Paralatilactobacillus*: A genus related to but distinct from the existing genus Latilactobacillus of beside.

Paralautropia

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Lautropia*, An existing genus; *Paralautropia*: A genus related to but distinct from the existing genus Lautropia of beside.

Paralawsonella

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. dim. n. *Lawsonella*, An existing genus; *Paralawsonella*: A genus related to but distinct from the existing genus Lawsonella of beside.

Paralawsonia

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Lawsonia*, An existing genus; *Paralawsonia*: A genus related to but distinct from the existing genus Lawsonia of beside.

Paralawsonibacter

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Lawsonibacter*, An existing genus; *Paralawsonibacter*: A genus related to but distinct from the existing genus Lawsonibacter of beside.

Paraleadbetterella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Leadbetterella*, An existing genus; *Paraleadbetterella*: A genus related to but distinct from the existing genus Leadbetterella of beside.

Paralebetimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lebetimonas*, An existing genus; *Paralebetimonas*: A genus related to but distinct from the existing genus Lebetimonas of beside.

Paralechevalieria

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lechevalieria*, An existing genus; *Paralechevalieria*: A genus related to but distinct from the existing genus Lechevalieria of beside.

Paraleclercia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Leclercia*, An existing genus; *Paraleclercia*: A genus related to but distinct from the existing genus Leclercia of beside.

Paraleeia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Leeia*, An existing genus; *Paraleeia*: A genus related to but distinct from the existing genus Leeia of beside.

Paraleekyejoonella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Leekyejoonella*, An existing genus; *Paraleekyejoonella*: A genus related to but distinct from the existing genus Leekyejoonella of beside.

Paraleeuwenhoekiella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Leeuwenhoekiella*, An existing genus; *Paraleeuwenhoekiella*: A genus related to but distinct from the existing genus Leeuwenhoekiella of beside.

Paralegionella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Legionella*, An existing genus; *Paralegionella*: A genus related to but distinct from the existing genus Legionella of beside.

Paraleifsonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Leifsonia*, An existing genus; *Paraleifsonia*: A genus related to but distinct from the existing genus Leifsonia of beside.

Paraleisingera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Leisingera*, An existing genus; *Paraleisingera*: A genus related to but distinct from the existing genus Leisingera of beside.

Paralelliottia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lelliottia*, An existing genus; *Paralelliottia*: A genus related to but distinct from the existing genus Lelliottia of beside.

Paraleminorella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Leminorella*, An existing genus; *Paraleminorella*: A genus related to but distinct from the existing genus Leminorella of beside.

Paralemmermanniella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Lemmermanniella*, An existing genus; *Paralemmermanniella*: A genus related to but distinct from the existing genus Lemmermanniella of beside.

Paralentibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lentibacillus*, An existing genus; *Paralentibacillus*: A genus related to but distinct from the existing genus Lentibacillus of beside.

Paralentibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lentibacter*, An existing genus; *Paralentibacter*: A genus related to but distinct from the existing genus Lentibacter of beside.

Paralentilactobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lentilactobacillus*, An existing genus; *Paralentilactobacillus*: A genus related to but distinct from the existing genus Lentilactobacillus of beside.

Paralentilitoribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lentilitoribacter*, An existing genus; *Paralentilitoribacter*: A genus related to but distinct from the existing genus Lentilitoribacter of beside.

Paralentimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Lentimicrobium*, An existing genus; *Paralentimicrobium*: A genus related to but distinct from the existing genus Lentimicrobium of beside.

Paralentisphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lentisphaera*, An existing genus; *Paralentisphaera*: A genus related to but distinct from the existing genus Lentisphaera of beside.

Paralentzea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lentzea*, An existing genus; *Paralentzea*: A genus related to but distinct from the existing genus Lentzea of beside.

Paraleptobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Leptobacterium*, An existing genus; *Paraleptobacterium*: A genus related to but distinct from the existing genus Leptobacterium of beside.

Paraleptolinea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Leptolinea*, An existing genus; *Paraleptolinea*: A genus related to but distinct from the existing genus Leptolinea of beside.

Paraleptonema

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Leptonema*, An existing genus; *Paraleptonema*: A genus related to but distinct from the existing genus Leptonema of beside.

Paraleptospira

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Leptospira*, An existing genus; *Paraleptospira*: A genus related to but distinct from the existing genus Leptospira of beside.

Paraleptospirillum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. dim. n. *Leptospirillum*, An existing genus; *Paraleptospirillum*: A genus related to but distinct from the existing genus Leptospirillum of beside.

Paraleptothoe

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Leptothoe*, An existing genus; *Paraleptothoe*: A genus related to but distinct from the existing genus Leptothoe of beside.

Paraleptothrix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Leptothrix*, An existing genus; *Paraleptothrix*: A genus related to but distinct from the existing genus Leptothrix of beside.

Paraleptotrichia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Leptotrichia*, An existing genus; *Paraleptotrichia*: A genus related to but distinct from the existing genus Leptotrichia of beside.

Paraleucobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Leucobacter*, An existing genus; *Paraleucobacter*: A genus related to but distinct from the existing genus Leucobacter of beside.

Paraleuconostoc

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Leuconostoc*, An existing genus; *Paraleuconostoc*: A genus related to but distinct from the existing genus Leuconostoc of beside.

Paraleucothrix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Leucothrix*, An existing genus; *Paraleucothrix*: A genus related to but distinct from the existing genus Leucothrix of beside.

Paralevilactobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Levilactobacillus*, An existing genus; *Paralevilactobacillus*: A genus related to but distinct from the existing genus Levilactobacillus of beside.

Paralevilinea

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Levilinea*, An existing genus; *Paralevilinea*: A genus related to but distinct from the existing genus Levilinea of beside.

Paralevinea

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. n. *Levinea*, An existing genus; *Paralevinea*: A genus related to but distinct from the existing genus Levinea of beside.

Paralevispirillum

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. neut. dim. n. *Levispirillum*, An existing genus; *Paralevispirillum*: A genus related to but distinct from the existing genus Levispirillum of beside.

Paralewinella

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. fem. dim. n. *Lewinella*, An existing genus; *Paralewinella*: A genus related to but distinct from the existing genus Lewinella of beside.

Paralibanicoccus

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. masc. n. *Libanicoccus*, An existing genus; *Paralibanicoccus*: A genus related to but distinct from the existing genus Libanicoccus of beside.

Paraliberibacter

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. masc. n. *Liberibacter*, An existing genus; *Paraliberibacter*: A genus related to but distinct from the existing genus Liberibacter of beside.

Paralichenibacterium

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. neut. n. *Lichenibacterium*, An existing genus; *Paralichenibacterium*: A genus related to but distinct from the existing genus Lichenibacterium of beside.

Paralichenicoccus

Gr. nan preposition *ïĂĪśĬĄĪň*, beside; L. masc. n. *Lichenicoccus*, An existing genus; *Paralichenicoccus*: A genus related to but distinct from the existing genus Lichenicoccus of beside.

Paralichenihabitans

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Lichenihabitans*, An existing genus; *Paralichenihabitans*: A genus related to but distinct from the existing genus Lichenihabitans of beside.

Paralightfootiella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Lightfootiella*, An existing genus; *Paralightfootiella*: A genus related to but distinct from the existing genus Lightfootiella of beside.

Paraligilactobacillus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Ligilactobacillus*, An existing genus; *Paraligilactobacillus*: A genus related to but distinct from the existing genus Ligilactobacillus of beside.

Paralignipirellula

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Lignipirellula*, An existing genus; *Paralignipirellula*: A genus related to but distinct from the existing genus Lignipirellula of beside.

Paralihuaxuella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Lihuaxuella*, An existing genus; *Paralihuaxuella*: A genus related to but distinct from the existing genus Lihuaxuella of beside.

Paralimibacillus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Limibacillus*, An existing genus; *Paralimibacillus*: A genus related to but distinct from the existing genus Limibacillus of beside.

Paralimibacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Limibacter*, An existing genus; *Paralimibacter*: A genus related to but distinct from the existing genus Limibacter of beside.

Paralimibaculum

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Limibaculum*, An existing genus; *Paralimibaculum*: A genus related to but distinct from the existing genus Limibaculum of beside.

Paralimihaloglobus

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Limihaloglobus*, An existing genus; *Paralimihaloglobus*: A genus related to but distinct from the existing genus Limihaloglobus of beside.

Paralimimaricola

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Limimaricola*, An existing genus; *Paralimimaricola*: A genus related to but distinct from the existing genus Limimaricola of beside.

Paralimimonas

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Limimonas*, An existing genus; *Paralimimonas*: A genus related to but distinct from the existing genus Limimonas of beside.

Paralimisphaera

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Limisphaera*, An existing genus; *Paralimisphaera*: A genus related to but distinct from the existing genus Limisphaera of beside.

Paralimnobacter

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Limnobacter*, An existing genus; *Paralimnobacter*: A genus related to but distinct from the existing genus Limnobacter of beside.

Paralimnobaculum

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. neut. n. *Limnobaculum*, An existing genus; *Paralimnobaculum*: A genus related to but distinct from the existing genus Limnobaculum of beside.

Paralimnochorda

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Limnochorda*, An existing genus; *Paralimnochorda*: A genus related to but distinct from the existing genus Limnochorda of beside.

Paralimnoglobus

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Limnoglobus*, An existing genus; *Paralimnoglobus*: A genus related to but distinct from the existing genus Limnoglobus of beside.

Paralimnohabitans

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Limnohabitans*, An existing genus; *Paralimnohabitans*: A genus related to but distinct from the existing genus Limnohabitans of beside.

Paralimnolyngbya

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Limnolyngbya*, An existing genus; *Paralimnolyngbya*: A genus related to but distinct from the existing genus Limnolyngbya of beside.

Paralimnospira

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Limnospira*, An existing genus; *Paralimnospira*: A genus related to but distinct from the existing genus Limnospira of beside.

Paralimoniibacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Limoniibacter*, An existing genus; *Paralimoniibacter*: A genus related to but distinct from the existing genus Limoniibacter of beside.

Paralimosilactobacillus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Limosilactobacillus*, An existing genus; *Paralimosilactobacillus*: A genus related to but distinct from the existing genus Limosilactobacillus of beside.

Paralipingzhangella

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Lipingzhangella*, An existing genus; *Paralipingzhangella*: A genus related to but distinct from the existing genus Lipingzhangella of beside.

Paraliquorilactobacillus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Liquorilactobacillus*, An existing genus; *Paraliquorilactobacillus*: A genus related to but distinct from the existing genus Liquorilactobacillus of beside.

Paralishizhenia

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Lishizhenia*, An existing genus; *Paralishizhenia*: A genus related to but distinct from the existing genus Lishizhenia of beside.

Paralisteria

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Listeria*, An existing genus; *Paralisteria*: A genus related to but distinct from the existing genus Listeria of beside.

Paralistonella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Listonella*, An existing genus; *Paralistonella*: A genus related to but distinct from the existing genus Listonella of beside.

Paralitoreibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Litoreibacter*, An existing genus; *Paralitoreibacter*: A genus related to but distinct from the existing genus Litoreibacter of beside.

Paralitoribacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Litoribacillus*, An existing genus; *Paralitoribacillus*: A genus related to but distinct from the existing genus Litoribacillus of beside.

Paralitoribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Litoribacter*, An existing genus; *Paralitoribacter*: A genus related to but distinct from the existing genus Litoribacter of beside.

Paralitoribaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Litoribaculum*, An existing genus; *Paralitoribaculum*: A genus related to but distinct from the existing genus Litoribaculum of beside.

Paralitoribrevibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Litoribrevibacter*, An existing genus; *Paralitoribrevibacter*: A genus related to but distinct from the existing genus Litoribrevibacter of beside.

Paralitoricola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Litoricola*, An existing genus; *Paralitoricola*: A genus related to but distinct from the existing genus Litoricola of beside.

Paralitorihabitans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Litorihabitans*, An existing genus; *Paralitorihabitans*: A genus related to but distinct from the existing genus Litorihabitans of beside.

Paralitorilinea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Litorilinea*, An existing genus; *Paralitorilinea*: A genus related to but distinct from the existing genus Litorilinea of beside.

Paralitorilituus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Litorilituus*, An existing genus; *Paralitorilituus*: A genus related to but distinct from the existing genus Litorilituus of beside.

Paralitorimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Litorimicrobium*, An existing genus; *Paralitorimicrobium*: A genus related to but distinct from the existing genus Litorimicrobium of beside.

Paralitorimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Litorimonas*, An existing genus; *Paralitorimonas*: A genus related to but distinct from the existing genus Litorimonas of beside.

Paralitorisediminicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Litorisediminicola*, An existing genus; *Paralitorisediminicola*: A genus related to but distinct from the existing genus Litorisediminicola of beside.

Paralitorisediminivivens

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Litorisediminivivens*, An existing genus; *Paralitorisediminivivens*: A genus related to but distinct from the existing genus Litorisediminivivens of beside.

Paralitorivita

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Litorivita*, An existing genus; *Paralitorivita*: A genus related to but distinct from the existing genus Litorivita of beside.

Paralitorivivens

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Litorivivens*, An existing genus; *Paralitorivivens*: A genus related to but distinct from the existing genus Litorivivens of beside.

Paraloigolactobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Loigolactobacillus*, An existing genus; *Paraloigolactobacillus*: A genus related to but distinct from the existing genus Loigolactobacillus of beside.

Paralokiarchaeum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Lokiarchaeum*, An existing genus; *Paralokiarchaeum*: A genus related to but distinct from the existing genus Lokiarchaeum of beside.

Paraloktanella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Loktanella*, An existing genus; *Paraloktanella*: A genus related to but distinct from the existing genus Loktanella of beside.

Paralonepinella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Lonepinella*, An existing genus; *Paralonepinella*: A genus related to but distinct from the existing genus Lonepinella of beside.

Paralongibaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Longibaculum*, An existing genus; *Paralongibaculum*: A genus related to but distinct from the existing genus Longibaculum of beside.

Paralongicatena

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Longicatena*, An existing genus; *Paralongicatena*: A genus related to but distinct from the existing genus Longicatena of beside.

Paralongilinea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Longilinea*, An existing genus; *Paralongilinea*: A genus related to but distinct from the existing genus Longilinea of beside.

Paralongimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Longimicrobium*, An existing genus; *Paralongimicrobium*: A genus related to but distinct from the existing genus Longimicrobium of beside.

Paralongimycelium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Longimycelium*, An existing genus; *Paralongimycelium*: A genus related to but distinct from the existing genus Longimycelium of beside.

Paralongirhabdus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Longirhabdus*, An existing genus; *Paralongirhabdus*: A genus related to but distinct from the existing genus Longirhabdus of beside.

Paralongispora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Longispora*, An existing genus; *Paralongispora*: A genus related to but distinct from the existing genus Longispora of beside.

Paralongivirga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Longivirga*, An existing genus; *Paralongivirga*: A genus related to but distinct from the existing genus Longivirga of beside.

Paralonsdalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lonsdalea*, An existing genus; *Paralonsdalea*: A genus related to but distinct from the existing genus Lonsdalea of beside.

Paraloriella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Loriella*, An existing genus; *Paraloriella*: A genus related to but distinct from the existing genus Loriella of beside.

Paraloriellopsis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Loriellopsis*, An existing genus; *Paraloriellopsis*: A genus related to but distinct from the existing genus Loriellopsis of beside.

Paralottiidibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lottiidibacillus*, An existing genus; *Paralottiidibacillus*: A genus related to but distinct from the existing genus Lottiidibacillus of beside.

Paralucibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Lucibacterium*, An existing genus; *Paralucibacterium*: A genus related to but distinct from the existing genus Lucibacterium of beside.

Paraluedemannella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Luedemannella*, An existing genus; *Paraluedemannella*: A genus related to but distinct from the existing genus Luedemannella of beside.

Paraluethyella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Luethyella*, An existing genus; *Paraluethyella*: A genus related to but distinct from the existing genus Luethyella of beside.

Paralujinxingia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lujinxingia*, An existing genus; *Paralujinxingia*: A genus related to but distinct from the existing genus Lujinxingia of beside.

Paraluminiphilus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Luminiphilus*, An existing genus; *Paraluminiphilus*: A genus related to but distinct from the existing genus Luminiphilus of beside.

Paralunatimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lunatimonas*, An existing genus; *Paralunatimonas*: A genus related to but distinct from the existing genus Lunatimonas of beside.

Paralusitaniella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Lusitaniella*, An existing genus; *Paralusitaniella*: A genus related to but distinct from the existing genus Lusitaniella of beside.

Paralutaonella

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. dim. n. *Lutaonella*, An existing genus; *Paralutaonella*: A genus related to but distinct from the existing genus Lutaonella of beside.

Paraluteibacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Luteibacter*, An existing genus; *Paraluteibacter*: A genus related to but distinct from the existing genus Luteibacter of beside.

Paraluteibaculum

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. n. *Luteibaculum*, An existing genus; *Paraluteibaculum*: A genus related to but distinct from the existing genus Luteibaculum of beside.

Paraluteimicrobium

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. n. *Luteimicrobium*, An existing genus; *Paraluteimicrobium*: A genus related to but distinct from the existing genus Luteimicrobium of beside.

Paraluteimonas

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Luteimonas*, An existing genus; *Paraluteimonas*: A genus related to but distinct from the existing genus Luteimonas of beside.

Paraluteipulveratus

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Luteipulveratus*, An existing genus; *Paraluteipulveratus*: A genus related to but distinct from the existing genus Luteipulveratus of beside.

Paraluteitalea

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Luteitalea*, An existing genus; *Paraluteitalea*: A genus related to but distinct from the existing genus Luteitalea of beside.

Paraluteithermobacter

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Luteithermobacter*, An existing genus; *Paraluteithermobacter*: A genus related to but distinct from the existing genus Luteithermobacter of beside.

Paraluteivirga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Luteivirga*, An existing genus; *Paraluteivirga*: A genus related to but distinct from the existing genus Luteivirga of beside.

Paraluteococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Luteococcus*, An existing genus; *Paraluteococcus*: A genus related to but distinct from the existing genus Luteococcus of beside.

Paraluteolibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Luteolibacter*, An existing genus; *Paraluteolibacter*: A genus related to but distinct from the existing genus Luteolibacter of beside.

Paraluteovulum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Luteovulum*, An existing genus; *Paraluteovulum*: A genus related to but distinct from the existing genus Luteovulum of beside.

Paralutibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Lutibacterium*, An existing genus; *Paralutibacterium*: A genus related to but distinct from the existing genus Lutibacterium of beside.

Paralutimaribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lutimaribacter*, An existing genus; *Paralutimaribacter*: A genus related to but distinct from the existing genus Lutimaribacter of beside.

Paralutimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lutimonas*, An existing genus; *Paralutimonas*: A genus related to but distinct from the existing genus Lutimonas of beside.

Paralutispora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lutispora*, An existing genus; *Paralutispora*: A genus related to but distinct from the existing genus Lutispora of beside.

Paralysinibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lysinibacillus*, An existing genus; *Paralysinibacillus*: A genus related to but distinct from the existing genus Lysinibacillus of beside.

Paralysinibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lysinibacter*, An existing genus; *Paralysinibacter*: A genus related to but distinct from the existing genus Lysinibacter of beside.

Paralysinimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Lysinimicrobium*, An existing genus; *Paralysinimicrobium*: A genus related to but distinct from the existing genus Lysinimicrobium of beside.

Paralysinimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Lysinimonas*, An existing genus; *Paralysinimonas*: A genus related to but distinct from the existing genus Lysinimonas of beside.

Paralysobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Lysobacter*, An existing genus; *Paralysobacter*: A genus related to but distinct from the existing genus Lysobacter of beside.

Paralyticum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Lyticum*, An existing genus; *Paralyticum*: A genus related to but distinct from the existing genus Lyticum of beside.

Paramabikibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mabikibacter*, An existing genus; *Paramabikibacter*: A genus related to but distinct from the existing genus Mabikibacter of beside.

Paramacellibacteroides

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Macellibacteroides*, An existing genus; *Paramacellibacteroides*: A genus related to but distinct from the existing genus Macellibacteroides of beside.

Paramacrochaete

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Macrochaete*, An existing genus; *Paramacrochaete*: A genus related to but distinct from the existing genus Macrochaete of beside.

Paramacrococcus

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Macrococcus*, An existing genus; *Paramacrococcus*: A genus related to but distinct from the existing genus Macrococcus of beside.

Paramageeibacillus

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Mageeibacillus*, An existing genus; *Paramageeibacillus*: A genus related to but distinct from the existing genus Mageeibacillus of beside.

Paramagnetococcus

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Magnetococcus*, An existing genus; *Paramagnetococcus*: A genus related to but distinct from the existing genus Magnetococcus of beside.

Paramagnetospira

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. n. *Magnetospira*, An existing genus; *Paramagnetospira*: A genus related to but distinct from the existing genus Magnetospira of beside.

Paramagnetospirillum

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. neut. dim. n. *Magnetospirillum*, An existing genus; *Paramagnetospirillum*: A genus related to but distinct from the existing genus Magnetospirillum of beside.

Paramagnetovibrio

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. masc. n. *Magnetovibrio*, An existing genus; *Paramagnetovibrio*: A genus related to but distinct from the existing genus Magnetovibrio of beside.

Paramahella

Gr. nan preposition *ïĂĪśïĄĪň*, beside; L. fem. dim. n. *Mahella*, An existing genus; *Paramahella*: A genus related to but distinct from the existing genus Mahella of beside.

Paramalacoplasma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Malacoplasma*, An existing genus; *Paramalacoplasma*: A genus related to but distinct from the existing genus Malacoplasma of beside.

Paramaledivibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Maledivibacter*, An existing genus; *Paramaledivibacter*: A genus related to but distinct from the existing genus Maledivibacter of beside.

Paramalikia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Malikia*, An existing genus; *Paramalikia*: A genus related to but distinct from the existing genus Malikia of beside.

Paramaliponia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Maliponia*, An existing genus; *Paramaliponia*: A genus related to but distinct from the existing genus Maliponia of beside.

Paramameliella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Mameliella*, An existing genus; *Paramameliella*: A genus related to but distinct from the existing genus Mameliella of beside.

Paramangrovibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mangrovibacter*, An existing genus; *Paramangrovibacter*: A genus related to but distinct from the existing genus Mangrovibacter of beside.

Paramangrovibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Mangrovibacterium*, An existing genus; *Paramangrovibacterium*: A genus related to but distinct from the existing genus Mangrovibacterium of beside.

Paramangrovicella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Mangrovicella*, An existing genus; *Paramangrovicella*: A genus related to but distinct from the existing genus Mangrovicella of beside.

Paramangrovicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mangrovicoccus*, An existing genus; *Paramangrovicoccus*: A genus related to but distinct from the existing genus Mangrovicoccus of beside.

Paramangroviflexus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mangroviflexus*, An existing genus; *Paramangroviflexus*: A genus related to but distinct from the existing genus Mangroviflexus of beside.

Paramangrovihabitans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mangrovihabitans*, An existing genus; *Paramangrovihabitans*: A genus related to but distinct from the existing genus Mangrovihabitans of beside.

Paramangrovimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Mangrovimonas*, An existing genus; *Paramangrovimonas*: A genus related to but distinct from the existing genus Mangrovimonas of beside.

Paramangrovitalea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Mangrovitalea*, An existing genus; *Paramangrovitalea*: A genus related to but distinct from the existing genus Mangrovitalea of beside.

Paramannheimia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Mannheimia*, An existing genus; *Paramannheimia*: A genus related to but distinct from the existing genus Mannheimia of beside.

Paramarasmitruncus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Marasmitruncus*, An existing genus; *Paramarasmitruncus*: A genus related to but distinct from the existing genus Marasmitruncus of beside.

Paramaribacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Maribacillus*, An existing genus; *Paramaribacillus*: A genus related to but distinct from the existing genus Maribacillus of beside.

Paramaribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Maribacter*, An existing genus; *Paramaribacter*: A genus related to but distinct from the existing genus Maribacter of beside.

Paramaribaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Maribaculum*, An existing genus; *Paramaribaculum*: A genus related to but distinct from the existing genus Maribaculum of beside.

Paramaribellus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Maribellus*, An existing genus; *Paramaribellus*: A genus related to but distinct from the existing genus Maribellus of beside.

Paramaribius

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Maribius*, An existing genus; *Paramaribius*: A genus related to but distinct from the existing genus Maribius of beside.

Paramaricaulis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Maricaulis*, An existing genus; *Paramaricaulis*: A genus related to but distinct from the existing genus Maricaulis of beside.

Paramarichromatium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Marichromatium*, An existing genus; *Paramarichromatium*: A genus related to but distinct from the existing genus Marichromatium of beside.

Paramaricurvus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Maricurvus*, An existing genus; *Paramaricurvus*: A genus related to but distinct from the existing genus Maricurvus of beside.

Paramarihabitans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Marihabitans*, An existing genus; *Paramarihabitans*: A genus related to but distinct from the existing genus Marihabitans of beside.

Paramarileptolyngbya

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Marileptolyngbya*, An existing genus; *Paramarileptolyngbya*: A genus related to but distinct from the existing genus Marileptolyngbya of beside.

Paramarimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Marimicrobium*, An existing genus; *Paramarimicrobium*: A genus related to but distinct from the existing genus Marimicrobium of beside.

Paramarimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Marimonas*, An existing genus; *Paramarimonas*: A genus related to but distinct from the existing genus Marimonas of beside.

Paramarinactinospora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Marinactinospora*, An existing genus; *Paramarinactinospora*: A genus related to but distinct from the existing genus Marinactinospora of beside.

Paramarinagarivorans

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Marinagarivorans*, An existing genus; *Paramarinagarivorans*: A genus related to but distinct from the existing genus Marinagarivorans of beside.

Paramarinibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Marinibacillus*, An existing genus; *Paramarinibacillus*: A genus related to but distinct from the existing genus Marinibacillus of beside.

Paramarinibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Marinibacterium*, An existing genus; *Paramarinibacterium*: A genus related to but distinct from the existing genus Marinibacterium of beside.

Paramarinibactrum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Marinibactrum*, An existing genus; *Paramarinibactrum*: A genus related to but distinct from the existing genus Marinibactrum of beside.

Paramarinibaculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Marinibaculum*, An existing genus; *Paramarinibaculum*: A genus related to but distinct from the existing genus Marinibaculum of beside.

Paramariniblastus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mariniblastus*, An existing genus; *Paramariniblastus*: A genus related to but distinct from the existing genus Mariniblastus of beside.

Paramarinicauda

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Marinicauda*, An existing genus; *Paramarinicauda*: A genus related to but distinct from the existing genus Marinicauda of beside.

Paramarinicaulis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Marinicaulis*, An existing genus; *Paramarinicaulis*: A genus related to but distinct from the existing genus Marinicaulis of beside.

Paramarinicella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Marinicella*, An existing genus; *Paramarinicella*: A genus related to but distinct from the existing genus Marinicella of beside.

Paramarinicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Marinicola*, An existing genus; *Paramarinicola*: A genus related to but distinct from the existing genus Marinicola of beside.

Paramarinicrinis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Marinicrinis*, An existing genus; *Paramarinicrinis*: A genus related to but distinct from the existing genus Marinicrinis of beside.

Paramarinifilum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Marinifilum*, An existing genus; *Paramarinifilum*: A genus related to but distinct from the existing genus Marinifilum of beside.

Paramariniflexile

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Mariniflexile*, An existing genus; *Paramariniflexile*: A genus related to but distinct from the existing genus Mariniflexile of beside.

Paramarinilabilia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Marinilabilia*, An existing genus; *Paramarinilabilia*: A genus related to but distinct from the existing genus Marinilabilia of beside.

Paramarinilactibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Marinilactibacillus*, An existing genus; *Paramarinilactibacillus*: A genus related to but distinct from the existing genus Marinilactibacillus of beside.

Paramariniluteicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mariniluteicoccus*, An existing genus; *Paramariniluteicoccus*: A genus related to but distinct from the existing genus Mariniluteicoccus of beside.

Paramarinimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Marinimicrobium*, An existing genus; *Paramarinimicrobium*: A genus related to but distinct from the existing genus Marinimicrobium of beside.

Paramarininema

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Marininema*, An existing genus; *Paramarininema*: A genus related to but distinct from the existing genus Marininema of beside.

Paramariniphaga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Mariniphaga*, An existing genus; *Paramariniphaga*: A genus related to but distinct from the existing genus Mariniphaga of beside.

Paramariniradius

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mariniradius*, An existing genus; *Paramariniradius*: A genus related to but distinct from the existing genus Mariniradius of beside.

Paramarinirhabdus

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Marinirhabdus*, An existing genus; *Paramarinirhabdus*: A genus related to but distinct from the existing genus Marinirhabdus of beside.

Paramarinisporobacter

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Marinisporobacter*, An existing genus; *Paramarinisporobacter*: A genus related to but distinct from the existing genus Marinisporobacter of beside.

Paramarinitalea

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Marinitalea*, An existing genus; *Paramarinitalea*: A genus related to but distinct from the existing genus Marinitalea of beside.

Paramarinitenerispora

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Marinitenerispora*, An existing genus; *Paramarinitenerispora*: A genus related to but distinct from the existing genus Marinitenerispora of beside.

Paramarinithermofilum

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. neut. n. *Marinithermofilum*, An existing genus; *Paramarinithermofilum*: A genus related to but distinct from the existing genus Marinithermofilum of beside.

Paramarinithermus

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. masc. n. *Marinithermus*, An existing genus; *Paramarinithermus*: A genus related to but distinct from the existing genus Marinithermus of beside.

Paramarinitoga

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Marinitoga*, An existing genus; *Paramarinitoga*: A genus related to but distinct from the existing genus Marinitoga of beside.

Paramarinivirga

Gr. nan preposition *ïĂĪśĪĄĪň*, beside; L. fem. n. *Marinivirga*, An existing genus; *Paramarinivirga*: A genus related to but distinct from the existing genus Marinivirga of beside.

Paramarinobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Marinobacter*, An existing genus; *Paramarinobacter*: A genus related to but distinct from the existing genus Marinobacter of beside.

Paramarinobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Marinobacterium*, An existing genus; *Paramarinobacterium*: A genus related to but distinct from the existing genus Marinobacterium of beside.

Paramarinococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Marinococcus*, An existing genus; *Paramarinococcus*: A genus related to but distinct from the existing genus Marinococcus of beside.

Paramarinomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Marinomonas*, An existing genus; *Paramarinomonas*: A genus related to but distinct from the existing genus Marinomonas of beside.

Paramarinoscillum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Marinoscillum*, An existing genus; *Paramarinoscillum*: A genus related to but distinct from the existing genus Marinoscillum of beside.

Paramarinospirillum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. dim. n. *Marinospirillum*, An existing genus; *Paramarinospirillum*: A genus related to but distinct from the existing genus Marinospirillum of beside.

Paramarinosulfonomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Marinosulfonomonas*, An existing genus; *Paramarinosulfonomonas*: A genus related to but distinct from the existing genus Marinosulfonomonas of beside.

Paramarinovum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Marinovum*, An existing genus; *Paramarinovum*: A genus related to but distinct from the existing genus Marinovum of beside.

Paramariprofundus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Mariprofundus*, An existing genus; *Paramariprofundus*: A genus related to but distinct from the existing genus Mariprofundus of beside.

Paramaripseudobacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Maripseudobacter*, An existing genus; *Paramaripseudobacter*: A genus related to but distinct from the existing genus Maripseudobacter of beside.

Paramarisediminicola

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Marisediminicola*, An existing genus; *Paramarisediminicola*: A genus related to but distinct from the existing genus Marisediminicola of beside.

Paramarisediminitalea

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Marisediminitalea*, An existing genus; *Paramarisediminitalea*: A genus related to but distinct from the existing genus Marisediminitalea of beside.

Paramarispirillum

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. dim. n. *Marispirillum*, An existing genus; *Paramarispirillum*: A genus related to but distinct from the existing genus Marispirillum of beside.

Paramarispirochaeta

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Marispirochaeta*, An existing genus; *Paramarispirochaeta*: A genus related to but distinct from the existing genus Marispirochaeta of beside.

Paramaritalea

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Maritalea*, An existing genus; *Paramaritalea*: A genus related to but distinct from the existing genus Maritalea of beside.

Paramaritimibacter

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Maritimibacter*, An existing genus; *Paramaritimibacter*: A genus related to but distinct from the existing genus Maritimibacter of beside.

Paramaritimimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Maritimimonas*, An existing genus; *Paramaritimimonas*: A genus related to but distinct from the existing genus Maritimimonas of beside.

Paramarivibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Marivibrio*, An existing genus; *Paramarivibrio*: A genus related to but distinct from the existing genus Marivibrio of beside.

Paramarivirga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Marivirga*, An existing genus; *Paramarivirga*: A genus related to but distinct from the existing genus Marivirga of beside.

Paramarivita

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Marivita*, An existing genus; *Paramarivita*: A genus related to but distinct from the existing genus Marivita of beside.

Paramarixanthomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Marixanthomonas*, An existing genus; *Paramarixanthomonas*: A genus related to but distinct from the existing genus Marixanthomonas of beside.

Paramarmoricola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Marmoricola*, An existing genus; *Paramarmoricola*: A genus related to but distinct from the existing genus Marmoricola of beside.

Paramarortus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Marortus*, An existing genus; *Paramarortus*: A genus related to but distinct from the existing genus Marortus of beside.

Paramartelella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Martelella*, An existing genus; *Paramartelella*: A genus related to but distinct from the existing genus Martelella of beside.

Paramarvinbryantia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Marvinbryantia*, An existing genus; *Paramarvinbryantia*: A genus related to but distinct from the existing genus Marvinbryantia of beside.

Paramassilibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Massilibacterium*, An existing genus; *Paramassilibacterium*: A genus related to but distinct from the existing genus Massilibacterium of beside.

Paramassiliimalia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Massiliimalia*, An existing genus; *Paramassiliimalia*: A genus related to but distinct from the existing genus Massiliimalia of beside.

Paramechercharimyces

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mechercharimyces*, An existing genus; *Paramechercharimyces*: A genus related to but distinct from the existing genus Mechercharimyces of beside.

Paramediterraneibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mediterraneibacter*, An existing genus; *Paramediterraneibacter*: A genus related to but distinct from the existing genus Mediterraneibacter of beside.

Paramegamonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Megamonas*, An existing genus; *Paramegamonas*: A genus related to but distinct from the existing genus Megamonas of beside.

Parameganema

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Meganema*, An existing genus; *Parameganema*: A genus related to but distinct from the existing genus Meganema of beside.

Paramegasphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Megasphaera*, An existing genus; *Paramegasphaera*: A genus related to but distinct from the existing genus Megasphaera of beside.

Parameiothermus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Meiothermus*, An existing genus; *Parameiothermus*: A genus related to but distinct from the existing genus Meiothermus of beside.

Paramelaminivora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Melaminivora*, An existing genus; *Paramelaminivora*: A genus related to but distinct from the existing genus Melaminivora of beside.

Paramelghiribacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Melghiribacillus*, An existing genus; *Paramelghiribacillus*: A genus related to but distinct from the existing genus Melghiribacillus of beside.

Paramelghirimyces

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Melghirimyces*, An existing genus; *Paramelghirimyces*: A genus related to but distinct from the existing genus Melghirimyces of beside.

Paramelioribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Melioribacter*, An existing genus; *Paramelioribacter*: A genus related to but distinct from the existing genus Melioribacter of beside.

Paramelissococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Melissococcus*, An existing genus; *Paramelissococcus*: A genus related to but distinct from the existing genus Melissococcus of beside.

Paramelitea

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Melitea*, An existing genus; *Paramelitea*: A genus related to but distinct from the existing genus Melitea of beside.

Paramelittangium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Melittangium*, An existing genus; *Paramelittangium*: A genus related to but distinct from the existing genus Melittangium of beside.

Paramembranicola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Membranicola*, An existing genus; *Paramembranicola*: A genus related to but distinct from the existing genus Membranicola of beside.

Parameniscus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Meniscus*, An existing genus; *Parameniscus*: A genus related to but distinct from the existing genus Meniscus of beside.

Paramerdibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Merdibacter*, An existing genus; *Paramerdibacter*: A genus related to but distinct from the existing genus Merdibacter of beside.

Paramerdimonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Merdimonas*, An existing genus; *Paramerdimonas*: A genus related to but distinct from the existing genus Merdimonas of beside.

Parameridianimaribacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Meridianimaribacter*, An existing genus; *Parameridianimaribacter*: A genus related to but distinct from the existing genus Meridianimaribacter of beside.

Parameridianimarinicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Meridianimarinicoccus*, An existing genus; *Parameridianimarinicoccus*: A genus related to but distinct from the existing genus Meridianimarinicoccus of beside.

Paramesoaciditoga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Mesoaciditoga*, An existing genus; *Paramesoaciditoga*: A genus related to but distinct from the existing genus Mesoaciditoga of beside.

Paramesobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mesobacillus*, An existing genus; *Paramesobacillus*: A genus related to but distinct from the existing genus Mesobacillus of beside.

Paramesocricetibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mesocricetibacter*, An existing genus; *Paramesocricetibacter*: A genus related to but distinct from the existing genus Mesocricetibacter of beside.

Paramesoflavibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mesoflavibacter*, An existing genus; *Paramesoflavibacter*: A genus related to but distinct from the existing genus Mesoflavibacter of beside.

Paramesohalobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mesohalobacter*, An existing genus; *Paramesohalobacter*: A genus related to but distinct from the existing genus Mesohalobacter of beside.

Paramesomycoplasma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Mesomycoplasma*, An existing genus; *Paramesomycoplasma*: A genus related to but distinct from the existing genus Mesomycoplasma of beside.

Paramesonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Mesonia*, An existing genus; *Paramesonia*: A genus related to but distinct from the existing genus Mesonia of beside.

Paramesophilobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Mesophilobacter*, An existing genus; *Paramesophilobacter*: A genus related to but distinct from the existing genus Mesophilobacter of beside.

Paramesoplasma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Mesoplasma*, An existing genus; *Paramesoplasma*: A genus related to but distinct from the existing genus Mesoplasma of beside.

Paramesorhizobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Mesorhizobium*, An existing genus; *Paramesorhizobium*: A genus related to but distinct from the existing genus Mesorhizobium of beside.

Paramesosutterella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Mesosutterella*, An existing genus; *Paramesosutterella*: A genus related to but distinct from the existing genus Mesosutterella of beside.

Paramesotoga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Mesotoga*, An existing genus; *Paramesotoga*: A genus related to but distinct from the existing genus Mesotoga of beside.

Parametabacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Metabacillus*, An existing genus; *Parametabacillus*: A genus related to but distinct from the existing genus Metabacillus of beside.

Parametakosakonia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Metakosakonia*, An existing genus; *Parametakosakonia*: A genus related to but distinct from the existing genus Metakosakonia of beside.

Parametallibacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Metallibacterium*, An existing genus; *Parametallibacterium*: A genus related to but distinct from the existing genus Metallibacterium of beside.

Parametalliresistens

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Metalliresistens*, An existing genus; *Parametalliresistens*: A genus related to but distinct from the existing genus Metalliresistens of beside.

Parametallosphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Metallosphaera*, An existing genus; *Parametallosphaera*: A genus related to but distinct from the existing genus Metallosphaera of beside.

Parametalysinibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Metalysinibacillus*, An existing genus; *Parametalysinibacillus*: A genus related to but distinct from the existing genus Metalysinibacillus of beside.

Parametamycoplasma

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Metamycoplasma*, An existing genus; *Parametamycoplasma*: A genus related to but distinct from the existing genus Metamycoplasma of beside.

Parametaplanococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Metaplanococcus*, An existing genus; *Parametaplanococcus*: A genus related to but distinct from the existing genus Metaplanococcus of beside.

Parametascardovia

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Metascardovia*, An existing genus; *Parametascardovia*: A genus related to but distinct from the existing genus Metascardovia of beside.

Parametasolibacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Metasolibacillus*, An existing genus; *Parametasolibacillus*: A genus related to but distinct from the existing genus Metasolibacillus of beside.

Paramethanobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methanobacterium*, An existing genus; *Paramethanobacterium*: A genus related to but distinct from the existing genus Methanobacterium of beside.

Paramethanobrevibacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methanobrevibacter*, An existing genus; *Paramethanobrevibacter*: A genus related to but distinct from the existing genus Methanobrevibacter of beside.

Paramethanocalculus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methanocalculus*, An existing genus; *Paramethanocalculus*: A genus related to but distinct from the existing genus Methanocalculus of beside.

Paramethanocaldococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methanocaldococcus*, An existing genus; *Paramethanocaldococcus*: A genus related to but distinct from the existing genus Methanocaldococcus of beside.

Paramethanocella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Methanocella*, An existing genus; *Paramethanocella*: A genus related to but distinct from the existing genus Methanocella of beside.

Paramethanococcoides

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methanococcoides*, An existing genus; *Paramethanococcoides*: A genus related to but distinct from the existing genus Methanococcoides of beside.

Paramethanococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methanococcus*, An existing genus; *Paramethanococcus*: A genus related to but distinct from the existing genus Methanococcus of beside.

Paramethanocorpusculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methanocorpusculum*, An existing genus; *Paramethanocorpusculum*: A genus related to but distinct from the existing genus Methanocorpusculum of beside.

Paramethanoculleus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methanoculleus*, An existing genus; *Paramethanoculleus*: A genus related to but distinct from the existing genus Methanoculleus of beside.

Paramethanofervidicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methanofervidicoccus*, An existing genus; *Paramethanofervidicoccus*: A genus related to but distinct from the existing genus Methanofervidicoccus of beside.

Paramethanofollis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methanofollis*, An existing genus; *Paramethanofollis*: A genus related to but distinct from the existing genus Methanofollis of beside.

Paramethanogenium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methanogenium*, An existing genus; *Paramethanogenium*: A genus related to but distinct from the existing genus Methanogenium of beside.

Paramethanohalobium

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Methanohalobium*, An existing genus; *Paramethanohalobium*: A genus related to but distinct from the existing genus Methanohalobium of beside.

Paramethanohalophilus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Methanohalophilus*, An existing genus; *Paramethanohalophilus*: A genus related to but distinct from the existing genus Methanohalophilus of beside.

Paramethanolacinia

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Methanolacinia*, An existing genus; *Paramethanolacinia*: A genus related to but distinct from the existing genus Methanolacinia of beside.

Paramethanolinea

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Methanolinea*, An existing genus; *Paramethanolinea*: A genus related to but distinct from the existing genus Methanolinea of beside.

Paramethanomassiliicoccus

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. masc. n. *Methanomassiliicoccus*, An existing genus; *Paramethanomassiliicoccus*: A genus related to but distinct from the existing genus Methanomassiliicoccus of beside.

Paramethanomethylovorans

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Methanomethylovorans*, An existing genus; *Paramethanomethylovorans*: A genus related to but distinct from the existing genus Methanomethylovorans of beside.

Paramethanomicrobium

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Methanomicrobium*, An existing genus; *Paramethanomicrobium*: A genus related to but distinct from the existing genus Methanomicrobium of beside.

Paramethanonatronarchaeum

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. neut. n. *Methanonatronarchaeum*, An existing genus; *Paramethanonatronarchaeum*: A genus related to but distinct from the existing genus Methanonatronarchaeum of beside.

Paramethanoplanus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Methanoplanus*, An existing genus; *Paramethanoplanus*: A genus related to but distinct from the existing genus Methanoplanus of beside.

Paramethanopyrus

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. masc. n. *Methanopyrus*, An existing genus; *Paramethanopyrus*: A genus related to but distinct from the existing genus Methanopyrus of beside.

Paramethanoregula

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Methanoregula*, An existing genus; *Paramethanoregula*: A genus related to but distinct from the existing genus Methanoregula of beside.

Paramethanosaeta

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Methanosaeta*, An existing genus; *Paramethanosaeta*: A genus related to but distinct from the existing genus Methanosaeta of beside.

Paramethanosalsum

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. neut. n. *Methanosalsum*, An existing genus; *Paramethanosalsum*: A genus related to but distinct from the existing genus Methanosalsum of beside.

Paramethanosarcina

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Methanosarcina*, An existing genus; *Paramethanosarcina*: A genus related to but distinct from the existing genus Methanosarcina of beside.

Paramethanosphaera

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. n. *Methanosphaera*, An existing genus; *Paramethanosphaera*: A genus related to but distinct from the existing genus Methanosphaera of beside.

Paramethanosphaerula

Gr. nan preposition *ïĂÎśïĄÎň*, beside; L. fem. dim. n. *Methanosphaerula*, An existing genus; *Paramethanosphaerula*: A genus related to but distinct from the existing genus Methanosphaerula of beside.

Paramethanospirillum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. dim. n. *Methanospirillum*, An existing genus; *Paramethanospirillum*: A genus related to but distinct from the existing genus Methanospirillum of beside.

Paramethanothermobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methanothermobacter*, An existing genus; *Paramethanothermobacter*: A genus related to but distinct from the existing genus Methanothermobacter of beside.

Paramethanothermococcus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methanothermococcus*, An existing genus; *Paramethanothermococcus*: A genus related to but distinct from the existing genus Methanothermococcus of beside.

Paramethanothermus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methanothermus*, An existing genus; *Paramethanothermus*: A genus related to but distinct from the existing genus Methanothermus of beside.

Paramethanothrix

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Methanothrix*, An existing genus; *Paramethanothrix*: A genus related to but distinct from the existing genus Methanothrix of beside.

Paramethanotorris

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methanotorris*, An existing genus; *Paramethanotorris*: A genus related to but distinct from the existing genus Methanotorris of beside.

Paramethermicoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methermicoccus*, An existing genus; *Paramethermicoccus*: A genus related to but distinct from the existing genus Methermicoccus of beside.

Paramethylacidimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methylacidimicrobium*, An existing genus; *Paramethylacidimicrobium*: A genus related to but distinct from the existing genus Methylacidimicrobium of beside.

Paramethylarcula

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Methylarcula*, An existing genus; *Paramethylarcula*: A genus related to but distinct from the existing genus Methylarcula of beside.

Paramethylibium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methylibium*, An existing genus; *Paramethylibium*: A genus related to but distinct from the existing genus Methylibium of beside.

Paramethylicorpusculum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methylicorpusculum*, An existing genus; *Paramethylicorpusculum*: A genus related to but distinct from the existing genus Methylicorpusculum of beside.

Paramethylobacillus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methylobacillus*, An existing genus; *Paramethylobacillus*: A genus related to but distinct from the existing genus Methylobacillus of beside.

Paramethylobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methylobacter*, An existing genus; *Paramethylobacter*: A genus related to but distinct from the existing genus Methylobacter of beside.

Paramethylobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methylobacterium*, An existing genus; *Paramethylobacterium*: A genus related to but distinct from the existing genus Methylobacterium of beside.

Paramethylobrevis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methylobrevis*, An existing genus; *Paramethylobrevis*: A genus related to but distinct from the existing genus Methylobrevis of beside.

Paramethylocaldum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methylocaldum*, An existing genus; *Paramethylocaldum*: A genus related to but distinct from the existing genus Methylocaldum of beside.

Paramethylocapsa

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. fem. n. *Methylocapsa*, An existing genus; *Paramethylocapsa*: A genus related to but distinct from the existing genus Methylocapsa of beside.

Paramethyloceanibacter

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. masc. n. *Methyloceanibacter*, An existing genus; *Paramethyloceanibacter*: A genus related to but distinct from the existing genus Methyloceanibacter of beside.

Paramethylocella

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. fem. n. *Methylocella*, An existing genus; *Paramethylocella*: A genus related to but distinct from the existing genus Methylocella of beside.

Paramethylococcus

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. masc. n. *Methylococcus*, An existing genus; *Paramethylococcus*: A genus related to but distinct from the existing genus Methylococcus of beside.

Paramethylocucumis

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. masc. n. *Methylocucumis*, An existing genus; *Paramethylocucumis*: A genus related to but distinct from the existing genus Methylocucumis of beside.

Paramethylocystis

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. fem. n. *Methylocystis*, An existing genus; *Paramethylocystis*: A genus related to but distinct from the existing genus Methylocystis of beside.

Paramethyloferula

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. fem. n. *Methyloferula*, An existing genus; *Paramethyloferula*: A genus related to but distinct from the existing genus Methyloferula of beside.

Paramethylogaea

Gr. nan preposition *ïĂĪśĬĄĪĭ*, beside; L. fem. n. *Methylogaea*, An existing genus; *Paramethylogaea*: A genus related to but distinct from the existing genus Methylogaea of beside.

Paramethyloglobulus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. dim. n. *Methyloglobulus*, An existing genus; *Paramethyloglobulus*: A genus related to but distinct from the existing genus Methyloglobulus of beside.

Paramethylohalobius

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methylohalobius*, An existing genus; *Paramethylohalobius*: A genus related to but distinct from the existing genus Methylohalobius of beside.

Paramethylohalomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Methylohalomonas*, An existing genus; *Paramethylohalomonas*: A genus related to but distinct from the existing genus Methylohalomonas of beside.

Paramethyloligella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Methyloligella*, An existing genus; *Paramethyloligella*: A genus related to but distinct from the existing genus Methyloligella of beside.

Paramethylolobus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methylolobus*, An existing genus; *Paramethylolobus*: A genus related to but distinct from the existing genus Methylolobus of beside.

Paramethylomagnum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methylomagnum*, An existing genus; *Paramethylomagnum*: A genus related to but distinct from the existing genus Methylomagnum of beside.

Paramethylomarinovum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methylomarinovum*, An existing genus; *Paramethylomarinovum*: A genus related to but distinct from the existing genus Methylomarinovum of beside.

Paramethylomarinum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methylomarinum*, An existing genus; *Paramethylomarinum*: A genus related to but distinct from the existing genus Methylomarinum of beside.

Paramethylomicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methylomicrobium*, An existing genus; *Paramethylomicrobium*: A genus related to but distinct from the existing genus Methylomicrobium of beside.

Paramethylomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Methylomonas*, An existing genus; *Paramethylomonas*: A genus related to but distinct from the existing genus Methylomonas of beside.

Paramethylomusa

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Methylomusa*, An existing genus; *Paramethylomusa*: A genus related to but distinct from the existing genus Methylomusa of beside.

Paramethylonatrum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methylonatrum*, An existing genus; *Paramethylonatrum*: A genus related to but distinct from the existing genus Methylonatrum of beside.

Paramethyloparacoccus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methyloparacoccus*, An existing genus; *Paramethyloparacoccus*: A genus related to but distinct from the existing genus Methyloparacoccus of beside.

Paramethylophaga

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Methylophaga*, An existing genus; *Paramethylophaga*: A genus related to but distinct from the existing genus Methylophaga of beside.

Paramethylophilus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methylophilus*, An existing genus; *Paramethylophilus*: A genus related to but distinct from the existing genus Methylophilus of beside.

Paramethylopila

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Methylopila*, An existing genus; *Paramethylopila*: A genus related to but distinct from the existing genus Methylopila of beside.

Paramethyloprofundus

Gr. nan preposition *ĬĂĬśĬĄĬň*, beside; L. masc. n. *Methyloprofundus*, An existing genus; *Paramethyloprofundus*: A genus related to but distinct from the existing genus Methyloprofundus of beside.

Paramethylorhabdus

Gr. nan preposition *ĬĂĬśĬĄĬň*, beside; L. fem. n. *Methylorhabdus*, An existing genus; *Paramethylorhabdus*: A genus related to but distinct from the existing genus Methylorhabdus of beside.

Paramethylorosula

Gr. nan preposition *ĬĂĬśĬĄĬň*, beside; L. fem. dim. n. *Methylorosula*, An existing genus; *Paramethylorosula*: A genus related to but distinct from the existing genus Methylorosula of beside.

Paramethylorubrum

Gr. nan preposition *ĬĂĬśĬĄĬň*, beside; L. neut. n. *Methylorubrum*, An existing genus; *Paramethylorubrum*: A genus related to but distinct from the existing genus Methylorubrum of beside.

Paramethylosarcina

Gr. nan preposition *ĬĂĬśĬĄĬň*, beside; L. fem. n. *Methylosarcina*, An existing genus; *Paramethylosarcina*: A genus related to but distinct from the existing genus Methylosarcina of beside.

Paramethylosinus

Gr. nan preposition *ĬĂĬśĬĄĬň*, beside; L. masc. n. *Methylosinus*, An existing genus; *Paramethylosinus*: A genus related to but distinct from the existing genus Methylosinus of beside.

Paramethylosoma

Gr. nan preposition *ĬĂĬśĬĄĬň*, beside; L. neut. n. *Methylosoma*, An existing genus; *Paramethylosoma*: A genus related to but distinct from the existing genus Methylosoma of beside.

Paramethylosphaera

Gr. nan preposition *ĬĂĬśĬĄĬň*, beside; L. fem. n. *Methylosphaera*, An existing genus; *Paramethylosphaera*: A genus related to but distinct from the existing genus Methylosphaera of beside.

Paramethylosulfonomonas

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Methylosulfonomonas*, An existing genus; *Paramethylosulfonomonas*: A genus related to but distinct from the existing genus Methylosulfonomonas of beside.

Paramethylotenera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Methylotenera*, An existing genus; *Paramethylotenera*: A genus related to but distinct from the existing genus Methylotenera of beside.

Paramethyloterricola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Methyloterricola*, An existing genus; *Paramethyloterricola*: A genus related to but distinct from the existing genus Methyloterricola of beside.

Paramethyloterrigena

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Methyloterrigena*, An existing genus; *Paramethyloterrigena*: A genus related to but distinct from the existing genus Methyloterrigena of beside.

Paramethylothermus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methylothermus*, An existing genus; *Paramethylothermus*: A genus related to but distinct from the existing genus Methylothermus of beside.

Paramethylotuvimicrobium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methylotuvimicrobium*, An existing genus; *Paramethylotuvimicrobium*: A genus related to but distinct from the existing genus Methylotuvimicrobium of beside.

Paramethyloversatilis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Methyloversatilis*, An existing genus; *Paramethyloversatilis*: A genus related to but distinct from the existing genus Methyloversatilis of beside.

Paramethylovirgula

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Methylovirgula*, An existing genus; *Paramethylovirgula*: A genus related to but distinct from the existing genus Methylovirgula of beside.

Paramethylovorus

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Methylovorus*, An existing genus; *Paramethylovorus*: A genus related to but distinct from the existing genus Methylovorus of beside.

Paramethylovulum

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Methylovulum*, An existing genus; *Paramethylovulum*: A genus related to but distinct from the existing genus Methylovulum of beside.

Paramicavibrio

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Micavibrio*, An existing genus; *Paramicavibrio*: A genus related to but distinct from the existing genus Micavibrio of beside.

Paramicroaerobacter

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Microaerobacter*, An existing genus; *Paramicroaerobacter*: A genus related to but distinct from the existing genus Microaerobacter of beside.

Paramicrobacterium

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. neut. n. *Microbacterium*, An existing genus; *Paramicrobacterium*: A genus related to but distinct from the existing genus Microbacterium of beside.

Paramicrobispora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Microbispora*, An existing genus; *Paramicrobispora*: A genus related to but distinct from the existing genus Microbispora of beside.

Paramicrobulbifer

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. masc. n. *Microbulbifer*, An existing genus; *Paramicrobulbifer*: A genus related to but distinct from the existing genus Microbulbifer of beside.

Paramicrocella

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Microcella*, An existing genus; *Paramicrocella*: A genus related to but distinct from the existing genus Microcella of beside.

Paramicrococcoides

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. neut. n. *Micrococcoides*, An existing genus; *Paramicrococcoides*: A genus related to but distinct from the existing genus Micrococcoides of beside.

Paramicrococcus

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. masc. n. *Micrococcus*, An existing genus; *Paramicrococcus*: A genus related to but distinct from the existing genus Micrococcus of beside.

Paramicrocyclus

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. masc. n. *Microcyclus*, An existing genus; *Paramicrocyclus*: A genus related to but distinct from the existing genus Microcyclus of beside.

Paramicrocystis

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. fem. n. *Microcystis*, An existing genus; *Paramicrocystis*: A genus related to but distinct from the existing genus Microcystis of beside.

Paramicroellobosporia

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. fem. n. *Microellobosporia*, An existing genus; *Paramicroellobosporia*: A genus related to but distinct from the existing genus Microellobosporia of beside.

Paramicrolunatus

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. masc. n. *Microlunatus*, An existing genus; *Paramicrolunatus*: A genus related to but distinct from the existing genus Microlunatus of beside.

Paramicromonas

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. fem. n. *Micromonas*, An existing genus; *Paramicromonas*: A genus related to but distinct from the existing genus Micromonas of beside.

Paramicromonospora

Gr. nan preposition *ïĂĨśÏĄĨň*, beside; L. fem. n. *Micromonospora*, An existing genus; *Paramicromonospora*: A genus related to but distinct from the existing genus Micromonospora of beside.

Paramicropepsis

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Micropepsis*, An existing genus; *Paramicropepsis*: A genus related to but distinct from the existing genus Micropepsis of beside.

Paramicropolyspora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Micropolyspora*, An existing genus; *Paramicropolyspora*: A genus related to but distinct from the existing genus Micropolyspora of beside.

Paramicropruina

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Micropruina*, An existing genus; *Paramicropruina*: A genus related to but distinct from the existing genus Micropruina of beside.

Paramicroscilla

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Microscilla*, An existing genus; *Paramicroscilla*: A genus related to but distinct from the existing genus Microscilla of beside.

Paramicrosphaera

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Microsphaera*, An existing genus; *Paramicrosphaera*: A genus related to but distinct from the existing genus Microsphaera of beside.

Paramicroterricola

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Microterricola*, An existing genus; *Paramicroterricola*: A genus related to but distinct from the existing genus Microterricola of beside.

Paramicrotetraspora

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. n. *Microtetraspora*, An existing genus; *Paramicrotetraspora*: A genus related to but distinct from the existing genus Microtetraspora of beside.

Paramicrovirgula

Gr. nan preposition *ïĂÎśÏĄÎň*, beside; L. fem. dim. n. *Microvirgula*, An existing genus; *Paramicrovirgula*: A genus related to but distinct from the existing genus Microvirgula of beside.

Paramillisia

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Millisia*, An existing genus; *Paramillisia*: A genus related to but distinct from the existing genus Millisia of beside.

Paraminicystis

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Minicystis*, An existing genus; *Paraminicystis*: A genus related to but distinct from the existing genus Minicystis of beside.

Paraminiimonas

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Miniimonas*, An existing genus; *Paraminiimonas*: A genus related to but distinct from the existing genus Miniimonas of beside.

Paraminiphocibacter

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. masc. n. *Miniphocibacter*, An existing genus; *Paraminiphocibacter*: A genus related to but distinct from the existing genus Miniphocibacter of beside.

Paraminunostoc

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. neut. n. *Minunostoc*, An existing genus; *Paraminunostoc*: A genus related to but distinct from the existing genus Minunostoc of beside.

Paraminwuia

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Minwuia*, An existing genus; *Paraminwuia*: A genus related to but distinct from the existing genus Minwuia of beside.

Paramitsuaria

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. n. *Mitsuaria*, An existing genus; *Paramitsuaria*: A genus related to but distinct from the existing genus Mitsuaria of beside.

Paramitsuokella

Gr. nan preposition *ïĂĬśïĄĬň*, beside; L. fem. dim. n. *Mitsuokella*, An existing genus; *Paramitsuokella*: A genus related to but distinct from the existing genus Mitsuokella of beside.

Paramixta

Gr. nan preposition *ïĂĪśĭĄĪň*, beside; L. fem. n. *Mixta*, An existing genus; *Paramixta*: A genus related to but distinct from the existing genus Mixta of beside.

Paramizugakiibacter
